W.M.S. Presbyterial Held Annual Meeting

(By Mrs. Geo. E. Earle)

The 15th annual meeting of the Dundas-Grenville Presbyterial of the W. M. S. of the United Church of Canada was held in Kemptville United Church yesterday with three sessions, beginning with an Executive meeting at 9 a.m., E.D.S.T. All sessions were well attended. The theme was, Strengthening Christian Forces Through Vision, Purpose and Service.

The call to worship was given by the President, Mrs. E. McKendry, of Kemptville. The Rec. Secretary was Mrs. W. S. Atchison, of Winchester. Morning devotions were taken by Mrs. (Rev.) Johnston, and Mrs. Gilroy, of South Mountain. Pleasing words of welcome were extended by Mrs. B. H. Sills, President of Kemptville Auxiliary.

The various reports of the year's work were given in an interesting manner through "The Treasure Chest," conducted by the President, who asked questions, taken from the chest. These were answered as follows:—Baby Band, by Mrs. A. Dillabough; Finance Committee, Mrs. E. Mills; Supply, Mrs. Cleary; Community Friendship, Mrs. (Rev.) Johnston; C. G. I. T. work, Mrs. H. Faulkner; Missionary Monthly, Mrs. Merrill, in place of Mrs. R. Crowder; Associate Helpers, Mrs. Throop; Literature, Mrs. Newman; Temperance, Mrs. G. Cleland; Filling out annual report forms, Mrs. Sled. Mission Circles was read by Mrs. Merrill, in the absence of Mrs. D. Hanson; Mission Band by Miss V. VanAllen, and Prayer, by Mrs. R. Peterson.

The President told of visiting 13 Auxillaries during the year and finding that the interest and attendance were continuing in spite of war work. Mrs. Merrill gave an encouraging report regarding the financial givings, in which she stated there had been an increase. A brief resume of the meetings of the Executive held during the year was given by Mrs. W. S. Atchison, who urged a better attendance of the officers at these meetings.

An address, full of information regarding Korea and the work of the missionaries there, was given by Mrs. W. A. Burbridge, a returned missionary, now residing in Kemptville. She showed many articles of apparel worn by the Koreans as well as some of their dishes. By helping the Koreans to help themselves they are led to Christ.

Mrs. G. W. Carlyle, of Reid's Mills, assisted by Mrs. Sled, Mrs. McKendry, Mrs. H. VanAllen and Mrs. Wes. Fulton, paid touching tribute to members who, during the past year, have passed on to higher service. Mrs. Carlyle spoke from the words: "My Beloved has gone down to his garden to gather lilies." In loving memory of the departed, a War Savings Certificate was presented by this Presbyterial to the United Church. Soft appropriate music was played throughout this service by the organist. Mrs. Wes. Fulton, of Chesterville, sang: "The City Foursquare," the accompanist being the church organist, Miss Todd. The names of the deceased were read by Mrs. Sled, after which earnest prayer was offered by Mrs. H. VanAllen.

The afternoon session opened with devotions conducted by Mrs. Reddick, of Morrisburg, and Mrs. Geo. Hill and Mrs. Hawkshaw, of Williamsburg.

The five-year plan was explained by Mrs. G. W. Carlyle, who told of many places where no W. M. S. exist, and where our women are trying to organize societies within the next five years. Mrs. McKendry conducted a dedication service in connection with this work. During this service, Mrs. Peterson, Mrs. Armstrong and Mrs. (Rev.) Beatty led in prayer.

"Spread the Good News Far and Wide" was sung as a duet by Mrs. C. Strader and Mrs. C. E. Collison, of Brinston.

A roll call of the organizations by Mrs. W. S. Atchison showed a good representation from the majority of places. Miss VanAllen presented certificates and seals to the Mission Bands of Shanly, Ventnor, Morrisburg, Winchester, South Mountain and Mountain.

An interesting exercise in the form of an appeal for greater missionary effort was put on by children of Ventnor Mission Band.

A visit from a Korean family, under the direction of Mrs. Burbridge, was greatly enjoyed, as it gave an insight into Korean dress and customs. Following this, Mrs. S. J. Tripp, of Spencerville, favored the gathering with a solo, "My Ain Countrie."

It was a privilege to listen to the address of the W. M. S. travelling secretary, Miss Ida McKenzie, who took for her subject the importance of Missionary work in our present day world. Word pictures of Christian efforts in China and Japan showed that we should not be pessimistic. Then, in reference to the work in Canada, she told of the Church of All Nations and of how the nationalities who are engaged in war in the Old Land are living harmoniously here.

Another item on the program that was well received was an open forum, conducted as a radio broadcast by Mrs. W. S. Atchison, who asked questions that were answered by Miss Mae Rose, Mrs. Wm. Steele, Mrs. A. B. Allison, Mrs. J. W. Ault, Mrs. G. E. Earle, Mrs. R. S. Peterson, Mrs. J. I. Murdock, Mrs. S. Simms, Mrs. E. McKendry and Mrs W. L. Merrill. Rev. W. S. Atchison was the announcer, and the Station was in the Dominion Board room in Toronto.

For the election of officers, the chair was taken by Mrs. N. B. McRostie, of Ottawa, 1st Vice President of the Montreal-Ottawa Conference Branch.

The following slate of officers was brought in by the convenor of the Nominating Committee, Mrs. Byron Newman, and the induction took place by Mrs. McRostie.

Past president, Mrs. Geo. W. Carlyle; president, Mrs. E. McKendry; 1st Vice president, Mrs. Wilson; 2nd vice, Mrs. Herb VanAllen; 3rd vice, Mrs. Merrill Foster; 4th vice, Mrs. W. N.. Fulton; rec. sec'y., Mrs. W. S. Atchison; cor. sec'y., Mrs. C. Sled; treasurer, Mrs. W. L. Merrill; Christian stewardship, Mrs. E. Mills; community friendship, Mrs. W. R. Johnston; Temperance, Mrs. F. F. Davidson; supply, Mrs. Wm. Cleary; assistant, Mrs. Sam Simms; literature and press, Mrs. B. Newman; associate helpers, Mrs. H. Adams; Missionary Monthly, Mrs. R. Crowder; Circles, Mrs. Doug. Hanson; Mission Band, Miss Violet VanAllen; Baby Band, Mrs. A. Dillabough; C. G. I. T., Mrs. H. Faulkner; Intercessary Prayer, Mrs. R. S. Peterson.

An invitation to meet in Cardinal next year was accepted.

In the closing moments of the afternoon, Mrs. Cecil McIntosh impressively conducted a meditation on our purpose, being assisted by Mrs. Wm. Steele, Mrs. Taylor and Mrs. R. C. Tait in prayer.

Excellent meals were served by the Kemptville ladies, and at the tea hour greetings from the Branch were brought by Mrs. N. B. McRostie, of Ottawa, from St. Paul's Presbyterian Church, Kemptville, by Mrs. Doherty, and from the Presbytery by Rev. Mr. Sommerville, the chairman. Greetings were also read from the Bay of Quinte Conference Branch, the Ottawa Presbyterial and Glengarry Presbyterial. These were replied to by Mrs. Bird, of Shanly.

Devotions at the opening of the evening service were taken by members of Mountain and Ventnor Mission Bands. A quartette of ladies from Kemptville United Church gave a fine rendering of Psalm 23. The report of the Courtesy Committee was brought in by Mrs. (Rev.) Armstrong, of Merrickville.

Rev. R. R. Nicholson, the pastor of Kemptville Church, introduced the guest speaker of the evening, Rev. Charles Donald, of Southminster Church, Ottawa, who at one time was a missionary in India for 16 years and about which his address centred telling of the high caste people and especially of the Untouchables, from whom he tried to build a Christian Church. He was pastor of a Church in India where every member had been an untouchable. He enjoyed his ministry there, and urged his hearers to support the missionaries there.

Four young ladies of Chesterville were heard with pleasure when they contributed a special number in music, with Mr. P. G. Hewitt, of Chesterville, as accompanist.

