Tremblay, Van Moorsel given sweeping show of support

CORNWALL (Staff) - In a dramatic show of support for incumbents chairman, Sheila Tremblay and vice-chairman Peter Van Moorsel, six separate school board trustees declined the two offices to re-elect the pair by acclamation.

Ron Eamer, Pierre Landry, Jules Renaud and Mr. Van Moorsel all declined to challenge chairman Sheila Tremblay, who was appointed to fill a vacancy in the chair 15 months ago. Last December in an unprecedented move, the board waived an election, installing Mrs. Tremblay for her first complete term.

Bernard Besner, Suzanne Charette of Crysler and Jules Renaud declined in favor of Mr. Van Moorsel for the vice-chairman's chair.

Mrs. Tremblay stated the establishment of the Catholic secondary school in Cornwall would be the board's top priority for the coming year and that an attempt will be made to establish a service equivalent to L'Equipe Psycho-Sociale for the English panel of the board.

(The mental health program, the first in the province, treats children in a school atmosphere, separated from the school itself by the gymnasium).

Mrs. Tremblay also noted the family life program has become a sensitive topic but that the response of all concerned will be heard.

Mr. Van Moorsel expressed the opinion that economics will be a priority for the new board since the provincial government will be exercising restraint and the taxpayer's pockets have been taxed to the limit.

Director of Education, Gilles Metivier concurred with Mr. Van Moorsel's ideas predicting a possible cutback in the board's consulting staff.

Mr. Metivier noted the teachers are more important in the classroom than as consultants. (The board's equivalent-to-18 full time consultants are teachers who have been assigned to the post for a specified period of time).

He also suggested rather than eliminating the service, that it operate on an alternating basis.

A new system of allocating funds to schools is also on the horizon for 1983. Mr. Metivier explained presently money is allocated on an enrollment basis rather than services provided or needs basis. This results in inequity, he told the board members.

Principals of individual schools will be involved to a greater degree than previously, explained assistant board secretary Rejean Clement later. The principals will provide input in the way of demonstrating their needs based on the cost of the programs in the operation in their school.

Mr. Metivier also commended the excellent co-operation that has existed between the board and the unions or associations of its employees. (The SD and G Separate Board deals with the Ontario English Catholic Teachers Association, L'Association Enseignants Franco-Ontariens, two CUPE groups, the English Principals Association and the French the French Principals Association).

Bernard Guindon appeared before the board representing Bishop Eugene LaRocque. He explained the role of bishops and the forthcoming revision of canonical law.

Santa arrives in Berwick Saturday

BERWICK (Staff) - Santa Claus will be arriving in this village Sat., Dec. 18, heralded by the parade amassed to honor the jolly old gent.

Vaughn Burd, one of the parade organizers said the recreation association are hoping for a larger turnout than last year's eight floats since the Berwick parade is not competing with larger centres for the date this year.

The hopeful float winners will be playing to anonymous judges who will infiltrate the crowd, all the while carefully surveying the entries.

The parade will leave the township building, travelling down Beaver Street to Cockburn Road. It will turn left to pass Berwick Manufacturing and turn left again to pass the hotel on its way back to the township office. From there it proceeds along the back street to arrive at the township hall.

Santa Claus will hold court at the hall where he doles out candy and takes Christmas requests following the parade.

Prizes are awarded to the top three winners as well as to costumed individuals. (Last year's winner Nick Beehler donated his win to the Sunday School noted Mrs. Burd).

Gretel meets Santa

Gretel from the fairy tale Hansel and Gretel had a chance to talk privately with Santa Claus Saturday following the Chesterville Santa Claus parade. Gretel was a part of the Winchester Brownie's float which took first place in the non-commercial category for prizes. The little girl behind the long blonde braids is actually Robyn Lewis, the daughter of Ron and Lynda Lewis of RR2, Mountain. record photo - laprade

Sears delivery man nabbs intruder

CHESTERVILLE (Staff) - In what Winchester OPP Corp. Lyon described as a "rare act" a Sears delivery man ran after and caught a man who had broken into the Sears office in Chesterville last Thursday.

Doris McVey, manager of the Sears office, said the two delivery men (who stop at the Chesterville store during the night) were opening the front door of the store at about 2:50am last Thursday night when they heard someone at the back door.

One of the delivery men sent his partner after the intruders while he telephoned Mrs. McVey.

The intruder was easy to follow, said the manager, as a fresh snowfall made tracking possible. Before she got off the phone the partner had returned with one of the intruders in tow.

The OPP report Charles Ray Munro, 19, of Chesterville was arrested at the scene, while a second person, Jeffrey Ian MacIntosh, 19, of King St. Chesterville, was arrested shortly afterwards.

Both men were charged with Break, Enter and Theft and are to appear in Winchester Court on December 22.

A number of parcels were stolen from the store, said Mrs. McVey, and some of them have been returned by the police.

Entry was gained through a rear door.

In another incident last week a car parked at the Nation View Service Centre, Main St., Chesterville, was pushed into the South Nation River during the night.

Winchester OPP report that someone smashed the driver's window out, put the car in neutral and pushed it off the bank of the river, and into the water.

The car was found early last Friday morning. Police estimate there is $1,000 damage.

Finch Arena victim of break and enter

FINCH (Staff) - A break-in at the Finch Arena reported to the Long Sault detachment of the OPP early Monday morning, is under investigation.

A spokesman with the OPP said the break-in occurred sometime after 1am Monday morning. Someone was in the building until that time.

Entrance was gained through a small window in the north end. The entire building was ramsacked including the Village offices housed in the arena.

Police reported there was little damage to the building or facilities, except where doors were broken down to gain entry into various rooms.

Police refuse to comment on whether anything was stolen. There are no suspects yet.

Newsbriefs

$100 draw winners

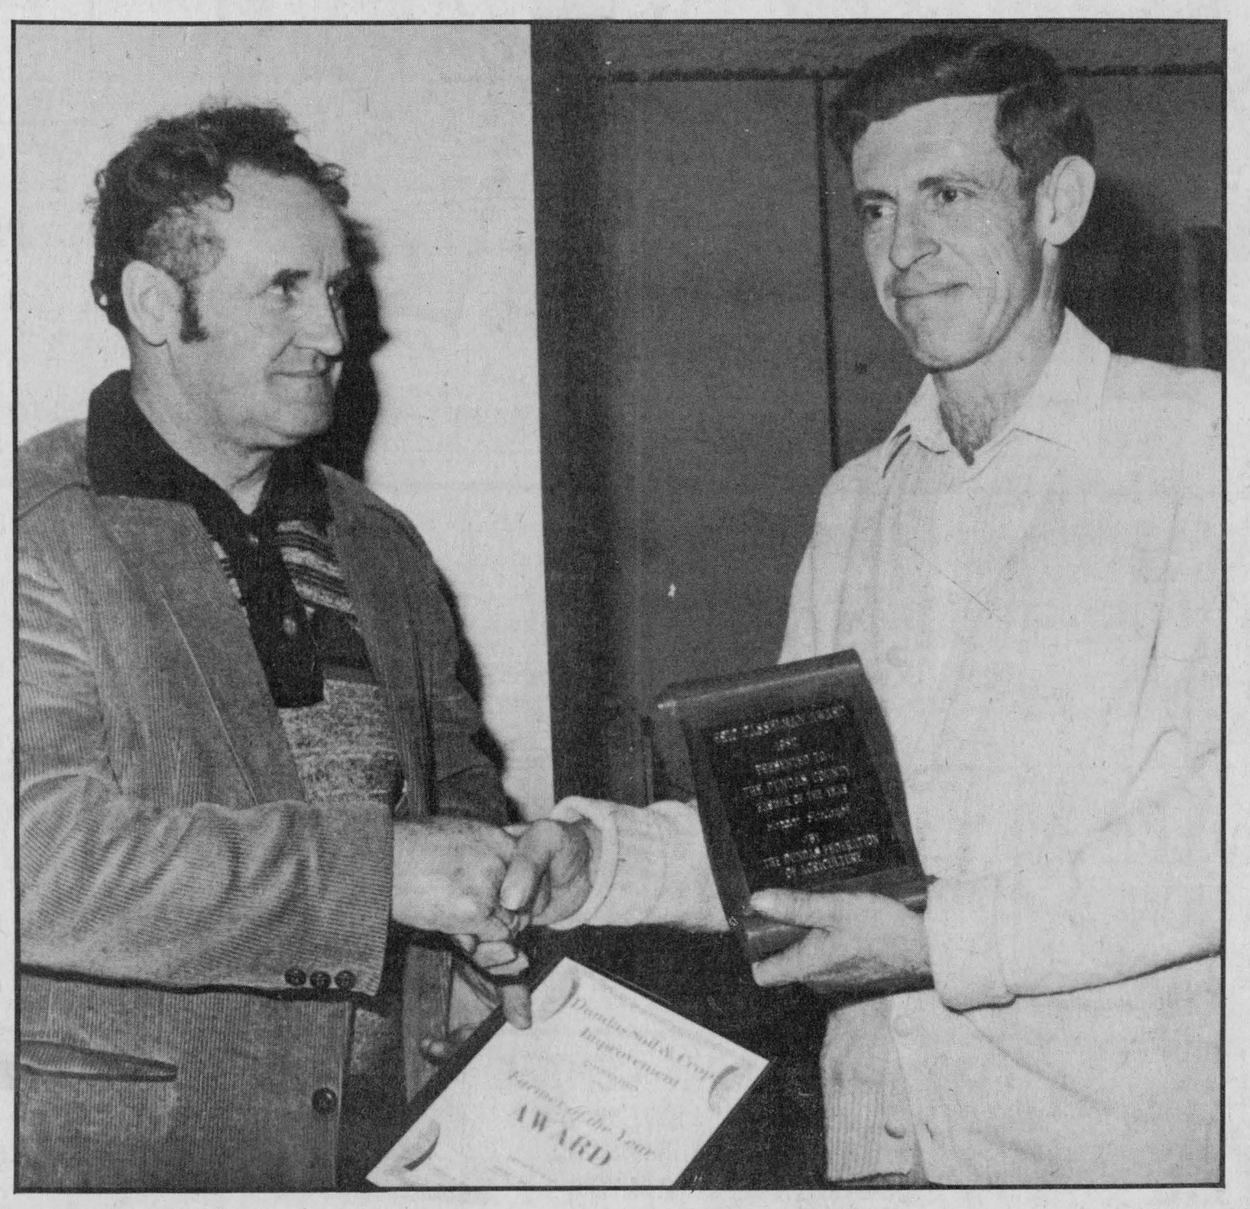
(Staff) - The five winners in the $500 gift certificate draw sponsored by the Chesterville Chamber of Commerce and The Chesterville Record were announced Saturday following the Chesterville Santa Claus parade. The winners of a $100 gift certificate each were, Peter Marriner of Winchester, Mrs. L. Harper of Chesterville, Lorraine Coyne, RR3 Chesterville, Mrs. Betty Merkley of Morewood and Helen McIntosh of RR2 Chesterville.

Reaching for the top

(Staff) - This coming Saturday (Dec. 18) fans of the North Dundas District High School Reach for the Top team will have another opportunity to see their heros in action. The NDDHS team competes in a game against Cornwall Collegiate and Vocational School (CCVS) starting at 10:30am on CBC channel 4.

Gordon Garlough named Dundas' Farmer of the Year

Dundas County Soil and Crop Improvement Association makes presentation in Winchester Wednesday



Gordon Garlough usually presents the Farmer of the Year Award on behalf of the DSCIA. But this year Martin Schneckenburger (left) had the honor of presenting the award to Mr. Garlough. The presentation was made last week. record photo - macdonald

WINCHESTER (Staff) - Gordon Garlough, a dairy farmer from RR2, Williamsburg, was named Dundas County's Farmer of The Year last Wednesday at the annual meeting of the Dundas County Soil and Crop Improvement Association (DSCIA).

