Women's Institute Hold Enjoyable Valentine Party

The local town hall was the scene of an enjoyable event on Tuesday evening when the members of the Winchester Women's Institute entertained their husbands and friends at a Valentine Party. About 85 were present.

Prior to the program, a brief business session was held, with the president, Mrs. George Wilson, presiding, and Mrs. Wm. Lannin as secretary. Roll call was answered by each member telling how she met her husband, or by introducing her guest.

The hall was beautifully decorated for the occasion with Valentine hearts, streamers, etc.

Mrs. K. Carlyle and her committee took charge of the evening's entertainment, which consisted of a number of interesting games and contests.

Mrs. R. Woods and Mrs. W. Galbraith conducted a birthday singing contest. The group, whose birthdays occurred in January, were the winners. The only two ladies who were observing their birthdays on Tuesday, February 15th, were Mrs. Chas. Cross and Mrs. G. Coons, and they contributed a special number.

Readings entitled "My Valentine," and "Under The Same Flag," were given by Mrs. Jay Nesbitt, a senior member of the Institute. She received hearty applause for her efforts.

Miss Muriel Armstrong and Mrs. C. Cross had charge of a Relay Race and Contest, which added humor to the evening's program and was greatly enjoyed.

At the close of the program, lunch was served by the following committee: Mrs. K. Carlyle, convener; Mrs. G. Wilson, Mrs. R. Woods, Mrs. O. Patterson, Miss E. Justus, Mrs. S. Price, Mrs. W. F. Workman, Miss B. Rennick, Miss H. Porteous, Mrs. W. Galbraith, Mrs. C. Cross, Mrs. G. Parish, Mrs. A. Beach, Miss M. Armstrong, Miss M. Coons, Mrs. B. Potter, Mrs. J. A. Bean and Mrs. J. Nesbitt.

The vote of thanks to the committee was voiced by Mrs. Ronald Freeland. The National Anthem was sung in closing, with Mrs. Thos. Edgerton presiding at the piano.

OBITUARY

THE LATE L. A. ELLIS

The death of Mr. Lemuel Arthur Ellis, a former resident of Winchester, occurred at an Ottawa hospital on Saturday last, following a brief illness.

Born in Matilda Township 72 years ago, deceased was a son of the late Samuel Shepherd Ellis and his wife, Sarah Jane Corker. For several years, prior to taking up residence in Ottawa, Mr. Ellis resided in Winchester, where he operated a cheese and butter factory.

The late Mr. Ellis was twice married, his first wife, the former Eliza Ann Summers, predeceased him by several years.

Besides his second wife, who was formerly Miss Ila Maguire, he leaves one son, Norman Arthur Ellis, of Londonderry, N. S.; two daughters, Mrs. F. N. Smith, of Bath, England, and Mrs. W. H. Boyles, of Montreal; and three sisters, Mrs. J. P. Lennox, Brinston; Mrs. Arthur Fader, of Iroquois, and Mrs. G. I. Shaver, Ottawa.

The funeral service was held on Tuesday afternoon at the A. E. Veitch Funeral Home, 338 Somerset St., Ottawa, thence to Winchester United Church. Rev. R. Purves-Smith officiated at both services, assisted by local clergymen.

Interment was made at Maple Ridge Cemetery.

LATE MRS. WM. A. GAMBLE

The community of Ventnor was shocked and grieved to learn of the sudden passing on Saturday, February 12th, of Ruby Evelyn, beloved wife of William A. Gamble. Mrs. Gamble had been in normal health and her untimely death came as a sudden shock to those who had known and admired her active interest in community affairs.

In her sixty-third year, Mrs. Gamble was born in Winchester Springs on September 4th, 1886, a daughter of the late George Salter and his wife, the former Hannah Wylie. On June 15th, 1940, she was married at Winchester to William Arnold Gamble, who survives her. They lived in Winchester and Strathroy before moving to their present farm home in the Eighth Concession of Edwardsburg Township, some thirty years ago.

An active church and community worker, Mrs. Gamble was one of the most faithful members of the Ventnor Women's Institute, the Women's Missionary Society and the Sunday School of Ventnor United Church. Her sincere interest in all such activities will be sadly felt by all the organizations in which she had served.

Funeral services were held on Monday, February 14th, at 2 p.m. from her late residence to the Ventnor United Church, where services were conducted by the Rev. Mr. J. Hurst, pastor of the church. "Ivory Palaces" was sung by the choir, the number being a favourite of the deceased.

Interment was made in the family plot at the cemetery of St. Andrew's Presbyterian Church, Spencerville. The pall bearers were Messrs. John Dobbie, Roy Henderson, Harold Riddell, Wm. J. Brown, John A. Kennedy and Burton Sloan, all neighbours of the deceased.

Surviving to mourn her loss besides her husband are two foster-daughters, Mrs. Lloyd Brown (Joy), of Brockville, and Marie, at home, and one foster-son, Cecil Bennett, of Shanly; also six foster grandchildren; two sisters, Mrs. William Smith, of Calgary, Alta., and Mrs. H. R. Edmison, of Los Angeles, Calif., and one brother, George Salter, of Calgary, Alta., also survive.

The many floral offerings received bore tribute to the memory of the departed and included: Broken Circle, husband and Marie; Wreaths, Mr. and Mrs. Lloyd Brown, the Brady Family, Brockville; Harry and Nina Coons; Sprays, Mrs. H. R. Wilson, Mr. and Mrs. Cecil Bennett, Mr. Ralph Cummings and Family, Family of the late Mr. and Mrs. Albert Small, Ventnor United Church and Ventnor Women's Institute.

MR. DOUG. WALLACE DIES AT OSGOODE

Mr. Douglas A. Wallace, well-known business-man, died suddenly at his home at Osgoode Station last Wednesday evening. It is believed he suffered a heart attack shortly after putting his car in the garage near his home.

The late Mr. Wallace was in his 46th year and was the only son of Mrs. Ida Wallace, who resides at 325 Clemow Ave., Ottawa.

