IN MORRISBURG

Committees make pitch to council

by Mike Thompson
Leader Staff

MORRISBURG — Despite only having two officials back council here efficiently flew through their second general meeting Monday night, taking only 35 minutes to wrap things up.

Although the agenda was fairly light with just seven items, council's three new members, Gord McGregor, Peter Remillard and Dirk Testerink appeared rather comfortable.

"I think we'll (the village) do all right with this group," said Gord Lane who attended the general meeting on behalf of the Parks Management Board.

Lane and Linda Bowers, who represented the village's recreation by-law committee were familiarizing their respective groups' interests to the new council.

"Before you gentlemen, is a draft of our suggested by-laws which take into consideration the park's maintenance and future planning among other things," said Lane referring to a copy presented to council before the meeting.

However, Lane asked council to refine and officially declare the park board's purpose and responsibility to the community.

"We would also like to ask council to implement this as soon as possible in order to give us ample time to apply for available grants."

Councillor Peter Remillard promised he would discuss the matter in full detail with Lane sometime this week before presenting the committee's by-laws to council at their January meeting.

Bower's request was much like Lane's, in that she stressed the importance of time for council to recognize the recreation committee so they can apply for grants as early as possible.

Bowers also represented the Morrisburg Public School Parents' committee.

She told council that the S.D.&G. County Board of Education was no longer hiring students as crossing guards, due to tougher insurance standards and asked them if they could increase the adult rate of $40 a week to attract more prospects.

"In Ingleside I understand they pay $75 and in Cornwall they receive $80 a week," she said.

Reeve Bill Dillabough said he would defer the matter until council's first meeting in 1989.

"That way, it'll be resolved before they go back to school next year."

Bowers also asked council if they would install two 'no parking' signs near the school, along St. Lawrence and Ottawa Streets.

"Parents often drop off their children there and are forced to jump into traffic right away."

"And perhaps we can do something to stop people from speeding near the school," she added. "Kids are kids and often don't look before they cross the street."

Once again, reeve Dillabough acknowledged her concerns and promised council would deal with the issue at their January meeting.

Kraft reps announce first phase in waste treatment

by Catherine Thompson
Leader Staff

INGLESIDE — Kraft Limited representatives say they may soon have the odor problem solved in Ingleside.

The company applied to the Ministry of the Environment for a certificate of Approval December 6th for Phase 1 of its new waste treatment project here.

Last summer, Ingleside residents complained to the Ministry of the Environment and the company even received a bomb threat regarding bad odors emanating from the company's malfunctioning waste treatment plant.

The company missed on ministry guidelines for biological oxygen demand (BOD), suspended solids (SS), and phosphorus for all months of 1987 except one. For phosphorus, the discharge exceeded the guideline 35 out of 36 times or was in compliance only three per cent of the time.

The factory discharges its effluent indirectly by Hoople Creek two kilometers to the St. Lawrence River. Phase 1 of the new project is an anaerobic pretreatment facility, expected to be complete by the end of 1989, and should significantly reduce the company's organic materials output, and odor.

The company plans to continue with its efforts to minimize odors by emptying sludge more frequently than previously, and ensure proper aeration of ponds by blowers.

"We cleaned out the system in July, and we've had no odor problems since then," says Ike Sawatski, Kraft's Ingleside manager.

"The anaerobic treatment plant will reduce BOD and SS to 15 milligrams a liter," says Gerry McKenna, district officer of the Ministry of the Environment.

"The second part of the system is to get away from dilution by water from the municipal system with an expanded treatment plant, or by going with a muncipal treatment system," says McKenna. "Phosphorus will be taken care of in the second phase, which is still in the concept design phase."

"The municipality needs an expansion of its plant in a few years, because the present system can only handle so many lots. Ingleside has requested funding for the project to expand the treatment plant.

"Either Kraft would go to the municipal system or if this isn't feasible, the company would have to develop a sophisticated treatment works of its own to reduce the amount of chemicals," says McKenna.

An engineering plan for the latter has already been submitted to the ministry, but it has been put in abeyance until it is decided if the industry will be included in the municipal system.

"This project, which will eventually cost several million dollars, is the result of a joint discussion between Kraft, various government agencies, community officials and consultant," Sawatsky wrote in a recent press release. "Kraft will have one of the most technically advanced waste treatment systems in the world."

Seaway to close soon

IROQUOIS — The St. Lawrence Seaway is scheduled to close officially December 18, depending on weather conditions and demand.

"After that, it will be on a day to day basis, and could stay open to Christmas or after Christmas," said Jean-Paul Bernier, representative of the St. Lawrence Seaway Authority here.

Last year, the Seaway was to close on December 24, but stayed open four extra days to allow a disabled ship, the Capitan Yiannis, to get to the ocean.

"The water temperature is a few degrees higher than last year, and there is not much ice, but we

— contunied on page 2

Animal lover opens home to stray

MORRISBURG — Doesn't anyone have a care for the humbler creation around Christmas?

Well, at least one lady in the Morrisburg area extended the Christmas spirit to one of our four-legged friends here last week.

Last Wednesday evening, an animal lover near Morrisburg was surprised by a dog limping around her garage wounded, and in a lot of pain.

The animal is a short-haired mongrel, black and brown, about 40 pounds, two years old and medium sized, with a white diamond on its chest. The finder, although the breed is indeterminate, thinks it may be a cross between a Shepherd and Collie.

A scarred leg and serious hip injury came to the dog lover's attention, who promptly had the animal examined and treated by Dr. Michele Dutnall, Winchester veterinarian. The vet recommended medication and keeping the dog warm so it wouldn't develop rheumatism in its hip. However, with increasing age, it will become rheumatic, and need constant medication.

X-rays revealed many small bullet wounds like buckshot over the dog's entire chest and body. "X-rays looked like a Christmas tree covered with balls," says the finder.

"The dog has had a couple of rough episodes in its life," says Dutnall, "but it was wearing a flea collar and is in adequate condition. Injuries to his leg and hip would make walking a long distance difficult."

She added that the dog's injuries were over a year old and had never healed properly.

The dog lover who wishes to remain anonymous has just footed over $100 in veterinary expenses which included a neutering operation. She attempted unsuccessfully to place the animal with a farmer near Ingleside, whose dog attacked the injured mongrel, which she is willing to keep.

The finder believes that the dog was dropped off, because it would be difficult for an injured creature to limp far. Dutnall says that on the average she sees at least one cat or dog a week, that is a stray or has been dropped off.

First surgical patient

Presents hospital with $5,000.00

WINCHESTER — In its first full year of operation, from 1948 to 1949, the Winchester District Memorial Hospital admitted 1,335 patients, of which 520 underwent surgery.

Last week, the hospital's first surgical patient Glendon Loucks returned exactly 40 years later to present administrator Bert Stell with a cheque for $5000.

"This small token of appreciation is in recognition of the excellent level of care this fine institution has provided me and my mother over the years," said the Russell county native.

Loucks, a successful realtor in Ottawa, also has the distinction of being the hospital's first admitted patient.

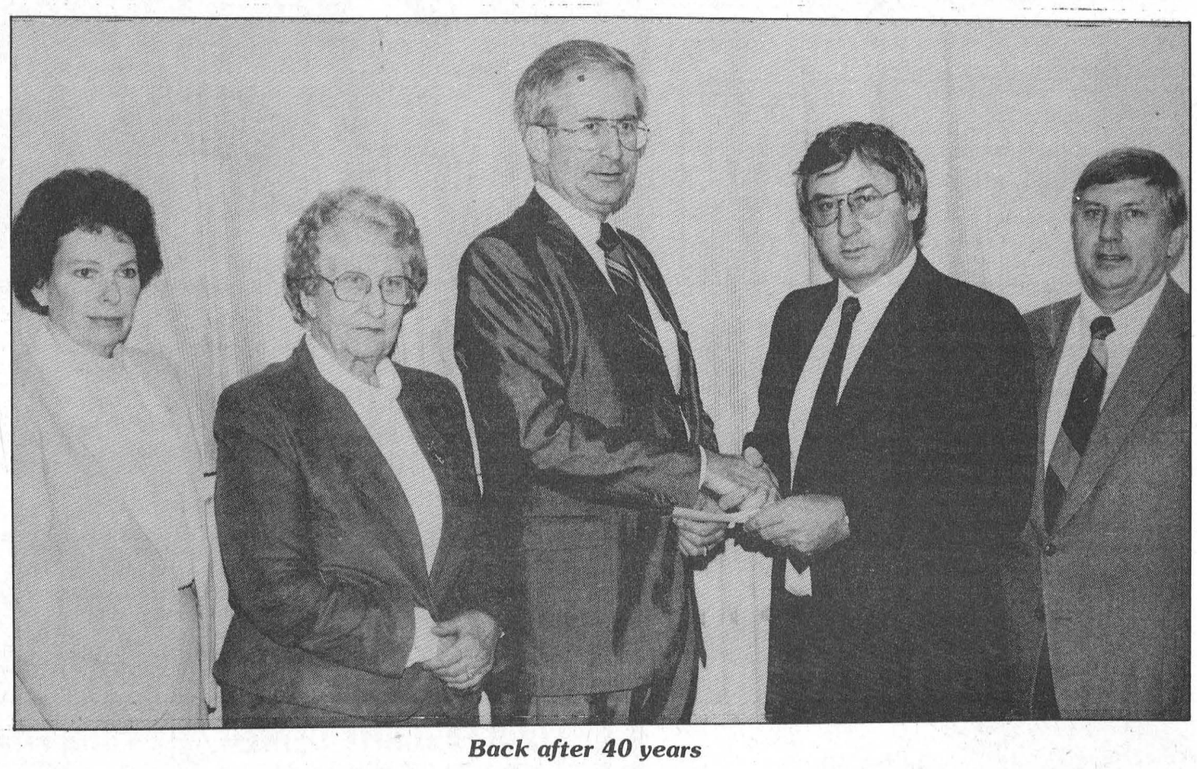
Like many other medical facilities in the country the Winchester hospital receives thousands of dollars in donations from patients and their families, an aspect of funding the Winchester hospital couldn't do without says Stel.

"We are very fortunate, as a hospital to receive the generous donations without which a large portion of our renovations and additional medical equipment could not have been completed," he said.

"It is thanks to people like Mr. Loucks and his mother that we are able to provide the proper care for the surrounding community which makes us a legitimate district hospital."

The cheque presentation was part of the hospital's 40th anniversary celebration.

A tour of the hospital followed and refreshments were served.



Back after 40 years

The Winchester District Memorial Hospital's first surgical patient Glendon Loucks (3rd from left) presents a personal cheque for $5,000 to his favorite medical institution. At the presentation were from left, Joan Farlinger, board chairperson, Ellen Loucks, the mother, Glen Loucks, Dale McNaughton, the board's public relations chairman and Bert Stel, the hospital administrator. —Photo by Judith O'Brien

Residents asked to cut back on electricity

by Mike Thompson
Leader Staff

MORRISBURG — The village's hydro commission is asking customers to be as stingy as Ebenezer Scrooge with their electricity this Christmas season.

"It's something we have to do," defends hydro commissioner Bruce MacDonald.

Due to delivery problems with their supplier, Wesco Ltd., MacDonald says workers aren't able to complete the scheduled construction of their new power station, which, once built will share the load of the over—burdened sub—station on Fifth Street just behind the shopping center.

Until then, residents are being asked to cut back on their electrical demand, including Christmas lights from 4 to 7 p.m., Monday to Friday.

"We just got an update on the deliveries this week and it looks like we won't have our transformer and the switch gear until the middle of January," says MacDonald.

MacDonald says they ordered the two pieces of equipment in June because of the six month delay in deliveries.

"That's why we scheduled all those power interruptions in October so that when November came all we'd have to do is hook up the transformer and the switching gear."