As a closing number Kemptville Auxiliary presented very impressively the pageant, "Sunrise in the Garden."

This was considered to be a very successful annual meeting, with a large attendance and great interest shown. There were 214 delegates registered.

Toxoid Clinics To Be Held Here

Miss Lefler, local Public Health Nurse, has announced that a Toxoid Clinic will be held at the local Public School on May 9th, with supplementary doses being given on May 30th and June 20th. Dr. A. B. Clayton, of Chesterville, Medical Health Officer of the United Counties Health Unit, will conduct the clinic, assisted by Miss Lefler.

The Clinic will be held at 1.30 p.m. on the above dates for Public School pupils and at 2.30 o'clock for children of preschool age.

Toxoid is administered for the prevention of that dreaded disease, Diphtheria. Three doses are necessary to make the children immune to the disease. There is no charge for these treatments but the consent of the parents must be given before a child can be given the toxoid. Special consent cards are being distributed for this purpose. Children, who have not yet started to school, should be accompanied by one of their parents on the dates of the clinics.

In most cases there are no serious after-effects from the treatments, and parents should avail themselves of this opportunity to have their children made immune from Diphtheria.

Children who have already received the toxoid will be given a "booster-dose," if desired. This is recommended by health authorities.

Parents, who have their child's interest at heart, will not hesitate to guard its future health, by granting permission to have the toxoid treatment given. Remember the dates: May 9th, May 30th and June 20th. The three doses are necessary. Arrange with Miss Lefler now to have your children treated.

Flaw In Axle Blamed For Inkerman Wreck

A hidden flaw in the steele axle of a freight car was the cause of the train wreck at Inkerman Station on March 31 and the loss of three lives, according to the findings of a coroner's jury at the inquest into the tragedy, held in the town hall here last Thursday.

Verdict of the jury was: "That on the evening of March 31, 1941, Fred Plato and Walace Plunkett came to an accidental death on the Perth local in a collision with a freight train which had a broken axle in which there was supposed to be a flaw."

The jury was composed of Messrs. Fred Hutt, foreman; Meredith McVey, Roy Empey, Roy Barkley and Leonard Bell.

Dr. T. A. Hamilton, of Brinston, district coroner, presided at the inquest and witnesses were questioned by J. G. Harkness, Crown Attorney of United Counties. Lee A. Kelley, K.C., of Ottawa, represented the C. P. R. at the hearing.

Local M. L. A. Discusses Agricultural Situation In Eastern Ontario

(By George H. Challies, M. L. A.)

Much has been said in parliament, the press and in public discussions about the plight of agriculture. The financial condition of agriculture is one of the pressing problems of the day awaiting government attention, co-operation and direction. Something more radical and more far reaching than anything now offered will have to be done so that a reasonable degree of prosperity may be assured to those engaged in the primary industry of agriculture.

The dairy farmer, because of no fault of his own, finds himself forced to take a price for his product (cheese, condensed milk and bacon) definitely fixed by the Federal Government at a price below the cost of production, and there is nothing he can do about it. The loyalty of our farmers should not be an excuse or afford the occasion to impose added burdens, burdens beyond which he is able to carry.

Farming Industry Should Not Be Unlike Other Industry.

I like to think of farming as an industry with capital invested in plant and equipment, with raw materials worked up into a finished product to be sold to the consuming public. The fundamental laws of quality, regularity of supply and marketing, etc., apply to the products of the farming industry equally with any other industry. The regrettable feature is—in relation to the dairy products mentioned,—that the price is pegged because of war necessity, by the governments. How long would general industry stand for, or last, if the price of its products were pegged at a price less than the cost of production as in the case of cheese, condensed milk and bacon?

Our cheese and bacon price, in normal times, is the price of the commodity on the export market and is adversely affected by packers, jobbers, etc. At the present time, because of the war, the price of these products is pegged by the governments and they are asking for a high level of production. The dairy farmer realizes his patriotic duty and accepts it without undue complaint. In return it is our patriotic duty to see that this branch of industry gets the same opportunity and treatment as other war industries—a price covering cost of production and a profit.

How The Farming Industry Differs From General Industry.

There is no such a thing for the farmer as regulated hours and days of work as in general industry. In the dairy industry the farmer works long hours and every day in the week. In fact his work is never done and in almost every case all the members of the family who can work, do work, and work hard.

The Government has decreed that organized labour shall receive, with the increased cost of living, a corresponding raise in wages. When this cost rises more than 5%, bonuses are paid and the basis is calculated on the cost of living for the years 1926-29. These adjustments may be made quarterly. How happy the farmers would be if they could even approximate such conditions.

The fact is that under present high wages paid by contractors, labour is unduly enticed from the farm and the farmer's lot is made more difficult and the cost of production greatly increased.

Farm Product Prices Pegged.

Perhaps the most serious situation the farmer has to face, coupled with pegged prices, labour difficulties, increased cost of production, is the cost of farm products in relation to the enormously increased fixed charges like taxes, and the proposed levy in taxes for 1941 and 1942 by the Provincial Government, of $115,000,000, will cause much worry, unrest and added burden to the farmer. This is the greatest levy of taxes in the history of the Province.

At this time tribute should be given where tribute is due. I have always felt that the close scrutiny by county, townships and rural councils of all expenditures could be easily followed with favorable results by all Provincial and Federal Governments.

Suggested Remedy and Relief

It seems to me that the plight of the cheese industry could be remedied to some extent at least, in that the 40% of cheese manufactured, consumed domestically, could be sold by proper organization, on a cost plus profit basis.

This would not mean that the consumer would pay more but rather that the difference between 15c per pound now paid the farmer and the 30c to 40c the consumer pays for mature cheddar cheese would be divided more equitably with the cheese producer.

The Government could well afford to give assistance and direction in this matter as well as assisting in a campaign of greater consumption by Canadians of mature Cheddar cheese, as we are about the lowest per capita consumers in the world. The product lends itself admirably to such a plan.

The relief offered by the Government to the producers of cheese, condensed milk and bacon is not commensurate with the sacrifices demanded or the seriousness of the situation. Let us consider these producers in the same class as producers of munitions and give them similar treatment. War industries are on a cost plus basis and in some cases the Government furnishes the capital and even then allows a profit on cost of production. The production of cheese, condensed milk and bacon is equally essential as a war necessity and should be treated as such.

Our farmers are sincerely patriotic and want to see Hitler and his gang smashed, but they cannot produce at a loss, meet the ever increasing taxes of governments, and live, let alone buy War Bonds or War Savings Certificates, support the Red Cross and so on.

The governments should rise to the occasion, pay the bonus on cheese equal to the price asked by the Ontario Cheese Producers Association as a fair price under existing circumstances, namely, a bonus of 4c per pound, making a basic price of 19c with quality extra, and see to it that the milk going into the manufacture of condensed milk for export is paid for on the same level as that paid in the cheese industry.

While the theory of bonuses may be wrong in peace times, we are passing through difficult times which necessitates medical remedies and food products are as important to victory as is armaments.

Has Knit 191 Pairs of Socks For Red Cross

Mrs. Alex Duncan, a member of the local Red Cross Society, has created a record in knitting socks for soldiers which, we believe, is hard to equal. When she gets the pair she is working on, completed, it will be the 191st pair she has knit since the Winchester Red Cross was organized in the fall of 1939. That represents a lot of work, and it can be truthfully said that Mrs. Duncan is doing her bit to make the soldiers comfortable. Of course, Mrs. Duncan is an expert with knitting needles, and enjoys the work, but that does not offset the fact that knitting gets quite tedious at times. She deserves credit as a consistent knitter and we take our hats off to her.

Musical Program Was Feature of W. I. Meeting

The April meeting of the Women's Institute held this week on Tuesday evening was presided over by the 1st Vice President, Mrs. John D. Stewart, M. A., B. Sc., and proved to be unusually interesting because of the musical programme put on by the pupils of Miss Evelyn MacDonald, teacher of music in the Winchester Public School.

