SANTA ON THE WAY!

Arriving By Helicopter In Winchester Saturday

"Santa Claus Is Coming To Town!" That's the song the kiddies have been singing all week and it will finally come true this Saturday. Santa will really be here. Too early in the season for his reindeer, they are resting for Christmas, Santa will arrive in a gleaming helicopter.

At about 1.30 o'clock the whirr of the churning blades of Santa's whirlybird will be heard high above Winchester. Circling once to let everyone know he is here on his special pre-Christmas visit to Winchester, he will set his special flying sleigh down on the south campus of the Public School.

When Santa steps from his helicopter he will be greeted by a huge crowd of boys and girls and all his other friends in Winchester and district who have come to see the Jolly Old Gentleman.

Now, as Santa is a special visitor to the town only twice a year and the second time no one sees him, the Chamber of Commerce has arranged a large parade in his honour. Santa will ride on a sleigh mounted high on a float in the parade. All Santa's helpers in Winchester have worked hard to make the parade a grand success, and more than the four thousand people who viewed Santa's last visit are expected to be on hand.

More than twenty floats are expected to be in the parade. Clowns, pretty, pretty girls, and of course lots of music for the Christmas season will be provided by the NDDHS Band, all will be in attendance.

MISS OTTAWA ROUGH RIDER

A very special attraction and someone well known will appear in the parade in the person of Miss Ottawa Rough Rider, Miss Sheira Crepin, accompanied by her official chaperon, Ken "General" Grant, Ottawa Radio Station CFRA's official General.

The committee in charge of the parade reports that plans and floats are being completed right on schedule and all the ingredients for a big day for young and old are brewing in the pot and should be at peak flavour on Saturday, December 7th, at 1.30.

The parade, which begins at the Public School, will go back St. Lawrence Street to Main, turn right down Main Street and then north on Centre Street at the Town Hall, and around the block by the Camp Grounds to the Community Centre. Inside the Arena Santa will greet all his friends in the area and may take a few late orders for Christmas. Again the Chamber of Commerce has provided large bags of candy to be distributed by Santa and his helpers from the Winchester 100 Club and Legion to all the girls and boys present.

With the distribution of candy finished the Parade, complete with the bearded Man in Red will move back out through the town to the Memorial Hospital and then back to his Whirlybird sleigh for a quick return trip to the North Pole where he will rest until Christmas Eve when he returns to Winchester.

Carleton Junior Farmers Meet At Springhill

Held in the Springhill School last Monday the meeting to elect officers for the 1964 edition of the East Carleton Junior Farmers was under the direction of Home Economist Miss Linda Ross.

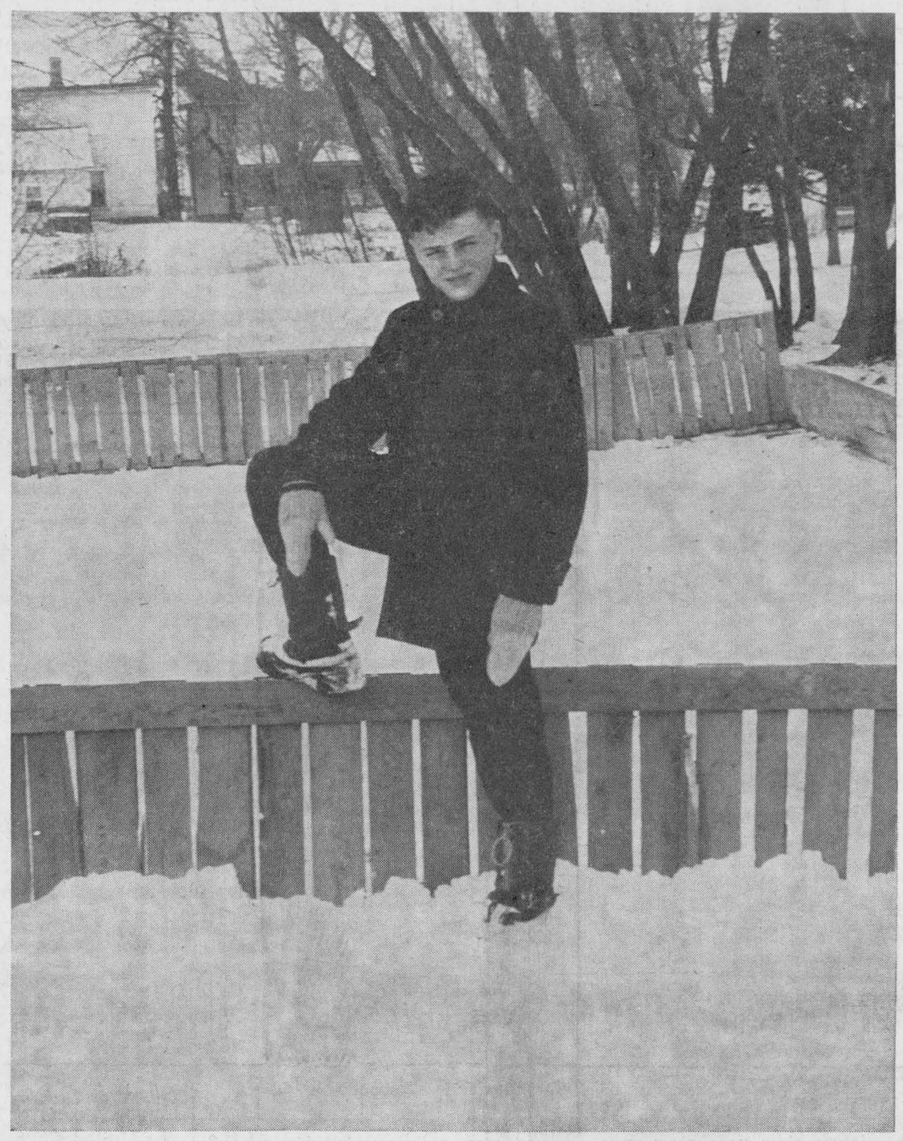
Unanimously appointed honorary president was William Gladish. Officers elected by the gathering were: past president, Peter Crerar; president, Bruce Dow; vice president, Ken. Murdock; secretary, Joan Macartney; treasurer, Laura Acres. County Directors: Bruce Dow, Laura Acres, Joan Macartney and Ken. Murdock. Also appointed were representatives to the County Federation of Agriculture: Mary Campbell, and to the Metcalfe Fair, Bruce Dow. Conveners of the Project committee are Ken Murdock and Dwayne Acres.

Other committees appointed were: Ways and Means, John Whyte and Peter Crerar; Agriculture and Education, Ford Patterson, Linda MacBride and Brian Dow; Recreation and Sports, Jim Arbuckle and Elsie Patterson; Press Reporter, Mary Campbell.

Past President Peter Crerar received a past president's pin from John Whyte.

Other business at the meeting consisited of a report by Trevor Boyd of his trip as delegate to the Toronto Conference of the Federation of Agriculture. Tickets on a turkey draw were distributed among those present. The draw will finance the trip of the East Carleton Choir to the Toronto Conference on January 11. The draw is to be made at the Christmas Party on December 20th in the Club 31 Hall.

Linda McBride and Jim Arbuckle conducted a sing-song before lunch was served by Joyce Cowan, Peter Crerar and Beverley Whyte.



Winter Is Here

Ring of the puck off the boards, nor the swipe of skates cannot be heard at the Community Centre yet; but each night after school and all week-end it is possible to see the most enjoyable hockey anywhere right in the backyards of some Winchester homes.

Bill Lloyd of Clarence Street is pictured here leaning on the boards of his large rink which is progressing rapidly toward completion in the Lloyd backyard. With the boards up and flooding proceeding at a fast rate the rink should be ready for action very soon, says Bill. On the backyard scale the ice surface is a very large one. Some of Bill's counterparts throughout the village are already playing hockey daily after school on smaller rinks, but Bill feels he will have a superior rink with his extra effort and time spent.

When the snows came and the mercury plummeted not all were prepared for the onslaught. Saturday morning there could be seen more than one citizen out shovelling the walk with the snowshovel with the badly bent edge that "I was going to fix last summer"; or wearing one toe rubber because "My son has the overshoes on and I can't find the other one."

Motorists always seem to be the worst offenders with everything left to the last moment. Garages did a landslide business putting on snow tires and starting stalled autos. As one garageman commented, "Why did it have to happen on Grey Cup Day?"

By the way, more than three inches of snow fell and the mercury dipped to zero.

Press Feature Article Helps District Firm Win Contract

A feature article in The Winchester Press and a subsequent article in The Ottawa Citizen has been helpful in acquiring a large logging contract for a man well known locally.

J. Aime Brunet gained the contract from the Singer Manufacturing Company, Thurso, Que. The company is a branch of the Singer Sewing Machine Company. The largest contract to ever be awarded to Brunet, it involves clearing of more than two square miles of dense bush in the Gatineau. Located near the Charles French farm, 25 miles north of Thurso and east of Buckingham, the job will be completed March 15, 1964.

Expected yield from the cutting is estimated at one and one-half million board feet of logs of virgin birch and hard maple; and six thousand cords of pulp wood. The project, which is already underway, will extend through the greater part of the winter.

Brunet will employ fifty to sixty men on the job. Upwards of fifteen trucks, ten teams of horses, numerous chainsaws, bombadiers and tree farmers will be used.

Aime Brunet is well known and liked throughout this district and his customers in this area may take note that he will again be available for work as of March 15th or soon thereafter.

Aime was working in the Phifer bush south of Winchester Springs when a feature article about his work appeared in The Press.

Holstein Breeders Elect Officers

Annual meeting of the Dundas Holstein Breeders' Club was held at the Department of Agriculture Office, Winchester, last Thursday.

The meeting, which commenced with a dinner in the Winchester Town Hall, was chaired by President Bernard Brunt.

Grant Smith, Fieldman for the Holstein Association, reported an increase of more than 200 membership in his district. Export sales, however, had dropped about 11 per cent. from the previous year. Mr. Smith congratulated those farmers who had received certificates for Star Brood Cows during the past year. These included Orville Smail, Ralph Fawcett, Nick Beuman, Harold W. Merkley, Hugh Blaine, Graham Durant, Ernest Munroe and Son, J. Byvelds and Sons, and John Thompson.

Speaker of the afternoon was R. E. Bell, Farm Management Specialist, Ottawa. Mr. Bell dealt with the use of credit by farmers and offered suggestions as to what to look for when credit was required.

In the election of officers for 1964 Delmar Adams, of Dixon's Corners, was elected president. Others elected to office were: 1st vice president, Franklin Milne, Mountain; 2nd vice president, Harold W. Merkley, Chesterville; secretary, E. K. Pearson; treasurer, Bernard Brunt.