Mr. Garlough was raised on the family's dairy farm, where he resides still today.

He graduated from Ontario Agricultural College, Guelph, with a Bachelor of Science degree in Agriculture in 1964. During the next 10 years he taught environmental science at the secondary school level, returning to the farm in 1974.

Mr. Garlough is continuing the family's dairy operation in partnership with his brother Bruce.

Ironically, it is in 1972 that Bruce Garlough was named the Farmer of the Year.

Gordon has served as vice president of the Dundas Federation of Agriculture and is now a provincial director. He also serves as a soil and crop director and is secretary of the United Church Board in Williamsburg.

During the business portion of the meeting directors from the member townships of the association were elected. Arden Schneckenberger was elected from Williamsburg Township, Jack Durant from Winchester, Cliff Howse from Mountain, and Francis Henderson from Matilda. Keith Smith, of Mountain Township last year's Farmer of the Year, was elected to the position of vice-president, while president Stan VandenBosch of Chesterville will continue on the second year of his two year term.

Members of the DSCIA also passed three resolutions during the meeting, which will be sent to Toronto the parent association for consideration at the Ontario Soil and Crop Improvement Association annual meeting.

The first resolution petitions the federal government to restore their one-third funding for municipal drains under the Eastern Ontario Subsidiary Agreement (EOSA) for those drains approved by EOSA just previous to the funds being cut off. Some 69 drains had gone through the bureaucratic process and received approval for both the provincial government's one-third funding and the federal governments one-third funding, but when the federal government announced that funds for the drains had run dry those 69 drains remained in limbo. Although approved the federal funding for them was not forthcoming. The loss of the federal funding means the farmer must pick it up.

DSCIA members also passed a resolution concerning a recent proposal by the South Nation River Conservation Authority to narrow the South Nation channelization in the fifth Contract on the project, to Salter's Bridge. The resolution asked that the original width and depth for the channelization be maintained, as the draining of farmland in the Salter's Bridge area is of prime concern to farmers and it would be made more difficult if the river was narrowed.

The third resolution passed by the local association was huge. They resolved that when farm assets are being transferred from one generation to the next that the taxes due on the transfer be given to the younger farmer as collateral, in the form of a grant. The resolution noted that the transfer of the family farm is becoming increasingly difficult. Inflation leads to higher farm values creating a higher capital gains tax leading to a shortage of funds for the generation receiving the farm. In order to protect the family farm, and save consumers from unreasonable prices as a result of farming by large corporations and civil servants the DSCIA members agreed to pressure Revenue Canada to give the Capital Gains Tax due on the transfer of the farm to the young farmer as a grant.

Employee holidays set

CHESTERVILLE (Staff) - Christmas and New Year's holidays for village employees was an item of discussion at the inaugural meeting of Chesterville Village council last week.

Village clerk Gary Thompson told the council village employees asked that the exact days off during the holiday season be set so plans could be made.

Mr. Thompson informed council that the employees' contract gave them Christmas day, Boxing day, New Year's day, and the following New Years'. Because Christmas day and New Years' day fall on Saturday this year Mr. Thompson suggested the Monday and Tuesday following Christmas day, and the Monday and Tuesday following New Years' day be designated as holidays.

Some members of council found the day off following New Year's excessive. However, councillor Rudi Derstroff noted, with deputy-reeve Jim Cook and reeve Carl Ward, that the holidays were a part of the employees' contract and thus not negotiable.

Council agreed the village employees will be on holidays Dec. 27, 28, Jan. 3 and 4.

In other council business Hiram Hume was again hired by the municipality to collect garbage for the next three years. The renewed contract will cost the ratepayers $1,300 per month, a $300 per month increase over last year.

The deal with Mr. Hume is a good one, said reeve Ward, adding "He's a most co-operative chap to deal with."

Councillor Mike Brannen questioned the increase. While the cost of living is going down, the village shouldn't be giving an increase to anyone he said. The increase to Mr. Hume amounts to more than 10 per cent, "that's a pretty fair increase with the way things are going now."

Councillor Rudi Derstroff expressed the opinion that the village was getting their money's worth from the contractor. "I think we're getting a real deal."

Councillor Jim Sullivan agreed noting that Mr. Hume must operate a garbage truck, and have two men hired, which is a higher cost than just wages.

Council agreed to accept the contract with Mr. Hume, and voted for the increase as well.

Morewood Seniors Club busy

MOREWOOD (Special) - A busy November and December for Morewood Senior Club, with Francis Whittaker and Ann Manes as convenors.

On Nov. 18 an invited euchre was held. Prizes won were: Ladies high, Muriel McMillan, second, Edith Waldroff and low, Sarah Presley; Mens high, Nelson Bellenger, second, Ellery McMillan, low Helen Irvin.

Door prizes were won by Ann Manes and Tena Hutchinson. On Nov. 26th Russell Club was invited to hear Dr. Slowey, speaking on Aging. All enjoyed his talk. Gladys Broom introduced Dr. Slowey and Stuart Mattice presented him with a gift.

The rest of the afternoon was enjoyed with music by Thelma Bradford, Lorne Barkley and Edith Waldroff. Jean Mattice and Lillian Graham gave readings. A social hour was enjoyed by all.

On Dec. 4 a bake sale was held with good success. On Dec. 10 our Christmas party was a turkey dinner and all the trimmings, catered by Mr. and Mrs. Shay at 12 noon. Several dinners were sent out to sick and shut-ins.

At 1:30 our meeting got underway with the singing of O'Canada, the minutes were read and the election of directors and convenors for 1983 were held.

Tickets were sold on a beautiful tray donated by Ann Manes, won by Mildred McLaughlin, second prize $5 was won by Edna Smirle. Jean Stevens donated African violet, won by Archie Carruthers.

Mrs. Zoe McQuaig our oldest member gave the poem, The Night before Xmas. She did it without a word of help.

The club donated money to Ann Manes and 16 small gifts were made and won by different members of the club. Gladys and Kem Broom sang a couple of Christmas carols.

Our year was finished by wishing one and all, a Merry Christmas and Healthy New Year.

John Brooks, left, of the Canadian Track and Field Association accepts a cheque for $1,000 from Tim Woods, manager of the Nestle Chesterville factory. The cheque goes to the Rose Marie Hauch Trust Fund to help the shot-put athlete with living expenses while she trains for the Olympics. record photo - macdonald

Nestle donates $1000 to Rose Marie Hauch Trust Fund Thursday

CHESTERVILLE (Staff) - The Rose Marie Hauch Trust Fund received a welcome boost last week when Nestle donated $1,000 to the cause.

Nestle Chesterville factory manager Tim Woods presented a cheque to John Brooks, manager of Athlete Services with the Canadian Track and Field Association.

Mr. Brooks traveled from his Ottawa office last Thursday to accept the donation.

In an interview following the presentation Mr. Brooks said the Chesterville-area shot-putter is "clearly the number one shot-putter in Canada."

Miss Hauch won a bronze medal at the Commonwealth Games held in Australia in October. She is training in hopes of qualifying for the 1984 Olympics being held in Los Angeles.

The Trust Fund was established to help support the athlete while she trains full-time.

Miss Hauch will be training full-time from now on, said Mr. Brooks, and entering competitions.

There are few competitions in Canada that will suit her needs, and just which contests she enters will be left up to her coach, Ivan Pentarach.

Major competitions she may enter include the World Student Games in Edmonton this summer, the Canadian Championships, also scheduled for Edmonton, and the First World Championships in Helsinki for Track and Field, being held next summer. (She competed in the Canadian Championships last year in Ottawa and won).

She will probably not compete in the Ottawa Indoor Games, however, said Mr. Brooks. The shot-put used indoors is quite different from the one used outside. Entering an indoor competition wouldn't help prepare her for the outdoor competition at the Olympics.

Most of Miss Hauch's training will take place at the facilities of York University.

With her coach, Mr. Penterach , she is working on her technique, explained Mr. Brooks. Her coach, a volunteer, is highly respected and for the first time Miss Hauch is "working in an excellent coaching environment." Mr. Brooks expressed a lot of optimism for her success with the coach.

The qualifying standards for entering Olympic competition have not yet been set by the Olympic Committee, noted Mr . Brooks.

Mr. Woods expressed the hope that the Rose Marie Hauch Trust Fund would continue until the Olympics in 1984.

Chesterville Seniors enjoy shopping trip

CHESTERVILLE (Special) - The annual Christmas shopping trip of the Chesterville Senior Citizens Club by bus to Carlingwood Mall took place on Tues., Nov. 30. There were over 30 Senior Citizens who enjoyed this outing.

Members of the club stopped at the new PineCrest Shopping Plaza and then went to Duff's at Bells Corners, where all had a lovely meal.

Then members arrived at Carlingwood to be entertained by Simpsons. The members returned from this trip and on Wed., Dec. 1 were guests of Dixon's Corners Senior Citizens. They had delicious turkey dinner at noon and songs, and skits were presented in the afternoon.

Chesterville president Mrs. Beckstead thanked them for a special day.

The Chesterville Senior Citizen's Christmas party and last meeting of this year will be held Dec. 15.

North Dundas News

Christmas spirit alive and well at NDDHS

by Cathie MacGregor
and Jill Vasey

The Christmas spirit is alive and well and living at North Dundas.

The School entered a float in the two local Santa Claus Parades. Even if prizes weren't heaped on our float we enjoyed getting involved in community activities. On Tues., Dec. 7 Mr. St. Louis and the bands held their annual Christmas concert. The program provided an enjoyable evening for all.

The Spirit of Giving was very evident at the school when the Corpuscle Cup blood donor clinic was held. Fifty-nine North Dundas Students and 55 from Seaway High School gave of themselves for others in this holiday season. Because of the larger number of donors, North Dundas won the Cup for a third time.

On Friday, a rematch of the exciting staff-student broomball game was held. Despite a lot of planning by the students, the staff were again victorious.

The School Curling team is again off to a good start making it to the finals in a tournament on the weekend. House League Volleyball is serving up a lot of interest among the tribes.

In the coming weeks, along with making plans for the Christmas holidays, students are thinking of ways for decorating their homeroom door for the annual contest. Also, they are planning their entertainment for the Christmas concert.

Opening fill-up

Frank Heerkens, co-owner of the new Nation View Service Centre (under the PetroCan company), fills up another car on the weekend. The Service Centre, located at the corner of Main and Queen St., held its grand opening on Saturday and Sunday.

Candles and natural Christmas tree branches and garlands do not mix, states the Ontario Safety League.

Yuletide atmosphere present at WI meeting

CHESTERVILLE (Special) - Two guests and 32 Chesterville Women's Institute (WI) members met on Monday evening, Dec. 13 for their monthly meeting.

The pretty Christmas decorations presented a real Yuletide atmosphere. Miss I. Forward, the Chairman, opened the meeting in its usual manner.

The roll call was the giving in of the penny-round-up bags, and also answering to the question, "Where would you like to be, if you could go any where else for Christmas?"

General business items were discussed. It was decided that the Carnival Supper in February would be served by the different churches on Saturday night in both the Legion Hall and Community Hall.

It was also announced that the Rural Organization and Services Branch, Ontario Ministry of Agriculture and Food would give a program in our community on, "Simple Home Repairs" on March 1-4 and also on March 7-11, 1983. Several members showed interest in attending.

The leaders of the 4-H club are also asked to attend a workshop on Tues., Jan. 3 and Wed., Jan. 14 from 10am to 4pm at Winchester United Church Hall. The topic of it is "Ontario Heritage" Menu. Lina Savage and Florence Hoople are in charge.

