The Morrisburg Leader

VOLUME 103, NO. 20. MORRISBURG, ONT., FRIDAY, MAY 21st, 1965 $ 2.50 YEAR IN CANADA; $ 3.50 IN U. S. A.

Authorized as Second Class Mail
Post Office Dept., Ottawa

Area Communities Get Closer Fire Protection

Williamsburg Township Council will investigate the setting up of a fire protection area comprising Riverside Heights and Mariatown, enabling these settlements to receive fire protection from Morrisburg, and have costs charged back to the area.

Williamsburg Council met with Riverside Heights Community Committee at Trinity Anglican Hall on Wednesday to discuss the situation The two interested communities lie beyond the five mile radius of Williamsburg Police Village and within the required distance of Morrisburg Fred A. Hill and Junior Cassell, insurance representatives, explained that insurance rates for buildings outside the radius are much higher With protection from Morrisburg rates would drop from $1.40 to 92 cents according to Canadian Underwriters' rate list, with various preferred considerations.

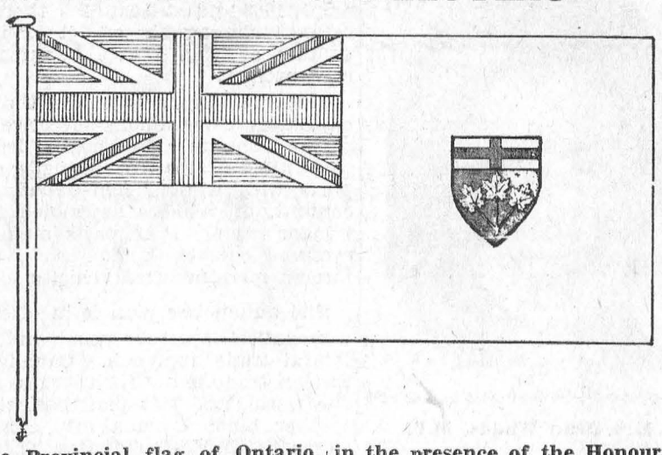
Although the lowering of insurance rates was considered important, chief concern of residents was the security of having fire-fighting equipment within a reasonable distance to check fires until Williamsburg truck, with its top equipment, could travel the seven or eight miles to the fire.

Maurice Roussy, Fire Marshal's Office, Cornwall ,explained that such an area could be set up with a petition signed by two-thirds of the ratepayers. Such a petition was presented to Council at an earlier spring meeting. Other figures quoted by Mr. Hill were a drop in insurance rates from 96 cents to 49 cents for a one-family dwelling insured to 80 per cent of its value. Under the present setup Riverside Heights and Mariatown are classified as group 10, requiring the highest possible rates. With Morrisburg protection, they would rise to group 6.

The question of the fire hazard of uncut weeds was discussed, and Mr. Roussy stated that it was the council's responsibility to pass a by law "with teeth in it" to enforce the removal of fire hazards.

George F. Jowett, president of the community committee, conducted the meeting, with Reeve Donald Kyle of Williamsburg, expressing the opinion that "no matter where you live in the township, you are entitled to the best fire protection obtainable".

NEW PROVINCE OF ONTARIO FLAG



The Provincial flag of Ontario, shown here, will be raised at a ceremony in front of the Parliament Buildings in Toronto on Friday morning, May 21. The ceremony will commence at 9.30 a.m., in the presence of the Honourable W. Earle Rowe, Lieutenant Governor, Prime Minister John Robarts, members of the Cabinet, members of the Ontario Legislature and others.

Hon. D. Harkness Guest Speaker at Canadian Club

Hon. Douglas S. Harkness former Minister of National Defence in the government of Hon. John Diefenbaker, who split with his chief over Canada's defence policies, will be guest speaker at the fourth dinner meeting of the Morrisburg and District Canadian Club, at the Morrisburg Civic Centre on Tuesday, May 25th at 7:00 p.m.

The subject of Mr. Harkness' address will be "Some Aspects of Canadian Defence Policy and Programs".

Mr. Harkness is one of the most prominent and respected Canadians in public life, and a very large turnout of the membership is expected for this meeting.

Film on U.C.V. Wins High Award

Upper Canada Village, a film produced for the Ontario Department of Tourism and Information by Moreland-Latchford Productions Ltd., was awarded a certificate of merit at the 17th annual Canadian Film Awards presentation at Toronto last Saturday.

Judged best in the travel and tourism section "for its evocation of a period and atmosphere re-created to interest visitors in an historic tourist attraction" the 24 minute film is one of 22 department film features available for group showings.

Canadian Film Awards is sponsored by the Canada Foundation, the Canadian Association for Adult Education and the Canadian Film Institute. In the past 17 years well over 1,000 films have been adjudicated and nearly 300 films have won top honours.

Fourth Morrisburg Guide Receives Gold Cord Award

Betty Scott, daughter of Mr. and Mrs. Earnest Scott of Victoria St., was the fourth Morrisburg Guide to earn her Gold Cord.

The presentation was made by the Commissioner, Mrs. Raymond O'Brien, at a supper for Guides and their mothers, held in the Legion Hall, Morrisburg, recently. Other guests were Guides from Cardinal and Iroquois and members of the local association.

The supper was prepared and served by First Class Guides.

Two Tenderfoot Guides, Cheryl Felker and Ruth Rutherford were enrolled by the Commissioner, who also presented Miss Betty Ann Havlin with her Lieutenant's Warrant.

A short Campfire was held, at which the highlight was the explanation of what work goes into earning a gold cord, given by Betty Scott. Her excellent use of a tree with the branches representing the steps, was of interest to all.

Proficiency badges were also presented to Sandra Scott, Elaine Salmon and Roesmary Coligan.

Mrs. E. Cornell, Brown Owl for the Brownies presented Betty with a Gold Cord pin as a remembrance of her her excellent work as a Packie.

Mrs. Ken Scott, Captain of the Guides, thanked the mothers and guests for their part in making it an evening to remember.

Mrs. O'Brien thanked the Guides for an enjoyable evening, and the evening closed with "Taps".

DISTRICD INSTITUTE GARDEN PARTY FOR 60TH ANNIVERSARY

Dr. Charlotte Whitton of Ottawa will officially open the 60th Anniversary Celebrations of Dundas District Women's Institute, Tuesday, June 8th.

The Diamond Jubilee will take the form of a Garden Party at Upper Canada Village Restaurant grounds. Tea will be served from 2:30 till 5:00 p.m. by Past Presidents of the Dundas District Institutes.

Final plans for this event were made at a joint meeting of the District Executive and District Directors held in Chesterville Community Hall board rooms. Mrs. Foster Bowman presided, assisted by the secretary, Mrs. Hugh MacMillan.

Plans were made to hold the District Annual at Riverside Heights on Wednesday, June 16th.

Large Crowd at Drumhead Service

Hostility will always exist in the world as long as people retain their human nature, Rev. Warren Greatrex, assistant to the Chaplain of the Fleet, Royal Canadian Navy, said here on Sunday last.

Speaking at a Drumhead Service commemorating D-Day and V-E Day, Mr. Greatrex also pointed out the United Nations has gained more attention in its failures than in its successes.

