Easter Sale

The Women's Institute will hold their annual Easter Sale in the Town Hall, on Thursday, April 1st. Home-made Baking, Aprons, Potted Plants, Cut Flowers, Lettuce etc., will be on sale promptly at 3 o'clock. Afternoon tea served from 3.30 to 5 p. m.

Gun Accidently Discharged

On Friday last while Garnet the eldest son of Mr. and Mrs. Almon Summers of Cass Bridge was hunting muskrats on the Nation River his gun went off accidentally, the shot entering the young man's bowels. He was taken to Cornwall, Hospital where he was successfully operated on and is now on the way to recovery.

Consult the Address Label

All address labels on Records going out this week have been corrected up to March 22nd. Will those subscribers who have paid up within the past four weeks kindly compare the figures with their receipts and if they do not agree notify us at once. Those who have not paid will find out by consulting their labels the date to which they paid last time and we will thank them for a payment to place their subscription paid in advance at $1.50 per year for any place in Canada and $2.00 to any U. S. address.

East and West Provincial County Road Designated

Yesterday a deputation from the united counties of Stormont, Dundas and Glengarry waited on the Minister of Public Works urging the claims of the eastern end of the province for more consideration in the matter of provincial good roads. While the road along the front was in the scheme already taken up it was felt that in these counties its construction would be of no practical use to the farming community, as no convenient markets could be reached by it. An argument was advanced for the construction of a provincial highway from the Quebec border at Point Fortune to join the Prescott-Ottawa road at Kemptville, thereby giving access both to Montreal and Ottawa, through the centre of these counties and serving practically the whole territory. This view appealed to Mr. Biggs and as a consequence an east and west road has been designated as a Provincial County Road between the points mentioned, which will pass through Chesterville.

Mrs. J. E. Faulkner, Morewood

On Wednesday March 17th, Morewood and vicinity was saddened by the death of Mrs. J. E. Faulkner, a victim of pneumonia at the early age of thirty seven years. At the time of her death the husband was also confined to his bed by the same disease but is making headway towards recovery. Besides the husband a little son is left. The funeral took place on Friday 19th, when service was conducted by Rev. C. A. Mullin of Chesterville. Flowers were placed on the casket, wreaths from husband and son, father and mother, I.O.O.F. Morewood; cross, Mr. and Mrs. Abner Dillabough; crescent Mr. and Mrs. John Dillabough; baskets, Mr. and Mrs. Ward Johnston, Mr. and Mrs. Ernest Faulkner, Mr. and Mrs. George Blain; sprays Mr. and Mrs. Allan McDonald, Mr. and Mrs. Jos. Blain, Mr. and Mrs. John Faulkner, Mr. and Mrs. John Stone, Mr. and Mrs. Johnnie McLaren, Mr. and Mrs. Foster Lagrove.

Mrs. Allan Merkley, Winchester

Many were surprised to hear on Monday of this week of the death of Mrs. Allen Merkley of Winchester, that morning, in the Royal Victoria Hospital of Montreal, where she had gone only ten days before to receive treatment for goitre. She had been at her usual household duties before going and was able to walk from their farm into town the evening before going away. The doctors in Montreal advised her taking a month's treatment before having an operation, but her life ebbed slowly away in the ten days she was there. She was the daughter of Mr. and Mrs. Thos. Nesbitt of Winchester Springs, who with three sisters and a brother are left to mourn, besides Mr. Merkley and three children Hubert, Evelyn and Cecil. The funeral was held in the Methodist Church, Winchester, on Wednesday at 1.30 p.m., the sermon being given by Rev. J. H. Miller, the chairman of this District. because of the illness of the pastor of the deceased, Rev. J. K. Curtis.

Mrs. John Kittle, Grantley

A deep gloom was cast over this community on Sunday last when it became known that slight hopes were held out for the recovery of Mrs. John Kittle who was suffering from flu and pneumonia. Although all that medical sklil and loving kindness could do, was done for her, she passed away during Sunday night.

The deceased whose maiden name was Clara Carr was the eldest daughter of the late A. J. Carr of Grantley and after her marriage twelve years ago to Mr. John Kittle they moved to near Newington where they lived until a few weeks ago when they came back to her old family home. Her many frieuds and neighbours were glad to welcome her and looked forward to many pleasant associations with her, but God willed it otherwise. Although here such a short time she had opportunities of showing her kind and loving disposition to her friends and neighbours. She was a member of the Methodist church and always took a kindly interest in the Church work and Sunday School. Rev. Mr. Leach conducted the services at the home after which the remains were laid to rest in the Grantley cemetery.

