## Gov't okay needed on dump re-location

Things seem to be falling back into place again for Chesterville Village council, as far as re-location of the village disposal site. goes.

Reeve Keith Graham announced to his councillors last Wednesday night at a council meeting that the town had taken an option on 70 acres of land, located about two miles west of Chesterville, which would be ideal for a land fill area.

The reeve said the property is owned by Ethan McElheran of Chesterville and located north of the CPR tracks, a substantial distance from the Drury Fulton home.

If the site is approved by the Provincial Government, the town plans to dump the garbage in an abandoned gravel pit on the property. The remaining gravel could then be used to bury the wastes.

The move comes following a notice from the Department of Invironment, Waste Management Branch, that the 40-year-old dumpsite located just east of Chesterville did not meet with department standards.

The mid-January letter stated the village would have to close this site by May 15 and before that date, make definite plans for a relocation.

Council was concerned about where they would find a suitable location in such ashort time but the McElheran property seems to have filled the bill.

In other council business still regarding garbage, Willis Cross was awarded the village garbage collection contract for 1972.

Four bids were opened at council and although Mr Cross's was not the lowest, village fathers said his past record showed very good service and underbidders could possibly not be able to do the job as well.

The $4,800 yearly contract is subject to revision within 30 day's notice. So with a new disposal site to be opened by May, the contract will no doubt be recalled for a change.

## Bob Sharkey cops prize starts last, finishes first

Although Bobby Sharkey and his co-pilot Mrs Jack Morrison got off to a late start last Sunday, in the Chesterville Snowmobile Rally, their timing wasn't far off.

The team was named first place winner over 63 other machines coming into the final checkpoint only one minute away from the 2-hour and seven minute predetermined time.

The 25-mile course was covered by all but four of the machines entered. Bobby and Mrs Morrison shared the honor of winning the snowmobile suit and trophy offered for grand prize

The other top five winners in the men's category were: Don Henderson, Bob Levere, Ed Kelly and Gil Jackson. The top three winners in the Ladies division were Tony Moss and co-pilot Pauline VanKessel, Laurie Brown and Hilda Clarke. The first place ladies shared the snowmobile helmet and trophy.

All winners received a prize along with 32 other entries who also were awarded prizes after their names were drawn from a hat.

## Family homeless, barn lost in two separate area fires

A mother and her 14-year-old daughter were left homeless on Sunday morning when fire raced through their one-story home near Williamsburg.

Mrs Eunice Strader and her daughter Mary of R.R. 2, Williamsburg, were away visiting relatives when the blaze broke out around 2 a.m.

Mr and Mrs James Crowder, who live just across the road from the Strader home, were first to notice the flames. The fire apparently started around the stove in the frame house and had disurpted telephone service to the Crowder home.

Mr Crowder went next door to the home of Mr and Mrs Graham Wells to call Williamsburg

## Guindon guest at I.C.A. meeting

INGLESIDE — Ontario's Minister of Labour told a capacity crowd in Fraternity Hall here, Monday night, the provincial government is revamping it's present structure.

Fern Guindon said, although there will no doubt be some flaws in the new system, it should result in a more efficient operation of the province's ruling body.

Mr Guindon, M.P.P. for Stormont and former Minister of Labour, spoke to the members of the Ingleside Citizen's Association wearing both his old and new hat.

As former Tourism Minister, he related some of the amusing and more serious experiences during his time in that office. He said tourism was the third largest industry in Ontario, handling well over $1.5 billion in the 18 parks and two historic sites across the province.

Mr Guindon said it wasn't until late Monday afternoon he discovered the ICA members were interested in hearing about the restructuring of the government. He had come prepared to talk on another topic but if the audience would bear with him, he would talk in a rather informal manner.

**Regional Government**

Before entering into the topic of government change, he reassured the members that the regional government system similar to the one in Ottawa-Carleton, was not in the immediate future plans for this area.

He said the people had shown a lack of desire for this system and only when they are seriously interested will it be considerede.

Mr Guindon said he had told the government ministers, the Three United Counties wanted to wait before trying regional government and hopefully they could learn from the mistakes of other areas.

The restructuring of Ontario's legislature will result in one of the first government organizations of it's kind, similar to the structure of the British Parliament.

