

Iroquois vs. South Mountain at Iroquois.

Friday afternoon Iroquois' school team under captain Errol Coleman beat South Mountain into the ground with a final score of 103-0!

The scoring and the game went as follows.

1st. quarter—Kickoff—Iroquois, Ted Smith kicking. The first touchdown of the game was scored by Ron Casselman. Bob Gillard converted it for another point.

Kickoff—Ted Smith. Ted kicked a short punt which was recovered by Alex Foster, later on Bob Gillard ran it for 6 points. Bob also converted it for 1 point.

Kickoff—Ted Smith, after Ted had kicked the ball and Mountain was running it Gord Fairburn snatched the ball from Mountain hand and brought possession of the ball to Iroquois.

After playing the ball on the line of scrimmage, Brian Hodgert took the ball and ran it to Mountain's 14yd. line. The ball was played on "the line" and Ron Casselman ran over the goal-line to score a T.D.

Ron's touchdown was converted by Bob Gillard.

Kickoff—Ted Smith kicking. After a lot a ball playing and a nice run by rookie Garry Coleman, Bob Gillard again closed in for another touchdown.

It was converted by Alex Foster.

2nd. quarter—Iroquois and Mountain switched ends at the top of this quarter. Iroquois was then facing east.

No sooner had the second quarter began when Bob Gillard rushed over Mountain Goal-line to score more points. It was converted by Errol Coleman.

Kickoff—Ted Smith sent one of his many lovely kicks over centre line. Mountain fumbled it and Iroquois, being a sharp team, rushed in and recovered the ball. The ball was placed on the line where it was recovered and after being "played" was handed to Bob Gillard who ran it for a touchdown. The convert failed.

After the "would be" convert failed, Ted Smith kicked off and Bill Millar intercepted a pass thrown by Mountain. After some ball throwing Ron Casselman threw a pass which was intercepted by Mountain.

Mountain after losing their 3rd down (it happened constantly throughout the game) forfeited the ball to Iroquois. The ball after being on the "line" was passed to Perry Smith who ran it over Mountain goal-line for 6 points. Bob Gillard got the convert.

3rd. quarter—After the kickoff the ball was in Home hands and Ron Casselman got another T.D. Ron also got the convert. Then came another kickoff and Mountain again lost possession of the ball to Iroquois, and to Garry Coleman who put on a good showing for a rookie by running the ball to Mountain's 27 yard line.

After playing the ball on the "line" Ron Casselman again succeeded in getting a T.D. For the second time the convert failed.

As usual Iroquois kicked the ball into the welcome hands of Mountain, but instead of getting a firm grip on it, those hands let the ball drop to the ground and Iroquois was well on her way to recover it, and to bring it to Mountain's 20 yd. line.

Bob Gillard after getting his hands on the ball got another T.D. Brian Hodgert got the convert.

4th. quarter—Brian Hodgert got a T.D. at the top of this quarter after Mountain lost the ball by failing to get a first down. Brian's T.D. was converted by Perry Smith.

Ted Smith, as he was the kicker throughout the game, punted to Mountain who was not expecting one. They ran towards the ball, but were unable to get there before Alex Foster swept in and jumped on it.

The ball being in Home hands again was passed to Bob Gillard who was anxious for another 6 points, Bob then ran and was satisfied when he succeeded in getting his 6 points.

Alex Foster got the convert by kicking it through the standards.

The game nearly to a close, was quickened by Mountain's improved runs and tackles. But their improvement wasn't great enough to stop Brian Hodgert from getting a T.D. Alex Foster converted it.

After Mountain losing their downs, Iroquois got the ball.

Alex Foster made a lovely run from Iroquois' own 15yd. line to (See Page Three)

Fire Prevention Week Oct. 9-15

Home, Safe Home

Be it ever so humble, there's no place like home, safe home . . . a home which uses 15, not 30 ampere electrical fuses, which has plenty of large ash trays around, which keeps its heating equipment in good order and which is free of rubbish . . . It's a good home for Canadians.

With Thanksgiving just a few days away, we can be thankful — in many ways—for the blessings we enjoy and cherish.

This Message Sponsored by Iroquois Fire Department and The Iroquois Post

VANCOUVER'S CHINESE COMMUNITY honored leaders of the Canadian Weekly Newspapers Association during the group's 41st annual convention. Tim Louie, president of Vancouver Chinese Association of Commerce (centre), led ceremonies conferring the rank of "honorary mandarin of the

first degree" upon Werden Leavens of the Bolton (Ont.) Enterprise, incoming CWNA president, and Leslie E. Barber of Chilliwack (B.C.) Progress, retiring president of the 521-member association. This is the first time Occidentals have been so honored by the Chinese Community.

Shower and Farewell Parties Sponsored By Hanesville Friends

A shower was held in the church hall on Friday evening in honour of the recent marriage of Mr and Mrs. Allen Scott (nee Lois Baldwin) and a very large crowd attended. The following address was read by Mrs. Stanley Barkley and Mr. Vern Speer presented them with a purse of money after which Lois thanked everyone and invited all to see them in their new home in Winchester. "For They Are Jolly Good Fellows" was sung and lunch served by the ladies.

Dear Lois and Allen

We your friends have assembled here this evening to extend to you our congratulations and best wishes for a long and happy wedded life.

To you Lois, whom we have known for a long time we wish to say that we have found in you a willing helper and worker in our community and social work and you have won our respect and admiration.

To you Allan whom we have not known so long we congratulate you on winning one of our girls to share your joys and sorrows. We trust as time goes on we shall become more acquainted.

We are asking you to accept this gift as an expression of our

esteem for you both from your friends in the vicinities of Hanesville and Glen Stewart.

Mrs. Vern Speer
Mrs. Arnold Fader
Joan and Paul Anderson

A farewell party was held at the home of Mr. and Mrs. Ross Anderson on Saturday evening prior to their leaving for their new home in Prescott. After the following address was read Ross and Edith both thanked the community for the gifts of a platform rocker and hassock, and invited all to come and see them and their family. All joined in singing "For They Are Jolly Good Fellows" Lunch was served by the ladies.

Dear Ross and Edith and family
It was only a short time ago we learned of your immediate departure. We were sorry to hear of such a decision but hope and pray, due to your health Edith, that it will prove better for you.

We will miss those home baked beans and beautiful cakes, but listen to your phone, we might even call yet. We realize that our loss will be another's gain, and you can let your light shine wherever you go. We will miss the young people in our work and

playground here, but they can easily and quickly make new friends in your surroundings. Now to all of you we ask you to accept these gifts not for their value but as a token of our friendship, that will always be held in high esteem by your friends of Hanesville and Glen Stewart.

MRS. ROBERT KELLY

Mrs. Robert Kelly, for many years a resident of this district, passed away at the home of her daughter, Mrs. Earl Sipes, Con. 2, Matilda, on Thursday, Sept. 22nd. She was 76 years of age. She had been in failing health for the past nine months.

Her husband, predeceased her one year. Surviving are three sons, William, Eli and Charles, all of Matilda, and four daughters, Mrs. Earl Sipes, Mrs. Dan Lewis, Mrs. Earl Hummell and Mrs. Robert Markell.

The funeral was held at the Fairbairn Funeral Home, Brinston, on Saturday, Sept. 24th, the service being conducted by Rev. C. A. Adey.

Burial at Brinston Cemetery.

First in Canada

Camera Peeking Down Sewers

Peeking underground in sewer lines has never been considered to be a job too many people relished, but Ontario Hydro workmen seem to be enjoying their task of looking down Iroquois sewer lines these days. The primary reason why they delight in the job is that a sort of seeing-eye "dog" is doing the looking for them.

Discuss Parking By-law

Iroquois council will discuss the parking by-law at its Thursday night meeting. The Post learned early this week. This will be good news for those who feel that the by-law has been doing no good for public relations in the community and it appears certain that some revision of the by-law's contents will be forthcoming.

Believed to be the first time such equipment has been used in Canada, Ontario Hydro has a television camera looking along sewer lines to find where the breaks are located. Considerable trouble has been experienced with the sewer system since it was installed over three years ago and the Commission is taking steps to try to cure the system's ills.

First the camera locates the source of trouble, then along comes a heavy piece of equipment to rip up the pavement (up to 18 feet of rock and earth) to get at the sewer pipes.

