Winchester Liquor Plebiscite

VOTERS SAY 'YES'

Winchester residents decided on Monday to roll back, once and for all, the curtain that for so long had sealed off the town as a 'prohibition' area.

Four years ago, faced with a barrage of questions, voters were apparently a trifle confused and as a result the turn-out at the polls was small and the result discouraging for those who felt it was long past the time for amending archaic liquor laws.

This time, despite an all-out campaign by those who remain firm in their prohibitionist stand, the pendulum of decision swung far in the other direction and for the first time in many decades the village voted decisively 'WET'.

There were only two questions on the ballot paper and results were strikingly similar on both issues.

Question '1' read - - ARE YOU IN FAVOUR OF THE SALE OF LIQUOR UNDER A DINING LOUNGE LICENCE FOR CONSUMPTION ON LICENSED PREMISES WITH FOOD AVAILABLE?

648 answered 'Yes' and only 263 said 'No'.

Question '2' read - - ARE YOU IN FAVOUR OF THE SALE OF LIQUOR UNDER A LOUNGE LICENCE FOR CONSUMPTION ON LICENSED PREMISES?

628 voters said 'Yes' and 278 expressed opposition.

To explain the change in such a short period of time would be difficult but comparisons prove interesting.

For example, both questions appeared on the list four years ago and the results looked like this. On the question referred to above as '1' there were only 273 'Yes' votes and 360 'No's'.

Question '2' results were similar with 255 voting 'Yes' and 376 saying 'No'.

Those who encouraged and promoted the plebiscite are now convinced Winchester has finally, as one citizen suggested, "advanced with the times".

One prominent citizen, when interviewed on Tuesday, voiced the opinion that Winchester residents have finally realized it is much better to legalize actions that have for many years been carried out under a supposed veil of secrecy.

Clerk treasurer Raymond Annable quoted figures to show that 76% of eligible voters had exercised their franchise, indicating interest in the issue had reached a higher peak than either municipal, provincial or federal politics.

An even further breakdown shows 70.2% of those who voted said 'Yes' to question '1' and 68.1% voted 'Yes on question '2'.

Twenty-Nine Members Discuss Home Care Course At Hospital Auxiliary Meeting

Members of Winchester District Memorial Hospital Auxiary were advised at the January meeting that serious thought is being given to the formation of a Home Care Course under the direction of the Red Cross Society.

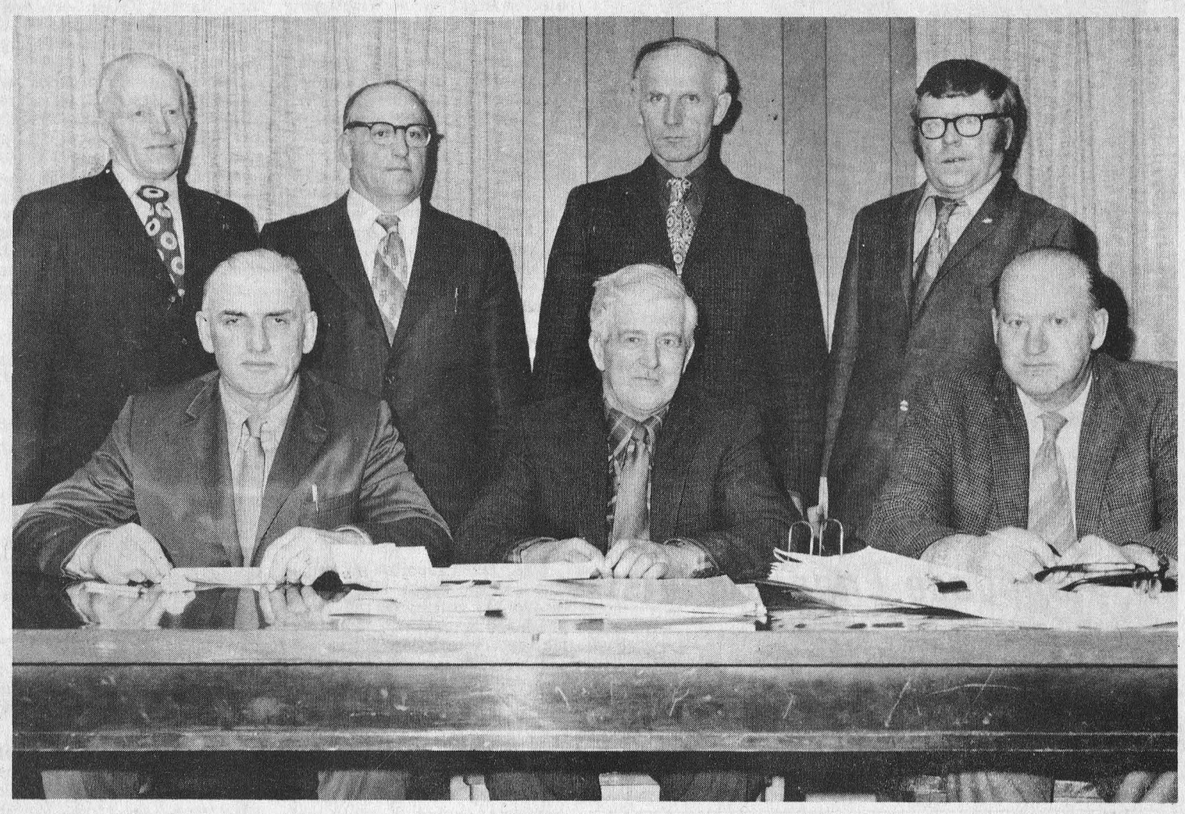
Twenty-nine members of eight units answered roll call at the meeting in the hospital committee room and president Mrs. Fred Cass expressed appreciation to all who had helped make the Christmas season a joyous one at the hospital.

Monthly reports were submitted by the Auxilary treasurer; Memorial Fund Treasurer, Miss Legris and Mr. Stel. Mr. Stel, the hospital administrator, told the meeting that blood clinics will be held on April 16th and September 24th.

Mrs. McCullough's resignation as press reporter was accepted and the appointment of Mrs. Charles Wallace approved.

Plans were discussed concerning a proposed dessert party on March 14th and members were advised the 'Tuck Cart' will be the responsibility of the Chesterville unit during the month of February.

The next meeting will be on Thursday, February 8th at 2:00 p.m.



Township Reeve Urges Planning

Winchester Township Reeve Cecil MacNabb, in his remarks at the first meeting of the new council, called for continued cooperation with council members for the completion of the Official Plan for North Dundas Planning Area and a start of a zoning by-law for the Township. He told council he hoped for an easing of provincial restrictions on road expenditures to enable the Township to follow its Road Needs Program.

The meeting was held on January 8th and under By-law 1-73 the following municipal officers were appointed: Lorne Bell, Road Superintendent; Glenn Mac Gregor, Clerk-Treasurer; Cass & Cass, Solicitor; Frazer and Otton, Auditors; A.J. Graham & Associates, Engineers.

Other appointments included: Reeve MacNabb to the South Nation River Authority; Deputy-Reeve Link, Dundas Federation of Agriculture; James Sullivan, Joint Sanitary Landfill Committee; Keith Holmes, North Dundas Planning Board.

Following negotiations township employees received an increase of approximately eight percent.

The annual petition to the Ministry of Transportation and Communications for payment of subsidies on the 1972 road expenditures ($141,630.00) was forwarded.

Engineer's reports on drains will be considered on the following dates: Short Drain and Dagenais Drain, January 22nd; Clement Drain and Curran Drain, January 29th.

Road Voucher No. 1 of $10,733.00 and general accounts of $9,963.00 were approved.

Fraser Campbell Named School Board Chairman

Fraser Campbell, last year's vice-chairman of the S D & G Board of Education, was elected to the post of chairman at the inaugural meeting of the new board last week.

Mr. Campbell, Maxville, predicted a challenging year ahead when he suggested many important decisions would face the board and all would have a direct bearing, not only on taxpayers, but on each individual in the system.

He told his fellow trustees that ratepayers will be expecting "increased wisdom and knowledge, clearer and sounder thinking as well as wise decisions".

The new chairman said the time has come when all trustees should have an insight and understanding of what goes on in the classroom because of important decisions the board must make in the coming year.

Joe Gunn of Cornwall will serve as board vice-chairman.

VERNON BAPTIST MINISTER

Rev. A. Keeler Conducts Final Service Next Sunday

Religious affiliation notwithstanding there will be few dry eyes in the village of Vernon and the surrounding community when Rev. Alvin C. Keeler conducts his final service on Sunday January 28th.

Mr. Keeler and his wife arrived at Vernon early in the New Year of 1956 and soon endeared themselves to all who had the good fortune to meet the friendly, understanding couple and their children.

As pastor of Vernon Baptist Church, (known for many years as Osgoode Baptist Church), the kindly clergyman thoroughly understood the strong link that must bind church and community if both are to succeed. The community, surrounding the stately old edifice is proud evidence of Mr. Keeler's tremendous faith in his convictions.

Born in Saskatchewan Mr. Keeler graduated from Cobourg Collegiate and Peterborough Teachers' College before accepting a teaching position. Ever aware of the great need for servants in the 'Vineyard of Christ' he humbly weighed his own capabilities and qualifications before returning to university. Following graduation from McMaster University, Hamilton with his B.A. and B.D., he went on to receive his Th. M. from Emmanuel College, Toronto.

Before coming to Vernon he had served at only two other locations; as pastor in Norfolk County, and in Toronto.

A very humble man, dedicated to his own church but ready and willing to help those of other faiths, as well as all community endeavours, his wisdom and understanding were soon in demand at higher levels of the Baptist association.

During his years in Vernon he had served as Moderator of Ottawa Baptist Association; President of local District Conference of Baptist Churches; President of Ottawa Baptist Ministerial, Representative to the Baptist Board of Christian Education in Toronto, and also on the Senate of McMaster University.

Friends will miss the ever-smiling face of the friendly cleric, but missed also will be the willing church and community worker who has been his helpmate for so many years - his wife.

Mrs. Keeler was born in Prince Edward County and she also spent some time in the teaching profession before exchanging the 'teacher's desk' for a parsonage kitchen.

Like her husband the 'Parson's wife' is also gifted with those unique qualities so admired by young people and her jovial enthusiasm will be sadly missed by Explorers, C.G.I.T members, as well as, all other community youth groups.

Following his final service on January 28th Rev. and Mrs. Keeler will move on to a new charge at Parry Sound.

One Vernon resident said it for all when he remarked, "we were indeed fortunate they chose to pass this way".

Rev. and Mrs. Keeler

Name Village Trustees

METCALFE

Following Nomination Days last fall it was noted the Village of Metcalfe had failed to nominate a single candidate for the office of Trustee.

Many ratepayers expressed concern at the apparent lack of interest and there were some who feared administration of the village might be taken over by the township. Others suggested such a move might prove advantageous.

Another 'Nomination Day' was set for January 8th, however and three candidates were nominated - Gordon Boland, Howard Scrivens and Bruce Dow.

The three new trustees assumed office the following day and it is understood the board plans to submit monthly reports to this newspaper concerning activities in the thriving community.

KENMORE

At Kenmore only two trustees were nominated in the fall but since that time the 3-man board has been filled. Trustees there are Ken Kingsbury, Richard Romlinson and W.J. Lyons.

THE NEWS in Brief

L.I.P. Grant To Metcalfe Centre

East Osgoode Memorial Community Centre officials received word last week that their request for a Local Incentive Program grant had been approved.

It is understood the approval means $19,000.00 will be made available and as a result construction of seats in the new community centre will get under way immediately.

Centurians Install Officers To-Night

Winchester 100 Club members will stage a very important meeting to-night (Thursday, January 18th) at Henderson Hall.

The meeting will be called to order at 7:00 p.m. and following dinner officers for the coming term will be installed.

Officials urge all members to make a special effort to be present.

Council Looking For "Volunteers"

Winchester residents interested in becoming active in community work will find plenty of opportunities in the coming months.

Council has already appointed several committee chairmen but completion of committees has been delayed in the hope interested parties will offer to serve.

The following chairmen have been named: Arena Committee, George Davidson; Park Committee, Ron Workman; Pool Committee, Keith Henry, Recreation Committee, Jim Helmer.

