Hospital Extension Contract Let To Sullivan Brothers

Sullivan Brothers' construction firm of Chesterville and Cornwall have been awarded the contract for the building of a new extension to the Winchester District Memorial Hospital. The estimate tendered by the successful firm was $37,500.00, less than one per cent. over the $36,000.00 estimate of the architects. The Sullivan tender was the lowest of the four submitted for the job and was awarded following a special meeting of the Board and the property committee last Friday evening.

The new $37,500.00 extension will be made at the front of the present structure and is being completed to make room for more administrative office space and for other facilities which are presently curtailed because of the new Blood Bank which went into operation a short while ago.

Work on the new part is expected to get underway immediately.

Hungry Robbers Enter Lannin Cottage

Hungry robbers made themselves at home in Harold Lannin's cottage on the Rideau River Saturday night before looting the summer home.

Breaking into the cottage, the thieves cooked themselves a meal, had an after dinner pick-me-up and then proceeded at their own time in looting the cottage of several valuables.

Provincial police are investigating the break-in.

She: "But if I marry you I'll lose my job."

He: "Can't we keep the marriage a secret?"

She: "But suppose we have a baby?"

He: "Oh, we'll tell the baby, of course."

Max Harris Donates Trophy To Dundas Junior Softball League

Teams in the young Dundas Junior Softball League have something new to shoot at now, with the announcement this week that a new trophy had been donated to the league for annual ocmpetition.

The new trophy, a beautiful piece of silverware mounted on an attractive base, will be known as the Maxwell Harris Trophy, for annual competition in the Dundas County Softball League. The trophy, of course, is being given to the league by the popular owner and manager of Locketon Lodge Hotel at Williamsburg, Mr. Max Harris, who has repeatedly signified his interest in local sports by continued support. He is a former president of the Dundas Senior Softball League.

It is the first time a cup has been put up for competition in the league where playoffs are now in progress. Teams in the league come from Williamsburg, Winchester Springs, Inkerman, Mountain Station, Winchester and Ormond.

In some communities dogcatchers are known as animal control officers. This, however, will not alter the opinion held of them by boy dogowners.

HURRICANE CONNIE JUST A BREEZE HERE

A greatly weakened Hurricane Connie blew into town Saturday afternoon and evening, brought along some fairly stiff winds and a heavy rain, and then moved along.

Winds were not as strong as first expected, ranging in velocity from fifteen to thirty-five miles per hour. Aside from a few branches coming down there was very little damage reported by local and district residents. Rains which fell heavily on Saturday cleared away for the better part of Sunday, only to return in the way of a thunderstorm on Sunday evening.

Generous Thieves Swap Trucks At MacDonald Motors

Here's a new twist to car stealing.

Saturday night thieves lifted a 1950 Fargo Truck from the Used Car Lot of MacDonald Motors, Winchester. Unselfish in their steal, the culprits made it a trade-in deal, more or less, leaving a 1946 model in place of the stolen vehicle. That's where the deal ended, though, and owner Walter MacDonald is still waiting for the cash diffence.

Meanwhile, police are investigating the unusual robbery.

HARMONY COUPLE HONOURED

On Saturday evening Mr. and Mrs. Emerson Lough were very pleasantly surprised when about thirty of their friends called to congratulate them on their 25th Wedding Anniversary. The evening was spent in visiting, and about eleven o'clock the happy couple were called to the floor. Mrs. Harold Holmes read an address and Mrs. Gordon Cummings presented them with a purse of money. Little Janet Holmes presented Mrs. Lough with a dainty bride's book.

Mr. Lough replied very fittingly. Lunch was served, and a very pleasant evening brought to an end.

NEWLYWEDS HONOURED

Mr. and Mrs. Gerald Fawcett were pleasantly surprised recently when about 115 friends gathered to honour them on the occasion of their recent marriage. The reception was held at the home of the groom's parents, Mr. and Mrs. James Fawcett.

At an appointed time an address was read by Mrs. Roy Holmes and the presentation of a Lazy-Boy chair and round plate glass wall mirror was made by Roy Holmes, Gordon Fawcett and Earle Wylie.

Gerald replied very fittingly, extending a warm welcome to the many friends to visit them in their new home at Fitzroy Harbour, where Gerald holds a responsible position with the Chats Falls Hydro Plant.

Before leaving, the guests registered in a beautiful bride's book designed by Mrs. Gordon Fawcett.

Fourth Inning Rally Gives Williamsburg Win

Two Winchester errors and a wild throw, all in the fourth inning, gave Williamsburg a big 7-2 victory in the first game of the best of five round in the Dundas Softball League semi-finals, played on the Locketon Lodge diamond Monday night.

Royals looked good in the top half of the first, scoring a pair of runs to take a short-lived lead. The Lockvale Farm boys bounced right back to tie the count in their half of the first, and then waited till the fourth to stage a five-run rally, and the game was over. Royals went scoreless in the last six innings and were set down in order in the second, third, sixth and seventh innings by hurler Don Smith, and a "hot" Williamsburg nine. Royals got only six hits off Smith, four of them in the first inning. Mac Steinburg started the game for Winchester, and was relieved by Harvey MacIntosh in the fourth. Williamsburg picked up eight base hits including two triples and a double.

Ottawa umpires handled the game.

Queen Launches New Empress of Britain

Hundreds of workers, representing dozens of specialized trades, are putting the finishing touches on the 24,000-ton Canadian Pacific liner "Empress of Britain" in readiness for her maiden voyage in the Spring of 1956. Launched June 22 by Her Majesty Queen Elizabeth at Govan on the River Clyde, the newest of the Great White Empress fleet is now being outfitted at the quayside. Of modern design, the vessel will carry 1,050 passengers on her North Atlantic travel route between Liverpool and Montreal.

Municipal Council Met On Monday

Municipal Council members met for the second time this month at a carry-over session in the Council Chambers on Monday night. Reeve John Fader presided at the meeting, which was attended by Councillors Woods, Boyd, MacIntosh and Helmer, Clerk-Treasurer C. R. Robinson and Constable G. B. Raistrick.

Petition of the Stormont Gas Company to conduct a survey in the village to determine the potential number of natural gas consumers was temporarily shelved to be brought up again on the agenda of a future meeting.

Councillor Robert Woods, chairman of the Water and Sewerage Committee, said that the present canvass was being completed with approximately 80 per cent. of those interviewed signifying their support in favour of a water and sewerage installation in this village. He said that as soon as the canvass was finished a meeting of Council and committee members would be held to determine what procedure would be followed in presenting the results of the canvass to the Municipal Board and in conducting public meetings.

Council has approached the Department of Highways to look into a drainage problem which causes flooding conditions on St. Lawrence Street South, near the Fred Street intersection. Gravel will be placed on new streets in the south-west portion of the village, it was announced. A permit was granted to MacPherson and Summers for the erection of a new glass front on their Church Street store.

The next regular meeting of Council will be held on Monday, September 12th, instead of Monday, September 5th, which is Labour Day.

UNITED CHURCH W. M. S.

The August meeting of the Afternoon Auxiliary of the United Church was held on Thursday afternoon in the Sunday School Hall. In the absence of Mrs. T. N. Mitchell, president, Mrs. Sherman Christie had charge of the meeting.

