A Beautiful Picture.

We notice in this week's issue of The Family Herald and Weekly Star, that the publishers have secured, as a premium picture for subscribers, another beautiful subject, entitled "Mother's Treasures" a companion to the beautiful picture "Home Again," which they gave last year. Family Herald pictures are always good and it is said that "Mother's Treasures" is the best yet. It is truly wonderful what great value one receives for one dollar a year in The Family Herald and Weekly Star. It is a paper no home in Canada should be without. Every member of a family will find some part interesting, and alone well worth the years subscription. The premium picture, "Mothers' Treasures" is 23 by 29 inches, all ready for framing, and alone would sell in any art store at two dollars.

The Family Herald should do bigger bnsiness than ever this season.

Death Of Chas. Durant.

Mr. Chas. Durant, one of Inkerman's oldest and most respected citizens passed away at 1.30 Tuesday after an illness of two weeks from typhoid fever followed by pneumonia. Mr. Durant was in his 78 year. He was born in Williamsburg coming to Inkerman when a young man and entered the employ as a clerk of Henry G. Merkley who was conducting a saw mill and store there. Later Mr. Durant went into business for himself, engaging in the mercantile business in which he was very successful and from which he retired shortly after the death of his son a dozen or more years ago. A little over three years ago his wife passed away and since then his daughter-in-law, Mrs. Luella Durant has resided with him. Mr. Durant was a resident of Inkerman for upwards of fifty years and was never known to do a dishonorable thing. He was a man of the strictest integrity and honor. For many years he filled the position of clerk of Mountain township, and at the time of his death was recording stewart of the Methodist church and treasurer of the Dundas County Conservative Association. He leaves no children, brothers or sisters to survive him. The funeral was held at the Methodist church, Inkerman, at 2o'clock this afternoon, interment afterwards being made in the Inkerman cemetery. The pall-bearers were Messrs Len Mills, Milton Rose, Wm. Shaver, Albert Guy, and Geo. E. Suffel. — Press.

—The 101st anniversary of the organization of the First Presbyterian church Sunday school, the oldest in Ontario, was fittingly belebrated by the congregation and school yesterday. In the morning a children's service was held, the minister, Rev. N. Macleod, preaching a sermon appropriate to the occasion. In the afternoon the children gathered in the church. The superintendent, Mr. Edward Wilson, presided, and addresses were delivered by Messrs. T. J. Storey and W. T Rogers. The sacred edifice was appropriateiy decorated for the occasion.—Brockville Recorder.

A Missionary Address.

The people of Chesterville and the surrounding community will have the opportunity of enjoying a rare treat on Thursday, Oct. 31st. Dr. Margaret McKeller, who has seen 21 years of Missionary service in India, will deliver an address on her work in India in the Presbyterian church on that date. The W. F. M. S. will make this night their annual thank offering. The public are cordially invited to attend so that they may hear an exceptionally gifted speaker and a missionary of world wide repute. On the occasion of King George V visit to India. His Majesty presented Dr. McKeller with a medal in recognition of her great services among his loyal subjects during the famine.

The Late R. J. Cunningham

On Friday morning the 18th inst., the grim reaper, death cut off, in the prime of life, one of our most highly respected citizens, in the person of Mr. R. J. Cunningham. He had been in poor health for some time but during the last week sank very quickly. The best of medical skill at home, in Ottawa and Montreal, had been employed, with no avail. The funeral was held on Sunday in Trinity Methodist Church, when the Rev. W. H. Stevens and Rev. S. A. Woods participated in the services, the latter preaching on the text "For we are His workmanship, created in Christ Jesus unto good works." The bearers were six of his brethren belonging to the A. O. U. W., as he was a faithful and zealous member of that Order. The remains were interred in the Grantley cemetery, near the home of his childhood. He leaves to mourn his demise, his wife who was Miss H. Coulthart of Morewood and several brothers and sisters and a host of friends. Mr. Cunningham was a man of quiet demeanour, but possessed many sterling qualities which won for him the esteem of all who knew him.

Head Crushed On Bridge

Returning from a trip to St. Alban's, Vt., early yesterday morning, John Clark, aged 36 years, a resident of Belleville, met an instant death aboard an engine hauling a freight train to Brockville, on the bridge near Lancaster station.

Clark was sent out from here to St. Alban's Friday, a member of the crew of a train of which Stuart Thompson was conductor. Clark was of the opinion a journal on a car near the engine was running hot and in looking out fron the engine his head came in contact with a beam of the bridge, terribly crushing it and removing a portion of the scalp.

The remains were left at Lancaster and last night passed through here en route to his old home in Belleville for interment. Clark is survived by his wife, who is a patient in a hospital in that city.—Brockville Recorder.

Fur Farm in Store.

Messrs Frean and Harry Hummel and Thos. Wholehan, sr., have purchased about 30 acres of land near where the Muskrat hotel stood and intend starting at once to make preparations to inaugurate a fur farm. The place will certainly be a suitable one, and we wish them every success in their venture.

Eight Hamilton youths, who pleaded guilty to assault upon a young lady on the mountain, were sentenced by Mr. Justice Kelly to prison terms and fifteen lashes each.

Kearns—Lynch.

