Dundas Teachers Met At Hallville

On Friday, October 12th, the Public School Teachers held their annual meeting in the Consolidated School, Hallville. At 9.30 a.m. opening exercises were conducted by the local minister, Rev. Mr. Beatty. Mr. Roy Hastings was appointed chairman for the day's meeting. A nominating committee, consisting of Mr. Stanley Waddell, Mrs. E. Swerdfeger and Mr. Roy Hastings, was appointed.

An interesting item, Primary Seat Work Devices, followed. The two speakers were Miss E. Marcellus and Mrs. C. Edgerton.

Mr. Lloyd Laporte then gave an address on "Making the Most of the Noon and Recess Play Period." Several other teachers gave a number of helpful ideas on the same topic.

Mr. W. J. Stewart, M.A. B.Paed., addressed the teachers, bringing to their attention a number of items pertaining to public school work.

The teachers then adjourned to meet in their separate federation meetings. The lady teachers' meeting was under the leadership of Miss Kathleen Morgatroyd, while the men's meeting was in charge of Mr. Gordon Foulds.

At 12.30 the teachers enjoyed a bounteous chicken dinner in the basement of the church, tendered by the Women's Institute of Hallville.

The afternoon session began at 1.45 p.m. Three teachers, Mr. R. Dillabough, Mr. R. Coligan and Mr. John McCarthy addressed the meeting on the subject: "Making English Grammar Work in Oral and Written Work." This was followed by a very interesting and keenly contested Public Speaking Competition. There were nine contestants from various schools of the county. The winner of the competition was Miss Beverley Thompson, South Mountain, who spoke on "My Favourite Character in History—Winston Churchill."

Following this, the nominating committee brought in the slate of officers for 1946:

Hon. President—Mr. W. J. Stewart, M.A., B.Paed.
President—Mr. Robert Robinson.
Vice President—Mrs. C. Edgerton.
Sec.-Treasurer—Mr. H. Hamilton.
Executive Committee—Mrs. Crowder, Mrs. B. Johnston, Mr. H. Potter.
Auditors—Messrs. C. Pitt and L. Thorpe.

The meeting was then brought to a close with the singing of the National Anthem.

THREE COUNCILS WILL SPONSOR WELCOME TO WAR VETERANS

Plans for a series of "Welcome Home" banquets were made at the meeting of the Councils of Winchester Township, Winchester and Chesterville villages and the Chesterville and District Red Cross Society, held in the Community Hall, Chesterville, on Monday evening of last week.

There will be possibly four functions throughout the township, at Chesterville, Winchester, Morewood and Winchester Springs, at which framed, illuminated scrolls will be presented to veterans of the township who volunteered for Active Service. The Reeves of the three municipalities were named a committee to arrange banquets for the near future. The expenses of these banquets will be borne proportionately by the Councils involved.

Legion Will Not Build Till Prices Stabilized

After a report of the Building Committee of Winchester Branch No. 108 was presented at the regular meeting of Winchester Branch of the Canadian Legion, decision was reached to continue the drive for funds, with an Armistice Dance, which will be held in the Community Hall, Chesterville, on the evening of November 12th. George Crawford and Cameron Baker of Chesterville, were named to make initial arrangements for the dance, with the whole membership assisting in the sale of the tickets. Valuable prizes will be awarded on the sale of the tickets purchased prior to the 11th of November, with additional awards for dancers, the particulars of which will be announced later. A special effort will be made to have every veteran of the district present at this function.

The financial report of the building fund, given by the treasurer, A. M. Alexander, showed a balance of $3,200.00, after the lot and building on the corner of Main and Gladstone had been paid for. The members commented favorably when it was stated that the total cost of the canvass was only $21.00. While tentative plans for the erection of a basement and one storey building, of granite faced cement blocks, with a memorial front to face the main street, have been made, it was the unanimous opinion of the meeting that building should be deferred until prices of building material were stabilized, and help became more plentiful. F. Erle Helmer, Chairman of the Building Fund, said that to build now would needlessly waste part of the money so generously donated, and that every effort would be made to get the highest value for every dollar contributed.

The next meeting of the branch will be held in Chesterville, on Friday night, Oct. 26th. Members of Winchester and vicinity will assemble at the club rooms at 7 p.m. sharp. Uniforms and medals to be worn.

