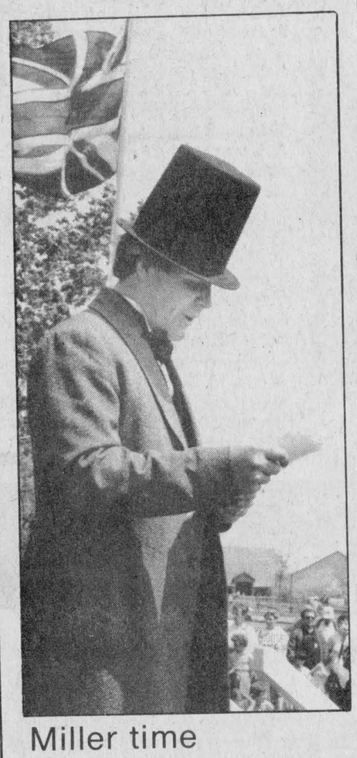
This week



Miller time

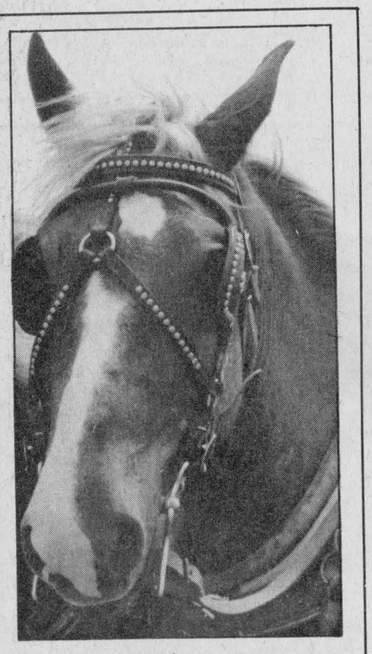
According to Chris Porter, ceremonial mayor of Upper Canada Village, the birthday of Queen Victoria was an especially appropriate time to unveil the village's latest exhibit, a fully operational steam mill. Bellamy's Steam Flour Mills is the only operating mill in North America, powered by both water and steam, to be open to the public. Its opening was marked by a full day of colorful activities.

B-1

One more hurdle

Patti Milne cleared one hurdle in this year's high school track season when she won the 400m open hurdles, 100m and 200m events in last week's SD&G championships. Her triple victory made her one of the United Counties top three Senior girl athletes going to EOSSA.

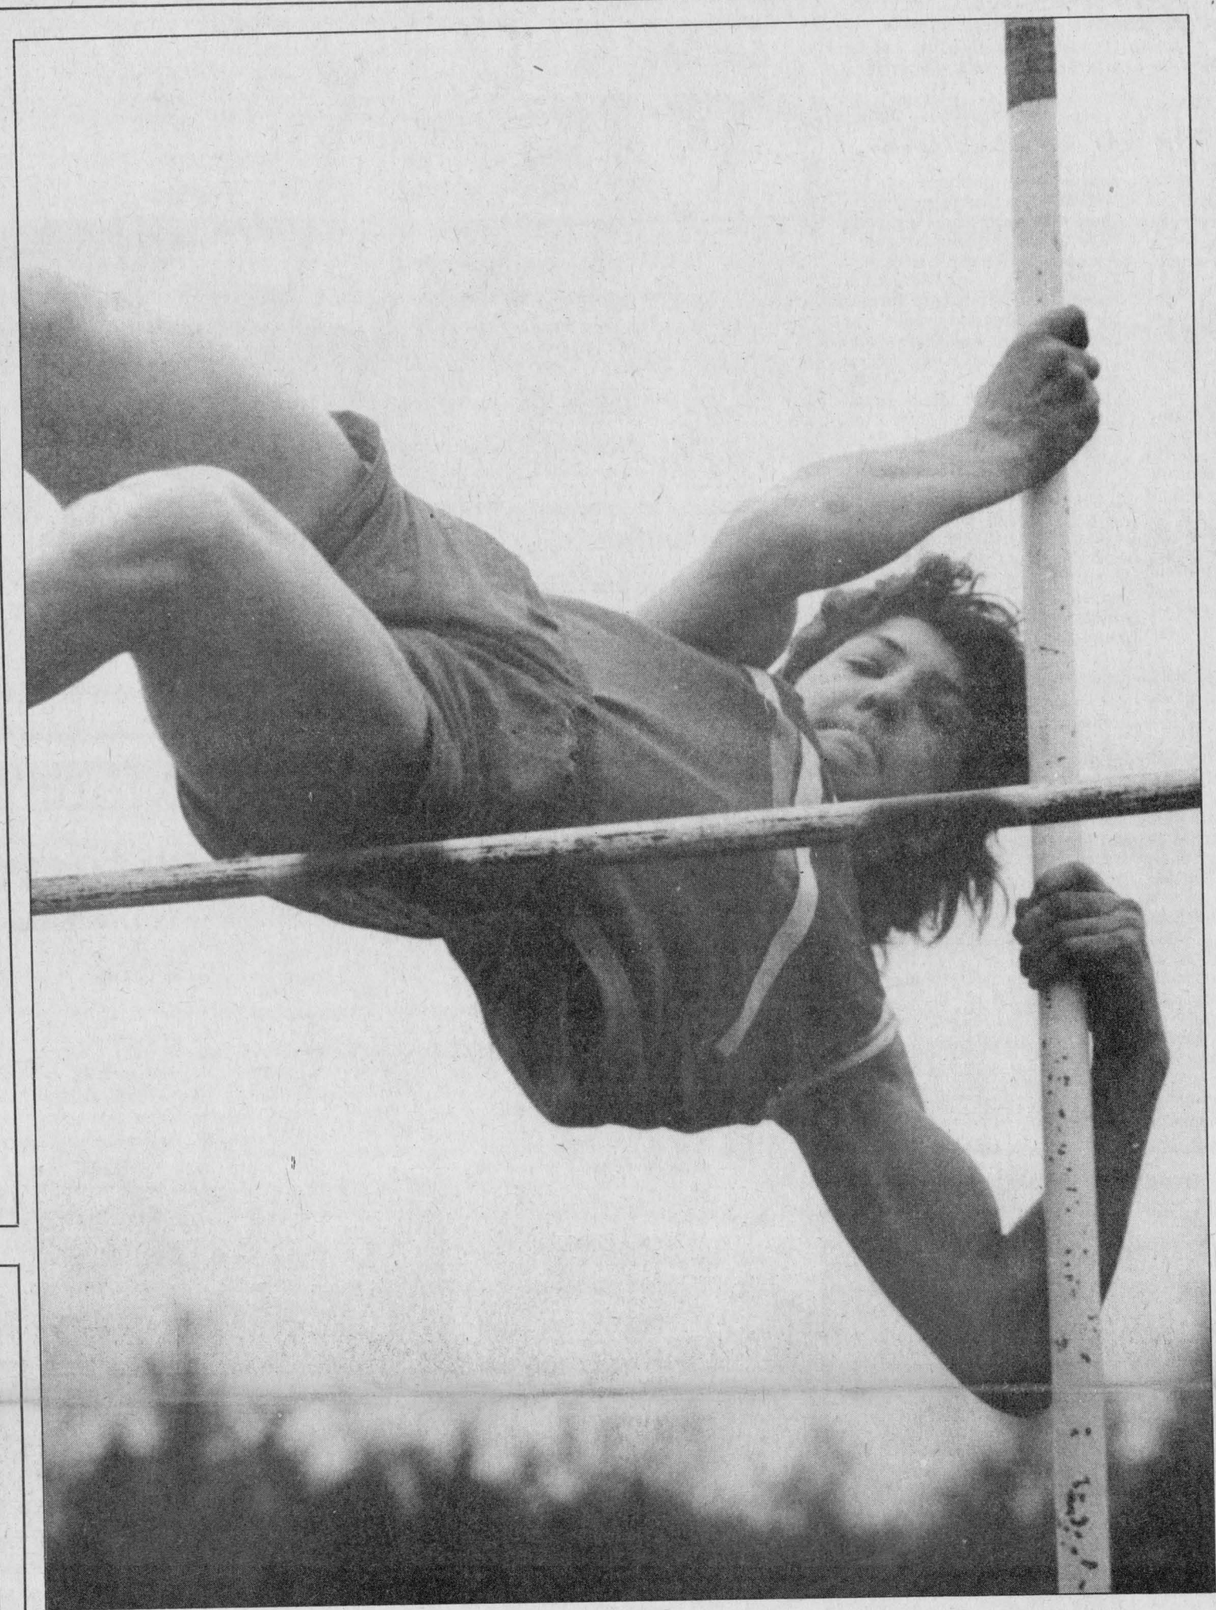
7



Pull together

Twenty-four teams of eager competitors from Ontario, Quebec and the northern U.S. gathered in South Mountain this weekend to compete in the annual horse pull. Spectators had the opportunity to discover the real meaning of "horsepower".

B-3



Right angles

This St. Lawrence High School pole vaulter had all of the right angles figured on this attempt during the SD&G Tri-County High School track and field championships last Thursday. His school hosted the event and his team, the Saints, finished a very respectible fourth in the 11-school field. La Citadelle Patriotes won their fifth consecutive SD&G championship with an impressive total of 736 points. North Dundas District High School was eighth at 146 points.

Arbitration deal ends 12-day strike

WINCHESTER — Ontario Hydro workers are back on the job this week after a 12-day strike, although a final deal on a contract could be two months away.

The Candian Union of Public Employees Local 1000 and Hydro management reached an agreement, effective last Friday, which sends the 15,000 strikers back to work while the major issues in the dispute are dealt with through arbitration. The two sides must choose a mediator this week and, if he and one member each from management and union can't reach an agreement in 30 days, the same representatives will have another month to bargain before a binding decision is made.

Locally, the 65 workers in Winchester dropped their pickets last week and resumed normal duties Tuesday morning. Manager Vince Lynch said one crew was on call beginning Friday at 4pm and the remainder began working on a backlog of new service installations Tuesday which will take two weeks to settle.

The dispute across the province centred on the workers' unease with Hydro's practice of contracting out jobs. The union stated the amount of work handled by those outside the Ontario Hydro Employee's Union was increasing and felt job security was threatened.

The union didn't accept a final contract offer before the strike May 5 because it saw clauses that would allow Hydro to continue with contracting out and possible layoffs, despite a commitment that no workers would lose jobs.

To settle the issue the union wanted binding arbitration and until last Friday management had refused. Early last week a labor ministry official had asked representatives to begin talks and at 2am Friday both sides agreed to binding arbitration following the efforts of a mediator.

Lynch said the area workers are happy to be back on the job with the guarantee of a two-year contract within two months.

"Whatever they hammer out through arbitration or binding arbitration will be for two years and everyone is happy about that," said Lynch.

He added that there were "some changes" in the jurisdiction issue which had previously affected Hydro's decision about binding arbitration. He said the main discussions with the three-man mediation unit would concern the percentage of work handled outside the Hydro union, not who would do the work.

The area's chief steward Joe Barton said everyone is glad to be working again and thinks chances are good contract negotiations could be short. He said he didn't know why management had decided to accept arbitration because late last week the Atomic Energy Control Board had granted permission for management officials to run one of Hydro's nuclear reactors — something most felt would lengthen the strike because power demands could be better met.

Barton said some industries experienced blackouts but the public was largely unaffected by the strike and will be until the estimated $24 million lost is recouped in future rate increases. He called it an "expensive lesson."

"I guess we'll never know why management agreed to arbitration but that's the way we wanted to go," said Barton. "It's just unfortunate that the strike had to cost somebody $24 million. If it had lasted three months then the result would've been the same — arbitration. I don't know why (management) waited."

The two parties were close in negotiating most of the items for the contract, said Barton, so if talks pick up where they left it might be settled quickly.

Thieves raid homes, destroy stolen cars

WINCHESTER — Kemptville and Winchester OPP have no suspects following a series of car thefts and burglaries late last week, which left a trail of damage in their wake.

At 6am May 17 Winchester police discovered five cars at the Mountain Township dump, two which had been stolen the previous night in Ottawa and three in the early hours Friday from the Petric Ford lot in Kemptville. Two of the vehicles were undamaged, one was destroyed and the others were dented after the thieves "played Dukes of Hazzard," said Sgt. Bob Lyon.

Another car was found near Kemptville and police there will be assisting Const. John Ralko of Winchester in following up the case.

Lyon said he believes three or four people were involved with the car thefts and two house break-ins in Mountain Township. He said sometime during the night May 16 the stolen cars were driven on the lawn of Eugene Boudreau at Lot 8, Concession 4, and the drivers then kicked in the front door of the vacant home.

Once inside they ransacked the house, damaging the fridge, mirrors and glasses, and poured paint in the bathroom bringing damage total to $500. Some liquor and clothes worth $100 were stolen from the Boudreau home before the thieves moved on and raided the home of Bruce Strickland at Lot 13, Concession 3.

Lyon said Strickland had left his home for an hour at 11:30am on Friday and returned to find $3,200 worth of goods stolen. After knocking down the front door the thieves stole a VCR, 50 cassettes and a color TV.

The latest break-ins follow one at the RR2 Mountain home of Joel Thompson which occurred May 13. There are no suspects as yet in that incident where a microwave, VCR, stereo, color TV and jewelry were stolen while the Thompsons were away at work. Value of the items is $4,000 and Cst. Kevin Tait is investigating.

Sterling opposes RC funding

MANOTICK — Carleton-Grenville MPP Norm Sterling is alone among his colleagues this week after opposing the full funding of separate schools, but feels it would be "unfair and dishonest" to implement the program in September without more studies and discussion.

Sterling said he feels the public is leaning toward one school system with no religious segregation and any funding outside that system should be decided by the courts.

He said his main concern with the separate school funding is that it would lead to the funding of private schools as well, and in that case the matters should all be dealt with at the same time.

The loss of seats by the Conservatives following the May 2 election shows the public's disapproval of the manner in which the issue has been dealt with, said Sterling, and he feels "we haven't learned our lesson — because all three parties seem bent on funding by September."

His solution is to "convince as many of my colleagues to convince Premier Miller to pull back." Though it would be "ideal" to avoid any further religious, economic and social division by having children attend one school system, Sterling said he would be "at the head of the line" supporting separate school funding if the courts found that to be a constitutional right.

"I read from the public that, if at all possible, they would like one school system and my real objection (to separate school funding) is dividing the children any further.

"I think the Supreme Court of Canada should deal with it and then we'll see what our (funding) responsibilities are. We should stick with our constitutional requirements and go no further."

Though he is "liable to get in trouble politically," Sterling said he would feel "morally obligated" to fund private schools if the Catholic boards are financially backed and will do all he can to convince the premier and newly appointed Education Minister Larry Grossman they are mistaken in ramming the issue through this year.

He said he would be "mobilizing support" against implementation of funding outside Queens Park because "I've learned in politics that the way to move on an issue is to provide support outside the legislature."

Stormont, Dundas and Glengarry MPP Noble Villeneuve was one of the first to hear of Sterling's views and has no intention of supporting them. Villeneuve said the issue will go through all legal channels and negative comment at this stage is unnecessary.

All parties are committed to the funding for 1985 and if other private schools are to receive funding later on that will be dealt with then, said Villeneuve. His main concerns are that no public school teachers lose jobs through a shift to Catholic schools and that non-Catholic ratepayers be permitted to divert taxes to separate schools if they wish to send their children there.

"I was sad to hear what my colleagues said, but it's really making a mountain out of a molehill," said Villeneuve. "The issue will be decided in the courts, but we can't send everything there or nothing would ever get done.

"The more we talk about it, the more diversion and polarity it creates. To me it is not a major issue."

Sterling isn't sure how much support he will find with other MPPs but feels the issue is too big for politicians to worry about losing votes over.

"There are votes to lose on either side that you're on and some politicians feel they will be safe by staying silent. But on an issue like this you go by whatever is right and not what your political future might be."

Sterling has been Carleton-Grenville MPP since 1977 and won his seat earlier this month by more than 7,000 votes. He had been in former premier Bill Davis' cabinet but was dropped when Miller took over the leadership at the January convention.

Villeneuve gets post

TORONTO — Stormont, Dundas and Glengarry MPP Noble Villeneuve has been appointed minister without portfolio in the new cabinet of Premier Frank Miller.

Villeneuve attended a briefing on Tuesday with officials of the natural resources and energy ministries, the two areas in which he will be serving as junior minister and attempting to "provide a little bit of stability, some semblance of calm."

He was to take part in his first cabinet meeting Wednesday and though he would do "a great deal of listening," Villeneuve said he plans to be a link between resources and agriculture ministries, where they have "been at odds."

After losing 20 seats in the election May 2 Villeneuve said the situation with the ruling Conservatives is precarious at best, but he promises good legislation and a working minority.

"We will be bringing in good positive legislation and dealing with all the prominent issues," said the 17-month MPP. "We're not going to have people dumping the apple cart just for the sake of opposing, it will be good legislation."

As a member of the natural resources ministry he hopes to develop the South Nation and Raisin River conservation authorities. He added that SD&G should have no trouble dealing with new Agriculture Minister Ross Stevenson, a farmer and former professor at the University of Guelph.

Musicians pitch in to aid scouts

WINCHESTER — A bevy of country and western bands and special guests will be on hand at the Winchester arena Saturday for a Scout jamboree with a difference.

The event is a concert, with proceeds going toward the cost of new equipment and trips for Winchester beavers, cubs, boy scouts and venturers.

"It's getting terribly expensive to move the boys from point A to point B," said Winchester boy scout master Fred Rodney. "We either have to cut back on activities or find some other way to support ourselves."

Proceeds from the benefit concert will help with transportation costs and may provide new tents and other camping gear.

"The money will be spent on the boys," Rodney said. "It isn't for any of the leaders." He added that the money may be left to collect interest before any of it is spent.

The event runs from 8pm to 1am Saturday at the Winchester Community Centre, and features three bands: Hi and Dri Country, Country Road, and Ralph Carson and Bytown Bluegrass. Other special guests include "singing grandmother" Edie Thomas, Fred Ducharme, and Hal Lee from radio station CKBY.

