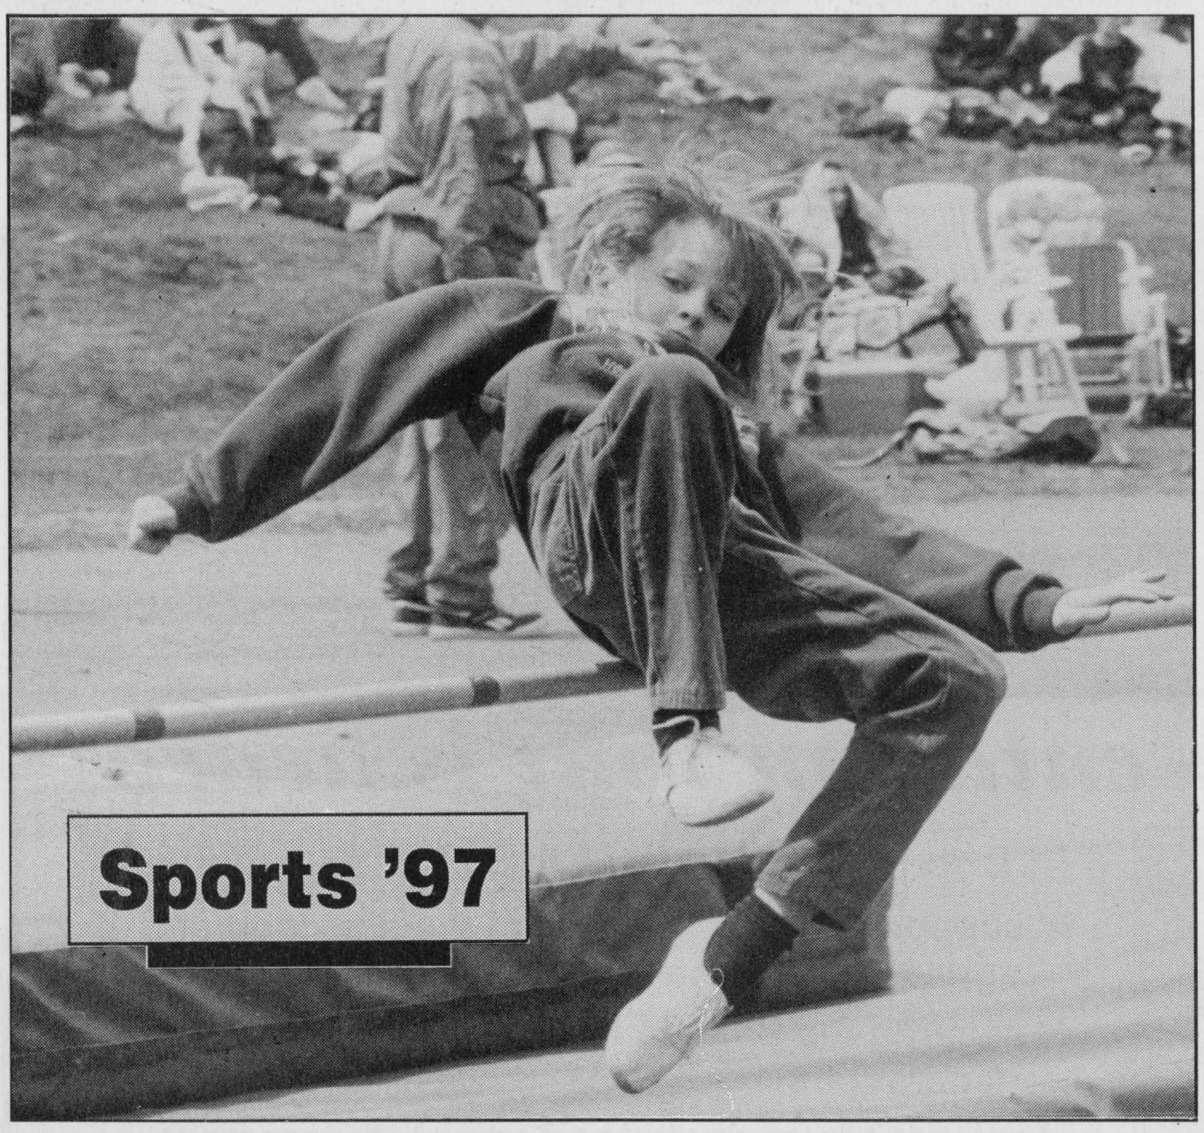
Six records broken at Dundas track meet



Winchester Public School high jumper Tabbitha Derue beat the rest of the 10-year-old field, clearing the bar at 1.05cm during the 1997 Dundas County Elementary track and Field Meet in Iroquois. Six individual records were set at this year's competition.
Press Photo — Van Bridger

IROQUOIS — Six new records were established and ten athletes put together perfect performances during the 1997 Dundas County Elementary School Track and Field championship meet here last Thursday.

A pair of 10-year-old division records fell as Ben Baker of Nationview raised the high jump bar from 1.25m to 1.30m and Chad Aubin of Morrisburg fired the softball 48.0m eclipsing the old mark of 45.4m.

Eleven-year-old David Tucker of Nationview set the 200m record at 30.6 seconds down from 30.72.

Kristen Keyes of Nationview dropped the 12-year-old girls 60m mark to 8:65 seconds from 8:68.

There were also two records in the 13-year-old division set. Heather Velthuis of Nationview soared 1.40m in the high jump which is up from the old record of 1.30m. Bryce Pittico of Nationview tore up the shot put record with a new throw of 12.10m. The old mark was 10.80m.

Jessica Thomas of Nationview and Stephen Barkley of Maple Ridge each claimed three gold medals and were named Top 14-year-old Girl and Boy following the competition. Crystal Glassford of Maple Ridge and Todd Beckstead of Iroquois were top 13-year-olds. Tim Cowan of Nationview was best 12-year-old boy while Kristen Keyes of Nationview and Jayme Cowan of Nationview tied for the top girl silverware. In the 11-year-old bracket Dave Tucker of Nationview and Kate Edwards of Morrisburg were the winners. Morrisburg Public School also had the winningest 10 and under competitors as Chad Aubin and Kayla Irven collected the awards. Irven collected 19 of 21 points and narrowly edged out Winchester's Ainsley Glassford who finished the day with two firsts and a third.

GIRLS RESULTS

60m - 10 and under: 1st - Kayla Irven, Morris.; 2nd - Emma Bowie, Inkerman; 3rd - Brittany Horricks, Irq. Carkner sets EOSSAA record

BROCKVILLE — Matt Carkner put his name in the EOSSAA record book here last Friday establishing a new distance in the junior boys javelin.

Carkner, 16, stuck his longest attempt at 53.12m to put his name among Eastern Ontario's elite. Carkner bettered the old mark (44.38m) by nine meters and is now just one of two male athletes from SD&G to have their names in the EOSSAA record book.

Two former NDDHS students, Julie Holmes and Rose Hauch still hold EOSSAA standards. Both set their marks in 1976, Hauch in the senior shot put (12.44m) and Holmes in the junior 100m sprint (11.8).

The Morewood student also grabbed bronze in the shot put (12.95m) and bronze in the discus (40.88m) and was the lone member of the North Dundas District High School Devils to enjoy first-place results.

Carkner's junior teammate, Rhonda Sherrer of Inkerman, enjoyed a productive afternoon on the TISS track, striking for a pair of silver medals in the 800m (2:25.2) and 1500m (5:03) events. She will join Carkner and four other Devils at this week's East Regional Championship in Ottawa.

Last week Carkner and Sherrer dominated the junior division at the SD&G championship each sweeping up three gold medals.

Also qualifying for the Regional Meet are senior Amy Berends who was fifth in the 400m (1:03.95); junior Adam Moss in the 300m hurdles (0:42.2) and 800m (2:09.2); senior Evan VanDyk in the 400m hurdles and 800m (2:09.4) and junior Petra Meier who was fourth in the 3000m and sixth in the 1500m.

Carkner said his record throw partly resulted from calmer weather conditions. He noted he has thrown longer (55m as a midget) but will take the 53.18m record.

"It was a nice day and things worked out. It (53m) was my best throw this year," he explained.

Carkner also noted his third-place effort in the discus, a discipline he just took up this spring, beat the SD&G junior record but didn't count for much more than a bronze.

