Hockey League May Be Organized

At a meeting of the Town League Hockey Executive and hockey fans, held in the Council Chambers on Monday evening, the prospects of operating a league here this winter were discussed. The league was organized with Gerald Helmer elected president and Herb Watson, secretary-treasurer. Inkerman hockey club was represented by Mr. Lloyd LaPorte, who informed the meeting that a team would again be entered from that place. About all that Winchester can do this year, with the number of players available, is to muster one team. After some discussion, it was decided to extend an invitation to Chesterville and Williamsburg to enter teams—that would make a four-team circuit. Until some definite word is received from these centres, nothing official can be decided upon. There is, however, a strong possibility that the league will operate in some manner, although recent call-ups have taken many of the younger hockey players away from the district. Further announcement will be made later regarding the league's progress.

UNITED COUNTIES MEN ARE NAMED DIRECTORS OF EGG ASSOCIATION

Four United Counties egg producers were elected directors of the Eastern Ontario Egg Stations Association at the organization's annual meeting in Hull, Que., on Thursday last. Named to the executve were: Reginald Helmer, Finch; P. Lafleur, Crysler; D. L. Berry, South Mountain; and A. Dancausse, Apple Hill. Martin Phelan, of Osgoode, was elected president, with P. J. Lalonde, of Vankleek Hill, being chosen as vice president. A. L. Morrison, of Ottawa, is secretary-treasurer.

Addressing the meeting, W. A. Brown, chief of the poultry marketing and production division of the Federal Agricultural Department, said that "Canadian egg producers have a Herculean job on their hands if the export and domestic requirements are to be met in 1943."

Mr. Brown said 2,100,000 cases of eggs represent the minimum required for export, and that domestic consumption was expected to increase by 15 per cent. Endeavors are being made to provide the British Ministry of Food with approximately 1,000,000 more cases in 1943 than in 1942.

Hon. P. M. Dewan, Ontario's Minister of Agrculture, stressed the importance of building up and protecting rural civilization. "Unless there is confidence and a reasonable degree of happiness among our rural people, the rest of the country cannot be in a healthful state," he said.

The minister said registered egg grading stations had been instrumental in getting better quality eggs to market, and that last summer farmers brought 5 to 30 per cent. more grade "A" eggs to the stations than they had done previously.

There always remains to us some duty we are aware of, some kind and loving thing we can do, and by doing which other duties become clearer.

HOW TO MAKE "OLD FASHIONED CHRISTMAS TREATS"

Some old recipes passed down from Civil War days, with which our great grandmothers, despite shortages and substitutes, provided delicious, mouth-melting goodies so important to Christmas cheer, will be found in the Housewife's Food Almanack in The American Weekly with this Sunday's (December 20) issue of The Detroit Sunday Times. Be sure to get The Detroit Sunday Tmes.

MUST GET MOTOR LICENSES BY FEBRUARY 28th

Ontario's 1943 motor vehicle licenses will go on sale January 4th and must be obtained by February 28th, Hon. T. B. McQuesten, Minister of Highways, said on Saturday. He explained that though the term of the 1942 licence has been extended to Feb. 28th as in other provnces, Ontario has found it impossible to accede to the request of the oil controller to alter the term of vehicle permits to coincide with that of gasoline ration coupon books, which are not renewable until March 31. Such a change would have a serious effect on the budget for the current fiscal year, he said

Mountain Cheese Maker Captures Major Awards At Ottawa Last Week

At the Eastern Ontario Export Food Show, held at Ottawa last week, Mr. Kenneth A. Weir, of Mountain, captured all the major prizes and earned the title of Champion of the Season's Workmanship Class. Besides winning the Ottawa Farm Journal Trophy, Mr. Weir was awarded the J. F. Singleton trophy for the highest average score for three cheese in the open classes, and the Lord Elgin Hotel Trophy awarded for the highest scoring cheese in the county classes. Besides these, Mr. Weir won the championship with the highest scoring cheese in the show. He also won in a number of other classes.

Other cheesemakers from this district, who won prizes at the show, were: Percy George, Osgoode; W. B. Reynolds, Brinston; Allen J. Vosbourgh, Hallville; Jas. E. Wynn, Marvelville; J. R. Cameron, South Mountain; Wm. T. Coleman, Hallville; Fred Coyea, Kemptville; R. R. Scharfe, Metcalfe; Arthur Folkard, Vernon, and Roy Cassel, Elma.

In the Egg Classes, the prize winners included Harry Summers, Williamsburg; W. J. Porteous & Sons, Vernon, and Kenmore Egg and Poultry Association.

Women's Institute Held Interesting Meeting

The regular monthly meeting of the Winchester Women's Institute was held at the home of Mrs. Desdemonia Nesbitt with an almost perfect attendance. The following were the outstanding items of the usual business routine: Mr. E. A. Baker, Managing Director of the Canadian National Institute for the Blind, wrote to thank Winchester for its liberal support of this worthy philanthropy. In answer to enquiry concerning certain collections made by two outside canvassers for the Associated Blind, Gerrard Street, Toronto, Mr. Baker wrote as follows: "This is a very restricted group, whose only officers are the President and the Manager who is also Vice President, both blind. The headquarters are in a house owned by the Manager. We know of no services being rendered to any blind people beyond a limited number of five or ten dollar gifts to a selected few who are required, in turn, to provide testimonials. On the strength of these testimonials, two sighted women collectors tour the province and do a personal canvass of private citizens and business men. The commissions for these collections are variously reported from twenty-five to fifty per cent. The Better Business Bureau, of Toronto, Toronto police authorities and the Department of Education have investigated, and to our knowledge definitely do not endorse either the service or the appeal of the group concerned. Many municipalities arrange for the local police to act and to require definite evidence of services being rendered in the area or definite endorsation by some responsible body such as the Provincial Government or the Better Business Bureau. The Provincial Government has had under consideration for some time the question of prohibiting collections by any organization that is not providing bona fide service. I believe this will be the only answer to such unjustifiable appeals to citizens. We appreciate the interest of Winchester Women's Institute and regret that you were bothered by collections on behalf of this organization throughout your campaign."

Letters are being received from recipients of the ditty bags and are very interesting, especially one from a British sailor who completed his service in 1926 and volunteered again for this Second World War. All unite in commending the ditty bags and their contents.

The liaison officer, Mrs. Graham, supplied an interesting booklet entitled "Consumers' News," for each member.

The Women's Institute are sponsoring an excellent comedy entitled "Aunt Tillie Goes To Town," presented under their auspices in Winchester Town Hall, on Tuesday, December 29th, at 8 p.m., by the Matilda Institute Dramatic Group. Admission 25 cents. The public are asked to reserve the above date for an excellent entertainment and to watch for poster announcements. The following ladies volunteered to sell tickets in certain sections of the town: Mrs. W. J. Stewart and Mrs. A. P. Johnston have charge of the north-west section; Mrs. C. Rice and Mrs. Jas. Crummy the south-west; Mrs. Todd and Mrs. R. Workman the north-east; Mrs. Wm. Lannin and Mrs. J. Moffat the south-east.

Mrs. Moffat and Mrs. Steele provided an excellent programme; the former contributed a "Share the Wealth" contest which was highly amusing, and the latter gave a reading on the History of Saint Nicholas. Mrs. Nesbitt gave an excellent history of an "Old Time Christmas," and a reading which was entitled: "An Answer to Kipling's 'Our Lady of the Snows'." Delicious refreshments were served by these ladies, who received a hearty vote of thanks for the enjoyable evening they had given the members of Winchester Women's Institute.

Inkerman Man Fatally Injured

Residents of this district were shocked to learn on Monday morning last that Mr. John Lang, highly respected citizen of Inkerman, had been fatally injured in an auto accident, which occurred on Highway No. 31, about 10 miles south of Ottawa.

Mr. Lang had left his home on Monday morning for Ottawa, where he was working on the construction of a new Government Building on Cartier Square. He was accompanied by Miss Freida Fawcett, daughter of Mr. and Mrs. Wm. Fawcett, Inkerman, and the Misses Vivian and Lorna Timmins, also of the Inkerman district. The girls, all of whom have positions in Ottawa, had spent the week-end at their homes. Miss Fawcett was the only girl to be seriously injured in the accident, and is a patient at the Ottawa General Hospital, where she is reported to be making a satisfactory recovery.