It was reported that the Missionary Monthly is to be increased in price, and the subscription for next year will be 75 cents. The members were reminded to remember their prayer partner, Miss Wilma Thomas. Nineteen home calls were made during the month of July.

Prior to the worship service, Mrs. Sherman Christie, Mrs. Arthur Christie and Mrs. Thos. Edgerton conducted a questionnaire on the topic "A Door of Understanding." This was followed by a lively discussion on "Racial Discrimination."

In the worship service this same theme was carried out and it was concluded that racial discrimination was an offence to God, the maker of all mankind, and that the church must set to overcome any tendency in this direction. Mrs. Edgerton presided for the period of silent prayer, and the meeting closed with the Lord's Prayer in unison.

Pure humanity, friendship, home, the interchange of love, bring to earth a foretaste of heaven.—Mary Baker Eddy.

CATCHES LARGE FISH IN BIG RIDEAU LAKE

While fishing in the Big Rideau Lake, near Newboro, last Thursday, Mr. Ernest Merkley, of town, landed a 10½-lb. pickerel, the biggest fish of that species caught in that vicinity this year. He used a light line, small spinner and a worm to lure the beauty. Needless to say, Ernie was mighty proud of his catch and did not hesitate to exhibit it to friends, including your local editor. A pickerel of this size is the dream of every fisherman, and the local angler had more than his share of luck in this instance.

Local Legionettes Win First Game Of Finals

Winchester Legionettes are one game up in their best of three St. Lawrence Ladies' Softball League finals as a result of their 9-7 triumph over Prescott here on Tuesday night.

Trailing 3-0 at the end of the first the local gals found the range in the second inning with a three-run rally. They added four in the third session and waited till the sixth to drive in the two big ones which gave them the victory. Prescott rallied in the sixth for a single but it wasn't enough.

Gwen MacIntosh and Joan Clarke crossed the plate twice to lead the locals in that department.

Prescott — G. Gaundow, A. Murdock, R. Moulton, F. Phillips, E. McMillan, M. Cumming, C. Moulton, G. Perrin, F. Forrester.

Winchester—V. Duncan, D. Campbell, S. Acres, L. Acres, B. Kirkwood, G. McIntosh, J. Clark, L. Dawley, P. Timmins.

NEWLYWEDS HONOURED BY NEIGHBOURS

Mr. and Mrs. Gordon Hutchinson, young Winchester couple who were married just recently, were honoured by friends and Station neighbours at a party at the home of Mr. and Mrs. Neil Gray last Friday night.

The social hour was held on the lawns of the Gray home and during the evening the young couple were presented with a wall mirror and featherweight iron by Mrs. Neil Gray, while the accompanying address was read by Mrs. Robt. Geggie. The address and names of those present were contained in a beautiful bride's book designed by Mrs. Roy Fawcett.

Mr. and Mrs. Hutchinson thanked their friends for the gifts, and later a dainty lunch was served by the hostesses, Mrs. Neil Gray and Mrs. Robert Geggie.

JUDGING COMPETITION AT 100 CLUB PARK TO-DAY

The annual County Livestock Judging Competition for Dundas is being held today, Thursday, August 18th, at the 100 Club Park, Winchester. There will be a senior and junior competition, and cash prizes will be offered for the top five in each case. In addition, there will be special prizes including the Fennell Feed Company Trophy for the highest marks obtained in the Senior competition.

For the Juniors the big prize will be the Canadian National Exhibition Shield. All marks obtained by calf club members will constitute a portion of the marks on judging for the year.

Don Rutherford, Agricultural Representative, urges a large turnout. Registration will take place at the park at 9.30 a.m. Those in attendance are asked to bring lunches, and chocolate milk will be provided free.

Williamsburg C.T.C. Store Being Expanded By Mr. Pat. Henophy

Rural Ontario's largest and most up-to-date Canadian Tire Corporation Store, owned by Mr. Pat Henophy, of Williamsburg, is being enlarged for further customer convenience.

According to Mr. Henophy, the new 48x64-foot extension to the present building is expected to be completed and ready for business within the next four weeks. When completed the Henophy CTC building in Williamsburg will measure 112 by 64 feet. It is of cement block construction with stucco covering painted white.

The new addition will house a service department including the latest in hydraulic hoists, plus a department for minor repairs, greasing and oil changes, etc. Besides this there will be a modern new parts department for all makes of cars and trucks, and a huge new storage warehouse at the rear of the new section which will make room for more tires, mufflers, etc.

The new extension follows a building program which saw a new sporting goods department added last year. When completed the Henophy store will rank with the best anywhere in the province, and will offer an even better service to its many patrons from the entire district.

The contractor is Ron. Hummell, of Morrisburg.

Eight Escape From Two Car Head-On Crash Sunday Night

Eight persons, including four children, escaped with minor injuries from a two-car head-on crash here late Sunday night. The accident, which caused an estimated $1600 damage to the two vehicles, occurred a little past midnight on St. Lawrence Street south, Highway 31, just opposite the Eldon Davidson residence.

According to Constable Gilbert Raistrick, who investigated the accident, Geo. A. O'Dougherty, 27, of Deschenes, Que., driving towards Ottawa, apparently fell asleep at the wheel causing his 1950 Meteor to crash head-on into a southbound 1952 Meteor, owned and driven by Garfield Emile Saucier, 33, of Lancaster, Ont. The front ends of both cars were completely demolished, with the O'Dougherty vehicle receiving $900 damage and the Saucier car $700.

Passenger in the O'Dougherty car was Garfield Masson, also of Ottawa, who received minor injuries to his right hand, chest and head.

Passengers of the Saucier car who were shaken up were Mrs. Noella Saucier, and four children, Liette 9, Dola 8, Alfred 7, and Ida, 7 months. All the injured were treated at the office of Dr. H. Gerald Barton.

Royals Eliminate Morrisburg Before Record Crowd of Fans

A best of three series, which went five games, saw Winchester Royals breeze past their Morrisburg opponents 12-2 Friday night before the largest Dundas League crowd of the season. The win advanced the Royals into the best of five semi-final round against Williamsburg. Meanwhile, Inkerman trimmed Hallville 10-1 last Thursday night to win their best of seven affair. Inkerman will now wait on a winner from the Winchester-Williamsburg session.

It was Mac Steinburg night at the 100 Club diamond on Friday with the handy southpaw hurling a five-hitter to tie up Morrisburg batters in every inning. Art Flynn was the only River town hitter to find the range, clouting a home run in the fourth to account for one of Morrisburg's two runs. Flynn also accounted for the visitors' second tally and two of their five hits.

Royals jumped into an early lead with a pair in the first. They added two more in the second, had a big six-run rally in the third and added singles in each of the fifth and sixth innings. Coach Red Cook once again used three pitchers against the Royals. Howie Eamon started, followed by Art Flynn and finally Sonny Elliott. Winchester hitters got to all three of them for a total of fifteen hits.

Harvey MacIntosh, Frank Dunlop and Herman Hutt sat the game out for the Royals, but did a heads-up job in a great team effort along with Charlie Utman in coaching the boys along the bases and lending a lot of moral support.