"Both Matt Carkner and Rhonda Sherrer did very well and should move on to All Ontario. The highlight of the meet had to be Carkner's record and the fact we qualified six for the Regionals. Now we will try and get as many as we can through to OFSSA (June 6-7)," Devils coach Hugh Conlin said.

Lasers start soccer season with win

MAPLE RIDGE — According to coach Gary Johnson, Sunday's opening victory wasn't very pretty. But he and the Winchester Under 19 Lasers will take it.

"To be honest it was ugly. The team didn't play well, at all. But a win is a win. We haven't had any consistency getting players out for practices so we haven't gelled yet. But we have some time now before our next game (June 8) to get in some good practices," the coach explained.

Winchester opened their 1997 Ottawa Carleton Under 19 Soccer (Division II) campaign edging Osgoode/Rideau 2-1 in Sunday's opener.

Winchester forward Mike Ennis agreed with his coach's assessment of the the club's first outing.

"It was pretty sloppy but we got ahead and were able to hang on," Ennis said.

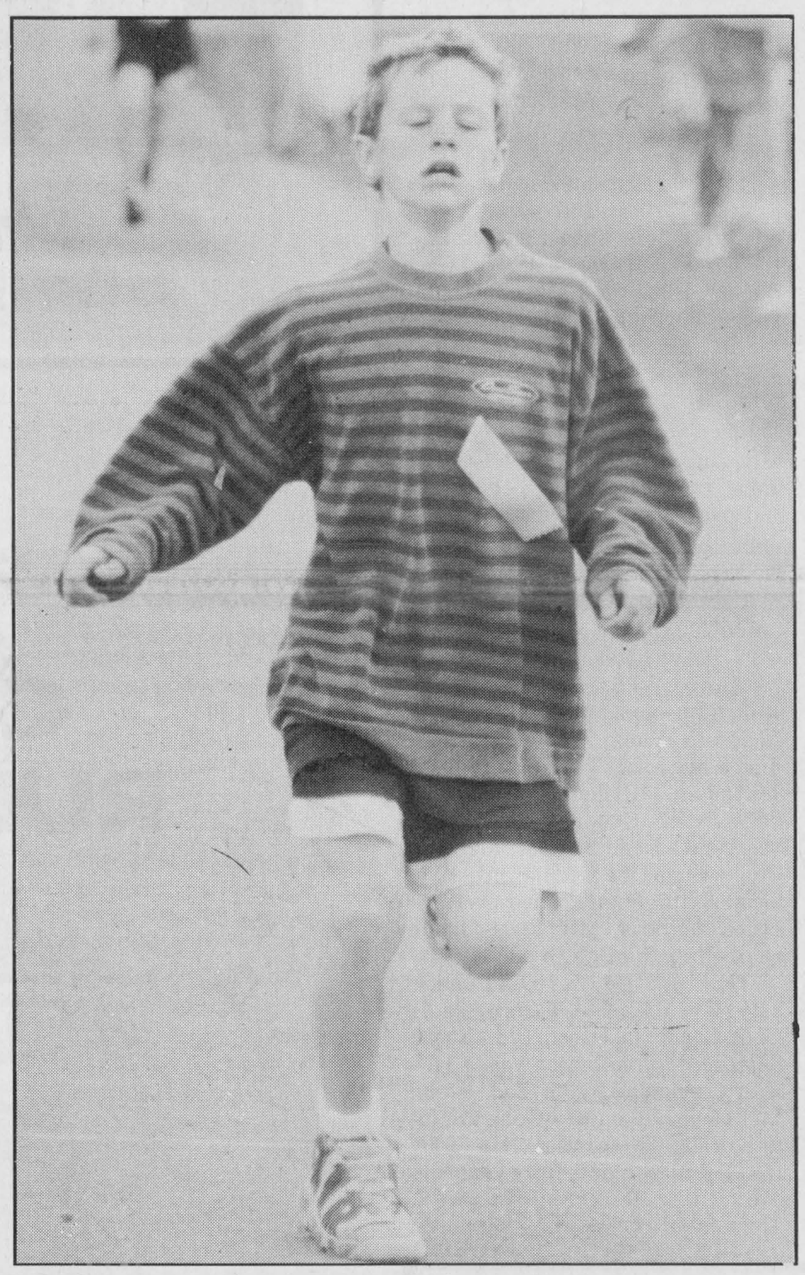
Craig Holmes buried Winchester's first ball of the season when he hit the corner with a drive after a solo break into Osgoode territory. Nevin Patterson then came through with the winner booting home a loose ball in a goal-area scramble.

"Tylor (keeper Tylor Copeland) didn't have much to handle in the first half but made some good saves in the second," Ennis added.

Winchester will play host to Perth at the NDDHS field on Sun., June 8. All games are slated to begin at 6:30 pm.

Coach Johnson reports three area business have approached the club expressing interest at putting their advertising around the NDDHS field. Which he says is encouraging.

"I think people are now realizing just how popular and affordable soccer is. Just about anyone can afford to play. So maybe we will see more support for our (soccer) fundraising efforts."



Jesse Hart, 12, claimed a red ribbon crossing the finish line first in the 400m. Winchester Public School athletes won eight events at this year's county track and field meet. Press Photo — Van Bridger

WPS strikes gold twice

IROQUOIS — Two members of the Winchester Public School track team grabbed double gold competing in last week's Dundas County Elementary Track and Field championship.

Ainsley Glassford (10 and under) raced to victory in the 800 and 1,500m while Josh Cinnamon (11 yrs.) won the long jump and triple jump.

Several other competitors also earned red ribbons in the county championship meet. Travis Armstrong (10 and under) finished first in the 400m; Jesse Hart (12 yrs) won the 400m; Tabbitha Derue (10 and under) won the high jump and Sharon Corkery (11 yrs) soared the highest in the high jump.

Other village female athletes finishing in the top three including Tamara Pemberton (10 and under), third 200m; Ainsley Glassford, third 400m. Eleven years: Emily Qunite, second 60m, second in 100m and third 200m; Sharon Corkery, third 800m and third in 1500m; Tanya Stoute, second long jump.

WPS boys collecting top three ribbons were: 10 and under - Nelson Horne, second 60m, second 100m and third long jump; James Corkery, second 800m and second 1500m; Blain Moran, third high jump; Travis Armstrong, third ball throw; Eleven years: Travis Leach, third 100m; Kyle McWhinney, third ball throw. Twelve years: Mike Holliday, second 800m and second 1500m; Trent McBain, third triple jump.

Spartans qualify for Regionals

BROCKVILLE — It was a banner year for the black and orange of Iroquois here at the 1997 EOSSAA track and field championships.

The Seaway Spartans had a dozen members qualify for this week's Eastern Regionals in Ottawa while competing here at TISS last Thursday and Friday.

The Spartans will field SD&G's largest contingent for the competition to be staged at the Terry Fox Facility.

Senior Sharon Spear, of South Mountain, heads the team after winning the 400m and 100m hurdles. She also struck silver in the 800m and qualified for the Regional Meet as a member of the Spartans 4x100m and 4x400m relay teams.

Shanna Dawley will go to Ottawa and run in the 100m (fourth) and 200m (sixth) while Stephanie DeVries qualified third in the senior 300m hurdles.

Spear, Dawley and DeVries will team up with Sarah Trude and Jen Morrow to form the school's two relay squads.

Others taking part in the Regionals will be senior Derek Casselman (second - high jump); junior Travis Thompson (fourth - 1500m); midget Dave Vandermeer (fourth - high jump); midget Kevin Martin (third - 200m) and the midget boys 4x100m relay team of Greg Millard, Rick Cowan, Kevin Martin and Dave Vandermeer.

Gaels prevail

The North Dundas Senior Devils dropped a 4-1 decision to the Glengarry Gaels on Monday and were bounced from the SD&G semi-finals. Chris Ouellette was the lone Devils scorer. The Devils trailed Glengarry 1-nil at the half in a game coach Kelly Durant described as her team's best of the year. The Gaels went on to defeat the St. Joe's Panthers 4-1 in the championship match. To make the playoffs North Dundas battled Seaway and St. Lawrence to scoreless ties last week with Andrea Flowers posting both shutouts. The Devils final regular season record was 2-2-4.

Tie leaves Blues in first place

WINCHESTER — A 3-3 tie was enough to keep the Navy Blues in first place in the two-week old Winchester Women's Roller Hockey League standings.