All village streets have been "surveyed" by the camera and in the next few weeks the remedial work will be carried out.

Regulation Size

Outdoor Rink Being Readied

Iroquois youngsters (and a few oldesters who still take to the ice once in a while) will welcome the news that an outdoor skating rink is being constructed in the village. The rink, with a regulation sized ice area of 76' by 180', has been designed to provide a hockey rink here for the first time since the village was moved. Carl VanCamp, councillor and chairman of the Iroquois Recreation Association told The Iroquois Post this week.

Drive Carefully

This is Thanksgiving weekend and the last long holiday before Winter sets in. Many residents will be taking to the highway for a last visit with friends or relatives or a view of the countryside in its glorious autumn shades. Whatever you do, please drive carefully. . . the life you save may be your own.

Have a happy holiday.

Personals

Mr. and Mrs. John Coon and Mr. Norman Coon, of Elgin, Ont., and Mr. and Mrs. Edmund Garrett, of Lyndhurst, Ont., were Sunday guests of Mr. and Mrs. C. J. Serviss.

Mr. and Mrs. Donald Hare and Alan were week-end guests of Mr. and Mrs. Ernie Humphries of Renfrew Ont., and Mr. and Mrs. Fred Jensen and family of Stittsville, Ont.

Work on the rink has progressed for the past few weeks, with the sideboards being prefabricated in the town maintenance building on Dundas Street. The rink will be located just west of the wading pool in the small park running east and west from Victoria Street to Elizabeth Drive.

The Recreation Association formed to assist in coordination sports and cultural activities in the community forged ahead with plans for the rink, acting on behalf of Iroquois Council on the matter, so that the rink would be in use this Winter.

Preparations are also being made to light the rink with a similar type lighting system as used along village streets. M. R. Laundry, Carman Road, surveyed the land for the rink and prepared it for the initial construction.

Acting as a council representative group for the community, the Association includes two councillors, chairman Carl VanCamp, A. E. "Bert" Kirby; Mrs. Mac Fetterly, secretary; Mrs. Joan Saver, G. Arliss Casselman, D. "Cook" Sisty and Clifton N. Davis.

Mrs. Chen Law Is Mourned Here

A former resident of the Village of Iroquois, Mrs. Chen Law, passed away at the General Hospital, Brockville, on September 24th, in her 65th year, following an illness of several weeks.

Known affectionately in the community as "Ma" Law, deceased was always known to be ready with a helping hand to anyone in the village and district and made many warm friends who regret her demise.

Born in China, Mrs. Law married Mr. Law Fooksing in 1915 and the following year emigrated to Canada, first living at Brockville. The couple operated a restaurant in that city until 1923 when in December of that year they moved to Iroquois to take over a restaurant in the Currie Block in the old village. This business was operated until 1952. In

1940 Mr. Fooksing passed away Mrs. Law carried on the business with the help of her son, Lennie.

Deceased is survived by two children, a daughter, Mrs. Geemie Yee of Cardinal and Lennie Law, Iroquois. Eight grandchildren also survive.

The funeral service was held on Tuesday, September 27, from the W. E. Fitzsimmons Funeral Home to Oakland Cemetery, Brockville, for interment. Rev. Douglas Fry, Knox Presbyterian Church, Iroquois, spoke comforting words to the family and friends of the deceased. In religion, Mrs. Law was Presbyterian.

Pall bearers were S. A. Thompson, L. C. Davis, Iroquois; Hong Toy, Law Shue, of Brockville; Willie Hoy, Morrisburg; Lor Shack, Gananoque.

Ours and Yours . . .

The Beauties of Autumn

An afternoon drive at this time of year through the Laurentians or the Adirondaks can be pleasant and last-ing experience to bring back many fond memories during the coming winter months.

As the leaves begin to turn and the hills north of Hull and along the Otta-wa River to the westward take on the hues of Autumn, with a glorious dis-play of the colours of the rainbow, the sight of nature at its finest becomes an enchantment.

While we have often advocated that

Canadians should get to know their own country better, in the interest of friendly relations with our southern neighbours, mention the beauties of the Adirondaks, the vicinity of Tupper Lake, Lake Placid and White Face Mountain. This area is much akin to the Laurentians at this time of the season, presenting as vivid a display of colours and scenic beauty that only Autumn leaves can provide.

The trip to either place, or any other providing such an abundance of trees, can be a rewarding journey in scenic splendour.

SOEST, West Germany—Last week we told of a couple living in quarters designed for the Canadian Army. This week, as a comparison, we want to write of a young couple living "on the econ-omy", the term used to describe accommodation rented from a German family, and buying food and other needs in the German stores and market.

Guardsman M. E. Fife, Parrs-boro, N. S., of the 1st Battalion, Canadian Guards, and Mrs. Fife pay \$49 a month for a furnished upstairs apartment, heating it themselves, in "Little Canada", a section of Soest where several Canadian families are living. They have one bedroom, living room, kitchen and bath.

Living quarters are available for about one-half of the Cana-dian families here with the Army. The rest just find quarters "on the economy". This is becoming in-creasingly difficult, we were told, because the policy of the German government has changed. Provid-ing considerable financial assis-tance for new housing, the Gov-ernment states that German fami-lies and the thousands of refu-

gees pouring in from East Ger-many must have first choice — after present Canadian tenants. What will happen at rotation time? This will mean the end, al-so, to the lucrative rents from the well-paid Canadians.

The Fifes are happy in their home. Their landlady speaks good English, and they are becoming fairly fluent in German as they do much of their shopping in the local corner store and on the Soest market. They are only about 10 minutes drive from the MLS store, so they get along very well with their shopping.

To help the families living out of town, Army buses make regu-lar runs to bring the wives into the stores, and trucks accompany the buses home to carry the sup-ples.

They are able to buy more and more Canadian-type foods, even in the German stores, and un-sliced, wrapped "Canadian Bread" made in Germany. Meat in the German stores is cut while you wait, as it was in the shops back home a few short years ago. It is good, but a bit more expensive than the Danish meats at the MLS.

THE BIBLE TODAY!

On the Brazilian version of the television programme "This is your Life" TV Tupi of Rio de Janeiro featured Pedro Frederico Soares, a member of the Bap-tist Church of Neves, and a po-lice officer of the Federal Dis-trict in Rio.

After his conversion in his home state of Minas Geraes, he was active in the Central Baptist Church and led the open air preaching service at Camp de San-tona until he was moved to South Goncalo in the State of Rio.

He gained the confidence of his superiors and his colleagues on the police force. Responsible for the safety of the children in the Grupo Escolar Rodrigues Alves, he was noticed only by the pa-rents of the children but also by the wife of the President, Senora Sora Lemos Kubitschek. He was admired and respected by all the people living in the district.

He was never armed with a weapon but he always carried a Bible which he read to the chil-dren in his free hours.

When he was interviewed he was asked why he never carried a weapon. "Because I have a weapon from which nothing will separate me," replied Pedro. "And what weapon is that," asked the interviewer? Pedro took a copy of Holy Scriptures from his pocket and showed it to the television audience saying, "The Bible, the Word of God."

On this programme Officer Soares was presented with a gold Whistle by the mayor of the city and the commander of his unit read an order of the day praising his qualities as a zealous and ex-emplary officer. Mrs. Kubitschek sent a message in which he was presented with a house.

Suggested Bible Readings

- Sunday, Oct. 9th Psalms 95: 1-11
- Monday, Oct. 10th Psalms 100: 1; 101: 8
- Tuesday, Oct. 11th Psalms 119: 1-24
- Wednesday, Oct. 12th Psalms 119: 79-120
- Thursday, Oct. 13th, Psalms: 119: 153-176
- Friday, Oct. 14th, Psalms 91: 1-16, Matthew. 4: 5-7
- Saturday, Oct. 15th, Psalms 121: 1-8

However, all cuts are completely boned by the German Butcher.

They find the German people very neighborly. They were es-pecially kind when the Fife's only child, an 11 month old boy, died recently. A host of flowers was brought to the home and to the military cemetery at Werl.

Guardsman Fife is a member of a German rifle club, which enters competitions all over Europe. He is coaxing his wife to join also, in time for the trip to Cologne. They have been to Switzerland, Holland (the Canadians' shopping paradise) and around Germany in their Opel, the German made GM car. They plan a lot more travelling.

