New Horizons speaker for senior citizens luncheon

Mr Horace Bertiaume from the Department of Health and Welfare will be a special guest at the 60-plus luncheon to be held Thursday May 10 at 12 noon at St John's Anglican Church.

Mr Bertiaume is one of the staff of the "New Horizon" projects for this region and he will explain this opportune program for people of retirement years who with some organization and purpose can have financial assistance to undertake local initiative programs. It is possible that we in Iro-

quois may wish to form a Committee of ten to make an initial study of our goals and to make application for Government assistance on an approved program. So we will wait with interest to hear from Mr. Bertiaume.

A month ago a group of us from Iroquois visited the Senior Citizens Apartments in Cardinal, and greatly appreciated their hospitality to us at that time. On Thursday we will plan to invite the same group to our community in June. There is new and exciting hope that Iroquois may have its own Senior Citizen complex, and you will be hearing more about it shortly, with opportunity to make application through Mr. Fred Lloyd, our Town Clerk.

One of the members of the Iroquois Lions Club will be present Thursday to bring us up to date with the Lions Excursion for Senior Citizens to enjoy the tulip festival in Ottawa, as

guests of our Lions Club. The date of the visit is May 22nd 9 AM. If you have not filled in your application, please have it in the Excursions Secretary's hand by the middle of this month.

For all these activities, it would seem we could have a united voice, if we feel that now is the time for Iroquois to stand up and identify the fact that we do have citizens of senior years who would like to do a few things for themselves, given a little assistance, and encouragement and the vision that it can be done!

All those of the 60 plus generation in Iroquois and Community are invited to bring a little Pot Luck Thursday noon to St. John's to share in fellowship. If bringing food is a difficulty, come anyway and we'll gladly share. Mrs. Don Hare and Rita Bray have volunteered transportation.

SEAWAY TENNIS

Club being formed this year to promote tennis. Lessons will be available for beginners. Tues. 5 to 11 - Thurs. 5 to 11 - Sun. 10 to 10. These hours reserved for members only. Family tickets, \$15.00 - adults \$10.00 - students \$5.00. Contact Jeff Beaupre for further information.

Winchester Hospital Births

April 27, 1973 to Mr. & Mrs. John Walter, Iroquois, Ont. a son.

April 27, 1973 to Mr. & Mrs. Roy McCooey, Edwards, Ont. a daughter. April 28, 1973 to Mr. & Mrs. Norbert Richer, Finch, Ont. a son. April 28, 1973 to Mr. & Mrs. Michael Rent, Russell, Ont. a daughter. April 29 1973 to Mr. & Mrs. Fred Tesselaar, R.R. # 3, Chesterville, Ont. a daughter.

Lions excursion for senior citizens

Yes, Virginia the Iroquois Lions Club is giving a FREE day's excursion to the Senior Citizens of Iroquois and Community on Tuesday May 22nd leaving the Plaza at 9:00A.M. We'll be back in time for supper at your own home.

Lion Allen McIntosh the Excursion Secretary reports that there is room yet both for the post-65 applications and for "stand-by" folks who would just love to be along if the top

fourty list is not full. Don't be afraid of being disappointed, you're only disappointment would be by not getting your application in.

The Lions Club has arranged a tour of the Royal Ontario Mint a luncheon at their expense at the popular Green Valley Restaurant, a visit to the House in Session and a review of the tulip festival. It sounds like a very good day and the Iroquois Lions Club is prepared to underwrite the venture.

Please get your application form in early to Lion Allen McIntosh the Excursion Secretary 84 Maple Street Telephone 652-4828. Don't be afraid of being left out since an overflow attendance will be handled somehow. Clip out that application form from the Iroquois Post and mail it to us so that we'll know where we stand by the middle of May.

CELEBRATE 55th WEDDING ANNIVERSARY

Mr & Mrs Elmer English celebrated their 55th Wedding Anniversary on April 20th at their home Iroquois R.R. #2. An entertaining evening was spent with friends and relatives. Mrs. Hugh McMillan, Chesterville provided music on her organ and violin.

PERSONAL NOTES

Mrs. Genzymer Clark is a patient in Winchester District Memorial Hospital.

25th Anniversary

Bob and Eva Stephenson, Brinston will celebrate their 25th Anniversary Friday May 18th at 7 P.M. Brinston Community Hall. All friends and neighbours welcome. No gifts please.

Wed at Sacred Heart Church, Cardinal

Miss Margaret Lorraine Botton, eldest daughter of Mr. & Mrs. Armand Botton, of Cardinal, was united in marriage to Mr. Arnold Cecil Fader, eldest son of Mr. & Mrs. Cecil Fader of Iroquois, in a Spring ceremony at Sacred Heart Church, Cardinal on March 31st.

Reverend Leo P. Byrne officiated.

The bride was given in marriage by her father while the wedding march was played by Mrs. William Patterson.

Mrs. Margaret Burton, of Lindsay, was the bridesmaid and Mr. Lanny Patterson, Cardinal, the groomsman. Maids of honour were Mrs. Linda Cheff, Kemptville, and Miss Janie Marin, of Cardinal.

The bride was beautifully attired in an A-line, floor length wedding gown with standup collar, slim fitted with long sleeves, white peau de soire trimmed with maribou. Her short veil was held with a crown of white maribou and she carried a nosegay of silk red roses and lily of the valley.

The bridesmaid wore a long, peach-coloured A-line gown with standup collar, peach and white ruffles trim around the neck and sleeves and carried a nosegay of cream coloured roses and peach flowers all made of silk.

The groom's presented the bride with a gold charm brace-

let and wedding diamond charm.

The church was tastefully decorated with two roses on the altar in milk glass bud vases.

The bride's mother wore a long rust-coloured dress with brown accessories and wore a yellow rose corsage.

The groom's mother was attired in a long gold coloured dress with black accessories and a yellow rose corsage.

For a wedding trip the bride and groom left for a two week trip to Mexico City and the surrounding area by plane.

Following the wedding at which 170 attended, a reception was held at Riverside Lodge with the Catholic Women's League catering. Guests were present from Thorold, Toronto, Lindsay, Manotick, Cobourg, Ottawa, Port Hope, Cardinal, Iroquois, Syracuse, N.Y. and the surrounding area. On their return the couple will take up residence at 230 Victoria Street, Iroquois; the groom being employed at DuPont of Canada, Maitland, as a lab analyst and the bride is a secretary at Canada Starch Co., Cardinal.

Three showers were held for the bride prior to the wedding, with a miscellaneous shower hosted by Mrs. Sylvia Gladstone and Miss Marjorie Sayeau at the home of Mrs. Gladstone. A pantry shower was held by the neighbours and relatives with

See Page 12

WINS BEST-IN-SHOW AT OTTAWA

As some of our readers know, Irving Shaw operates a small kennel of German Short-haired Pointers under the title of Dobroyd Hall Reg'd Kennels. Last weekend, Canadian and American Champion Balder Treu of Dobroyd Hall, one of Mr. Shaw's German Short-haired Pointers, won Best In Show at the Ottawa Kennel Club's '73 Championship dog show, Sunday, May 6th. This is the second time Mr. Shaw has won the top award at a major dog show. Both winners are out of the same litter which Mr. Shaw raised three years ago. As German Short-haired Pointers rarely win this top award, it is really quite an accomplishment for these local dogs.

THE YEAR OF THE DANDELION

Each year as we look across the lawns and the fields of this part of Ontario we see the most fantastic growth of the dandelion that can be found anywhere in Canada.

The yellow weed has almost become the national "flower" and here in Iroquois and Matilda Township the evidence points to a record crop this year.