Pick the committee you feel best qualified to work on and give the chairman a call.

Metcalfe Agricultural Society Annual

The Annual Meeting of Metcalfe Agricultural Society will be held this year on Saturday, January 27th at 2:30 p.m. at the curling rink.

Despite inclement weather conditions during fair days last fall officials report a very successful year and urge all members to make a very special effort to be present for this all important meeting.

New Portfolio For Claude Bennett

Claude Bennett, 36, former member of Ottawa City Council and newly-elected M.P.P. has been appointed Minister of Industry and Tourism in the Ontario Government. The announcement was made by Premier Davis who also reported that John White, 47, had been appointed Treasurer of Ontario succeeding Charles MacNaughton. Mr. White also takes over as Minister of Economics and Intergovernmental Affairs.

Mr. Bennett represents the Ottawa South riding.

Fire Chief Issues Warning

Metcalfe Fire Chief Peter Griffin warns area residents of the danger of storing gasoline indoors and also urges homeowners not to use torches when thawing out frozen water pipes.

Chief Griffin reported a weekend fire at Lynwood Gardens, near Edwards where he said only the quick action of his men saved a trailer from complete destruction. "They were using a torch to thaw frozen pipes", said the chief, but fortunately we arrived on time and only sections of the floor were damaged.

It is understood contents of the home suffered some smoke damage.

Question Post Office Location

Those who use the Post Office facilities at Metcalfe will have an opportunity to meet officials from the Public Works Department next week.

A meeting has been scheduled for Wednesday, January 24th; 8:30 p.m., at the Community Centre and all interested parties are invited to attend.

The Metcalfe depot has been a controversial issue for many months and the latest set-back was closing of the Victoria Street building from which the Post Office had been operating.

It is understood the Public Works Department already has an option to buy property on Bruce Street on which a proposed new Post Office is to be erected this summer.

At the request of Mrs. C.E. L. Morrow and Gerald Morris Public Works officials were approached by Council and the meeting arranged.

Minor Hockey Week

A Statement From The Reeve

Reeve Walter Shadbolt is calling upon all citizens to support Minor Hockey Week in Canada, which starts Saturday, January 20th.

In announcing his support of young Canada's most important week, the Reeve suggested that the local citizenry would "do well to 'keep in step with Canada' by attending minor hockey games this week".

"It is our duty, and I share it with every local citizen" he said, "to show our appreciation of the efforts of those who make participation in Canada's National Sport possible for our youngsters. Minor Hockey Week is Canada's most successful amateur sports promotion, and it is our duty to see that the local observance is equal to that of any in Canada."

The Reeve pointed out that we have a minor hockey program operating here that does not need to take a back seat to any in the country, but, he said "it needs our support".

"The best way to support the program is by buying a ticket. That starts a chain of events that really supports the local project. First the money helps finance the program. Then the ticket induces us to attend, and our presence encourages the youngsters and those whose efforts are necessary to the success of the local league."

He urged, however, that our support should not stop at encouragement. The Reeve went on to say that "we must pay public tribute to the men, and ladies, who spend so many hours organizing and operating the many leagues and games for our youngsters. By their work they are providing our youngsters with an opportunity to play hockey. Out of this comes better bodies, healthier minds, better boys and better citizens. What greater reward can we hope for?" he asked.

The Reeve concluded by saying "Because participation in Canada's National Sport provides healthy exercise that will improv the body, discipline that will train the mind, teach cooperation, team-play and a respect for rules, the boys are sure to benefit. When the boys benefit, the community benefits, and because the community benefits, the community must contribute. We do this best by supporting Minor Hockey Week. I can suggest no better way than by observance of the official slogan, which is 'don't send - take your boy to the arena', and if you do not have a boy of your own, drop in and watch the others. I know you'll enjoy it".

Announce Engagement

Mr. and Mrs. Gordon Coons of Winchester, Ontario are pleased to announce the engagement of their only daughter, Judith Dianne to Doctor Frederick Robert Southcott Jr., son of Dr. and Mrs. F.R. Southcott of London, Ontario.

Miss Coons is a graduate of the Ottawa Civic Hospital School of Nursing. Dr. Southcott is a graduate of the faculty of Medicine, University of Western Ontario. Marriage to take place in St. Matthias Anglican Church Saturday, March 24, 1973 at 4:00 p.m.

Winchester W.I. Uses Meeting Theme "Friend"

January's roll call at the Winchester W.I. meeting was "Bring a Friend and introduce her". The meeting was held on Monday, January 15th at the Town Hall with twenty-four ladies present.

Plans were discussed concerning quilting activities. "The Knack of sewing with Knits" course was started last Wednesday and proceeds through each Wednesday evening in January at N.D.D.H.S. The Ontario Ministry of Agriculture and Food, Home Economics Branch has planned a summary day at Chesterville Town Hall on February 2nd for those taking part in the course.

A donation of $25. will be given to the Minor Hockey League of Winchester.

Mrs. Hugh Coons read an article entitled "The Art of Friendship" in reply to the motto "The only way to have a friend is to be one".

Mrs. Mervyn McGregor and Mrs. Gerald Helmer conducted contests and a sing song. Some articles left from the Trade Fair were sold and the meeting closed with a delicious lunch served by Mrs. M. McGregor and her committee Mrs. Ken Carlyle, Mrs. Mary Deeks, Miss Jean Wyatt and Mrs. Gerald Helmer.

An expression of thanks to the committee was given by Mrs. W. Shadbolt.

Winchester UCW Elect Officers

Mrs. Gordon Ennis was re-elected president of Winchester U.C.W. at the Annual Meeting on January 11th.

The meeting was well attended and Worship Service was conducted by Mrs. Ennis and Mrs. A. Moorhouse using the theme, "What More Can You Give?"

Miss Bonnie McConnell was pianist for hymns and music during the offering when each member wrote her "Good Intention" on a slip of paper and placed it on the offering plate.

During this service one candle was lit for the fellowship found in the U.C.W. and a second candle, in memory of the following members who had passed away during the past year: Mrs. Faye Scott, Mrs. Minnie Droppo, Mrs. Nora Francis, Mrs. Ethel Christie, Mrs. Gertrude Casselman and Mrs. Ethel Barton.

Financial reports submitted by treasurer, Mrs. J. Barrett and unit leaders showed the branch enjoying a very sound financial position.

Mrs. Ennis reported on meetings and workshops she had attended on behalf of the local group and several other committee reports were heard.

Mrs. Ennis reported approximately 30 Good Cheer baskets had been packed and delivered for Christmas, as well as many flowers and gifts.

NEW BUSINESS

Following discussion U.C.W. members agreed to again cooperate with the Carnival Committee by working with other churches to serve a smorgasbord dinner on Thursday, February 22nd.

Mrs. Ennis told members she had received a request from Mrs. A. Morrison, Regional Vice President, asking for an expression of opinion on three questions and each was dealt with in turn.

1. A change of boundaries for the local regions. On a motion by Mrs. A. Moorhouse and Mrs. K. Renwick the branch agreed it was satisfied with the present boundaries.
2. Preferred time of day for Presbyterial meeting at Long Sault in April.

Members voted in favour of morning-afternoon session.

3. Fall Rally suggestions.

Members voted in favour of a short session preferably in the afternoon.

The following slate of officers was elected for the coming year:

Past President, Mrs. Clark Curtis; President, Mrs. Gordon Ennis; 1st Vice-president, Mrs. Charles Anderson; 2nd Vice-president, Mrs. Arthur Moorhouse; Recording Secretary, Mrs. Randall Wylie; Corresponding Secretary, Mrs. Harold Clarke and Treasurer, Mrs. John Barrett.

Community Friendship and Visiting, Mrs. E. Faulkner; Membership Secretary, Mrs. Angus MacDonald; Literature Secretary, Mrs. Allison Fawcett; Chairman of Finance, Mrs. Harold Francis; Press and Publicity, Mrs. Randall Wylie; Supply and Welfare, Mrs. Elwin Hill; Pianist, Mrs. Gerald Barton; Nominating Committee, Mrs. Clark Curtis and Mrs. Frank Milne.

Unit Leaders are:
1. Mrs. Ed. Smith
2. Mrs. Percy Armstrong
3. ----------
4. Mrs. Arthur Moorhouse
5. Mrs. Hugh Coons
6. Mrs. Frank Milne

TODAY'S CHILD

BY HELEN ALLEN

THE TORONTO SUN SYNDICATE

Before Freddy's picture arrived his social worker reported that this toddler has a most appealing smile. As you see, she didn't exaggerate.

Anglo-Saxon in descent, he has very dark eyes, brown hair and fair skin.

Freddy is nearly two but he is so small he looks much younger. Though he was a full-term baby he weighed only four-and-a-half pounds when he was born and it seems that he will continue to be a little fellow.

Freddy has Pierre-Robin Syndrome, which usually means the person affected has a small mouth, cleft palate and receding chin. There is no outward sign of his problem and his palate is now diagnosed as "soft" rather than "cleft". He will not need corrective surgery but may later require speech surgery and orthodontic work.

Freddy has progressed from requiring all food put through a blender to being able to eat a fairly normal diet as long as foods are mashed with a fork. He has a good appetite and he sleeps soundly.

Freddy walks well and talks a good deal. His vocabulary is limited, as you would expect, but he tries to repeat everything said to him.

This happy, friendly boy beams on everybody paying any attention to him. He is affectionate, energetic and very determined.

The Syndrome in Freddy's medical history occasionally means a child is retarded. This laddie is not, but he will likely be a slow learner.

Lovable Freddy needs a family who will welcome a lively affectionate small boy and who will be committed to helping him later with speech therapy.

To inquire about adopting Freddy, please write to Today's Child, Box 888, Station K, Toronto M4P 2H2. For general adoption information, please contact your local Children's Aid Society.

WPS News Notes

by Grade 8 Students

As usual Winchester Public School has been very busy with school activities. Many events took place in 1972 and many more are developing for 1973.

Our Christmas Concert was a great success and we hope you enjoyed it as much as we did in performing it for you.

The annual Dundas County Public Speaking Contest will be held at Winchester School sometime in early March. Most senior students are busy trying to produce the winning speech for the W.J. Stewart trophy.

Sufficient money was raised by the Grades 7 and 8 students to purchase indoor sports sweaters. They are presently thinking of new ideas to raise more money to buy another set of heavier sweaters. These will be used for various outdoor sports.

Once again the senior girls of W.P.S. are preparing for the Dundas County Volleyball Tournament. It was originally scheduled for December 16, 1972, but was cancelled at the last minute due to a heavy snowfall. January 20th is now the date set for the competition to be held at North Dundas District High School.

It would seem that 1973 promises to be a very busy and exciting year for the students at Winchester Public School.

"Four For The Road" Visits Hallville's A & B Foods

by Mrs. W.T. Coleman

Residents of Hallville and district were proud to view part of their community on the popular C.B.C. Channel 4, T.V. Show, "Four for the Road" on Thursday, January 11th.

The mobile units, four in all stopped at A. and B. Foods and Miss Joan Wright and Bob Knapp, narrators of the show chatted with the nine employees and Mr. and Mrs. Lough. They then began filming the egg-grading procedure. The film showed the handling of eggs by vaccum; the candling process; the washing; and grading and the final steps of packaging into cartons of various sizes.

Mrs. Lough explained each step to Bob Knapp and the viewers while Miss Wright interviewed Mr. Lough concerning the business and the number of times an egg was handled before consumers obtain the actual product. Mr. Lough suggested possibly twenty to twenty four times.

Mention was made of A. and B's latest product, "Pickled Eggs", which are now being made and retailed to various outlets within 200 miles radius of Hallville. The brand name being A. and B. "Pickled Kackleberries".

Unfortunately one of the mobile units was stranded in the yard of A. and B. Foods for more than three hours due to a broken air brake hose. Tow trucks were called to assist and finally the four million dollar unit was back on the road making its way to Morewood, and their next show.

St. Paul's Women's Missionary Society Meets

The January meeting of St. Paul's W.M.S., Winchester was held at the Sunday School hall with president Mrs. W. McKercher in the chair.

Mrs. McKercher opened the meeting with a quotation from a Christmas message delivered by the late King George VI.

Scripture reading in unison was followed by roll call and reading of minutes.