They attend shows at the Fort, Bingos at the Red Patch Club, and social visits with their German and Canadian neighbors. They listen to the Canadian Army Music Radio Station from Werl, and on Saturdays see the Perry Como show on German TV. Since their baby died, Mrs. Fife has taken up oil painting "by numbers" to pass the daytime hours.

They are happy with their lot. It is an experience they could not have bought, and they intend tak-ing full advantage of their tour of duty in Europe.

Here & There

by Kay Kay

The parking by-law printed in this newspaper last week has be-gun to blow up a storm and has hit hard at the driver who plunk-ed his vehicle in the wrong spot at the plaza. Finding himself with a ticket for slightly over \$8.00, despite the cool weather, has brought tempers up.

Quite apparently, behind the by-law the thinking was to create some form of traffic control along the sidewalks in front of the stores and adjacent to the park-ing lot; not to persecute anyone. At times, traffic has been almost halted by careless drivers who left their cars parked along the sidewalk, thereby cutting the traf-fic lane down to one-way driv-ing.

The 15-minute parking regula-tion for in front of the post of-fice and the Bank of Montreal has worked out well and is keeping traffic moving. We're sure the by-law only meant to do approx-imately the same thing in front of the sidewalks. Yet the by-law has been enforced quite rigorous-ly and to mixed criticism.

Granted the by-law was needed for traffic control in front of the plaza but we feel its enforcement is more strict than it was intended.

Many feel as we do that an amendment to the by-law is need-ed; one that would permit "stop-ping" along the sidewalk, long enough to load or unload and that the hours of restriction be posted to read possibly from 8 a.m. until 6 p.m. on weekdays except Friday when it could be extended to 10 p.m., with Sun-day parking unrestricted.

As it now stands, if you park along the sidewalk at 4 a.m. you can get a ticket. (Just why you would be parked there at that hour, however, is anyone's guess!)

We have no doubt the by-law will be amended, for we're certain as we've pointed out, that council had no intention of persecuting parkers... there was a need for more traffic control and they acted in good faith.

The sooner the by-law is amend-ed, the better for all concerned.

A talk with one of the council-lors after we had written this week's column informed us that the by-law comes up for discus-sion this Thursday night.

On his first visit to Australia, a Texan was being shown around a vast ranch. "Why, this would be just a teensy little corner of my spread back home," he bragged.

When he arrived at where a huge herd of cattle were grazing, he commented, "Purdy, but they'd get lost among my herd."

A kangaroo suddenly came up behind him and leaped by. The startled Texan exclaimed, "What in tarnation is that?"

His Australian host calmly an-swered, "You mean you don't have grasshoppers in Texas?"

The disturbed fellow decided to take his problem to a psychiatrist. He complained to the doctor that his memory seemed to be failing him.

The doctor inquired, "How long have you been bothered with this trouble?"

And he answered, "What trouble?"

Mrs. McTavish looked out of the window as the family was sit-ting down to dinner and wailed, "Here comes company and I bet they haven't eaten yet."

"Quick," ordered her husband, "everybody out on the porch with toothpicks!"

GARDEN SHORTS

Did you know that Chrysanthemum Stunt is caused by a virus? This virus can be carried to heal-thy plants by a cutting knife or a hand that has pinched an in-fected plant. Horticulturist with the Ontario Department of Agri-culture suggest washing hands or knives that have touched stunted plants—those mums with faded leaves and premature flowers.

Don't let 2,4-D and other gar-den sprays drift and hurt your good plants, advises R.O. Bibbey, botanist with the Ontario Depart-ment of Agriculture. Use a fairly coarse nozzle and spray at low pressures. Confine spraying to days when there is little or no wind. Keep the nozzle as low as possible.

To make cut flowers last long-er, cut them early in the morn-ing or late in the evening. Then place the stems in about two inches of warm (bath temperature) water. After the water has cooled down, the flowers are conditioned for a longer life in vase or lapel.

News from

One Year Ago

THURSDAY, OCTOBER 8, 1959.

A surprise party was given at the home of Mr. and Mrs. Mur-ray Storey, Dundas Street, Iro-quois, Saturday, October 3rd, to celebrate the occasion of their thirtieth wedding anniversary.

Carlton F. McInnis, Barrister and Solicitor, who has been practis-ing law for the last three years in Toronto, in association with Gordon W. Ford, Q.C., has ac-quired the practise of the late Raymond H. Armstrong, Morris-burg.

The annual sports day at the local Public School was a decided success due to the splendid co-operation of weather, pupils, teachers and many of the parents who came to watch the many events.

Reeve Lloyd Davis has an-nounced that efforts are being made to provide a free adult Po-lio Clinic in Iroquois. The clinic to be held as soon as necessary ar-rangements are completed will service both the Village of Iro-quois and the Township of Ma-tilda, he said.

On Saturday, September 19th, the Presbyterian Manse, Prescott, was the scene of the marriage of Miss Kathleen Miriam Bare and William E. Pitt.

The death occurred at Brock-ville General Hospital on Mon-day, September 21st of baby Do-nald George Henry Ellis, infant son of Donald Ellis, Prescott, and his wife the former Doris Hodge. The baby was born Sunday, Sep-tember 20th.

A very enjoyable evening was spent at the Community Hall, Brinston, on Saturday night when a number of friends and neighbors assembled to honour Mr. and Mrs. Allan Armstrong on their recent marriage. During the evening a presentation of many useful and pretty gifts were received.

The United Church, Dundela, was the scene of a pretty early autumn wedding when Mary Rose Harkness, daughter of Mr. and Mrs. Harold Harkness, became the bride of James Allan Bueley, son of Mr. and Mrs. Frank Bue-ley, of Iroquois.

A Holiday

By HELEN R. HEWSON
Parent Education Associates

FATHER and mother had returned from their trip and came to pick up John and Marnie. The chil-dren had spent the week with their mother's friend.

"Frankly," their hostess confessed, "I was a little worried after I had been so rash and doubt they could stay with us. I was afraid they would be bored in this adult household."

"But we had a wonder-ful time. Let them come again."

Father stowed away the bags, good-byes were said, then 10-year-old Marnie jumped out of the car for a last farewell. "We've had a real grown-up week and it's been lovely."

"Thank you so much, Aunt Nora and Uncle Jim." The courtesy "aunt" and "uncle" waved them off.

The two children, Marnie, 10, and John, 8, were accustomed to home chores and as guests they made their beds, kept their rooms reasonably tidy and helped with the dishes.

John spent some time

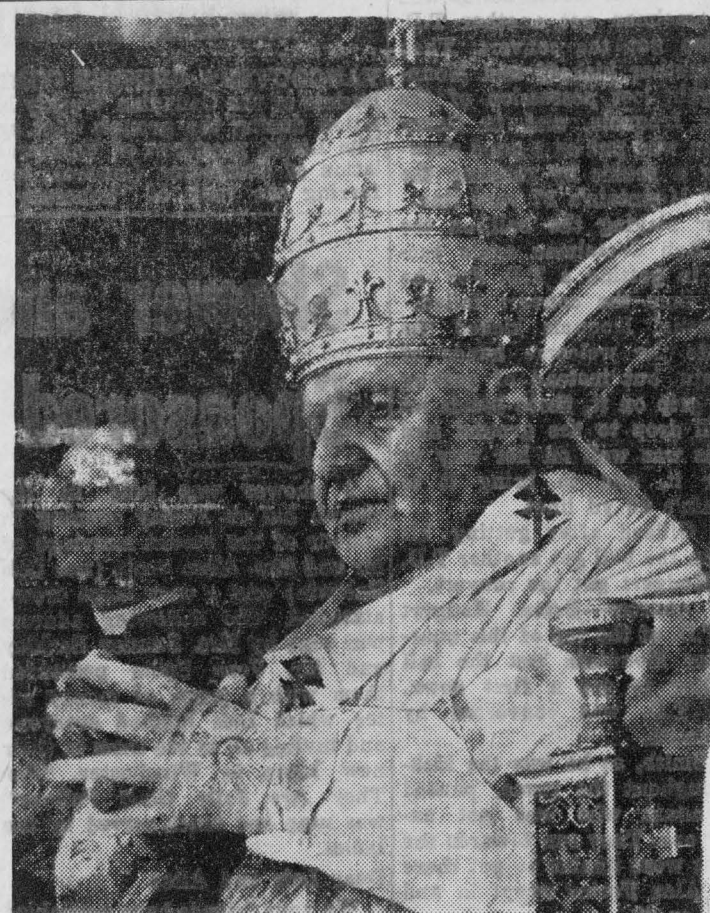

with Uncle Jim at his work bench helping with minor repair jobs and built a boat of his own unique design.