Pupils Clear School In Fifty-Three Seconds

At a fire drill, held at the local Public School on Friday last, the pupils vacated the building in 53 seconds flat. The test was made as a part of Winchester's observance of Fire Prevention Week. Brief talks on Fire Prevention were given by Councillor F. Erle Helmer and Fire Chief Gilbert Raistrick.

Prizes of $3.00 have been donated by the Fire Department to the pupils who can draw the three best "Fire Prevention" posters. Mr. Graham, principal of the school, is to judge these, and the winning specimens will be entered in the Provincial Contest at Toronto. This is the first time that the local Fire Brigade has taken an active part in the Fire Prevention Week program.

A test Fire Drill will also be held at the High School this week.

UNITED CHURCH ANNIVERSARY SERVICES WELL ATTENDED

Large congregations featured the special Anniversary Services, held in the United Church on Sunday last. The guest preacher, Rev. John A. Waddell, of Western United Church, Ottawa, delivered inspiring sermons at both morning and evening services. Special music by the choir, under the direction of Mrs. George Toye, added much to the enjoyment of the services.

In the evening, services in the local Presbyterian and Baptist Churches were withdrawn and those congregations joined with the United Church in observing its anniversary.

On Monday evening, the Women's Association served an Anniversary Supper in the Sunday School Hall, and this function was also largely attended.

CAPT. GILBERT GEMEROY LOOKS FINE IN PICTURE

This week the Press received a clipping from the Canadian Army Newspaper, "The Maple Leaf," published in London, England, containing a picture of a group of service personnel entertainers. In the group was Capt. Gilbert "Punch" Gemeroy. It was a good clear picture and "Punch" looks to be in good health and spirits. Capt. Gemeroy is a son of Mrs. J. Gemeroy and the late Mr. Gemeroy and has been serving with the Royal Canadian Dental Corps overseas for some time.

Winchester-District Objective Is $200,000

The Winchester and District objective for the Ninth Victory Loan, which starts on Monday next, has been set at $200,000, an increase of $30,000 over the Eighth Victory Loan objective. In view of the fact that there will be no Loan campaign next spring, the objective is not regarded as too high.

The Chesterville and District objective is also $200,000, while up in Mountain Township $100,000 has been set as the objective.

In the United Counties, the sum of $4,200,000 is the minimum objective. In the last two Loans the citizens of these counties invested over $7,000,000 in Victory Bonds. There will not be another opportunity to invest in Victory Bonds until next autumn, and then the interest rate may be lowered, so it would look like good business for those who can to purchase all the Bonds within their means during the Ninth Loan Campaign.

Bonds purchased by the deferred payment plan need not be paid up for a whole year, and only 5% is required as the down payment. For instance, $50.00 cash is all that is required to purchase a $1000 bond under this plan.

Local salesmen are Messrs. W. J. L. Boyd, Allen Summers and E. R. Summers and Mrs. C. R. Robinson. Bonds may also be purchased at the local Royal Bank.

Salesmen for Mountain Township are Messrs. Robt. Robinson, South Mountain and Inkerman; Charles Patton, Mountain Station; and Glen Kerford, Hallville.

If you have Bonds purchased in previous loans, it is good business to convert these during this loan. There is a nice premium on some of them. Ask your salesman about this.

MAITLAND MAN FATALLY INJURED

Returning to his home for some nails in order to complete repair work he was doing in the village, Russell Gardiner, 40-year-old Maitland carpenter and father of five children, was killed instantly last Friday afternoon within sight of his home when the car he was driving was demolished by the Canadian National Railways Toronto-Montreal flyer at the Maitland level crossing, a crossing he had been using all his lifetime, going to and returning from the village.

He was married April 27, 1935, to the former Elizabeth Mary Wylie, daughter of Mrs. Etta Wylie and the late James Wylie, of Mountain, who survives, with three sons, Elmer, Dale and Lowe, and two daughters, Carol and Doris, the youngest of whom is two months old. STRUCK BY AUTO, METCALFE WOMAN DIES

Mrs. Dora White, 26, of Metcalfe, was killed almost instantly last Friday night when she was struck by a hit-and-run driver after she alighted from a Morrisburg-bound Colonial Coach Line bus at the junction of the Morrisburg Highway and the Metcalfe Road. The former Dora Scarlett, she was the wife of Douglas White, war veteran, who recently returned from overseas.

According to witnesses, Mrs. White alighted with three other persons from the bus at the Metcalfe turn, and walked around the rear to cross from the west to the east side of the road. She was struck by an Ottawa-bound car, and was knocked almost 75 feet by the impact. Two boys were walking ahead of her, but did not notice the oncoming car, police were told.

