Hydro increases 9.4%

CHESTERVILLE (Staff) - A 9.4 per cent Hydro rate increase will provide another incentive for "switching off" in Chesterville in the new year.

Effective Jan. 1, 1979, the increase is due to Ontario Hydro's 9.8 per cent province-wide rate hike to municipal utilities. The increase, in turn, is passed on to the consumer and will appear on the March billing.

The increase is not uniform, however, and depends on area power consumption. Rural areas surrounding Chesterville, for instance, will have to pay only seven per cent more because their power usage is less than that of larger municipalities.

Ontario Hydro consumer service supervisor Stan Dafoe listed three major factors contributing to the rate hike.

First, the cost of fuel has risen steeply in the past four years, he said, especially coal which has almost doubled in price.

Labor costs, too, have climbed, he added, and the cost of borrowing money to build two new nuclear-reactors at the Bruce Generating Station is also reflected in the 9.8 per cent increase.

Mr. Dafoe predicts continuous yearly increases. These will vary according to the power corporations annual expenses, he said.

Last year Chesterville Hydro increased its rates 4.9 per cent - just over half of the 1978 increase. Still, Chesterville clerk-treasurer Gary Thompson said Chesterville Hydro will only be breaking even. It is currently $7,000 in the red, with revenue going to maintenance and installation of a third feeder line in the village as well as to energy. Nevertheless Mr. Thompson is not worried.

"Hopefully at 9.4 per cent we'll recover that $7,000," he said.

DuVall gets job full-time

OSNABRUCK CENTRE (Staff) - After almost nine months of job uncertainty Osnabruck Township recreation director Joe DuVall has not only attained permanent status but has received a salary increase.

After passing a resolution Dec. 12 to hire a recreation director on a permanent basis Osnabruck Township council negotiated a salary adjustment with Mr. DuVall. He has unofficially accepted an extra $1,100 supplement raising his annual salary to $10,200 from $9,100. His car allowance will also be augmented to $65 from $50 a month.

Mr. DuVall expects to sign the one-year contract in mid-January making the agreement official. He is already planning 1979's programs in an effort to determine this year's recreation budget.

"Now it's up to me to prove that I'm worthy of it (my job)" quipped the recreation director.

Since being hired last spring, Mr. DuVall has worked without a permanent contract. The former council promised him a decision on his job status in September but postponed it. The delay caused some public concern and, as a result, the recreation director's position became an election issue.

Within a month of taking office, the new council decided to make the job permanent and negotiated a salary with Mr. DuVall.

Holmes outlines plans

MAPLE RIDGE (Staff) - ovincial spending restraints e expected to "stifle our efforts little bit" but won't be tight nough to straight jacket Winchester Township's programs in 979, according to newly-elected eeve Gerald Holmes.

Commenting on what the new year holds in store for the municipality, Mr. Holmes said the reduction in the level of provincial grant increases will offset in Winchester Township by increased assessment which will yield more tax revenues. Provincial grants are expected to be increased five per cent this year, down from the six per cent they were increased in 1978.

"But we'll still have to tighten our purse strings all along the line," Mr. Holmes said.

There has been no discussion yet with the rest of council on Mr. Holmes' proposal to increase the nill rate so that extra road work can be carried out this year. In his inaugural address, Mr. Holmes outlined a plan to increase taxes by one or two mills and to spend this on roads in hopes that in a year or two the province would notice the higher municipal road budget and increases its subsidies accordingly.

The reeve said the plan had worked in other municipalities and he wanted to try it out in Winchester Township.

"I'm hoping this works out but we've had no discussion on it yet and I'm not really in a position to comment on it," Mr. Holmes said Tuesday.

One thing council has discussed is Mr. Holmes' proposal to implement an interim tax payment in March to prevent the township from having to borrow money at high interest rates to tide it over when the first installment of school taxes come due.

Mr. Holmes said he expected to see the plan adopted at last night's (Wednesday's) council meeting. "Council has been very receptive to the idea so far," he said.

Kostuch Engineering Limited is expected to present its preliminary report on the replacement of the Ormond Bridge within the next few days.

With the presentation of the design for the new bridge, part of one of Mr. Holmes' campaign promises will have been realized.

Mr. Holmes said although it is too early yet to talk about the 1979 budget, the eight-per-cent raise in municipal salaries expected to be adopted at Wednesday night's meeting could be accomodated without raising taxes this year.

Holding the line in seventy-nine

OSNABRUCK CENTRE (Staff) - One of Osnabruck Township reeve Stewart Hart's New Year's resolution is to "hold the line" on municipal spending.

Referring specifically to a promise made by former council members during the fall election campaign, to build a new municipal office, Mr. Hart is doubtful his newly-elected council will approve such a construction.

"Two hundred thousand dollars is a lot of money to spend on a municipal office," he stated, adding, "council does not want to spend extravagantly." If more space is needed he says he would prefer a cheaper alternative - namely renovation of the present offices.

His desire to minimize spending goes hand in hand with his concern to communicate with his constituents. In order to avoid a battle similar to the one between the past council and Ingleside residents last spring over the controversial $250 water levy, the reeve intends to consult Ingleside ratepayers before installing sewers in the coming year.

In an effort to "get back to the people," he agreed with councillor Frances Bird's

Helping to keep resolute

Staff) - Having trouble already eeping that New Year's esolution to give up smoking?

Does just the thought of being ble to light up one more butt quicken your heartbeat a little? Are you cross, irritable and suffering from sweaty palms? Are you watching the inches pile on as a result of constant raiding of the refrigerator?

Cheer up - we know just how you feel. And so do members of the Chesterville Women's Institute who in conjunction with the Eastern Counties Lung Association will be sponsoring a do-it-yourself quit smoking course at the Senior Citizen Drop-In Centre at 7:30pm Tues., Jan. 16.

The course, open to everyone and with no admission charge, is designed to provide smokers with all the necessary ideas to work their way through the quitting process on their own or with friends. It will prepare them for quitting, telling them how to quit and giving positive, personal reasons to stay on the wagon.

Those who attend will be given a 44-page booklet prepared by the Ontaro Lung Association and showing how the nicotine habit can gradually be decreased. There will be a movie on the dangers of smoking and lectures will be delivered by Dr. D. Flowers of Winchester on the medical aspects of cigarette smoking; a Cornwall psychiatrist, and by Miss M. Charleson, dietician at Winchester District Memorial Hospital, who will talk on ways of keeping the waistline from ballooning while the lungs are being flushed out.

Margaret Alexander of the Eastern Counties Lung Association describes the course as one of the association's ways of putting the money it receives through its Christmas Seal campaign back to work in the community.

The stop smoking campaign is a prelude in this area to the the National Education Week on Smoking, which will be observed Jan. 21-27.

It's been told to the point of nausea, but the fact remains that cigarette smoking is one of the leading causes of death today. According to the lung association, every year over 90,000 Canadians die from cigarette-related diseases. Two of the major lung diseases that lead to death or disability are chronic bronchitis and emphysema, both caused primarily by cigarette smoking.

According to "smoking cessation consultant" Marie Tracy, who prepared the course. smoking is a learned behaviour which through years of repetition becomes a habit and evolves into a behavior, sometimes so ingrained it represents part of the smoker's personality. This, the consultant says, explains the apprehension experienced by so many smokers as they attempt to give up cigarette smoking.

The Tracy course is divided into three stages.

The first stage is designed to prepare the smoker for quitting and projects are outlined to give an insight into the complexities of the personal habits that have sprung up around smoking.

"You will reduce robot smoking and you will understand more about why you smoke. Each part of the program can be followed at your own pace," Miss Tracy says.

The second stage is designed "to let you take control and stop smoking." This includes how-to materials on dealing with cravings, coping with withdrawals and preventing weight gains.

The third stage is a mixture of thought-provoking questions to help the smoker size up his or her future without cigarettes.

Ag. Soc. annual Jan. 20

(Staff) - The Chesterville and District Agricultural Society will hold its annual dinner meeting in the dining hall of Trinity United Church at noon, Sat., Jan. 20. Tickets, at $4 a person, are available from secretary Doreen McMillan or from the directors.

