Another Carkner goes to Peterborough

Ten from area make OHL cut

TORONTO — Although he wasn't able to attend Saturday's Ontario Hockey League midget draft at Maple Leaf Gardens Morewood's Matt Carkner was one of the top selections.

The 6'5", 210 pound defenceman who played this season with the Winchester Junior "B" Hawks and the Brockville Braves of the CJHL was selected 33rd over all (second round) by the Peterborough Petes.

Carkner, a North Dundas District High School student, was one of four area players selected in the second round. Ten of the first 70 draftees came from the Ottawa District Hockey Association.

The Oshawa Generals took Brad Ralph of the Kanata Valley Jr. "A" Lasers 17th in the first round and the Ottawa 67s claimed Jonathan Zion of the Nepean Jr. "A" Raiders 18th. The Sault Ste. Marie Greyhounds grabbed Ryan Jardin of the Kanata Valley Lasers 26th, Carkner was selected 33rd and the Ottawa 67s took Kyle McAllister of the Cornwall Jr. "A" Colts 36th to finish the second round.

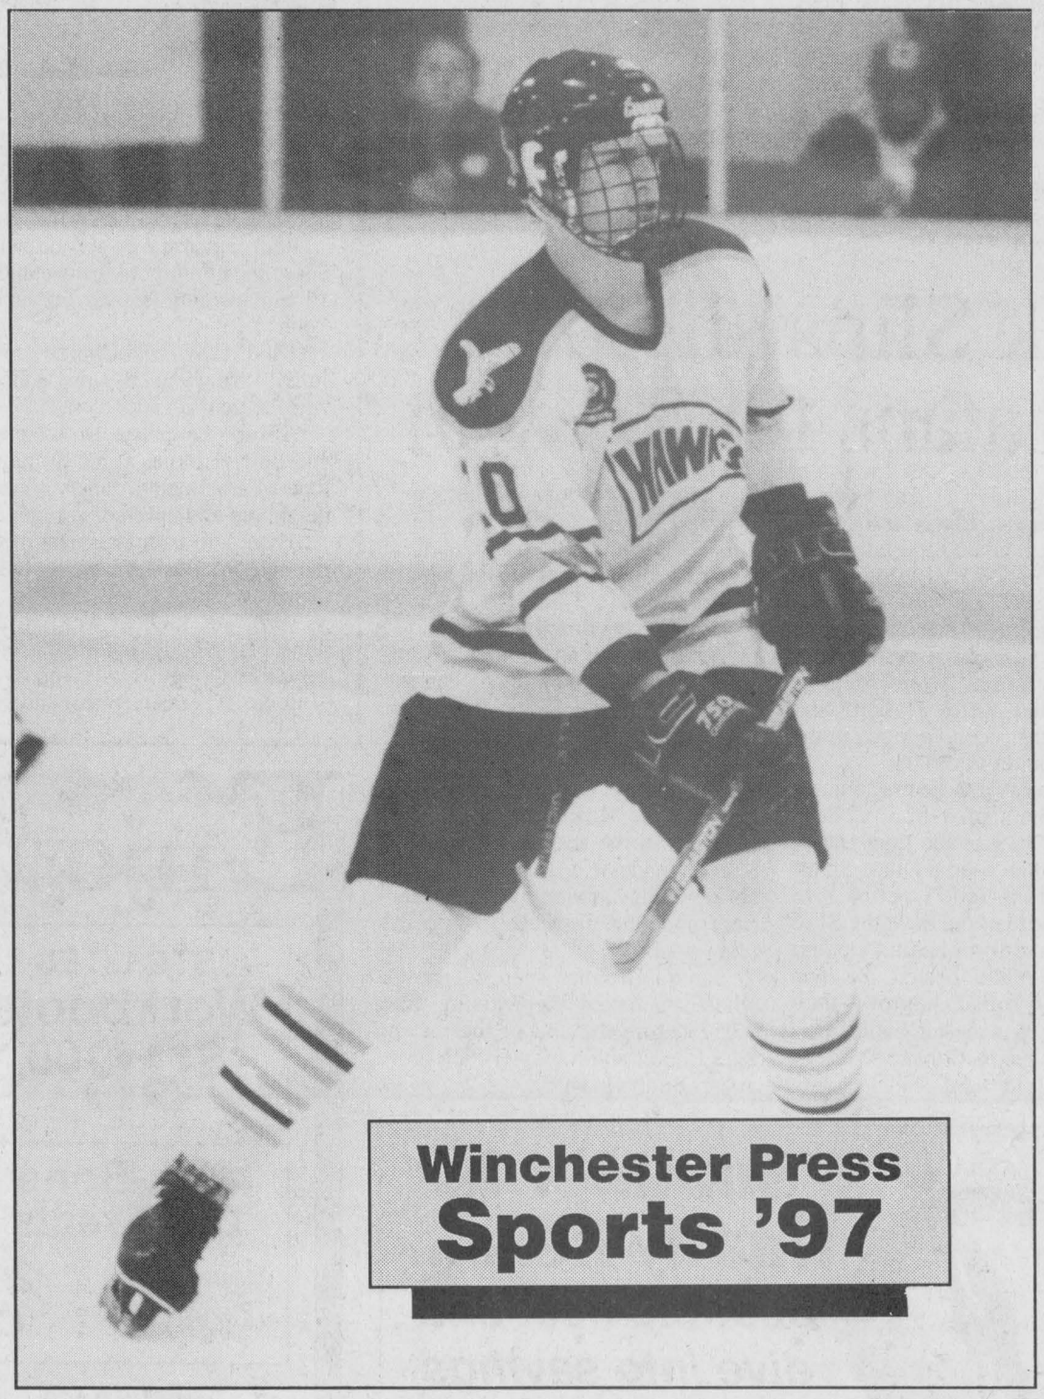
Ryan Walsh and teammate Sean Griffith of the Cumberland Jr. "A" Grads went 37th to Toronto and 43rd to Kingston in the third round.

