Rev. Hector Beach Addresses 100 Club

Rev. Hector Beach, pastor of Finch United Church, was the guest speaker at the 100 Club Luncheon, held at Hotel Winchester last Thursday evening. His topic was "The Urban Trek and Its Rural Challenge." It was divided into two parts: "The Exportation of Economic Potentialities," and "The Exportation of Interest in Rural Communities." The speaker had made an exhaustive study of his subject and had collected and tabulated many facts and figures which were of intense interest. One point Mr. Beach brought before using.

out was the fact that by the time a boy or girl in a rural community had completed High School and graduated from college, his or her parents had an investment of over $10,000.00 in the student. He gave figures to prove this point, and stated that it was a loss to the rural community, as in most cases the student left the community to take a position in the urban centres. Dwelling on the cost of education, the speaker pointed out that every year, the average rural High School graduation represented an investment of three-quarters of a million dollars in the students. On an average, two out of every three students leave the rural centres after graduation and it is the urban centres that get the benefit of the money rural parents invest in their children. Is it any wonder, asked the speaker, that farmers have to work long hours, and deny themselves of bathroooms and the many other conveniences that the urban dweller enjoys?

If children realized what it cost to educate them, continued Mr. Beach, they would strive to become better citizens.

Speaking of the exportation of "interest" in rural communities, the speaker compared Grandfather's time with today. Our forefathers concentrated their interest in their home, church and school in the rural centres. Those institutions were erected and maintained by them—they were their own.

Today this interest has been exported to the urban centres, he said. The Departmental Store Catalogue has become an authority and has left the rural store a poor competitor.

Interest in the rural church has given way to Sunday radio programs from the urban centres. In many cases, prize fights and a wooden man sitting on a ventriloquist's knee are a bigger attraction to the rural dweller than the minister's sermon in the local church. If this continues, said the speaker, it's "good-bye to the Church."

Today, the rural dweller prefers to sit by his radio and listen to sports programs from the cities, but has no time to attend or interest himself in a local hockey match or ball game.

Home recreation and house parties were the centre of interest in grandfather's time, said the speaker. Today, recreation is bought and paid for, dances, shows, etc., are all operated for a profit. Years ago recreation was a form of entertainment and exercise. Today it is of a lazy variety.

We are living in a bigger world, and while our interest has broadened, it has become shallow, said Mr. Beach. It is so broad it has no depth. The need of the day is for a common interest in our family and community. The urban trek has taken such an interest out of the rural communities that we are going to have to work hard to save what is left. Where there is no interest, there is no action, and where there is no action, there are no results, he said.

In closing, Mr. Beach pointed out that while this was a machine age, it required engineers to operate the machines. It's the human element that counts most and is all important, and it will have to be the human element that will revive the interest in the rural communities. He praised the work of the 100 Club for its efforts to maintain interest in this community.

The speaker was introduced by Centurian F. Erle Helmer and thanked on behalf of the Club by Centurian W. F. Workman.

Prior to the luncheon, the Club held a business session with the president, Centurian O. V. Stevenson, presiding.

Centurians W. C. MacDonald and Bob Woods were appointed a committee to arrange for a Christmas Tree and a visit from Santa Claus in December.

It was decided to contact the Minister of Highways regarding the taking over of the front part of the Memorial Park and maintaining it as a Highway Park. Centurian Hart Melvin and a committee were appointed to interview the Minister.

The president suggested that plans be started at once to arrange for the 100 Club's Annual Night of Fun at the local arena.

Centurian Gordon Rice said that the Boy Scouts and Cubs would be willing to co-operate with the 100 Club in sponsoring a Mammoth Auction Sale to be held in aid of the Memorial Hospital next spring.

Centurian Chester Robinson pointed out that the 100 Club budget was getting low. It was decided to take up a collection at each luncheon. The hat was passed and the initial collection amounted to $11.25.

A prize boost was conducted by Centurians Arnold Duncan and Dave Melvin on behalf of Centurian F. Erle Helmer. The winners were Centurians Hugh Slater and Ken. Ault.

Mr. Clifford Churchill, a guest at the luncheon, was introduced and welcomed by the president, while Centurian W. J. Cass introduced Centurian Len. Jakes, a new member of the Club.