Winchester's cub pack was also in the spotlight Saturday as members hosted the annual St. Lawrence District Cubaree.

Seven of the district's 11 cub packs took part in the event, which ran from 9:30am to 2:30pm at Winchester Public School. About 100 of the 200 cubs registered in the district participated, said Marlene Baird, "Akela" of the Winchester pack.

The event is held annually, and is hosted by a different pack in the district each year. The Morrisburg pack came out on top this year, winning a trophy for accumulating the highest points in the day's schedule of games, and also received a trophy for winning the tug of war.

The Chesterville pack was awarded a trophy as Best Pack on Parade, and the Williamsburg pack was named best-behaved.

Noses to the grindstone

Cornwall MPP Luc Guidon and SD&G MPP Noble Villeneuve were on hand Saturday to help Tourism and Recreation minister Claude Bennett (right) officially unveil Bellamy's Steam Flour Mills, Upper Canada Village's latest attraction.

Mountain Township holds taxes down

MOUNTAIN — New construction in Mountain Township, and the resulting increase in assessments, is being credited for the low increase this year in individual property owners' tax bills.

According to township reeve Keith Fawcett, the United Counties' and the municipality's portion of the average tax bill remain unchanged from last year, while the school board's allotment shows an increase of three per cent.

The portion of the average residential tax bill going to the board last year was $194. An increase of nine mills boosts the total to $200.

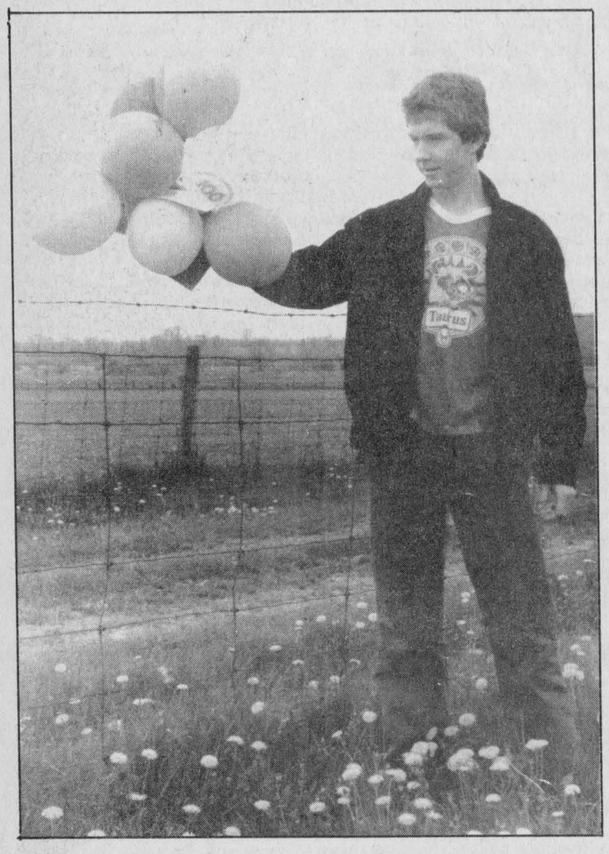
"We're very satisfied," Fawcett said. "Although the increase in school taxes every year is making it harder to hold the line."

The township received supplementary funding from the Ministry of Transportation and Communications of $46,000 to buy a new truck.

The municipality's allotment of $252,000 remains unchanged from last year. Tile drainage loans are made available by the Ministry of Agriculture and Food, and are distributed through individual townships.

A farmer wishing to install tile drainage on his property must pay 40 per cent of the cost, but can borrow up to 60 per cent of the remaining cost at eight per cent interest.

Mountain Township approved its budget for 1985 at a special meeting Wednesday, May 15.



Last Thursday Andy Kingsbury found some balloons sent from some students in Rochester, New York, which had travelled more than 300 miles in less than a day. His mother got a letter the same day that had been mailed a week earlier from Ottawa so the Kingsburys might be thinking about changing our postal system.

Fundraising idea comes from above

KENMORE — Andy Kingsbury has an idea to help raise money for his school mates at Osgoode Township High School next year and it came to him from the heavens.

Kingsbury was out behind the family's home last Thursday when he spotted something down by a fence and discovered a cluster of balloons which had been let go by some students at a school in Rochester, New York.

The students at Autumn Lake Elementary School are trying to raise money for their projects and sent the balloons up in hopes that the people who find them will return them and the students can collect money from sponsors.

Kingsbury was elected Head Boy at his high school just last week and wasted no time connecting the interests of the American and Canadian students as similar. He hopes to get a letter back from his reply and find out exactly how the fundraising works.

His mother, meanwhile, remarked the speed at which the balloons travelled and thinks the post office could learn a thing or two.

The helium-filled balloons were released May 16 and were found at the Kingsbury farm the same day.

In all, the American students sent up several thousand balloons and a group of 10 travelled more than 300 miles to get to Kenmore.

Kingsbury said at first he thought the balloons were sent from someone nearby who was recognizing his birthday a few days early. He figures to arrange a similar venture when his term as Head Boy begins in September.

Pentecostals to celebrate

GREELY — In the month of June, the congregation of Parkway Road Church in Greely will be commemorating the seventieth anniversary of the founding of their assembly.

The first services were held in the home of Mr. Isaac Shirley and on June 1, 1915, a tent was erected on his property with Rev. R.E. McAllister assisting Rev. A.S. McCready, pastor, in camp meeting services. The first church was erected in North Osgoode in 1916 but was destroyed by fire in 1935. The second structure was erected and served the congregation until it was sold to the Early Methodist congregation. In 1979, the present church was erected in Greely and the name changed from Edwards Pentecostal Church to Parkway Road Pentecostal Church.

The celebration will begin Sat., June 1, 1985 at 7:30pm with an anniversary banquet at the Metcalfe Community Centre. There will be special music and Rev. Gordon Upton, Executive Director of Home Missions and Bible Colleges for the Pentecostal Assemblies of Canada, a former District Superintendent of Eastern Ontario and Quebec and a former pastor of Bethel Pentecostal church in Ottawa, will be the guest speaker. Rev. Upton will also be ministering in the anniversary services on Sun., June 2 at 11am and 7:30pm at the church.

A mortgage burning service is planned for Sun., June 9 at 3pm with Rev. Charles Yates, General Secretary of the Pentecostal Assemblies of Canada, as guest speaker. Rev. Yates will also be ministering in the regular Sunday services on June 9 at 11am and 7:30pm. Following the celebration of mortgage burning, light refreshments will be served.

CP Rail upgrades Winchester division

OTTAWA — Work is well underway on $8.3 million in capital works projects CP Rail has scheduled for its Winchester subdivision this year. An additional $165,000 is being spent on regular maintenance.

The Winchester subdivision, part of CP Rail's Smiths Falls division, has 334 kilometres of double track between Vaudreuil, Que., and Smiths Falls, Ont.

These expenditures are part of the $18.4 million CP Rail plans to spend in 1985 on capital works on the Smiths Falls division.

Major capital and maintenance projects which began last month include:

—Installation of 40.7 kilometres of continuous welded rail (CWR) between Chesterville, Ont., and Bedell, Ont. at a cost of $6.6 million;

—Replacement of some 30,720 ties from near Vaudreuil, Que., to just beyond Bedell at a cost of $1.4 million;

—Replacement of timber ties on the decks of bridges at Soulanges, Que., Green Valley, Ont., and Finch, Ont., at a cost of $65,300;

—Installation of two new hot box detectors near Green Valley, at an estimated cost of $360,000.

Surprise ending

"A Case for Two Detectives" staged last Wednesday night by the drama club of Maple Ridge Senior Public School resulted in a surprising conclusion. Detective number one, played by Bryan James, ponders the solution to the puzzle while maid Tuesday Thomas provides some assistance. Michelle Siegenthaler provided comic relief throughout the two-act farce directed by Mlle N. Farley and Mrs. C. Leng.

Ada Walker dies May 18

Ada Jane Walker, a resident of Dundas Manor for the past year, died Sat., May 18 at Winchester District Memorial Hospital after a brief illness. She was 95.

Mrs. Walker was born April 28, 1890 in Winchester Township, a daughter of Jacob Wesley Smith and Margaret Jane McConnell.

She is survived by daughters Laura (Mrs. John Hall) of RR2 Spencerville, Ruth Johansen of Winchester, Margaret Gibson Johansen of Prescott, Lillian (Mrs. Donald Wittenburg) of Ottawa, Mary Green of Victoria, B.C., and Phyllis (Mrs. Murray Slater) of Ottawa, 17 grandchildren and 32 great grandchildren.

She was predeceased by her husband Lawrence Arlie Walker and sister Ellice Smith.

Mrs. Walker was a member of the Dundas Women's Christian Temperance Union and the United Church Women.

Funeral services were conducted by Rev. E. Royle at Vice and Craig Funeral Home in Winchester at 1:30pm Tues., May 21.

Pallbearers were Edward Gibson, Don Whittenburg, Murray Slater, Larry Gibson, John Hall and David Johansen.

Interment was at Maple Ridge Cemetery.

Morrisburg artist wins competition

MORRISBURG — Forty-seven works of art were juried May 15 at Upper Canada Village, 11 km east of here, as part of the "Strokes of History" art show, sponsored by The St. Lawrence Parks Commission in conjunction with the Cornwall Regional Art Gallery.

Local and area artists had been invited to depict Bellamy's Steam Flour Mills, the village's most recent restoration, which was opened officially May 20 at 10:30am.

Jurors Henry Vyfvinkel, of Brockville, Teen Dancause, of Cornwall, and Peter Corbett, of Spencerville, selected a watercolor by Morrisburg artist Alan Bain as the Best of Show and a pencil drawing by Cheryl Coville, of Amherstview, as Honorable Mention.

Bain's painting was presented as a gift to Ontario Cabinet Minister Claude F. Bennett who officially opened the mill.

Bennett presented both Bain and Coville with Village Store gift certificates. Other Village Store gift certificate recipients were student artists from the boards of education in the United Counties of Stormont, Dundas and Glengarry, who also were invited to sketch the mill.

Other successfully juried artists were Charles Gilder, Wayne Throop and K.L. Pattenden, all of Brockville, Isabell Wilson, of Riceville, Ron LeClair, of Chesterville, Madeleine Lamontagne, of Mallorytown, Joyce Geleynse, of Winchester, and Lois Stratford of Brinston.

Each of the artists who entered the show received season passes to Upper Canada Village and Old Fort Henry, Kingston.

Rotary plans bike-a-thon

CHESTERVILLE — Chesterville Rotary Walk-Bike-Athon is to be held on Sat., June 1, 1985.

Participants can walk or bike a 10 km course leaving from the Chesterville Drop-In Centre in the park from 8am to 10am. Pledge sheets are available now at the local schools, Seaway Valley Pharmacy, and the Chesterville Record Office in Chesterville. Prizes will be awarded to participants under numerous categories (i.e. oldest walker, youngest walker, most pledges, etc.)

Proceeds from this event will go toward several charitable organizations and local community projects.

And thanks to Nestle

The North Dundas District High School band has been very busy of late, but they took time out before a show last week to thank one of the sponsors of the SD&G Youth Band Workshop '85 held earlier this year at the school. Music instructor Norm St. Louis (right) offered a plaque of recognition to John McMillan of Nestle Division for the $500 the company donated for the cause. Press Photo—Mitchell

Ballet stars of the future

Our dancers for the next era just completed their last lesson of the season and will be practising on their own before lessons begin again in September. Lynn Harper teaches the little ballet class, while another group takes jazz dancing, and here she leads the girls lined up as a train through a man-made bridge. The girls, aged 3 to 6, attended classes once a week at North Dundas District High School for the past 10 weeks.

Host families wanted for exchange students

Participation, development and peace are the main themes of the International Youth Year, 1985. Throughout the world, activities are being organized by and for youth to promote their active participation in the development of their society and world peace.

Interculture Canada promotes the ideals of the International Youth Year by providing Canadian families and youth the opportunity to share their culture and everyday life with a young person from another country. Inviting an international exchange student into your home gives you a chance to learn about another culture through that person's background, language and customs, and without leaving the comforts of your home.

Interculture Canada is a non-profit, charitable organization and a member of the AFS International network. It is an organization dedicated to world peace and international development through cultural exchanges. This year, more than 30 countries will host our young Canadians and we, in turn, will host 180 students chosen to continue their high-school education in Canada for the 1985-86 school year.

"Our hosting experience has helped us to open our eyes and heart to the world" admits a recent host-parent. This new son or daughter will help you see your everyday life in a new light. Your family will gain a new closeness as you welcome a new family member.

The most important criteria for hosting are generosity, understanding and open-mindedness. Those families interested in taking part in this unforgettable experience can call toll free 1-800-361-7248 or collect at 514-288-3282 for further information.

Engagement

MILLER — SHONFIELD

Mr. and Mrs. Donald Miller are pleased to announce the engagement of their daughter Kimberly to Stewart Shonfield, son of Mr. and Mrs. Robert Shonfield of Ottawa. The garden wedding will take place at the Miller's residence in VanCamp July 6, 1985.

WINCHESTER PRESS

Editorial

Rebellion in the ranks

The "non-issue" of the May 2 election campaign, the Davis proposal to extend full funding after Grade 10 to Roman Catholic high schools, is once again taking centre stage with Carleton-Grenville MPP Norm Sterling's public statement Monday that he will oppose the plan.

This public opposition by a member of the government which announced the funding scheme in the first place seemingly contradicts the statement made during the election that all three parties are unanimous in supporting the proposal.

The fears expressed by some that the issue has the potential to divide the people of Ontario on religious grounds appears to be borne out today as it openly divides the party that authored the scheme.

An Anglican archbishop recently inflamed debate and opened himself to charges of religious bigotry by using forceful language to express his view that full funding was being forced on the province without proper input from the public, educators and the clergy.

Now, a Tory MPP is expressing what the premier himself admits are "the views of a lot of people in Ontario right now."

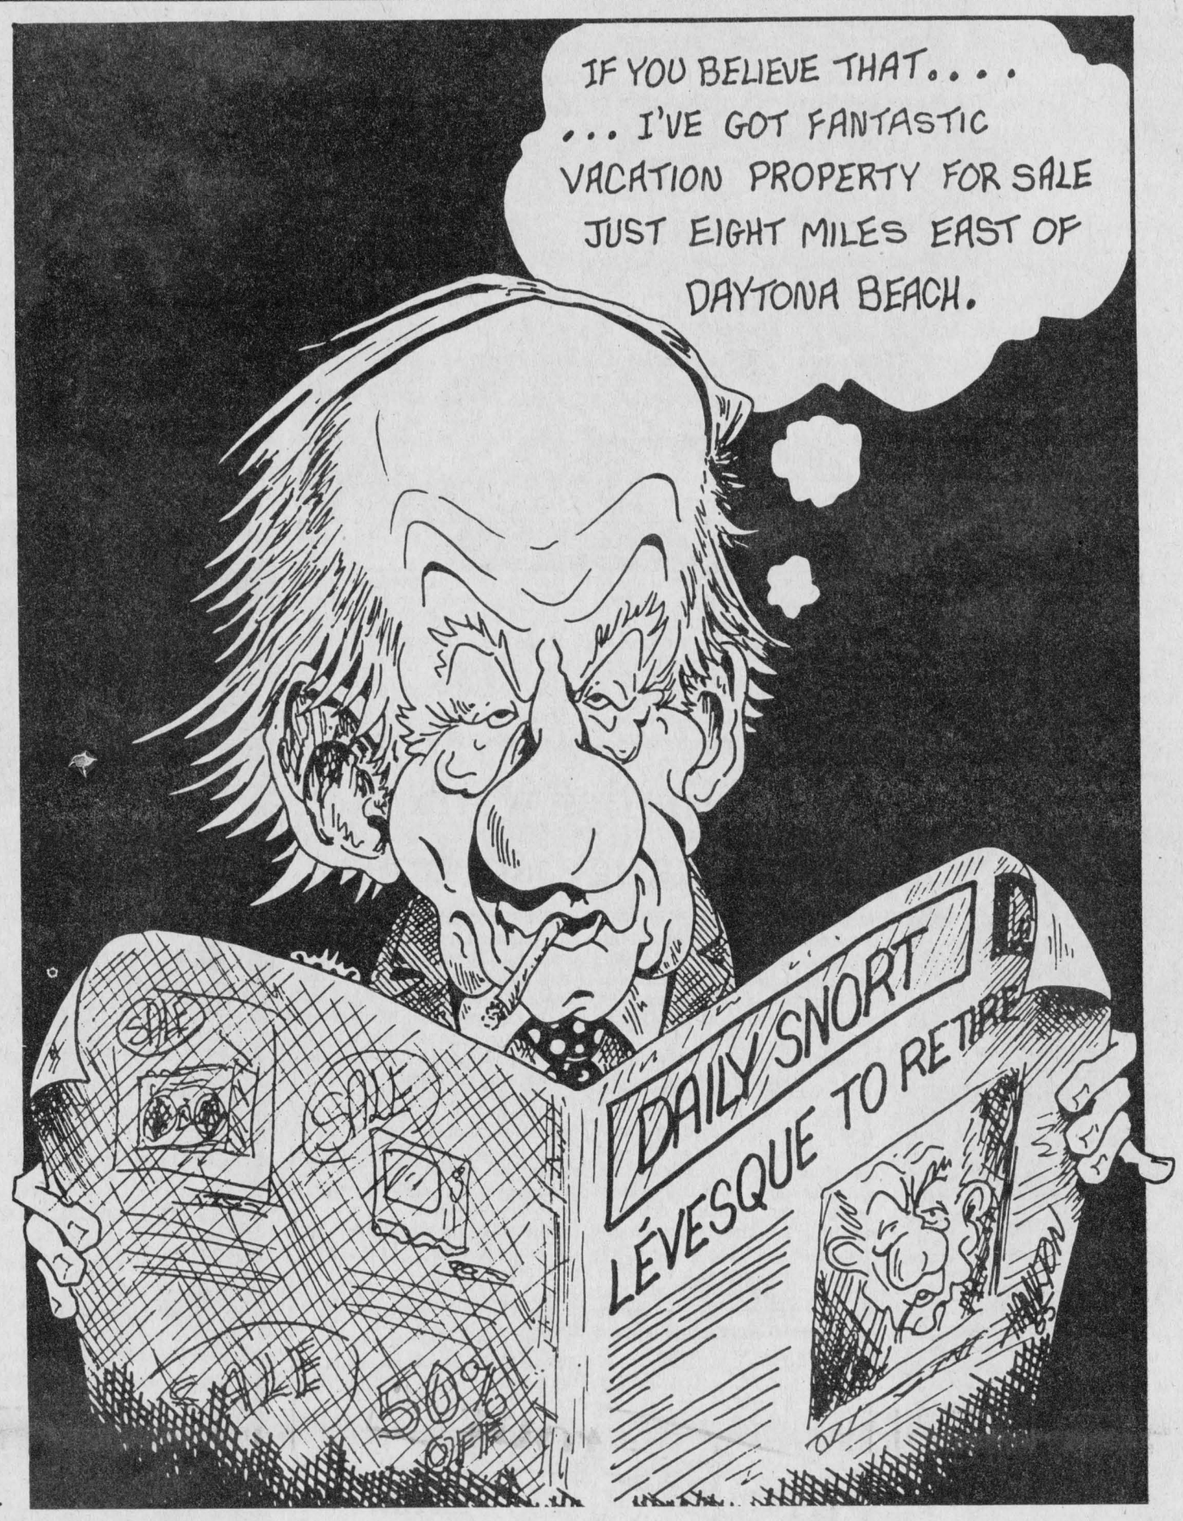
Candidates of all three parties properly recognized the funding question as an extremely sensitive issue, and for the most part chose to make as few remarks as possible on the subject. But the view that funding was not an election issue just because the candidates refused to discuss it is misguided at best. The issue certainly occupied the minds of a large percentage of voters.