Morrisburg miscued five times against the Royals' lone error.

Morrisburg 0 0 0 1 0 1 0— 2 5 5
Winchester 2 2 6 0 1 1 x—12 15 1

Morrisburg—I. Fraser, A. Ing, A. Casselman, M. Bogart, A. Flynn, Simpson, R. Casselman, S. Elliott, H. Eamon, N. Coir, D. Hanson, B. Dillabough.

Winchester—H. Balkwill, ss; L. Bailey, cf; D. Kenney, 3b; R. Workman, 2b; F. Morgan, lf; B. Crummy, rf; N. Utman, 1b; M. Steinburg, p; R. Dawley, c.

Local Businessmen Planning Second Annual Trade Fair

Winchester's second annual Trade Fair which will be held on Wednesday, Thursday and Friday, September 28, 29 and 30, will follow much the same pattern as last year's colourful show, it was decided at a meeting of business men held last Friday evening in the Winchester Arena. There will be some revisions, all designed to improve the three-night show.

Because of the tremendous success of the Fair in its first presentation in 1954, it was unanimously decided that the show this year be extended to three nights. A deadline for procuring display space has been set for September 1st. If, by that time, interested parties have not signified their intentions to Mr. Arnold Dukelow, the space will be disposed of to the next name on what is now quite a lengthy waiting list.

A new system of prize distribution will be introduced this year and Messrs. Sam Ault, Reg. Workman and Jack Rennison make up the committee in charge of the new scheme.

The 1955 advertising committee, composed of Messrs. Harry Thomas, Alex Davidson, Gerald Helmer, Sam Ault and Reg. Workman, were asked to start their program immediately. The sale of advance tickets, which will probably be good for several prizes, will start within the next week.

Most of the same people who had booths last year will be back again at the 1955 Fair with equally smart displays, it was announced. Entertainment will be varied, with Roy Fawcett heading this committee. Prizes, of course, will be many and valuable.

For further information concerning this district's most lavish event, the Winchester Trade Fair, watch for further reports and advertisements in this newspaper and other neighbouring weeklies, and listen for announcements over local radio stations.

WEDDINGS

STEWART—CAMPBELL

A pretty Highland wedding ceremony was solemnized at 2.30 o'clock on Saturday, August 13th, in Osgoode Presbyterian Church, Vernon, when Miss Freda Mary Campbell, daughter of Mr. and Mrs. Robin Campbell, became the bride of Mr. Hugh Carson Stewart, son of Mr. and Mrs. John Stewart, of Winchester. Dr. Logan Vencta of Ottawa (Interim Moderator) performed the ceremony, assisted by Mr. Leslie Elder, against a setting of white gladioli.

Mrs. Donald Stewart was the pianist, who played the wedding music and accompanied the guest soloist, Mr. Harold Morris, of Montreal, who sang "The Voice That Breathed O'er Eden" and "The Wedding Prayer."

Given in marriage by her father, the charming bride chose a floor-length gown of illusion tulle over taffeta, with fitted bodice and scoop neckline, and bouffant skirt. She wore a small bandeau trimmed with irridescent sequins which held her fingertip veil of tulle in place. Her only ornament was a single strand of pearls. She carried a beautiful semi-cascade bouquet of Bettertime red roses and white stephanotis.

Miss Phyllis Campbell, sister of the bride, was maid of honor, and wore a ballerina-length strapless gown of blue embroidered net over taffeta with matching bolero jacket and headdress. She carried a bouquet of Bettertime roses and mums.

Mr. Roy Campbell was best man, and the ushers were Mr. Larry Tilton and Mr. John K. Campbell.

The young couple were piped out of the church by Piper W. J. Hannah of the Black Watch Regiment of Montreal.

Immediately following the ceremony a reception for one hundred guests was held in the church hall, catered to by the ladies of the church. Later, Mr. and Mrs. Stewart left on a wedding trip to Rock Island, Que., and the New England States. For travelling, Mrs. Stewart wore a charcoal blue tropical suit with blue feather hat and navy accesories. On their return they will reside at 3490 Grand Boulevarde, Montreal.

The out-of-town guests came from Rock Island, Montreal, Ottawa, Carleton Place, Carp, Williamsburg, Prescott, Winchester, Chesterville, Metcalfe, North Gower, Manotick and Marvelville.

GRANT—McINTOSH

In a double ring ceremony on Saturday, August 6th, at two o'clock in the United Church, Mille Roches, Miss Audrey Jean McIntosh became the bride of Neil Bernard Grant.

The bride is the youngest daughter of Mr. and Mrs. Harrison McIntosh, of Mille Roches, and the groom is the son of Mr. and Mrs. Neil Grant, of 335 Fifth St. East, Cornwall.

The church was decorated with gladioli and asters, and the ceremony was performed by Rev. Mr. Wilfong. Ralph McDonald, cousin of the bride, was organist, and Carl Hume, of Russell, was soloist, singing "I'll Walk Beside You" and "Because."

Given in marriage by her father, the bride was attended by her sister, Miss Gwen McIntosh, as maid of honour, and another sister, Miss Joyce McIntosh, as bridesmaid. Miss Carol Robinson, cousin of the bride, was flower girl. The best man was Donald Grant, brother of the groom, and the ushers were Donald McIntosh, brother of the bride, and Robert Grant, brother of the groom.

The bride chose for her wedding a gown of nylon tulle and lace with bolero jacket, a small crown headdress with shoulder-length veil, and carried a cascade of red roses. The bridesmaids wore ballerina-length dresses of tulle and lace with small hats and bouquets of mums. Their dresses were the same style in Nile green and pink. The flower girl wore frosted taffeta in blue with a flower-band in her hair and a bouquet of pink mums.

Later, a reception was held in St. George's Hall.

For travelling, the bride wore a white and blue figured princess style dress with navy duster and navy and white accessories and corsage of red roses. On their return from a trip to the U. S. A., they will reside in Cornwall.

Guests attended from Toronto, Ottawa, Osgoode, Winchester, Ormond, Kenmore, Cornwall, Russell and Mille Roches. Special guests were Mr. and Mrs. Robt. J. McDonald, of Ormond, grandparents of the bride, and two great great aunts, Mrs. Robt. Carkner and Mrs. Peter McPherson, of Kenmore.

Girls' Softball Team Advances To Finals

The gals that make up the Winchester Legionette softball team gave Kemptville a rough time here on Monday night as they went on to win the final game in their best of three series 11-7. The win advanced the local nine into the St. Lawrence Ladies' Softball League finals against Prescott.

Monday night the Legionettes counted four times in the first, added a trio in the third, singles in the fourth and fifth, and a pair in he sixth to sew up the contest. Kemptville scored three in the first inning, a pair each in the fourth and fifth.

Jessie Byers and Vivian Duncan shared the hurling duties for the winners, with Shirley Acres behind the plate. Losing battery was Margaret Graham and B. Driscoll.

Kemptville—L. Hess, D. Connell, M. Waterson, B. Driscoll, B. Hess, M. Graham, M. Nathan, D. Loucks, G. Evans.

Winchester — V. Duncan, I. Campbell, S. Acres, L. Acres, P. Timmins, J. Clark, G. McIntosh, L. Dawley, J. Byers, B. Dawley.