A native of Kars, Ont., Mr. Wallace received his education in schools there prior to taking over the managership of a store in Osgoode, which had been established by his father, the late John Wallace.

A keen businessman, Mr. Wallace, up until the time of his death, was proprietor of the Rideau Ferry Inn, Rideau Ferry, and the Lighthouse, a dance pavilion at Osgoode. He was also promoter of the scenic boat tours along the Rideau.

A member of Osgoode United Church, Mr. Wallace was also an active Free Mason, a member of the Oddfellows and the Ottawa Lions Club.

Surviving, in addition to his widow, the former Jean Lindsay, are two daughters, the Misses Jane and Barbara Wallace, of Osgoode, and two sisters, Mrs. Robert Dowd, of Metcalfe, and Miss Dorothy Wallace, Reg. N., of Ottawa.

The funeral, which was largely attended, was held on Saturday, with Rev. J. B. Jose, pastor of St. James United Church, Osgoode, officiating, assisted by Rev. A. Y. Robertson, of North Gower United Church. Interment was made at Rideau Vale Cemetery, Kars.

Among those from out of town who attended the funeral were Mr. Howard Porteous, of Vernon, and Mr. Eldon Fennell, of Winchester.

Cardinal Contractor Gets Contract To Build Local Theatre

Mr. Walter C. MacDonald informed The Press on Tuesday that the contract for the construction of his motion picture theatre had been tendered to the Dodge Contsruction Company, of Cardinal, and that work on the building would get under way within the next two weeks.

The theatre will be constructed of cinder blocks and stuccoed. It will be located on St. Lawrence Street, just south of the Golden Pheasant Steak House, and will have a seating capacity of about 450. Size of the building is 40x112 feet. All necessary equipment for the theatre has been purchased, and the contractor has assured the owners, Messrs. MacDonald and Meldrum, that the building will be completed in three months' time.

C. P. R. TO INAUGURATE PICK-UP AND DELIVERY OF FREIGHT SERVICE IN WINCHESTER

Very shortly the C. P. R. will establish Winchester as a pick up and delivery point for less-car-load freight. This will mean that less than carload shipments of freight arriving at the station will be delivered, within the limits of Winchester, free of cartage, also shipments going forward will be picked up by carter without collection of cartage.

This arrangement will apply to freight shipments received from, or consigned to a C. P. R. point in the Province of Ontario, except West of Sudbury and to the Province of Quebec as far East as Quebec City.

Pick up arrangement will not apply on freight consigned to a point on another railway within these limits or to a C. P. R. point outside of above limits.

Pick up and delivery of freight is being handled by Mr. Don. Redmond, who is now engaged in the delivery of Express in Winchester.

All less-carload-freight arriving at station, if entitled to pick up and delivery service, will be delivered by carter each day and without any notification from consignee. Outgoing shipments will be picked up by carter and delivered to station for forwarding, without collection of cartage charges, provided shipment is destined to a point within the pick up and delivery territory.

Call Mr. Don. Redmond, No. 104, or the C. P. R. Station, No. 5, when you have shipments to go forward, and they will be handled promptly.

PUBLIC SCHOOL BOARD MEETING

The Winchester Public School Board held their regular monthly meeting in the school on Monday evening with the following members present, Messrs. Charles Cross, R. Wylie, C. Churchill, H. Biccum, and the secretary-treasurer. The chairman, Mr. Eldon Fennell, presided. Also present at the meeting were Mr. W. J. Stewart, B.A., School Inspector, and Mr. H. Potter, School Principal. After the minutes of the previous meeting had been read and adopted, the chairman gave a demonstration of a slide and roll film machine, the purchase of which has been discussed by the Board for some time. Mr. Stewart, Inspector of Schools, strongly recommended that such a machine should be obtained for the school for use in classroom instruction, and, said this machine was economical, easily operated, and was of great interest to all pupils from Grade I to Grade VIII. During the discussion regarding the purchase of this film machine, Mr. Potter submitted a list of films and slides which are available from the Dept. of Education for a nominal fee. The Board authorized Mr. Potter to prepare a list of required films, and the Purchasing Committee was authorized to proceed with the purchase of the machine and necessary equipment. Mr. Potter was also authorized to purchase supplies to carry out reed weaving class instruction. Mr. Potter told the Board that there was a total enrolmen of 167 pupils and, from a recent survey, there would be approximately 25 new pupils to enter school in September and said it was quite possible additional classroom space would be required.

Mr. Potter explained that the subject of children walking on the highway and crossing the street between intersections, hadbeen stressed by all the teachers, but suggested that, unless more co-operation was received, the local police might have to be asked to assist in this matter.

Also brought before the Board was the matter of loaning school chairs and it was decided that, in order not to discriminate against anyone chairs would not be loaned to private individuals at any time. Several other items, on which full information was not available, are being held in abeyance until the next meeting in March.

Defeated at Finch

On Friday night the Rockets journeyed to Finch to take on the Stormont Blue Devils in an exhibition game. In a rough and tumble contest the Intermediate team outscored the Rockets 6-5.

Win At Kingston

At Kingston on Saturday night, the Rockets nosed out the Disney Barons 9-8 in a hectic exhibition game. Short three of their regular players, Inkerman used Allen Kellogg to fill in one of the defence positions. Allen, who is a member of the Cornwall Junior Calumets, turned in a fine performance.

Russell Wins First Game Of Finals, 5-3

The Winchester Junior Hockey team dropped a 5-3 decision to the Russell sextette in the opening game of the Russell-Dundas Junior Hockey League Finals, at the local arena on Monday evening.

The contest, which was packed with action all the way, attracted one of the largest crowds of the season.

It was anybody's game right up to the final whistle and it was the breaks of the game that decided the winner.

Penalties proved costly to Winchester and left an opening for two of the Russell goals.

The visitors appeared to be the more aggressive in the initial frame, but the locals had the better of the play in the final session. Play was equally divided in the second period.