Safe time on holiday roads

(Staff) - Christmas and New Year's were unexpectedly peaceful on the roads for local police detachments. Apart from numerous ditched cars as a result of 30 centimetres of snow Dec. 25 the number of accidents was minimal and incidents of impaired driving were few. In fact, Long Sault OPP boasted no reports of impaired drivers and Morrisburg OPP recorded only two drivers under the influence of an unacceptable level of alcohol. Corporal Lyon, Winchester OPP, reporting three counts of drivers with more than .08 per cent alcohol in their bloodstream, considered this Christmas an excellent one in terms of safe driving.

$3,000 short of goal

(Staff) — With a month to go in its Christmas Seal Campaign, the Eastern Counties Lung Association is still $3,000 short of its 1978 goal of $30,000. Any resident of the five eastern counties who hasn't yet sent in a donation is urged to do so before the end of January. Funds from the Christmas Seal campaign are used to fight Canada's fastest growing group of diseases - lung diseases such as emphysema, asthma and chronic bronchitis. Success in the fight against these diseases is a matter of life and breath, the lung association states.

Council meets Mon., Jan. 8

(Staff) - Because of the New Year's holiday, the first meeting of Chesterville Village Council has been postponed until the evening of Mon., Jan. 8. Council will meet in the municipal offices at 7pm.

proposal to hold advertised meetings twice a month. Before it can confirm its own meeting dates, however, council must wait for the dates of Counties' Council and other obligatory meetings to be established.

Zoning by-laws may come into effect in the next year also said the reeve. The subject has been discussed for a number of years, he stated, but once newer council members have studied the proposals he predicts no further delay.

Repaving township roads is an ongoing project as well, continued the reeve, and he hopes to maintain the annual average of completing 2-2½ miles.

Counties ask co-operation in clearing roads

CORNWALL (Special) - The United Counties have experienced the beginning of winter and its road crews are once again assigned the task of providing the travelling public with winter driving conditions consistent with the traffic needs. "Our objective is to keep all our roads plowed, and most of the paved roads salted centre bare," says county engineer D.J. McDonald.

Winter maintenance accounts for approximately 45 per cent of the counties' normal maintenance expenditures. In one season, between $555,000 and $600,000 will be spent maintaining 444 miles of raod. It costs $5.75 to plow and $8.80 to salt each mile of road once, Mr. McDonald says.

In order to aid the Counties' forces, your assistance and understanding is requested.

"If your mail box has been subject to damage (usually from thrown snow), a box suspended from an arm extending out from a well set back post may be the answer. Our operators favor this arrangement as it permits them to wing the snow back under the box without danger of damaging either the box, post or equipment. Indirectly, the box owner benefits because he rarely has to shovel out around his box to receive mail.

"If you push or blow your driveway clear, the counties ask that it not be blown or pushed onto or across the road. The trail of snow inevitably left causes bumps and slippery spots on the road occurances that are a hazard to your fellow road users.

"Finally, parking on road allowances so that snow clearing is affected is an offence under the Highway Traffic Act. We ask that you consider the road crews and their efforts to provide a wide, passable, cleared road when parking overnight.

"The Roads Department's 43 maintenance personnel ask your understanding and consideration and wish you safe driving this winter," Mr. McDonald says.

St. John Ambulance says there are priorities in First Aid. First make sure a casualty is breathing, stop severe bleeding, treat for shock, then treat burns and bone injuries.

THANK-YOU

Dear Friends - I want to take this opportunity to say thanks to all my friends and neighbours from Morewood, Chesterville and Winchester for the lovely surprise party held in the hall in Morewood on my 90th birthday. I must say I spent a most wonderful and happy afternoon with so many old friends and some new ones. I also want to thank my friends in Kemptville who came to my home with gifts and cards. It was all very much appreciated and at 90 I may not be around long to remember it but while I am still around, it will never be forgotten. I also wish to say thanks to my long time friends, Mr. and Mrs. Art Koolwine, Artie and Susan for the delicious dinner served at their home for myself, my daughter and her husband after the party.

IN MEMORIAM

IN MEMORIAM

HILL — In fond and loving memory of a dear brother and uncle (Sid) who passed away so suddenly Nov. 7, 1977.

Sidney G. Hill was the son of Mr. and Mrs. Harry L. Hill of Avonmore, Ont. (deceased) and husband of Florence Mills of Avonmore (Deceased).

So many wonderful memories
Sprayed with a million tears,
Wishing that God had spared you
For only a few more years.
So many things have happened
Since you were called away
Things that you would have enjoyed
Had you been left to stay.
So many things to share with you
So many things to say
Things would be so much nicer
If you were here today
God's golden gates stood open wide
He saw you needed rest
His garden must be beautiful
With you among the best

Sadly missed by Reg, Romana, Eddy, Tom, Shirley May and Gordie.

MSQ lending program errors board's fault: producer

(Staff) - The Ontario Milk Marketing Board's annual meeting in Toronto next week is expected to provide a stage for milk producers who want to see the province's Market Sharing Quota lending program re-introduced, but at least one Chesterville-area producer wants the board to set more stringent rules if the program is to be revived.

The lending program was ended at the beginning of the 1978-79 dairy year because the board claimed it had become a renting program and was adding too much to the cost of producing milk in Ontario. Nonproducers were getting in on the act and were making, in the board's eyes, unconscionable profits by renting entitlements to bona fide producers.

But Gerry Brugmans, RR1, Chesterville, thinks otherwise. Mr. Brugmans blames the marketing board for reinforcing the renting aspect of the program and after going through the board's appeal process after being refused quota because he wouldn't pay a high enough price for it, he wants the board to take a little more care if it resuscitates MSQ lending in Ontario.

Mr. Brugmans contends that the board's appeal process unconsciously supported the renting of industrial milk quota and therefore the board was as much to blame for the program's troubles as those who rented out their quota.

His problems began last February when he contracted with a Mountain-area producer to rent 70,000lbs. of MSQ at 2½c a pound. The producer, who could neither read nor write English, had the agreement reviewed by his wife and then told Mr. Brugmans he could have the entitlement, but at double the price.

Upon Mr. Brugman's refusal to pay the higher price, the quota was rented to two other producers at five cents a pound and Mr. Brugmans appealed to the marketing board to have this second agreement declared null and void.

Because the area OMMB fieldman had witnessed the signing of the agreement and testified that there had been an agreement that the renter's wife could review the contract before it came to force, the board turned down Mr. Brugman's request for special consideration, in May, and reiterated its position by refusing his appeal the following month.

Mr. Brugmans took his case a step further, appealing before the Milk Commission of Ontario in November but again was disappointed and the OMMB's decision to permit the quota to be transferred to other producers, at a price higher than Mr. Brugmans was willing to pay, was allowed to stand.

Mr. Brugmans says although the amount charged for the quota was not at the centre of the matter as far as the board was concerned, it was in fact the reason he didn't get it in the first place.

By not forcing the original holder of the quota to rent it at what Mr. Brugmans sees as a reasonable price, the board was reinforcing a system which forced producers to pay unrealistically high prices for the right to produce milk.

The matter goes beyond just a board decision, Mr. Brugmans says.

At the time he was attempting to rent the 70,000lbs., the price per hundredweight for industrial milk with a 3.5 test was $9. Subtracting $3.12 for levies, trucking and within quota charges this left the producer with $5.88 hundredweight. Taking away the $5 per hundredweight he would have had to pay to rent the quota would have left him with 88c per 100lbs. of milk. "That's not enough to pay for the feed," he said.

He is worried that if another lending program comes into being and similar prices are allowed to be charged, consumers, already aroused by higher dairy prices, will intensify their attacks on the marketing board.

"If the consumer sees the farmer paying an extra $5 for a hundredweight of milk, he's going to ask if maybe the farmer isn't being paid too much for the milk in the first place. Then the price of milk and all other dairy products will come under attack," he says.

His arguments should add a little more fuel to the fire that will be kindled at the Royal York next week.

Snowmobile recovered

MORRISBURG (Staff) - Charged with the theft of a used snowmobile from P-G Marine, Morrisburg, Dec. 16 are two RR1 Morrisburg youths, aged 17 and 18.

The vehicle valued at $500 had been stolen from the outside lot of the snowmobile dealership during the night, but was not discovered missing until the following morning when the owners reported it to Morrisburg OPP.