Two months ago, both Morrisburg and Ontario Hydro re-strung proper lines to the new Sub-station located just south of the CNR overpass on Highway 31.

MacDonald says if the work is not completed soon, Morrisburg might be faced with an unexpected power outage.

"Typically, there's an incredible demand for electricity this time of year. A lot of people are turning up their electric furnaces. Many of the merchants are staying open during the evening and there are a lot of homes with Christmas lights."

All of which spells trouble for the existing power station.

"Last year our peak month for demand was January. During that month, the station was regularly overloaded by 50 per cent," says MacDonald.

"It's like a bucket of water that's being filled with a dripping faucet. You don't really worry about it until it overflows in the kitchen."

MacDonald says once the $100,000 worth of equipment arrives it will probably take a week to 10 days before it's properly installed and fully operational.

"But we won't have to shut the power off to do that," MacDonald promises.

Upper Canada Playhouse to relocate for '89

by Catherine Thompson
Leader Staff

MORRISBURG — Upper Canada Playhouse and St. Lawrence College have just announced that the Playhouse will be staging its 1989 season at Aultsville Hall on the Cornwall Campus of St. Lawrence College.

The Playhouse is short of the $175,000 goal it has set for renovations to the temporary tent theatre located near Morrisburg.

"However we will have about $30,000 to bank including proceeds from the Gastronomical dinner October 21, a raffle on the Lincoln Town Car and donations to the General Building Fund," says Lois Rosenquist, General Manager.

The wind storm that hit the area in the fall damaged the tent, which now has two more holes in its cover, and the Playhouse has decided that the tent can no longer be used without major repairs.

Since the storm, the Playhouse Board of Directors have spent many hours discussing and agonizing over the fate of the 1989 season. According to a letter to patrons from the Playhouse, the upshot is a "Good news-Bad News" situation - the bad news being that it will be impossible to use the theatre in 1989, and the good news being the contract with St. Lawrence College.

Aultsville Hall seats about 650, and is air-conditioned, providing welcome relief in the hot summer months! "Although overwhelmed by Aultsville Hall and what it has to offer, relocation will not be easy on either staff or the Morrisburg area patrons. People and businesses have been very good to us and we are anxious to return," states a Playhouse press release.

The site is to be a temporary location, and the Planning and Building committee are planning a more permanent facility within a 10 mile radius of the present site by 1991.

However, the administrative office and Box Office will remain on Upper Canada Road. The Planning committee will discuss whether the tent is to be taken down this year, next year or not at all. If there is no facility by 1991, they may have to repair it temporarily.

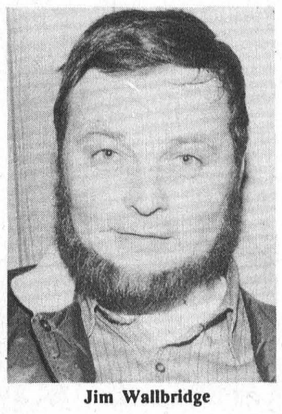
But a Manotick architect, Walter Scott, and Ralph Luimes, a contractor from Williamsburg, have advised them not to sink any more money that can't be recouped in a tent. "There is also a metal building constructed in 1976 behind the tent stage which may deteriorate," said Rosenquist, "and if it rusts, we've had it."

Discussion with the St. Lawrence Parks Commission, (SLPC) continues on the possibility of a multi-use facility located closer to Upper Canada village, which would accommodate the need for a theatre and provide another tourist attraction.

The commission has already indicated willingness to provide a site for a theatre. "We've been getting positive vibes from this discussion," says Rosenquist.

Letters circulated to the Playhouse's 300 patrons ask for continued support, and the writing of letters to MPs and MPPs, as well as the Minister of Culture and Communications and the Honourable Minister of Tourism. The Board hopes that these letters will attract the attention of politicians and officials who can recommend funding for the project.

Announcement



Jim Wallbridge

Jim Locke and George Cooper of C&L Feeds Ltd. are pleased to announce the appointment of **Jim Wallbridge** as **sales representative.**

Jim and his wife Dianne and three children operated a dairy farm for 17 years, and are presently living near Winchester Springs. C&L Feeds offers a complete line of feed, seed and fertilizer. We are also equipped to provide feed analysis and do computerized ration formulation.

For service call Jim at:
Dixons Corners, 652-4875
Winchester, 774-3538
Residence, 774-2923

Rate increased 5.9%

Hydro customers face hike

by Mike Thompson
Leader Staff

MORRISBURG — The village's hydro commission will soon be announcing some rather good news and some rather bad news to its customers.

First the bad news. Beginning January 1st, Morrisburg Hydro users will have to pay an average of 5.9 per cent more for their electricity in 1989.

As for the good news, the rate hike will help pay for some of the commission's capital projects, not the least of which is the on-going construction of a new sub-station which will double the village's electrical capacity.

"And hopefully once that's completed we won't have to ask for such large increases from our customers in the future," says hydro commissioner John Allison.

In addition to the $200,000 sub-station project, Allison says hydro has been busy re-lining old wires and revamping the over-burdened power station on Fifth Street.

Allison says the new power station will be able to handle any significant increase in population for the next 20 years.

"We anticipated growth in the future, so that if a new subdivision is built in Morrisburg we'll be able to deal with the additional demand for electricity."

Allison says that if such a subdivision is large enough it will share in the cost of providing electricity to the area "and that means lower rates for everyone."

Last year, the commission increased the rate by 5.7 per cent and in 1986 customers were delighted to hear that their rate would remain the same as it was in 1985.

Allison says there are many other ways the commission offsets the cost of its capital projects.

"We use debentures, we borrow and we also have a considerable amount in our savings account. Finally, if we have to, we increase the rate," he explains.

"But this rate of increase is standard for most utilities."

Seaway

— continued from page 1

are undergoing a cold spell which will affect conditions," said Bernier.

At the Montreal end, the river freezes quickly, and boats could start having problems. "Demoand is about normal for this time of year," said Bernier. "There isn't too much pressure on the system."

In the winter, the St. Lawrence Seaway crew will be kept busy performing lock maintenance which can only be done when it is empty and there are no ships.

The Seaway should re-open for shipping in early April next year, again depending on ice thickness and the weather.

Ingleside seniors meet

President Rita Partridge welcomed 96 members and guests to the December 5th dinner meeting of the Senior Citizens' Club No. 283, Ingleside, to celebrate the Christmas Season. One minute of silence was observed in memory of the late Isabelle Thompson, followed by the National anthem. After a delicious dinner served by the St. Matthew's Presbyterian Church Women, the gathering was entertained with a selection of Christmas music by the Rothwell-Osnabruck High School Band under the direction of Kathy Poirier. Reverend Ed Smith of St. Matthew's delighted his audience with a puppet and magic show. A ten-member volunteer choir with Lena McLaren at the piano led in singing Christmas carols. Door prize winners of poinsettia and Christmas crafts were Connie McLaren, Mabel Huff, Verna Bedingfield, Gertrude Coulthart and Marjorie Heagle.

Co-operation always works

Almost every day of the year, but perticularly during the Christmas season, shoppers in Morrisburg, as well as in other communities, are being urged to shop at home — to use their shopping dollars not only to bring joy to their families and friends, but also to benefit their fellow-citizens who operate the retail businesses in their town.

That is sound advice, certainly, but not always as practical as it sounds, not always as well-received as it is well-intended. Merchants in smaller communities often find it more difficult to offer the larger variety or the same attractive surroundings as those in the larger centres. A smaller turnover, fewer purchasing advantages resulting in a reduced profit picture, as well as other factors, contribute to their dilemna.

In recent years, however, the majority of Morrisburg's commercial establishment has joined together in an organized effort to increase their sales potential, not only at holiday time, but throughout the year. That their efforts are bearing fruit is amply attested to by the beautiful Christmas decorations at the civic centre area, throughout the shopping plaza, and at almost every residence throughout the village, all adding to the festive atmosphere.

The sense of "togetherness", of community spirit and community effort and mutual accomplishment is contagious, and the feeling is just there, and is being spread abroad that Morrisburg is a friendly place, a well-stocked place, a reasonably-priced place to do all of your shopping.

The spirit of co-operation is always desirable, always essential to a successful business establishment, as it is to a successful community. Every resident can play a part in this success, whether you are a merchant, the operator of some type of service establishment, or a consumer. All that is necessary is for everyone to embrace that co-operation, and to practise it every day of the year. And it always works.

No Christmas for them

"Christmas is a time for children". That is a very popular platitude at this season of the year, and obviously a sincerely felt one. But for more than sixty-five thousand potential Canadians, there will be no Christmas this year, nor next year, nor any year. They have been "terminated" in that supposedly safest of all places of refuge — in their mothers' wombs.

Since Canada's only existing control on this wanton killing was abrogated during the past year, these thousands of potential citizens and taxpayers have been callously eliminated from being, mostly at the taxpayers' expense.

What a very sad commentary on our supposed dedication to the families who make up this great country, with its great future — what a loss of potential talents and potential skills.

Canadian deaths in 80 years of warfare numbered 114,710; Canadian deaths by accidental drownings in 36 years from 1950 to 1986 numbered 47,892; in the same time period, deaths in motor vehicle accidents totalled 173,620. Adding all those terrible, needless losses, there is a grand total of 336,222 Canadian lives, and every concerned and feeling Canadian must mourn for them and for their country. But in just eighteen years, from 1970 to 1988, the number of abortions in Canada has gone well past the one million mark. No country can indefinitely withstand such a grisly, growing threat to its future.

Christmas Seals help

The Canadian Lung Association leads the ongoing battle to defeat and prevent diseases of the lungs.

Since 1902, the purpose of the Association has been to educate people on the prevention and control of lung disease. Today, information in the form of educational pamphlets, publications, films and public service announcements, is produced by the Association. The Eastern Counties Lung Association is an associate of the Canadian Lung Association. They offer a number of community programs, such as better breathing classes, family asthma sessions, stop-smoking campaigns, programs in schools — all of these made possible through donations to the Christmas Seals campaign.

Proceeds from these annual campaigns not only support community programs, but also research. Topics of such research cover a wide spectrum of basic and clinical problems such as defence mechanisms of the lungs, asthma, chronic bronchitis, emphysema, tuberculosis, and occupational lung disease.

And by the way, have you returned your Christmas Seals letter yet? If not, please do it now. It's important to them. It's also important to you. In fact, it's a matter of life and breath!

At Christmas, why not . . ?

Mend a quarrel; seek out a forgotten friend; dismiss suspicion, and replace with trust; write a love letter; share some treasure; give a soft answer; encourage youth; manifest your loyalty in word and deed; keep a promise; find the time; forget a grudge; forgive an enemy; listen; apologize if you are wrong; try to understand; banish envy; ease your demands on others; think first of someone else; appreciate; be kind and gentle; laugh a little; laugh a little more, at yourself; deserve confidence; return love for malice; decry complacency; express your gratitude; go to church; welcome a stranger; gladden the heart of a child; take pleasure in the beauty and the wonder of this earth, which has been given to us.

Have a happier Christmas.

This Week In Morrisburg's History

Compiled from The Leader's fyles
by Bonnie McNairn

1978

Pictured on the front page of the December 13th, 1978 issue of The Leader were Ed Hanson president of the board of directors of Winchester and District Memorial Hospital, Mrs. C. Manley, director of nursing and hospital administrator H.P. Stel as they performed the cake cutting ceremony in conjunction with the celebration of the hospital's 30th aniversary.

The village of Morrisburg was hoping to employ a by-law officer for 1979. Brooks Hanes, the retiring officer, had spent seven years in the position replacing Keith Smith in 1971. Duties of the by-law officer included such occupations as dog catcher, dog tag sales and enforcement of by-laws.