A very pretty wedding took place at St. Bernard's Church, Finch, Ont., on Tuesday, the 15th inst., at 2 o'clock p. m., when Miss Rose Lynch, daughter of Mr. and Mrs. William Lynch, became the bride of Mr. John V. Kearns, the Rev. Father Leahy officiating. The bride who was attended by her sister, Miss Etta Lynch, looked charming in a gown of cadet blue silk, with long coat of blue whipcord and wore a large black beaver hat with willow plume. The bridesmaid wore a suit of navy blue cloth, white silk blouse, large blue velvet hat with ostrich mount. Mr. Mike Kearns, brother of the groom, acted as best man.

After the ceremony which was witnessed by a large number of friends of the contracting parties, the wedding party drove to the home of the bride's parents, Riverside, where a reception was held and supper served to over three hundred guests, after which the evening was spent in dancing, a large platform for which was provided.

The groom's gift to the bride was a crescent brooch with pearl settings, to the bridesmaid a pearl set brooch and to the best man a gold stick pin.

The presents were numerous and costly and showed the esteem in which the young couple were held.

Mrs. S. J. Kyle of Morewood, has rented Mrs. McQueen's house on Queen street in this place.

Mr. Patrick Murphy died this morning at his residence in Connaught, aged 76 years. The funeral will take place Saturday morning to St. Mary's Church, Crysler.

CURED OF THIS HORRIBLE DISEASE

Edmonton Girl saved By "Fruit-a-tives"

EDMONTON, ALTA., Nov. 20th 1911.

"I had been a sufferer from babyhood with that terrible complaint, Constipation.

I have been treated by physicians and have taken every medicine that I heard of, but without the slightest benefit. I concluded that there was no cure for this horrible disease.

Finally, I read of "Fruit-a-tives" and decided to try them, and the effect was marvellous.

The first box gave me great relief, and after I used a few boxes, I found that I was entirely well.

"Fruit-a-tives" is the only medicine that ever did me any good for Chronic Constipation and I want to say to all who suffer as I did—Try "Fruit-a-tives"—why suffer any longer when there is a perfect cure in this great fruit medicine"

(MISS) E. A. GOODALL.

"Fruit-a-tives" is the only remedy in the world made of fruit and the only one that will completely and absolutely cure Constipation.

50c a box. 6 for $2.50, trial size, 25c. At all dealers or sent on receipt of price by Fruit-a-tives Limited, Ottawa.

A farmer residing on the second concessiin of Elizabethtown evidently got mixed up in his dates yesterday and he did not realize his mistake until well along in the morning. Arising early he stocked up his waggon with cabbage, carrots and other vegetables and proceeded into town for the disposal of his goods at the "Saturday" market. He took up a position on the square and between 7.30 and 8 o'clock, not seeing anyone from the country around, he inquired only to be told there would hardly be any market as the day was Sunday. He beat a hasty retreat. — Brockville Recorder.

Five Killed By Explosion.

Haileybury, Ont., October 23.—Five instantly killed and one fatally injured was the toll of an explosion which destroyed the Energetic Explosives Factory shortly before noon today, while the property damages will reach thousands of dollars. Three seriously injured persons were taken to the Sisters of Providence Hospital. Others who sustained minor hurts from flying debris, shock and falling glass went to their homes. The explosion followed a fire which started in the grinding room of the powder room. The exact details are not known and probably never will be, as those who knew remained to fight the fire and perished in the explosion. They had sufficient time to warn the other employees, and all the girls escaped and were several hundred yards away when the explosion occurred. Mrs. Ericson, the only woman injured seriously, was struck by pieces of the metal with which the exterior of the building was sheeted. Superintendent Long and the other victims were trying to couple a hose when they met their deaths. They evidently did not fear an explosion. Last summer when the plant was destroyed by fire, no explosion occurred, while to-day's explosion blew to pieces a magazine containing 100 tons of the powder, yet none of the boxed cartridges exploded. The re-building of the factory after the fire was just-nearing completion, and McLaughlin and Young, two of the victims, were engaged on the contract. Hundreds of windows in Haleybury were broken by the shock, and its force was felt at Cobalt, New Liskeard, Latchford and Thornloe, and even at Ville Marie, Que., twelve miles across lake Temiskaming.

Bishop Herbert J. Hamblton was consecrated at Montreal as Bishop in Japan.

The Molsons Bank.

The satisfactory view of the general trade situation taken by the president. Mr. William Molsan Macpherson, at the annual meeting of the Molsons Bank, was reflected in the statement of the affairs of the institution laid before the shareholders. The profits of $684,779 amounted to over 17 per cent. of the paid-up capital of $4,000,000. They sufficed to pay the dividend of 11 per cent, to provide for part of the outlay on bank premises, to meet the demands for special taxes of $23,241 and for some other minor appropriations, and to add $100,000 to the reserve, which now stands at $4,700,000. The assets reach the total of nearly fifty three millions, a considerable sum, which makes the bank a factor of importance in the commerce of the country. As the president pointed out, business prospects seem satisfactory. Settlers are coming in in large numbers, becoming almost at once producers as consumers, and so promoting trade interests generally. The railways are extending their systems to meet the demands upon them, and the banks have not been slow in providing capital for the service of men in business. It is natural to look for a continuance of satisfactory trade conditions, provided, of course, that reasonable prudence is shown in the matter of taking on new obligations and the best use is made of the natural resources with which the country is favored. What was said in this regard by the president of the Molsons Bank was not the least important part of the proceedings.