Within six days, however, it had been recovered, found Dec. 22 beside the railroad tracks east of Upper Canada Rd. without evidence of any damage.

A court case is pending. The boys will be charged with operating a vehicle without the owner's consent.

Trust fund now at $1,000

(Staff) - Over $1,000 has been collected for a fund to help Ross Beckstead recover from a fire that destroyed his Williamsburg farm dealership Dec. 21. Approximately 10 volunteers have been canvassing Williamsburg Township collecting donations which trustees of the fund, Jean Casselman and John Whitteker, Williamsburg, are depositing in a Bank of Montreal account, set up for the purpose. Donations will also be accepted for the Beckstead's by Rev. John Boehmer at the Lutheran Church, Williamsburg and by the Bank of Montreal there.

Township home gutted

NEWINGTON (Staff) - A five-alarm fire that destroyed an Osnabruck Township home New Year's Eve is being jointly investigated by the Ontario Fire Marshall's Office and the Long Sault OPP.

The fire destroyed the home of Mr. and Mrs. Neil Shaver, on the fifth concession, west of North Lunenburg, leaving only its foundations. The investigation is being undertaken by officers of the Cornwall FMO and Const. Terry Rutherford of the Long Sault OPP.

Reported at approximately 11am by a passing neighbor, Larry Neville, the fire was out of control when the Newington Volunteer Fire Department arrived. By the time they reached the site the roof had fallen in and most of the walls had collapsed.

Firemen were also informed on arrival that Gordon Shaver, teenaged son of Mr. and Mrs. Shaver, may have been on the property. In the ensuing search Long Sault OPP, who were also present at the scene, found him safe in a nearby shed.

Although electricity had been shut off firemen were worried about other dangers such as the basement oil furnace catching fire. It did not ignite but Newington deputy firechief Neil Rupert, who supervised the fight, found the fire difficult to control.

"We had a hard time extinguishing the fire," he said.

Causes of the fire and cost of the damage have not been established. The house and its contents were insured but no settlement will be made until the fire marshall's report is complete.

Meanwhile, the Shavers are staying with a neighbor.

Tories to choose candidate

CORNWALL (Staff) - Progressive-Conservative delegates from across Stormont and Dundas will gather at the Civic Complex here Thurs., March 8 to choose a candidate for the next federal election.

Jim Bredin, president of the federal riding association, announced that three delegates from each of the riding's 249 polls will be chosen to select a candidate to face incumbent Ed Lumley and the NDP's Brian Peters.

Winchester couple celebrate diamond anniversary

Welcoming over 100 friends and relatives Sat., Dec. 30, George and Ida (nee Scott) Coons celebrated their 60th wedding anniversary at their home in Winchester. The Coons' daughters, Edna Snider, Bracebridge, and Elsie Hogaboam, Winchester, hosted the open house from 2-4 and 7-9pm. Married in Mrs. Coons' father's house in Melvin Settlement by Rev. John Claxton of the Wesleyan Church the couple settled in Summers Settlement west of the Four Corners on the Mountain Township boundary. Until their retirement in 1955 to Winchester they operated a dairy farm. Mr. and Mrs. Coons, aged 86 and 79 respectively, received an upholstered chair from their family and an oil painting from neighbors as well as many floral arrangements and cards.

Berwick WI meets at Glen-Stor-Dun

BERWICK (Special) - Despite snow flurries and bad roads Berwick Women's Institute members motored to Glen-Stor-Dun lodge in Cornwall where they held their Christmas meeting with members and friends who are residents there.

Twelve members and 29 visitors met in the nicely decorated library where the president Mrs. Mabel Rushford, opened the meeting with a poem:

Never a Christmas morning,
Never the old year ends
But someone thinks of someone,
Old days, old times, old friends.
The motto was "For only what we give away
Enriches us from day to day
So let's live Christmas through the year
And fill the world with love and cheer.

This was followed by the roll call, answered with a stamped Christmas card and a short reading or verse.

A very humourous poem entitled "Things come home in Berwick" was read by Mrs. Doreen Doherty.

A Christmas note from the district president, Grace Esdale, was also read.

Members voted to send a donation to the Christmas Seal fund.

The president then turned the meeting over to the program committee, Mrs. Irene Casselman and Mrs. Doreen Doherty.

Mrs. Irene Casselman in a few well chosen words related the story of Mrs. Violet Robertson joining the Institute and her work in the Institute to date. Mrs. Jessie Ouderkirk pinned a corsage on Mrs. Robertson and Mrs. Mabel Rushford presented her with a Life Membership pin.

Although completely taken by surprise Mrs. Robertson thanked the members for the honor bestowed upon her.

There was an exchange of gifts and a door prize donated by Mrs. Alex Rutley was won by Mrs. Irene Casselman amid the sound of Christmas carols.

A very dainty lunch was served and a social hour enjoyed by all.

Inside Ingleside

New Years seldom mean new beginnings no matter what resolutions we may make to the contrary. After the first few hours of good intentions most of us fall back into our familiar though slovenly habits and our houses and our lungs remain as polluted as ever. We have good intentions but little self-discipline to help us to be resolute.

In order to save ourselves from our annual January guilt trip, I think we should all resolve to do away with New Year's resolutions entirely. Jan. 1 should become a day of rejoicing rather than one of resolving because convictions not clocks are the only real habit changers. The turning of a calendar page is most unlikely to lead to a turnabout in our lives so we might as well carry on as usual accepting the bad, appreciating the better and anticipating the best.

Bits and Pieces

- Do you want another township winter carnival? Are you interested enough to help in the planning of it? Sun., Jan. 7 a meeting will be held at 8pm at Rothwell Public School to find out if there is enough manpower (or womanpower) to insure a successful venture. If you are willing to take part, appear at the meeting and offer your assistance. If there are no volunteers, there will be no carnival.

- In this New Year members of the Lost Villages Historical Society are looking forward to looking back. Newcomers are invited to attend the January meeting on Mon., Jan. 8 at 8pm in the school library.

- Osnabruck Township Bantam As skated away with the championship at their own tournament at the Finch arena during the holidays. Lance Wells was chosen as the Most Valuable Player in the final game.

- Clive Marin and members of the ODHS drama club will start the New Year by beginning rehearsals of this year's entry in the Eastern Ontario drama festival. The play is entitled 'The Doctor's Duty' and was written by Luigi Pirandello.

- While cleaning out his driveway on Christmas day Gordon Ross inadvertently shredded up a bundle of morning newspapers which had been deposited at the lane for later delivery. As Gordon's machine was spewing out bits of newsprint Keith Acres was heard to say, "There goes Gordon spreading the news."

If I seem more punch-drunk than usual these days it is because Santa Claus brought an electronic football game to our house and I have been hearing bells ever since, here "Inside Ingleside".

St. John Ambulance warns that snow blindness is painful. For immediate relief apply cold compresses and get the casualty to medical aid.

Chesterville's past

FROM THE RECORD
THURSDAY, JAN. 6, 1949

Baron Arther Teichman Logischen, formerly a well known international diplomat associated with Swiss Legations throughout the world, died unexpectedly Sunday night in Winchester Hospital.

Laron Logischen, who was retired from the Swiss diplomatic corps, came to Canada a little over a year ago when his extensive estates in Austria were taken over by the Russians. It was his intention to take up farming here, and for this purpose he purchased a large farm near Winchester Springs.

Previously considered to be in excellent health, he had recently completed extensive alterations to his new farm. He had returned just last November from a trip to Switzerland, where he made arrangements for the transfer of his business affairs to Canada.

He was well know and popular in diplomatic circles and Sir Alexander Clutterbuck, British High Commissioner, paid a visit to his Winchester Springs farm shortly after his appointment to Canada.

Chesterville Legionnaires narrowly averted defeat in their first home game of the Central Ottawa Valley Intermediate Hockey League Monday night, when Grenville Fyke slammed home a goal with a minute remaining to give the home team a 2-2 tie with Morrisburg Intermediates.

Legionnaires opened the scoring at the two-minute mark of the first period, Bert Locke scoring unassisted. Goals by Joe Tindal in each of the next two frames gave Morrisburg a 2-1 lead and set the stage for Fyke's late tying marker.

In the third period time was called to give time for referee Alf. Jarvis to go into the dressing room to have a band-aid put on his cheek caused by a flying puck during a faceoff.