Singing during the luncheon was led by Centurian Sheldon Robinson, with Centurian Earl Freeland at the piano. Grace was asked by Rev. Mr. Beach, and the 100 Club Creed recited by Centurian Harold Lannin.

IN CASE YOU DIDN'T KNOW!

In a recent report of a local Legion Meeting, it was announced that Mr. W. C. MacDonald had joined the Winchester Branch of the Canadian Legion. For the benefit of those who may not know it, there are two W. C. MacDonalds in Winchester now. The one gentleman is a mechanic at Lannin's Garage and he is the one who joined the Legion—not Walter C. MacDonald who is a candidate for Reeve, and Chairman of the Memorial Hospital Board.

St. Paul's Bazaar Was Well Patronized

Over 250 people attended the Annual Bazaar and Chicken Supper, held in St. Paul's Sunday School Hall on Thursday last, under the auspices of the Ladies' Aid Society. The rooms were gaily decorated for the occasion and there was a good assortment of articles on sale in the several booths.

Over $250.00 was realized from the sale and supper.

The president of the Ladies' Aid, Mrs. Geo. Wilson, introduced the pastor of the church, Rev. Wallace MacKinnon, who officially opened the Bazaar at 3 o'clock.

Miscellaneous—Mrs. Hugh Wilson, Mrs. Chas. Cross and Mrs. A. G. Suffel.

During the serving of the Chicken Supper a musical program was presented, with Miss Clara Irving as accompanist. The program was arranged by Mrs. Chas. Cross and Mrs. Hugh Wilson and consisted of the following numbers:

Piano Duet—Misses Dorothy Servage and Catherine Moffat.

Mixed Quartette—Mrs. C. Cross, Mr. and Mrs. H. Wilson and Mr. Fred Gibbons. Two numbers.

Contest For Reeve, Councillors Here

There will be an election for all Council seats in Winchester next Monday. Running for the office of Reeve are Councillor John M. Fader and Ex-Reeve Walter C. MacDonald. while five candidates have qualified for the four Councillor offices. They are Messrs. E. A. Morgan, a member of this year's council; Lloyd, Dixon, Sam Ault, Earl Freeland and Howard Biccum, all new-comers.

The election will take place on Monday, December 1st, when the Polls will be open from 9 a.m. to 5 p.m.

If you reside on the North side of Main Street, you will vote in the Council Chambers. Ratepayers residing on the South side of Main Street will mark their ballots in the Clerk's Office.

An acclamation was given the members of the Public School Board, when only the required number qualified. They are Messrs. Eldon Fennell and Chas. Choss, present trustees, and Mr. Geo. McConnell, who succeeds Mr. Ken. Ault, who retired from the Board.

Full List of Nominations.

The Nomination Meeting, held in the town hall last Friday evening, attracted a larger attendance than usual, with the younger men taking a keen interest in the proceedings. The Returning Officer, Mr. E. M. Shaver, presided, and the complete list of nominations was as follows:

For Reeve—Messrs. Albert Turner, W. C. MacDonald, C. R. Robinson, John M. Fader, F. M. Cass and N. W. Beach.

For Councillors—Messrs. John M. Fader, C. R. Robinson, W. F. Workman, E. A. Morgan, Sam Ault, W. J. Stewart, Lloyd Dixon, Earl Freeland, Melvin Scott, Howard Biccum, Harold Lannin and Robert Woods.

For Public School Trustees—Messrs Eldon Fennell, Cnas. Cross, Ken. Ault, George Elliott and George McConnell.

Several of those nominated had their nominations withdrawn at the meeting, while Councillors C. R. Robinson and W. F. Workman and the present Reeve, Mr. Turner, decided to retire from the Board at the close of the present year.

During the meeting, all members of the present Council spoke briefly, outlining the Board's work during the year.

Candidates who had not withtion list, were then given an opportunity to address the meeting, as were some of the members of the Hospital Board, who were present.

Mr. W. J. Cass, Chairman of the High School Board, gave a report on behalf of that Board, while Mr. Eldon Fennell presented a brief account of the Public School Board's activities.

In his report, Mr. Cass pointed out that the financing of the local High School had not cost the Winchester ratepayers one cent this year, although there was $3000.00 held by the Council from last year's levy. He also pointed out that there was no Cadet training being carried on at the local school at present, due to changes in the regulations governing this work. At his request, the chairman asked those present at the meeting if they desired the Cadet work to be continued in the school. The answer was in the affirmative by a good majority.