During the business meeting the roll was answered by each member naming a Canadian industry and telling where it is located.

Copies of the co-operative program had been received and will be distributed. Mrs. Stewart requested a full attendance at the May meeting for election of officers.

The following standing committees were reported:—

Historical Research, Mrs. Nesbitt; Peace Education, Mrs. Earle; Canadianization, Mrs. W. S. Atchison; Community Relief, Mrs. Utman; Education, Mrs. J. D. Stewart.

The treasurer's report was given by Mrs. W. N. Lannin, showing much money received and expended wisely. A letter was read from Mr. W. J. Stewart regretting that due to a previous engagement, he could not be present. He also gave some information about the teaching of music in the schools of Winchester Township.

Miss Evelyn MacDonald was introduced. She spoke pleasingly of her work with the children, and called upon Grade I for a number of motion songs. This was followed by a contribution from Grades 2, 3, 4 and 5, then a round by Grades 5 and 6. The closing numbers were by Grades 6, 7 and 8, and from the whole school, who sang "There Will Always Be An England," and "Carry On."

A reading that appealed to the mothers present was given by Mrs. J. D. Stewart.

Percy Granger's Country Gardens was well rendered as a piano solo by Miss MacDonald, who graciously responded to an encore by playing Paderewski's Minuet in G.

Those who had the pleasure of being present, enjoyed the excellent program and were able to see the good work in music being done in our schools. Refreshments were in charge of Mrs. R. Workman and Mrs. D. Nesbitt. The National Anthem was sung in closing.

JOHN LEE RECEIVES HIS WINGS

Leading Aircraftsman John Carson Lee, youngest son of Mrs. H. L. Lee, of Ottawa, and the late Mr. Lee, of Winchester, was among other graduates to receive their wings at No. 9 Service Flying Training School near Summerside, P. E. I., last week. John resided with his parents here for several years and will be remembered as a young lad attending Public School. He is a graduate of the Glebe Collegiate, Ottawa, and before joining the R.C.A.F., last August, was employed as a ledgerkeeper in the Ottawa South branch of the Bank of Toronto. He was given leave of absence to join the Air Force. John will be 19 on his next birthday.

SEED CORN

The production and sale of Seed Corn has come under a number of new government regulations. Varieties, grades, and prices are all under the control of the Department of Agriculture, Ottawa.

Two kinds of Seed Corn are produced —Open Polinated and Hybrid.

The following are the only "Open Polinated" varieties supplied under the new arrangement:—

Dents—Bailey
Golden Glow Early
Golden Glow Medium
Golden Glow Late
Bloody Butcher
Sweepstakes
White Cap
Wisconsin No. 7

Flints—Comptons
Longfellow
North Dakota

"Golden Glow Early" is the old Golden Glow and "Golden Glow Medium" is the new name for Leaming.

No. 1 Grade must have germination of 90% or over. No. 2 must have over 80% germination.

As there is only a limited quantity of No. 1 grade, orders have to be booked subject to that grade being obtainable.

We can supply most of the above varieties as well as "Kingscrost" Hybrid Corn. Our Seed Corn is coming from the same source as last year and we know the firm supplying it to be very reliable.

Order now for the early orders will have the best chance of getting the No. 1 grades.

SEED GRAIN

Oats—No. 1 Banner, No. 1 Alaska, No. 1 Erban.

Barley—No. 1 O. A. C. No. 21.

Wheat—No. 1 Coronation.

Buckwheat—No. 1 Silverhull.

This is Ontario-grown seed, clean and heavy quality.

All Seed Grain on order should be taken out before April 30th.

THE COLLECTION OF GARBAGE

The Municipal Council has announced that the local Garbage Collection System will be put into operation on May 1st, for any who wish to take advantage of it. Those accepting the service will be charged accordingly. In our opinion this set-up for collecting garbage is not in the best interests of the Public Health—one householder will pay to have his garbage taken away once each week, while his next door neighbour allows the refuse from his property to pile up and become a breeding place for flies and germs, because he is too tight to pay a few cents a week to have it removed.

If the Council would pass a by-law, making it compulsory for **every** householder to dispose of his garbage through the municipal collecting system, it would be a much better plan and would help to keep down many diseases which often result from unsanitary conditions caused by accumulated garbage. The cost of such a system would not amount to much more than is paid under the present system, and could be taken care of by taxation.

It is not too late to have the proposed Garbage Collection By-Law passed, and we believe it would meet with the hearty approval of all citizens. Rather, than end the year with a big surplus, the Council would be well advised to use some of this extra money to improve the general health of the municipality, by setting up a garbage collecting system which would affect all householders instead of just a small percentage of them, as is the case under the present system.

THEY SERVE WELL

When the present war is over there will be one group of citizens to whom Canada will owe gratitude, just as surely as she will owe a debt of gratitude to her armed forces. These citizens are men and women who are devoting their time and energies, day in and day out, to assist in the collection of monies which the country must have in order to carry out its war program.

Without remuneration, and in many cases at a severe sacrifice of their own personal interest, these citizens rally to the cause of the War Savings Certificates, the Canadian War Services Fund and War Loans. They no sooner close one campaign, when they must start in on another. With the February drive in behalf of War Savings yet to be completed, they switched their activities to the collection of money for the soldier services. Now they have gone back to continue the War Savings job. Next month, they will be preparing to sell War Loan Bonds.

These conscientious Canadians deserve much more thanks than they actually receive for the work they do. That would help a great deal to offset some of the rude rebuffs they get from unthinking Canadians who are only being asked to contribute their share in the battle being waged for their protection.

These workers on the home front serve as emphatically as any other citizen in the country —their only compensation being the knowledge that they are carrying out a job that has to be done.

THE PRESS AND THE CHURCHES

One of the most easily misconstrued relationships in the publishing field is that between the newspaper and the churches in the community it serves. The newspaper man asks himself the question: "What should be my attitude toward the churches?" He endeavours to answer that question so that he will be fair both to the churches and to himself.

Churches sometimes assume the attitude that as they are supported solely by voluntary donations, and as they are a spiritual and moral force in the community, any publicity desired should be given without charge by the newspaper. Strangely-enough the churches do not expect the same privilege from any other business or profession. It should be remembered at the outset that most publishers are church members, and that as individuals they are decidedly interested in the welfare of the church with which they are affiliated. They give regularly and as generously as their circumstances permit. They attend the various functions designed to raise funds for the continuance of the church's work. As such they must be considered as any other church member who is conscientiously striving to support the church and what it stands for.

While newspapers are more generous with space to churches than to other institutions, this is simply a recognition by the press of the premier place held by the church in the spiritual and moral sphere in the community. However, the church has no legal right to expect the press to give more generously than any individual church member. It is not expected of the man who sells the church fuel, or the public utilities which serve the church. In larger centres it is not expected that the organist should give his services free, or that the caretaker should work without remuneration.

The press, we believe, will always recognize the position and value of the church in the community. It will realize that the community without the church would be like a rudderless ship, not knowing whence the tide of events and fortune might lead it. The press will continue to give service to the church as one important institution to another, but the church must also realize that to continue its service, not only to the church but to the community, the newspaper must have an income, and that income can only come from the space it sells in its columns. This same reasoning must apply to charitable organizations in the community. To them the publisher and the men and women who work for the publisher give generously of their private means and of their time and talent. They too must prosper if they are to continue the support to the church, and all kindred organizations seeking to carry out an uplifting work in the community.

THE NATIONAL SALVAGE CAMPAIGN

What is Winchester doing regarding the National Salvage Campaign? The government is urging that a committee be organized in every municipality to co-operate in salvaging waste materials for war purposes. The local clean-up day will, no doubt, see much valuable material carted away to the junk pile. If it can be put to a useful purpose, the Council should appoint a committee to salvage it, without delay.

Canada's National Salvage Campaign got under way last week and all across Canada local salvage comittees went into action to salvage waste materials lying in dump heaps and attics and basements. Latest reports are that the campaign is off to a good start and there is every anticipation that 100 per cent. salvage coverage will be in effect in Canada soon.