About 1,000 people attended the annual service sponsored by Morrisburg Branch No. 48, Royal Canadian Legion, in co-operation with the St. Lawrence Parks Commission at Crysler Farm Battlefield Park.

He added, however, the United Nations "has done much to maintain peace throughout the world".

D-Day, the assistant chaplain explained "was a day of secrecy, preparation, courage and tenacity". V-E Day came to the world after untold suffering and tenacity.

"When remembering the men who died, we also remember those who gave us the opportunity to act, to think and to grow", he claimed. "For this, we lift our hearts in thanksgiving".

The special service opened with the ritualistic stacking of drums. Among the units taking part in the march past were the S. D. & G. Band, the Kemptville Pipe Band, Cardinal Pipe Band, Morrisburg Legion Band, Brockville Rifles Band, Air Cadets and H.M.C.S. Carleton Band.

The Cornwall Legion Choir led in the singing.

The host Morrisburg Band, in existence for only 15 weeks, just received its new colors Friday. Attired in blue satin blouses and black slacks ,the public and high school students regaled the audience with their enthusiasm.

Mr. Greatrex took the traditional salute at the march past.

Special guests included Capt. J. M. Robertson, R.C.N.R., Archdeacon C. G. Hepburn; Commander H.R. Stewart, honorary treasurer, Dominion Command; Ralph Smith, Eastern Ontario Zone Commander; O. R. Dalzell, general manager, St. Lawrence Parks Commission; and Jean Casselman Wadds, MP. for Grenville-Dundas.

A chicken barbecue at Morrisburg beach followed.

The St. Lawrence parks system opened Saturday, and the service was the first special event of the season.

W. James Rose Dies in Hospital

Walter James Rose of Morrisburg died Thursday, May 13 at Winchester Memorial Hospital. He was in his 73rd year, and had been ill for a period of one year.

A native of Montreal, Mr. Rose had retired and moved to Morrisburg six years ago. He was a former superintendent at Northern Electric, Montreal. He was a veteran of World War I, serving overseas from 1914 to 1919 in No. 3 General Hospital.

In 1925 he married the former Muriel Lydia Thom of Morrisburg, who survives. He also leaves one sister, Mrs. Cecil Derby (Daisy) of Montreal.

Funeral service was conducted Saturday, May 15 at St. James Anglican Church, with Rev. Cyril W. Earle officiating. Cremation followed.

Mets Win Thriller From St. Regis

Saturday night saw the Morrisburg Mets defeat St. Regis Mohawks Lacrosse team 7-6 in a real thriller at the Community Centre. This leaves the local team with an enviable record of one win, one tie and one loss to date. The game was played with a good attendance of enthusiastic fans. Particularly encouraging to the young lacrosse hopefuls has been the interest evidenced by their high-school teachers, whom they now list among their supporters.

For Morrisburg, Bob Barclay netted five of the seven goals. He had two in the first and two in the second period and at 7.44 of the final frame, he broke the tie, and left the home team with the winning margin. Other Morrisburg goals went to Micky Mabo and Steve Casselman. Assists came from Keith Mabo with two; singles by Jack Notman, Micky Mabo, Steve Casselman and Jimmy Cameron. Morrisburg had 15 minor penalties with Steve Casselman also sitting out a 10 minute misconduct.

The Mohawks starred Billy Cook who scored four goals. The other two were scored by Jerry Cook and Jerry Jackson, with assists from Dave George (2), and Billy Cook, Jackson and Thomas, one each. The visiting team suffered 11 minor penalties and Jackson served a five-minute major for slashing.

Former Resident Wins $5,000 Scholarship

Dr. Ann Saddlemyre, Ph.D., daughter of Mr. and Mrs. Orin Saddlemyre, formerly o fthe Morrisburg area, and now of Humboldt, Sask, has recently been awarded a $5,000 Guggenheim Travelling Fellowship. Dr. Saddlemyre is presently an associate professor at the University of Victoria B.C. She intends to use her sabbatical year and the fellowship to further her studies in Ireland on the work of W. B. Yeats on whom she is an internationally recognized expert.

Previously this year, Dr. Saddlemyre co-authored a "first" volume entitled "The World of W. B. Yeats" the first ever to be published by the University of Victoria. The volume is published to celebrate the centennary of the birth of the poet (1865-1939). Dr. Saddlemyre, an expert in the field of Lrish prose and poetry, has had access to the previously unpublished material now possessed by the Irish poet's widow, with whom she became friends in 1957 while in London doing research for her thesis. While at the University of London, she earned her Doctor of Philosophy degree, majoring in Irish Drama, and a scholarship for $2,000.

Ann Saddlemyre was born in Prince Albert, Sask, and received her high school education in Humboldt, where her father was a barrister. She graduated with distinction from the University of Saskatchewan with a B.A. degree in English and Psychology. She received an honors bursary in English, and entered Queen's University. For presentation of thesis material before going overseas, she received the Orina McCulloch prize, her Master of Arts degree in English, and was laureated.

Dr. Saddlemyre's research work has three times taken her overseas and also brought a commission from the Oxford University Press. She has also done articles for the "Irish Book" a scholarly journal, and for the Irish Edition of The Massachussetts Review.

And what about fiction? Miss Saddlemyre feels that it's inevitable for anyone interested in theatre and dramatic criticism, and plans to write a play some day.

Presbyterial Met At Westport

Stewardship was the theme of the May annual of Brockville Presbyterial of the Presbyterian Church held in Knox Church, Westport, on Wednesday, May 12th.

The president, Mrs. J. O. Forrester, of Westport, presided at both sessions and opened the meeting with a call to worship and the singing of Psalm 108. Iroquois Auxiliary conducted the morning devotions, using the parable of the talents.

Mr. R. Hill, student minister, of Westport, welcomed the delegates. Greetings from Presbytery were voiced by the moderator, Rev. L. Renault, of Brockville. After hearing and discussing the departmental reports, Mrs. Hunter of Morewood, Mrs. Bass of Kemptville, and Mrs. J. Imrie of Brockville, reported from Synodical, which met at Cornwall in April.

Mrs. Carman Brown of Cardinal, reported for GIT. Seaway Valley Committee. She encouraged all Auxiliaries to get their teen-aged girls organized. Since this year is the 50th anniversary of CGIT, the Society voted $50.00 to help give the girls a weekend at Gracefield camp.

Mrs. Smith, of Prescott, closed the morning session with prayer.

AFTERNOON SESSION

After a sumptuous dinner, served by Westport Auxiliary, the afternoon session opened with devotions conducted by Brockville Evening Auxiliary based on Romans 12:1-2.

Mrs. Miller, of Iroquois, very briefly introduced the well known and popular speaker, Mrs. Hugh Wilson ,of Avonmore. The topic was "What Does The Lord Require of Me?" In conclusion she said He requires the stewardship of our time, our talents, our money, our courage and our strength. The message was most challenging. Mrs. Wilson was thanked by the president.

Chesterville Auxiliary reported for courtesies and registration. Special music was provided by using the record made when the girls of Cecelia Jeffery School in Kenora sang at the 100th anniversary at Montreal.

Mrs. Donald Dobbie and Mrs. Levere were the delegates elected to attend the training school in Belleville July 28-30.