Mr. N. W. Beach, during his brief talk, said that he had been present at every local nomination meeting since 1888—59 consecutive years. This is a record that will take some beating. Mr. Beach was Winchester's first Municipal Clerk and has served several terms as Councillor and Reeve during the past two decades.

Some excitement occurred near the close of the meeting when Mr. Hart Melvin, Chairman of the Hospital Finance Committee, and Mr. Melvin Dawley, entered into a heated debate over some pointed questions regarding the hospital. During the course of this debate, Mr. Melvin gave the audience much valuable information about the hospital project.

BARN, STOCK AND HARVEST DESTROYED BY FIRE

The farm buildings of J. Wesley Moke, situated west of the Dunbar settlement, five miles southwest of Chesterville, was destroyed by fire of unknown origin on Saturday evening.

Mr. and Mrs. Moke had driven to Morrisburg earlier in the evening and while Mr. Moke did notice a reflection in the sky around 10 o'clock, he was not aware that it was his own buildings that were falling victim to the flames. The entire stock of 16 cows and three Clydesdale horses, along with the season's harvest of grain and hay and two silos filled with ensilage was lost.

First On Scene

Floyd Young, a neighbor living about one-half mile from the Moke farm, noticed flames issuing from the barn shortly before 9.30, and had hurried toward the blazing building. A frantic Collie, the family pet "Teddy," raced toward Mr. Young. Mr. Young related that he was the first neighbor on the scene and that the heat was so terrific he couldn't enter the stable to release the trapped animals. Joined by other neighbours, Mr. Young was able to get one piece of machinery from the windward side of the building and rescued some chickens before flames drove them from the blazing inferno.

Sunday morning the smouldering debris disclosed the mute tragedy with the rib structure of each animal visible beside the steel stanchions.

Mr. Moke served with the Canadian Forestry Corps and saw service in France and the Low Countries. Following his discharge from the forces, Mr. and Mrs. Moke had come to this part of the township.

Their loss will run over $8,000 and is partially covered by insurance.

MRS. R. B. McQUAIG DIED YESTERDAY

Word was received here yesterday that Mrs. R. B. McQuaig, a former resident of this place, had died at Toronto. She was a sister of the late Frank and Myron Daivdson. It is expected the funeral service will be held in the local United Church on Friday afternoon.

L. O. L. Banquet Held On Tuesday Evening

The annual Banquet, sponsored by L.O.L. No. 862, was held in Hotel Winchester on Tuesday evening, with an attendance of over 70 members and their lady friends. The Worshiptul Master, Douglas Johnston, presided.

As the banqueters entered the dining hall, Piper W. B. Kerr, of Ottawa, played "My Love, She's But A Lassie Yet."

During the evening, Rev. N. J. Thomas led in a sing-song, with Mrs. W. J. L. Boyd presiding at the piano.

After extending a welcome to the guests, the chairman proposed a toast to the King and one to Princess Elizabeth and Prince Philip Mountbatter., whose marriage took place recently. Following this, Piper Kerr played the "Elizabeth March" on the bagpipes.

The toast to the Loyal Orange Lodge of British America was proposed by Mr. W. J. L. Boyd and responded to by Mr. Arnold Dukelow.

Rev. C. Younger-Lewis, in his usual jovial manner, toasted the Ladies, with Mrs. Jas. A. Crawford responding.

The toast to the Church was introduced by Mr. Gordon Rice and replied to by Rev. Wallace MacKinnon.

Rt. Wor. Bro. Stanley Hudson, of Ottawa, introduced the guest speaker, Rt. Wor. Bro. Donald J. Sullivan, of Ottawa, Grand Secretary of the Grand Lodge of Ontario East, and proposed the Toast to Grand Lodge.

In responding to the Grand Lodge Toast, Rt. Wor. Bro. Sullivan delivered an interesting address on a topic relative to Orangeism. He stated that the first Orange Society was organized in a small village, Diamond, Ireland, in 1795, and that the first Canadian Orange Lodge was formed in Montreal about the year 1820. He congratulated the local L.O.L. on its fine work and on the noted increase in membership within the past few years.