Mrs. A. Graham distributed the bags of Christmas gifts for the shut-ins to various members for delivery.

The business part of the meeting was brought to a close by the singing of the "Queen".

A sing-song of Christmas Carols followed under the direction of Miss Addie Campderros with Mrs. Don Cross at the piano. She later favoured the group with a musical presentation.

Games were enjoyed and rewards given to winners.

A sumptuous lunch was served by the committee and a joyous time enjoyed by all.

Record Recipes

by Chris Brown

Picture the scene: wrapping paper all over the freezer and the kitchen table; supper dishes somehow still on the counter; the clocks says 7pm and your guests are scheduled to arrive at 8pm.

I can't possibly be the only one this happens to, can I? Surely we all have times when company's due and nothing falls into place. A footloose friend of mine has a solution in the form of a make ahead, tasty and impressive little hors d'oeuvre spread.

ELAINE'S SPREAD

2 cups shredded cheddar
1 cup mayonnaise
2 tbsp. chopped onion
1 tsp. prepared mustard
dash salt and garlic powder

Mix up all the ingredients well. Spread on melba toast, triscuits or toasted french bread, quartered. Pop under the broiler until the cheese melts and starts to bubble.

As a sparkler-upper little bitsy things can be placed on top of and underneath the spread. Chopped chives over top, bacon bits underneath are just two examples that come to mind.

This stores well in a tightly covered container in the fridge so go ahead and finish wrapping that present; do up the dishes (or hide them in the dishwasher) because you know when company arrives you can just whip out Elaine's Spread and make impressive hot hor d'oeuvres at the drop of a hat.

Moose Creek meets Santa

Cold temperatures didn't stop Moose Creek residents from putting on their annual Santa Claus parade on Sunday. Village and area residents stopped along the main streets to catch a glimpse of numerous floats, including one depicting ET's first Christmas (above) and one showing the Sesame St. characters preparing for Christmas (below).

Chesterville Rotary inducts new member

Chesterville Rotary Club

The meeting of December 13 was general assembly with President Martin Derks in charge.

The highlight of the meeting was the induction of new Rotarian Bohmus Fudrek. Bohmus is a Nestle employee, is married and the father of three children. The induction was conducted by Rotarian Allison Graham. Welcome Bohmus.

Another important item on the agenda was Ladies Night. All Rotary Annes are invited to attend. The date is Dec. 20 and dinner is at 6:15 sharp.

Rotarians are reminded to buy their lady a gift for presentation at this meeting.

By the large turnout for the Santa Claus Parade, one would have to consider it a success. The Rotary float failed to win again but if it could not win last year, with two Rotarians as judges, there is a lesson to be learned therein. There is always next year.

It took a previous attempt and months of preparations but Rotarian Don Bennet of Seattle, Washington finally viewed the world from the top of Mt. Rainier. In only three days he climbed a height of 4,392 meters. Quite a feat, since Don is an amputee, having lost one leg in an accident.

Have a good Rotary week.

Mom;
I got you something special from
THE BROOKSLYN
It says "Thanks Mom I love you" for the times I forgot to.

Cards of Thanks

CARD OF THANKS
The Santa Claus Parade Committee, Finch, would like to thank all those who helped in any way to make the parade a success. Special thanks goes to the Finch Lions Club, Ladies Recreation, Finch Red & White, MacNeil's Store and Carl Beckstead for their help and donations. We also appreciate the assistance given by the Town Council and the Men's Recreation. The use of the Richer Bus to keep the little participants in the parade warm while we were getting lined up was appreciated. Thanks also to the judges, Rita Wert and Madeleine Brown and Santa's helpers Joy Robertson and Donna McLean. We would also like to thank Debbie Smith for arranging the lunch after the dance. 16

CARD OF THANKS
Our sincere thanks and appreciation to our neighbours and friends and the Chesterville Volunteer Fire Department for their assistance during our recent garage fire.
Earl and Audrey Cross and Family
16

CARD OF THANKS
I wish to express my sincere thanks and appreciation to everyone who so kindly remembered me with cards, gifts and visits while I was a patient in the Ottawa Civic Hospital; to the various organizations for their thoughtfulness; and for the many kind enquiries and phone calls since my return home. A special thank you to Dr. Castle and the nurses and staff of 2A for the excellent care which I received.
Margaret Hutt
16

CARD OF THANKS
"THANK YOU" to all those who helped and participated at our breakfast with Santa, Dec. 4. A special thanks to Rev. Tatton for his assistance and the Winchester United Church for the use of their facilities. We'd like to thank Ault's, Berry's Feeds in Winchester, Chesterville Pharmacy, Mason Richards, Mike Dean Butcher, Nestle, Village Bin and W.D.M. Hospital for their generous donations and special considerations. Congratulations to Mrs. Annie Gibson, winner of the centrepiece (donated by Mason Richards).
Happy Face Nursery School
16

CARD OF THANKS
A special thanks to family and friends who sent cards, gifts and flowers while I was a patient at Winchester District Memorial Hospital. Added thanks to Dr. Dawes and the staff on Maternity for their expert care and attention.
Kathy Shay
16

Card of Thanks

CARD OF THANKS
I would like to sincerely thank all those who remembered me with cards, flowers and visits while I was a patient in Winchester District Memorial Hospital. Special thanks to Dr. MacMillan and Dr. Diemert, nurses and staff on Second floor for their good care.
Laura Empey

In Memoriams

IN MEMORIAM
POLLOCK — In loving memory of a dear wife, mother and grandmother, Velma, who passed away December 16, 1975.
Elwin, Randy, Leah Anne, Jody and Tara
16

IN MEMORIAM
FROATS — In loving memory of a dear wife and mother, Helen, who passed away December 18, 1980.
No morning dawns, no night returns
But that I think of you.
Those left behind are very good
But none replaces you.
Many a silent tear is shed,
When I am all alone.
The one I loved so much.
Sadly missed by Percy, son David, Judy and Family
16

IN MEMORIAM
WARNER — In fond and loving memory of a dear wife, mother and grandmother, Helen N. Warner, who departed this life on January 2nd, 1980.
Beautiful memories dearer than gold
Of a mother whose worth can never be told.
Alive and unseen, she stands by our side
And whispers, "Don't grieve, dears"
Death cannot divide.
Sadly missed by Bert and daughter, Cheryl and Robin & Todd
16

Greetings

CHRISTMAS GREETINGS
I wish to express Season's Greetings to all my friends and relatives in Cornwall and Ingleside, Morrisburg and Iroquois, Prescott and Kingston, Chesterville and Winchester Springs, Morewood, Ottawa and Winnipeg.

Debris in sub-division discussed

CHESTERVILLE (Staff) - Debris on two adjoining lots in the Thompson subdivision (Brookside Gardens) drew criticism at the inaugural meeting of Chesterville Village council last week, and a commitment to investigate the situation.

Councillor Rudi Derstroff informed council he, and landowners around the lots, were concerned with the debris piled on the land in the north-west corner of the sub-division.

Material was dumped on the lots several months ago, he said, including material such as concrete catch basins, concrete, asphalt, and metal rods.

The material is unsightly, and unsafe because of its proximity to other residential lots and because of the hazards it poses to children playing there.

Mr. Derstroff noted that the Environment Protection Act regulates against dumping such debris, but added that he wasn't certain of the exact regulations. He asked if council would consider calling the Ministry of Environment about the debris.

Reeve Carl Ward suggested council contact the landowner first and find out his intentions. He added that there is no municipal bylaw for dealing with such problems.

Mr. Ward added that he's been approached by landowners near the lots also, but still insisted that the landowner be contacted first.

Mr. Derstroff said he did contact the landowner, Garnet Droppo, but when he approached him "he got all in a huff." Mr. Droppo said, he was being singled out.

Mr. Derstroff then took a tour of the village and noted two other parcels of land with debris, in the van Kessel sub-division and at the end of Emma St. (Councillor Jim Cook noted that the debris at the end of Emma was placed there temporarily by Nestle following some construction work in the area).

Both councillors Mike Brannen and Jim Sullivan couldn't see how the debris could affect the environment.

Mr. Derstroff said the large debris in a residential area certainly was not in keeping with the surrounding environment and was unsafe.

Council agreed to investigate the matter fully.

In other council business several initial bylaws were passed including one to establish the monthly council meetings as the first Tuesday and the third Monday in the month.

Council also agreed to hold a special meeting following the Dec. 20 regular meeting to begin discussions on village employee salaries.

Berwick WI members enjoy Christmas dinner

BERWICK (Special) - The Christmas meeting of the Berwick Women's Institute (WI) was held in the Berwick Community Centre on December 5, 1982. Members had a lovely Christmas dinner supplied by the members and visitors.

Vice president Mrs. Gerald Rushford opened the meeting with everyone repeating the Ode and Mary Stewart Collect.

The roll call was for everyone to bring a stamped Christmas card for a shut-in or a member who moved away. Fifteen members and 11 visitors were present.

Mrs. Clair Robertson gave the minutes of the November meeting and they were approved; also the treasurer's report was given.

Thankyou's were read from 4-H members who received prizes of money from the Berwick WI. A letter was read from Eastern Ontario WI about a cook book which would consist of recipes from all the members of the different branches. They would like each branch to send $50 as a bridge to start production. Mrs. Jessie Ouderkirk moved that $50 be sent to start cookbooks production and Mrs. Mac Foster seconded the motion.

Tree safety

Natural Christmas trees are still as volatile as ever, particularly after they have dried out for a couple of weeks or so in the house. Take these simple precautions outlined by the Ontario Safety League. Use a fresh tree, not one that has dried out through weeks of storage. Bend a needle - if it breaks, the tree is too dry. Make a fresh diagonal cut at the base. Stand the tree in a tub or bucket and keep the butt immersed in water to help the tree from drying out. Check the water level daily.

PUBLIC MEETING
SEAWAY VALLEY DISTRICT HEALTH COUNCIL
HEALTH NEEDS AND SERVICES COMMITTEE
The Health Needs and Services Committee of the Seaway Valley District Health Council has been established to determine the health needs of the residents of the Counties of Stormont, Dundas, Glengarry, Prescott, Russell, and the City of Cornwall.
As an addition to the study, the Committee will hold a Public Meeting on Thursday, January 20, 1983 at 7:30 p.m. at the Winchester Town Council Chambers, 547 St. Lawrence Street, Winchester, Ontario.
The Health Needs and Services Committee will present findings from the study and solicit comments and concerns from area residents in attendance.
Individuals or groups may wish to present ideas regarding such health promotion issues as substance abuse, mental health, physical fitness, infectious diseases, family planning and nutrition, and such acute care concerns as availability of physician services, support services and outpatient services. These and other issues may be raised at the Public Meeting.

Geneticists working on improving the status of the oat crop

WINCHESTER (Staff) - Although the status of oats as a cash crop isn't usually very high, that image was changed somewhat here last week.

Plant geneticists, like Dr. Vern Burrows who spoke at the annual meeting of the Dundas Soil and Crop Improvement Association (DSCIA) here last week, are trying to improve upon old crops, for the benefit of farmers and for man's increased food use. One of the crops being upgraded is oats, Dr. Burrows said. Scientists are trying to make it more economical to grow and more useful for food.

Of the 350,000 different plant specimens found on earth only 300 are used by man for agricultural purposes. Of those 300 only 20 are used frequently. And of those 20 only eight are cereal brands of plants.

Dr. Burrows, the chief cereal breeder with Agriculture Canada working at the Ottawa Research Station (at the Central Experimental Farm) added that the volume of grain that must be grown to fulfill man's needs would pave a highway of grain, two metres high, 23½ metres wide, and circling the globe at the equator.