To the surprise and regret of all present, Mrs. Forrester resigned from her office as president, because she is moving to another presbytery in July.

Following the singing of a hymn, Mr. Hill closed the meeting with prayer.

Brownie Revels Held in Morrisburg Area Groups in Attendance

On Thursday the 13th of May, more than a hundred Brownies and their leaders gathered at the Morrisburg Public School for the Annual Revels. Those taking part were the 1st and 2nd Cardinal Packs, the 1st Iroquois Pack and the 1st Morrisburg Brownie Pack.

The March Past was held outside with Division and District Commissioners Mrs. Kent Knechtel and Mrs. Raymond O'Brien taking the salute — then the Brownies returned to the Auditorium, where they formed a giant Fairy Circle for the presentation of the shield, won this year by the 1st Iroquois Brownie Pack.

Country Dancing and games followed and then refreshments were served. Mr. Presley of the Morrisburg Dairy was the centre of attraction when he served each Brownie with an ice cream cone. This was one of the highlights of the Revels.

Brown Owl Mrs. Ed Cornell would like to thank the Canadian Legion Branch 48 for very kindly supplying the chocolate milk and ice cream cones, the mothers of the L.A. who supplied the sandwiches etc., and the Morrisburg Public School Principal and Board for the use of the Public School; and Guide Cheryl Felker and Guide Debbie Scott for the wonderful job they did as Packies.

FORMER RESIDENT KILLED IN B. C.

28-year old Lloyd Coughtry Jr., a construction engineer who spent his boyhood days at Morrisburg, was killed instantly on Tuesday of this week, when struck on the head by a falling log. He was working on a construction project at Campbell River, B.C. with the construction company with which he had been employed since graduation.

His parents, Mr. and Mrs. Lloyd Coughtry, reside at South Burnaby B.C. He is married and leaves his wife and two children.

His maternal grandmother, Mrs. Herbert Sturgess of Morrisburg, flew to B.C. Wednesday. Funeral arrangements were incomplete.

He is also survived by two sisters, Mrs. Hans Wessel (Joyce) of Prince Rupert and Bernice Coughtry at home. His paternal grandparents, Mr. and Mrs. Thomas Coughtry reside at Spencerville.

Dundas, Grenville Counties to be Pilot Project Areas, New Program

Dundas and Grenville Counties are to be pilot project areas in a new program to expand dairy herd testing. The new programme was announced recently by Hon. Wm. A. Stewart, Minister of Agriculture for Ontario.

Profitable milk production depends greatly on the elimination of poor producers from the dairy herd. A regular testing program is the noly practical method of eliminating the culls from a herd.

The Dundas D.H.I.A. Spervisor, Mr. Jack Cameron, Winchester, will pick up the milk samples and take them to Kemptville. In each case the sample will be tested for butterfat by the Infra Red Milk Analyzer. This technique has proved to be the most efficient and economical method of testing for butterfat. Using this method it is possible to analyze over 500 samples of milk per day for each of four analyses — fat, protein, lactose and solids-not-fat.

Following the test the Department of Agriculture will process the production records using the data processing equipment located at the Ontario Agricultural College, with the herd owner receiving a monthly report on the production of his herd.

By having the owners take the sample the D.H.I.A. Supervisor can serve several herds each day rather than service just one herd as is the case when he must be present at milking time to record the weights and take milk samples.

For the present time only a limited number of herds can be enrolled in the new programme. Farmers interested in the programme should immediately contact Mr. Cameron or E. K. Pearson, Agricultural Representative, Winchester. Both grade and purebred herds will be eligible.

It is felt that this pilot project will be of great help in determining the potential of an "owner-sampler" programme. It will also evaluate the potential value of IRMA for use in central laboratory testing.

It is also planned to gradually introduce the new record-keeping system in all Associations so that it too, will be available to every farmer enrolled in D.H.I.A. testing.

A cost of production report will be available to farmers enrolled on an "owner-sampler" basis as well as to regular D.H.I.A. members. Cost to the "owner-sampler" membrs will be $1.00 per cow per year while on the pilot project.

At the completion of these pilot projects it is planned to reorganize the D.H.I.A. programme so that as many farmers as possible will be able to participate in the testing programme.

In the meantime many Dundas and Grenville farmers will have immediate opportunit yto take part in this promising programme.

Report on Canada's

Parliament . .

By Mrs. Jean Wadds, M.P.

It seems strange that th every policies for which the Conservative Government were most criticized, for example, devaluation of the Canadian dollar, encouragement to Canadian ownership, are the very ones most carefully maintained by the present Liberal Government who were the former critics.

The Conservative Party's economic policies in the last 8 years should have been a source of strength, not weakness. Yet it is ironical thatthe Liberal appear to be more successful in this field in spite of their ineptness and weakness.

It is serious that some of the Lib eral's proposals, like the Automobile plan, the Canada Development Corporation, the closing down of rail lines or even the most recent Budget are contrary to the kinds of policies Canada should be pursuing.

The Canada-United States Automotive Aggreement provides for the removal of all customs tariffs between the United States and Canada on shipments of new motor vehicles by automotive manufacturers and on shipments of original equipment parts, except for tires and tubes, utilized in the man ufacture of new motor vehicles. Replacement parts are not included under the Agreement and remain subject to present tariffs.

The Canadian Government has specified the Canadian automotive manufacturer must mee the follow ing requirements:

1. The Canadian automotive man ufacturer must at least maintain the relationship existing in the "base year" (August 1, 1963 to July 31, 1964) between the net sales value of his Canadian vehicle production and the net sales value of his total vehicle sales including imports in Canada. The proportion must be at least 75 per cent.

Assume the automotive manufacturer has $120 million of total sales in Canada and a net sales value of $100 million produced in Canada. If total sales in Canada double to say $240 million the sales value of his Canadian vehicle production must double from $100 mil lion to $200 million but imports can go from $46 million to $146 million.

2. The Canadian automotive man ufacturer must maintain the total value of the Canadian content in his productio at the same level as in the base year. This does not mean that as the manufacturer increases the number of vehicles he builds in Canada, each additional vehicle must have the same Canadian content as each vehicle built in the year. If the total value of the Canada content were $30 million in the base year, if production doubled, this $30 million total value could remain unchanged.

In essence, this agreement relieves the Canadian automotive manufacturers from payment of import duties of approximately $50 million annually, requires that the total Canadian content be at the base year level and that the dollar value of production in Canada go up with total vehicle sales. However, the dollar value of production is not meaningful as it can include imports. It is really just aassembly.

The Government of the United States has made the following requirements governing duty-free imports of motor vehicles and original equipment from Canada:

1. Motor vehicles, excluding chas sis, must contain a Canadian content of at least 40% prior to January 1, 1968 and at least 50% thereafter. Including chassis it must contain at least a 50% Canadian content now.

These requirements of the United States Government effectively prohibit the duty free import into the United States from Canada of parts with a high non-Canadian content, of vehicles assembled in Canada mainly from parts manufactured outside Canada and of foreign manufactured vehicles.