Directors: Williamsburg township, Wilburn Robinson, Harold Pemberton, Arnold Byvelds and Denzil Robinson; Winchester township, Hugh Coons, Douglas Durant, Bert Link and Carl Smith; Mountain township, Arthur Milne, Dwight Dawley, Allison Fawcett, Ralph Fawcett; Matilda Township, Lorne Henderson, Carl Empey, William Smail and Merle Graham.

Warden Zeron Still In Hospital

Mahlon Zeron, United Counties Warden and Reeve of Matilda Tonwship, underwent surgery in Winchester District Memorial Hospital last week to remove two toes from his left foot.

Mr. Zeron lost one toe immediately after his foot was caught under the tire of his tractor on November 16. He has been in hospital since that date and is expected to remain a patient for at least another week.

FOR MRS. D. NESBITT

Village Council Plans Special Tribute

First regular December session of Council was held in the Council Chambers Monday evening. Reeve G. H. Reynolds presided, with all members, Clerk C. R. Robinson and Town Foreman Reg. Freeland in attendance.

Council has been notified of a reception for invited guests, sponsored by the Bell Telephone Company, in conjunction with the opening the new, modern dial system in Winchester on December 15th. Discussion on the new dial system evolved into the need for a new and revised system for police and fire calls in the village. With the inception of the new system of dialing it has been definitely decided to increase the efficiency of answering emergency calls. Full details of the revisions and innovations will be published fully at an early date.

Of special interest to the Council was the preparation of a suitable tribute to Mrs. Jay Nesbitt on the occasion of her 100th birthday on December 27. On that date Mrs. Nesbitt, the village's oldest resident, will be honoured by Council on behalf of the citizens of Winchester.

Councillor Elliott, reporting on the repairs carried out at the Community Centre, said that ten new lights costing $350.00 had been installed to illuminate the ice surface. Concerning the installation of more support cables and turnbuckles, Council was told that tenders had been received and the estimated cost of the cable, turnbuckles and work was $1875.00. A decision was made to set aside the actual labour until an Ontario Building Inspector is called in to make a survey of the rink and a report to Council as to any repairs that might be necessary. The arena at this time is considered to be in good condition.

Clerk C. R. Robinson was instructed to issue funds to meet the insurance premiums due. Next meeting of Council will be Monday, December 16th, at the appointed hour.

Accounts passed were: Hydro, $4,719.52; Water, $232.25, and Village, $2,574.75.

150 Attend Annual Banquet Ayrshire Club

Grenville - Dundas Ayrshire Club held its annual banquet in the Kemptville United Church Hall last week. More than one hundred and fifty members and special guests were present for the banquet and the program of presentations that followed.

After the delightful meal secretary-treasurer Donald Rose introduced the head table guests. Seated at the head table were: Mrs. Jean Casselman, M.P.; Emrie Dingwall, President Stormont Ayrshire Club; Mr. and Mrs. Herman Jansen, vice president, Grenville-Dundas Ayrshire Club; Mr. and Mrs. Hilton Buckingham, president; Mr. and Mrs. Wm. McRoberts, Director, Ayrshire Association of Canada; and Mr. and Mrs. Bernard Brunt, President Dundas Holstein Club.

Preceding the presentation of trophies a program of musical entertainment was enjoyed. The presentation of trophies and certificates followed.

Donors and recipients of trophies and certificates: Ault Trophy, presented by Raymond Earl, to the Premier Breeder, S S. Rose and Sons; Borden Trophy, presented by Lawson Arcand to Premier Exhibitor, S. S. Rose and Sons. B. P. Thophy, presented by Ron Freeland for the Breeder's Herd to Wm. McRoberts and Sons. Fennell Feed Trophy for the cow combining type and production to Wm. McRoberts and Sons. Royal Bank of Canada Trophy for the best uddered cow to John Seguin.

Presentation of certificates was made to William Paul, Extension Fieldman of the Ayrshire Breeders Association of Canada. The highest B.C.A. in the club went to the herd of H. J. Kittle and Sons. The Kittle herd also won two silver seal production certificates and one gold seal certificate. John Seguin was presented with a silver seal certificate.

Ontario Cheese Board President Addresses Dundas Group

"I always make an effort to come to the Dundas Cheese Producers Annual Meeting because it is the one with the largest attendance in the province," said Hestor Arnold, President of the Ontario Cheese Board. He addressed the meeting briefly, outlining programs in progress and other interesting features of the cheese industry to-day. He reported that one hundred and forty million pounds of Ontario cheese were shipped to England this year. Ontario cheese, he continued, has a premium of seventeen cents a pound over New Zealand cheese.

President of the Dundas Producers, Byron Martin of Hallville, welcomed all present and wished the farmers in the county a very prosperous year in 1964. In his report read during the business meeting, chaired by himself and assisted by secretary J. W. Cooper, Mr. Martin told of his year's work and mentioned with pleasure that the Hallville cheese factory that had been previously closed had been operated this year.

Auditor Douglas Irvine gave the financial report. A balance of $696.19 showed on the books.

Ray Allen and Wm. McIntyre, of Mountain, former directors, made a special presentation to William Lane of Williamsburg who served as a director of the Dundas Cheese Producers for 28 years. A panel chaired by Frank Robinson, Chief Dairy Instructor, KAS; Dr. Taylor, KAS; farmer Gerald Adams; cheesemaker Russell Millar, and R. J. Kelso, vice president of the Marketing Board, answered questions brought forward by the panel and from the floor.

The executive placed in office for the year 1964 was: President, Byron Martin; vice president, John Wells; secretary-treasurer, Wilfred Cooper; auditor, Douglas Irvine. The officers were elected at the special directors' meeting after the close of the regular session. Directors appointed during the meeting were: Matilda: Wilfrid Cooper, John Wells and Merle Graham. Winchester: Willard Baker, Hector Carruthers and Orval Christie. Mountain: Byron Martin, Harold Allen and Ewart Simms. Williamsburg: Gerald Adams, Egerton Barkley and Wilfred McMillan.

The Ontario Cheese Producers' Convention will be held in Ottawa on January 9 and 10, 1964. The ladies of the Matilda Rebekah Lodge catered to the meeting.

Morrisburg Rejects Sunday Sports

Morrisburg voters rejected both Sunday sports and movies in a plebiscite Monday. The sports issue was voted down 338 to 301 and the movie question rejected 301 to 244 in a light turnout of voters.

Ironically, Morrisburg voters accepted a plebiscite last year providing for licensed lounges and liquor with meals.

Light Vote In Mountain

Less than one-third of the voters turned out to cast ballots in Monday's election in Mountain Township. With only the race for three Council positions on the ballot only thirty per cent. of the eligible voters exercised their franchise.

Ewart Simms, a member of last year's Council, lead the six candidates by collecting 300 votes. Three men drew almost equal approval for the remaining two seats. Tallied up, the results showed Harry Williams, veteran councillor and former deputy reeve, returned to public office with 233 votes, and John Loughlin with 232. In fourth position was Gordon Simzer with 230 votes. Trailing the front runners were Chas. Woods with 168 and Alton Casselman 165 votes.

Acclaimed to office after the recent nomination meeting were Reeve John Thompson, Deputy Reeve Delmer Timmins and School Trustees Keith Fawcett and Bill Graham.

Poll by poll figures as released by Returning Officer Donald Baldwin are as follows:

POLLS	1	2	3	4	5	6	7	Totals

Guidance In Elementary Schools Theme Of Seminar

Director of Guidance for the Ontario Department of Education Frank Clute, spoke to a large group of elementary and secondary school teachers gathered at North Dundas District High School last week. The meeting was the first in a series of seminars on guidance under the directorship of Dundas Public School Inspector Hugh M. Hutchison.

Introduced by Inspector Hutchison as a man well acquainted with the problems and pitfalls of guidance, Mr. Clute spoke on his subject convincingly and emphatically. He divided the guidance in schools into three particular sections. Orientation of students to their future choices of education within the revised secondary school curriculum; the assessment of the pupil by the teacher as to the abilities of the pupil and his future capabilities; and finally "it is the teacher's duty to provide facts about the world of work and future education for the aspiring student."

To acquaint the student with guidance and to assist the pupil it is necessary to use a sensitive and sympathetic approach to fulfill the duties of a guidance counsellor. In the speaker's experience this was the best road to success teaching and discussing guidance.

COMPLETE CO-OPERATION

Emphasizing the need for complete co-operation between the elementary and secondary school for the proper advancement of the pupil, Mr. Clute said the guidance is a developing process that should begin in the elementary school. It is not a matter of a quick decision by a student at a Grade nine level as to a career, or a future, in education. It is a long drawn out process of study and observation beginning in elementary school right through to the completion of secondary school, Mr. Clute explained. Essential to the success of guidance and the student is the necessity to make the move from elementary to secondary school as natural and casual as possible; "do not make it a seeming change from one world into another," he said.

NEW GUIDANCE PROGRAM

In concluding Mr. Clute revealed the possibility of a teacher guidance education program in this part of the province in the summer of 1964. Last year taking the teacher-guidance course in Toronto were more than 700 teachers and of that number more than fifty per cent. were elementary school instructors.

Thanking Mr. Clute for his interesting and informative talk NDDHS Principal Roy Wilson made note to the public school teachers present that the facilities of this larger institution were available for use by the elementary teachers. Equipment not available in the smaller schools could be loaned for demonstration, and closer co-operation would be enacted.

Closing the meeting Mr. Hutchison remarked that all stops will be removed in his efforts to attain a guidance program for local teachers this summer.

Christmas In Winchester

About one-thirty o'clock this Saturday afternoon when Santa Claus lands in his whirlybird sleigh on the south campus of the Public School it will mark the official start of the Christmas season in Winchester. With the first snow the town is taking on a festive air. The lights on pine boughs are being erected on the light standards along St. Lawrence and Main Streets; the huge Christmas tree may be seen at the town's main intersection and will cast its cheerful and colourful light not only in the immediate surroundings but far out St. Lawrence Street where it may be seen as far away as the C.P.R. Station.

The businesses and homes of the village are also carrying out the "light for Christmas" and the later winter season theme. Once again this year the Chamber of Commerce will sponsor a contest for the best decorated homes in the village with cash prizes being awarded to the winners. For the people who possibly cannot afford the outside decorations or those who are not able to do the work for some reason or other a simple wreath in the window or a candy cane hung on the door will show that you also are in the spirit of the season, and will add greatly to the Christmas theme in the village.