The system will change to four 'Policy Ministers' who will head the present 21 departments of the province. Bob Welsh will head the Social Development field and under him will be four departments, including Education and Health.

Bert Lawrence will be in charge of Resources and Development Policies and under him will be six departments, including Agriculture and Food and Labour.

Allan Lawrence will be head of the Justice Department Policy while D'Arcy McEough will head intergovernment workings, such as the Treasury Department.

Each department under the policy ministers will have what is called an operating minister.

## Bits and Pieces

**For All You Art Lovers**

For anyone who enjoys art, there is one of the most modern forms of art on display at the Chesterville Public Library this week.

Some 12, pletchings and four paintings created by W. B Fleming of Ingleside are decorating the library until Saturday. Pletchings are Mr Fleming's own invention. They are etchings made on plexi-glas and have become quite popular in artistic circles. The works have been on display in several library branches in the counties, so don't miss your chance to see them in Chesterville

**Local Cubs & Scouts Participate in Sport's Day**

More than 182 Cubs and Scouts converged on the Morrisburg area on Feb. 6 for the Annual District Cubs and Scouts Sport's Day.

There were 121 cubs with 24 leaders and 61 scouts with 17 leaders registered for the day's events. Chesterville had the largest representation which made up three cub pack hockey teams and two scout hockey teams.

The day ended at 5 p.m with a team from the 5th Prescott Venturers taking on the leaders and District Staff in a hockey match.

**$100 An Inch !**

The last snow storm we had which buried all the thoughts of an early Spring cost taxpayers in Chesterville about $100 an inch to remove. Lloyd Graham, clerk of Chesterville Village told councillors at a meeting last Wednesday night that for snow removal, blowers and trucks the village paid out approximately $1,600. On top of this figure has to be added the snow plowing contract awarded to Sullivan Bros.

**We Can't All Be Lucky**

Doug Durant of Mountain was grand prize winner of the Winchester Lions Club 'Dream Vacation Draw'. Mr Durant wins a $1,000 trip to the place of his choice. Other draw winners in the Chesterville area were: $250, Dudley Craig of Chesterville and Adriaan Heuff of Morewood; $100, Earl Johnson and Helen Hughson of Chesterville; $10, Mrs Lyle Munro of Chesterville, Medi Godard of RR 4, Crysler, Glen MacGregor of Morewood, Allan Clement and Ray Dillabough of Chesterville.

**Laying The Law Down**

We, along with every other newspaper in Ontario have just received a reminder from the Department of Financial and Commercial Affairs in regard to what we can legally print and advertise in the way of lotteries, draws, etc.

The government is saying that just about every type of fund raising project has to acquire a licence to operate that project legally. These licences are a formality and can be acquired from the municipal clerk's office at a very nominal fee, if approval is given

The criminal code states: "Every one is guilty of an indictable offence and is liable to imprisonment for two years who makes, prints, advertises or publishes, or causes or procures to be made, printed, advertised or published, any proposal scheme or plan for advancing, lending, giving, selling or in any way disposing of any property, by lots, cards, tickets or any mode of chance whatsoever, if they don't have a license." So to anyone who is planning a draw or lottery, and will need advertising or printed tickets, you had better obtain a licence first, to keep on the good side of the law.

*75th Anniversary--*

## Stormont Dist. marks founding of W.I.

ONABRUCK CENTRE — The celebration of the 75th anniversary of the Women's Institute, held here in the Township Hall February 9, was both a time for recalling the past and looking ahead to the future for the more than 150 W.I. members of the Stormont District who attended.

While most of the afternoon program was devoted to songs, skits and stories covering three-quarters of a century of history, members were reminded that during that short span of ancestry, the organization has grown from a handful of women to more than eight million around the world.

Mrs Hugh Esdale, curator of the past 60 years of the Stormont District, told the ten units present of the modest beginning of the local organization.

In 1912, the first W.I. was organized at Finch, followed closely by the Cornwall Centre and Avonmore branches.

The organization held it's first district annual in June, 1913, in a home, and three years later the meeting moved to the new Township Hall at Berwick.

By 1916, Aultsville, Moose Creek and Berwick branches had formed and all groups were involved with war work. Records show these five branches did a record amount of knitting and sewing. During the year 1917-18, they raised more than $3,697.

