New man at the helm

Nestle factory manager Cliff Reynolds, right, has handed over his chair to his successor Jim Cummings. The management change was announced last Wednesday by head office at Don Mills. Mr. Cummings comes to Chesterville from the Libby Division at Chatham.

Record Photo - Hanrahan

Management changeover

(Staff) - Nestle Division factory manager Cliff Reynolds has been transferred to head office in Don Mills effective immediately. The staffing change was announced last Wednesday.

Replacing Mr. Reynolds will be Jim Cummings who comes to the Chesterville plant from the Libby Division in Chatham. The position, formerly factory manager, will now be director of production, Nestle Divison.

Mr. Cummings arrived at the local plant Monday afternoon and the change of transfer will be complete within a few days.

Mr. Reynolds, who first moved to Chesterville in 1978, said he leaves the town with great regret.

"It's not easy," he said. Tom Rance and Tim Woods did not want to leave either."

"This is a good life here but that's where the career path is."

"It's tougher on the family," Mr. Reynolds noted.

The family is now looking for a house in Toronto and Mr. Reynolds said their plans now depend on finding accommodation there.

"I wouldn't want to spend too long working up there and living down here."

Cliff and Mary Ann Reynolds have five children. Cliff Jr. attends Queen's University, Kingston and daughter Elly is a student at Waterloo University in Kitchener. Cindy and Phil attend North Dundas District High School and Elizabeth is a grade 8 student at St. Bernard's in Finch.

In Toronto Mr. Reynolds, whose background is financial, will be posted to the office of the vice-president, technical services. His responsibilities there will be mainly in planning following the recent expansion of the company through several acquisitions.

Jim Cummings, who will replace factory manager Cliff Reynolds, comes to the local plant from the Libby Division, Chatham, where he worked for the past 15 years.

"I look forward to this," he said. "It's new and challenging and in some ways will be a learning experience."

The new production director was introduced to the Chesterville Volunteer Fire Department briefly Monday night when the after-burner of the plant's coffee roaster caught fire. He said he was surprised and pleased with the speed and efficiency of the firefighters in extinguishing the fire.

Mr. Cummings has also worked with the company's manufacturing plant in Puerto Rico where a line of fresh produce and tomato-based sauces was produced for consumption both in Puerto Rico and the entire Carribbean chain. He has also worked in several of the company's American factories.

Within the next two or three months Mr. Cummings hopes to relocate here permanently with his wife Lynne. The couple has three sons: Jim 28 and Jay, 24, both of Chatham and Jeff, 20, a student at Toronto's Centennial College.

Crysler floods over

CRYSLER (Staff) - Under a warm Indian summer sky the latest major project of the South Nation River Conservation Authority was opened Monday morning here. The Crysler Flood Control Dyke, a project involving construction of a dyke 391 meters in length and one to three meters in height, has finished and will do the job of preventing annual flooding in the village. A small detention pond and culvert construction have been designed to handle local run-off.

Speaking to gathered dignitaries and members of the public MP Norm Warner said "this achievement makes one thing very clear -- when people co-operate and work together much can be accomplished."

Mr. Warner referred to the project which was based on contributions to the tune of 90 per cent from the federal and provincial levels of government. The remaining 10 per cent of the cost was supplied by SNRCA.

"The people of Crysler won't have to trade cars for gondolas next spring and they won't be competing with Venice as a tourist attraction," Mr. Warner noted wryly.

Representing the government of Ontario, Robert Burger, assistant deputy minister of Natural Resources, said "I can appreciate your relief in knowing the flooding won't happen again. It was a hardship and an unnecessary one for the people of Crysler".

Noble Villeneuve, MPP for Stormont- Dundas- Glengarry, said the project was a great success for the Eastern Ontario Subsidiary Agreement program.

"I'm going to push hard for a re-enactment of EOSA," he said.

Finch township reeve Ralph MacKenzie said he's thankful to have the project completed at last because the people of Crysler had approached council some years ago and had requested help to alleviate the flooding.

"We were told that a couple of years down the line something could be done," he said, "and now it's complete."

The entire project cost $229,940 with the contract being awarded to Atomik Construction Co. Ltd. of Hawkesbury. Work began in July of this year and was completed October 4. The work was carried out under the supervision of Proctor and Redfern Consulting Engineers.

Politicians pull plug on Crysler Dyke

The Flood Control Dyke located in Crysler village was officially opened before a crowd of dignitaries and local people. The project's cost was shared by the province, the federal government and the South Nation River Conservation Authority. Doing the honors are from left: Gaston Patenaude, Russell reeve and deputy chairman of SNRCA; Robert Burger, Ontario government; Finch township reeve Ralph MacKenzie; SNRCA chairman Lorne Strader dressed in bicentennial costume; MP Norm Warner; SD&G MPP Noble Villeneuve.

Centre re-named

(Staff) - The Nelson LaPrade Centre, formerly the Drop-in Centre, was officially dedicated last Sunday to the memory of Nelson LaPrade. With her family in attendance Mrs. Kay LaPrade unveiled the plaque located just inside the entrance of the building. Also there were reeve Carl Ward and other members of Chesterville village council. The ceremony was followed by a tea inside the centre.

Mr. Ward made a brief speech on the steps of the centre on a balmy October 28 day with the temperature at 24 degrees Celsius.

"This is an appropriate name to honor the gentleman who placed the building there," said Mr. Ward. He explained that Arie Oosterman approached him a few months ago to say that while the Drop-in Centre was a good name perhaps a better one might be something like the Nelson LaPrade Centre to do justice to the individual who was instrumental in bringing the facility to the village for everyone's use.

"This idea was unanimously endorsed by council," said Mr. Ward.

Formerly a warm-up building for cross-country ski-dooers the building fell into disuse in the early 1970's. Mr. LaPrade was determined to find some sort of government grant that would help to pay for moving costs and renovation expenses. He thought the building would make a good centre for senior citizens in the village. With the help of a New Horizons grant and assistance from former MP Ed Lumley the money was obtained and the building moved to its present site. Since 1974 it has been available for community activities and many have benefitted from the well-used facility.

Timbrell supported

(Staff) - Stormont-Dundas and Glengarry MPP Noble Villeneuve has announced he is throwing his support behind Agriculture Minister Dennis Timbrell, one of only two declared candidates for leader of the Ontario Progressive Conservative Party.

"He's the best able to represent rural Ontario," Mr. Villeneuve said last week.

Mr. Villeneuve admitted the minister was not his first choice but his first choice decided not to seek the job. He referred to Claude Bennett, minister of Housing and Municipal Affairs in the Bill Davis cabinet.

"Initially I was prepared to go with Claude Bennett, our eastern caucus chairman. I'd have backed him on his own merit and because he's from my region."

However, Mr. Villeneuve said Timbrell's agricultural background impressed him as well as his experience as minister responsible for social services, and health.

Mr. Villeneuve is predicting a field of only four candidates. "A week or two ago it looked like eight or nine but the field is thinning," he said.

He is confident Agriculture Minister Timbrell will emerge as Bill Davis' successor. "Now that Pope's not running I can see a lot of the northern caucus coming to us."

Grit acclaimed for P-R

ST. ISIDORE DE PRESCOTT (Staff) - Jean Poirier has been acclaimed to lead the Liberals in the riding of Prescott-Russell in the forthcoming provincial election.

The Alfred resident accepted the nomination at a meeting of 600 party members Sunday at the St. Isidore de Prescott Community Centre.

Mr. Poirier, 34, will contest the seat left vacant by Liberal Don Boudria who won the federal seat in the September 4 election for Glengarry-Russell.

Open house at Winchester OPP office

(Staff) - National Crime Prevention Week, a major event in Canada during early November, will be marked this year from November 4-10.

The annual Crime Prevention Week was inaugurated last year by the Solicitor-General of Canada to focus public attention on the need to prevent and reduce crime.

Organizers say last year's week was highly successful and are promoting the second annual week this year again.

Corporal Bob Lyon, Winchester detachment of the Ontario Provincial Police, said although there's always open house at the detachment the officers will be more than happy this week especially to conduct groups and individuals around the premises.

"We'll show the kids how fingerprinting is done," said Corporal Lyon, "and we'll show them the cells too."

"Since it's a public building anyone has the right to see it and we'll be pleased to show people around."

Constable Al Loomis has conferred with Rev. Rick Bombay, an organizer of Neighborhood Watch in the Village, regarding participation during the week. Rev. Bombay stressed the need for such a program in maintaining effective watch and preventing crime from occurring within the community. Several programs are planned for this winter and more details will be available in the next few months regarding improvement of the program.

The next meeting of the Neighborhood Watch committee is November 20.

Raking up the goodies tonight

These three trick-or-treaters are set to mingle with the ghouls, goblins and ghosts for the annual harvest of goodies on All Hallows' Eve tonight. Children and parents too, are reminded to keep safety in mind while out on their Hallowe'en rounds. Be sure to wear something bright so that you will be visible to passing motorists. Pictured above, clockwise from top, are Cara Clarke, age 9, Natalie Clarke, age 7 and William Clarke, age 5.

Record Photo - Maskell

Newsbriefs . . .

Hallowe'en winners in next issue

(Staff) - The Record's Hallowe'en Safety Contest winners will appear in next week's edition.

Holstein breeders' dinner

FINCH (Staff) - The annual Stormont County Holstein breeders are holding their annual dinner and business meeting Saturday, November 3 at the Finch Arena. The dinner commeces at 7pm.

Gift certificate winner

(Staff) - The winner of the $25 gift certificate donated by MT Advertising, the village's newest business was Pat Stewart, Chesterville.

Poppy Day Nov. 3

(Staff) - The Scouts will be holding a poppy blitz in the village on Saturday, November 3. Let's support them. The vets appreciate the gesture.

Visit the OPP

WINCHESTER (Staff) - During Crime Prevention Week, November 4-10 groups and individuals are especially welcome to tour the premises of the OPP here. Kids will love the fingerprinting process and may be curious to visit the cells. Corporal Bob Lyon says there's an open house all the time but people may be more interested at this time to see how the police station works.

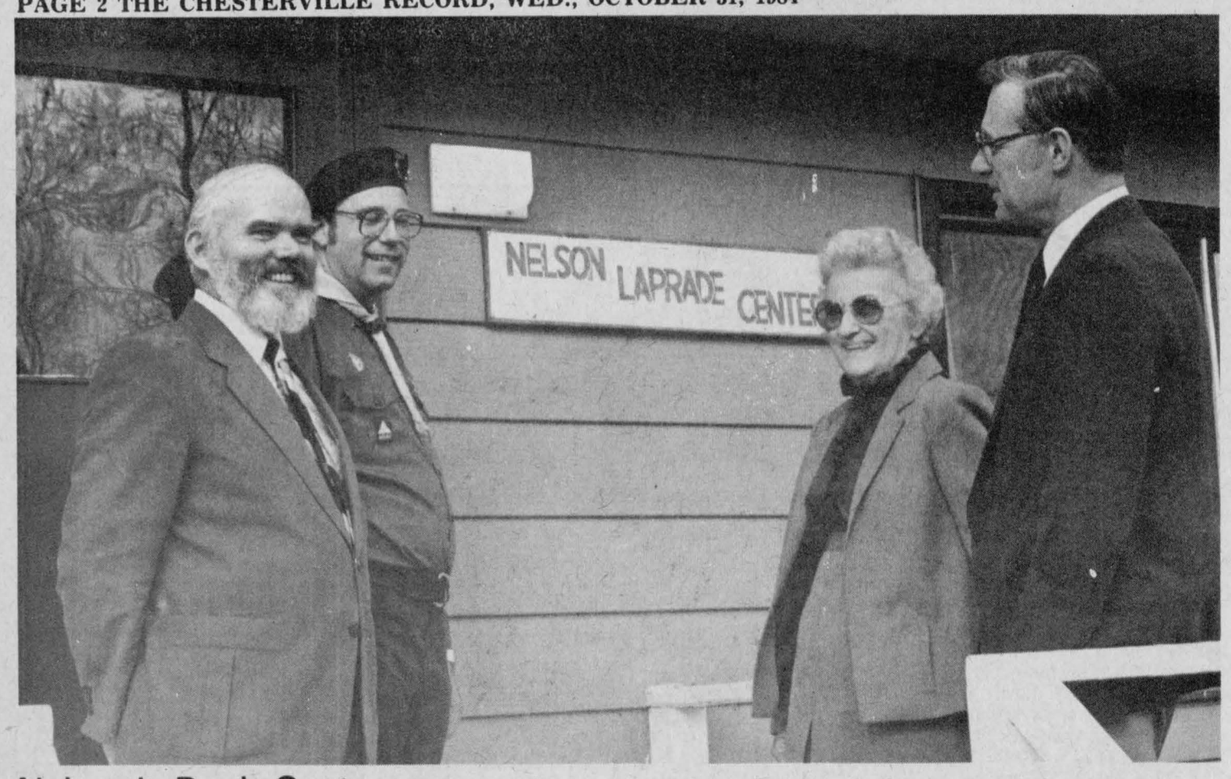
Sod-turning at Finch Nov. 2

FINCH (Staff) - Ground will be broken for the senior citizens building on Friday, November 2 at 2pm. On hand will be Claude Bennett, MPP, Minister of Housing and Municipal Affairs, MPP Norm Warner and MPP Noble Villeneuve, as well as members of Finch township and village council. Members of the public who have applied for accommodation at the complex are welcome to attend.