The fledgling Golden Knights, Morrisburg's new intermediate hockey team, scored a 7-6 win over the Potsdam Pioneers to take over first place in the newly-formed Rideau-St. Lawrence League.

Despite the cold weather, the new club house at the Morrisburg Golf Course was rapidly rising from the frosty ground. The new clubhouse faced south with two large windows overlooking the St. Lawrence. It was scheduled to be completed by mid-April.

1968

Headlines in the December 13th, 1968 issue of The Leader read Dupont purchases another 25 acres in Morrisburg. Dupont purchased the land in the Village to provide access to the CNR siding extending southerly along the easterly edge of the village to Industrial Road and to the east of Prospect Road. The property was formerly owned by Construction Equipment Co. Ltd. The object of the purchase was to provide railroad service to the western portion of the land owned by Dupont in Williamsburg township.

Mrs. Marion DeGray was elected president of Knox Women's Club and Mrs. J. Harvey Johnston was elected president of the UCW of Lakeshore Drive United Church.

Baskets of crysanthemums decorated Iroquois United Church, Saturday, November 23rd for the marriage of Linda Lapier of Iroquois to William Mason Devaul of Morrisburg. Rev. J. Leslie Dean performed the ceremony.

Mrs. Sarah Jane Prunner of Morrisburg was preparing to celebrate her 95th birthday, December 14th.

At Brinston's Allied Food Market, chicken legs were 49 cents a pound and Kraft Canadian cheese slices were 37 cents an eight-ounce package.

1958

The December 12th, 1958 issue of The Leader reported the student council of Morrisburg High School had presented the District Board with a cheque for $150 to be used for scholarship purposes. The funds were to be invested in trust securities and only the interest was to be awarded in cash. The scholarship was to be presented annually to a grade 12 or 13 student who intended to pursue a further education.

The Founders' Bonspiel had been played at the Morrisburg Curling Club, the win going to a Smiths Falls rink.

Wilfred Zeron was selling mixed dry stove wood for $6 a cord delivered.

1948

It was reported in the December 17th, 1948 issue of The Leader that the Morrisburg Lions club was promoting a membership drive. It was hoped to extend the membership to business men and the younger men of the district.

At Weegar's Store Ocean Spray cranberry sauce was 35 cents a 15 ounce can and Sun Maid seeded raisins were 15 ounces for 27 cents.

The Hydro Electric Power Commission of Ontario was warning that the end of the power cutoffs did not mean the end of the power shortage. All customers were asked to continue their efforts to cut down on electricity. Improved water conditions, resulting from recent rainfall in the right places, had enabled the Commission to increase quotas to municipalities but the water flow conditions were still not normal.

1938

In the December 16th, 1938 issue of The Leader, the Laurin family gratefully acknowledged the expression of sympathy, spiritual offerings and all acts of kindness in the death of Edward Leonidas Laurin at the age of 56. The following was printed on the Leader's front page. "It would be his wish - that after his passing, we would write no elaborate account of his death. Accordingly we say simply that Edward Leonidas Laurin, aged 56, editor of The Morrisburg Leader for nearly 25 years, passed peacefully away at the Hotel Dieu Hospital, Cornwall on December 13th. The funeral was held from his late residence to St. Mary's R.C. Church, Morrisburg then to St. Finnan's Cathedral, Alexandria. The Laurin family had received a bulletin from the Intercity News Service which included special obituary comments. New York, - Leaders in the field of journalism advertising education, politics and Canadian-American affairs joined here today in paying tribute to the civic-spirited career of the late Edward Laurin. Among the first to extend his sympathy was Douglas S. Cole, Canadian Trade Commissioner to the United States.

1928

The December 15th, 1928 issue of The Leader reported an educational field day was engaged in by the people of Winchester and District when premier G. Howard Ferguson formally opened the new $50,000 public school built on the foundation of the old school burned down a year earlier. The new school comprised six class rooms, assembly hall, domestic science rooms and convenience in its basement with necessary anterooms for teachers.

The Morrisburg Junior Hockey Club was ready to roll and season's tickets were at the bargain price of $1 for five games. One of the most welcome surprises for the club was a promise from veteran player, Herm Hummell, that he would be returning.

At the Dominion Store port wines were 59 cents a bottle, mixed nuts were 29 cents a pound and mince meat was two pounds for 29 cents.

Letters to the Editor

The Morrisburg Leader,
Morrisburg, Ontario

Dear Editor:

Sight is important to me because as a university student my studies would be impaired without it.

Recently a young man from Calgary, Alberta - Todd Smallwood - needed to raise money to restore his sight. His form of blindness, caused by diabetes, is very severe. In fact until I was told of his desire to go to Boston for an operation, I had no idea it was even treatable. Hearing his story gave me many reasons to be grateful.

Todd attempted to raise money for the trip on his own, but I am not aware of these details. What I am aware of is how a group of Todd's friends showed togetherness and concern for him. We all respect Todd for his integrity of how the money was to be used. This impressed me because it displayed a little bit of the human spirit at its best.

An auction ws declared for Todd, and each person was requested to provide something of their own talents. Some of the things that were provided were baking, services (such as resume writing or household chores), or dinner at a restaurant. Bidding prices soared, and Todd's need was met in a very lovely way by his caring friends. He was grateful to be sure, as I was for their example.

Operation Eyesight Universal knows many stories of blindness like Todd's. The circumstances are different, but they share the same message. Operation Eyesight Universal is helping people to be restored to sight in the Developing World. These blind people are real, and you can become part of their destiny and happiness for a minimal amount. Give them a gift worth more than money. A $25 tax deductible donation will restore someone's sight for Christmas.

The joy that is shared in receiving a patient identification card from Operation Eyesight makes you feel closer to the person you have helped by bringing the reality home to you. Please write to Operation Eyesight Universal, Box 123, Stn. M, Calgary, Alberta T2P 2H6 or in Central Canada to No. 202, 1719 Lawrence Avenue East, Scarborough, Ontario M1R 2X7.

Sincerely,
Anne Cameron,
3, 1001-3 Avenue N.W.
Calgary, Alberta

✣

The Morrisburg Leader,
Morrisburg, Ontario

Dear Editor:

On December 1, 1988, the Ontario Provincial Government passed a resolution condemning the Canada Post Corporate Plan. The Plan is to close, amalgamate and privatize some 5,221 post offices in rural Canada within the next seven years.

The resolution introduced by Howard Hampton, ND— M.P.P. from Rainey River, was unanimously passed by all parties in the House.

Resolution No. 47 is as follows: 'That, in the opinion of this House, recognizing that the mail service in the communities such as Fort Frances and Kenora and many smaller rural communities of northwestern Ontario will deteriorate due to the fact that the sorting of the mail will no longer take place in these communities, but instead be moved to a central facility, the government of Ontario should condemn Canada Post for this action, and the failure to recognize the importance of quality mail service for the rural communities and small towns of northwestern Ontario and the government of Ontario should urge the government of Canada to halt immediately these plans to cut service and to maintain and improve rural postal services across Ontario.'

This is the sixth provincial government to pass such a resolution, plus hundreds of municipal governments. Hundreds of thousands of individual tax payers have also shown their disapproval by signing petitions and letters to the Prime Minister of Canada.

What more do we have to do to make the government of Canada realize that we in rural Canada do not, and should not, have to accept the erosion of essential services?

As stated during the debate in the Legislature, "The point is that it (Canada Post) is suffering because we have a government in Ottawa that is not interested in improving the Postal service, that it is interested only in attacking the Postal service, and is going to make rural Ontario, small town Ontario, and small-town Canada pay for its inability to make the Postal system work in the black".

Mr. Johnson, Conservative MPP for Wellington, who supported the resolution, said "It is a good resolution, but could be better ... I would like to see the resolution expanded."

The Legislature further heard: "It matters not to me if you are a member of the Canadian Union of Postal Workers, you are a member of the letter carriers' union or you are from the postmasters' association. You do not make the orders, you do not give the marching orders and you do not make the decisions; you simply follow the rules. To blame some postal worker in CUPW who is making $35,000 a year, to say that it is because he or she is making $35,000 a year that some other part of the postal service is suffering, does not make any sense to me."

Council news briefs

MORRISBURG — Deputy reeve Peter McCooeye and councillors Dirk Testerink, Peter Remillard and Gord McGregor plan to attend the Association of Municipalities of Ontario (AMO) seminar in Cornwall February 3 and 4.

Following each municipal election since 1978, AMO in conjunction with the Ministry of Municipal Affairs sponsors seminars to help introduce members of council to the various roles and responsibilities that make-up the job of councillor.

All three councillors along with reeve Bill Dillabough will also attend a seminar hosted by the Royal Ontario Municipal Association February 5 to 8 in Toronto.

Reeve Bill Dillabough said council would set aside some time in January to tour the village's facilities. One of particular interest will be the newly-acquired St. Lawrence Parks building.

Council resolved Monday night that it would remain on the following province-wide associations.

The Ontario Good Roads Association, The Ontario Recreation Association, the Ontario Municipal Association, the Ontario Association of Smaller Municipalities and the Association of Municipal Clerks and Treasurers of Ontario.

Cheryl Tynski, the village's clerk-treasurer says for a nominal fee the associations members receive regular newsletters, are informed of interesting seminars and share discussions with other municipalities.

The village's planning committee approved the expansion plans for Lee's Restaurant Monday night.

Councillor Dirk Testerink, who will be doing the work, had to declare conflict of interest during council's discussion of the matter.

According to the plan, Lee's north-east corner will be squared and covered with similar type brick in order to meet the village's building standards.

Matilda resident wishes to sell land to waste study

by Catherine Thompson
Leader Staff

BRINSTON — At least one Matilda Township resident is not opposed to the existence of a regional waste site in his community, and in fact would like it to be on his property.

In April 1988, Beverly Hutt offered to sell the Grenville-Dundas waste study a 75-acre farm located at RR3 Iroquois, south of Hainsville.

He wrote to Environment Minister Jim Bradley with his offer, and also sent a letter to Premier David Peterson.

A copy of the letter ws forwarded to waste study consultant A.J. Robinson and associates.

The study takes in 13 municipalities in the counties of Grenville and Dundas, the City of Brockville, and may include the townships of Elizabethtown and South Gower.

One or more landfill sites are being sought to handle the area's garbage for the next 20 to 40 years.

Good clay bottom

Hutt took soil tests, and says the area is suitable for landfill with a good clay bottom. However, he is still waiting for an answer from the consultants, and asked Matilda council here last Thursday if they would object to his selling the site for waste disposal.

"We have nothing to say about it," said Reeve Lorne Mellan. "We're just interested in our own site until Robinson has completed his study."

However upon completion of the study, the municipality will want to know what precautions will be taken, he added.

Councillor Mike Ault said no decision could be made until the site was appraised by the Ministry of the Environment, but if approved, he would have no objections.

At present, the waste study is examining processes, not sites, said Ault.

Waste site tender

Hutt also expressed interest in the waste site tender for 1989, asking if there would be new guidelines governing the covering of garbage and fires.

He added that in the Edwardsburg waste site, a full-time security man had been added to supervise the dump, in addition to the regular attendant.

Reeve Mallan explained that the dump is kept covered daily when necessary, and that conditions in the waste site contract will be in writing.

Committee appointments

BRINSTON — Matilda Council started off on a congratulatory note last Thursday, as Clerk Bill Horner read letters from both Iroquois and Matilda reeves.

Iroquois Reeve John McAllister congratulated the whole of Matilda Council on their acclamation to office, and reminded them of common links between the village and the township.

Matilda reeve Lorne Mellan wrote back in kind. He suggested a tentative date of December 28th for an informal meeting between the two councils.

One agenda item finalized was the appointment of committees as follows:

Reeve Lorne Mellan will serve as ex-officio member on all committees.

Deputy-reeve Charles Barkley will serve on County Council, the Finance Committee, the Roads Committee, and the Hall Board.