Sterling himself attributed Conservative setbacks in the election to voter opposition to the funding plan, combined with their unfamiliarity with the new party leader.

An expression of opposition or uncertainty to the funding proposal should not be construed as religious bigotry. The issue is surely not one of religion, but of economics. Teachers and ratepayers alike are rightly asking where the money is going to come from to support two complete secondary school systems.

The province's new education minister, the long-time cabinet veteran Larry Grossman, is going to have to assure the public that the province is willing to carry its share of the burden without increasing the load on the already overtaxed municipal ratepayer.

—C.M.



The price of things

by Bill Smiley

It's pretty difficult these days to ignore inflation, unless you live in a cave, have a good, warm wife, a root cellar full of spuds, turnips and carrots, and a private income of about $200 a week.

But somehow, I've managed, though I've done my share of whining, until recently. I've done some shopping, and for a change looked at the prices. My conclusion is that capitalism is a lost cause.

I know it dates me, but somewhere back there in the murk of my mind, I still had the idea that a loaf of bread was a dime, a pound of butter two bits, a quart of milk 10 cents, hamburger was something you ate a lot of, but was cheap, coffee was 10 cents a cup, beer was about 15 cents a pint, and cigarettes had shot up to about 35 cents a package.

I knew better, but I pushed it to the back of my mind, as one does thoughts about death.

Back there in that foggy area, I still felt that bananas were a nickel apiece, lettuce, carrots, cabbages and radishes were something you grew in the back yard, and eggs ran about two or three cents each.

On Sunday you killed a chicken, and had a big dinner, for a total cost of about 85 cents.

On Saturday night you went to the movies, and it cost you about 75 cents for two, and they threw in a piece of china or something. After the show, two hamburgs, two pies, two coffees for 60 cents.

Well, my dreams have been dispelled, and I know now that, after working for 35 years, I have no money in the bank, no cattle out west, and it costs me about five dollars a day to avoid freezing.

I asked about the prices of some staple items, and almost went into a coma.

My mother used to send me to the butcher's for two pounds of hamburg, "and tell him we need some dog bones." The hamburg was a quarter, or 25 pennies, and the dog bones, with hunks of meat on them, were free. We made soup from them.

Today, if there were such a thing as a real, live butcher (they are now meat-cutters), the hamburg would cost me about four bucks, and the dog-bones, without a shred on them, another 60 cents a pound. Poor Rover.

When I was a kid, we "put down" a barrel each of MacIntosh and Spy apples, in the cool cellar. They lasted most of the winter. Today, with four ordinary Delicious apples going at a quarter each, you'd have to take a second mortgage to do that.

Since my boyhood, butter is almost 10 times as much, bread, the same, milk the same. Eggs are only about six times as much. Hamburger is up more than 10 times as much. I wouldn't even guess on cheese, which used to be about 20 cents a pound.

A head of lettuce is no longer something you feed the rabbits. Recently it was running about $1.50 a head, and there was almost a riot when a local store offered some at 48 cents a head. Pastry white junk, full of water.

Celery was something you used to chomp by the stick, maybe with some cheese tucked into its cleft. Now you hoard it, and eat the leaves in soup and serve it in little curls, keeping an eye on who is hogging it at the party.

Party? What party? About 20 years ago, people still had parties, and supplied all the food and booze and coffee. Nowadays, the acronym BYOB has crept into the language. It means bring your own booze. And a salad, or a hot dish, or buttered rolls, or a dessert.

Perhaps it's a good sign. Instead of everyone trying to out do everyone, by having a bigger and more lavish party than the last couple, we've got back to the pioneer pot luck idea. And nobody seems to suffer.

Ten years ago, backyard barbecues were the thing, and people vied to see who could cook the thickest steak. Nowadays, you've got to be practically one of the jet set to see steak once a month. The rest of us just see it as we walk past the meat counters, looking for some stewing beef or a nice bit of brisket or tripe.

Twenty years ago, we could go to a hotel in the city, spend $22 on a double room, take in a theatre, top quality, for eight bucks, and order delicious cold roast beef sandwiches from room service, for about $1.20 a throw, with all sorts of chips and pickles and a pot of coffee for 50 cents.

Today, a similar room would be about $85, the theatre $50, the sandwiches $10, the coffee $5.

We scarcely ever go to the movies any more. Seven bucks for two and mini chocolate bars, stale popcorn at about 50 cents a rattle. No wonder people watch re-runs of I Love Lucy.

No wonder our doctors and lawyers and politicians need about $100,000 a year just to keep up. They can scarcely put bread on the table.

And no wonder old people are eating dog food. They can't even afford a can of beans.

Press Photo—Must

Seventh Column

by Joe Rowan

We wouldn't dare mention "Fall Fairs" when there's a hint of spring frost still being forecast! We wouldn't dare, that is, if we hadn't been forced into it by a big, rangy, Belmede sodbuster who just happens to also be newly elected Metcalfe Agricultural Society president. Dwayne insists he dialed us midway through his average day's work. Actually it was the "break of day" at our house with the first rays of spring sunshine beaming through the "north" window — but we jumped out of bed and answered the phone anyway. Well the gent who is top honcho at the Mountain Township ranch and who directs the now famous musical Acres Family group, had an extremely important message for us - - - and he wants you to know about it too. Seems governments now in power (please note we're not even mentioning "color" at this time) have cut back (temporarily of course) grants for fall fairs. The end result simply means additional fundraising endeavors at the local level. Now, here's the punchline - - - SUMMERFEST at METCALFE CURLING RINK (ice area), SATURDAY EVENING, JUNE 22. Programmed as a night of merriment for all, it is hoped local entertainers will volunteer their time and talent to assure the venture's overwhelming financial success. The initial response has been gratifying, reports the busy farmer-president, who told us (very early Monday morning) that already he has been assured the complete co-operation of Cooper Family musicians; always popular Old-Time Fiddlers and gifted organist Janet Hall. Yer dang tootin' the Acres Family will be on stage. We volunteered to sing a few numbers too, but the shepherd says he's not near that desperate. Circle the date (June 22) on your top priority list.

The Valley's only daily newspaper thought a student revolt at Cairine Wilson Secondary School in Orleans rated front page coverage, including a blazing color photo of sign-carrying kids. The issue at stake was a principal's decree concerning the school's dress code. Girls and boys were, of course, acting irresponsibly and their demands to wear "shorts and halters" (for girls) and equally scanty attire for boys in air-conditioned classrooms was nothing short of ridiculous. But then the youngsters shouldn't be condemned for putting into practice lessons learned in school. After all, that's what education is all about! And how many times in recent years have we watched teachers, attempting to impose their often equally ridiculous demands on the public, force the system to a halt with similar card-waving antics.

While on the subject of education one has to question the logic of the Carleton Separate School Board's English Education Committee where grossly overpaid administrators deem it wise to completely ignore the demands of the same taxpayers who pay their salaries. Early in the spring concerned parents conducted a survey which indicated two-thirds of almost 3,000 parents questioned strongly opposed having grades from 7 to 13 housed under one roof. Bureaucrats, as we all very well know, can always justify their whims and fancies by conducting their own private survey. Who they questioned no one really knows, but at their most recent meeting they issued the results of their "poll" showing two-thirds of 2,200 parents agreed with the board. School board members should bear in mind that they enjoy their prestigious positions as the result of survey of parents (conducted on election day). They should also keep in mind that the next "survey" (unless they alter their dictatorial methods) may teach them the real meaning of democracy (you know — "**Of** the people, **By** the people, **For** the people").

Sure, like every other sports nut, we're watching that almost never-ending beer and car commercial where sometime in early summer those who remain standing will take home the silver mug better known as Stanley Cup. Used to be the most skilled hockey players in the world were declared winners. Now it goes to the survivors of mayhem on ice. We've not only had it "up to here" with winter sports in summer, but even way past "up to here" with color commentators. We simply turn down the volume. After all, just how many times do we have to hear Gary "D." tell us that "When that Mr. G. gets his stick on the puck he sure knows what to do with it." For Heaven's sake, if he didn't know what to do with the puck what in the name of time would he be doing out there on the ice. Conclusion — old hockey players don't die — they just bore us to death.

Suppose you've already heard about the mother who decided it was time to have a frank talk with her daughter... and was amazed by the things she learned from the kid.

25th wedding anniversary

Albert and Gertie Bouwers (DeRoos)

Congratulations and best wishes Mom and Dad on your 25th wedding anniversary, May 21, 1985. We pray the Lord will give you many more years of health and happiness.

Love John, Rose and Joanne

Open house at their residence at 2682 Glen Street, Metcalfe on Sat., May 25, 1985 from 2pm to 5pm.

St. Lawrence UEL branch boasts highest membership

MORRISBURG — The spring meeting of St. Lawrence Branch of the United Empire Loyalists was held Sun., May 5 in the lecture room of Knox Presbyterian Church, Morrisburg, with 50 members in attendance.

Secretary Florence English read letters of thanks from some of the libraries and high schools in SD&G for the copies of the history of King's Royal Regiment of New York, presented by members of the executive.

Stan McNairn, past president, gave a brief report of the Mohawk Valley bus tour to be held Thanksgiving weekend. Anyone interested to contact Mr. McNairn at RR2, Long Sault. Mr. McNairn moved that congratulations and our appreciation be extended to Dominion Council for their printing of "Loyal She Remains" — a pictorial history of Ontario, in which 30,000 copies have been sold.

President Mildred Leitch welcomed member, Norm Warner, MP to the meeting. Mrs. Leitch also held an In Memoriam Service for members who had passed away since our last meeting. She also informed the gathering of the death of Donald Hare of Iroquois on April 26. Don was a charter member and was flag bearer during his wife's term of office as president. He will be sadly missed by the St. Lawrence Branch.

Mel Scott, the first president of the branch, installed first vice-president Brig. Gen. W.J. Patterson and second vice-president, Mabel MacLean, into their offices.

Treasurer Keith Casselman gave his report, reminding members that their dues of $12 is renewable in May, and that there are 25 still in arrears for the previous year.

Genealogist Lynne O'Brien reported that we have 362 members and we are leading the 26 branches with the most members, and that more applications are coming in. She reported that the previous day she had been a guest at the Osgoode Township Historical Society Genealogy Day. About 30 people attended the day-long session with guest speakers such as Don Read, Wendell Stanley and Clarence Cross.

Miss O'Brien also reported that 21 family resumes have been typed and five more are waiting to be typed. They will be placed in volumes and sold at the convention. It is hoped once members see these booklets, they will get busy and send in their resumes on their Loyalist ancestor. Miss O'Brien also stated that during the convention there would be genealogy for two and a half days and she hopes to have a full day in September.

The Annual Dominion Convention June 6-9 is to be held at the Civic Complex in Cornwall. Friday, June 7, there will be a bus tour to Upper Canada Village and at 11am a special presentation by the Myers family. Alvin Myers of California will present to the Village the original sign of Myers Inn (1815) on the porch of what is known as Willards Hotel or White House.

Saturday there will be a bus tour of Cornwall and one to Glengarry. Delegates from all 26 branches will meet for the annual meeting of the association. In the evening a gala banquet will be held. Ex-chief Melville Hill is the guest speaker, with entertainment by our own "Charlie Farquharson" and music by Roma McMillan and her group.

On Sunday, an ecumenical UEL church service will be held at the Civic Complex at 11am. In the afternoon SD&G Historical Society will present the Loyalist plaque (formerly at the Post Office) to the Cornwall Public Library. St. Lawrence Branch will also present a copy of the history of KRRNY to the library at this time.

Anybody interested in attending the convention contact Florence English, RR2, Iroquois, or Mildred Leitch, 9th Street East, Cornwall. Each evening will be a buffet and entertainment.

Lynne O'Brien related the history of Knox Church, which will celebrate its 105th Anniversary this year, and conducted a tour of the Church Sanctuary.

Muriel Van Allen, Dundas Refreshment convenor, provided a generous repast to close out the day.

La Leche seminar on parenting tots

KEMPTVILLE — Parents who feel occasional frustration after a day of dealing with a young child can gain some helpful advice from the La Leche League of Kemptville next Saturday.

The League is sponsoring a workshop, "Parenting your Toddler", from 9am to 3pm Sat., May 25 at the J.F. Parrish Building of Kemptville College of Agricultural Technology.

Discussions to help parents cope with that amazing bundle of energy include: enjoying your one to three-year-old-ages and stages; your child's nutrition — an everyday challenge; natural mothering; creative parenting — living with your toddler; nighttime parenting — sleep and the toddler; and discipline.

Special guest speakers from Eastern Ontario and Montreal are featured.

Participants are asked to bring a lunch.

New and experienced parents alike are welcome, and may bring their children. Registration will be accepted at the door. The seminar costs $10 per adult or $15 per couple. For more information, call 258-4667, or 489-3134.

IF YOU WORK IN ONTARIO, CHANGES TO THE WORKERS' COMPENSATION ACT AFFECT YOU.

Revisions to the Workers' Compensation Act mean a few changes to the way the Board operates, changes that are designed to improve service to both employers and employees.

1. Employers will now be responsible to pay workers for the day or shift of a lost time injury.
2. Domestic workers such as housekeepers, maids and nannies, are now covered under the Act. People who employ a domestic more than 24 hours a week must now register with the Board.

For accidents occurring on or after April 1:

3. The ceiling on covered earnings has been increased to $31,500.
4. Worker benefits are based on 90% of net earnings.

On July 1, 1985, there will be further changes:

5. An independent appeals tribunal will be set up.
6. A new board of directors will be appointed with representatives of employers, workers, and the general public.
7. Independent worker advisers and employer advisers will be established.

For those currently receiving Workers' Compensation:

8. The Act also means some changes for you. Write for more information.

To obtain literature on these and other Act revisions, mail the coupon below, contact your local WCB office or call **1-800-268-7190** toll free.

Working together to keep you working.

Workers' Compensation Board / Commission des accidents du travail

It is illegal under the Ontario Human Rights Code to discriminate against a worker who has received benefits under the Workers' Compensation Act.

ODA president stresses need for dental coverage

WINCHESTER — Winchester dentist Dr. Denis Wells promised to continue the work of his predecessors as he was elected president of the Ontario Dental Association last week.

Wells, who became president at the association's 118th annual meeting May 14 in Toronto, said he would continue the efforts of past presidents by meeting with insurance industry representatives to reach agreement on many of the issues which affect dentistry. He added that the association recognizes that dental plans are important in the delivery of dental care in Ontario.

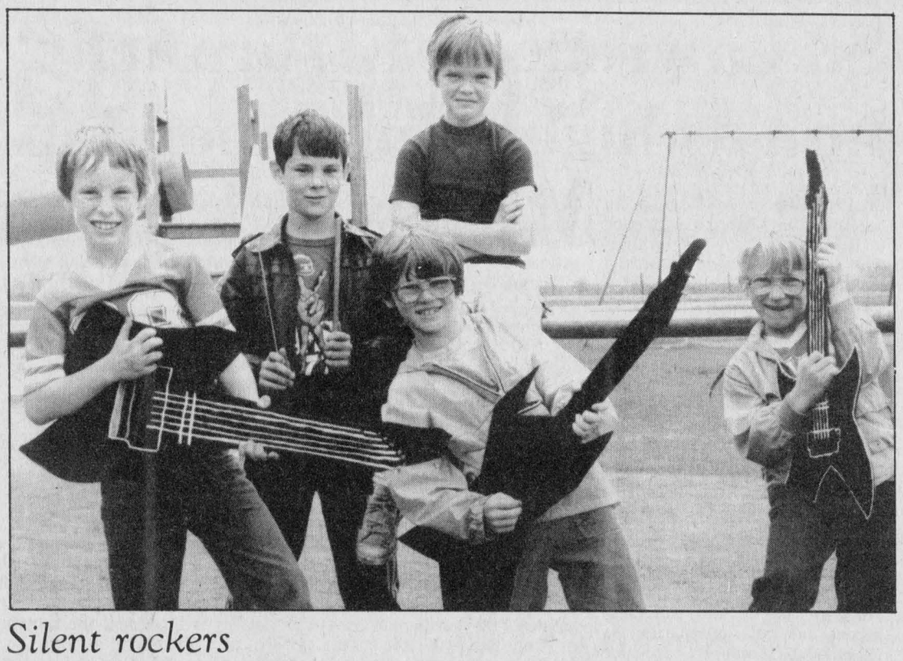
The Ontario Dental Association (ODA) offers a free service to purchasers of dental plans to meet and discuss the coverage provided and to advise on changes, deletions or additions. Dentists who are experts in the field of dental plans can recommend the types of services essential for good oral health, which should be included in the plan.