Metcalfe Jets rookie goaltender Kris Rous went 151 (ninth round) to the Kingston Frontenacs.

Char-Lan Rebels right winger Lindsay Campbell was selected in the 10th round (168th) by the Erie Otters.

Nevin Patterson of the Kemptville Jr. "B" 73s was taken by the Sudbury Wolves in the 14th round (238). Teammate Greg Kealey went 323rd to Toronto.

A pair of Winchester Hawks defencemen, Ryan Patterson and Fernando Multari were selected in the later rounds. Patterson is now the property of the London Knights (272nd - round 16) and Multari was taken by the Ottawa 67s (318th - round 20).



Defenceman Matt Carkner was selected in the second round, 33rd overall, by the Peterborough Petes in Saturday's Ontario Hockey League midget player draft. Carkner went to the Petes via the Winchester Jr. "B" Hawks and the Brockville Jr. "A" Braves, the same route used by Winchester's Terry Carkner in the early 1980s. Another former Hawks player and Winchester resident, Warren Holmes, now a member of the Oshawa Generals, was drafted two years ago.

MOREWOOD — What are the chances? Two big defencemen who played their Junior "B" hockey with the Winchester Hawks; their Tier II Junior "A" hockey with the Brockville Braves and then are selected in the second round of the Ontario Hockey League's midget player draft by the Peterborough Petes.

The chances of that, a million to one?

What about the odds of those two defencemen both being named Carkner, try a zillion to one.

About 13 years ago, Terry Carkner of Winchester was selected in the second round of the OHL draft, by the Peterborough Petes. He had worn jersey No. 2 with the Jr. "B" Hawks and helped them win the Gill Cup in 1981-82 then moved up to the Brockville Braves and played there a year before being drafted by the Petes. Terry Carkner was then taken in the first round in 1988 by the New York Rangers and is currently playing in the NHL with the Florida Panthers.

Of course local hockey fans know that story. What they may not know is that 16-year-old Matt Carkner, a Grade 11 student at North Dundas District High School, was selected by the Peterborough Petes, in the second round, of Saturday's OHL draft.

Matt Carkner, of Morewood, wore jersey No. 10 and played defence for the Winchester Hawks over the past winter and then went to Brockville where he stayed until the "Big East" - Fred Page Cup tournament was completed. Saturday he learned he had been drafted by the Petes in the second round, 33rd overall.

"I was surprised, didn't think I would go that high, especially to a team like Peterborough," Carkner told the Press.

Asked about the similarities between his circumstances and those of Terry Carkner, Matt says it certainly passed through his mind. "I've followed Terry's career and kept thinking about it."

Matt's father, Dennis, says the more famous Carkner is a "distant cousin".