The automobile plan is in effect a deviation from our usual multilateral trade approach. Canada's foreign trade is the fifth largest in the world, and this plan basically further binds Canada into closer ties with the United States. Theoretically, other countries can participate in this plan, (even if it were extended to other countries, it would not aid them significantly as United States acceptance of foreign designed cars is limited by both style and inadequate distribution outlets). Actually it is only a United States-Canadian plan. The plan tends to reduce our trading arrangements with other countries and increase our dependence on the United States. The market for Canadian commodities in Britain, for example, is placed in some jeopardy. United States exports to Canada become more competitive at the expense of British exports here and Canada has a $600 million favourable trade bal ance with Britain. British preference becomes relatively less important.

We should be aware of this trend and decide if we wish to pursue now a bilateral appraoch. What would be the ultimate effect of this on our other exports such as wheat, newsprint, aluminum and so forth? Also, any regional market scheme necessarily involves discrimination against non-participants and means an economic cost by forcing consumers to buy products which they may be able to buy at a lower price outside of their region, whether it be Europe, or Japan or elsewhere.

For a Government pretending defense of Canada's sovereignty, the kindest thing that can be said is that this implication of loss of our sovereignty and greate rdependence on the United States has not yet been realized. Mr. Gordon's mistakes seem to get more and more serious.

Local and General

The death occurred Saturday last in Sacramento, Calif., of Mrs. Edith Weagant, wife of James E. Weagant in her 84th year. Mrs. Dora McGee, London, received this word by phone, and is a niece of Mrs. Weagant. Funeral Monday. Full obituary later.

Miss Elizabeth Meikle, Reg. N., daughter of Mr .and Mrs. Harry Meikle, has successfully completed postgraduate work in psychiatry at Westminster Hospital in London, Ont.

Mr. and Mrs. Lee Tuttle celebrated their 50th wedding anniversary on Sunday, May 16th, with 21 children and grandchildren present, also a sister of Mr. Tuttle. Mrs. Lill Soules from Dauphin, Man. They received many lovely gifts, cards and flowers.

Miss Nora May Dunne of County Cork, Ireland, spent last week with her uncle, Mr. Dennis Walsh, and Mrs. Walsh and family. She was accompanied to Boston by Mr. and Mrs. Walsh for the week end.

Miss Maureen Walsh, Reg N., daughter of Mr. and Mrs. D. Walsh, left this week for Vancouver where she will resume her nursing duties.

Mrs. John Rice, Susan and Richard, spent the week end with relatives in Spencerville.

Mr. and Mrs. Jack Bannister, Robert and Mary of Little Current, spent the week end with Misses Sadie and Jane Dillen.

Mr. and Mrs. Louis Lecompte and family of Ottawa, spent the weekend with friends in town.

Mrs. Rupert McMillan of Ottawa spent a few days last week with her parents, Mr. and Mrs. Lee Tuttle.

Mr. and Mrs. Claude Coburn and family of Ottawa were Sunday visitors with friends in town.

Miss Anna May Flood has returned home after an operation at the Hotel Dieu Hospital, Kingston.

Miss Marion Coligan, Mrs. Peter Hoenselaar, Mrs. Harry Peppers, Mrs. Bernard Coligan, attended the C.W.L. Convention in Brockville on Sunday last.

After less than three years of operation, the Clement Nursing Home on Highway 31, north of Morrisburg was forced to close its doors Saturday because of overburdening cost of maintenance.

ANNUAL MEETING UNITED CHURCH PRESBYTERY HELD AT ALGONQUIN

The Dundas Grenville Presbytery of the United Church of Canada met in Algonquin United Church for their spring meeting. Rev James Stewart led the Court in Morning Wirship. The Chairman, Rev. Wellwood Adam, presided. Election of of ficers for the ensuing year, beginning July 1, resulted in the following: Chairman, Rev. Robert A. Crooks, Cardinal; secretary-treasurer, Rev. J. Leslie Dean, Iroquois; Lay Representative to Conference Executive, Robert Martin, Iroquois; Representatives to Settlement Committee, Rev. D. J. Carnegie, Prescott, and Mrs. Stewart Allen, Cardinal.

Rev. L. M. Ferguson, Missionary and Maintenance Convenor, introduced to the Court Rev. D. J. Pilkey, Field Secretary for M. & M.; Mrs. Gwenne Curry, Audio-visual consultant; Rev. C. H. Gough, Conference Convenor for World Mission and Rev. E. C. Armstrong, Conference Convenor for Home Missions, all of Montreal. Using the la test in visual aids and group discussion methods, they presented an informative and inspiring account of the total mission of the Church.

Mr. R. G. Percival reported for Christian Education, asking for the co-operation of all members in securing competent leaders for the various summer camps at Rideau Hill. A report was given of a successful Demonstration School for Sunday School Teachers held recently in Kemptville.

Mr. H. H. DeVries, President, United Church Men's Council, sent in a written eport of the activities of the Men's Clubs in the Presbytery. A Forum for Elders and Stewards, held in Iroquois United Church in February, drew an attendance of more than 200 and proved to be a highlight in the recent activities of the Men's Council. Details are being worked out for the annual Men's Conference to be held at Rideau Hill on June 26 and 27. The Chairman elect of Presbytery, Rev. R.A. Crooks will be the Theme Speaker and the Three Sons Gospel Team, from Ottawa, will bring the ministry of song.

In matters concerning Church Property, Presbytery gave its approval to plans from Kemptville for an addition to the Christian Education Wing of St. John's United Church, also to plans of Lakeshore Drive United Church in Morrisburg to build a new Manse to replace the one damaged recently by fire.

Mr. Mervyn Peters conducted the afternoon Worship Services. Rev. John Cook reported for Home Missions and Rural Life. Six delegates from Presbytery attended a Seminar held in Lachute, Quebec. The possibility of amalgamations among some Rural Pastoral Charges is becoming of increasing importance in view of the continued movement of people from rural to urban communities. This in turn creates a need for new churches in urban communities.

Rev. D. J. Carnegie reported for Evangelism and Social Service. He announced a Planning Fellowship to be held in September, and outlined the new books and materials to be studied in preparation for this event. A resolution was passed that "This Presbytery go on record as being not in favour of any legislation which would lower the legal age limit for the consumption of alcoholic beverages in Ontario". On a point of privilege, Mr. Carnegie expressed to Rev. W. J. March the concern of Presbytery on the loss by fire of his library. The Court agreed unanimously to grant the sum of $150.00 to help in the replacement costs. Rev. Mr. March thanked the members of Presbytery for their concern and assistance.

A Special Presbytery Service will be held in Iroquois United Church on Sunday, June 6, at 8.00 p.m. to mark the Fortieth Anniversary of Church Union. The Guest Speaker will be Rev. Dr. Elias Andrews, the Principal of Queen's Theological College. Junior Choirs from across the Presbytery will lead the singing under the direction of Rev. L. M. Ferguson.

Rev. M. M. Ulonska announced and Ecumenical Study Forum to be held in St. Paul's United Church in Prescott on May 18 at 2 p.m. to which he invited Ministers and Lay delegates from United, Anglican and Presbyterian Churches in the area.