Of the grain that man does produce one-third is used for human consumption and two-thirds are used for animal feed. Burrows noted that the portion of grain used to feed livestock would go indirectly to man; feed grains can be converted to food grains. A gradual shift to producing more food grains would make sense, he explained. If this wasn't done man would lose the variability of crops.

Even though there are only eight genetic brands of cereal crops it is good to create varieties in those eight.

Geneticists are attempting to increase the potential of crops like oats.

There are a number of assets oats possess, Dr. Burrows told DSCIA members.

It is easy to grow from one end of Canada to the other, and could be a cash crop.

The crop has a good feeding history for both humans and animals.

The protein content of oats is relatively high (in comparison with rice, which it could therefore replace), and high protein varieties of oats can be bred.

There is a lot of gum content in oats, which is important for the human diet in reducing cholesterol levels.

The starch contained in oats is of a fine grain, like that found in rice.

The oat bran is white therefore it is good for the manufacture of breakfast cereals.

Although the kernel texture of oats has been too soft to use in conventional wheat milling equipment until recently, new technology has solved this problem.

Only rolled and whole oat flour has gotten into the market place, said Dr. Burrows. That has limited the products that oats can be used in. The Ottawa Station has developed another process to make oat flour, however.

Of course, there are problems with the oat crop.

The yield of oats per acre doesn't make it financially feasible for the farmer.

The tough hull of the oat plant limits the amount of protein and thus energy that can get from the plant into animals it is fed to. (Geneticists have attempted to reduce the hull).

Diseases can attack the oat crop, but Dr. Burrows noted this can be genetically worked against.

The Ottawa Station has been working in several ways to improve the oat crop, said Dr. Burrows.

They've investigated developing a winter oat crop, a daylight insensitive oat plant, a hull-less plant, and an oat variety that can be used to replace rice in cooking.

By cross breeding a wild and a cultivated oat crop scientists have been able to develop a winter oat crop.

Oats must be planted early in the spring, with cool moist conditions, to produce a larger yield (because of a larger head) said Dr. Burrows. Thus it is important to plant the seed as early as possible in the spring.

Scientists, in an effort to get the seed into the ground as early as possible, decided to try planting the crop in the fall, and allow it to remain dormant over the winter. Wild and cultivated oat seeds were cross bred. The genes of dormancy were transferred from the wild oats, and other characteristics of the wild oat were left behind (ie, dark color).

The crossed plants were disease resistant, produced a larger head and therefore a larger yield, and were high in protein.

Although many varieties of the crossed breeds were developed there are still problems.

For example too many of the winter plants came up in the fall, and not enough in the spring.

Scientists have also been attempting to raise the yield of the crop in world-wide research on the rice and wheat crops daylight insensitivity was introduced to the plants. This characteristic allows the plant to grow over a large latitude of daylight.

Scientists are working on introducing daylight insensitivity to the oat crop. The characteristic would allow the crop to be double cropped, said Dr. Burrows.

Scientists are also working on producing a dwarf oat crop, with some success.

A hull-less oat was developed too, with genes from China. But because of many problems with the crop it hasn't been used much by breeders.

Dr. Burrows is especially interested in developing the oat as a replacement for rice.

Oats, which can be grown here, are a good protein provider, yet Canada imports rice each year.

There is a method of cooking oats, developed by Kemptville College of Agricultural Technology, explained Dr. Burrows. The oat variety is called Cavena (so consumers won't recognize it as oats, commonly considered as horse feed). The oat can be cooked slowly at a low temperature and is quite good, he said. He noted, though, that cooked quickly and at high temperatures produces oats that are "as hard as bullets".

Osnabruck council considers industrial park in township

OSNABRUCK CENTRE (Staff) - Returned reeve Stewart Hart greeted his new council Mon., Dec. 6 with an admonition they must work hard for the benefit of the township and be free to ask questions to update themselves on township business.

In his inaugural address Reeve Hart outlined several ongoing projects for council (deputy-reeve Gordon Ross; councillors Richard Waldroff, Ross Alguire, Peter Zeran). Among these are the study in progress at Newington of the sanitation facilities. The water portion of the study has not yet been approved Mr. Hart told his council but a 75 per cent grant is available for home owners who perform work indicated on the sanitation report.

The landfill site will come to environmental hearings within the next month or so, said Mr. Hart, briefing council on the progress of the site to date.

Expressing hope that Kraft expansion would provide for busy subdividers in Ingleside, Mr. Hart predicted a busy year for council and many decisions to be made.

He also asked his council to think over the possibility of an industrial park on 250 acres of Ontario Hydro land that has been offered for sale to the township. (The land is situated north of Ingleside).

Deputy-reeve Ross and councillors Peter Zeran and Ross Alguire were named to a drainage committee, along with Mr. Hart who will act as an ex officio member. These councillors will co-operate with the drainage superintendent in an attempt to perform maintenance on the township's municipal drains which have been in the past, a maintenance problem, said Mr. Hart.

Osna. Twp. allotted $15,320 in grants

OTTAWA (Staff) - Osnabruck Township is one of 16 recipients of Canada Community Development Project grants announced this week for Stormont-Dundas. The allotment for the riding initially is $267,000.

The $15,320 allocated to Osnabruck Township is less than was petitioned for, explained clerk-treasurer Tom Melesky. The township is grateful for the funds, he said but wanted to meet with a government representative to review the apportionment to ensure it is correct.

The funds will be directed toward updating the township's recreational facilities, he said but a specific project is impossible to outline until the final dollar figure has been arrived at.

A further $300,000 has been directed to the Stormont-Dundas riding, according to Ed Lumley, federal member, for which December 15 is the closing date for application.

Other projects approved under the program are $1,744 to the Eastern Ontario Regional Library System at Iroquois; $33,320 to the Dundas County Association for the Mentally Retarded; $11,390 for the North American Indian Travelling College; and $13,440 for the Township of Charlottenburgh recreation department.

TOWNSHIP OF OSNABRUCK

Sealed price quotations for equipment will be received for work within the Township of Osnabruck for the period January 1, 1983 to December 31, 1983. Price to include competant operator.

Closing date for quotations to be January 7th, 1983 at 4:00 p.m.

Further information can be obtained at the Township Office, Osnabruck Centre.

Finch greets Santa

Humpty Dumpty passes out candies

FINCH (Staff) - Despite last Saturday's cold temperatures some 20 floats toured the streets of Finch in the village's annual Santa Claus parade.

Parade organizer Edith Stewart noted that the turnout for the pre-Christmas event has remained steady since its beginning only a few years ago.

In the Best Float category first place went to a group of young Berwick women who portrayed Christmas carolers. Mrs. Stewart noted that this float had a few Ouderkirks and Humes girls riding on it.

The North Star ski-doo Club took second prize with their portrayal of a Christmas house with an outhouse trailing behind (occupied, of course).

Edith's Hairstyling took the third place prize with a float holding Santa's sack full of toys.

Fourth place went to Gary Hanna and Bob Grant for their traditional manger scene.

Best Individual costume prizes were awarded as well. The Humpty Dumpty, played by Don MacLean on the Peter Babcock float, took first place.

In second was a children's favourite, a Papa Smurf played by Judy Neville.

A Snoopy, played by Gordie Burd took third place.

A 50-50 draw was held as part of the parade celebrations, with Jo-Anne Maurice of Brockville as the winner.

Ethel Johnston dies

Ethel Johnston of 558 Dufferin St., Winchester died Fri., Dec. 10, 1982, in the Winchester District Memorial Hospital. She was 72.

Born December 26, 1909, in Crysler, Ontario, she was the daughter of Christopher Samuel and Algeva Maude (nee Hunter) Johnston.

She was a member of the Anglican Church, Winchester.

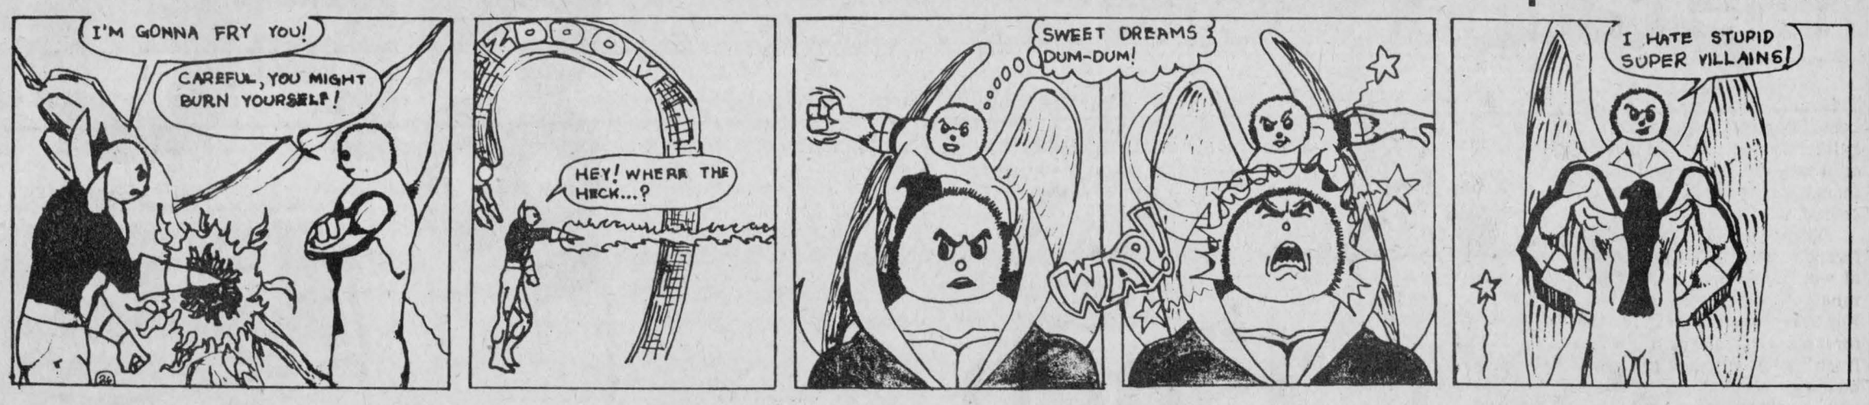
Surviving Miss Johnston are two sisters, Anna Moran of Brinston and Helen Muir of Long Sault.

She is predeceased by four brothers, Frank, George, Miles and Charles, and two sisters, Vera Robertson and Mabel Rushford.

Funeral services were conducted from the Vice and Craig Funeral Home, Winchester, Mon., Dec. 13, 1982 at 3pm.

Rev. J.A. Dobson officiated. Interment was at Maple Ridge Cemetery. Pallbearers were Chris Johnston, Clifton Robertson, Bruce Maguire, Greg Merkley, Harold Moran and Gary Baker.

Super Herman



Super Herman returns next week

One-year-old Christopher Beaudette was a little anxious about his first face to face meeting with Santa Claus at the Newington Fire Department on December 12 but he calmed down a little when Santa presented him with a bag of candy donated by the Lions Club and the Osnabruck Recreation Department. The fire department also used the opportunity to warn the children about the need to be careful in putting up electrical decorations at Christmas.

record photo - riley

There is a considerable difference between "indoor" and "outdoor" Christmas lights, the Ontario Safety League points out, and they are not interchangeable. For one thing, outdoor lights are designed to withstand extreme changes in weather and temperature and they tend to get hot. With both types check all wiring, sockets and plugs for fraying or cracks before using. If at all in doubt, toss old sets out.

Children playing with matches is one of the leading causes of fires in the home. Never leave matches and lighters where children can reach them, says the Industrial Accident Prevention Association. Far too often this leads to tragedy.