With DDT a victim of our times and the good old dandelion not too hungry for anything else to curb its growth, it would seem that we are destined to be overtaken and overcome by the plant.

But just maybe something could be done about it. Surely there must be a few other good products on the market that can kill that blasted weed, and failing that, maybe more of us can get those long-handled jiggers that pluck the weed out of the ground.

It takes a few hours of diligent work to do a good job on a lawn and about two to three weeks after the first attack, the job has to be done over again. But by repeated efforts - and a bit of tribulation, the dandelion can be overcome.

Are you willing to join in the battle . . . or do you want them to keep going and growing to provide the nectar that makes for good dandelion wine?

TIME TO CLEAN THE WOODSHED

About thirty years ago we can remember that May was the time to clean the woodshed, and if memory serves us well we recall that the woodshed was in a real state of confusion by the time Spring arrived. Not only were the shavings and bark scattered about the floor, but the too-large chunks were rolled "out of the way" too many times.

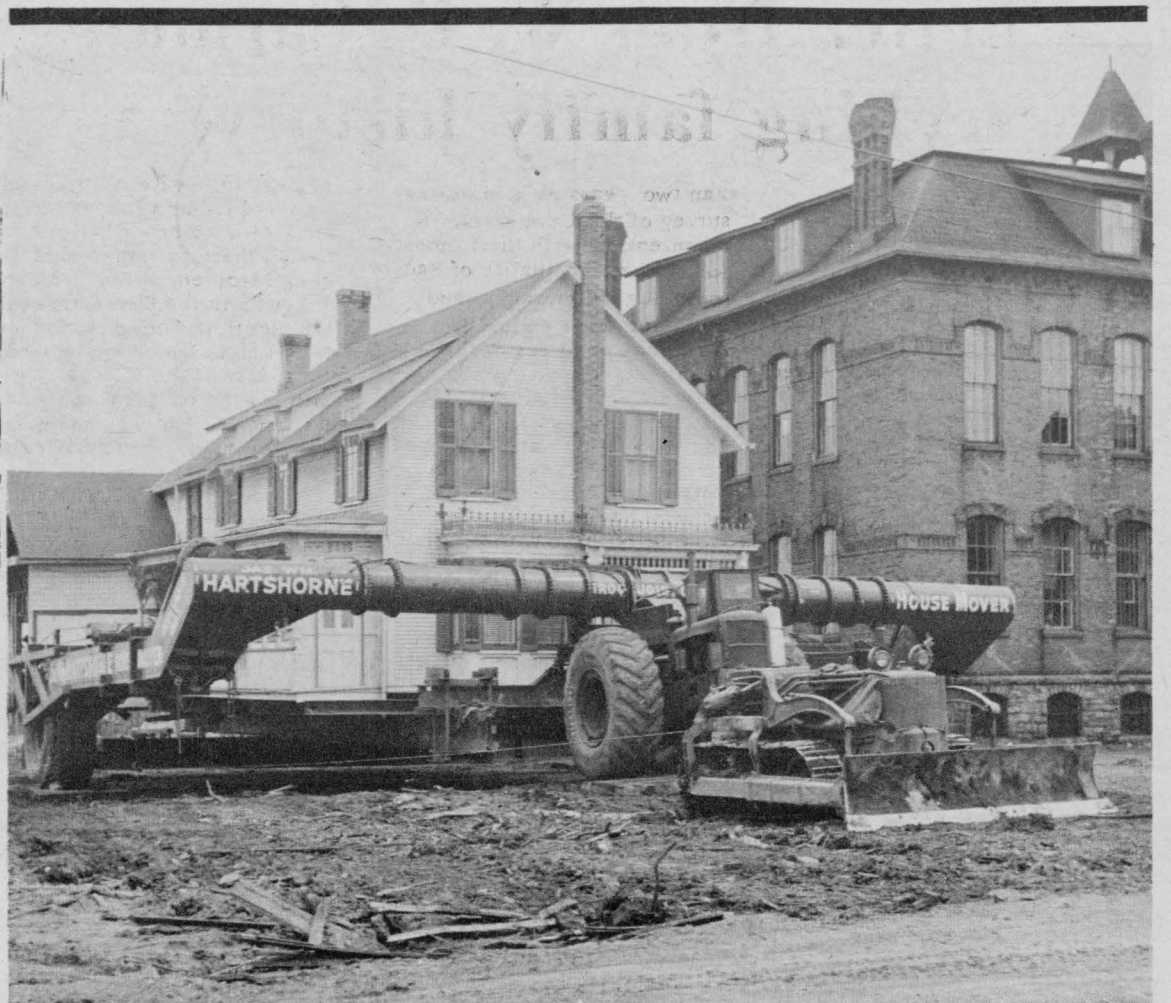

If father caught us in time, it meant taking an axe and chopping those blocks down to a workable size that would fit into the stove in the Fall. But most often, by the time he came by, those blocks were piled and well covered by the remaining small stuff.

Self preservation has a way of exerting itself early in life and most youngsters were masters of that art.

But the days have passed and wood gave way to coal and now coal has given way to oil, gas and electricity.

And gone too is that old stove that warmed many a cold foot on a freezing Winter's night. Even the wool sock isn't as widely used today, nor those heavy insoles that kept rubber boots from ruining a good foot.

And the world moved on to bigger and better things...even if our feet are cold in those new-fangled shoes!

The Old Iroquois House On The Move

This photo shows the residence of Mr. & Mrs. J. H. Merkley on the Hartshorne housemover as it passes the north side of Iroquois High School on its way to its new location 2 houses west of the Civic Centre in new Iroquois on Dundas street. Note that this particular house was moved with garage attached and television aerial in place.

I TALK TO THE QUEEN by Bill Smiley

We're planning to go to England this summer. Last summer we planned to go to the Maritimes. Last winter we planned to go to Barbados. Two summers ago it was a trip across Canada. The plans are great but the performance is nil.

I'm not sure whose fault it is that the Smileys never get off the ground. I blame my wife. She hates getting ready for a trip. I sometimes think she deliberately broke her ankle last summer so she wouldn't have to get ready.

She, naturally, blames me, because I don't get everything laid on in time. She may have a point. I don't like super organization. I like to just take off and wind up wherever the fates take me, with as little baggage as possible. She likes to know where she's going to lay her head at night, and likes to have "something decent" to wear on every occasion that might present itself. That means three suitcases.

It also poses a big problem for this summer. I just know that when the Queen and Phil hear we're going to be in the U.K. there'll be an invitation of some sort waiting for us at the Dorchester or the Savoy or the Dirty Duck.

Trouble is, what sort of affair will she invite us to? If it's a lawn party, that means for my old lady a long summer dress, big hat, white gloves. And for me, a tough decision - whether to wear my white sport shirt or my blue one.

But what if it's for dinner at the Palace, as it probably will be? That's another kettle of fish and chips. It would mean a dinner dress and different shoes for the boss. I could manage a black tie over my white sport shirt and if

Bill Smiley

it was extra formal, I'd pin my Canadian Spam medal to my shirt.

I can just hear the dinner conversation, a bit fluty and high-bred but sort of chummy. Rather like the Pope trying to draw out the parish priest.

The Queen. "How delightful of you and your charming wife to do us the honour of coming to dinner. Have you been to England before, Mr. uh Wiley?"

Me. "Yes, your Honour, uh, your Worship, uh, Queen. I fought for your old man in the last war. Guess you were just a kid."

Queen. "A kid? Really? Ow. Ow, yes, I see. Your American slang is so refreshing. And you were one of those gallant lads from the dominions who fought for my father, King George the Sixth?"

Me. "Just a minute, Queen. That's no American accent. It's Canadian. And they told me his name was Mackenzie King, not whatever you said."