During the Evening Session, Rev. D. J. Carnegie acted as Moderator of a panel made up of Rev. Wellwood Adam, Rev. J. Leslie Dean, Rev. W. J. Black and Rev. M. M. Ulonska. Under discussion was the question of a proposed plan for Church Union drawn up by a joint committee of the Anglican Diocese of Huron and the London Conference of the United Church. Questions from the audience were directed at the members of the Panel, ranging all the way from Faith and Order to the practical problems and advantages which might come from such a union.

Rev. W. H. Baugh expressed the thanks of Presbytery to all who had contributed to a full and inspiring meeting of Presbytery.

Rev. Wellwood Adam adjourned the meeting to convene again at the seat of Conference, which will be held at Bishop's University, Lennoxville, Quebec, from May 31 to June 3rd.

4-H Homemakers' Achievement Day

The Dundas County Achievement Day for 4-H Homemaking Clubs was held on Saturday, May 15th at the North Dundas District High School. This Achievement Day was for the project "The Club Girl Entertains" which began last February. Highlights of the Achievement Day was the presentation of Provincial Honours to Elaine Richardson of Mountain. Elaine completed twelve 4-H Homemaking Club projects and was the only one to receive this honour at Achievement Day.

Nine members were presented with County Honour pins and certificate for the completion of three projects. These members were Patricia Clark and Lynne Gibson of Mountain, Elaine Clarke of Winchester No. 2, Betty McLaughlin of Morewood, Lana Adams of Matilda, Candice Beckstead and Terry Wells of Riverside Heights and Dora and Doreen Farrell of South Mountain.

The activities included in the morning program related to some feature of the project just completed. The members judged classes of flower arrangement suitable for dining table and gave reasons for their placings. They also judged classes of fancy sandwiches suitable for afternoon tea. Each member answered a quiz on etiquette.

The afternoon program was presented especially for the interest of the parents and friends twho attended. Mary Jean Loughridge of Chesterville and Judy Godard of Morewood commented on exhibits "Table Centres for Different Occasions". "A Table Set for Two" was the topic of Matilda and Winchester No. 2 exhibits. Brenda Law and Donna Swerdfeger commentated. Valerie Puddy of Mountain was commentator for their exhibit "Sandwiches for Afternoon Tea".

Kristie Vilmansen and Linda Marcellus of Colquhoun demonstrated "Packing a Weekend Bag". A skit, "Flower Arrangements" was presented by the members of Riverside Heights Club. Mary Lennox, Anna Meerakker and Ada Meerakker of South Mountain took part in a skit "Your Table Manners". "May I Present" was the topic of the Winchester No. 1 Club. Arlene Nesbitt, Shirley Thompson, Allison Coons, Joan Bell and Joan Allison took part.

The Winchester No. 3 Club with Patricia Ault, Susan Boyd and Eleanor Byers demonstrated "Tea is Served".

The Achievement Day was under the direction of Mrs. Alison Murray, Home Economist and assisted by Miss Marion Waddell, Kemptville and Miss Michele Tremblay of Russell and Prescott Counties. The club leaders assisted throughout the day. The sping 4-H Homemaking Club project has been completed with this Achievement Day.

New Clubs will be organized in September with the project "Cottons May Be Smart".

SIXTY LUTHERANS AT ANNUAL MEETING HELD IN MORRISBURG

Sixty Lutheran Clergy and laymen met last week at St. Paul's Lutheran Church, Morrisburg, for the day-long annual meeting of the Eastern District of the Eastern Canada Synod of the Lutheran Church in America. Congregations represented were from Eastern Ontario and Quebec.

Following the service of Holy Communion, the delegates heard from the Rev. O. Reble of Toronto, who described the growth in home mission expansion in the church. Of the congregations presently under development, he pointed to the one in the Montreal suburb of Dollard des Ormeaux as typical of mission development today. He also mentioned that the church hopes toenter five other fields during the remainder of this year. Rev. Reble noted the proposed start of a French language information centre in Montreal, a project of a sister Lutheran Church body. He also emphasized the need to study resort areas ,to determine the need for a seasonal ministry. Areas specifically mentioned were Upper Canada Village, the Gatineau Hills and the Laurentians.

Rev. O. Reble is the Regionaly Secretary for the Board of American Missions of the Lutheran Church in America.

The Rev. A. Kramer, Ottawa, reported on the work of Evangelism. He challengedt he delegates to imaginative and creative thinking in this area of activity, utilizing the resources the church makes available.

To understand and work with youth in the church today, it is imperative that the church know its young people, who they are and what they are thinking. This was emphasized by the Rev. R. Oswald, Kingston in his report on youth work.

In his report, the President of the Synod, the Rev. Dr. A. Lotz of iKtchener, Ontario, pointed out that the growth of the church had not kept pace with the growth of population. He also informed the delegates that a minimum salary for parish ministers of $4,000 would be recommended to congregations, with a home and all utilities to be provided in addition. A set minimum car allowance is also being recommended. This will bring salaries more in line with the United and Anglican churches.

Elections to the five operational committees saw the Rev. W. Becker of Deep River and Mr. R. Baetz, Executive Director of the Canadian Welfare Council, Ottawa ,elected to Social Ministry; the Rev. A. Kramer, Ottawa and Mr. E. Lange, Pembroke, elected to Evangelism; the Rev. H. Lossing, Renfrew and Harold Mantay, Operations Manager, CJOH in Ottawa, elected to Stewardship; the Rev. M. Dubrick, Camprior and Miss K. Nolting, Montreal, elected to Parish Education and the Rev. H. Schmeider, Eganville, and Mr. S. Anderson, Montreal, elected to Canadian Missions.

The meeting was adjourned by the Dean of the District, the Rev. Arthur Conrad of Ottawa.

HOME SHOW HELD AT CHESTERVILLE

"Colour and Your Home" was presented Wednesday evening, May 5, to a small but interested group of ladies at the Legion Hall, Chesterville. The program on home furnishings was under the direction of Miss Jeanne Armour, Home Economics Service of the Ontario Department of Agriculture, Toronto.

Several attractive displays of wall coverings and companion materials and room accessories were arranged around the hall. An eye-catching display featuring one of the most recent trends in colour, showed a bright red textured wall paper with red upholstery and floor covering sample. Other displays of monochromatic, analogous and complementary colour schemes attracted attention as well.

Miss Armour gave expert advice on planning colour schemes in rooms. "Keep the darkest, heaviest colours toward the bottom of the room", she said. "This will help to achieve a balance of colour. It is wise to limit the number of different colours for large areas such as walls, floors, etc., in one room to no more than three colours. Rooms can be planned around only one colour, achieving a monochromatic colour scheme. Here we must be careful to avoid monotony".

Miss Armour illustrated her presentation with actual wallpaper, fabric and carpet samples. She used colour slides of rooms from the recent home show in Toronto and from displays at the Canadian National Exhibition. A giant colour wheel was used for reference several times. The evening concluded with the film "Living with Beauty" This film centered around a family that decided their home could be more beautiful with a careful selection of colours. The steps that the family took in decorating their home were shown.

This programme was presented free of charge as a public service.

FEDERAL LOAN TO KEMPTVILLE FOR SEWAGE TREATMENT PROJECT

Approval of a federal government loan of $34,000 to the Town of Kemptville, Ontario, to assist in the construction o fa sewage treatment project, has been announced by the Honourable John R. Nicholson, Minister responsible to Parliament for Central Mortgage and Housing Corporation.