DR. WELLS
Wells promised he would work toward improving and increasing membership in the association, and said he would travel throughout the province visiting local societies. He added that he expects continued vigor and growth within the association.

Wells stressed the importance of communications as a two-way street between dentists and their patients and dentists and their association. He said the involved, concerned practitioner will benefit from participation in the voluntary association.

A graduate of the University of Toronto Faculty of Dentistry in 1969, Wells has been active in dental politics ever since. He is a member of the Cornwall and District Dental Society and a charter member of the Ottawa Bytown Study Club. He will continue to operate his private practice in Winchester while serving as the association president.

The Ontario Dental Association represents approximately 5,000 dentists in Ontario as a voluntary professional organization.



Silent rockers

These plywood cutout "guitars" may look like the real thing, but they're a lot easier on parental eardrums than the standard $300-$1,000 models. These Nationview Public School students decided to start practising early for next year's "air band" competition at the school. Emulating the rock group Helix are Craig Halpenny, Michael Beaudeau, Ricky Mayoh, Scott Beggs, Bobby Derraugh. Press Photo—Must

Helen 'Madge' Allison

Funeral services were held Thurs., May 16 for Chesterville resident Helen "Madge" Allison. Mrs. Allison died Tues., May 14 at Winchester District Memorial Hospital after a brief illness. She was 71.

Mrs. Allison was born Dec. 1, 1913, a daughter of the late John Wesley Allison and Annie Florence Casselman.

She was predeceased by her husband, Miles W. Allison, on Nov. 13, 1976.

Mrs. Allison is survived by brother David Allison of RR3 Chesterville, and several nieces and nephews. She was predeceased by brothers Ernest, Robert and Douglas and the late Margery McElory.

Mrs. Allison was a member of Chesterville United Church and belonged to the United Church Women and the Women's Institute.

Funeral services were conducted by Rev. L.M. Ferguson at Vice and Craig Funeral Home in Chesterville at 1:30pm, May 16.

Pallbearers were Gerald and Dale Stewart, Allan Hutchinson, Donald Helmer, Eric Ball and Keith McLean.

Interment was at Maple Ridge Cemetery.

John A. Donaldson

Funeral services were held Sat., May 18 for John A. Donaldson of Vernon. Mr. Donaldson died Thurs., May 16 at Winchester District Memorial Hospital. He was 91.

Mr. Donaldson was born in 1894 in Babylon, Ont., the only son of Alexander Donaldson and Margaret McCallam.

He was predeceased by three sisters: Lillian, Margaret and Katherine.

At an early age he moved with his family to New Liskeard, Ont., where he grew up. Mr. Donaldson spent many years in the lumber industry in the Chicago area, later returning to New Liskeard and Hamilton, Ont.

Finally he moved to Vernon to live near his sisters.

Funeral services were conducted by Rev. Bob Jones at the Duncan Funeral Home May 18.

Interment was at Springhill Cemetery.

Relatives are very grateful to the Dundas Manor and Winchester District Memorial Hospital for the care he received in his later years.

John J.D. Thompson

Funeral services were held Tues., May 7 for John Joseph Douglas Thompson of Morrisburg. Mr. Thompson died Sun., May 5 at Winchester District Memorial Hospital. He was 80.

Mr. Thompson was born Nov. 7, 1904 in Montreal, a son of Jack Thompson and Mary Ellen Barkley.

He married Marian B. Murray June 7, 1947 in Toronto.

Mr. Thompson is survived by his wife, son Douglas John Thompson and daughter-in-law Laura. He was predeceased by sister Hilda B. Thompson.

Mr. Thompson was a member of St. James Anglican Church and was active in lodge work.

Funeral services were conducted by Rev. David Crawley at Fairbairn Funeral Home at 2pm Tues., May 7.

Pallbearers were Thomas Jones, Lloyd Eady, Lee Cougler, William Godkin, Ken Scott and Earl Baker.

Interment was at St. James Cemetery.

Arnold James Wyatt

Life-long Vernon resident Arnold James Wyatt died suddenly Fri., May 10 at Winchester District Memorial Hospital. He was 62.

Mr. Wyatt was born May 30, 1922 in Vernon, a son of the late Samuel Wyatt and Margaret Sears.

He is survived by his wife Doris Elaine Crowder, daughters Doris (Mrs. Bruce Cumming) of RR1 Winchester and Helen (Mrs. John Porteous) of Vernon, son Lloyd of Vernon, grandchildren Jason, Christine and Amy Cumming and Trevor Porteous, brothers Delbert of South Mountain and Lorne and Bill of Vernon and sister Katherine (Mrs. Gordon Bowen) of Vernon.

He was predeceased by a brother, Robert.

Funeral services were conducted by Rev. Jones at Dundas Funeral Home at 2pm Mon., May 13.

Pallbearers were Winston Bellinger, Bruce Acres, Freeman Acres, Roy Porteous, Erwin Duncan and Wes Lewis.

Interment was at Springhill Cemetery.

Sports '85

Patti Milne, a Senior at North Dundas District High School screamed with delight as she hit the wire in the 100m sprint at last Thursday's SD&G high school championships at St. Lawrence High School in Cornwall. Milne also won the 200m in 27.6 and the 400m open hurdles in 73.70. She won the 100m in 13.1 and shared top Senior girls honors with Tagwi's Kelly Conroy and La Citadelle's Claire Landry.

Milne takes three golds to EOSSA

MAPLE RIDGE — A dozen North Dundas District High School athletes will carry their school colors to this year's Eastern Ontario secondary school track and field championships.

Last year 25 made the trip to the prestigious event which was staged at TISS in Brockville. This year less than half that number made the grade. But this season the NDDHS Blue Devil track team had only 32 members. This season the school finished three places lower than in 1984. Last Thursday North Dundas dropped from fifth (231 points in '84 and fourth with 270 points in '83) to eighth with 146 points.

At the same time La Citadelle Patriotes extended their reign as the United Counties best track and field team, winning their fifth consecutive SD&G meet with an amazing total of 736 points, that's almost 300 better than second-ranked Glengarry District Gaels from Alexandria who finished this year's competition with 453 points. CCVS Golden Raiders were third with 273, St. Lawrence Saints (SD&G meet hosts) fourth with 260, Seaway District Spartans of Iroquois fifth with 240, Tagwi Warriors sixth with 183, Rothwell-Osnabruck Lancers seventh with 157, North Dundas' Blue Devils' eighth with 146, General Vanier Vikings ninth with 135, Char-Lan Crusaders tenth with 90 and Bishop Macdonell 11th with 43 points.

There is a reason for the decline in points and placings for the navy and white squad and coach Hugh Colin of NDDHS' physical education department explained that he took only 32 athletes to this year's SD&G meet.

"We are looking for a serious athlete, someone who will train and make a long-term commitment to the team and sport."

He says the program will focus on quality and not quantity and pointed to Patti Milne's outstanding performance at St. Lawrence last Thursday.

Milne won three events and shared SD&G honors as Best Senior Female Athlete with Tagwi's Kelly Conry and La Citadelle's Claire Landry, who won the 800m, 1,500m and 3,000m events.

Coach Colin noted that Milne trained seriously all winter and said, "It paid off. Her results show it."

The Mountain Township Senior, who won the 200m run last year was best in the three United Counties this time around in all three of her specialties, grabbing gold in the 100m in 13.1 seconds, the 200m in 27.6 (her time in '84 was 29.10) and the 400m hurdles in 73.70 seconds.

Milne won all of her qualifying heats and then ran the finals in the 100m, 200m and hurdles within an hour. Extremely happy with the sprint victories, she felt her time in the hurdles could've been much lower. Coach Colin agreed and said with a slightly different approach she could better her time. In spite of a slow time over the 400m, Milne put on a kick in the final half of the race and finished strong, well ahead of the rest of the field.

Joining Patti Milne at EOSSA this week at General Vanier will be 11 other Blue Devils.

Senior Amy Youmelle won the long jump while Junior Linda Mulder took the other NDDHS' first-place ribbon, winning the 800m in 2.42.

Junior Inez Harten will make her third straight appearance at EOSSA in the discus. She was second this year with a measurement of 26.80m.

Senior Grant Groves goes to EOSSA again this year after qualifying in three SD&G events. He was second in the 800m in 2:11, third in the 3,000 and fourth in the steeple chase.

Tim Grose qualified fourth in the triple jump at 11:37m.

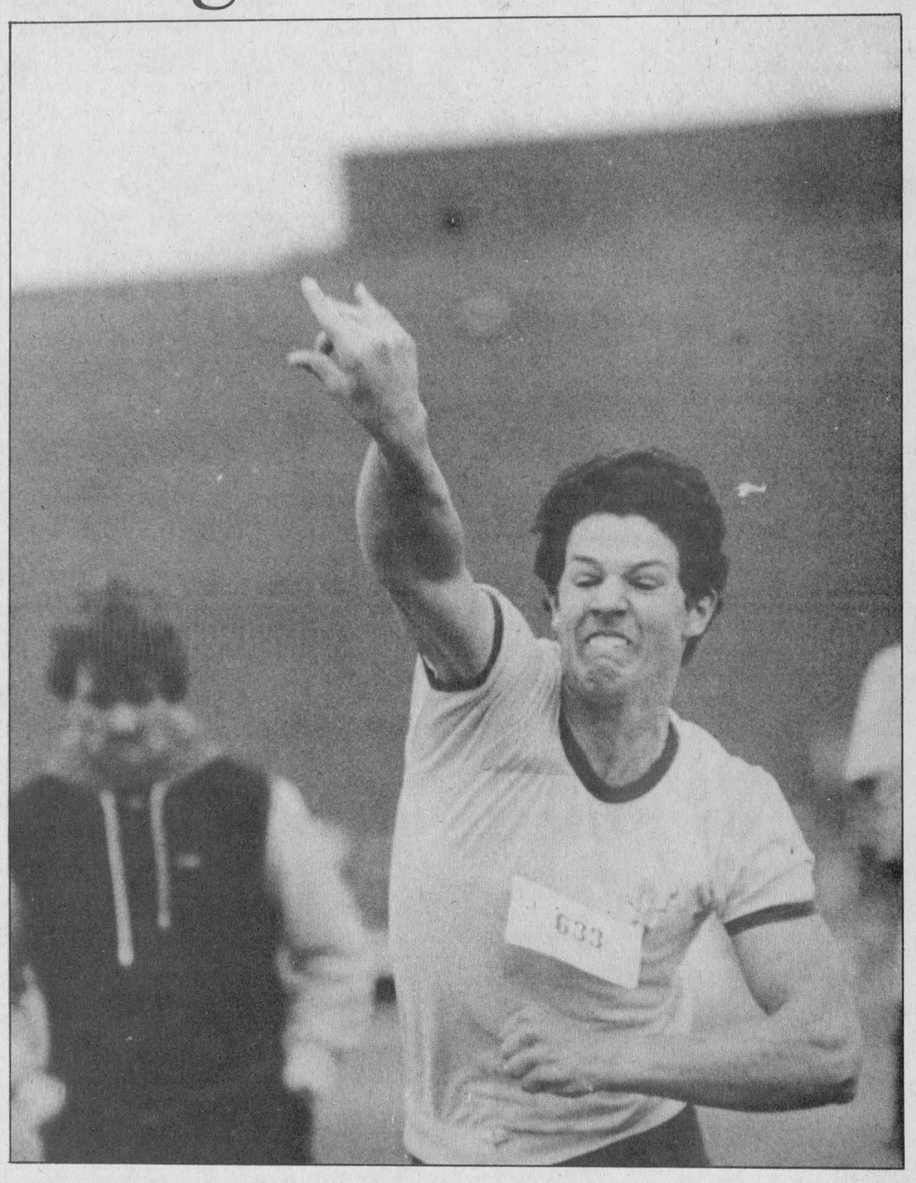
Shelley MacDonald qualified for EOSSA with a second place in the Junior high jump (1.45m) and a third in the shotput (8.48m).

Darcy Provost was second in the Junior shotput (11.25m).

Kerry Lynn Thompson was second in the Midget girls 200m in 29.7 seconds and fourth in the 100 in 14.1 seconds.

Sam Gibson was fourth in the Junior boys long jump, 5.26m.

Kirk Barkley was third in a strong Senior shotput field and will compete against the best high school athletes in Eastern Ontario this week at EOSSA.



If looks counted...

If looks counted NDDHS' Dan Gibson would've taken the gold medal in the Junior shotput for "most determined". Dan didn't make the top four, but team-mate Darcy Provost of Russell finished second with a measurement of 11.25m to qualify for EOSSA.

Athletes shine at WPS meet

WINCHESTER — Winchester Public School's track and field day was finally completed last Tuesday, in spite of the weather and the event uncovered what coaches Jim Shaw and Guy Lacelles figure are some budding track stars.

Originally scheduled for the week before, the competition was spread over two days, last Monday and Tuesday, before finally being completed. The 400m and 800m events were run off Monday and the remaining events finished on Tuesday.

Several athletes really shone in the competition including nine-year-old Tim Scott who won six events. Tammy Stewart led the nine-year-old girls with five red ribbons. Margret Link in the 10-year-old division also won six events. Eleven-year-old Matthew Clark, who led his division, with four victories. Inga Seeleman in the 11-year-old girls field grabbed four golds. In the 12-year section Vicki Marriner won four events and Richie Sarault topped the boys with five wins.

These aspiring athletes will form the basis of WPS' 1985 track team which will take part in the Dundas County Public School championship in Iroquois on June 6. Coach Shaw feels he can blend these people with other top competitors from last week's school competition to make WPS a real contender.

Tammy Stewart led the nine-year-old girls field, winning the 50m, 100m, 200m, the long jump with a leap of 2.8m and the softball throw. She also picked up a silver in the 800m.

Michelle Casselman pulled off first-place finishes in the 400m and high jump while Marie Hackett won the 800m and was second in the 50m, 100m, 200m and the high jump.

Tim Scott raced away with the red ribbons in the nine-year-old boys division, running to victories in the 100m, 200m, 400m and 800m events. He also took the gold in the high and long jumps.

Perry Thompson won the softball throw and the 50m events, but was second to Scott in the 100m, 200m, 400m as well as the long and high jumps.

Fabian Adams took third place in four events and Stewart Humphries third in two others.

10 YEAR OLDS

Margret Link led a strong field of 10-year-old girls, winning the 50m, 100m, 200m, 400m, 800m and high jump.

Sherry James won the long jump with a height of 2.92m and was second in the 100m and high jump.

Pam Brooks won the softball throw to round out the list of red ribbon holders.

Catie Clapp, Lisa Campbell and Darlene Harper earned top rankings in several events.

Trevor Barkley led the 10-year-old boys, winning the high jump, long jump, softball throw and 800m. He was second in the 50m, 100m and 400m and grabbed a third-place ribbon in the 200m and was a five-event winner last year.

Tim Freeland claimed the gold in the 400m and 200m races, grabbed second in the 50m and long jump and was third in the 100m.

Stuart Robertson was victorious in the sprints, taking the 50m and 100m. He was second in the 200m and high jump.

Troy McNaughton and Jimmy Baird gained second and third-place finishes.

11 YEAR OLDS

Inga Seeleman and Toula Theos waged quite a battle in this division. Each wound up with four victories, including the high jump which they shared.

Theos took the 200m, 400m and softball throw and tied the high jump while her team-mate won the 50m, 100m, long jump and tied the high jump. Theos also grabbed a second in the 50m, 100m and long jump.

Shelly Summers followed those two to the ribbon table, picking up second-place awards in the 50m, 200m, 400m, ball throw and high jump.

Matthew Clark specialized in the 50m, 100m, 200m and 400m races.

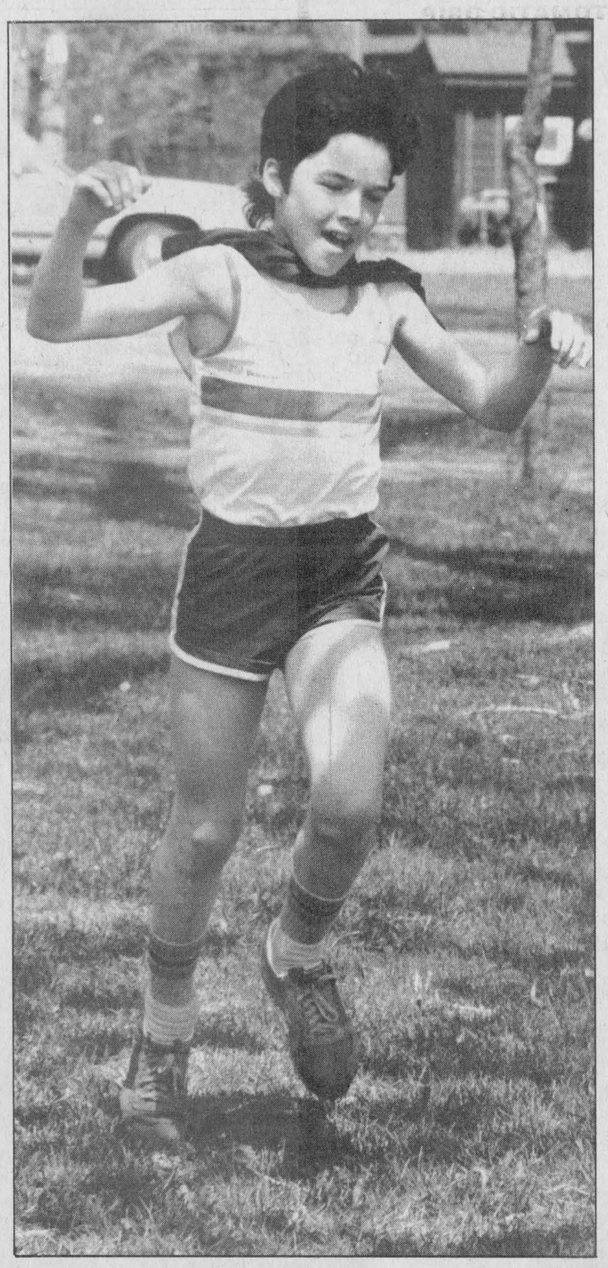
Jerry Gibson took the high jump, softball and was third in the 400m.