The guest speaker and others who had contributed to the evening's entertainment was thanked on behalf of L.O.L. No. 862 by Bro. John Barrett, after which the National Anthem was sung.

Pool Room Vote To Be Taken Monday

When local ratepayers go to the Polls next Monday, December 1st, to elect members of the Municipal Council for the year 1948, they will be given an opportunity to say whether or not they are in favour of having a Pool Room operated in Winchester. The question which will appear on the ballots will be: "Are you in favour of granting Wilfred A. Lannin a license to run a Pool Room in the Village of Winchester under the rules and regulations of the present Pool Room By-law?" Mr. Lannin applied to Council a few months ago for a license, but in view of the fact that a negative vote was returned on a similar question when it was put to the ratepayers in 1939, the application was refused, until another vote of the ratepayers was taken on the question. The results of next Monday's vote will determine the action of future councils in dealing with applications for Pool Room Licenses.

FAWCETT HOLSTEIN WINS AT ROYAL WINTER FAIR

THURSDAY, NOVEMBER 27th, 1947

MONDAY'S MUNICIPAL ELECTIONS

On Monday next, the ratepayers of Winchester will decide at the Polls who will represent them as their Municipal Council for 1948. Choosing a Reeve is not going to be easy, because both Councillor John Fader and ex-Reeve Walter C. MacDonald, the candidates for that office, have, in the past, rendered excellent service as municipal officers and both are qualified for the office for which they seek election. These two citizens are not rivals, even though they are competitors for municipal office—they are the best of friends and have very much in common. Both these men are deeply interested in the welfare of Winchester and their only object in offering themselves as candidates for the reeveship is to render public service to the ratepayers of this village. We will not hazard a guess as to which one will be elected, but will say that the ratepayers can vote for either with equal confidence.

Running for Councillors are five men, four to be elected. The only councillor on this year's Board seeking re-election is Mr. Earl A. Morgan. He has had two years' experience and this, no doubt, will be taken into consideration when the ratepayers mark their ballots next Monday. The other contestants are Messrs. Samuel Ault, Lloyd Dixon and Earl Freeland, all energetic young men, and ex-members of Canada's Armed Services, and Mr. Howard Biccum, local insurance agent, and a man who is doing much to alleviate the housing shortage in Winchester. All of these candidates should make excellent material for the Council Board, and should be commended for the interest they are taking in local affairs, and for offering themselves as candidates at next Monday's election. It will be up to the ratepayers to decide which of these five candidates will serve as Councillors for 1948.

Since Friday's Nomination Meeting, many rumors have been in circulation about one thing and another—some of them being circulated as direct attacks against certain candidates. These rumors should be taken lightly, because they are without foundation. Those who have served on Municipal Councils know that nothing drastic in the way of issuing debentures for large sums of money can be undertaken by a Municipal Council without the consent of the Municipal Board at Toronto, and without a vote of the ratepayers being taken. The whisperers can do a lot of damage, if the ratepayers are easily influenced, but in the case of the rampant rumors of the past few days, from the knowledge we have at hand, we would ask the ratepayers to ignore them and vote for the candidates of their choice.

As will be noted elsewhere in this paper, a vote on the Pool Room question will also be taken next Monday. Again, we are leaving it to the good judgment of the ratepayers to vote as they like on this question.

Vote as you like—but be sure to come out and vote next Monday.

IT ISN'T THE TOWN, IT'S YOU

If you want to live in the kind of town you like,
You need not pack your clothes in a grip,
And go on a long, long hike.
You will only find what you left behind,
For there is nothing that is really new.
It's a knock to yourself when you knock your town,
It isn't the town, it's you.
Real towns are not made by men afraid,
Lest somebody else gets ahead;
When everybody works and nobody shirks,
You can raise a town from the dead.
And if, while you make your personal gain,
Your neighbour can make one, too,
The town will be what you want it to be,
It isn't the town, it's you.

EDITORIAL NOTES

The City of Toronto, it appears, has more than 900 known sex offenders who are at large. People would feel safer and be safer if most of them of the incurable type were removed from public circulation, comments The Brockville Recorder & Times.

Some business concerns have some pretty catchy slogans to advertise their wares, but the barber who thought up this masterpiece must have done more thinking than the customary talking. Under a picture of a man's head he put this message: "We need your head in our business."