Queen. "How quaint. And you were decorated, I see. That must be a medal for outstanding valour pinned to your, uh - I say, that is a striking, uh - shirt?"

The Duke. "It's a ruddy sport shirt, Elizabeth. They all wear them."

Me. "Oh, no, Queen. They gave these out with the rations. All you had to do was be conned into joining up."

The Queen. "Conned?"

Rations? Yes, of course. Now, we'd like you to have a wonderful time while you're here. It's lovely this time of year in Scotland. Right up at the top. As far as you can go."

Me. "Matter of fact, Queen, we thought we'd stick around London a while and get better acquainted. Maybe me and Phil here could do a couple of pub-crawls, while you girls got together and talked about your rotten kids and stuff."

The Queen. "Ow. Now. I mean ow, yes. That would have been lovely. But actually, we must go to Canada this summer. Frightful bore, but there it is."

Me. "Yep, you must get sick of having to be polite to ordinary people. And it's a brute for heat over there in the summer. Especially on the prairies."

The Queen. "Quite. And now, if there's any little thing my husband and I could do, please don't hesitate."

Me. "Well, let's see. You're the Queen of Canada. Right? Right. Well, look. There's this school board, see? I'm a teacher, y'know. If you'd just write them a nasty letter. Why, I've got one Grade 9 class with 38 in it. Just tell them to lay off persecuting me. Oh, yeah. And would you call our neighbours, the Dalrymples, and make sure they're watering our lawn?"

My wife. (Silently and

Letter from W. B. Carman seeking family history

THE REEVE
VILLAGE OF IROQUOIS
April 25, 1973
Dear Sir:

I understand that the Village of Iroquois is now the owner of the old Carman house, located on Carman Road, at the southwestern limits of the Village, and that it is dedicated as a museum and is, in fact, now being refurbished as such. I should like to help in its support, and I am enclosing a cheque for \$100 to be applied to such purposes in connection with its upkeep and maintenance, including furniture purchases, as the village or the property trustees may see fit.

I have been working for more

than two years on a historical survey of the Carman family, commencing with their inception in the Principality of Baden (now West Germany) and including their emigration to America, their residence in Pennsylvania and later in the Mohawk Valley of New York, their services as Loyalists in the Revolution, and their settlement and early days in the Iroquois area beginning in 1784. I hope to have this finished some time later this year, printed, and available for family consumption. It is possible that the Village might like some copies for its use, or perhaps for the use of visitors to the house. It will be a purely historical work, but I have been able to unearth original document not known before, and will have, I think, a very complete and, I hope, quite interesting document. If you think any use could be made of it, let me know, as I can have extra copies printed at a very nominal charge.

As I think you know, the house was originally built by Michael Carman, the third of that name, about 1805. He is buried, together with his seven sons and daughters, in the graveyard southwest of town. His father, Michael Jr., was a soldier in the Royal

Yorkers in the Revolution and received land on Iroquois point for such service; I believe, though there is some doubt still to be resolved, that it was a part of Lot 25 in the First Concession. Michael Jr. is buried in the so-called Lutheran or Anglican Cemetery east of the village, together with his oldest son George and his family, and his son-in-law Martin Walter. Parenthetically, the name of Michael Jr.'s wife on the modern monument in that cemetery, given as Magdalena Alter, is in error; his wife's first name was Margaret and her last name is unknown, while Magdalena Walter was his mother. His father, Michael Sr., died in your area but I do not know when or where, or where he is buried. My last record of him is in 1788 when at 80 he testified in the Claims Hearing in Montreal that he was residing in New Johnstown (Cornwall).

The pink brochure on the Carman House, put out as a "Centennial Restoration" attributes its construction to Peter Carman. This is clearly an error. Peter, son of Michael III, inherited the house on his father's death in 1834. I have a record of a "family picnic" at the house in 1871, at which over fifty Carmans and their relatives were present, including seven of the surviving children of Mich-

ael III. Michael III's youngest son, John Adam (donor of the original Iroquois Grammar School) was my own great-grandfather.

I trust you and anyone else in Iroquois will bear in mind that I am engaged in a definitive work on the Carman family. I know that the last Carman, Arthur, is now incapacitated, but perhaps there still remain some shavers or Brouses or Bowens or Coones in the area who stem back to Michael III on the distaff side and who might have some early documents or information. If there are any such, please have them get in touch with me as soon as possible.

I visited Iroquois and the house for the first time a year ago, and was most graciously treated by Mr. Robert Martin. Give him my regards.
Sincerely,
W. B. Carman

KEMPTVILLE NOTES

"Reviving Rural Communities" will be the main theme of the Rural Learning Association Annual Meeting to be held Friday evening, May 25, to Sunday noon,

May 27, at the Kemptville College of Agricultural Technology.

The R.L.A. is a lively, Ontario wide group interested in evaluating and directing the change in rural communities through seminars, folk schools, workshops and discussion groups. This is the first time for the Provincial Conference to be held in Eastern Ontario.

All Persons interested whether members or not, are invited to attend. Details of registration and program can be secured from Mrs. Beulah Cooke, Box 428, Kemptville, Ontario K0G 1J0

SAFETY NOTES

James Gallagher, of Toronto, offered this suggestion to the Ontario Safety League: Use inflatable orange fluorescent beach balls, available in toy stores, and attach them to your antenna, door handles, rear bumper, etc. They spell distress, they are cheaper than flares and re-usable.

Hospitals across Canada marking 'hospital day'

WINCHESTER DISTRICT MEMORIAL HOSPITAL IS CHANGING TO SERVE YOU BETTER. Hospitals across Canada are joining together May 12th to mark Canada Hospital Day, the 153rd anniversary of the birth of Florence Nightingale. "Winchester District Memorial Hospital is a community hospital and we want the public to be aware of the types of services available to them", said Mr. H. P. Stel, the Administrator.

The hospital will distribute place mats and copies of the O.H.A. publication "Hospital

News". The theme of this year's Canada Hospital Day is "Your Community Hospital - Changing to Serve you Better".

"There are many changes in hospital care. We want to tell the people about these changes and the services they may not know exist", said Mr. Stel.

"Good patient care may not require keeping people in expensive treatment hospital beds. Hospitals are designing treatment to meet the needs of the patient as he or she progresses", he said. "This may take the form

of convalescent care nursing home care and/or home care programs. This not only ensures the patient with the care needed but also enables the hospital to use professional staff to the best advantage".

Canada Hospital Day, which will be observed by more than 1400 hospitals across the country, was officially proclaimed by Marc Lalonde Minister of National Health and Welfare. Sponsored by the Canadian Hospital Association, Canada Hospital Day is supported by each provincial hospital association.

Miss Nightingale. She dedicated her life to achieve better standards of nursing training, good sanitation and hygiene, and improved hospital design. In her day she gave impetus to dramatic changes in hospital care.

"Change is important to

progress. We feel that our hospital is changing to serve the community better. We'd like the community to feel that Canada Hospital Day is their day too. The hospital belongs to them and we need their understanding and support at all times," said Mr. Stel.

Spring activities plans for Cubs-Scouts

On April 23rd, ten members of 1st Iroquois Cub and Scout Group Committee met to make final plans for the Spring activities. The first event for the Cubs is the Cuboree to be held on Saturday, May 26th at Winchester.

Then the big event for many Cubs is the Cub Campout on for the weekend of Friday, June 22nd to Sunday, June 24th. This is the weekend that the mothers have been so busy sewing Indian costumes for. The big tents are being prepared for the weekend.

The Cub mothers and leaders will meet to prepare menu, clothing and other necessary items for the weekend.