It was agreed meetings during the winter months will be on Monday afternoons.

Members were reminded the World Day of Prayer services will be at St. Paul's on March 2nd this year.

The study period was under the direction of Mrs. Robt. Ledgerwood, Mrs. L. Summers and Mrs. Mary Suffel. Mrs. Ledgerwood read a paper prepared by Mrs. Suffel and introduced the study book on India for 1973.

Mrs. McKercher closed the meeting with the Hymn, "If I have Wounded Anyone To-Day".

Teachers Urged To Use "Humanistic" Approach

"The pursuit of quality in education" was the underlying theme as over 400 teachers of the Carleton Roman Catholic School Board participated in their annual Professional Development Day at the Talisman Motor Hotel.

Dr. W. Lawlor of McGill University delivered the keynote address to the opening assembly. He stressed the need for continued progress in education but warned of the danger of dehumanizing the schools in this pursuit of progress. He spoke of the need for teachers to bring their total personality to the classroom and to reach out to the students through a personalized and human contact. He described this humanistic approach as the "flower garden" concept and stressed its future urgency as a counter-balance to the mechanical and impersonalized "clockwork concept" which society to often imposes on the child.

The remainder of the morning consisted of workshops and discussion groups which were divided in accordance to levels and subject areas.

The need for continuation of the basics in the various subjects dominated the activities and discussions.

The luncheon was highlighted by a speech by Mr. W. Crossan, Executive Director of the Board. He indicated to the teachers that, due to government cutbacks and ceilings, the outlook for education in the near future presented a difficult and trying time. Two way communication between the administration and teachers, based on the rapport that had been established over the years, was a necessity if these problems were to be met and solved. He said that new approaches must be sought which would continue to provide quality education with the resources available. Two new approaches which he asked the teachers to consider were programmed studies and the use of teacher aides. He proposed the setting up of a teacher committee made up of principals, co-ordinators and classroom teachers which would study various problems and present their solution to the administration. The committee's first assignment would be to study the present student-teacher ratio within the schools in hope of finding a more equitable distribution.

Following the luncheon the teachers were free to select one of twelve workshops which had been organized and conducted by classroom teachers. These electives covered a wide range of interest areas other than core subjects and included such selections as drama, outdoor education, listening centres and the use of printed media in the classroom.

Archie Sayant Metcalfe Lion Member Seeks Deputy Governorship Position

Archie Sayant, a Charter Member of Metcalfe and District Lions Club and presently Zone Chairman for the district, will stand for election to the important post of Deputy District Governor.

Mr. Sayant, who has been extremely active in all phases of Lionism, expressed some reluctance to run for office but submitted to the urging of fellow club members at last week's regular meeting, and agreed to contest the election which will take place at the Annual Convention in May.

The first meeting of the new year was held at the 'Den' with most members present, as well as, a large representation from the Ottawa East Lions Club including the present Deputy District Governor Ed Ayoub.

The meeting was unusually long since reports were heard from various committees concerning Christmas projects.

The club's interest in a proposed new medical clinic for the area was also under discussion. Following comprehensive reports by Rev. Minveille and Archie Stewart the club agreed to take further steps towards implementation of such a project and authorized the existing committee to meet with Township officials at an early date.

Reports from the Minor Hockey Committee, submitted by Peter McCooeye and Don McIntosh, indicated the program was proving self-supporting and club members were assured that revenue from play-offs would most certainly prove the incentive needed to iniate an even more extensive program next season.

Melvin Tomkins reported his committee had set up tentative plans for the Winter Carnival and assured members a comprehensive program would be made available for the meeting on January 24th.

Program director Joe Rowan reported a special guest speaker for the next meeting in the person of Pat McAlpine. Mr. McAlpine is an Ottawa school teacher who is presnetly playing a major role in the organization of school boy curling, and his message should prove of interest to both curling and non-curling members.

Wheel Chair Gift

John Hughes, a long-time resident of the community and a director of Metcalfe Agricultural Society was a special guest at the meeting and presented the club with a wheel chair. Introducing Mr. Hughes, Harold Cowan reminded members that, although 'John' was not a club member, he had always been a keen supporter of all club activities. Mr. Hughes presented the chair in memory of his wife whose death occurred very recently. He was thanked by Health and Welfare Committee chairman Reg. Gamble.

The 1973 Astre

The 1973 Astre, General Motors of Canada's new small car, went on sale at Pontiac dealers' showrooms, January 11, 1973. Astre is available as a two-door standard coupe, a two-door Safari station wagon, a two-door hatchback coupe and a versatile panel van. Shown here is the Astre hatchback coupe with GT option.

Old Number Seven School May Become Medical Centre

S.S. No. 7, once known as Blair's School, and in later years after the old stone structure had been replaced by a modern new two-room complex, as Greely Annex, may soon become a medical clinic.

Although comparitively new the building is numbered among the schools recently declared 'surplus' by the Carleton Board of Education.

Members of Metcalfe and District Lions Club, convinced there was a need in the area for additional medical Doctors and Dentists, began as early as last summer to study the possibility of converting the school into a modern clinic. A committee, chaired by Archie Stewart, was set up to study the issue and representatives of the various township organizations were called to a special meeting.

Since there were few, if any, dissenting voices, the committee, including Rev. M. Minvielle, Roy Porteous, Dr. C.E.L. Morrow and club president Eric Shortt proceeded to study the matter in detail.

The Carleton Board of Education, eager to have such fine buildings put to some productive use, made it known the school could be purchased by the township at a very low cost.

The committee, by this time well aware that such a venture could be the most costly step in the history of the club, reported back to a general meeting where members enthusiastically endorsed the scheme.

Letters of encouragement were also received by the club from other organizations and as a result the committee met with Osgoode Township Council members last week to further persue the issue.

Present for this meeting was a representative from the Carleton Board of Education who outlined the steps necessary before the school could be turned over to the township. The township, in turn, agreed not to stand in the way if the lions wished to proceed with proposed plans.

Reeve W.A. Taylor told the delegation he was not completely convinced the move was wise but said he would not stand in the way. "I will not, however," he said, "agree to spend one dollar of tax money for this purpose".

It is understood the Lions legal adviser is presently drawing up an agreement between the club and council and there is a distinct possibility the township could have both a medical doctor and a dentist in the near future.

Home Economics Branch Offers Tailoring Course

The Home Economics Branch of the Ontario Ministry of Agriculture and Food is holding an eight (8) day (4 days of each of two weeks) course on Tailoring from 9:30 a.m. to 3:30 p.m. on Tuesday, March 13th to Friday, March 16th and Tuesday, March 27th to Friday, March 30th.

Participants should be well experienced in general sewing techniques before attending the Tailoring Course.

Participants will be required to provide any rental fee for hall and to help supply some of the equipment needed.

Pre-Course Meeting - It is advisable to attend the pre-course meeting being held at Greely Community Centre, Greely, Ontario at 1:30 p.m., Thursday, February 1st, 1973. At this meeting the course will be explained and planned and the general set-up and requirements discussed. The place for holding the course will also be decided.

Minor Hockey Week

My boy is 9 and he pauses to state,
He's playing hockey to-night at eight;
"Me, I can't go, don't count on me,
Go down and play, I've paid your fee."

My boy is 10; his coach needs a car
To take the boys to a town that's far;
"Certainly not! My car can't go!
It's not much good in ice and snow."

My boy is 11 and he needs new stuff,
He says his old gear is not big enough.
"Now it costs me money to bowl and curl,
Oh! I wish to God he'd been born a girl."

My boy is 12 and he wants to know
Why some fathers stay and others go.
"Now, son, don't annoy your mother and me,
We have to play bridge with the Jones', see!"

My boy is 13, he questions no more,
I guess he's finally learned the score.
"I don't know a thing about the game,
It's not my fault, I'm not to blame."

My boy is 14, the years have flown,
He's strong and tall, my how he's grown.
It's now too late to shed the tears,
My God, I've missed his childhood years!

TAKE HIM, DON'T SEND HIM!

Canada Minor Hockey Week runs from January 20th to January 27th. During this week make that extra effort.

Unusual luncheon dish combines Belgian endive with tangy ham and creamy Holland imported Edam cheese.

Endive Mornay with Holland Edam

THE endives used in this recipe are the Belgian variety with long, compact cream-coloured heads, tinged greenish-yellow at the tips. This unusual vegetable, wrapped with ham and creamy Holland imported Edam, makes a welcome change to a winter luncheon menu.

8 endives
½ cup water
1 tablespoon lemon juice
8 slices Holland imported Edam cheese
8 slices ham
2 cups mornay sauce
¼ cup grated imported Holland Edam cheese
melted butter

Trim and wash endives. Shave discoloured bits off the root end, taking care not to loosen leaves. Carve a cone-shaped piece out of the core at the root, as this can be bitter. Blanch end of the season endive 10 minutes in boiling salted water.

Braise the endives in a casserole, arranged in a single layer. Add water, lemon juice, butter, salt and pepper. Cover with waxed paper, and a lid. This will keep endives moist. Boil slowly for 20 minutes or until endives are fairly tender and liquid is reduced to half. Then bake in a 325° oven for 1 hour or until the endives have turned a straw colour and nearly all the liquid has evaporated. They may be prepared ahead of time to this stage.

Wrap each braised endive with Holland imported Edam cheese, then a slice of ham and arrange in the baking dish. Cover with mornay sauce and sprinkle with grated Holland Edam cheese and melted butter. Bake in a 375° oven for ½ hour or until cheese is browned on top.

Serves 4.

MORNAY SAUCE

4 tablespoons butter
4 tablespoons flour
2 cups milk or half milk and half chicken stock
salt and white pepper
dash of nutmeg

Melt butter until bubbling. Add flour and stir. Remove pan from heat and add liquid. Beat until smooth and cook until thickened. Season to taste with salt, white pepper and nutmeg.

Makes 2 cups.

SHELDRICK—In fond and loving memory of a dear mother and grandmother, Mrs. Irvine Sheldrick, who passed away January 18th, 1970.

You left behind an aching heart,
That loved you most sincere;
I never did, nor never will
Forget you, Mother dear.

—Lovingly remembered by daughter Jean and family. 38c

WEAVER—In loving memory of a dear friend, John Weaver, who passed away January 19th, 1969.

We do not need a special day
To bring you to our mind,
For the days we do not think of you, John,
Are very hard to find.
Others were taken, yes we know,
But he was our friend and we loved him so.

—Sadly missed by Velma and Clifford Francis and family. 38p

McLEAN—In memory of a beloved husband and father, Thomas G. McLean, who was killed December 31, 1965, and his father, James P. McLean, who passed away January 22nd, 1967.

IN MEMORIAMS

HANES—In loving memory of a dear wife and mother, Jessie M. Hanes, who passed away so suddenly on January 20th, 1968.

Not dead is mother, but sleeping,
In her Father's home above,
Rewarded for her suffering,
Rewarded for her love.

—Never forgotten and sadly missed by husband Foster and family. 38p

WEAVER—In loving memory of a dear son-in-law, John Albert Weaver, who passed away Sunday, January 19th, 1969.

The departed, whom we now remember,
Has entered into the peace of life eternal.

John still lives on earth in the acts of goodness he performed and in the hearts of those who cherish his memory. May the beauty of his life abide among us as a loving benediction.

—Sadly missed but not forgotten by Harvey and Verna Derby. 38c

WEAVER—In fond and loving memory of a dear husband and father, John Weaver, who passed away January 19th, 1969, and a darling little daughter and sister, Allannah Weaver, who passed away on October 19th, 1971.

Take up thy Cross and follow Him,
Nor think to lay it down;
For only he who bears the cross
May hope to wear the crown.
In that eternal city
Where no tears will dim the eye,
In the home of many mansions
We will meet them by and by.

OSGOODE TOWNSHIP COUNCIL

Reeve W. A. Taylor Makes Inaugural Speech

"In my opinion", Reeve W.A. Taylor told fellow Osgoode Township councillors in his opening remarks to the newly-elected slate, "top priority of this Council at this time is to bring our official plan up to date and at the same time make every effort to have our comprehensive zoning by-law approved by the Ontario Municipal Board".

Stressing the importance of proper planning he suggested council should seek as much assistance as possible from the Ottawa-Carleton Regional Planning Board.