Nelson LaPrade Centre now open

The Nelson LaPrade Centre was officially re-dedicated by Mrs. Kaye LaPrade last Sunday. With Mrs. LaPrade are members of Chesterville village council. From left: Reeve Carl Ward; councillor Rudi Derstroff; deputy reeve Jim Cook.

Thursdays, November 8 & 22: Glen Robertson (9:30-10); Glen Sandfield (10:10-10:30); Lochiel (10:45-11:15); McCrimmons Corners (11:30-12); Dunvegan (1:15-1:45); Northfield Station (2:30-2:50).

Fridays, November 9 & 23: (10:50-11:10); Hallville (11:30-Morewood (10-10:40); Ormond 12); Mountain (1:15-1:45).

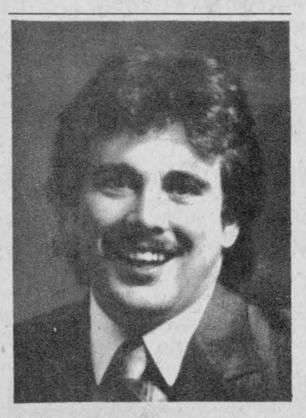
Dolores Moffat

Dolores Moffat, a long-time Chesterville resident, died at the Ottawa Civic Hospital October 21, 1984 after a lengthy illness. She was 57.

Mrs. Moffat, who was born May 23, 1927 at Grantly, is survived by her husband William (Mac) McGregor. She was the daughter of the late Hudson and Grace (Robertson) Johnston.

Mrs. Moffat is also survived by sons William, Charlottetown, James and Diana, Ingleside, Robert, Gloucester, and by grandchildren Gregor and Meaghan.

The funeral was held from Duncan Funeral Home, Metcalfe October 24 at 1:30. Interment was at Maple Ridge Cemetery. Pallbearers were Dale Marcellus, Donald Banks, Brian Hutt and Brian Fetterly.



Graduation

(Special) - Jim Lefebvre, son of Francis and Lorraine, Chesterville, recently joined the disc jockey teams at CHEX Radio "98" Peterborough. Jim is a graduate of NDDHS and the broadcasting, radio and television course Algonquin College, Ottawa.

New firehall officially opened

WILLIAMSBURG (Staff) - A legion of political figures, including both past and present SD&G members of parliament was on hand to declare the village's new fire hall officially open Saturday.

Although the firemen moved into the new hall this spring, the opening ceremonies were delayed because "we wanted to wait until everything was shipshape," said village clerk Mike Waddell.

The contract for the new building was signed in July 1983 and construction finished Dec. 31, Waddell said. The firefighters moved in this spring after completion of the finishing touches to the interior, and did the landscaping themselves during the summer.

The hall was built under the Canada-Ontario Employment Development Plan, and was funded by the federal and provincial governments and the township. Forty per cent of the $200,000 cost was borne by the federal government and 40 per cent by the province, with the municipality picking up the remaining 20 per cent, said Reeve Johnnie Whitteker.

The employment development program employed 26 men on welfare and unemployment insurance, Waddell said. Some of the men worked on reforestation while an average of 15 at a time put up the building.

"Overall it went fairly smoothly," Waddell said. "We're pleased with the effort that was put out."

Visitors at the opening ceremonies included Stormont, Dundas and Glengarry MP Norm Warner, former MP Ed Lumley, MPP Noble Villeneuve, Carleton-Grenville MPP Norm Sterling, United Counties Warden Bill Dillabough and members of Williamsburg Township council.

The building was dedicated by Rev. Tom Lowry of Williamsburg United Church.

"We consider our fire department here second to none in Eastern Ontario," said Whitteker. "We're getting pretty good value for our dollars as far as fire fighting is concerned."

Villeneuve, bringing greetings from the provincial government, congratulated Williamsburg council for creating work for those on welfare and unemployment insurance. "You've done a super job and you've done it the way it should be done, with labor in the community that was idle."

Villeneuve assured those present that the province "really knows how important volunteer fire departments are to communities such as Williamsburg."

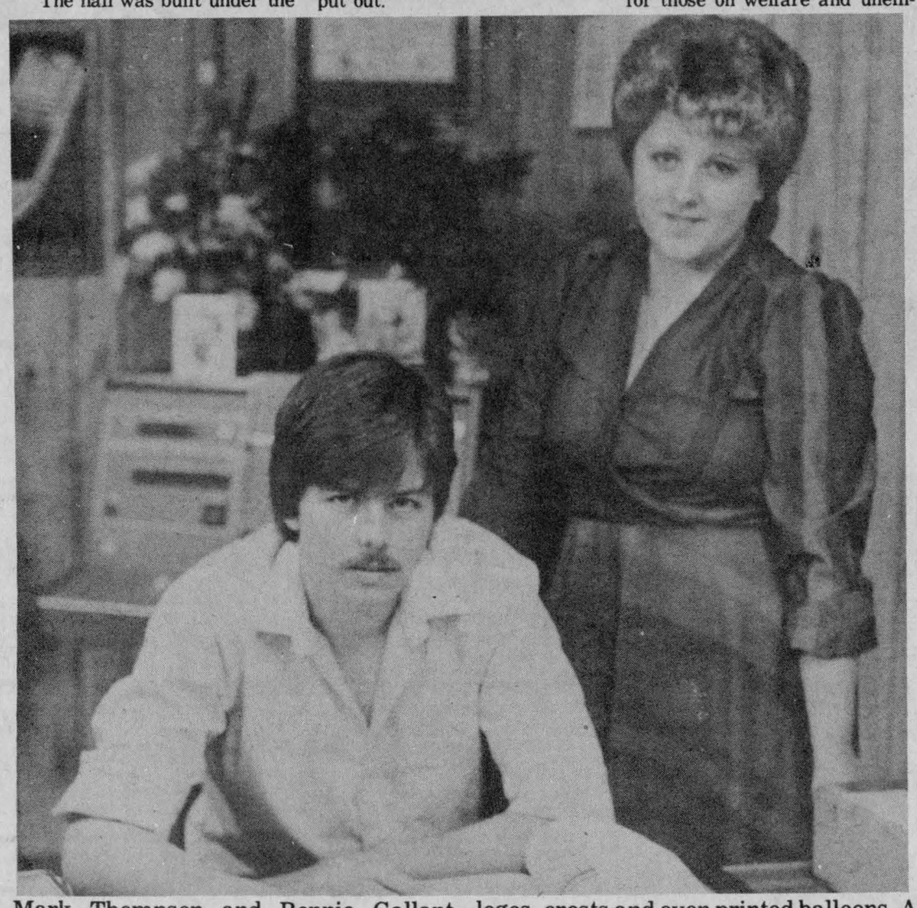
Ed Hiscoe, fire safety advisor for Eastern Ontario said he was "very impressed with this fire department and this township."

Former industry, trade and commerce minister Ed Lumley, whom Whitteker credited with obtaining the necessary NEED grant for the project, was invited to cut the official ribbon.

Whitteker and fire chief Lyall Kehoe unveiled a hand-carved wooden plaque marking the occasion.

Following the opening ceremonies, deputy reeve Robert Gillard said the old fire hall may be converted to a recreation hall. He said township council will likely wait until the seniors project currently under construction is completed before deciding what will be done with the hall.

It was a proud moment for Williamsburg Township council as the village's new fire hall officially opened Saturday. From left are township clerk Mike Waddell, Fire Chief Lyall Kehoe, reeve Johnny Whitteker, former MP Ed Lumley and councillors Lyle Van Allen and Glen Cunningham. Record Photo - Must



Mark Thompson and Bonnie Gallant were on duty as of last Friday at MT Advertising in the village next door to Sears. The company will provide anything to do with advertising like logos, crests and even printed balloons. A large range of art supplies is also offered for sale from Bristol board to paint brushes.

Record Photo - Hanrahar.

M.T. Advertising opens

(Staff) - Last Friday a new, and very novel, business opened in the village, with the proprietor aiming to serve the advertising design needs of groups and individuals from here to Cornwall and Ottawa and back again.

Mark Thompson, a graphic designer, has opened shop with MT Advertising located next to Sears. The spiffy new office boasts all the equipment and supplies Mark will need to design logos or T-shirts, party balloons or business stationery. Not only that, but as he says he's a "one-stop shop" and can also arrange to get customers' orders printed.

A graduate of the illustration course at Sheridan College, Brantford and the graphic design course at Ottawa's Algonquin College, Mark says he'll provide customers with "anything to do with advertising."

This means if your needs are for business logos, for instance, or crests, or painted signs, electric or metal, you'd better ask Mark about it.

The shop, which also sells a wide variety of art supplies (check them out for Christmas gifts) will be open 9 to 5 every day except Friday when opening hours are exended to 9pm. Bonnie Gallant is providing part-time clerical help. Students with ID will get a 10 per cent discount on anything bought or ordered.

As well, the shop provides photocopying services in black and white or color, makes transparencies and enlarges or reduces copies.

Mark is the son of electrical contractor Eric and Betty Thompson, Chesterville.

'Mr. 18 Wheeler'

DIXON'S CORNERS (Special) - Dave Dudley, the truck driving man's singer, will perform at the Matilda Township Community Hall on Nov. 16.

Dudley will be one of the guests of "Country Appeal", a show and dance to raise funds for "Help the Aged". Also featured at the performance will be Dan and Wendy Brown.

Dave Dudley is known as Nashville's Mr. 18 Wheeler, and is world famous for his many hit records including the "Six days on the road."

Admission to the dance is $7.50 per person, buffet included. For more information call 774-2447.

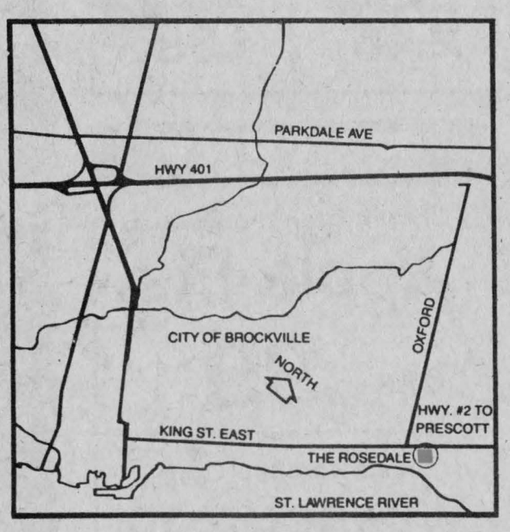
Retirement Living as it Should Be at
The ROSEDALE
A Unique Retirement Community

Comfort
- The Rosedale enjoys a country setting on acres of beautifully landscaped grounds overlooking the St. Lawrence River adjacent to the city of Brockville, Ontario.
- Deluxe decorated suites with fully equipped four piece washrooms allow elegant living in spacious comfort.
- The single storey design encompasses extensive communal facilities—dining, recreation, health care—all with easy access; there is never a staircase to climb—*ever*!