Dr. A. Dowd, district coroner, has stated that an inquest will be held, but the date has not yet been set.

Provincial Police, who are investigating the accident, have laid a charge of careless driving against Robt. A. Sibbitt, of Ottawa.

Mrs. White was born at Mountain, 26 years ago, a daughter of Mr. and Mrs. James W. Scarlett, of Metcalfe. She was married in Ottawa in 1941 to Douglas White, who survives.

Besides her husband and parents, she is survived by a son, James McIntosh, 3 years old; a brother, Broda Scarlett, of Ottawa; three sisters, Mrs. Alfred McCooeye and Mrs. Alfred McDowell, both of Metcalfe, and Miss Jean Scarlett, of Ottawa; three nephews and four nieces.

WILL HOLD INQUEST ON RECENT TRAGEDY

Crown Attorney J. G. Harkness has announced an inquest will be held into the death of six persons killed in a level crossing accident recently at Chesterville.

No date has been set for the inquiry into the accident, which occurred when an automobile carrying the six persons collided with an eastbound Canadian Pacific Railway freight train.

Following the accident, Coroner T. A. Hamilton, of Brinston, said he was not calling an inquest, as the only witness was the train engineer.

Nearly Two Tons Clothing Collected

There has been a good response to the appeal for Used Clothing in Winchester and district, and on Thursday last the local committee packed and shipped to the National Clothing Collection Depot nearly two tons of clothing, 83 packages weighing 3460 lbs., to be exact. Some of this clothing came from Inkerman, but the bulk of it was turned in by the local High School students. Included in the school collection were 454 men's and women's overcoats, 674 women's dresses and 315 pairs of shoes, as well as many miscellaneous articles too numerous to enumerate here. There is a contest on at the school for the Used Clothing Drive, and Group D, captained by Gordon Helmer, is leading at present. In second place is Group A, headed by Lois Munro; Group E, led by Betty Angus, is in third place, while Groups C and B, captained by Isobel Blair and Ida Hanes, are in fourth and fifth place. The contest is still in progress and the standing could easily change before the campaign ends, as the teams are running close in points.

In the drive for War Savings Stamps at the school, the students invested $52.50 last week. Points are given for the purchase of stamps as well as the collection of clothing.

The local collection depot in the town hall will be open from 1 to 5 p.m. today for the reception of clothing donations, so if you have "something to spare that the unfortunate victims of war in Europe and China can wear," see that it is turned in today.

FEED NEWS

This article in the last issue of The Farmer's Advocate shows clearly the importance of a balanced ration for pigs:

REASONS WHY HOGS GRADE B-1 INSTEAD OF A

The following is a summary of a recent survey conducted by The Marketing Service of the Dominion Department of Agriculture, which portrays with enlightening vividness the reasons why our hogs fail to make A grade.

Overfat	**50 per cent.**
Bad Type	**23 per cent.**
Weight	**17 per cent.**
Too Thin	**3 per cent.**
Coloured Hair	**3 per cent.**
Miscellaneous	**4 per cent.**
	100 per cent.

Overfat Hogs—These are the result of improper feeding. Care should be taken to ensure that the hogs are receiving a balanced ration containing exactly the right amount of the essential proteins, minerals and vitamins essential for good economical development.

Bad Type—This is the result of poor breeding. Cull out and market your off-type sows and use only proven boars.

Weight—This is the easiest obstacle to overcome. B-1 hogs in the ranges of 135-139 and 171-175 pounds can be readily brought to within the correct weight range of 140-170 pounds by careful attention to the weight of hogs at the time of marketing. An economical set of hog scales is a great asset to every hog producer.

Too Thin—This may be the result of several little oversights on the part of the feeder. Many of our hogs lack thriftiness and are not good doers simply because an intestine full of worms holds them back. There are many good vermifuges on the market which can be administered in either the powder or the capsule form. Another little stumbling block resulting in thin hogs is the type of ration feed. Check your feeding programme to ascertain whether or not your hogs are being fed properly. Much hog feed can be and is wasted every day when the producer fails to feed a balanced ration.

Miscellaneous—Rough skin, coloured hair, poor loins, weak hams, are all minor factors when considered on a percentage basis in the table shown above, but at the same time are vitally important considerations to each individual hog producer. Breeding, feeding and management are the chief concerns and a great deal of improvement has already taken place when a survey of this nature is able to demonstrate to us that these latter factors appear as a minimum percentage figure.