Made under thet erms of the National Housing Act, the loan is for a period of 20 years, with interest at 5⅜% per annum. The loan is based on an estimated cost of $51,000.

The Town will build an extension to the existing sewage treatment plant, adjustments to the existing pumping station and the installation of 230 feet of 6-inch watermain.

For work completed on or before March 31, 1967, CMHC may forgive repayment of 25 per cent of the original amount and 25 per cent of the interest that has accrued in respect to the loan as of the date of completion of the project.

FARM SAFETY DRIVES IN MANY AREAS OF CANADA

While Canada has no national farm safety week yet, farm safety campaigns will be conducted in certain areas during the summer period. Ontario plans a farm safety week from May 30 to June 5. The prairie provinces will observe a farm safety drive from July 25 to 31. Dates for campaigns in other regions ha venot been announced, but plans are being developed in B.C. and some Atlantic sections.

The National Safety League of Canada has been exploring this field of safety promotion for several months and expects to organize a national farm safety campaign eventually. The need is pointed out in the League's statement that, if present rates continue, more than 120,000 of Canada's farm population would be involved in accidents that would produce 33,000 injuries and 2,400 deaths in one year.

MAY MEETING OF HOSP. AUXILIARY

Ten units were represented by 45 members at the May meeting of the hospital auxiliary held in the board room of the hospital at Winchester. The meeting was opened with prayer by the president, who then welcomed everyone including the second group of student nurses from Cornwall. The minutes were read and approved followed by one item of correspondence concerning the Spring Conference in Perth on May 11th, giving details of the program for the day.

Plans for the June Fair were discussed and all units again volunteered their services for the several booths. When the organizers call in your area, please be ready to help. It was the wish o fthe members that an executive meeting be held at which time final decisions would be made concerning the official opening, publicity and entertainment.

The bridge and euchre scheduled for May 17th in Morrisburg Civic Centre had been postponed, it was announced.

At this time, Miss Legris introduced Mrs. G. F. Flucke of Winchester, who spent some time as a nurse at a remote nursing station in Cambridge Bay in the far north of Canada. She spoke to a very interested audience and told of her many experiences. Her talk was supplemented with slides and a display of several articles brought back with her such as parkas, mukluks, mitts, bone jewellery and hand work. This very enjoyable evening ended with lunch in the cafeteria where a draw was made for a lovely cushion by Chesterville Unit. Winner was Miss Legris.

GOLDEN TRIANGLE BOAT CRUISE LEAVES JULY 9TH

"Cruising Down the River" will be chorused once again this summer when a large flotilla of private craft undertakes the Eastern Ontario Development Association's Golden Triangle Boat Cruise on July 9th.

Departing from the Carleton Golf and Yacht Club near Manotick the 10-day 300-mile cruise will navigate the triangular route via the Rideau Waterway system to Kingston, then down the St. Lawrence to Ste. Anne de Bellevue and up the Ottawa River to the Capital.

Last year, the cruise received a wonderful welcome at its many ports of call along the picturesque waterways. More opportunities for fraternization and self-entertainment are planned for this year, and with one year's experience behind them, the cruise committee plans on this year's voyage being bigger and better than ever.

An open invitation is extended to all boat owners who are equipped and willing to make this trip at their own expense. Members of the cruise committee are Saul Goldfarb Stan Metcalfe and Dr. Bobby Copp, of Ottawa; Gerry Rowe, of Summerstown, and Howard Perkins of North Gower. Enquiries should be directed to Eldon Veitch, Chairman of the E.O.D.A. Waterways Committee, 703 Bank St., Ottawa.

E.O.D.A. SPEAKER

Regional Government "A Pipedream or Nightmare", is the timely and provocative subject of an address to be given by Professor Stewart Fyfe of Queen's University at the 11th Annual Meeting of the Eastern Ontario Development Association, on Thursday, May 27th at the Chateau Laurier, Ottawa.

Discussions on the decentralization of industry, industrial financing, and transportation rates will highlight the morning business session. A brief on the preservation and restoration of the Rideau Waterways System will also be studied.

In recognition of outstanding contributions to the economic development of Eastern Ontario, leading citizens from most area municipalities will be honoured with special "Awards of Merit".

Scholarship cheques of $100 each will also be presented to R. Paige and N. Kane, students of the Eastern Ontario Institute of Technology for excelling in their classes in 1964. The Eastern Ontario Development Association has sponsored these scholarships since the inception of E.O.I.T. in 1957.

This is an important meeting. All interested citizens of Eastern Ontario are cordially invited to attend.

BELL LINES

by Larry Holtby, your telephone manager

ON HOLDING THE LINE — —

With the first long weekend of the summer coming up, I'd like totake a little space in the column to pass along some statistics on the highway-accident picture in Ontario, and congratulate drivers for the remarkable showing made last year in holding the death rate down. The Bell's interest in safety is, I believe, well-known, and the fact that the Company operates the largest fleet of vehicles in Canada makes road safety all that more important to us.

According to figures released by the Canadian Highway Safety Council, Ontario Highway accidents took 1,424 lives last year — three lives more than in 1963. Apart from Newfoundland, which actually lowered the number of deaths, Ontario's increase of roughly one-fifth of one per cent is almost incredible — especially when compared to neighbouring Quebec and Manitoba, where deaths tragically increased 20 and 11 per cent, respectively.

I sincerely hope that as we take to the road this summer we will not only continue to hold down the death rate, but actually begin to pare it away as in Newfoundland. Our highways will become safer and safer for all of us if each one — driver, passenger, pedestrian and cyclist alike — will accept a continuing responsibility to see that they do so. Summed up very simply,, this means that Road Safety is everyone's responsibility, and all the time. Right?

OUTDOORS AT HOME — —

I wonder if Canadians would be so appreciative of the spring and summer if Canada had a warm climate all year round? Well, no matter, the fact is that we don't have a warm climate all year round, and so we take as much advantage of it as possible while it's here. This doesn't only mean trips and excursions and picnics and the like, but "outside living" on the porch, patio, or under the family trees. And this can sometimes present a problem because "inside living" still has to go on as well. For example, the telephone is probably considered a part of "inside living" by most people — perhaps because it's more or less "tied down" by a wire. Yet there are two solutions which let people enjoy as much "outside living" as possible while still keeping in easy touch with friends. One is the Bell Chime, which can be set to ring loud enough to be heard outdoors (it also has a regular ring, plus a soft musical tone that's perfect when a family member is resting). The other is a portable extension with a weatherproof jack. What would you do with an outdoor extension during the winter months? — Well, you take it back in with you and use it as a regular extension! If you're interested, we'd be glad to tell you more about it — just give us a call at our business office.

aring.

During the debate, Mr. Wishart d there was no need for an On- io Provincial Police Commission vestigation of organized crime in e province.