The accident occurred when Mr. Lang's car, travelling north, became involved in a head-on collision with an R. C. A. F. ambulance going in the opposite direction. The crash took place as the car was proceeding down a hill near South Gloucester. The highway at that point was reported to be extremely slippery. Neither the driver of the ambulance, L.A.C. G. Y. Galipeau, nor his companions, A.C.-2 G. A. Amirault and L.A.W. Jessie McLeod, of Uplands Air Station, received injuries.

It was reported that Mr. Lang suffered a severed jugular vein, which caused almost instant death. He was being taken to the hospital when he passed away. An autopsy was performed at Ottawa on Monday afternoon by Dr. M. O. Klotz, pathologist. His findings will be revealed at an inquest which has been ordered by Dr. E. P. Byrne, coroner. The date of inquest has not been set.

The body of the late Mr. Lang was removed to his home at Inkerman, from where the funeral took place yesterday afternoon.

Deceased was 54 years old and had resided in the district all his life. Prior to moving to Inkerman, he farmed at Vancamps, where he was a devoted member of the United Church and for several years was a Sunday School teacher.

Besides his wife, who was the former Miss Mabel Richmyre, he leaves three daughters, Miss Audrey Lang, Reg. N., of Ottawa; Mrs. Allan Ronson, of Mountain; and Miss Norma Lang, at home; also two sons, Chester Lang, Winchester, and Lorne Lang, of Brockville.

Former District Resident Dies In Toronto Hospital

There passed away at the General Hospital, Toronto, on Sunday afternoon, a former well-known resident of this district, in the person of Mr. Elmer Johnston. He had been in ill-health for several months.

Deceased was in his 66th year and was born near Inkerman, a son of the late George Johnston and his wife, Catherine Stirtan, who resides near Cardinal.

When a young man, he was a cheesemaker, later following the trade of carpenter. For several years he resided at Chesterville, and later went to Western Ontario, where he obtained a position with the C. P. R. Following his retirement about six years ago, he took up residence in Toronto.

He is survived by his wife, the former Pearl Hutt, of Inkerman; two sons, Mervyn Johnston, of Allandale, Ont., and Elvin, at home; his mother, Mrs. Catharine Johnston, of Cardinal; two sisters, Mrs. Charles Turner, of Kemptville, and Mrs. George Cass, of Chesterville; and two brothers, Roy and Ross Johnston, of Port Arthur.

The funeral was held from his late residence, 22 Howland Ave., Toronto, on Tuesday.

BEYOND THE SHADOWS

At times a ray of glory seen afar
A vital tide on which Life floats and gleams
And darkness flees before the light of dawn,
The Sun ascends with healing in his beams.
Out of the rut of things, to spaces wide,
Eternal sunshine and a glorious peace,
A cycle new of life—transformed and free,
The great Adventure—when earth's troubles cease.
Somewhere the best in man lives on
"In groves of happiness'" eternal, bright,
Life blossoms endlessly beyond this bourne,
Forever young, in realms of cloudless light.

GOOD HOGS IN WINCHESTER DISTRICT

At the Export Food Show held at Ottawa last Thursday and Friday, Dec. 10th and 11th, there were 62 pairs of Wiltshire sides entered in the bacon competition with only four carcasses picked from Dundas county and all chosen from this district—the producers being Elzie Johnston, Toyes Hill; J. C. Bailey and Harry Holmes, Winchester Springs and William Byers, of Winchester. Mr. Johnston's hog was placed 4th at the show.

All farmers having hogs entered were guests of the various packing plants and they all grasped the opportunity to attend and report a very enjoyable and educational visit.

Among other speakers was J. G. Gardiner, Minister of Agriculture, who emphasized the necessity of producing such hogs as were on exhibit, as Canada is falling short on her contract with Great Britain.

Mrs. Wm. Steele Heads United W. M. Society

A very appropriate programme for the Christmas Season was enjoyed by the members of the W. M .S. when they met in the S. S. Rooms on Thursday afternoon Dec. 10th. Mrs. Jay Nesbitt and her committee of seven ladies, assisted by Mrs. J. D. Stewart, had charge of the programme, with Mrs. E. Steele at the piano.

After a short business session, conducted by the President, Mrs. Wm. Steele, the report of the Nominating Committee was brought in by Mrs. Norman Beach, as follows:

Hon. President, Mrs. Halpenny.
President, Mrs. Wm. Steele.
1st Vice President, Mrs. F. F. Davidson.
2nd Vice President, Mrs. R. Dukelow.
3rd Vice President, Mrs. E. Fennell.

Keyes; Mission Band Supt., Miss Annie Walker; Finance Committee, Mrs. Hughes, Mrs. Lannin. Mrs. John Barrett, Mrs. L. D. Johnston, Mrs. A. Bell.

Letter of Appreciation

To the Editor Winchester Press:

Dear Sir:—On behalf of the Woman's Missionary Auxliary, I wish to thank the Editor and Staff of the Winchester Press for space allotted to that Auxiliary for publication of their meetings, and various activities during the year 1942.

Mrs. A. B. Allison, Sec'y.

HONOR ROLL AND BRITISH FLAG PRESENTED TO ST. PAUL'S CHURCH

At an impressive service in St. Paul's Church on Sunday morning, Rev. Wallace MacKinnon, the minister, received on behalf of the congregation, the British Flag, presented to the Church by the members of St. Paul's Guild, and an Honor Roll, inscribed with the names of the members and adherents of St. Paul's Church who are serving in the armed forces. Receiving these, Mr. MacKinnon said that his prayer was that their presence in the Church should ever be to the glory of God and for the good of mankind.

The anthems, "Guard The Flag," and "Forth To The Fight," were rendered by the choir of St. Paul's Church under the direction of Miss Clara Irving, organist.

Addressing the congregaton, the minister said that he was bringing to them a message from those serving in the Navy, the Army, and the Air Force. "The keynote of this message," he said, "was that those fighting on the sea, on the land, and in the air, could hear amid the roar and clash of battle the music of God's voice sounding in their ears." Concluding his address, Mr. MacKinnon said, that a message such as this from the men of battle should inspire us to give our full measure of devotion t God and to country.

The names inscribed on the Honor Roll were read by Mr. William Watson, a veteran of the Great War. The sympathy of the congregation was extended to Mr. and Mrs. Geo. Wilson whose son, Sgt.-Air Gunner Gordon Wilson, has been listed as "missing, and for official purposes presumed dead."

L. O. L. Elects New Slate of Officers

The annual meetng of L. O. L. No. 862, Winchester, was held in the Orange Hall on Monday evening, Dec. 14th. Wor. Bro. E. M. Shaver, a past Master of the Lodge, presided for the election and installation of officers, which resulted as follows:

Immediate Past Master, Clifford Wylie; Wor. Master, Geo. Robinson; Dep. Master, Geo. Wilson; Chaplain, T. A. Bailey; Rec. Sec., Jas. A. Crawford; Fin. Sec., Samuel Robinson; Treasurer, Clifford Wylie; Marshal, Fred Fawcett; 1st Lecturer, Wm. Leslie; 2nd Lecturer, E. P. Erratt; Committee, L. Bouchard, O. Coughler, L. Boyd, C. Hay, J. McLaughlin; Tyler, N. H. Dixon; Sentinel, Wm. Scott.

Condensary Patrons Want Higher Prices

The Executives of the Chesterville and Brockville Concentrated Milk Producers Assocations met in Chesterville to discuss the low price paid to farmers shipping to condensaries and powdered milk plants.

It was pointed out at the meeting, that the winter price for milk is from ten to fifteen per cent. less than that of last year. This condition, coupled with the scarcity of hired help, the shortage of machinery, the higher costs of production, and the preferred position of labour and the urban consumer, makes the farmers' lot a most difficult one, and the will to keep up production is gone. And the recent reduction in the cost of living, instead of helping the farmer, rather intensfies his difficulties. The farmer must share the cost of the reduction, and his benefit is very small.

Only an increase in the price he receives for his milk, will give the producer a more optimistic outlook at this time, and thus increase his winter producton.

In the past month the condensary patrons in the Chesterville area have sold over one thousand of their ten thousand cows, or over double the number sold in the corresponding period of last year.

A resolution was framed, to be presented to the Wartime Prices and Trade Board, requesting a higher winter price for milk.

ROSEVERE MISSION BAND

Barbara Fennell presded for the last meeting of the year ,held on Wednesday of last week, with Marjorie Crummy as secretary. The worship service, directed by Miss A. Walker, centred around the worship project, and had as its theme the Christmas Story. Mrs. W. J. Stewart conducted the study period, and announced that the allocation was realized.