Charlie Hicks was the big gun for the visitors, scoring three goals and assisting in another. Lewis and Fader collected the other two.

Ron. Workman, with one goal and one assist, was the locals' sharpshooter, while Clair Bailey and Allan McIntosh each scored once.

Due to injuries, Eldon Bailey did not appear on the Winchester lineup, while two of the other regular players received injuries at the start of Monday's contest, which handicapped them for the rest of the game.

The finals are a "best-of-three" series. The second game was played last night. If a third game is necessary it will be played at the local arena on Friday evening and will start at 7.15 o'clock sharp.

The line-ups were:

Russell—Goal, K. Russell; def., C. Hume and F. Cochrane; centre, G. Fader; wings, G. Hicks and K. Chambers; alternates, M. Eastman, H. Robinson, D. Dillabough, G. Lewis, J. Sullivan, J. McEwen, N. Boyd and Bill Thompson.

Winchester, Goal, Bolton; defence, Morgan and R. Timmins; centre, McIntosh; wings, Workman and K. Timmins; subs., Johnston, Anderson, L. Bailey, C. Bailey, Hutt, Justus.

RUSSELL-DUNDAS LEAGUE HOCKEY SEMI-FINALS

By defeating Metcalfe 10-3 at the local Arena last Friday evening, the Winchester Junior Hockey team took the round 19-5 and qualified for the league finals. Bob Anderson sparked the winners with three goals, while Ron. Timmins and Ron. Workman picked up two each. K. Timmins, C. Bailey and and Allan McIntosh came through with one apiece. W. Dowser, E. Craig and M. Ross scored for Metcalfe.

In the other semi-final series, Russell eliminated Chesterville by defeating that team 8-4 in the deciding game, played here on Thursday evening last.

Russell and Winchester are now engaged in a two-out-of-three series to decide the league championship.

Inkerman Rockets Play R.C.A.F. Team Here TONIGHT.

The Inkerman Rockets will play an exhibition game of hockey with the R.C.A.F. team, of Ottawa, at the local arena tonight (Thursday). The Air Force is expected to ice a strong team and the Rockets will be given plenty of tough opposition. This contest should create plenty of excitement, as well as fast hockey, so don't miss it. Tickets are 50c and 15c for this game.

The R. C. A. F. team represented Canada at last winter's Olympic Hockey Competitions, emerging as World Champions. With the exception of two players, the team will be intact when it appears here tonight. Come out and see how the Rockets will perform against such a galaxy of hockey stars.

MINISTER'S WIFE INJURED IN FALL

Mrs. N. J. Thomas, wife of Rev. Norman Thomas, pastor of the United Church here, was a patient in the local hospital for a few days, suffering from injuries which resulted from a fall on slippery steps. An X-ray examination disclosed that two ribs were fractured. The accident happened while Mr. and Mrs. Thomas were in Ottawa attending a performance of the Ottawa Choral Union in which their son, Sargeant, of Ottawa, was a member of the chorus. While leaving the home of a friend, Mrs. Thomas slipped and fell. The many friends of Mrs. Thomas will be pleased to know that she was able to return from the hospital last Friday and is now convalescing at her home.

WOLF CUB PACK TO OBSERVE SCOUT AND CUB WEEK

The 1st Winchester Wolf Cub Pack is to join with thousands of their fellow Cubs in observing Scout and Cub Week, February 20th to the 27th.

The Week will open with a Church Parade to St. Matthias' Anglican Church at 3.00 p.m. this coming Sunday when the service will be taken by Akela, The Rev. L. B. G. Adams, who recently was appointed Cubmaster of the local Pack. The parade will be in charge of Baloo, Mr. A. Dukelow, assisted by Raksha, Miss Jean Wyatt.

Tuesday, February 22nd, is the birthday of Lord Baden-Powell, the Founden of the Boy Scout Movement. On Tuesday evening a Parents' Night will be held at 7.30 at the Public School auditorium where the boys will entertain their parents with a demonstration Cub meeting. Akela will again be assisted by Baloo and Raksha.

The Wolf Cubs meet every Tuesday evening at the Public School. Any boy between the ages of 8 and 12 are welcomed to the Pack. Akela has expressed the hope that parents and friends will encourage the boys to make the most of this opportunity to worship, learn and play together.

WAR ON PESTS—1949

Operation orders are now being drawn up for what is expected to be one of the hottest anti-pest wars in Canadian history. From G. H. Q. of the National "War on Pest" Committee comes word that this year's campaign will be aimed at not only the common housefly, but rats, household insects, grasshoppers, garden insects and weeds.

While this may sound like an ambitious program and wlll not likely be 100 per cent. successful, it will serve to awaken citizens to the fact they needn't tolerate having themselves robbed of health, comfort and money by a horde of pests which can be destroyed if everyone co-operated.

The 1948 efforts of the Junior Chamber of Commerce of Canada showed how effective such co-operation can be. Highly successful anti-fly campaigns were conducted in the Maritimes in Amherst, N. S., Moncton, N. B., and Charlottetown, P.E.I. This year other east coast centres are planning to emulate these leaders in community effort.

Largely as a result of a number of spraying demonstrations by industrial firms, Montreal has engaged a university graduate to serve as pest control officer and provisions have been made in the city's 1949 budget for a war of pest campaign. In Ontario, active campaigns were conducted in Toronto, Hamilton, Peterborough and Brantford. Simco, Ont., became one of the most fly-free cities in Canada when 75 per cent. of the home was fogged with DDT.

Winnipeg, Moose Jaw and Saskatoon led the prairies in last year's anti-pest war. In British Columbia, Dawson Creek initiated a lively campaign while a general campaign was carried out to combat flies and mosquitoes in flooded areas. The war is still on—only on a much larger scale. Let's all get in it this year.