Canadian Weeklies Lauded

There are 963 weekly newspapers with a combined circulation of 2,475,140 in this country, and every one of them was given a pat on the back by Robert Webb in an elaborate article which appeared in the July issue of Liberty Magazine.

A survey made among weekly newspaper editors disclosed some interesting facts. According to Liberty, 95% have served as president or director of the local Chamber of Commerce; 45% have been mayor, reeve, councillor, or have held some other public office; 91% work an average of 55 hours each week; 23% reported personal incomes of over $5,000 annually, and many of them are university graduates.

Most weekly newspapers agree with Mrs. Helen (Corky) McCorquondale, editor of Alberta's High River Times, who defines the aim of the weekly in this fashion: "The principle by which most papers, small or great, seem to be guided is to make the community a happy, congenial, law-abiding place; to emphasize the good rather than the bad; and to be as accurate as humanly possible in matters of moment."

The article in Liberty reveals many interesting sidelights of the weekly newspaper business. It is a very special salute to a very special Canadian enterprise—the weekly newspaper—and the men responsible for them, their editors.

Commenting on this, Bill Cranston, well-known newspaper man of Midland, Ontario, says: "There are few millionaires among the weekly newspaper editors and publishers, but there are few men and women who so well deserve the label "free enterprisers" with a special emphasis on "enterprise."

Williamsburg's Traffic Problem

Some time ago the Press took to task, editorially, traffic and parking conditions on the main thoroughfare, Highway 31, in Williamsburg. Aside from a little talk it is apparent nothing has been done to alleviate this situation, which has not improved in the past year.

Last week a two-year-old child was accidentally struck down by a car. Luckily the child was not seriously injured. He could have been killed. Maybe it will take a few instances like this to remind the powers that be that something should be done to make motoring and walking conditions better in this village of three hundred inhabitants.

In addition to having a narrow main street, motorists, and some of them are local, are taking advantage of a small village which must rely on members of the provincial police to uphold its laws. Unfortunately these policemen cannot be in Williamsburg at all times to see the situation as it actually exists. It's quite a common habit for a passing motorist to breeze into town at 60 miles per hour, or to watch a big transport truck power its way through the narrow main thoroughfare at an unsafe speed. The worst times are Wednesday and Saturday nights when the town is wide open for business. Parking on both sides of Highway 31 in the village clutters up the street, and often it is difficult for one car to get through, let alone two.

Fortunately there have been few accidents. However, the wand of Lady Luck cannot last forever, and sooner or later there will be a series of mishaps in the village just because suitable arrangements were not made at the right time. There are ways in which this traffic problem can be solved. Firstly, there should be parking on one side of Highway 31 only on Wednesday and Saturday nights. Secondly, a better system of policing should be set up for the village to catch some of the local culprits who are daily abusing the traffic by-laws, and to warn or pinch out-of-town drivers who frequently go over the 30-mile per hour speed limit which exists in the village.

For safety's sake, especially the many children in the village, we strongly urge that some action be taken without further delay to rectify Williamsburg's traffic problem.

Safety Features In Cars

With so many people being killed on our highways each year, there will be little denying the importance of adding safety features to to-day's automobiles.

Yet the motorist to-day is seemingly more interested in speed, power and colour in his car. Judging from 1955 sales there seems to be little interest in safety features, especially if they cost money. Car manufacturers have intimated that the 1956 models will have new safety devices including safety belts, leather covered panel boards, etc., all optional and at extra cost.

It seems to us that even in this highly competitive market of selling cars that the addition of safety features, designed to save lives, could be made optional equipment at no extra cost. Maybe, in this case, the motorist would be more inclined to try the new features. Otherwise, he is going to continue with the power, speed and colour, and ignore what may be the more important factors in buying a car.

Editorial Notes

Winchester's second annual Trade Fair is slated for the last three days in September, and if it measures up to last year's show it should be an unqualified success.

Fall terms for most primary and secondary schools start in a little over two weeks. It's reasonable to predict that most students had a hot time during their vacation this summer, especially if they spent the summer months in this district.

This is the season for polio. Although the nation-wide count is reduced considerably this year and although only one case has been reported in this area to date, precautions should be taken, and symptoms of the dread disease should be reported immediately to the family physician. Elsewhere in this issue an advertisement appears with more important facts about polio. Please read it—it could be quite helpful.

A mother, who ordinarily has a lot of trouble keeping up with her children's interests, reports that she has now made a very big mistake about Davy Crockett. Although she has heard the song about the king of the wild frontier some thousand times, apparently she hadn't listened hard enough, for she had one part of it badly twisted—to the delighted scorn of her offspring.

She says they rolled on the floor laughing at her when she inquired how Davy Crockett could have made such a grand reputation in so short a time, having been "killed in a bar when he was only three."

OF MANY THINGS . . .

USE OF YOURSELF

(By Ambrose Hills)

The weather was bad this morning so I came to work by streetcar. I was amazed at the way men and women slump in their seats, and twist themselves into all sorts of ungraceful positions. It reminded me of a rhyme we used to hear at school:

"A crossed-legged woman, like a crossed-legged cat,
It just ain't nat-ter-al, and that is that."

It always amazes me that this country is so ready to vote millions and millions of dollars for National Health and Welfare, while so few people are willing to do the slightest thing to improve their own personal health. As I have said so often, governments cannot breathe for you, eat for you, and now I add this: governments cannot walk, stand, or sit for you.

Thousands of people are ruining their health by confusing relaxation with collapsing. They slump in their chairs, they cross their legs, they hunch themselves up in every possible way. No wonder this is the generation of the slipped disc, the flat feet, and the curved spine. Surely we have enough gumption to make the proper use of our own bodies.

If you are not making proper use of your own body, I would strongly recommend that you get a copy of Louise Morgan's book, "Inside Yourself." It contains a forward by Aldous Huxley. It is a simple explanation of the Alexander technique for standing, sitting and walking, and breathing. As I recall it, it costs only a couple of dollars; and in my opinion it will do you a lot more good than the hundreds of dollars you pay to the government every year for national health. Only one thing wrong with it—it will require a little bit of concentration and work by you. But after all, you do your own breathing anyway, don't you?

SCIENCE IN YOUR LIFE

The "Whole" Patient

Our life span is 30 years longer today than it was 75 years ago, thanks partly to the antibiotic drugs. Now, by combining antibiotics with vitamins and practicing the ages-old concept of treating the "whole" patient and not just his disease, science has put new wonder in the wonder drugs.

Just how long you lay in a sick-bed suffering from a severe infection depends on your body's ability to fight its way back to normal. Reinforced by antibiotics, your body marshals its entire resources to beat back illness and invading bacteria.

These invading bacteria, and sometimes the germ-killing antibiotics, throw your body's normal functions out of kilter. Your body's nutritional needs are altered and often you cannot eat enough of the right foods to aid your body.

Thus, you suffer a nutritional deficiency which may extend your recovery period long after the infection has been licked.