FROM THE RECORD
THURS., JAN. 1, 1959

Two highly esteemed residents of Chesterville, Mr. and Mrs. E. Dixon, celebrated their golden anniversary at their Main Street home on Sat., Dec. 27.

Mr. Dixon has been an outstanding personality in the Ottawa district and has resided in Chesterville for the past 55 years where he has been a prominent business man and community leader. He has taken a very active part in promoting sports in the community. During the years 1920 and 1934 he coached the Chesterville hockey team to a number of championships in the Central Ottawa Valley league and later in the Rideau League. An ardent bowler, he helped form the Chesterville Lawn Bowling Club and had the honor of skipping a rink to win the Eastern Ontario Championship.

Mrs. Dixon has lived her entire life in Chesterville. She is an Elder, and very active member of Trinity United Church, having served as president of the Women's Auxiliary and the Women's Missionary Society. She is past president of the ladies' Lawn Bowling Club, as well ast the Women's Institute and is a member of the Canadian Cancer Society.

Attendance at the annual meeting of the Dundas Soil and Crop Improvement Association held recently was increased by over 100 per cent over previous years indicating a new and encouraging interest in this important organization. As was emphasized by the program of speakers, the organization is devoted to the better soils and crops which are the basis of a prosperous agriculture.

First speaker of the afternoon was Frank Parish, head of the division of agricultural engineering at Kemptville Agricultural School. Mr. Parish presented facts and figures revealing the need for the value of tile drainage. The cost of installation of the tile under average conditions can be repaid by extra yield in a period of five years, whereas a properly cared for tile system will last for 100 years. He urged township councils to pass the necessary by-laws enabling farmers to borrow money at a low interest rate for tile installation.

The twelve days of Christmas, lying between December 25 and Epiphany January 6, are almost at an end. It was January 6 that the Three Magi brought gifts to the Christ Child in the manger - the first Christmas gifts. By now the gifts are either being used or exchanged!

And New Year greetings have been extended in many languages. In our area the most familiar would have been "Happy New Year"; Gluecklich es New Jahr; A Glickluch Nie Yuor; Bonne et Heureuse Annee; Gelukkig Niew Jaar; Goon Ho Sinn See.

During the twelve days of Christmas I like to read about the customs of other lands. I learned that the biggest celebration of the year in Japan is not Christmas, but New Year's. New Year's is the time when all debts are paid and business books are cleared. No Japanese wants to begin the New Year owing anything to anyone.

It seems that toward the end of December, all Japanese houses are given a thorough cleaning to get ready for the New Year's celebration. Pine branches are fastened to the house gates and placed inside the homes on the family altars.

Special rice cakes, called mochi, are made for serving on New Year's Day. At midnight on the "Great Last Day", the temple bells sound out 108 strokes. This announces the passing of the old year and the beginning of a Happy New Year.

The Japanese dress in their best clothes and go calling on their friends on New Year's Day. Also, they make the rounds of their ancestoral shrines to pay homage to the dead.

For Canadians too, the twelve days of Christmas are a time for remembering and visiting and returning to the joys and sorrows of other years. And of course, a time to look forward and plan. What a challenge this presents! Never have we been so close to the events of the whole world, thanks to modern technology.

Never have we had so much free time thanks to all our modern gadgets. While I am writing this my dishes are being washed for me, as are a load of clothes. A pot roast is being cooked in a perfectly controlled frying pan I received as a gift at the Christmas season, and the house is being heated by an oil furnace which I neither have to stoke nor take out the ash.

The Farmer also reminded me, as I was making out the grocery order for the new year, that it takes less man hours to buy food now than in 1949 and presented me with the following statistical proof: "In 1949 it took 20 hours' average wages to buy a weeks' supply of food for a Canadian family of four. But by 1977 only eight hours of work were required to buy the same amount of food."

We visited some friends who have a Pheasantry and watched them prepare the birds for the New Year's trade. Their's are all private customers who return year after year for this superb delicacy. They incubate each year 2500 eggs and feed approximately two tons of feed per month. They are a happy couple.

The man got into the business just prior to taking his retirement from Bell Canada and now the business takes up most of his time and that of his wife as well. In the past year they have also become involved in Eggery Art, an ancient art dating back to 400 B.C. in Egypt.

Never having had pheasant served to me under glass, I decided to purchase a bird and attempt a gourmet meal. Paule also gave me her favorite recipe. To prepare, you first quarter the bird. Salt and dust lightly with flour. Saute in skillet until browned on both sides. Remove bird from skillet and place in casserole with lid. Pour drippings from skillet over bird and add one-half pound of fresh mushrooms (or 4-ounce tin) and add some parsley. Pour over it enough white wine to half cover the bird. Cover and place in 350 degree oven for one-and-one half hours. A feast for a king!

Besides the many varieties of pheasants they have turkeys, chickens, doves, pigeons, Chukar partridge, Japanese and Bobwhite quail, and peacocks. The eggs from their birds, except those kept for hatching, are used for the Eggery Art, which is a time-consuming and exacting business for as Frank stated, "No matter what type of egg, there's only one method of draining them: boring a hole an eighth of an inch in diameter at each end and reversing the vacuum cleaner procedure to suck out the contents".

After this draining the eggs are soaked in soap suds to clean and disinfect, scrubbed with steel wool, colored, porcelainized, and wet sandpapered to a glass finish. Then begins the intricate designing of the eggs.

Elaborate beadwork and painted designs and scenes cover Paule and Frank's handiwork. Some of the eggs are finished inside and out. Pieces of the shell are hinged and can be opened to reveal scenes with tiny figures and other treasures inside.

"It is a rewarding hobby," Frank told me as he showed me a fairy tale encompassed on the inside and outside of an ostrich egg inhabited by a family of miniature mice and their miniature household belongings, "and each new creation presents a new challenge."

Some of their eggery art sells for $150 per egg but the price range can suit any pocketbook. Frank and Paule require only the germ of an idea around which to create a masterpiece.

There's never an idle moment nor hint of boredom in their household! When we were leaving Paule presented the Farmer with a jar of pickled quail eggs which he served his friends on New Year's Eve.

Christmas and New Year's was wrapped in the quietness of snow. The Yule log burned to ash and became a thing remembered. The Twelfth-night greens crackle on the hearth and then they too are gone. The Christmas tree ornaments are packed away and put in the attic. The house settles with a sigh. It is time to turn the thermostat down, get a storm jacket on and step into boots.

Lady is already at the door and rushes out ahead of me. She stops to munch the snow and rolls in it. After that, she dashes around the yard barking at nothing. I take a few steps feeling the snow crunch pleasantly. When Lady quiets down, there is no sound at all. I am on an island. I am in a moment out of time. What stillness! Peace!

And then Lady barks and another dog answers. I am in the familiar world again, in my valley, in winter. But I know the season is moving on...soon it will be spring.

The old year has beautifully passed in its faultlessly white snow robes, and the new has taken its place. A good year to you, one and all!

the editor's notebook

The Ontario Milk Marketing Board will have the opportunity at its annual meeting in Toronto next week to answer the charges that it is allowing the province's cheddar cheese industry to die through the lack of adequate supplies of industrial milk. Smaller cheese makers across Ontario are claiming that unless they receive more milk they will be forced out of business; likewise, large processors say that unless they receive more quota-class milk they will lose their traditional markets in Canada and what markets they have left to them in the U.S. and Great Britain.

The board has staunchly defended its decision to allow more milk to be put into the production of speciality cheeses - which in the past couple of years have shown more of a growth rate than cheddar - and in a late summer swing through Eastern Ontario, board chairman Ken McKinnon denied the cheesemakers' charges. It seems, however, that the stage provided by the chairman's Eastern Ontario news conference wasn't sufficiently large for a province-wide audience to hear him. The charges have continued unabated and because it is the smaller processors who say they are in danger of going out of business, the cause is being championed by the "watchdog" daily press, which, in its desire to safeguard the rural way of life, continues to raise questions about the marketing board's efficacy.

This is not to say that the cheesemakers don't have a legitimate complaint: obviously they wouldn't be complaining if everything were rosy. The board's arguments that more milk is being poured into specialty production isn't going to help the small processor who is only geared for cheddar production. Small plants like Hyndman and St. Albert are caught in this bind and the managers of both factories have stated within the last six months that unless more milk is directed their way, they will be forced out of production.