They helped to paint the garden furniture. Each with brush and small can of paint worked carefully and industriously.

There were games too. The old badminton net was strung up and there were many heated arguments over the score. The croqui-nole board was dusted off and well used.

Aunt Nora introduced them to the mysteries of the shoe box "peep" show and the children searched the magazines for ma-terial for master creations. John produced a wild west show and Marnie's was an elegant "house beautiful."

Aunt Nora straightened the hall rug and picked up a forgotten comic book from the table. "I guess the secret of entertaining children is to be interested in them and take time to let them be interested in what we are doing our-selves. It certainly worked out with that pair."

This study of Pope John XXIII is the most recent. It was made at St. John Lateran, his own church in Rome where he proclaimed sainthood for Gregorio Cardinal Barbarigo.

The 1961 Imperial from Chrysler of Canada presents the distinguished styling and engineering excellence for which this premier automobile is renowned. In exterior styling, the vehicle is new in over-all appearance with pronounced model year identity. New interiors feature re-styled instrument panels, fresh seat and door

panel designs and new fabrics. The interiors are more luxurious, particularly in the Imperial Crown models. The engine, electrical system, steering gear, brakes and suspension have been improved. Silencing and corrosion treatments are refined. Pictured is the Imperial Crown hardtop limousine.

Care For Grass

Don't try to control crabgrass in Merion bluegrass lawns with mercury compounds, warn botanists with the Ontario Department of Agriculture. A favorite crabgrass killer, phenyl mercuric acetate, has been known to damage

stands of Merion bluegrass.

"Junior, do you like your new nurse?"
"No, mama, I hate her. I'd like to grab her by the hair and bite her on the neck as daddy does."

TIMELY TIPS

Planning on cutting some of those weeds under barnyard fences this month? If you are and the old scythe is a little rusty, here's a safety reminder for sharpening the blade. Stand the scythe on end with the heel against your shoulder and your left hand on top of the blade, says Bill Ridgeway, assistant safety specialists, Ontario Department of Agriculture. Use a hand stone and make the stroke from the blade heel to the tip. This will prevent any slashed wrists or badly cut fingers.

If your corn crop looks a little sparse and ragged this year, take another look at grass silage. Second and third growth hay will make excellent silage to help fill your silo for winter, says Stan Young, OAC's field crops extension specialist. Pick fields that have some grasses in them and watch the moisture content. If moisture is down to 60 to 75 per cent, Young suggests cutting and ensiling directly. Forage that runs high in moisture will still need wilting. It's best to use a moisture tester if available - otherwise the grab test will give a rough guide.

Flushing your ewe flock on good fresh fall pasture can increase your lamb crop next spring by as much as 20 percent, says E. N. Needham, in charge of OAC sheep flock. It gets ewes on a rising plane of nutrition and increases the changes of twin lambs. Put the ewes on good hay after-math, rape, or oats and peas for 2 to 3 weeks before you turn the ram into the flock.

Now's the time to pick fields to seed to trefoil next spring, says Dr. Jack Winch, forage researcher at OAC. Select fields where you want a long term mixture (4 or more years), or where conditions are too wet for alfalfa. Plow early and work the field to clean up weeds. If it's a field that you don't work too often because of erosion, you might plant oats. They may add some extra late fall pasture too.

CANNING TOMATOES

Tomatoes contain a natural acid which makes them quite easy to can, according to the Information Branch of the Ontario Department of Agriculture. For flavour and keeping quality, tomatoes selected for canning should be uniformly ripened and firm. All bruised or decayed spots must be carefully removed. Any piece of decayed or soured spot which finds its way into the jar will cause spoilage later on.

Wash tomatoes well before removing the peel. Plunge them into boiling water for about half a minute, dip into cold water, remove peel and all of the hard green core. Tomatoes may be canned whole or in quarters. Whole tomatoes are packed into clean jars as soon as the peel is removed, filling to within just half an inch of the top of the jar. Make a good solid pack, as the tomatoes will shrink when the heat of processing is applied. If desired, two teaspoons of salt and sugar mixed may be added to each quart jar. Fill the jars to within half an inch of the top with tomato juice. Adjust the jar top. If tomatoes are quartered before packing, tomato juice will not be required. Pack quartered tomatoes very solidly in the jar, pressing them down firmly enough so they make their own juice. Fill jars to within half an inch of the top, adjust jar cap and process.

The boiling water bath is the most generally used processing method for tomatoes.

Reckless Driving A Sin

Religious leaders of many faiths have declared that reckless driving is a sin, says the Ontario Safety League. Now, Bishop Maurice Schexnayder of Lafayette, La., has issued a pronouncement refusing Christian burial to Roman Catholics declared by the competent police officers to have been criminally negligent in highway accidents resulting in their deaths. The bishop's action was taken the week following a four-car collision in which nine persons were killed. Unconfirmed reports state that a \$10.00 drag race bet led to the collision.

The human factor is the dominant element in safe driving, says the Ontario Safety League. Mr. F. G. Gardiner, Q.C., once said: "Experts quote statistics that the automobile now carries only 1.7

passengers, that soon it will be carrying only 1 1/2 passengers, and if you follow their arguments to their illogical conclusion you can see the day when the automobile will be only carrying half a passenger. As a matter of fact, the way some people drive now you would think that day had already arrived."

If you drive to make fast time, you may drive for the last time, says the Ontario Safety League.

Old Pot-bellied Stove Of Railway Pioneer Vintage

by Dorothy Barker

Three weather-beaten prospectors made the acquaintance of Josiah Flintabatey Flonatin between the pages of a dime novel. Sitting around an old potbellied stove they ruminated over what they should call the rich strike they had just staked in the wilderness of northern Manitoba. Flonatin's adventures, after he dug a hole in the earth and found a new world, appealed to them as depicting their own good fortune.

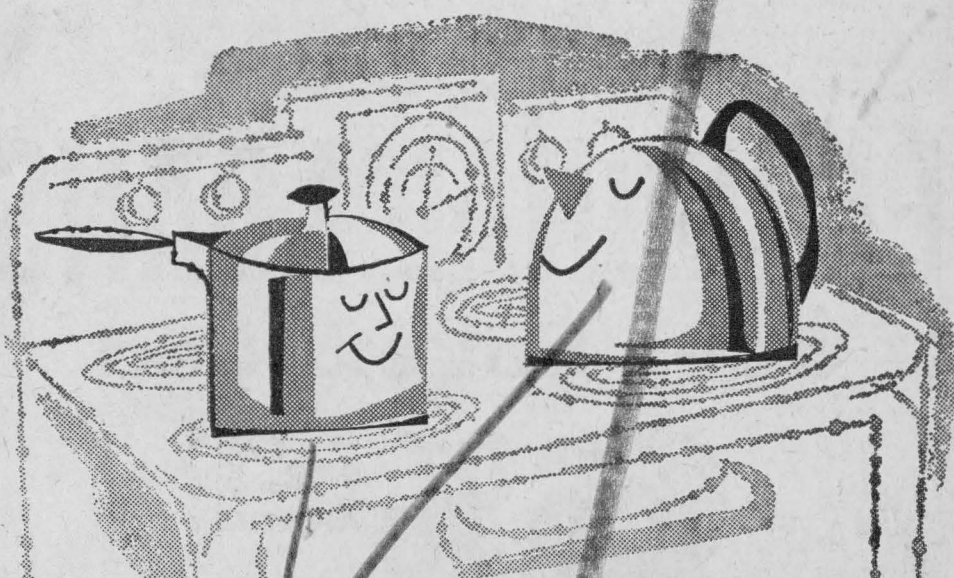

so they shortened his nomenclature to Flin Flon, which has stuck to one of the richest mineral fields in Canada.

It is now a community of 12,000 souls with two daily newspapers, nine schools and spectacular red mine shafts, visual evidence of the great wealth that has been dug from a mile below the surface of the earth. The town's life expectancy has run in several cycles of ten years. Mines peter out and new lodes are discovered,

fortunes have been made and as many lost in the fluctuation known as "prospector's luck". Now the town has settled into a pattern of permanency as modern methods have improved mining facilities. Even the mounds of slag are being reprocessed, extending the production of zinc and copper mines.