Varied holiday hours mark Chesterville's weeks

(Staff) - If Scrooge were to be found this holiday season, he might be making a deposit at the Toronto-Dominion Bank on New Year's Eve: T-D will remain open until 6pm December 31 while their Nova Scotia counterparts will close at 3pm.

With that minor difference the banks will keep much the same hours over Christmas Week. Both banks will open regular hours Thurs., Dec. 23 but will close at 3pm Christmas Eve.

Monday and Tuesday, December 27 and 28, both will close and re-open for regular hours Wednesday. Regular hours prevail until December 31. In lieu of New Year's Day both banks will close Mon., Jan. 3.

The Post Office will close Fri., Dec. 24 at 4pm and remain closed until Wed., Dec. 29 when it will open at 8am for regular hours until Fri., Dec. 31 when an early 4pm closing again heralds the holiday. Remaining closed for Mon., Jan. 3, the post office re-opens for regular hours Tues., Jan. 4.

The village clerk's office will close at 4pm Christmas Eve and New Year's Eve and will remain closed the Monday and Tuesday following both holidays.

The Liquor Control Board store will keep regular hours until Thurs., Dec. 23 when opening is extended until 9pm. Fri., Dec. 24 the store will close at 6pm. Mon. Dec. 27 the store will be closed but will re-open for business Tuesday, regular hours.

Thurs., Dec. 30 the store will again be open 9am until 9pm and closes at 6pm New Year's Eve. Closed for Monday, the store re-opens with regular hours Tues., Jan. 4.

The Farmer's Wife

by Wyn Thompson

This past two weeks we have been treated to unbelievably balmy weather. Not sunnv. but mild as a kitten's paw. It felt as though spring came early, but of course, we knew better.

There was one subtle difference, though. The air smelled of wet, fallen leaves. A curious musty smell, but pleasant. However, to me it bespoke fall, for it was not the delightfully new fresh smell of green grass and budding trees that I associate with spring's return. So if my thermostat was fooled my sense of smell was not.

The drizzly rain of the past few weeks has ceased today and the horizon has a rosy glow, I note as I drive home from work. Inside our home, with the rose-coloured light coming in through the windows, it takes on a new life.

The silver and glass is being polished for the holiday season and the soup kettle stands in readiness. Christmas decorations lay about ready for the appropriate time to be placed in their special corners.

"Next thing we know," says the Farmer, removing his boots, "it will be snowing. By tomorrow, I suspect."

Morning brought evidence of that. And by nightfall winter had come boldly to our countryside, frosting the clammy roads and sifting bleary halos around the lights of the telephone poles. The air was nose-stinging cold. Winter had brushed his hand over all the trees playing no favourites as he went. Nude branches as well as the plushy needle-covered limbs were exquisite in their silver lustre.

The crisp air enters the bloodstream encouraging us to walk quickly in this new world. We are charged with expectations, for we know that winter's heavy snowfall is not far away.

There is a nameless feeling of pleasure I experience when I suddenly awaken to a fresh, white world and it never fails to brighten some of my ho-hum hours of living...puts a new face on dispositions.

Certainly during the holiday season winter weaves a happy spirit into everything. It puts roses in the cheeks of small fry and oldsters as well. We look healthier with our ruddy complexions. For that magical few days in December, cheerful tones and happy words crowd the air, attempting to outdo one another.

In the home, winter exerts its wonderful side effects. There is the charm of burning logs snapping in the fireplace, their glow reflected in the faces of our loved ones. Slippered feet rest contentedly on couches and footstools. Small sips of steaming coffee sooth the spirits.

Yes, winter is here. And in our land we seem to need it. If it weren't for her, we might never have known the wonderful meaning of coziness. And we look forward to her highest point, Christmas.

Christmas is the best day of winter for the most of us. On this day we will call to mind the tenderest of thoughts about friends far and near. Even those not included in our circle of friends will be remembered only as persons who extended our knowledge of humanity in some way. And it will be let go at that for on this day we will feel able to consider forgiveness of all past hurts, big and little. We will ferret out little supplies of generosity and spread them graciously around.

It is hoped that Christmas will be followed with a forward-looking attitude for the coming year. To do otherwise is counter-productive to our country's well-being. And indeed, our own!

Resolutions will be made in winter's invigorating presence to do good deeds with less reluctance during the year ahead.

I am glad winter has come again to our countryside. This unchanging order in our changing disordered world is a comforting balm to my soul. Thus I will proceed to faceup to winter now after much putting off of the duties associated with it.

And I will proceed to enjoy this joyful month as I always have. Christmas carols have begun to be heard on the radio and television, in churches and schools. Christmas decorations and lights brighten our world clasped early in darkness each night.

I think of our friends in Switzerland whose children will be awaiting Father Christmas, his jovial red face and white beard framed by a long-furred robe, appearing in Alpine villages on Christmas Eve.

They tell me he marches up and down the quaint streets in the company of his wife Lucy, who wears a round cap over her long plaits of hair, a smart lace bodice, and a silk apron. She gives gifts to the girls; he distributes presents to the boys.

For the Swiss children, the joys of Christmas last much longer than they do in most lands. The youngsters place one shoe outside their doors for two Saturdays preceding Christmas and find them filled with candy and walnuts if they have been good. And, of course, with the dawning of Christmas, they find presents under their trees.

My friend writes, Christmas Eve in the clouds is different than it is in the lowlands. After night has fallen and the stars shine near and bright through the cold, clear atmosphere, one is reminded most vividly of that ageless melody:

It came upon the midnight clear,
That glorious song of old,
From angels bending near the earth
To touch their harps of gold...

The Editor's Notebook

Congratulations for a job well done

Before embarking on any serious topic it seems an appropriate time to congratulate all those who participated in staging the Chesterville Santa Claus parade last Saturday.

As well, parades took place in Finch, Morewood and Moose Creek last weekend. This weekend the Village of Berwick will hold their Santa parade.

All those who helped put on these community events must be mentioned and patted on the back for jobs well done. Each parade provided both children and adults in each village an opportunity to enjoy another special aspect of the Christmas season.

Participants in last weekend's parades must also be mentioned for their bravery. Riding on a float in the briskly low temperatures last weekend demanded a lot of courage. **- mary macdonald -**

Solutions must be found

Vandalism in Chesterville and the area this past week seemed to reach epidemic proportions. The Sears office in Chesterville was broken into and several items stolen, the new Petro-Canada service centre in Chesterville had one of its service cars pushed into the South Nation River and thieves broke into and almost destroyed the Village offices in Finch on the weekend.

Whatever the cause of vandalism, difficult economic times, young unoccupied minds, or a case of pure viciousness, it is frightening. Vandalism frightens the victims, (why would anyone want to perform such an act of destruction against me?) and those in the immediate area (it could so easily happen to me).

But fear is exactly the response that helps bred vandalism. Frightened people allow themselves to be bullied, to change their way of living to suit someone else, the vandal.

Of course, it is necessary to protect ourselves from thieves and vandals. Taking chances in leaving money or valuables around in full view is foolish, and invites trouble.

What Chesterville and area can do to rid itself of the problem of vandalism is unclear. Perhaps the municipalities should take a good hard look at hiring bylaw enforcement officers. Perhaps victims of vandals should become more vocal, even to go so far as to offer rewards for information on crimes committed. Too often victims prefer to forget the matter, and attempt to hide the attack on their property or person.

A solution to the problem won't be easy. It will require discussion by all area residents, and suggestions as well.

All residents should express outrage when incidents of vandalism occur. Not only are they acts of aggression against the individual, they are acts of aggression against all area residents. If anyone belives that for one reason or another they are immune from a possible break-in, theft, or violent act is living in a fool's paradise.

No one is off limits in the world of crime. In this world, you see, there are no rules.

The crime committed at Sears in Chestervile demands some special mention. The company's delivery men, who make their stop in Chesterville during the night, interrupted the break, enter and theft at the store. Winchester OPP Corp. Lyon noted that the Sears delivery men ran after the thieves as they tried to escape. One was caught immediately, the other later.

As Corp. Lyon noted there are few people who would perform such an act, few people who would become involved.

In solving vandalism we need involvement by all residents and a strong dose of courage.

Chesterville's Past

62 From the Record December 20, 1962

Tuesday night Chesterville Public School staged its annual Christmas concert to a capacity crowd. Community Hall was filled to its doors.

Chairman for the evening was Lorne Thompson, chairman of the board. He echoed the sentiments of the crowd in his words of praise for the excellent talent on display.

From the opening chorus and words of welcome by Kathy Allan to the closing chorus at 10:30, the whole concert showed much preparation and attention to detail.

The following program was presented:

Opening chorus by the Junior School and welcome speech from Miss Kathy Allan; Christmas tableau, Miss Barclay's room; choral speaking, The Christmas Tree, Grades 1 and 2; play The Magic Toyshop, Mrs. Ross' room.

Song, The Twelve Days of Christmas, Grades 3 and 4; rhythm band, Mrs. Smith's room; tumbling, Miss Barclay's room; action song The Christmas Cake, Mrs. Smith's room; play The Two Santas, Grades 5 and 6.

Monologue, Girls, Bert Merkley; acrostic, Christmas Greeting, Mrs. Smith's room; choral play The King who Banished Christmas, Mrs. Cole's room; play Christmas Hiccups, Mrs. Thompson's room; play The Truth-telling Machine, Grades 7 and 8.

Drill, Christmas Roses, Mrs. Thompson's room; play Pop Reads The Christmas Carol, Grades 7 and 8 closing chorus, Senior School.

Stormont Plowmen's Association elected Charles Blair, of Roxborough Township as president for the coming year at the annual meeting at Jade Garden Restuarant.

Mr. Blair succeeds George Richer, Finch Township, who will serve on the executive as past president. First vice-president is Kenneth MacDonald; second vice president, Ivan Eaman; third vice, Murray Manley; secretary, A.A. Morrison and treasurer Bernard Beehler.

Letters

Could more Seniors attend Christmas party? a reader queries

December 10, 1982
Chesterville Record Editor
Dear Sir:

Last night I was entertained and enjoyed a Christmas party for Senior Citizens, sponsored by the Chesterville Cubs, Beavers, Brownies, Guides and Rangers.

I realize this is a busy time of year and some Seniors are incapacitated but surely there are more than 20 who could have attended.

Do you suppose they forget when they, or their children, were small and were in Christmas concerts and the effort put forth by leaders and parents?

If we are fortunate enough to have these organizations entertain us next year I hope more Senior Citizens will make an effort to spend a happy hour with the children to whom I wish a very Merry Christmas.

Sincerely,
Audrey Butcher
Chesterville Ont.

Keith Graham supports flow figures

Dec. 13, 1982
To the Editor:

I have every sympathy when typographical errors occur. For some 25 years we suffered them when I was a large voice of this newspaper. Nothing has changed.

I would ask that you explain to Jim Windsor, publicly, that my letter on South Nation C.A. did use a figure of one million more yards to be excavated than was printed a couple of weeks ago. In other words, 1,470,000 need to be excavated for certain flows of water through Chesterville.

The general manager of SNRCA suggested my figure of flows was so extreme, one could forget it.

One spring day in 1938, I took photographs of the flood here in Chesterville. The water was flowing merrily over on Mill Street.

One spring day in 1952 a friend and I in a canoe had to duck down to flash under the north arch of the village bridge.

One 1948 June day, I watched farmers from Matilda flooded lands, demand with force, that the Nestle board dam be torn out, hoping to relieve their sprouting grain from flood water damage.