"If arrangements cannot be made to get this assistance on a gratis basis", he said, "I feel that we should be willing to attain it on an agreed fee for service basis".

"I cannot emphasize too strongly", he went on, "that our plan and comprehensive zoning by-laws are our first priority".

The Reeve, re-elected to office with a resounding vote of confidence in the fall election, welcomed other successful candidates remarking that the election of Lorne Harrison leaves the new council exactly as it was three years ago.

MORE OFFICE STAFF REQUIRED

Complimenting the township's 'capable and well balanced' office staff, Dr. Taylor suggested the burden of the Clerk's office has reached a stage where it is too great for the present staff to cope with. "I am therefore recommending", he said, "to this Council that we proceed at once to acquire an Assistant Clerk and Treasurer for this Municipality".

Reminding fellow members of council that the township's revenue depends almost entirely on taxes from real property and from cash transfers in the form of subsidies from the Provincial Government, he spoke of the urgency of holding the tax line.

"It would appear to me", he warned, "that this Municipality has reached the limit on the amounts of taxes that property owners are able to provide and outstanding taxes provide concrete evidence".

The Reeve recommended special studies of road programs and suggested the possible need for an additional employee to be responsible for all purchases and all disbursements in that department.

Dr. Taylor recommended a complete review of existing by-laws with a thought to up-dating and urged all council members to give full support to by-law enforcement officer Stewart Cossar.

LIMIT REACHED IN RECREATION

Speaking of the fine recreational facilities now available in the Township and the tremendous tax load now being carried he recommended to fellow members of Council that further requests along this line be given very serious consideration before being approved.

Members Of Council

Members of Osgoode Township Council met early in the new year and, as Reeve Taylor remarked, "our council is now constructed exactly as it was three years ago. Dr. Taylor was referring to the fact that Lorne Harrison, who had been forced to retire due to ill health, had been elected again as the newest member of council. All other members had been re-elected.

In his remarks to council Reeve Taylor, noting that all members were experienced in municipal affairs, told his fellow councillors, "In spite of all the advances of technology in other areas, man has not found a suitable substitute for experience".

Council members are pictured during their first meeting of the year. Left to right, seated, Clerk-Treasurer Fred Wilson; Reeve Dr. W.A. Taylor; Councillor Maynard McDiarmid. Standing, left to right: Councillors Albert McKeown, Lorne Harrison and Phil McEvoy.

APPOINTMENTS

TIME CONSUMING PART ON COUNCIL AGENDA

Osgoode Township Council has met several times during it's first weeks in office to handle the time-consuming task of appointing the various boards and committees. Clerk Treasurer Fred Wilson has released the following appointments for the coming year:

Greely Community Centre Board: Councillors Phil McEvoy and Albert McKeown, Jim Anderson, Mac Garrett, Fred McConnell, Mike Quinn and John Rawlings.

East Osgoode Memorial Community Centre Board: Councillors Albert McKeown and Lorne Harrison, Ray Wilson, Bill Armstrong, Bill McVey, Les Robinson and Cecil Reaney.

Osgoode Village Centennial Community Centre Board: Reeve W.A. Taylor, Councillor Maynard McDiarmid, Stuart Holmes, Clarence Mussell, Mrs. Ross Raylor, Stewart Cleland and Larry Cobus.

Committee of Adjustment: Cecil Reaney (1973 and 1974); Arthur Stanley (1973 - 74 - 75); Eldon Brownlee (1973).

Osgoode Township Planning Board: Dr. W.A. Taylor, Lorne Harrison, Archie Davidson, Ken Kingsbury and Bruce Taylor.

Osgoode Township Library Board: Dr. W.A. Taylor, Archie Stewart, Lorne Brunton, N.V. Harris and L.S. VanRens.

Pound Keepers: Harvey Linton, Maurice Loughlin, Laird Hawkins, Glenn Rodney and Richard Dennison.

Fence Viewers: Roy Shields, Richard Dennison, Alton Saunders, Ken Murdock, Donald Duncan and Clarence Murray.

Livestock Valuers: Alex Campbell and Thomas Stanley.

In other business it was noted arrangements have been completed to have Albert Street, in the Village of Metcalfe, sanded (and or salted by Regional Government with local council picking up the tab. This will mean that stretch of road from Victoria Street to the Fair Grounds.

It was noted tenders had been opened for installation of a new oil furnace at the township garage and that the contract had been awarded to Metcalfe Fuels Ltd.

Reeve Taylor, Councillors Phil McEvoy, Maynard McDiarmid and Albert McKeown will attend the Rural Municipalities Convention at Hamilton.

Governing Guidelines Now Extended To Assistants

Premier William Davis today announced that the guidelines now governing Cabinet Ministers with respect to conflict of interest will also apply to Parliamentary Assistants.

The Government's seven parliamentary assistants will be required by the Premier's decision to declare and make public their land private company share holdings and also to set up trust agreements to take over control of any shares they own in public corporations doing business in Ontario.

The parliamentary assistants are:

- - Arthur K. Meen, M.P.P. for York East, and

- - Donald R. Irvine, M.P.P. for Grenville-Dundas, both parliamentary assistants in the Ministry of Treasury, Economics and Intergovernmental Affairs;

- - John R. Smith, M.P.P. for Hamilton Mountain, Ministry of Education;

- - William Newman, M.P.P. for Ontario South, Ministry of Transportation and Communications;

- - John Rhodes, M.P.P. for Sault Ste. Marie, Ministry of Natural Resources;

- - Frank Miller, M.P.P. for Muskoka, Ministry of Health; and

- - Leonard M. Reilly, M.P.P. for Sault Ste. Marie, Ministry of Natural Resources;

Premier Davis said he would expect the parliamentary assistants to make their land holdings available for disclosure by the end of this month and disclose their other private holdings, where applicable, within a month.

With regard to owning shares in public corporations, he said the parliamentary assistants would have three months from January 15, 1973 to establish trust agreements whereby the control and management of their investments, if any, would be turned over to independent trustees.

All disclosures, as in the case of Cabinet Ministers, will be filed with the Clerk of the Legislative Assembly where they will be available for public examination.

Vernon And District News

Our sympathy is extended to the family and friends of the late Mrs. John Hughes who passed away last week. Sympathy is also extended to Rev. Dean Purdy, formerly of Metcalfe and Vernon in the death of his father and to the family of the late Rev. Elder who was a former minister here.

Mr. and Mrs. Bruce Acres spent a couple of days last week in Toronto where Bruce attended the Milk Producers Convention.

A large number attended the benefit party held for Mr. and Mrs. Theo. Jansen on Friday evening at the community centre in Metcalfe. Dancing was enjoyed to the music of John Verhoven's orchestra. Refreshments were served by the Jansen neighbours.

A presentation of money was made to Theo and Elsie on behalf of those present for which they each expressed their thanks.

Mrs. Glen Lougheed is a patient in the hospital in Winchester. All will join in wishing her well and home again soon.

Metcalfe W.I. Meets

Mrs. Morrow, wife of Dr. C. E.L. Morrow, was guest speaker at the January meeting of Metcalfe W.I. presenting an interesting and informative address on infectious diseases.

The meeting was at the home of Mrs. Wilmott Stanley where seventeen members and one visitor answered the roll call, "How to keep our community a healthier and happier place".

Mrs. Quinn read a poem and conducted a contest while Mrs. Wm. Dow reported on catering activities.

Lunch was served by the hostess, assisted by Mrs. Arnold Toll.

The February meeting will be at the home of Mrs. Dave Cook.

Osgoode Township High School Notes

by Barb MacDonald

Monday, the senior boys basketball team played Sir Robert Borden but lost 41-26. The high scorer was Mark Levesque with 10 points.

Tuesday the hockey team, junior basketball and wrestling teams all went to Merivale. The hockey team came back from an 11-1 loss Monday to South Carleton, and tied Merivale 4-4. Dave Pettigrew scored two goals with Mike Rocheon and Mike deHoog scoring the others.

The wrestlers were involved in a tri-meet with Sir Robert Borden as well as Merivale. Blaine Francis and Tony O'Malley won both their fights and Randy Vaillancourt, Peter vanRens, Larry Varga and Keith McEvoy each winning one. The Junior basketball team lost 49-11 to Merivale.

Wednesday our Senior boys basketball defeated Earl of March 35-28. Mark Brouillette was high scorer of the game with 19 points.

by Duff Drerar

Last week we spent an hour in the gymnasium with the "Trampchamps", Canadian Trampoline performers on tour in Ontario high school districts, presenting an educational and entertaining show with their trampoline.

Wayne King: 1971 Senior Trampoline Champion gave a demonstration of the "Do's and Don't's" of trampolining, followed by Jack Weber: 1971 Junior Champion who showed us the secrets of "high bouncing" and multiple somersaulting. Then together they performed routines one might see in international competition. Mr. King is presently rated Ninth in the World on the trampoline, and together with Jack Weber they kept the thrilled audience on pins and needles during the show.

Under the coaching of Mr. Branson and Mrs. Pierson students are now curling after school. Several teams are competing three nights a week in the Metcalfe Curling Rink. At the Schoolgirl Bonspiel in Ottawa over the holidays, our team placed 2nd in the Consolation Round.

Saturday, January 6, was the night of the performance of "No Man's Land", the Drama Club's "Anthology of Women's Lib". A collection of short plays, dance and music presented informally to an audience seated around the stage. The performers were highly pleased with the response from the audience. Funds from the play were put aside to finance a "Children's Play", which will be presented by the Drama Club at area Public Schools in the Spring.

Curling has started after school twice a week for interested students under the coaching of Mr. Branson and Mrs. Pierson. Students have already competed in the Schoolgirl Curling Bonspiel at the Curl-o-Drome in Ottawa over the holidays. They placed second in the Consolation Division. Our rink was skipped by Meredith Gilbert. Competitors came from all over southeastern Ontario.

In the week before the Christmas holidays the school had celebrated the season with a Staff-Student hockey game, film show, and our Seventeenth Annual Christmas Assembly. Hosted by Mr. Mullen, the gala performance lasted three hours, featuring comedy, drama and music. The teachers delighted the students with a satire of school class situations and with a six man band that kept the auditorium rocking.

Ever Play Floor Hockey?

South Mountain doesn't have a modern closed arena but it does have the beautiful modern Nationview Public School.

Lack of indoor ice facilities might be considered a handicap for area youngsters but such is not the case. Thanks to the efforts of interested parents and others some 80 boys and girls between the ages of 8 and 13 play hockey every Thursday evening - floor hockey that is.

The project manager is Terry Foley who is ably assisted by Dwayne Berry, Randy Gates, Garry Gates and local parents who act as coaches.

Operating as a 'House League' there are four teams competing - Montreal; Toronto; Atlanta and Boston, and at the present time the Atlanta Flames are in top position.

It's loads of fun - the children love it and the entire venture is being sponsored by Mountain Township Recreation Association.

Accompanying pictures were taken 'where the action is'.

Mr. and Mrs. David Gilmer called on his sister, Mrs. John McGowan of Brinston on Wednesday. Mr. McGowan is a patient in the Civic Hospital, Ottawa.

Mr. Carl Cooper of Brinston, assessor was calling in the valley this week. He is the assessor for Matilda Township.

Mr. and Mrs. Samuel Cowan and family of Prescott spent Saturday evening at her father's, Mr. Hilliard Gilmer and grandmother Mrs. Mary Gilmer. Mr. and Mrs. Cowan attended a banquet at Winchester on Saturday night.

Mr. and Mrs. Rae Merkley of Winchester were Thursday visitors of Mr. and Mrs. David Gilmer.

Birthday Greetings to Mr. Ross Gilmer of Ottawa and Mr. Orvall Cowan coming up on Sunday, January 21st. To those having birthdays, anniversaries we wish them much happiness.

Ontario Place Appoints New Administrative Director

John W.E. Brown has been appointed Director of Administration and Finance of Ontario Place, it was announced today by Ian C. McLennan, Director General of the province's waterfront exhibition and entertainment centre.

The new director was educated at Queen's University in Belfast, Northern Ireland, and McGill University, Montreal. Mr. Brown brings to his new Ontario Place executive post a strong administrative and financial background, gained in directorial and managerial positions with a large international corporation operating in Canada. Most recently he has been a business consultant, involved in corporate reorganization, employee benefit planning, administrative procedures and financial evaluation.