Progressive Conservative leader, John Bracken: "The party which I lead believes that they (retiring allowances of $50 a month) should be for all without any means of test." It is gratifying that Mr. Bracken throws the weight of his party with the C.C.F. in advocating $50 monthly at 65. The Liberal party would give $30 at 70 and Social Creditors $50 at 60.

"Darling," said George, as gently and as diplomatically as he could, "doesn't it seem to you there might be a little something—just a teeny-weeny little something—lacking in this pudding?"

"Yes, dear, I suppose there is," came the unexpected reply. "But it's your own fault. I told you we should have a better radio."

"What's the radio got do with it?" demanded George.

"Everything," wailed the little woman. "That's as far as I got with the recipe before the dilapidated old thing broke down!"

On a recent motor trip we were appalled at the filthy conditions which prevail in the majority of public washrooms in service stations and restaurants. And while proprietors of such places are sometimes at fault, in most cases it is the travelling public which must accept the blame. People who come from good homes and who should know better, seem to have no conception of good manners in a public washroom. Used paper towels are strewn about the floor, seldom put in containers provided, Water is splashed about, and few patrons are thoughtful enough to rinse out the wash basin after using it. The result is that within a few hours a clean washroom is turned into a dirty mess. It's little wonder that service station operators are turning to the practice of locking their rest rooms, opening them only upon request of customers.—Exchange.

The youth gets together his material to build a bridge to the moon, or perchance, a palace or tempie on the earth, and at length, the middle-aged man concludes to build a woodshed with them.—Thoreau.

IS THIS THE ISSUE?
(Ottawa Journal)

An Ontario Cabinet Minister has dropped a hint that a provincial election may be held in 1948. And the issue could well be the report of the Royal Commission on Education, due early next year and likely to contain drastic and important recommendations.

PAYING TOO MUCH
(Cornwall Standard-Freeholder)

The much discussed movie "Forever Amber" has been withdrawn from a downtown Toronto theatre before the end of its scheduled run because it was drawing such poor crowds at $1.20 admission prices. People will pay the current high prices for meat and groceries, but they won't pay that much for tripe.

OUR HOSPITAL NEEDS IT!
(Brockville Recorder & Times)

Any Canadian who finds himself burdened with dollars as a result of the curtailment of imported luxury goods can find plenty of worthy outlets for them. There isn't a church that won't welcome financial assistance and that is equally true of hospitals and many other charitable institutions, most of them starved for funds.

REGRETTABLE PRECOCITY
("Marketing," Toronto)

Cigarette manufacturers "can look for a widely expanded market as new generations reach the age of 18, according to a nation-wide survey made by a national magazine. Although less than 20 per cent. of women over 44 years of age smoke cigarettes, more than 40 per cent. of women between 18 and 44 are smokers. Two-thirds of all women smokers start smoking before they are 22 and most men smokers start in their 18th year, with the number of men smokers declining after age 44. Brands are switched occasionally by 44.4 per cent. of the men and 50.1 per cent. of the women.

YES, TWO-TIMERS
(Pembroke Standard-Observer)

That within six or eight months, possibly sooner, there will be a slump in business in Canada, perhaps of the proportion of a depression, due to the fact that Europe will be too poor to purchase Canadian exports, consequently the Canadian Government will launch some gigantic national expenditures in order that there will not be what is known as hard times. This will coincide with the date set for the next Federal election, when "good times" will help the party in power. The Liberals know how to time these events.

CABINET SALARIES
(Ottawa Citizen)

Mr. Douglas Abbott, Minister of Finance, was correct in telling Ottawa Consumers' Association representatives that there has been no increase in salaries of Canadian cabinet ministers for 30 years. But as a member of the House of Commons Mr. Abbott, with other cabinet ministers and M. P.'s, has the benefit of the recent $2,000 tax-free increase in the sessional indemnity.

Cabinet ministers who are members of the Commons, and all of them are, have had their total remuneration raised from $14,000 to $16,000 within the past two years.

This is an increase of more than 14 per cent. The fact that the additional $2,000 is exempt from income tax makes it virtually equal to an extra $3,000 liable to income tax. On this basis the allowances which a cabinet minister receives have been bettered by more than 20 per cent.