On the morning the CNR's Churchill Excursion diesels pulled their seventeen coaches into a siding, little pools of water re-

1961 VALIANT INTRODUCES TWO-DOOR HARDTOP

SOUVENIRS

The stylish and popular line of compact Valiant passenger cars from Chrysler of Canada introduces the two-door hardtop in its 1961 selection of body designs. Also available in both the V-100 and V-200 series are the four-door sedan and the four-door suburban. Style lines which have proved the Valiant such a popular addition to the Chrysler of Canada fine line of automobiles,

have been accentuated and enhanced in the 1961 series. Such outstanding engineering achievements as Torsion-Aire suspension, unit body construction and anti-corrosion treatment, and the economical and dependable "slant six" engine are features of the compact Valiant for 1961. Pictured is the 1961 two-door hardtop.

1961 DODGE PICK-UP FEATURES NEW ENGINE

The revolutionary "slant six" engine, so successfully introduced in Chrysler of Canada passenger cars in 1960, is the standard six-cylinder engine for the 1961 line of Dodge trucks. This new power-plant, in addition to providing more eco-

nomical operation, assures a low hood silhouette and easy servicing. Exterior design improvements include a new grille, hood and cab design, and an easier-to-load cargo area. Pictured is the 1961 Dodge Sweptline pick-up.

flected the intense blue of a northern sky. It had been raining since dawn, but the last drop we were to see until the train returned to Winnipeg, fell as we walked up the long main street on a tour of inspection. Flat-fronted, one-storey wooden shops leaned sometimes at crazy angles seemingly supporting one another, while the nearby Hudson's Bay Company was remodelling its premises with stone and brick. Every structure in Flin Flon is built atop solid rock. Few houses, or stores, have basements and most buildings perch precariously on their rocky ledges, easy prey for the gales that blow during the long winter

months. I was on the hunt for a genuine sourdough and thought I had discovered him when I spied an old character smoking a huge stogey and with an oversized, weathered old Stetson hanging on his ears. His almost sightless blue eyes, toothless grin, old Bill mustache and leathery tanned skin had all the earmarks of my mental picture of what a sourdough should look like. Smokey Joe was pleased with the nickname I gave him, but soon disillusioned me about his prospecting history. He was a horse trader in his youth. Horse flesh in the bush during the early part of the century was as valuable as gold nuggets. Old Joe

Page 8—THE IROQUOIS POST
THURSDAY, OCTOBER 6, 1960

prospered until the population became mobile on four wheels. His only similarity to that of a prospector was his ability to cook. When hard times hit his pocket-book, Smokey Joe set up a kitchen in a small store and started frying doughnuts. Today his son, who took the business over after the war, has built it into a small empire of soft drink concessions and sweet buns through-out the mining district.

This was picnic day on the tour. Truckloads of food and dining car crew members passed the buses that transported us from Flin Flon to nearby Beaver Lake, the only point in Saskatchewan we touched. Pipers in their Cameron tartans skirled a welcome and one of the most interesting persons I met during my six days "down north" was Harry Moody. He was what I think I should describe as a gentleman prospector. During his life-time he had been a millionaire several times over. Victim of capricious circumstances peculiar to this north country. He is ending his days perpetuating the legends and history of the Cree tribe and Eskimos who peopled the area thousands of years ago. He has been the inspiration and instigator of a small museum at Denare Beach, which houses authentic artifacts found in the area.

Curator of this lore is a petite young girl with snapping brown eyes and skin like the fuzz on a peach. Virginia Hill is proud of her Cree blood and her Scottish great-grandfather. Born in a fish camp on an island in Beaver Lake, she has lived all her life in the woods. Her early education was obtained in a small one-room school and her one year of high school training was obtained through a correspondence course. Though married for five years, she intends to continue mining her education from a correspondence course and when she graduates, will use the money she has earned at the museum to put herself through normal school in Regina. Virginia wants to teach in the little school that first gave her a yen for higher education.

These are only a few of the romantic personalities we met en route, but they are typical of the frontier spirit that imbues them to build interesting lives, though almost completely isolated by climate and distance from the southern, more populated section of the country.

Safety Council Met

The regular monthly meeting of the Dundas County Farm Safety Council was held on Tuesday September 27th. at the Department of Agriculture, Morrisburg.

A major item on the programme was the mailing of a circular dealing with safety in Dundas County. It was decided to send the circular to every farm home in the county by using the addressing facilities of the Ontario Federation of Agriculture. To save expense the directors of the Safety Council will prepare and mail the circular at their next meeting.

A Zone meeting of the Ontario Farm Safety Council is to be held during the week of October 24th. Mrs. Graham Wells, Mrs. Ray Brown, Mrs. Harry Allison, Mr. Byron Martin and Mr. Allan Farlinger were named as Dundas delegates to the meeting.

Plans to hold a safety banquet early in November were also made by the Council members. In appreciation of the services rendered in Farm Accidents Survey, accidents reporters are to be invited to the banquet as guest of the Ontario Department of Agriculture. Messrs. Byron Martin, Edwin McIntosh, E. K. Pearson and Mrs. Harry Allison were named as programme committee for the banquet.

The next meeting of the Farm Safety Council will be held at Brinston Hall on October 25th.

First Fall Meeting W. A. St. John's

The first fall meeting of St. John's W. A. was held in the parish rooms Thursday afternoon with a good attendance. Our President, Mrs. Playfair, opened the meeting with missionary prayers. A minute of silence in memory of our Treasurer, Mrs. Jas Smith, was observed. The roll was called and the minutes of the June meeting read and approved. Mrs. Greaves read a letter of thanks from the Principal of the Prince Albert School for the splendid bale sent, also told of the progress of the pupils. Mrs. Fisher read a letter from Rev. Hawkins, our prayer partner, telling of the work done in his parish. Mrs. Playfair gave

Teachers Met Dundas Women

The Dundas Women Teachers' Federation Meeting was held in Winchester, Public School on Monday, Sept. 26, 1960.

The meeting was opened by the singing of O Canada, followed by the Lord's Prayer in unison.

Mrs. Dawson, of Winchester, had charge of the programme

a synopsis of the study book "The Way of Africa". As Africa is so much in the news it was interesting to learn more of the country and the work of the church there. No further business, Mrs. Playfair closed the meeting and served a delicious lunch, followed by a social hour.

Passes Away At Brockville

Mr. Alfred Hutt, a former Point Iroquois resident, passed away Tuesday at Brockville General Hospital. He had been a patient there for several weeks.

which consisted of two choruses by Grade VI pupils and slides on a "Trip to Bermuda" presented by Mrs. Marjorie Thom. These numbers were very enjoyable.

Reports of the Annual Convention held in the Royal York Hotel, Toronto, were given by the delegates, Mrs. Rae Helmer and Mrs. Mildred Sims.

The business part was conducted by the President, Mrs. Annie Coons, and the Secretary, Miss Maude Edgerton.

After the signing of the National Anthem a delicious lunch was served by the Winchester teachers.

Celebrate Birthday

The meeting of Moonlight Chapter No. 224, O.E.S. held Thursday night, was one long to be remembered by members when they celebrated their 20th anniversary and honored the Charter members.

Several visitors from Signet Chapter of Finch, Violet Chapter of Prescott and Morrisburg Chapter were guests for the evening. Sister Vera Begg, Grand Warden of the Grand Chapter of Ontario, was also a distinguished guest.

During the meeting the initiation ceremony was exemplified on two new candidates, when Sister Hildred Williamson rendered a solo "Someone Bigger Than You And I".

Plans were also discussed for a bazaar and food sale October 15, and a church service October 16th.

Following the meeting, charter members were honored at a birthday party, each member being escorted to a seat at the head table, by the presiding officers and presented with a lovely corsage by Sister Lera Parker, Associate Matron. The head table was centred with a large "20th Anniversary" cake and tapers. Seated at head table were the officers and members who instituted Moonlight Chapter, Sisters Lottie Merkley, W.M.; Ruby Hamilton, Secretary; Betty Fitzsimmons, Cond.; Lena Glover, Adah; Violet Hare, Ruth; Mina VanAllan, Electa; and Mabel Locke; Brothers H. H. Hamilton, W.P. and W. E. Fitzsimmons, A.P. Other guests at head table were Sisters Begg, Gr. M.; Iva Zeron, W.M. of Signet Chapter, and Isabelle York, W.M. of Morrisburg Chapter.