Besides her sorrowing husband several brothers—Allan Carr of Chesterville, Walter and Donald of Grantley, William of Boucks Hill. Mrs. John Clarke of Boucks Hill and Mrs. William Servage of Berwick are sisters of the deceased. These have the sincere sympathy of this community in this their sad bereavement.

Consult Mr. A. E. Bolster, if your case can be helped by the use of lenses, he can do it for you. Free test—day or night every day—at W. G. Bolster's Drug Chesterville.

Dodge Motor Cars

As long as they build motor cars they will be the best motor cars Dodge Brothers can build.

As long as the name is attached to their motor car, Dodge Brothers may be depended upon to safeguard and protect it.

The name has come to suggest integrity—integrity in the car, and integrity in manufacturing and business methods of the men who buiid it.

The first thought that follows, wherever it is seen, is the thought of a car that is reliable.

They call up a picture of a particular kind of a motor car.

Or, to be exact, a particular kind of motor car workmanship, which people have come to associate with the name Dodge Brothers.

It has grown because the users of these cars have given Dodge Brothers a good name as careful, conscientious manufacturers.

The result is that wherever these two words—Dodge Brothers—are seen, they stand as a symbol of exceptional motor car value.

Mr. Simon Ouderkirk left on Monday for the Peace River District, where he expects to remain for some time.

On acconnt of not conducting their pool rooms according to law both proprietors of pool rooms here had their licenses cancelled at the meeting of the township Council.

Children Cry for Fletcher's

CASTORIA

Fletcher's Castoria is strictly a remedy for Infants and Children. Foods are specially prepared for babies. A baby's medicine is even more essential for Baby. Remedies primarily prepared for grown-ups are not interchangeable. It was the need of a remedy for the common ailments of Infants and Children that brought Castoria before the public after years of research, and no claim has been made for it that its use for over 30 years has not proven.

What is CASTORIA?

Castoria is a harmless substitute for Castor Oil, Paregoric, Drops and Soothing Syrups. It is pleasant. It contains neither Opium, Morphine nor other narcotic substance. Its age is its guarantee. For more than thirty years it has been in constant use for the relief of Constipation, Flatulency, Wind Colic and Diarrhoea; allaying Feverishness arising therefrom, and by regulating the Stomach and Bowels, aids the assimilation of Food; giving healthy and natural sleep. The Children's Comfort—The Mother's Friend.

GENUINE CASTORIA ALWAYS

Bears the Signature of

Chas. H. Fletcher.

GUARD AGAINST THE 'FLU

Serious Outbreaks of Influenza all over Canada

GOOD HEALTH IS THE SUREST SAFEGUARD

"FRUIT-A-TIVES" Brings Vigor and Vitality and Thus Protects Against Disease

There can be no doubt that the situation regarding the spread of Influenza throughout Canada is one of grave concern. It is quite true that the number of cases does not constitute an epidemic such as caused the suffering and sorrow during the terrible days of 1918. Yet there is no disguising the fact that everyone should be on their guard against the disease.

In Montreal alone, from January 20th to February 21st, *three thousand, one hundred and twenty-two cases* of Influenza and 139 deaths from the disease were reported to the Health Department.

If the outbreak had come at the beginning of the winter instead of the end, we might reasonably feel that the very cold weather would check the spread of the disease. But coming as it has, at the end of the winter, there is grave fear that an epidemic may occur. For spring, with its slush and rain under foot, its dampness and chill, its constant changing from cold to warm and back again, is a prolific source of coughs and colds, pleurisy and pneumonia.

The best protection, in fact, the only safeguard against the 'Flu, is, GOOD HEALTH.

Those who are not as well and strong as they should be; those who are underweight; those who are "run-down" through overwork or sickness; should build up at once. What they need is a Blood-purifier, a body-builder, a strength-giver, like "Fruit-a-tives", the wonderful fruit medicine.

"Fruit-a-tives" regulates the kidneys and bowels, causing these organs to eliminate waste regularly and naturally as nature intended. "Fruit-a-tives" keeps the skin active, and insures an abundant supply of pure, rich blood. "Fruit-a-tives" tones up and strengthens the organs of digestion, sharpens the appetite, brings restful sleep and renews the vitality of the nervous system. "Fruit-a-tives" contains everything that an ideal tonic should have; to purify the blood, to build up strength and vigor, and to regulate the eliminating organs, so that the whole system would be in the best possible condition to resist disease.

Now is the time to build up your health and strength, not only as a precaution against the ravages of Influenza, but also to protect you against "spring fever" and the inevitable reaction which comes with the appearance of warmer weather. Get a box of "Fruit-a-tives" today and let this fruit medicine keep you well.