Members of the Government receive $10,000 as cabinet ministers and the $6,000 annual indemnity as a member of Parliament which is increased if there is more than one session a year. Cabinet ministers also receive a yearly motor-car allowance, or a total of at least $18000.

In the report of the Dunning-Casselman wedding, published in last week's Press, the following paragraph was inadvertently omitted: "The bridesmaid, Miss Melba Casselman, wore a street-length dress of Hoganberry Red Wool Crep, fashioned with a draped front with sequin trim and black accessories, and wore a corsage of pink roses and white carnations."

UNITED CHURCH W. M. S.

The November meeting of the Afternoon Auxiliary of the W. M. S. was held in the S. S. Hall on Thursday, Nov. 13th, with the president in charge of the meeting. After the singing of a hymn and the adoption of the minutes of the last meeting, the departmental reports were received. The treasurer reported the Thank Offering gifts exceeded $82.00. She also reported a new Life Member. The Christian Stewardship Secretary read a prayer on Stewardship. A splendid reading on Temperance and Christian Citizenship was given by Mrs. Ronald Freeland. The Missionary Monthly Secretary received subscriptions for the magazine, and Miss Annie Walker gave the report of the Corresponding Secretary. Mrs. J. W. Ault announced the books for the Reading Course were ready for circulation. Eighteen calls on sick and shut-ins were reported. It was decided to pack a parcel for Korea at the next meeting. A few moments were spent in silent prayer for the members who were ill or bereaved.

The theme of the Worship Service was "The Bible for My Life and My Community." This thought was carried through in hymns, prayer and responsive reading. Mrs. Karl Helmer, assisted by Mrs. Thos. Edgerton and Mrs. Nellie Lannin, presented the missionary study, "The Bible in the Pacific Islands." This study revealed that a missionary project dating back to 1806 had its origin in America, and work was begun in the Gilbert Islands by Hiram Bingham and later carried on by his son, Hiram Jr.

The meeting closed with a hymn and the Mizpah Benediction.

At the banquet, the toast to the King was proposed by Rev. M. W. Heslip, of the host church. Dean Cook proposed the toast to the Y. P. S., with the response coming from Clifford McRae, Avonmore. Greetings were brought to the Presbyterian Y. P. S. by Miss Helen Pettem, of St. John's A. Y. P. A., Prescott, and Douglas Gibson, of St. Paul's United Y. P. U. Rev. Wallace MacKinnon was song leader.

Honoured Before Leaving.

On Friday evening, the friends and neighbours of Mrs. Laural Beach and Dennis met at the school house to bid them farewell prior to their leaving for their new home at Rooney's Corners. The evening was spent in dancing, and at eleven-thirty Mrs. Beach and son, Dennis, and Mr. Ernie Colborne were called to the floor and a suitable address was read by Mrs. Howard Robinson. An Aladdin lamp was given to Mrs. Beach, a smoker's stand to Dennis, and a white shirt to Ernie. Both Mrs. Beach and Dennis thanked the people for the lovely gifts, inviting everyone to visit them. After singing "For They Are Jolly Good Fellows," lunch was served and dancing resumed.

CONCENTRATED MILK PRODUCERS ASSOCIATION ANNUAL MEETING

The annual meeting of the Concentrated Milk Producers' Association was held in the Town Hall on November 24th, with the president, Basil Dawley, in the chair. The minutes were read by the secretary and adopted. The following executive was elected for the ensuing year: President, Basil Dawley; Vice President, George Cinnamon; Sec'y.-Treasurer, Roy S. Docksteader; Directors, J. C. McGregor, Wm. McVey, Wm. McRoberts, Hubert Riddell.

It was decided that a letter be sent to the Ontario Federation of Agriculture, R. A. Stewart, of Almonte, protesting the importation and sale of Oleomargarine into Canada. This local also decided that at the annual meeting of the parent branch, it would vote not in favour of the increase of a half cent in collections.

A letter is to be sent to the Head Office of the Concentrated Milk Producers protesting that the increase in the price of milk of 15c per cwt. is not sufficient to balance the already increased price of grain at $1.00 a hundred.

The local Association agreed to back the Canadian Federation of Agriculture to take 25,000 farmers to Ottawa on December 5th to obtain a decent price for their products.

It was decided to pay the sec'y.-treasurer $3.00 a month as salary.