According to Dr. Felix Marti-Ibanez in the medical journal Antibiotic Medicine, modern science now has the means to attack both the infection and the vitamin deficiency. He reports that a combination of vitamins and antibiotics in a single dosage form such as Tetracyn-SF or Terramycin-SF gives physicians a weapon to treat the "whole" patient and thus shorten his stay in the sickbed.

CHURCHES

Can you picture a town without churches?
Yet the church is just wood, brick or stone.
It's the man and the Spirit within it
That makes it a comfort and Throne.
Let us think of our preacher tomorrow;
Let us give him a boost if we can.
He sees much of life's suffering and sorrow,
Good thing he has hold of God's hand.
Then let's give to him, nobly and surely,
The means to make life worthwhile.
There's one thing for sure and certain,
To strike would not be his style.
Can you picture a town without churches?
Only police to say right from wrong?
Then let's give God's helpers our backing,
Get to church and sing out a song.

"Nope," was the reply. "Can't get the cork out."

Summer Itches

Summertime is a period of slapping and scratching. Grasses and pollens tickle the legs and nose, black flies, mosquitoes and chiggers exasperate the skin. The pain of even a bee sting, for many, is more easily endured than the agonizing itching that frequently follows.

A decade ago some optimists thought that insects were on the road to extinction. DDT was eliminating insects from barns and homes with the same efficiency it had displayed in the jungle areas in which our World War II troops fought. Today, although DDT and other newer chemicals are still doing their job well, any camper knows that woods, meadows and brooksides are not yet free from biting bugs or other sources of irritation.

Entomologists, the scientists who study bugs, are inclined to feel that insect immunity to poisons is fortunate. They have warned that man cannot destroy insect life throughout large areas without changing nature's balance in ways which could result in seriously reducing food supplies for other wild life or otherwise threatening survival, even of man himself. Doctors have pointed out, for example, that indiscriminate use of DDT could fatally poison meat and dairy products and, through them, humans.

Fortunately, there has been developed another approach to the insect problem, one which does not aim at elimination of the pests but which offers relief to many of their victims.

The antihistamine drugs, so called because they counteract histamine, the chemical released in the tissues as a reaction to an insect sting, can now be recommended as safe and effective remedies for insect bites. In a recent study the antihistamine Bristamin, was given by mouth to more than 2,000 persons of whom only three reported any side effects traceable to the drug. They felt somewhat drowsy after taking it. Antihistamines like Bristamin can be taken internally and also applied in lotion form directly to the itching area. Moreover, taken internally, they can be used to treat such afflictions as hay fever, asthma, etc. which are caused by over concentrations of histamine as an allergic reaction to certain pollens.

Precautions Should Be Taken During The Polio Season!

Polo has been a dread disease for years and it is but a few weeks since mankind was given a chance to stop the disease with the discovery of the Salk vaccine. Until the children and, later perhaps, the adults, have been given the benefit of this new wonder, it would be well to take the protective precautions suggested by medical authorities.

The following list of precautions should be clipped out, read and re-read if Winchester is to remain polio-free during the coming season when polio is most prevalent:

1. Avoid contact with known cases.

2. Keep all children away from crowds. Stay away from crowded beaches and bathing places. (The doctors feel that as long as parents take their children to the swimming pool and then take them straight home afterwards, making certain they don't stand around getting chilled, that there could be no harm).

3. Keep one's body clean.

4. Wash fruits, tomatoes and uncooked vegetables before serving—or better still peel them.

5. Boil all water which is not adequately chlorinated and all milk which is not pasteurized.

6. Destroy all flies, paying particular attention to those places where flies might be expected to breed. Keep food clean of flies.

7. Keep garbage covered.

8. Avoid injury to mucous membranes of nose and throat such as that resulting from tonsilectomy.

9. Avoid chilling.

10. Keep the children from being in the sun too long without a hat or protection.

11. Avoid over-exertion and fatigue.

12. Caution against bathing or swimming in contaminated water.

13. Take double precautions against colds, chills or stomach disorders.

14. If something develops that you aren't certain of, consult your doctor immediately. Minutes saved at the beginning may save limbs in the end.

Notice how much greener the grass is, how much more contented the cows are out in the pastures and that look of relief on the faces of the farmers! Recent showers certainly changed things and it brought an end to a two-month drought. Let's now hope that the rains will not be as frequent as they were last autumn when the ground was so wet the farmers couldn't harvest their corn crops. But regardless of the kind of weather that is in store for us this autumn, we'll have to take it and like it, as we cannot do anything to alter the plans of the weather-maker.

Time marches on! Labour Day will be with us in less than two weeks, marking the end of the vacation period for most people, including the school students. And, by the way, if you are going to be on the highway over the Labour Day week-end, here are a few "stoppers" which the Automobile Club of America says can stop you from killing yourself: Stop speeding; stop driving at night; stop for coffee; stop driving bumper-to-bumper, and stop when you get sleepy or drowsy. Remember, 37 people were killed in Canada during last year's Labour Day week-end, 18 of them on the highways.

Ottawa Exhibition Starts This Saturday

The 1955 Ottawa Exhibition will see distribution of over $55,000 in prize money to exhibitors but that's only the beginning of the biggest "give-away" program in the history of the Ottawa Fair.

The $55,000 will go to exhibitors in the various livestock and other regular departments of the "Ex." to be held at Lansdowne Park August 20-27. But that's only the beginning. Every night during Exhibition Week, the CCEA will give away a brand new automobile. In all, seven persons will drive away with new cars during the Exhibition.

On Monday, August 22nd, known as Children's Day, officials will cut prices for the youngsters to 10 cents for Midway rides and other attractions. On top of this $700 worth of bicycles and tricycles will be presented to the children.

Up in the Poultry Show Department a budgie bird and cage will be presented daily to the person making the closest guess as to attendance.

A Championship Dog Show will be held in the Coliseum on August 27 and some fortunate person attending this event will be the winner of a pure bred spaniel puppy.

In addition, special prizes will be given away each day at the Pure Food building, and on Friday, August 26th, there will be top awards consisting of an electric range and a refrigerator.

Apart from the prizes the general Exhibition program shapes up to be the best seen at Lansdowne Park in many years and one well worth attending.

The opening day of the 1955 Exhibition will see a mammoth parade complete with eight elephants, clowns, cowboys and outstanding floats. The parade will proceed through Ottawa and Hull streets and will pass in review before the Lansdowne Grandstand at noon, August 20.

The Exhibition will be opened by Hon. Philip Kelly, Ontario Minister of Mines. A Wild West rodeo will be the feature attraction at the grandstand on Saturday afternoon and evening, August 20th. These will be the only performances of this authentic cowboy show.

Commencing Monday evening, August 22nd, and continuing through the week, the George Hamid grandstand show will be on display. The show features a variety of standout acrobats, comedians and other attractions in addition to Mr. Hamid's spectacular presentation, the revue, "Stairway to the Stars."

From Monday on all buildings and exhibits, ranging from livestock in the Coliseum to the Handicrafts and Hobby Show in the grandstand will be open to the public.

The Midway, featuring new attractions, will be in full swing all week. By popular demand the famed attraction, the "Dancing Waters," will return to the Ottawa Exhibition this year.

The ever-popular Horse Show will be presented nightly, August 20 to 26, with outstanding classes of jumpers, saddle horses, hackneys and other breeds going through their paces.