The Scouts are just as busy camping activities. Three more 2-man tents are being purchased as the boys have 3 big weekends of camping. Tent pegs and long tent poles are also needed. The scout leaders are hoping that some men of town will be able to help provide these items. The first campout was to be April 27 but was changed to May 4th due to adverse weather conditions. The boys went to Fowlers woods to learn some basic techniques of camping before attending the Annual District Camporee. This camporee is to be held at Brown's Bay again on week end of May 25, 1973. As everything must be carried in over a watery terrain to the higher inland points, the boys are learning to pack conservatively.

will be taken on one form only and when completed this form will be given to the applicant and advised that it be retained.

If you have the opportunity to visit a police department in your area during the hours of 1 p.m. to 10 p.m. we will be happy to see you.

R.W. O'BRIEN,
Safety & Information Officer
for Dundas County.

On the weekend of July 13, 14, and 15 Iroquois boys have been invited to attend Kingston's Tercentenary Camporee. Scout campers from towns, around the world, named Kingston have been invited as well as St. Lawrence district.

Material is to be purchased for the making of scarves by the mothers for next season for the investiture of new cubs and scouts.

Later in June the Group Committee hope to have a final cook out for all cubs, scouts and leaders of Iroquois.

The annual meeting for 1st Iroquois Cub & Scout Group Committee has been planned for September 25th, 1973 at 7:30 P.M. at Iroquois United Church.

Christian Family Sunday at Knox

Christian Family Sunday will be celebrated at the morning worship service of Knox Presbyterian Church, May 13, with a family gathering of members, friends, and the Church School at 11 A.M.

A choral-dialogue drama, entitled "The Parable of the Sower", and depicting the learned aspects of the curriculum of studies in the Church School for the past year, will be presented by the Junior Choir and Member of the Church School. Developed by the Church Worship Committee, the presentation will elaborate on the meaning of "Saints of the Church", the study of the past year. Catechism awards will also be made at the service, and each class will have "on display" their creative work on the theme of study.

On what is traditionally "mother day", the congregation will gather in family observance, sharing in the youth presentation. Visitors are most welcome!

If you know someone in the hospital, let us know so we can let others know. Call The Iroquois Post, 652-4806.

Presbyterial Annual is hosted by St. Andrew's United Church

St. Andrew's United Church in Long Sault will be host on Wednesday, May 9 to the fifth annual meeting of Seaway Valley Presbyterial United Church Women. This is an event which each year attracts large numbers of women over a wide area extending from Prescott to Lancaster in the east, and north to Hawkesbury. Speakers have included such well-known figures as Dr. A. C. Forrest, Editor of the United Church Observer, and Dr. A. B. B. Moore, then Moderator of the United Church

of Canada. This year the Rev. Wilbur K. Howard, B.A., DD., of Ottawa, Conference President, will be the special speaker and also Mr. Orloff Dorion of Smiths Falls, who is in charge of volunteers at the hospital there. Mrs. Ada Scotese, Pres. of Conference United Church Women, will be a special guest, and the Rev. Robert Pentinga of Cornwall will bring greetings from Presbytery. Mrs. Lynne Francis will be in charge of music. Registration will begin at 1:15

A BY-LAW TO REGULATE THE SALE AND
SETTING OFF OF FIREWORKS

The Council of the Corporation of the Village of Iroquois enacts as follows:

1. No person or corporation shall sell fireworks within the Village of Iroquois except on the following dates:
 - (a) On Victoria Day or within seven days prior thereto;
 - (b) On Dominion Day or within seven days prior thereto;
2. No person or corporation shall at any time sell any fireworks to any person under the age of Sixteen (16) years.
3. No person shall set off fireworks within the Village of Iroquois at any time in the year other than on Dominion Day and Victoria Day.
4. No person shall set off any fireworks within the Village of Iroquois at any place other than on their own property except as provided in Section 5 of this By-law.
5. Any person or organization desiring to sponsor or put on a fireworks show on any land in the municipality other than land owned by the person setting off the fireworks shall first obtain a Permit for the fireworks show from the Fire Chief of the Village of Iroquois in which it shall be specified what person or organization is responsible for setting off the fireworks, where the fireworks are to be set off, and that adequate safety precautions has been taken to protect the persons setting off the fireworks and the spectators who will be viewing the said fireworks show.

Read a first, second and third time and passed this 5th day of February, 1959.

Food Adventures Presentations To Aid Hospital at Caldwell's

Coming to Morrisburg Ontario. A taste of Mexico, the South Seas, England, Italy and the Ukraine are found in an exciting program of taste and adventure.

Entertaining around a theme is the basis of this show. Recipes of ethnic origin, but with a Canadian touch are featured. Such intriguing names as Seafood Halakihiki, Prem Scallopini, Blender Borsch and Pyrogy are demonstrated in a showcase of fun and entertainment.

Some timely tips for setting an ethnic party theme are offered and a "Taste Tour" is offered at a colorful tasting bar.

The program is a presentation of Ida Burns and Associates and is being sponsored by Morrisburg & Williamsburg Units Winchester Hospital. It will be presented 8:00 P.M. Morrisburg Civic Centre, May 17th, 1973. Ways & Means Committee has arranged this evening of entertainment to assist in raising funds for Hospital Auxillary.

P.M., the meeting to open at 7:00 o'clock. Dinner will be served at 5:30 and begin at 6:30, to accomodate the large numbers of women expected to attend. The evening session will begin at 7:30, and Dr. Howard will speak at 8:00 o'clock. The evening meeting is open to all interested persons.

Knox PYPS plan bike-a-thon for June

Renee Barnhardt, President, opened the regular meeting of the Knox P.Y.P.S. Monday evening, May 7th, followed by the singing of the Spirit Song 'The Church of God'. Leadership in the Scriptures and Prayer was given by Joan Ladouceur and Gail Smollett. The Offering was dedicated by group

prayer.

The Study for the evening was conducted by Miss Anne Yee and Miss Joan Ladouceur, entitled, "Where is the Church?" Group discussions ensued, followed by a report-back, given by Margaret Dewit and Mrs. Lorraine Norton. The key issue focused upon was the re-

lating of the Church's teaching to living in society. The 'how?' of doing this was discussed, and it was resolved that "without being equipped through the discipline of training, members of the Church would always find it difficult to relate their faith to the society they live in".

The roll-call was taken with 12 members replying. The reading of the previous meetings minutes and the treasurer's report were given by Gwenn Smollett and Norman Ladouceur. The Cook Book Project sales were encouraging. The planned outing for May will be held the middle of June, members to decide upon a date by the next meeting. Assignments for the Anniversary Dinner on May 9th were given, all member participating.

Consideration was given to holding a Bike-a-thon the middle of June within the congregation for the purpose of securing a much needed 16mm Film Projector for the congregation. The P.Y.P.S. agreed to sponsor same, and a committee was appointed to prepare the plans, inviting youth groups and adult groups in the congregation to both participate and sponsor the bicyclists. A Car Wash was also planned for Saturday, May 26th, from 9 a.m. to 4 p.m., at a local Gas Station. Joan Ladouceur will prepare the posters. The group also offered to enable the Christian Family Sunday presentation by making necessary posters and signs.