Winchester's business district in the Yule season is one of the prettiest around. In the evenings and the darkening afternoons of winter the lights and decorations shine late into the night. Inside the stores, too, there is a large selection of gifts for everyone — from great grandad to the newest member of the family.

But, Santa is the special guest Saturday and his hosts, the Chamber of Commerce, have arranged in his honour a big parade including more than twenty floats, clowns, the NDDHS Band, pretty girls and many surprise features. So that everyone may see Santa the parade route will go along St. Lawrence Street, down Main Street, back Centre Street, then up to the Community Centre where the youngsters may receive a bag of candy courtesy of the Chamber of Commerce, from Santa and his helpers.

Then Santa and his friends will retrace their route to the Memorial Hospital where the Jolly Old Gentleman goes each year for a little visit with all the patients. Finally, he returns to the waiting helicopter and back to the North Pole to make preparations to return to Winchester and the district on Christmas Eve.

The Chamber of Commerce invested more than $600 in last year's parade and decorations in the village. And this does not include countless hours of hard work by many persons in preparation for the event or the money spent on individual floats and decorations. There is no reason to expect any change this year as the Chamber is again making an all out effort to attract people to our fine village. It is from interested and conscientious businessmen and women that the funds are made available for the big event every holiday season. Individual businesses contribute to the fund that pays for the helicopter, candy, street decorations and advertising in a gesture of thanks to the people of Winchester and district for their patronage in the year past and in the sincere hope that they may continue to serve their loyal customers throughout the Holiday season and 1964.

It seems logical that the population of Winchester and the district should do their shopping in the village not only at Christmas but throughout the year. When you do your buying in Winchester you are not only sustaining business in this town and district but you make possible more employment for your family and friends perhaps; better service and lower prices. But, most important is that the people in business in Winchester live here. They spend their money here too. They donate to churches, charities, bazaars, the many worthwhile organizations in town and district, and they pay a large portion of the taxes. When a new baseball team starts, where do the managers go to get money for sweaters? if an organization is having a banquet and wishes to give awards? if district fairs seek donations for prizes? in fact when anything in the community is organized for the public, in some small or large way the businesses of this town are approached for help, and they do help! Therefore, when it is possible, let all of us do our year round shopping and business at home to support our merchants and business men and women who have supported us in the past and will continue to do so in the future. We help ourselves by helping Winchester to remain prosperous and healthy.

Of Many Things

BY AMBROSE HILLS

HEY, MABEL!

I am told that in Manitoba beverage rooms the male waiters are outraged. Most Manitobans are able to watch TV advertising from across the border, and one of those advertisements features the customers saying, "Hey Mabel, Black Label!" So effective has this gimmick been, at least so adaptable to humor, that Manitobans get a kick out of using it in our own beer parlors or beverage rooms.

Manitoba has not yet revised its laws relating to the advertising of beer and wine, and consequently the local breweries send their money across to the U.S.A. or to Ontario radio stations which penetrate the province. One well-known TV personality commutes to the U. S. in order to deliver advertising messages to Manitobans he may not speak to in that fashion from local outlets.

How long this situation can continue is anybody's guess. Very likely the Roblin government would like to put an end to such nonsense by adopting a code similar to that of Ontario. But rural MLA's, subject to pressure from small but vocal groups, are not always courageous enough to go along with modernization of laws.

The whole story of beer and liquor advertising is a sad and sorry one. So artificial has the situation become that many youngsters believe that the only industry truly interested in traffic safety, or the better things of life, is the brewing industry. They may be interested all right but not that interested.

Manitoba has an economic interest in reforming these laws. Once the centre of an important publishing industry, Manitoba lost out when other provinces allowed such advertising and we did not. Magazines loaded with such advertising come pouring in here just the same and there is no way to stop them. Now the TV industry here is in a similar position. American broadcasters are getting the money, but about 80% of Manitobans are hearing and seeing the advertising. It is enough to make anybody squirm to hear Manitobans being urged — from a North Dakota station, to "Live it up in Manitoba!" No wonder beverage room waiters are chagrined!

Meditations . . .

BY REV. CECIL W. TUININGA

Luke 12:51—"Suppose ye that I am come to give peace on earth? I tell you Nay; but rather division."

The modern instruments of war are most dreadful. The thought of a nuclear war fills the hearts of many with fear and dread. One even hates to imagine what it would be like. Man now controls powers of destruction so great that they stagger the imagination. Because of it world peace has become of paramount importance to all.

The struggle for a lasting world peace is on. Men seek it more urgently than ever before, but realize that it continues to hang on a silk thread. Again and again that thin thread threatens to break and unleash powerful opposing forces. Again and again total war is averted, but never in such a way that anyone relaxes vigilance. No one beguiles himself in imagining that there is not a continuing danger of war, and that lasting peace is still apparently in the distant future.

What can men do to obtain lasting peace? The answer seems to be so simple. Why not bury all the instruments of war and create a world empire on basis of world harmony. What a wonderful world this would be if all men could be made to see this apparently simple solution. What drives men to seek each other's destruction? Why invent the horrible weapons of war? Are we as men then so stupid that we cannot learn?

Throughout the history of the world there has been war. The origin of all wars lies in man's desperate wickedness due to his fall into sin in paradise. The Scripture gives us a clear answer to this question, "From whence come wars and fightings among you? come they not hence, even of your lusts that war in your members?"—James 4:1. If men would only look upon their own wicked hearts and see their lost estate before God the solution to war would be found. This is the only solution. Only when men truly fear God will they seek one another's welfare and cease from war.

The answer to our peace problems lies therefore in the Gospel. But does this spell man's peace completely? Every one that believes the gospel has that peace of heart and mind that passes all understanding, for he is at peace with God. But unfortunately, when he has found that peace with God he finds himself in an altogether different warfare, the warfare against sin, satan, and the world of sinful men. Unfortunately, as long as there are those who do not believe the gospel, hatred continues on earth among men.

Of this warfare Jesus spoke when he spoke of giving division rather than peace. Only if all men were truly saved by faith in the Gospel could there be real and lasting peace, but as long as the majority continue to reject the Gospel there will be war, both between nations of men with natural weapons, and between men in society in a spiritual warfare. In either case, the cause of warfare lies in the heart of the unconverted sinner, in whose heart only hatred can rule, for the Scripture declares, "For we ourselves also were before-time foolish, divers lusts and pleasures, livdisobedient, deceived, serving ing in malice and envy, hateful, and hating one another."—Titus 3:3.

Let us make no mistake about this. All unconverted men are by nature haters of God and the neighbour, seeking themselves only, ready to fly at the throat of any and all who stand in the way of their own desires and goals. This explains why peace is not readily found. As long as men continue in sin peace will continue to hang in the balance. Do we really desire peace? Let us seek it where it can be found, in Jesus Christ, the Prince of Peace.

Ottawa Report

BY JEAN CASSELMAN, M.P.

The Hon. Paul Martin is one of the real pros of Canadian politics. Because of his shrewd political thinking and his constant application to the mechancis of politics, he is wearisome to his opponents. There is on all sides of the House, however, admiration for this highly educated man who has withstood the demands and disappointments of political life. No one begrudges him the high post he holds. Whatever honours it provides are well counterbalanced by the heavy responsibility it entails. It is a measure of Paul Martin's character that he seems to welcome responsibility and carries it as a matter of course.

Among his attributes as a politician is an unusual gift of oratory, based on a student's depth of vocabulary and the facility of much practice.

I enjoyed the Liberal Minister's major speech of the Session, the opening of the debate on his Department's estimates. He explained the status of External Affairs—"Continuing factors tend to define the limits within which Canadian policy can develop and still remain true to our national values. They give a general continuity to Canadian policy which transcends Party considerations and I am sure that all Hon. Members would wish to see continued the non-partisan spirit that customarily has been reflected in our external policies."

He proceeded to offer his Government's guarantee of continued negotiations on all levels with our nearest neighbour the United States of America and its new President. He pointed out the major political problems of the world as still remaining in Germany, Indo-China and Cuba. He commented on the evolution within the Communist bloc—"Although on key international issues such as disarmament and Germany and Berlin the bloc countries give apparently unquestioning support to the Soviet Union, it is, nevertheless, evident that on internal policy relating to collectivization of agriculture, de-stalinization, and so on, and on bloc economic policies, there are variations which indicate clearly that differing national requirements and interests are more and more taken into account." He reiterated the importance of trade and stated clearly Canada's position with regard to trading with the Communist countries—'Trade, of course, has a special place in the process of overcoming the mistrust which exists between the west and the entire communist bloc. The Soviet Union and other Communist countries are facing a particularly difficult problem of resource allocation at the present time, and both the nature of this problem and the attempts to deal with it will have important implications not only for the domestic and foreign policies of those countries, but for East-West relations in general. . . The Government intends to allow non-strategic trade with the Communist world to develop. We believe that through trade we shall encourage the evolution of institutions and attitudes in the Communist countries more favourable to co-operation with the rest of the world."

He repeated Canada's determination and desire to see the United Nations strengthened in every way, particularly its peacekeeping operations ,and the need for the sharing by all UN members of its financial burdens.

The Leader of the Official Opposition, the Hon. John Diefenbaker, followed Mr. Martin. With his well known debating ability he delved into the shades of meaning in the diplomatically worded speech and pointed out the Minister's modified opinions since his days of more irresponsible Opposition criticism. Mr. Diefenbaker spoke from the first hand knowledge of his recent trip to the Middle East. He was encouraging in his estimation of that part of the world—"I realize that some will not agree with the view I am about to express. President Nasser impresses me as a man with tremendous capacity and ability, dedicated to the building of his country. While from time to time he makes speeches that are inflammatory against Israel, I believe that the attitude of the leaders in Egypt and in Israel has greatly ameliorated in the bitterness of a few years ago . . . I think there is a change of attitude and a recognition of the fact that Israel is there to stay and wants to live in peace with its neighbours."

Quick Canadian Facts...

The RCMP — formed in 1873, about 6,200 strength — enforces federal laws and under contract it enforces provincial laws and the criminal code in all provinces except Ontario and Quebec, which have provincial police forces.

Culture? It's wunnerful! And it gets wunnerfuller all the time. This was my only possible reaction after another shot at enriching the lives of some of our students.

* * * *

Every year, when it's over, I sign an oath in blood, sweat and tears that I'll never do it again. And a year later, there I am, up to my thick head in the swamp of cultural enrichment.

* * * *

It all begins innocently enough. I learn that there is going to be a production, in a city theatre, of one of the plays the kids are studying in school. The date is a month away.