In his new position at Ontario Place, Mr. Brown will report directly to Mr. McLennan. His duties will involve responsibility for the complete day-to-day administration and financial activities of the 96-acre Ontario Government project, including the establishment of personnel policies and procedures, personnel evaluation programmes, capital investment analysis, budget preparation and control and cash flow, in addition to designing and implementing accounting and information systems.

Mr. Brown will assume his duties immediately, at the Ontario Place Corporation offices, 8 York Street, Toronto. His appointment is the third announced by Mr. McLennan as part of a management restructuring programme. The others were those of J.C. (Craig) Furves as Director of Planning, Construction and Maintenance, and Len Casey as Director of Programming.

Mr. and Mrs. Brown and their three children live in Agincourt, Ontario.

South Mountain Ladies' Guild Meets At Robinson Home

Members of the Ladies' Guild of St. Andrew's Presbyterian Church, South Mountain held their first meeting of the year at the home of Mr. and Mrs. T. Wm. Robinson.

The President, Mrs. Arnold Shaver opened with the call to worship after which a Hymn from the new "Book of Praise" was sung followed by prayer by Mrs. G. Blow.

The Scripture was read in unison and all members contributed to the program. Mrs. Gordon Cumming read an article on the 'New Year'; Mrs. Don Scott read a paper entitled "Jesus, what have you done to us?"; Lou Hunter gave a reading on "Prayer in Action"; Mrs. Ruby Robinson conducted a Bible quiz on 'Windows'; Mrs. Beatrice Shaver conducted a quiz on "Men of the Bible" and Mrs. Blow read a paper on "How to have a Happy New Year."

Rev. J.J. Hibbs introduced a new hymn "Twas in the Moon of Wintertime", a Huron Indian Christmas Carol, explaining the story of its origin.

During the business part of the meeting, the usual donation was made to the 'Armagh Home' in Toronto and a donation to Knox Church, Iroquois for rental of films.

Following the closing hymn Rev. J.J. Hibbs closed the meeting with prayer.

Mrs. Robinson served a delicious lunch and a social hour was spent.

Feed Prices Climb

There is very little we can do but offer sympathy to farmers who have to purchase grains and supplements at current prices. Fortunately, prices farmers receive are high so the pain is not quite so noticeable.

There could, however, be considerable saving if a few considerations were made in formulating rations and feeding grain mixtures.

Urea should be fed to the maximum recommended, but care should be taken to start animals onto it on a gradual basis. Mixing a supplement containing urea with ground grains must be thorough and no top dressing should be practiced.

Although generally not a good practice certain classes of animals at certain stages could be underfed protein. Cows coming near the end of their lactation period, dry cows and well-grown heifers could receive minimum amounts of protein. However, milking cows and young cattle should not have protein reduced.

Perhaps the most important step any farmer can take at this time is to determine the amount of nutrients presently being fed. Once he knows this and the requirement, he can adjust his rations accordingly.

Almost equally important is to know how to compare the cost of feeds by nutrient level. We can assist any farmer who wishes help in this connection.

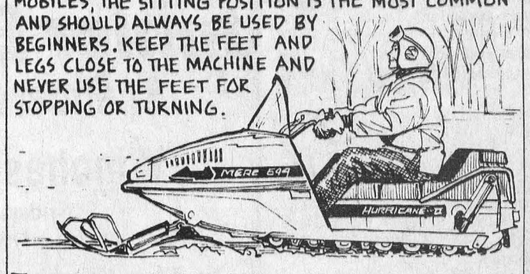
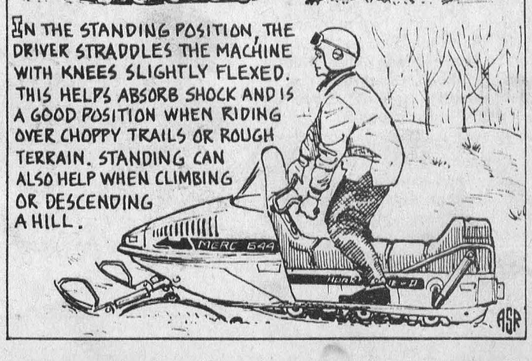
BOB BREWSTER OUTDOOR EDITOR
Mercury Snowmobiles

THE SAFE OPERATION OF A SNOWMOBILE DEPENDS TO A GREAT EXTENT ON THE DRIVER'S POSITION. ACCORDING TO THE AUTHORITIES AT MERCURY SNOWMOBILES, THE SITTING POSITION IS THE MOST COMMON AND SHOULD ALWAYS BE USED BY BEGINNERS. KEEP THE FEET AND LEGS CLOSE TO THE MACHINE AND NEVER USE THE FEET FOR STOPPING OR TURNING.



THE KNEELING POSITION, IN WHICH THE DRIVER PUTS ONE KNEE ON THE SEAT WITH THE OTHER FOOT ON THE RUNNING BOARD, IS RECOMMENDED WHEN RIDING ON THE SIDE OF A HILL. IN THIS POSITION, IT IS EASIER TO LEAN INTO THE HILL.

IN THE STANDING POSITION, THE DRIVER STRADDLES THE MACHINE WITH KNEES SLIGHTLY FLEXED. THIS HELPS ABSORB SHOCK AND IS A GOOD POSITION WHEN RIDING OVER CHOPPY TRAILS OR ROUGH TERRAIN. STANDING CAN ALSO HELP WHEN CLIMBING OR DESCENDING A HILL.



Hawks Split Games Jets And 72's Win

Winchester Hawks, before a record hometown crowd in the new arena edged Prescott 'Saints' in a fast, clean game last Friday night. In a return match on Sunday, however, the locals dropped a 7 to 2 decision.

Metcalfe and Embrun both added to their standing totals with weekend wins. Jets thumped Alexandria 8 to 6 while Embrun clobbered Spencerville 6 to 1.

HAWKS

Hawk officials told the Press they were extremely well pleased with fan support and issued the reminder that, for the benefit of those who like to watch the game in comfort, seats are available in the upstairs hall.

The first period on Friday night ended in a 2-all tie with Hawk goals by James Duncan and Brian Clayton. Prescott marksmen were Dave Millward and John Appleby.

Winchester moved into a 2-goal lead before the second period ended and went into the dressing room with the score 6 to 4. Second period goals were notched by Lloyd Fawcett, John Klein Swarmink (2), and Dan Arcand. For Prescott Millward scored his second of the night and Peter Lapensee picked up the other.

Early in the final period, Lapensee, with his second of the night closed the gap but Duncan also scoring his second of the game put Hawks 2 up once more.

In the dying minutes of the game Prescott's Dale Marshall beat Kevin Baldwin but despite repeated power plays the Saints were unable to beat the agile Hawk netminder again.

It was a big night for James Duncan who not only scored two but also added two assists to his already impressive total. Other Hawks registering assists included: Pual Timmins, Ivor Mesley, Bob Volks, Bob McClintock and Klein Swarmink and Keith McRoberts with two.

Winner of the 50-50 Draw was Bob Crummy of Winchester. ($64.25)

EMBRUN

Embrun 72's blasted Spencerville in a hard-hitting battle at Spencerville arena Saturday night moving into the lead early in the game and adding markers at the rate of two per period throughout the game.

Ronald Lafleche and Michel Bourgeois each tallied twice for the winners while Jacques Landry and Pierre Patenaude recorded singles. Brian Jansman ruined 72's shut-out hopes.

JETS

Steve Morris and Greg Holmes each scored twice to spearhead the Jet attack at Alexandria on Sunday afternoon.

Norm Villeneuve, Ken Kelly, Larry Shields and Bob Woods each scored once.

Final score Metcalfe, 8 - Alexandria, 6.

Support Winchester Bantams

Winchester Bantam hockey players, playing in league competition for the first time since the old rink closed, are enjoying a very successful comeback.

To date the club, wearing the "The Country Boy" crest, has registered three wins, three loses and three ties.

Recently in competition with Richmond 'A' team they lost 4 to 0 but coaches Gerry Helmer and George Holmes both considered this a very fine effort considering the 'A' team is a much higher category.

Moral support to date, according to the coaches, has been fairly good but, like all competitors, the boys will make an even greater effort if more parents and other adults 'follow the team'.

Kemptville Takes Bantam Honours At Morrisburg

The Morrisburg Annual Bantam Hockey Tournament was held Saturday with Kemptville capturing the trophy and Morrisburg winning the Consolation Division.

In the opening round, Cornwall Township edged Morrisburg 3-2 with goals by Kevin Campeau, Peter Button and Mickey Wolfe. Pete McIntosh and Kevin Mackler scored for the losers.

Cardinal edged Iroquois 2-1 on goals by Mark Davy and Earl Byers with Jack Davies scoring for Iroquois. Kemptville outscored Spencerville 5-1. Dan Bruthers scored a pair, with singles by Bob Cunningham, Bill Gutnecht and Rob Gummeson. Brian Dekker scored for the losers. Westport outscored Athens 5-3 with Bill Ready scoring a pair and singles by Jim McCulloch, Brian Flegg and Ray Merkley. Athens scorers were: Dave Perrin, Gord Donnelly and Ray Moorehead.

In the consolation round, Morrisburg swamped Iroquois 5-1 with singles by Jeff Cassell, Kevin Wells, Kevin MacIntosh, Fred & Kevin Ostler. Sam Brennan scored the only goal for the losers. Mark Donnelly scored 4 goals to lead Athens on a 7-1 scoring rampage over Spencerville. Doug Gamble contributed a pair with Ray Moorehead scoring the single. Garry Canning scored Spencerville's lone goal.

This set Morrisburg and Athens up for the final game of the Consolation Division. The Home town was led with a 2 goal performance by David Tait and singles by Pete McIntosh and Kevin Ostler for a 4-1 win to receive crests for the B. Championship. Mark Donnelly spoiled Steven Guy's chance of a shutout.

In the A. Championship, Cornwall Township led by a hat trick by Sandy MacDonald and a single by Sam Moss eliminated Cardinal with a 4-1 victory. Ed St. Louis scored the only goal for the Starch Town. A pair of goals by Dan Cruthers and a single by Dave Devries led Kemptville in a 3-1 win over Westport. Ray Merkley scored Westport's lone goal.

This set Kemptville and Cornwall Township against each other for the trophy and crests. John Flannigan opened the scoring for Kemptville with Sam Moss tying the game. Kemptville came back with goals by Dave Devries and Dan Cruthers to lead 3-1. Sam Moss narrowed the lead to 3-2, but Kemptville held on for the win and the Championship. Cornwall Township also won crests as runner-up.

Not Guilty!

Polling booths were like beehives on Monday as Winchester voters hastened to express candid opinions on the age-old liquor question. As it must always be in a democracy (and there is still no better way), the wishes of the majority will be honoured.

Although not exactly a game, it seems only right that winners and losers should shake hands and accept the verdict with dignity.

However, before the issue passes into history, we feel obliged to comment on the literature circulated by the "NO" committee — comments made necessary because one circular chose to suggest "The Press" had resorted to name calling.

Possibly the editor of the "NO" publications should have taken a little more time to read, and properly interpret, the only reference made to the plebiscite before allowing such ridiculous allegations to appear in print. We respect the sincerity of temperance advocates; admire their determination to influence others, and support their right to publicly express opinions, but must insist that all accusations be factual.

Please, Mr. "NO" Editor, read once more exactly what appeared in the January 4th issue:

> *"The fact is at least eighty per cent. of us do take a drink from time to time. It may come in the way of a refreshing bottle of beer, a relaxing whiskey with your favourite mix, a cool glass of elegant wine or a soothing sip of brandy. The fact is most of us do drink. And most of us despair at alcoholism as much as the total abstainer. So the real issue in the upcoming liquor plebiscite is not the number of "no" votes against the number of "yes" votes but whether or not in Winchester the most of us who do drink decide to replace hypocrisy and bigotry with honesty."*

You will note that this newspaper, like you, despises alcoholism. Unlike you, however, we see no harm in an occasional drink, and also unlike you, we are convinced our own Ontario Provincial Police officers are well qualified to enforce all laws including those pertaining to liquor.