HORSE SENSE

If you work for a man, in Heaven's name work for him. If he pays wages that are just, work for him, speak well of him, stand by him and stand by the institution he represents. I think, if I worked for a man, I would work for him. I would not work for him a part of his time, but all of his time. I would give an undivided service or none. If put to the pinch, an ounce of loyalty is worth a pound of cleverness. If you must vilify, condemn, and eternally disparange, why, resign your position and when you are outside, damn to your heart's content. But I pray you, so long as you are part of an institution do not condemn it. Not that you will injure the institution—not that. But when you disparage the concern of which you are a part you disparage yourself. And don't forget, "I forgot" won't do in business.—Elbert Hubbard.

QUOTES FROM YESTERDAY

Never love unless you can
Bear with all the faults of man:
Men will sometimes jealous be,
Though but little cause they see;
And hang the head, as discontent,
And speak what straight they will repent.
—Thomas Campion.

Exceeding fair she was not; and yet fair in that she never studied to be fairer than nature made her. —George Chapman.

No one ever regarded the first of January with indifference. It is the nativity of our common Adam. —Charles Lamb.

EDITORIAL NOTES

Christian Science Monitor: Perhaps billions make you dizzy. Well, try these: In one year Americans spent $8,700,000,000 on liquor, $2,500,000,000 on charity. In one year they spent $6,000,000,000 on the races, and on education, $2,500,000,000. Such figures don't tell the whole story, but they are a useful reminder that "where your treasure is, there will your heart be also."

How Much Margarine Will We Eat?—At present Canadians are the world's third largest butter eaters—at 28 lbs. per person—which is nearly three times the American figure, and is surpassed only by New Zealand and Denmark. Just how far Canadians are likely to turn to margarine in place of butter can only be guessed, remarks the Financial Post. But it's hardly likely Canadians will eat more margarine than their American neighbours (6 lbs. per person) if only for the reason that the margarine companies are hardly yet in a position—nor likely to be for some time—to produce to that extent. On this basis then, the dairymen might eventually kiss something like 22 per cent. butter business goodbye if Canadians go for margarine to the extent Americans do; if, as and when Canadian oleo producers can hit a production figure of 70 million odd lbs. a year.

FOOD AND FITNESS

National Health Week, January 30th to February 5th, reminds Canadians that food and physical fitness are closely related. Our country is one of the greatest food producing nations in the world. Most of the foods essential for a balanced diet are produced at home. But to have "three square meals a day" does not guarantee that malnutrition will not threaten a family's health.

The right kinds of food in correct proportions over a week's period should be consumed. The homemaker should be acquainted with Canada's Food Rules. In her meal planning, shopping and in the preparation of food, she should try not only to please her family by giving them their favourite dishes. She must also be confident that she is doing her part to see to it that their bodies are well nourished.

What are Canada's Food Rules? Here in brief form are the foods which should be eaten every day according to the decision of The Canadian Council of Nutrition (1944).

CANADA'S FOOD RULES—Listing the foods for health. MILK—Adults, 1-2 to 1 pint; children, 1 1-2 pints to 1 quart. FRUIT—one serving of citrus fruit or tomatoes or their juices and one serving of other fruit. VEGETABLES—at least one serving of potatoes; at least two servings of other vegetables, preferably leafy, green or yellow, frequently raw. CEREALS and BREAD—one serving of a whole-grain cereal and at least four slices of Canada Approved Vitamin B bread with butter; MEAT and FISH—one serving of meat, fish, poultry or meat alternates such as beans, peas, nuts, eggs or cheese. Also use eggs and cheese three times a week each, and liver frequently. A fish liver oil, as a source of vitamin D, should be given to children and expectant mothers. Iodized salt is recommended.

Clip out these rules and discuss them with your family. Where in the diet in your home are you falling short of this sensible "measuring stick?" Clip these suggestions out and put them up in your kitchen near your shopping list board!

School age boys and girls often receive instruction from their teachers about the different foods. Milk is the most important single food—but unfortunately, 30 to 40 per cent. of our population use little or no milk. Potatoes, tomatoes and turnips provide much of the Vitamin C in Canada's diet. Yellow vegetables and lettuce, cabbage and vegetables are sources of Vitamin A. Food energy is derived from whole grain cereals. Fruits especially citrus fruits such as oranges, are valuable and are used regularly in only 1-2 the homes in our country.

Canadians need to eat more vegetables and more fruit, but most Canadian homes use a sufficient amount of protein foods—meat, poultry, fish, eggs, and legumes.

Small Johnny may rebel against being admonished to "Eat up your spinach! It is good for you!" But the Junior Red Cross may influence Johnny's thinking when he is a little older. Each school child receives a small card from the Canadian Junior Red Cross with the "Ten Rules of Health" printed on it.

The first two rules are:

1. Eat plenty of whole cereal, vegetables and fresh fruit every day, and some meat, fish, eggs or cheese.

2. Drink at least three glasses of milk and four glasses of water every day, but no tea or coffee.

By following these suggestions Johnny is building physical fitness by right eating.

Other Editors' Opinions

TEACHING ETIQUETTE
(Stratford Beacon-Herald)

In Milwaukee, a school of etiquette for municipal employees is opened. And very useful, too, we should think, in case a city fireman is asked to pour.

AN ONLY CHICK
(Sault Ste. Marie Star)

Then they tell of the lonely baby chick taking a look around the electric incubator of unhatched eggs: "Well, it looks as if I'll be an only child. Mother's blown a fuse."

THAT'S NEEDED, TOO
(Peterborough Examiner)

A perfume advertisement recommends "a fragrance that says frankly, 'Follow Me'." Is there any way of switching this quickly to one which says, "You've gone far enough?"

RATS MOVING WEST
(Port Arthur News-Chronicle)

Alberta still claims there are no rats in the Province, but with trains carrying food moving in from time to time they cannot much longer escape what happened to Manitoba some 30 or so years ago. That province once made similar boasts.

FUNNY CAUSE
(Calgary Albertan)

If it weren't so serious, the strike of Calgary bricklayers would be downright funny. Imagine grown men drawing $1.60 an hour for work they say takes a lot of brains, going on strike and tying up the major construction jobs because they don't want to be paid by cheque.