Unfortunately, a question like this one is too easily boiled down to simple arguments and consumers are left with the image of the OMMB as an ogre-like body with little or no regard for the little guy. What is at fault, really, is the mish-mash of dairy regulations that exist in Ontario and across the country. As long as the industry continues to be regulated by a dozen different bodies, each with a separate mandate, the problem will continue to exist and explanations of its situations will continue to be as difficult to understand.

Mr. McKinnon will have his opportunity to address the problem next week. Let's hope he takes advantage of the chance and explains the situation in language that is easily understood - by producers, processors and consumers alike.

Dr. W. MacKinnon installs WMS executive

INGLESIDE (Special) - Rev. and Mrs. Wallace MacKinnon hosted the December meeting of St. Matthew's Presbyterian Women's Missionary Society at the manse. Members and visitors were welcomed by the president, Mrs. Frank Stewart, who opened the afternoon program by reading a poem, "Tidings of Joy for your Christmas".

The service of worship in the Glad Tidings was used led by Mrs. Elburn Crites and assisted by Mrs. Fred Brassard and Mrs. D.H. Gilmour, with everyone joining in the singing of Christmas carols. Mrs. Douglas McNaughton, Long Sault, was pianist. Minutes and correspondence were read by the secretary. A thank you note was read from Mrs. Gerald Geddes (the former Georgia MacAndrews) for a gift presented by the group on the occasion of her recent marriage.

Roll call was answered by a scripture verse or poem relevant to the Chrismtas season. Annual reports from the various departmental secretaries were received. Members decided to use the Second Century Advance for Christ Bible study on Stewardship Today and the prayer booklet on Areas of Concern in 1979, instead of the book on Contemporary China, which will be passed among the group for personal reading. Projects undertaken within the past year will be continued in the new year.

Mrs. Gilmour was chosen as the delgate to attend the Glengarry Presbyterial annual meeting, to be held in St. John's Church, Cornwall, Tues., Jan. 16. The president urged as many members as possible to attend this meeting.

The offering was received by Mrs. Leila Grandaw and dedicated by Mrs. Stewart. Members in hospital were remembered with gifts at Christmas. Several get well cards were signed by the group to be forwarded to those in hospital.

The slate of officers reelected at the November meeting, with the exception of one change - Mrs. Wallace MacKinnon succeeds Mrs. Georgia (MacAndrews) Geddes as treasurer and supply secretary - was installed by Dr. MacKinnon. Executive members are president, Mrs. Frank Stewart, first vice-president, Mrs. Gregor Williamson, second vice-president, Mrs. Harold Shaver, recording secretary, Mrs. Elburn Crites, assistant secretary Mrs. Harold Shaver, associate members secretary, Mrs. Fred Brassard, friendship and service, Mrs. Harvey Fickes, Glad Tidings, Mrs. W. MacKinnon, Life Membership, Miss Heather Williamson, Pianist Mrs. Frank Shaver, card secretary, Mrs. D. H. Gilmour, memorial fund, Mrs. Leila Grandaw.

Following the installation service Dr. MacKinnon gave a Christmas message telling how God has revealed to the prophet Isaiah the coming of the Messiah, the one who would redeem Israel, the long awaited King and Prince of Peace. And so the Savior of mankind had come as a babe, born in humble surroundings, lived a short span of years but his coming into the world had changed the course of history. The good tidings of great joy which Jesus coming had brought was to all people and we too, must share and take God's love to others. The president thanked the minister for his words of inspiration and encouragement.

Mrs. Harold Shaver presented Mrs. MacNaughton with a gift of appreciation for acting as pianist in the absence of Mrs. Wells. As Mrs. Georgia Geddes was not present, the president was asked to present her with a Certificate of Appreciation and a gift for dedicated service as treasurer and supply secretary the past eight years, before she leaves Ingleside to reside in Mississauga. The executive were to meet and plan the '79 program Jan. 3.

Dr. MacKinnon closed the meeting with prayer. A social hour followed with refreshments served by the hostess assisted by several of the ladies. Mrs. Crites thanked the minister and his wife for a most enjoyable afternoon. Season's greetings were extended by all present. Mrs. Williamson invited the group to her home for the next meeting, Jan. 9.

Dear Ann Landers:

Dear Ann Landers: Through the years I've read dozens of letters in your column from and about The Other Woman. Why do we hear so little about The Other Man? He's out there, you know - and in large numbers. May I speak to him through you?

Dear Other Man: Although I am cordial when we meet and treat you with every courtesy, don't be fooled into thinking I am unaware of what is going on between you and my wife. I have never told her that I know about you. Why should I? This is her third affair in the last eight years. I've never mentioned the others nor will I mention the ones to succeed you.

I have no trouble accepting your place in life. I am neither angry, chagrined nor dangerous. If I should ever catch you in the act I will apologize for intruding. I have stopped blaming myself for being "inadequate." I'm now positive that no one man could satisfy my wife's insatiable appetite for sex or her neurotic need to be adored 24 hours a day. The woman has an illness. I have resigned myself to the fact that she does not want to be "cured." Some people need their headaches - she needs her nymphomania.

She is a wonderful mother, a fine homemaker, a lovely hostess and has a very good disposition. My mother thinks she is divine and keeps telling me how fortunate I am to have such a "perfect" helpmate.

I will not sign my initials to this letter - nor my city. You know who I am. I just thought it was time I let you know that I know who YOU are, too.

— The Spouse In The House

Dear Spouse: Obviously you are dealing with the problem in the way that works best for you. If anyone is looking for a candidate for sainthood, you qualify.

And now - a letter from a wife who has The Other Woman problem. This one also has an O. Henry Twist:

Dear Ann Landers: I have been married for 18 years to a man who has been slipping around for the last 15 - lying to me and telling his mistress some fantastic whoppers. I'm sure it was her letter I read a few weeks ago in your column. The signature was, "Sorry I Didn't Meet Him First."

Dear Sorry: So am I. If I knew your identity I'd wrap the jackass in cellophane, tie a red ribbon around his fat head and present him to you on a silver platter.

Since I don't know you - but you know me - will you please give me a phone call? I want to repeat this offer in his presence.

I would like to invite you to our home, give you a warm welcome and we'd crack open a bottle of champagne. I would ask Romeo to choose between us and pray to heaven he'd choose you. But, alas, I know the jerk too well. He wouldn't have the guts for such a confrontation, nor does he want "out". He enjoys the respectability of marriage and the fun of fooling around.

Why do I put up with it? Well, nobody's perfect - and from what I've heard across the bridge table, our marriage, with all its faults, is better than most. I got the stars knocked out of my eyes 15 years ago, dearie, and my vision is -20-20

Dear Readers: What a way to start a New Year! As my dear old grandmother used to say - "There's somebody for everybody." How nice when they sometimes find each other.

Teaching your kids about the facts of life can be easy or awkward. Ann Landers' booklet, "How, What, and When to Tell Your Child About Sex" can spell the difference. Send 50 cents along with a long, stamped, self-addressed envelope with your request, to Ann Landers, PO Box 11995, Chicago, Illinois 60611.

Chesterville Jets share third place

(Staff) - Chesterville Jets continue to play leap-frog in the Eastern Ontario Junior C Hockey League standings.

Chesterville posted two more victories within the past week to move into a share of third place with Embrun at 23 points, one behind second place Char-Lan and seven back of the leading Maxville Highlanders.

Maxville has lost only two games and Chesterville has to be rated as the second hottest club in the circuit.

They managed only a tie in their first six encounters before exploding for 11 wins in their next 13 outings. During that stretch that dates back to Nov. 14 they have outscored their opposition 34-18.

Jets weren't playing Santa Claus in December either because they racked up seven wins in eight games.

Jets got past Crysler 3-2 Friday in Casselman and they belted Alexandria here Tuesday night.

Glens had a busy holiday schedule downing Avonmore 7-3 last Wednesday and losing by the same score to Maxville Saturday. Char-Lan moved back into second place by doubling Osnabruck Township Kings 4-2 last Thursday in Williamstown.