"Fruit-a-tives" is sold by all dealers at 50c a box, 6 boxes for $2.50, trial size 25c, or sent postpaid on receipt of price by Fruit-a-tives Limited, Ottawa.

Buffalo Hides and Heads by Auction

For the first time since the disappearance of the buffaloes from the western prairies there was placed on sale in Montreal this week a consignment of thirty buffalo hides, from the Government buffalo ranch at Wainwright, Alta. These were accompanied by a number of mounted buffalo heads, as well as a series of skulls, with scalps ready for mounting it having been decided by the Government to try out whether the public would prefer to buy the heads mounted or the skulls ready for mounting, and then have them fixed up to suit their own tastes. As these heads are worth around $1,000 each, it is recognized that the buyers are entitled to option as to treatment. What the buffalo robes will fetch is a matter of conjecture, although with the almost total disappearance of these once familiar skins from the market it is expected they will bring big prices.

Another unusual offering to be put up thirty Musk Ox skins, brought back by Capt. Bernier from his last Arctic exploration trip. With other trophies of these animals.

HEARTBURN

or heaviness after meals are most annoying manifestations of acid-dyspepsia.

KI-MOIDS

pleasant to take, *neutralize acidity* and help restore normal digestion.

MADE BY SCOTT & BOWNE
MAKERS OF SCOTT'S EMULSION
19-3A

Mr. and Mrs. Brooks, Honored by Finch Friends.

To Mr. and Mrs. Geo. Brooks:

Dear Friends:—

As the time has come for your removal from our midst many are the expressions of regret heard on all sides, and we your neighbors and friends, feel like showing in some tangible way our appreciation of you and your family and especially your willingness to assist in every good work.

During your short stay among us the various churches were greatly benefited by your musical abilities, to say nothing of the cheerful happy manner you rendered that help.

We did not have time for a social gathering and presentation before taking your departure, but we beg you to accept an oak rocker which has been ordered and shipped to your address as a slight token of our appreciation and good will, trusting it will cause you many pleasant recollections of your residence among us and wishing you happiness and prosperity in your new home.

Signed on behalf of your friends and neighbors including members of Finch Presbyterian, Methodist and Grantley churches.

A. A. McLean.

Finch, March 16th, 1920.

The Late Jacob Baker

There passed away on Sunday morning, Mar. 14th, an old and respected resident of Connaught, in the person of Jacob Baker at the age of 79 years after an attack of pneumonia of which he had only been sick two days. His funeral service was held at his late residence, Morewood, by Rev. Dr. Philp on Tuesday afternoon, after which a large cortege of friends and neighbors conveyed the remains to Morewood cemetry where the body was laid to rest. He leaves to mourn his loss a wife and family:—Howard, Lorne and Mrs. G. Clarke, Chesterville; Mrs. Jerry Presley, Casselman; Mrs. Roland, Mrs. Wilmer Windsor, Ettyville, besides sisters and brothers of whom Mr. Adam Baker, Cahore is a brother.

The pall bearers were Messrs. T. Faulkner, A. Steven, Wm. Barrett, G. K. Johnstone, Jas. Robertson, H. Carruthers. The bereaved ones have the sympathy of the community.

ELMA

Miss Violet Weegar is spending a few days the guest of Miss Anna Froats of Dunbar.

Mr. and Mrs. O. Beckstead of Aultsville, were visiting friends of this place recently.

Miss Kezia Pemberton arrived home Tuesday afternoon from Aultsville.

Rev. Meredith spent the past week in Kingston.

A number from here attended the Lutheran League at Mr. Alfred Barkley's of Dunbar, Wednesday evening.

Misses Florence and Pearl Harper and Mr. H. Durant of Winchester Springs, visited Miss Luella Harper Sunday evening.

Rev. Arthur Hall conducted services in the church here Sunday evening where there was a good attendance in spite of the bad roads.

The sympathy of the whole community goes out to Mrs. Thomas Bogart whose mother Mrs. T. Salter passed away after a brief illness of four days of pneumonia.

Mr. and Mrs. S. Herriman spent the week-end with their daughter Mrs. Orval Beckstead of Aultsville.

The Young People's Club met at the home of Mr. Stuart Wallace on Tuesday of last week where a good crowd gathered and everybody had a good time.

Miss Luella, Hugh and Milton Barkley of Dundela visited their home here last week.

Mr. and Mrs. Ellery Merkley and Mr. A. Gordon of Dunbar, were Sunday guests at Mrs. Merkley's home here.