Jason Ouellette took the long jump and second in the 50m, 100m, 200m, 400m and high jump.

Jason Pollock, Darrell Bloom, Danny Adams and Mark Foster also had productive meets.

12 YEARS OLD

Three girls shared the top three ribbons in this category. Vicki Marriner claimed the 100m, 200m, long jump and softball throw and was second in the 50m and third in the high jump.



Tim Scott was extremely happy with his first-place finishes in both the 800m and 400m races. Nine-year-old WPS student led both runs from wire to wire.

Press Photo—Van Bridger

Julie Kerr won the 50m and high jump and was second in four events.

Andrea Gibson was second in the high jump and third in the 50m, 100m, 200m, long jump and ball throw.

Richie Sarault took an armload of red ribbons home, winning the 50m, 100m, 200m, 800m and high jump. He was second in the long jump pit.

Chad Robertson won both the long and high jump golds.

Todd Fawcett tied with Robertson and Sarault in the high jump was second in the ball throw and 100m. He came third in the 50m and 200m runs.

Zane Newman took the silver in the 200m and 800m events.

WPS' track day concluded with a fun day for all of the primary students Tuesday afternoon. All competitors in those events were ribbon winners.

Barkley wins Locke tourney

Defending champion cards 67 to clinch annual tournament

WILLIAMSBURG — Defending champion Rick Barkley continued his sizzling play here last week, winning the Class "A" title in last Thursday's Men's Night as well as the Dr. Locke Tournament on Saturday.

Barkley, who took Cedar Glen's opening tournament, was impressive in Saturday's Locke annual, carding a 67. He birdied five holes, parred 11 and recorded just two bogies in another trip to the winner's circle.

Barry Whitteker stroked a 69 to become this year's low net winner in the "A" class. Gary McMillan and Wayde Roles, both of Williamsburg were "A" division winners with a 76 and 67 respectively.

Rick Morrow swept the "B" class with a low gross score of 77. Nearest competitor, the previous two-year champion, Don McMillan, captured the second low gross title with a score of 81. Winner of the first low net was Dutch DeRooy with a 64. Winner of the second low net was Dale Beckstead with a 70.

In the "C" class, Barry Fenton breezed to an easy victory with an 83. Peter DeRooy, Fenton's closest challenger, turned in a score of 93. Other winners in "C" class were Pete Brown and Mac Feely with low net scores of 65 and 68 respectively.

"D" class returned a new champion, Peter Van Kessel, with a low gross score of 93. George Hillis' 107 earned him second low gross honors. Low net winners were Elliot Rushton with a net score of 72 and Bruce Freer with a net score of 77.

Winchester's Eunice Munro returned to her winning form, shooting a 44 to win the low gross honors in "A" class at the first ladies' night held here last Wednesday. Due to the large number of participants, Munro was the only lady in the "A" class to complete the course.

In the "B" class Janet Hillis and Sheila Crowder both shot a 53 to share the low gross honors. Low net honors were also shared by Edythe Cameron and Barb Wells, both of whom shot 37's.

Pat Robertson's 56 earned her low gross honors in "D" class. A 59 by Shirley Munro secured her second low gross victory. Low net honors went to Ruth Algire and Sybil Curtis.

Special awards were also presented. Tracey McIntosh shot a 49 to earn her low gross honors for visiting and no handicap people. Most honest golfer was awarded to Jean McIntyre. Twenty names were also chosen from the participants and given special prizes donated by Gilbey's Distilleries.

Response to the first ladies' night was overwhelming and Cedar Glen manager, Pete McIntosh, hoped that the large numbers will encourage the ladies to continue to come out.

MEN'S NIGHT

Men's night also saw a large crowd of 85, despite the cool wind. Rick Barkley continued on his winning streak, taking the low gross honors in the "A" class with a 35. Barkley's consistent competitor, Gary McMillan, was close behind with a 36. Other winners in this class were Barry Casselman with a net score of 32 and Dave Bird with a net score of 33½.

In the "B" class, Don McMillan's low gross score of 38 topped the field, while Curtis McMillan's 39 earned second low gross honors. Low net winners were decided on backholes. Eddy Witteveen and Bert McIntosh both had a score of 31½ to earn first and second low net titles.

Again this week, the "C" class division was decided by backholes. Rob Wood shot a 43 to win the low gross prize, while second low gross honors went to Steve Plummer whose 44 was decided on backholes. Other winners in the "C" class were Don Fawcett and Bob Miltimore with net scores of 31 and 31½ respectively.

Peter Van Kessel led the way in "D" class turning in a score of 47. Walt Barber also shot a 47, but was edged out by Van Kessel when determining the winner by backholes. First low net honors went to Volker Greutzner with a 30½ and second low net honors went to Jack Faulkner with a 34.

Cedar Glen capped off a busy week with a mixed two-ball on Sunday night. Gary and Eunice Munro formed the winning combination shooting a gross score of 49. Second low gross prizes were awarded to Doug and Debbie Blaine who turned in a score of 50. The team of Gerald Holmes and Stella MacGregor shot a 51 to take home the third low gross prize.

Most Honest Golfers honors were given to Bruce Angus and Linda Munsen. Bob and Lucy Harper received a prize for the hidden score, while Heather Crummy and Doug Beckstead received a prize for the highest on hole number one. Despite the cool, windy, rainy weather 20 couples completed the course.

LOOKING AHEAD

Signups for both ladies' and men's match play competition are well under way. Members interested in competing are reminded that they must sign up before the May 25 deadline.

If anyone is interested in taking group or individual golf lessons from a visiting pro they are asked to sign the sheet in the clubhouse or call the proshop. Numbers must be secured before the arrangements with the pro can be finalized.

Wednesday night is Ladies' Night at Cedar Glen and the tournament committee is hoping for another excellent turnout. Tees are closed from 3:30 on. Ladies are also reminded that it is potluck supper.

Men's Night follows on Thursday. Once again the tees are closed to green fee players from 3:30 onward.

The four-club tournament will be held this Saturday at Cedar Glen. In order to ensure continually smooth running of the tees, green fee players will not be admitted on the course until 2:30pm.

The next mixed two-ball will be held on June 9. This event is a great deal of fun and we hope to see a larger turnout for the second one.

Jays' coach optimistic despite slow start

WINCHESTER — In spite of losing their latest two Interprovincial Junior Fastball League games, Winchester Blue Jay coach Guy Hart says he sees a lot of good signs.

Winchester dropped their home opener 4-0 to Ottawa RA-Landry here last Tuesday night as the visitors struck early for their four runs and held on to win.

The next night (Wed., May 15) in Stittsville, Winchester lost 9-8 to the hometown Junior 56ers.

Winchester opened their Junior campaign with a 7-7 tie against Smiths Falls Redmen.

"In both games the other team hit the gaps, got some good bounces and beat us," the coach said.

"How can you get around a high bouncer that our infield has to go a long way to field and at the same time gives their runner lots of time to make it to first?" he wondered.

In the home 4-0 loss to Ottawa RA the visitors got early runs on starter Rick Boyd and held on in spite of pitching the Jays' mentor felt should have been easy to hit. But Winchester managed just three hits and struck out nine times against winner Tom Burchill. First baseman Bryan McRostie led the charge with a double and two singles. He drove in three and scored the other Ottawa run.

The next night in Stittsville the Jays went down 9-8 to Stittsville's Junior 56ers.

"We were down 8-0 at one time, but came back and scored eight runs and when you can score eight against a pitcher of Randy O'Neil's stature then that's saying something for our hitters," Hart commented.

Mike Cavan started and took the loss in Stittsville. Rick Boyd and Eric Mussell then each worked two innings with catcher Dale Simms.

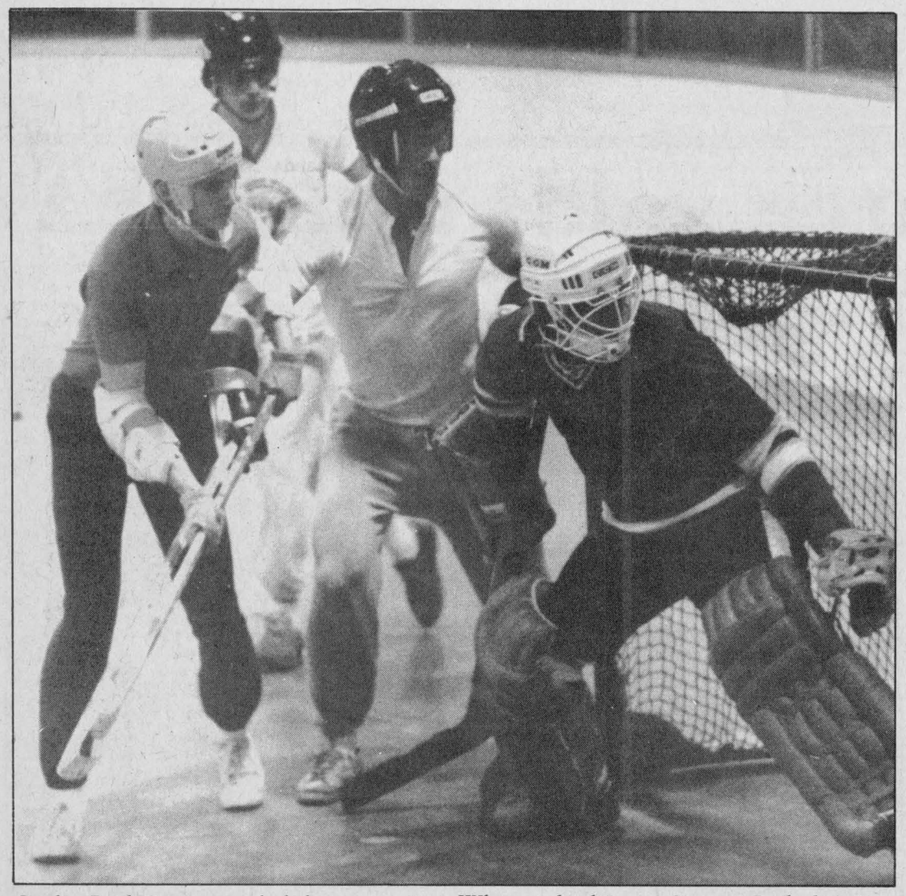
The coach said Eric Mussell and Keith Moore who came off the bench had productive nights at the plate against O'Neil (a Cornwall pitcher who played briefly last year with Winchester's Senior Blue Jays).

Another former Senior Blue Jay, from Russell, Todd McLaren also helped the Junior 56ers with a three-run homerun. Calvin Medynsky belted a solo shot to help the cause. Stittsville had 10 hits off Winchester's three pitchers.

Randy O'Neil went the distance and scored what proved to be the winning run when his sixth-inning fly ball was dropped and thrown away.

Winchester was slated to pay a visit to the Junior Volants in Hull Tuesday (May 21), but that contest was cancelled. They will play the Volants in Hull Friday (May 24) night.

Next home game for the Jays is set for Tues., May 28 when the Smiths Falls Junior Redmen come to Winchester for an 8:30pm start.



Goalie Paul Bjergso and defenceman Ken Rose kept opposing forward Bourk Boyd (light helmet) from reaching the ball on this play during last Tuesday night's ball hockey action. Bjergso allowed one goal as his Whites edged Larry Simms' Reds 2-1. Jim Thom netted the winning goal for the Whites, scoring with 50 seconds left in period two.

Press Photo—Van Bridger

Thom goal gives Last win

WINCHESTER — Jim Thom's goal with 50 seconds left in the second period was enough to hand Darcy Last's Whites a slim 2-1 victory over Simms' Reds here in the opening game of last Tuesday night's Winchester Ball Hockey league's weekly two-game card.

The victory enabled the White team to take sole possession of first place in the four-team circuit with three points on a win and a tie.

In the other contest Wally Vandekemp blasted in a goal from centre floor with 14 seconds left on the clock to pull Gowdy's Rowdies into a 5-5 tie with Dwayne Fawcett's Blackjacks. It was the first point of the young season for the Rowdies.

Bill Lillico put the Whites on the board with 7:10 left in the first period, deflecting a shot through a crowd in front of goalie Kirk Edwardson.

Kevin Casselman and Jim McIntosh drew the assists on the play.

Simms' Reds got that one back late in the second stanza when Gord Milne put a Dave Kerr pass into Paul Bjergso' net at the 4:05 mark.

Jim Thom's unassisted goal with 50 seconds left in the second period put the Whites out in front 2-1, a slim lead they managed to hold onto.

The second game of the card wasn't as close checking or as low scoring as Gowdy's Rowdies battled Fawcett's Blackjacks to a 5-5 sawoff.

Fawcett's squad took a two-goal lead in the opening session as captain Dwayne Fawcett opened it with the first of his two goals, scoring on an unassisted play at 12:50. Pat Kelly, playing his first game, upped it to 2-0, knocking in the first of his three goals at the 42-second mark. Fawcett and Don Crowder got credit for setting that one up.

Rowdies got on the board at 10:12 of period two when George Bell notched his first of the season, completing a play set up by Darrell Shelp and Doug Coleman.

Dwayne Fawcett matched that goal with his second of the game, scoring from Kelly and Doug Crowder at the 9:10 mark to give the Blackjacks a 2-1 edge.

James Milne found net with a pass from Shelp with 7:20 left to close the gap to 3-2, but Kelly opened up a 4-2 difference for the black squad, scoring from Fawcett with 3:00 left in period two.

The Rowdies stormed back in the final frame, scoring twice to tie it at four. Shelp hit for both of those goals, scoring unassisted at 9:10 and from Sandy Johnston at 6:42.

The end-to-end battle raged through a 4-4 stalemate until the 3:10 mark when Kelly rung up his third of the game, scoring from Bruce Angus and Dean Hansma to hand the Blackjacks a 5-4 lead.

The Rowdies, fighting desparately for their first point of the season, pulled out all stops and lifted goalie John "Rogey" Elliott for an extra attacker.

Goalie Kenton Holmes kept his team up by one goal with some great saves in that final minute before Wally Vandekemp's long blast from the centre floor area twisted its way into the net to tie the game up at five. Kevin Gowdy and Bob Sharkey helped Vandekemp, working the first two stages of the three-way passing play. The tying goal stopped the clock with just 14 seconds left in the game.

Warriors win 10-zip

WILLIAMSBURG — Roseanne Van Moorsel tossed a two-hitter and her mates rallied for nine homeruns in the fifth and sixth innings to give the Williamsburg Warriors a 10-0 decision over Crysler in their 1985 Stormont-Dundas Ladies Fastball League season opener.

Van Moorsel protected a one-run lead through five innings until her team's bats caught fire. In that span she struck out seven and walked only one, surrendering one hit. Crysler managed just five base runners in the entire game.

Deb Patterson staked Williamsburg to an early lead when she singled off loser Anna Patenaude and came around to score on Teresa Van Moorsel's RBI single.

Patenaude held Williamsburg at bay until the fifth when Patterson again started the rally. After reaching on an error, Patterson stole second and scored on a Jamie Wells single. Rita Byvelds, Sandy Van Moorsel and Dianne Van Moorsel sandwiched hits around three Crysler errors to build the lead to 4-0.

Williamsburg exploded for six runs on six hits and two walks in the sixth inning to put the game out of reach.

Rita Byvelds paced the Williamsburg attack with four hits while Sandy Van Moorsel had three. Dianne Van Moorsel chipped in two hits in two trips to the plate.

Williamsburg travels to Monkland to take on Apple Hill next Tuesday and returns home June 3 to tangle with Osnabruck at 8:30pm.

Jays, Red Sox open tourney

SOUTH MOUNTAIN — Winchester's Junior Blue Jays and Cardinal Red Sox of the Grenville-Rideau Intermediate Fastball League will open this weekend's annual fastball tournament here in South Mountain.

The Jays of the Interprovincial Junior League and the Red Sox will square off on the number one diamond this Saturday morning (May 25) at 9am and the Johnstown Counts and Hunt Insurance Dodgers from Cornwall will meet at the same hour on the number two diamond.

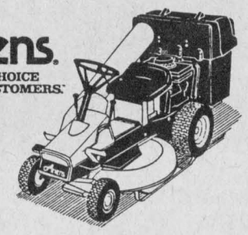
Play will run through Saturday and conclude on Sunday with the consolation final being played at 1:30pm and the "A" division championship going at 3pm.

Other clubs entered in this year's event which carries a total purse of $3,500 in cash prizes are Peter's Car Radio, Ottawa-Nepean Canadians Jrs., Kemptville Merchants, Easton's Corners, Williamsburg, Toyes Hill Dynes, Kingston Merchants, North Fredericksburg Jrs., Port Perry, Kingston Jrs., Smiths Falls Redmen and Berwick Hotel.

A dance will take place in the Agricultural Hall, Saturday, 9pm to 1am with music supplied by Sounds Great. The hall will be open both days and outdoor refreshment "Homerun Gardens" patio will also be open both days.

BUY AN ARIENS RIDER

Ariens. THE EASY CHOICE FOR TOUGH CUSTOMERS.



When you buy an Ariens riding mower now through May 30, 1985, you get a Tanaka gas powered trimmer—free. You also get these tough Ariens features:

- ☐ 8 or 10 hp engine
- ☐ 30" or 32" Flex-N-Float mower deck
- ☐ 6 forward speeds and reverse
- ☐ 5-position cutting height control lever
- ☐ Two season warranty
- ☐ Local service and parts

The BAGGER-VAC™ Collection System and electric start are also available. Save money on an Ariens rider today. And take home two lawn care tools for the price of one.

AND GET A FREE TRIMMER.

Sonics kick off

MAPLE RIDGE — Winchester Sonics, under the guidance of coach Peter Broeren and manager Leo Streng, will play their first-ever Cornwall District Soccer League game here on the North Dundas District High School pitch this Friday (May 24) evening.