Alexandria 7, Avonmore 3

After seven straight losses, Alexandria Glens have rebounded with a pair of wins to tighten the league standings.

They used strong second and third period efforts last Wednesday night to dump Avonmore Aces 7-3 at Finch.

Aces got a goal in each stanza as the Glens countered with three in the second and four more in the third.

Blair Henderson had the last two Avonmore goals and Rob Termeer scored the first.

Glens were paced by John McSweyne's two goals and Paul Depratto's single goal and four assists. Other goal getters were Gerry Gareau, Mike Sullivan, Scott Hay and John MacLeod.

Three minor penalties were handed out with two to the Glens. Avonmore's Mike Marsolais was tagged with a fighting major while Sullivan of the Glens got a fighting major and two gross misconducts for further actions.

Char-Lan 4, Osnabruck Twp. 2

A pair of second period goals helped Char-Lan Rebels to a 4-2 win over Osnabruck Township Kings and sole possession of second place last Thursday night in Williamstown.

Mike Tessier shot the Rebels into a first period lead and they led 3-1 after the second stanza.

Tessier got his second goal and Marc Seguin got Char-Lan goals as Grant Simpson replied for Osnabruck.

Seguin counted the final Rebel marker and Steve Middleton got the second Osnabruck goal.

Char-Lan received eight minor penalties and the Kings had a minor and a major.

Chesterville 3, Crysler 2

Late penalties proved costly to the Crysler Raiders Friday night as they dropped a 3-2 decision to the soaring Chesterville Jets. Chesterville moved up another position in the standings with their fourth consecutive win.

Chesterville's rookie line of Pat Kelly, Roddy Morrison and Doug Crowder provided all the scoring punch.

Crowder scored the first two Jets' goals and Kelly was credited with the winner with 1:43 left in the game. Kelly also set up the other two goals and Morrison had three assists.

Sylvain Lafleche and Christian Brisson scored for Crysler as they trailed 1-0 and 2-1 at the period breaks.

Chesterville was called for four minors and the Raiders had 10 minors and a misconduct.

Maxville 7, Alexandria 3

Brian Wensink continued to tear up the league's scoring records with another six points effort in Maxville's 7-3 win over Alexandria Saturday night.

Wensink scored only once but he added five assists.

Allan Blaney was the top sniper with a hat trick as Darren Rolland scored twice and Ricky Wensink once.

Gerry Gareau, John MacLeod and Mike Wray each got single goals for the Glens.

Maxville had 10 minor penalties and the Glens had 10 minors, a fighting major and a game misconduct.

Chesterville 11, Alexandria 5

Chesterville Jets were not in a gift giving mood Tuesday night as they humbled the Alexandria Glens 11-5 to move into a share of third place with Embrun.

After missing the last two games, Kevin Blair returned to the roster to pace Chesterville in the win with a goal in each period and three assists.

Defencemen Neil Kittle chipped in with a pair of goals and single goal getters included Doug Crowder, Karl McRoberts, Jeff LeClair, Steve Plummer, Andy Windsor and Lyle Servage.

Jets jumped into a 4-2 first period lead and they increased the margin to 6-2 at one point in the middle frame before the Glens rallied. It was 6-4 after two periods and Alexandria trailed 6-5 after one minute played in the third.

Chesterville put the game well out on reach midway through the third, running the score to 10-5, with three goals in 26 seconds.

Scott Hay and Tom McRae each netted a pair for the Glens and Paul Depratto had one.

Chesterville had four minors and a 10 minute misconduct and the Glens had six minors and a 10 minute misconduct.

The first ever pool tournament sponsored by the Morewood Pool and Arcade was chalked up as a super success Sunday afternoon. Winners of the Christmas tournament are left, John Tym (men's B finalist), Earl Johnston (men's B winner), Peter Lightfoot (men's A winner), Bill Doornwaard (men's A finalist), John Brown (boys' A finalist), John Stewart (boys' A winner), Ron Coulter (boys B winner) and John Ashton (boys' A finalist).

In Morewood pool tournament

Pete Lightfoot wins with routine shot

MOREWOOD (Staff) - Minnesota Fats would have chalked it up as a light workout but Morewood's wizard of the rails and pockets, Pete Lightfoot, knew he was in a game.

Lightfoot was favored to win the men's division of the Morewood Pool and Arcade Tournament but he was pushed to the limit by a much younger Bill Doornwaard in the final here Sunday afternoon.

Lightfoot easily earned his way to the final of the week-long event before Doornwaard matched shots with Morewood sharpshooter.

Doornwaard fell behind 2-0 in the best-of-seven final set but he rebounded to force a seventh game.

Lightfoot quickly took control to leave him with the eight ball and Doorwaard looking at three of his own.

Doornward was set to clear the slate but he sewered while making one of his balls to leave Lightfoot with a straight-in shot at the eight.

The master knew what to do.

Earl Johnston of Chesterville was the men's consolation round champ while John Stewart won the boys' division and Ron Coulter claimed the boys' consolation title.

Tournament organizer Claude Cousineau was pleased with the 32 entries - 12 boys and 20 men - and he is already looking ahead to another tournament.

Cousineau had scheduled a women's division but there was not enough interest.

Matt Krisjanis was the judge for the tournament games.

To get to the final, Lightfoot got past Steve Patenaude 3-1, Mark Cook 4-1 and Keith Ashton 4-2. Doornwaard beat Carter Lavictoire 3-0, Archie Heuff and Don McMillan 4-2.

In the men's consolation final, Earl Johnston doubled John Tym 4-2. Johnston was blanked 3-0 by Andre Cloutier in the first round before taking Danny VanderVeen 3-2 and Carter Lavictoire 3-0.

John Stewart was an easy winner in the boys' section, beating Kevin Weegar 3-1, Vince Cousineau 3-1, Steve Eby 3-0 and John Brown 3-0 in the final.

Brown had gotten by Doug Carruthers 3-0 and Gerald Eby 3-1.

Coulter was pushed to the limit for the boys' consolation title. He beat John Ashton 3-2.

He lost his first round match-up 3-1 to Vince Coulthart and then he beat Kevin Weegar 3-1 and Bob Brown 3-0.

Ashton had an earlier trail to the final. He lost 3-0 to David Krisjanis before winning by default over Art Hebert and receiving a bye.

Peewee B winners

Local entries made their presence felt here last Wednesday with Crysler, Chesterville and Berwick all making it to the final games. Crysler's entry came away grand champs with a 5-4 win over a tired Chesterville squad and Berwick wasn't quite as fortunate, bowing 2-1 in overtime to Metcalfe for the tournament's consolation round title. Above, is the winning Crysler team front, left, Neil Beehler, Jeff Armstrong, Denis Landry, Perry Armstrong and Francois Gibeault; back, left, Raymond Landry (coach), Danny McMahon, Jacques Benoit, Claude Farley, Brian Thatcher, Francois Landry and Yvan Rouleau (manager). To the left, Chesterville and District Minor Hockey Association president Harry Craig presents the consolation round trophy to Metcalfe captain Shawn Cantelon.

Heroic effort falls short

(Staff) - The will to win has resulted in many a championship but it just wasn't to be for the Chesterville Peewee B Flyers here last Wednesday.

As a result of a late cancellation by Russell from the annual tournament here, Chesterville's lone entry opted to play two first round games to fill out the starting schedule.

And, it almost paid off in great dividends with the locals pulling up one goal short in capturing the grand championship as they bowed 5-4 to a more rested Crysler squad. Metcalfe was forced to sudden-death before taking Berwick 2-1 and the consolation crown.

The tournament was scheduled with six teams but Russell's late withdrawl reduced the starting teams to five.

Flyers skated to an easy 7-0 romp over Winchester in their originally scheduled first game. They took a brief break and went back on the ice to knock off heavily favored Metcalfe 3-2 to advance to the finals and send the Mustangs to the consolation round.

Chesterville took an hour break and went back on the ice against Crysler for the tournament title.

Crysler quickly pounced on the Flyers with Claude Farley scoring twice and singles going to Perry Armstrong and Francois Landry for a first period lead.

Chesterville got their second wind in the middle stanza with Sean O'Connor and Darren Morrison connecting to reduce the margin to 4-2.

Morrison's goal came with two seconds left in the stanza and it sparked the locals but only momentarily as Farley finished his hat trick performance with 1:25 played in the third.

