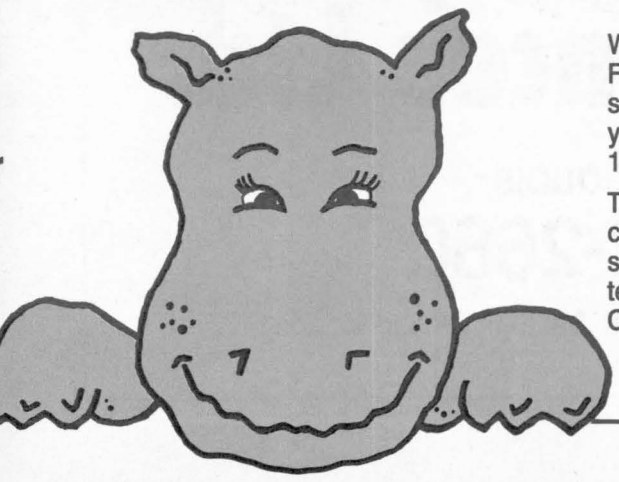
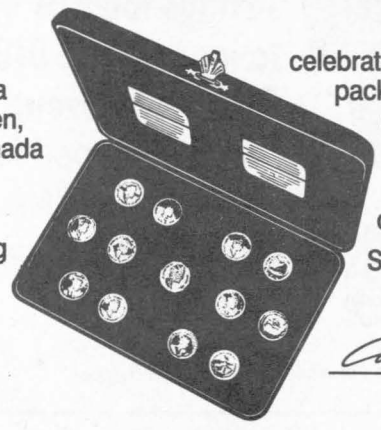
aire® APPLIANCE BONUS BUCKS



When you purchase a selected model Frigidaire Refrigerator along with either a selected Frigidaire Range or Built-in Oven, you qualify to receive the distinctive Canada 125 Coin Collection at no extra charge.

This special series of commemorative coins consists of 12 different 25¢ sterling silver coins, one for each province and territory, plus a truly unique Aureate Canada 125 commemorative dollar to celebrate the nation. The set comes attractively packaged in a royal blue flocked display case and has a retail value of $130.00.



Consumers not wishing to receive the Canada 125 Coin Collection can claim a $100 rebate from Frigidaire.

See dealer for details.