Mr. and Mrs. J. Warren and Miss Gallinger of Hoasic, spent Sunday the guests of the former's brother Mr. F. Warren, here.

Mr. Johnnie Barkley of Boucks Hill, and Mr and Mrs. Clifford McIntosh of Williamsburg, spent Sunday at Mr. Ira N. Dillabough's.

Here Is Where The Macartney Excels

The Cow's Adopted Child

15 Reasons for Selecting the Macartney Machine Milker

Read About Its Many Exclusive Features

It has the best type of teat cup (double acting) and the best milking action of any double acting teat cup ever invented.

The rubber inflations in Macartney teat cups will last longer than the teat cup inflations of any other milker.

Macartney milker has only one size of teat cup, which fits any and all sizes of teats.

The ends of the teat cups are cushioned with rubber.

The Macartney pulsator has the most positive action of any pulsator ever made.

It is as steady and unvarying in its action as a 21-jewel watch movement.

It is the one absolutely simple and fool-proof pulsator — only three working parts.

The pulsator is instantly detachable from the lid so that the lid may be placed in water for washing.

Teat Cup release air is not drawn through pulsator—no milk, dirt or sterilizing solution can get into milking parts.

It is the biggest labor saver—it not only gives you more milk from your cows, but actually takes less time, less labor and less expense for labor than any other milker.

There is more bronze in the construction of the Macartney than is used in any other milker. The milker head is all brass. There are no cheap or inferior materials of any kind.

The Macartney Milker is the easiest to keep clean.

It is the most sanitary. It requires the smallest upkeep expense. Any boy or girl can operate the Macartney. You get life-long, dependable service and freedom from annoyance and expense of frequent replacement of parts.

Particulars Free—Mail Coupon

Whether you figure on buying a machine milker or not, this information will interest you. It will tell you what Agricultural Colleges and successful dairy men everywhere think of the Macartney Milker. Just fill in name and address with number of cows on lines indicated. Then mail coupon to us. You'll get all particulars by return.

MOREWOOD

Rev. Burgess of Toronto, preached at both services in the Presbyterian church on Sunday.

Our sympathy goes out to Mr. E. Faulkner and Donald in the loss of a loving wife and mother.

Keep in mind the Presbyterian Mission Band Easter Concert to be held in the hall Friday evening April 2nd.

We are pleased to see Gladys Feeley at work again after her recent iliness.

The Presbyterian Ladies Aid met in the hall on Thursday March 18th, in honor of the six new members when a social hour was spent when cake and coffee was served.

Miss Keitha Loughridge who was taken a few days ago to St. Luke's Hospital, Ottawa, is reported doing nicely.

The Presbyterian Ladies Aid held their St. Patrick's Social on Wed. March 17th, the programme consisted of songs, recitation and speeches by the chairman and some of our young men. The hall was nicely decorated with shamrock's, flags and mottoes. Lunch was served after which the young people enjoyed themselves with games for an hour. A good sum was realized.

We are glad to note the arrival home from different hospitals after recent operations W. J. McConnell, J. Fetterly and G. C. York.

Mrs. Ed Crump and children are visiting at the home of her mother before leaving for her home in Hallville.

BERWICK

The sympathy of the community is extended to Mrs. Wm. Servage in the death of her sister Mrs. Kittle, who died last Sunday from flu and pneumonia at her home at Newington

Mr. and Mrs. Thos. Kearns received a wire on Saturday last stating their son William of Montreal was dangerously ill. His mother left on Sunday night to see him.

Mr. and Mrs. Ross Thompson and little daughter of Osgoode, were the guests of relatives in town last week.

Mr. Murdock McQueen of Ottawa, spent over Sunday with his family in town.

Mr. and Mrs. C. Smirle attended the funeral on Saturday of Mrs. Emerson Faulkner at Morewood.

Mr. John McCadden attended the funeral last week of his uncle Patrick McCadden at Ottawa.

Mrs. McIntosh of Apple Hill, was the guest last week of her daughter Mrs. C. Thompson.

Mr. and Mrs. Rupert Meldrum of Ottawa, are the guests of the former's parents Mr. and Mrs. Geo. Meldrum.

Mr. Wm. Munroe returned home from Aultsville, on Monday where he had spent the past month.

Mrs. J. Meilleur received word on Tuesday that her sister Mrs. Jos Masse at Cannamore was very ill with flu and pneumonia.

Mrs. Peter Ouderkirk is recovering after her illness.

WALES

Miss Annie Smith has been the guest of Winchester friends for the past couple of weeks.

Miss Luella Bissbee spent over Sunday at her parental home in Moulinette.