Winchester will play their first season in the CDSL's second division and boast a young roster with an average age of 18 years. The Sonics join the North Dundas United in the local association's new slate. This season the United has moved to Division III and will also play their home matches here at North Dundas. The CDSL's third division as well as North Dundas' lineup has been designated for players over 30 years of age.

United will embark on their 1985 campaign playing the Cornwall Kinsmen at La Citadelle on Thurs., May 30.

Coach Broeren had his new club, the Sonics, in a tournament over the past weeked and reported they played their way into the consolation final. Winchester played once on Saturday and three times on Sunday before gaining the consolation title.

"We had one bad game, but looked good in the others and had a lot of soccer people asking about our club, they (Sonics) drew a lot of favorable comments," Broeren said.

The new Winchester club is based on high school and college-aged players and has one member aged 14.

"We wanted to get soccer started at this level and feel the guys with their high school experience and young legs will provide the other teams with some real competition in their first year."

Although his lineup features many North Dundas Blue Devils (high school) players he says a couple of older, more experienced players from North Dundas United are providing much needed knowledge and leadership for the team.

The Sonics will play a 20-game schedule with home games set for North Dundas District High School.

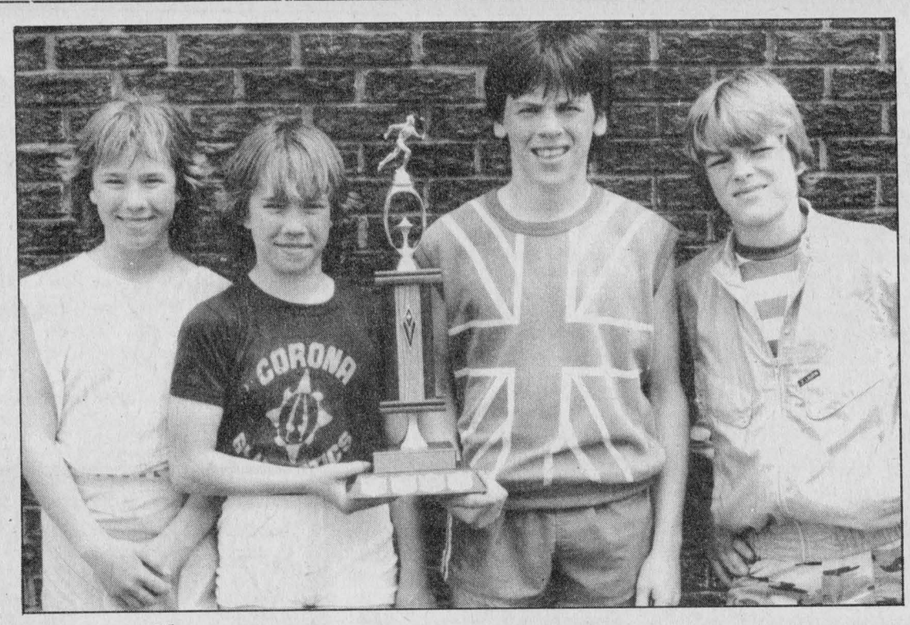
This Friday night (May 24) Winchester will host its first home game as Char-Lan II comes in for a 6:30pm start.

On May 28 the Sonics travel to Cornwall to meet Ital-Can and then moved on to Vankleek Hill on June 5 to challenge Prescott County.

Seaway II pay the Sonics a visit on June 7 and Cornwall City come in for a game on June 12.

Osnabruck Cosmos, YMO II (Cornwall), St. Andrews II Saints, FIST (Cornwall) and Rossi Glass will also provide opposition for Winchester's Sonics.

North Dundas United will play their first home date here at NDDHS on June 3 when Oldtimers II pay a 6:30pm visit.



Top walkers

These students finished first in the annual Nationview Public School fundraising walkathon held Thursday, recording the fastest times in the 23 km intermediate walk. Tied for the fastest girl's time are Tracey (left) and Tania Hansma, with a time of two hours, 34 minutes and 40 seconds. Tied for the fastest boy's time, with two hours, 20 minutes and 42 seconds, are Randy Whitteker and Craig Lyon.

Shoneroy, Jays win 2nd games

WINCHESTER — Shoneroy Farms and A&R Blue jays joined the undefeated ranks of the Pool A teams here last Wednesday winning their second games in as many Winchester Lob Ball League starts.

Shoneroy shutout Mountain Lions 6-0 and A&R Jays just slipped past Stagewest 7-4.

Darrell Shelp, Blake Fawcett and Dave Van Moorsel cracked open the scoreless game, crossing the plate in the second inning. Chuck Verhoeven and Pete Schoones increased the Shoneroy lead to 5-0 in the third and Shelp scored his second run in the sixth inning to make it 6-0.

Ed Fields, Dave Weatherall, Tim Black and John O'Reilly were the only Lions to reach base against the Shoneroy defence.

In the second game of last Wednesday night's twinbill, A&R Blue Jays extended their undefeated string to two games outlasting Stagewest 7-5.

Brian Condon put the Stage up 1-0 in the first inning, scoring on Terry Richardson's hit.

Lucas McCord and Peter Guy increased the Stage's lead to 3-0 in inning two, but the Jays tied it up 3-3 in the third on Perry Marriner's big homer. Dan Lecours and Kevin Gowdy crossed ahead of Marriner.

In the top of the fourth, Stagewest got Theo Nyencamp and Zeke Sanders across the plate and took a short lived 5-3 lead. In the bottom of that frame the Jays struck again, this time for four runs. Bruce Pelkey, Barry Redmond and Dan Lecours all scored. Perry Marriner finished the rally off by slapping out his second homerun in as many at bats. That outburst gave the Jays a 7-5 edge which they held on to as the clubs battled through the final three innings without scoring any more runs.

Dunbar takes FBM for first win

WINCHESTER — Dunbar Expos took advantage of a four point game to climb up a notch in the Winchester Town Fastball League standings here last Wednesday.

The Expos knocked off FBM Cementmen 4-1 to take the double victory and move into the win column for the first time.

In the evening's other contest Bill "Moon" Mullin and Stan Woods twirled two hitters as Toyes Hill Dynes and Chesterville Blues split four points right down the middle in a 0-0 tie.

Woods worked with catcher Dave Cross and got two points on a two hit, eight strike outs, one walk, one error piece of work. Dynes' Bill Hogaboam and Grant Levere touched him for singles and Mullin drew the walk but no one could score.

Bill Mullin and Peter MacLeod formed the Hill battery and posted a no run, two hit, nine strike out, one walk, two error line score.

Chesterville looked as if they might win the game in the seventh when Gary Barkley drew a one out walk. Shortstop Dave Arnold followed with a double but Barkley was called out at third on the relay from the field. Steve Plummer's throw to third baseman Dan MacMartin from centre field snuffed out any chance of Chesterville scoring on the play. Arnold did reach third base when he moved over on a wild pitch. But he was left right there when Lawrence Hunter flyed to left to end the inning.

Dunbar took four points in their game that same evening downing FBM Cementmen 4-1.

Paul Boynton and Gary Gallinger formed the winning combination for the Expos. They allowed one run on seven hits, two strike outs and a walk. FBM's Roger Francis spoiled the shutout in the third when he singled and scored on Joe Patterson's RBI double.

Doug Ferguson put Dunbar on the board in the first inning reaching on a base hit and scoring on Boynton's RBI double. Dunbar's next three runs all came in the third as Laurie Blanchard, Larry Gallinger and Mark Smith all singled and scored. A pair of FBM infield errors helped the Expos get those final three runs.

Vikings defeat Ottawa 3-2

GREELY — Paced by Chris Eggens' two-goal effort, Greely Bantam Vikings downed Ottawa By-Towners 3-2 in their first game of the new season.

Ottawa took an early 1-0 lead on the home team, but Greely tied it up just before the first half had ended. Chris Eggens knotted the score at a goal when he converted a pass from Bruce Visser into the Vikings' first goal just before the half was over.

Two minutes into the second period Bruce Visser figured in Greely's second goal when he took a pass from Kirk Dillabough and scored to give the home side a 2-1 advantage.

Fifteen minutes later the Vikings were back up field and scored to grab a more secure 3-1 lead. Chris Eggens notched his second of the game when he found net after he had been set up by John Urban.

The By-Towners kicked home their second goal to make it a closer 3-2 result as time ran out.

The Bantam Vikings play their home games on Greely's new field every second Monday evening and urge supporters to attend their games.

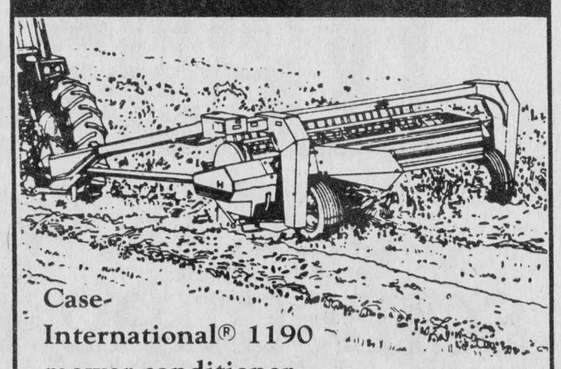
HAY SPECIALS

Can't be beat for grain or hay!

Case-International® 4000 windrower
Now you can get this sturdily built, stable 64 hp windrower with your choice of 3 headers:
- For grain — draper headers up to 24½' with 5-bat reel; for hay — draper headers up to 16½ with pickup reel.
- For hay and cane — single overshot auger header with pickup reel and hay conditioner in 12' and 14' sizes.
- For specialty crops and hay — open-centre dual auger header in 12' and 14' sizes.
- All with on-the-go header height control.

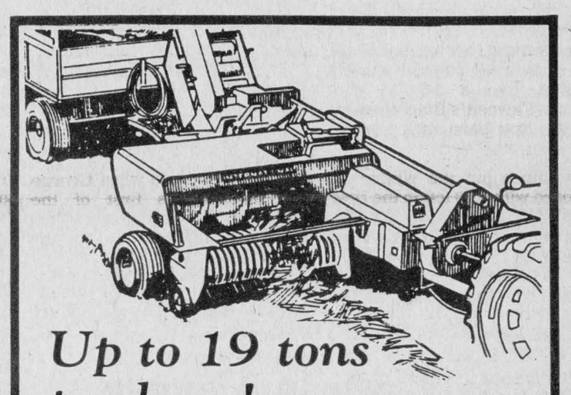
FINANCE PLANS AVAILABLE

Quality haymaker!



Case-International® 1190 mower-conditioner
is the machine you'll choose once you compare it against all others. Features to compare include:
- Precision-machined, intermeshed rubber conditioning rolls crush and crimp
- Header-mounted rolls allow for crop to feed straight in, even in rough terrain
- Over-the-top frame suspension permits header float, keeps crop pathway clear
- Rolls separate automatically when header is raised so you can clear slugs from your tractor
- Simple equalizer hitch lets you turn sharp without losing performance

FINANCE PLANS AVAILABLE



Up to 19 tons per hour!

Case-International® 400 Series balers offer you more than just capacity. With 4,800 lbs. of force behind the plunger, you're assured of tightly packed, uniform bales that stand up to rough handling.

435T
Best choice for most hay crops, 65", 4-bar pickup with 80 teeth, husky 2-knuckle PTO.

445T
Offers top performance in hard-to-bale crops such as cane, millet, sudax. With 65", 6-bar pickup with 120 teeth, gauge wheel. Heavy-duty 3-knuckle PTO.

425T
An economy baler with many of the same performance features found on Case-IH big capacity balers. With 61" 4-bar pickup, 2-knuckle PTO, 3-knuckle PTO optional.

NH Super 26 blower $1,500

Late run earns Shoneroy tie

SOUTH MOUNTAIN — Dave VanMoorsel's seventh inning run gave Shoneroy Farms a 7-7 Winchester Lob Ball League tie with A&R Blue Jays here Monday night.

In the nightcap Stage West Tavern came up with their first victory in three starts doubling Mountain Lions 20-10.

Those results put A&R Jays and Shoneroy into a first place tie with five points apiece, just one up on both Morewood Marauders and CountryBoy Astros. Those two teams go head to head in tonight's (Wed., May 22) 9pm contest. Two of the leagues winless squads, Top Valu - Hansma and St. Pierre Fencers will go at it in search of their first wins in Wednesday's early game.

VanMoorsel scored in the third inning to break up the scoreless contest. His mates crossed the plate with four runs in the top of the fourth to go up 5-0. Chuck Verhoeven, Bill Skelly, Blake Fawcett and Mike Holmes scored for Shoneroy.

The Jays, playing with just nine men, came to the plate in the same frame and tied it up at 5-5. Pete Marriner led it off with a solo homerun and then Dan Lecours, Kevin Gowdy, Matt Krisjanis and Barry Redmond all touched home to tie it at five.

Clayton Miller gave Shoneroy a 6-5 lead in the fifth but the Jays stormed back with two in the sixth to take a 7-6 lead. Frank Beaulne and Matt Krisjanis scored the tying and go ahead runs for the Jays on smashes by T. O'Neill and Peter Marriner.

Dave VanMoorsel tied it up (7-7) in the seventh scoring with one out.

STAGE WEST WINS

Stage West came off the bench swinging in their rain soaked night cap and doubled Mountain Township Lions 20-10 to move into the win column for the first time.

They took a 6-2 first inning lead and never looked back. Brian Condon, Phil Lyall, Gary Milne, Ralph Kennedy, Steve Milne, and Rick Cowell got the ball rolling for the winners scoring in the first inning while Ed Fields and Tim Black replied for the Lions.

Stage West was up 13-4 after three innings and added seven more in the fifth to make it a 20-8 game with two frames to go.

Condon and Rick Cowell led the Stage attack with three runs each. Phil Lyall, Gary Milne, Ralph Kennedy, Steve Milne, Pete Guy and Dave McCord crossed the plate with two runs. Dave Kerr and Bill Lillico supplied single runs.

Ed Fields paced the Lions scoring three runs. Tim Black added two while Andy Etherington, Walter Puddy, Roy Sherrer, Dave Weatherall and Brian Telford brought in single runs.

New boat for the Boltons

Lavern and Connie Bolton, formerly of Winchester, are pictured at their Edwards home accepting ownership of their new 16' boat and motor. Jim Wynn, Russell Branch, Royal Canadian Legion No. 372 offers congratulations to the lucky couple who held the winning ticket in the recent fund-raising draw. Wynn, a past president and project draw chairman, explained extensive renovations to the Legion Hall is under consideration and revenue from the draw is earmarked for that purpose.

Legion pounds Dynes 8-2

WINCHESTER — Legion 108's scored seven times in the sixth inning blasting the Toyes Hill Dynes 8-2 in one of two town fastball games played here Monday night. Legion moved into an eight point tie with the defending champs atop the Town League standings with the victory.

Dynes' pitcher Steve Plummer said he was probably due for a game like that and felt maybe the holiday weekend had been just a little bit too long.

Toyes Hill broke up a scoreless game with the Legion in the third inning when they scored their only two runs of Monday's opener. Al McLean singled with one out, stole second and scored on Bill Hogaboam's RBI single. Pete MacLeod made it 2-0 scoring Hogaboam with a base hit to right field.

Mitch Hutt got Legion on the board in the fourth when he walked and scored on Kevin Cochrane's single.

All hell broke loose in the sixth as the 108's exploded for seven runs erasing a 2-1 deficit and taking an 8-2 lead.

Winning pitcher Mike Guy got the rally started with a lead off double. Steve Guy then beat out an infield hit and Mitch Hutt loaded the bases when the Dynes tried for the force at third but couldn't get the tag on lead runner Mike Guy in time.

Jack Ace then dropped an RBI double in the gap to score Guy and Guy (Mike and Steve). Dynes then walked D.H. Kevin Cochrane intentionally but had that move backfire when Larry Erwin slapped a two base, two RBI double through a hole on the left side to make it a 5-2 game. Glenn Simms hit into a fielder's choice but Chris Guy stepped up and drove a Steve Plummer change up out over the left field fence. Guy's three run homer made it 8-2.

Mike Guy then sat down the Dynes in order in the seventh to lock up the 8-2 triumph. Guy allowed two runs on four hits. He walked two and fanned four. Larry Erwin was the winning catcher.

Steve Plummer and catcher Peter MacLeod took the loss. Prior to that wild sixth inning Plummer had a 2-1 one hitter going.

WIN IN SEVENTH

Chesterville scored twice in the seventh inning to sneak by Dunbar Expos 6-5 in Monday's rain-drenched second game.

Paul Boynton struck out the first two Chesterville batters he faced in the seventh but walked Gary Barkley. Dave Arnold then singled and Darren Kirkwood walked to load the bases. Andy Windsor, hitless in three previous at bats, stepped up with two down and the bases loaded and delivered a soft, off-the-handle single out into shallow right field to bring in the tying and winning runs.

Stan Woods and Gary Barkley had each scored on two other occasions (in fact Barkley crossed the plate three times in the game) to account for the Chesterville scoring.

Chesterville led 2-1 after one but Dunbar went up 3-1 in the second and 4-1 in the third and took a 5-4 lead in the sixth but couldn't hold on for the victory.

Laurie Blanchard scored twice for Dunbar while Gary Gallinger, Owen Shortt and Mark Smith added single runs. Stan Woods fired the win and Paul Boynton took the loss.

Osgoode Township league provides top fastball action

OSGOODE — Seven games have already been played in this year's Osgoode Township Fastball League schedule with the action providing some excellent fastball action.

Osgoode Deuces, Raiders, Prescott Road, Marvelville Z's and the Osgoode Royals are battling for this year's pennant and championship hardware.

Remainder of the 1985 Osgoode Township Fastball League's regular season schedule is as follows:

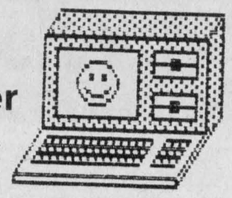
Computer Corner
by Heather Coles



This week the Den received a donation from Pro Sports Unlimited. We thank them for their generosity.

We are presently reviewing the Den's booking hours for the months of July and August. Any input into this from the members would be appreciated. If there is enough interest, we will stay open 9am to 3pm and 7pm to 9pm weekdays and all day Saturday. Student club time will still be in effect during the summer months.