The officers for the new year are: Hon. President, Mrs. T. O. Keyes; Past Superintendent, Mrs. W. J. Stewart; Past President, Barbara Fennell; Musical Directress, Miss A. Walker; President, Christine Stewart 1st Vice President, June Rowat; 2nd Vice President, Marjorie Crummy; 3rd Vice President, John Corry; Recording Secretary, Dorothy Servage; Corresponding Secretary, Sylvia Corry; Mite Box Secretary, Shirley Raistrick and Sybil Crawford; World Friends' Sec., Marjorie Ault and Barbara Loucks; Strangers' Sec., Nina Bilow and James Lindsay; Peace Sec., Betty O'Neil and Reggie Fetterly; Temperance Sec., Barbara Bolton and Mary McPherson; Convenonrs' Activity and Handiwork, Barbara Fennell, Shirley Worster, Billy Beardsall and Bruce Stienberg.

As the stars are the glory of the sky, so great men are the glory of their country, yea, of the whole earth. The hearts of great men are the stars of earth; and doubtless when one looks down from above upon our planet, these hearts are seen to send forth a silvery light just like the stars of heaven.

CASH PRICE AT THE CAR!

To arrive this week or first part of next week. Bring Bags and a Shovel. Phone in and leave your name and we will call you when the car arrives.

WESTERN OATS

Another car of those Heavy Western Oats on order. Special price from the warehouse while we are unloading.

FEED WESTERN GRAIN

With not enough Millfeeds and other feeds to go around this year, we are fortunate in having a big crop of Western Grain.

We expect to have a good stock of Wheat, Oats and Barley all winter. Any one of these can be supplied either whole, rolled or ground and nothing will suffer for want of feed as long as this supply of Western Grain is available.

The Federal Government pays $4.50 per ton on every ton of Western Grain coming down for feed and also 8 cents per bushel on every bus. of Wheat.

On each 45 ton car of Wheat the government pays $322.50 and every cent of this reduction in cost must be passed on to the man who feeds the grain.

This is done to encourage feeders to turn as much of this Western Grain as they possibly can into pork, cheese and eggs.

Feed this Western Grain. It will help win the war and at the same time give a reasonable return for the labour involved.

AID FOR RUSSIA

The guns rumble 24 hours a day along the lines at Stalingrad, they tear and burn the flesh of Russia's fighting men and women constantly along 2,000 miles of Soviet territory. That front, if transferred to this continent, would extend almost from the Atlantic to the Pacific and cut deep into the most populous provinces of Canada.

The Russian front is, in terms of fighting conditions, the most difficult and largest of the Allied fronts. It is estimated that about 15,000,000 men are engaged on it, and the fighting in Russia's winter conditions is so cruelly hard.

Millions have been wounded on this front, and in the rear, where guerrilla fighters are carrying on the battle, more millions are being shattered every day and night.

Soviet doctors are working tirelessly to repair the damage wrought by Nazi guns. A Russian front-line correspondent has reported that there are times in the height of battle when Soviet surgeons work at operating tables for three days on end. In these 72 hours a surgeon will treat 200 to 250 wounded men.

For the maintenance of these services, to you and I, on so vast a scale, much help is needed. To heal wounds and combat infections, medical supplies are needed. To return men and women to the front and to the factories, food, warm clothing and other supplies are needed in large quantities in the Soviet Union.

This appeal is directed to all Canadians—workers in factories, physicians, surgeons and nurses in the laboratories and clinics, housewives, business men, everyone in Canada who appreciates the significance of the Russian front.

Send your contributions to the Canadian Aid to Russia Fund, 80 King St. W., Toronto. Donations may be deducted from income tax.

CANADA'S OFFICIAL FOOD RULES

Here are Canada's official food rules. The following types and amounts of food should be eaten daily to protect health, according to Nutrition Services, Department of Pensions and National Health. These are the minimum requirements of essential foods; larger amounts should be used if possible.

Milk—Adults, one-half pint. Children, more than one pint. Some cheese should be added when available.

Fruits—One serving of tomatoes, or a citrus fruit, or one serving of tomato or citrus fruit juices, and one serving of other fruits, fresh, canned or dried.

Vegetables—(In addition to potatoes of which one serving is needed daily). Two servings of vegetables, preferably leafy green or yellow, and frequently raw.

Cereals and Bread—One serving of a whole-grain cereal and flour to six slices of Canada Approved bread, brown or white.

Meat, Fish, etc.—One serving a day of meat, fish or meat substitutes. Liver, heart or kidney once a week.

Eggs—At least three or four eggs weekly.

Fish Liver Oils—These oils are essential for children and should be given as recommended by a physician. They may be required by adults.

"IT MIGHT-A BEEN VERSE"

An interesting little booklet entitled, "It Might-a Been Verse," has reached our desk, and to the author, Mr. Harry M. Moore, editor of the Trenton Courier-Advocate, we extend our thanks. The neatly-printed booklet contains 28 original articles, which had previously been published in Uncle Hy's column in the Courier-Advocate, and makes pleasant reading. It is dedicated, says Mr. Moore, to the "many unknown friends who tell me they like this sort of thing." To readers who enjoy a bit of good humour, we suggest they get a copy of this booklet. The price is 25 cents, and copies may be had by writing to the Courier-Advocate, Trenton, Ont. We thoroughly enjoyed reading the brochure and we know you will.

A UNIQUE VERSE

Nazis are furious at the way the Paris-Soir was tricked into printing a poem supposed to be lauding Hitler. It was sent in by an anonymous admirer of the Fuehrer. This poem was printed and read:

"Let us love and admire Chancellor Hitler;
Eternal England is not fit to live.
Curse and eliminate the people across the sea;
Nazidom on earth will be the sole survivor."

But, no sooner was the Paris-Soir on the street until those in the know sliced the poem down the middle and produced these two bits of verse:

Let us love and admire — Chancellor Hitler
Eternal England; — Is not fit to live;
Curse and eliminate — The people across the sea
Nazidom on earth. — Will be the sole survivor.

That burned up the Nazis.

We agree with the man who said: "The reading of a fine book is an interrupted dialogue in which the book speaks and our soul replies . . . The art of reading is in great part that of acquiring a better understanding of life from one's encounters with it in books."

A yearling Holstein bull sold at auction near Brantford for the sum of $14,100. A very good price indeed but far behind the price of $106,000 realized at auction years ago by one of the offspring of Senator Hardy's justly celebrated Holstein cow, the late May Echo Sylvia.—Brockville Recorder.

To the many friends who showed us so much kindness during the days we were confined to our home with a severe case of Mumps, we want to extend our sincere thanks and appreciation. Special thanks is extended to our friend, Mr. Arthur Laurin, editor of the Morrisburg Leader, for the assistance he gave the Press staff in getting out last week's paper.

Commenting on an increase in circulation, the Bridgewater, N. S., Bulletin, remarks: "We take pride in the production of a town paper with so many loyal supporters. There is a real encouragement in such support. What we need now is the use of our advertising space. If you do not have so many lines to sell as formerly, then tighten up your belt and keep your name before the public, with a note of thanksgiving that you are in a land where the worst has not yet approached us." The Press, too, is proud of an increased circulation, and can echo the Bulletin's sentiments to the limit.

. . . — V . . . —

Owing to the pressure of the times in the editorial and mechanical departments, the Gananoque Reporter has been reduced in size from eight to four pages. The Fergus News-Record also had to reduce to four pages owing to paper shortage, the third time in recent weeks. These are some of the disabilities under which newspapers operate these days. All the shortages are not confined to gas, tea, coffee, sugar, etc. With newsprint now being sold according to last year's quota, smaller editions of papers will be published in future. The publshers have been given strict orders to conserve their newsprint.

. . . — V . . . —

We need no coupons for kindness; it's a joy we can share with all. We need no coupons for happiness; that is something we all can install. We need no coupons for courage; it's a wonderful thing for wear, it is rich and lovely and shining, and never gets threadbare.

We need no coupons for honesty, or for doing a good deed. We need no coupons for mercy, and prayer is unrationed and free; and these are the things that will help our hearts to meet any contingency. There will be coupons for sugar and coffee, and for gas to restrict our rides. But the things that are worth while can never be rationed with coupons, you see, for the best things that be in our land are not sold by Government decree.

As winter nears, it might be remembered that the lake sailors, too, are braving a good deal of unpleasant weather to aid the war effort.

GIVE THEM A CHANCE

(Montreal Star)

An Italian newspaper recently stated that the Italian people have got very little out of the war. The Italian people complain that they haven't got out of the war at all.