Convenience
- Professional medical assistance and personal supervision is always available on a 24-hour basis.
- The well thought out appointments take in to account and consideration guests' special requirements: handrails, full emergency systems, meal scheduling and even landscaping have all been carefully planned.

Companionship
- Excellent provisions are made in house for hobbies, recreational projects, self-improvement seminars and special interest undertakings. Beauty salon & barbershop, workshops, meeting areas, recreational space and a chapel are representative of the full spectrum and scope of Rosedale's benefits.



Visit our showroom and model suite, weekdays 9 a.m.–5 p.m. and weekends 10 a.m.–5 p.m.

OPP Report

Compiled By
Cpl. R.J. Lyon
Winchester Detachment OPP

COURT — OCTOBER 22
CORNWALL

Geren Morris, 22, RR1, Winchester, appeared in county court, Cornwall, on two charges of Trafficking in Narcotics. In April 1983 an undercover OPP officer made two purchases of hashish from Morris. He entered a plea of guilty to one charge and the second charge was withdrawn by the crown. Morris was fined $500.00 and placed on probation for one year.

COURT — OCTOBER 26
WINCHESTER

Carol Hay, 40, 412 Main St., Winchester, appeared on a charge of Drive while Suspended on September 8 on Victoria St., Winchester. She was fined $250.00.

ACCIDENTS

On Friday, October 26, 1984 at 4:20pm George Bell, Main St., Winchester was driving a 1984 Dodge pickup truck east on Main St., Winchester, and stopped to make a left turn into Ault Foods Ltd. Ralph Ambridge, RR1, Finch, was driving east on Main St., on a 1977 Suzuki motorcycle and failed to see Bell's vehicle stopped. Ambridge drove into the rear of the Bell vehicle causing approximately $800.00 damage. Ambridge suffered leg injuries. Bell was not injured. Const. Norm Sarault investigated and as a result charged Ambridge with Careless Driving.

On Saturday, October 27, 1984 at 10:15pm a 1980 Datsun. owned by Betty Wheeler, RR1, Chesterville, was parked facing west on Water St., Chesterville. A 1976 Chevrolet travelling west struck the Wheeler vehicle causing approximately $500.00 damage and then left the scene. There were no injuries. Const. Al Lummiss investigated and as a result charged Norman Ranger, RR1, Chesterville, with Fail to Remain at the Scene of an Accident.

Vows exchanged

Kathy Humes and Mike McMahon were united in marriage September 29, 1984 at Trinity United Church, Chesterville. Best man was Raymond Bazinet; maid of honor was Gwen Farrell; the bride's sister Eileen Dysart was bridesmaid; ring bearer was Chad McMahon and Ryan McMahon was junior usher. Aileen Rowan is the bride's mother. Special Photo

THANK YOU

My thanks to family and friends for visits, cards, flowers and gifts while I was in the hospital. Special thanks to the doctor and nurses for their excellent care. Extra appreciation goes to Grandpa and Grandma - Merv and Grace Dale for keeping our business and home running smoothly during this busy season.

Mary Durant

Engagement

ENGAGEMENT
Mr. and Mrs. J.A. Morris, 451 St. Lawrence St, Prescott, formerly of Chesterville wish to announce the forthcoming marriage of their younger daughter, Deborah Mary, to Bruce Gray Allan of Toronto. The marriage will take place on Saturday, December 29th, at four o'clock in the afternoon at Holy Trinity Anglican Church, Thornhill, Ont.
10

Birth

GLAUDE — Barbara-Ann and Michel Glaude, Berwick proudly announce the safe arrival of 7 lb., 7½oz. Kevin Charles, a brother for Natasha. Arrival occurred at Winchester and District Memorial Hospital on October 29, 1984. Happy grandparents are William and Mary vanLoon, Finch and Marcel and Solange Glaude, Berwick. Sincere thanks to Dr. MacMillan, assisting doctors and maternity staff at Winchester. 10

Cards of Thanks

CARD OF THANKS
I would like to thank all my family, friends and neighbours for their friendly get-together. It is nice to know I have neighbours that care. I would also like to thank everyone for the lovely set of luggage. It will be very useful travelling back and forth from Cornwall. Special thanks to Charlotte Craig, Edna Dubois, and Muriel Merkley for setting up the beautiful party. Your thoughtfulness is and will always be greatly appreciated.
Ann Brugmans.
10-1

CARD OF THANKS
The family of Dolores Moffat would like to thank their relatives, neighbours and friends for contributions to Ontario Cancer Foundation, floral tributes and cards of thoughtfulness. A special thanks to nurses and staff Ottawa Civic Hospital, Section G One. Rev. Ferguson and Duncan Funeral Home, Metcalfe. A very special thanks to Don and Joy for the use of their home.
Mac, Bill, Rob, Jim and Di
10

CARD OF THANKS
We would like to thank everyone for their kindness, support, floral tributes, donations and gifts of food in our bereavement of a dear brother, Harold. Special thanks to Rev. Ferguson for his kindness.
Eva, Mae, Lyle, Myles, Alice
10

CARD OF THANKS
Many thanks to our family, friends and neighbours for all their help and support while I was a patient in Kingston General Hospital. Special thanks to Dr. Brennan, Dr. Pym and his team of surgeons and Rev. & Marnie Henry. These acts of kindness were greatly appreciated and will always be remembered.
Ian MacMillan

Cards of Thanks

CARD OF THANKS

It is with deep thankfulness that I wish to acknowledge the receipt of so many messages of sympathy in the passing of my dear husband, Rev. E. Earle Eaton. The beautiful floral tributes, sympathy cards, notes, food and "In Memorial" contributions, all were deeply appreciated. Many thanks to everyone who so kindly remembered him.

Constance M. Eaton
10

CARD OF THANKS

We would like to express our sincere appreciation to friends, neighbours and relatives for food, floral tributes, donations to the Heart and Stroke Foundation of Ontario, messages of sympathy, support, comfort and all kindness extended during the recent death of a much loved husband, father and grandfather, Harold Munro. Special thanks to Rev. Ferguson, Vice & Craig Funeral Home and the pallbearers. These kind acts will never be forgotten.

Neita Munro
Marion & Gerald Lussier

R-O launches first clinic

INGLESIDE (Staff) - The first-ever blood donor clinic in Osnabruck township, held last Tuesday at Rothwell-Osnabruck school, was a huge success.

Rothwell-Osnabruck Principal Doug Murray reports that the clinic's target was 100 units, and 172 units (from 202 donors) was brought in.

Mr. Murray said that there were a large number of student donors, and support came in from Ingleside's Kraft Plant.

Various community groups also assisted in the clinic including: The Ault-Farran Masonic Lodge; Cedarbrae Institute, Newington; Ingleside Women's Institute; CGIT Ingleside; Trinity United Church, Ingleside; First and Second pack brownies, Ingleside and the Women's Auxiliary of the Ingleside Volunteer Fire Department.

Chesterville purchases new truck

(Staff) - The lowest of four tenders submitted to council was accepted at last week's meeting for purchase of a new pickup truck for the village. Upper Canada Motor Sales' bid was accepted.

After a recent vehicle accident the town's truck was demolished. The insurance company is paying $6650 towards the price of a new half-ton and the village will pick up the rest.

Tenders were received as follows: Drewery Pontiac Buick Ltd., Winchester, $11,877; Upper Canada Motor Sales, Morrisburg, $10,272; Cornwall Motor Sales, $11,620.20; W.J.L. Boyd and Sons Ltd., Winchester, $11,172.41.

A Future for Angela . . .
A Future for the War Amps
And when there are no more War Amputees?
A question we are asked, and we have a very good answer. Angela Craig is a member of our Child Amputee Program and wears a special myoelectric arm and hand the War Amps helped to provide. This kind of help, and the morale program we operate, will continue far into the future because when there are no longer War Amputees, we will become THE CANADIAN AMPUTEE FOUNDATION, and still continue to offer children like Angela every hope for the brightest future.
Amputees helping amputees. Our legacy will live on

A touch of magic turns Monkland school into new community centre

(Staff) - With volunteers like they have down in Monkland, it's no wonder the old school located in the middle of the village is quietly but systematically undergoing a major facelift. At no cost to the taxpayer. Because although there are currently no grants available for the work from any level of government a small army of volunteers is sprucing up the school and turning the former educational institution into the Monkland Community Centre.

Spurred on by "super-volunteer" Alice Bender everyone has a job and is contributing mightily with ideas, elbow-grease and dedication.

With a gift last week of a $200 cheque from the Maxville and District Lions Club, the group was cheered and encouraged because there are not many avenues for obtaining money.

Mrs. Bender explained last week "we bought the school for $10,000 two years ago through the recreation department and a year ago we were able to hold dances, banquets and card parties here."

With revamped windows, new tile on the floor, complete insulation throughout and a new furnace the project is coming along by leaps and bounds. Who pays? The recreation department of the village has been extremely generous but the group does a lot of private fundraising.

For instance, Mrs. Bender taught dancercize classes to raise money; euchres are held every second week; a chicken barbecue was held; pot-lucks are held regularly; a rummage sale was launched; catering is undertaken; baton and gymnastics are taught.

All the group pitches in -- there are individuals in charge of construction, landscaping, furnishing, fundraising.

A major project in the works is a history of the area being undertaken by the Historical Society. The group was formed last November when a great deal of the impetus to improve the community sprang up. Together with the Second Milers Senior Citizens, the Historical Society and the recreation department things are happening in Monkland right now.

The book, entitled "Reflections on Monkland and District," will be ready to roll in the spring.

Volunteers are planning road signs at all four entrances to the village alerting the public to the major project planned for June 28-30 in 1985. At that time there is a village centennial planned and the local drum and majorette corps is being practising in order to lead the parade. Planned as well as a chicken barbecue, centennial queen crowning, antique bridal gown fashion show, ball tournament, buffet supper, children's event, bonfire and marshmallow roast.

Before these events, though, the community centre needs some more refurbishing in time for the big day. A whole new septic system has to go in before freeze-up and the group thinks this can be done. They'll take donations too, furniture, anything they can use.

One room is to be given over to the senior citizens -- this has been carpeted and repainted already.

"We hope to use the building a lot for the 19 and under crowd," Mrs. Bender explained. "They have no place to go."

As well, an upcoming project is a Christmas concert for the whole community. Currently the building is being used by the 4-H groups, by the scouts, as a location for the children's summer program, for the skating and swimming programs.

Volunteers are asking for community participation at this time in planning ideas for floats in the June parade. As well book editor Margaret Maloney is asking for material for the history.

"I'm amazed at the interest -- every day someone is at the door with a picture or a story." Mrs. Maloney said the book will be sectioned into three parts, the history of the area, the history of the area families and lastly a part on area anecdotes and stories. She would like to receive as much material as possible for the project.

With the $200 donation from Maxville Lions president Doug Symons the spirits of the group were bolstered tremendously because they noted that every little bit counts. Landscape expert Chris Sporring displayed photographs of the transformation he has wrought in his own garden and promised similar miracles for the land around the old school. Next summer the flowers should be blooming there.

The old school at Monkland is undergoing a transformation as a willing army of local volunteers sets about working miracles. In the foreground Alice Bender, president of Monkland District Recreation, accepts a cheque for $200 from Maxville and District Lions Club president Doug Symons. Also in the picture from left: Susan Brown, treasurer, Yvone Whitford, vice-chairman, senior citizens, Doris Begg, secretary, Margaret Maloney, editor of the historical book, Jamieson Campbell, chairman of the building committee and treasurer of the Historical Society, Chris Sporring, landscaping, Martin O'Brien, president of the senior citizens. Absent were: Bernie Barker, president of the Historical Society, Sandra Sproul, chairman of the centennial project.