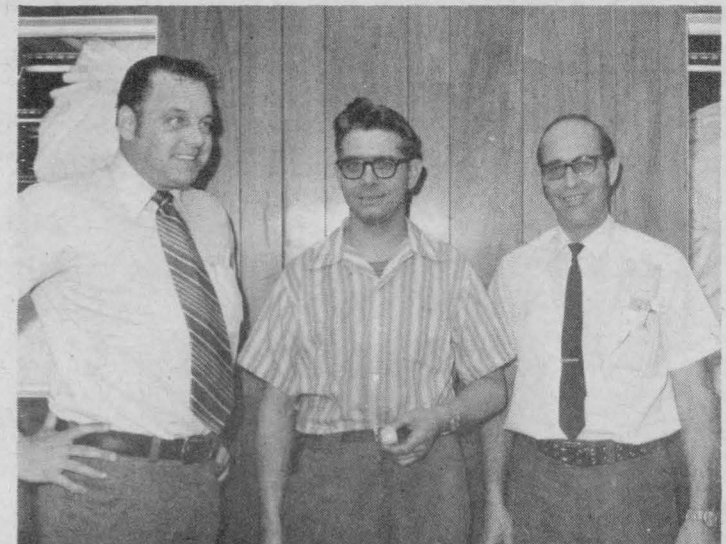

Mrs. Lorraine Norton and John Dewit were appointed to bring the study at the June 4th meeting, and a refreshments committee appointed. The remainder of the evening was devoted to 'setting up tables' for the Anniversary dinner. A baseball game will be held prior to the June 4th meeting at 7 p.m. Refreshments were enjoyed at the close of the work session.

Fifteen Years of Service

Pictured above is Miss Winnie Poole of our T.M.S. Department receiving her fifteen year pin from Mr. F. Whittier, Plant Superintendent with Mr. C. Nadon, T.M.S. Resident Manager in attendance.

Our congratulations and appreciation to Winnie for her service to Caldwell.

Natural Resources' New Eastern Region

The new Eastern Region of the Ministry of Natural Resources - formed after complete reorganization and expansion of the old Kemptville forestry district - is operational.

The switch to the new administrative system was carried out without interruption in day-to-day operations. A new but seasoned corps of directors and supervisors has already taken over regional duties, even though many of their families and homes remain in other parts of the province.

The Eastern Region is one of eight such administrative regions recently formed throughout Ontario. Before this, the Ministry was organized under 21 districts which formed three Regions.

Kemptville is now the Regional headquarters for six new districts bordering on each other from the Quebec border in the east, as far west as Colbourne, Ont., 100 miles from downtown Toronto, a distance of more than 200 miles.

The new territory covers approximately 10,000 square miles - the nine eastern counties of Ontario plus major chunks of Frontenac, Lennox and Addington, Hastings, Northumberland Counties and all of Prince Edward County, an increase of more than 4,000 square miles over the former Kemptville District which was used as a base for the new region.

Eight more parks such as Bon Echo and the huge sand spit of Presqu'ile Provincial Park

near Brighton are within the new boundaries. Also included are population centres such as Trenton, Belleville and Kingston plus hundreds of square miles of Lake Ontario and its shoreline.

Headquartered in Kemptville will be the men who co-ordinate, plan and help the new district managers carry out their parks, fish and wildlife and timber programs:

Regional Director Bill Hueston, former District Forester, or head of the old Pembroke District including Algonquin Park, is assisted by two Deputy Regional Directors, both former heads of Old Ministry districts. Eric Gage, Tweed District Forester, heads the Management operations and Stuart Hamilton, former Sudbury District Forester, heads the second major branch of operations - Services.

Supervisors under Management are: Philip Anslow, Regional Forester; George Whitney, Regional Biologist and John Bell, Regional Parks and Recreation Co-ordinator.

Service branch supervisors include: Gerald Thomas, Regional Mines Engineer; Bill Maslen, Regional Land Co-ordinator and Roy Taylor, Regional Finance and Administrative Officer.

In the field, District Managers are as follows: Bob

Trotter, Brockville District; Richard Morin, Cornwall District; David Adlam, Ottawa-Carleton District; Wim Vonk,

Lanark District; Harold Cantelon, Tweed District and Robert Bailey, Napanee District.

Births

Darcy and Marnie Primrose (nee Johnstone) wish to announce the birth of their son, Friday, April 20, 1973 at Brockville General Hospital.

DIED

SLEETH DOUGLAS ALEXANDER - At the St. Vincent de Paul Hospital on Monday April 23rd 1973. Douglas Alexander Sleeth of 11 Bisley Crescent, Brockville. Beloved Husband of Edith Webb and dear father of James Sleeth at home. The Committal Service will take place on Saturday May 12th at 10 A.M. at Union Cemetery, Iroquois.

and friends of the late Mr. Ralph Murphy, who passed away suddenly on Sunday at Westport. He was a cheese maker at Westport for many years, and when he closed the factory for the season, he spent the winters here at the home of Mr. & Mrs. James York. He had many friends in this area who will regret his passing.

Mr. & Mrs. Arnold Froom of Ottawa visited Mr. & Mrs. Walter Fromm & family on Sunday.

On Thursday Mrs. J. de Wit visited her son John who is recovering from pneumonia in Brockville General Hospital.

PITTSTON

Mrs. Roy Liezert returned home Friday after spending three weeks with Mr. & Mrs. Shaun Carey, Willowdale, Ontario.

Mrs. Ralph Riddell, and Mr. & Mrs. Harry Allison, of Chester-ville were at Mr. & Mrs. Robert Sloan for dinner on Sunday.

Mrs. P. J. Montgomery and Dale spent Sunday with Mr. & Mrs. Earl Wright & family, North Gower.

Pittston U.C.W. - held their June meeting Thurs. evening at Mrs. Reginald Conners --

Mrs. Conners opened with a poem - Mother's Love is like a Haven - devotions by Mrs. Clarence Marlatt and Meditation, of "Not by Night, nor by power but by my Spirit saith the Lord. Central Theme was on "Stumbling Blocks or Stepping Stones".

The difficult and perplexing stumbling block can become a stepping stone. The Correspondence and treasurers' report given. Members found out their Secret pals were -- for the year. - The Study was given by Mrs. Herber Liezert - "The Gift of God" - the Green revolution and Agriculture of India with tractors for food production and working the land -- Benediction and a social time spent after.

Royal Canadian Legion News Bulletin

by Leo DeBellefeuille

Comrades and friends, a little of the lighter side of things. Yes - try and extend a smile - it goes along way! For an example try these. An auto mechanic to a customer: Your mechanical worries are over. Your only problem now is where to junk your car." Just pretending to be rich keeps some people poor. A few "Daffy-Nitions". Re organization: Something a business under goes when it finds it has more vice-presidents than customers. Middle-age: When you know all the answers and nobody ever asks you the questions. Television: A set of tireless tubes.

The Canadian American Veterans Reunion Days will be June 22nd 23rd - 1973. The tentative program will include, Friday June 22nd 8:00 P.M., Registration and Reception at Legion Hall.
Saturday June 23 7:30 to 9:30a. m. Breakfast at the Legion Hall 8:00 A.M., Registration 9:30 A.M., Wreath Laying and Flag Exchange at Legion Cenotaph 10:00 A.M., - Beauty Contest at Community Centre.
11:00 - 12:00A.M. Reception for invited guests.
11:30 - 12:30P.M., - Light meal at Legion Hall
12:00 - 1:00 P.M. Banquet at Community Centre.
2:00 P.M. Parade Forms at School.
2:30 P.M. Parade March Off
4:00 P.M. Band Contests at Community Centre
4:30 to 7:00 P.M. Barbeque at Community Centre
8:30 P.M. Flag Lowering Ceremony.
9:00 to 1:00 A.M., Dance at Community Centre
Sunday June 24th 9:00 A.M. to 12:00 noon - Breakfast at Legion Hall. Planning is well underway for the 14th annual CAVRA reunion days to be held in OSGOOD Ontario.