On Saturday, August 27, the Championship Dog Show will be held with entries in attendance from many parts of Canada and from as far away as Texas in the United States.

One of the most popular spots in the Exhibition any year is the Horticulture Building with its masses of beautiful flowers and cool rock garden displays. This year the Horticulture Building, which will be open August 22 to 27, will be at its best.

No less popular in the eyes of Exhibition patrons is the Lansdowne Park Bandshell. For the 1955 fair, the CCEA has gone to very considerable expense to ensure the highest calibre of entertainment for Bandshell visitors. There will be top bands playing each afternoon and evening at the Bandshell including the famed RCMP band, the RCAF Central Band, the R. C. Signals Band and the Governor-Generals Foot Guards Band.

Apart from the bands, there will be special attractions nightly such as old-time fiddlers' contests, square-dancing competitions and fashion shows.

Central Canada Exhibition directors note that all space for exhibitors in the grounds and buildings was sold out weeks ago. They observe with pride that entries in all departments have set new records. The directors add that never before has there been such widespread interest and enthusiasm over the Ottawa Fair. CCEA General Manager H. H. "Herb" McElroy sums it all up by saying: "Come one, come all, you'll have a wonderful time at the 1955 Ottawa Exhibition.

If your present car is getting a little creaky at the joints, you may be able to pick up a brand new automobile just by visiting the Central Canada Exhibition at the grounds, which makes you eligible to win one of the seven new automobiles to be given away. Just be on hand at Lansdowne Park each evening to hear the drawing for the automobile prize. Not only does your entry fee at the 1955 Ottawa Exhibition give you a wonderful time but you may also gain a new car for no extra charge whatsoever. Be sure to visit the 1955 Ottawa Exhibition, August 20 to August 27.

WESLEYAN YOUTH RALLY AT CAMP GROUNDS

Using a theme, "Volunteers for the Lord's Harvest," the annual Wesleyan Youth Convention will be held at the Winchester Camp Grounds starting this Friday and continuing through Sunday.

The guest speaker at the three-day rally will be Dr. Harold K. Sheets, of Marion, Indiana. Dr. Sheets is general secretary of Wesleyan Youth. His participation in youth work for several years makes his ministry of special interest to Young People. Special singing will come from a combined choir of voices present at the Convention. One of the highlights of the musical program will be the Christianaires Trio from Levittown, Pa.

President of the Conference of Young People's Societies is Rev. Mervyn Summers, a former Winchester boy, of Toronto.

Rev. F. K. Gordon, the local Wesleyan Methodist pastor, extends a cordial invitation to everyone to attend the special services this week-end.

DR. HAROLD K. SHEETS, of Marion, Ind., who will be the special speaker at the Wesleyan Youth Convention to be held in the local Wesleyan Methodist Tabernacle on August 19-20-21.

CHRISTIANAIRES TRIO, of Levittown, Pa., who will lead in the singing at the Wesleyan Youth Convention, which will be held at the W. M. Tabernacle here starting tomorrow (Friday) evening, and lasting till Sunday evening.

Something to Smile About

Being weighed is certainly a laughing matter to the young man in the picture. To his elders, the procedure is a step in the effort to solve the serious mortality rate among Burmese youngsters. With the aid of experts from the World Health Organization, the United Nations Children's Fund is helping the Burmese Government to build up child care services. Some 500 maternal and child welfare centers are going up throughout the country and health workers are being trained to staff them. The baby, above, is getting his periodic physical "check-up" at one of the Rangoon centers.

Sunday School Picnic

On Thursday, August 11th, members and staff of the St. Andrew's United Church Sunday School gathered at Rideau Hill Camp to enjoy a picnic dinner and an afternoon of swimming and games. The picnic lunch was served in the Camp mess hall where both young and old enjoyed a bounteous meal. After lunch the married men challenged the single lads to a game of ball, but the young ones proved too tough and won the game. Swimming was then the order of the day.

At three o'clock the boys and girls were called together to partake in the races and games. Messrs. Bob Coleman and Lloyd Logan were in charge, and the results were as follows:

Girls' Races: 5 years and under, Barbara Ann Hoy, Wendy MacDonald; 6 and 7 years—Marilyn Hyndman, Marjorie Butler; 8 and 9 years—Gail Christie, Lynn Hyndman; 10 and 11 years—Drenna Coleman, Eileen Hyndman; 12 and 13 years—Marie Hoy, Martha Barnshaw.

Boys' Races: 5 years and under—Bruce Hyndman, Clarke Christie; 6-7 years—Tommy Coleman, Dick Christie; 8-9 years—Donnie Sutton, Donnie Carlyle; 10-11 years—Jim Shaw, Bruce Hough; 12-13 years—Doug. Milne.

Boys under 18—John Logan, Gerald Hyndman; Single Men—Frankie Milne, Ross Andrews; Married Men—Art Milne, Lanson Hyndman; Married Women—Jean Christie, Margaret Hyndman.

Balloon Race, under 5—Dennis Blaine; Wendy MacDonald; Girls' Sack Race, 6-7-8 years—Carol Fetterly, Marjorie Butler; Boys' Sack Race—Tommy Coleman, Donnie Carlyle; Girls' 3-legged Race, 9-10-11 years—Eileen Hyndman, Jean Allen; Boys' Wheelbarrow Race—Jim Shaw, Dick Blaine; Egg Carton Race, girls, 12 and over—Mary Ann Butler and Marie Hoy, Martha Barnshaw and Gwen Allen. Spike Driving Contest — Jean Christie, Marjorie Blaine. Tossing the Caber—Frankie Milne, John Logan.

The Superintendent of the Sunday School, Mel. Christie, wishes to thank all those who helped to make the day so succesful, and solicits the aid of all teachers, parents and children so that the fall term of the Sunday School may be a most successful one.

Mr. and Mrs. Cecil Canning and Mrs. Ray Grant were in Winchester on Saturday, when they took their mother, Mrs. Thos. Canning, to the hospital there.

HOLMES CLAN HOLDS REUNION

The 8th Annual Holmes' Reunion was held at Rutherford's Grove, Kemptville, on Wednesday, August 3rd, with 201 persons present. A picnic lunch was served at noon, and President James Holmes, of Inkerman, and the secretary-treasurer, Ernest Holmes, of Winchester, presided for the program that followed.

The opening hymn, "The Doxoly," was followed with prayer by Mr. Clarence Holmes. The secretary reported 17 births, two marriages and no deaths for the past year. He also expressed the best wishes of all present to Mr. and Mrs. Oscar Holmes who celebrated their 50th Wedding Anniversary in February. Rev. N. Holmes closed the meeting with prayer, and all joined in singing "God Be With You Till We Meet Again."

The youngest member present was Dwain Holmes, ten-day-old son of Mr. and Mrs. Woodrow Holmes. The oldest lady was Mrs. Albert Holmes and the oldest man, Mr. Oscar Holmes. The two oldest members of the Holmes' family were unable to be present. They are Mrs. N. Holmes, of Winchester, who is 87, and Mrs. Elizabeth (Holmes) Hughes, of Plantagenet, who is making plans for her 91st birthday party, September 13th.