Councillor Mike Ault will serve on a joint South Dundas recreation committee, and the Grenville-Dundas waste management study.

Councillor Norm Tinkler will serve on the South Nation River Conservation Authority, the Municipal Drains and Roads committees and the Hall Board.

Councillor Peter Swank will serve on the South Dundas economic commission, the Matilda Recreation and Finance committees.

Charles Barkley and Peter Swank will serve on the ad hoc committee for the fire department.

All council members will participate in salary negotiations and the planning committee.

Mellan suggested both Iroquois and Matilda councils attend the finalizing of the fire-waste agreement.

By-law on Thompson-Errington

A by-law authorizing improvements on the Thompson-Errington Drain was read twice at an open meeting and provisionally adopted after Consulting Engineer John Stidwell presented his revised report.

The original report of September 1987 was stopped at a consideration meeting October 8th due to a withdrawal of support, and at that time landowners were levied the cost of preparation.

But with a renewed petition, Stidwell revised his original report, accrediting landowners for previous work.

Reconstruction on the Thompson-Errington Drain will take place from the east limit of Lot 13, concession 4 to County Road 2 for 2,692 meters, and the Wilson Branch is to constructed from the northwest part of Lot 13, Concession 4 including County Road 18 west and south to connect to the Thompson-Errington Drain for a total of 297 meters.

Most of the work on the Thompson-Errington drain will consist of lowering at several locations to accommodate tile drainage gravity systems, and a total of nine new culverts or farm crossings are required.

Construction on the Wilson Branch, which is blocked with weed growth and sediment, is designed for surface water drainage to minimize sedimentation.

The Thompson-Errington Drain was constructed as a municipal drain in 1905, and maintained in 1983. There are 31 assessed owners sharing total costs of $81,729. However, agricultural owners will receive a government grant reducing their costs by one-third.

Council Briefs

After much deliberation, council decided to give Charles Hodgson a deadline of December 31 to take down a building which encroaches on an intersection of Toyes Hill Road and Coons Road creating a hazardous situation.

Hodgson has one week to reply to council, and if no relpy is forthcoming, expropriation proceedings will be initiated.

Drainage Superintendent Don Lewis was instructed to take levels regarding a drainage problem at Don Elliott's place, Lot 27, Concession 7.

Bell Canada sent council a package of information on setting up a 911 emergency system in the area. Council said they will wait for counties council to take the first move on what should be a joint venture.

Daphne Hope, planning consultant and representative of the Ministry of Municipal Affairs informed the township she will be seeking new horizons. She will be replaced by Shane Kennedy, manager of CPAB, Canadian Plan Administration Branch, until a new person is hired.

Standard Church celebrates Christmas out-of-doors

BROCKVILLE — This year Centennial Road Standard Church in Brockville has a new look to their Christmas Programme - OUT-OF-DOORS!

On December 18th & 19th, between 6:30 p.m. and 8:30 p.m. you can travel back in time as you drive down "Christmas Lane", past a series of scenes depicting the birth of Christ.

Become a part of the celebration as you listen to the carollers joyously singing the festive holiday hymns; travel with Mary and Joseph to Bethlehem and view the babe lying in a manger; join the shepherds on the hillside, the wise men in Herod's palace and finally reminisce with a typical family of today on Christmas Eve.

The theme, "Take Time to Re-Discover Christmas" is vividly portrayed in the many different scenes. Actors, actresses, live animals, realistic backdrops and music all work together to stimulate our imagination and awaken the true spirit and meaning of Christmas in each of us.

Young and old will not want to miss this unique presentation. Centennial Road Standard Church is located four miles north of Brockville. Turn west at the traffic lights off Hwy 29, onto Centennial Road.

Traffic stats

MORRISBURG — Traffic statistics for the week of December 4 to December 10 are:

Number of 12 hour licence	1
Number of alcohol related criminal code traffic charges	2

Number of other criminal code traffic charges	0
Number of Highway Traffic Act charges	100
Number of Highway Traffic Act warnings	60
Number of persons charged under Liquor Licence Act	1

RIDE statistics for the week of December 4 to December 10 are:

Number of persons charged with alcohol related criminsl code driving offences	0
Number of 12 hour suspensions	0
Number of vehicles checked	48
Number of Liquor Licence Act charges as a result of RIDE	0
Number of persons charged with alcohol related criminal code driving charges not arising from RIDE checks	0

Women's Institute

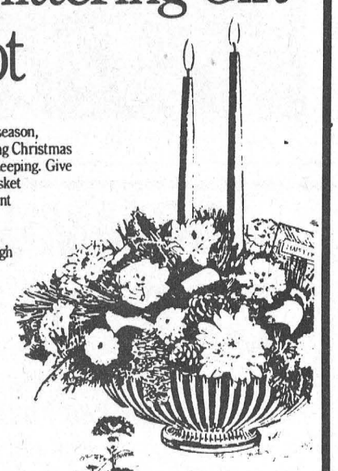
RIVERSIDE HGTS — The December meeting of Riverside Heights W.I. was held at the home of Evelyn Wells. Nine members and two visitors answered the roll call.

Members and visitors wrapped the 10 Christmas gifts for shut-ins. These will be delivered by Evelyn Wells, Joan Smirle and Doris Erratt. The program consisted of carol singing and interesting reading given by members and visitors. Evelyn Wells conducted 3 Christmas contests which were very entertaining. Next meeting will be February 15th at 1:30 p.m. at the home of Muriel Kenward.

Give A Glittering Gift That's Not Gold

This holiday season, share a shining Christmas gift of flowers and something worth keeping. Give Teleflora's silver-plated Florentine Basket Bouquet. It's fresh flowers in an elegant serving basket.

We can deliver this stunning Christmas keepsake locally or, through Teleflora, anywhere in Canada or the U.S. You'll be appreciated for your thoughtfulness and good taste.



The Christmas Coupe Bouquet

Choose from a beautiful selection of Poinsettias, Azaleas, Cyclamen, Potted Mums, Christmas Cactus or Fresh Cut Flowers. Order early to avoid disappointment.

Flowers for the holiday delivered in a racy, fire-engine red, high-gloss ceramic convertible.

From Tweenie to Brownie

Tawny Owl, Boonie Shaver, is crowning Erin Hunter, right, and Chantel Keeler, left, in a Morrisburg Brownie enrollment ceremony last Tuesday evening. Twenty-three Tweenies moved up in a ceremony which involved them in mystic rituals. Before coming Brownies, Tweenies must attend several meetings, know the Brownie sign, promise and handshake, and be able to tie their shoes.

Exchange deadline next Mon., Dec. 19

by Catherine Thompson
Leader Staff

MORRISBURG — Representatives of the South Dundas Christmas Exchange would like to remind the community of next Monday's deadline for cash donations and contributions to bins.

Cash donations for Christmas dinners should be sent c/o Reverend Dr. Allen Tysick of Brinston, Ontario. Donations may be tax-deductible if the cheque or money order is addressed to one of the local churches or to Hope Farm.

About $2000 will be necessary to cover the cost of perishable items for Christmas dinners.

Gifts of non-perishables collected in bins throughout banks and grocery stores in Iroquois, Williamsburg and Morrisburg will be assembled in hampers next Monday at Matilda Hall. The deadline for these contributions is Sunday night, and this Saturday 6 p.m. at Mr. Grocer in Morrisburg.

Robin Lane, representing Lakeshore United Church, reports a good response so far to the drive. "We had a very successful White Gift Sunday at Lakeshore United. We took in $680 in cash, and super donations of gifts as well, all of which is to go to the exchange.

The Catholic Church had a very good response as well. The Lutheran Church held a blitz in October for used and new toys, and also collected knitted mitts and hats," said Lane.

She added that the Presbyterian Church in Dunbar has become involved in the exchange, as well as the Morrisburg Women's Institute. Best Foods Limited of Cardinal has also donated food.

Other donations include seven pigs, and a dozen home-grown chickens. Organizers have ordered 70 hams for Christmas dinners, as well as oranges, eggs and milk. The purchases will be spread throughout grocery stores in Williamsburg, Morrisburg and Iroquois.

Representatives from organizations who have been asked to help put together hampers next Monday are asked to bring empty boxes as well. The assembling of hampers will be according to a family size, and will be overseen by Dr. Allen Tysick.

Pick-up time will be next Tuesday afternoon, and for the sake of recipients who wish to remain anonymous, only a few exchange volunteers will be at Matilda Hall.

POWI tells St. Lawrence County Legislature not to build incinerator

CANTON, NEW YORK — Pollution knows no boundaries, about 14 area representatives of People Opposed to Waste Incinerator (POWI) told the St. Lawrence County Legislature here Monday night.

POWI is a Canadian citizens group opposed to the installation of a toxic waste incinerator near Maitland, Ontario by ENSCO, Environmental System Company, an American-based company.

About 30 members from Work on Waste (WOW), an American group opposed to a solid waste incinerator slated for Ogdensburg, New York also told legislative members their views on the proposed incinerator.

Harry Pietersma, a Matilda Township resident who is on the executive of POWI, states "We on the Canadian side are concerned with any incinerators that are being built on the American side."

The presentation was a response to a recent message of the Township of Ogdensburg, opposing the ENSCO hazardous waste incinerator to the Township of Augusta. "They took us into acount, so we are taking them into account as well," Pietersma explained.

"Opposition to the incinerator is multi-faceted. Although some consider possible emissions from domestic waste no problem a lot of garbage when incinerated may produce toxic products, for example when newsprint is combined with plastic," he added.

The POWI representatives read statements to the legislature, talked to the press, thus showing their support for the American group Work on Waste. POWI intends to set up a liaison committee with Canadian representatives so they may have a voice in the process.

Morrisburg Women's Institute

MORRISBURG — The Christmas meeting of the Morrisburg Womens' Institute was held on December 8th.

Roll call was answered by 14 members who, as their names were called, placed a gift in a box for the needy.

Plans were discussed for a "Home-style" luncheon to be held in late January. Christmas cards were signed by all present to be sent to shut-in members.

Olive Nield presented her program, the motto being "Let's put Christ back into Christmas". She read an article which explained the origin of Christmas and stated that Christ was the central figure - not Santa Claus, and that human blindness has obscured the real meaning of Christmas.

In a lighter vein, a poem "Merry Christmas Santa" was read by Olive followed by a monologue "Mrs. Mason's Christmas Shopping."

Vivian Reddick read an article which stressed the use of the word "Christmas" as opposed the short form "Xmas" used by many. Christmas is the festival of Christ's birth.

Several carols were sung.

A beautiful oil painting, donated by Carlton McInnis, was presented to the institute by Reik Pepers.

The meeting closed with God Save the Queen. Following the meeting 19 members and guests enjoyed a fine roast beef dinner at the New Centennial Restaurant.

Mr. and Mrs. Lyndon Johnston

Johnson-Barkley solemnize vows

St. Peter's Lutheran Church, Williamsburg was the scene of a pretty summer, double-ring wedding ceremony at 3 p.m. on July 16th, 1988, when marriage vows were exchanged by Lyndon Johnston and Tracy Barkley. Officiating clergyman was Rev. Thomson and wedding music was by Sandra Barkley.

The bride is the daughter of Garnet and Audrey Barkley, Williamsburg and the groom's parents are Fred and Gloria Marshall, Iroquois and Glenn and Marty Johnston of Prescott.

Given in marriage by her father, the bride was radiant in an imported silk Venetian lace gown from Europe. The pearl-beaded bodice led to a Basque waistline with a large satin bow at back. Attached to the bodice were long Elizabethan sleeves. The gown had a full skirt and attached, long chapel train. On her head, she wore a lace-pointed cap accentuated with a double bow at the back and an attached two-tier fingertip veil. Her bouquet contained pink mums highlighted with red roses and baby's breath.