* * * *

"Wouldn't it be grand," I coo to myself, "if the youngsters could see the real thing? It would be an experience they'd never forget. It would kindle a real interest in the drama. It would show them that Shakespeare (or Shaw) is exciting, sad, funny, romantic, not just a whole lot of stuff like rising and falling action, memory work, suspense, pathos and dramatic irony."

* * * *

"Right!" I say to myself, firmly. "We'll do it. These kids are going to have their chance."

* * * *

I contact the other teachers. They are enthusiastic. I contact the principal. He is not, but clears it with the school board.

* * * *

The teachers ask the grade elevens how many would like to see "My Fair Lady," the musical based on the play "Pygmalion," which they are studying. About half the hands go up. When it is announced that we'll be attending a matinee and will miss half a day's school, the rest of the hands go up.

* * * *

Then, with the speed and skill of a spavined water buffalo, Mr. Smiley ,the old impressario, lumbers into action.

* * * *

Phone the theatre. Yes, they can give us 142 tickets for that date.

* * * *

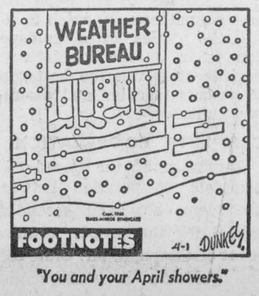
Call the bus company. Yes, they can shoe-horn us into four buses on that date.

* * * *

Fire off a confirmation letter to the theatre, accompanied by the down payment, a cheque issued on Mr. Smiley's personal overdrawn account. Everything is running like oil.

* * * *

And just about here, gravel begins to get into the gears. Six kids who didn't want to go have decided they'd like to. They are added to the list and a phone call produces tickets for them.



"You and your April showers."

For three weeks before the big day teachers accost Mr. Smiley in the halls and hand him amounts like $29.83. This is for "nine tickets for the show and three bus fares except George Jones lost a dollar so I loaned it to him but I had only 83 cents and Mary Smith's mother won't let her go and she wants her money back but I haven't her name ticked off so I don't know if she gave it to me and what should I do?"

* * * *

In the ensuing three weeks Mr. Smiley, who gets a very small allowance at home, spends miscellaneous bits of ticket and bus money on lunches, cigarettes and raffle tickets, and quails inwardly as he contemplates the coming showdown with his wife, who looks after their joint account.

* * * *

Two days before we're to go the bus company informs that only three buses will be available. Mr. Smiley raises hell and another bus. The day before we leave, eight of the kids haven't produced a nickel, three of them have changed their minds and won't go, and four are at home, sick.

* * * *

Mr. Smiley, the poor old divil, flies about like a dart in a windstorm, trying to make tickets, bus seats and bodies come out even.

* * * *

But, somehow, the cavalcade is sailing down the highway on Wednesday afternoon, the students singing merrily, Mr. Smiley, ashen and muttering to himself, slumped in one of the buses. Only two kids have forgotten their tickets. Only one is bus sick. Only three have tried to sneak a smoke.

* * * *

Eight hours, 200 miles and one cultural experience later, Mr. Smiley is delivering to her home, 14 miles out of town, the girl who forgot to tell her parents to meet the bus on return. Ecstatic and bright-eyed, she babbles effervescently, "Thanks very much, Mr. Smiley, I really enjoyed it and I had a wunnerful time — do we hafta have our homework done tomorrow?"

The Seventh Column

Now that the Grey Cup is over we can get down to a less hectic time of the year — like Christmas? Saturday's classic in Vancouver's Empire Stadium was simply a good football game, nothing more. Hamilton, like the experts predicted this time, had too much of just about everything for the fighting Lions from B. C. Of course, the huge parade which precedes the actual game has come to be as much of Grey Cup day as the game itself. The colour and pageantry of the parade are really worth seeing "live" if you ever do have the opportunity. And while most of the commentary on both networks covering the parade was very good we got a kick out of one of Canada's top TV personalities refer to the "crowing" chicken. Most roosters we know have a habit of crowing — but chickens?

An abundance of lovely Fall weather followed by a November month of rain all led up to the big change last Friday night. In less than 24 hours Winchester and district was covered with three to four inches of snow and the mercury stick had dropped to "zero." That's winter, and looks like it's here to stay. Actually, business will appreciate the change in weather almost as much as the youngsters.

Lest we become boring just another word about the big Santa Claus parade this Saturday. Youngsters from Winchester and the district, along with Dad and Mom, are again invited to come to Winchester and join in the fun. It all starts about 1.30 p.m. when Santa arrives at the school grounds via helicopter — thence to the Community Centre. It shapes up as quite a day and everyone is invited.

December 1st to 7th is Safe Driving Week in Canada. It is Canada's eighth annual attempt to prevent death, injury and accidents on the streets and roads of the nation between these two December dates. But more important, it is a week in which all of us are reminded of our responsibilities in safe driving the entire year. In 1962 the grim picture looked like this: 400 thousand accidents, 270 thousand accidents with damage exceeding $100, 111 thousand injured and 3,900 dead. It follows that if we can reduce the number of accidents, deaths and injuries can be reduced. In Canada to-day there is one vehicle for every 3.2 people, one of the highest ratios in the world, and there are 7,000,000 licensed drivers. Safe Driving Week is sponsored by the Canadian Highway Safety Council and the lessons we learn this week are important ones which we can well afford to follow the other 51 weeks.

With the incidence of Tuberculosis up in one county of the three United Counties, all of us should be more aware than ever that TB is not completely licked yet. TB Chirstmas Seals have already been mailed. It remains only for you to send in your donation to this very worthy cause and to use the seals liberally.

In another week or two, December 15th to be exact, Winchester and the immediate area swings to dial system. And for Winchester users it brings the most up-to-date telephone communications in the world right into our homes. Direct Distance Dialing will be one of the many features. For awhile there may be a little confusion, but numbers are listed in the new phone directory and changes will probably be mailed to individual customers for future use. The swing to dial, although an advance in this modern day world, also offers some minor difficulties in the way of police and fire calls. But these, too, will be ironed out and the new system should prove more than satisfactory to everyone once it has been in use for a few weeks. In the meantime, and we'll be mentioning this again, a tip of the hat to the Bell switchboard operators who have been serving us down through the years. We've had our moments of frustration with them but we'll also miss them and their many little friendly and helpful acts from time to time.

Carleton Federation Welcomes Proposed Egg Marketing Plan

"If change is inevitable perhaps we can steer it," said Arthur Musgrave, president of the Ontario Federation of Agriculture, to the annual meeting and banquet of the Carleton County Federation of Agriculture.

Speaking at the banquet in Stittsville Presbyterian Church last week Mr. Musgrave said that a resolution passed at the OFA convention in Toronto called on the government to make an egg marketing plan possible. Musgrave, an apple grower from Clarksburg, said the OFA asked for the plan to be put into effect without a vote of producers, provided there was ample support in the industry. The plan would be on trial for a period of not more than two years. Then it could be amended or thrown out.

He noted that the OFA is still trying to get the government to enact a farm implements act that would require farm machinery depots to maintain a skeleton staff on week-ends, to supply dealers with seldom called for but urgently needed parts to repair farm equipment. Farmers experiencing delay under these circumstances are asked to write to the OFA office, 409 Huron Street, Toronto. Such complaints will support the claims to legislation.

The Association is also trying to get the Bankruptcy Act amended to protect farmers whose produce can be seized by creditors while it is in, for example, a canning plant. Farmers may lose any produce in a canning plant that goes bankrupt because under present legislation it is out of their control.

Resolutions included one dealing with outside interests making use of the ARDA legislation. In explaining the resolution David Sorley stated that a Rod and Game Club in Toronto had made use of the Act in the name of conservation for private game and profit. The second resolution asked that meetings be held to give ratepayers a first hand knowledge of the new assessment manual when it comes out. The third resolution thanked the press, radio and television for their excellent co-operation received by the Federation during the past year.

Donald Munro, president of the Carleton group, outlined his work in the past year and stated his belief that Carleton is a recognized voice in agriculture and that many resolutions from Carleton are incorporated into the OFA brief to the Cabinet.

Mr. Musgrave was introduced by Arthur Manchester, second vice president, and thanked by Carleton Dairy Princess, Mary Campbell. Vice president John Campbell introduced the head table guests. Secretary Mrs. E. L. Macartney read the summary of reports, and Fred Barrett thanked the ladies of the Presbyterian Church for the excellent meal.

F.O. "Tony" Davis Receives Wings At Winnipeg

Flying Officer A. J. 'Tony" Davis, of Winchester, has successfully completed the RCAF Navigation Officers' Course at the Air Navigation School in Winnipeg. He received his wings from Air Commodore R. J. Lane, DSO, DFC, CD.

Flying Officer Davis joined the RCAF in September 1958 under the Regular Officers' Training Plan at the Royal Military College, Kingston. In May 1963 he received his Bachelor of Arts degree in Economics and Commerce. Since then he has continued his air training.

Tony will take further training at the Operational Training Unit, Summerside, P.E.I., before joining the Maritime Air Command.

His parents, Major and Mrs. I. J. Davis, live in Winchester.

St. Lawrence Jersey Club Holds Annual Banquet

The annual banquet of the St. Lawrence Jersey Club was held in the United Church Hall, Newington, recently.

Emerson Kinkaid, of Russell, president of the St. Lawrence Jersey Club, was toastmaster for this event.

Guest speaker was Dr. E. B. Meads of the Regional Veterinary Laboratory, Kemptville. Dr. Meads gave an illustrated talk on the work done at the Regional Laboratory. Following the talk Dr. Meads answered questions from the floor.

The guest speaker was introduced by Ralph MacKenzie and thanked by Martin Schneckenburger.

Arden Baker, Brockville, president of the Canadian Jersey Cattle Club, brought greetings.

Greetings from the Ontario Jersey Club were expressed by Dr. W. A. Armstrong.

Entertainment was provided by Ken MacMillan of Finch who sang two solos.

Club secretary R. J. Henderson presided for the presentation of awards and trophies. Premier Breeder and Premier Exhibitor Awards were presented to J. J. MacKenzie and Son. J. J. MacKenziie and Son were also presented with the Bank of Nova Scotia Trophy for Junior Champion female and the Rideau View Dairy Trophy for best Junior Herd.

Th Senator Hardy Trophy for Grand Champion female and the Morgan Warner trophy for Grand Champion male were both presented to Floyd Dingwall.

Martin Schneckenburger of Morrisburg was presented with the Shur Gain trophy presented to the owner of the herd having the highest breed class average in the St. Lawrence Club area. This was the third consecutive year that Martin has won this trophy.