ENGLISH RECITAL FOR ART SOCIETY

An unusual and very interesting program of songs was given to the Women's Art Society on Tuesday afternoon by the Montreal soprano, Dorothy Pfeiffer. All the songs in it, except one by Haydn, were either British or American, and they were most sympathetically sung by Mrs. Pfeiffer.

Older songs, which came first, included Arne's charming "Sycamore Shade," and one by Francis Hopkinson, the first American composer. Purcell's "Sweet Tyraness" was also in this group, but Mrs. Pfeiffer's voice is rather too light and lyric to make the most of it. A great variety of modern songs, most of which are seldom heard in recitals, followed these. Among the best of them were a setting by Michael Head of Christina Rossetti, Vaughan Williams' "Water Mill," Peter Warlock's "Sleep," a remarkable imitation of Elizabethan tune; Delius' "Twilight Fancies," and a setting by Clive Carey of a poem by Robert Bridges. There was also, as an addition to the program, a Montreal song, a setting by Ida Jones of verses by Dorothy Sproule, which was as well liked as the other songs in the program.—Montreal Star.

The verses, penned by Mrs. Sproule, which were set to music, was "The Mist of Dreams." It was a pleasant surprise for the author to hear one of her poems sung by a noted singer. It happened on Mrs. Sproule's birthday, and after the concert she and the composer were entertained to tea in the Palm Room of the Ritz-Carlton Hotel.

The bells are ringing for our Princess and her consort whose wedding is the talk of the world to-day. We all wish these happy people "the very best." May they enjoy many years of wedded bliss.

We believe this solemn occasion will have a strong effect upon the high sense of duty, good morale and genuine home-planning of our young folk who are planning matrimony. To them we extend our blessings too.

Christmas plans are also being discussed now. Many hope to travel great distances to their homes, while others are looking forward to entertaining the family at home. For the hostess, fruit cake is an essential all during the holiday week. To have a mellow flavour. the Christmas cake and pudding should be baked now and stored carefully. After the cake and pudding have been cooled, wrap in two thicknesses of wax paper and store in a tin or wooden box that has a tight cover. Place an orange or apple in the box, but replace it every four or five days. This prevents the contents of the box from drying out.

PLAIN LIGHT FRUIT CAKE

1 lb. butter, 1 lb. of granulated sugar, 9 eggs, separated, 1 lb. sultana raisins, 1-2 lb. citron peel, 1-2 lb. blanched almonds, 1 lemon, juice and rind; 5 cups sifted flour, 1-2 tsp. salt, 1 tsp. baking powder.

Cream the butter, add sugar and cream thoroughly. Add the beaten egg yolks. Wash the raisins, shred the peel and flour them with part of the measured flour. Add the sifted dry ingredients. Fold in the floured fruit together with the lemon rind and juice. Lastly fold in the stiffly beaten egg whites. Line 2 tins with brown paper, then waxed paper. Grease thoroughly. Pour in the batter and bake in a preheated electric oven of 275 degrees for 4 hours, or until a steel needle inserted into centre comes out quite clean.

VIRGINIA FRUIT CAKE

3-4 lb. butter, 3-4 lb. brown sugar, 3-4 lb. mixed peel, 1 lb. sultana raisins, 1 lb. currants, 8 eggs, 1-3 cup cherry juice, 1-2 lb. almonds, 1 lb. flour (i.e., 2 3-4 cups), 3-4 tsp. of cream of tartar, 1-2 lb. cherries, 1-2 tsp. rose water, 1-2 tsp. orange extract, 1-4 cup grape juice.

Cream the butter, add sugar and beaten eggs. Cream very thoroughly. Shred the peel, cut cherries, wash raisins and currants, blanch and brown the almonds. Add the floured fruit, and fold in the sifted dry ingredients alternately with the liquids. Prepare the greased, lined tins. Pour in batter. Bake in a preheated electric oven for about 4 1-2 hours at 275 degrees (no higher temperature).

CARROT PUDDING

1 cup grated raw carrots, 1 cup grated raw potato, 1 cup of chopped suet, 1 cup brown sugar, 1 cup of raisins, 1 cup currants, 1 1-2 cups flour, 1 tsp. baking soda, 1-2 tsp. of salt.