Mrs. Jas. Connelly and son Ransom left for LaGreque last Tuesday where they intend spending a couple of weeks the guest of Mr. and Mrs. John Morgan and family.

Mrs. S. Brassard was the guest of friends across the line for the past week.

Mr. and Mrs. James Miller spent Wednesday the guests of Mr. and Mrs. Harry Smith.

Mr. I. Brassard made a business trip to Maple Ave. on Monday.

Glad to see Mrs. H. Wert able to be around again after a severe attack of appendicitis.

HOASIC

Miss Lillian Weegar visited her friend Miss Edith Barclay of Spruce Grove recently.

Mr. C. W. Caldwell of Morrisburg, spent Thursday with Mr. and Mrs. Durham Wells.

Misses Ada and Ella Durant spent Sunday with friends at Archer.

Mr. and Mrs. Jacob Lane of Boucks Hill and Mr. Wm. Marcellus spent Sunday with Mr. and Mrs. Bert Marcellus.

Mr. and Mrs. Wm. Hess spent Sunday at Morrisburg with friends.

Mrs. John O'Shaughnessy spent one day last week with her sister Mrs. Wm. Dillabough.

G. C. LACEY,
Editor and Proprietor

Counties Will Build own Roads

The special committee appointed by the Counties' Council of the United Counties of Stormont, Dundas and Glengarry, at the regular session in January last, for the purpose of opening tenders and awarding contracts and purchasing road machinery, met in the committee room at the Court House, Cornwall. The committee is composed of Messrs. David Dunbar, Warden; J. F. Ault, chairman of the Road Committee: J. G. Cameron, Road Superintendent: A. I. Macdonell, Counties' Clerk; and James R. Simpson, Counties' Treasurer.

After fully considering the contracts received, it was decided the prices quoted for the proposed work were excessive, and the committee refused to accept any of the tenders. The committee decided to purchase one complete set of road machinery, as follows; 12 ton steam roller, crusher, gas tractor, four spreading waggons, fuel tender, sprinkler and sweeper, and the counties will do their own road construction under the supervision of Mr. Cemeron and his three assistants.

A special session of the Council will be held on Friday, March 26th, and if the Council deem it advisable, the committee will be empowered to purchase two more road making outfits.

Inspectors to See That Producers Get Fair Content Test

Hon. Manning Doherty's important measure to protect the milk and cream producers of the Province in the sale of their product was introduced in the Legislature yesterday. The bill covers two important phases of dairying, applying to:

"All cream purchased for sale, shipment or manufacture."

"All milk paid for on a butter-fat basis."

It declares that all milk or cream so marketed shall be paid for by the purchaser according to its butter-fat content as revealed by the Babcock test. The measure outlines the method of taking samples and testing the cream or milk, and provides authority for the Government to make the Act effective. This will be done by the appointment of Government inspectors, who will have the right to test milk in any factory, upon wagons, or on trains, at stations in fact, at practically any point where the milk or cream is en route to the purchaser.

The inspectors will make frequent tests and a record of the tests made will be sent to the shipper who upon receiving the statement from the purchaser as to the fat content of the product will be able to compare it with that of the inspector. Where a discrepancy exists to the disadvantage of the shipper, he will be able to secure redress by informing the inspector, who in turn, will take action against the offending firm. Fines of $25 to $100 are provided as penalties upon any person who interferes with an inspector, who falsifies any record or makes an improper reading

The necessity of legislation has been demonstrated to the department. Hon. Mr. Doherty states that one series of tests, covering over two hundred cases, showed that the butter fat for which the shipper was paid, was declared by the purchaser to be, on an average, about three per cent. below the actual content.

Government Must Raise More Money By Taxation

Ottawa, March 22.—The Government's estimates of the expenditure for the fiscal year of 1920-21, tabled in the House of Commons this afternoon, are more remarkable for what they indicate than what they contain. With the expenditure reduced to the lowest possible point, it is doubtful if our current revenue will equal current expenditure, while millions are being added to our capital account. The Ministers admit they must find new sources of revenue. Canada must be prepared for the future for an annual budget of at least four hundred and twenty-five million dollars, and if there is to be national development on a large scale this will have to be materially increased This year's revenue will amountto about $365,000,000, so that to be a sound business concern there must annually be obtained fifty to seventy-five million more than at present being raised.

This year's estimates call for an expenditure of $537,000,000 as compared with $900,000,000 last year. There will be a deficit in the total expenditure of nearly two hundred million, requiring another national loan this year. The large item is public debt, which has reached the enormous annual interest charges of $142,281,057. When to this is added nearly fifty million for railway deficits and nearly twenty-eight million for pensions, the first mortgage on our revenue leaves little for development.