Mr. Baker presented production certificates to Jersey breeders Schneckenburger, Dingwall, MacKenzie and Kinkaid.

Every Ontario driver will be getting these in the mail soon from the Ontario Department of Transport—his personal application form for a new driver's licence, and a leaflet explaining how the new system will work. The driver's name is printed on the form, along with the date his particular licence will expire, the amount of his fee and other information.

Foot-Long Applications On Way

Sometime between now and the end of January every driver in Ontario will receive by mail a personal application form for their next driver's licence. To obtain your new driver's licence simply fill out the application which is a foot-long card and enclosing your money take it to the local issuing office or mail it to the Department of Transport, Toronto.

Application forms are being mailed out presently by the Department in chronological order of birthdays. If you have a birthday in January you may expect your forms immediately. If you have a birthday in June you may expect your application about New Years, and so on through the month of January until all the applications have been mailed out from Toronto.

The licence will be valid for more than one year. Expiry dates will be printed on all licences. If your birthday is between the 1st and the 19th, the expiry date is on your birthday in 1965. If your birthday is from the 20th of the month onward the expiry date will be on your birthday in 1966.

The annual licence fee remains the same at $2.00 per year. The amount will be calculated according to the length of time each licence is valid. For example: if your birthdate is June 12, your licence will be valid for about a year and a half—all of 1964 and up until June 12, 1965 — and your fee will be $3.00. If your birthdate is November 22, your licence will be valid for all of 1964 and 1965 and up until November 22, 1966 — and your fee will be $5.80. After the first cycle all licences will be renewed every three years on the driver's birthday.

Mrs. C. Robinson Worthy Matron Of Eastern Star

Mrs. Delia Robinson was installed as Worthy Matron of Winchester Chapter No. 310, Order of the Easeern Star, at impressive ceremonies in the Chapter Room of the Masonic Temple, last Tuesday night. The installation was witnessed by a capacity attendance of members and visitors who came from Renfrew, Ottawa, Perth, Almonte, Arnprior, Morrisburg, Cornwall, Iroquois, Finch and Wales, to fill the room to capacity.

Mrs. Mary Duval, who was the first Worthy Matron, and had held office for 22 months, thanked all of her officers for their assistance and commended the members for their attendance at the meetings. She also distributed commemorative tokens to officers and heads of committees. She was the recipient of a Past Matron's jewel, presented on behalf of the Chapter by Mildred Leitch, and the Past Patron's jewel was presented to Ormond McConnell by Ruth McConnell.

Winchester Chapter was sponsored by Cornwall Chapter, as Mother Lodge, and Mrs. Mildred Leitch, who was D.D.G.M. of District 14 in that year, was the installing officer and installed the Worth Matron. P.W.M. Mary Duval was installing Marshal, and the other installing officers were:

Vera Begg, PDDGM, Crysler; Marjorie Droppo, Morrisburg; Madge Coons and Roy Cumming, Winchester. They were assisted in the separate installations of the various officers by: J. Ormond McConnell, Winchester; Edna Bebee, Iroquois; Fay Shaver, Chesterville; Gladys Greenwood, Almonte; Amy Foss, Morrisburg; Catharine Whittle, Ottawa; Annie Kinkaid, Morrisburg; Marion Hough, Finch, and Laura Wilson and Wilda MacDonald.

After the installation the new Worthy Matron thanked the officers and members for their confidence and trust, and presented each of the installing officers with a suitable gift to mark the occasion. W. M. Dorothy Cote of Cornwall, of the Mother Chapter, presented a gift to the newly elected Worthy Matron, and Leroy Strader, newly elected Worthy Patron, was a recipient of a gift, also from the Cornwall Chapter, presented by Douglas Leitch.

OTHER OFFICERS

Other officers elected were: Associate Matron, Norma Casselman; Associate Patron, John McMillan; secretary, V. Ruth McConnell; Treasurer, Phyllis Henderson; Conductress, Marion McMillan; Associate, Marg. Boyd; Warder, Violet Wilson; Chaplain, Wilma Ledgerwood; Marshal, Doreen Taylor; Organist, Evelyn Craig; Star Points: Adah, Lulu Hanes; Ruth, Sybil Curtis; Esther, Norma Wylie; Martha, Marilyn Cinnamon; Electa, Donelda Byers; Sentinel, Chester Robinson.

Lunch was served by a committee convened by Jennie E. Helmer.

Vernon

Our sympathy goes out to the family and friends of the late Mrs. James Cameron of Metcalfe, who passed away suddenly last Monday at her home. She was the former Eileen Acres of Vernon. The funeral was held Wednesday afternoon from the Vice and Craig Funeral Home to Springhill Cemetery. A brother, Herman Acres, of Saskatchewan, flew home and attended the funeral of his sister. He is spending some time visiting his family and friends before returning West.

Mr. Edward Armstrong and Mr. Milton Wyatt spent Monday night in Montreal with Mr. and Mrs. Donald Kennedy and family and Mrs. Clarence Kennedy who had been visiting there, and she returned home with them to her home here. She is also a sister of the late Mrs. Cameron.

Mr. and Mrs. John Millar spent last Friday evening in Ottawa with Mr. and Mrs. Del. Nitchski and family.

4-H Clubbers Visit Power Station

District 4-H Club members from Eastern Ontario learned the inside story of the generation of electricty during their recent visit to Ontario Hydro's Robert H. Saunders St. Lawrence Generating Station at Cornwall. Members of each club who successfully completed their 4-H projects in electricity were guests of Hydro at the large power plant.

Soaking up some words of wisdom from tour guide are, left to right, John McBride, Winchester (Carleton); Bruce MacLean, of Napanee (Lennox-Addington), and Brenda McGillivray, Dalkeith (Glengarry).

Vernon and Metcalfe 4-H Club Award Night

A turkey supper, complete with milk provided by Kenmore United Church, marked the completion of a highly successful year for the Vernon and Metcalfe 4-H Clubs. The banquet, award presentations and dance were held in the East Osgoode Community Centre last Thursday.

Ken Dow, president of Metcalfe Agricultural Society; Don Black, Agricultural Representative from Carleton County, and W. M. Gladish of the Ottawa Citizen brought greetings to the large assembly and offered them words of encouragement on this the 50th year of the 4-H in Canada. Carleton has a history of more than fifty years in Junior Farmer work as organizations in Carleton were operating before the inception of the 4-H.

Mary Campbell, Carleton's Dairy Princess, was again top member of the Vernon Club with 957 points and was presented with the $3.00 Cecil Acres Special by the donor. Close behind Mary in the competition were Judy Waddell and Margaret Campbell.

Wayne Kennedy, last year Citizen Shield winner, was the top member of the Metcalfe Club with 947 points.

Dwight McRuer presented pins to first year members showing a grade calf. Halters have already been presented to all members showing a pure bred calf. The Jersey Association gave T-shirts to all Jersey club members.

Willis McKeown received a hair brush for completion of his project in the Aberdeen Angus class. Brian Dow was the recipient of a brief case from the Shorthorn Association, and the winner of a new trophy from Ernie Burton of Vars for being the Grand Champion Sheep Showman in Eastern Ontario.

All Guernsey members were presented with halter, T-shirts, desk rulers and banquet tickets by Norman Robinson of the Guernsey Association. All Senior members were given a $3.00 prize.

The George Cairn Memorial Trophy for showing the Champion Guernsey Calf at the Ottawa Winter Fair went to Hector Martel. Also from the association Carol Robinson received a true type Guernsey cow for having top score in this zone.

John K. Campbell, president of the Ottawa Valley Ayrshire Club, presented each member with a $4.00 award. The Cecil Acres $5.00 special went to Wendell Fisher.

The C.N.E. Shield for the best novice under 15 years went to Linda Quinn of Metcalfe. Emerson McNaughton won the Lloyd Craig special for the East Carleton Tractor Club and the Junior Farmer Trophy presented by Peter Crerar.

The Royal Bank Rose Bowl for Carleton County Grand Champion Showman was awarded to Myra Quinn by Lee Ring of the Royal in Metcalfe. Harold Cowan presented the Metcalfe and District Lions Club award to Margaret Campbell, the best first year member.

Mrs. Percy Waddell was given a special token in appreciation of her leadership of the homemaking club.

Among guests at the head table were the presidents of all the Junior Farmer and Homemaking Clubs in the group and Larry Campbell, assistant Agricultural Representative, Home Economist Linda Ross and Mr. and Mrs. W. Gladish. Dancing followed the presentations with Dwayne Acres Orchestra in attendance.

Chesterville Reeve Starts Sixth Term

It's six terms for Reeve Carl Merkley of Chesterville. Merkley was acclaimed to office at the recent nomination meeting. The complete council was elected by acclamation.

Councillors elected after the withdrawal of two candidates are: George Laflamme, Harold Sharkey, James Kuke and Garnet Droppo. The Public School Board is comprised of Lorne Thompson, Dr. Duane Justus, Archie Black, Jack Fulton, Stuart Allan and Grenville Fyke.

John Palmer Hospitalized

John Palmer, history teacher at South Grenville High School in Prescott, taken ill and hospitalized last week, expects to be back teaching within the week. At first it was believed that "Big John" had suffered a heart attack; but the illness was later diagnosed as a muscular ailment. He is recuperating in Kemptville District Hospital.

ACCOUNTS

Collection of accounts is not a pleasant part of any business — neither is paying them—but both have to be done to keep things going.

It is near the end of the year again and time to get accounts up to date.

We are asking that all past due balances be paid by December 16.

Co-operation in this way and definite arrangements regarding payment will be greatly appreciated and will save further notices and cost.

Thank you.

MDHS Receives Car For Driver-Training

School Board Chairman David Berry accepts the keys to a 1964 Pontiac Laurentian from W. C. MacDonald, President of W. C. MacDonald Motors Limited, Winchester, Ontario. With the acquisition of the new automobile, students at Mountain District High School will begin immediately their new Driving Instruction Course. Qualified instructors Greig Fowler and Gary Pickard expect to to have more than thirty-five students in this extra-curricular course of instruction.

Shown in the picture are, left to right, Les. MacDonald; MDHS Principal Greig Fowler; David Berry, Board chairman, in car; and Walter C. MacDonald. The brand new car and most services to maintain it through the duration of the course have been donated by interested persons and businesses throughout the area.—Press Staff Photo.

News From Mountain and District

South Mountain

Mrs. Arthur Farrell left on Thursday for Ottawa where she accompanied her son and daughter-in-law, Mr. and Mrs. Stanley Farrell on a trip to Vancouver, B. C. They travelled by TCA. While there they attended the Grey Cup game and also visited the former's son, William "Bill" Farrell.