AN EXCELLENT DISH
(Ottawa Journal)

The time has come for solid citizens to unite in pressing for chocolate bread pudding more often. It may be a humble, plebian dish compounded of leftover bread. But the countryman feels toward this dish the same as he does toward meat and potato hash. Both are superb eating if they are made correctly.

MAN AND WILD ANIMALS
(The Argonaut)

For the last thirty years and more man has been sinking morally, below the beasts of the fields and the fowls of the air; and indeed it is only too true, as James Anthony Froude, the historian and one time professor of modern history at Cambridge, wrote: Wild animals never kill for sport. Man is the only one to whom the torture and death of his fellow creatures is amusing in itself."

RUSTPROOF CAR
(London Daily Mail)

The British motor industry has produced the first completely rustproof car. New painting and finishing processes ensure that car bodies will retain their gloss under the worst conditions.

These secrets were revealed in Birmingham. They are the car industry's answer to complaints from overseas buyers that British cars tend to rust quickly in humid tropical and semi-tropical countries.

EXPLAINS WHY
(Stratford Beacon-Herald)

Alexei Paviov of Russia has told the United Nations why his government bars the Soviet wives of foreigners from going abroad to join their husbands. It is "to save them from humiliation, indignity and hostility in Western countries." He added that the question was "purely the domestic concern of Russia" and was outside the jurisdiction of the United Nations. This explanation is quite as convincing as Soviet Russia's other explanations of the unexplainable.

SEE CANADA FIRST
(Brantford Expositor)

Have you ever been to the East Coast? Or the West? Or both? The chances are that most readers will have to answer one or two or perhaps all three of these questions in the negative. On that account, the surprising thing is not that Canadians have so little national spirit, but they have so much! "What do they know of England who only England know?" asked the poet. "What do they know of Canada who do not even know half or quarter of their geographically widespread country?"

Our Column

The withholding of truth is sometimes worse deception than a direct misstatement.

He is a fool who cannot be angry; but he is a wise man who will not.—Old Proverb.

The department of highways says to winter motorists: "Keep your wits and windshield clear."

The wisdom of the wise and the experience of ages may be preserved by quotation.—Disraeli.

In Quebec a farmer has trained a pig to pull him in a cart to town, which is the bacon bringing home the man.

Something else the western world could learn from the Chinese is to pay its bills before the arrival of a new year.

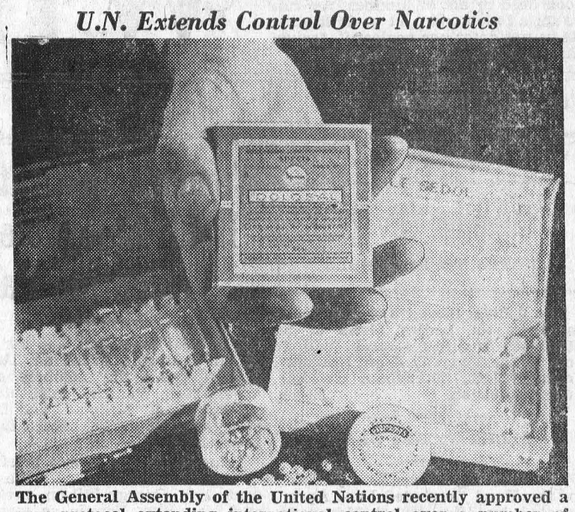
One may come to the conclusion that a man's reputation is a blend of what his friends, enemies and relatives may say behind his back.

How many of the people who complain with such bitterness about the municipal assessment of their properties would sell them at that figure?

On first reading it may sound contradictory, but a farmer who can't find fishworms in his soil is probably a better fisherman than a farmer.

The hens of the United States produce one thousand eggs per second. The country's radio comedians will never hit the average, but some of them must be given full marks for trying.

U.N. Extends Control Over Narcotics



The General Assembly of the United Nations recently approved a new protocol extending international control over a number of synthetic drugs which had been developed in recent years and had remained outside the scope of previous conventions on the control of narcotics. Above are some of the drugs brought under international control by the new Protocol. Previous conventions covered only natural narcotics, such as opium, cocaine and morphine.

Flavoring Candy

Be sure not to add the flavoring to candy until after it has cooked and is ready to be poured into container to cool. It is just a waste to add the flavor to the candy while it is cooking, as the flavor will cook right out again.

Keeping Pastry

When a double amount of pastry is prepared and half of it is put away in the refrigerator for future use, brush it all over with shortening and wrap in waxed paper before placing in the refrigerator. The pastry will not dry out if this is done.

W. H. S. NEWS NOTES

(By Pringle Thomas)

Hockey News

Our W. H. S. hockey team wound up their regular schedule last Friday by defeating our closest rivals, Morrisburg, by the slim margin of 4 to 3 in a very hard-fought, but clean game. This win over Morrisburg gave Winchester High School a good chance to come out on top in the play-offs. Other teams in the league include Iroquois and Finch, both of which are below Winchester in the league standing. Line-ups for the game were:

W. H. S.—Goal, Feltham; def., Justus and Olive; centre, McIntosh; wings, E. Bailey and McKercher; subs., Barrigar, Bowden, McVey, Porteous, Meldrum, Crerar, Alexander.

M. C. I.—Goal, Jones; def., Conners and Flynn; centre, Stitt; wings, Ing and Clark; subs., Campbell, Hummell, McGee and McIntyre.

Public Speaking Contest

The annual Public Speaking Contest will be held at the High School on March 2nd for Juniors and on March 9th for Seniors, competing for the Alumni and McMaster Cups, respectively. The students at the school are well encouraged to speak, as it gives them confidence in themselves before an audience and develops their speaking voice. It would be an asset to the students if the parents of students would encourage them to enter the Public Speaking Contest this year.

Girls' Hockey

The girls have organized themselves into a hockey team and in their first encounter with Chesterville were defeated by a slim margin. "Better luck next time, girls."