The Blues and Red Devils fought it out for the single point in one half of the Wednesday night twin bill while the Yellow Jackets stung Pure White 3-1 for their first victory in the other contest.

Navy Blues (1-0-1) lead the circuit with three points, just one more than both Pure White (1-1-0) and Yellow Jackets (1-1-0). The Red Devils (0-1-1) are just two points behind the league leaders.

Marilyn Collins scored her third goal of the season to give the Devils a 1-0 lead at 16:40 of the first half and that marker stood up until Amy Fraser turned a feed from Marie Shelp into a 1-1 tie at 11:35. From then on the teams kept trading goals until the count stood at 3-3.

Deanna Corbett-White scored the final two Red Devil goals getting assistance from Shannon Vidal and Nancy Beavers on her first and help from Collins on the second.

Amy Fraser finished the game with two goals. Kim McInnis netted the other Navy goal while Shelp (2) and Rhonda Winter picked up the assists.

Kelly Tryon (Red) and Alice Kelleher (Navy) were the opposing goalies.

The Yellow Jackets stung Pure White 3-1 to gain their first win in two starts. Camille McInnis, Tara Berry and Kelly Durant notched the Yellow goals on passes provided by Shona Sullivan and Kathy Byvelds.

The name of the White scorer wasn't available.

Juniors ousted

The North Dundas Junior Devils played Seaway to a scorless draw and blanked St. Lawrence 2-nil on goals by Crystal Huizinga and Tiffany Cowan last week to qualify for the SD&G "AA" soccer semi-finals with a 3-4-2 record. Monday they were eliminated 4-0 by the Glengarry Gaels who went on to claim their 17th SD&G championship with a 3-nil decision over La Citadelle Patriotes. Coach Kevin Bell reported the Devils played a solid game against Glengarry and said the team impressed him with their effort following an 0-4 start to the season.

Sox drop pair to Morrisburg

WINCHESTER — The Winchester White Sox are on a two-game losing skid after they dropped a pair of decisions to Morrisburg last week.

Wednesday (May 21) in Morrisburg the Sox were hammered 12-4 and the following night they lost a narrow 5-4 decision to the same club. Those last two results lowered the Sox record to 1-2-0. Winchester opened their Upper Canada Senior Little League baseball season knocking off Mountain 9-8.

"We lost (12-4) to a very good Morrisburg squad, "reported Sox coach Owen Shortt. "We are still making a lot of mental errors that are costing us runs. But they are things we can work on at practice."

The coach was encouraged by the fact that everyone in his lineup from top to bottom put the ball into play against a real tough left-handed pitcher.

Sox catcher Brandon Vanderwerf supplied Winchester's first run when he singled and scored on a Darrell Stuart RBI smash in the first inning. Jon Ennis (walk), Shawn Tilberg (walk) and Tyler Shortt (single) made it home in the second inning but that was all of the offence the Sox could muster in a 12-4 loss.

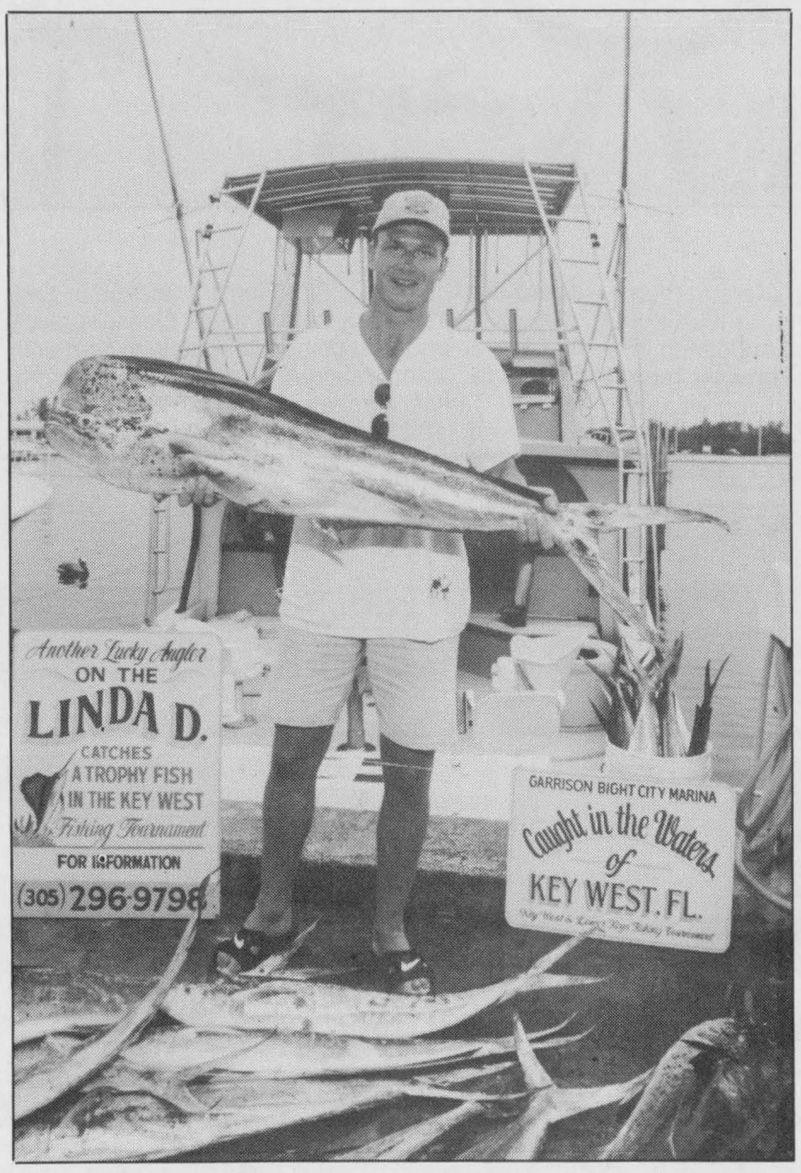
The next night here in Winchester, the Sox got down 5-1 to Morrisburg, bounced back and closed the gap to 5-4 before losing by that final margin.

The Sox went down in their final at bat with three runs in and the bases loaded.

"We lost a close game. My concern right now is the high number of strikeouts where we are taking the third strike. We need to be more aggressive at the bat," stated coach Shortt.

Gregg Griffith got his first start of the season and according to his coach threw three overpowering innings.

Jim MacHardie walked and scored Winchester's first run in the second frame. The Sox last-inning rally produced three runs by Shawn Tilberg, Drew Merkley and Gregg Griffith, who all drew walks and scored. Brandon Vanderwerf (single), Brent Porteous (walk) and Machardie (walk) were left on base as the game ended.



Prize catch

When his NHL Florida Panthers were eliminated from the Stanley Cup playoffs, Winchester's Terry Carkner put down his hockey stick and picked up a fishing rod. Carkner was aboard captain Billy Wickers III charterboat the Linda D IV when he snagged this trophy 34-pound Bull Dolphin on 30 lb. fishing tackle. His catch garnered Carkner a citation from the Key West Fishing Tournament.

Rec rambles

by Winchester Recreational Facilities Manager Matt Krisjanis

Is Mother Nature a tease or what? Cold, a little heat, cold, a little heat. She's just testing our patience and of course, we are are patient aren't we?

Once again this year, the Recreation Department is putting on a summer program for children ages five to 12. The program starts June 30 and runs through to August 22. We will be holding registration for two nights — June 3 and 4, from 7 pm to 8:30 pm. So come on Mom and Dad, give yourselves a break.

Did you ever want to see what's on the bottom of a river bed or a lake bed? Here's your chance. On June 6 there will be scuba diving registration at Geggie's Home Hardware from 7 pm to 8:30 pm. Lessons start on June 17 at the Winchester Pool. For more information contact scuba Tom at 728-9713.