The bride was attended by maid of honor, Mrs. Sandra Cumming and bridesmaids Helen Johnston, Mrs. Rhonda Barkley and Judy Lortie. Patricia Cumming was flowergirl and Jordan Johnston was ringbearer.

The four bridesmaids wore identical pink satin gowns that had a low neckline and short, puffed sleeves. The gowns had a ruffled skirt with an attached dropped, chapel-length train. They wore a pink flower and beaded hairpiece.

The flowergirl wore a white satin gown with ruffled neckline and Elizabethan sleeves, with a scalloped ruffled skirt with lace, highlighted with pink and white satin bows and a pink satin belt and bow at the waistline. She wore a pink and white lace-pointed cap with a pink fingertip veil.

Best man was David Young. Ushers were Gary Barkley, Larry Barkley and Michael Hess. The groom and his attendants wore grey tuxedos with tails. The groom and ringbearer wore black and silver-grey cumberbunds while the best mand and ushers wore pink cumberbunds.

Out-of-town guests were from New York State, Seely's Bay, Kingston, Iroquois, Morrisburg, Winchester, Inkerman, Inverary, Brinston, Moose Creek, Monkland and Prescott.

The reception was held at Morrisburg Civic Centre. The couple honeymooned in Niagara Falls and New York State. They are presently residing in Williamsburg.

Upper Canada Village Store

Vast range of Christmas gift ideas for everyone

MIKE THOMPSON
Leader staff

MORRISBURG — There's probably no holiday more traditional than the yuletide season.

Rich in custom, Christmas and its religious significance has been celebrated by virtually every culture in the world for centuries.

Perhaps, it's this reason why so many modern-day Santas overlook the battery-operated gizmos and the tacky colognes to find something a little more conventional.

For those shoppers, the Upper Canada Village store, open all year, has a multitude of gift ideas which are all made the old fashion way, by hand.

Perhaps the most modest of the store's items can be found in the pottery collection.

Using ancient methods

Using the same basic materials and techniques that man has used for thousands of years, Long Sault potter Anne Doyle transforms common red clay into lovely pieces of practical tableware.

"I really enjoy working with clay, it's very unpretentious," she says.

Doyle's wheel-thrown works are categorized as earthenware, the oldest form of pottery.

Working in clay for the last 25 years, Doyle can turn the red muck into charming caserole dishes, cups, soup bowls and pitchers.

"I guess you can call me a production potter for the simple reason that I can make almost any item you ordinarily find in the kitchen," she says.

Once she has completed shaping her piece on a wheel, Doyle places the clay in a kiln to oxidize and consolidate it. She then coats the work with a glaze to prevent it from becoming absorbent.

Present-day benefits

"The great thing about it is that it's okay to use it in a microwave and it's dishwasher safe," she adds.

Doyle says the reason potters typically create practical items with clay, rather than for artistic expression is that the basic component, clay, is very unassuming.

Wildlife Art

But if it's delightful pieces of art you're looking for then once again you'll be able to find just what you need at the Village Store.

Prominently displayed are the tasteful images of award-winning wildlife artist Brenda Carter of nearby Merrickville.

Working primarily with acrylics, Carter's paintings have been inspired from her trips to remote areas ranging from the Arctic to Africa.

Carter is also the first woman in North America to be selected as the Ducks Unlimited Artist of the Year in 1987. As well as being chosen to participate in a major exhibit at the Royal Ontario Museum in Toronto which fetaures Canada's top 20 artists.

"I guess I'm particularly fond of my hand-colored prints. The unusual thing about them is that they all have been colored by hand," she says.

Prints of her now famous Northern Squall are available at the store and are remarqued which means the artist has added a small watercolor sketch at the bottom of each one.

Various forms of work

"People can also purchase smaller nine by 12 art cards that are both suitable for framing and washable."

Carter's many fans can also send their Christmas greetings on cards designed by the highly-respected artist. The cards come in a series of images and sizes.

Hot cakes

Owen Alguire, the store's manager, says Carter's prints have been exceedingly popular this time of year.

"We've just sold two prints this week," he says.

Alguire says people are also quite interested in the works of Brockville carver Les Boszormeny.

"They're very impressed with the incredible amount of detail in his carvings," says the store's manager.

Artistic devotion

Although Boszomeny has been carving realistic and decorative birds for more than 12 years he still spends hundreds of hours refining his craft.

"Ever since I started carving I found I've taken it to like a duck to water, if you'll pardon the pun," he says with a smile.

Working primarily with tupelo wood, which grows in limited areas of the southern state swamps, Boszormeny manages to include the tiniest detail.

"Sometimes you think they'll start to fly," says Alguire.

"As a high school biology teacher, wildlife is my interest and when I saw the beautiful results some of the other carvers had achieved I thought to myself I would really love to do that," explains Boszormeny.

Carving realistic chickadees, cardinals and common water fowl, Boszormeny has distinguished himself as one of the area's top artists.

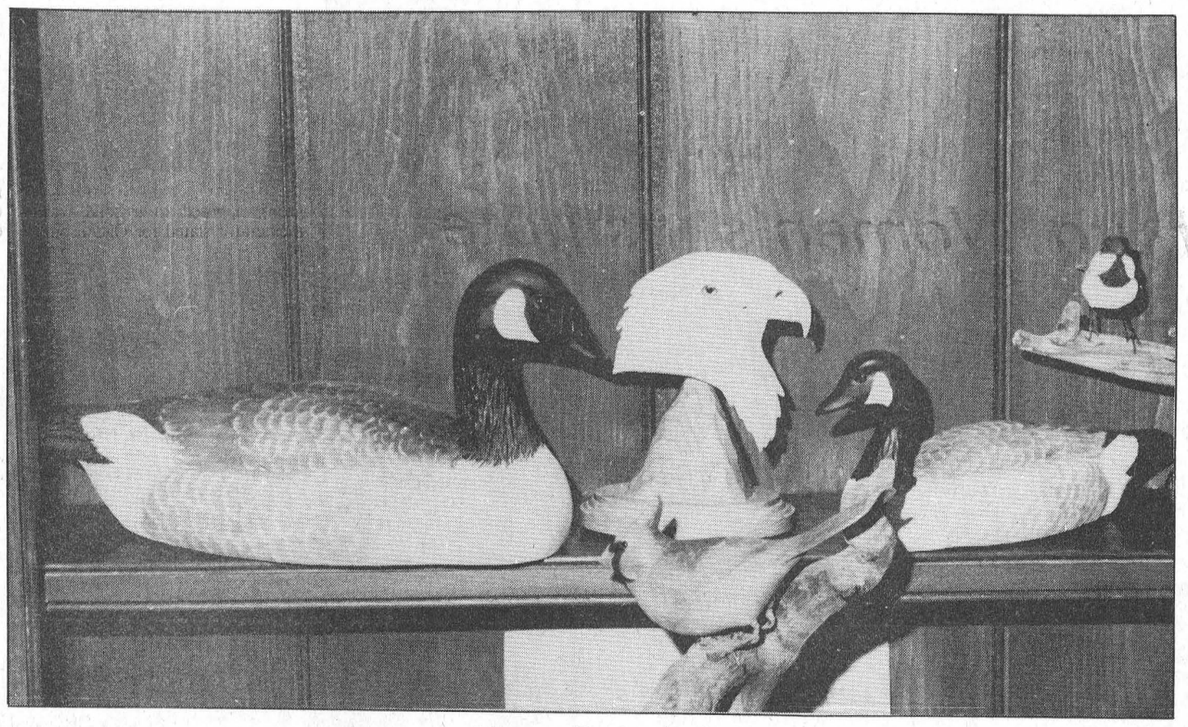
Tastefully decorative

"They're a perfect accent to any room," says Alguire, who's a novice carver.

The store also features the works of reknowned local historian and successful author Leonard O'Dette from Ingleside as well as the ever-popular hand made pottery lamps and shades from the Dornbush Studios in Kingston.

The Village Store is a veritable Santa's workshop for those discriminating shoppers and should be visited at least once before the arrival of Christmas.

BRENDA CARTER — 1987 WATERFOWL ART AWARD WINNER



Artistically detailed

These fine pieces of work are a perfect accent to any decor. All hand-tooled by Brockville carver Les Boszormeny, these beautiful birds are not only decorative but also accurately detailed.

—M. Thompson photo

Charming and practical

This is just a sample of some of Anne Doyle's work at the Village Store. All of her items are created by hand on a potter's wheel and are very popular this time of year because of the wide range of designs and prices.

CHRISTMAS SAFETY TIPS
Brought To You By
BRISTER INSURANCE BROKERS LTD.

THEFT:

It is an unfortunate reality that thefts often increase during the holiday season. This is because valuables are being exchanged as gifts, and people are away from their homes more often, visitng family and friends.

Here are some ideas that may help to reduce the chance of theft.

— Ensure that all doors, windows and patio doors are always secured. Deadbolt locks are best. Particular attention should be paid to basement windows.

— Areas where there is shrubery, or poorly lit areas can be improved with outside lights.

— Join neighbours in a program where each watches the other's property at all times and particularly when one is away.

— Attempt to minimize that appearance that everyone is away. Newspapers and mail should not be allowed to accumulate. A good practice is to purchase a timer to turn lights on and off at prearranged times.

— Lock your garage at all times. Store valuables such as bicycles, snowblowers and skidoos in the garage and out of sight.

— When purchasing Christmas gifts — lock them in the TRUNK of your car when you are "going back to the store for more". This removes them from sight.

— Valuable gifts should not be displayed under the tree where they can be easily seen from the outside. Bills of sale should be carefully stored, in case a loss should occur.

In reviewing these lists, one can see that the suggestions are generally simple, and based on common sense, yet we all still have to be reminded of them on a regular basis. Why not include some, whenever you are extending the holiday greetings to your clients? If we can help someone avoid a tragic fire or theft, we are giving them a gift of immeasurable value!

Morrisburg to host community carol sing

MORRISBURG — Several community organizations are planning to celebrate the beauty of Christmas in song a week this Tuesday, December 20 at 8p.m.

What started as a community carol sing in Brinston and Chesterville, sponsored by the Couples Club of the Christian Reformed Church in Williamsburg, is about to become annual event, taking place this year in Morrisburg.

Dave Jeffrey of the Couples Club, and also member of the Morrisburg Men's Legion Choir, invited several groups to come together and the Legion offered to lend their hall.

Five local ministers will appear as shepherds, complete with crooks and shepherds outfits, featuring a rendition of "Shepherds Shake off your drowsy sleep."

Wayne Johnston, director of the Morrisburg Legion Men's Choir, describes their contribution. "We'll be singing Christmas carols not commonly heard, because they are a little more difficult than the average carol."

The 15-member choir performs in public seven or eight times a year, and the carol sing will be their second performance this season. Monday, December 19, they will be entertaining shut-ins with a tour about the village.

"We like to provide live musical enjoyment for those who otherwise can't enjoy it," says Johnston.

Mrs. Joyce Geleynse, of Inkerman, will be conducting a children's choir from Timothy Christian School. "We'll be emphasizing the sacred aspect of Christmas," said Geleynse.

The children had positive feed back from a carol sing last Christmas in a Cornwall shopping mall.

"The kids did a fantastic job, carolling comes naturally to them," said Geleynse.

She has been playing the guitar and practising singing on a volunteer basis with the Timothy Christian children for about five years. Geleynse will be lending her vocal talents to another group which is also part of the carol sing, "The Joyful Sound Quartet."

The quartet consists of Inkerman couple Bart and Joyce Geleynse, and Brinston residents Fred and Mattie Zandbergen.

A well-travelled musical group, they performed recently at a Christian Farmers Banquet in Guelph, and regularly entertain at wedding anniversaries, church suppers, and banquets, receiving honorariums to cover their expenses.