SERVICE CLUBS AND RELIGION

(Kingston Whig-Standard)

A man's religion is a matter between him and his God, and his spiritual adviser. The fact that our Service Clubs include all faiths is what has made them great. It proves, too, that the religious teachings of all faiths inspire men to good and noble deeds.

NO REASON TO BE PROUD

(Porcupine Advance)

Canada has no reason to be proud of the discrimination shown against soldiers and their familes. Members of parliament travel free on the railroads but soldiers have to foot their own transportation bills. Everybody gets the cost of living bonus but the families of soldiers.

ANOTHER PREDICTION!

(Trenton Courier-Advocate)

We will bet you a silk topper that the Italians will be on our side yet. They can not and will not take the punishment of Royal Air Force bombing, particularly since one of those four ton bombs will kill or destroy everything in a quarter mile radius. (And this information was gleaned from one who knows).

THE MEN ON THE FARMS

(Chatham News)

Young men allotted to farm labor, could be supplied with an insignia, to indicate that they have been ordered to stay on the farm. This would be an effective emblem to show they have not evaded a patriotic duty, and that they are in fact "soildiers" fighting to produce food so necessary for civilians and armies alike.

RURAL VIRTUES

(Chatham News)

When the small town boy leaves that old home town to seek wider horizons, often he is glad to get away from it all, for a while, from its narrowness, from its smugness. The different circumstances of his new existence; he welcomes with almost a fierce joy. When the newness wears off, however, for the first time the youth begins to realize what virtues were possessed by the people he left behind him.

GUESS WHO?

(Brockville Recorder & Times)

It was a Canadian politician—the same who has declared on several occasions that Russia is no longer capable of offering effective resistance to the enemy—who said during the months after Pearl Harbour that the American fleet had gone into hiding. We hope that he has changed his opinion after the successful naval actions in the Southern Pacific and elsewhere but we do not seem to have heard him make any apology to the United States Navy or the American people.

YOU CAN'T RATION A HORSE

(Rockefeller Center Magazine)

This is probably the story to end all stories about sugar rationing, but we like it because it's true. There's a man in the RCA building who lunches every day in one of the Center restaurants. We sat down beside him the other day and saw him carefully pocket the one lump of sugar that came with his coffee. "You see," he explained, "I'm taking it for a horse. It's just a delivery horse but I've becom very much attached to him and every day he looks for a lump of sugar. I can understand sugar rationing, so I can go without it, but the horse wouldn't. He'd think I was mad at him or something."

A PARENTAL IDEA

(Dunnville Chronicle)

Regarding the Dionne's bringing a hairdresser all the way from New York to cut the Quints' hair, and the public criticism it has aroused, the Peterboro Examiner comments:

Was this hairdressing spree a parental idea? If not, whose was it? And is it an example of the kind of thing which would have gone on if the children had been left to the tender care of their parents, instead of enjoying the more austere protection of the Crown? And how exactly did Miss Ogilvie enter the country and return to New York, presumably with a tidy sum of Canadian money? Everything about the quintuplets is interesting, and this is more interestng than usual.

"NOTHING IN THE PAPER"

(Hanover Post)

"There's nothing in the paper," says the man who isn't interested in municipal affairs and local situations of various kinds. He's the man who is looking for the flashy report of some human frailty, and he is one of those persons who looks stupid and utter the smart answer, "I'm not an information bureau," when someone asks him an intelligent and interesting question about his own town or its business.

He yawns, throws his home-town paper aside, and goes down the street to get the news. He hears a distorted story of somebody's prejudiced opinions on the most important question in the community, and wonders why the newspapers didn't have it that way, so it would be worth reading.

The paper that does not reveal some scandal, somebody's error, some depravity, has "nothing in it" for the person that prefers gossip, and knows everybody else's business better than his own.

Ontario Hospital Plays Dual Role

Abandoned Baby Finds New Home

NO CLUE TO PARENTS

It sometimes happens that very young babies, who have been abandoned by their parents, find their way to the Hospital for Sick Children, Toronto. There they are given a thorough medical check-up before being transferred to the organized agencies responsible for the care of such children.

Not long ago a 3-weeks-old baby girl was found late in the evening, crying on the doorstep of a private dwelling. The infant was wrapped in warm clothes and appeared to have had the best of attention. There was no clue as to the parents.

Police were called, and the baby was taken to the Hospital for Sick Children, where she was given a warm welcome by the night staff. "Welcome little sister," said the nurse who took the infant from the coat and two blankets in which it was wrapped. "Kick around and enjoy yourself," the nurse continued, as the little one laughed at her in glee as if she knew she had found a new home.

Who knows what tragic story lies behind this incident. But perhaps it brought some grain of comfort to the mother's heart to know that her little brown-eyed baby was in such capable hands.

How wonderful it would be if every case ended as happily as this one! But all too often there is a sombre side to the story.

For well over half a century the Hospital for Sick Children has been a sanctuary for the sick and crippled children from every part of Ontario. Accident cases; children with deformed backs and limbs; defective eyesight; rare diseases and physical disabilities; all are cared for and nursed back to health, regardless of race, creed or the ability of parents to pay the cost of hospitalization.

Some idea of the immense value and wide scope of this magnificent work may be formed by considering the fact that, during the past year alone over 9,500 sick and crippled children were given treatment in the Public Wards. The Out-Patient Department handled well over 65,000 visits.

Less than five per cent. of the little patients are in the Private Wards, and these are the only ones able to pay the full cost of their care. This means that 414 of the 432 beds in the Hospital are in Public Wards where the cost per patient is approximately $1.50 per day more than the combined income from the patients (or their municipalities) plus the government grant.

This is one reason why the Hospital has a deficit every year despite the fact that operating costs are amongst the lowest in North America for institutions of a similar type, and the services and medical assistance are recognized by the hospital world as outstanding in efficiency.

MANY PROBLEM CASES

In the Public Wards of the Hospital for Sick Children over eighty doctors, many of them leading child specialists, give their services without charge. Fourteen days is the average each public ward patient is treated. But a large number are inmates for weeks—some for months—a few for years because they are problem cases of the most difficult kind.

At all times the Hospital must be ready to meet any emergency. Immediate medical attention is imperative, not only for accident cases, but children with deformed backs and limbs—defective eyesight—rare diseases and physical disabilities must have prompt help also. If it is not forthcoming, permanent disfigurement, deformity or chronic disease is all too often the result.

This worthy institution which accepts its little patients regardless of race, creed or financial circumstances has just started its annual Christmas appeal for funds to meet an unavoidable deficit, and to enable its work to be continued in just as effective a manner as in the past.

This year $138,000 must be raised Government grants have not risen with the tremendously increased costs of the past three years of war. Despite an expense ratio among the lowest in North America for children's hospitals, the difference between our Public Ward rate as authorized by law and their actual outlay, has gone up from $1.25 to considerably more than $1.50 per patient day.

No help is received from the Toronto Federation for Community Service because of the fact that patients are admitted to the Hospital from every part of the Province.

There is dire necessity behind this appeal for help. Little children depend on it for their chance for health. Your gift should be mailed to the Appeal Secretary, The Hospital for Sick Children, 67 College Street, Toronto.

A chance for health and happiness is the greatest possible gift to little children.

Sheldrick—Stanley

A quiet wedding took place at 6 p.m. no Wednesday at the home of Mr. and Mrs. James Stanley, when their youngest daughter, Fanny Letitia, was married to Alfred R. Sheldrick, eldest son of Mr. and Mrs. John Sheldrick, of Metcalfe. Rev. R. R. Strachan, rector of Holy Trinity Church, officiated.

Decorations were in pink and white, with baskets of chrysanthemums and fern used in the living room where the ceremony took place.

Given in marriage by her father, the bride was attended by Mrs. Archie Sheldrick, of Vernon, as matron-of-honor, and Archie Sheldrick, brother of the bridegroom, was best man.

The bride was wearing a street-length dress of teal blue wool sheer, fashioned with V-neckline and bracelet-length sleeves, and having touches of heavy silk applique in matching shade as trimming. Her small felt hat with short veil, and accessories, were in the same color, and a gold locket, valued as a family possession, was worn. A shoulder bouquet of Sweetheart Roses completed her costume.

The matron-of-honor had chosen a day-time frock of maroon lightweight wool with navy hat and accessories, and a corsage bouquet of roses was worn.

After the ceremony, a wedding dinner was served to immediate relatives and later, Mr. and Mrs. Sheldrick left on a brief trip, the bride wearing a tailored black coat trimmed with silver fox.

Reception Held.