Starting Tues., June 4, the Den will be open for member booking every Tuesday, Wednesday and Thursday mornings from 9am to 11am.

SCHEDULE UPDATE

The schedule for the week of May 27 to June 1 will be as follows: Monday, 7pm-9pm; Tuesday, 1pm-3pm and 7pm-9pm; Wednesday, 7pm-9pm; Friday, 7pm-9pm and Saturday, 9am-4pm. Thursday evening has a scheduled workshop.

REMINDERS

The Apple in the office workshop is continuing for the next two Thursday evenings from 7pm-9pm. It is covering the general use of spreadsheets using VISICALC. Cost: $6 per evening for members and $7 for non-members.

GRADE 6, 7 AND 8 STUDENTS

This week is your last chance to register for the July two-week computer summer course being offered at the Den by the Ministry of Education. Cost: FREE! Please contact the Den for more information.

SOFTWARE REVIEWS

PIXIT

PIXIT is a graphics processor for Apple computers. A graphics processor is a program that creates and edits pictures.

Throughout PIXIT you can create shapes using simple commands, produce graphics, circles and lines, then save and print it. Pre-drawn shapes include animals, buildings, geometrics, patterns, trees, musical symbols and instruments.

Another graphics program that you can use with PIXIT is a shape library called SCIENCE. Examples of the shapes include a detailed solar system, chemistry, fruit and vegetable shapes.

The following farm picture was created using three shapes and one style of printing.

No place to hide

It seems everyone in town now knows that Winchester Public School principal Jim Shaw is 40 years of age. To help ensure the milestone was noticed, the staff and students at the school got together and presented him with a number of birthday cakes on the big day last Wednesday. Of course, the extra cakes meant more candles and Shaw spent about a minute making a wish and trying to blow them all out.

Press Photo—Mitchell

Kevlyndale hosts dairy club

SOUTH MOUNTAIN — Kevlyndale Farms hosted the third meeting of the West Dundas Dairy Club.

The meeting was called to order by Marjorie Rose, opening with the 4-H pledge and roll call.

Kevin Boyd explained what to look for in a good cow, with extra attention to the udder, as this counts for more points than any other part of the cow.

Members then judged a class of three-year-olds. Bill Smith and Marjorie Rose gave their placings, with reasons. Kevin then gave the correct placings and his reasons.

A pamphlet on nutrients for dairy cattle was handed out and explained.

The meeting was then adjourned and members were invited for refreshments, thanking their hosts in the usual manner. The club's next meeting is to be held at the farm of Ron Lewis at 8pm June 5.

Bennett opens Bellamy's Mills

Operating grist mill brings pioneer village work cycle full circle

Chris Porter, ceremonial Village mayor.

MORRISBURG — Bellamy's Steam Flour Mills was officially opened at Upper Canada Village near here on Monday, filling a serious gap in the interpretive program, and strengthening the realism of this mid-nineteenth century village which depicts the life of the residents of the St. Lawrence Valley in Upper Canada during the 1860's.

Grist mills were the nucleus around which communities developed in Upper Canada during the 1800's and with the opening of the unique Bellamy's mill on Monday, Upper Canada Village can now offer visitors a more realistic look at a community of that era.

The Hon, Claude Bennett, Minister of Tourism and Recreation in Ontario, the ministry responsible for the operation of the St. Lawrence Parks Commission, officially opened the grist mill.

"The grist mill was something that was missing at Upper Canada Village," Bennett told a Victoria Day audience of over 4,000 people. "It will do two things," he added. "It will grind our own wheat and it will give the public a chance to see this flour turned into bread at our own bakery. It will complete a cycle at the Village from the planting and harvesting of wheat to the milling and baking of flour."

Bennett also pointed out that Upper Canada Village is the 10th largest tourist attraction in Canada, and that the foresight and planning of the staff of the St. Lawrence Parks Commission, in co-operation with the provincial government, will keep it a principle tourist attraction in the country.

He also noted that the Village was the largest single employer in Dundas County.

Monday's mill opening ceremony coincided with the opening of the Village for the 1985 tourist season and the Village's annual Victoria Day celebrations.

Admission to the Village was free until noon and over 4,300 visitors took advantage of this to attend the grist mill ceremonies, tour the village and watch the special Victoria Day events. This, added to over 1,000 paid admissions in the afternoon, set an opening day attendance record at the Village.

On hand for the opening ceremonies were the Fort Henry Guard and the Drums of Fort Henry, and the Glengarry Pipe Band from Maxville.

Special guests along with Mr. Bennett, included MPP's Noble Villeneuve of SD&G, Luc Guindon of Cornwall and Norm Sterling of Carleton-Grenville. Municipal officials included Williamsburg Reeve Johnny Whitteker, Reeve Bill Dillabough of Morrisburg and Carl Polite, reeve of Augusta Township, the original site of the Bellamy Mill.

Also included in the official party were Donald Irvine, chairman of the parks commission, Sam Ault, vice chairman, Robert Cook, general manager, and Bill Patterson, supervisor of historic sites.

Patterson, in noting the history of the Bellamy Mill, pointed out that this was the second "re-opening" of the facility.

First constructed in the village of North Augusta in 1822, it was destroyed by fire early in 1863 and re-built and re-opened the same year with the addition of a steam engine.

"Bellamy's Mill," he noted, represents the very latest of technology of 1863 and shows us that the people of this area were as inventive and progressive as they are today."

Ceremonial mayor issues Victoria Day pronouncement

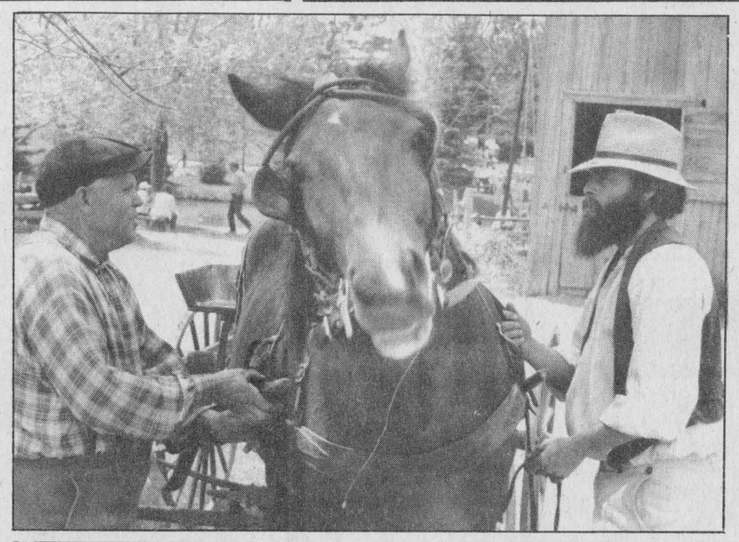
MORRISBURG — With the smart red coats of the Fort Henry Guard and the village's own militia unit as guard of honor, Chris Porter, ceremonial mayor of Upper Canada Village, had a colorful setting on the village fairgrounds to make his Victoria Day pronouncement to a crowd of several thousand visitors, Monday afternoon.

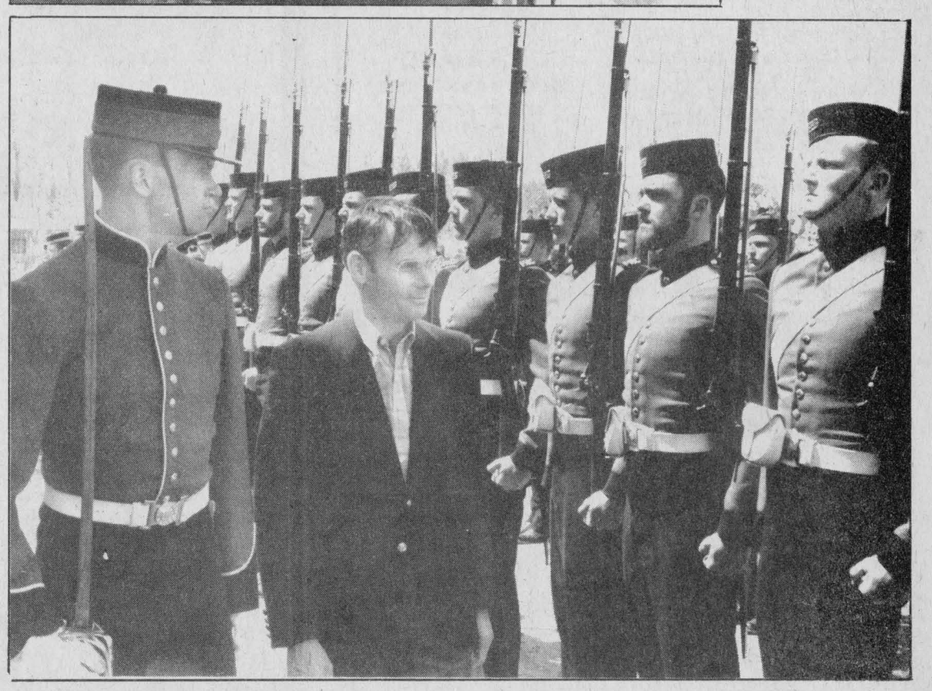
"Once more I welcome you to the celebration of the birth of our Sovereign Lady," he stated in his opening remarks. "It is certainly a fitting and happy coincidence that the subdued and smiling sunshine of our genial May should visit the birthday of a Lady whose reign may be justly pronounced the proudest and most untarnished in the annals of the Empire.

"I am proud to see the flag that has braved the battle and the breeze," he added, "floating as vigorously as ever from countless houses, and proud to inspect the volunteers and guards who have put their best foot forward and have acquitted themselves with the highest credit."

Commenting on the latest addition to the village's attractions, Mayor Porter stated: "Today is a particularly special occasion. We have witnessed the re-opening of the flour mill for business. In its new and renovated form the mill will grind flour and meal more expeditiously for this neighborhood and farmers generally.

"The iron horse, this wonder of our industrial age, will ensure that the machinery will fly even in the depths of winter and in the summer drought. Doubtless, prosperity will quickly acrue to the whole district."





Clockwise from top left, a group of Village residents watches the militia muster; the Glengarry Pipe Band entertains; members of the Fort Henry Guard on parade; Village staff re-enact 19th century life; and Tourism and Recreation minister Claude Bennett inspects the guard.

Director applauds Dundas chapter

WINCHESTER — The personal rewards of volunteering provided a focus for the Dundas County chapter of the Heart and Stroke Foundation of Ontario's annual meeting last Wednesday.

Guests at the meeting included Suzanne Lawson, director of field services at the foundation's provincial office, Jeanette Scrimshaw, regional director for the Eastern Region, and Judi Baril, Dundas County co-ordinator.

Lawson outlined the organization and activities of the foundation, the progress of medical research in the area of heart disease and stroke, and provided some insights on the contribution made by volunteers.

"It's legal to get something back out of volunteering," she said. "I've learned some new skills. Things that I wouldn't have been caught dead doing, I've learned to do."

Different aspects of volunteer work within Heart and Stroke Foundation chapters include fundraising, educational programs, publicity, the in memoriam program, drawing on human resources and service at the executive level, Lawson said.

"I'm astonished at how well the job is done here in Dundas County," she added.

Wednesday's annual meeting was the occasion for both the election of this year's local chapter executive, and an information session for the public on the organization's activities.

A film entitled "The Quality of Life" described the workings of the foundation, the progress of research, and provided some advice on how to maintain a healthy heart: follow a healthy diet, avoid cigarettes and exercise regularly.

As an added precaution, the film advised viewers to learn the signals of an impending heart attack and know the emergency measures, such as cardiopulmonary respiration (CPR) to provide first aid to a victim.

The Heart and Stroke Foundation of Ontario is a voluntary organization. The provincial board sets policy, which is implemented by area chapters.

The Eastern Region, to which the Dundas County chapter belongs stretches from Port Hope to the Quebec border, excluding the Ottawa-Carleton area.

The executive of the Dundas Chapter consists of president Betty Allen, treasurer Peter Asquini, secretary Barbara Black and medical advisor Dr. Henry Prins. Chairmen include Anita Weagant, in memoriam; Erma Allison, publicity and Ivy Coleman, campaign.

Hearty volunteers

The Dundas County Chapter of the Heart and Stroke Foundation of Ontario elected its 1985 executive at an annual meeting Wednesday in the conference room at Winchester District Memorial Hospital. From left are chapter president Betty Allen, medical advisor Dr. Henry Prins, campaign chairperson Ivy Coleman, in memoriam chairperson Anita Weagant, guest speaker Suzanne Lawson, director of field services at the foundation's provincial office, and Erma Allison, publicity chairperson. Absent are secretary Barbara Black and treasurer Peter Asquini.

Farm update

Taking it to the limit: South Mountain pull

SOUTH MOUNTAIN — It was horsepower against concrete here Saturday as competitors from western Quebec, the northern United States and Ontario took part in the annual South Mountain horse pull.

Judge Elwin Clarke of Ottawa saw a a total of 24 teams compete in the light and heavy classes, and $1,320 was awarded in prize money.

First place went to Bernard O'Malley of Eganville, whose team made a successful draw pulling a load of 8,000 pounds.

The teams went into the first round of competition pulling a 3,400 pound load, consisting of a 1,000-pound metal sled known as a "stone boat" plus a load of concrete blocks.

After the first round, which all the teams completed successfully, an extra 800 pounds was added. The process was completed until the final round.

Each team was required to pull the load a distance of 15 feet to complete a successful draw.

Second place in the light class went to Kenny Greer of Richmond. Although Greer also completed a successful draw of 8,000 pounds, he decided to accept second place rather than proceed to a tie-breaker because he was competing with a new team.

Gerald Morrow of South Mountain placed third, pulling the 8,000 pound load a distance of 14 feet, 10 inches.

The following special prizes were also awarded: best-dressed team, Lanson Hyndman of Mountain; team furthest from home, Raymond Smart, who travelled 430 miles from Chester, New Hampshire; best combination, Gerald Morrow of South Mountain.

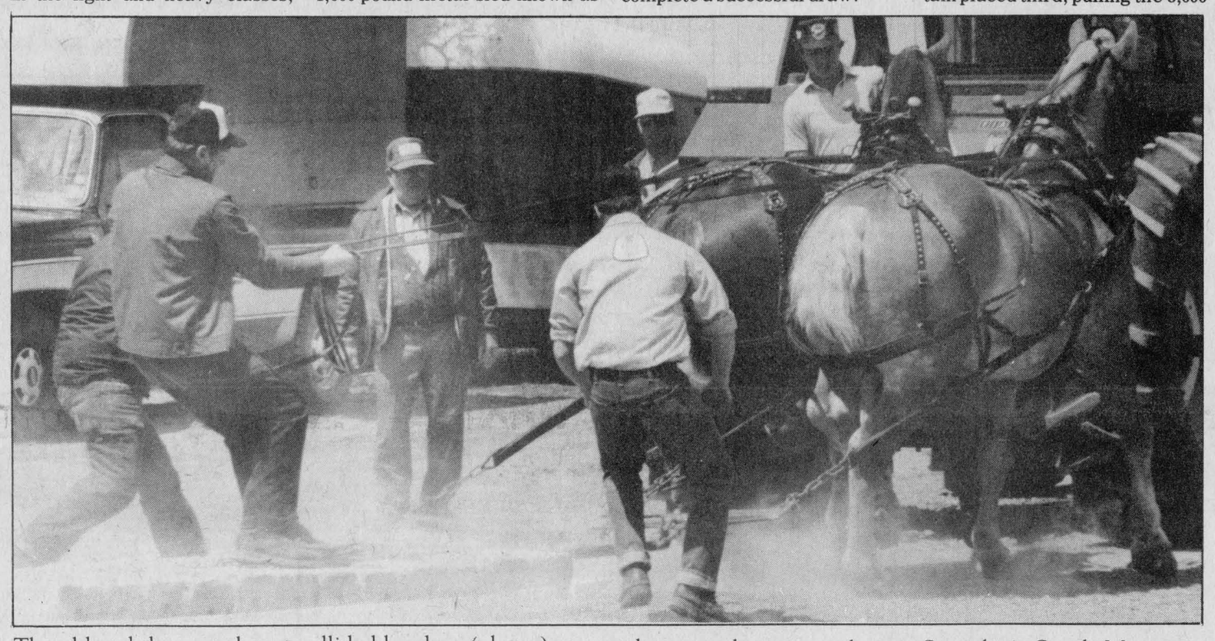
Ten teams competed in the heavy class. To qualify for this class, a team of two horses had to have a combined girth of over 165 inches.

In first place was Don Bell of Winthrop, N.Y., pulling 8,600 pounds a distance of 11 feet, two inches. Second place went to Jacques Chauvette of St. Amable, Que., with a draw of seven feet, seven inches, and third went to Mervin MacDonald of Eganville, with a draw of four feet, two inches.

Special prizes in the heavy class were awarded as follows: best dressed team, Jacques Chauvette; furthest from home, Raymond Smart; and tied for best combination were Mervin MacDonald and Jacques Chauvette.

According to organizers Pam and Roy Sherrer, about 250 people attended the horse pull, down slightly from last year's total. Attendance for the pig roast following the horse pull was also down slightly.

Organizers reported a dance later in the evening featuring live music by Hi and Dri was well attended.



The old and the new almost collided head-on (above) as a team of pullers confronted the modern version of horsepower provided by Weagant Farm Supplies to pull the stone boat into place at Saturday's South Mountain horse pull. Twenty-four teams from as far away as New Hampshire competed for the prize money.

Ayrshire sale, Holstein show highlight 5-day Maxville Fair

MAXVILLE — Many local breeders will be looking forward to showing off their best at the Maxville Spring Holstein Show and the Ontario Spring Ayrshire sale to be held here next week.

The events are being held in conjunction with the 1985 Maxville Fair, May 28 to June 2. The five-day event also features the 1985 Ayrshire National Sale, Tues., May 28.

The sale will be held at 2pm, followed by an Ayrshire banquet at 7pm. The spring show begins at 10am, Wed., May 29.

The Maxville Spring Holstein Show starts in the arena at 10:30am, Fri., May 31.