BATTLE IS IMMINENT

Bulgarian Army Prepares to Besiege Adrianople.

Governor of Threatened Turkish City Issues a Warning to the Residents and Recommends Those Able to Leave to Do So—Turks Are Luring Them On, According to One View of the Situation.

Constantinople, Oct. 22.—It was admitted here last night that Bulgarians are established about 12 miles from Adrianople and that a big battle is imminent. The governor of Adrianople has issued a proclamation warning the residents to husband their food owing to the possibility of an investment of the town. He recommends those able to leave to do so.

It is announced that an important concentration of the Bulgarian forces has taken place at Koestendil, in the southeast of Bulgaria, the objective of which is doubtless the Struma Valley, which is the easiest road to the heart of Macedonia.

The Turkish Government to-day will issue a proclamation to the people of the European provinces in the shape of a reply to King Ferdinand's manifesto, enjoining the Moslems to good behavior and assuring the Christians that they have nothing to fear provided they remain loyal.

It is asserted that in the fighting around Elassona the Greeks lost 1,500 killed.

Wily Turks Luring Them On.

London, Oct. 22.—The war news is still the story of comparatively uninteresting small engagements involved in manoeuvring for position while the Turkish and Balkan forces are assembling and preparing for big events.

When the allied states declared war it may be assumed that Turkey had by no means concentrated her troops. Moreover, Turkey was still hoping to detach Greece from the confederation. Her failure to do this undoubtedly necessitated some change in the strategic plans and she still needed time to transport her troops to the required positions, hence the falling back of the small Turkish garrisons from numerous frontier posts is of no great significance. The Servian army is steadily advancing and now has its headquarters at Vranya in the movement against Uskup. The Greeks have captured Dibitika, from which position the Turks retired to the town of Servia, where a big battle is expected shortly.

According to a Constantinople report an important battle is imminent at Adrianople. Meanwhile the rival fleets are both active, the Greeks blockading the Island of Lemnos and the Turks bombarding Kavarna and Varna. The report of the sinking of a Bulgarian torpedo boat is discredited at Constantinople, where it is stated that the Turkish warships in the Black Sea fired at torpedo boats, but the latter took refuge in port, the warships not venturing to follow for fear of mines.

The Greek consul at Cardiff, acting under instructions from his Government, is laying claim to all the Greek tonnage entering that port. Every vessel so commandeered becomes the property of the Greek Government, and the captain, an officer of the Greek navy. Ship owners have requested the British Foreign Office to protest against this procedure.

Turks Bombard Villages.

Sofia, Oct. 22.—After the bombardment of Kavarna one of the Turkish warships left in the direction of Baltehik. Four others cruised along the coast between Kavarna and Kalikoia bombarding the villages.

According to advices received late last evening Turkish warships also bombarded the barracks and monastery of Euxinograd, near Varna, which port they bombarded several days ago.

The Turks attempted a landing, but the two boats launched encountered a heavy fire from the Bulgarian soldiers and returned to the ships.

The Bulgarian Government has entered a protest against the bombardment of Kavarna as a violation of the principles of international law laid down by The Hague conference. The town is a trading port only and is not defended. No warning was given of the attack.

Should Operate Cars.

Toronto, Oct. 22.—Controller Foster moved in the City Council yesterday that a memorial be presented to the Ontario Government, requesting that it consider legislation enabling the Government to build, equip, maintain and operate Hydro-electric railways between all localities in the province where that source of power exists and is under contemplation, and to provide for extensions which would be necessary from time to time. Also to consider the advisability of withholding the granting of charters to companies to establish and operate suburban lines until the matter has been fully discussed by the Government. The Board of Control will deal with the matter.

Hon. Mr. Monk Quits To-day.

Ottawa, Oct. 22.—There was no announcement of any kind following yesterday afternoon's session of the Cabinet which would serve to throw additional light on the political situation. The Duke of Connaught home last night. Premier Borden and Hon. F. D. Monk drove down together to meet his royal highness.

To-day Mr. Monk's resignation will be handed to the Governor-General and it would not be surprising if his successor is named immediately.

Parliament to Open Nov. 21.

Ottawa, Oct. 22.—The announcement in a special issue of The Canada Gazette yesterday that the Dominion Parliament will be opened on Nov. 21 was merely of interest as an official pronouncement, since the date was partially assured several days ago.

Parliament will this year meet four days later than last year, and later than even before for an autumn session.

GUNMEN SILENT.

Their Lawyers Keep Them From Testifying For Becker.

New York, Oct. 22.—What Sam Schepps told his friends in Hot Springs, Ark., about the murder of Herman Rosenthal was read into the record yesterday at the trial of Police Lieut. Charles Becker, who is charged with instigating the crime.

"I don't want you fellows to think we killed a man who was of any account," Schepps told Postmaster Johnson of Hot Springs, according to Mr. Johnson's testimony before the commission sent to Hot Springs to examine him and other persons. "That fellow Rosenthal is a dirty cur. He should have been killed. I don't want you fellows to think of me as a common murderer."

Mr. Johnson's testimony was read by John W. Hart, Becker's lawyer, with intent to support the contention that Schepps was one of four men who desired Rosenthal's death on his own account and conspired to kill him.