Finally, Ms. Editor, I based my figure of flows on happenings, and have experienced the water. The only flow figures available for many years were based on those from the hydrograph at Plantagenet Springs, as printed in the 1948 Interim Report. My letter suggested about four times of the proposed 8,000 cubic feet per second flows through the high banked village area. Here are a few of the flows recorded in March and April at the government hydrograph; where did the water come from?

Flows in c.f.s.

1918 - 33,000	1927 - 28,000
1919 - 26,000	1928 - 34,000 (down Mill St.)
1920 - 24,000	1934 - 36,000 (down Mill St.)
1925 - 28,000	1938 - 44,000 (down Mill St.)
1926 - 34,000	1947 - 38,000 (down Mill St.)

Thank you, Ms. Editor, for your patience.

Yours truly,
H. Keith Graham.

Hydro adds information to story on costs

Dear Sir:
Re: Chesterville Record, December 1, 1982 Headline "Hydro's 100 Percent Overrun Angers Reeve, Council"

Your December 1, 1982 article depicts Ontario Hydro at fault for the high costs incurred in the June modificiations to the Chesterville Main Street lines.

The article failed to state that extensive modificiations requested on the day our crews began work added an estimated $13,000 to the contract. Therefore the $42,188 cost of work invoiced is 24 per cent over the estimated $34,000 project, based on ideal conditions.

The $8,000 cost above estimate can basically be attributed to the following:

1) Road reconstruction was already two weeks underway when our crews arrived, making working conditions very conjested and inefficient.

2) At least two pole relocations were required because of improper locations provided.

3) Additional overheads were encountered as Zone Construction crews had to be utilized due to Area crew workload.

These details probably won't help reduce the financial impact of the project, but they should provide a better insight into the costs.

Yours truly,
V.J. Lynch
Manager
Winchester Area

Correction

In a letter to the editor printed in The Record recently, former South Nation River Conservation Authority vice-chairman Keith Graham was attributed a statement that 1,400 cubic yards of material had been removed from the South Nation River. In fact, due to our error, Mr. Graham's actual figure of 1,470,000 cubic yards was misprinted. The Record regrets the error and any inconvenience or embarassment caused.

Morewood parade topped by Extra Terrestrials

MOREWOOD (Staff) - Some 15 entries vied for six trophies and cash prizes last Saturday here, as a cold wind ushered in Saint Nicholas, the last attraction in the parade which honored him.

The Best Overall trophy went to Maple Ridge Senior School for their E.T. Float and cheerleaders. The Most Original and Best Seasonal trophies also went to floats commemorating the little extra-terrestrial. Most Original was Morewood Public School and Best Seasonal was Morewood Broomball.

Returning from outer space to the traditional, Ormond Recreation Association's manger scene took the Best Out of Town trophy. The Best Individual trophy went to Rhonda St. Pierre and her dog, both of Ormond.

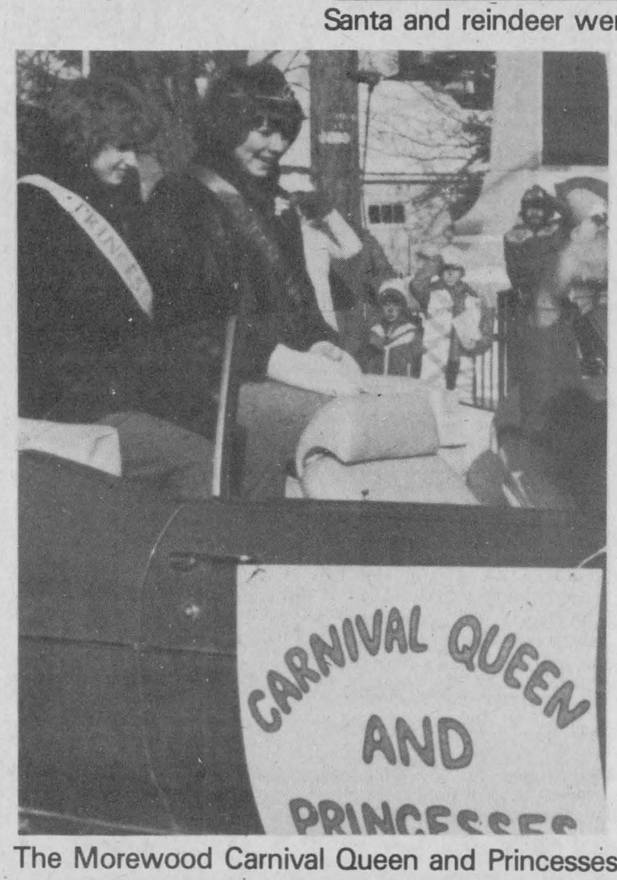
An honorable mention trophy went to Chesterville Chamber of Commerce who seated local athlete Rosemarie Hauch in their wagon.

Cash prizes to individuals went to Rhonda St. Pierre, Dorothy Van Dongen (on her horse), Curt Heuff (on a trimotor), Roxanne Smirle and Janet Matthews (who entered as one). Wietze Vander Veen was also presented with a cash award for his service in providing a red convertible car (waxed and shining) for the Carnival Queen and Princess, Lisa Cheney and Tracy Carruthers.

Santa Claus visited shut ins and new residents following his chats with Morewood children at the Cenotaph.

Santa and reindeer were popular with the children who mobbed to see the jolly favorite of elves after the parade

The windmill came from Dutch Sash and Door, of course



The Morewood Carnival Queen and Princesses

Morewood Broomball's ET float took a prize

Ministers meet at Kemptville

(Special) - Sixteen members of Dundas County Ministerial Association travelled to Kemptville on Monday for their monthly meeting. The Rev. J.C. Derksen, pastor of Kemptville Christian Reformed Church, was host. Arrangements for the meeting and for dining afterward at a local restaurant were made by Rev. Weiger DeJong of Williamsburg and the Rev. Mansell Atkinson of Inkerman. The meeting opened with prayer by the president, the Rev. Thomas Lowry of Williamsburg. Secretary's and treasurer's reports were given by Mr. Atkinson. Feature of the meeting was an illustrated lecture and demonstration of computerism and its place in the ministry, by Mr. Derksen. An interesting discussion of the subject followed.

Recreation registration on the rise as media describes the shape of things

CHESTERVILLE (Staff) - Remember those television commercials from Fitness Canada, the ones about the 65-year-old Scandanavians who could run circles around 20-year-old Canadians and then cooled off in a snow bank.

It was an insult to the pioneering strength that made this country and more 20-year-old Canadians would have turned off the commercial immediately had they had the energy to move from the chesterfield to the television set.

But according to the 1981 Canadian Fitness Survey, which interviewed more than 20,000 Canadians last summer, Canadians are beginning to shape up.

And interviews with the Osnabruck Township and Chesterville Recreation Departments show that participation in various sports and recreation programs in the area is up between 20 and 25 per cent from last year.

The Canadian Fitness Survey, excerpted in the September-October 1982 issue of Ontario Sportsence, found sports participation up 23 per cent from a similar survey done in 1976.

The survey found a marked increase in sports like swimming, tennis, bowling, and cross-country skiing while traditional sports, golf, hockey, and skiing, though still in the top 10, decreased in popularity.

Pat Flannigan, director of the Osnabruck Township Recreation Department, says her department has experienced a 30 per cent increase in registration for the recreation programs offered by the department over the last year.

The biggest increase, she says, has been in the fitness programs. The Osnabruck Recreation Department currently runs four fitness classes for women and one for men. Another fitness class will probably be added in Newington this winter.

"I think the media has had a lot to do with it", Flannigan says of the increase. "People are seeing more ads about fitness spas, about Participaction, reading articles on physical fitness and eating properly. The media has created an awareness about fitness."

And Flannigan says the Osnabruck Township Recreation Department is continually expanding its programs to meet the increased demand.

"Obviously, because of the area we are in, there are some facilities we can't provide. But we get good co-operation from the schools (for gym space) and from the community in general. We try to maximize what we have."

Chesterville recreation director Dave Arnold agrees with Flannigan on the media's impact on fitness and says that participation in the department's programs is up in all areas from last year.

"It's a sign of the times", Arnold says. "People have more leisure time and are looking for things to do."

And he says recreation programs have found a spot in the leisure schedule of many because of the relatively low cost to take part.

"Look at what it costs to get a hockey player on the ice today. With something like gymnastics, where we have 140 kids (up from 110 last year), all you need is bare feet, a pair of shorts, and a t-shirt."

Arnold says he expects a further increase in registration next year if the community continues to take an active part in helping to set up recreation programs.

"I don't think it is a very good idea for a recreation director to set it all up himself. These programs are for the community and the community should take a role in choosing the programs. And so far they have been. People are making suggestions. That's how 75 per cent of our programs got started."

"People are going to get out of these fitness and sports programs what they put into them. If they want a particular program, I'm always open to suggestions."

Junior C Hockey League
Embrun scoring despite injuries

EMBRUN (Staff) - "It's not hard to explain", Embrun 72s coach Camille Piche said after the Cornwall Township Flyers defeated Embrun 6-4 in Embrun on December 10. "We just don't have enough players."

The fact that Piche was even bothering to explain Embrun's third loss in 15 games as something to worry about is an indication of how the 72s have become the measuring stick in the Eastern Ontario Division of the Junior C Hockey League.

The defending league champions are once again the team to beat.

In 15 games this season Embrun has averaged over six goals a game, the highest offensive average in the league and a statistic that has given the team a seven point cushion over the second place Crysler Raiders.

But the 72s are hurting and hurting badly. Daniel Piche is out with a collar bone fracture, defenceman Brian DuHamel has a broken foot, and a number of players have been in and out of the line-up with nagging injuries.

"I haven't had a complete line in the last three weeks", Piche said. "It seems that we lose another player every game. We haven't had a full team since the third game of the season."

But Piche said he didn't want to make excuses in his team's loss to Cornwall.

"Cornwall's goalie (Todd Vollrath) was very hot tonight and he kept them in the game. And they caught us with a lot of three on ones. But I like games like tonight, good, clean, fast hockey."

"Actually, the loss was probably good for the team. When you've been winning a lot of games the players start thinking they can win all the time and don't concentrate as hard. This will make them think a bit."

Cornwall 6, Embrun 4

After falling behind 1-0 with Norman Brisson's eleventh goal of the season in the first period, Cornwall came back in the second as David Pae and Mark Dow got their first goals of what would be a hat trick night for each.

Pierre Savage scored at 5:05 of the second period to tie the game 2-2 but Dow scored his second less than a minute later to take the Flyers out of the period leading 3-2.

After an exchange of goals early in the third period, Pae scoring for Cornwall and Joel Forques (an affiliated player) replying for Embrun, Dow completed his hat trick at 10:43 for the game winner.

Pierre Savage brought the 72s within a goal on a short handed play with five minutes left in the game but David Pae diffused the comeback with just over two minutes left in the game.

Roch Chenier was in net for Embrun.

Cornwall 4, Chesterville 3

The Cornwall Township Flyers moved out of the standings basement with their fourth victory of the season (the team had just one over the course of the 1981-82 season) as they edged the Chesterville Flyers 4-3 in Long Sault December 7.

Tied 2-2 early in the second period, Dave Appleby and Mike Guy scoring for Chesterville and Doug Wilkens and Carey Grant scoring the Cornwall goals, Cornwall went ahead at 5:50 of the period as Keith McTaggart redirected Marc Nadeau's pass by Kenton Holmes.

Chris MacDonald scored the winner five minutes into the third period and Chesterville's Chris Laviollette finished off the scoring with 51 seconds left in the game.

Jeff Blodgett was in net for Cornwall.

Embrun 12, Finch 1

In the greatest lop-sided game of the season so far, the Embrun 72s scored 12 times over two periods to hammer the Finch 76s 12-1 in Finch December 8.