A lighted trailer park is being planned which will provide for space for those who have their own trailers, and tent type trailers for rent for those who do not have their own. For those who do not wish to camp, a motel will be available and a bus service will be provided to and from the motel. The trailer park will be situated one block from the Legion Hall. Those who wish to rent a trailer will have to provide their own bedding etc. Meals will be provided by the Ladies Auxilliary and the Four Corner Inn.

In order to ensure sufficient accommodation and food, it is requested that you indicate your intentions regarding attendance at the Reunion by providing the following information. Branch-- number attending-- number intending to stay overnight at either Motel or Camp-- those with own trailer or who wish to rent. Information should be sent to Secretary-- Royal Canadian Legion Branch 589-- Osgoode Ontario-- attention of U.C. Service.

In case you have not visited the local Branch recently, I would like to inform you that a large showcase has been installed to display photographs of members and branch activity. For control purposes - it would be requested if you fellow comrades have any recent or past photos which would be of interest to the general membership please leave these with Bar Steward Ken Martin in my care and I will see that they are returned to you. Let's hope you participate in this new branch activity.
On Thursday April 26th, the annual general meeting nomination and election of officers for 1973-74 took place.
The regular business meeting was chaired by Pres. Ed Hitch-

inson. One of the largest turnouts in years for an annual meeting was in attendance. With a new slate of officers elected for the next term it is hoped this interest in the affairs of Branch 370 will continue and offer full support to the newly elected officers and their committee chairmen. It would be worth while to offer an attendance prize to the last person attending any meeting. It would probably create an added incentive to all members to attend.
During the course of the general meeting, the chairman read a series of resolutions that were approved at the recent Zone Conference in Brockville. Zone officers elected at the conference were Bill Meek - Gord Watts - Capt. Sayyeau - and Robert Gwynne.
Vice president Ken Easter

read the minutes of the last regular and general meetings which were approved by the membership. A discussion period followed the reading of the minutes.
Treasurer Fred T. Lloyd read a very impressive financial report indicating the excellent response to the various activities sponsored by Branch 370.
Correspondence from the Seaway Services Organization - Walter Baker M.P. - Comrade Ken Thompson - Wilda Oelishie - Rene Barnhardt - and Comrade Fred Good Murphy were read to the meeting.
Comrade Fred Goodmurphy presented a report of the membership committee, which showed 18 new members, bringing the potential to 174 members with 51 members due to bringing their 1973 membership into effect for the year. Fred also read correspondence from the Command Office dealing with a new system for recording and filing of membership lists which will be an added improvement to the present method.
One of the outstanding highlights of the April 26th meeting was a motion which received complete approval of the members in attendance in which the Iroquois Legion Branch 370

voted to make a commitment of \$10,000 to the proposed new Medical Centre. Entertainment chairman Joe Roberts reported the success of the weekly bingo and his committee showed a substantial contribution to the treasury. The weekly BINGO in the Legion Hall continues to be an important source of revenue for the branch. However most of the patrons do not belong to the Legion, therefore if more support could be shown by the membership and their families and friends the weekly event could and would be even more successful. Why not come out some Monday evening? You'll enjoy yourself and help your Branch to help others at the same time. While on the subject of the bingo, once again an appeal is made to all members to assist with the functions of operating this weekly activity. All you need do is give Comrade Joe Roberts a call at 652-4459 for details. By the way in case you are interested the bingo will continue for the summer months. Joe also reported the bi-monthly dances are proving to be an outstanding success. A word of caution, if you are planning to attend a future dance, a word of the wise would be to arrive

at the hall early as the crowds have been extremely large. Leo De Bellefeuille presented a report of the Iroquois Cub and Scout Committee.
The second key note part of the agenda was the nomination and election of officers for the 1973-74 season.
Comrade F. T. Lloyd chaired the meeting for the election of officers. The following members were elected to operate the Branch for the next year. President Kenneth Easter - Vice President Leonard Roberts - Second Vice President Ray Dele-garde - Treasurer F. T. Lloyd - Secretary Ed. Hitchinson - Sgt.-At-Arms: Louis Bailey - Past President Ed. Hitchinson - Sports Officer Willis Douglas.
Committee chairman will be appointed at the next General meeting Thursday May 17th at 8 P.M.

SPORTS SLANTS

News & Views

by Leo DeBellefeuille

It certainly was good news to hear that the Seaway Tennis Club is being formed in Iroquois. Naturally, the main objective of this new group will be to promote this fine sport in the village. Lessons will be available for beginners. The hours that have been established for the S.T.C. are Tuesday 5 to 11 -- Thursday 5 to 11 and Sunday from 10 to 10. A very reasonable family rate of \$15.00 for the season would seem an attraction for togetherness. A fee of \$10.00 for Adults and \$5.00 for students is a steal, realizing the many hours some one may participate in this healthy recreation. Perhaps, in addition to the sport itself, and for the benefit of the youth of the village the club could organize a social committee. In turn several tournaments and exhibitions could be scheduled with an outdoor dance or social evening to follow under the lights at the courts.

Further, it would be interesting to have Ann Desrosiers and some of her instructors from Cornwall stage an exhibition against the local members of the Tennis Club to officially open the new club and season.

Best wishes are extended to Jeff Beaupre and his group for their foresight and initiative in organizing the much needed Tennis Club and hope it will be an outstanding success. Good Luck to Jeff and all tennis players for a fine season.

From tennis to golf, yes indeed, calling all duffers to the greens. The Iroquois Golf Club Inc. have announced that the course has opened for the 1973 season. An open invitation has been cordially extended to all

citizens, in particular to newcomers to the village to join this thriving, active Golf Club. For further particulars contact Bill Cherry at the Bank of Montreal or Lyle Mattice, Victoria Street, in Iroquois.

To the executive and members of the Iroquois Golf Club go out best wishes for a splendid season and reasonable weather conditions on the links as they embark on a new season.

By the way, keep in mind that the Golf Club are having their Spring Dance to officially open a brand new season, at the Iroquois Civic Centre Sat. May 26th from 9 to 1 A.M. Featuring George Barkley and his Orchestra. Everyone is welcome, therefore why not join the Golf Club, form a party and support them by attending the Spring Dance. Sounds like a swell time is in store for all.

The Alexandria Minor Hockey Association held its annual awards evening at Glengary District High School on April 27th. The evening got off to a fine start with violin selections by Johnny Mooring while the audience joined in with a sing-song.

The Ottawa Rough Riders intersquad Red and White game is scheduled for Tuesday June 26th at Lansdowne Park. With hockey now over, girls -- the hubby can now leave the house and attend the Big Four football games -- or the Expos on TV!

Gals, never fear, the sports scene never ends. Morrisburg has taken a daring jump in lacrosse and have entered a team in the North American Senior Lacrosse Association this year. The majority of players came from the now defunct Mor-

risburg Mets, which reached the Canadian finals in 1968. They have added Jackie McLennan, from Cornwall -- who has starred in the Junior "A" ranks with Toronto area clubs for the past four years. The coaching assignment will be handled by Chuck Chin of Cornwall, Chin is a former star with the Wildcats and Oshawa Green Gaels.

Lacrosse fans in this area are in store for some excellent lacrosse this summer with Morrisburg in the NALA and Cornwall in the OLA. It would be appreciated if we could receive a schedule of the Morrisburg Club.

A word of welcome to all young baseball fans. Here it is! A special invitation to the 'Batty Bleachers' section at the Montreal Expos home games. In addition all Wednesday, Saturday and Sunday games at Jarry Park, with a membership card of the Young Expos Club and 50¢ will offer you many hours of big time baseball. Plan now to attend soon, and after--above all come early. Because at the last count there were over 150,000 members. This could be the greatest season yet for the Montreal Expos and for you! For further information on how you may join the Expos Club--inquire at the Bank of Montreal.