"The whole thing is ironic because both Matt and Terry played in Winchester, Brockville and Peterborough. The Petes manager mentioned something to me on Saturday about making sure there would be another Carkner in Peterborough," he added.

The Carkners are even similar in stature, standing 6'3" - 6'4" tall and weighing in at over 200 pounds.

The elder Carkner reports his son visited Peterborough prior to Saturday's draft and he liked the town and the school almost immediately. "Something just clicked. Everything about the place seemed right to him and right to his mother and myself."

"Peterborough was quite interested in Matt but couldn't commit, of course, before the draft. They said they liked him and wanted him." Carkner says the Oshawa Generals and the new St. Mike's entry also showed some interest in his son.

"Playing with Brockville, especially in the Fred Page Cup, certainly helped his chances."

Matt Carkner said perhaps the best move he made this winter was signing on with the Winchester Jr. "B" Hawks.

"Playing with Winchester sure helped me out. They gave me a lot of ice and that improved my speed and confidence."

That confidence carried over to his play in Brockville where he became a mainstay on the Braves blueline.

As if being drafted by the Peterborough Petes wasn't exciting enough, Matt Carkner was competing in the All-Ontario high school track and field championships in Etobicoke at the time. In fact he still had half of his throws in the junior boys javelin left when a call on his father's cellular phone informed him he had been selected by the Petes.

"I told Matt about the draft and told him to loosen up for his next throw. He managed to finish third. He was under some stress," his father explained.

"The draft was on my mind. But I could have thrown better. I was excited. I threw over 51m. The winner threw 52 and I was 1cm out of second place. So I guess I didn't do too bad. I went right to the draft (Maple Leaf Gardens) after my last throw and the Petes fitted me with skates and gave me a team jersey and cap... Boy, it's been fun and an exciting couple of days," the new Petes defenceman said.

Carkner takes third in provincial javelin

ETOBICOKE — Matt Carkner managed to crack the top three here at the 1997 provincial track and field championships on Saturday.

During warm-ups and practice sessions the junior javelin thrower was clicking off 52-54m distances. He wound up sticking a third-place throw of 51.74m.

Friday the 16-year-old North Dundas District High School student finished ninth in both the junior discus and shot put.

"Matt finished ninth in both the discus and shot put but his throw in the shot was 13.79m, a personal best for him. Also both events are relatively new to Matt so I would say he did very well at this level (OFSSA)" explained Devils coach Hugh Conlin.

Conlin also explained why Carkner's measurements in the javelin (he won the gold medal at OFSSA last year as a midget-age competitor) weren't quite what they might have been.

"Matt was distracted, to say the least, because he was waiting to hear who was going to draft him in Saturday's draft (Ontario Hockey League midget draft at Maple Leaf Gardens)," he said.

The coach reported Carkner finally got a call while he was throwing the javelin to tell him he was taken by Peterborough and wound up third.

The only other NDDHS athlete taking part, senior Evan VanDyk finished 18th in the 400m hurdles.

"Evan also did very well. He lowered his time by two seconds, which was a personal best," Conlin said.

Although she qualified for OFSSA, junior runner Rhonda Sherrer was unable to compete due to a prior commitment (her brother's wedding).

Sonics at 500 mark

CORNWALL — Keeper Dave VanBruinessen was back in his familiar position for last week's game against Bastien Sports and his club, the Winchester Sonics were glad to have him.

VanBruinessen was perfect backing the Sonics in a 2-nil victory. The decision enabled Winchester to even their Cornwall District Soccer League record at 1-1-0.

VanBruinessen wasn't available for duty last Tuesday and the Sonics suffered a 3-2 loss to the Ingleside Cosmos.

Halfback Gary Streng and defender Grant Williams split the goaltending chores and may have to again, as work and other commitments keep the regular goalie out of the line-up.

"Our goaltending and defence is suffering this year. Fullback Andrew Taillefer went back to the Under 19 team, Geoff Hardy broke his ankle and both the VanBruinessen brothers Steve and Dave will miss games because of work. So, our defence is all changed again this year," explained Gary Streng.

Streng says the club did add some new talent when they signed on centre half Terry VanAllen, right fullback Trevor Doornwaard and Scott Helmer who played for the team two years ago. But there are several other veterans who are not returning including Cees Roosendaal, Darrah Slowey, Jason Noon as well as Andrew Taillefer and Geoff Hardy.