Flyers stretch streak with win over Flames

(Staff) - After last Thursday night's 8-7 win over the North Stormont Flames, Chesterville Junior C Flyers are now with a 3 and 1 record, but they needed two goals in the third period to keep ahead of the persistent Flames.

Mark Guy struck first with the help of defenceman Carl Bartholemew at 10:39 of the first period. Minutes later the Flames Shawn Flannagan fired one past goalie Steve Rochon after he received a pass by Bernard Grady and Stacy Moore.

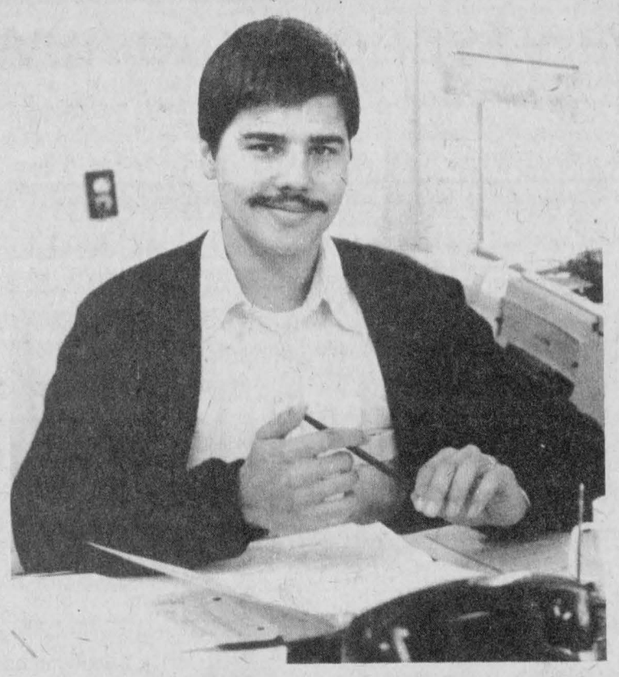
Second period saw three power-play goals for the Flyers. The first coming from John Guy who received the puck on a play by Darren Kelly and Larry Faulkner. A minute earlier Shawn Flannagan was called for boarding at 12:29. Seconds later Mark Guy scored the second goal for the Flyers with Carl Bartholmew and Chris Popovich assisting on the power-play. Shawn Flannagan scored the next two goals for the Flames. The first came at 14:34 with Stacy Moore assisting and the second came with 8:01 remaining on the clock. Mike Lebrun and Bernard Grady combined on this play.

Mark Guy, playing right wing, fed the puck to his brother John which allowed him to score the fourth goal for the Flyers. Flames Steve Tait completed a play from Raymond Grady at the 3:17 mark scoring the fourth goal for the Flames.

Mark Guy retaliated scoring on the power play at 2:29 with Gary Beishem and Carl Bartholemew assisting. Tim Lalonde of the Flyers completed a play from Carl Bartholemew and Chris Popovich with 1:17 remaining.

Francois Landry added a goal of his own with a pass from George Micheals with 1:03 remaining on the clock in the second period to give the Flames a 6-5 lead.

Stacy Moore set up Shawn Flannagan at the 14:36 mark of the third to tie it 6-6. Bernard Grady then edged the Flames ahead with a pass from Stacy Moore. Flyers John Guy poured on the steam with less than three minutes remaining in the game. Mark Guy and Tim Lalonde combined on the play to assist John in the scoring. Carl Bartholemew got the squeaker with 1:36 remaining. Darren Kelly assisted in Bartholemew's final goal of the game.



At sports desk

This week The Record welcomes Steven Weaver, 23, of Scarborough, Ontario, who has recently taken over the position of Sports Editor. Steven was born and raised in the Scarborough area, and is a 1984 graduate of Durham College of Applied Arts and Technology, Oshawa, with a diploma in the Journalism field. Steven's parents, three sisters, and one brother all live in Scarborough. Give him a hand by dropping off score sheets and game reports at the Record Office. If you have any sports news don't hestitate to give Steven a call at 448-2321.

Dunbar and Ormond share broomball lead

(Staff) - Dunbar's 8-1 win over Newington and Ormond's 2-1 victory over Osnabruck put both teams tied for first place in the Winchester and District Broomball League play.

Other games from Sunday's action saw Finch defeat Crysler, 4-1 and Morewood's 3-1 win over Toyes Hill.

John Templeton led the Dunbar assault scoring just 58 seconds into the first period with the help of left winter, Pierre Roy. The wingers again connected with 15:14 on the clock. Lynn Whittaker playing centre for Dunbar swept in a fast pass by Templeton at the 11:27 mark.

Newington's Chris Lemely completed a pass by centreman Ross Dingwall just 57 seconds after the Panthers scored their third goal. Danny Roy whacked in the fourth goal from a pass by John Labelle with 4:47 remaining in the first period.

Whittaker again found the mark after playing a matter of seconds in the second period. Denis Roy assisted in this fifth goal and left Newington trailing behind in the smoke.

Gary Gallinger of Dunbar surprised everyone by scoring an unassisted goal at the 12:06 mark, bringing the score up to 6-1. A few minutes later Gallinger again swept in a goal from a pass by John Labelle. Larry Gallinger made his presence felt after he tipped one in off of a pass by Pierre Roy, which brought the total to eight.

The only penalty of the game went to Danny Roy in the second period and he was called for high sticking with 2:48 remaining on the clock.

Bill Robinson, the right winter for Ormond scored their loan goal in the first priod of play against Osnabruck. Dan McDiarmid assisted with the goal at 9:13 which was scored with a one man advantage. Osnabruck's D. Heagle received the penalty for tripping just 2:06 minutes before.

Rob Scarth combined with Bill Robinson, scoring the winning goal at 10:32 of the second period.

Second period brought three penalties. D. Fleury was called for elbowing at 14:55 and three seconds later saw Doug Sloan penalized for high-sticking. Paul Peterson for Ormond received a highsticking penalty at 12:39 and another for holding with 3:27 remaining on the clock.

Finch opened the scoring with a goal by Henry Derooy and assisted by his centre, Dave Dumoulin at 14:20 in the first period. Dave Dumoulin was not satisfied with the assist and he swept one in which came off of a pass by Mike Hoogeveen at 10:03 left on the board. With less than nine minutes in the first period, Crysler got on the board with Crysler's left-winger Dwayne Harrison contributing the only goal for the team, Steve Boucher assiting in this play.

Finch's Mike Hoogeveen widened the margin another notch, bringing the score to 3-1 and Heine Bruining assisted. Arnie Hak Voort assured the Finch team of a win by scoring the winning goal with the help of Henry Pynenburg at the 18:36 minute mark.

Brian Como of Morewood led his team off by scoring at the 11:43 mark of the first period. Gerald Eby, playing left-wing assisted in the goal. Just a few minutes later, Dave Perry scored with the help of Frank Bols as the Morewood team squelched any scoring opportunities the Toyes Hill team had.

John Stewart of Morewood was set up by Vince Cousineau at the 11:45 mark of the second period. Toyes Hill got on the board late in the second with a last ditched effort by Erik Peterson setting up Richard Suffel at 7:50 on the clock.

Fireworks erupt in 4-3 win

(Staff) - Following last Tuesday night's 4-3 win over North Stormont Flames at the Chesterville arena, Chesterville Junior C Flyers found themselves with a 2 and 1 record just 10 days into the 1984-85 schedule.

The Flyers needed two third-period goals to come from behind and win the game which ended up with a five-penalty spree by North Stormont's Eric Lamothe and game misconducts for fighting to him and to Chesterville's Rene Boulanger.

The visiting Flames struck first in the game with 7.31 remaining in the first period when Denis Landry combined with his left winger, Bernard Grady, for the 1-0 lead.

The Flyers came back to tie it up at 10:06 of the second period when Carl Bartholemew fired in a pass from the slot, converting a play started by centre Kevin Moore and Larry Faulkner. Robbie Coleman had gone off the ice for a tripping minor just 20 seconds earlier to give the Flyers the one-man advantage.

Gary Beishem then put the Flyers ahead 2-1 when he was set up in front of the net by Kevin Moore, at the 10:30 mark of the second period.

The Flames got this one back to make it 2-2 on a power play of their own, just two minutes later, when the Flyers Sean O'Connor was banned for holdng at 7:30. With the man advantage, defenceman Eric Lamothe took a pass at the point from Stacy Moore and slammed it behind a partially screened Greg Van Dellan in the Flyers' goal.

North Stormont regained the lead once more in the final seconds of the second period, again on a power play.

With Cris Popvich serving two minutes for roughing, Steve Tait of the Flames tucked the puck into the Chesterville net, finishing off a play set up by Charlie Leger and Denis Landry, giving them a 3-2 lead to take into the dressing room at the end of the period.

John Guy scored the equalizer at the 5:33 mark of the final period when he combined with his brother Mark and team captain Dale Simms for the goal.

The winning score came on another power play, this time with Simms tipping in a drive on net from Carl Bartholemew, while Sean Benoit was off for hooking.

Fireworks erupted with just 2:22 left in the game which saw Eric Lamothe of North Stormont pick up two majors for high sticking and fighting, as well as two minors for high sticking and roughing. Rene Boulanger of the Flyers picked up a five minute fighting major as well, before referee Harvey Primeau sent both players to the dressing room with game misconducts.

Marriner gets hat-trick in 4-3 win for Green team

(Staff) - Plenty of scoring took place last Wednesday in the Chesterville Bush League hockey with Green scoring a 4-3 win over Blue and the Red Army walking over Maroon, 11-4.

In the opening game Pat Moran scored the only goal of the first period and gave Blue a 1-0 lead. James Utman got the assist on Moran's goal.

Steve Plummer put the Green on the board at the 6:51 mark of the second period with Barry Feeley assisting. Lyle Servage scored on a play by Rick Grisel at the 1:17 mark to give Blue their second goal. With 28 seconds remaining, Pat Imrie and Lyle Servage combined on a play allowing Greg Beckstead to flip in the third goal for the Blue.

With a one man advantage, Keith MacRoberts scored on a play by Lloyd Fawcett which stemmed from a tripping penalty to Blues R. MacMillan. Minutes later, MacRoberts scored his second goal, assisted by Don Crowder and Kevin Cowdy. At the 41 second mark MacRoberts scored his third of the night, combining with Pete Marriner and Steve Plummer to win the game by one goal.

In the second game of the night Maroon took the lead at the 14:38 mark of the first when John Elliot and Dave McCadden combined to set up Kevin Blair. Dave Arnold put the Red Army on the board at 10:12 with an unassisted goal. Garry Beckstead of the Red Army scored one from a pass by Lee Neilson. Beckstead then combined with Terry Kittner and Neilson bringing the score to 3-1. Blair Henderson persisted with Mark Moran and John Elliot to bring the Maroon goals up to two. Bill Moran retaliated by scoring with 33 seconds remaining.

Maroon's Blair Henderson received a pass in the second period, combining a play set up by Dave McCadden and Kevin Blair. Red Army then shot back just a few seconds later with Dave Arnold scoring and Terry Kittner assisting. With less than three minutes remaining in the period, Garry Beckstead scored the unassisted sixth goal for the Red Army.

In the third Curtis McMillan scored on a pass from Mike Guy bringing their total to seven. Maroon came back at 8:26 to make it 7-4 with Blair Henderson scoring on a play from John Elliot. Red Army's Dan Kelly added another notch to the gun with Dave Arnold assisting at the 6:50 mark. Arnold scored one of his own 40 seconds later with help from Curtis MacMillan. Doug Nugent combined with Jim Tuttle and Dave Arnold.

With seconds remaining, Red Army's Mike Guy scored the clincher with a play set up by Curtis MacMillan and Dan Kelly.

Winchester Hydro remains undefeated

(Staff) - Winchester Hydro still has the upper hand after defeating the Nestle North Stars 3-1 at the Chesterville Arena Monday night and remain in first place with a 3-0 record in the Winchester Industrial Hockey League.

In the second game of the night Ault Flames defeated Winchester Cheese 6-3, which gives Ault a 2 and 1 record for second place. Winchester Cheese now has a 1 and 2 record and Nestle remains winless after its third game of the season.