On Friday evening a largely attended recepton was held when a programme of music and dancing was enjoyed. They will reside in Metcalfe.

During the week prior to her marriage, Mrs. Sheldrick was guest of honor at a miscellaneous shower held at the home of Mr. and Mrs. F. R. Stanley, with Mrs. Stanley and Mrs. A. R. Boland joint hostesses. Mrs. Sheldrick was also the recipient of a table lamp from members of Holy Trinity Sunday School where she was a valued worker.

Farewell At Cass Bridge.

A number of neighbours and friends gathered at the home of Mr. and Mrs. Donald Kinney on Friday evening to bid farewell to them and their family and to Mrs. Mae Allison, before leaving for their new home. The evening was spent in games and dancing.

At an appropriate time the family was called to the floor, and the following address was read by Mrs. Lorne Hogaboam:

Dear Don, Ruby, and Family, and Mrs. Allison:—

We ,your friends and neighbours, have gathered here this evening to bid farewell. It is with regret that we say these words, as you have always been kind and helpful neighbours, but another community will benefit by our loss. We hope you will be very happy in your new home, but will sometimes pause to think of your many friends here.

Don and Ruby, we ask you to accept this gift, and you, Mrs. Allison, better known to many of us as Mae, we would like to present these little gifts.

We hope you will all be able to come back to renew acquaintances at frequenet intervals in the future.

Signed on behalf of the community by Messrs. Lorne Cooke, Floyd Pemberton and Lorne Hogaboam.

Mr. Graham Pemberton also presented Mr. Billy Kinney wtih a gift.

Mrs. Allison made a suitable reply, as did Mr. Kinney on behalf of his family. Refreshments were served by the ladies.

KARS NEWS

Late Mrs. Harry Dillon

The funeral of the late Mrs. Harry Dillon was held from the home of Mrs. Jas. Butler on Tuesday, Dec. 8, to St. John's Anglican Church. The service was conducted by Rev. L. MacMorrine, assisted by Rev. R. E. Osborne, of North Gower.

Mrs. Dillon, who was in her 42nd year, died in a Brockville hospital on Dec. 7. She was the former Mary Taft, daughter of the late John Wellington Taft and Mrs. Taft, of Kingston.

Besides her husband, Mrs. Dillon is survived by her mother, two sisters and two brothers.

Burial was in the Union Cemetery at Kars.

Kars W. I. Meeting.

The December meeting of Kars W. I. was held at the home of Mrs. Fred Pratt on Thursday evening, Dec. 10. There were 15 members and several visitors present.

The meeting was presided over by Mrs. Jack Craig, assisted by the secretary, Miss E. Drew. Mrs. Craig explained the motto for the month: "What Christmas should mean to me." The roll call was answered by the donation of quilt blocks for a Red Cross quilt. The treasurer reported $46.42 on hand. Christmas cards have been sent to all men in any branch of the services at home or overseas, and also to all shut-ins in the district.

During the evening pins and life members' certificates were presented to Mrs. A. McLeod, Mrs. M. J. Brown and Miss E. Drew.

Plans were made for the next euchre party to be held December 28.

Mrs. Craig and Mrs. Pratt demonstrated the setting of a table for Christmas, and also some Christmas gifts. Carols were sung, with Mrs. W. McLeod as accompanist.

Refreshments were served at the close.

Euchre Party Held.

A progressive euchre was held in the W. I. Hall on Dec. 9th, under the auspices of Kars W. I. Cards were played at 11 tables. Prize winners were: Ladies, 1st, Mrs. B. Taylor; 2nd, Mrs. S. Chambers; gents, 1st, Mr. C. Todd; 2nd Mr. S. Chambers; door prize, ladies, Mrs. Jack White; gents, Orville Rushleau.

Refreshments were in charge of Mrs. A. McLeod, Mrs. D. Kyd and Mrs. Jack Craig and the tables were looked after by Mrs. I. Chartrand, Mrs. R. Dillon, Mrs. D. Duncan and Mss E. Drew.

W. A. and W. M. S. Meetings.

The annual meetings of the W. A. and W. M. S. of Trinity United Church were held in the S. S. Rooms on Thursday, Dec. 10th.

CHRISTMAS AND THE BIRDS

It is said that no peasant in Sweden will sit down with his children to Christmas dinner until he has provided food for the birds. The farmers erect poles in their door-yards to which sheafs of grain are bound, to provide for birds through the season when vegetation is covered with snow and ice.

THE POET'S CORNER

A MERRY CHRISTMAS

Merry Christmas to each one
From early morn 'till set of sun,
Merry Christmas to you all,
Whether you are big or small.

Whether you are young or old,
Greetings to you often told,
I must wish and wish again—
It's a happy old refrain.

May your Christmas be so jolly,
With greens and mistletoe and holly,
With presents and a lot of cheer
And a following happy year.

Merry Christmas to each one
From early morn 'till set of sun,
Merry Christmas to you all,
Whether you are big or small.

—Mary Graham Bonner.

DEAR SANTA

Billy hopes you'll bring a scooter,
Sally wants another doll,
Father's a mind for an easy chair
In which to read and loll,
But me—I'll settle for Victory!

I never saw the like of it
The way the twins can fight!
Santa, you could solve the problem
Why not bring them both a kite?
But me—I'll settle for Victory!

Susan (she's in sixth grade now),
Has tastes much older than her years
If she doesn't get a lipstick, Santa,
Chances are there'll be some tears!
But me—I'll settle for Victory!

Johnny, my big boy, is "over there"
He hasn't written what he'd like
Take care of hm, Santa, as you did
When he was a sassy little tike!
And me?—Well, bring me Victory!

What gift do you s'pose Canada
And all its people from shore to shore
Would ask for if they could have one gift
One worth working and fighting for?
Santa, we'd settle for VICTORY!

"MAIL EARLY" IS REAL NECESSITY

The admonition "Mail Early," is more than a slogan this year; it is an absolute necessity. The impact of wartime conditions upon postal services has been terrific. The volume of mails, which last year reached all-time proportions. still continues to increase and will surpass all previous records this Christmas.

Last year the mailing public failed to repond to postal appeals to mail early and the inevitable result was that on the last couple of days before Christmas, post offices were swamped with a deluge of greetings and cards and it was physically impossible to sort and deliver all Christmas mail before Christmas day.

The post office department offers the following suggestions to the general public to assist in alleviating the last minute rush:

1. Purchase of stamps and obtaining of customs declaratons well in advance of Christmas.
2. Tying letters and cards in bundles, with those for local delivery in a separate bundle from those for out of town.
3. By posting according to the schedule of dates mentioned in a circular distributed at the first of the month.
4. By using cards of ordinary size.
5. By renting of boxes at post offices.

WHITES OF EGGS MAY EFFECT CANCER CURE

A news despatch from Chicago says: A preliminary report that daily drinking of large quantities of whites of eggs has had a beneficiaal effect on three advanced cases of cancer, was made recently by two New York doctors to the Radiological Society of North America.

The report was made by Dr. Ira I. Kaplan and Dr. Milton Zurrow, of the radiation therapy department of Bellevue Hospital, New York. Dr. Kaplan, who read the paper, pointed out in an interview that the experiment produced no claim of a cancer cure.

"The experiment," he said, "merely opens a field for further research and study in the hope of finding something that might be useful in developing a cure for the disease. The duration of the study (three months) and the small number of cases preclude the possibility of definite conclusions."

In a discussion following presentation of the paper, Dr. Lowell S. Goin, of Los Angeles, said the report was based on "inclusive findings." Dr. Robert S. Stone, of San Francisco, stated that "this dissertation would do great dis-service to suffering humanity if it were construed as offering any gleam of hope that the problem of cancer can be solved by diet."

In the treatment, Dr. Kaplan said a chemical called "avidin," contained in the whites of eggs, apparently is the important factor. The theory on which Dr. Kaplan made his egg-white diet experiments is that cancer cells require boitin, a potent B vitamin, and that, because "avidin" is known to destroy the vitamin, the egg whites might serve to starve human cancer.

Dr. Kaplan gave his patients the whites of three dozen eggs daily. They were drunk raw, since cooking destroys the "avidin." Two of the three patients were given X-ray treatments at the same time.

HULBERT W. M. S.