Hog raising to-day is more profitable than ever before. Quality must be our watchword in order to keep our market secure. Hog producers are businessmen. Additional profits along with the satisfaction of seeing a job well done is our reward for careful attention given to the few details mentioned above. The additional premium realized from an A-Grade hog is a worthwhile incentive and should promote better breeding, feeding and management, leading to the production of better quality pork and the retention of our essential export trade.

LEVEL RAILWAY CROSSINGS SHOULD BE ELIMINATED

In recent years no less than twelve deaths have resulted from accidents at railway crossings in this district. How many more lives must be sacrificed in order to convince both the Highway Department and the Railway Companies that all level railway crossings are potential death traps, regardless of how well they are protected by signals, etc? On all main highways there should be either a subway or overhead bridge at railway crossings. Now that the war is over and labour is more plentiful, and an unemployment problem fast shaping up throughout the country, would it not be a wise move to start a project to eliminate all level railway crossings, by building subways or overhead bridges. It would be money well spent, would create employment and, most important of all, remove a hazard that has taken, and will continue to take, human lives.

SOUND AT HEART

The other day an observer in England remarked: "The British came out of the war tired, cross and impoverished." He was referring to the people of the British Isles. If he were doing his observing here he might use a current wise crack and say, "The Canadians came out of the war tired, cross, period."

Such an observation might be justified. Located far from the scenes of battle, Canadian homes, factories. public services, remained intact throughout the war. Thus this country was able to satisfy the demands of a war-hungry machine. And in so doing, Canadian citizens earned money on a scale never equalled here before. Right now, in addition to holding several billion dollars' worth of Victory Bonds, Canadian citizens have total in savings banks accounts which is the highest in the history of Canada.

A critic might label us "cross and tired." But if he really knew us, he would not describe us as ungrateful or selfish.

Confirmation of our true national spirit will be forthcoming in the Ninth Victory Loan campaign. To provide for the civic re-establishment of our men who fought, and to provide at least a little of the goods which impoverished people across the Atlantic must have to survive, our people will buy bonds as enthusiastically in the Ninth campaign as they did in the previous eight Victory Loan campaigns.

"DEATH STOOD AT ATTENTION"

A cataclysm in the history of humanity could have found no description more arresting than these words of Churchill, on the subject of the atomic bomb: "Mankind has never been in this position before. Without having improved appreciably in virtue or enjoying wiser guidance, it has got into its hands for the first time the tools by which it can unfailingly accomplish its own extermination. That is the point in human destinies to which all the glories and toils of men have at last led them. Death stands at attention, obedient, expecant, ready to serve, ready to shear away the peoples en masse, ready, if called on, to pulverize without hope of repair what is left of civilization. He awaits only the word of command. He awaits from a frail bewildered being, long his victim—now for one occasion only—his Master."

THE WEEKLY PAPER

Folks may prize the city dailies with their editorial views,
With their boasted circulation and their telegraphic views.
With parliamentary speeches and the same old party song,
And their so-called brainy essays which are always dry and long.
They may prize the great trade journals or the classic magazine,
With its illustrated stories and the science in between.
But the one I hail with gladness which I long so for to come,
Is that little village weekly which they send me down from home.
Tain't no twenty-page edition for it has but only four,
But they breathe the breath of comfort and I always long for more.
Tan't what folks would call artistic, for at times it's dim and blurred,
But it only serves to interest, and I make out every word.
It is most bright and cheery, though sometimes my heart is bled,
As I read a black-lined notice that some old-time friend is dead.
But there's far more joy and sorrow in the messages so sweet,
Of that little country weekly, that away back country sheet.

—From Andy Clark's Neighbourly News Broadcast, CBC Studies in Toronto.

EDITORIAL NOTES

A certain district school teacher got this letter from an irate mother: "Dere Teacher—You keep telling my son, Ronald, to breathe with his diafram. Maybe some of the rich children can afford diaframs, but how about when their fathers make only $3 a day, and he has got five children to keep? First it's one thing, and then it's another thing, and now it's diaframs. That's the worst thing yet."

If you must burn the leaves in a bon-fire out-of-doors, make sure that you put out all traces of the fire before you retire. Quite often a wind will come up during the night and, if there is a smouldering bon-fire of leaves, the breeze will stimulate the blaze and burning embers will be scattered in all directions, endangering your own property and that of others. A little precaution exercised now may avoid a disastrous fire. Don't take chances on any bon-fire smouldering at night —put it out before you retire.