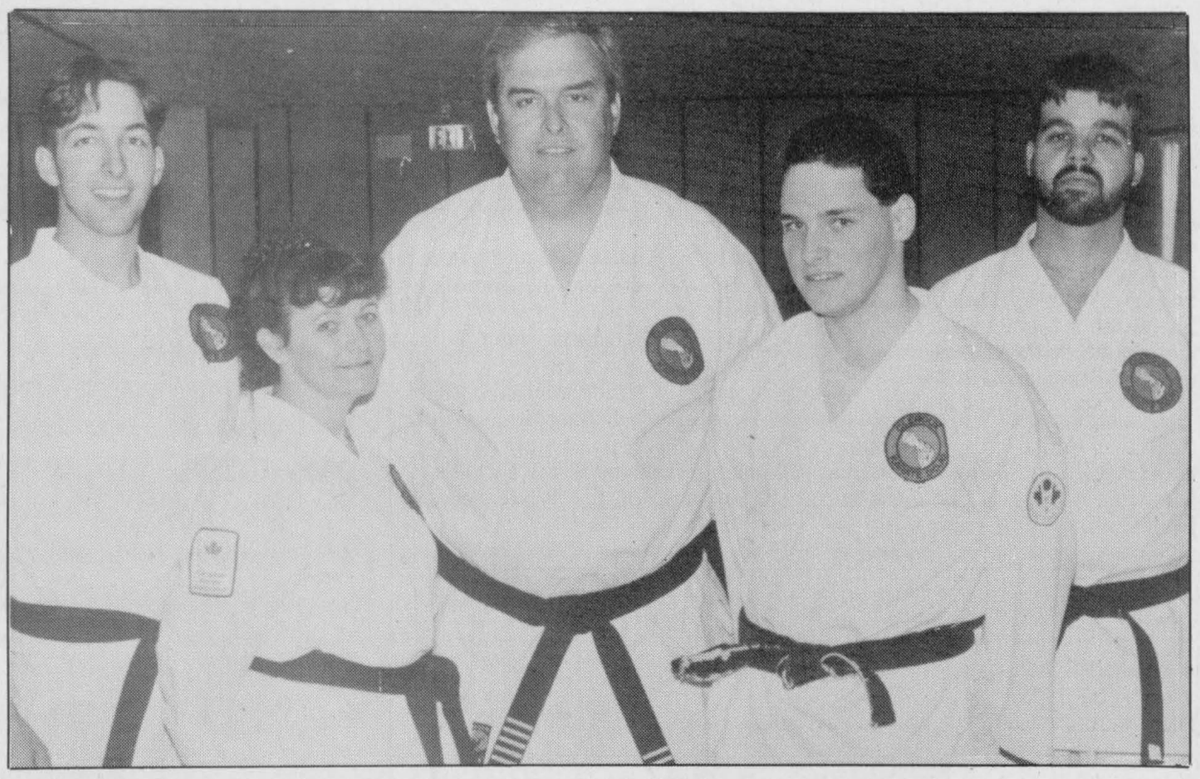
There will be a Dairyfest meeting on June 2 at 7:30 pm at the Winchester Arena.

The regular council meeting has been moved from June 2 to June 3 due to elections.

Speaking about the elections, don't forget to vote. It's your chance to express your right.

A Smart Serve course will be held on June 2 at 7 pm at the Winchester Town Hall/council chambers. There is still room for more applicants. If you are interested, call me at the arena.

My thought for the week: "I think of life as a good book. The further you get into it, the more it begins to make sense."



Black and white

Seven members of the Winchester Karate Club recently completed black belt testing. In total the local club now boasts 18 black belts. Appearing in the photo (from left) are Jason Beaudry (first degree), Anna Marie Quesnel (second degree and award of excellence), Tom Fleming (instructor and seventh degree black belt), Patrick Quesnel (second degree and best competitor - style award) and Stephane Lamadeleine (probation). Missing Andrew Carkner (probation - black belt).

Pinks win

CHESTERVILLE — Goalie Elaine Teplate turned in her first shutout and her third consecutive victory here last Wednesday night as the Pink Slips edged the Sherwood Forest Greens 1-0.

Teplate and the Slips remained undefeated (3-0-0) and on top of the Chesterville/Winchester Ladies Ball Hockey League standings with the victory.

Diane Shane netted the game-winning shot when she completed a play started for her by Cheryl Bedard with 1:35 left in the opening period. Shane's league-leading fourth goal of the campaign stood up as the winner.

In the other half of the twin bill the Green Neons (1-1-1) posted their first victory, beating the winless Razatans 3-1.

Lori Marriner's unassisted goal at 11:10 of period one put the Neons up 1-0. Period two was scoreless as Neon netminder Roxanne Backes and Razatan goalie Toni Todd performed flawlessly.

Backes lost her bid for a perfect game when Meghan Bumbaco beat her on a feed from Kelly Holmes with just 0:45 left on the clock.

Steps right up

Monday, June 2 is voting day.

To find out where and when you vote, refer to the Confirmation of Registration notice you received from Elections Canada. If you did not receive the notice, call Elections Canada or your returning officer.

If you are not on the list of electors, you can still register and vote on polling day; just make sure you bring identification that shows your name, address and signature.

For more information, call Elections Canada at

Hawks present awards

WINCHESTER — A round of golf, a steak dinner and the presentation of individual awards put the finishing touches on the Winchester Jr. "B" Hawks 1996-97 season.

Three players each made two trips to the trophy table here Saturday night. Scoring ace Ryan Nichol, assistant captain Eric Savard and captain Mike Hutt were this year's double award winners.

Ryan Nichol grabbed this year's Top Scorer trophy having lead the club's offence with 43 goals and 22 assists. Nichol also picked up the Peter Brackenbury Memorial Trophy as the team's Most Gentlemanly Player.

Forward Eric Savard stood second in regular season scoring with 21 goals and 29 assists and was deemed a Hawks spark plug all year. The 20-year-old earned the regular season Most Valuable Player award as well as the Coaches Award.

Veteran defenceman and team captain Mike Hutt graduates this season finishing his junior career with eight goals and 19 assists. The former Kemptville 73s player took home the Hawks (Terry Carkner Trophy) Top Defenceman silverware. He also accepted the President's Trophy from club president Bill Hogaboam, who pointed Hutt's undying dedication to the team.

Midget-aged defenceman Matt Carkner, who finished the season with the Brockville Jr. "A" Braves, was named the Hawks Rookie of the Year.

Another rookie, hard-working forward Serge Bellavance, was judged the Most Improved Player.

Defenceman Derek Nadeau was presented the MVP trophy for his work in the playoffs.

Forward Shane Stroughair (9-15-24) picked up the Jack Dawson Memorial Trophy (leadership, sportsmanship and playing ability).

Jason "Pitt" Desormeaux (9-13-22) was named this year's recipient of the Peter Boretos Memorial Trophy (effort, desire, ability).

Forward "Razor" Rob Raistrick (14-20-34) earned the Manager's Award.

The Hawks recently announced coaches Lindsay Selleck and Jeff Johnston will be returning for another season as will veteran general manager Bill Wammes, who will be back on the job for the sixth season. The club's stability extended through to the executive as president Bill Hogaboam also announced he would spend another year in office.

Mike Hutt is the team's only graduating player while Jason Desormeaux and Eric Savard are the over-age candidates. Top scorer Ryan Nichol as well as goalies Anthony Calhoun and Pat Neville are all eligible to return and could form a solid foundation for next year's club.

The Hawks will be hosting their second-annual 3-pitch tournament June 20-21. They are looking for 16 teams. The registration fee is $175 with a three-game guarantee. Call Mark Guy at 989-3810 or Bill Hogaboam at 774-2632.

Ryan Nichol, Mike Hutt and Eric Savard, appearing in the front row left to right, each accepted two awards at Saturday night's Winchester Junior "B" Hawks awards night. Also collecting pieces of team silverware were Rob Raistrick (back, left), Matt Carkner, Serge Bellavance and Jason "Pitt" Desormeaux.

Press Photo — Dillich

Munro, McMillian top Casselman golf tourney field

WILLIAMSBURG — Lea Anne Munro and Gary McMillan grabbed the "A" class gold in the 1997 playing of the Cliff and Agnes Casselman Memorial Tournament here at the Cedar Glen Golf Course on the weekend.

Lea Anne Munro shot a low gross 84 and McMilllan fired a winning 75. The "A" class low net prizes went to Carole Cassavoy (73) and Don McMillan (68).

The "B" class silverware was picked up by Sharon Whitteker (low gross - 102), Estella MacGregor (low net - 75, retro), Bert McIntosh (low gross - 84) and Hans Hutten (low net - 69, retro).

The heavy hitters in "C" class were Bob Vanasse (low gross - 93), Mahlon Locke (low net - 69), Susan Michels (low gross - 120) and Sharon Shergold (low net - 84).