Andre Brisson scored four times and David Clement three in a rough game in which each team was assessed 39 minutes in penalties and a game misconduct.

Ivan Clement and Denis Lafontaine each added a pair and Norman Brisson completed the 72s scoring with a single.

Curtis McMillan had the lone Finch Goal, scoring with Finch ahead 3-0.

Alexandria 4, Maxville 3

Denis Bourbonnais scored with just over three minutes left in the game to break a 3-3 deadlock.

The Glens led 1-0 on Jacques Pilon's first period goal but fell behind early in the second as Randy McRae and Warren McIntosh scored 11 seconds apart.

Mike Campeau tied the game for the Glens at 8:25 but Maxville regained the lead at 3:06 as Willie Kippen beat Denis Parette.

Bourbonnais' winning goal on Arden Clemens was assisted by Jean Pierre Menard.

Chesterville 3, Alexandria 3

In a hotly contested, and bizarre finish, the Chesterville Flyers took a last minute lead and lost it in the space of 14 seconds at the Chesterville arena December 11.

The teams were dead locked at 2-2 going into the final minute of play, Glen Hay and Mike MacDougall having scored for the Glens and Mike Guy and Pete van Kessel having scored for the Flyers, when tempers erupted.

A total of 11 penalties were handed out with 41 seconds left in the game, including two game misconducts to Alexandria and one to Chesterville, as the effects of a closely checked game came to a head.

With the teams reduced in size, the game resumed and Chris Laviollette scored on a set up by Dale Simms and Carl Bartholemew with 27 seconds.

That started another round.

When play resumed again the Flyers had control of the puck in their own end with just 13 seconds left to kill. But a pass across the goal mouth caught the goalpost and went in as Flyers goaltender Kenton Holmes looked back in amazement.

Embrun 5, Maxville 2

The Embrun 72s scored three unanswered goals in the third period to defeat the Maxville Highlanders 5-2 in Maxville December 12.

With the teams tied 2-2 after two, Norm Brisson scored the game winner at 10:27 of the third period.

Scoring for Maxville were Kelly Currier and Phil Lewis while Brisson , David Clement, and Pierre Savage replied for Embrun.

Keith McTaggart and Kevin Stewart of the Cornwall Township Flyers congratulates goalie Todd Vollrath after the Flyers downed the league-leading Embrun 72s 6-4 in Embrun December 10. It was only the third loss of the season for the 72s.

record photo - riley

McClatchie sizzles with eight goals as Winchester moves into second place

WINCHESTER (Staff) - Right-winger Trevor McClatchie scored eight times as the Winchester Hawks went on a rampage in Junior B Alex English Division play during the weekend, defeating the Clarence Creek Beavers, the Char-Lan Rebels, and the Morrisburg Lions in a three day stretch to move into second place in the divison standings.

McClatchie, in his second year with the Hawks, was one of several multiple-points-a-game players as the Hawks outscored their opposition 24-10 to bolster their record to 10 wins, five losses, and a tie.

In other division games played during the past week, the Morrisburg Lions defeated the Alexandria Glens 6-4, the Metcalfe Jets hammered the Navan Grads 9-0 and 9-3 to extend their season-long winning streak to 17 games, and the Clarence Creek Beavers defeated the Char-Lan Rebels 6-4.

Hawks 5, Beavers 4

Trevor McClatchie completed a hat trick with 51 seconds left in the game to lift the Hawks to a 5-4 victory over the Clarence Creek Beavers in a game played at the Winchester arena December 10.

The Beavers twice held the lead in the game and outshot the Hawks 36-34 but goaltending veteran Bruce Quaile held his ground as Winchester came back each time.

Hawks' scoring leader Darrell Shelp opened the game five minutes into the first period with his sixteenth goal of the season but Bob Legault and Pierre Quinn scored late in the period to move the Beavers in front 2-1.

Trevor McClatchie tied the game at 13:49 of the second period and provided the go ahead goal three minutes later before the pendulum pace of the game switched over to Clarence Creek as Roch Guindon and Pierre Quinn scored late in the second period and early in the third to move the Beavers ahead 4-3.

The Hawks tied the game for a final time at 6:13 as Darrell Shelp and Trevor McClatchie fed Gilles Lascelle and took the game in the final minute with Lascelle getting a pass to McClatchie for the winning goal.

Rookie Barry Kennedy was in net for the Hawks.

Hawks 10, Lions 5

The intense rivalry was still there between the two teams as the Lions hosted the Hawks before 178 fans on December 12 but the 60 minutes of close play was missing as Winchester rebounded from a 5-3 second period deficit with seven unanswered goals in the final frame.

The Hawks jumped into an early 2-0 lead but the Lions came out of the first period with a tie as Paul Vorebej scored twice to match those by Terry Barkley and Mark Guy.

The teams moved the tie up a notch six minutes into the second as Donald Black of the Lions and Trevor McClatchie traded goals before Gilles Parisien moved Morrisburg into the lead for the first time with his third goal of the season.

Garry Beckstead brought the Lions out of the period leading 5-3 and then, in what has become an unwanted tradition on the Lions club, the third period let down.

Trevor McClatchie tied the game with two goals, Terry Barkley popped in the winner, and Mark Guy added the insurance goal before the period was half over.

Mark Guy, Gilles Lascelle, and Keith Moore finished off the scoring to hand Morrisburg its tenth loss in 17 starts.

Bruce Quaile was in net for the Hawks while David Black started for the Lions and was replaced by Mike Payette late in the third period.

Hawks 9, Rebels 1

The Hawks scored six goals in the third period to turn a close game into a blowout as the Char-Lan Rebels dropped into last place with their 12 loss of the season before a home town crowd in Williamstown December 11.

The game was tied 1-1 early in the second period, Mark Guy scoring for Winchester and Mike Branchaud replying for Char-Lan, when the Hawks' offense began its run.

Bourk Boyd scored the winning goal at goal at 9:46 of the second period and Darrell Shelp added the insurance marker three minutes later for a 3-1 second period lead.

Keith Moore and Trevor McClatchie finished off the third period with a pair of goals each while Guy Primeau and Mark Guy added singles.

Midget Cs win two

CHESTERVILLE (Staff) - The Chesterville Midget C Flyers picked up five of a possible six points during Upper Canada Minor Hockey League play last week to bring their record over the .500 mark.

The Flyers, coached by Roy Nurse, scored 3-1 and 5-3 road victories over Winchester and Kemptville and tied Kemptville 1-1 here to boost their record to three wins, three losses, and two ties.

Maroon moves out of cellar with win over Green Machine

CHESTERVILLE (Staff) - Maroon extended its winning streak to three games with a 3-1 victory over first place Green on December 8 to move out of the cellar position in the standings of the Chesterville Mens' Hockey League.

In the other half of the night's schedule, Neil Kittle scored once and assisted on two others as Blue defeated Red 3-1.

Maroon 3, Green 1

Maroon brought its record up to the .500 mark with its fourth win in eight starts with Dan Lecours winning goal at 3:33 of the first period.

Maroon had opened the scoring at 12:10 of the period with Barry Feeley's goal on a shot set up by Andy Windsor and Lyle Servage and went up 2-0 when Servage and Pat Imrie made the pass to Lecours.

Green's Jim Tuttle cut the lead at 13:06 of the second period but Dan Lecours added the insurance goal four minutes later with Lyle Servage again drawing the assist.

It was the first time in five games that the Green Machine had been held to a single goal.

Goaltender Dan McMartin had the win for Maroon while Blake Henderson took the loss.

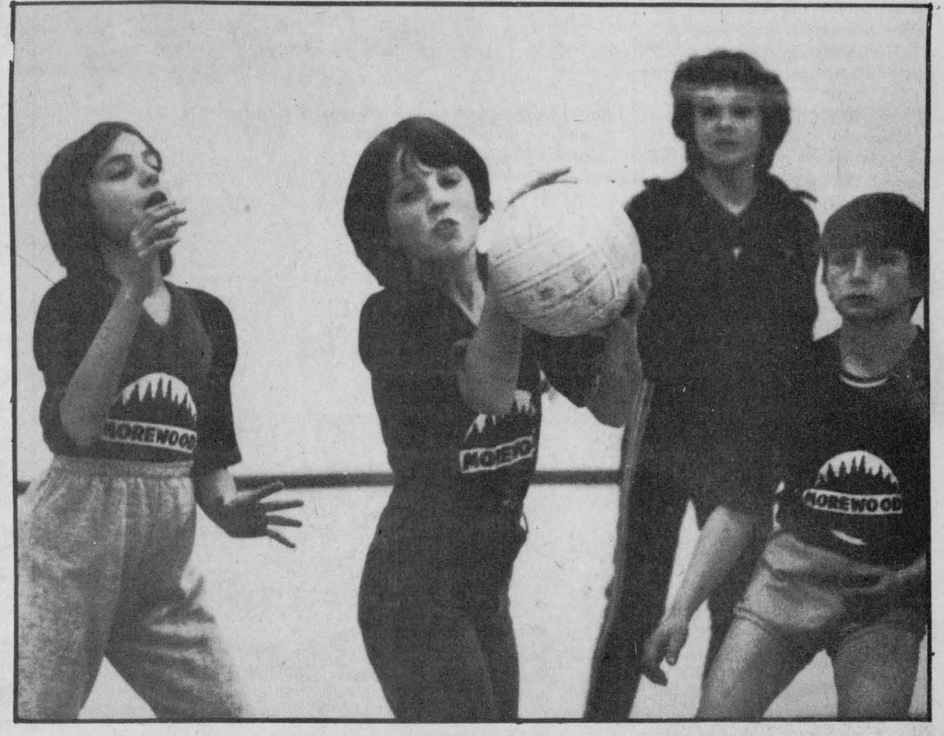
Blue 3, Red 1

Blue's Neil Kittle scored his first goal of the season with 43 seconds left in the game to nail down a 3-1 victory against Red and move back into first place with Green.

Blue opened the scoring at 5:25 of the first period with Danny Kelly scoring on a set up by Kittle and Greg Beckstead. Kittle and Beckstead again drew assists three minutes later as Glen Mackler beat Steve Droppo to move Blue into a 2-0 first period lead.

Tony Kelly got Red on the board with two minutes left in the first period, redirecting Dave Kerr's pass by Rick Sproul but the Blue's defence held until Kittle's unassisted goal in the third period.

The loss dropped Red into last place with a record of three wins and five losses.



These students from Morewood Public School were part of an eight school net ball (variation of volleyball) tournament held at Winchester Public School on December 10. The tournament, run by the Dundas County Athletic Association, was won by Winchester Public School in the finals against Morrisburg.

Publicity works better than expected as Lions' Beckstead scores four goals

ALEXANDRIA (Staff) - It was just a case of coincidence but for those even slightly superstitious it was easy to read more into it as the Morrisburg Lions won their sixth game of the season here on December 10, beating the Alexandria Glens 6-4.

Each week a game programme is produced with a picture and small history of one of the players. Last week the player was Garry Beckstead - born 1963, six feet tall and weighing 180 pounds, shoots left, defenceman, captain of the team, in his fourth year with the Lions, 13 goals and 13 assists in 17 games.

As Beckstead stepped on the ice to play the Glens, he was unaware of his printed history. But when he stepped off at the end of the game, he had some fans convinced of the power a little recognition can bring.

Beckstead, playing one of his best games of the season, scored four times and assisted on a fifth to lead Morrisburg to a 6-4 victory over fourth-place Alexandria.

The win moved the Lions within two points of the Glens as Morrisburg continued to gain some of the ground the team lost with their slow start in the season.

The team now trails the league-leading Metcalfe Jets, who have a season-long winning streak of 17 games, by 21 points.