The birthday cake was cut by Sister Lottie Merkley and Bro. H. Hamilton. A resume of the Institution and Constitution of Moonlight Chapter was given by Sister Merkley. Bro. Fitzsimmons also spoke on the work of the Chapter during the past 20 years. This was followed by a roll call of the Chapter officers and members of 1940 by Sister Ruby Hamilton. Sister Merkley also paid tribute to deceased members, who had for many years, been faithful members of the Order. Greetings were extended by members present from other Chapters.

A vote of thanks was given by Sisters Betty Fitzsimmons and Lena Glover, to Sisters Lera Parker, Doris Jamieson and Florence Hodget, who were in charge of arrangements for the party, and to other officers and members, who helped make the evening one never to be forgotten by Chapter members.

News From Our Correspondents . . .

STRADER'S HILL

Mrs. Esly Pitt, of Williamsburg, spent Thursday with Mr. and Mrs. Elgin McIntosh.

We are glad to report that Mr. Cecil Hanson who underwent surgery on Tuesday at the Civic Hospital, is doing as well as can be expected.

Mr. and Mrs. Bill Byveldt and children spent Sunday with Mr. and Mrs. Martin VanMorsel, of Morrisburg.

Visitors at the home of Mr. and Mrs. Johnny Beckstead this past week were Mrs. Elgin McIntosh, Mrs. Cecil Hanson, Wayne and Susan, Mr. and Mrs. Lloyd Beckstead and family and Mrs. Alton Riddell and grandson Ellwood.

Mr. John Wells attended the opening of the new bridge at Johnstown on Saturday.

Recent visitors at the home of Mr. and Mrs. Ralph Serviss were Mr. and Mrs. Morris Gore and son Pat, of Rowena; Miss Vera Fawcett, of Hulbert, and Mr. Lyle Levere, of Van Camp.

Mrs. Ethel Bolton and Miss Edna Swerdfeger, of Mountain, spent Friday with Mr. and Mrs. Lolyd Beckstead and boys.

Mr. and Mrs. John Wells spent Saturday night with Mr. and Mrs. Oliver Smyth, of Dundela.

Mrs. McIntosh and Mr. Mahlon Strader of Glen Becker, spent Thursday evening with Mr. and Mrs. Elgin McIntosh.

Mr. and Mrs. Lloyd Beckstead and boys spent Sunday with Mrs. Nathan Beckstead, of Dundela.

This past week's visitors at the

home of Mr. and Mrs. Alton Riddell were, Mr. and Mrs. Douglas Boone, Douglas and Timothy, of London; Mrs. Jack Ferguson and sons, of Prescott; Mr. and Mrs. Myles Hummel and friends, of California; Mrs. George Hummel and friends, of Williamsburg; Mr. and Mrs. Bill Jackson, of Brockville; Mr. and Mrs. John Riddell and children and Mr. and Mrs. Charlie Hodgson of Winchester Springs, and Mrs. Sanley Hodgson of Iroquois.

Miss Sheila Hutt, of Winchester, had supper at the home of Mr. and Mrs. John Wells and Donald on Sunday.

PLEASANT VALLEY

Mr. and Mrs. Hilliard Gilmer and mother spent Sunday with Mr. and Mrs. Wm. Bolton, Prescott.

Mr. and Mrs. Bert Garlough, Winchester, spent Monday evening with Mr. and Mrs. Kenneth Hunter.

Mr. and Mrs. Sam Hamilton visited Mrs. Howard Robinson, Spencer, recently.

Mr. and Mrs. Howard Reid and Mr. and Mrs. Gordon Froats and Mrs. Sammy Cowan spent Thursday evening at the home of Mrs. W. J. Gilmer.

HYNDMAN

Mr. and Mrs. Henry Barkley, Iroquois, were Monday visitors of Mr. and Mrs. Cecil Somerville.

Mr. John Conley, Brockville, called on his parents, Mr. and Mrs. Robt Conley, Monday afternoon.

Mr. and Mrs. Byron Allaby returned home on Thursday after spending the past two weeks visiting friends in Newfoundland.

Mr. and Mrs. Stephen Kruize, Brockville, were Thursday evening visitors of Mrs. Mary Francis.

Mrs. Della Hodge, Prescott, is at present visiting her daughter, Mrs. Cecil Somerville and Mr. Somerville.

Mr. and Mrs. Arthur Alix, Baie Comei, Que., spent a couple days last week at their cottage here.

Mrs. Robt Grant and daughter, Mrs. Cecil Canning and son Gary visited friends in Cardinal, Friday.

Mrs. Cecil Somerville and Carolyn and Mrs. Della Hodge were Saturday visitors of Mr. and Mrs. Don Thompson, Iroquois.

Mr. and Mrs. Arnott Conley and Darlene, of Brockville and Mr. Robt Conley of this place were Sunday afternoon visitors at the Lattimore home.

Roses and Apples Related

The rose family of plants is one of the largest and according to the Book of Knowledge, it includes not only the great number of roses proper, but also the strawberry, blackberry, raspberry, apple, pear, cherry, plum and peach—also such weeds as agrimony and cinquefoil.

Personal items of news about the people in our district are always welcome—weddings, graduations, engagements, etc., all interest our readers.

Cooking Comments

COOKING COMMENTS

The colour of eggs, which ranges from white to cream to brown, does not affect flavour, food value or quality, according to the Information Branch of the Ontario Department of Agriculture.

Store eggs with the large end up, in a covered container in the refrigerator, and they will be less likely to absorb odours and to lose moisture, advises the Information Branch of the Ontario Department of Agriculture.

Water in which vegetables have been cooked should be saved and used in soups or gravies because it contains valuable minerals and vitamins, reports the Information Branch of the Ontario Department of Agriculture.

Horse sense is something that prevents horses from betting on people.

Bet Your Boots He's Right!

Following are some direct quotes from a luncheon address by Oakah L. Jones, president and general manager of The Consumers' Gas Company, given Wednesday, September 14, 1960 before the Newspaper Advertising Managers' Association of Eastern Canada in Montreal.

I am a sucker for newspapers. I am a sucker for reading newspapers.

I am a sucker for using newspapers in our company advertising.

I enjoy reading newspapers, the news columns, the editorial pages, and the advertising. Yes - right on through the classified ads.

I enjoy reading newspapers because it is good for keeping me up to date.

I enjoy reading newspapers and encourage my men to read them because it keeps them up to date.

I enjoy reading newspapers because it is good for my business to know what is going on outside of our own particular specialty - the gas business.

I am a sucker for newspapers and enjoy them because we need them to build our communities.

And our company, the one I naturally know the most about - is in the same position as you are as newspapers in that we must build our community because if the community is not built, does not grow, if the community in which we operate goes to pot, what sales value have our pipelines, meters, etc., any more than what sales value have your trucks, presses, etc.

Our future is in the community in which we are operating.

The growth of our company and industry has taken place because of advertising. Advertising and then living up to that advertising.

It only takes a few minutes to write down your personal news items—then send them in.

C. D. Howe, former Liberal cabinet minister, and central figure in the building of the trans-Canada pipe line, received one of the highest awards of the Engineering Institute of Canada at a ceremony at Winnipeg. He was presented with the Julian C. Smith Medal for achievement in development of Canada.

IHS News

(From Page One)

Mountain's goal-line and racked up 6 more points for Iroquois.

The convert was kicked by Bob Gillard.

Mountain after receiving a punt from Ted Smith fumbled it and lost the ball to Gord Fairburn who quickly pounced on it.

The game was in its last minutes when Ron Casselman made a lovely run toward Mountain's goal-line, but as he was nearing his objective Mountain started to close in on him. He wavered, drove from left to right and finally made his way over the goal-line

TIMELY TIPS

It won't be long before seed salesmen will be around selling their latest corn hybrids. Look at this year's corn now and see how your silage hybrids are making out, suggests Dr. Stan Young of the O.A.C. Field Husbandry Department. Seventy percent of the feed value in a mature plant is in the ear. Make sure your hybrid is one that will mature by silo filling time. If not, it might pay to pick another. One test of maturity is breaking the ear in half. Look at the kernels on the tip half—this lets you see the smooth side of the kernel opposite the germ. The part of the cob farthest from the kernel fills with starch. If the corn isn't mature, the part of the kernel nearest the cob will show a lighter, milky starch.