IOOF euchre winners

Winners at euchre on December 7th at I.O.O.F. Hall, Morrisburg were Muriel Gow, Evelyn Schwerdfeger, Claude Barkley, Miles Casselman. Door Prizes - Edith Baker, Stanley Gilmer. 50-50 - Claude Barkley, Ron Perrin, Homer Rutherford, Miles Casselman, Lee Ouderkirk. Our next euchre is December 21st.

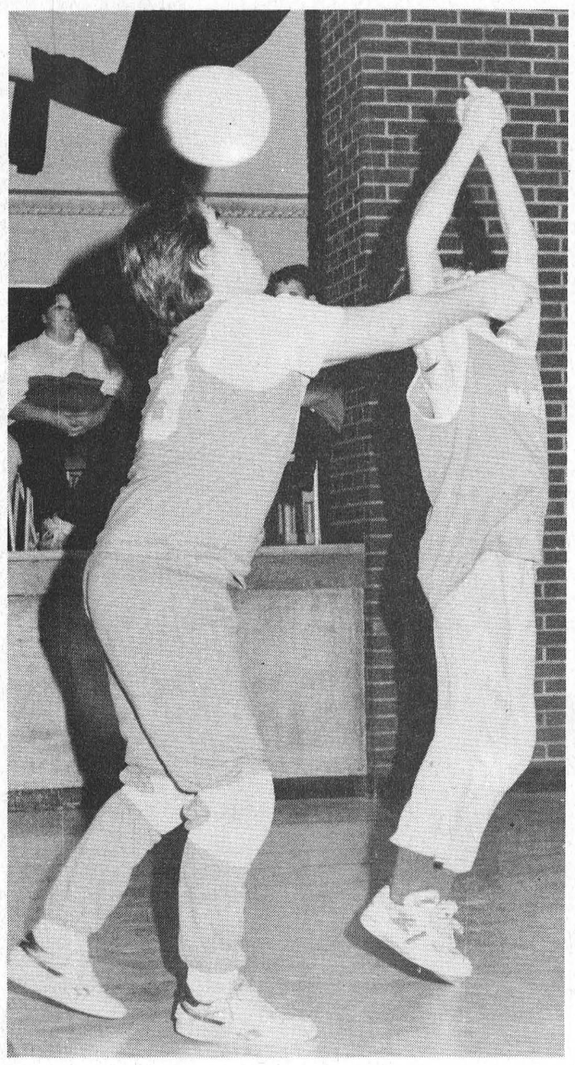
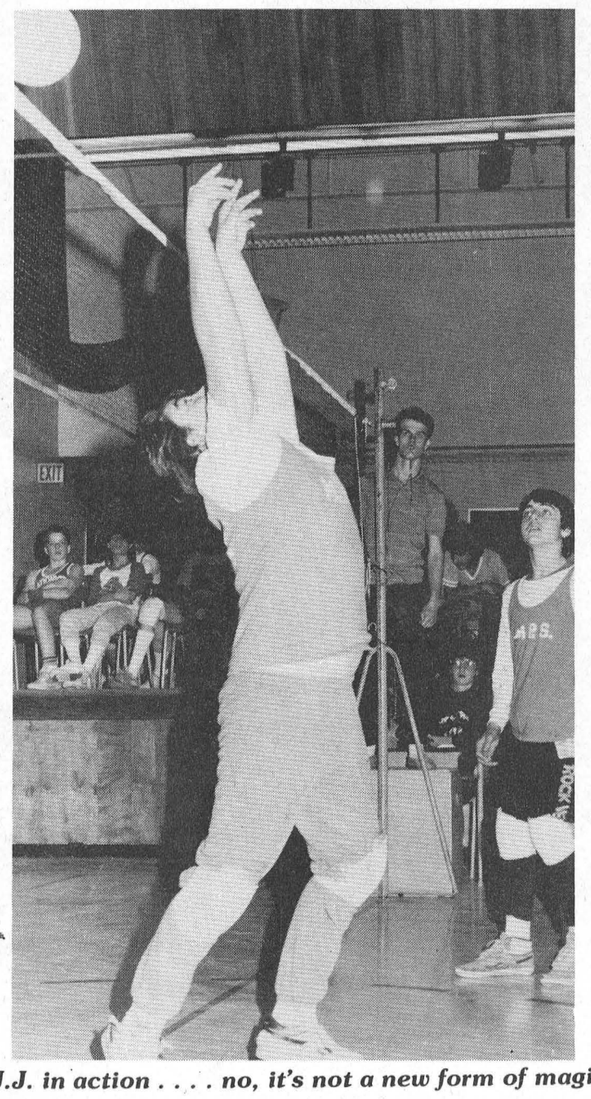
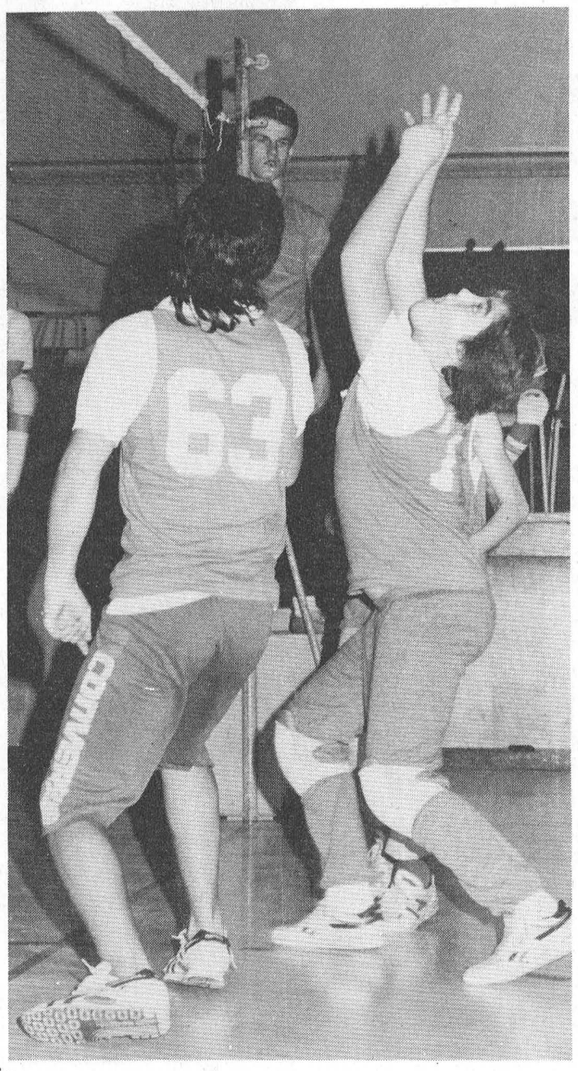
Maple Ridge on top in county volleyball tournament







J.J. in action . . . . no, it's not a new form of magic

J.J. (Jeremy) Smith sees plenty of action during the Dundas County senior volleyball championship tournament played at Nationview Public School last Thursday. J.J. is a member of the Morrisburg team which finished tied for second in its division. The championship title was claimed by Maple Ridge who defeated Nationview in the final set two games to one.

SOUTH MOUNTAIN — As it has been so many times before, the show down for the Dundas County Senior boys volleyball championship here last Thursday was between the Maple Ridge and Nationview A teams.

The Ridge, coached by Scott Corden, came out of preliminary round-robin play with a perfect three win record, defeating the Nationview Bs, St. Cecilia's, and the Stampville Bs in best two-out-of-three matches.

Also on top in their division were the Nationview As coached by Jack Barkley. They had preliminary round wins over the Stampville As, Morrisburg and the Maple Ridge Bs.

The final showdown began with Nationview setting the pace, moving ahead by five points before the Ridge got on board. They put it away with a 15-4 victory.

But it wasn't to be that easy. The Ridge came back in game two, turning the tables for a 15-5 win and put it away in game three 15-7 for the championship.

In division one action, led by the Nationview As with their three-win record, Morrisburg had a win over the Maple Ridge Bs, Stampville defeated Morrisburg, and the Maple Ridge Bs defeated Stampville.

This left the three tied for second with one win and forced the tournament organizers to go to points against to determine the order of finish.

This resulted in the Stampville As finishing second, Morrisburg third and Maple Ridge Bs fourth.

In division two, the Nationview Bs finished second with wins over Stampville and St. Cecilia's and St. Cecilia's was third with one win over the Stampville Bs who took the final spot.

Division cross-over playoff action saw the last place Maple Ridge Bs defeat the Stampville Bs, St. Cecilia's defeat Morrisburg and the Nationview Bs claim a win over the Stampville As.

Tournament organizer Jack Barkley said the day ran very smoothly and play was good.

As well he was especially happy with the refereeing carried out by Seaway High students and the assistance he received from Don Fairweather.

Soccer winner named

MORRISBURG — Rhonda Gallinger has been named the first recipient of the "Spartan Player of the Year" award by the Seaway Valley Spartan Soccer Club executive.

The decision was made, not just by using talent and play-making abilities as criteria but for Gallinger's off field work and team dedication over the past season as well.

Rhonda started the year by running the food canteen at the Spartan Cup and CDSL pre-season tournaments and then made a strong effort all season for the ladies team. She also helped out with the minor soccer program.

Because Rhonda is in Peterborough attending Sir Sanford Fleming College in a tourism program, the club plans to present the plaque to her some time over the Christmas break.

Atom B tournament

Blackburn Stingers finish in first

MORRISBURG — The Blackburn Stingers came to town Saturday and after three games of hockey were declared the Atom B tournament champions.

The Stingers opened in the tournament with a 4-1 win over North Dundas and went to the final with a 2-1 victory against Russell.

In the final they met Athens who had earlier wins over Ottawa West, 3-2, and Metcalfe 5-2.

The Stingers opened in the final with a late first period goal from Paul Lageux and pushed ahead 3-0 in the second on tallies from Michael Telewiak and Kaven Roussell. Daryl Delorme finished it for them with 57 seconds left in the game.

Jason St. Amant was between the pipes for the win.

Big effort from Demons

After losing their opening game to the Stingers the North Dundas Demons worked their way to the B championship with a 5-4 overtime win against the hosting Morrisburg Lions.

North Dundas trailed the Lions 3-2 after the second period but came back for two quick goals in the final five minutes of play for a 4-3 lead.

Morrisburg forced the overtime with a goal from Chris VanBeilen with 17 seconds left in the game.

The Demons claimed the win on a penalty shot by Greg Darling in the third overtime period.

Another comeback

For the B championship the Demons met Kemptville and again didn't give up, coming back from a 3-1 deficit to win 4-3.

Kemptville pulled ahead in the first period on goals from Darren Robinson and Kevin Peebles while the Demons counted one from Greg Stewart. Early in the second Kemptville struck again to edge ahead 2-1.

But the Demons got right back into it with a late second period marker from Murray Link.

With help from Link and Robbie Raistrick , who had four assists in the game, Greg Stewart struck for the winner with 6:17 left in the game.

The hometown Lions opened in the tournament with a 3-1 loss to Russell and were eliminated from further action by North Dundas. Scoring for the Lions in their first game was Darryl Kirkwood.

Against North Dundas Jason Rice, Darryl Kirkwood, Brandon Boivin and Chris VanBeilen provided the scoring.

Hills, Flyers score decisive wins in town league hockey showdowns

MORRISBURG — Hills and the Flyers scored decisive victories in town league hockey action here this week, Hills pushing their winning streak to five games and the Flyers moving out of the league's basement position.

Hills defeated Hummells 8-2 and the Flyers downed Veinottes 5-1.

The standings now see Hills way out front with 15 points, Hummells in second at nine, the Flyers with seven and Veinottes with six.

Hills 8 - Hummells 2

Jim Whelan and Fred Osler led Hills to the 8-2 win over Hummells with two goals each and they were backed by singles from Scott Corden, Ian Hooles, Ralph Kennedy and Gary McInnis.