Miss Elizabeth Brandmire was entertained at the home of Miss Ella Crowder on Saturday on the occasion of her birthday, and in the evening Miss Brand mire was pleasantly surprised when a number of friends gathered to offer further congratulations and presented her with a beautifully decorated cake.

Mrs. Arthur Farrell Hosts November W. I. Meeting

Mrs. Arthur Farrell was hostess to the members and visitors of the Women's Institute branch of South Mountain for their November meeting.

The president, Mrs. Arnold Shaver, assisted by the secretary, Mrs. Dwain Graham, presided over the meeting. Roll call was answered by giving the name of a prominent person you have admired. Plans were made for the Christmas meeting at which time it was planned to remember the shut-ins of the community; have an exchange of Christmas gifts, and each member contribute something towards the programme and towards the lunch.

Mrs. Shaver gave a report of the Area Convention which she attended recently in Ottawa.

The topic for the programme under the convenership of Miss Muriel Barkley was Education, with the motto "You are never too old to learn." Mrs. W. E. Graham read three poems, "Caroline Goes To School," "The Little Boys Go To School,"' and "The Teacher Considers Her Responsibility."

Mrs. H. E. Barry gave a reading on adult education. A demonstration in which Mrs. Gordon Mulholland, Miss Muriel Barkley and Mrs. Gordon Cleland took part showed: (1) the swing in hem by machine; (2) a Christmas wreath from plastic bags; (3) a petal edge, and two styles of smocked cushions.

The committee, Mrs. William Barkley and Mrs. W. E. Graham, served lunch during the social part of the programme.

H. Montgomery Wins Again

Harold Montgomery of Monkland Station took top honours at the British Empire Dairy Show in Belleville last week. Montgomery cheese won the universal class scoring 98.45 points. J. J. McDonald, of St. Andrews West, was right behind with a June cheese in the open class that scored 98.40.

Mr. Montgomery also won two open classes, the manufacturer's class and the block cheese class. His last of several victories was in 1960.

The show was sponsored by the Central Ontario Cheesemakers' Association which held its annual convention in conjunction with the dairy show.

Birthday Party

A birthday gathering was held recently at the home of Mr. and Mrs. Alvin Davidson and family for Mr. Elburn Carr. Those present with them were: Mr. and Mrs. Elburn Carr and Mr. and Mrs. Kenneth Nugent, of Berwick; Mrs. Mary Bogart and Miss Abbie Bogart, Chesterville; Mr. and Mrs. Stuart Brown and family, of Edwards.

Pleasant Valley

Mrs. Pat Thibert spent a few days with her parents, Mr. and Mrs. Ken. Hunter, Glen and Dale.

Mrs. Mary Gilmer returned home after spending the past week with Mr. and Mrs. Gordon Froats of Prescott.

Mr. and Mrs. Earl Gilmer were callers in Iroquois on Friday.

The L.O.L. held a Turkey supper for their families in the Orange Hall on Saturday evening.

Mrs. Howard Conley, of Prescott, spent Thursday at the home of Mr. and Mrs. Ken Hunter and boys.

Mr. and Mrs. David Gilmer and Ross and Basil of Ottawa, called on Mrs. Robert H. Gilmer on Sunday at the Smiths Falls General Hospital.

DAIRYMEN
Many fluid milk shippers and other dairy farmers will now have calves from fall freshening cows. Many will be raising their heifer calves as herd replacements.
The feeding and management of these calves today will be an important factor in determining how profitable as units they will be in the milking herd of tomorrow.
We, therefore, recommend two feeds designed to give your calves an economical start to vigorous, thrifty growth. These feeds are part of a program designed to grow cows that will have the capacity to give all the milk that has been bred into them.

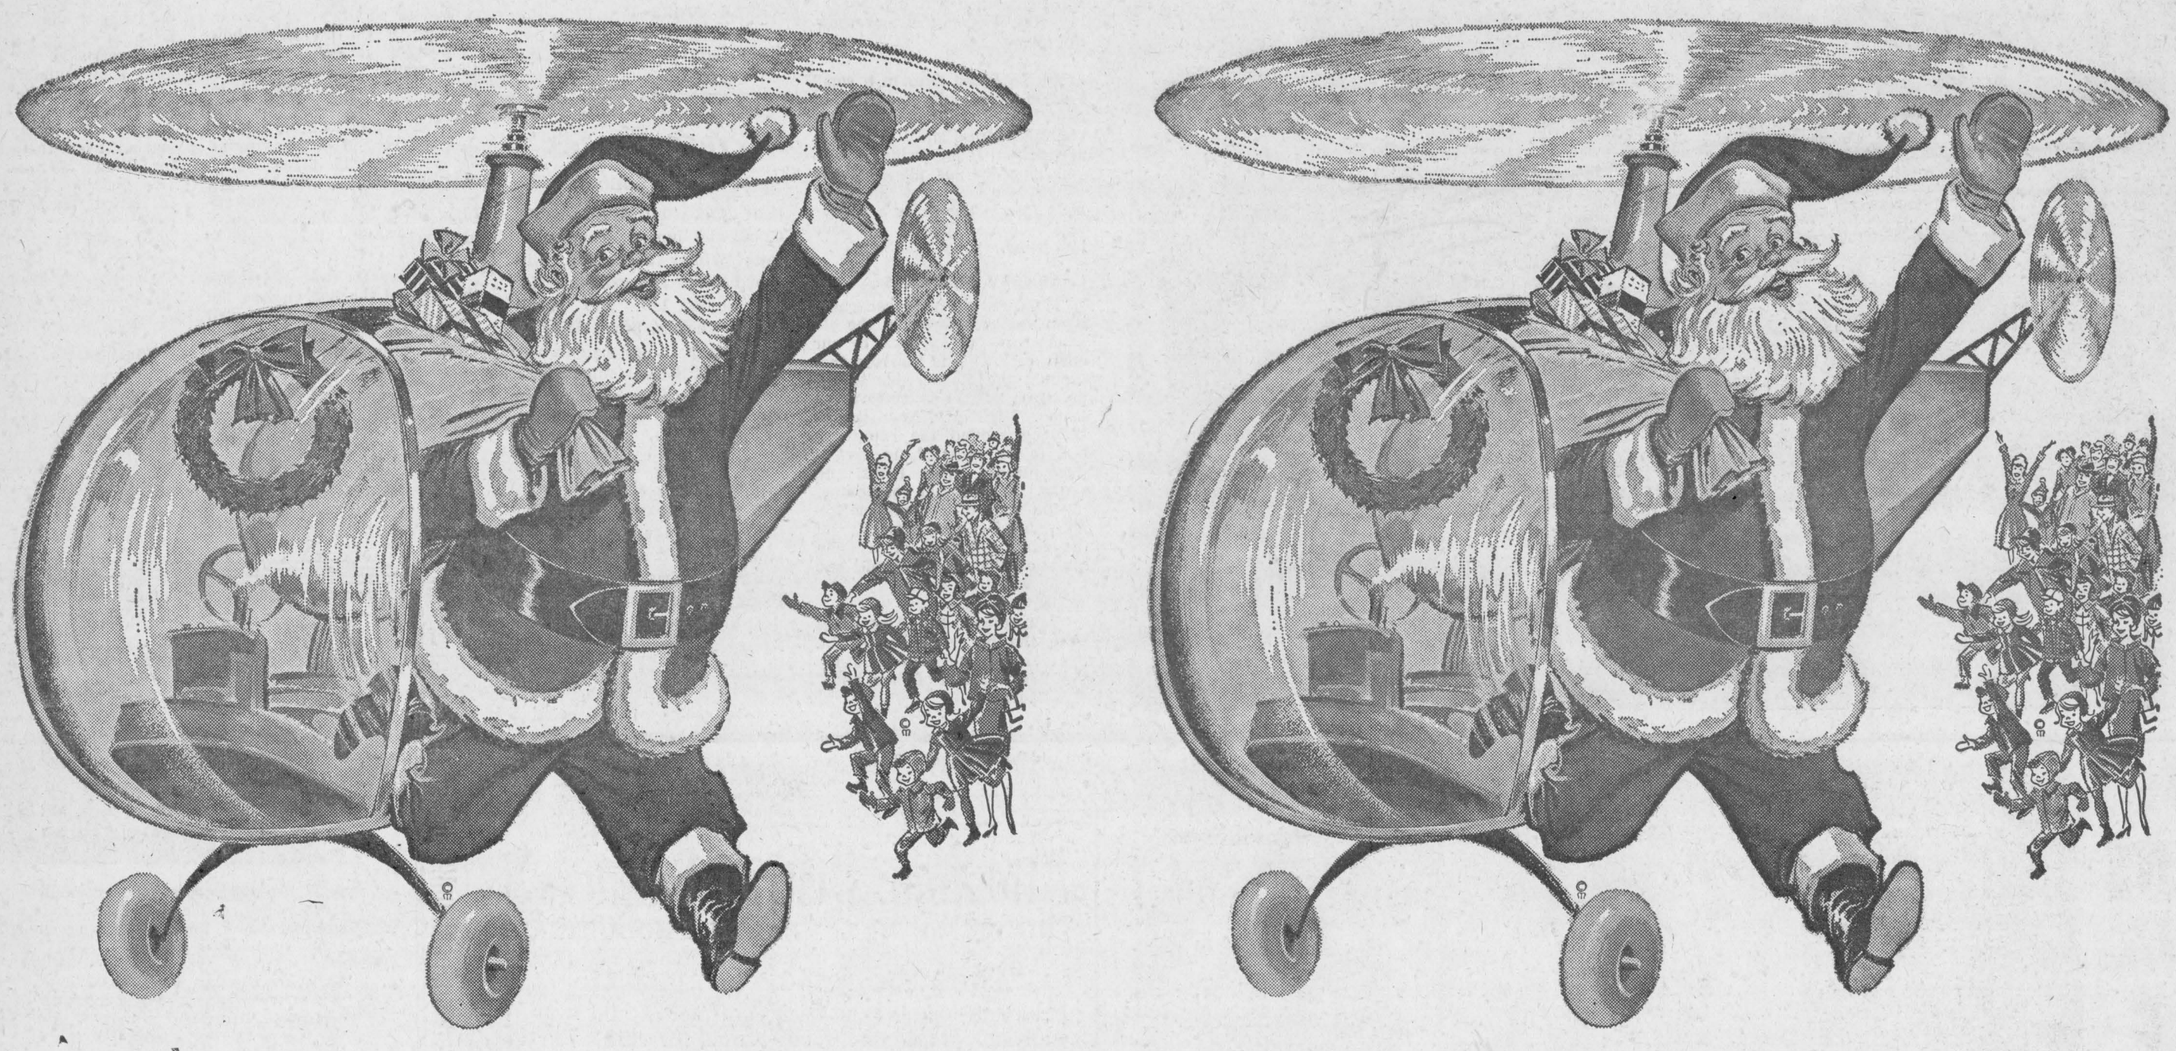
SANTA LANDS TWICE



WHEN YOU SHOP IN WINCHESTER

Here's Why

Santa will be in Winchester this Saturday, December 7th, in his annual pre-Christmas visit. And he'll have a hug and a bag of treats for all the boys and girls. He'll be back Christmas Eve with a bagful of presents and a Merry Christmas wish, thanks to your patronage at Winchester's gift laden stores. It makes sense to Shop In Winchester this Christmas — to support the merchants who support you, the town and the district every day in the year. Shopping in Winchester eliminates the hustle and bustle of crowded city stores, unnecessary driving, etc. And you can depend on the products you buy from the man you know in Winchester. Courtesy, Service and Variety are the bywords to Merry Christmas Shopping in Winchester.