By 1924 there were eight branches at the district annual held in the Community Hall at Moose Creek. George Putnam of Toronto was guest speaker.

A year later there were 10 branches. The annual meeting in 1925 was held in the new library at Newington, with 200 members attending a dinner held in the basement of the Presbyterian Church.

In 1926 the dinner was held in Wales and in 1927 in Finch, with 300 ladies present. By 1940 there were 15 branches in the district. They decided to furnish a semi-private room in the new addition to the Cornwall General Hospital at a cost of $700. Each member contributed $1.50.

There were 429 members by 1949 and in 1962 the district celebrated it's 50th anniversary at the Finch Community Hall. There were only 12 branches in 1962 due to the fact that several were lost to the Seaway development. The members joined other units and a new one was formed at Ingleside.

Osnabruck Centre was host of the Centennial year celebrations.

Mrs Esdale said the district now has 10 branches and hopes to carry on for many years to come.

The first W.I. branch ever organized was at Erland Lee home at Stoney Creek, Ontario, in Saltfleet Township. It was from this small beginning 75 years ago that the whole organization was started.

During the afternoon, members of the different units entertained with skits, songs, or readings. Mrs Charles Smith of Newington was chairman of the event, and Mrs W. A. McMillan of Ingleside, pianist.

Included in the program was a skit on The Doctor's Surgery by the Ingleside branch, and Lunenburg members discussed the Institute's Mary Stewart Collect which opens all meetings. Mrs Charles Millward did a step dance and Mrs Jack McLeod played the accordian.

Dixon W.I. also performed a skit while Mrs Clem Rushford read the history of the Federation of Women's Institutes of Ontario. Mrs Robertson read a poem.

## Winter works approved

Final approval has been received from the Federal Government on the application for assistance under the Winter Works program for the Chesterville and District Community Centre.

Reeve Keith Graham said at last Wednesday's council meeting he had just received the approval of the long awaited program totalling some $51,000.

The money will be used towards labour costs on the new arena which is scheduled to be built at Chesterville Fair Grounds this spring.

The project was first started early in December 1971, and the last few months have been spent getting organized. Approval has been received on most of the grants available and at present, tenders are being called for the project.

## Eastern Ontario - a problem child

It appears that the community centre project in Chesterville is finally getting off the ground. After many attempts, after many failures and even a couple of backfires in past years, this dream of many Chesterville residents is coming true.

But when the monument of human ingenuity is finally erected on the fairgrounds let us not call it quits. The community centre project for this village is one of the few progressive acts which are happening in Eastern Ontario. It is one of the little rays of sunshine in a cloudy depressed sky which rides over our minds.

We say Eastern Ontario is depressed and we would even go as far as to suggest it is retarded and backward. This isn't a nice thing to say but if you stop and look at our position, economic and otherwise, you have to admit it is true.

What causes it we don't know. Whether it is a heredity factor left by the United Empire Loyalists who were conservative (with a small c) people, we can't say. But whatever is wrong with this end of the province, the thinking of the people has kept us behind other areas.

A recent example of cautiousness, which we feel was foolish, was the refusal of civic aid for the artificial turf at Landsdowne park in Ottawa.

Now the local government there pussy-footed around, tried to hide the fact that the turf was going to cost people additional tax money and when they were exposed, turned it down.

We think it's great for elected representatives to be concerned about spending tax money, but we think in this case they made a wrong decision.

They're going to have to do it sooner or later and all they will accomplish by waiting is an inflated turf-installation cost. And on top of that they won't even have the use of it in the ensuing years. So what have they saved the taxpayers? Not a heck of a lot.

The point we want to make here is, in order for us (Eastern Ontario) to catch up with the rest of the province we are going to have to spend money, we're going to have to paint the barn.

By painting the barn we mean we will have to start dressing up our communities, our countryside and the environment. You can't coax new industries into an area which is sub-standard and less appealing.

We have all needed transportation facilities, highways, waterway, nearby airports, so we're not too badly off in that respect. What is needed is a social climb. If every community in Eastern Ontario took on the task of some large community project, whether it be an arena, or artificial turf, it would be a start.