By now you must also have noted that the reference to hypocrisy referred only to those who enjoy a drink and yet parade, almost religiously, to the polls and vote "NO."

We are confident you were not numbered among such citizens on Monday, and regret you misinterpreted our straightforward remarks. And, Mr. Editor, should you choose to sponsor a program to discourage excessive use of alcohol, please remember we're on your side.

If It Isn't Food, It's Poison

Most poisoning accidents happen to the very young and the very old, according to the Ontario Safety League. In 1970, 66% of all cases where age was specified occurred to children under 5 years of age.

Unfortunately, the worst place to store detergents, cleansers, furniture polish, etc., is also the most common — under the kitchen sink. Remember that toddlers love to explore and are seldom put off by the harsh smell and vile taste of today's cleansers.

Bedrooms and bathrooms host a variety of potential poisoners, from prescription drugs to toilet bowl and sink cleansers to common headache tablets. Even perfumes and cosmetics are a hazard to be dealt with.

A simple rule to follow: If it isn't food, it's Poison. Lock it away.

There are medicine cabinets that are not easily opened by children. Don't underrate your child's climbing abilities. Even if there are no young children in the home, visitors should be taken into consideration. Many prescription drugs and cleaning agents are available with child resistant caps. Buy them, but as an added precaution, don't trust them. Never transfer poisons into pop bottles or the like. Keep in original container, with clearly marked identity and above all, store under lock and key.

Keep the name and phone number of your local Poison Control Centre —just in case. In an emergency, they will advise what action to take for the product consumed. Keep the container and any residue to aid in identification and, if possible, estimate the amount consumed.

Bill Smiley

Here're Some Laughs To Help Your 1973

It was rather a gloomy end to 1972, with the deaths of scrappy Harry Truman and that fine Canadian, Mike Pearson, and the eternal shootings among the mad Irish, and the earthquake in Nicaragua.

So let's get off on the right foot for the next twelve months with something a little lighter.

Some columnists are smart enough to keep a file of funny or unusual things that happened during the previous year, so that they have a ready-made column just after New Year.

The only funny or unusual thing around our place is my filing system. I just took a look at it, eighteen inches high all over my desk, picked up my typewriter and moved to the dining-room table. There's nobody here but us crumbs.

Whereby I decided to pass along some things that I consider amusing, with the hope that you will too. They're not original, and are culled from the centuries.

Here's Stephen Leacock describing an encounter with a pirate ship: "The two ships were brought side by side. They were then lashed tightly together with bag string and binder twine, and a gangplank laid between them. In a moment the pirates swarmed upon our deck, rolling their eyes, gnashing their teeth and filing their nails."

And as he relates the ensuing carnage: "I noticed one gigantic fellow brandishing a knotted towel, and striking right and left among our fellows, until Captain Bilge rushed at him and struck him flat across the mouth with a banana skin."

That's the humour of incongruity. Here's an example of the humour of heartlessness, of which a master was Harry Graham. Try writing some of your own.

The ice upon our pond's so thin
That poor Mamma has fallen in
We cannot reach her from the shore
Until the surface freezes more.
Ah me, my heart grows weary waiting —
Besides, I want to have some skating.

Another of his was:

In the drinking-well
Which the plumber built her
Aunt Eliza fell;
We must buy a filter.

Here's a touch of the ironic. And I'd like to ask my friend Dr. Hackstetter to please note.

"The denunciation of the young is a necessary part of the hygiene of older people, and greatly assists the circulation of their blood."

How about a couple from Ogden Nash, that great humorist in verse. This one's entitled Song Of The Open Road:

I think that I shall never see
A billboard lovely as a tree.
Indeed, unless the billboards fall,
I'll never see a tree at all.

That's typically American in theme and content, but here's a little couplet of his that is symbolic and universal:

If you hear the scream of a panther
Don't anther.

I can't resist one more Ogden Nash, and if you haven't read him, buy a copy. This is called Reflections On Ice-Breaking.

Candy
Is dandy
But liquor
Is quicker.

Then, of course, there's the epigram, a very brief witty observation. Its master was Oscar Wilde, who came to a bad end, in more ways than one. But our sample will be from Hillaire Belloc. Entitled On His Books.

When I am dead, I hope it may be said:
His sins were scarlet, but his books were read.

Isn't that a nice example of the pun, as well as saying in two lines something about the monstrous pride of the writer?

Here's another by Belloc. It's called, simply, Epitaph On My Wife:

Here lies my wife.
Here lies she.
Hallelujah!
Hallelujee!

Then there is the limerick. Some of the funniest (and foulest) verses in the language are found in this form. But this is simply clever, or cleverly simple.

The bottle of perfume that Willie sent
Was highly displeasing to Millicent;
Her thanks were so cold
They quarreled, I'm told
Through that silly scent Willie sent Millicent.

The fine art of satire has fallen into lethargy these days, except perhaps among political cartoonists, where it is often merely cruel, rather than witty. But the Roman satirist, Martial, wrote a verse that is just as modern as it was 2,000 years ago.

The golden hair Fabulla wears
Is hers. Who can deny it?
She swears 'tis hers, and true she swears
For I did see her buy it.

Many Canadians tend to take life very seriously. I hope these samples, ninety per cent of which were taken from school texts, will help dispell that preoccupation. So. Whether your troubles are kids, or parents, or old people, or unrequited love, remember, you have only one life. And this is it. Enjoy.

The Foe Is Often On Our Side

by Rev. Cecil W. Tuininga

On August 14, 1941, two great statesmen, Prime Minister Winston Churchill and President Franklin Roosevelt, met on a battleship off the coast of Maine and drafted and signed an historic document called the Atlantic Charter. In it they incorporated four freedoms which Roosevelt said must become the rights of everybody. These were freedom of speech, freedom of worship, freedom from want, and freedom from fear.

How tragic it is to consider the lot of freedom nowadays. The battle of our times has to do with whether human spirits, minds, and bodies are to be truly free or held in chains. We must realize that if the shadow of chains is lengthening, if liberty is at stake, the threat comes from more than one source; that we have to become alert on more than one issue; and that the enemy is not always somewhere else, behind the Iron Curtain.

The foe is often on our side, in our community, in the lives of those who proclaim that they cherish freedom every bit as much as we do; alas, even sometimes within ourselves. Progress is not inevitable. Civilizations have come and gone. the clock has often been set back for generations. The veneer of sophistication is now wearing off. What is underneath? "Eternal vigilance is the price of liberty."

The cult of uniformity needs to be reckoned with. Ours is an age of organizing things without experiencing them. There is a story, perhaps apocryphal and yet a parable, about a busy executive. He returned home quite rited one evening. His wife commented on it. She inquired if he had had a particularly busy day. "Dreadful," he replied. "The computer broke down and we had to think."

There is plenty to think about. For instance, it may not be long until clergymen will be expected to marry or bury persons by number instead of name. How many take seriously the creeping and increasing power of governments over their lives?

The cult of secular education also needs to be reckoned with. The fathers used to shower churches with generosity; the sons send fat cheques elsewhere. There ought to be a better balance. Knowledge is growing by leaps and bounds. But is it producing wisdom?

"The 20th century crisis is a crisis of the individual." So wrote Dr. Carl Jung, noted Swiss psychologist and psychiatrist, some time ago. Prophetic words. Astronomically speaking, people seem quite insignificant. the fact of the matter runs counter to this conclusion, since man is the astronomer! It is of the utmost urgency that we strive to restore the dignity of the individual. We must, above all, rally every spiritual instinct, religious memory, and moral vow to do battle.

I recall the story which historian Arnold Toynbee has recorded of a pilgrimage made to an ancient shrine where "he prayed that the spirit which had once created a western Christian civilization out of the chaos of the dark ages might return to reconsecrate a latterday westernizing world."

The only ideal society, the only satisfying peace, the only full flowering of human personality will be achieved when people strive both to preserve the value of the individual and fulfill their obligation to serve all humanity; where they learn, through patience, sacrifice and courage, to follow the precepts of building in purity of heart and conscience and love.

The Seventh Column

Those who enjoy a drink with meals or a social sip with friends decided to stand up and be counted on Monday. Eighty per cent. of those eligible to vote turned up at the polls and approximately 70% of that total voted "Yes" loud and clear. Several solid citizens even appeared on television happily admitting to the commentator they had voted in the affirmative. The announcer, introducing that particular portion of the Late Night News, decided on a lead-off line that went something like this — "Winchester Voters Decide To Roll Out The Barrel." We'll drink to that!

> *"Minor Hockey Week" begins on Saturday and the Canadian Amateur Hockey Association offers a few thought-provoking slogans: "Minor Hockey Week is a Family Affair"; "Minor Hockey Players Make Better Citizens"; "To Keep A Boy Out Of Hot Water, Put Him On Ice"; and "Keep In Step With Canada - Support and Enjoy Minor Hockey." May we suggest that Minor Hockey Week is a fine time to begin showing an interest in your boy if you haven't already done so, but the time to cease offering support is not at the end of that particular week, or at the end of any week. The thousands of young people wandering so aimlessly along the Nation's highways are grim evidence of parents who "just didn't have the time."*

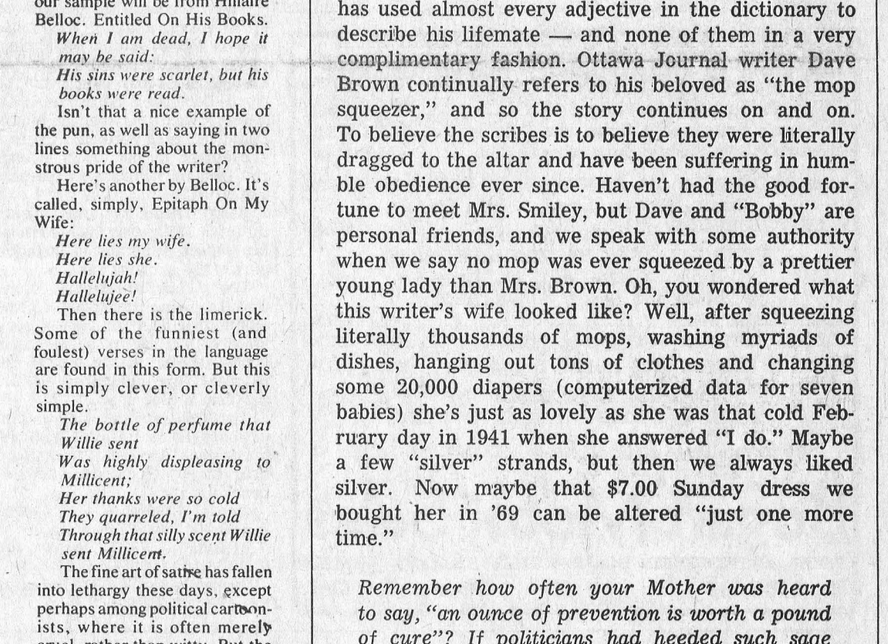
Would you believe members of Metcalfe and District Lions Club rushed home from their regular meeting last Wednesday night to watch a "French" television program? Well, such was the case, and the reasoning was sound. With the district's hockey idol, Larry Robinson, lined up alongside Richard, Cournoyer, Lemaire, Lapointe, Lafleur and the Mahovlich brothers, who cared what language was being used by the commentator? And incidentally Montreal Canadiens have enlisted literally thousands of new fans. Did you say "what about Toronto?" Where's that?

> *The award for courage far beyond the call of duty must this week go to Theresa Acres of Vernon. Saturday shoppers in Winchester must have noticed the daring lassie entering "The Country Boy" proudly flaunting a lapel button reading "GO JETS GO."*

Ever had a hankerin' to meet a columnist's wife? Bill Smiley (of 'Sugar and Spice' fame) for example has used almost every adjective in the dictionary to describe his lifemate — and none of them in a very complimentary fashion. Ottawa Journal writer Dave Brown continually refers to his beloved as "the mop squeezer," and so the story continues on and on. To believe the scribes is to believe they were literally dragged to the altar and have been suffering in humble obedience ever since. Haven't had the good fortune to meet Mrs. Smiley, but Dave and "Bobby" are personal friends, and we speak with some authority when we say no mop was ever squeezed by a prettier young lady than Mrs. Brown. Oh, you wondered what this writer's wife looked like? Well, after squeezing literally thousands of mops, washing myriads of dishes, hanging out tons of clothes and changing some 20,000 diapers (computerized data for seven babies) she's just as lovely as she was that cold February day in 1941 when she answered "I do." Maybe a few "silver" strands, but then we always liked silver. Now maybe that $7.00 Sunday dress we bought her in '69 can be altered "just one more time."