In the Hydro-Nestle game there was no scoring until 1:33 on the clock in the first period. Brian Moran completed a pass to Terry Kittner to take the 1-0 lead for Winchester. Don Thompson and Al Porteous combined to set up Rod Bowman at the 13:57 mark of the second period. A minute and a half later, Keith McRoberts and Lee Taillefer set up left winger Doug Wilson to put one past Nestle's goalie Dan McMartin to bring the total up to three for Winchester. Lyle Servage shot in the lone Nestle goal on a play by Pat Imrie and Greg Beckstead with 8:48 left on the clock in the second period. Neither team scored in the third.

Winchester Cheese took a one goal lead at 8:44 on the clock in the first period as defensemen Mike Armstrong set up Doug Byers. Ault Flames came back in the second with 13:06 on the clock as Larry Moore and Curtis McMillan set up Peter Marriner on a play. McMillan got a goal himself as team-mates Terry Gove and Doug Coleman assisted on the play, bringing the score to two for the Flames. A minute later Mark Guy scored the only second period goál for Winchester. Pete Nooyen got the assist on Guy's goal.

Ed Gove and Peter Marriner both scored goals which were unassisted in the last period and brought the Flames goal total to four. Curtis McMillan was assisted by Marriner with the remaining third period goals which came at 8:08 and 7:12 respectively. The lone goal for Winchester Cheese came at 1:29 when Steve Plummer and Bill Mullin combined on a play and fed the puck to Doug Byers in the third.

North Dundas girls split with Tagwi, Glengarry in b-ball

(Special) - This past week the North Dundas senior girls basketball team split a pair of games on their home court, and with a little more than half of the season gone, they have sole possession of second place.

After dropping a 48-35 decision to the undefeated Warriors of Tagwi last Tuesday, they bounced back to crush the Glengarry Gaels from Alexandria 58-24 on Thursday afternoon.

In the Glengarry game the Blue Devils had a slow start in the first quarter, but scored 16 points in each of the next three quarters while holding the Gaels to only 14 points, for the 58-24 win.

The scoring by quarters went as follows: 10-10; 26-13; 42-19; 58-24 (final).

Leading scorers for North Dundas were Patti Milne with 11, Donna Koekkoek 9, Cindy Ace 8, Rhonda McIntosh 8, Danielle Gryspeerdt 8, Nicole Van Vlaanderen 6, Caroline Anderson 4, Julie Lamb 4.

In the game against Tagwi, the senior Blue Devils were unable to check the two big Tagwi sharpshooters, Tracey Hollingdrake and Kelly Conroy, who scored 22 and 19 points respectively, and accounted for all but seven of the Tagwi points.

Tagwi's defence was solid and this, combined with inconsistent shooting by the Blue Devils, kept the host squad well in check. North Dundas could come within only four points in the first quarter, but then bounced back with 12 in the second. They lapsed again in the third frame, netting only four, but then were able to hit for 15 points in the final quarter.

The Tagwi girls earned their win with strong scoring efforts in the first and third quarters. They got off to a fast start, stunning the Blue Devils 14-4 in the first quarter, and then after being outscored 12-8 in the second quarter, came back strong in the third to outscore their hosts 13-4. The North Dundas girls got their game back together again for the final quarter, outscoring Tagwi 15-13, but it was a case of too little, too late.

Patti Milne was again top shooter for the Blue Devils, ending the game with 11 points. Next in line on the North Dundas score sheet were Cindy Ace 6, Julie Lamb 4, Donna Koekkoek 4, and Nicole Van Vlaanderen 4.

The senior Blue Devils this year are providing the strongest opposition to the powerful Tagwi Warriors, and are being led by veterans Patti Milne and Nicole Van Vlaanderen, along with newcomers Cindy Ace and Donna Koekkoek. They have put together a strong showing so far this year.

Some members of the squad agree they are playing well now, but feel they have not a yet played up to their full potential, and that if they do, they will be the team that has the best chance at upsetting league-leading Tagwi.

Flyers capitalize on penalties

ST. ISIDORE (Staff) - Chesterville Junior C Flyers took advantage of power play situations to score three short-handed goals and edge St. Isidore 4-3 on the latter's home ice Sunday night.

St. Isidore took the lead in the first period when Gauthier converted a play set up by Yves Desnoyer and Andre Paquette.

The Flyers came back in the second period with 8:14 left on the clock with Grenier serving a minor for holding. Kevin Moore made it 1-1 on the power play when he stole the puck from a St. Isidore player and fired it behind Clemens in the St. Isidore net.

Less than a minute later Dale Simms put the Flyers ahead 2-1 on another power play goal this time with Galipeau off for high sticking. Setting Simms up for the goal were Mark Guy and Steve Craig.

St. Isidore tied the game up again with 6:17 left in the period when Paquette scored the first of his two goals of the game on passes from Gauthier and Leroux.

The home team couldn't keep out of the penalty box in the second period, however, and Chesterville went ahead gain, 3-2, with John Guy scoring on a power play after being set up by Carl Bartholemew and Dale Simms. St. Isidore's Galipeau was serving a high sticking minor at the time.

St. Isidore came back to tie the score 3-3 with just three seconds left on the clock in the second period, while Larry Faulkner was off for the Flyers for hooking. Paquette got the goal with Galipeau and Gauthier collecting the assists.

After a rough second period which saw Chesterville draw three minors and St. Isidore five, the teams settled down to sound, defensive hockey in the third period.

The winning goal came off the stick of John Guy, his second of the game, with Tim Lalonde and Mark Guy setting him up. There was only 2:40 left in the game when Guy got the winner.

St. Isidore had a chance to tie it up in the dying seconds of the game when Kevin Moore was sent off for tripping with just 1:21 left, but the Flyers penalty killers kept the fast-skating St. Isidore forwards away from their net with strong forechecking.

This Friday night the Flyers will visit the tough Russell Lions in league action. The Flyers' only defeat of the season so far has come at the hands of the Lions.

Minor B teams look to good season

(Special) - All Chesterville Flyer minor B hockey teams are hoping for good results in this year's up-coming season.

Each of the team coaches have stated that winning their respective division is well within reach. The playing format is the same as last year, with an Eastern and Western division in each age group, with the final playoff between the champions of the two divisions.

Coach Bob Martin of the Midgets said that if his players are consistent, they could win the overall championship for another year.

He looks to John Morin, Ken and Kevin Byers, as well as any player who will display good heads-up hockey, to supply team leadership. The Midgets will be entered in two tournaments this year. These are their own tournament here on December 16, and a three-day tournament in Petawawa in February.

In exhibition play this year the Midgets have lost both their two games.

Bantam coach Burt Beckstead thinks that hard work, desire and help from experienced players like Bobby Van Delst, Ross Giles, Sean Beckstead and John Mackler will give him a well-balanced team that will pull together and have a good shot of winning the championship.

"Our team has a lot of heart and desire," he said, "and once we reach our capabilities we could be surprising."

The Bantams have played two exhibition games so far this season and have won both of them.

One of the PeeWee coaches, Bernie Harper, said his team has been very impressive in pre-season action. "They are fast skaters and have good passing skills," he said. "I think they are good right now, but they will be getting better."

He said Todd Marcellus, an agressive, heads-up player, should supply the team with good leadership and the desire to do well. The PeeWees and 3 and 0 after their first three exhibition games.

The coach of the Atom team, Reg Dion, is also hoping for a productive season, "We are not as strong as last year," he said, "but I'll be disappointed if we don't make the finals."

Coach Dion has only four players coming back from last year's team. "Colin Cotnam, Peter Decooman, Mark Dion and Cory Van Delst, along with goalie Denis Desormeaux, should help the new players feel in place and help us win quite a few games," he said.

"Our goal as coaches," he noted, "is to teach the fundamentals so the players are ready for hockey in the higher divisions as they get older."

He also commented that he wants his young team to have fun this winter, to enjoy the game, and to feel good about themselves.

In their first exhibition game this year the Atoms lost to Winchester, the team to beat this season, according to Dion.

Most of the Eastern Division will feature teams from Chesterville, Russell, Metcalfe, Winchester and Morrisburg, but in any of the divisions one or more teams could be excluded, or there could be additions to the list at this date.

All Chesterville teams usually have games on Friday night at home, starting at six o'clock with the Atom game, and ending at nine o'clock with the start of the Midget game.

Jrs. take Gaels, lose to Tagwi

(Special) - The North Dundas Junior Girls basketball team kept their won--loss percentage at the .500 mark last week with a 54-16 victory over the Glengarry Gaels and a 48-20 loss to the Tagwi Warriors.

Last Thursday on their home court the Junior Devils overcame a very slow start in the first quarter, but scored 52 points and held their opponents, the Glengarry Gaels, to only six points in the final three quarters to win 54-16.

Jenny Lamb and Tracie McVey each had 12 points to share the honors of being the top scorers. Kerry-Lynn Thompson was next with 10 points, while Pam Geertsma hit for eight and Laurie Buske and Linda Hamelin each had five.

In the game against the Tagwi juniors the Blue Devils didn't fare as well, losing 48-20 in front of their home fans.

Both Heidi Hollingdrake (20 points) and Judy Bender (19 points) equalled or came close to equalling the entire Blue Devil scoring output.

Scoring for North Dundas were Tracie McVey 6, Jenny Lamb 4, Beth Van Vlaanderen 4, Linda Hamelin 2, Karen Milne 2, Kerry-Lynn Thompson 2.

The girls' next home game will be Thursday, November 8 when they host Seaway DHS from Iroquois.

Local juniors help Hawks

WINCHESTER (Staff) - Three young Chesterville players are making a major contribution to the Winchester Hawks in the Alex English Divison of the Junior B Eastern Ontario League this season.

Mark Smith had four assists last Friday night in the Hawks 7-3 win over Clarence Creek at the Winchester Arena, while Terry Barkley scored two goals and Kirk Barkley added a single

Mark Smith is proving to be one of the best playmakers in the league. He shares fourth place in the scoring race with 11 assists and one goal for 12 points.

Selected for allstar team

(Staff) - Two young football players from Carleton University who have strong family connections in the Chesterville-Winchester area were named to the Ontario-Quebec Intercollegiate Football Conference allstar team on Monday.

John Dawley, son of Mr. and Mrs. Ray Dawley of Nepean, and formerly of Winchester, was named as allstar wide receiver, and Jeff Morris, son of John and Beth Morris of Prescott (John is a native of Chesterville) was named as conference allstar punter.

Dawley led his team in pass receptions this season and was fifth overall in Canada in average yards gained per reception. He also holds the Carleton University record of 15 receptions in one game.

This is Morris's second year as the conference allstar punter and this year he not only led the league in punting average, but also led all university punters in Canada with an average of 44.8 for the season.

This season Morris set Carleton records for season average, the longest punt (87 yards), longest field goal (47 yards) and longest kick-off (90 yards). He has been the team's leading scorer the past two years.

PeeWee B Flyers record three wins

(Special) - The Chesterville Peewee B Flyers successfully opened their 1984-85 hockey season by posting 2-1 and 4-3 wins over North-Glen-Stor, and defeating Winchester "B" Hawks 6-2.

The coaching staff, Dale Marcellus and Bernie Harper, along with manager Bob Miltimore, are suffering from a bad case of raised eyebrows as their team seems to have knit into a hard-working unit.

Flyers opened their season in Finch on October 15th and edged an excellent North-Glen-Stor team 2-1. Scoring for Chesterville were: Andrew Henderson from Daragh Slowey and Craig Smith from Jerry Van Kessel. North-Glen-Stor captain John Grady replied with an unassisted marker.

The following night, the two teams went at it again at Chesterville arena with the locals edging their visitors 4-3 in a game that saw Flyers goalie Matthew Giles stonewall North-Glen-Stor. Jeff Miltimore led the locals with two goals, and singletons went to Brad Cotnam and Kyler Wells. Adding a pair of assists were Todd Marcellus and David Harper, with single assists credited to Jerry Van Kessel, Craig Smith, Andrew Henderson and Jason Thompson.