Topping the leader board in "D" class were Cindy Hill (low gross - 125), Lori Emmell (low net - 79), Mark Blaine (low gross - 103) and Dave Beckinsale (low net - 74).

The best juniors on the day were Tyler Lussier (low gross - 106) and Parker Locke (low net - 85).

CHIPS AND PUTTS

Next Cedar Glen Mixed Two-Ball is set for Sun., June 1 at 3 pm.

The 25th Anniversary Tournament will be played Sat., June 7.

The 1997 Dr. Locke Tournament is slated for Sat., June 14.

Hurricanes off to flying start

MOUNTAIN — The Mountain Hurricanes Major "A" little league baseball team is off to a howling start winning two of three contests.

They opened their campaign hosting and beating Osnabruck 4-3 on May 15. Colin Bowie stroked a triple in the bottom of the sixth inning with two on board to secure the win. Will McInnes pitched the first three innings allowing one run. Tim Cowan worked the final three innings striking out five batters.

The second time out the Hurricanes were dropped 9-6 by the same club. It was a blustery night which resulted in numerous errors by both teams.

Mountain coach Kevin Bowie stated, "Both teams are very close and we will have to be at the top of our game to beat them when we meet again in June."

The Hurricanes won a 16-12 slugfest in Morrisburg on May 21 to improve their record to 2-1-0.

Fireballer Tim Cowan came in for the fifth and sixth innings to put the game on ice for Mountain. Cowan also aided the cause belting a mammoth three-run homer in the fourth inning.

"Our boys are starting to find their bats and are becoming more confident each time out," added coach Bowie.

INTRODUCING THE

DODGE RAM ST

THE ONLY SPECIAL VALUE PACKAGE WITH A STANDARD V8.

Not only does the Ram 1500 ST 24A package have a standard V8 while Ford's XLS package has a standard V6, we also have all of this:

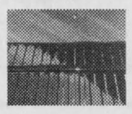
Dodge Ram ST has 2.2" more shoulder room and 4.3" more hip room than Ford F-series XLS.

Dodge Ram ST has full carpeting, not a bare rubber floor like Ford's standard XLS package.

Only Dodge Ram ST has a pull-down armrest that opens into a business console.

Dodge Ram ST has extra behind-the-seat storage, including storage bins and net. Ford doesn't.

Dodge Ram ST has no exposed bolt heads in the cargo bed. Ford F-series XLS has eight.



Dodge Ram ST has larger mirrors than Ford F-series XLS.

Dodge Ram ST 24A Package includes:

- 5.2 litre 220 hp Magnum V8
- 4-Speed automatic transmission
- Air conditioning
- Towing capacity of 8,000 lbs
- Payload capacity of 2,080 lbs
- AM/FM Stereo cassette w/4 speakers
- 16" x 7" Chromed steel wheels
- Storage bins behind seat
- Bodyside mouldings
- Two-tone paint (Lower break)
- 40/20/40 Cloth seat
- Carpeting

Birth Notice

GARLOUGH — Glen and Jacki (nee Graafland) are pleased to announce the early arrival of a beautiful baby girl on Mother's Day (May 11, 1997). Molly Jacqueline weighed 5 lbs., 1-1/2 oz. Thanks so much to Dr. Chadha and all the staff at the Ottawa Civic Hospital.
9

Card of Thanks

CARD OF THANKS — The adventure began in September of 1972 when we purchased the farm of Harry and Aletha Williams in Van Camp. Both of us had been raised in the city (Carol in Chicago, Ted in Ottawa). We knew less than nothing about farming. Fortunately for us, many of our new neighbours came to our assistance - especially Dorothy and Gordon Simzer who had infinite wisdom, patience and understanding. It was Gordon who advised us when we bought our first cow that we should always feed the pointy end - words to live by! Over the last 25 years we have been blessed with the friendship of many and have enjoyed that strong sense of community which is alive and well here among you. We have shared many good times and a few not-so-good times....and it was the collective strength of our extended family which sustaned us during those darker days. As we prepare to move across the country to our new home in Nelson, B.C., we wish to thank you for honouring us with your friendship and for making our Van Camp years so memorable. Though we'll be many miles apart, you will always be with us in our thoughts and in our hearts.
— Carol and Ted Allan
9

CARD OF THANKS— We would like to express our sincere thanks to everyone who helped make our 55th Wedding Anniversary such a happy and memorable occassion. Thanks for flowers, gifts, cards and telephone greetings.
— George and Helen Wright
9

Thank You
I would like to thank everyone who donated for bouquets or boutonnieres. Watch your donations blossom into a cure.
MS Society and Donna Lutz

Card of Thanks

CARD OF THANKS — I would like to thank my family and friends for the cards, phone calls and flowers from Rebekha Lodge while I was in W.D.M.H. Thanks to Drs. Prins and McLean for all the kindness they showed me. The nurses and staff on the 3rd floor and Lisa and Lillian for their care.
— Betty Hutt
9

CARD OF THANKS — My heartfelt appreciation to all who helped me at the time of my accident. To the doctors and nurses at Ottawa General and Winchester Hospitals and Dr. Thomas. Many thanks to all for cards, letters, visits, flowers, calls and food sent to our home. It helped both George and I a great deal. Homecare is a wonderful program when you are unable to do for yourself and my thanks to the V.O.N., Roxanne, my physiotherapist and Kathie, my homemaker. A special thank you to Dale and Lyn for all their help and kindness and to my granddaughter Erin who was with me, for all she did both at the time and after. I love you Erin. Lastly a very special thanks to Victoria Allison for being there for us that night and staying with the family until the wee hours of the morning and all of her help in the days since. Hugs and kisses to two special little girls, Shelby and Mackenzie who cheered me up many days during my recuperation.
— Sincere thanks to all, Alys McIntosh.
9

CARD OF THANKS — We extend sincere thanks to relatives, neighbors and friends who have supported and comforted us through Clifford's illness and his death on May 20, 1997. Our deepest gratitude for the expressions of sympathy, floral tributes, visits, memoriam donations, cards, phone calls and for the food brought to our home. Special thanks to Dr. A.N. Hassan and the staff of the Winchester Hospital, emergency, the ambulance attendants, the doctors and nurses of the I.C.U. of the Ottawa General Hospital for their unfailing kindness and care. We are indebted to Rev. Thurland Brown for his comforting words, to Don and Edna Snider for ministering in music and song, the pallbearers and the Wesleyan Church ladies for serving the lunch after the service. Our sincere thanks to Byers Funeral Home for their kindness and guidance. We will never forget the support shown to us by everyone.
— Marjorie, Nancy, Jo-Anne and the Scott family.
9c

CARD OF THANKS — A sincere thank you to my family and friends for cards, visits, phone calls and food brought to my home, while I was a patient at WDMH. Special thanks to Dr. Rosenquist and all the wonderful nurses in ICU and on the surgical floor for their excellent care.
— Adriana Geerts
9

CARD OF THANKS — A special thanks to my family, friends and neighbours for visits, calls, flowers and cards. Also thank you to Dr. Chandi, Dr. Burke and Dr. Kimberley and nurses of ICU and 2nd Floor for the excellent care I received while in hospital. Thanks also to Rev. Stephen Neil for his visits. Your kindness will be remembered always.
— Ina McDonald
9

CARD OF THANKS — We wish to thank mom and our families for providing such a special 25th Anniversary celebration. Thank you to the family, friends and neighbours for the lovely gifts, flowers and cards. We will always have treasured memories of this occasion.
— Danny and Susan Johnstone
9

In Memoriam

BARTHOLOMEW — In loving memory of a dear brother and son, Barry, who died accidentally on May 29, 1988.
We share so many memories,
Of which you had a part.
We will keep them always,
Treasured in our hearts.
— Remembered always, Neal and Helen.
9

McCREA — In loving memory of our precious son and brother, Lucas Michael, (our little man), whom God took to be His angel, May 28, 1994.
No one knows the heartache,
We've tried so hard to hide.
No one knows how many times,
We've broken down and cried.
We've lost our "Lucas" with a heart of gold,
How much we miss him can never be told.
So dear God please take this message,
To our little man above,
Tell him how much we all miss him,
And give him all our love.
— Deeply missed, forever loved by Dad, Mom, Carrie and Maggie
9

HUNTER— In loving memory of our dear parents and grandparents. Ken, who passed away Sept 10, 1992 and Della who passed away May 31, 1993.
You did so many things for us,
Your hearts were kind and true,
And when we needed someone
We could always count on you.
The special years will not return
When we were all together,
But with the love within our hearts
You will walk with us forever.
— Lovingly remembered & sadly missed by Doris, Mervin, Cory and Shelley.
9

GALLINGER— In loving memory of a dear wife, mother and grandmother Jean, who passed away May 27, 1994.
Just when your life was brightest,
Just when your years were best,
You were called from this world of sorrow,
To a home of eternal rest.
— Lyle and family.
9

In Memoriam

BLACK — In fond and loving memory of a dear mother and grandmother, Beatrice, who passed away on May 23, 1993.
A wonderful mother, woman and aide,
One who was better, God never made;
A wonderful worker, loyal and fair,
Tenderly helpful, O' mother you were.
Just in your judgement, always right,
Honest and liberal, ever upright,
Loved by all, our pride they share,
Pride in the wonderful one you were.
— Always remembered by daughters, Verla, Lorna and Sharon and their families.