Other Editors' Opinions

TIME FOR ACTION
(Almonte Gazette)

People who cannot get sufficient fuel, food or clothes because of the strikes are apt to conclude it is time for the government to take a firm stand—step in, as it were, knock the heads of both sides together and order vital work to proceed along adequate lines.

OTHERS WONDER TOO!
(Brockville Recorder & Times)

It must be hard for returned service men unable to find housing accommodation. to understand why there should be materials and labor for the construction or alteration of government office buildings and so little of them for really urgently-needed housing.

VETERANS AND JOBS
(Victoria Colonist)

Rehabilitation implies the return of the bulk of the fighting forces to useful civilian lives. In that the battle veteran is entitled to all of the preferences that can be secured for him in this land. The point system seemed to promise that. Is it being mislaid?

TOO COMMON NOW
(Chatham News)

Divorce in many states is lightly considered, and many parties repeat the operation many times, marriages thereby being considered merely a matter of convenience, which may be dissolved with little trouble. It would be a pity to see it so common in Canada, but the records show that it is growing.

ENTITLED TO A SAY
(Windsor Star)

We have to live and trade with other nations, and we are vitally interested in how they are set up. We can no longer appear merely as an adjunct of Great Britain. Though the foreign policy of the Empire must be based on joint agreement between its component parts, we must have our say in formulating it.

THE POLICEMAN'S DUTY
(Chatham News)

Certainly, no police officer should be rated according to the number of arrests he has made, or the number of convictions he has brought about. He should not look for trouble; he should endeavour to anticipate and prevent trouble. It is much more valuable to society if the policeman can dissuade people from doing wrong, than it is for him to apprehend them after the wrong is done.

Alcohol and prostitution are inseparable commercial partners the world over.—Dr. Haven Emerson.

Less speed and more caution is, as always, a sound slogan for the motorist, says the Ottawa Journal.

Some people say they'd give their shirts to bring in a new world. But they don't invest in it financially or take off their coats to fight for it.

The news that the wire coat-hanger has returned doesn't thrill the man with a heavy overcoat and a yearning for the old-fashioned wooden type.

Now that autos are on the way back, drivers should remind themselves that a good many accidents are caused by hugging the wrong curves.

There aren't many really lazy people. Almost anyone would work now and then willingly and gladly if he could do what he wanted to do when he felt like doing it.

BIBLE QUESTIONS ANSWERED BY THE VOICE of PROPHECY

INTERNATIONAL BIBLE BROADCASTER

Question—What is a "creed"?

Answer—It is usually defined as a formal statement of doctrines.

Q.—Can you tell us what the "sign of Jonas" is as mentioned in Luke 11:29-32?

A. — It was Christ's resurrection from the dead, which had been symbolized by Jonah's deliverance from the belly of the great fish. Matthew 12:40,41.

Q. — Isn't it clear that man has evolved from lower animals?

A.—It is not clear. The "missing link" is still missing. Why not take God's Word at face value. "So God created man in His own image, in the image of God created He him; male and female created He them." Genesis 1:27.

Q.—Were Sodom and Gomorrah destroyed by an ordinary volcanic eruption?

A.—Not if we believe the Bible. Their destruction had been foretold and was known to be coming. The words of the angels were: "For we will destroy this place, because the cry of them is waxen great before the face of the Lord; and the Lord hath sent us to destroy it. . . . And the Lord rained upon Sodom and upon Gomorrah brimstone and fire from the Lord out of heaven." Genesis 19:13,24.

Q.—Why was there no leaven or yeast in the Passover bread eaten when Israel left Egypt?

A.—Leaven was a symbol of corruption, and the children of Israel had to be clean before God. Paul uses the same figure in 1 Corinthians 5:7,8: "Purge out therefore the old leaven, that ye may be a new lump, as ye are unleavened. For even Christ our passover is sacrificed for us: therefore let us keep the feast, not with old leaven, neither with the leaven of malice and wickedness; but with the unleavened bread of sincerity and truth."

Q.—Hasn't research proved the origin of life to be contrary to the Bible record?

A.—Prof. George Darwin, president of the British Association and son of the renowned Charles Darwin, said at a public meeting of the Association on August 16, 1905, "The mystery of life remains as impenetrable as ever." As far as science is concerned, this statement still holds. The Bible tells us that God created the living from the non-living. Read all of the first chapter of Genesis; also Psalm 36: 9: "For with thee is the fountain of life: in Thy light shall we see light."