That will mean making available for the war industries large quantities of raw materials, reducing the amount of importation necessary. It will mean a considerable addition to the Canadian war chest through money raised by selling salvage. Every Canadian has a chance to strike a blow against Hitler in this campaign. National thrift will help assure victory.

ANSWERING THE LINDBERGHERS

Many arguments against intervention in the Great War have been advanced by the Charles Lindbergh group in the United States, but few of them hold water. Generally they suggest that the mad dogs of Europe have no intention of invading this continent and proceed to build arguments upon that foundation. But here are Hitler's own words, and serious consideration of the German Dictator's ideas will strike the pro-Nazi arguments at the base: "My motto is, destroy by every means.....So-called international laws will not check me.....One is either a German or a Christian. You cannot be both."—Hard words for any anti-Britisher in the United States to explain away.

EDITORIAL NOTES

Our readers are reminded that Income Tax time is here again, and all persons having an income in excess of certain exemptions should have their returns made by the end of this month.

Don't forget your War Savings Pledge—your dollars are needed in ever-increasing numbers to furnish the tools that will ensure your freedom and overthrow the enemies of democracy.

It has been rumoured that the mud-pouts are biting in the smaller streams—in fact during the past few days some of the local youngsters have returned home with a fairly good catch—small in size, but still mud-pouts—tender and delicious.

Roller skates, skipping ropes, marbles, baseball mitts, tennis rackets, golf clubs and fish poles, have all been seen in the possession of the younger people during the past week—a sure indication that spring is here. Dad, giving the parlour rug its annual flogging out in the back yard, is another suspicious sign.

At this time of year, the Health League of Canada is making a special drive to wipe out diphtheria in Canada. Several Ontario cities are co-operating in a widespread campaign to safeguard children from diphtheria. Through the use of Toxoid, children can be safeguarded. Citizens are urged to consult their family doctor, or see their local medical officer of health.

"Come, then, let us to the task, to the battle and the toil. Each to our part, each to our station, fill the armies, rule the air, pour out the munitions, strangle the U-boats, sweep the mines, plough the land, build the ships, guard the streets, succour the wounded, uplift the downcast and honour the brave. Let us go forward together in all parts of the Empire, in all parts of this Island. There is not a week, nor a day, nor an hour to be lost."—Winston Churchill.

Canadian and American loyalty must be at a low ebb with a certain class of workers, when they will allow themselves to be induced by trade union heads to go on strike at a time when industry is pressed to the limit to meet the demands of war orders. It would appear that many of these trade unions are influenced by Communistic ideals and Nazi elements. If this is true, industrial strikes should not be tolerated. Collective bargaining is alright, when properly conducted, but when strikes interfere with a country's war effort, they should be ruled as unlawful.

From the number of farm auction sales being held in this and other sections of the province, it appears evident that many farmers are disposing of their surplus stock because of the shortage of farm labour. At a time when the Government is calling upon the agricultural industry for increased production, this looks to be serious. With the war industries paying wages all out of proportion to what farmers can afford to pay, no one can blame the working man for leaving the farm. The release of thousands of school pupils from their studies for work on the farms will no doubt help out considerably, but it appears as though something more will have to be done to solve the problem.

(Brockville Recorder & Times)

The Jehovah's Witnesses people must have plenty of money behind them to waste so much on printing literature that houeholders promptly put in the fire after it has been left on their doorsteps.

THE LADIES—PAST AND PRESENT

(Almonte Gazette)

The ladies of today must be slipping. Listen in on their conversation and you will find that at least fifty per cent. of them cannot sleep if they drink strong coffee before retiring. Then think of Catherine The Great, of Russia. She liked coffee, and liked it strong. She drank five cups at a time and the royal chef used one pound for those five cups.

UNDERSTANDING NEEDED

(Chatham News)

There is no doubt that if people of all classes, races and creeds are to live happily and co-operatively in a democracy, they must come to a clear understanding of each other, and they must work together cordially for the common welfare of humanity. Each must stand for the rights of all. Standing aloof and mistrusting each other is one of the surest ways of promoting disunity and strife which strikes at the very vital of the nation.

A GOOD SUGGESTION

(Carleton Place Canadian)

The Essex County Sportsmen's Association, according to an item in The Amherstburg Echo, has forwarded to the fish and game committee of the Ontario Legislature a request to refuse conscientious objectors the right to hunt in the province, and The Echo is in hearty accord, stating that conscientious objectors who refuse to carry arms to help protect Canada in time of war should be refused the privilege of carrying guns at any time or any purpose. It sounds reasonable, too.

THE CHOICE OF BATTLEGROUNDS

(Trenton Courier-Advocate)

Hitler was the great military genius who would never fight a war on two fronts. But that's what Hitler thought. The British and the Greeks and the Slavs and the Croats decided to make him fight where they wanted him to fight. And the choice of battlegrounds is a most important matter in this war. The hills of the Balkans are vastly different from the flat lands of Belgium, France and the Netherlands. And one can imagine what an army well placed in a hill country can do to an attacking force that must reach the hilltops before it can make any headway.

THE SPRING OFFENSIVE

(P. M., New York)

A battle in the Balkans can't lose the war for anyone but Hitler. Theres' no evidence yet that it hasn't been managed smartly by our side, that the British and their Allies haven't made the best of a bad set-up. This is the spirit of 1941 when we knew we had bad news coming to us—when the spring offensive the Nazis had been planning all winter would be launched. But it is also the spring in which every month sees the U. S. A. stronger and able to help. Boy —if there was ever a time of which it could accurately be said: "We haven't begun to fight," this is it.

DYNAMIC LEADERS WANTED

(Sherbrooke Telegram, Que.)

What we need in Canada today is more men of dynamic energy, the intelligent ability and the patriotic ideals of the Right Hon. Richard B. Bennett. We do not go so far as to ask for a National Government. There are men of great ability in the King Cabinet, but they are saddled with too much detail work. Bring in a number of qualified key men and relieve Minister of the necessity of devoting too much time to trivial incidentals. Make a sincere effort to establish an administrative body which would include able men and women regardless of their political views.

READERS MAKE NEWSPAPERS

(Stirling News-Argus)

The local paper in its weekly survey of the happenings of the locality, relies to a great extent upon contact with readers, whose interest, even though not wholly active, has a noteworthy influence upon the character of the weekly issue and the extent of its news coverage. Readers can, with very little effort, materially help in the gathering of the week's happenings for recording in their local paper. The local paper could be made more truly a local weekly newspaper if the public cultivated the habit of informing it of the little happenings which come to their notice, many of which escape the eye of the staff, however watchful they may be.

YOUTH HAS ITS DAY

(Granby Leader)

The status of the young man has entirely changed during the past few years. It is not so long ago that the newspapers were full of the problem of what to do with the young men who were endeavoring to find a place in a world that apparently had no place for them.

Now it is the young man's day when his services are being sought on every hand. A cartoon in recent papers shows a bewildered young man in the centre of calls from all sides, as follows, "The Navy is Calling You! The Army Wants You! The Air Force Need You! Industry needs young men! You are needed at Home! Continue your studies, your country will need professional men now, more than ever! What are you going to do about it!" It is now a problem for the young man to decide between an avalanche of opportunities.

IS IT FAIR?

(Perth Courier)

Says The Winchester Press: "Up in the Leamington district, the people are having it a little easier during the present Canadian War Services campaign. Instead of canvassing the individual citizen for funds, the county council has decided to take care of the county's quota of $25,000. In this way all will contribute through the channels of taxation. A good idea, don't you think?"

And, says The Stirling News-Argus: "Up in Haldimand county the National War Services has been given a grant of $8,350 from the county funds in lieu of a general canvass of the citizens. In this manner everyone paying taxes in the county will be making a donation according to their assessment. The plan looks to be a fair way of handling the matter.

But, is it such a good idea to bounce the entire total of contributions right back onto real estate? Because nearly all county receipts come from taxes on property.

Under the county grant system, property owners pay the whole amount. The man who rents property pays nothing.