Answering for Hummells were Bobby Deleavey and Frank Hummell.

Hummells was first on the scoreboard with Deleavey's tally at 1:27 of the first period but that was erased a minute later when McInnis struck for Hills.

Hills was in charge the remainder of the period, connecting for three more goals from Corden, Whelan and Osler.

They continued their barrage into the second with goals from Kennedy, Osler, Whelan and Ian Hooles to move ahead 8-1.

Frank Hummell blinked the light for Hummells with 7:50 showing on the clock in the second (and last) period.

Flyers 5 - Veinottes 1

The Flyers came up big in the first period against Veinottes to build a 4-1 lead as they headed for their 5-1 victory.

Blake Barry opened the Flyers' scoring two minutes into the game and Jamie Whitteker boosted the count to 2-0 at 8:04. Barry hit for his second before Veinottes was able to get on board at 11:32 with their lone goal from Randy Veinotte.

Lyndsay Weegar finished the Flyers' scoring with two goals, his first at 12:56 of the first frame and his second with 2:01 to go in the game.

Turkey Talk

There was a full draw out for the second annual Mr. Grocer turkey bonspiel played at the Morrisburg Curling Club Saturday. Above we are not sure just what skip Bob Bedingfield (centre) is doing with the rock in his hand but we are certain his opponent, Bernie Brunt (back) isn't letting him get away with anything. —McNairn photo

The Leader Sports

Jr. B Lions settle in comfortably with two big weekend victories

MORRISBURG — With two wins this weekend and no losses in the last five games, the Morrisburg Junior B Lions are sitting comfortably in the middle of the St. Lawrence Division standings.

"We picked up four points on the weekend and the boys played very well, considering they've only played a few games in the last month," says coach Kevin Casselman.

The Lions opened their weekend action on home ice Friday night against Cardinal-Spencerville of the Rideau Division with a 7-2 win and on Sunday, again in Morrisburg, they defeated the Kemptville 73s, 9-7.

In command all the way

Against Card-Spen the Lions were in command all the way, leading 1-0 after the first period and 3-1 heading into the final where they turned it on for four tallies to their opponents' one.

Sunday, against the 73s, they again took command leading 4-2 after one and 6-3 heading into the final, but then says Casselman it got a little scary.

The 73s found the net in the last 10 minutes of the game beating Lions' goaltender, Kevin Eamon, for four consecutive goals to tighten the count to 8-7. With 37 seconds left on the clock Johnny Morrow completed his three performance to give the Lions' a two-goal breathing space and the eventual win.

"It was one of those periods you like to forget," says Casselman. "It wasn't so much a problem with our game but they started shooting the puck and it was bouncing their way."

"In fact they scored two of the goals from behind the net."

Lions open scoring

The Lions were first on the scoreboard against the 73s with a goal from Randy Jodoin. That was followed by tallies from Ernie Beckstead and Jim Bennis before the 73s got on board with one from Barry Murray. Johnny Morrow finished the Lions first period scoring at 12:25.

In the second, the Lions were good for two, from Jodoin and Morrow, and the 73s struck for one from Arnie Shaw.

Third period action saw the Lions increase their lead to 8-3 on goals from Yvon Besner and Jason Smith and then the 73s took over.

Rob Davis spurred the attack with a pair followed by tallies from Lyle Schell and Kirk Tallman which tightened the score to 8-7 with 4:27 left in the game.

Morrow finished it off for the Lions at 19:23.

The Lions handled nine minor penalties and Kemptville was assessed six and a match to Arnie Shaw. The Lions connected for one powerplay goal, Ernie Beckstead's in the first period and the 73s scored twice on the powerplay in the first period.

Lions explode in second

Friday night after a tight first period the Lions were in command all the way.

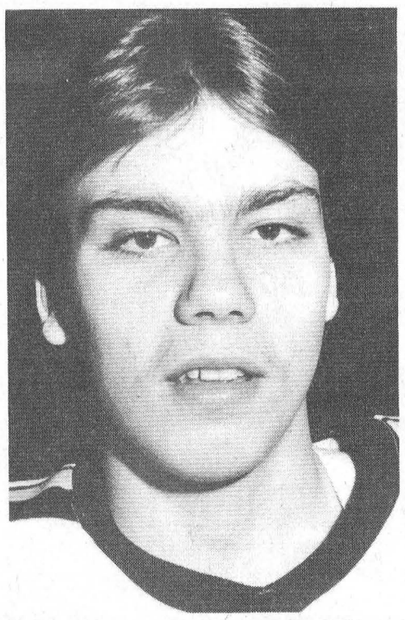
Greg Wells put them on the scoreboard at 11:23 of the first period and Rod Lemieux and Ernie Beckstead increased their advantage to 3-0 before Card-Spen got on board in the second with a tally from John Hanna.

The Lions' third period scoring came from Morrow, Shawn Lapier, Jason Smith and Wells and Card-Spen hit for their second at 12:01 from the stick of Dave Perry.

Andy Cummins was between the Lions' pipes and Jeff Hopkins handled the loss. The Lions drew nine minor penalties and Card-Spen had four. Both teams scored one powerplay goal.

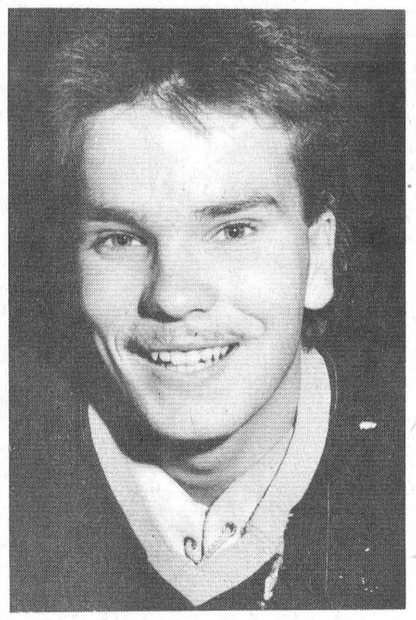
This weekend the Lions host Prescott, Friday night in an 8:30 p.m. game and Sunday they travel to Gananoque.

Meet the Jr. B Lions



Rodney Lemieux

Rodney is 20 years old and lives in Cornwall where he played his minor hockey. In his second year of college he divides his time between hockey, school and working at Valdi's in Cornwall. In his third year with the Lions, he plays right wing and last year won the team's best forward award. He came to the Lions from the Cornwall Major Midget AA team. Rod wears number 16.



Randy Mullin

Randy Mullin is 17 years old and is in his third year with the Lions. Currently leading the team's scoring, he is a right winger and played his minor hockey in the Iroq-Card Minor system. A student at Seaway High, he lives in Iroquois and last year was named the Lions' MVP in the playoffs and the winner of the Lady Byng trophy. Randy wears the number 15 sweater.

Bantam B

Lions unable to hang on

MORRISBURG — The Morrisburg Bantam B Lions couldn't hold on to a 1-0 advantage in an Upper Canada Minor Hockey League game against Winchester here Monday night.

The Lions struck early in the game with a first period goal from Stephen Cook assisted by Scott Cherry.

They maintained their edge throughout the second but midway into the third Winchester's Jason Ibbetson beat goaltender Billy Dillabough for the tie.

Last Thursday night in Metcalfe the Lions were in the reverse situation, this time it was their turn to come back to salvage a tie.

Metcalfe took a quick 2-0 lead on goals by Adam McDonald and Jamie Morris but before the first period had ended the Lions were right back in it with goals from Barry Barkley and Mike Francis.

Metcalfe again pulled ahead in the second on a goal from Dennis Dagleish but with 1:41 to go Scott Cherry tied it 3-3.

Jamie Morris, with his second marker, pushed Metcalfe ahead early in the third but they were unable to hand on for the win.

With 1:36 left in the game Francis struck unassisted for his second tally, to salvage the 4-4 tie.

Bantam AA

Sooter Royals stay on top

CORNWALL — The Seaway Valley Sooter Photo Royals took a pair of weekend victories to increase their lead on top of the Ottawa District Minor Bantam AA division.

At the Cornwall Civic Complex on Saturday, the Royals took charge and built up a four goal lead to defeat the Ottawa South squad 4-1. Royal scorers were Patrick Campeau, Corey Maxam, Todd Walker and Trevor Thompson.

Trevor McMillan and Denis Villeneuve handled the netminding for the Royals.

On Sunday, the Royals dumped Ottawa West by a 5-2 score in action at the Barbara Ann Scott arena. Ottawa took an early first period lead which was quickly erased by unassisted goals by Greg Esdalle and Todd Walker.

The teams traded second period goals with Geoff Hare connecting for the Royals.

Third period goals by Shawn Hummel and Corey Maxam ensured the Royals' victory.

The Royals outshot their opponents 35-11 with Trevor McMillans and Mark Snelgrove steady in the Royals' net.

Minor hockey news

ATOM B - The Morrisburg Atom B Lions were handed a 3-1 loss by Brockville on home ice Sunday. After a scoreless first period goals were traded in the second and Brockville put it away with a pair in the third. Scoring for Morrisburg was Robbie Darling.

ATOM C - Chris Rockwell earned the shutout as Russell went to work to defeat the Morrisburg Atom C Lions 7-0 here Sunday. Russell led 2-0 after the first period and 6-0 heading into the third.

ATOM C - The Morrisburg Atom C Blues were also shutout in Upper Canada Minor Hockey league action this week. D. Perron struck for the lone goal of the game here Monday night giving Metcalfe the victory.

PEEWEE B — The Morrisburg Peewee B Lions were unable to stop a four goal second period scoring spree by Russell here Sunday going down to defeat 6-2. The game was tied 1-1 after the first period and goals were traded in the third. Scoring for Morrisburg were Anthony Orlicky and Ben Comfort.

BANTAM C — The Bantam C Lions were in Smiths Falls Saturday where they were handed a 4-1 loss by the hosting Smiths Falls two team. The Lions claimed their lone goal at 2:50 of the third period from Chris Hanes. In Morrisburg, Monday night they scored a pair of second period goals against Ogdensburg for a 2-1 win. Ken Sayeau and Dean Swerdfeger provided the Lions' scoring and Jason Armstrong was in net for the win.

NOVICE HOUSE LEAGUE - The Warriors proved to be too much for the Panthers in Morrisburg Novice House League action last Thursday night, the Warriors picking up a 6-0 victory. Scoring for the winners were Jeremy Adams and Philip Richer, with two goals each and Robbie Stitt and James McConnell. Francois Bourdon was in net for the shutout.

NOVICE REDS - The Morrisburg Novice Reds and a visiting Russell team played to a 2-2 draw here Sunday, John Derouchie and Spencer Rooney providing the Reds' goals. The Reds led 1-0 after the first period but were outscored 2-1 in the third.

Canada Post Corporation

Our promise to Rural Canadians – signed, sealed and delivered

A recent independent study shows that 97% of our customers surveyed in rural areas, where retail postal services are now provided by local businesses, are fully satisfied with their postal services. Just as we promised.

Moreover, 92% are satisfied with their mail delivery, while 91% believe delivery to be as convenient or more convenient than before.

The message comes across loud and clear: an overwhelming majority of Rural Canadians surveyed believe that the post office is moving in the right direction. Furthermore, they consider that enlisting the help of local businesses helps to provide better services.

Our next step: Free lockbox service

Beginning January 3, 1989, customers who depend on lockboxes as their primary means of delivery will no longer have to pay a lockbox service fee. Charges will cease to apply for these customers when their lockboxes come up for renewal.

As part of our ongoing commitment to provide better services to you we will be mailing full details to you in the near future.

Canada Post is in rural Canada to stay
That's a promise

Our commitment: better service for you.

Legion bowling

INGLESIDE — The top three teams of the Legion mixed bowling league all increased their leads here Thursday night with 3-1 wins over their opponents.