DO THIS FOR

Night Coughing

WHEN A COLD stuffs up the nose, causes mouth breathing, throat tickle and night coughing, use this time-tested Vicks treatment that goes to work **instantly . . . 2 ways at once!**

At bedtime rub good old Vicks VapoRub on throat, chest and back. Then watch its **PENETRATING-STIMULATING** action bring relief from distress.

It **PENETRATES** to upper breathing passages with soothing medicinal vapors. It **STIMULATES** chest and back surfaces like a warming, comforting poultice . . . and it keeps on working for hours, **even while you sleep**—to ease coughing spasms, relieve muscular soreness and tightness—and bring grand comfort! Try it tonight . . . Vicks VapoRub.

Dear Bob:—On this occasion of your home-coming from four and one-half years of active service overseas, defending our noble cause, it is only fitting that we should gather here this evening to extend to you a most hearty welcome home. It is with great pride and enthusiasm that we gather you into our midst once again, Bob, rejoicing with you that God has spared you, and to wish you His richest blessings in the coming days.

We look upon our association with you in the past with pleasure; we congratulate you upon the present with genuine words of true friendship; we grasp your hand and wish you success in the future and trust that we may be given many opportunities to share pleasant fellowship with you.

It is a common feeling among us all that we cannot let this time of great happiness pass without expressing our feeling toward you. Writes Poem.

The following poem was written by Norma Hanes, senior pupil in Ormond Public School:

Winter is coming and nothing to wear;
Haven't you a garment that you could spare?
The poor little chiidren in countries of war
Are worse off than ever they were before.
Grown-ups in these countries are suffering too;
They would appreciate clothing from you;
Darn the old stockings and mend every tear,
They need them badly, so please do your share.

Last Thursday evening about 100 friends gathered at the home of Mr. and Mrs. Arthur Williams and tendered Norman a "Welcome Home." About 10 p.m. Norman was called forward and Rev. G. S. Gervan read a very fitting address, while Mr. Lloyd Marcell presented him with a lovely wrist watch, on behalf of his Vancamp friends. Mr. Cottage thanked all for remembering him in this manner. Lunch was then served.

He brought home many souvenirs of the Italian and German campaigns and they were interesting to see. He served with a Western Canada Regiment, so he is leaving for Saskatchewan shortly to get his discharge. We hope he will soon return to our community to live.

BROCKVILLE PRESBYTERIAL SECTIONAL MEETING

The annual Sectional Meeting of the Eastern Section of the Brockvillle Presbyterial was held at Morewood Presbyterian Church on October 10th at 2 p.m., with the President, Miss Helen Jamieson in charge, and with Mrs. Gill at the organ. The devotional was taken by Mrs. Brodie and Mrs. Jones, of Morrisburg. Mrs. Lyle Hunter gave the address of welcome with Mrs. Elzie Johnston replying.

The minutes of the 1944 Sectional were read by the secretary, Mrs. I. P. McIntosh, and approved. Roll call was answered by 45 members. The reports of Senior Auxiliaries, Y. W. A., Girls' Groups and Mission Bands were given by Chesterville, Dunbar, Morweood, Morrisburg, Winchester, and Winchester Springs. The President called for discussion on these fine reports, which was well responded to. Prayer of dedication was taken by Mrs. Myles Marcellus.

A very pleasing duet was rendered by Mrs. Hugh Wilson and Mrs. Chas. Cross, "The Man of Galilee," accompanied by Mrs. Geo. Wilson.

Mrs. (Rev.) H. Maitland, of Morrisburg, was guest speaker. She was introduced by the President, and chose as her subject: "The Citizens of Tomorrow." She painted a very vivid word picture of the lack of Chirstian training in the homes of today, and stressed the missionary women to tell the world "how wonderful Christ is." She closed this fine address with the poem, "The Builder."

The Prayer of Victory was given by Mrs. Colin McGrgeor, of Morewood, followed with the hymn, "Our Loved Dominion Bless."

Mrs. Erle Munro ably looked after the Question Box, and Mrs. D. N. Morrison, Presbyterial Literature Secretary, gave a review of her Missionary Books.