The Hulbert W .M. S. meeting was held in the church there on Dec. 10, and was opened by the president. Roll call was answered by a verse of Scripture. Following the collection and business, the following officers were appointed for 1943:

President, Mrs. Percy Ellis; vice president, Mrs. Elzie Froats; rec. sec., Mrs. Donald Sullivan; cor. sec., Miss Florence Roode; treasurer, Mrs. Hugh McQuaig; Temperance, Mrs. Ira Ellis; Christian Stewardship, Mrs. Christopher Mellan; Community Friendship, Mrs. Lloyd Montgomery; Finance, Mrs. Wesley Flegg and Mrs. Arthur Graham; Supply, Mrs. Calvin Ellis; Associate Helpers, Mrs. Herbert McQuaig; Literature, Miss Florence Roode; Press Reporter, Miss Florence Roode; Mission Band, Mrs. Arthur Morrison and Mrs. Wm. Flegg; Baby Band, Mrs. Lloyd Montgomery; Birthday, Mrs. Wesley Flegg and Mrs. Arthur Graham; Flowers and Sick Committee. Mrs. Jas. Graham; Pianist, Mrs. Clifford McQuaig; Missionary Monthy, Mrs. Elzie Froats.

NEW CONSERVATIVE LEADER IS NATIVE OF LEEDS COUNTY

John Bracken, new leader of the National Progressive Conservative party, is a native of Leeds County where he spent his early life on the farms of his father at Ellisville and Seeley's Bay. As a boy he attended the old brick school house at Ellisville, later going to Brockville, where he attended the old collegiate institute.

A native of Ellisville, he is a descendant of one of the county's oldest families. His great-grandfather, John Bracken, an Englishman, settled there in the early 1800's, in the district which is now Delta. His grandfather, John Bracken, carried on farming in the same district, and his father, E. M. Bracken, whose wife was the former Alberta Gilbert, of Gananoque, set up farming at Ellisville and later at Seeley's Bay.

While attending school at Brockville, Mr. Bracken was an outstanding athlete and took a particular interest in football. In fact he took his sports more seriously than his studies and found himself in difficulties at graduation time. He, however, graduated from the Brockville school. He spent a few years working on his father's farm before attending Guelph agricultural college. Following graduation from the institution, he accepted a position on the teaching staff of the University of Saskatchewan and has been in the west since.

Shortly afterwards the family moved out west also.

An aunt, Mrs. Wesley Stafford, of Seeley's Bay, as well as several cousins, including Dr. C. M. Bracken, of Brockville, reside in this district.

JEWELRY PRODUCTION AFFECTED BY ORDER

Under a recent order of the Wartime Prices and Trade Board, it is provided that after December 31, 1942, no manufacturer shall manufacture any costume jewelry other than pendants, chokers, bracelets, ear-rings and brooches; manufacture any sterling silver toilet ware or silver-plated toilet ware except combs, brushes and mirrors; manufacture any sterling or plated flatware other than knives in one size, forks in one size and spoons in three sizes; nor manufacture any plated flatware in more than two designs approved by the Administrator.

INKERMAN WESLEYAN METHODIST CHURCH NEWS

The Revival Servces, now in their third week, are creating a growing interest throughout the community with the attendance good over Sunday. Rev. George Kelly, Evangelist, from Kingston, has been bringing dynamic messages on poignant Scripture Truths.

Chalk Artist Dwight Jones has been at his very best with inspiring scenes depicted.

Chorus singing, led by Rev. Geo. Kelly, has become one of the attractions of this campaign. Solos, duets and trios were rendered on Sunday by Mrs. Sheldon Robinson, Miss Idena Jones and Mr. Dwight Jones.

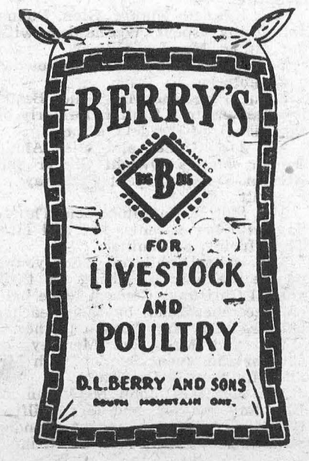
CHEESEMAKERS OPPOSE MILK TESTING TASKS

Meeting at Ottawa, the Eastern Ontario Cheesemakers' Association last week decided to send a resolution to Hon. P. M. Dewan, Ontario Minister of Agriculture, stating that due to war conditions and shortage of labor they cannot handle the testing of milk which goes into the making of cheese.

Members objected to the responsibility for testing the milk being shifted to them by the Eastern Ontario Cheese Producers' Association, which has handled it in the past.

S. L. Joss, of Belleville, secretary-treasurer, of the producers, told the makers that by next spring the producers would not assume the responsibility of testing.

Officers of association elected last were: R. R. Scharf, of Metcalfe, president, succeeding Alcide Chartrand; R. B. Miller, South Mountain, vcie president; Bert Fawcett, Riceville, secretarv.



OBITUARY

LATE ROBERT STEEN

The funeral of the late Robert Steen, of Morewood, was held Friday, December 4th, at his home. Services were conducted by his rector, Rev. J. D. Bradley, of Russell, after which interment was made in the Anglican cemetery.

Mr. Steen was born in Ireland 88 years ago and came to Canada as a young man, accompanied by his wife, the former Jane McGill, and infant son. His wife predeceased him by 20 years.

He leaves to mourn, five sons, Henry, Robert, William and Jacob, of Morewood; and Mack, of Cochrane; three daughters, Minnie, at home; Mrs. H. H. Empey, of Morewood, and Mrs. C. A. Munro, of Chesterville.

Among the floral tributes received by the bereaved family were pieces from the township officers.

W.. P. & TRADE BOARD ORDER CLARIFIED

Belief is expressed by the regional office of the Wartime Prices and Trade Board that certain provisions of the recent order of the Board relating to the commencement, acquisition and expansion of businesses may not be generally understood.

While it is true that in cases of bona fide sale or gift, no obstacle to transfer of existing businesses by their continuance is likely to be presented, it is nevertheless necessary for the new owner to apply for a permit sanctioning such change. Such application may be made to the nearest office of the Board and permits in most cases of this description will be issued immediately.

It is pointed out, however, that such an attitude will not be assumed in regard to the transfer of a business which had to all intents and purposes ceased operations, to an individual who really intended to establish a new business.

Permits for the establishment of new busnesses will be granted very sparingly and only under exceptional conditions. Unless these exceptional conditions exist, the office says there is little use in applying for permits.

FAREWELL AT MELVINS

On Friday evening a surprise party was held by the friends and neighbours of the Melvin Settlement, at the home of Mr. and Mrs. Sherman Christie, in honor of their son, Glenn, who is leaving on Monday to take up his new duties in the bank at Campbellford, Ont.

The evening was pleasantly spent in music and songs until about midnight when Glenn, who had been completely taken by surprise, was called to the floor, and after an appropriate address was read by Mr. Lyle Miller, he was presented with a gold signet ring and utility kit, by Delbert Robinson and Gerald Erratt.

Glenn replied in his quiet, pleasant manner, telling his friends how he would miss them and thanking them for their lovely gifts, after which lunch was served and a very enjoyable evening was brought to a close.

Glenn, who has been employed in a branch of the Bank of Montreal at Chesterville for the past three years, is one of our most popular young men. His absence will be keenly felt, but we know with his pleasant ways he will make friends wherever he goes.

THE MIXING BOWL

LET'S PLAN FOR A "WHITE CHRISTMAS"

Hello Homemakers! Sparkling frost or gleaming white snowbanks put us in a different mood—yes, Christmas is in the air! Holidays are on us all of a sudden. And the happiest spot in all the world at Christmas should be the home.

Candle-lit windows, wreathed doorways, evergreen boughs—there are so many ideas for a home-made Christmas. Decorations can be simple and inexpensive yet lovely—and the whole family can have the fun of helpng.

Let's start at the front door! Tie a big red oilcloth bow or a Christmas wreath on the door. Then the front hall: the children will be delighted to make a vine, with paper poinsettias here and there, to twist down the stairway rail. An archway between rooms makes a grand place for a display of green and red—use one large picture nail at the top and down the sides. The mantel will still be the favourite place to hang your stockings. But 'twill never do to hang precious rayon or lisle hose this year—so make bags or socks of red netting for everyone. Empty thread spools painted red with water paint will hold sprigs of pine upright like little trees for use on tables and window sills. Christmas bells make gay decorations in doorways or hung from chandeliers. Red paper stars can be cut out to spangle your white curtains. Once started, all sorts of bright ideas will come flocking to you.