But of far greater importance is the fact that the unmarried wage-earner escapes scot-free, is asked for nothing and is not likely to make a contribution unless somebody goes after him or her and seeks it.

A county grant, supplementing other donations within a county is one thing, but it is entirely different, and, we think, unfair to real estate, to place such another burden on property.

After all, one motive behind all these campaigns is to drive home to one and all, especially the younger, carefree element, the need there is, today, for saving, lending and giving and in impressing them also with some real idea of the gravity of the times in which we live.

And the easiest and best way to develop the desired impressions is through their pocket-books or pay envelopes.

THE MIRACLE OF SPRING

O do not say that miracles are past,
When every day the proof is given free,
In bud and flower, that blooms from seed at last,
In fruit and sod, in snow and stately tree.
In note of bird, and in the sun's bright ray,
Surely we see that miracles are found.
But, too—the life we live from day to day,
Proves without doubt that miracles abound.

IF

If I had an aeroplane
I know what I would do,
I'd fly it up to heaven
Across the skies of blue.

And wouldn't it be funny
To see the angels stare?
Because no living pilot
Had ever landed there.

I would see the great white throne,
And bow before the King,
See friends I used to know on earth,
And hear the angels sing.

I'd say good-bye and thank you,
Before I sailed away
Down the starry path to home,
And land out Winchester way.

FRIENDS AN' FISHIN'

A-fishin' on the creek bank
Gives me lots o' room for tho't,
Quite often of the many times
I don't do like I ought;
An' often of the many folks
I know from day to day—
Keep weighin' all their actions
An' keep weighin' what they say.

I can see the noisy riffles
As they chatter on in song,
An' they make me think of people
As they gush their way along;
They may laugh an' they may chatter
But they're shallow just the same—
Tho' they're pretty in the sunlight
Ain't no depths that you can name.

But somehow I like the deeper pools
With water runnin' still,
Swishin' up against the willows
With a restfulness until
My lone heart finds understandin'
An' my soul finds faith an' trust—
Just like steady friends that simply
Make me love 'em 'cause I must.

I know the water's deep an cool
Without ever bein' heard,
An' I know such friends are faithful
Tho' they may not speak a word;
So, the place I like for fishin'
And the friends I like to keep
Is where water an' their friendship
Keep on runnin' still an' deep.

St. Paul's Junior Choir Heard Last Sunday

The Junior Choir, under the leadership of Mrs. Walter Moffat and Miss Clara Irving, organist, occupied the choir loft in St. Paul's Presbyterian Church on Sunday morning, and contributed two special numbers. In the first selection, "Working Together," solo parts were taken by Margaret Murdock, Ruth Watson, Ronald Workman and Jack Wilson, while Misses Sybil Empey and Mona Robertson were heard in a pleasing duet in the second number, entitled: "When You Know Jesus Too."

Mr. MacKay, the pastor, took his morning text from Psalm 65:5: "By terrible things in righteousness wilt Thou answer us, O God of our Salvation, who art the confidence of them that are afar off upon the sea." Emphasizing the power of prayer, Mr. MacKay, explained various ways in which God meets our requests. Sometimes it is necessary for God to answer man's prayers by terrible things in righteousness, which may be the case at the present time when we are praying for victory and peace in the present world conflict, said the pastor. God has his own good reasons for answering prayers in this manner—We are not held altogether guiltless in this war, and it may be necessary for God to make us realize that fact before peace is restored to the world, in answer to our prayers. The horrors of war should teach us that a closer relationship between the people and the Church of Christ is necessary. Mr. MacKay said that he was confident that after this war the people would be drawn closer than ever to Christianity. He urged his hearers to have faith in prayer, and not to be discouraged if God took His own time and method of answering them. He also quoted passages of Scripture to show that what was taking place during the present war was not unlike war conditions of over 2,000 years ago. God answered prayers in those early days by terrible things in righteousness, just as he is compelled to do today, said the pastor.

"Jesus Christ the same yesterday, today and forever," Hebrews 13:8, was the subject of Mr. MacKay's evening sermon. The doctrines preached by Christ, when he was present on the earth 2000 years ago, are as applicable today as they were then, said the pastor. He referred to Christ's Sermon on the Mount as a guide for those who desired to live a true Christian life. Although born of a carpenter's wife, and possessing a meagre education, the teachings of Jesus surpass anything that has ever been handed down to men. Mr. MacKay concurred with the opinions of philosophers that Christ was the wisest and greatest man the world has ever known. He also told his congregation that, during his term as pastor of St. Paul's Church, he intended to preach Jesus Christ—He was the only subject he could preach about—and Jesus was what this troubled world needed today more than anything else.

As a special anthem, the Senior Choir rendered, "The Man From Galilee," at the evening service.

SUNDAY FERRY SERVICE TO BE DISCONTINUED

This year, owing to a restricted business, there is to be a curtailed ferry service at Morrisburg. The curtailment is to find expression in the cutting out of the Sunday boat. This will mean a loss to the ferry company, in view of the fact that Sunday traffic is heaviest, but there seems to be no alternative. The officials at the customs and immigration office, both at Morrisburg and Corrigan's Island, will now have a Sunday rest.

MUSKRAT SEASON CLOSED ON MONDAY

The muskrat trapping season for the United Counties came to an end on Monday, April 21, Fish and Game Overseer Royal Baker announced, following the receipt of a telegram from D. J. Taylor, deputy minister of the Department of Game and Fisheries, Toronto, on Friday.

Trappers report a fair catch of the rats this year, although the number was fewer than usual. Quality of the skins is exceptionally good, and prices as a result were somewhat higher than in past years, when the muskrats were more plentiful.

SPECIAL NOTICE TO DOG OWNERS

The By-Law, governing the keeping of Dogs within the municipality of the Village of Winchester, provides as follows:—

"No dog shall run at large in this village between the 1st of May and the 31st of October, except accompanied by the owner, or some person responsible."

"Any dog found running at large, being vicious or doing damage to person or property, **may be killed** by the village constable."

Any violation of this by-law leaves the owner liable to a fine of not less than $1.00 and not more than $10.00 and costs. This law will be strictly enforced during 1941, so dog-owners are hereby warned to observe the by-law.

HINTS FOR THE HOME

Mildew Hint.

Petroleum ointment will remove mildew from leather furniture.

The Umbrella.

Oil the hinges of the umbrella once in a while, and it will prevent their rusting or breaking.

Egg Substitute.

One teaspoonful of gelatine dissolved in hot milk is a good substitute for two eggs when making puddings or cake.

Avoid Scratches.

Many scratches on table tops can be avoided if pieces of felt are glued on the backs of the pottery, ash-trays, vases, etc.

White Spots on Varnish.

White spots can be removed from varnish by pouring liquid camphor on a small piece of cloth and rubbing on to the spot.

Warts.

Touch the warts with nitrate of silver, or tincture of iodine, or bathe them two or three times a day with strong saleratus water, heating it in by the fire.

To Clean Zinc.

Clean zinc by rubbing carefully with kerosene and polishing with newspapers. This combination of printer's ink and kerosene effectually removes all stains.

Cutting Fresh Cake.

To avoid breaking a tender cake, cut it with a strong silk thread. Hold the thread taut with both hands and pull back and forth, saw fashion, as you cut through the cake.

Brighten Carpets.

Try brightening your carpets by wiping them over entirely with a solution of ammonia and water. It is necessary to wring out the cloth frequently and get a fresh supply of the solution.

Faster Pouring.

When pouring liquid from a can, two holes must be made if any speed is to be acquired. One hole is for the the liquid to pour out and the other is to allow the air in as the liquid comes out.

Using Bluing.

Draw a cloth through the bluing water first to take up any floating particles. Also dissolve the bluing in warm water. Shake the folds out of garments before putting in the bluing water. This will prevent streaks.

Care of Paint Brushes.

Always clean paint brushes thoroughly before putting away. Hardened brushes may be soaked in raw linseed oil for 24 hours and then placed in a pot of benzine. Work the bristles until they are separated, when the paint will soften so that it will wash out.