Residents of Eastern Ontario, and we do not exclude our own community, have had 20-20 hindsight for too long. Everyone has to turn around and look ahead for something better. We can no longer travel along with our heads down and say what we have is OKAY.

We think Chesterville is proposing a step in the right direction. It has planned and is in the process of implementing a project which is the start towards a better future. But as we said, we cannot stop with just an arena to our credit. We can only use it as the first step.

We have seen recently where Cornwall has taken that first step, electing a new mayor. Ed Lumley is a young and successful businessman and no doubt has many different ideas than former mayor Nick Kaneb.

Now you cannot blame Kaneb for all the woes of Cornwall. They have had problems beyond their control. The city has walked down too many industrial paths which were dead ends. But with a new mayor, the people have taken a chance, hoping his guidance will pick up a waning economy.

We have wasted too much time already. We have dogged around under our cautious hind-sighted cloud and missed the first boat. If we want to realize the benefits of rich industrial pocket books, like those of Western Ontario, we will have to get moving. Hopefully we can learn from some of the mistakes made by other areas, but let us grasp some of their foresighted thinking to build a comparable area in which to live.

# Ann Landers . . .

Dear Ann Landers: These days almost everyone I talk to seems to be having trouble with their children. Although I am under 30 I believe I know the answers to some of the questions that have been plaguing a great many so called 'good' parents.

It makes me sick to see what goes on in this town and I'm sure it's the same Everywhere, U.S.A. The young mothers are working their tails off at some two-bit job because they want the status of being career women. Or, they are knocking themselves out doing club work that demands enormous chunks of time and energy. They leave their babies and young children with a teen-ager or a grandmother — no concern for whether that person is too young or too old to be competent.

They are gone from morning till night — it's the job, or a committee meeting or a bridge game or a bowling trip out of town. They put everything ahead of their children. The older kids come home from school to an empty house and a note saying "supper is in the fridge".

I wish these young mothers who are everywhere but home would ask themselves this question: why is the job or social life so important that I am sacrificing time from my children during the years when they need a full-time mother?

Don't these part-time parents realize that the first four years of a child's life set the pattern for his emotional development? There is no substitute for a mother's presence when it comes to giving a child security.

The fathers are just as bad. They work ridiculously long hours — missing dinner with their families two and three nights in a row. Business demands that they be here or there and the rat race is so competitive that it becomes a 24-hour job to stay in the running. And when a spare hour turns up they run to a football game or a baseball game or they plug their eyeballs into the TV set and not one word is spoken from noon till 6:00 p.m. Then there's golf and hunting and fishing and poker that takes Dad away from the family. So the poor kids are deprived of a father as well as a mother.

Is it any wonder we have so many insecure, emotionally disturbed adolescents? It used to be that the economically deprived kids got the bum breaks in life. Now the kids from the upper-middle class and affluent homes get it in the neck too. Where will it end? — Ravenswood, West Va.

Dear Raven: It will end where it began — in the home. It will happen when the so-called "liberated" woman discovers that the price was too high, that her most important job, the one with the greatest rewards, was right under her nose — and she blew it.

* * *

Dear Ann Landers: I was interested in your advice to women who wish to remain youthful looking: "Stop baking in the sun," you warned. According to you Ann, suntan lotions won't prevent skin damage that shows up in later years. You said, "Today's beautiful tan is tomorrow's wrinkled face."

I was in the front row when you spoke at the Indiana Bar Association Dinner last year and your skin looked remarkable for a woman past 50. Have you ever had a face lift or did you take your own advice and stay out of the sun? — Nosey Rosie

Dear Rosie: I have never had a face lift but I HAVE stayed out of the sun. Twenty-eight years ago when we lived in New Orleans, a dermatologist noticed my deep mahogany tan. Instead of complimenting me, as most people did, he warned me to stop baking my skin or I'd regret it. I listened.

# Crysler Carnival bigger success each year

CRYSLER — The nine-day Winter Carnival here which ended this past Sunday has been described by organizers as the most successful in the history of the event.

It all got underway January 29 with the crowning of Miss Guylaine Ayotte as Queen. Events throughout the week included a snowmobile parade, suppers, dances, sleigh rides, and a number of other carnival activities, concluding February 6, with a snowmobile rally, dinner and dance.