The Corporation of the Township of Mountain

NOTICE

WHEREAS the United Counties of Stormont, Dundas and Glengarry are co-ordinating the 9-1-1 emergency response program;

WHEREAS duplicate road names will be created with the amalgamation of the Village of Winchester, Township of Mountain, Village of Chesterville and the Township of Winchester;

THEREFORE under the authority of the Municipal Act RSO 1990, as amended, Section 210(111), the Council proposes to pass a bylaw renaming the following roads within the Township of Mountain:

FROM	TO
Church Street	South Mountain Church Street
Dillabough Road	Blaine Road
Francis Street	South Mountain Francis Street
Main Street	South Mountain Main Street
Mill Street	South Mountain Mill Street
Queen Street	Inkerman Queen Street
River Road	Nation River Road

ANY PERSONS who wish to file a concern with regard to the aforementioned may do so by contacting the undersigned.

DEADLINE **for filing concerns is 12 noon on June 2, 1997.**

Chesterville, Ontario K0C 1H0

TOWNSHIP OF WINCHESTER NOTICE OF PASSING AN AMENDMENT TO BY-LAW 7-95 BEING A BY-LAW TO ESTABLISH ROAD NAMES

TAKE NOTICE that the Council of the Township of Winchester proposes to pass a By-Law at a regular scheduled meeting to be held June 2, 1997, for the purpose of amending By-Law 7-95 under the provisions of the Municipal Act, R.S.O. 1990, Chapter M.45, Section 210, Para. 111.

The amendment proposes to rename the following roads:

1. Bailey Road be renamed Forward Road South.
2. Main Street in hamlet of Morewood be renamed Morewood Main Street.
3. Merkley Place Street in hamlet of Morewood be renamed Morewood Merkley Place.
4. Mill Street in hamlet of Morewood be renamed Morewood Mill Street.
5. Ralph Street in hamlet of Morewood be renamed Morewood Ralph Street.

AND TAKE NOTICE that the Council shall hear any person who claims to be adversely affected by the proposed By-Law. Any person wishing to be heard shall apply to the Clerk in advance of said meeting.

AND TAKE NOTICE that a map with the proposed name changes may be viewed at the Township Office, Highway 43, during normal office hours.

Dated at the Township of Winchester this 5th day of May, 1997.

Nancy Krisjanis, Clerk
Township of Winchester

The Corporation of the Township of Mountain

NOTICE TO PROPERTY OWNERS

Destroy Weeds

Notice is hereby given to all persons in possession of land, in accordance with the Weed Control Act, RSO 1990, Chapter W.5, Section 3, 16 and 23, that unless noxious weeds growing on their lands within the Municipality of the Township of Mountain are destroyed by date of **June 30, 1997**, and throughout the season, the municipality may enter upon the said lands and have the weeds destroyed, charging the costs against the lands, as set out in the act.

The co-operation of all citizens is earnestly solicited.

Dorean DeVries
Acting Clerk

Howard Guy
Weed Inspector

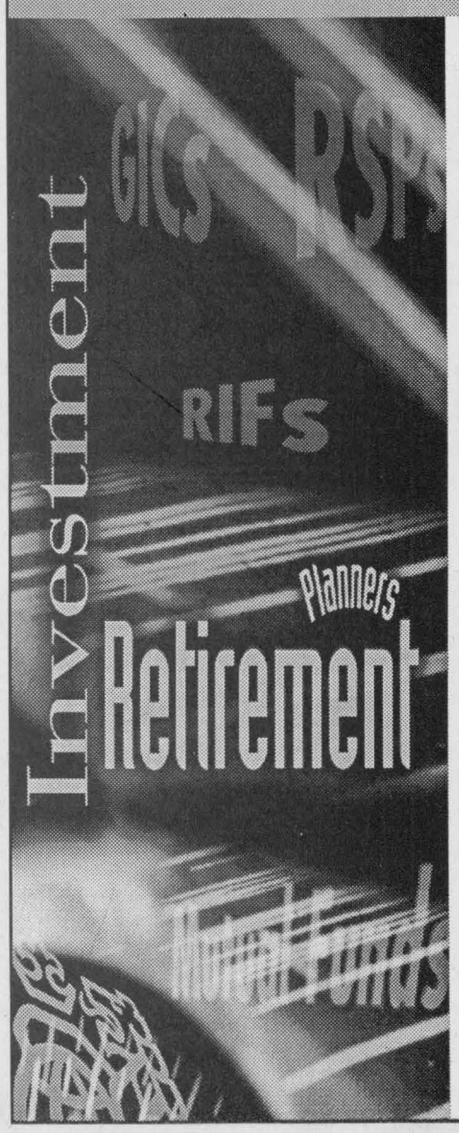
Investment & Retirement Planners



Would you like to work with customers to develop their investment and retirement plans and sell Royal Bank products that will enable them to achieve their goals?

Do you:

- *set and pursue YOUR OWN high standard of excellence?*
- *proactively create sales opportunities?*

You are an ideal candidate if you answered "yes" and have:

- a proven sales record with a minimum of 3 years experience in the banking, insurance or investment industries
- financial planning skills • ability to be Mutual Funds licensed
- PC skills • ideally CFP or ICB Financial Planning Designation

Join this progressive sales team and earn commission and bonuses tied to performance. You will manage your work schedule to meet with clients at their convenience, including evenings and weekends. You will work closely with branches of the Royal Bank Financial Group to assist your customers in purchasing Royal Bank products based on your sound investment planning.

If this interests you please send your resume to: **Randall Blaskievich, Sales Manager, Investment & Retirement Planners, c/o Human Resources Dept., 1100 Burloak Drive, 4th Floor, Burlington, Ontario L7L 6B2 Fax: (905) 332-2899.**

ROYAL BANK FINANCIAL GROUP

We value diversity in the workplace and are committed to employment equity.

Ontario's new budget cuts personal taxes to help fuel economy

WINCHESTER — The Ontario Conservative government tabled their budget on May 6 and included in this budget was the second phase of personal tax rate cuts and various changes to improve investment in business and job creation.

PERSONAL TAX MEASURES

For 1997, the Ontario personal tax rate will be reduced to 48 per cent of the Basic Federal Tax. This reduction will be implemented on July 1, 1997 with the basic rate for payroll deductions being reduced from 49 per cent to 47 per cent.

Higher income taxpayers will see these reductions partially offset by increases in the Fair Share Health Care Levy (FSHCL) which was created in 1996 to offset the cost of the employer health tax exemption.

The minister announced a refundable child tax care credit for lower income Ontarians incurring child care expenses. The basic credit will be 25 per cent of qualifying child care expenses to a maximum of $400 for each child under age seven. The credit will be reduced by four per cent of family net income in excess of $20,000.

BUSINESS TAX MEASURES

To assist in job creation for unemployed graduates, the province introduced the Ontario Graduate Transitions Tax Credit (OGTTC). The credit will provide a 10 per cent refundable tax credit based on wages paid to unemployed post-secondary graduates hired by Ontario businesses.

The period of employment must be at least six months. The individual hired must have graduated from a recognized program of study and been unemployed for at least 16 of the 32 weeks prior to employment.