Last Friday night Flyers hosted Winchester Peewee B Hawks, and skated to a 6-2 victory. Marcellus paced his mates with 2 goals and two assists. Jerry Van Kessel added a pair of goals; Andrew Henderson and David Harper had one goal and one assist. Assists were also added by Will O'Connor, Jason Thompson and Brad Cotnam.

Both Wincheter goals went to captain Todd Halpenny. Assists were credited to Bryan Spear and Greg Bell. Richie Sarault turned in a good performance in the Winchester goal.

Tagwi takes junior tourney

(Special) - Tagwi held it's first Junior girls basketball invitational on Saturday, with a four team round robin. Game 1 pitted Hawkesbury against the host team, which took the honors in a hotly contested match. Hawkesbury tied the game in the last five seconds. However, the Warriors came out strong in overtime and quickly regained the lead with a 28-25 victory.

In the second match of the day Cornwall Collegiate proved too strong for North Grenville. Michele Cinquina and Laurie McLean paired together a total of 22 points. Final score 34-14. The Raiders well warmed up from their first encounter, defeated Hawkesbury by a score of 39-29. Michele Cinquina with 15 and Carol Freeman with 12 led the Jr. Raiders to victory. A fast break attack in the first quarter gave them a lead of 14-2. Hawkesbury out did Cornwall Collegiate 8-6 and 12-9 in the final quarters but the deficit proved too great.

In the next confrontation the Warriors proved too much for North Grenville as they led 18-0 at the end of the first quarter. Barbara Joustra regained some of her early season composure and sank 6 from the base line. Judy Bender and Heidi Hollingdrake combined for a 23 point performance. North Grenville could only score one basket per second, third and final quarters.

Hawkesbury regained confidence in the semi-final showdown with a 25-17 tally over North Grenville.

The finals pitted the No. 1 ranked A pool team, Cornwall Collegiate against the No. 1 B pool team Tagwi. In an earlier season exhibition match, held at Cornwall Collegiate the Warriors overpowered the Raiders by a score of 64-35. Again the outcome proved the Warriors to be No. One ranked in the Stormont, Dundas and Glengarry field.

The big blue machine outdid their opponents from the starting whistle and at halftime they held a comfortable margin of 30-17. The Warriors never ran out of steam. In the final quarter they quadrupled the Raiders efforts with a 16-4 performance. Heidi Hollingdrake totally dominated the game and scored 28 points - 1 point more than the entire Cornwall Collegiate squad. Judy Bender controlled the backboards and acounted for 13 and Barbara Joustra added a 9 point performance. Cornwall Collegiate in an effort to keep up with the bigger and stronger Tagwi girls accumulated 17 fouls to Tagwi's 7. Lori McLean lead the Raiders with 15 and Michele Cinquina was held to 6. Final tally Warriors 53 - Raiders 27.

Newington takes first in league play

AVONMORE (Staff) - In the first three weeks of play in the North Stormont Intermediate Hockey League, Newington is in first place with four wins and one loss, while Lakeside holds down second place with three wins and a tie.

Maxville, Finch and Avonmore are jammed into third place with three wins each, while Long Sault trails with two points on one win, and Crysler is in the cellar with one tie in six starts.

Tagwi undefeated

AVONMORE (Special) - In girls basketball last Tuesday, at NDDHS both Junior and Senior teams from Tagwi came out victorious. Winning is a custom for the Tagwi girls this year. Both teams remain undefeated at the half-way point of the schedule.

In Junior action a strong first quarter lead of 15-2 shattered ND's victory hopes. At the end of the third quarter, Tagwi led by a score of 43-14. Final score was 48-20. Strong rebounding by Verna Schwartz dimmed Dundas' hopes of inside scoring - they were left with only outside shooting, but with agressive points guards Heidi Hollingdrake and Gaby David and tall center Judy Bender, applying tight defensive pressure the Dundas team was quickly sealed from the Tagwi baket.

Top scorers were Heidi Hollingdrake, Judy Bender, Verna Schwartz and Kim Shaver. For Dundas Tracie McVey had 6 points.

In the Senior play Tracey Hollingdrake and Kelly Conroy's hard inside drives under the North Dundas basket resulted in the teams 48-35 victory.

Both Tagwi teams are in sole possession of first place in the SD&G 'B' pool.

The Editor's Notebook

Crowns and thorns

Prime Minister Brian Mulroney, in our opinion, has made some sound moves and some not so edifying ones. On the plus side the decision to reveal the incomes of crown corporation executives is a step in the right direction -- removal of the veil of secrecy clamped down too tight in recent years. Or at least a lifting of the corner of the covering. We do not see why there should be such secrecy in the public sector. In the same vein we would like to see the new Prime Minister hold frequent press conferences and communicate sensibly with the press unlike his predecessor.

However, the Prime Minister's decision to dust off the bullet proof limo to convey his person around Ottawa we think is a bit silly and imperial. While Pierre Trudeau seemed to delight in the affectation of this immense vehicle John Turner preferred an ordinary car to get round and about the capital. To convey our politicians in cars looking as though they belonged to the local dictator of some banana republic appears out of step in our small, safe, democracy far removed from the limelight of the world stage and the great powers. It's silly and, moreover, it's not necessary.

Then there was the offer, accepted, natch, to fly Pierre Trudeau, private citizen, to Washington to pick up a $50,000 peace prize. The PM grandly offered Trudeau the use of a Canadian air force (if we only had one) plane to get him there. Cost to the taxpayer? Approximately $3,600. Mr. Trudeau and his children could have travelled People Express for a minute fraction of that amount.

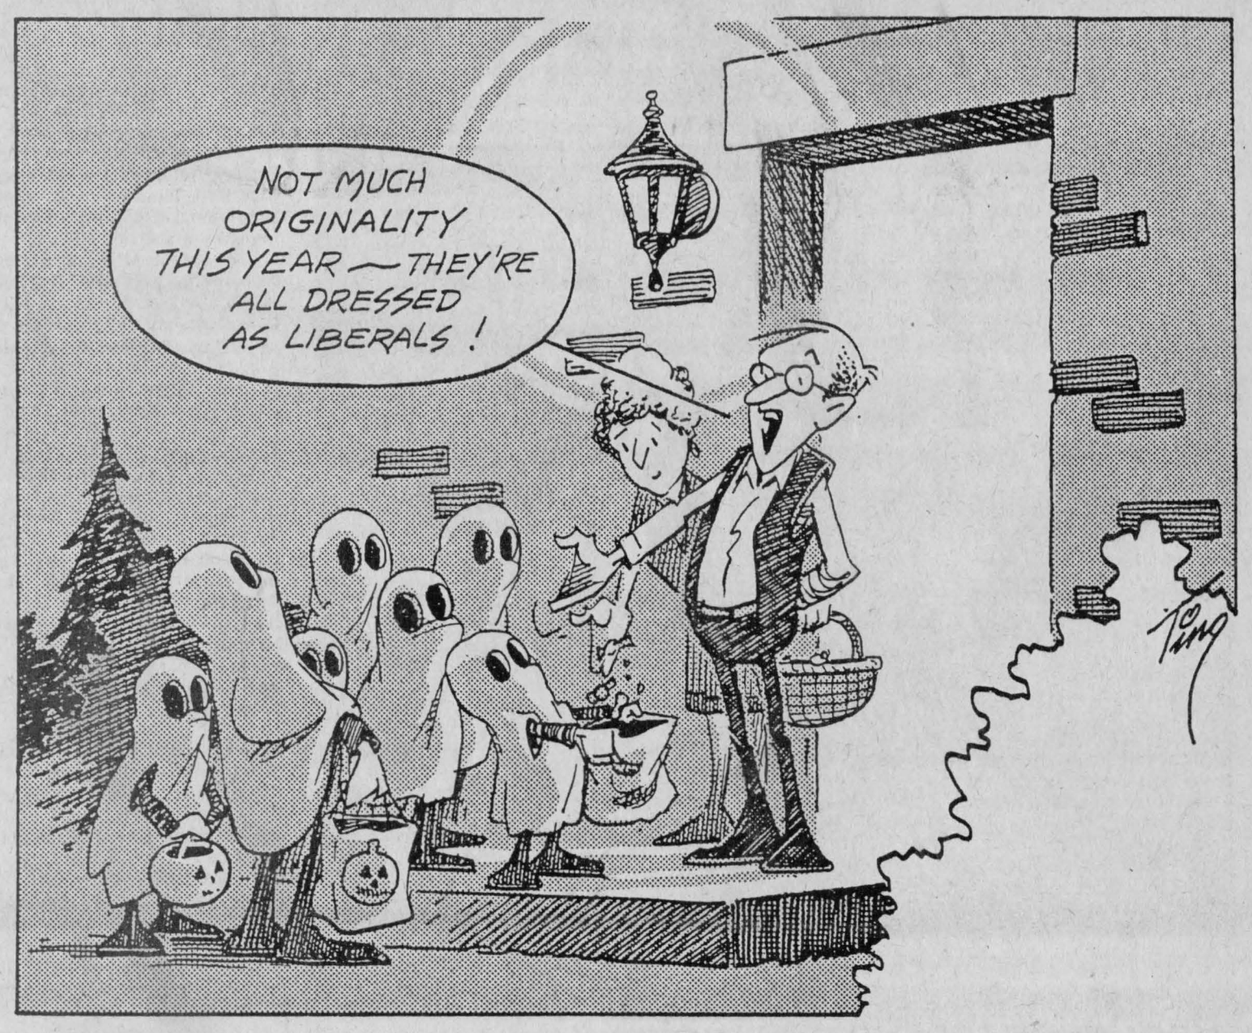
Prime Minister Mulroney, we entreat you to use the revenues from the public purse, from taxation of the Canadian people, with great care. We have to work very hard for that money which we hand over to you for safekeeping. We elected you to do just that. We do not condone the transportation of a millionnaire former prime minister at great cost to the public coffers.

Such a gesture may indicate the PM is magnanimous in victory but we're not amused.
- Alvah Hanrahan -

War artifacts wanted

The Chesterville and District Heritage Society is calling upon anyone who may have old war souvenirs or artifacts. They'd like a brief loan so that the Remembrance Day exhibit can be set up. This endeavor is in conjunction with the Chesterville branch of the Royal Canadian Legion and both groups want to present an interesting display in the old fire hall opposite the town office. The building is the Heritage Centre and everyone is encouraged to drop by and take a look at locally collected artifacts.

The heritage group has made a superb beginning and has already had one exhibit in the building as well as setting up the artifacts the weekend of the Chesterville Fair. Let's help them out. They're looking for anything to do with the wars fought in by Canadians -- souvenirs, uniforms, memorabilia of any sort. It's a loan and everything will be returned to the owners.**-Alvah Hanrahan-**



Chesterville's past

24

From The Record, Thurs., Nov. 20, 1924

The Junior Red Cross Peptimists met in Room "A" last week with a special programme to celebrate the third anniversary of the club. The celebration included presentations by Arthur Haley, Keith Graham, Helen Hamilton, Ramon Campderros, Allan Tate, Nancy Gilbert, Edith Brown, Madge Campderros, Mary and Tom Maloney, Crawford Barkley, Kenneth Haley, Francis Fulton, Elsie Hewitt and Eldridge Perrault.

Thursday last the members of the Lake Duval Hunting club returned from their camp in Quebec with all the game the law allowed, numbering eighteen, besides a moose which fell to the rifle of Dave Allison. With perfect weather the hunt this year was one of the most enjoyable the club has ever experienced. The Record is indebted to Mr. W.O. Dixon for a very fine roast of venison which was appreciated to the utmost. The members of the club joining in this year's hunt were: - H.M. Kilbern, Casselman; Dr. W.A. Brown, D. Allison, Chesterville; Dr. G.L. Gorrell, G.L. Brown, Morrisburg; G.A. Dixon, Winchester; Stanley McDonald, Maxville; Heber Brooks, Mille Roches; and W.O. Dixon, Chesterville. Dr. S.H. Hutt also arrived home at the week end with his allowance from the Nominingue district.