* * *

Always apply belt dressing to the side of the belt going away from you and watch for lacing or fasteners that might throw the dressing stick, warns Bill Ridgeway, assistant farm safety specialist with the Ontario Department of Agriculture. Start a cold or frozen belt slowly and with a constant tension. This will prevent cracks and breaks and prolong belt life.

Prairie Muskrat Industry

Canada's largest muskrat farm is the Manitoba Government's Fur Rehabilitation Project on the Fisher River Peninsula in the south central part of the province. It is about 150 miles north of Winnipeg. According to the Book of Knowledge it covers 530,000 acres, and the area is particularly well suited to muskrat trapping and farming.

to knock a final score over the hundred mark for Iroquois.

A kick was attempted for 1 point but it failed by Bob Gillard. The ball did not clear the uprights of Mountain's goal.

If Iroquois plays as well in the rest of the games as they did in this one they should have no trouble in taking the title this year.

Saturday Morning Football League

Saturday Oct. 1 witnessed the best game of the S.M.F.L. so far. It was the roughest and best played game so far.

The Dominoes and Jones Boys were tied 7-7.

The scoring went as follows: Dominoes—Alan McQuigge (6) Ray Secord (1)

Jones Boys—Terry McCurdy (6) Carl Robertson (1)

The two Saturday morning teams will be combined and will play Finch High School Saturday Oct. 8th.

Both teams got their seven points in the 2nd quarter.

Elections

During the first period, Wednesday morning, I.H.S. students listened to the speeches of the nominees for the executive portion of the Students' Council.

After the speeches the students went back to their home rooms and voted for president, vice-president, and secretary-treasurer. While in their home rooms the students also picked a class representative.

In 12 and 13 the representatives were chosen by acclamation. The Council for 1960-61 are as follows:

Officers

President—Bill Millar (12)
Vice President—Mike Knox (13)

Secretary-Treasurer — Carol Buckland (13)

Representatives

Grade 13—Shirley Johnston
Grade 12—Marilyn Sweeney
Grade 11—Shirley McMillan
Grade 10A—Peter Archibald
Grade 10B—Ray Secord
Grade 9A—Sandra Smyth
Grade 9B—Dean McCurdy
Initiation

The grade niners will be initiated Friday the 7th. in the school auditorium. Starting Tuesday and lasting through Friday the niners will be clad in costumes according to the rules set up by the Council.

Last week a box was placed at the back of each room so that the students can suggest new punishment for the newcomers.

So much for life at I.H.S.

You Don't Have to be without it . . .

That's right—for \$2.50 (any place in Canada) you can get a year's subscription to The Iroquois Post.

In addition to keeping up with the happenings in your own area, you can keep up-to-date with the weekly specials offered by our advertisers, find out where to buy what you need from the people you know — and as well, help students of IROQUOIS HIGH SCHOOL make a few dollars.

Any Iroquois High School student will take your subscription, timing this drive with their annual magazine sale.

Subscriptions to The Iroquois Post may also be purchased from Mrs. George Jones or at our office in the Iroquois Shopping Plaza.

Off The Record

by
Gary Parmeter

WAY OUT DJ

Deejay ROBERT E. LEE, "The Rockin' Rebel" of WAKR Akron, recently pulled off a way out promotional stunt in which he remained on a "space platform" 75 feet in the air (hanging from a crane) for 128 hours. His listeners were asked to guess how long he would stay "in near space". He did his daily Top 40 show from the platform.

MONEY IN MOVIE TUNES

PERCY FAITH really started something when he recorded "Theme From A Summer Place" although it's doubtful he knew it at the time. Since he hit the top with the song, a flock of movie tunes have hit the market. Some of the current successful ones include "The Theme From The Apartment", "Never On Sunday", and "Theme From The Unforgiven". Some of the new ones include "Midnight Lace", which has just seen five versions released; the forthcoming flicker "The Alamo" has produced a song called "The Green Leaves of Summer", which also has five versions in the running; "Theme From The Sundowners", which has been recorded by six orchestras; and "Theme From The Dark At The Top Of The Stairs", which has six versions. These are only a few of

the many current movie music disks, so I'm inclined to believe there's gold in them thar' movie melodies.

THAT REMINDS ME

Speaking of "Theme From The Dark At The Top Of The Stairs", last week I received a letter from one of the artists who have recorded that song, FRANK CHACKSFIELD, who is one of Britain's three leading orchestra leaders. Somehow I got on his mailing list so he sent me his monthly "Chat From Chacksfield" telling me about his new single and his current albums 'Ebb Tide' and 'Songs Of Sunny Italy' on London records. So for whatever it's worth, I've passed it along to you.

PLEASANT CHANGE

LAWRENCE WELK'S intoxicated music takes a rest next Saturday night when he presents "Great Bands On Parade". His entire staff of arrangers is working on "exact copy" arrangements of the great bands. The musical tribute will include GLENN MILLER, RUSS MORGAN, BENNY GOODMAN, the DORSEYS, and all the rest.

R. R. TRIES IT ALONE

Since the death of the great OSCAR HAMMERSTEIN II, those (See Page Nine)

COMING EVENTS

MISSION SERVICES

A Week of Mission Services, featuring Rev. Wm. McRoberts, B.A. M.Th., Cook's Church, Toronto, will be held in St. Paul's Presbyterian Church, Winchester, October 16th through October 22nd. Everyone welcome.

BANK OF MONTREAL

Family Finance Plan...

Bring all your personal credit needs under one roof with a low-cost B of M life-insured loan

Already thousands of Canadians are turning their dreams into reality with the Bank of Montreal Family Finance Plan. They've found that bringing all their credit needs under this single comprehensive plan really works wonders for them in getting the most out of their income.

Bank of Montreal Family Finance Plan loans are putting students through college, paying emergency costs, financing off-season vacation trips and filling all sorts of needs for the home and family—all adding up to easier, happier living.

If you have a steady income and can make low-cost monthly payments, this modern plan could help you insure a good many of your dreams. All loans are life-insured, monthly payments can extend over two years—or even three—and you can borrow up to \$3,500 depending on your income.

Your neighbourhood branch of the B of M is the place to go to talk over your needs. Whether you are a customer or not, the same warm welcome awaits you.

"I'm first... after all, this used to be OUR clothesline!"

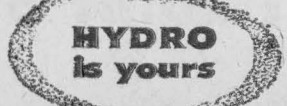

Clotheslines make dandy skipping ropes. And that's about all that can be said in favour of clotheslines in this modern world of electricity.

What a "Cinderella" change has come over our woman's world with today's weather-proof automatic electric dryer. Never a care about the weather on washday... no more heavy laundry basket to lift... no more tedious, back-breaking "hanging-out."

Your surroundings change, too, when you own an automatic electric dryer... no more drooping, dripping basement washings... more space in the yard for outdoor living.

Isn't it time you made some little "skipper" a present of your clothesline?

LIVE BETTER ELECTRICALLY

District Farmer Wins Pasture Competition

Martin Schneckenburger, Morrisburg, R. R. 1 has been named winner of the Dundas Pasture Management Competition for 1960. He has since been placed third in the district finals in competition against the winners in nine Eastern Ontario counties.

Mr. Harold Lannin, Winchester was second in the Dundas competition and Mrs. L. T. Renwick, Mountain third.

The pasture management of the competitors is scored in June and again in August on the basis of 14 management and production factors. Important among these practices, the rotation of grazing, are the fertilizing and manuring vigour and thickness of stand, clipping and freedom from weeds. Very important also is the number of animals units per acre which are carried on the pastures.

Judge of the Dundas competition this year was Mr. Hugh Blaine, Mountain winner of the Ontario championship in pasture management in 1958.