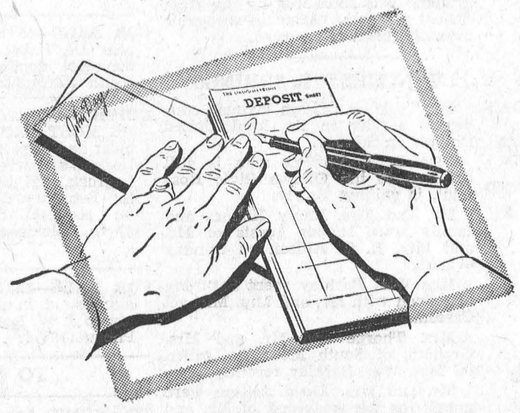
COLD CONSTITUTIONALS

Don't let low February temperatures keep you indoors all the time. We need exercise out-of-doors in winter as well as in summer if we are to stay fit and healthy. Warmly dressed, there is nothing more bracing than a brisk walk on a cold afternoon. The fresh air will help you work up a first-class appetite, too.



it's strictly between

You and Your Bank

How much you borrow, how much you save ... how much you put in, how much you take out ... that's *your* business. Your right to keep your private affairs *private* is a cherished principle of Canadian banking.

NEXT time you are in your bank, notice how many people keep their cheques face down . . . just like you . . . while they make out their deposit slips. Notice how they close their passbooks before handing them in—and get them back closed too.

Canadian bank service is recognized by everyone as confidential. Every employee, when he came into the service of your bank, took a solemn declaration of secrecy. Your relationship with your bank is the most vitally confidential business relationship you have.

Contrast this Canadian way with conditions in lands where freedom is denied—where every bank is a political tool, every banker a public official working for the State! State monopoly of banking, proposed by socialists here, would open your banking transactions to political intrusion.

Chrysler-Method Remanufactured Engines are New and Different

HERE'S WHY

They're precision built to Chrysler Factory Standards. Remanufacturing plants were designed and laid out by Chrysler factory engineers and employ factory-trained mechanics.

All parts which fail to meet Chrysler engineering specifications are replaced with NEW factory-engineered parts.

All engines have NEW crankshafts—there is no regrinding. Very different from the usual "re-built" engine.

Special Chrysler production-type gauges check tolerances of new and used parts as closely as one ten-thousandth of an inch.

All engines, when remanufactured, are dynamometer-tested to the same standards as those applied to NEW Chrysler-built engines.

THE MIXING BOWL
BY Anne Allan
HYDRO HOME ECONOMIST

Hello Homemakers! There is a natural curiosity about how margarine as compared to butter is made. It does not seem so long ago that grandmother said, "Now keep churning steadily until the fat is about half the size of wheat kernels." In those days on the farm butter was made from the cream taken from the separator and pasteurized by placing the can in hot water on the stove. We watched the thermometer as it rose to 145 and then grandmother pulled it to the back of the stove for 30 minutes. The next job was pouring cold water over the covered can of cream to chill it quickly to a temperature of 56 degrees. Meanwhile grandmother scalded the churn—an oak barrel fastened like a teeter-totter. The cream had to be strained and the quantity was guessed or measured as one-third of a barrel with a few drops of colouring and then churning began. One of us sat on a stool and turned the handle at a speed that would give the cream a good drop or fall. After counting to 80 we pulled the plug, and drained off a quart of liquid. We were always reminded that should the churning be stopped too soon the small granules of butter would be carried off with the first drawn buttermilk. After the buttermilk was drained out, the butter was rinsed with about a gallon of cold water of 40 degrees. Again the plug was pulled to let the water drain off. (Temperature was a more important factor than quantities). As the butter was ladled into the big wooden bowl it was sprinkled with salt. About 1-2 oz. per pound of butter, but the measure was a handful or two. The wooden ladle worked or creamed the butter until it was free from holes and the beads of moisture were very small. Finally the 1-lb. print box was filled and turned out on a square of parchment paper to be packaged for market—and so were 8 or 10 other pounds made, every other day of the week.

How Is Margarine Made

This depends upon available fats. Most manufacturers will use oils from soya-beans, peanuts, cottonseed, flaxseed and such.

Most of the vegetable oil are stirred mechanically until ready to be used. Meanwhile the skim milk received daily is inspected and pasteurized. As in the butter process at the dairy, milk is usually put in an upright tank containing a hot water coil which revolves through the milk throwing the milk in a thin film and quickly heating it to 180 degrees, then it flows into tanks where it is chilled to 52 degrees by means of revolving coils containing cold brine. To this sweet, skim, pasteurized milk is added a "starter" which is a lactic ferment culture. The milk begins to ripen in tanks fitted with coils containing cold water then hot water. The temperature of the coils is accurately controlled to obtain the proper degree of acid.

Meanwhile the oils have been chlorinated by bleaching methods and hydrogenated by chemical treatment. After the various materials are measured the mixing process requires about ten minutes. The temperature control is very important and both mixtures must be stirred quicky as the emulsion forms.

The final stage is crystallization so that the ingredients do not separate. One method is a continuous processing by a long revolving chilling machine. It is then printed, wrapped and packed in cartons.

What We Know About Margarine

1. That as a spread it keeps well under proper refrigeration. It does not become too hard to use when taken directly from the cold.
2. Margarine is an economical spread.
3. If the oils are high quality and pasteurized and if skim milk is added, the product has high nutritive value.
4. Margarine can easily be colored to a delicate yellow tint by mixing with vegetable coloring.
5. Margarine adds flavour to vegetables and sauces, and can be used as a butter substitute in the most tender cakes and cookies.

Orange and Spice Muffins

1-2 cup margarine, 1 cup granulated sugar, 1 tsp. baking soda, 2 eggs, 2 tbsps. grated orange rind, 2 cups once-sifted pastry flour, 1-2 tsp. salt, 1-2 tsp. ground cloves, 1-2 tsp. ground allspice, 1 tsp. ground cinnamon, 2-3 cup sour milk, 1-3 cup orange juice, 1-2 cup chopped nuts, 1 cup raisins.