FIRST WIN

Gary Streng scored from Terry VanAllen to put the Sonics up 1-nil on Bastien Sports. VanAllen then tapped in a short shot from the 18-yard box to make it a 2-nil final. Lee Schwerdtfeger set up the second marker.

"The team played much better than we did against the Cosmos. We passed much better. I think that loss (3-2) opened up our eyes. We have to play hard every game," Streng added.

Winchester opened the 1997 campaign losing 3-2 to the Cosmos.

"Doug Winters scored one minute into the match and I think we thought it was going to be easy. It wasn't."

After Winters scored Ingleside came right back with two goals and led 2-1 at the half. It was 3-1 before Jamie Savary netted the second and final Winchester goal.

"After Doug (Winters) scored we got a little unlucky. We hit three goal posts and they (Cosmos) saved a goal with a hand ball and got away with it. But we didn't play hard enough," Streng said.

This week the Sonics will take on Quinn's Inn at Tagwi High School (Avonmore). They don't have a home game (at NDDHS) until near the end of June.

Pink Slips slip past Razatans for 2-1 win

CHESTERVILLE — Third-period goals by Heather Erwin and Janice Casselman extended the Pink Slips' consecutive undefeated string to five games.

Kelly Holmes had given the Razatans a 1-0 lead over the Slips when she scored from Meghan Bumbaco and Kelly Durant with 0:58 left in the second period but the one goal wouldn't hold up.

Erwin was able to tie the game up 1-1 when she scored from Colleen Stewart at 13:19 of the final frame. Casselman then fired a Diane Shane relay into Toni Todd's net at 8:18 before the buzzer and gave the Slips their 2-1 come-from-behind victory.

Elaine Teplate posted the win helping her squad improve their Chesterville/Winchester Ladies Ball Hockey League record to 5-0-0. The Razatans fell to 0-4-1.

The other half of the Thursday's twin bill produced a 2-1 victory for the second-ranked Funky Divas (2-1-2) who knocked off the third-place Green Neons (1-3-1).

Kim Baker turned a play started by Lori Marriner and Shannon Summers into a 1-0 Neon lead when she beat Divas goalie Jackie Boulanger 8:43 before the end of the first period.

The Funky Divas finally fooled Neon goalie Roxanne Backes with 2:45 left in the second stanza. Kim Shaver made it a 1-1 contest converting a play started by Shana Marriner and Sheena McBean into the tying goal.

Sandra Brunner snapped the tie when she netted the winning goal 10:52 before the end of the match. Sara Benoit and Sandy Dillich drew assists on the play.

What a beautiful week! It makes you glad to be alive, don't it?

The community centre has a new look. Yes, the band shell has a new home. It is located in the front park area in front of the pool. There will be a walkway built into it from Main street and hopefully you will not hesitate to use it on your relaxing strolls through the village.

Pool registrations will be held on Thurs., June 12 from 6 pm to 9 pm at the community centre and the pool is expected to open on June 16 with evening lessons. On June 17, scuba diving lessons will start at 6 pm.

The Presbyterian Church group will be holding a car wash on Sat., June 14 from 9 am to 1 pm at the community centre. If you've got dirty wheels, they'll clean them.

Also on Sat., June 14, there will be a benefit dance held for Bruce and Barry Holmes at the Community Centre. It'll be a good old-fashioned barn raising dance, so come out and meet your friends and neighbors and have some fun.

There will be a Dairyfest meeting on Mon., June 16 at 7:30 pm in the boardroom of the arena. If you are interested in helping out with Dairyfest, come to the meeting.

Well, that kind of wraps it up for this week and because I can't think of anybody to torment, here's the thought of the week, by the way, this thought was given to me by one of the girls in the office: "Life is 10 per cent carrot and 90 per cent stick."

After shaky start Sox improve to 500

WINCHESTER — Kemptville jumped on Winchester White Sox starter Tyler Shortt for four first-inning runs only to wind up on the short end of a 10-5 score.

Shortt worked the first three innings of last Thursday's Upper Canada Little League Baseball contest and was only in trouble in that opening frame when he fought his control serving up three walks and all of them crossed the plate. The visitors managed just one extra base hit in their opening barrage.

Shortt gave way to the flame-throwing Gregg Griffith who came on in relief and struck out six of the eight men he faced in the fourth and fifth frames. He walked the first man he faced in each of the two innings he worked and fanned the next three.