The credit will be based on the taxable earning paid to an individual in their first 12 months of employment to a maximum of $4,000 for each new hire.

This new credit commences May 6, 1997.

The building materials rebate for farmers introduced in 1996 has been extended to March 31, 1998. The deadline for submitting claims will be December 31, 1998. This rebate is an attempt to encourage farmers to upgrade or modernize their farms.

The land-tax rebate for first-time homebuyers has been extended to March 31, 1998 also. This refund is equal to the amount of tax paid up to a maximum of $1,725.

Lower tax rates and the introduction/extension of tax rebates and refundable tax credits are hoped to stimulate Ontario's economy and move the province "on a way to a better tomorrow" says Ontario Finance Minister Ernie Eves.

sales. Whether inspection is done privately or by government, does not matter as long as we, the public, have control of what is being done. It is clear that food inspection should not be done by parties with a commercial interest, or by parties vulnerable to commercial lobbies.

Question: How would a government under your party ensure that Canadian agriculture remains competitive?

BOB KILGER: Our government supports the establishment of a strong world trade organization that will effectively administer clear and transparent rules that are uniformly applied to all countries. A Liberal government will continue to work to strengthen the international trade regime, including trade in agriculture.

LESLIE O'SHAUGHNESSY: A PC government will be prepared to increase trade opportunities while at the same time vigorously defend our existing markets. In particular, we will commit to continued vigilance south of our border where U.S. protectionist action continues, especially with respect to such supply-managed commodities as eggs and dairy products.

SYD GARDINER: We will provide stable and significant funding for agriculture. Ongoing research is a must to remain ahead of other countries. Import countries need reliable transportation systems to get their goods to market and the NDP will put in place an infrastructure II program to guarantee quality transit.

CHARLES DILLABOUGH: We support a self-reliant and economically viable industry which will use market mechanisms to meet the needs of consumers for safe and secure food supplies. We would, therefore, reduce the regulatory and tax burden on Canada's farmers by placing a higher priority on cost-avoidance and cost-reduction over cost-recovery schemes. User-fees should be subject to the same public and parliamentary scrutiny as any taxation measure. The agriculture sector has to be prepared to make the most of this future opportunity in the global marketplace. We intend to support this through increased funding for research to maintain our competitiveness. It would be our duty to help supply managed sectors prepare and adjust to a more market-driven environment, partly through replacement of import quotas with tariffs at levels sufficient to ensure the ongoing viability of the supply management sectors. Free-trade is a two-way street, and as such, must take on a level playing field.

IAN CAMPBELL: We will support programs to stabilize and increase farm income while lessening the dependence on the government. These programs include crop diversification; improved marketing skills; support for local family-owned processing businesses; programs to favor locally grown products; conservation of soil and water; use of non-chemical herbicides, pesticides and fertilizers; and economic incentives for farmers to make the transition from non-sustainable to sustainable farming practices.

Question: Will a government under your party ensure that this vital research will continue undiminished?

BOB KILGER: Research is the key to our future. As new technologies dramatically change the way food is produced, processed, transported and distributed, the Liberal government is helping the Canadian agri-food sector by conducting high-risk, long-term research and development.

LESLIE O'SHAUGHNESSY: The PC government is committed to seeing that research will continue. It will emphasize that wherever possible it should include private sector involvement to ensure that the research being done is meeting the need of the producers who will have to compete in both domestic and world markets.

SYD GARDINER: In our commitment to Canada's food producers, the NDP states very clearly that we will maintain stable and significant funding for agricultural research and development.

CHARLES DILLABOUGH: We recognize the crucial role of research and development in agriculture and is committed to increasing the current levels of federal funding in this area. We will establish stable, long-term funding for basic scientific research, promote the commercialization of scientific research activity and encourage grassroots investment in emerging technologies.

IAN CAMPBELL: Will we continue agricultural research in Canada, especially in the areas of organic farming and sustainable methods of agriculture; and will not continue the practice of extensively adding chemical additives to our food.

Question: What is your party's position on biotechnology for agricultural purposes?

BOB KILGER: Agricultural research will lead to new and better cultivars and improved animal agriculture. Biotechnology developments must be assessed to ensure human health as well as farmer safety and the health of plants and animals.

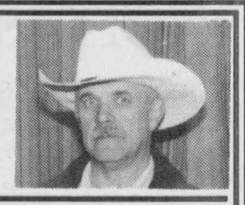
LESLIE O'SHAUGHNESSY: The PC government has always look at ways to support new initiatives to increase food production to secure a safe food supply to a growing world population.

SYD GARDINER: I have no material concerning biotechnology for agricultural purposes, however, personally, under strict guidelines and public inspection, I see no reason to develop in this area.

CHARLES DILLABOUGH: We support using scientific information to determine if an agricultural food biotechnology product meets Canadian health and safety requirements. If it does, the acceptability of that product in the marketplace should be determined by consumer choice and not political interference.

IAN CAMPBELL: We call for a 50-year moratorium on the introduction of genetically engineered plants, animals and substances in our food products. There is already clear evidence that there are considerable dangers of unknown size in this technology. Already people have died from eating genetically engineered foods. We favor all natural methods of food production, of foods that already exist in nature.

Horsing Around



by John Seguin

Horses and their people

WINCHESTER–In today's economy we need to be thankful for the diversity that we enjoy in this part of southeastern Ontario, anything from ostriches to dairy cattle and everything else in between. What about horse people? How much do they contribute to the local businesses? Yes, like all good Canadians they pay taxes, buy groceries and support our local financial institutes. But their main focus of expenditures are of course, the horses, and all that goes with them.

Let's talk about how all this works as a benefit for everybody, especially the four-legged beauty. These animals first of all need a place to stay. So that means we need a barn or horse stable for the more sophisticated ones. That is a 'good thing' as Martha Stewart would say, because the local building supply outlets get to sell lumber, nails, screws, electrical stuff, plumbing stuff, roofing stuff and all the other stuff that is needed to house these precious animals. But "Nelly" also needs a place to play outside, so a turnout paddock and pastures are required. That means fencing supplies, wire, posts, gates, water and feed tubs.

Now that these animals are housed and have a playground, they have to be fed. Unlike four-wheelers, snowmobiles and other mechanical devices, whether you ride them or not, they still need to be filled up at least twice a day. Our local feed dealers really like this situation because they get to sell a lot of grain rations– "too many varieties to list them all", as well as salt, minerals and special supplements. And the list goes on.

Also, when "Big Red" is in his stall, he needs something comfortable to lay on and to collect the 'you know what', so back to your feed dealer who is more than happy to help you with the bedding requirements. And he is not done with you yet. There is liniment and all sorts of pain-soothing and medical supplies which are a must for horse keepers, not to mention tools that are needed to keep the stalls and alleyways clean.

There is also the professional help that a horse must get on a regular basis: the veterinarian, the horseshoer, the equine dentist and there are even chiropractors to take care of those aching muscles.

What about equipment... That's a whole economy in itself. You know what I mean: saddles, buggies and wagons, head gear, leg gear, special this, special that. All this just to make the old nag go faster, travel smoother, look better and give us pride in the overall appearance. Let's not forget the trucks and trailers that are required to move these prized possessions. That will inject anywhere from $30,000 to $50,000 into the economy, not including insurance, licences, taxes and so on. For those who are active in the show or racing circuits, there's labor cost, association fees, entry fees, gas, food, lodging and whatever libation you may use to help with the stress.

I could go on for pages talking about the contributions that horse people make to our local economy, but you would probably get bored, so I will end by saying the next time you see a horse person, smile at him or her - maybe even shake their hand for helping with balance and diversity in our area. If everything and everybody was the same, driving down the road would be pretty boring.

OFA report

by Alvin Runnalls

The Ontario Federation of Agriculture (OFA) Board of Directors met on April 16, and since there was no meeting in May because of spring planting, it was a long and full agenda.

Farm Registration is proceeding ahead of last year's pace and so far refunds are lower. We hope this trend continues.

A draft budget will be presented at the June meeting, a further draft in July, and a final draft at the August board meeting for approval. There was an opportunity for directors to present a wish list. The following are some of the ideas put forward:

— should OFA participate in future trade missions;

— consider enhancing communications to our members through the Internet;

— provide resources for policy development to deal with new acts;

— set aside funds for those counties requiring emergency-type funds;

— provide information services cut off by OMAFRA;

— give more funding for the Canadian Federation of Agriculture;

— provide emergency funding for coalitions.