1. Cream margarine and blend in sugar gradually.
2. Dissolve soda in beaten eggs and add to margarine mixture, a little at a time, beating well after each addition. Add orange rind.
3. Mix and sift flour, salt and spices twice and add, alternately with sour milk and orange juice to margarine mixture, stirring just enough to blend.
4. Add nuts and lightly floured raisins.
5. Turn into margarine-coated and lightly floured muffin pans.
6. Bake in moderate electric oven (350 degrees) about 30 minutes. Yield: 10 to 12 medium-sized muffins.

Butter Tarts

3 tbsps. margarine, 1 cup brown sugar, 1 egg, 1-2 tsp. salt, 1-2 tsp. vanilla, 1-4 cup currants or walnuts.
Recipe for double crust pie paste.
1. Cream margarine and blend in brown sugar gradually.
2. Add egg, a little at a time, beating after each addition.
3. Add salt, vanilla and currants or walnuts.
4. Line shallow tart tins with pie paste and fill to 2-3 with filling.
5. Bake in moderate electric oven (375 degrees) until paste is cooked and filling is set.

HULBERT W. M. S.

The monthly meeting of the Hulbert W. M. S. was held at the home of Mrs. Arthur Graham on February 2nd at two o'clock. The meeting opened by the president reading the theme for the month. The call to worship was read in unison. The prayer in the Monthly was given by the president, and Psalm 145 was read responsively.

Following the business period, readings were given as follows: Christian Stewardship, Mrs. Donald Sullivan; an article on China by Mrs. Percy Ellis; Friendship's Corner, by Mrs. N. Scharf; Temperance reading by Mrs. H. McQuaig. The chapter in the Study Book was given by Mrs. G. D. Empey and Mrs. Arnold Peterson, and the meeting closed with prayer by Mrs. H. McQuaig.

UNITED CHURCH AFTERNOON AUXILIARY MEETING

The monthly meeting of the Afternoon Auxiliary of the Woman's Missionary Society was held on Thursday afternoon last with the president, Mrs. A. B. Allison, presiding, and with Mrs. O. Wallace acting as Recording Secretary replacing Mrs. L. Walker who was absent through illness.

The devotional and programme committee for the meeting was convened by Miss A. Walker, assisted by Mrs. J. W. Ault, Miss M. Rose, Mrs. J. Moffat, Mrs. E. R. Steele, Mrs. A. Duncan. Mrs. Steele also presided at the piano. Miss M. Rose and Mrs. Ault led in special prayer for our Chinese missionaries, and the dedication hymn: "Rise up, O Men of God," was the devotion theme.

The missionary topic, from the book, "West of the Gorges," by K. J. Beaton, was the Press Personalities of West China. Miss Walker and her group vividly presented this story, followed by questions from the meeting.

Routine business and various interesting reports followed. Mrs. G. McIntosh reminded readers of the books on China, which are available. Mrs. A. Duncan reported 13 associate members secured. Mrs. J. H. Faith listed 80 calls and 13 hospital visits made. Mrs. H. Robinson read a letter on Stewardship from the Presbyterial Secretary and named Miss Mary Thomas of Korea as the W. M. S. prayer partner. Timely items on Temperance were read by Mrs. P. Durant.

The Thankoffering meeting, to be held the latter part of March, is to be planned by Mrs. Wm. Steele, Mrs. J. Moffat and Mrs. A. B. Allison. For the March regular meeting, Mrs. H. Robinson and her group will be in charge. The World Day of Prayer will be observed on March 4th in St. Paul's Presbyterian Church.

The meeting closed with prayer, after which the treasurer, Mrs. E. Fennell, received membership fees.

PURINA Chick Startena "CHECKER-ETTS"

The Purina experimental farm has developed these "Checker-Etts" on the advice of millions of chicks. With "Checker-Etts" you get greater growth and no picking over the hoppers for coarse feeds. All birds get the same ingredients. Broiler Chow is in Checker-Ett form also. Buy these feeds at the Checkerboard Store where the supplies are fresh twice a week from Montreal.

Demonstration
We are starting 20-day-old chicks in a display brooder in our store on "Chick Startena Checker-Etts." Come in and see these chicks grow and check their weights each week.

Concentrates and Mixing Service
We have Purina Concentrates on hand for all classes of livestock and poultry. We do custom mixing as well as using these Concentrates as a base for our Chowmix rations. These Chowmix rations are registered by the Ralston Purina Co. Ltd. and are manufactured fresh at our plant.

FIFTH LINE FARM FORUM

The February 14th meeting was held at the home of Mr. and Mrs. Robin Campbell, with nineteen members present. The discussion subject was "Food Takes A Ride." The members divided into two groups with Alex Campbell and Clifford Lewis as leaders. The regular collection was taken.

The hostess conducted a contest in keeping with Valentine's Day, and then a game was played and lunch served. The next meeting will be held at the home of Mr. and Mrs. Cecil Waddell.

SUCCESSFUL VALENTINE TEA

Red and white for St. Valentine's was the colour scheme carried out in the S. S. rooms of the United Church on Saturday afternoon, February 12th, where a delightful Valentine Tea was held under the auspices of the Evening Auxiliary.

Mrs. K. Carlyle and Mrs. Jas. Crummy received the guests and Miss Bertha Coons presided at the money table.

A delightful lunch was served on tables laid with white cloths and red candles. Serving was done by Mrs. Don. Casselman, Mrs. Doug. Hitsman, Mrs. Geo. Bell, Mrs. W. Galbraith and Miss Ruth McInnis. Miss Annie Walker and Miss Jean McRoberts played delightful piano music during the afternoon.

Mrs. H. Willard was convener of the tea, assisted by Mrs. C. Rice, Mrs. E. Davidson, Mrs. R. Wylie and Miss Evelyn Fennell.