> *Remember how often your Mother was heard to say, "an ounce of prevention is worth a pound of cure"? If politicians had heeded such sage advice the following statistics (quoted in the United Church Observer) might never have been written. Read it and weep: "The United States spends $18,750 per drug addict it arrests, and $8,500 per year to rehabilitate him. It spends 26 cents a year on every child 12 years or younger to deter him from becoming an addict in the first place."*

How true! The preacher came along and wrote upon the signboard: "I pray for all." The lawyer wrote underneath: "I plead for all." The doctor added: "I prescribe for all." John Q. Citizen wrote: "I pay for all."



Minor Hockey Week

TAKE-DON'T SEND YOUR BOY

Winchester Midget forward Carl McRoberts completely baffles the Metcalfe net minder as he flashes in on the right side to bulge the net dead centre to give Winchester a one-goal advantage.

Minor Hockey week started this week and if you haven't been taking your boy to the rink - and watching him play, then you've been missing some mighty fine hockey.

MF Dealer Attends Florida Machinery Convention

Ed Smith, local Massey-Ferguson dealer, returned recently from Walt Disney World, Florida, where he and Mrs. Smith attended Massey-Ferguson's North American dealer convention.

Ed represents Smith Farm Equipment in Winchester. Altogether, 1500 Canadian dealer representatives and their families attended the convention.

On display at a 30-acre site named "Massey World" were samples of nearly every kind of machine Massey-Ferguson sells, including farm machinery, snowmobiles, lawn and garden equipment, and industrial and construction machinery. The convention program included machinery demonstrations and displ ys and introduction of six new farm machines, a new combine, a new forage harvester and four new tractors.

Mr. and Mrs. Smith had an opportunity to explore the wonders of Disney World, especially such attractions as the Theme Park and Magic Kingdom.

The following day, Mr. and Mrs. Smith were invited to the Massey World site where they witnessed the Massey-Ferguson product story in a carnival-like atmosphere.

The new tractors they saw are all two-wheel-drive units, ranging from 80 to 140 PTO hp. They replace four similar size units which are currently in Massey-Ferguson's line.

The new combine is the MF 750. Featuring a 50-in.-wide cylinder and a 140 bu. grain tank, the combine is similar in appearance to the giant MF 760, introduced a year ago.

Mr. and Mrs. Smith also saw the new forage harvester for the first time. Introduction of the unit, an MF 260, marks the company's entry into a new farm equipment market.

Accompanying photo show site of the demonstration area.

Horse Population Declines In West, Increases In East

According to Statistics Canada estimates, on June 1, 1972, there were 221,000 horses on farms in Western Canada and 128,900 in Eastern Canada. In 1971, there were 219,500 in the west and 134,100 in the east.

Statistics Canada estimates for June 1, 1972, also show 845,000 sheep and lambs on farms in Canada, down from the 851,400 on farms on the same date in 1971. The largest number, 259,000 in 1972, was in Alberta, followed by Ontario with 210,000.

Doris Stoodley President

Busy Schedule East Carleton Junior Farmers

December was a busy month for East Carleton Junior Farmers. At the annual meeting early in the month Doris Stoodley, Vernon, was chosen as 1973 President. Assisting her will be: Past President, John Fraser; Vice President, Allan Stanley; Secretary, Robert Shields; Treasurer, Dianne Craig and Press Reporter, Isabelle Johnston.

Two curling teams enjoyed a weekend at Peterbourgh Junior Farmers' Bonspiel, where Robert Shields skipped his team, (Vice, Isabelle Johnston, second, John Fraser and lead, Heather Hope) to second place. The one-game high prize was won by skip Terry Murdock, with Vice Meredith Gilbert, Second, Allan Stanley and lead Pattie Porteous.

The same weekend a successful Modern Square dancing and Social Recreation Workshop at Osgoode Township High School was attended by Junior Farmers from all Eastern Ontario Clubs.

The annual Christmas Party hosted by Allan Stanley on December 15th was well attended in spite of the winter's worst blizzard. Fellow members took this opportunity to bid "bon voyage" to Ken Murdock who left New Year's Day for a three month tour of Australia and New Zealand. Ken will represent Ontario and the Junior Farmers Association.

Among coming events are the Talent Festival to be held January 20th at the Royal York, Toronto in conjunction with the leadership campers' reunion.

January 26th is the date set for Carleton County's Annual Banquet and Dance at Richmond Community Centre and on February 3rd Metcalfe Curling Club again will be the site of East Carleton's curling bonspiel.

TAPPING TIME

Information Meetings On Agenda

The 1973 maple syrup season is fast approaching and maple syrup producers are beginning to think and plan for the maple syrup harvest.

To keep producers up-to-date on maple syrup technology, a series of Information Meetings will be held at 13 locations in Ontario. These meetings are sponsored by the Ministry of Agriculture and Food, the Ministry of Natural Resources, and the Ontario Maple Syrup Producers' Association.

The subjects under discussion will include "Problems in Maple Syrup Production", by a panel of maple syrup producers, "How the Recreational Aspect Can Increase a Maple Syrup Producer's Income", by W.A. Humphryes, and "Maple Bush Management Assistance Available from the Ministry of Natural Resources", by E. Danes. A film called "ontario Maple Syrup Producers" will be shown at all meetings. This film was produced by the Information Branch, Ontario Ministry of Agriculture and Food, and shows how several modern maple syrup operations work.

The Maple Information Meetings are a good place to begin planning for your spring harvest.

The meeting in this area will be at Green Valley Pavillion, Highway 34, South of Alexandria at 7:00 p.m. on February 7th.

North Dundas 4-H Horse Club Meets

Recently members of North Dundas 4-H Horse Club met at the home of Sue Percival. Guest speaker was Roger Lefleche, the Feed & Crop Rep. from Co-op for Eastern Ontario. He showed interesting slides and also gave a talk on this subject.

A film was shown on "Training your horse", after which the meeting was adjourned.

Crop Insurance Commission Announces Appointment

The appointment of Helmut Loewen as Associate General Manager, Crop Insurance Commission of Ontario, has been announced by Mr. T.R. Hilliard, Deputy Minister, Ministry of Agriculture and Food. The appointment became effective January 1, 1973.

Mr. Loewen will supervise the work of the Commission's five area managers. At present, 16 fruit, vegetable and field crops are covered by crop insurance plans, with 150 agents throughout the Province handling contracts.

Mr. Loewen was granted a B.S.A. degree by the Ontario Agricultural College in 1960; in 1972, he obtained an M.B.A. degree from the University of Western Ontario. In 1960, he joined the sales division of Agrospray Chemicals Ltd., distributor of agricultural chemicals and spray equipment, and was sales supervisor and a director of the firm when he left to resume his education in 1970. He joined the Ministry of Agriculture and Food in May 1972, as Associate Director of the Farm Products Inspection Branch.

Mr. Loewen replaces Gerald E. Chamberlain, who held the position of sales manager in the Crop Insurance Commission from 1968 to 1972. Mr. Chamberlain has been appointed Executive Officer in the Premier's Office, reporting to the Secretary of the Cabinet.

Farm Credit Corporation Shows Rapid Loan Rise

Long-term mortgage lending by the Farm Credit Corporation continues its upward trend, according to figures released by George Owen, FCC chairman.

The Corporation approved 4,875 loans totalling $167 million in the first nine months of the current fiscal year - an increase of 52 per cent over the April-December figure in 1971.

Mr. Owen said that the significant increase reflected the improvement in net farm income realized by farmers in the past year.

Farm Credit Act amendments in July, 1972, also had particular impact on lending in the latter part of the growing season.

The loan repayment situation has also improved to the extent that 87.4 per cent of borrowers had their accounts in good standing at the end of the payment year compared to 83.9 per cent a year ago.

The geographical distribution of loans is as follows, with the percentage increase in amount over the previous year shown in brackets:

British Columbia - 173 loans for $8,300,900 (49.9%)
Alberta - 788 loans for $27,436,300 (44.9%)
Saskatchewan - 1,586 loans for $51,139,300 (72.3%)
Manitoba - 427 loans for $13,398,900 (20.9%)
Ontario - 1,128 loans for $41,613,500 (51.9%)
Quebec - 666 loans for $21,232,900 (44.2%)
Atlantic Provinces - 107 loans for $3,784,600 (36.8%).

Pork Producers To Hold Conferences

Like much of Ontario's agriculture, pork production has become a highly sophisticated and mechanized industry, allowing farmers to market top-quality hogs in less time. To keep up with new approaches to hog production, four Regional Conferences are to be held during January and February.

The dates and locations are:

January 30 - Eastern Ontario district at Kemptville College of Agricultural Technology
January 31 - Quinte district at Rock Haven Restaurant, Peterborough
February 2 - Central Ontario district to meet at the University of Guelph
February 3 - Southwestern Ontario district at Ridgetown College of Agricultural Technology

"Pork in the Market" is the theme of this years' meetings. Dr. Murray Hawkins, an economist from the University of Alberta, will be guest speaker. He will discuss his recently completed survey of the North American pork industry. As in the past, each Conference will be divided into 5 major areas for discussion: breeding, feeding and management, health, buildings and equipment, economics.

All pork producers are invited to attend. To cover the cost of materials and luncheon, there will be a small registration fee.

For further information, contact the regional conference chairmen. For the eastern and Quinte regions, the committee chairman is J. Dalrymple, Ontario Ministry of Agriculture and Food, Brighton. The Central Ontario Conference will be chaired by R.P. Forshaw, University of Guelph. W. Underwood, Box 908, Ridgetown, will be chairman at the Southwestern Conference.

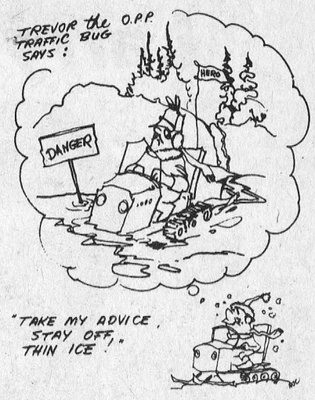
SECTION 19a(1)

Failure To Obey Laws Snowmobilers Must Pay



A number of occurrences over the last month with regards to snowmobiles has shown that a large number of people are either unfamiliar with the laws governing snowmobiles or are unwilling to abide with them.

Section 19a(1) of the Ontario Regulations for the Motorized Snow Vehicles Act states, in part, that, "The driver of a motorized snow vehicle may operate the motorized snow vehicle on the King's Highway except the roadway provided that he operates such vehicle as far away from the roadway as is practicable under the circumstances."

Every person who drives a motorized snow vehicle on or across a highway must hold an operator's or chauffeur's licence issued under the authority of the Highway Traffic Act.

Every person who owns a motorized snow vehicle must have the vehicle registered with the Ontario Department of Transport before it is driven anywhere. The registration plate must be attached to the front of the vehicle.

The owner of a motorized snow vehicle who drives or permits the driving of the vehicle on a highway must produce evidence, upon the request of a police officer, that the vehicle or the driver of the vehicle is insured under a motor vehicle liability policy.

It is the duty of every person in charge of a motorized snow vehicle who is directly or indirectly involved in a collision, which results in injury to any person or in damage to any property of any person, other than the owner or driver, apparently exceeding $200.00 to report the collison forthwith to the nearest provincial or municipal police officer.

Ontario Premier Announces

Treasurer MacNaughton Resigns From Office

Premier William Davis last week announced the retirement from public office of the Honourable Charles MacNaughton, treasurer of Ontario and minister of economics and intergovernmental affairs.

Mr. MacNaughton, 61, of Exeter, resigns both his Cabinet position and his seat in the Legislature, where he has represented Huron Riding for the Progressive Conservative Party since 1958.

Mr. Davis, in paying tribute to Mr. MacNaughton, said he had held more Cabinet posts than any other minister in the history of Ontario and "has left a lasting imprint on the province.

"His impact on public life, on our institutions and on the face of the province will be acknowledged for years to come," Mr. Davis said.