Mr. Schneckenburger maintains a high producing herd of Jersey cattle. In addition to a programme based on high fertility and good pasture mixtures, he this year tried fresh daily grazing for his herd. Under this system a portable electric fence is moved to provide a small area of fresh pasture every

UNICEF LENDS

A HELPING HAND—

UNICEF, the United Nations Children's Fund, lends a helping hand to youngsters in 106 different countries, areas and remote islands. Helping in this effort are Canadian youngsters; they support it with the pennies garnered from the annual Hallowe'en Shell out. But this children's crusade by children and for children - is more than a fund raising project. As well it tries to acquaint all

day. Other competitors in the competition were Messrs. Bernard Brunt, William Tupper, Dwight Crowder, Williamsburg, Arthur Milne, Franklin Milne, George Suffel, Mountain, Douglas Irvine, Brinston, Peter Vedder, Iroquois, Malcolm Graham, South Mountain.

In the Eastern Ontario district finals the winner was Hudson Bros Lyn, Leeds County. Garnet Ralph, Richmond Carleton County was second. Hudson Bros now enter the Ontario finals against four other district winners for the Ontario Championship.

PAGE 9—THE IROQUOIS POSTTHURSDAY, OCTOBER 6, 1960

Off The Record

(From Page Four)

In the music trade have been wondering who would write the lyrics for the wonderful music of RICHARD RODGERS. Those who have been wondering need wonder no longer. In an interview with the New York Times over a week ago, MR. RODGERS announced that he would write his own lyrics. He'll make his first attempts on three songs for a remake of the movie "State Fair". He said "If my experiment works out, I may try doing the music and lyrics for a Broadway show of my own. I've been working since I was 16—forty-two years with other people's words. Possibly I know something about putting words together by now. He added "I think something must have rubbed off on me."

'SKEETER HUNT

WPLA in Florida just finished a mosquito hunt contest, in which the person sending in the most mosquitoes—dead or alive—won a radio. The five day stunt left WPLA with 35,240 mosquitoes. Offhand I can think of about 6,000,000 things I'd rather do than count 35,240 mosquitoes—dead or alive. (The mosquitoes I mean.)

WORTH A GLANCE—AND A LISTEN

"DREAMIN'" — JOHNNY BURNETTE — Liberty Lst 7179. DORSEY'S big brother comes out with a swingin' set including the title tune, which is a current smash for him. He also does great readings on "Settin' The Woods On Fire", (the one that flipped me last winter), "I Really Don't Want To Know", "My Special Angel", "Kaw-Liga", and "Please Help Me I'm Falling". Terrific album by a terrific guy.

"SONGS I LOVE TO SING"—BROOK BENTON — Mercury MG 20602. Smoothville here, on another fine album by the talented fellow. He sings "Oh What It Seemed To Be", "Fools Rush In", "I'll Be Around", "It's Been A Long Long Time", and "September Song". Worth the price.

"\$1,000,000 WORTH OF TWANG" — DUANE EDDY — Jamie JLP 70-3014. As you probably gathered from the title, this is another collection of hits. The fellow who's half man and half guitar has his share too. They include "Rebel Rouser", "Because They're Young", "Forty Miles of Bad Road", "Bonnie Came Back" and "The Lonely One".

THIS 'N' THAT

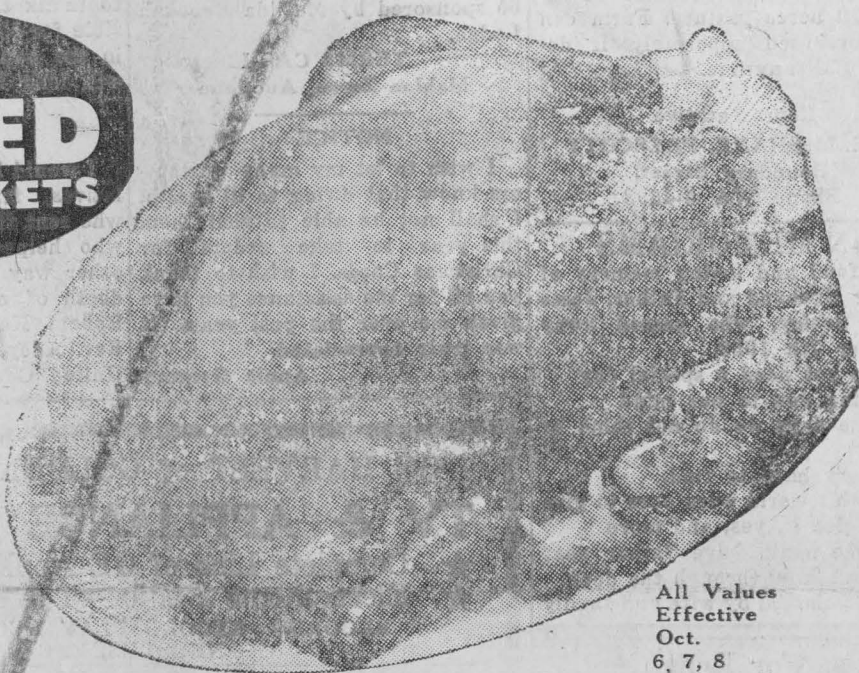

DION, of the BELMONTs, has made his first solo record — "There's a new song out called 'Oliver Cool' about the swingin'-est boy in school. Who sings it? A modest fellow named OLIVER COOL—Chancellor will release an LP called FABIAN-AVALON, featuring the biggest hits of the two artists — JACKIE WILSON has been re-signed to a long term exclusive contract—AL HIBBLER, who made a comeback a few years ago with "Unchained Melody", has signed with Top Rank, where I hope he'll make another — The FOUR LADS are reportedly thinking of leaving Columbia records, which has been their home for the past ten years — JIMMIE JONES is on a tour and will head for Britain in October—The EVERLY BROTHERS recently recorded some new material in Nashville—MARTY ROBBINS & BOBBY HELMS are appearing in Ottawa tonight—Cadence has released their first record by JOHNNY RAY—Warning: FREDDY "Mr. Noise" CANNON has a new record out — Guess who has a recording of "Itsy Bitsy Teenie Weenie Yellow Polka Dot Bikini"? Yep, it's HOMER & JETHRO There's a new singer named U. S. BONDS — GENE VINCENT'S new record is "Pistol Packin' Mama", which was cut and was a hit in Britain a few months ago — I'd like to see some action on "Lynchin' Party" by BOBBY DARE, who is the real "All American Boy"; the last time he had a hit record, BILLY PARSONS got all the credit.

TOP TUNES

Since almost every radio station has its own survey or poll, most of us never see what the top tunes are on the national charts, where it really counts. So here are this week's top ten, taken from the Cash Box top hundred. 1—"The Twist"—CHUBBY CHECKER; 2—"My Heart Has A Mind Of Its Own"—CONNIE FRANCIS; 3—"Kiddio"—BROOK BENTON; 4—"Mr. Custer"—LARRY VERNE; 5—"Chain Gang"—SAM COOKE; 6—"It's Now Or Never"—ELVIS PRESLEY; 7—"A MILLION TO ONE"—JIMMY CHARLES; 8—"Walk, Don't Run"—VENTURES; "Save The Last Dance For Me"—DRIFTERS; 10—"Theme From The Apartment"—FERRANTE & TEICHER.

CARDS OF THANKS

It is with sincere appreciation and gratitude that we extend our thanks to those who sent flowers, cards and tendered their sympathy to us at the time of the passing of our mother, Mrs. Law Fooksing.

Geemie Yee,
Lennie Law

I wish to thank everyone who so kindly remembered me with cards, letters and flowers while I was a patient in Brockville General Hospital.

Mrs. John Wylie

My sincere appreciation to every one that sent cards, letters and messages to me while I was a patient in Mercy Hospital, Chicago, Ill.

Margaret Nugent.

I would like to extend my grateful thanks to Frank Bates and Dr. Marcellus and any others for their ready help at the time of my accident. To doctors and staff of the Winchester Memorial Hospital; to friends and neighbours and Mill mates for gifts of flowers, fruit, chocolates, cigarettes, money, books, cards, also personal visits and telephone inquiries, all of which made my stay in the hospital more pleasant. I also wish to thank those who made it possible for Mom and Dad to visit me in the hospital. These kindly acts will long be remembered.

Uryel Wickwire

I would like to thank all our relatives, friends and neighbours who sent flowers, cards, and those who helped at home or in any other way during the illness and death of our dear mother, Mrs. Robert Kelly. Special thanks to Rev. Adey of Brinston; Brinston United Church choir, Dr. Millar,

Dick Fairburn and pallbearers. Iroquois High School will be received by the undersigned up to 6 p.m. on Oct. 11th, 1960. Applicants will please state a guaranteed analysis of their product.