Thirteen witnesses, few of whom remained more than a few minutes on the stand, testified yesterday and brought the case swiftly towards its close. Indications at adjournment last night were that the defence would rest to-day without placing Becker on the stand, notwithstanding previous announcement by the accused policeman's lawyer that it had been decided to have him testify.

John F. McIntyre, Becker's chief counsel, said last night that he wanted, as witnesses, the four gunmen charged with shooting Rosenthal to death, but that the gunmen's counsel refused to allow them to testify. Mr. McIntyre said he had been disappointed also in procuring the testimony of Wm. Shapiro, the driver of the murder car.

Among yesterday's witnesses were five policemen, three of whom testified that the raid on Rosenthal's gambling house by Becker's strong arm squad last April, was not a "fake" raid as the state charges, but was made two days after they had produced evidence of gambling on the premises.

Two inmates of the Tombs prison, awaiting trial on charges of murder, were brought across the "Bridge of Sighs" to deny the testimony of J. D. Hallen, the convict who said he heard Becker tell Policeman White that the public would soon pay Becker a pension for killing "that —— crook Rosenthal." Several character witnesses also took the stand.

COMBINE ILLEGAL.

So Says Board Examining the Shoe Machinery Trust.

Ottawa, Oct. 22.—That the United Shoe Machinery Co. is a combination in restraint of trade is the decision arrived at by the board apponted to deal with the first case of the kind brought under the Combines Act.

The matter has been under consideration for a long time, the preliminary stages being delayed by the company challenging the jurisdiction of the board.

Action was taken under the provisions of the act when Hon. Mackenzie King was Minister of Labor, and the enquiry has been steadily pressed since Hon. T. W. Crothers assumed charge of the Department. The decision that the company constitutes a combine within the meaning of the act was made by a number of Quebec shoe manufacturers, who complained that the company, which holds the patents on modern shoe machinery, had created an unlawful combination by refusing to sell the machinery, its policy being to lease it.

Mr. White, the representative of the United Machinery Co., has declined to sign the report of Judge Laurendeau and Mr. Walsh, being dissatisfied with the conclusions arrived at. Although the details of the report have not been received, the natural assumption is that the finding is against the company.

If that is the case, the company patents may be cancelled throughout Canada, and unless the company, which has its headquarters at Boston, restrains its operations in Canada in ten days, it is subject to a fine of $1,000 a day and to indictment.

DUKE TELLS OF TRIP

H.R.H. Gives Impressions of His Canadian Tour.

He Says There Are No More Loyal People In the Empire Than the Canadians and In His Travels He Heard No Hint of a Desire For Separation—People Are First and Politics Should Be Subservient.

Toronto, Oct. 22.—It was a two-fold message that his royal highness left with the members of the Canadian Club in the course of his brief and inspiring address yesterday afternoon. He urged Canadians who would loyally do their part toward achieving the greatest destiny for their country to emphasize the importance of education in developing the young citizenhood of the morrow, and to treat their political views as subservient to the advancement of their country and the prosperity of its people.

His royal highness was given an enthusiastic welcome. Referring to the long tour of the west which he has just completed, and which embraced the traveling of over 10,000 miles and the devotion of three months of time to the trip, his royal highness stated it had been full of deep interest to him. "I believe I have been able to gain some insight into many of the great questions affecting the Canadian people," he observed amid applause. He returned with the conviction that "there was no more loyal body of people in the British Empire than the Canadian people.

"Canada is a democratic country," he continued, "and she is none the worse for that. And I rejoice that while she is a democratic country she is none the less attached to the old traditions of the country from which so many of her people came." He had felt, as he traveled the vast distances of her territory and witnessed the development of her lands and the growth of her towns, that no adequate recognition could ever be meted out to the men who had been the means of inaugurating this wonderful development, the pathfinders of the great new west.

"One thing that struck me specially," added his royal highness, "is the importance of the education of the young. It is in the proper and sympathetic education of the young of the Dominion that the future of Canada lies." In the west he was inspired to find the great interest everywhere taken in educational work. The finest buildings were the school buildings, and the largest expenditures of money were for educational enterprises. This was as it should be, and he would urge in the strongest manner possible that this spirit be characteristic of the whole Canadian people.

"Another thing that struck me forcibly," proceeded the distinguished visitor, "is the strong and virile national sentiment which exists. So great is the interest of the people in the country generally that they are ready to make their political views subservient to the advancement of the country. Politics is a necessity in our system of government—a right necessity—but there are moments when politics must be made subservient to the good of the country and the prosperity of the people."

He had been told that in the west he might find a feeling among some in favor of separation. "I rejoice to say I did not find it in a single instance," he declared, amid applause. "From one end of Canada to the other, through the Maritime Provinces, the central portions and the west there breathes the same strong ideal of Canadian individuality; a Canadian people under the flag of Empire."

Many prominent persons were present, including Lord Milner and Sir Thomas Lipton.

To Investigate Drowning.

Galt, Oct. 22.—After consultation with the crown attorney, Dr. Radford coroner, decided to hold an inquest on the body of Peter, three-year-old son of Wm. T. Burrows, drowned in an old cistern on the premises of Wm. Barnes Sunday. Investigation shows the cistern is 14 feet deep, with nine feet of stagnant water, the only covering being a piece of tin and two rotten boards. In the same yard is a well, 60 feet deep, with a decayed cover. The coroner believes an inquest will have the effect of removing these and similar death traps said to exist elsewhere throughout the town.