He said the date for a by-election in Huron and a successor to Mr. MacNaughton will be announced shortly.

Mr. MacNaughton said the time had come to retire "since I now feel I have completed the major objectives I set for myself in provincial affairs and I want more time to spend with my wife and family."

Praising the character and career of Mr. MacNaughton, the premier said:

"Your record of public service is long and distinguished but that it not the great dimension of Charles MacNaughton. You will be remembered for your humanity and your humility, your sense of honour and of honesty, your vision and your loyalty.

"These virtues your have shared with me, with your colleagues, with your family and with the citizens of Ontario. We are the better for it."

Mr. MacNaughton was born in Manitoba but spent much of his life in Exeter, where he became active in the Huron Progressive Conservative Association to support the policies and programs of the late George Drew.

He was elected to the Legislature in a by-election on May 12, 1958, and has been re-elected continuously since then.

He was appointed a minister without portfolio in 1961 and since then has been minister of highways, treasurer, minister of economics, minister of revenue, minister of highways and minister of transport, minister of transportation and communications, chairman of management board of Cabinet and most recently treasurer and minister of economics and intergovernmental affairs.

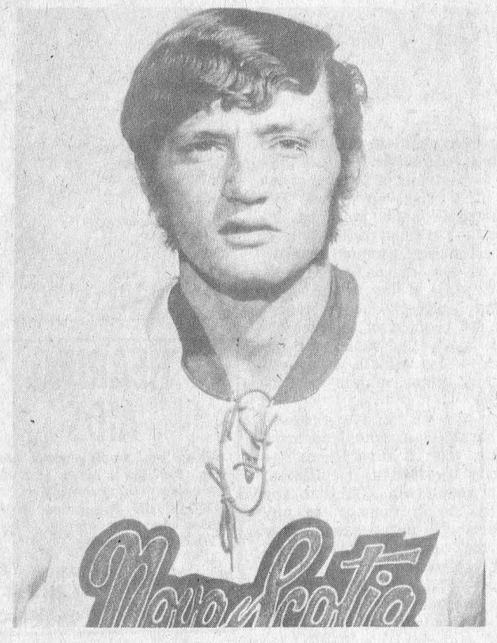
Larry Robinson Makes N.H.L. Debut With "Canadiens" Club



It's a big step from the open-air rink at Marvelville's little one-room Public School to the Montreal Forum but Larry Robinson has made it and it looks like he plans to stay right up there with the world's greatest hockey players.

Larry was called up to replace the ailing Pierre Bouchard last week and almost immediately had the big name players raving about his great strength, agility and skill.

Sports writer Tim Burke, writing in the Montreal Gazette said it this way: "One of the great things that have happened to the Canadiens in recent years is the emergence of a strapping farmboy from Metcalfe, Ontario named Larry Robinson".

Larry, who with 'big brother' Brian, formed a solid defensive line for Metcalfe Jets only four seasons ago played with Brockville Braves and Kitchener Rangers before being picked in the draft by Montreal and sent to the farm team at Halifax.

Following is the sports feature as it appeared in the Montreal newspaper under the Tim Burke byline:

One of the great things that's happened to the Canadiens in recent years is the emergence of a strapping farmboy from Metcalfe, Ontario, named Larry Robinson.

Called up last Sunday when Pierre Bouchard injured his hand in a fight, Larry in two games has displayed an amazing strength, agility and an instinctive knowledge of where to pass the puck.

Overlooked in the amateur draft two years ago, after having a so-so year with the Kitchener Rangers, Robinson was picked in the second round, No. 21, by the Canadiens in the hopes, "that his size would compensate for a lot of other things."

Kudos From Robertsrs

Now, after two games, the first in which he played only two shifts, here's what Jimmy Roberts has to say about him:

"He's a tough Jacques Laperriere. A much tougher Jacques Laperriere. He's so big and so strong that it's difficult to move him out of there. I don't think we've seen anything yet of what he's capable. I hope I don't see him when he gets mean."

Robinson, a big unassuming farmhand, says simply: "I was called up here and there was no deadline put on how long I was going to stay. I hope I can make it and the only way to do that is to prove myself."

Rave notices about his play are flourishing amongst his teammates and coach Scotty Bowman, looking for all the world like he just had consumed the canary, says, "I guess it will be hard to send him back, won't it?"

No Surprise

Sending Robinson back to the minors would be tantamount to the Buffalo Sabres giving a ticket to the farm to their marvelous young rookie defenceman Jim Schoenfeld or Billy Reay of the Hawks telling Phil Russell, the poised kid from Edmonton who has displaced Pat Stapleton on the Chicago defence, that he needed more seasoning.

"I'm not surprised that I was picked low in the draft," said the big fellow. "I guess modesty is a thing that hangs with me. I know what I can do and that's all that counts. I can't stand the way kids are coming up these days and always bragging about themselves."

Robinson pointed out that when he was playing with Kitchener he didn't show his best because, he said, "I had a job that season slugging cases on a Pepsi-Cola truck. It wa hard work and the hours were long and I had a sore back all year."

Not that he is averse to hard work. On the family farm in Metcalfe (Population: "500 or so") he was driving a tractor at seven and milking cows at 10. "My dad said we sould stay away from the livestock (milking cows) until we were mature," said Robinson.

In any event, Larry as long as he can remember did all the chores on the farm before taking off for school each morning (Metcalfe is about 20 miles south of Ottawa).

At Metcalfe High Larry shone in all sports but particularly in fastball (a pitcher), football (a corner back), and in track and field.

"I don't think I ever hit any one as hard in football as I have in hockey," he pointed out. "As a corner, I was mostly a clothesliner. In that position your main job is to turn a guy in."

Football fans who saw the Blue-Blanc-Rouge, which was beefed up by several pros like Robinson, maintain that he hit a Russian forward with a harder shot than anything they ever saw in football.

"After I hit him" said Robinson, "I thought I'd killed the poor little bugger . . . but it was a clean check and let's face it that's the name of the game."

Robinson had a difficult time trying to conceal a pair of hands bearing long, sinewy fingers, the products, he says, "of slugging bales of hay all summer long. I still feel, though, that my wrists could be a lot stronger. I'm taking exercises to improve them."

Robinson, 6'3", 206 pounds, feels that with his big long arms he makes it difficult for forwards either to go around him or at him.

"But the one thing that bothers me is in the corner where the puck might be right at my feet. Being tall has its disadvantages, too, and sometimes I feel awkward there."

He has a marvelous shot and as he puts it, "I still have trouble deciding whether to move up on a player or back in. But that will come with experience."

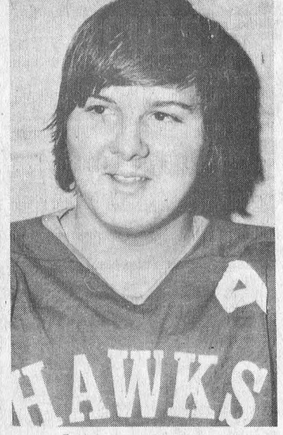
Larry, 21, recently married and the father of a young son named Geoff, gives most of the credit for his development to a first cousin named Irwin Duncan - one of the famed Duncan twins who played for the Inkerman Rockets many years ago, in a style resemblant of the Russians.

"Irwin is from around my home town and he knows everything about hockey," said Larry. "If I make the NHL I guess I'll be the first one in this whole neck of the woods."

Frank Mahovlich, in describing Robinson as "a great new kid" gazed up the aircraft and lit on Larry's tousled head.

"The only thing he needs now," said the Big M, "is a haircut."

Getting To Know Them



A "Hawk"

Tom Kirkwood

Winchester Hawks defenceman Tom Kirkwood is often referred to as that 'immovable object', and fans can't help but notice that very often an apparently 'irresistable force' comes to a sudden halt when confronted with the bulky number '6'.

Although only 17, Tom is a veteran with the Hawk organization and if extreme optimism could win games Winchester would be enjoying first place in the league standing.

A son of Mr. and Mrs. Ralph Kirkwood of Winchester Springs, Tom is a Grade 12 student at North Dundas District High School where, according to current reports, he is extremely popular with girls.

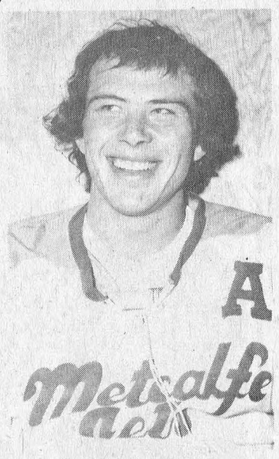
Packing 195 pounds on his 5' 10" frame Tom treats netminder Kevin Baldwin like a kid brother he fears could get hurt as he defies opposing forwards who have spotted an open corner.

Hawks' efforts have been paying off of late and one big reason they have advanced in the standing is Number '6'.

Stephen Morris

Opposing forwards sometimes get in the habit of posting themselves directly in front of the 'Jet' goal. Experienced forwards, however, usually look for a safer zone if 'Moss' is on the ice.

'Moss' is the moniker teammates have tagged on the Jets big number '23'. Steve considers left defence 'His' territory but



A "Jet"

often extends his boundary lines to cover a much greater zone.

At 18, 6' tall, and weighing slightly over 180 pounds, the rugged player is rated by most coaches as the best defenceman in the league - - and respected by all opponents as the most agressive.

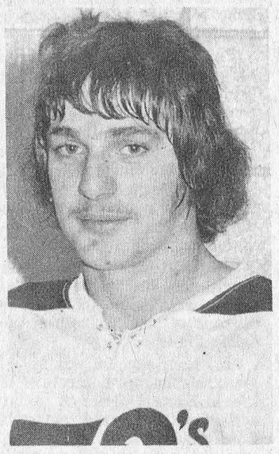
'Moss' is one of those big, friendly, personably fellows you so often hear about who usually have one weakness. With Steve it's a fiery temper that usually takes him directly to the 'sin bin'. Like the lovable 'Hoss' of Bonanza fame, however, Steve's good nature soon becomes predominant and he often forgets who he was mad at.

A son of Mr. and Mrs. Gerald Morris of Metcalfe, he and his brother Dan operate a gas bar, and during winter months 'Moss' keeps in shape operating snow removal equipment.

He proudly wears his O.D.H.A. Championship jacket earned last season and says he is looking forward to adding a similar crest later this spring.

Jacques Regnier

Jacques Regnier is not big as



A "72"

defencemen go but determination and skating skill more than balance the ledger in his favour. 17-year-old Regnier stands 5' 8" in sock feet and tips the scale at 155 pounds (including hockey stick).

A son of Mr. and Mrs. Ernest Regnier of Casselman he wears Number '5' on his sweater and opposing forwards are often heard being warned by coaches to 'watch that number 5'.

A student at Casselman High School he played a few games with Metcalfe Jets last season where he earned the respect and admiration of what were then his 'hometown fans'.

His teammates call him 'Jack' and, in his own words he likes: hockey, football, wrestling, weight-lifting - and girls.

And also in his own words he dislikes "school".

72's are enjoying their first season in Junior 'B' competition and with enthusiastic talent like 'Jack' on the roster they have good reason to be optimistic concerning, not only this season, but the future of Junior competition in the thriving town.

Smiths Falls Rider Wins South Mountain Rally

Alden Fielding of Smiths Falls won top honours at the Annual Rally sponsored by South Mountain 'Bushwackers' Snowmobile Club.

A record 134 entries were accepted far in excess of the 87 competing last year.

Ideal cold, clear weather prevailed and all enjoyed a bean supper and dance at the I.O.O.F. Hall in the evening.

Fielding picked up the Bushwackers Snowmobile trophy for his performance and Bert Scott, also of Smiths Falls, finished second to win the D.L. Berry and Sons Trophy. Third award, the Berry Chick Farm trophy, went to Gord Ogilvie of Jasper.

OTHER WINNERS

Other winners were as follows: Paul Barkley, Doug McEwen, Neil Strader, H. Matthesien, Dave McDonald, Myles Lewis and Robert Boivin.

Wayne Reddick, Bradley Froats, E. Baldwin, Peter Boretos, Chris Moran, Harry Keyes, Ron Johnston, Murray Shane, Betty Hutt and Bob Levere.

Slowest time went to Garry Hoy and fastest time was by Winston Martineau.