With soldiers' land settlement having an expenditure of $50,000,000, civil re-establishment, requiring $34,000,000 and $38,000,000 to complete demoblization, nearly all our revenue is taken before the ordinary expenses are provided for. Twenty millions for shipbuilding and sixteen millions for railway equipment are the only unusually large items. The day of the post office, wharf and harbor dredging appears to have passed away for a time at least. There is no money available for such purposes. With the increase in cost of labor and material, the Government had to be drastic in its economic methods to keep the estimates even within the large sum announced.

Where is the Forward Movement at Now?

For some time the Protestant Churches of Canada have been busy with a Movement which they have called a Forward Movement. Early in the game a big financial objective was announced in fact right at the start, and lately we have heard much shouting over the success of that effort. But all the while we were told that this Movement was essentially not financial but otherwise. It was an effort to revivify the whole body of Church membership. It was to be a Spiritual advance, an awakening of dormant spiritual powers. We hope we shall not be misunderstood when we say that unless some thing very definite is now done to continue this aspect of the effort there is real danger that this latter object of the Movement may be regarded in some quarters as so much camouflage. We do not suggest that it was that, we believe the leaders were most sincere; but we maintain that the big job was not to get the money but lies in the task of awakening the churches themselves to their essential task. After the analogy of any industrial concern, the essential thing for the churches is the power to drive its equipment. Equipment is very necessary and the money raised thus far ensures that but to render that productive is the problem of the Forward Movement that still remains to be solved by the churches. Big endowments and financial security have bred stagnation before today. They have also generated denominational rigidity and selfishness. But millions in money will not make the world one bit better unless they are put to work as instruments in the hands of operators.

As we view the question, the crisis of this Forward Movement is right on the churches now and the situation demands the biggest leadership the churches in Canada ever had and a following of the vision so beautifully painted before the membership of the churches in connection with the financial appeal. It still remains to be demonstrated whether this Movement is a success or an utter failure. Shouting over the financial achievement may well be restrained lest these churches be charged with worshipping the $ sign. —St.John's News.

Now Auntie Knows

Mrs. Rusher: "Has Mr. Goldcoin, with whom you have been dancing all the evening, at last declared his intentions, Mabel?"

Mabel: "Yes, aunt."

Mrs. Rusher: "I am so glad! And what did he say?"

Mabel: "He declared he would never marry."

An Eye on the Captain

Two girl friends once stayed at a tiny hotel in Connemara, years ago. It was plain, but clean, the only other visitor a soldier fishing there.

They slept in one room, and in the morning demanded a bath. Mary, the maid, a comely Connemara girl, promising it immediately.

But the day brightened, and it did not come. The old tassel bell was hauled. Mary came smiling.

"It would be here now—this verra minnit".

It came not. One of the girls dashed out into the passage to find Mary on her knees looking unashamed through a keyhole.

"One minnit, miss, one minnit", Mary turned a happy face. "Ye will have it this verra minnit whatever, the captain is just steppin' oot of it".

I often wonder if the captain wondered why two blameless young tourists should have become stricken with suppressed laughter when he met them at breakfast.

An Accident

"Why, Johnnie, you've got a lump on your head. Have you been fighting again?

"Fighting? Not me!"

"But somebody struck you?"

"Nobody struck me. I wasn't fightin' at all. It was an accident."

"An accident?"

"Yes. I was sitting on Tommie Brown's head, and I forgot to hold his feet".

The Flat Oil Paint For Interior Decoration

For the walls and ceilings of any room in your house, most delicate and harmonious effects can be secured by the use of NEU-TONE. It is cheaper and more sanitary than wall paper and will last much longer because it can be washed without injury. It positively will not rub off.

NEU-TONE is made in eighteen shades, and by the use of various tints most pleasing combinations may be secured.

MARTIN-SENOUR
PAINTS AND VARNISHES

NEU-TONE is easy to apply. It covers well and leaves no brush marks, producing a dull, soft, velvety finish which will lend charm to any room in the house.

Any surface may be successfully treated with NEU-TONE—Plaster, wood, burlap or metal.

Call and let us explain the merits of this and other MARTIN-SENOUR finishes. For every purpose—For every surface. Our stock is complete and we can give you full information.