Mr. Wishart, in what was describ by Mr. Singer as "a substantial nission", answered a question ut municipal by-laws to the ef- t that where by-laws enacted municipalities affect the public duct, they shoulld be made av- ble to the public though there o legal requirement to do so er the Palice Act. The question e from an incident in Toronto re a newspaper columnist dis- ered a series of bylaws had n passed and never disclosed, ch appeared to encroach seri- ly on the rights of citizens, ticularly regarding freedom to ry signs and parades.

he Government's Milk Act, 1965, s approved unanimously after a gthy debate. Murray Gaunt (Lib uron-Bruce) detailed Opposition ticism that the Bill is not broad ough and did not follow all the ommendations of the Hennessy mmittee which conducted an in- ry into the Milk industry. Agri- ure Minister William Stewart the House he thought the for- la system for pricing milk for tling should remain at least un- a milk marketing board is set under the Act.

Liberal education critic Robert on (Brant) called on the prov- al government to examine its ent policy with a view to elim- nating the teaching of religion in public schools. He also called for a "War on Alcoholism" by means of factual instruction at the secon- dary school level on the health hazard of alcoholic addiction.

"It is important that we get at the root of this overriding social problem by presenting our teen- agers with the statistics on the disease of alcohol", he said.

one gets t... snt fluid milk p... suffer some reduction in milk in- come while others will be obliged to wait for some considerable time before they can expect to reap the financial benefits envisaged by the new Act and changed marketing procedures. However it is undoubt- edly a step in the right direction for the Ontario dairy farmer.

The introduction by the Minis- ter of Health of The Medical Ser- ... the rest of us in ..., and that the annual cost for a family would be some $175.00. It would seem that with this new levy for medical care and the impost of 3.2% of income for the new federal pension plan, most of us can look forward to a sharply increased tax bite in 1966, especially i fself-employed.

ELECTRICAL CONSUMPTION

On a per capita basis Ontario's electrical consumption is among the highest in the world. Latest availa ble comparative statistics show the provinces annual per capita electri- cal energy consumption totals 6,300 kilowatt-hours, compared with United States with 5,100 and only 1,750 in France.

the other side

The Liberal Party will fight for a universal, comprehensive medi- care program for Ontario when the government's scheme for medical services insurance comes up for de- bate in the House.

Leader Andrew E. Thompson de- scribed the government bill as "a timid and half-baked approach" to medicare. Both the Liberals and the New Democratic Party favor the type of program outlined by the Hall Commission report on medicare in Canada.

Chief Liberal objections are that the government plan will be oper- ated by private insurance carriers instead of the government ,that it involves a segregation of society to prove eligibility for government assistance and that it is not suf- ficiently comprehensive in cover- age.

Introduction of the government bill, based primarily on the rec- ommendations of the Hagey Com- mission, broke the lengthy debate on estimates of the Attorney Gen- eral's Department in the House this week.

Liberal critic Vernon Singer, (Downsview) kept the estimates be fore the House for six days as he probed into every aspect of justice and the law. Mr .Singer drew a promise from Attorney General A. A. Wishart to investigate reports police had secrettly recorded con- versations between a murder sus- pect and his lawyer in a Sturgeon Falls Jail cell.

The Liberal critic attacked the system of appointing justices of the peace in Ontario, on grounds that under the criminal code a jus- tice of the peace can commit a per- son to jail for up to eight days for no reason if he refuses without reasonable excuse to be sworn, to answer questions, sign his deposit- ion or produce documents request- ed of him before a preliminary pointed by the Government ,and it would not be surprising if one of the Members were to be from our Counties which have so large a stake in milk production and so many excellent producers.

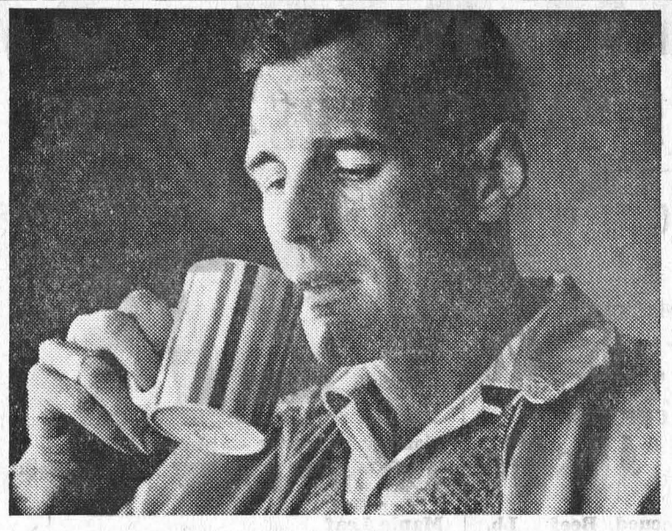
ADM. TWO CARDS $1.00



Jack Murray, teacher, got a Scotia Plan Loan -$1800-in 35 minutes

Jack Murray had what he thought was the world's biggest pile of unpaid medical bills. Mr. Murray needed financial help in a hurry.

Jack talked his problem over with his brother and he suggested that Jack in- vestigate the advantages of a Scotia Plan Loan. Jack dropped in on his noon hour to a Scotiabranch close to his school.

He talked his money problems over with one of the helpful Scotiabank people. After a few simple questions about his job, income, and how much money he needed Jack Murray started to see his medical bill problem melting away.

35 minutes later Jack Murray had all the money he so desperately needed. Of course, this actual customer was not named Jack Murray—and not all Scotia Plan Loans take 35 minutes—the time varies with the circumstances. But there are more and more people with all kinds of names and jobs coming to The Bank of Nova Scotia to have their money problems solved—quickly. Why don't you?

How much money do you need? We strongly suggest that a Scotia Plan Loan is one of the best—most practical ways for you to consolidate your debts. With a Scotia Plan Loan the cost is low. Your loan is life-insured at no extra cost. You get the other advantage of dealing with the inter- ested Scotiabank people. So talk over your money problem—whatever it is— debt consolidation—a new car—with the people at your nearest Scotiabranch. They're ready and waiting to help you.

Scotia BANK

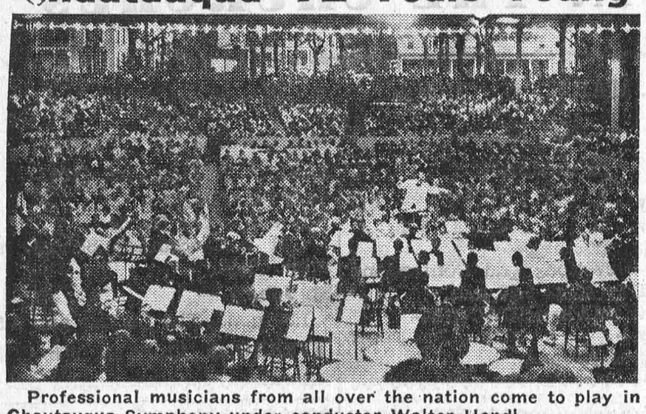
LIVE BETTER ELECTRICALLY

Chautauqua - 92 Years Young



Professional musicians from all over the nation come to play in Chautauqua Symphony under conductor Walter Hendl.

Fourth generation families still come to Chautauqua Institution in southwestern New York State for summer recreation, study and inspiration.

Founded in 1874 and still bearing the flourish and sentiment of the 19th century, this granddaddy of all festivals boasts of its own symphony orchestra, opera company and repertory theater.