The draft land use policy that I mentioned last month was presented and, after a heated debate, was accepted as policy. Waterloo Region was opposed, but could not convince the majority of directors that a large province with such a diversity of geography and agriculture could be treated the same. Each area will have to protect its own agricultural interests according to its own needs. OFA will support those needs.

A resolution from the Sheep Marketing Agency regarding independent ultrasound pregnancy detection was passed. OFA supports the idea of technicians, rather than veterinarians, being able to do this. This practice has been opposed by the Ontario Veterinary Association.

Regarding the Pest Management Registration Act (PMRA), we have just heard that budget will be limited to one year, giving farmers another opportunity to make changes to it.

Farmers have been especially concerned about the effects of the flooding on the Manitoba farm community. Dundas County Federation passed a resolution to contribute $500 to a flood relief fund directed to farmers and is issuing a challenge to county farmers to add to this amount. Thanks to the local farmer whose questions about what OFA was doing to aid our fellow farmers in Manitoba initiated the DFA resolution. Details for donating will be in the DFA Newsletter in early June.

4-H update

Six projects completed

Five members of the 4-H clubs in Ormond were recognized for completion of six projects during an achievement program held Mon., May 26 at Cass Bridge. They included left to right, front: Anja Zollinger, Chris Toonen; and back: Emmanuelle Sheldrick, Melissa Stoodley and Andrea Bridges. Press Photo — Fetterly

Monsanto offering scholarships

WINNIPEG — Monsanto Canada has launched its seventh annual agribusiness scholarship program, now totalling $50,000, in Alberta Saskatchewan, Manitoba, Quebec and Ontario.

In each province 10 $1,000 scholarships are awarded to high school students from a family farm who are pursuing post-secondary education in the areas of agriculture, business or biotechnology. Students must have demonstrated academic excellence, leadership capabilities and a keen interest in their local communities to qualify for the scholarships. The deadline for applications is Aug. 15.

Scholarship application forms can be obtained from schools, OMAFRA offices and Monsanto retailers and distributors, or by calling 205-985-1000.

Worms friendly, efficient compost converters

by Nancy Jordan
A Master Gardener in Training

Question: *What is Vermicomposting?*

Answer: Vermicomposting is a fun, fast and economical way to convert organic waste into a nutrient-rich material, by using worms.

Anyone can do it because worms can work where the garbage is produced, which means no hauling or central processing is needed.

Worms have been converting organic wastes into other usable forms for millions of years, a process we bypass every time we incinerate, bury or flush garbage down the drain.

All modern day waste disposal methods are costly, and have many adverse effects on our environment. Worms, however, are very environmentally friendly.

THE CONTAINER

Almost anything that can keep worms 'corralled', offers drainage, and enough oxygen, can be used for your worm bin. (There are many reputable firms in the area that sell ready-made worm bins.)

The size of your container will depend on how much waste you produce. Two rules of thumb are: the average person generates from one to one-and-a half pounds of kitchen waste a week; and the worm to garbage ratio is about two to one (it takes two pounds of worms to process one pound of garbage per day.)

It's safe to say that you will need a quarter pound of worms for every cubic foot of space in your container.

For indoor vermicomposting, I would suggest that you use a small- or medium-sized container, for ease of handling and for space saving. You can have more than one container going at one time.

Any worm bin that you decide on should have drainage in the bottom and a tight-fitting lid to keep moisture in (and the worms) and the pests out.

You can build your own bin using new material or recycled material (never pressure treated wood, it's poison to your worms). A small container would measure 39 x 30 by 32 centimetres deep, a medium container: 47 x 40 x 32 centimetres, a large container: 61 x 51 x 32 centimetres. The container should be stored in an area where the temperature will be between 13 to 25 degrees celsius, worms can't tolerate freezing and suffer from high temperatures as well. There must be air circulation, and a minimal amount of light. Under the kitchen sink, in the basement or in a closet are good choices for container storage.

Ask a Master Gardener

In warm weather you could add some of the worms to your outdoor compost bins/pile, they will speed up the process of regular composting for you.

THE SET UP

When you have decided on a container for your worms you need to prepare it for them.

Worms need bedding which is shredded paper. You need about two and a half pounds of shredded paper per cubic foot of space.

A worm's body temperature is about 75 to 90 per cent water, and the body must be moist to respire (exchange the gases oxygen and carbon dioxide). If you prepare the bedding with the same moisture content as the worm's body, the home will be just right.

Add water to the bedding and check the moisture by squeezing a handful of the bedding in your hand, it should just drip when squeezed. Now you can add your worms. Just place the worms on top of the bedding, they will find their way to the garbage you are going to put in the bin.

FEEDING

Worms like most any organic kitchen waste including meats and oils. However, the odors may be offensive and it takes them much longer to process these things.

The following are some dos and don'ts: Do feed vegetables and fruit, bread, cake, pasta, rice, grains, molasses, eggs and eggshells as well as coffee grinds.

Don't feed worms: meat, fish, poultry, dairy products, fats, oils, mustard, metals, styrofoam, rubber or plastics.

Worms will be faster eaters if you grind the food waste first (chop it in the food processor).

To feed the worms, make a hole in the bedding and leave it. The worms will do the rest. Put the next waste in a different spot and so on and so on.

HARVEST WORMS

Every three to four months you will harvest the vermicompost and replace it with new bedding. As your worms eat their way through the bedding and organic waste they deposit their castings/manure, making the bedding a very dark brown, almost black color.

The texture becomes dense and the amount decreases. This is vermicompost. To harvest these castings trowel out the container onto a very large plastic bag or sheet. Spread the material into separate mounds and shine a light onto the mounds, because worms are sensitive to light they will head to the centre of the mound, enabling your to take the outer edge and put it into a pail or bag for fertilizer. Continue this until all you have left are the worms in mounds.

Now you prepare your container again with new bedding, water and worms. You will probably have enough worms for someone else to start their own container.

Heritage plant sale

The popular Upper Canada Village heritage plant sale was held this past weekend (May 24 - 25) at the village store. Sale-goers had the opportunity to talk with experts about their potential purchases and learn more about the history behind them, and how and where to plant them. Both perennial and annual plants were available.

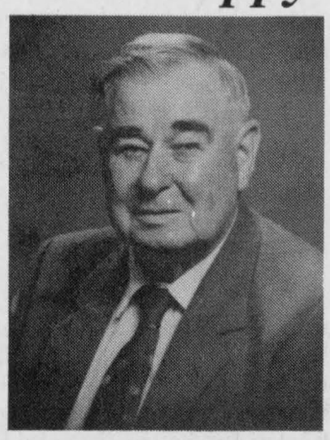
Happy Birthday



80 Years Young!!

The family of **Bill Armstrong** invite you to join them at the celebration of his
80th Birthday,
Sunday, June 1st/97.
2:00pm - 4:00pm
Winchester Lions Club.

At Dad's request,
Best Wishes Only

Winchester Recreation Summer Programs

The Village of Winchester is once again offering summer programs. **The 1997 summer program will offer week long day camps, beginning June 30 and ending August 22.** Camp will run from 9 am to 4 pm. **This camp is for children ages 5 to 12.**

Daily activities include:

- one hour of swimming
- arts and crafts
- games
- songs
- athletics
- afternoon snack
- and lots of fun!

Cost: $60 per week per child

Exceptions: Weeks of June 30 to July 4 (July 1 off) and August 4 to August 8 (August 4 off) the cost will be $50 per child.

Inquiries: Call Roxanne at 613-448-1825.

REGISTRATION

will be held
Tuesday, June 3 and Wednesday, June 4
from 7 pm-8:30 pm
at the Winchester Arena

See you there!

BETTY HILL
Nepean-Carleton

"Parliament desperately needs down to earth, sensible people, and we all know that Betty Hill is just that kind of person. I have known her for years and what you see is what you get - honest, hard-working and very much connected to what's going on in the real world. There is no doubt Betty will bring the same personal work ethic to Parliament Hill to the greater benefit of Nepean-Carleton and Canada."

Marjory LeBreton
Senator

If I missed you at the door and you need more information or you wish to assist in the campaign, please contact us at Campaign Headquarters in the Barrhaven Mall:

900 Greenbank Road, Nepean, Ontario, K2J 1S8