"It was a big win for us," explained Winchester coach Owen Shortt. It evened our record at 4-4-0. After a shaky start we battled back to tie it in the third and win it in the fourth."

Although the Sox batting order came up with just three singles by Tyler Shortt, Darrell Stuart and Jeff Beck they also drew 13 walks and turned them into 10 runs.

Jon Ennis got Winchester on the board in the second, drawing a walk and scoring on a Beck base hit. Gregg Griffith, Brandan Vanderwerf, Stuart and Ryan Panchuk scored and tied the game up 5-5 in the third.

Winchester grabbed the win in the fourth, when they sent 11 men to bat and plated five runs. Ennis, Brent Porteous, Vanderwerf, Griffith and Shortt all touched home and drove the final total to 10-5.

McIntosh earns hat in victory

WINCHESTER — Jamie McIntosh banged in three goals leading the Black Aces to an 11-9 Winchester Men's Roller Hockey League victory over Rene's Green Rollers here last Thursday.

The victory improved Black's record to 2-2-0 and moved them into a tie for second place with Nick's Red Dogs (2-2-0) who suffered a 7-5 loss to the first-place White Mist (3-1-0).

Both squads scored at will in the opening frame with the Aces emerging at the first break with a 5-4 lead. It was dead even after two sessions with the count rising to 7-7.

Kevin Dalyrmple used a feed from Scott MacKinnon and Trevor Heuvel to put the Aces up 8-7 at 11:31 of the final frame and that slim lead held up until the Rollers connected for a pair to given themselves a 9-8 cushion.

John Tessier knotted the count at 8-8 when he scored from Kevin Boyce and Devon Cinnamon with 7:37 to play in the game. Rene Boulanger then cracked in the go-ahead goal when he finished off a play started by John Tessier and Ray Sherrer but the lead didn't last long.

The Aces stormed back with three goals (two into the empty net) to secure their 11-9 win.

Jamie McIntosh potted the tying goal at 2:44 and then Terry Hamilton whacked in a pair in the final minute (0:33.0 and 0:30.8) to ice the victory.

McIntosh (3), Ed Byvelds (2), Hamilton (2), Dalrymple (2), Trevor Heuvel and No. 11 (no name) were the goal scorers. Russell Larose posted the win while Byvelds (4), Dalrymple (3), No. 11 (3), McIntosh (2) and Heuvel (2) earned assists.

John Tessier (2), Jeff West (2), Rene Boulanger, Kevin Boyce, Devon Cinnamon, Ray Sherrer and Steve Mattice did the scoring for the Rollers. Mattice (3), Sherrer (3), Boyce (3), Elmer Woods (2), Tessier (2), West and Cinnamon picked up the assists. Brad Pringle tended nets.

WHITE 7 - DOGS 5

Steve James (2:50) and Rick Hess (0:03.8) came through with the game-breaking goals as the White Mist shrouded Nick's Red Dogs 7-5 to improve to 3-1-0.

White was up 2-1 after one on markers by Rob Darling and Gary Magee and 4-2 after two but needed the late goals by James and Hess to put the Dogs away.

Winning goalie Frank Waytowich picked up an assist while Darling (2), James (2), Magee, Hess and Craig Halpenny all dented twine. Hess (4), Halpenny (2), Darling (2) and James set up the scoring plays.

Matt Humphries and Jeff Hyndman each scored twice for the Dogs. Gene McInnis had the other goal. Rob Raistrick drew three assists with one each going to Gary and Gene McInnis. Richard Gauthier tended nets.

Shutout pitching improves Lakeside's record to seven

RIVERSIDE HEIGHTS — Wins numbers six and seven for the Lakeside Inn Rebels have been factored into the South Dundas Industrial Fastball League standings.

Last Wednesday (June 4) Lakeside got nine strikeouts and shut-out pitching from lefty Dan Hogaboam as they blanked Nick's Sports Bar 3-0. Monday night they trounced the Highlanders 12-7 and improved their first-place record to 7-1-0.

In Monday's other game, the Williamsburg Pump hammered Beehlers Electric 8-0 to lift their record to 4-3-0 and move them into a tie for second place with the Nicks. Beehlers Electric (2-5-0) and the Highlanders (1-6-0) hold down the last two places.

Greg Workman tossed the 8-0 (five inning) shutout victory for the Pump striking out four in the process. Rob Casselman slammed a three-run home run and Lyle Schell belted a two-run "shot" to power Williamsburg's offence. The winners scored one run in the first, four more in the third and iced the decision with three in the fourth.