It is rather unusual for the Nation to be frozen over so early in the season as it is at present. The cold spell which reached this section late Saturday continued without letting up over the weekend. Monday morning the thermometer registered within a few degrees of zero and the cold felt even more intense accompanied by the heavy wind which prevailed.

Sunday afternoon about two-thirty many afternoon naps were no doubt rudely disturbed when the alarm of fire was sounded by the condensery whistle for what proved to be a chimney burning out the residence of Mr. Herman Hummel. It was particularly fortunate that it was nothing worse as at the time a gale was blowing towards the village.

Form II classmates at the High School are: Laura Munroe, Graham Weegar, Marjorie Allison, Alice Beckstead, Gladys Weegar, Hilda Casselman, Margaret Hess, Cora Munroe, Allison Graham, Ida Munroe, Eric McMillan, Iris Merkley, Donald McMartin and Minnie Neelin.

The Record is indebted to Mr. Wilfrid Saucier for a pair of fine wild ducks on his return from his trip down the St. Lawrence.

An unusual accident happened at a dance given at South Porcupine by the Eastern Star Lodge, through which Mrs. Sostain, well known local woman, sustained a broken rib, while dancing the heel of her shoe caught in the bottom of the trousers of a man circling nearby, the lady losing her balance and being thrown against one of the side benches.

After devoting three years to the Boy Scout movement of England and Canada in which he trained hundreds of scoutmasters in outdoor and bush craft, Mr. Rodney C. Wood, camp chief of the Boy Scouts' Association of Canada is leaving in two weeks for his home in Central Africa to resume his own activities on his tobacco and cotton plantation. It is not likely that the Canadian General Council of Boy Scouts will appoint a successor to Mr. Wood as he came to Canada at the express desire of Sir Robert Baden-Powell, Chief Scout of the Empire, and his work, which is now completed has been of an exceptionally skillful nature and of inestimable value to the Boy Scout movement. Mr. Wood was responsible for training local scout master Boyd of Chesterville.

44

From The Record, Thurs., Nov. 16, 1944

On Wednesday afternoon of last week a meeting of the Ladies Bowling Club was held at the home of Mrs. A. Jarvis with a record attendance of fourteen members. Splendid reports of the year's activities and finances were given. A sum of money is still in the treasury. The Wesford Gardens' Cup donated by Prescott was again won by the local ladies and many home competitions were enjoyed by all. The election of officers took place and the slate for the coming year was: Pres., Mrs. Alf Jarvis; vice, Mrs. Chas. Munroe; sec. Mrs. Aden Bowman; and treasurer Mrs. Byron Campbell.

Among those repatriated the first of the week from this district are Gnr. J.A. Carlyle of Morewood, Gnr. D.E. Gow of Williamsburg and Pte. M.N. Atchison of Winchester.

Ordinarily it might not be considered news to announce that rain is falling but when rain has not fallen in any considerable quantity for several months it means something. O.L. King of the Nestle's company was down town early to make sure it was raining all over town. It was and has been although in a rather half-hearted manner.

A good rain fall means a great deal to the condensery. The water level in the Nation River from which they get their supply has been uncommonly low for this time of year, necessitating the pumping of water from a large pool at Cass Bridge into the river channel. To further save the volume of water used in the condensery, the water used for cooling purposes is repumped into the large supply tank at the plant and again used for the same purpose. Farmers delivering milk at the plant are allowed to take as much water as possible home for their cattle as available cans will permit.

The Euchre and dance held in the Community Hall sponsored by the Boyne Red Cross was a success. The proceeds of the evening amounted to $206.00. Mrs. Thomas Dillabough and Mrs. Lyle Marcellus, Mr. Erwin Merkley and Edwin Forward picked up awards. The door prize went to Mrs. Orval Christie.

AB Harold Myers has returned to resume his duties on the destroyer Kootenay after spending some time with his wife and other relatives.

Pte. Donald Harradine of the USA Tank Corps spent two days with his grandparents, Mr. and Mrs. A. Harradine before leaving for overseas.

64

From The Record, Thurs., Nov. 5, 1964

J.A. (Andy) Balkwill for the past 17 years has been station agent at Avonmore. This week he is retiring from the employ of the Canadian Pacific Railway. For Mr. Balkwill retirement will not only mean a severance of happy relations with the people of Avonmore but also with the Canadian Pacific Railway Company with which he has been associated for over 47 years.

Miss Lynne Markell of Ingleside was presented with the Ottawa Area Women's Institute Award at the Women's Institute Annual Convention held recently. Lynne was an outstanding student at Osnabruck District High School.

Stormont 4-H calf club members won most of the major honors in competition with other eastern Ontario clubs at the Ottawa Winter Fair. Douglas Leblanc of Northfield Station took the grand champion Holstein calf. James Hehir of Newington took top Ayrshire calf, and Cheryl MacKenzie of Finch won the junior jersey class.

The far-away rumble of a farm wagon and the rapid decay of the small fry's sweet tooth marked the advent of another Hallowe'en in Chesterville. The town square received its usual quota of farm wagons, CPR express wagons, drums, chairs, etc., but the mess was cleared away early Sunday morning. A new innovation - oil poured on the road near the south bridge caused some caustic comments.

The official opening of Monast Bowling Lanes was well attended on Sunday afternoon. Those taking part in the ceremonies included Father J.J. Collins; Allan Cameron of Brunswick of Canada; Paul and Lucille Monast, owners; councillor Garnet Droppo, representing the Village of Chesterville.

Two youths may be arrested on public mischief charges following a wild Hallowe'en melle in Russell Saturday night. Provincial Police say they have not arrested the youths yet. One policeman said Russell was the scene of Hallowe'en Hijinks for about 150 youths, half of them drunk, who overturned one car, left a threshing machine in the middle of the street, threw tomatoes and other vegetables into the street, and soaped windows.

Special services marking the 30th anniversary were held in St. James United Church, Avonmore on Sunday. Rev. Donald W. Pipe conducted the morning services and guest speaker was Rev. Elias Andrews, principal of the United Theological College, Queen's University.

CONSEIL D'EDUCATION DES COMTES DE
Stormont, Dundas & Glengarry
COUNTY BOARD OF EDUCATION

For the information of the general public, the decision-making process and criteria for identification and consideration of schools for closure follows:

A. Decision-Making Process

No.	Action	Date
1.	School Facilities committee reviews **School Facilities Guidelines** and recommends revisions to Board, if required.	October 15
2.	Superintendent resource tentatively identifies schools for study	October 31
3.	Superintendent resource meets with Principals of identified schools to review information required for study	November 30
4.	**School Facilities Guidelines, School Facilities Report** and **Education Statistics** are distributed to Principals and School Committee Chairman for information	January 1
5.	School Facilities Committee makes interim report to Board	January 31
6.	School Facilities Committee meets as required with affected School Committees or school communities to outline alternatives being considered	February 15
7.	School Committees presents brief to Board	February 27
8.	School Facilities Committee considers School Committee briefs, **School Facilities Report** and **Education Statistics** & formulates recommendations for presentation to the Board	March 10
9.	Board approves, rejects or modifies recommendation of School Facilities Committee	March 20

B. Criteria for Closure of Schools

When the enrollment of a school can be accommodated in one or more schools, students are within one (1) hours transportation of that school and the school has comparable or better facilities, then such school shall be identified as eligible for consideration for closure.

In determining the order of priority for closure of schools, the following criteria shall be considered:
a. time travelled on school bus;
b. degree to which multiple grades are present;
c. extent of facilities;
d. cost of operation;
e. extent of community base;
f. degree of choice of programs to be offered;
g. future growth potential.

A minimum period of eighteen (18) months from time of identification of school for consideration as to closure, to actual closure, shall be observed.

S. O'Connor
Chairman

T.R. Leger
Director of Education

Babysitting responsibility

The Editor:

In just the past issue of the Chesterville Record, the publicity for a "Babysitters' Training Course" began. As co-ordinator of the program, I would like to restate just how important it is to be knowledgeable in the care of children by anyone - babysitters or adults. The responsibility of being a babysitter is great and can mean the difference between life and death.

Just this past week, I witnessed a child approximately one year old choking on a piece of apple in a room full of people. These people reacted by calling for the parent who was across the room to help the child, - by crowding the child and by shouting a variety of instructions at the parent as she attempted to free the child's air passage. Confessions afterwards revealed that many of the people did not know for sure what to do.

Had this been a babysitting occurrence, the sitter would not have had time to "call" the parent home, and the incident may have ended in tragedy. This is where I feel the need for a Babysitters' Training Course is desperately required to inform anyone, sitters and parents on what to do and when to do it. This up-coming course will teach that young children should not have unpeeled apples among other foods and that one can dislodge food particles by pulling a child's arms above his head which is less frightening than the next alternative of turning the child upside down and administering a sharp slap between the shoulder blades. Forcing a child to vomit is a third alternative.

Elva Rutters.

Deb's Delights

by Debbie Young

When we think of Hallowe'en we think of pumpkins. A good friend of ours brought in this recipe for Pumpkin Walnut Cheesecake. Even just the name sounds mouthwatering. She also brought in another called Squash Puff, which also sounds good. I think I'll give the Cheesecake a try this weekend. Why don't you too? Until next week - Keep On Cooking.

PUMPKIN WALNUT CHEESECAKE

Bake at 325 for 1 hour, 45 minutes.
Makes 16 servings

1 package (6 ounces) graham crackers, crushed (1½ cups)
¼ cup granulated sugar
6 tablespoons butter, melted
3 packages (8 ounces each) cream cheese, softened
¾ cup granulated sugar
¾ cups firmly packed light brown sugar
5 eggs
1 can (16 ounces) pumpkin
1¾ teaspoons pumpkin pie spice
¼ cup heavy cream (milk)
Walnut topping (recipe follows)

1. Blend graham crumbs, the ¼ cup sugar and the butter in a medium size bowl. Press firmly over bottom and up side of a lightly buttered 9-inch spring-form pan. Chill.

2. Beat cream cheese in a large bowl with electric mixer at medium speed until smooth. Add sugars gradually, beating until well mixed. Beat in eggs, one at a time, until mixture is light and fluffy. Beat in pumpkin, pie spice and heavy cream at low speed. Pour into prepared pan.

3. Bake in a slow oven (325) for 1 hour and 35 minutes. Remove cake from oven; sprinkle with Walnut Topping; bake an additional 10 minutes. Cool cake on wire rack; refrigerate several hours, or overnight. Garnish with whipped cream and pecans, if you wish.