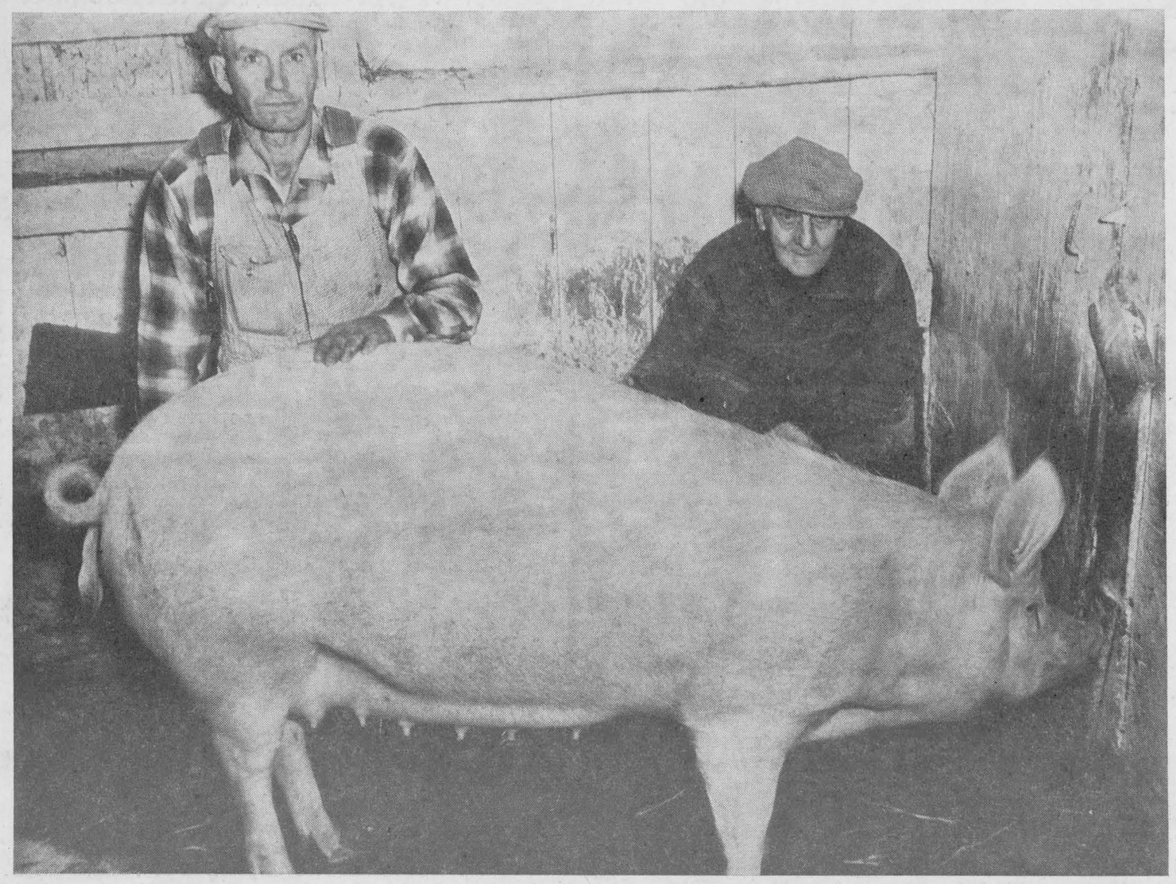
WHEN IT COMES TO SWINE SHOWMANSHIP

Mort Stobo In Class By Himself



A Winchester Press Feature by MICHAEL DUKELOW

Twenty-five years ago a local farmer hit the Fair trail with his swine. Seemingly born into this man was a keen competitive spirit combined with a talent for breeding, caring for, and showing swine.

Morton Stobo lives in a small area of farms known as Cloverdale. R. R. 1, Winchester is his mailing address and if you have a question about swine to ask, you look for his name in the Winchester section of the phone book. He is known as a winner wherever he appears to show his swine.

LEARN BY MISTAKES

"Mort," as everyone calls him, is an ardent believer in the old axiom that "we all learn by our mistakes." This is the rule that brought the Stobo swine to the point of perfection they enjoy to-day. "When I first started showing around the country I had to be satisfied, in fact, I was pleased with fifths and sixths. Sometimes I got nothing in the way of ribbons or trophies, but I gained knowledge of the ring, and best of all met some of the finest people you could want to know."

"Don Stewart and Alex Dines were the big guns then. But, I've learned and can hold my own with the best of them now," says Mort.

"Holding his own" is a typical understatement. There are enough ribbons around the farm to literally wallpaper his home. Quite noticeable is one place in the barn where the gentlemen who gave it it's whitewash job must have been in a hurry. They have sprayed right over more than a few old ribbons.

THREE FAIRS

Although he now attends only three fairs regularly, Mort still can tell tales of the exciting times at Lachute, Carp, South Mountain, Chesterville, and many other fairs. He still attends Metcalfe Fair. Last year at Metcalfe his swine won both Grand Champion Boar and Sow. "If the boys (his sons) were still at home I'd go to more of the fairs; but it's too much work and takes too much time to do it now."

There is no hesitation however when it comes time for the Ottawa Exhibition or the Winter Fair. Naturally, it involves a lot of work but Mort and the family look forward to it each year. It happens to everyone who exhibits each summer and fall; a little bit of it gets into your blood; you say this is the last time — come next year you're back again.

Excepting the war years and the year of the hog cholera the Stobos have always been well represented at Lansdowne Park. 1963 was no exception. At the recent Winter Fair "Stobodale Lass T70" who was a year old on November 15th, swept both the Junior and Grand Champion awards. Large trophies go with each of these championships, but the trophies are still in Ottawa. "We've had them all before, so they might just as well stay in there where they can look after them," says Mort, explaining their absence.

IMPORTANT FACTORS

"Age and size are the two most important factors in choosing a hog to show," reveals Mort. Even now he is preparing for next year's shows. To have a good show animal you have to prepare it and take extra care to develop it properly. Mort claims that to enter swine in a contest you must feel that you have better than average specimens. The people that come to the exhibitions to see the animals want to see something better than what is in the barn at home. And he agrees wholeheartedly! For people just starting this is quite a task but everyone "learns by his mistakes."

Winchester area is privileged to have many winners among its livestock exhibitors. But, perhaps, the "winningest" of them all is Cloverdale farmer Mort Stobo. To him this week hearty congratulations!

BELOW: Mort sits in an armchair he won at the 1941 South Mountain Fair. The chair was a special prize donated by the late J. L. Dixon of Winchester, for Champion Boar. All the ribbons shown hanging above the table were won at this year's Ottawa Winter Fair. On the table are miniatures of a few of the many trophies Mort has won over the years and letters of congratulations from Hon. F. M. Cass and Mrs. Jean Casselman, M.P.

Valley Milk Producers Hear Hon. Arthur Laing

"There will be no direct legislation to help farmers, but there will be tremendous depth to enabling legislation so that farmers may help themselves," said the Hon. Arthur Laing, Minister of Northern Affairs," guest speaker at the annual banquet of the Ottawa Valley Milk Producers held recently in the Chateau Laurier. The proposed legislation will assure farmers of the opportunity to look after themselves in their own community. Marketing legislation was mentioned briefly at the Dominion Provincial Conference but only briefly since Agricultural ministers from each province will be meeting in December in Ottawa and this will be on the agenda. Mr. Laing outlined his agricultural background and in particular his role in the price support of eggs during the last war.

Mel Scobie, retired secretary of the Milk Distributors, paid a moving tribute to the late Mel Ritchie who was secretary of the Ottawa Valley Milk Producers. The two Mels had worked in the same office for many years. A gift of a pair of silver candelabra was given Mrs. Muriel Ritchie and he asked that she use them at family gatherings and think that in some way the milk producers were present.

Head table guests included Aubrey Moodie, chairman of the Ottawa Valley Milk Producers; Dr. Lloyd Francis; Mr. and Mrs. Bert Lawrence, provincial member of the legislature for Russell; Emerson Farnsworth, president of the Ontario Whole Milk League; Mrs. Muriel Ritchie; Mr. and Mrs. Dick Bell, solicitor for the Association; Mr. and Mrs. J. A. Morgan, vice president of Producers' Dairy; Mr. and Mrs. Henry Ford, president of the Milk Foundation of Ottawa; Sharon Armstrong, Dairy Princess for Russell County, and Carleton's own Dairy Princess, Mary Campbell.

"It is a poor cook who does not eat her own cooking, and milk producers should use their own product" stated Mary Campbell in her speech to the producers. Mr. Francis commented that he would suggest to the Hon. Judy Lamarsh that perhaps some money should be set aside to teach young people to use milk rather than something else.

The Rex Lelacheur singers delighted the producers with a number of familiar songs and the last group of selections contained some Christmas songs. The audience joined in with the singing of "White Christmas."

Fred Barrett conducted the draw for door prizes assisted by the two Dairy Princesses.

President Mrs. A. Riley congratulated the teachers on their fine achievements.

Miss Kay Morgatroyd, of Iroquois, was honoured upon her retirement this year with an occasional chair presented to her by Mrs. Nelda Hanes and Mrs. Kirkwood for the Federation. A corsage is to be sent to Miss Maude Edgerton, a patient in Winchester Memorial Hospital.

The guest speaker, Mrs. Hogaboam, who spoke on the subject "What the Federation Does For Us," was introduced by Mrs. Isobel York and thanked by Mrs. Mabel Whitteker.