Waits for Roosevelt.

Princeton, N.J., Oct. 22.—Upon the news to-day of the effect on Col. Roosevelt of his trip from Chicago will depend largely Governor Woodrow Wilson's plans for the rest of the campaign. The Democratic nominee said last night that his speaking plans for the present were "up in the air." For Oct. 31 a big meeting is being planned at Madison Square Garden, New York, but the nominee said that he could not say yet whether he would attend. He will, however, on Nov. 2, review the parade in New York of college men supporting him.

The governor said his present intention was to do no more speaking until Col. Roosevelt recovered.

Motor Cyclist's Narrow Escape.

Galt, Oct. 22.—Charles Fairbanks and a girl friend were motor cycling in Jackson Park, when the machine got beyond control and plunged ahead towards a gravel pit 20 feet deep. The riders hastily jumped and only just in time before the machine and chair shot into the pit.

The machine is a wreck and the girl suffered severe nervous shock.

Tied Garter Around Shattered Arm.

Niagara Falls, Ont., Oct. 22.—Fourteen-year-old Joseph Winterton, Chippewa, is lying at the General Hospital in a serious condition as the result of his rifle exploding when hunting near his home. After his left arm was shot away, the boy attempted to stop the flow of blood by tying his garter around the stump.

VARIEGATED SPELLING.

Mark Twain Liked It Because It Was So Refreshing.

Writing in the Hartford Courant on "Mark Twain," Dr. Edwin P. Parker of Hartford said:

"In 1876, according to my memorandum, a notable spelling match took place at the Asylum Hill Congregational church, in which some thirty persons, under their respective captains, took part. Among these contestants were Dr. Burton, Judge Carpenter, Charles E. Perkins, Mr. Clemens, Mr. Twichell, Charles H. Clark, General Hawley, Miss Trumbull, Miss Blythe, Miss Burbank and Miss Stone. At last there were left standing only Dr. Burton and Miss Stone, and the gallant doctor took the first opportunity to make an error and so to leave Miss Stone the winner.

"But this notable contest was preceded by a preliminary speech in which Mr. Clemens wittily criticised the supposed necessity of having any uniform and arbitrary way of spelling words. Among several amusing illustrations of his argument was one as follows: 'I have a correspondent whose letters are always a refreshment to me, there is such a breezy, unfettered originality about his orthography. He always spells Kow with a large K. Now, that is just as good as to spell it in the conventional way with a small one! It is better, for it suggests to the mind a new, grand and impressive creature.'

"Nevertheless, in the contest that ensued Mr. Clemens produced no 'superb effects of varigated spelling,' but stood up among the last five, if my record is right, only Mr. Clark, Miss Keep, Dr. Burton and Miss Stone outlasting him."

THE MOLSONS BANK

Fifty-Seventh Annual General Meeting of Shareholders on Monday—Prosperous Conditions—But President Sounded Warning Note as to National Extravagance, Both in Commerce and Agriculture.

The 57th annual general meeting of the Shareholders of The Molsons Bank was held in the new Board room of their Banking House, 200 St. James street, Montreal, at 3 o'clock Monday afternoon, Oct. 21st.

The President, Mr. William Molson Macpherson, took the chair, and there were also present Messrs. S. H. Ewing, Vice-President; George E. Drummond, George Durnford, David McNicoll, Chas. E. Spragge, F. W. Molson, Kenneth Molson, Herbert Molson, Alexander D. Fraser, Percival Molson, W. H. Evans, A. Piddington, James Elliot, General Manager, and W. Draper, Superintendent of Branches.

In opening the proceedings, the President called upon Mr. W. H. Draper to act as secretary, and Mr. Draper then read the notice published in The Gazette Aug. 21st calling the meeting and announcing dividend.

The President then called upon Mr. James Elliot to read the annual report of the Directors as follows:—

ANNUAL REPORT.

Your Directors have pleasure in submitting to the Shareholders this the Fifty-seventh Annual Report of The Molsons Bank and Statement of its position on 30th September 1912.

The business shows a steady increase in volume and the demand for money has been good during the year.

The net profits after providing for Operating Expenses and Bad and Doubtrul debts amount to $684,779.25. After payment of 11 per cent in Quarterly Dividends, writing off $66,515.65 to Bank Premises, and subscription to our Pension Fund &c., $100,000 has been transferred to the Reserve Fund, raising it to $4,700,000. The balance, $42,522.30, has been added to Profit and Loss Account, making it $161,828.42 at credit.

During the year Branches have been opened at Belleville, Ont., and in Montreal at Bernard Avenue and at Ville St. Pierre (Blue Bonnets); whilst our Branch at Dashwood, Ont., has been closed.

Besides alterations and extensions in this our Main Building, now completed, your Directors have found it necessary and advisable to provide premises at various Branches, namely Calgary, Drummondville, London and Vancouver, involving heavy expenditures. To meet this, $400,000 has been added to our Bank Premises Account, making it $1,100,000. The market value of your properties much exceeds this.