For eight weeks visitors soak up culture, attend concerts and lectures in a 7,000 seat amphitheater and study for fun or credit through Syracuse University and Chautauqua Schools.

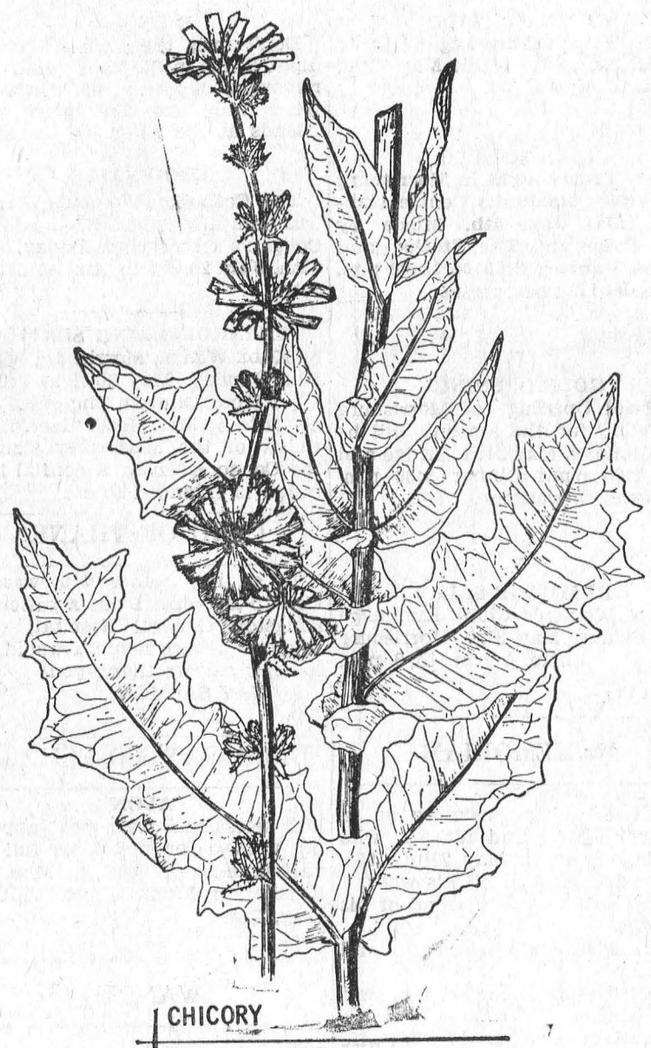
Traveling "Tent Chautauquas" long ago borrowed the idea and name but disappeared with advent of the auto, motion picture and radio. This original grew, however: attendance each July and August reaches 55,000.

Music is special here — besides orchestra and opera, 1965 artists include Marian Anderson, Van Cliburn, Guy Lombardo and the Brothers Four.

Noted for its spirit of free inquiry, Chautauqua has presented great speakers since its founding, including seven U.S. Presidents. This year's list includes Senator Robert Kennedy, Congressmen Gerald Ford and John Lindsay; the Ambassadors from New Zealand and Nigeria; Dr. Karl Menninger and the Rev. Ralph W. Sockman.

Water sports and golf, art shows and religious activities round out the program at this unique summer center. Visitors will find accomodations in Victorian-style hotels and cottages; brochures are available from Chautauqua Institution, Dept. DM Chautauqua, N.Y.

WEED OF THE WEEK



CHICORY

Weed of the Week series

ONTARIO DEPARTMENT OF AGRICULTURE

FOUND ALONG ROADSIDES
BLUE-DEVIL CHICKORY

Also known as coffee-weed, blue daisy or blue devil. Found along roadsides and in meadows or pastures. While it seldom thrives in cultivated land, at times it does become a problem.

A biennial or short-lived perennial, it may grow up to four or five feet high and seems to like high-lime soils. Its conspicuous, large blue flowers, that open in the morning and usually close by midday, make it rather easy to identify, during its flowering period from July to October.

If chicory has become a problem in cultivated land, the use of a rotation with a row-crop before seeding down for hay or pasture is of value.

In waste land or grass pastures 12 oz. of 2, 4-D acid as aster per acre applied in late spring, or towards the end of September or early October will give control.

In forage stands containing alfalfa or trefoil use 16 to 20 oz. of 2, 4-D as ester in 20 gallons of water when the weeds are in the rosette stage in early spring or apply in the fall, in late September or early October.

If the forages consist of pure stands of or mixtures containing red or alsike clover use 16 to 24 oz. of MCPB as sodium salt instead of 2, 4-D. Do not use 2, 4-D or MCPB treatments if the crop is intended for seed production later in the seaosn.

For further information on the use of chemicals for weed control obtain a copy of Publication 75, Guide to Chemical Weed Control. This publication is available from your County Agricultural Representative, or from the Information Branch, Ontario Department of Agriculture, Parliament Buildings, Toronto 2, Ontario.

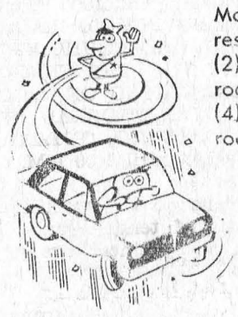
HOW'S YOUR DRIVING?



Most automobile skids are the result of (1) under-inflated tires? (2) too much snow or ice on the road? (3) over-inflated tires? (4) driving too fast on slippery road surfaces?

According to the Ontario Safety League (4) is correct. But remember, you're more likely to skid if the treads on your tires are worn. If your car does start to skid, you should turn the front wheels in the direction the rear end is swinging.

THE HYDRO-ELECTRIC POWER COMMISSION OF ONTARIO

PROPERTY FOR SALE

TOWNSHIP OF MATILDA

The Commission is offering for sale property in the Township of Matilda consisting of approximately 227 acres in Lot 2 and part of Lot 3, Registered Plan No. 54. The property is located between the Canadian National Railway and Highway No. 401, about one-quarter of a mile east of the Village of Iroquois.

Other particulars and appointment for inspection may be obtained by telephoning Kingsdale 3-2815 Morrisburg, or by writing to Ontario Hydro, 620 University Avenue, Toronto - attention: Property Division.

Sealed offers to purchase must be received by the undersigned before 4:00 p.m., Eastern Daylight Time, June 14, 1965, at 620 University Avenue, Toronto.

Envelope containing offer to purchase must carry identification that it refers to The Township of Matilda Property.

Offers to purchase must be accompanied by a certified cheque payable to The Hydro-Electric Power Commission of Ontario, for at least five per cent of the amount of the offer which cheque will be returned to the unsuccessful bidders.

All offers submitted must allow until June 28, 1965, for acceptance or rejection and must not be withdrawn until after that date. Offers must also allow until August 31, 1965, for closing of sale.

The highest or any offer not necessarily accepted.

E. B. EASSON,
Secretary.
19-21c.

INCREASING ROLE

Present estimates indicate that thermal-electrical plants, both coal fired and nuclear, will represent about 70 percent of Ontaio Hydro's total generating capacity in 1980, compared with 27 per cent today. Hydro currently operates 65 hydro-electric plants on 27 Ontario rivers and six thermal electrical electric stations