LATE JAMES O'NEILL

Friends and neighbours were sorry to hear of the death of Mr. Jas. O'Neill, a former resident of the Melvin Settlement. He had not been in the best of health for some time. But his passing came as a surprise on Sunday when it was known. He passed away at a London Hospital. He had gone to visit his brother, Harvey, and family, near London and was there just three days when he became ill, and passed away on Saturday, February 5th. He was the son of the late Mr. Leon O'Neill and Mrs. O'Neill, formen residents of the Melvin Settlement. To the mother, brothers and sisters goes out the sympathy of the friends and neighbours in their hour of sorrow.

Sunday In The Churches

By Rev. N. J. Thomas, B. Th., Church Editor

SUNDAY, FEBRUARY 20th, 1949.

An Aid To Worship

As soon as you are seated for worship, lift your heart in prayer, asking for the realization of His presence and invoking a blessing on the minister who serves and upon all who worship with you. Meditate a few moments on what you are about to do —worship God—the sublimest act of the human soul. Enter heartily into every phase of the service. Some such prayer as the following would be appropriate to offer: "May the words of my mouth and the meditation of my heart be acceptable unto thee, O Lord, my strength and my Redeemer."

Married At Ottawa.

The marriage of Mrs. Rachel Bessin, formerly of Winchester, to Mr. Oscar Hockman, took place at Ottawa on Tuesday, February 1st, 1949. Rabbi Emanuel Lipshutz performed the ceremony. Mr. and Mrs. Hockman will reside in Winnipeg, Man.

Florida Orange Prices Dropping.

Leave it to Les. Dixon to get the most value for his money. Les. says Gord. Baldwin and Mrs. Akins paid too much for the oranges they bought in Florida—$1.00 and 75c per bushel. Last week Les. paid 50c for a bushel of the yellow fruit—126 large juicy oranges. We're lucky to get a dozen for that amount up here.

Greetings From Winchester, Virginia.

In Monday morning's mail, we received a card from Mr. Glen Campbell, of Ormond, postmarked Winchester, Virginia. Glen was enroute home from Mexico, and had stopped off at Winchester's namesake in Virginia to give the city the once over. He says there is no snow there and those famous Winchester, Virginia, apples are truly delicious.

Died At Ottawa.

Mr. H. R. McLachlan, aged 57 years, passed away at Ottawa on February 9th. He was a native of Kenmore and up until six years ago, had farmed in that district. The funeral was held at Ottawa last Friday, with interment being made at Springhill Cemetery. Besides his wife, he leaves one son, Donald, and one daughter, Ina; also a brother, Mr. Gordon McLachlan, of Kenmore.

ST. PAUL'S W. M. S.

The regular monthly meeting of the Women's Missionary Society took place at the home of Miss Ida Gardner on Tuesday evening, February 8th. The president, Mrs. A. G. Suffel, was in the chair, with Mrs. George Wilson assisting as secretary in the absence of Mrs. R. Empey. The service of worship was conducted by the president, after which the minutes of the January meeting were read by the secretary and the roll call was answered by 21 members reading a verse of Scripture containing the word "Prayer," and giving the number of visits and gifts made. The correspondence was read by Miss Mary Empey.

During the business period it was announced that the Day of Prayer Service would take place in the Presbyterian Church on March 4th. Visits to the sick were reported. It was decided that the costs of sending parcels to England be taken from the Expense Fund. It was voted that the executive of the Synodical Board be extended an invitation to have the 1950 meeting at Winchester.

SOCIAL AND PERSONAL

Mrs. Orren Casselman spent the past week in Ottawa and Hurdman's Bridge.

Mr. Allen Kellogg, of Cornwall, was a week-end guest of Mr. Ron. Workman.

Misses Freda and Phyllis Campbell, of Ottawa, were week-end guests of Mr. and Mrs. Chas. Cross, and had Sunday dinner with Mr. and Mrs. H. Cinnamon.

Following a discussion, it was decided that a Tea and Money Shower would be held, the time and place to be announced later.

The January Auxiliary meetings were reported by the several leaders and secretaries. The financial report was given by the treasurer, Mrs. Wm. Watson.

The program convened by Mrs. A. Summers was as follows: a hymn was sung, followed by the Scripture reading by Miss Algate on the Beatitudes, and prayer was offered by Miss Algate.

Chapter one of the Study Book, "Enter China," was well presented by Miss Emma Gardner, Mrs. Suffel and Mrs. Angus. The topics were—The Middle Kingdom, the Boxers and The Chinese Family, Ancient Rulers, Changing China. These proved most interesting. Current events were given by Mrs. Alex Summers.

The meeting closed by the singing of a hymn, after which delicious candy was served by the hostesses, the Misses Gardner.

MR. ALBERT TURNER HEADS UNITED CHURCH BOARD

Mr. Albert Turner, a former reeve of Winchester, was elected Chairman of the Board of Stewards of the local United Church, at a meeting held in the Church Sunday School Hall last week. Mr. J. Eldon Davidson, of the Department of Annuities, Ottawa, and a resident of Winchester, was appointed Secretary of the Board, and Mr. Willis Robinson, vice chairman. The appointment of a treasurer to replace Messrs. N. W. Beach and J. D. Stewart, who were respectively treasurer and associate treasurer for several years, was postponed until the next meeting.

Rev. N. J. Thomas presided for the election of officers. The matter of the investment of surplus funds of $2,500 was left to the discretion of the new treasurer. After discussing a proposed Annual Hospital Day for all churches in the Winchester and surrounding area, for the purpose of assisting in the maintenance of the hospital, it was decided to let the Hospital Board take the initiative in such a proposal. A committee consisting of Messrs. Howard Biccum, Bower Potter, Arnold Dukelow and Willis Robinson was appointed to look into the possibilities of erecting a recreation hall adjoining the church, for the benefit of young people. Mr. Biccum and Mr. Dukelow, both leaders in Boys' work, stressed the need of such accommodation.