Archie Cloutier, president of the Crysler Carnival Committee, had nothing but praise for his committee members and the crowds which made the events so successful.

## Mrs. E. Filion chairs February meeting

The Avonmore Women's Institute met in the Firemen's Association room last Thursday afternoon with the president, Mrs E. L. Filion in the chair. Mrs Filion was assisted by Mrs Stewart MacRae, secretary.

The meeting opened with the Ode and the singing of O Canada.

The roll call was answered by eleven members who responded with a home remedy for aches and pains.

A letter was read from Miss Holdings, stating that there would be a training school for 4-H Homemaking Club leaders in the Ingeside United Church hall on Feb. 17 and 18. The subject will be "Sewing With Knits."

The members of Avonmore Branch were invited to a pot luck lunch to be held in the Osnabruck Centre Hall on Feb. 9th. This is the district celebration of the 75th anniversary of the W.I.

A donation of five dollars was sent to the Erland Lee Home where the first Institute meeting was held.

Several letters of appreciation and thank-you notes for Christmas boxes to the shut-ins were read.

Four ladies attended the 4-H girls training school at Ingleside on the theme "What Shall I Wear?" Club leaders who attended were Mrs Allan McIntyre, Mrs Wiliam MacMilan, Mrs Dan MacDonald and Miss Karen Delaney.

Plans were finalized for a euchre party to be held in Roxmore Public School on Feb. 11th to which all Branches in the District will be invited.

Interesting readings were read by Mrs Clifford McElheran, Mrs James Tinkess, Miss B. J. Banfill, Mrs Alex Armour and Mrs E. L. Filion.

## Chesterville U.C.W. discuss sod-turning for new manse

Members of the Trinity United Church Women were told at the February 2 meeting that the sod turning for the new manse will be held in mid March.

Mrs Dick Finigan, Mrs Hilda Belsher, Mrs Carl Smith and Mrs Eldon York were in charge of the evening unit meeting.

Dr. Sidney Gilchrist, a medical missionary of the United Church in Angola, Africa, was the topic of study. Dr. Gilchrist, a native of Pictou County, Nova Scotia, retired in February, 1970, after 40 years in Africa, and returned to Canada. In June of the same year, he, his wife and daughter were killed in a car accident in Western Canada.

A nurse who worked closely with him in Africa wrote, "Sid was a man of great vision, gave all his energies to leadership training and development of a health service in a large area. So well organized was it that it will go on without his presence. He was one of the truly great men."

In other business at the meeting, Mrs Allison Graham read letters from the Chesterville Chamber of Commerce, The Seaway Community Services and Miss Margaret Mitchell.

Mrs Graham stated that the Carnival Supper cleared more than $565. The unit will hold a money shower February 10 and Mrs Fred Cass will show slides of South East Asia.

The first of the 60-odd entries in Chesterville Snowmobile Club's Rally, are seen above, as they prepare to leave from the registration desk on the Nation River, Sunday. In spite of rainy weather throughout the afternoon all but 11 of the entries completed the 23-mile course. Robert Sharkey of Chesterville was first place winner with a time of two hours and seven minutes. — Staff Photo.

**GUINDON ICA GUEST —**
(continued from page 1)

These people will do the everyday tasks and report back to their superior.

Although Mr Guindon admitted the system was complicated, it in theory should be beneficial.

He said the system should avoid overlapping and duplication. For instance, he mentioned grants. Instead of a community project now getting grants from both the Department of Education and the Department of Agriculture, it will only receive one.

Also the M.P.P. said it will give the policy ministers more time to think and more time to develop improved policy.

One of the chief disadvantages, the speaker noted, was the policy minister would not be as close to his people as before.

Clarence Meyers, president of the ICA, chaired the dinner meeting and past president, George Hickey, introduced the guest speaker. Miss Fran Laflamme thanked Mr Guindon on behalf of the 140 ICA members present.

Following Mr Guindon's address, the Ingleside Choir, under the direction of Ross Walker, entertained with a few vocal selections.

Before the meeting adjourned, Mr Meyers heartily congratulated Mrs Keith Acres who convened the affair and the St. Matthew's Presbyterian Women for their excellent catering service.

**75TH ANNIVERSARY —**
(continued from page 1)

bers acted and sang different songs while the Moose Creek group gave a skit on the mail order hat.