In their previous outing last Wednesday, Williamsburg hit the 500 level by beating the Highlanders 8-3. Craig Smith tossed the win while Bob Deleavey (2), Steve Casselman, Smith, Mitch Hutt and Lyle Schell all contributed runs.

Collins nets two, sparks Devils win

WINCHESTER — Marilyn Collins scored her fourth and fifth goals of the season and powered the Red Devils to a one-goal, 3-2 decision over the Yellow Jackets.

Last Wednesday's (June 4) victory was the first of the Winchester Women's Roller Hockey League season for the Devils (1-1-2) but was enough to give them a share of second place with the Jackets (2-2-0).

The other half of the twin bill saw the Navy Blues (2-1-1) knock off Pure White (1-2-1) and take over sole possession of first place, one point up on the Devils and Jackets.

Tanya Domanko cashed in a Jada McNaughton relay for the first Red Devils goal and then Collins scored a pair of unassisted markers at 19:58 and 6:17 of the second half to secure the victory. Kelly Tryon guarded the nets and posted the win.

Terri Hoy and Kelly Durant replied for the Yellow Jackets. Durant also picked up an assist on the Hoy goal.

BLUES 3 - WHITE 1

Amy Fraser scored twice and set up the winning goal by Rhonda Winter as the Navy Blues knocked off Pure White 3-1 for their second win in four tries.

Fraser's first goal of the game and fifth of the year was unassisted and came at 18:49 of the first half. Fraser then gave Winter a pass and she scored at 19:22 of the second session. The same duo connected again at 12:24 as Fraser fired home a Winter pass.

Alice Kelleher had her shutout ruined when Leanna Medaglia beat her on a play engineered by Christina Ouellette.

Ministry takes measures to prevent sexual abuse

TORONTO — The Ontario government is intensifying its efforts to help prevent harassment and sexual abuse of amateur athletes.

Ontario minister of Citizenship, Culture and Recreation Marilyn Mushinski announced measures aimed at assisting Provincial Sport Organizations (PSOs) to provide a safer environment for athletes. These measures will supplement current ministry initiatives against harassment.

The ministry will distribute the video, Good Sports Don't Hurt, Harassment Does and its accompanying manual to all 82 PSOs, as well as instructors with National Coaching Certification Program and the Female Athletes Motivating Excellence (Fame) program. The video and manual were co-produced last year by the ministry and the Anti-Harassment Coalition. The coalition, a volunteer-based organization from the sport and recreation community, was formed to prepare and distribute educational materials that would address the issue and help provide a harassment-free environment for athletes.

The ministry will also produce a guide to assist in screening applicants for paid and volunteer positions and adapt an anti-sexual abuse guide, developed in Quebec, for use by Ontario's sport administrators. The ministry will also seek partners to develop and distribute a guide designed specifically for coaches as well as a poster for display at sports facilities promoting a zero tolerance stance

"Our athletes must have the opportunity to train and compete in a safe and non-threatening environment," Mushinski said. "We have the responsibility to do everything we can to ensure they are not abused by the people they have come to trust and rely upon."

The renewed emphasis on harassment prevention flows from the province's Strategy for Amateur Sport in Ontario launched last October. It includes an emphasis on "encouraging fair play in a non-violent context, free of harassment and intimidation." To this end, the provincial government provides strategic support to sport organizations for the prevention of abuse. The ministry's contract with PSOs states that sport organizations are responsible for ensuring all available tools are used to help eliminate harassment and sexual abuse.

Cedar Glen junior program in full swing

WILLIAMSBURG — Robbie Waddell, Jon Chambers and Travis Rowe put together the best scores here during Cedar Glen Golf Course's Junior Program last Monday.

Waddell took the low gross prize in a close win over Rowe while Chambers turned in the low net score in the Beginners Division (Boys 8-13). Jane Locke (low gross) and Courtney Barkley finished one - two in the girl's group.

Jason Denio posted the low gross score and Parker Locke the low net number in the Boys 14-18 Division.

Lea Anne Munro fired an "A" class 44 last Wednesday night to lead the Ladies Night field.

Berneice Whitteker scored a two-stroke victory (52 to 54) over Tracey Morrow in "B" class while Sheila Crowder copped the low net prize with her 36.5.