Business on the program included a discussion group on "Home, School and the Community," and a report by Mrs. Riley on the Ontario Curriculum Development Conference held in London last month. The theme of that conference was "The Atmosphere of Learning."

Former Resident J. M. R. Strange Dies At Merlin

A well known former resident of Williamsburg, John Max Roger Strange, passed away in Merlin, Ontario, on November 27. In his 72nd year, Mr. Strange is survived by his wife, Bertha Barkley, formerly of Williamsburg, and two daughters, Mrs. Fred Piche (Jeanne), of Merlin, and Mrs. John Ingraham (Barbara), of Trenton.

Interment was made at Merlin.

Winchester Springs

Mr. and Mrs. Fred Cunningham, of Morrisburg, had dinner on Friday with Mr. and Mrs. Thos. Cunningham.

Mr. Bob McPherson, of Ottawa, spent the week-end with his parents, Mr. and Mrs. Wray McPherson and Gordon.

Mr. and Mrs. Egerton Barkley, of Elma, and Miss Beverley McLean of Chesterville were callers on Sunday afternoon of Mr. and Mrs. Thos. Cunningham.

Mr. Terry Tyers, of Carleton University, Ottawa, spent the week-end with Dale Allison.

Callers on Mrs. T. J. Keyes on Sunday were Rev. Mr. Cawfield of Winchester, Mrs. G. L. Barkley and Mr. and Mrs. Douglas Barkley and Deborah of Williambsurg; Mr. and Mrs. Arthur Johnston and Sidney, of Dixon's Corners.

Mr. and Mrs. John Coons accompanied Mr. and Mrs. Carl Edgerton of Chesterville and Mrs. E. Coleman of Dundela to Lisbon, N. Y., on Thursday where they spent the American Thanksgiving Day with Mr. and Mrs. Dalton Coons.

We are pleased to see Mrs. Orren Casselman out again after a fall at her home here a week ago.

Mr. and Mrs. Jack Wyatt, Heather and Tommy, of Seeley's Bay, spent Friday with Mr. and Mrs. Arnold Casselman. Jo-Anne Boulerice accompanied them to Prescott where they spent the week-end with Mr. and Mrs. Bob Boulerice.

Mr. and Mrs. Arnold Casselman spent the week-end in Prescott with their families and called on Mr. and Mrs. George Petersen and Mrs. R. S. Petersen on Sunday afternoon.

Couple Honoured At Reception

Friends and relatives honoured Mr. and Mrs. William Hunter of Toyes Hill at a reception held recently. Mr. and Mrs. Hunter (nee Margaret Tinkler) were presented with a gift of money by Mrs. Dwayne Johnson.

The Hunters thanked the gathering for all their kindness. Music for dancing was provided and refreshments were served.

COQUETEL ABRICOT

Qu'il est beau!

Oui! That is to say, but of course! Le COQUETEL is a wine for après le dîner, called en anglais a "wine cocktail."

My favorite, of les trois Coquetels by Brights, is COQUETEL ABRICOT.

Délicieux for sipping, it is a wine with the pure flavor of the apricot. Ah, très bon! Très bon, certainment! Très joli, aussi —in its very beautiful decanter for la table.

Essayez-le, try it soon!

WINTER EXPRESS SNOW TIRES

POPULAR SIZES 9.44 to 12.99

WHILE THEY LAST

USE YOUR CREDIT

WINTER EXPRESS has been our standby for the better part of a decade; in offering it at about half the price of our other snow tires, nothing has been taken from the tire you have known it to be all these years. It's as big — it's as heavy and massive — and as strong as ever.

The rugged "keep rolling" traction tread of Winter Express made it the trail-blazer wherever the going was really tough . . . and it purred the bare highway with the quiet ride sought by its contemporaries. Now, it must be cleared out to make way for our New HIWAY-BYWAY . . . The tire that makes fun of winter driving.

ERNIE RICHARDSON'S CURLING CAPSULES

In-turn or out-turn? What's the difference and — more important — what will each do to the stone in the process of delivery?

This is one of the most puzzling things in curling for new players and we'll try to unravel the puzzle with the aid of the clock.

The in-turn is the clockwise rotation applied as the stone is delivered at the broom by a right-handed player. The stone takes a left to right course down the ice.

The out-turn rotaes in a counter clockwise motion on a right to left course when delivered at the broom.

VARIATIONS

There are some variations in placing the stone for the in-turn and out-turn which I will try to explain.

For an in-turn, the handle should be either perfectly straight on line with the line of delivery, or the handle slightly turned counter clockwise about ten degrees off the line of delivery. But positioning of the handle away from the line of delivery should never be exaggerated. For the out-turn the handle should be either straight, or turned about 10 degrees clockwise off the line of delivery.

The result in each case is a gentle turn applied through the straightening of the hand on the down swing of the delivery.

The turn is imparted to the stone through the natural action of straightening the hand on the downswing and gives a free and easy delivery. An exaggerated motion I find is likely to produce a "spinner," or a shot that is off the broom. The stone should make about three to four turns from the time it leaves your hand till it reaches its target.

For either turn the grip is important and the best advise regarding the grip is to grasp the handle of the stone delicately with the fingers only.

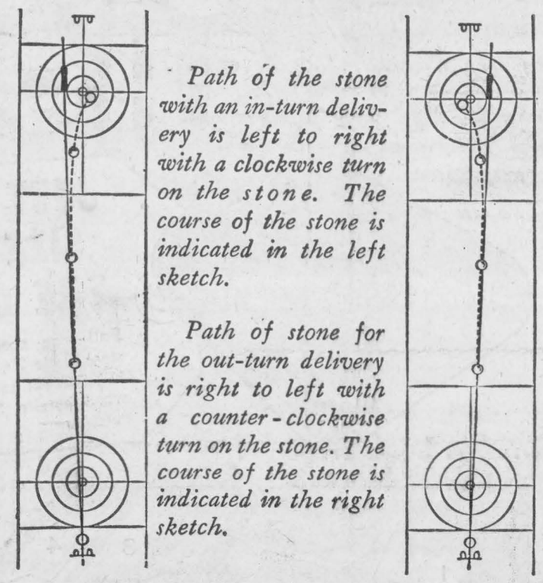
The index and second fingers apply most of the pressure with the thumb overlapping the top of the handle slightly, and the last two fingers used to steady the handle.

FOUR FINGERS

In the case of women curlers and anyone with small hands, all four fingers of the hand become part of the grip, with the little finger in particular applying some of the guidance.

The palm of the hand should not come in contact with the handle at any time. The fingertip control proves better to gauge the fine weight needed for such shots as guards, raises and draws. The fingertip grip also produces a swinging delivery instead of the pushing variety.

I prefer to use gloves when curling and I think that most top-flight curlers use them nowadays. I don't think I could curl as well without them. The gloves I use have no lining and fit tight to my hand. The matter of gloves, however, rests with the individual curler.



Path of the stone with an in-turn delivery is left to right with a clockwise turn on the stone. The course of the stone is indicated in the left sketch.

Path of stone for the out-turn delivery is right to left with a counter-clockwise turn on the stone. The course of the stone is indicated in the right sketch.

Joins Press News Staff

The Winchester Press is pleased to announce this week that Michael Dukelow, 20, has joined its news staff. Popular young Winchester citizen, Mike is a graduate of Winchester High School and later attended Ryerson Institute at Toronto.

With a natural flair for writing Mike's ability as a journalist and all around newsman have been more than evident in recent issues of this newspaper. He joined The Press about a month ago and since that time has turned out some high calibre work, both in general news and features.

Readers of The Press may look forward to seeing Mike at many functions and in giving their news tips to him over the phone.

He is a son of Mr. and Mrs. A. E. Dukelow of Winchester.

Minor Hockey

All boys wishing to participate in minor hockey in Winchester this winter must fill out applications immediately. The previously announced deadline for the receipt of applications was November 30. However, an extension has been granted because of the inclement weather and the Grey Cup game last Saturday. All forms must be returned to a director of the Winchester Minor Hockey Association or to Duncan's Store not later than this Saturday, December 7th.

Registration forms are available now from any director or at Duncan's. All registrations must be signed by a parent.

The hockey season should start in Winchester very soon and all young players are reminded that everyone playing must wear a helmet, and protective tips on his skates this year.

BOWLING

Winchester

Jim Lennox was the big bowler for the Fireside Group on Monday evening with singles of 193, 330 and 181 to cross 704. Len Steck had 650-250, Lorne Isaac 619-245, Howard Porteous 575-228.

DRIVER EDUCATION STARTS AT MDHS

Driver education has been added to the extra curricular activities of MDHS. The course is open to all students who have reached their 16th birthday as of January 1, 1964, and many are taking advantage of the course. In a 1964 Pontiac provided by MacDonald Motors of Winchester (picture page 8) and with driver and car insured through Crowder Insurance Agency, the driver must drive the auto with an automatic transmission for eight hours and another with standard shift for two hours and observe other drivers for 18 hours and attend 25 in class lectures.

The classroom portion of the course will be given at noon-hours and after school hours, and the in-car portion will be given mostly on week-ends by Greig Fowler and Gary Pickard, qualified instructors.

MDHS curlers will take to the rink on Wednesday and Saturday afternoons thanks to the generosity of the Winchester Curling Club. A number of inter-school matches are planned with such centres as Morrisburg, Ottawa, Maxville and Perth. Of course teams will go to the International Teenage Curling Bonspiel at Utica, New York, in January. Curling officers are: President, Donald VanBridger; vice president, Marilyn Hyndman; and Dwaine Berry, secretary-treasurer.

BUSY DECEMBER AT OTHS

OTHS is the scene of bustling activity as the Student Council prepares for the Annual Commencement Exercises on December 6th at 7.45 p.m. Again this year the OTHS Choir, under the direction of Mrs. J. Twiname, will be a special feature of the evening. The choir has been preparing for more than three weeks now and the 100-member group is expected to put on quite a display of musical talent.

In the Boys' Volleyball House League Ron Dennison's team emerged as the champions and under pressure accepted a challenge from the Grade 12 girls' team. Alas! The gentlemen lost to the ladies by default when they failed to provide a net for the game.

A Chess Club has been formed in the schools and a total of twenty-one students are competing in the daily matches of skill and concentration.

Final point from Peter Dawes at OTHS is that exams start on the 11th and continue until the 20th. Then, the Christmas Holidays at long, long last.

NDDHS — EXAMS AND COMMENCEMENT!

How about the exams? Don't mention it! . . . First NDDHS Graduation Exercises Friday evening at 8.00 p.m. Everyone is invited. After the ceremonies there will be dancing for everyone and a reception for graduates and guests.