RECIPES

Christmas Pudding

1-3 cup of butter, 1-4 cup corn syrup, 1-4 cup brown sugar, 2 eggs, 1 1-4 tsps. baking powder, 1-4 tsp. soda, 1-2 tsp. salt, 3-4 tsp. cinnamon, 1-4 tsp. cloves, 1-4 tsp. allspice, 1-4 tsp. mace, 1 1-3 cups flour, 1-2 cup buttermilk, 1 cup chopped seedless raisins, 1-3 cup chopped citron, 1-2 cup chopped nuts (if obtainable).

Cream the butter, add the syrup and sugar gradually and cream thoroughly. Add the eggs and beat well. Mix and sift the baking powder, soda, salt, spices and 1 cup of the flour and add to the first mixture alternately with the buttermilk. Stir in the raisins, citron and nuts which have been mixed with the remaining 1-3 cup of flour. Pour into a greased mold, cover and steam for about 2 hours in well-cooker of electric range. Serve with **Red Currant Sauce** made as follows:

1 egg, 3 tbs. sugar, a few grains of salt, 4 tsps. red currant juice, 1-2 cup whipping cream.

Beat the egg white unitl stiff and add the sugar gradually, beating constantly after each addition. Add the salt and red currant juice. Fold in the beaten egg yolk and the whipped cream. Serves 6 to 8.

Melting Moments.

2 cups sifted pastry flour, 1 tsp. baking soda, 2 tsps. cream of tartar, 3-4 tsp. salt, 1 cup bakng fat, 3-4 cup (lightly packed) brown sugar, 1 egg, 1 tsp. pure vanilla, citron peel.

Measure flour, and add baking soda, cream of tartar and salt. Cream baking fat slightly and gradually blend in brown sugar. Beat and add egg. Sift in dry ingredients, about a third at a time, combining after each addition. Add vanilla. Mix in additional flour, if necessary, to make a dough which may be handled. Roll small portions of mixture into balls and decorate with slices of citron peel and cherries to represent holly. Bake on greased pan in moderate electric oven, about 20 minutes.

TAKE A TIP:

1. The Dominion Power Controller has stated that ornamental lighting wil be permitted Within The Home during the period of December 24th to January 1st, inclusive. "Within the home" does not include lighting of Christmas trees on the front lawn or any decorations not strictly within the house. It does not permit Christmas tree or decorative lighting in stores or any other place except "within the home."

2. Do **not** cover lamps with tissue paper—it may cause a fire.

3. Save eectreity—do not leave Christmas decorative lights on longer than necessary.

4. Living room lights may be turned off while everyone is chatting. Decorative lights will give enough brightness and be much more effective.

NO INCREASE FOR CHEESE ASKED IN 1943

Cheese producers in 1943 are to be called upon for the same production as this year—about 200 million pounds for Ontario, and 65 million pounds for Quebec. These were the goals set before the industry at the Dominion - Provincial agricultural planing conference which met in Ottawa last week.

Ontario delegates, including Agricultural Minister Dewan and Director of Dairying Lackner, were somewhat dubious that this goal could be reached owing to emphasis on butter production, other demands on milk and many factories closing this winter. Mr. Dewan was inclined to consider 94 per cent. of the 1942 production as more probable for next year. Price for 1943 was not discussed at the meeting.

Ontario farmers are to be asked to increase butter production next year by at least 15 per cent. over the present year's make. The increase asked from Quebec is 10 per cent. Prairie Provinces are asked for a larger increase.

Powdered Milk.

Condensed milk production will be decreased next year. It was decided that owing to special circumstances and curtailment of markets this class of milk product could be reduced by 27.2 per cent. A small increase of 4.6 per cent. was asked for evaporated milk while the goal for powdered whole milk is a 40.9 per cent. increase. This latter is almost entirely an Ontario product with production this year around 11 1-2 million pounds, an increase of three million pounds over 1941.

The goal for eggs is a 29 per cent. increase over this year, with Ontario's share of the increase about 15 per cent. over 1942 production.

Hogs To Jump.

The production goal for hogs for 1943 is an increase for the Dominion of 28 per cent. to about eight million hogs. Ontario's share is to be a 20 per cent. increase which, it was felt, could be accomplished. Quebec is being asked to increase hog production by 25 per cent. In sheep, Ontario farmers will be asked to increase marketings next year by 20 per cent., an objective which it is felt can be reached with considerable ease. Ten per cent. more beef cattle are being asked from Ontario.

More Feed Grains.

In the feed crops the emphasis next year will be on greater production of oats, barley, hay and clover, alfalfa, with a corresponding decrease in wheat acreage. The increase will generally come from the west. Largest increase asked is 17 per cent. more alfalfa, largely to increase the supply of protein cattle feed.

In flax the increase being asked of al Canada is 67.6 per cent., and in soy beans 42 per cent. They will want about 10.7 per cent. more potatoes next year.

Fishermen's Trophies Announced

Unusually large fish took prizes in the Morley E. MacKenzie Angling Contest this year, according to reports released by Mr. MacKenzie, of Toronto, this week. The contest, the largest held in Canada, had prize winners in small mouth black bass, muskellunge, speckled trout caught by bait and by fly, lake trout, pickerel (wall-eyed pike) and Pike. Canadians and residents of the United States divided the honors equally, with four first prizes going to each.

Toughest "break" of the year was that suffered by H. A. Lyke, Oconomowoc, Wisc., who took the second prize for speckled trout last year with a square-tail weighing seven pounds three ounces, taken from Lake Nipigon on the fly. Mr. Lyke returned to that section again this year and caught what undoubtedly was the largest fish of its type in Ontario this year — another lunker weighing nine pounds six ounces, with a girth of 16 inches and a length of 25. Conditions of the contest required that photographs of fish entered must be received before the judge's decisions are made, and for some reason Mr. Lyke did not comply with the requirement. Accordingly his entry was disqualified and major honors went to Charles H. Mullan, Sioux City, Iowa, with a trout weighing seven pounds 15 ozs. in the fly class, while an eight pound one ounce fish fell to the rod of John C. Bell, Washington, D. C., who took the bait class award.

Lake Nipigon and the Nipigon River, which includes undoubtedly the world's greatest speckled trout water, provided both winners and both runners-up for that species this year.

For the first time, northern Muskellunge waters failed to score in the contest for these tigers. A 38-lb. fish taken by Dr. James D. Chessrown, Youngstown, Ohio, took major honors. It was caught in the Trent River, while second place went to Amedee Larin's 35 pound eight and one quarter ounce fish caught in the St. Lawrence River—both in Eastern Ontario waters.

Complete results of the contest, as announced by Mr. MacKenzie today, follow:

Prize Winners, 1942.

Small Mouth Black Bass—Silver Cup to Mr. John Metivier, of Toronto, Ont. Bass weighing six pounds four ounces, and caught in Frenchman's Bay, Ont.; and runner-up prize to Mr. Angus B. Wallace, of Orillia, Ont., Bass weighing six pounds, and caught in Big Wilson Lake, Parry Sound, Ontario.

Muskellunge—Silver Cup to Dr. J. D. Chessrown, of Youngstown, Ohio, Muskellunge weighing thirty-eight pounds, and caught at Taite's Lodge, Trent River, Ont.; and runner-up prize to Mr. Amedee Larin, of Cornwall, Ont., Muskellunge weighing thirty-five pounds, eight and one-quarter ounces, and caught in the St. Lawrence River, Ont.

Speckled Trout—by Bait—Silver Cup to Mr. John C. Bell, of Washington, D. C., Trout weighing eight pounds, one ounce, and caught in Lake Nipigon, Ontario; and runner-up prize to Mr. Lorne Foster, of Geraldton, Ont., Trout weighing seven pounds, two ounces, and caught in Virgin Falls, Nipigon River, Ont.

Speckled Trout—by Fly—Silver Cup to Mr. Charles H. Mullan, of Sioux City, Iowa, Trout weighing seven pounds, fifteen ounces, and caught in the Nipigon River, Ont.; and runner-up prize to Mr. Bill McCollum, of Fort William, Ont., Trout weighing seven pounds, eight ounces, and caught in Lake Nipigon, Ont.

Lake Trout—Silver Cup to Mr. Willis Waukay, of Cape Croker, Ont., Trout weighing thirty-six pounds, four ounces, and caught off Cape Croker, Georgian Bay, Ont.; and runner-up prize to Mr. A. K. Lassila, of Port Arthur, Ont., Trout weighing thirty-two pounds, and caught in Lake Superior, Ont.

Pickerel—Silver Cup to Flying Officer A. R. Bennett, of Toronto, Ont., Pickerel weighing eleven pounds, and caught in Sequin River, Hurdville, Ont.