By the much regretted and tragic death of Mr. H. Markland Molson, lost on the "Titanic," the Bank loses the services of an able and energetic Director, one untiring in promoting its interests. Mr. Fred W. Molson, his brother, has been appointed in his place.

Mr. A. D. Durnford's sudden death also makes a void on the Staff deeply felt, after an efficient and faithful service of over forty years. Mr. W. H. Draper, late Inspector, has been appointed Superintendent of Branches in his place.

All Branches of the Bank, and the Head Office, have been inspected during the year, and the Officers have efficiently performed their duties.

Field Day Sports.

The first gathering of the Field Day sports in connection with the schools of Chesterville was held here on Friday afternoon last, and the weather being favorable, a large crowd of pupils ahd parents were present to witness and take part in the many contests on the programme. Through the efforts of Mr. W. T. Baker, principal of the Continuation School and Miss Shennette, principal of the Public School, and other teachers of the schools, is largely due to the success of the field day sports. While there were many who deserve credit who assisted in running off the events, still we must mention the announ cer of the events during the afternoon, in the person of Mr. J. C. Simser, who made a capital man for the position, and gave every satisfaction. In the evening a program was rendered in the Music Hall, and the prizes distributed to the successful winners, the name of the doners being announced. Mr. W. T. Baker filled the position of chairman very acceptably. During the evening every preparation was made in the town hall for a feast for the youngsters, and after the exercises were completed in the music hall, all were invited to lunch, which, it is needless to say, was thoroughly enjoyed.

Was Drowned Off Barge

Cornwall, Oct. 20.—Word has just reached here of the death by drowning of Stephen Leboeuf, jun., in the serious windstorm on Lake Ontario last week. Leboeuf was on one of the wrecked tow barges of the Ogdensburg Coal Company, which became disconnected from the tug Proctor and went to the bottom of the lake. Deceased had lived in Cornwall until eight years ago, when he removed to Fulton, N. Y., where he followed his work as a baker.

At the time of the accident he was on his way home to see his parents, Mr. and Mrs. Stephen Leboeuf, sen. He is survived by his parents and wife and nine, children, also three sisters who live in Montreal, Mrs. Angus Lalonde, Mrs. Victor Charlebois and Mrs. Josephine Charbonneau. His wife, who was Miss Maggie Dumond is a daughter of Louis Dumond.

In the county judge's criminal court to-day before His Honor Judge McDonald, Edward Bennett, a resident of Westport, was charged with stealing $47 from the person of James Bennett. The accused on Monday pleaded not guilty, but when brought out this morning he asked permission to change his plea. Mr. M. M. Brown, for the crown, consented, and Bennett again being arraigned pleaded guilty. The prosecutor stated that the money had been made good to him and with the approval of the county crown attorney the prisoner was discharged on suspended sentence, being required, however, to pay the witness fees.

Mr. Peter Sayers of Guelph, formerly of Esquesing and Nassagaweya, Died suddenly in his 67th year.

No More Gray or Faded Hair.

Women and men who use Parisian Sage can be sure their hair will never turn gray.

Parisian Sage will preserve the natural color of the hair; stop it from becoming faded and lifeless, and by nourishing the hair root give to the hair a lustre and radiance that compels admiration.

Parisian Sage stops falling hair; banishes dandruff, makes the scalp clean and free from itchness and promotes a growth of heavy hair.

MARKET REPORTS.

Liverpool and Chicago Wheat Futures Close Higher—Live Stock—Latest Quotations.

CHICAGO, Oct. 21.—Heavy arrivals of wheat at primary terminals crushed out an advance today, due to growing fear as to the serious nature of the war in the Balkans. The result was a steady close, with prices the same as Saturday night to 1-8c up. Latest trading left corn unchanged to 1c lower, oats either not altered or within 1-8c decline and provisions 2 1-2c down.

The Liverpool market closed ½d to ¾d higher on wheat and ¼d to ⅝d higher on corn. Paris wheat closed ½c to 1½c higher, Budapest ⅛c lower, Antwerp ⅝c lower, and Berlin ⅝c lower.

CATTLE MARKETS.

Montreal Live Stock.

MONTREAL, Oct. 21.—At the Montreal Stock Yards west end market the receipts of live stock for the week ended Oct. 19 were 2350 cattle, 2900 sheep and lambs, 2300 hogs and 725 calves. The supply on the market for sale this morning amounted to 1700 cattle, 1700 sheep and lambs, 1200 hogs and 500 calves.

Altho the supply of cattle was somewhat larger than a week ago, there was no important change in the condition of the market, owing to the fact that the quality of the stock was better and the percentage of common and inferior smaller. The gathering of buyers was large, but owing to the milder weather the trade was not as active as it should have been, as buyers generally only bought sufficient cattle to fill actual wants. A few small lots of choice picked steers sold as high as $6.50, but the bulk of the trading in this class was done at $6 to $6.25, and full carloads changed hands at $5.75 to $6.15 per 100 pounds. Some small lots of choice cows and heifers sold at $5.75 to $6, and a few bulls at $4.50 per 100 pounds.

The tone of the market for lambs was stronger, and prices showed an advance of 25c per 100 pounds since this day week, on account of the continued good demand from packers and butchers for supplies and an active trade was done, with sales of Ontario stock at $6 to $6.25, and Quebec at $5.75 per 100 pounds. There was no change in the market for sheep, but prices were firm at $3.75 to $4 for ewes per 100 pounds.