Waldorf Salad Recipe.

Mix in equal parts celery cut in half-inch pieces, and sour crisp apples cut in slices. Salt and pepper lightly and mix with mayonnaise dressing. Serve on a lettuce leaf in individual salad dishes, or in the salad bowl upon a bed of lettuce or cress.

MAY LIMIT THE SALE OF GASOLINE TO TWO GRADES

Officials at the office of the oil controller for Canada are working out the basis of regulations which would limit the sale of gasoline to two grades.

The two grades which they are now considering are premium and standard classifications, the former to cover gasoline with an octane rating between 75 and 78 and the latter a rating of 64 to 70.

Although the oil controller has power to order such a move, it is expected that the new regulations will be included in order-in-council passed by the various provinces working in co-operation with the controller.

At present three or more grades of motor fuel are sold in Canada.

1. It isn't necessary for him to hold his hat longer than a minute, and not at all if the weather is disagreeable. He should of course lift it when meeting the girl, and again when leaving. It would be presumptuous for a girl to expect a man to stand bareheaded in a snow storm or rain. 2. No; it should be done in the kitchen. Eight Balls of Fire

...and how they can travel!

IF YOU like fireworks, and who doesn't, it's really too bad you can't see what goes on inside that sparkling big Buick FIREBALL eight.

You'd see *each* fuel charge packed tight into a tiny bundle shaped like a flattened ball . . .

You'd see the spark leap, the flame spread, the piston thrust down with extra force as each furious fireball lets go its pent-up wallop.

You'd see all this happening as fast as *thirty times a second* in *each* of those eight cylinders—and we think you'd understand then just *why* there's such a special and exciting satisfaction in the way a Buick travels.

When you've got these eight balls of fire working busily, you really *travel!* You travel farther on every gallon and you travel more pleasurably.

There's a Buick dealer nearby waiting to *show* you how you travel behind a FIREBALL.

CAREFUL THOUGHT!

Due to the tremendous strain caused by sudden bereavement, careful thinking is hindered by increased responsibilities. Because decisions must be made quickly, it is imperative that you have the valuable assistance of a reliable funeral director. We are trying to serve this community as faithfully as we can.

MOUNTAIN

Y. P. U. Social Evening.

The Mountain United Church Y. P. U. held their social evening in the I.O.O.F. Hall on Monday evening. Mr. Kenneth Cameron presided over the business meeting. Miss Leona Jubb, social convenor, had charge of the evening.

During the meeting Mr. Beaupre, principal of Iroquois High School, gave an interesting and instructive illustrated lecture on "A Trip to the Moon."

A sing-song was enjoyed, and a social hour was spent.

The meeting closed with the National Anthem.

Red Cross Meeting.

The regular monthly meeting of the Mountain Township Red Cross was held at Mountain on April 14th. Quotas for work for the Army and the Air Force and the Seamen's comforts were accepted and wool ordered to cover same.

Mulloy's Unit handed in $41.00 as proceeds from canvas and parties held. Mountain Unit was credited with $62.30 as proceeds from Cheese Patrons' luncheon, partly held on Bryan Street, and donations. The meeting closed with the National Anthem.

The following articles were shipped to Toronto:—32 quilts, 2 crib quilts, 18 pairs two-way mitts, 140 pairs socks, 5 pairs seamen's socks, 29 scarves, 2 helmets, 8 pairs gloves, 22 pairs plain mitts, 3 pairs rifle mitts, 4 sweaters, 4 pairs wristlets, 1 turtle neck tuck-in, 1 shoulder wrap, 7 wash cloths, 15 pairs pyjamas, 4 boys' shirts, 10 blouses, 10 jumper dresses.

Miss Helen Jamieson entertained relatives and neighbours Tuesday evening in honour of her brother's birthday, Mr. Chas. B. Jamieson.

NEED MEN FOR FORCES

A call for upward of 116,000 men will be made during the current year to reinforce Canada' armed forces, it was announced recently in a joint radio appeal for recruits by Defence Minister Ralston, Air Minister Power and Navy Minister Macdonald. Their speeches, each of ten minutes' duration, were broadcast over a network of the Canadian Broadcasting Corporation.

Of the manpower required during 1941 the army will absorb up to 72,000, the air force approximately 35,000, and the navy needs about 9,000 officers and men, the Ministers said.

Launching the first public appeal for recruits since the outbreak of war, Colonel Ralston declared that the absence of pressure in the past had probably created an impression that men were not needed.

Under present conditions, the army alone would require between 5,000 and 6,000 every month for active service to fill up units already formed, or to add to them.

MAILS LOST THROUGH ENEMY ACTION

Canadian citizens expecting mail from soldiers or friends in England, mailed during the period 14th to 23rd of March last are advised that there may be considerable delay or perhaps loss, according to a statement released by Postmaster William P. Mullock.

Word has been received that a steamer carrying mail is overdue. The ship was supposed to have left the other side during the last week of March, and was due in Canada around the first week in April. The steamer was carrying 4,261 bags of letters and 403 bags of parcels.

The Canadian Post Office Department is at all times anxious to provide a safe and expeditious mail service between citizens of Canada and military forces and friends in Great Britain, but the above is an example of one of the unavoidable situations which from time to time confront the Postal Service.

"I suppose you are proud of your wife's literary success?" said an intimate friend to the husband of a fairly successful novelist. "Yes," replied he. "Only I wish she wouldn't insist upon making the hero of every novel a tall, athletic man, with wavy hair and piercing blue eyes. Any one can see that I am short, fat, bald and compelled to wear colored glasses!"

Mrs. Herman Summers Honoured By Friends

On Friday evening last about 150 friends and neighbours of Cass Bridge and Winchester gathered at the home of Mrs. Herman Summers, to honour her, prior to her departure for Winchester, where she will reside in future.

During the evening Mrs. Summers was presented with a Bible by Miss Dorothy Coons, on behalf of the Cass Bridge Sunday School, while the following address was read by Mrs. James Patterson:

Dear Mrs. Summers:—

We, the members of Cass Bridge Sunday School, wish to express to you our deep regret of your removal from us. In losing you from our Sunday School we realize we are losing one who has made many direct contributions. You have always been an inspiration to all by your sympathy and interest in the work, your untiring efforts and patience, the efficient manner you have filled the office as teacher for so many years.

We shall miss you, but we know what will be our loss will be others' gain. We ask you to accept this gift as a token of remembrance of the happy hours we spent together.

As you leave us, we assure you our best wishes go with you. Our sincere hope and prayer is that God's richest blessing may come to you.

Signed by Mr. Jas. Patterson, Supt.; Mrs. Jas. Bowman, Mrs. Wm. Link, Mrs. Sherwood Coons.

On behalf of the community, the guest of honour was presented with a set of china dinnerware and other gifts, by Mrs. B. Casselman and Mrs. James Bowman, while an accompanying address was read by Elgin Bowman. The address was as follows:

Dear Mrs. Summers:—

This gathering tonight of your friends and neighbours here is just to show the appreciation we have for a very dear friend. As you are about to leave our midst we feel we are losing one who has been a friend indeed at all times and under all circumstances, and this vacancy will never be filled. I'm sure everyone here has been convinced that the steps of the Good are ordered by the Lord.

In looking back over the years we have spent with you, there is not one but who has availed themselves of your hospitality and friendship in your home on so many and varied occasions.

In our trouble and sorrows we always knew we could depend on you for sympathy and guidance. In our joys and pleasures you again shared these with us gladly.

Since starting our Red Cross Society here, you, Mrs. Summers, have been a very faithful worker. You have shared the responsibilities which are connected with such a worthy task, and in all activities of this community you have given so much of your time.

Since you are leaving our midst, we feel we cannot let this pass without giving you a little remembrance from the people of Cass Bridge and surrounding community, and we sincerely hope you will be guided by the strong Hand of Providence for many years to come.

The moments fly, the days go by
On wings of time, as such things do;
But ne'er can they e'er bear away
From out our hearts, kind thoughts of you.