A Close Shave

An accident which caused some amusement, but might have had a very serious ending occurred at an auction sale near Jasper last Tuesday. It appears that an old fashioned powder horn was among the smaller articles offered to the buyers This souvenir was purchased by a man from Newbliss and was found to be ful of gun powder. The purchaser after receiving the powder horn met an acquaintance from Lombardy and while in conversation with him removed the plug from the miniature magazine and in a playful manner commenced dusting the powder into the bowl of the friend's pipe. What happened no one knows exactly, but it is presumed that the mouth of the horn came too close to the fire in the pipe, for of a sudden there was a terrific report and pipe and horn vanished in a cloud of smoke as did the eyebrows, eyelashes and moustaches of the two men. They received a close shave in both senses of the term and their escape from more serious injury was remarkable.—Carlton Place C.C.

Smith: "Who are you working for now?"

Jones; "Same people—wife and five children".

EUGENE McMILLAN, Prop

Horse Drowned in Drain

Mr. Will Keys, while returning home Saturday evening with a load of seed oats, lost a valuable horse, about two miles from South Mountain. It seems the horse, got in a bad hole in the road, at Mr. Bird's bush near the boundary line, and started crowding. The one got in the Miller drain, where the crust and water was about six feet deep. Mr. Keys, did everything possible, but could not save the poor brute from drowning. It was a fine animal, only seven years old, and the loss is considerable.—Mountain Herald.

Calves Were Confiscated

Last week in Montreal, according to Market Comments issued by the Live Stock Branch of the Dominion Department of Agriculture, several lots of Calves were confiscated on account of immaturity. In one instance 42 calves were taken. Handling young, poor calves is likely to prove a rather precarious occupation in Montreal during the spring. Good milk fed calves brought $18 in most cases. We understand the Department has notified shippers and have also posted up in all stock yards posters in effect that any person caught selling or buying calves under three weeks old become liable to a fine of Twenty Dollars. This is important news for the farmers generally and they should assist shippers by milk feeding their young calves for the desired time.

Old Favorite Flowers Satisfactory

Annual flowers succeed exceptionally well in nearly all parts of Canada. For the "Home Garden", whether it be in the city or the country, the best annuals are the old favorites which have become so popular because they have fitted in with the needs of a large class of flower lovers. The reason for the popularity of the "annual" is that it can be raised easily and grown with but very little expense or labor. A few packages of seed costing five or ten cents each, a garden patch and someone interested in flowers form a combination which in the space of four or five short months may produce the most delightful results.

The favorite annuals are the best because they have stood the test of time. In addition, they have been improved and increased in size, form and color by the plant hybridist and by the seedsman so that today they have almost reached perfection. In one hundred years or less they have have made as much advance as most other forms of life have made in several thousand. The "poor man's orchid" is the descriptive term for the modern sweet pea and the term is legitimate because the sweet pea of today is wonderful. It is a new creation as compared with the sweet pea of a century ago. The same is true of many other annuals.

The favorite annuals are those which can be depended upon to give results. The final results will depend upon; 1. Seed; 2. Culture.

1 Seed. Some annuals are difficult to raise from seed and, therefore, the best for the home garden are those which produce seed that will germinate well. The seed of such annuals can be dealt with in two ways; (a) It may be sown in pots or flats in the house and the seedlings transplanted to the garden or (b) it may be sown direct into the garden. Latitude and climate must settle which method is better for the greatest success although with many annuals either method might give good results.

2. Culture. The culture of an annual flower is not a laborious task or trial of skill. The cultural directions are generally printed on the seed packages. Soil, cultivation and rainfall are three factors of importance. Soil should be of garden loam quality, and neither too sandy nor too heavy. Barnyard manure will stimulate good growth. Cultivation will keep the growth vigorous and healthy. Rain or artifical watering not less than once a week in the early stages of growth is almost essential.

Annuals are splendid for purposes of cut bloom. Some of the best for this purpose as well as for garden display are as follows;—China Asters, Sweet Peas, Nasturtiums, Sweet Sultan, Sweet Scabious, Snapdragons, Everlastings, Zinnias, Pot Marigold or Calendula.

Other good annuals are;—

Low Growing—Pansies, California Poppy, Mignonette, Petunias, Portulaca, Pinks, Drummond Phlox, Verbenas.

Medium Height—Everlastings Balsams Coreopsis, Larkspurs, Gaillardia, Clarkia Salvia, Stocks, Poppies.

Tall Growing—Cosmos, Helichrysum, Tall Larkspurs, Nicotiana, Salpiglossis, Sunflowers.

Did it Mean Anything

"I suppose your chances of winning the affections of Miss Gray are as good as the next fellow's?"

"I don't know. She called me 'Charlie' very affectionately last night."

"You don't say? Well, that's promising, isn't it?"

"Scarcely, considering that my name happens to be Jack."