The demand for calves was good, and sales of milk-fed stock were made at 6c to 7c per pound. Hogs were stronger, and prices 25c to 35c per 100 pounds higher than a week ago, owing to the upward tendency of values in the west and the smaller supplies coming forward. The demand was good. Selected sold as high as $9.

Butchers' cattle, choice, $6 to $6.50; do., medium, $4.25 to $4.75; do., common, $3.50 to $4; canners, $2.50 to $3; butchers' cattle, choice cows, $5 to $5.25; do., bulls, $3 to $4; milkers, choice, each, $80 to $90; do., common and medium, each, $60 to $70; springers, $55 to $65.

Sheep, ewes, $3.75 to $4; bucks and culls, $3.25 to $3.50. Lambs, $5.75 to $6.25.

Hogs, f.o.b., $9.

Calves, $3 to $10.

Chicago Live Stock.

CHICAGO, Oct. 21.—Cattle—Receipts, 25,000; market, steady; beeves, $5.50 to ...; Texas steers, $4.40 to $5.75; western steers, $5.65 to $8.90; stockers and feeders, $4.20 to $7.40; cows and heifers, $2.80 to $7.50; calves, $6.50 to $9.50.

Hogs—Receipts, 33,000; market, weak, 10c lower; light, $8.25 to $9; mixed, $8.40 to $9.10; heavy, $8.35 to $9.10; rough, $8.45 to $8.60; pigs, $4.75 to $7.60; bulk of sales, $8.70 to $9.

Sheep—Receipts, 52,000; market, steady; native, $3.60 to $4.90; western, $3.85 to $4.70, yearlings, $4.75 to $5.90; lambs, native, $5.25 to $7.50; western, $5.50 to $7.40.

This Picked Up Drapery Extremely Coquettish.

FROCK OF BLUE CHIFFON.

Simple enough in general design is this little frock of machine plaited blue chiffon over a buttoned cassock gown of white charmeuse. Particularly chic, too, is the hat worn with it of black velvet and the smart little patent leather boots with buttoned cloth tops, which complete the gay costume.

SMOCKING EFFECTIVE.

Blouses Trimmed In This Fashion Smart For the Small Boy.

One of the very prettiest ideas in the way of trimming is smocking. This is an easy stitch to learn and a little of it can work wonders in lending an air of distinction to the dress. A fascinating little frock was made from the good old Holland linen, which withstands so successfully the assaults of hard usage. A fullness at the neck was taken care of by the smocking, which appeared again on the litle wristband. A lovely golden brown silk was chosen to work this smocking and the result was not only a thoroughly practical gown, but an artistic and pretty one as well.

The English smocked blouses for the little lad are quite the newest fad and they are wonderfully good looking. The wash materials and the serges are both used for these blouses. Sometimes the smocking is used to lend the yoke effect, again it appears only at the neck in the front. Another model shows the smocking from the shoulder well over the round of the arm, in fact quite to the elbow. The blouses are often allowed to fall straight, although they may be confined by a belt. The little bloomers complete this costume, which is really as attractive as it is novel.

Around the Honey Makers.

If you have not already done so, by all means requeen all colonies with young queens, as this will in a large measure prevent swarming next season.

For comb honey a hive a little more shallow in the brood nest than the regular body is preferable, as it forces the honey up into sections just where it is wanted.

There are some 800,000 beekeepers in the United States. More than 500,000 are farmers who keep bees as a side line, obtaining honey for home use and a small trade.

There is no better time than the latter part of September for making the colonies strong in bees and stores for their long winter's sleep, and in this respect "a stitch in time is worth nine." While there will be little brood reared the last of this month, yet the weaker colonies may be strengthened by giving them frames of sealed brood and bees from the stronger ones, and this can be safely done.

In any soil, on any farm, the CLIMAX earns money for you every minute you use it

Very Strong

You can rip sod land with the CLIMAX and a 3-horse team—so it MUST be built strong! Yet the teeth won't smash if they strike a stone—their joints unlock and fly back to pass over unharmed.

Manitoba College used a CLIMAX on land rank with wild mustard; got rid of that bad weed; and grew oats 71 inches in the straw *without a weed in the whole crop!* The CLIMAX certainly does destroy weeds!

Easy Handled

Each pole has a tilting lever; and these, with the pressure lever — all in easy reach of operator — exactly regulate depth of cut. Teeth go right for the roots of the weeds, and rip them out of the soil.

This is the stiff-tooth cultivator that gets the weeds OUT of the soil—not merely cuts off their tops or just tickles the roots a little. On dirty land you surely need the

Official Was Exonerated, But Dismissal Follows

Tweed, Oct. 18.—In the face of the investigation, conducted by a specially appointed Conservative commissioner, who examined the charges of political partisanship preferred against Mr. James Murray, the postmaster here Hon. Mr. Pelletier has seen fit to dismiss him. It speaks well for the public sense of decency that Conservatives as well as Liberals are raising indignant voice against this outrage of public morality, and are joining in the demand for "reasons" for the Postmaster-General's latest exploit as a political hangman. It is also probable that Mr. Northrun, the member, will be called to account by several of his own supporters.