As a small token of our friendship, we ask you to accept these gifts as a little remembrance from dear friends.

Signed on behalf of the community by Mrs. Bernice Casselman, Mrs. James Bowman.

Mrs. Summers replied to both addresses and thanked her friends for their kindness, after which all joined in singing "For She's A Jolly Good Fellow." The balance of the evening was spent in social intercourse. Following the serving of refreshments, the social evening was closed with the singing of "God Be With You Till We Meet Again."

"BACHELOR OF EDUCATION" DUNDAS DELEGATES PROPOSE

A resolution asking the Department of Education to consider conferring a degree, to be called the "bachelor of education," on elementary school teachers, was brought before the research committee of the Federation of Women Teachers' Association meeting in Toronto last week. The resolution was proposed by the Dundas County delegation. The degree would be conferred on teachers who successfully complete courses suited particularly to the needs and cultural enrichments of the profession. It would be granted teachers who have finished normal school training, three years successful teaching and study in special courses.

HOW TO TELL SEX OF CHICK

Until recently the method of distinguishing male and female chicks of pure bred Barred Plymouth Rocks by sight has been more or less of a haphazard nature, but now an accurate system has been evolved and is used widely by commercial chick experts. "Sex sighting," as it is called, has been reduced to a science. The sexes in a flock of chicks are picked out correctly by the pattern of the white head-spot, leg colour, and the shade of black colour in the down. To the beginner it seems an impossible task, but the Poultry Division, Dominion Experimental Farms Service, has simplified matters by describing and illustrating all the intricacies of the problem in a bulletin, which may be obtained free by writing to the Publicity and Extension Division, Dominion Department of Agriculture, Ottawa.

MRS. F. H. SPROULE RE-ELECTED CHAIRMAN

The Essay Group of the Montreal Branche of the Canadian Authors Association held its closing meeting for the season at the Themis Club, when Mrs. F. H. Sproule was re-elected chairman; Miss Edith M. Luke, honorary secretary; Miss Sophy Elliott, treasurer, and Mrs. Stanley Johnson, hostess.

About twenty-six essays have been read and criticized by different members, and Miss Edith Luke won the $25 prize for her essay on "The Chateau de Ramezay" given by the Antiquarian Society. Miss Cecile Bouchard was chosen, to represent the group, at the annual meeting of the C.A.A. in its membership program.—Montreal Star.

B. Y. P. U. AND SOCIAL EVENING

Ormond Young People journeyed to the home of Mr. and Mrs. W. J. Cumming, newcomers in that vicinity, where they held their regular meeting on Friday evening, April 18th. A brief song service concluded with the singing of "Come and Join our B. Y. P. U."

The younger members of the Union assembled under the direction of Mrs. F. MacDonald, who led them in their study of Mark 14.

Owing to the resignation of Ormond Carkner, Mrs. E. Cumming became leader, and Mrs. A. K. MacDonald assistant leader of the Service Group. Miss Violet MacDonald was appointed Treasurer of the Union.

Mrs. A. K. MacDonald read an Easter excerpt from St. John's gospel and several joined in prayer. The very helpful talk given in the form of a Quiz by Mr. J. C. MacGregor dealt with the many events of Holy Week. Special mention was made of Christ's interest in the individual as in the case of Zaccheus. All joined in singing a hymn and Rev. Augustine closed the period of worship with prayer.

Refreshments were served and a social hour enjoyed. The president, Mrs. H. Carkner, thanked the Cumming family and expressed a wish for them to join in the church's activities.

PITY THE POOR CROW!

From Ottawa to Toronto is only 223 miles "as the crow flies."

But the crow, according to experts in Natural History, flies only 30 miles an hour. Even the swift carrier pigeon makes only 40 miles an hour.

The telephone covers the distance — well, you might say, instantaneously. The sound of your voice, changed to electric waves, travels with the speed of light.

And it's the same between any two cities of the continent. Whether your message is to Halifax, to Vancouver, New York or San Francisco, the telephone makes possible an immense speeding up — distance is hardly a factor any more.

Whether for the great emergencies that war brings, or for every-day business, the telephone meets the need for quick completion of every detail.

Farewell Party Held.

On Thursday evening last a farewell party was held at the home of Mr. and Mrs. Arthur Williams, when about 75 friends and neighbours gathered to honour a life long resident of the community, Mr. Edron Crowder, on the eve of his departure to take up residence at Port Elmsley. About ten o'clock Mr. Crowder was called forward and Rev. S. T. Burman read an address and Mr. Kenneth Guy presented him with a club bag on behalf of the community. Mr. Crowder expressed his heartfelt thanks to all for their kind remembrance of him. All joined in singing "For He's A Jolly Good Fellow," after which lunch was served.

Following is the address:

Dear Mr. Crowder:—

It is with a sense of loss and regret that we, your friends and neighbours, gather on this occasion to bid you farewell on the eve of your departure from our community. You have lived long in our midst and the ties of friendship which bind us have grown strong. As a friend and neighbour you have merited the esteem and respect of all in the community. As a churchman, you have been for many years a trusted officer and pillar in the House of God. We will miss you greatly, not only in the church, but in the Sabbath School will your presence and valued help be missed, where you have faithfully served on the teaching staff. Few have been more faithful or regular in their attendance at the service of worship. However, we are cheered with the thought that our loss will be another's gain. For these reasons, we were loath to let this occasion pass without, in some tangible way, giving expression to our feelings and the regard in which you are held, and this gathering this evening is our way of letting you know just how we feel as you leave us. Therefore, on behalf of the people of Vancamp, we have pleasure in presenting you with this gift as a token of our good wishes for you as you go to your new place of abode. We wish you every blessing in your new home.

METCALFE

Hebert—Bourbonnais.

A pretty wedding took place in St. Catherine's Church at 10 a.m. on Saturday, when Marie Annette Bourbonnais, daughter of Mr. and Mrs. Paul Bourbonnais, was married to Ferdinand Hebert, of St. Catherines, son of Mr. and Mrs. Joseph Hebert, of Vars, Ont.

Rev. M. J. Mooney performed the ceremony. The church organist, Miss Ethel Palmer, presided at the organ and Mrs. Joseph Rowan and Mr. Jas. Rowan were soloists. Easter lilies and spring flowers were used to adorn the church. The bride, who was given in marriage by her father, was attended by her sister, Miss Juliette Bourbonnais, as bridesmaid. Mr. Emile Emard, of Metcalfe, was best man. The bride wore an attractive floor-length gown of Heavenly Blue sheer, over taffeta in the same shade, with full length veil and silver shoes. She carried an arm bouquet of Talisman Roses and Forget-me-nots.

The bridesmaid wore a dress of shell pink sheer over taffeta with matching veil and accessories. She wore a shoulder bouquet of Sunset Roses.

Following the ceremony, wedding breakfast was served to about fifty guests at the home of the bride's parents, and during the evening a reception was held in Metcalfe village.

Mr. and Mrs. Hebert will reside in St. Catherines.

Drama Festival.

The annual Drama Festival, sponsored by Metcalfe Women's Institute, will be held in the Town Hall, Metcalfe, on May 16th. The contestants will compete for the W. I. Shield and the McCormick Memorial Cup. Further information will be published later. Apply to Mrs. W. J. W. Woods for syllabus, which will be available in a few days.

Canada hits her Stride!

With grim determination this young and virile nation dons her armour, buckles on her sword. From coast to coast the tempo of Canada's war effort accelerates. Tanks, planes, shells, foodstuffs, and equipment of every kind are being massed for victory. Canada means business.

Personal sacrifice must match this national effort.

Yours is the duty of providing the dollars so vital to Canada's war needs. Yours is the duty to save. Invest in war savings certificates regularly. Build up your savings account. Save for victory.