The Eastern Township LIGHTNING ROD

H. S. McMURRAY
Practical Tinsmith & Plumber
CHESTERVILLE

$100,000,000.00

In Applications During 1919

The Sun Life Assurance Co. of Canada, received applications for over One Hundred Millions of Dollars during the twelve months of last year—surely a marvelous business. By far the largest amount ever written by any Canadian Co., fact it establishes a record for companies incorporated within the British Empire.

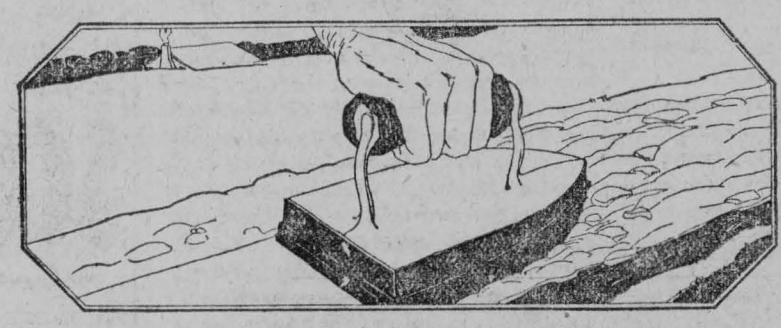

Could there be further evidence of public confidence ?

When considering Life Assurance it will be to yonr interest to know more about this progressive company.

Overland

New *Triplex* Springs Iron Out the Wrinkles of the Rough Roads

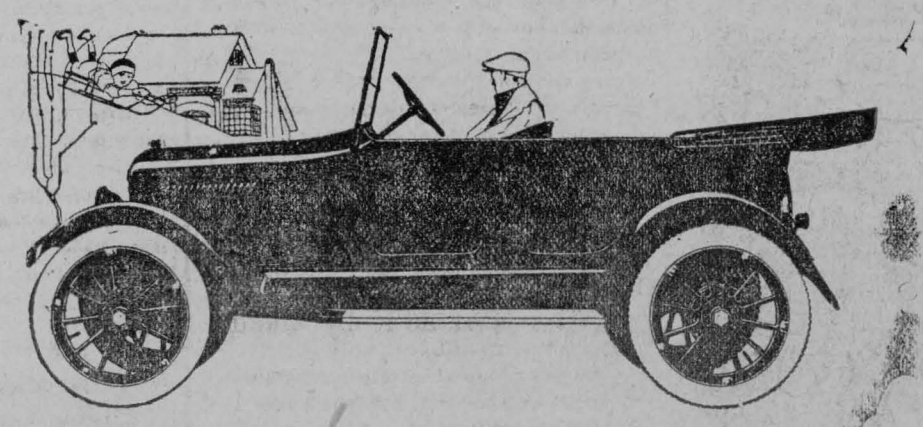

THE wrinkles of rough roads seem smoothed out completely by the wonderful springs of Overland 4.

These springs hold the wheels to the road, while the passengers ride in even comfort. The astonishing qualities of these diagonally attached *Triplex* Springs have created an utterly new conception of light car riding ease.

Best of all, this heavy car kind of comfort is now obtainable with economy in fuel and tires and remarkably low upkeep cost.

Overland 4 is started and lighted by two-unit electric starting and lighting system. It has rain-vision windshield and unit power plant. It is equipped with all the latest car essentials and conveniences.

Born

GORDON—In Chesterville on Tuesday, March 23rd, 1920, to Mr. and Mrs. Miles Gordon, a son.

In Memorian

GILLARD—In loving memory of our darling baby, Margaret, who died March 30th, 1919.

God wanted one more angel
To join his shining band,
And so he stooped with tender care
And took our darling's hand.

Inserted by Mother, Father and Sister.

CARD OF THANKS

Mr. J. E Faulkner and son wish to thank all their friends and neighbors for their sympathy and many acts of kindness in their recent bereavement.

Mrs. James Salter passed away at the home of her daughter Mrs. Thos. Bogart of Elma on Saturday last. The remains were placed in the vault at Maple Ridge, the funeral arrangements to be made later owing to Mr. and Mrs. Bogart both being confined to their beds with influenza.

A man may talk about how he would like his home town to go ahead and be the nicest little up-to-date, progressive place on the map, but, if he buys everything from printing to handkerchiefs and toothpicks in some other place, he is just talking, that is all. There is only one way to build up the town, deal at home yourself.

Miss Marguerite Kearns of the Canada Steamship Line, Montreal, is visiting her grandmother, Mrs. H. Kearns, where she joined her sister, Miss Genevieve Kearns of the Western Union Telegraph Co., of Minneapolis. After spending a few days here they will go to New York together before returning to their positions.