Retrogression decided the "C" class issue as Janice Casselman's 55 prevailed over Shirley Munro's 55. It was also a close call in the run for low net money with Marlene Faulkner winning (37, retro) over Shirley Carruthers (37.5).

Louise Freeland (62) and Corienne Wilson (65, retro) finished one - two in "D" class. Lori Emmell (40.5) turned in the low net score.

Tracey Morrow poked out the longest drive ("B" class) on No. Three.

MEN'S NIGHT

Al McNairn scratched out a one-shot win over Bill "Moon" Mullin in "A" class last Thursday firing a 37 to Mullin's 38. Francis Barkley and Phil Douglas matched low net 32s but it was Barkley who got the nod through retrogression.

Hans Hutten and Lloyd Guy finished in that order in "B" class. Merle Reaney (30) and Dale Casselman (31.5, retro) topped the low net chart.

Barry Fawcett (40) finished four shots up on Bob Vanasse (44, retro) in "C" class. Tom Mills (31.5) and Paul Lacombe (32) had the best net scores.

Brian Dicola (43) and Dave Thompson (48) battled it out for "D" class honors. Low net prizes went to Mark Blaine (30) and Bud Craik (32.5).

Additional prizes were claimed by Tom Mills (closest to the hole No. 11), George Michels (closet to the hole No. 14) and Mark Blaine (longest drive).

Hawks split

KENMORE — The Winchester Hawks could only field eight men here Monday night and eight wasn't enough.

The Hawks couldn't match Dalmeny's attack and wound up losing 8-5. Their loss left Winchester with a 2-2-0 Kenmore Fastball League record.

Last Thursday (June 5), the Hawks got solid pitching from Ben and Dolton Henry as they bombed the Kenmore Knights 9-1.

Tomorrow night (Thurs., June 12) the Knights and Dalmeny will play at 7 pm while Winchester and Springhill will meet at 9 pm.

Monday (June 16) Springhill and the Knights will play in the early game and then the Kenmore Heat will take on the Winchester Hawks in the late game.

Ladies hockey trophy case in place

WINCHESTER — Once this year's Winchester and District Ladies Hockey League trophies were presented they were put on display in the arena lobby, in their new showcase.

League president Marty Little reports several local businesses including Winchester Legion Br. 108, Winchester Lions Club, Geggies Home Hardware, Kendra's Kutting Edge and M.T. Advertising and Sport, generously supported the trophy case project, which is located in the arena lobby.

"This year was another great year with the CountryGirl Gals taking home the Sutton Cup as the playoff champs and Andy's Food Town Maroons winning the Paul Rheinhart Memorial trophy as the regular-season champs," Little explained.

"A great season cannot happen without lots of help from a great executive... vice president Diane Lapier, secretary Deanna VanLoon and treasurer Janice Casselman. Thanks again to these ladies and all of the coaches and captains," he added.

Nancy McDiarmid was this year's top scorer and received the Andy's Food Town trophy.

Carol Chesbro of Sports Unlimited was the winner of the Top Goalie award. Originally Angela Durigan (Maroons) was thought to be the winner.

The Most Sportsmanlike Players are: Annable's Jewellery Blues - Shannon Vidal and Gail Smith (tie); Sports Unlimited - Jo-Anne Kennedy; Stewarts Classics - Shirley Stewart; Andy's Food Town - Angela Durigan; CountryGirl - Kelly Durant; Double Beauty - Elaine McIntosh.

This year's Most Improved Players are: Annable's Blues - Isabella Jordan; Sports Unlimited - Oonagh Enright; Stewarts Classics - Lila Jolatta; Andy's Food Town - Heather McDiarmid; CountryGirl - Diane Shane; Double Beauty - Robin Kerr.

Winchester and District Ladies Hockey League president Marty Little paused to admire the new trophy case. Several local clubs and businesses contributed to the project. The display case is located in the Winchester and District Arena lobby. Press Photo — Van Bridger

Pool safety check available

by Les Johnson and Gail Salminen

OTTAWA — Drowning is a leading cause of death among toddlers in Canada.

Children under five are especially at risk because their ability to move improves but their awareness of risks does not.

Prevention is the key to reducing the incidence of death by drowning in young children. The following tips will help to protect your children around the pool:

— Install four-sided fencing to isolate the pool from the house and yard. Fences should be at least five-feet high and should have a self-latching, self-closing gate with a high child-proof lock. The lock should be on the pool side of the gate.