Mix and sift ingredients, then mix all together,. Place in greased mould having mould 2-3 full. Cover loosely with parchment paper. Place in steamer and steam 3 hours. You may add 1 tsp. cinnamon, 1-2 tsp. nutmeg, 1-4 tsp. cloves if you like it spiced, or add 1 tsp. almond flavoring, 1-2 cup chopped, blanched almonds and 1-2 cup mixed peel. For a still richer pudding, add 1-2 cup glazed cherries, 1-2 cup chopped candied peel, 1-2 cup chopped dates. In either case add an extra tablespoon of flour to the mixture. It's a sort of fool-proof pudding, so develop your own special brand.

TAKE A TIP
Rules for Successful Cake Baking

1. Have all necessary utensils and ingredients ready before beginning to mix cake, and make sure that the oven is at proper temperature when cake is ready to be baked.

2. A round bottom bowl and a wooden spoon are two suitable utensils.

3. All ingredients should be fresh and of good quality.

4. Fine granulated sugar or soft brown sugar makes a fine textured cake. Sift coarse white sugar.

5. Fruits and nuts should be thoroughly cleaned and allowed to dry, then dredge with one-quarter of the flour before adding to other ingredients.

6. Fruit cakes take a lot of stirring to distribute the materials and should be poured into tins lined with 2 or 3 thicknesses of oiled paper.

7. Place cakes on rack one-third to one-half of the distance from bottom element. Do not use top element during baking and do not open door.

8. A small tin containing 1-2 cup of water on the oven rack keeps cakes moist.

9. When baked, cake shrinks from the pan, or if bone knitting needle is inserted into the middle of cake and comes out perfectly clean, it is certain that cake is baked.

10. Do not turn fruit cakes out of pan.

THE QUESTION BOX

Mrs. D. P. asks: What causes soggy fruit cake?

Answer: Fruit and nuts were not dry or too much sugar or fat.

Mrs. W. C. asks: Why does cake rise unevenly?

Answer: Overbeating, too much flour or uneven heat of oven may cause this.

W. M. J. asks: What would you substitute for cassia?

Answer: Use requested quantity of cinnamon.

OTTAWA CHORAL UNION ANNOUNCES CONCERTS

The Ottawa Choral Union has announced its 1947-48 season of three major choral concerts to be given in the Capitol Theatre.

Bach's "Christmas Oratorio," first performed in Ottawa two years ago, will be given a repeat rendering by the Choral Union on Wednesday, December 3rd. The second concert, on February 12, will be of shorter unaccompanied works including some compositions in modern style. The assisting artist will be the brilliant American tenor, Donald Dane, star of the "American Album of Familiar Music." The third performance will be the great requiem of Verdi. This tremendous work has not been sung in Ottawa for 20 years. It will be given on Wednesday, April 28th.

The soloists who have been engaged for the oratorio productions of the year include Canadians and Americans, soloists who are long-time favorites with Choral Union audiences and newcomers. The popular tenor, Donald Dane, will be the star soloist in the "A Capella" concert in February, and the artists presented in the Christmas Oratorio (Bach) and the Requiem (Verdi) will include Audrey Farnell, Evaleen

Mr. Allister Crandall

Dunlop, Barbara Stevenson, Frances Lehnerte, Fritz Krueger, Robert Grooters, Harold Haugh and Eric Tredwell.

This season's series promises to be outstanding. The Choral Union has now established itself as one of the leading choral organizations in Canada and its work last year, including the great production of "The Children's Crusade," places the Choral Union concerts in the "must" category for all music lovers.

The tickets are being sold on a series basis again this year, a plan that was inaugurated last season. The society will continue under the direction of Allister Crandall, the founder and conductor.

Tickets for the first concert on December 3rd may be procured from Mr. W. A. Rowat, of town.

Sunday In The Churches

By Rev. N. J. Thomas, B. Th., Church Editor

NOVEMBER 30th, 1947.

"Not every father is able to leave to his son a big estate made up of lands, mortgages and bonds, but any father can bequeath to his children an estate worth infinitely more—one for which they will rise up to call his name blessed. He can leave an honorable name, a good reputation, the memory of a Godly life and a record of fair dealing. He can teach his son to have a profound respect for a fact, a deep reverence for character, a thirst for knowlelge and a willingness to work. If any youth has all this he will not need any money that will be willed to him; if he does not have this, no money left him will do him any good."