Osnabruck Centre members also performed a skit while Meegan Ouderkirk of the Finch branch did a tap dance. The Cornwall Centre group sang the song of the 75th anniversary.

Mrs Neil Cleary, district president, Mrs D. MacLachlan, board director of the FWIO, Mrs McLean, area convenor, and Miss Lorraine Holding, Department of Agriculture Home Economist, all extended their greetings to the members. Mrs E. Filion gave the appreciation to the Osnabruck Centre Women's Institute for their hospitality.

Mrs Lola Lambert, Mrs Dorothy Morgan, and Mrs Delbert Flintoff decorated the hall for the occasion. Mrs Lambert provided a very colourful display of Mexican souvenirs.

**FAMILY HOMELESS —**
(continued from page 1)

Fire Department. By the time fire fighters arrived at the scene they were unable to save the structure.

Neighbours feared at one point that flames would spread from the dwelling to a nearby oil tank and barn, but calm winds lessened the worry of further disaster.

Mrs Strader and her daughter lost everything in the fire except the clothes they were wearing. They have moved in with Mrs Strader's parents, Mr and Mrs Earl Hummell of Glen Becker.

This is the second time the Strader's have lost their home to fire within the last year and a half. They have been at the R.R. 2, Williamsburg, address since the summer of last year. No estimate of damage was available.

### Race Horses Perish

Two racing horses perished early Monday morning when fire swept through a small horse barn on the farm of Mrs Russell Froats, R.R. 3, Chesterville.

Chesterville Fire Chief Grenville Fyke said the brigade was summoned around 3 a.m. to the scene.

Lloyd Smith was the first to notice the blaze but due to disruption in the telephone lines he was unable to call the fire department immediately. By the time they arrived all the dozen fire fighters could do was to prevent flames from spreading to nearby buildings.

The barn and horses were apparently checked at 11 a.m. and everything found in order. The cause of the fire was not immediately known and there is no estimate of damage available.

**FINCH LIONS CLUB —**
(continued from page 1)

The 10 to 12 years group went to Michael O'Donohue and Gilles Martin, Debbie Rowe and Nadene Vollrath. In the 13 to 16 group, Kevin Hough and Gordon Burd were the winners.

To finish off the races, the 16 and over girls winners were Gail Shaver and Mary Ann Doyle, and in the 16 and over boys, Clayton Shaver and Barry Brownlee crossed the finish line first.

**CORRECTION**

In the obituary for Alexander D. McNab in last week's paper, it should have read that Lyle and Ivan McNab were nephews and not sons.

# Berwick W.I. choose members to attend course

BERWICK — Mrs Glendon Casselman and Mrs Clair Robertson, members of the Women's Institute here, were chosen by the membership at the January meeting to attend the 4-H Sewing with Knits Course, to be held in Ingleside.

Following the opening exercises at the home of Mrs Cris Vanturnhout, the roll call was answered. Mrs Johnson Ouderkirk the president, welcomed everyone while Mrs Adam Anderson read the minutes and the thank you notes.

A letter was received from the new provincial president, Mrs H. Nobilitt of Ottawa. This is the first time in 45 years the Provincial president has been elected from the Ottawa area.

The Erland Lee Homestead where the charter of the Women's Institute was drawn up 75 years ago has been paid for by donations from members and friends of the Ontario Women's Institute.

Mrs Glendon Casselman reported on the Canada Packers labels and asked if people would kindly hand them in to her, as soon as possible.

Mrs Glen Rushford reported on the Township Community Centre the work that has been completed, donations received and the effort the community has put forth.

# KITCHEN CORNER

**French Pork Cookery**

3½-4 lb. loin roast pork
salt and pepper
garlic powder
dried rosemary eaves
1 tbsp. brown sugar
1 tbsp. prepared mustard
¼ cup orange juice
1½ tbsp. orange marmalade
2 oranges, thinly sliced
parsley

Preheat oven to 325° F.

Place roast, fat side up, on rack in open pan; season with salt and pepper, garlic and rosemary. Roast, uncovered, in preheated oven for 35-40 minutes per pound or until well done.

Combine brown sugar and mustard to make smooth paste, then blend in the marmalade and orange juice. Brush roast with this mixture several times during last half hour of roasting time.