Here's Mrs. D. Large's Recipe for SWEET CREAM TEA BISCUITS baked with Robin Hood Flour

YOUR whole family will love the full, nut-like flavour that Robin Hood Flour lends to these delicious Sweet Cream Tea Biscuits! And you'll like working with pure white Robin Hood Flour made from high-grade, sun-ripened wheat. You'll like its elasticity and the way it absorbs your moist ingredients. Uniform—always dependable—and guaranteed to give you *absolute satisfaction* or your money back with an extra 10%.

Ingredients:—4 cups Robin Hood Flour, 1 teaspoon salt (level), 4 rounded teaspoons baking powder, 2 tablespoons sugar, 1¼ cups cold milk, 1¼ cups sweet cream.

Method:—1. Mix together lightly. 2. Have just enough flour on board to roll ¾ in. thick. 3. Cut out and bake on greased tins in hot oven.
(This recipe makes about two dozen biscuits.)

Mrs. Large, of Orangeville, Ontario

Mrs. Large, of Orangeville, Ontario, says, "You get more bread, cakes and pies out of a bag of Robin Hood than with any flour. I enjoy baking and I insist on doing it with Robin Hood."

Sincerely,
Evangeline

FUNERAL OF THE LATE MRS. WM. DICKSON

Impressive tribute was paid to the memory of the late Mrs. Wm. Dickson at the funeral service, which was held in St. Paul's Presbyterian church on Friday afternoon last. Rev. Harry Rodney, of Montreal, conducted the service, assisted by Rev. W. S. Atchison, of the local United Church, and Rev. D. W. Summers, of the Wesleyan Methodist Church. During the service Miss Lillian Bruce and Mrs. Hugh Wilson sang as a duet, "Above The Bright Blue."

Following the service, interment was made in the family plot at Maple Ridge Cemetery. The pall bearers were: Messrs. J. Wm. Jackson, Kemptville; Malcolm C. Smith and George M. Smith, of Watertown, N. Y.; Graham Wells, of Williamsburg, and Morley and Gerald Erratt, of Winchester. All, with the exception of Mr. Wells, were grandsons of the deceased.

Testifying to the high esteem in which the late Mrs. Dickson was held, were the following floral tributes:—

Gates A-Jar—The Family.

Sprays—The Ladies' Aid Society and W. M. S. of St. Paul's Presbyterian Church; Mr. and Mrs. Onlan Coughler; Mr. and Mrs. Ralph Ault, Montreal; Smith & Percy Inc., Watertown, N. Y.; Smith & Percy Inc. Employees, Watertown; Mrs. Jennie Easton, Watertown; Katherine, Malcolm and George Smith, Watertown.

The many relatives and friends who called at the home or attended the funeral were from Montreal, Cornwall, Maxville, Finch, Newington, Gravel Hill, Aultsville, Ventnor, Kemptville and Watertown, N. Y., as well as from Winchester and district.

The late Mrs. Dickson died suddenly on Wednesday morning, April 16th. She was in her 81st year.

LOCAL AND DISTRICT NEWS

Reception For Minister.

The congregation of St. Paul's Presbyterian Church will hold a reception for their new pastor, Mr. MacKay, tomorrow evening. The event will take the form of a social evening with musical program.

School Teacher Engaged.

Miss Winnifred Greer has been engaged as school teacher at Winchester Springs, succeeding Mr. Victor McIntosh, who resigned to accept a position in the Civil Service, Ottawa.

Underwent Operation.

Mr. Harold "Chub" Workman, former resident of this place, underwent an operation for appendicitis at the Sudbury General Hospital a couple of weeks ago. We are pleased to report that he is progressing favourably.

Engagement Announced.

Mr. and Mrs. John A. Erratt announce the engagement of their daughter, Viola Evelyn, to Graham P. Wells, only son of Mr. and Mrs. Durham Wells, Williamsburg. The marriage will take place early in May.

Will Entertain Farmers.

With Walter MacDonald, local Cockshutt-Frost & Wood agent, co-operating, the 100 Club will entertain the farmers of this district at their annual "Farmers' Night" in the town hall tomorrow (Friday). There will be a program of talking pictures, music and contests, also door prize. The event is free to farmers.

Buys Perth Hotel.

J. Hamilton Allen, reeve of Kemptville, has purchased the Revere Hotel in Perth, of which he will assume possession on May 1. He, Mrs. Allen and their son, Gordon, will leave Kemptville shortly and a vacancy in the reeveship will be created. For years Mr. Allen was the proprietor of the Allen Hotel at Kemptville, which was destroyed by fire more than a year ago.

Justus Plant Busy.

With a staff of over twenty men and girls, the plant of the Justus Electric Company is operating at full speed now. Five girls were taken on this week and there is still room for a few more. Increasing orders for metal chests, electric hotplates and rangettes are responsible for the present rush. In order to step up production, the factory is operating 24 hours a day, with a night shift. Mr. W. R. Justus, owner of the plant, informed the Press that he was closing his retail store in the near future, in order to devote his full time to the manufacturing end of his business.

Hens Letter Their Eggs.

A few days ago Mr. James R. Johnston, of Cass Bridge, brought to this office, four eggs, all bearing letters or designs on their tips. The markings were raised and quite legible. On one egg the letter "E" was quite plain; on another the letter "C." With very little imagination one could picture a small map on the third egg, while the fourth had markings which would indicate a hand with a sickle in its grasp. Mrs. Johnston said she had a whole dozen of these marked eggs. Just what the modern hen is up to is beyond us, but even the fowl can be expected to do some peculiar things in this topsy-turvy world at the present time.

Will Hold Special Service.

Sunday next will be observed as St. George's Day at St. Matthias Church here, under instructions of Primate of all Canada.

Will Work at Iroquois.

The local Hydro Electric Power Commission has engaged George VanBridger of Winchester, as electrician. Mr. VanBridger is a skilled electrician, and comes here highly recommended. He will move his family here as soon as he can procure a suitable dwelling.—Iroquois Post.

School Re-Opened Monday.

After enjoying eight days' recess, local school pupils returned to their studies on Monday. A little over two months of intensive work and the term will be over. All there is left to worry about, as far as the students are concerned, is whether or not they will pass their final examinations.

Released From Sanatorium.

Mr. Dodd Mallory, who for the past two years has been a patient at the St. Lawrence Sanatorium, has improved sufficiently to be allowed to return to his home at Glen Walter, east of Cornwall. On Sunday last he was visited by his sister, Mrs. Jesse Walker, Ralph and Pearl, and Mr. Carl Burd.

Red Cross Shipment

Articles sent to National Red Cross headquarters at Toronto by the local Branch of the Red Cross Society on Monday were as follows: For Refugees —20 shirts, 20 pairs of shorts and 20 blazers for boys, 10 years of age; 8 blouses and 11 pairs of slacks for women; 12 layettes. For Soldiers—180 pairs socks, 25 scarves, 10 sleeveless sweaters, 90 pairs mitts, 5 pairs half-mitts, 4 pairs rifle mitts, 3 pairs slotted mitts, 3 pairs gloves, 5 pairs knee warmers, and 4 dozen handkerchiefs.

Drowning Confirmed.

A post mortem examination conducted in Ottawa on Thursday by Dr. W. T. Shirreff, chief coroner for Carleton county, substantiated previous evidence that Miss Madeline ("Madge") Perkins, late of Malakoff, whose body was found in the Rideau river near Kemptville on Wednesday of last week, came to her death by drowning. The body was found in the early morning in about four feet of water on the north side of the river close to the Burritts Rapids—Kemptville highway. Dr. Shirreff decided that no inquest was necessary after he had investigated the circumstances surrounding the girl's death.

Wesleyan Methodist Conference.

The annual Conference of the Wesleyan Methodist connection will convene for its 44th annual session in the Wesleyan Methodist Church of Winchester on Tuesday, April 29, at 7.30 p.m., when the Rev. S. W. Blanchard, of Ottawa, will preach the opening sermon. The Conference will remain in session over May 4th. There will be special speaking every day, and all the services are open to the Public. On Saturday afternoon and evening there will be a Young People's Rally. There will be special speakers and singers at each of these services. Rev. D. W. Summers extends a hearty welcome to all.