The first place Alley Cats defeated the Wimps, the Pistol Petes downed the Hit and Miss and the Lame Ducks claimed their win against the Alley Oops.

Hubert Massie led the Alley Cats with a strong 712 cross on single games of 241-222-249 and he was backed by Mike Schwerdtfeger with a 612 (156-193-263).

Linda Stata was top roller for the Wimps with a 666 cross on single games of 234-169-263.

Dennis Baker led the Ducks to their win over the Alley Oops with a 634 cross (194-170-270) and Frank Marriner was top roller for the Oops with a 686 (236-190-260).

Nora Markell and Marten Nicolaassen both posted 602s against the Hit and Miss who had their top effort from Lynn Dillabough with a 643.

Markell had single games of 178-237-187 while Nicolaassen put together his 602 on games of 169-227-206. Dillabough had singles games of 147-244-252.

Legion darts

MORRISBURG — The Untouchables used a 5-2 victory over the Playmates here Tuesday night to move to within two points of the first place Little Dills in Legion mixed dart league action.

The Dills were handed their first defeat in several weeks by the No Names 5-2.

Fran Lapierre and Pat Filiou had two wins each for the Untouchables and Kevin Adams added a single while for the Untouchables it was Roy Guse and Hartley Graham with the outs.

The No Names had two wins each from Elva Baker and Peter Brunt and Lee Sypes hit once. Dalton Dawley and Lyle Beckstead answered for the Dills.

The Hopefuls moved from fifth place into third with a 5-2 win over the Raiders. Shawn Baker led their effort with three outs and Gerry Roberts struck for two. Ann Robinson had both Raider wins.

The Happy Steroids and Stumblebums split their 14 points, both getting threes wins and a tie.

Don Whelan had two Steroid wins and Bob Henophy added a single. For the Stumblebums it was George Baker with two and Dorothy McBain with a single.

A logjam at the centre of the standings sees the No Names, Spooks, Raiders and No Outs all tied at 72 points.

The No Outs moved into this position with a 5-2 win against the Lucky 13s. Lyndon Casselman led the move with three outs and Phyllis Dawley provided a pair. Judy Laurin answered for the 13s.

The Spooks continued to drop in the standings with two wins against the MCs.

Lyle Stewart hit three times for the MCs and Brenda Brunt and Terry Laurin had singles while Bonnie McNairn (spare) had both Spooks' wins.

The Bunnies and the Rovers find themselves in a tie for last place with the Lucky 13s. Tuesday night the Bunnies made a big move with a 5-2 win against the Rovers.

Dick Armstrong struck three times for the Bunnies and Phyllis Roberts and Karen Beckstead had singles. Mary Baker and June Carkner answered for the Rovers. High scores: Phyllis Dawley 144; Kevin Adams 138; John Beland 123; Roy Lapierre 121; Sarah Merkley 115-100.

Riverside Darts

RIVERSIDE HEIGHTS — The chase is still on in the Riverside mixed dart league, as second place Joannie's Pearls, again this week crept a little closer to the first place Hart Foundation.

The Hart Foundation managed seven wins last Wednesday night while Joannie's Pearls were good for 10.

Having an outstanding year is Bobby Jack Hart who Wednesday night set a league record (unverified) with nine of the 10 Pearl wins. Bill Devaul had the other.

Gary Hart had five wins for the Foundation and Ivan Shearer and Steven Bradford had singles.

The third place Cripples lost a lot of ground when they managed only two wins from Carl Robinson and Lyle Beckstead and the Ghetto Blasters and Limbos moved into a tie at 59 points just one point back.

Clem Kaddie had three Ghetto Blaster outs and Don Lewis and Gail Robinson had two each and the Limbos had four wins, two from Gary Bradford and singles from George Baker and Derek Whitteker.

The Happy Sailors had a five-win night on two outs from Frank Marriner and Gayle Hart and a single from John Gummeson. The Skinflicks also had five wins, two each from Guy Hart and Dennis Osborne and single from Ron Bradford.

Brent McCooeye, with four outs, led the Collections to a five win night, Karen Beckstead adding a single, and the No Clues were held to a pair of wins from Sharon Wereley and Kenny Baker.

Charlie Lewis Jr. led the Impossibles with two wins and Keith Wereley, Karen Holmden and Carl Schwerdtfeger added singles, while the Discounts had two each from Lloyd Smirle and Keith Johnson (spare) and a single from Fred Devaul (spare).

The last place Margarita Beach Club dropped a little farther back with just three wins, all from Chris Casselman. High scores: Chris Casselman 155 finish; Bobby Jack Hart 140-100-100; Ann Lewis 140; Clem Kaddie 140; Fred Devaul 139.

Peewee Cs nab one

MORRISBURG — The Morrisburg Peewee C Lions finished up a not-so-great week of Upper Canada Minor Hockey League action on a good note here Monday night with a 2-1 victory over the Kemptville Ones.

The Lions wrapped up the win with a pair of tallies in the second period from Tony Francis and Eric Massie.

Kemptville got on board with 56 seconds left in the game on a goal by Chris MacFarlane.

Jason Vaughan was between the Morrisburg pipes for the win and Ken Lynch handled the Kemptville loss.

In the not-so-great action during the week, the Lions lost to the Kemptville Royals 5-2 and to the North Dundas Demons 4-2.

The Royals trailed 2-1 in first period action against the Lions but evened it in the second. Three unanswered tallies in the third gave them the win.

Matt Boal had two Kemptville goals and singles came from Jason Henderson, Chris MacFarlane and Andrew Willis.

Chad Hanes supplied both Morrisburg tallies.

Against North Dundas, in a game played at Chesterville, the Lions trailed 2-1 after the first period and 3-2 heading into the third.

Scoring for the Demons were Barry Bell, with two and Kyle Marriner and Randy McLeod with singles.

Eric Massie and Mike Easter answered for the Lions.

Angels turn it on

MORRISBURG — Charlie's Angels senior girls hockey team turned it on against a visiting North Dundas club here last Thursday night to post a 9-0 victory.

Linda Magee was between the pipes for the shutout as the girls worked their way to a 1-0 first period lead and 5-0 advantage after two.

Tanya Mabo started the game off with the first three goals for her hat trick and then it was over to Camille McInnis for a single.

Kim McInnis completed the Angels' second period scoring and then got it started again early in the third. She completed a three goal performance late in the frame.

Also coming up big for the Angels was Kathryn Houze with two tallies, both in the third period.

Midget As pull through

MORRISBURG — Despite a slow start, the Morrisburg Midget A Lions pulled through for a 5-2 victory over a visiting Smiths Falls team, in Upper Canada Minor Hockey League action here last Tuesday night.

A scoreless first period was followed by the Lions taking a 3-2 lead in the second. They finished it off with two unanswered tallies in the third.

Less than a minute into the second period Jamie Smith opened the Lions' scoring followed by an unassisted goal, 11 seconds later, by Randy Burke.

Smiths Falls got on board at 2:29 with a goal from Mark Fletcher and 31 seconds later they evened it when Ed Rheuse beat Lions' goaltender Mike Barclay for what would be the final Smiths Falls goal of the game.

Before the period ended Burke had hit for his second tally to allow the Lions to carry a 3-2 advantage into the third.

Midway into the final frame Dean Beckstead gave the Lions a two-goal margin and with 3:15 to go Burke finished it off completing a three-goal performance and giving the Lions the 5-2 win.

Four communities in favor

Joint recreation

MORRISBURG — Representatives of the four municipalities of South Dundas have met to re-confirm their interest in a joint recreation association and says Williamsburg township clerk-treasurer, Mike Waddell, the results are very encouraging.

Williamsburg township, Peter McCooeye of Morrisburg, Mike Ault of Matilda Township and Ron Miller of Iroquois.

Each representative presented the feelings of their council toward joint recreation which was recommended from a recreation study completed this past summer.

"From their remarks it appears that all are in favor of going ahead with it," says Waddell who was invited to participate because of his involvement in the study.

"As a result the Ministry of Tourism and Recreation has been asked to join in right away to get the project off on the right foot," says Waddell.

"The biggest thing to be looked at right now is what kind of committee is to be set up," says Waddell. "And we want the ministry to be involved from square one."

"From what I can find out this association will be the first of its kind in Eastern Ontario."

OBITUARY

James Tocher Bain

James T. Bain died at the Ottawa Civic Hospital Nov. 6, 1988. He was 82 years old.

Mr. Bain was born in Edinburgh, Scotland, Feb. 27, 1906. He served 11 years in the royal Air Force in England and Malta. He worked with British Airlines Ltd. for 7 years, during civil aviation's infant stages in Great Britain.

In 1938 he immigrated to Canada to join the newly formed Trans Canada Airlines as Superintendent. He became Director of Engineering and Maintenance for Air Canada. During his tenure, he shared in many of the historic mileposts in the development of Canada's air travel industry: the development of T.C.A.'s trans-Atlantic routes, the design and fabrication of the Northstar. He shared in the initial design concept for the Avro Jetliner and in the specification of design and introduction to service of the Vickers Viscount aircraft. He was insistent that engineering in Air Canada should focus on air safety. Air Canada became the fore-runner in air safety introductions which are now standards in the industry.

Mr. Bain co-ordinated the design and construction of the present maintenance facility at Dorval, Quebec; a facility which would successfully usher Air Canada into the Jet age.

He retired from Air Canada in 1964. He took up residence on Cape Cod in Massachusetts, U.S.A. After retirement his services were sought by the governments of Indonesia, Turkey, South Korea and Mexico, to give advice on air fleet purchases and maintenance facilities.

He served as Alderman in the Town of Mount Royal for 10 years. He was a member, and became Moderator, of the Waquoit Congregational Church. Since 1978 he has been an active member of the Knox Presbyterian Church in Morrisburg. He was active in curling and lawn bowling and was a member of the Canadian Legion Seniors. He acted, for 6 years, as Treasurer for the We Care (Meals on Wheels) organization.

Mr. Bain was predeceased by a daughter Joan. He is survived by his wife Anne, his son Alan, Joanne and Jennifer Brittle of Toronto, Glen Brittle of Alexandria and Mark Brittle. Also Heather (Bain) Donoghue and Sharon (Bain) Hengeveld of Toronto, and Alison Bain of Ingleside. He knew and loved five great grandchildren.

Funeral services were conducted by Rev. Bruce Kemp, 11:00 a.m., Thursday, December 8, 1988 in Knox Presbyterian Church with interment at Mount Pleasant Cemetery.

IN MEMORIAM

MERKLEY — In loving memory of my dear mother, Ellen Merkley, who passed away December 12, 1929.
Remembering you is easy, Mom,
I do it every day.
Missing you is a heartache
That never goes away.
Sadly missed and always remembered by her daughter, Bessie Salmon.
50c

SALMON, Chris -
Your laughing eyes, your winning smile,
Your eager zest for what's in store,
Your keen awareness of others hurt,
This we miss and so much more.
- Sadly missed Aunt Kay and Uncle Foster
50c

SALMON — In loving memory of a dear son and brother Chris, who passed away December 15, 1987.
Seventeen is much too young to say good-bye,
But a spirit like yours could never really die,
Your final moments and a soft whispered "Dad".
Showed us the enormous strengths that you had,
Float free son, have a carefree existence
We shall always see the grin and your inner beauty of persistence.
- With us hourly Dad, Mother & Nicole
50c

GAUTHIER — In loving memory of Janice, our only daughter and sister, and Robby, our only grandson and nephew. Two precious gifts returned to God, December 14, 1986.
Fast as the rolling season bring,
The hour of fate to those we love,
Each pearl that leaves the broken string
Is set in Friendship's crown above
As narrower grows the earthly chain
The circle widens in the sky,
These are our treasures that remain
But those are stars that beam on high.
- Sadly missed and remembered with love, Glenn, Audrey and Stephen Dafoe.