The afternoon was spent by the men playing softball, and games and contests for the ladies and children.

Officers for 1956 are as follows: President, Stuart Holmes, Osgoode; 1st vice president, Harry Holmes, Winchester Springs; 2nd vice president, Mrs. E. Rawson, Avonmore; Sports committee, Mrs. A. Steele, Winchester Springs; Mrs. G. Howes, Robert Holmes and Woodrow Holmes, Winchester.

ST. PAUL'S CHURCH CALLS NEW MINISTER

A member of the Board of Managers of St. Paul's Presbyterian Church informed the Press this week that a call had been extended to Rev. Wm. Sutherland, of Dutton, Ont., to become pastor of St. Paul's charge, which includes churches here and at Winchester Springs. It is understood that Mr. Sutherland will accept the call, pending approval by Presbytery and official announcement of his retirement from his present charge.

FEED NEWS

WESTERN OATS AND BARLEY

The Wheat Board made an announcement about a month ago to the effect that they would not sell Oats or Barley below present levels, effective until September 1st. As a result of this policy, the feeder in Eastern Canada pays the same for his grain regardless of any drop in the Winnipeg market. With the light crop of grain in the East it seems a very unfair policy, but the Wheat Board has the authority and the control so there is nothing can be done about it.

We have Extra No. 1 Feed Oats and No. 1 Feed Barley in stock—both are excellent quality. Buy them whole, rolled or ground. Order a ton or two for next delivery.

MILLFEEDS

A wide spread still continues between the prices of Bran and Shorts—about $7.00 a ton. Usually it is around $2.00.

Supplies of Bran, Shorts and Middlings are still tight and an active demand keeps the market steady and if anything a bit stronger.

PROTEIN FEEDS

Gluten Feed (23% protein) and Gluten Meal (41% protein) are good value—this is usually their lowest market of the year.

Linseed Oilcake Meal is still out of line with other proteins, but constant demand, especially keeps the price up. American Linseed Meal is slightly cheaper but most people want 'Sherwin-Williams.' We have it in stock all the time.

Soybean Oilmeal is probably the best buy per protein unit. It has 44% protein.

CONCENTRATES AND SUPPLEMENTS

Poultry Concentrate (35% protein), Hog Concentrate (35%) and Dairy Supplement (24%) continue reasonable in price.

Added to Western or home grown grain a well balanced feed may be had at a low cost.

TIMOTHY SEED

Market very easy at the moment because of large quantities being offered and no export. We should see better prices after a few weeks.

Smith—Gallinger

A pretty wedding was solemnized recently in Williamsburg United Church Manse when Miss Lois Florence Mary Gallinger became the bride of Mr. John Burton Smith.

The bride is the only daughter of Mr. and Mrs. Lloyd Gallinger and the bridegroom is the eldest son of Mr. and Mrs. Angus Smith, Chesterville. Rev. Geo. Dunlop officiated at the ceremony.

The bride's only attendant was Miss Eleanor Barrie, of Chesterville, and Mr. Garry Smith, cousin of the groom, was best man.

For her wedding the bride wore a ballerina length gown of white nylon tricot over skirts of net and satin with a fitted pleated bodice and a low, rounded neckline. Her fingertip veil of tulle illusion was held in place with a pearl headdress, and she carried a semi-cascade of sweetheart roses and white chrysanthemums.

Following the ceremony, a reception was held at Edgehill Inn, Morrisburg, where over 100 guests attended. Later, the young couple left on their honeymoon to Old Orchard Beach. For travelling, the bride wore a powder blue linen dress with white accessories and a corsage bouquet of pink roses.

Out-of-town guests included friends from Maxville, Ormstown, Kingston, Ottawa and Cornwall.

OBITUARY

THE LATE MRS. JOHN A. SHAVER

The death occurred unexpectedly early Monday morning, August 8th, of Mrs. J. A. Shaver in her 86th year, following a heart seizure at the home of her sister-in-law, Mrs. George Wilson, and Mr. Wison, where she was visiting. She was the widow of the Rev. J. A. Shaver, daughter of the late Mr. John Jamieson and his wife, Sarah Rae, pioneer families of Dundas County.

She was married on August 3rd, 1928, to Mr. John A. Shaver, Morewood, who predeceased her in 1933 in Dundas, Ont. From there she went to live in Montreal. Two years ago she moved to Toronto to reside with her daughter, Mrs. H. E. Elborn.

In her active years she gave her time and talents to the work of the church. She was an honorary and life member of the Women's Missionary Society. The deceased was a woman of sterling worth, and possessed an active mind and keen memory, both of which she retained until her last days.

She leaves to mourn the loss of a beloved mother, two daughters, Mrs. H. E. Elborn (Bessie), of Toronto, and Miss Winnifred Shaver, Winchester; two sisters, Misses Agnes and Helen Jamieson, Winchester, and four brothers, John A. Jamieson, of Drinkwater, Sask.; Jas. Jamieson, Portland, Ont.; David Jamieson, Montreal, and Chas. B. Jamieson, Winchester.

The funeral service was held at the Vice & Craig Funeral Home, Winchester, at 11.30 a.m., Tuesday, August 9th. Rev. Fred A. Miller, of St. Andrew's Presbyterian Church, Chesterville, spoke comforting words from John 14:1. The choir of St. Andrew's Church sang the hymn, "Nearer My God To Thee." The pall-bearers were Messrs. Jay Quart, Jas. R. Johnston, Wm. Clark, Hugh Wilson and Wilfred McKercher.

The remains were taken to the Winchester Station to leave on the noon train for the Mitson Funeral Home, Dundas. Interment was made in the family plot at Grove Cemetery on Wednesday. Rev. Graham Smith, of Knox Presbterian Church, conducted the graveside service. At the conclusion he paid high tribute to Mr. and Mrs. Shaver's work in the church.

There were many beautiful floral offerings.

"There is no death. The stars go down
To rise upon some other shore,
And bright in heaven's jewelled crown
They shine forevermore."

PICNIC WITH COOK-OUT SPAGHETTI

It's picnic time! The Browns, the Smiths, and the Thompsons, too, are packing baskets with "fun foods" and trotting off to the picnic grounds . . . or maybe just to the back yard. At this time of year any excuse will do for moving meals to the outdoors.

COOK-OUT SPAGHETTI makes the picnic as much fun for Mother as it is for the kiddies. She can prepare the spaghetti at home and tote it to the picnic in a casserole, wrapped in newspapers to keep it hot. Or the gang can gather round the campfire and take turns stirring the spaghetti in a big heavy pot.

The recipe is as easy as 1-2-3. Just brown ground beef, green pepper, and onion; then blend in canned spaghetti and seasonings.

In case bad weather keeps the crowd indoors, COOK-OUT SPAGHETTI will make it seem like a picnic just the same. For it's fine fare with carrot sticks, pickles and olives, fresh fruit and chewy browned marshmallows that taste equally good toasted in the fire-place or over a campfire.

Whether your "gang" numbers 4 or 24, take a vacation from cooking, and plan a picnic with COOK-OUT SPAGHETTI soon!