Greg Kelly cut the score to 5-3 at 13:36 of the frame and Damian Laflamme made it 5-4 with nine seconds left.

In the consolation final, Corey Reaply's shot at 2:26 of a sudden-death overtime period halted play as Metcalfe got by Berwick 2-1.

Brad Hunt had staked Berwick to a lead at 1:24 of the first period but Reaply tied it up with six seconds left in the frame.

The score remained that way with Metcalfe's Sandy Wammens and Berwick's Tony Luykx both turning in solid goaltending efforts. They were each awarded top player medallions along with Paul Beehler of Berwick.

In the championship game, Denis Landry and Claude Farley of Crysler and Damian Laflamme of Chesterville received similar awards.

In the first round, Greg VanDellan posted the tournament's only shutout as the Flyers blasted Winchester 7-0. Flyers scored one in the first period before banging home three more in the second.

Don Imrie, Mike Ganter, Mike VanKessel, Darren Morrison, Greg Kelly, Damian Laflamme and Sean O'Connor scored goals.

In Chesterville's second game, their first win of the year over Metcalfe, Kelly was the hero with the winning goal with 1:36 left in the game.

Morrison and O'Connor had scored earlier in the game for Chesterville.

Farley paced Crysler with a hat trick against Berwick in their first round match-up. Brian Thatcher got the other two goals for the winners as they led 3-0 going into the final stanza.

Berwick struck early with goals from Barry Smith and Mike Grady to cut the count to 3-2 but they were unable to contain the Crysler sharpshooters.

Berwick advanced to the consolation final by whipping Winchester 8-2. Smith paced the winners with three goals while Beehler and Hunt each had two and Ken McRae one.

Todd Findlay and Tom Mc Lean replied for Winchester as they trailed 3-1 and 7-1 at the periods.

In ladies' broomball

Chesterville ends drought with win

(Staff) - Chesterville stomped on the binders last Thursday night to halt a three game winless streak with a 2-0 victory over lowly Avonmore in North Stormont Ladies' Broomball League action.

Two recent defeats and a tie had left the local ladies lodged in fifth place in the seven team circuit but last week's win lifted them past Crysler into fourth.

Jean Ward opened the scoring for Chesterville midway through the opening frame and Cathy McMillan fired the second goal late in the period.

Rhonda Coates recorded the shutout.

The loss was the ninth in as many outings for Avonmore.

Chesterville hosts Berwick at 9pm and the regular Monday night triple-header in Finch has Berwick playing Crysler at 8pm, Newington meeting Finch at 9pm and Avonmore playing Ingleside at 10pm.

Peewees had busy holdiay

(Special) - Christmas Week is synonymous with Tournament Time at all levels of minor hockey. While Chesterville and District Minor Hockey hosted Atom, Peewee and Bantam Tier II Tournaments, Chesterville's Peewee A Flyers did not remain idle.

On December 28, Flyers travelled to Morrisburg to take part in the Morrisburg Peewee Tournament.

In their first game, Flyers drew the host Morrisburg club. Chesterville took control, but couldn't beat Darrin Mullin in the Morrisburg cage until early in the second period, when Kirk Barkley scored. Jay Garlough made it 1-1 in the late stages of the second period. With 6:20 left in the third, Barkley added his second on a powerplay.

Incredibly, with six seconds showing on the clock, Flyers were now faced with overtime, without goalies.

You guessed it: Morrisburg's Danny Foss took 42 seconds to give Morrisburg a dramatic come-from-behind 3-2 win.

In their second game, Cardinal taught the Flyers that mistakes don't pay. Questionable goaltending, a failure by the defence to clear the slot area, and gift giveaways all contributed to a resounding 7-1 thumping of Chesterville.

Mark Smith got Flyers' only tally.

The locals also participated in the CDMHL Christmas Tournament held at Russell Arena. In their opening game, they continued their previous lack of cohesive and fell 6-5 to a good-skating Embrun squad.

The lead see-sawed throughout, with Derek Morrisson and Jerrold Boulanger scoring two first-period markers before Embrun exploded for four second-period goals to Flyers' three.

Embrun scorers were Marc Gignac, Louis Lafortune with two and Steve Barber. Normand Brisson added three assists. Flyers scorers were Dave Van Delst, Mark Smith and Roger Beazer.

With a 5-4 lead going into the third, Flyers "relaxed". Mario Gagnon and Brisson added third period markers to make it a 6-5 Embrun win.

In their second game, it was Mike Miller and his Russell Warriors who faced a very "up" Flyer team.

Flyers totally dominated Warriors winning 5-1. Five different Flyers marked goals in the win as Roger Beazer, Darrin Kelly, Mark Smith, Kirk Barkley and Derek Morrisson had goals.

Steven Ambrose replied for the Warriors.

In the consolation championship, Chesterville was no match for Canterbury Crusaders.

After running up a 3-0 lead on goals by Kent and Mark Smith, and Roger Beazer, the floodgates opened. Flyers just couldn't stay with Canterbury, as they posted a 7-3 win.

Green, Red win

(Staff) - Red and Green posted victories as the Chesterville Town Hockey League reached the halfway mark last Wednesday night.

Distributing trophies to winners

Metcalfe, Kemptville win Nestle Bantam B honors

(Staff) - Chuck Milligan scored at 3:25 of overtime to give Metcalfe and District Mustangs a 5-4 win over Kemptville Redmen in the championship game of the Nestle Bantam B hockey tournament here last Thursday.

Milligan's goal, a rising shot that found the corner over Jim Goode's right shoulder, came on a powerplay and capped a come-from-behind effort which saw the Mustangs score two goals within a minute late in the third period to send the game into overtime.

Mustangs, playing without Kevin Walker and John VanDam, injured in their first game, took the lead early in the championship match on Kevin Johnston's score, only to have Kemptville tie at on the first of Kevin Sculthorpe's three goals. Sculthorpe was the dominant force in the game and would have been awarded the most valuable player medal for his team had he not been chased from the ice in the overtime for an attempt to injure a Metcalfe player.

Sculthorpe's second goal gave Kemptville a shortlived 2-1 lead in the second period and his third came 30 seconds after Brian Matura had given the Redmen a 3-2 lead in the third period.

Metcalfe defenceman Jeff Hope scored on a slap shot from the point at 11:21 to narrow the score and 45 seconds later Steve Potter's blast from the point sent the game into overtime.

Walker suffered a broken arm on a freak play. The Metcalfe defenceman was sitting on the bench and put his arm up to protect himself from an errant shot. The puck struck him just below the elbow and the resulting resulting injury will keep him in a cast for six weeks.

Captain Larry Brookson was chosen Metcalfe'd MVP with the Kemptville honors going to Scott Wells.

Kemptville teams didn't go home empty-handed, though. Kemptville Kinsmen sandwiched two second period goals between first and third period scores to defeat Osnabruck Township 4-1 in the consolation final.

K. Boyd scored twice and assisted on a third to lead Kemptville to the B championship, scoring what turned out to be the winner on a breakway at 5:54 of the second period. C. Cassel banged in H. Price's rebound off the post two minutes later to up the score to 3-0.

Osnabruck's lone goal came at 8:52 of the third period when D. Kearns' centreing pass from the left corner bounced off a Kemptville defenceman and deflected past a startled M. Gilchrist.

Boyd scored again at 10:58 of the final period. With the teams playing five aside, he picked up the rebound from Dave Brinkman's backhand and shot it high away.

Brinkman was chosen his teams MVP. Osnabruck's most valuable player was defenceman T. Dewey.

The host Chesterville team almost claimed a spot in the A final but lost a 4-3 overtime thriller to the Redmen.

Terry Barkley scored twice to lift his team into a 3-3 tie and send the game into overtime but the local team's hopes were dashed when Bill Kendrick rammed home Brian Matura's rebound at 3:10 of the extra period.

Brian Moss scored Chesterville's other goal.

To get to the final, Metcalfe defeated Crysler 6-3, nullifying Charlie Leger's three-goal performance, and edged Osnabruck 3-1, with S. Harris getting the only township goal.

In the Redmen's first game, Greg Sculthorpe scored a hat trick to lead his team to a 4-1 win over Berwick. George Michels scored from Kent McMillan to break the Kemptville goaltender's shutout bid.