Other highlights of the fair include judging of exhibits, heavy horse classes Friday and Saturday, 4-H dairy and beef calf competitions, and beef, sheep and goat judging.

Entertainment includes music from Wayne Rostad and a Bavarian band, and highland dancing Sun., June 2.

Produce inspection, licence fees agreed on

OTTAWA — Agriculture Minister John Wise announced May 2 he had reached agreement with the horticulture and fruit wholesale industries on fees for inspection and licences provided by his department.

"We've come to a very reasonable settlement, one that I think will serve all our interests," Wise said.

The agreement comes after two months of consultation between the federal minister and horticultural groups on a number of fees proposed by Agriculture Canada under the government's cost recovery program.

"I'm very satisfied with the way the fruit and vegetable industry has responded to the challenge of cost recovery," said Wise. "It's been a very successful process of consultation."

Under the terms of the agreement, fees for inspection of shipments crossing provincial or international borders for export will be three cents per hundredweight. In these circumstances, inspection is mandatory.

When inspection is requested to determine the condition or grade of a shipment at destination, the charge will be 10 cents per hundredweight.

These new fees will go into effect June 1. Mr. Wise said similar increases will be implemented in 1986.

License fees will also go up this year. Shippers and wholesalers will now pay $500 for a licence from Agriculture Canada. The fee for registered produce warehouses will be $1000, which includes the $500 licence fee.

"We're satisfied with the outcome," said Michel Legault, president of the Canadian Horticultural Council.

"We've had a good, frank discussion with the minister. I feel the compromise we reached was a good one for the industry."

Wise added that he would like to continue discussions on cost recovery and assess the impact of the first round of fee increases before proceeding with the next. He said he would work with horticultural groups to improve government programs and help rationalize the industry.

EVACUAIR Manure System

GARRY MURPHY
SALES & SERVICE LTD.
Brinston 652-4802

THE NUMEROUS ADVANTAGES OF THE EVACUAIR ARE:
- Safe and reliable.
- Will accommodate 2 or more cleaners.
- No synchronization necessary between cleaners and system.
- Energy saver. The compressor does not function at the same time as the cleaners.
- Easy maintenance (mechanism reduced to a minimum).
- Compressor requires 3 hp only.
- Compressed air always available for other uses.
- Rapid evacuation (165 cu. ft. of manure in 10-25 sec., depending on percentage of solids). Effective on all kinds of manure.
- Easy to install, the manure tank is underground.
- No more problem of frost in winter.

The compressor, the manure tank, the evacuation pipes and the one-way trap are the 4 elements of the system. Up to 15 pounds of air pressure is injected in the reservoir to force the manure to the storage area.

Different sizes of evacuation pipes (24", 30", 36") are available depending on the type of bedding used. We recommend a 24" pipe when the proportion of manure-solids does not exceed 20%, 30" pipe when the proportion does not exceed 40% and for a very high percentage a 36". The evacuation pipe is equipped with a one-way valve at its extremity.

The manure reservoir is built of heavy-gauge steel, designed to operate under low pressure and is treated against corrosion inside and outside.

All our air reservoirs are certified for 200 pounds pressure and are specially designed for the Evacuair.

On-farm summer help available from two sources

WINCHESTER — Ontario farmers needing summer help will be able to draw on two sources of assistance that also provide summer opportunities for youth.

This year, as in the past, the Junior Agriculturalist and Agricrew programs will be operating in Dundas and Grenville Counties.

The Ministry of Agriculture and Food hopes to see 200 junior agriculturalists placed throughout Ontario this season, the program's 14th year of operation. Eight of these will be placed in Dundas and Grenville counties.

The objectives of the junior agriculturalist program include providing summer assistance to farmers, enabling young people to be a part of a unique opportunity to experience rural life at first hand, and to bridge the rural-urban gap.

The program gives an opportunity for youth with no previous farm experience to live and work on a farm for the eight weeks from June 24 to Aug. 20. Students between 16 and 18 years old as of Jan. 1, 1985, are eligible. The cost to the farmer is only $8 a day plus provisions for room and board for the junior agriculturalist.

The Agricrew program began in 1978 in Ontario, servicing only eight counties. It has since been expanded to include most of the province. The 1985 Agricrew program for Dundas and Grenville will soon be in full swing. In addition to the two-person Youth Corps crew already available to farmers, a four-person summer experience crew will be made available for hire from June 24 to Aug. 17 to Dundas and Grenville Counties.

The crews are available to do any type of farm labor except two storey construction, use of chemicals and use of farm vehicles on public roads. The two-man Youth Corps crew is available for work involving chainsaws.

The cost of hiring the four-person crew is only $90 per day, and has remained unchanged for several years. The two-person crew can be hired for $50 a day. The crews are booked on a first come, first served basis.

Information on the programs can be obtained from the Winchester and Kemptville OMAF offices.

CMC backs meat inspection bill

OTTAWA — The Canadian Meat Council has lent its support to a bill now before the House of Commons which they say will maintain and strengthen Canada's existing meat inspection system.

According to a report from the meat council, "federal meat inspection is the consumer's best assurance of quality, wholesome meat products."

In an appearance in the House of Commons April 30 before the Standing Committee on Agriculture, Meat Council representatives outlined the reasons why they felt federal meat inspection was important.

Federal inspection, they stated, is the consumer's best assurance that meat originated from healthy animals and from carcasses deemed wholesome and entirely fit for human consumption. The inspection system also ensures that meat processing plants comform to rigid standards of construction and sanitation, and that their operations are supervised by federal meat inspection staff.

Canada has also gained a respected position in world export markets through meat inspection. According to the Meat Council's report, "our inspection standards have given Canada access to markets throughout the world."

In 1984, Canada exported 730 million pounds of beef, veal, pork, lamb and fancy and processed meats. The value of these exports, along with those of industry byproducts — such as hides, gelatin, lard and tallow — totalled $1.1 billion.

The council brief to the Commons committee went on to state that the Canadian meat processing industry "strongly believes that the federal government must provide meat inspection services for the regular scheduled plant operations, including regular extra shifts, in approved establishments.

"The maintenance of public confidence in, and credibility of, the meat inspection system is essential."

Credibility could best be maintained if the inspectors are not paid by the establishments they inspect.

More than 90 per cent of all red meat produced in Canada is processed under federal inspection. For slaughter plants not under the jurisdiction of the federal inspection system, provinces have either implemented their own system of inspection before and after slaughter or entered into an agreement with the federal government to provide the inspection. As a result, virtually all live animals receive inspection in one form or another.

The bill currently before parliament is Bill C-33, Meat Inspection Act.

50 years of sharing

Mr. and Mrs. Ernie Burton of Russell will be marking the golden anniversary of their wedding day on Sat., June 8, 1985. The well known couple will be "At Home" to friends at Russell Legion Hall between the hours of 2pm and 4pm and invite everyone to join them at a Ceilidh and dance at Dr. Frank Kinnaird Community Centre in the evening.

OPP enlists educators, parents

TORONTO — The Ontario Provincial Police are seeking the help of parents and teachers to reduce the number of accidents involving teenagers drinking and driving after end-of-term celebrations over the next couple of months.

Graduations, school dances and field parties are just around the corner. The OPP wants to convince the partygoers that drinking and driving can cause senseless death and injury.

The provincial police are concerned with a wide variety of traffic safety problems, but prevention of impaired driving is a priority item because this persistent social problem brings on untold human suffering and a tremendous financial cost to society.

During 1985, International Youth Year, it is the special objective of the OPP to have the young people of our province experience the safest motoring possible this spring and summer.

To accomplish this objective, OPP Commissioner Archie Ferguson is asking for a co-operative and concentrated effort by parents, educators and law enforcement officers to help our young people truly understand the perils of drinking and driving.

While police officers have a definite role in enforcing anti-drinking and driving laws, educators can contribute by encouraging discussion on the subject of drinking and driving as part of the graduation preparations. Parents can use their influence to encourage their children to exert pressure on their peers. The glamor and excitement wrongfully associated with alcohol consumption and driving has to be removed.

Pasteurize milk at home

Natural food enthusiasts, milk producers, and people living near dairy farms are the people most likely to drink raw milk — a practice which could be dangerous.

A recent survey sponsored by Agriculture Canada indicates that one Canadian in 10 may be drinking unpasteurized milk. In both Canada and the U.S., consumption of raw or unpasteurized milk has led to outbreaks of salmonellosis, a bacterial disease causing headaches, diarrhea, stomach cramps, fever and vomiting within 24 hours of infection. The effects are most severe in young children, the elderly and the chronically ill.

The sale of unpasteurized milk is legal in most provinces but is prohibited in Quebec, Ontario, New Brunswick and the Northwest Territories.

There is no nutritional advantage in drinking raw milk, because pasteurization does not change the nutrients it contains.

The risk of bacterial disease in drinking milk can be eliminated by pasteurization at home.

The common home pasteurization method involves heating milk to 62 degrees Celsius (144 Fahrenheit) and maintaining that temperature for half an hour. This process is called the low temperature method.

Another method is to heat the milk for only 16 seconds at 72 degrees Celsius (161 Fahrenheit), as is the practice in commercial dairy plants. Although this method is less time-consuming, it may give the milk a more "cooked" flavor. In using either method, a thermometer is essential to ensure that the milk is at or above the required temperature.

Researchers in Israel have determined that an even more convenient means of home pasteurization is also practical.

Milk can be pasteurized in a standard microwave oven equipped with a temperature probe. Researchers heated 400 millilitres of milk in a one-litre glass beaker to 65 degrees Celsius (149 Fahrenheit) and maintained that temperature for 30 minutes.

CANADIAN CANCER SOCIETY NEEDS YOUR HELP PLEASE GIVE

Card of Thanks

CARD OF THANKS — Our sincere thanks to all our family, friends, relatives and neighbors for their messages of sympathy, floral arrangements, donations to the Osgoode Care Centre, Kenmore United Church Memorial Fund and the Heart and Stroke Foundation during the loss of our dear mother, grandmother and great grandmother, Easter Warren. Special thanks to Rev. L. Woolfrey, the Duncan Funeral Home, the pallbearers and also the Kenmore WI Ladies who served lunch after the funeral. Your thoughtfulness will always be remembered.
—The Warren Family 6

CARD OF THANKS — A sincere thank you to everyone for their many acts of kindness to me, while I was a patient in Winchester Memorial Hospital.
—Norma Duncan 6

CARD OF THANKS — My sincere thanks is extended to my family and Olive for their thoughtful help in recent illness, also for the many lovely birthday cards received and surprise party given in honor of my 90th birthday in their home, for the plaques from the Prime Minister of Canada presented personally by the Hon. Norman Warner, the Hon. Frank Miller (Ontario Premier) also the Wesleyan Church a beautiful bouquet from Pastor and Mrs. R. Wahl. Again a hearty thanks to all.
—Jessie E. Summers 6

CARD OF THANKS — I wish to thank my family, relatives, friends and neighbors for cards and visits while I was a patient in Winchester Hospital. Special thanks to Dr. Prins, nurses and staff on 1st floor.
—Wendell Ault 6

CARD OF THANKS — The family of the late Helen Madge Allison wish to express their sincere appreciation to friends and neighbors for food brought to the house, donations, flowers from Maple Ridge Road friends and neighbors and all other flowers.
—The Allison and Casselman Families. 6

CARD OF THANKS — We would like to say thank you to everyone for their cards, letters, visits, flowers and phone calls while I was in hospital and since returning home for gifts of food and help. Special thanks to Dr. Dawes and Dr. Merritt and to the nurses and help on second floor. Also to those who provided transportation for Vera to and from hospital.
—Gordon Cleland 5

CARD OF THANKS — We wish to express sincere thanks to our relatives, friends and neighbors for their support and acts of kindness at the time of the sudden passing of a dear husband, father and grandfather Gordon A. Sutton. The floral tributes, the Memorial gifts, cards of sympathy, and gifts of food were all deeply appreciated. Special thanks to Rev. Royle, ambulance drivers, Vice and Craig and the pallbearers, also to the women of UCW for the lunch after the funeral. All thoughful words and deeds will never be forgotten.
—Jean Sutton and Family 6

In Memoriam

HUNT — In fond and loving memory of my sister, "Jeannetta Dorothy Phair", Hunt (Jean) who passed away, May 22, 1983, my 65th birthday.
No one knows how much I miss you,
Life will never be the same.
In my heart you'll linger ever
Sweetly, tender, dear and true,
There is not a day dear Jeannie,
I do not think of you.
—Lovingly, Evelyn Morrison and Carman 6

CLARMO — In loving memory of a dear husband, father and grandfather, Albert (Ab) who passed away May 16, 1972.
There's a special kind of feeling
That is meant for you alone,
A place that is within my heart
That only you can own,
Nothing can be more beautiful
Than the memories I have of you
To me you were someone special
And God must have thought so too.
—Sadly missed and lovingly remembered by Wife and Family 6

Notice of Public Meeting concerning proposed zoning bylaw amendment

TAKE NOTICE that the Council of the Corporation of the Village of Winchester will hold a public meeting on the **2nd day of July, 1985 at 7:00 o'clock** at **the municipal building** to consider a proposed Zoning Bylaw Amendment under Section 34 of The Planning Act, 1983.

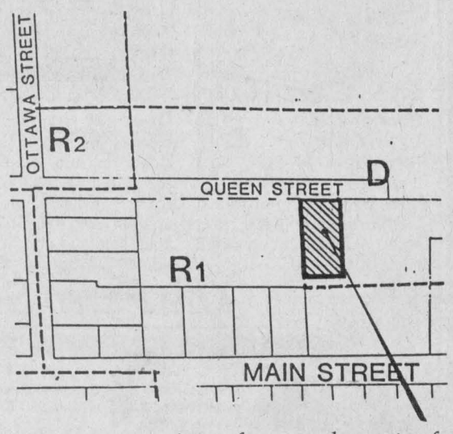
The proposed Zoning Bylaw Amendment would rezone the property on the south side of Queen Street, east of Ottawa Street, part of block "B" in Registered Plan No. 34, in the Village of Winchester from Development Zone (D) to a Residential Density 1 Zone (R1). The effect of this bylaw is to permit development of a single-family residential unit.

ANY PERSON interested may attend the Public Meeting and/or make written or verbal representation either in support or in opposition to the proposed Zoning Bylaw Amendment.

ADDITIONAL INFORMATION relating to the proposed Zoning Bylaw Amendment is available for inspection during normal office hours at the Municipal Office in Winchester.

Dated at the Village of Winchester this 21st day of May, 1985.

Raymond Annable
Clerk
Village of Winchester
Telephone: 774-2105



Area of proposed rezoning from "Development Zone" (D) to "Residential Density 1 Zone" (R1).

Jessie E. Summers of Winchester had plenty of friends to congratulate her on her 90th birthday Thursday, as she received plaques from the Winchester Wesleyan Church and the provincial and federal governments. Stormont-Dundas MP Norm Warner dropped in to present in person this certificate from the Prime Minister.

Canadian Eye Bank founder CNIB annual dinner speaker

CHESTERVILLE — Anne Wolf, director of the Eye Bank of Canada, Ontario Division, will be guest speaker at the annual Dundas County CNIB advisory board meeting and dinner to be held at the Chesterville United Church Hall on Tues., June 4.

The Eye Bank of Canada is an organization set up to provide human eyes for corneal transplant surgery. Anne Wolf was one of the Eye Bank's original founders.

A graduate of Trinity College, University of Ottawa, she has been employed as a research assistant at the university since her graduation. She joined the Department of Ophthalmology at the University of Toronto in 1954 and has been actively engaged in all aspects of eye research since that time.

She was instrumental in organizing the Eye Bank of Canada in 1955, and has largely been responsible for its day-to-day operation since then. She has been on call 24 hours a day for 30 years.

Wolf is still involved in many eye research projects, mostly in the field of corneal graft surgery. She is married, has three children, and has always looked upon her work as a family project.

When the Eye Bank was founded in 1955, just two human eyes were provided for corneal transplant surgery. In 1984, 1,278 eyes were used by 16 ophthalmic surgeons in Ontario for corneal transplants.

The Eye Bank of Canada is cosponsored by the Canadian National Institute for the Blind and the Canadian Ophthalmological Association. The Eye Bank receives 65 per cent of its donated eyes from small communities throughout Ontario. The CNIB network of 20 offices in Ontario promotes and assists with Eye Bank Collections and transportation. Eye Bank transportation containers are maintained at most community hospitals and local donations are encouraged.

Dinner reservations may be made by contacting Olive Cass at 448-2674 in Chesterville.

Jessie Summers marks 90th

WINCHESTER — Jessie E. Summers was pleasantly surprised on the occasion of her 90th birthday on Thurs., May 16 at the home of her son and daughter-in-law, Murray and Marg Summers.

Jessie was presented with a silk flower arrangement and corsage from her friends. Hazel Merkley and Helen Irvin presented her with a humorous plaque from the Wesleyan Church.

Jessie expressed her appreciation following lunch and a tasty birthday cake.

On hand to help her celebrate were her niece Doreen Larocque, friends Rev. and Mrs. Ray Wahl, Olive Summers, Margaret Robinson, Ida Coons, Annie Coons, Ruth Howes, Nellie Guy, Ruth Milne, Jean Gallagher, Mabel Crowder, Helen Irvin, Mildred Bell, Hazel Merkley, Vera Jones and Ann Freeland. Missing from the celebration were nieces Jean Stobs and Ida McKercher and daughter and son-in-law Ruth and Guy Lalonde.

Earlier in the evening Norman Warner, MP for Stormont-Dundas, presented Jessie with a plaque from Prime Minister Brian Mulroney and Basil Dawley, on behalf of Noble Villeneuve, MPP, presented her with a plaque from the Premier of Ontario, Frank Miller.

BOOK REPORT
Proud Mary (fiction)
by Iris Gower

Proud Mary is an interesting novel, with its setting in South Wales in the early 1900's.

From absolute poverty, Mary Jenkins moves upward, through hardwork and passionate determination, to become the wife of a wealthy landowner. There are few surprises about the outcome of the story, but the book spins a maze of intertwining stories of the numerous people Mary encounters. She might be called a turn-of-the century Woman's Libber.