COOK-OUT SPAGHETTI

For 4	For 24
½ pound ground beef	2 pounds ground beef
1 large green pepper, chopped (1 cup)	2 medium green peppers, chopped (2 cups)
1 large onion, chopped (1 cup)	2 medium onions, chopped (2 cups)
2 tablespoons butter or margarine	2 tablespoons butter or margarine
2 cans (15-ounce size) spaghetti in tomato sauce with cheese	8 cans (20-ounce size) spaghetti in tomato sauce with cheese
1 teaspoon chili powder	1 tablespoon chili powder
½ teaspoon salt	2 teaspoons salt

Brown ground beef, green pepper, and onion in shortening. Blend in spaghetti, chili powder, and salt; heat thoroughly.

HOME HINTS

Meat Grinder

After using the meat grinder for anything inclined to stick, run a few slices of dry bread through it and it will make it much easier to wash.

Chicken Salad

To make chicken salad sandwiches, put the chicken through the meat chopper, add chopped celery and mayonnaise. Spread between slices of buttered bread.

Perspiration Stains

Perspiration stains on garments can usually be removed by mixing one part of oxalic acid to twenty parts of water and applying with a small brush.

Ants

If garden ants come into the kitchen during warm weather when the back door is open, sprinkle some roach powder over the crack that is their entrance and they will soon disappear.

Lemon Scraps

When there are leftover pieces of lemon after making lemonade or iced tea, rub the breadboard or kitchen table (if wood) with these pieces, allow the wood to dry, then scour with soap and water. The acid makes the wood beautifully white.

Preserves

It will be easier to turn the lid of a jar of preserves that has been sealed for quite a while if a warm iron is placed on the lid for a few minutes before opening the jar.

DAIRY RATION

Now that Bonuses are being paid on milk at the local plant, farmers can now well afford to feed DAIRY RATION. We can supply Dairy Ration at reasonable prices.

Everywhere in Canada, consistently, more Chevrolet cars are sold than those of any other manufacturer. And now, to a greater extent than ever before, the 1955 Chevrolet is the favorite of Canadians from coast to coast.

This Is Important To You!

Because Chevrolet builds so many more cars, each one costs less to make. That's the simple, provable effect of volume production. And this saving is passed on to you in the form of *more* value, and *more* features for the money than you can get with any other car on the market. Also, compare Chevrolet's prices and you'll know for sure at least one reason why so many more people buy Chevrolet year after year — *especially this year.*

Apples

It is well to know in cooking apples that three medium sized apples weigh about a pound.

Mattress Stains

Put the mattress in the sun. Make a thick paste of starch and cold water and spread on the stain. Leave for two hours and then rub off. Repeat if necessary.

Rinsing

A garden hose used to rinse heavy articles, such as blankets, is very handy and makes the work much lighter. Blankets rinsed in this way avoids wringing and they will dry without wrinkles. The nap is not crushed either, as no ironing is required.

BABY TALK

When the baby first starts to talk, his family and friends get a lot of pleasure out of his attempts to pronounce words. But as he acquires the ability to speak properly, he should be discouraged from using baby talk. His mistakes in pronunciation should not be laughed at but he can be helped by hearing older members of the family speaking correctly, and not addressing him in the manner of a very small child.

CAT NAP FOR SAFETY

The driver who finds his limbs and muscles aching and his eyes getting tired while driving would be well advised to pull off the road and take a few minutes' nap. Driving fatigue may result in an accident. It helps to get out of the car and walk around for a few minutes and, if possible, have a cup of hot tea or coffee.

GLAMOUR MILK

Some people have a dislike of drinking plain milk but since this is such an important food, an effort should be made to discover some form in which it can be enjoyed. Sometimes a favorite flavor such as chocolate added to the milk will help. Milk in soups, sauces or desserts will still provide all the nourishment of plain milk. Taken in any form, there is still the same food value.

THE GENTLE HINT

Any bottle or package in the medicine cabinet which contains poison or drugs should be clearly labelled and, as a reminder that care is needed here, a band of adhesive should be placed around the container. Many dangerous drugs resemble the ordinary household remedies and could easily be confused with them, unless care is taken.

GREEN TEMPTATION

A salad of crisp green vegetables on a hot summer day is a temptation to eat when other foods do not appear enticing. Combined with cold meat cuts, hardboiled eggs, cheese, fish or poultry, a salad will supply vitamins, proteins and minerals. With the use of a little imagination, salads can have plenty of variety in appearance and flavor.

THIEF OF SIGHT

Glaucoma, a serious eye disease, is often called "the thief of sight" since it is a common cause of blindness. One of its forms causes a narrowing of the field of vision so that objects are not seen from the side of the eye, while the gaze is held straight ahead as with normal sight; other forms do not give any warning symptoms that can be identified by the layman. A medical eye doctor can discover and diagnose the disease in an examination of the eyes. Periodic eye examinations after the age of forty are advisable so that the disease may be treated if it develops.

Special Exchange Serves Scouts' World Jamboree

A Bell Telephone exchange has been established near Niagara-on-the-Lake, Ont., to serve the mile-square tent camp which will house the eighth World Scout Jamboree this summer.

Appropriately named "Jamboree, Ontario," the exchange, which has required weeks of planning, engineering and construction, will exist only for the 10 days — August 18 to 28 — that the Scouts will be in camp. It will then be dismantled.

About 10,000 Boy Scouts and their leaders from about 50 countries are expected for the Jamboree. To accommodate them, a temporary town will be set up on the camp site, an army training centre along the Niagara River.

The temporary Bell exchange will be listed at every long distance centre on the continent. To reach the camp by telephone, a caller need only call long distance and ask for "Jamboree, Ontario".

The call will be received at the telephone exchange, located in the Niagara-on-the-Lake Recreational Centre building, and the individual Scout will be contacted through one of the 10 sub-camps and informed there is a call at the exchange for him.

A microwave radio relay circuit will also be set up by the Bell to enable television broadcasters to transmit television programs from the camp. These facilities will consist of a temporary tower from which the broadcasts will be beamed to the Company's microwave radio relay tower at Fonthill from where the broadcasts will be carried on the regular Buffalo-Toronto Circuit.

200 Phones Served

Telephone equipment will include a three-position switchboard equipped to handle up to 200 individual telephones and 39 trunk lines. There will be 20 public telephones and individual telephones at Scout headquarters, sub-camp headquarters, and the various service offices such as those for the hospital, canteen, chaplains, police, transport and travel agencies. Operators at the long distance switchboard in St. Catharines will handle out-of-town calls.

The Company is also providing radio circuits for broadcasts from the camp, teletype facilities, and mobile telephone units to be stationed at the beach on nearby Lake Ontario while Scouts are swimming.

The Bell Telephone Company's representative at the Jamboree will be J. S. Cruden, of Toronto, a Bell employee with a long association with Scouting.

Although Scouts will come from about 50 countries and will speak about a score of languages, half will be residents of North America and most will be English-speaking. There will be 3,500 Canadians, 1,500 from the United States, and 1,000 from the United Kingdom. Official languages will be English and French.

SHARON MORRIS, Niagara-on-the-Lake Operator, shows 11-year-old Scout Kent Boucock around the Bell Telephone office set up for the Boy Scouts' World Jamboree at Niagara-on-the-Lake in August.