Miss Lynn O'Brien has informed me that there is not much action in Morrisburg on minor softball for boys and girls. She stated that a report would be forth coming from a meeting she was going to attend in Brinston on minor ball. As well, Lynn will provide a summary on the Ladies and Mens Fastball as soon as the information will be made known.

Former Cornwall Royals defence-man Ronald Leon Ward, has become a household name with the first year New York Raiders of the WHA. Ward spent seven years travelling from one minor pro team to another. In the NHL Ron played 18 games with Toronto Leafs and a full season with Vancouver. He is a

prime example of what the development of the WHA -- has meant to several young men who would have probably retired from Hockey if it were not for the new league. This year Ward scored 51 goals and 67 assists and ended up in second place in the final league standings. If it had not been for a pinched nerve in his shoulder, he could have won the scoring derby.

Andre Lacroix of Philadelphia Blazers won out over Ward in the last week of the schedule. However, Ron was selected as a first team all-star, beating out --you guessed it, Andre Lacroix. The 180 pound 5'10" pivot will centre a line of Bobby Hull and Danny Lawson in the All-Star WHA game. Some distinction for a fellow who was not good enough for the NHL.

From what I have seen of some centre ice players on certain clubs in the old league, it would appear strange why they did not give him more ice time when he was a member of their team. In other words, I feel either Toronto or Vancouver for that matter, could use the talents of a centreman who can score 118 points in the WHA.

Rather, they elected to have Ward keep the bench warm. In Tulsa of the Central League, Ward was the league's scoring champion with 85 points in 1967-68. Then the following year, Ron, as a member of the Rochester Americans in the American league collected 78 points and awarded the Dudley "Red" Garrett Memorial Trophy as the most valuable player on his team.

Then he saw daylight when the WHA was formed. He was drafted 39th by the N.Y. Raiders and made the best decision of his career by joining the Raiders. It is hard to understand why he did not make the National Hockey League earlier and remained there. He is not alone in making the move from Clarence Campbell's loop to the WHA. As an example, here are the players who made the All Star team in this seasons WHA, all former NHL's. Gerry Cheevers, Al Hamilton, J.C. Tremblay, Bobby Hull, Danny Lawson, Al Smith, Rick Ley, Paul Schmyr, Andre Lacroix, Wayne Carleton, Tom Webster and of course R.L. Ward. At the age of 29, Ron Ward

THE Washday

ADVICE BUREAU

After washing with Borateem-Plus, rehang drapes while still damp, to ensure wrinkle-free drying.

FIBERGLASS DRAPES SIMPLE TO CLEAN

FIBERGLASS is the trade name for cloth which has been spun out of extremely fine glass filaments. This versatile fabric has become extremely popular for curtains, both sheers and drapes. It is fire-proof and largely unaffected by chemicals, stands high heat and is not attacked by mildew, rot or insects. Nor are fiberglass fabrics affected by aging. Curtains made of fiberglass do not shrink, stretch, sag or wrinkle.

Handwashing is recommended for fiberglass curtains. They absorb little water and can be washed and rehung in a matter of minutes. Since the fiber's surface is shiny, it does not absorb soil. Use hot suds of a good detergent such as Twenty Mule Team and add half a cup of Borateem-Plus. This will help brighten the colours and keep your drapes smelling sweet and fresh. Squeeze the curtains gently in the suds and then rinse twice in hot clear water.

After washing roll the curtains in a towel to absorb ex-

cess moisture, then rehang them while still damp. Straighten the hems out with your fingers.

Your heavier drapes are also best washed by hand. Since they absorb so little water, they will not become waterlogged and too heavy to handle. After washing in hot suds and Borateem-Plus, hang them over a clothesline or shower curtain rod to drip. Rehang them while they are still damp, again straightening out the hems. This way you can ensure that your curtains and drapes dry wrinkle-free.

A word of caution. Despite its versatility and strength, glass fiber does not stand up well to rough treatment. Avoid excessive rubbing or abrasion. Do not wring or twist fabrics when washing, never put them through the wringer or iron them. If you must machine wash fiberglass fabrics, put them through the gentlest cycle on your washing machine and do not allow them to go through the spin-dry portion of the cycle.

has made it happen, proving to the N.H.L. that he is truly a professional hockey player in the full sense of the word.

Given a proper chance, he could also have made the NHL. All-Star team with Marvin Rober Hull. Best of luck-- in the future Ron old pal, you have proven yourself by sheer determination.

The NHL is now attempting to lure former players back into the fold, one of which is Toronto. They would love to have Bernie

Parent back. Here again, why did they not keep him when he was on their roster? Don't forget to watch for the NHL junior draft meeting in Montreal Tuesday May 15th. I wonder if old smoothie

Sammy Pollock will draft Andre Savard to play with Guy Lafleur.

If you play sports be a good one, and keep your eye on the game.

Don Irvine comments on provincial budget

The Budget - Part II

In my comments on the budget last week, I outlined, as one of the main objectives, the massive aid to municipalities. All together there will be some 440 million dollars of additional grant to our cities, towns and township this year, 180 million of which come from changes in the retail sales tax. For the first time, provincial grants will exceed the monies raised by municipalities from the property tax.

There is another and equally important objective of this bud-

get and that is to redistribute our overall tax burden in the fairest possible way. Back in 1969, the Ontario Government published a white paper on tax reform which established a long range objective of reducing property tax burdens and broadening the provincial tax base. In that year a 10% retail sales tax was introduced on select items generally purchased by individuals with high disposable income. These things include liquor sold in licenced establishments and higher priced restaurants meals. In 1977, free health insurance premiums for pensioners and generous premium assistance for low income families were introduced. In the same year the introduction of the Ontario Property Tax Credit Plan: directly redistributed tax burdens in favour of low income families and individuals also meant that high income taxpayers receive little or no benefit from the Property Tax Credit Plan.

A retail sales tax, if it were applied across the board on everything that we purchased,

would place a heavy burden on low and middle income families. The exemptions, which presently exist on rent, food, children clothes, prescription drugs, together with the reduced health insurance premiums removes this onerous burden and these exemptions undoubtedly cover a major portion of the average family's annual spending.

The 1973 Budget carries this process another giant step further. The introduction of retail sales tax credits linked to income will provide substantial additional relief for the average family in Ontario and place a greater proportion of the overall tax burden on those most able to bear it.

Let's take a look at how this will work in actual practice. using for example a married taxpayer with two children under the age of 16 earning \$5,000 per year. Our original proposals to increase the retail sales tax and extend that to heating and lighting would have by calculation increased his total taxes by the sum of \$71 per year. The sales tax credits to be claimed on his 1974 income tax form will total \$36. The average property tax reductions across the province anticipated as a result of the provincial contribution to municipalities will add a further \$15 to this amount so that there will be a total tax credit of \$51. The net overall affect is that a taxpayer in this income bracket will pay \$30 less tax this year than he did last. As income increases the benefit decreases and just over \$10,000 per year the benefit disappears and as income progresses upward the overall net affect would be that a taxpayer will pay slightly more tax in 1973 than in 1972.

There were several other aspects of the budget that are important to residents of Grenville-Dundas that I was not able to cover last week and I would point some of them out to you now.

By now everyone, I am sure is well aware that Premier Davis announced the withdrawal of the 7% energy tax in the House on Tuesday, April 24th. This was without doubt a clear indication that our Government does, indeed, listen to the views of the people. It was evident that a great majority of the people were strongly against the energy tax.

Old Age Pensioners

In addition to the enriched sales tax credits our old age pensioners will receive a pensioner tax credit of \$100 to be claimed on their 1974 income tax form. This will mean a distribution of \$100 to every person in Ontario over age 65 whose income is limited to the existing old age benefits. It will be scaled now according to their total income.