The Service of Remembrance was very impressive, as the president of each Auxiliary lighted a candle in loving memory of their departed. Mrs. Geo. Crawford conducted this part of the program, concluding with a hymn. The offering was taken, with Mrs. Munro giving the Offertory Prayer. The closing thoughts were given by Mrs. D. Dillabough, of Dunbar, who exended an invitation for the Sectional to meet with them next year. The National Anthem was sung, and Miss Jamieson closed the program with a prayer of Thanksgiving.

A very delicious supper was served by Morewood Auxiliary. Rev. W. MacKinnon, Moderator, brought greetings from the Presbytery, and Miss Ellice Smith from the United W. M. S. The president thanked the Morewood ladies for their kind hospitality, which brought to a close a very profitable and inspiring Sectional.

MR. JAS. FLEGG AND FAMILY HONOURED AT HULBERT

On Thursday evening,, September 25th, friends of Hulbert community and their neighbours met at the home of Mr. James Flegg and family, before their departure for their new home in Ottawa.

During the evening the following addresses were read: Carl Montgomery read on behalf of the Young Peoples' Society:—"On behalf of the Young People's Union of our church, I want to express our appreciation of the way in which you girls have contributed to the success of our organization. So willingly have you given of your time and talents at all times that we fear that at times we may have imposed on you too much, but such is always the case with willing and capable workers. We know that, in your new home in another community, you will hasten to associate yourselves with your nearest Young People's Union, and we know from past experience how much of a benefit your attendance will be to them. And we, as young people, also wish to express how much we have enjoyed the hospitality of your home and the kindness of your parents and grandfather whenever we have held our meetings here. We shall not soon forget the happy times we have had here together, and trust that you will be frequent visitors at our meetings in the future. In the words of Tiny Tim of Christmas Carol fame: 'God bless us, every one.' "

Mrs. C. Mellon spoke sincerely on behalf of the Women's Missionary Society for the work and interest that Mrs. Flegg had taken in that society. Rev. Mr. Taylor then thanked Mr. Flegg and his family for their willingness in helping in any part of the church work and also in opening their home at any time. Mrs. Lloyd Montgomery then read the address of the neighbours and the community:

"Dear Mr. Flegg, Will, Carrie and Girls:—Tonight, while we have been enjoying the hospitality of your home just as we have so many times in the past, both as individuals and as groups, we find it hard to realize that this is probably the last time we shall share that same friendly companionship within these four walls. All of us, I am sure, at times have been envious of your ability as a family to make even the shyest of us feel at home here within the space of very few minutes and be pleasantly surprised at finding ourselves talking away as easily and as much as though we were in our own home. And this gift of friendly interest in others with which all of you are so richly endowed, has always been evident outside your home as well—in our Church where strangers have been made to feel they are wanted, and in our community where newcomers have been made to feel they were no longer strangers but neighbours.

We, who can no longer consider ourselves as being part of the present generation, will always remember how you, Mr. Flegg, and your dear wife who is no longer with you, represented to us, when we were growing up, shining examples of sincere Christians and real neighbours—people whose ways and deeds we would have been glad to acquire as we passed to manhood and womanhood. We can never forget the cheer brought to our homes when sickness hung heavily over them, nor can we forget how, when loved ones were taken from us, your kindly words of sympathy and hope gave us courage to carry on, despite our grief.

And we who grew up with you, Will and Carrie, through the joys and sorrows of all young lives, have marvelled often at the ways in which the excellent practices of your parents' homes were put into practices by you when you established a home of your own. Good neighbourliness has always been your slogan and your way of life, in this rural community where neighbourliness means so much to the success and the happiness of the folks who comprise it. We could not expect that you would always stay in this community, and we know that we shall envy the residents of Fourth Avenue in our Capital City when they acquire new neighbours next week.

Our sons and daughters who have grown up in this generation with your three daughters, Will and Carrie, have always had high praise for their talents in school enterprises, and also for their ability to get along with those of their own age, and their elders as well. Phyllis, Vivien and Coral are certainly a credit to our community and both we as oldsters and our children shall be sorry to see them go away from us.

As you, as a family, go to make a new home among new friends and new surroundings, we old friends and neighbours felt we should like to send along with you some token of our esteem for you, and a tangible expression of our best wishes for a long and happy life together in your new home.

Will you, Mr. Flegg, accept from this community the gift of this lamp of friendliness, trusting that, as it shines out, it will remind you of the old friendly faces at Hulbert.

Will and Carrie, Phyllis, Vivien and Coral, we ask you to accept this gift to help you dispense more friendliness in your new home. May God's richest blessings rest upon you, and yours for all time to come.