The investigation into Mr. Murphy's case, it will be remembered, lasted over three weeks. There were no specific charges and none were proven. Nearly four months elapsed, and the matter was generally considered closed when Mr. Pelletier suddenly dismissed the postmaster and volunteered his remarkable reason for so doing. In response to a communication asking for reasons, his department replies: "The report of the commissioner who held the investigation into the charges preferred against you fails to exonerate you." Apparently Mr. Murphy was held to be guilty until proven innocent, and expected to rebut charges which were never never formulated or delivered to him and which were made by men whose names were refused to him.

However, Mr. Murphy was fortunate ia exonerating himself. He obtained from the commissioner a complete copy of the evidence on which the department acted. This goes throughout to show that in no way did the postmaster trangress the Garrow resolution. The very witnesses called by the prosecution had nothing but good to say of him. Several Conservatives volunteered assurances that Mr. Murphy had never interfered in any way in politics and was an excellent and capable postmaster.

There is little doubt that this latest exploit of the Postmaster-General and Mr. Northrup's connection therewith will be ventilated in Parliament when the House meets.

Gov't To Build Drydock

Ottawa, October 11.- It is understood that as a result of a visit of the cabinet ministers to Quebec city to look over the situation, the government has decided to build the proposed daydock itself as an ordinary public work. The coustruction of such an undeataking is seriously needed and will greatly improve the value of the St. Lawrence route. Several incidents recently have shown the great need of a drydock, such as the recent accident of the Empress of Britaiu when the C. P. R. steamer had to be taken rcross the Atlantic to be repaired.

For years the lack of a drydock has been one of the serious drawbacks to the route and one of the causes for high insurance rates. Steamship interests for years endeavoured to get the Laurier Government to take action on this question. Plenty of promises were made and the old administration toyed with a scheme of financing a company to build and operate a dock by guaranteeing its bonds. The negotiations, however, and the new Government; it is understood, has decided to build the drydock itself. when built an arrangement may be made with the shipping interests whereby they will operate the dock.

Mr. and Mrs. J. D. Sherman, who have lived in Wales for over a quarter of a century, left last week for Lashburn, Sask., where they will reside in future. Previous to their departure, Mrs. Sherman was presented with a handsome Bible and hymn book by the Wales branch of the W. F. M. S., of which society she had always been an active member. The presentation was made by Miss Annie Martin. Their many friends in the surrounding district wish them every success in their new home in the west.

After a long illness Charles Empey passed away at his residence Dickinson Landing, Saturday, Oct. 5th, aged 52 years. Deceased was a son of the late William Empey and was born at Dickinson Landing. While Mr. Empey's death was not unexpected, it came as a great shock to his many friends. He is survived by his wife, who was formerly Miss Elizabeth Carter and four sons and one daughter, Sidney, of Brockville David, Edward, Charles and Miss Nina; one grand-daughter, Miss Ruth Wickware and one sister, Mrs A. G. Scott, all of Dickinson Landing. The funeral took place on Monday from his late residence to St. David's church and cemetery at Wales, and was very largely attended. The funeral was under the direction of the A. O. U. W., of which the deceased was a member.

Many Contests For Local Option

Another big local option compaign will be fought out at the time of the municipal elections, in January, 1913. Voting will likely take place in over 70 municipalities, comprsing one city, 16 towns, 20 villages and 34 townships.

For the most part the contests are in Western Ontario, Huron leading with nine contests. Among the larger places to vote are Peterboro, Lindsay, Carleton Place, Clinton, Oshawa, Pembroke, Petrolea and Sarnia.

Most of these places have voted before, but in a considerable number the question is now before the electors for the first time. The striking feature of the fight is the fewness of repeal contests. Last of 178 places where repeal contests were possible, voting took place in 15, and in none of these the attempt to repeal was suceessful.

This year there are 240 possible repeal contests, but it is not likely that in 10 per cent, of these will the issue be brought before the electors. Repeal contests, however, will be brought on in a number of places. Among these being the Towns of Galt; Orangeville and Strathroy.

License reduction campaigns will also be fought in Windsor, and some other places.

From the Dominson Alliance office of Toronto, the following list of places has been handed out, where contests are definitely in progress. This list may be supplemented. as Munibipalities have up to Nov. 1 to present petitions:

Cities—Peterboro.

Towns—Aurora, Carleton Place, Clinton, Forest, Ingersoll, Kincardine, Lindsay, Meaford, Mt. Forest, North Bay, Oshawa, Pembroke, Petrolea, Sarnia, Whitby, Wingham.

Villages—Bancroft, Bayfield, Brussels, Dutton, Eganvslle, Exeter, Fenelon Falls, Fergus, Georgetown, Glencoe, Markdale, Morrisburg, Newboro, Port Stanley, Parkhill, Springfield, Tiverton, Thamesville, Victoria Harbor, Westport.

Townships—Amherst Island, Arthur, Brock, Bronley, Burleigh and Anstruther, Cornwall, Christie, Delaware, Drummond, Dunwich, North Easthope, South Easthope, Ellice, Elma, Escott, Front, Esquesing, Fitzroy, Hibbert, Himsworth, Cing, London. Louth, Malden, Mckillop, Monteagle, Morris, Nichol, North Gower, Normanby, Pembroke, East Sandwich, Stephen, Thornberry, Whitby.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is Catarrh. Hall's Catarrh Cure is the only positive cure now kuown to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.