We've been asked often why we don't simply add 1% to the existing corporation tax and forget all the rest of this seemingly complicated arrangement. There are several reasons for avoiding this method of raising tax revenues. In the first place, it would have no affect on our stated objective of redistributing the tax burden on a fairer basis. In addition it would make it difficult for our industries to compete in international markets. The affect of this would undoubtedly be reflected in poorer employment opportunities. Anyone who believes that such a tax would not be passed along to the consumer as another cost of doing business is simply being unrealistic.

The final important reminder I would like to leave with you this week is a point that many of us tend to overlook. The Province of Ontario has along with British Columbia the lowest rate of personal income tax in Canada. Every other province's present income tax rates are substantially higher and in one case exceeds the Ontario rate by almost 39%.

ADELAIDE DANIELS

SAYS

EAT PROTEIN FOR POISE

When you look into the new findings in the field of nutrition these days, you find explosiveness! No field of knowledge is growing faster and changing more rapidly or holds more promise for the human race.

Did you know, for example, that depression can be caused by a lack of niacin? Niacin is now called the "morale vitamin." One way that you can make sure you're getting your share of niacin is by having fish often, also liver.

Some people can't eat when they're tense; others eat more. Tension is the inability to relax and is often responsible for the terrible habit of bolting one's food quickly, taking big mouthfuls, hardly chewing, washing it down with gulps of whatever there is to drink.

In my experience, I've found that people who eat this way usually consume two or three times the quantity of a slow eater. It's a scientifically established fact that when you eat quickly, it takes more food to give you the feeling of being full.

What you eat can also make profound improvements in the glossiness of your hair, the brightness of your eyes, the freshness of your skin-tone.

For poise and self-confidence, nutritionists say, feed yourself plenty of protein — as well as calcium. Many studies prove that poise and protein go together.

It's true — in that the protein you eat builds the solid parts of your body . . . your skin . . . your nails . . . the muscles that hold your bones in a good (or poor) posture.

With six months of good eating habits, you'll see a dramatic improvement in your looks and life. You'll have a clearer skin, brighter eyes and hair, better muscles and posture and infinitely more energy, self-confidence and fun.

Certified Seed Should Be Ordered Early

Certified seed supplies for 1973 will be lower than normal due to poor harvesting conditions and higher returns on the feed grain market. Some of the potential seed failed to meet the extensive test requirements of the Canadian Seed Growers' Association and the Canada Department of Agriculture.

Farmers should order their seed early for best selection says W.D. Taylor, Soils and Crops Branch, Ontario Ministry of Agriculture and Food.

Seed for both cereals and forage crops is expected to be scarce this year and somewhat higher in cost. In previous years, seed dealers were able to carry enough stock to meet the demands in their areas. With the present situation, orders should be placed earlier than usual to give the dealers an opportunity to fill your specific requirements. Otherwise, farmers may have to accept their second or third variety choice.

Certified seed is the only way a farmer can be sure to get the variety he considers best for his grain program, and a guarantee of seed quality and purity. Each variety has its strengths and weaknesses which should be matched to growing conditions, harvesting techniques, and feed requirements.

For further information on crop varieties, obtain Publication 296, 1973 Field Crop Recommendations, from your county agricultural office or through the Ontario Ministry of Agriculture and Food, Information Branch, Parliament Buildings, Toronto, M7A 1A5.

Enjoy Your Garden

By planning your garden now, you will have more time to enjoy its beauty this summer. Take time to look through seed and garden catalogs to choose the plants you want. John Hughes, horticultural specialist, Ontario Ministry of Agriculture and Food, offers these suggestions for your garden.

A very popular plant for borders is sweet alyssum. This low-growing plant may have white, pink, lavender or purple blossoms. For a

under the table. Kick. Kick. Kick.)

Anyway, Buckingham Palace won't be any problem. But what are we going to wear when we duck over to Northern Ireland to see Uncle Frank, who has asked us out in his fishing boat?

I think I'll have my wife dress in green, and I'll wear something in orange. At least one of us might survive.

We have cottages and Building Lots-- residential, commercial and waterfront-- For Sale. Salesmen: Jim Byers Res. 543-2313.

Kurt Polak Res. 543-2824
Frank Keith Res. 932-9677

massed effect or a solid color display, portulaca is perfect. This plant is available in white, pink, rose, salmon, orange and yellow.

Both alyssum and portulaca are tolerant plants. They will grow in a poor soil and hot sunny locations where other plants would not do well. Zinnias and marigolds provide bold splashed of color in any garden. These easy-to-grow plants are available in many colours. You can buy seeds that will produce tall, medium, low, or even creeping plants, and in several different flower forms.

Shaded areas in gardens can sometimes be a problem. Impatiens or patience plant will do well in the shade.

When selecting plants for your garden, consider where they will be planted, the colour, height, season of bloom and their growing habits. To get the most enjoyment from your flowers, plan ahead for the summer.

SAFETY NOTES

Felix Clarkson, of Folsom, California, wants to share this idea because it saved his life one night when he was stuck during a heavy storm on a deserted highway: "If you're not sure that a vehicle bearing down on you has seen your flares, throw one high in the air..." which implies, adds the Ontario Safety League, that you had

the flair to bring some along on your trip. The use of flares as a distress signal on the roadside is approved by the Ontario Provincial Police.

The Hydro-Electric Power Commission of Ontario

PROPERTY FOR SALE

Village of Long Sault

The Commission is offering for sale three residential building lots fronting on Strachan Avenue in the Long Sault Township and known as Lots 76, 77 and 138, Registered Plan 228, in the Township of Cornwall having frontages of 70 feet, 70 feet and 60 feet and containing approximately 0.245, 0.225 and 0.172 acres respectively.

For further details, please write to Ontario Hydro, 620 University Avenue, Toronto 101, Ontario M5G 1X6, attention: L.K. Laughlen, Property Division, Telephone 368-6767 or to Ontario Hydro, 420 Dundas Street East, Belleville, Ontario, attention: J.W. Cartwright, Property Officer, Telephone 968-6721.

Offers to purchase must be submitted in a sealed envelope and must be received by the undersigned before 4.00 p.m. Eastern Daylight Time on June 5, 1973 at 620 University Avenue, Toronto M5G 1X6. The envelope containing the offer to purchase must carry identification that it refers to the Long Sault properties.

Offers to purchase one or more lots will be considered, however, all tenders must be submitted on an individual lot basis and be accompanied by a certified cheque payable to The Hydro Electric Power Commission of Ontario for at least 3% of the amount of the offer. Cheques will be returned to the unsuccessful bidders.

All offers submitted must allow until June 28, 1973 for acceptance or rejection and must not be withdrawn until after that date. Offers must allow until August 30, 1973 for closing of this sale.

The highest or any offer not necessarily accepted.

E.B. Easson
Secretary.

Letter to Editor

I wish to thank the residents of Iroquois for their generosity in the Girl Guide and Brownie Cookie Day (May 5th)

The allotment of Cookies for our group were 20 cases of 12 for 240 sales. In addition 10 cases were received from the Morrisburg Guides as they had a surplus from their sale. Totally Iroquois sold 360 packages of cookies. We regret that due to the excellent response of this drive by the Village we were unable to call on every home.

We assure you that this situation will be rectified for the 1974 campaign.

The local Girl Guides and Brownies wish again to thank you for your excellent co-operation and assistance.

In addition I personally wish to thank all the mothers Guides Brownies your newspaper and the Craft House for assisting in making the Cookie Day an outstanding success.

Mrs. Katherine DeBellefeuille
Brownie Leader