Signed—The Hulbert community and your neighbours.

Mrs. Hugh McQuaig then presented Mr. Jas. Flegg with a desk lamp, and Mr. Wm. Lennox and Mr. John Holliday presented Mr. and Mrs. Will Flegg and family with a walnut tea wagon.

After the whole family expressed their thanks and invited everyone to visit them at any time in their new home, everyone joined in singing the first verse of "Blest Be The Tie That Binds." The serving of lunch brought the evening to a close.

LOCAL AND DISTRICT NEWS

Mrs. Max Boyd, of Toronto, spent the week-end at the home of Mr. and Mrs. W. J. L. Boyd.

* * * *

Mr. Geo. H. Doran, of North Bay, visited with Mr. Chester and Miss Edith Rose, at Rosehaven, last week, also with Mr. and Mrs. Herbert Doran and Mrs. Warren, of Mountain. As a young man, Mr. Doran was a resident of Mountain. During his many years' absence from this district he sees many changes, and regrets that so many of his old friends have passed on, both in Mountain and Winchester.

* * * *

Baptist Church Note.

Rev. Horace L. Davey, of Ottawa, will preach at both morning and evening services in the local Baptist Church on Sunday next.

Engagement Announced.

Mr. and Mrs. Kenneth Guy, of Mountain, announce the engagement of their daughter, Olive Margaret, to Howard Ernest, son of Mr. and Mrs. Ernest Summers, of Winchester. Marriage to take place early in November.

Some Cabbage !

On his "Neighborly News" Broadcast last Sunday, Andy Clarke commented on a cabbage which measured 38 inches in circumference and weighed 8 pounds. The editor had several in his garden that could top that, and Mr. Carl Rice submitted a cabbage head that measured 44 inches in girth and tipped the scales at 15½ lbs. How's that, Andy?

Caught Arm In Clothes Wringer.

Royden Hutchinson, 3-year-old son of Mr. and Mrs. Ross Hutchinson, suffered a severe injury to his arm a few days ago when he got it caught in the electric clothes wringer at his home. The arm went through the machine as far as the shoulder. Dr. H. S. Gross attended him, and as far as he could ascertain, no bones were broken. When the swelling goes down, the arm will be X-rayed.

Hand Badly Injured.

Mr. Thos. Edgerton, an employee of the H. S. Lannin Limited, Sash and Door Factory, suffered painful injuries to his right hand on Friday last, while working at a "sticker" machine. Mr. Edgerton had two fingers amputated, while the thumb and other two fingers, as well as his hand, were severely lacerated, when the member came in contact with some of the whirling knives. He was wearing leather gloves at the time. He was given treatment by Dr. H. S. Gross and then rushed to the Ottawa Civic Hoospital in Dixon's Ambulance. Suffering from the loss of blood, he was given a blood transfusion, Messrs. Harold Lannin and Gordon Rice each making a donation. His hand is in a cast and he will be confined to hospital for some time.

The October meeting was held in the Sunday School Hall with a large attendance. The Scripture Lesson was given by Mrs. Kennedy, and the minutes and roll call by the secretary, Mrs. Hay. Miss M. Empey read the correspondence. Mrs. C. R. Robinson gave the treasurer's report, and Mrs. Suffel reported for the Agnes Glassford Society. The program consisted of:—Recitation by James Froats; duet by Donald and Douglas Wilson; duet by Mrs. C. Cross and Mrs. Froats. All these numbers received hearty applause. The Goforth Group and Mission Band gave a play, which was very well acted, and reflected much credit on the part of those training the artists.

Luncheon was served by the younger members, and a pleasant social time enjoyed.

RECEPTION AT INKERMAN

On Wednesday, October 3rd, the home of Mr. and Mrs. Stanley Rennick, Inkerman, was the scene of a very nicely arranged reception, given in honour of Mr. and Mrs. Warren Jackson, who were recently married and had just returned home after a trip to Rochester, Buffalo, Niagara Falls and other Western points. The bride was their eldest daughter, Vivian.

The tables were spread for about thirty-five guests, and were gracefully supervised by Mrs. Burland Elliott, while Mrs. Louis McGuff and Mrs. Jack Cooper assisted in serving. A three-tier wedding cake centred the table and was cut by Mrs. Wm. Rennick, grandmother of the bride. The guests were received by Mrs. Rennick, assisted by Miss Lois Rennick, sister of the bride.

The young couple received many beautiful and useful gifts.