Pike—Silver Cup to Mr. Martin S. Gabler, Jamestown, N. Y., Pike weighing twenty-two pounds, and caught at Callander Bay, Ont.; and runner-up prize to Miss Peggy M. Flinn, of Toronto, Ont., Pike weighing fourteen pounds, and caught in the St. Lawrence River, near Brockville, Ont.

DECEMBER DREAMS

The village roofs gleam brightly
Beneath the mantling snow,
The smoke-wreaths curl above them
The lake's calm waters show
Pictures of warm robed cedars,
And trees all gaunt and gray,
That all along the shore-lne
Like sentinels guard the way.

The morn is calm and silent,
The meadows brown and sere,
And o'er the heart comes surging
The dreams of yester year,
When December snows brought visions
Of sports 'mid ice and snow—
The winter winds a challenge
In the days of long ago.

And through the throbbing mystery
Of this December morn,
Old longings and ambitions
Are in the heart re-born;
And in dreams we hear the tidings
By herald angels sung,
While the happy Christmas spirit
Makes all the old world young.

MODERN ETIQUETTE

.1 Should one express a choice of food when the host or hostess requests it?

2. Is it correct to sign a letter with the initials only?

3. Should a girl secretary ever discuss her employer's affairs with others, outside the office and at home?

4. When a bride has received a gift from the office force, consisting of perhaps a hundred employees, how should she acknowledge it?

5. Is it all rgiht to use the doll's size butter plates?

6. What would be the correct phrase to use when introducing two ladies?

Answers

1. Yes. When requested, it is much better to state any preference rather than say, "Anything at all." 2. When writing a note to an intimate friend, this is permissible, but the usual letter should always be signed with the full name. 3. Never. Anything that concerns her employer's affairs should never be discussed. That is one of the fundamental things an efficient and competent secretary will respect. 4. Write a personal letter of thanks to her employer, or the chief clerk, or the person she knows had charge of the contributin towards the gift, asking this person to thank the others. 5. No; these have been superseded by the bread and butter plates, which are about five and a half to six and a half inches in diameter, and are placed at the left side of each plate just above the forks. 6. "Miss Allen (the elder), may I introduce Miss Adams (the younger)."

Mother and father were discussing the present-day situation, war rationing, etc.

Little Tommy sat listening and looking very thoughtful. At last he exclaimed: "Muvver, do you think they will ration the soap?"

Large hatcheries, and also large and small farms, furnish statements showing that hens fed on **"Miracle" Hatching Mash** (or home mash made with **"Miracle" Hatching Mash Supplement**) for a month before eggs are incubated give a remarkable percentage of hatch—often from 75 to 85% of the eggs set. This large increase over results of usual feeds means more chicks per dollar of feed and hatching cost. You can get these results if you use

LOCAL AND DISTRICT NEWS

Passes Examinations.

L.A.C. Basil Dawley, of the R. C. A. F., Clinton, was successful in passing his exams recently, and is now a qualified Radio Mechanic.

A Correction!

In the report of St. Paul's W. M. S., published in last week's Press, the Mission Band Leaders should have read: "Mrs. H. Wilson and Mrs. Wilfred McKercher."

Legion Card Party.

There was a good attendance at the Legion Card Party, hed in the Legion Club Rooms last Friday evening. The prize winners at Euchre were Mrs. Mary Bowden and Reginald Workman, and for Bridge, Mrs. Jas. Crummy and Mr. Floyd Armstrong.

Shot Big Owl.

Mr. Don. MacLean, of the Ormond district, was displaying a big white owl on Tuesday evening, which he shot near his home that afternoon. He brought the majestic bird down with a .22 short bullet, which he fired from a distance of 210 yards, and that's fairly good shooting. The owl had a wing spread of 4 1-2 feet, and Don. says "that's one owl that will not kill any more hens."

Transferred To Montreal.

Mr. Ed. Boyd, who for the past several months, has been a member of the Royal Bank Staff at Pembroke, has been transferred to a branch of the bank at Montreal, and took over his duties there yesterday. He spent the week-end with his parents, Mr. and Mrs. W. J. L. Boyd, and had as his guest, a fellow-banker, Mr. Garth Poff, of Pembroke.

Bereaved of Brother.

Mr. Charles Jamieson and Miss Helen Jamieson, of Nation Valley, were bereaved of their brother, Mr. William Ernest Jamieson, who passed away at his home at Yorkton, Sask., on Friday last. Deceased was in his 5th year. The funeral is being held from the Jamieson home at Nation Valley this afternoon at 2 p.m. Interment at Maple Ridge Cemetery. A full obituary will be published next week.

Bus Schedule Changes.

The recent alterations in the schedule of the Colonial Coach Lines does not affect Winchester to any great extent. The morning bus going to Ottawa leaves at 10 a.m, instead of 9.45, and returns each evening at the usual time, 7.15 p.m. This service is daily, except Sunday and holidays, when the bus leaves here for Ottawa at 7.15 p.m. and returns at 10 p.m. Note the time on Sunday evening is 15 minutes earlier. The Sunday schedule will apply to Christmas Day and New Year's Day —no morning bus. Heretofore, there were four busses running on Saturday, two to Ottawa and two to Cornwall. There is now only two, the same as other week days.

Reports For Military Service.

Mr. Dalton Kenney, son of Mr. and Mrs. Sam Kenney, left on Tuesday for Ottawa, to report for military training. He had been an employee of Henderson's Dairy for the past several months.

Will Give Poetical Recital.

Mrs. Dorothy Sproule, Montreal Poetess, and a former citizen of Winchester, will give a recital of Christmas Poems over radio station CFCF, Montreal, at 9 p.m., on Saturday evening of this week.

Patient In Hospital.

Mr. Lloyd Merkley, of Nation Valley, is a patient in Cornwall General Hospital, where he underwent an operation a few days ago. His many friends will wish him a speedy and complete recovery.

Recovering Satisfactorily.

The many friends of Mrs. Manley Halliday will be pleased to learn that she is making a satisfactory recovery, following a serious operation, which she underwent at the Brockville General Hospital, recently.

Wins Turkey In Draw.

Mr. Gordon Gibson was the winner of the Turkey, which was drawn for during the Red Cross Moving Pcture Show in the town hall on Thursday night last. The turkey was donated to the local Red Cross Society by Mr. Louis Weiner, and proceeds from the sale of tickets on the fowl amounted to over $35.00.

Busy Flooding Rink.

Flooding operations are going on at the local arena and if cold weather continues, it is expected there may be skating by Christmas. As there is no band available for providing music this year, the directors are having a loud-speaking system installed to amplify music from an electric phonograph. Season tickets are now on sale at Flora's Store, at same prices as last year.

Ice is also being made in the local Curling Rink and curlers are anticipating another enjoyable season. Membership tickets are now available.

Cheese Production Up.

Cheddar cheese production in Leeds, Grenville and Dundas counties again increased during November, according to the Ontario Department of Agriculture. In Leeds it rose from 477,521 to 533,699 lbs.; in Grenville rfom 170,293 to 215,310 lbs., and in Dundas from 356,485 to 487,767 lbs. Creamery butter production in Leeds also increased from 12,018 to 14,981 lbs., but it fell off in Grenville from 17,786 to 13,424 lbs. Dundas county made 2,170 lbs. of butter. Butter production gains were also reported in Lanark and Renfrew counties, the Eastern Ontario make for the month increasing from 377,321 to 396,510 lbs.

RECORD OF RATION BOOKS CAREFULLY KEPT

Although the holders of ration books may not realize it, careful record is kept of every one of them in the ration offices serving the territory in which they reside, and genuine interest is felt by members of the records staff when word comes to them from book-holders that they have been married and thus changed their names and often their addresses or that there has been an addition to their families, a circumstance which calls for the issue of another ration book bearing the name, address and age of the new arrival.

It has been experienced in the ration offices that the reporting of births is rarely neglected. Brides in some cases, however, put off reporting their marriages, and next of kin are not always so prompt or careful as they might be about notifying the authorities of deaths which take place.

The ration offices further report that there are fewer instances of ration books havng been lost than there were during the earlier stages of rationing. This is taken as meaning that closer watch is being kept upon the books. It is also noted that more people are now able to report the numbers of books which have been lost or destroyed, thus indicating that the advice to mark down such numbers is being generally followed.

Having to keep track of the rationing of some hundreds of thousands of people living throughout Eastern Ontario is rather a laborious business, but ration office staffs are occasionally able to extract interest and even entertainment from the communications which reach them.