Beckstead opened the scoring against the Glens with a pair of power play goals in the first half of the opening period to boost the Lions to a 2-0 lead in a game in which Morrisburg outshot Alexandria 47-33.

The Glens came back to tie the game in the second half of the period, Kennedy McDonald and Maurice Bellefuille (a player brought up to bolster an injury-depleted Glens line-up) beating David Black, but Dean Bourgon moved the Lions back in front with the only goal Garry Beckstead was not involved with three minutes into the second period.

Beckstead completed a hat trick at 6:59 of the period to extend the Lions' lead to 4-2 but Alexandria halved the lead just over a minute later to end the second period scoring.

Beckstead finished off his scoring at 18:49 of the third period but not his collection of points as he assisted Kevin Casselman's shot two minutes later to put the Lions in front 6-4.

The Glens finished off the scoring in the game with a short-handed goal by their scoring leader Grant Crack who notched his 23rd goal of the season with just over three minutes left in the game.

Garry Beckstead's five point night brought his total to 26 points in 17 games.

Peewee Cs have Hart in right place

CHESTERVILLE (Staff) - The only thing unusual about the final goal the Chesterville Peewee C Flyers scored against the Winchester Hawks in Winchester December 9 was the fact that Chris Hart had nothing to do with it.

Hart scored six out of eight goals and assisted on another as the Flyers defeated Newington 6-3 and were beaten by the Hawks 5-3 in Upper Canada Minor Hockey League games played last week.

In a home game December 7, Hart was in on every goal as the Flyers built up 1-0 and 5-2 period leads on their way to 6-3 win over Newington.

With the Flyers leading 1-0 on Hart's first goal on Mike Desormeaux's pass, Newington's Tim Leduc scored unassisted early in the second period to tie the game 1-1.

But by the time the Newington captain had the second goal of what turned out to be a hat trick night, the Flyers were up 4-1 on three more goals by Hart.

Desormeaux, who set up the goals, had the favor returned on the Flyers' fifth goal as he redirected Chris Hart's pass with just over a minute left in the second period.

Hart finished off his scoring rampage midway through the third period beating David Runions with a shot set up by Chris Gibeault.

Tim Leduc completed the scoring for Newington with just over two minutes left to play on a pass by Steve Laframboise.

The Winchester Hawks scored three times in the third period on December 9 to bounce back from a 3-2 deficit to beat the Flyers 5-3 in Winchester.

The Flyers were leading 2-0 at the half point of the second period on goals by Chris Hart when Jason Broad and Kevin Bell scored in a two minute span to tie up the game.

The Flyers regained the lead 23 seconds into the third as a team captain Kevin MacLeod redirected J. Caird's pass by Mark Sarault but the Hawks again used a pair of quick goals to take the lead.

Clarence Holmes and Jeff Nelson had the tying and winning goals and Scott Griffith added the insurance goal with 20 seconds left to play.

Danny Geertsma was in net for the Flyers in both games.

Nestles wins six in row

CHESTERVILLE (Staff) - Pat Kelly, taking a pass from Lyle Servage, scored with 24 seconds left in the game to lift Nestles to a 4-3 victory over Ault Foods and extend the team's winning streak in the Industrial Hockey League to six games.

The December 13 win at the Chesterville arena maintained Nestles hold on first place with a record of six wins, one loss, and two ties, four points of Hydro.

Hydro kept pace with Nestles in the other half of the night's schedule by doubling Winchester Cheese Packers 4-2.

Nestles 4, Ault Foods 3

Nestles led 2-0 early in the second period on goals by Pat Imrie and Lyle Servage but Ault Foods fought back to tie the game in the second half of the period with goals by Reg Hyndman and Darren Kirkwood.

Larry Gallinger moved Nestles back in front at 14:10 of the third period only to have Curtis McMillan draw Ault Foods back into a tie three minutes later.

But a pair of penalties to Ault Foods proved to be too much as the team, after weathering a roughing penalty, was unable to contain Pat Kelly during a second man short situation for unsportsmanlike conduct.

The loss keeps Ault Foods in the standings cellar with a record of two wins, five losses, and two ties.

Brian Moran added the insurance goal in the third period, scoring on Alex Gordon's pass with 3:10 left in the game.

Pete McCleod took the loss in net for the Cheese Packers.

Hydro 4, Packers 2

Hydro got four goals from four different players to defeat Winchester Cheese Packers 4-2 for their second win in a row.

Tied after a period of play, Glenn Taylor opening the scoring for Hydro and Karl McRoberts replaying for the Packers, the Cheese Packers moved ahead 2-1 at 5:57 of the second period when Steve Plummer beat Kevin Baldwin with a shot set up by James Utman.

The lead lasted just over a minute as Dave Howat tied the game and Doug Wilson scored the go ahead goal with 20 seconds left in the period.

Oldtimers lose to Osgoode

CHESTERVILLE (Staff) - The Chesterville Oldtimers, unable to contain the strong and quick offence of the Osgoode Oldtimers, were defeated 9-4 on home ice December 8.

Rick Barkley, Neil Beckstead, Rae Imrie, and Reg Dion were the scorers in the losing effort while Dion, Barkley, and Les Holmes drew assists on the plays.

Toyes Hill begins its comeback while Finch continues undefeated

WINCHESTER (Staff) - Bill Veley scored his thirteenth and fourteenth goals of the season and assisted on two others as Toyes Hill defeated Newington 5-1 in Winchester and District Broomball League play at the Winchester arena December 12.

The win was Toyes Hill's second in a row after a six game losing streak which saw them plummet from first place to fifth place in the eight team league.

In other games, the Dunbar Panthers blanked Osnabruck 5-0, Finch extended its season long winning streak to 11 games with a 5-0 shut out against Morewood, and Ormond doubled Crysler 4-2.

Toyes Hill 5, Newington 1

Having snapped their six game slump last week with a 4-0 win over Morewood last week, Toyes Hill initiated the first step in the climb back with a 5-1 win over Newington.

Bill Veley opened the scoring in the first period on a shot set up by John Templeton and then reversed roles as he set up Templeton for an early 2-0 Toyes Hill lead.

Toyes Hill cut the lead in half before the period ended, Ross Dingwall scoring from Clayton Ducolon, but Toyes Hill restored the lead in the second period as Dean Hansma scored from Garth Hansma and then put the game away in the third as Veley set up Robert Templeton and then scored himself with five seconds left on John Templeton's pass.

It was Toyes Hill's fifth win in 11 starts while Newington's record dropped to two wins, six losses, and three ties.

Dunbar 5, Osnabruck 0

Osnabruck, still looking for their first win of the season, were kept waiting as the Dunbar Panthers scored in every period on their way to a 5-0 victory.

Denis Roy sparked the Panthers' offence as he set up the first four goals with teammates Lyn Whitteker, Neil Beckstead, Larry Gallinger, and Laurier Blanchard scoring on the passes.

Laurier Blanchard scored again with just over two minutes left in the game, this time on Lyn Whitteker's pass, to complete the scoring.

Wayne Pitt earned the shut out while Henry Bowman took the loss.

Finch 5, Morewood 0

Led by the goaltending of Noel Lalonde, who is averaging 0.81 goals against a game, Finch extended its winning streak to 11 games with a 5-0 win over fourth-place Morewood.

The scored enlarged what is already the biggest gap between goals for and against in the league (55 and nine) and leaves Finch six points ahead of second place Ormond.

Mike Hoogeveen led the Finch attack with three goals while Dave Dumoulin, who leads the league in scoring, added his twelfth and thirteenth goals of the season.

Doumoulin also picked up a pair of assists to bring his points production to 28. Pete Peterson also drew a pair of assists to stay in second place in the scoring race with 13 goals and 11 assists.

Finch led 3-0 after the first period and finished off the scoring with a pair in the third.

Ormond 4, Crysler 2

It was a case of starting a comeback attempt too late in the game as Ormond held its second place standing with the team's sixth victory of the season.

By the time Crysler got on the scoreboard at 3:34 of the third period, Stan McBain beating Tony Vandervlaan with a shot set up by Tony Van Gurp, Ormond was already ahead 4-0.

Theo Herfkens finished off Crysler's scoring with 10 seconds left in the game.

Scoring for Ormond were Dan McDiarmid, Keith Young, Jim McDiarmid, and Bill Robinson.

Hours set for public skating

CHESTERVILLE (Staff) - The Chesterville Recreation Department has released its schedule for public skating and tournament hockey play at the Chesterville and District Arena over the Christmas break.

From December 21 through December 23 there will be free public skating from 2pm to 4pm. The same times will apply on December 30 and January 2.

This year's minor hockey tournaments will commence with the Midget A's on December 26, followed by the Atom B's on the 27th, the Peewee B's on the 28, and the Midget B's on the 29th.

Winterwise tire buys at our competitive regular low prices

SEASONMASTER Supreme ... the only all-season radial with the colossal strength of DuPont 66 Nylon and Kevlar belts – **5 times as strong as steel by weight.** PLUS, the special, all-weather tread has deep, more open grooves to deliver outstanding vehicle control through all seasons. Snow traction exceeds many tires with special winter tread designs.

WINTER EXPRESS performs in the best traction tradition at prices that represent exceptional value. Four polyester plies, in most sizes, and a self-cleaning tread assure a firm foothold in deep snow and on ice. Specially compounded winter tread maintains resiliency and tractability – yet it is remarkably stable and quiet-running on the open road.

WINTER EXPRESS glass-belted radial provides vital drive-wheel traction essential in our northern snow areas. The smooth-riding combination of polyester casing and two glass belts matches the construction of many new car tires and can be mated with steel-belted radials in other wheel positions. Self-cleaning tread cleats dig in for a positive grip.

5-year unlimited mileage, road-hazard guarantee

Peewee B Flyers roll over Cornwall and Metcalfe

CHESTERVILLE (Staff) - The Chesterville Peewee B Flyers, led by the multiple goal performances of Jason Groves, Shawn Beckstead, and Jevon Groves, won five out of a possible six points in Upper Canada Minor Hockey League play last week.

The Flyers, winners of the 1981-82 championship in the old Carleton-Dundas League, continued their success on the road with 10-1 and 5-1 victories over Cornwall and Metcalfe and scored with just over a minute left to play in the second period to tie Winchester 2-2 at the Chesterville arena December 10.

Chesterville opened the week in Metcalfe on December 9 where the team opened up a 3-0 first period lead on the way to a 5-1 victory.

John Mackler scored between a pair fired in by Ross Giles for the first period lead and Jason Groves added another in the second period to increase the lead to 4-0.

Joey Barkley finished off the scoring for Chesterville at 7:50 of the third period.

Brent Johnston spoiled Steve Conley's shut out bid a minute later.

The Flyers hosted Winchester the following night and were forced into catch-up hockey as Chris. Lortie put the Hawks on the board at 8:38 of the first period.

Bobby Van Delst tied the game at 3:11 but the Hawks restored the one goal margin with a minute left in the period.

Ross Giles tied the game for a final time late in the second period as Shawn Beckstead picked up his second goal of the game.

The Flyers finished off their week with a blow-out, scoring 10 straight goals to down Cornwall 10-1 in Cornwall.

Cornwall led 1-0 early in the first period but Jason Groves, Joey Barkley, Jevon Groves, and Shawn Beckstead scored in a four minute span to jump into a 4-1 lead.

Jevon Groves added two more in the second to complete a hat trick and Jason Groves increased the second period lead to 6-1 as the Flyers offence let loose.

Groves completed his hat trick in the third period and was followed by John Mackler and Shawn Beckstead, Beckstead scoring the final goal with 34 seconds left in the game.

Steve Conley was in net for the Flyers.