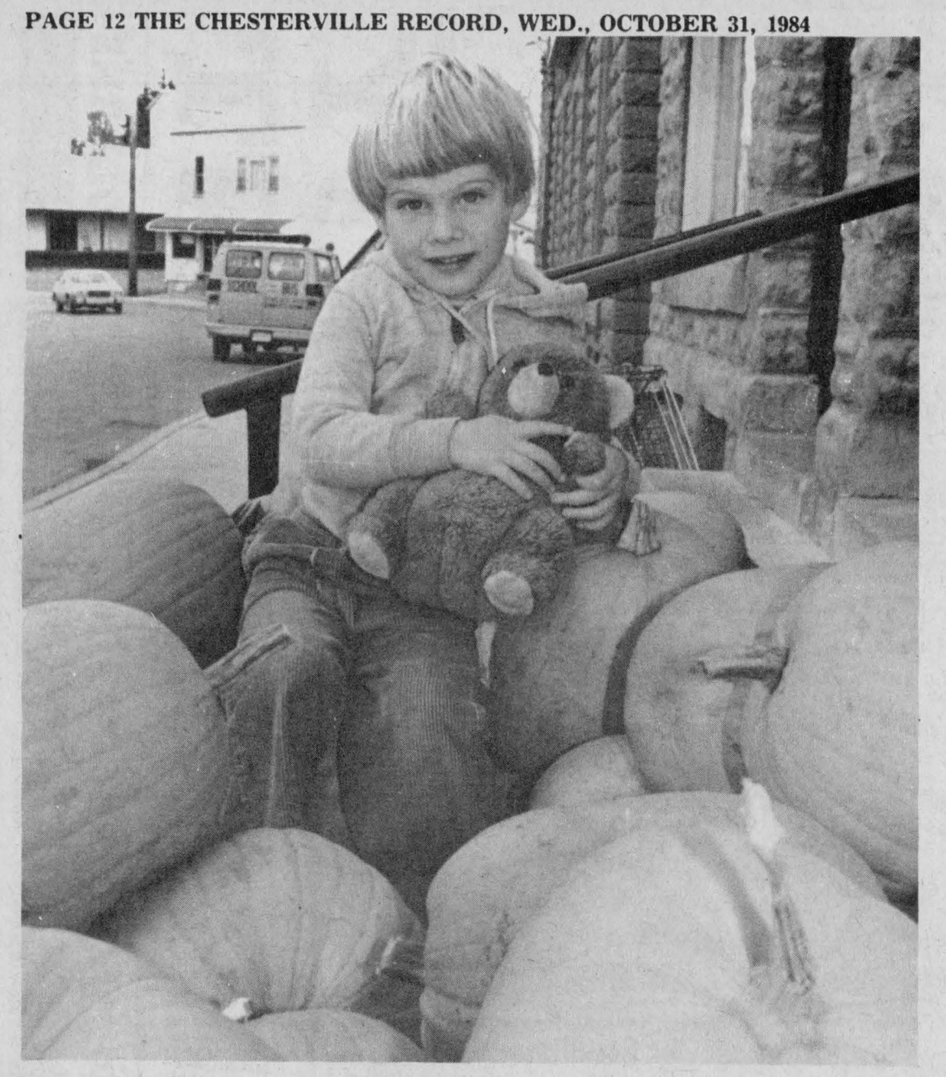
WALNUT TOPPING

Combine 6 tablespoons softened butter with 1 cup firmly packed light brown sugar in a small bowl; mix well until crumbly. Blend in 1 cup coarsely chopped walnuts.

SQUASH PUFF
(serves 6)

3 cups pureed squash
½ cup molasses
3 tablespoons flour (whole wheat)
1 teaspoon salt
¼ teaspoon nutmeg
¼ teaspoon ginger
3 eggs, separated
¼ cup walnuts

Preheat oven to 350. In a large bowl blend together squash, molasses, flour, salt, nutmeg, ginger and egg yolks. Beat whites and fold into squash mixture. Turn into greased 1½ qt. baking dish. Sprinkle nuts around outside edge. Bake for 1 hour or until golden and crusty.



Pondering the great pumpkin

Daryll McCadden, age three, likes the idea of Hallowe'en and so, it appears, does Teddy. The pumpkin patch wagon which has been stationed at Earl's Meats on King Street for the past two weeks has attracted a great deal of attention from the small frys who have enjoyed selecting just the right size and shape for their Jack-o-lanterns.

-Record Photo-Maskell

United Empire Loyalists meet in Avonmore

(Special) - The annual meeting of the St. Lawrence Branch of the United Empire Loyalists Association of Canada was held Sunday, October 21, at the Lions Club Hall, Winchester. 45 members attended the meeting followed by a pot luck supper.

President Mildred Leitch recapped the past year - the visit to the DAR in Waddington, Genealogy Day, the presentation of a Loyalist Flag at Trinity Anglican Church, Cornwall, the picnic at Upper Canada Village; the laying of wreaths at Trinity Church and at the Loyalist Memorial at Upper Canada Village; and the annual charter night banquet and ball.

She also announced that the St. Lawrence Branch is hosting the Annual Convention in Cornwall, June 6, 7, 8, 1985. The Convention is not for the executive, it's for each and every member and their help is required to make this event a success for people coming from branches across Canada.

Treasurer Keith Casselman gave the financial report, and also reported that 502 copies of the branch's bicentennial project, the printing of the History of the King's Royal Regiment of New York have been sold.

Mr. Casselman also reported that due to higher costs we would have to raise the dues. It was decided to raise the dues to $12.00, due May 1, 1985, and if not paid by September, it would be $14.00. The group was advised that 62 members had not paid for this year.

Due to the resignation of 3rd vice president, Doug Warner, the nominating committee advised that Lynne O'Brien had offered her name to replace Mr. Warner. Miss O'Brien was elected and took the oath of office as 3rd vice and genealogist along with the rest of the executive.

Archivist Murray Barkley of Avonmore advised the gathering that he had spoken to several historical groups about the loyalists on behalf of the branch and interviewed Charlie Humber and Gavin Watt for a televison documentary on loyalists.

Mrs. Leitch asked everyone present to write a history or resume on their loyalist ancestor and send to the genealogist before the end of the year and we would have them put in a book for the 1985 convention, along with family trees with dates where possible.

Genealogist Lynne O'Brien of Morrisburg gave her report, going back a few years to review how the branch got started. The St. Lawrence Branch received its charter on May 14, 1977, with the pro-tem executive consisting of Lynne O'Brien, president, Keith Casselman as secretary and the late Mrs. Sally Fader as treasurer. She also told the group the process needed to get a member approved and a certificate received. Miss O'Brien also stated we had 360 members, but with 62 behind in their dues, it drops our membership to less than 300.

Mr. Gerry Rogers of heritage branch, Montreal showed slides of the trip to the Maritimes last year to the Loyalist Convention. It brought back fond memories for many of the people attending who enjoyed the 11 day bus trip to New Brunswick and Nova Scotia.

Marjorie Heagle guest at Women's Institute

By Lee Hesson

(Special) - On entering the library Wed., Oct. 17, I thought I was in a pioneer homestead for there was a spinning-wheel, a loom, baskets of wool and other equipment necessary for home manufacturing.

Mrs. Muriel Dixon introduced the guest speaker, Mrs. Marjorie Heagle, who has spent several seasons playing the loom at Upper Canada Village. Marjorie demonstrated carding, spinning and weaving using wool, cotton, and linen materials. Marjorie dyes her own yarn. Wearing a long skirt of material she had woven she displayed a bedspread, drapes, towels, cushion covers and socks.

Mrs. Marion Green thanked the speaker and presented her with a WI souvenir spoon.

President Mrs. Mary Nugent welcomed the ladies and quoted, "Coverage is what it takes to stand up and speak and also to sit down and listen."

President Mrs. Mary Nugent welcomed the ladies and quoted, "Courage is what it takes to stand up and speak and also to sit down and listen."

The roll-call, "My worst mistake in cooking" extracted many frustrating moments which caused much merriment.

Mrs. Marion Green read a letter from our sponsored boy Mark and she also took orders for the Can Save Christmas Cards.

Mrs. Isabel Thompson reported sending several get-well cards, some sympathy cards as well as a gift to members in hospital. She asked members to donate cards for the Christmas Cheer baskets.

Mrs. Jean Thompson and Mrs. Kay Flegg volunteered to take the rug braiding course given by the Ontario Ministry of Agriculture and Food.

Mrs. Mary Nugent read the "thank you" note received from R-O principal for graduation awards made by the WI. Some of our members will be assisting at the Blood Donor Clinic at R-O Tues., Oct. 23 and others will supply cookies.

Attending the area WI convention on Mon., Oct. 22 will be Mrs. Amy Pollock, Mrs. Dorothy Schultz and delegate, Mrs. Enid Wasson. A $10 donation will be given to the craft table.

Ingleside WI ladies will supply some cookies for the Children's Hallowe'en party at the Presbyterian Church Hall, Oct. 31.

A cash donation will be given towards Remembrance Day.

The "show and tell" conducted by Mrs. Kay Flegg revealed some very interesting crafts by the members.

Hostesses for the tasty lunch were Mrs. Dorothy Schultz and Mrs. Isabel Thompson.

Dunbar Euchre

DUNBAR (Special) - Euchre was held here on Monday, Oct. 29.

Ladies first went to Bertha Christie, followed by Lola Young.

Top spot in Men's went to Laura Beehler, and second was Grace Sproule. The door prize was picked up by Cathy Dillabough.

Chesterville Rotary report

By Allison Graham

(Special) - After an excellent meal, Chuck Adamson led the sing-song assisted by Leon Marcellus. Doris Cross was our pianist.

The speaker was Stephen Rosenburgh, President of Morewood Industries. The industry was started in Morewood more than thirty years ago by Adriaan Heuff. It has evolved from a small concern, manufacturing doors and windows into a much larger company, employing two hundred people in its peak periods.

The company has four divisions: windows, kitchens, homes and a building supply yard at Ottawa.

A good deal of research is carried on, as well as a study of the industry in other countries.

In Sweden, 95 per cent of all homes are factory built. Japan builds 60 per cent of its homes in factories and can construct a home in 4½ hours. Japan is also planning to export factory built homes to North American. Mr. Rosenburgh hopes that Canada can also become an exporter of factory built homes.

The factory built home industry is becoming computerized, and eventually a home salesman will call on a customer, plug his computer into the telephone circuit, work out a design suitable to the customer's wishes, and present an exact cost of the structure and the date it can be delivered.

The speaker was thanked by this writer, and presented with a jar of Nescafe.

The Chesterville Women's Institute is determined to bring UNICEF back to the village each Hallowe'en. Ann Craig is organizing the local effort and the WI wants to see that local children are provided with collection boxes for UNICEF. Elizabeth Edwards, chairman of Ontario UNICEF based at Ottawa, addressed children at Chesterville Public School and St. Mary's last Wednesday and described the activities undertaken abroad by the United Nations Children's Fund. Sonya Young, grade 3, and Patrick Thibeault, grade 4, display the beautifully designed 1984 poster.

Record Photo - Hanrahan

Ingleside Hallowe'en party tonight

INGLESIDE (Staff) - The ghosts and goblins will be alight tonight at the Presbyterian Church Hall here.

A Hallowe'en Party, for children age 4-12 has been set up. All children in the Ingleside and surrounding area have been invited to attend.

There is no charge for the party, and refreshments, treats and games like 'pin the nose on the witch' will keep the kids occupied. Theatre Arts students from Rothwell Osnabruck District High School will also lend a hand by taking children through their haunted house display.

One of the organizers of the event, Maureen Lacey, said that prizes will be given for the best costumes, and parents are encouraged to come along and dress up too. The party has been funded by many local organizations including the Rotary Club Women's Institute, and the Osnabruck and district recreation department.

Mrs. Lacey said that a lot of communities have been running Hallowe'en Parties and they seem to work out well. "It's safer for the children and convenient for parents" she said.

Osnabruck township Recreation Director Marion Avery said that she was approached by some area parents a while back who were interested in running a Hallowe'en bash for the children, and she was more than willing to help out.

"It seems like a good idea," she said. "A party works well especially if the weather is bad."

She also noted that the hours of the party (5:30-7:30pm) are convenient in that children or parents who want to trick or treat afterwards will still have some time left.

To remember

(Staff) - A ceremony of remembrance for Remembrance Day has been planned by the Chesterville branch of the Royal Canadian Legion. This will take place at the cenotaph at 2pm Sunday, November 11.

Organizers have requested that groups wishing to parade with Legion members should gather at the Legion hall at 1:30pm.

In Morewood an observance ceremony will be held at the Morewood monument immediately following the church service at approximately 11pm, Sunday, November 11.

Individuals or groups wishing to order wreaths for Remembrance Day services can contact Mac Feeley at 448-3523 after 5:30pm week days or any time weekends.

Helping hands for harvest

FINCH (Staff) - The notion that country folk are full of kindness holds special meaning for Ian and Sandra MacMillan.

The MacMillan's 125-acre dairy farm is located off the Shaver Road towards Newington, at RR2 Finch. Mr. MacMillan is recovering from a heart attack and open heart surgery, and isn't able to work for another three months or so. He wasn't sure how he was going to get this year's crop in.

And that's when some thoughtful neighbors and family members decided to pitch in.

Over the past few weeks the machines have been working over-time on the MacMillan fields. "I just don't know what we would have done without all the help," Mrs. MacMillan said. "My husband has been laid up since the end of July," she added, "and everyone has been so kind to us all along."

Mrs. MacMillan said that she and her husband send out their thanks to kind neighbors, family and friends who have lent a hand during harvest time. "We really appreciate everyone's help."