Place roast on heated platter and garnish with orange slices and parsley. Make gravy.

**French Rarebit Chops**

4 loin pork chops, at least 1-inch thick
salt and pepper
2 ounces Gruyere or Emmenthal cheese
2-3 tsp. prepared mustard
2-3 tsp. cream

Preheat oven to 450° F.

Place chops in a single layer in a baking pan. Season with salt and pepper. Bake, uncovered in preheated oven for 3 minutes or until nicely browned. Then lower oven temperature to 350° and bake for another 30 to 40 minutes or until chops are very tender and well done; cover pan with foil if necessary to prevent excess browning.

Shred cheese and mix to a thick paste with mustard and cream; the mixture should not run. Spread over baked chops. Place under broiler for 2 or 3 minutes or until cheese mixture bubbles and turns golden brown. Serve at once. Makes 4 servings but is a recipe that can easily be adjusted to serve one or a dozen people.

**French-Style Liver and Bacon**

Panfry bacon, drain on absorbent paper and keep hot. Saute liver in bacon drippings (do not overcook). Remove to heated platter, add bacon and keep hot. Pour drippings from pan and add 2 tbsp. butter or margarine; saute ¼ to ½ cup minced fresh onion for a minute or two, then add 1/3 to ½ cup medium dry wine and simmer to reduce volume to about half. Pour over liver and bacon and garnish with snipped parsley.

**French Toasted Ham Sandwiches**

Prepare sandwiches as usual, using sliced ham and white bread spread with mustard. Then for four or five double sandwiches, combine 2 slightly beaten eggs, 1 tsp. sugar, ¼ tsp. salt and ½ cup milk. Pour into shallow pan. Quickly dip both sides of prepared sandwiches in mixture and saute in butter or margarine until golden brown. Serve while hot.

# Teams tied for top in N. Stor. Hockey play

Lunenburg and Morewood are still tied for the lead in the N. Stormont Hockey League at 15 points each, following their wins last week.

Avonmore and Finch met in the first game February 8 at the Finch arena with Avonmore coming out on top with a 5-1 victory. It was a fast game with good checking. Scoring for Avonmore was Dean McIntyre, Clarence Adams, John Adams, John McIntyre and Reid McIntyre,each with one. Finch single was by Bruce Munro.

The second game of the night was a hard fought battle with Lunenburg defeating Morewood 4-3. There were close calls at both ends with goalies robbing several players. Goal makers for Lunenburg were Lyndon Wells, 2; Danny Brunet and Dale Wells, with one each. Morewood scores were by Carmen Carruthers, Donnie Munro and Dave Carkner.

Finch skated over Avonmore last Friday night as the fans yelled for goals. The home team answered the calls with markers from Bruce Munro, 1; Barry Brownlee, 3; John Gove, 2; Dick Willie, 1; Osborne Shaver, 1; and Steven St. Pierre, 1. Avonmore scorers were: Dean McIntyre, Ron Poapst, and Brent Eamer.

In the second game the same evening Morewood and Berwick fought a tight 5-4 battle, with Morewood the victors. There was plenty of action with the spirit of these teams running high. Morewood opened the scoring with an unassisted goal by Doug Cheney. Berwick made a fast comeback with two goals scored by Steven O'Donohue. Morewood came back to tie the game at the end of the first period with a goal by Ian McNab.

Morewood again opened the second period with a goal by Ted Burgess, followed by a Berwick comeback from Percy Brownlee to tie the game again. But Berwick couldn't hold Morewood down as Doug Cheney and Ted Burgess got their second goals of the night.

Berwick managed only one more goal from Leonard O'Donohue, ending the game.

Sunday night at Finch arena, Morewood and Lunenburg battled to a 2-2 tie. Morewood opened the scoring with a goal by Doug Cheney only to have Lunenburg come back with a goal scored by Tommy Moran. Lunenburg banged in a goal to start the second period with Dave Bancroft which was answered by Doug Cheney.

Berwick downed Finch in the second game with a 7-1 margin. Goals for Berwick went to Jackie Forsyth, Leonard O'Donohue, Winston Dingwall and Harold Dingwall, each with one. Finch's lone goal went to John Gove.