— Bylaws regarding backyard pools exist in all municipalities. Check with your local bylaw office to ensure that all pools in your neighborhood are maintained according to set bylaws.

— Make sure equipment such as life jackets and reaching poles are in easy reach.

— Supervise children whenever they are near any standing water, eg: bathtubs, spas, wading pools, ornamental ponds or ditches.

— Teach safety skills to children — consider a Red Cross AquaQuest Program.

— Learn CPR — get trained.

Be cautious and remember:

— do not consider a rigid motorized pool cover as a substitute for fencing;

— above ground pool stairs need to be kept secure and out of the reach of young children when not in use;

— be aware that swimming lessons do not waterproof or drown-proof children.

If you want a free Backyard Pool Safety Check, call the Red Cross at 560-7440. For more information or to obtain a Pool Safety Kit, call the Ottawa-Carleton Regional Heart Saver Committee at 722-2328.

Beach volleyball tourney for charity

INGLESIDE — It's always been a great volleyball weekend and this year will be no exception.

Sandblast `97 is set to roll at Farren Park in Ingleside from June 27 to 29.

A maximum of 80 teams from across the province will gather for a two-day beach volleyball tournament designed to raise money for the Lung Association, Eastern Counties.

Sandblast began six years ago as a fundraiser for the T&M Brewers old-timers hockey club in Ingleside. But as the tournament expanded, the Brewers began looking for a charity to take it over.

Friday afternoon and evening is set aside mainly for teams to register and set up their camp sites. Friday night is the 'blast off' party at Lakeside Inn featuring Illegal Limit, who back by popular demand for the fifth year.

Saturday the action begins with a full day of sun, sand and volleyball. Saturday night, more live music as the day's events are brought to a close. On Sunday, the volleyball schedule will wrap up with the championship games in the spotlight.

Again this year, there will be a cut-off point of 80 teams. The first 80 teams with paid registration fees will be given spots. Registration kits are in the mail to all teams who participated in the past. If you have not received your information kit, please contact the the Lung Association office.

The tournament entry fees remains the same this year at $150 per six or eight-person team. This includes camping at Farren's Park (east side) for two nights, team souvenirs for all who participate, cash prizes and at least two games of volleyball.

The three divisions are:

recreational — for people who have played some volleyball and are familiar with the sport and rules of the game;

open — for the organized teams that want a higher level of competition;

over 35 — depending on the demand.

This year there will be a new twist as an incentive prize. Pledge forms are available for all players and the person who is successful in collecting the most pledges will win an official outdoor volleyball net and ball.

Pledges will also help offset some of the costs involved in organizing the fundraising event.

Money raised at this event will remain in the Three United Counties to assist in delivering programs and services to help families living with lung disease.

If you would like to register your team; become a sponsor; advertise your business in the Sandblast Advertiser's guide; offer your time as a volunteer or for more information on Sandblast `97, call the Lung Association at 932-4999 or 1-800-450-5202.

Mountain Musings

The Nationview Public School Committee will finish its series of workshops (for this year) with a flourish. On Thurs., June 12, the workshop will be Fashion with Flair and under the direction of Cindy Rose Cooper will not only include a fashion show but secrets of good wardrobe planning. This takes place at the school in South Mountain from 7:30 to 9:30 pm with the cost of $5 per person.

On Sat., June 14 it's the annual chicken barbecue at the Mountain-South Mountain Church. This is a fundraising event for the church, with the men handling the cooking, and we noticed it has been going on for 41 years. We imagine the barbecue pits have been upgraded over that time and it certainly represents a great many chickens. Serving runs from noon until 6 pm with the cost of $7.50 for advance tickets and $8 at the door.

Russell to host country jamboree

RUSSELL — Four Ottawa area fiddle clubs are holding their 18th annual Ottawa Valley "Country Western" Jamboree at the Russell Community Centre on Sat., June 14.

Entertainment starts at 2 pm with the Valley's popular "Kings Creek" Country Band doing a 90-minute show. There will also be fiddling, step dancing and line dancing, all in aid of the Rotary Home for Handicapped Children.

Since 1980, the Jamboree has raised over $33,000 for various causes such as the Arthritis Society of Ottawa, CHEO, University of Ottawa Heart Institute and the Canadian Guide Dogs for the Blind.

Tickets are $6 each. For information call 821-4043.