Terry Barkley's two goals paced the Bantam B Flyers to a 3-2 win over Kemptville Kinsmen in their first game of the day, Charlie Leger scored five goals and added three assists in Crysler's 12-1 slaughter over a shorthanded Russell team. Michel Lebrun scored four goals and added an assist and Philippe Benoit scored twice.

Osnabruck eliminated Russell from further action with a 4-3 win. They were paced by captain D. Kearns' two goals, the second unassisted. T. Dewey and S. Harris each scored unassisted to round out the Osnabruck win.

Ernie Barkley of Chesterville was the winner of the two hampers of groceries in the draw before the final game.

Midget A Flyers finalists at Russell

RUSSELL (Staff) - Penalties took their toll Friday as the Chesterville Midget A Flyers met their toughest opposition of the season in the final game of the annual Carleton Dundas Minor Hockey League Tournament.

Flyers were blanked 6-0 by a well balanced Canterbury club which made the most of player advantages by scoring four powerplay goals.

To advance to the final, Chesterville got past Metcalfe 5-3 and blanked Embrun 5-0.

In the first game, Flyers scored a pair of goals in the first period before adding three more in the second to lead 5-2.

Don Richards fired a pair as singles went to Glendon Shay, Curtis McMillan and Ken Shay.

McMillan, named MVP in the first game, led Chesterville in the semi-final round with two more goals.

Gary Beckstead, Derrick VanDelst and Shay scored single goals. Chesterville got single goals in each of the first two frames before connecting three times in the final stanza.

Shay was named the Chesterville MVP and Garry Beckstead was the local recipient in the championship game.

In league play against Metcalfe Dec. 22, Flyers had to score three third period goals to earn a 4-4 draw with the Mustangs.

Metcalfe led 1-0 after one period and they increased the margin to 3-0 before Marque Laflamme got the first of his two goals. Before the period ended, Metcalfe scored again.

At 4:24 of the third, Terry Barkley got Chesterville rolling and 56 seconds later he closed the score to 4-3.

Laflamme counted the equalizer on a powerplay with 2:31 left in the game.

CRYSLER RAIDERS

First year teams in any league are not expected to show well or even place high in the standings but the Crysler Raiders are proving they are an exception to the rule.

Raiders are a first year team in the now nine member Eastern Ontario Junior C Hockey League and all indications are for a promising future.

Jim Mahoney is the sponsor, president and general manager of the team and Monique Mahoney is the secretary-treasurer. The on-ice happenings of the Raiders are controlled by Coaches Frank Briere and Nomand Champagne.

Before the team even made application to enter the EOJCHL team officials first had to locate a home arena. They looked to Embrun, Finch and Chesterville before selecting Casselman Arena as to where they would play their 8pm Friday home games.

Raiders have spent a majority of the season in the middle of the league standings with their won-loss record hovering around the .500 mark.

A majority of the team members played midget hockey last year and their first year of junior has brought productivity but with some sort of inconsistency. Right winger Denis Raymond has been the brightest light for the Raiders and he is challenging for the league's individual scoring crown.

Raymond paces Osnabruck to bantam tourney win

FINCH (Staff) - Elan Raymond's sharpshooting around the net and play making inside the blueline was too much for anyone to handle here last Thursday as he paced Osnabruck Township to the grand championship of their own Bantam B hockey tournament.

Raymond, a big, strong skating forward, fired eight goals in three games. He scored hat tricks in the first two games and he answered the pressure of the championship match with two goals and two assists.

Lance Wells was the goal-scoring hero of the final match with three goals as Jamie Gogan counted the other marker in the 6-4 win over Alexandria.

Osnabruck fell behind quickly but they rebounded to lead 2-1 and 4-2 at the period intervals.

Cornwall Township rocked North Franklin, N.Y., 8-1 to claim the consolation title.

Alexandria got goals from Kennedy MacDonald, Darrell Hay, Danny O'Connor and Andy McRae.

Still four behind Morrisburg

Cook hat trick sparks Winchester in 10-2 romp

(Staff) - Unless something unforeseen happens it appears the Morrisburg Lions and Winchester Hawks will go neck-and-neck to the wire for the ODJBHL St. Lawrence division pennant.

Both teams closed out the 1978 portion of the regular season with victories and the second half of the campaign will open this weekend with a nose-to-nose battle at Winchester.

Hawks trail Morrisburg by four points and they face-off at 8:30pm Friday at Winchester. A win either way could play a major factor in the final standings.

Winchester closed out in the first half of the year with a 10-2 romp over Kemptville Friday and Morrisburg got by Cardnal 7-6.

Rookie Lorne Cook paced the Hawks to victory with his first ever Junior B hat trick.

Cook fired two goals in the first stanza and one in the third as he added an assist in the final stanza for a four-point effort.

Winchester led 3-1 and 6-1 at the period breaks as they outshot the visiting 73s 40-27.

Mike Armstrong added a pair of goals as Barry Casselman, Ken Sullivan, Mike Moran, Rudy Grisel and Dave Sullivan each got single goals.

John Flanigan and Terry McVey replied for Kemptville.

Referees were busy calling penalties with Hawks getting 12 minors, three fighting majors and a game misconduct. Kemptville had 13 minors, three majors and a game misconduct.

In Morrisburg, the Lions were pressed almost to the limit before they got past Cardinal.

Cardinal jumped ahead 3-1 after 20 minutes of play but dropped behind 5-4 after two periods.

Gary Jarvis paced Morrisburg with two goals. Other goal-getters were Jim Whelan, David Myers, Mark Payment, Leo Lafortune and Jeff Cassell.

Gary Moore and Fred Osler each fired a pair for the losing Broncos. Osler's second goal was in the final minute of the game. Martin Hamilton and Dave Berry got single goals.

Lions had eight minor penalties and Cardinal received six minors, a major and a game miscondcut.

Winchester plays in Cardinal this Saturday night and Lions are at home to Metcalfe Sunday afternoon.

Then early in the second period Hugh Craig scored before North Franklin drew within one in the third period when Mitch Cook scored. Late in the game Hugh Craig got his second goal to widen the Flyers' lead to 3-1.

North Franklin pulled their goalie in an attempt to pull even with Chesterville. The Flyers seized this chance to net two goals. Keith Balir scored the first empty net goal and added the other to give Flyers a hard fought 5-1 victory and the "B" division championship.

At the end of play on Wednesday the Flyers had played five games in less than 36 hours. Dick Beaverdam handled all the goaltending chores as the Flyers' other goalie Kevin Edgerton is currently in Winchester hospital. Chesterville also played the games with a minimum number of players. Yet they came out of it with four victories, only one loss and the hope that they would be near full strength for the upcoming final in the CDMHL tournament on Friday night.

After a couple of days to rest and enjoy their gifts from Santa Claus the Flyers travelled to Russell for the "A" division final in the CDMHL Christmas Tournament. There the Flyers found they would be matched against the Nepean Atoms.

From the moment the puck was dropped Chesterville started flying and never looked back. After a few games out due to illness John Moran came back in style scoring the Flyers' first goal.

The two teams battled until midway through the second period when Mike Harper netted the Flyers second goal. Nepean drew within one when Tom Goodwin scored but Chesterville got that back quickly when Harper scored.

Early in the third period Harper finished out his hat trick. The Flyers held the 4-1 lead until Mike Joly scored with 7:30 left in the game. Less than a minute later Bruce McGregor scored to bring Nepean within striking range once again.

The Flyers held fast and allowed Nepean no other scoring chances. Thus skating to a 4-3 victory over Nepean and bringing home the trophy as the "A" division champs in the CDMHL Christmas Tournament.

The post game ceremonies included the presentation of crests to the players on each team and a medalion to the players chosen as the MVP from their respective squads. Mike Harper was chosen as the MVP from the Flyers and Bruce McGregor was awarded the same honour for Nepean.

PLAYER OF THE WEEK

This week two players share the title of player of the week. Donnie Marcellus "Cecil" as he is known is a first year atom. Donnie is one of the harder hitting members of the Flyers fine defence corps.

The other who has proven his worth over the past few games is Mike Harper. In his second year in the Atom "A" squad Mike is a scoring threat whenever he is on the ice.
