

Play ball!

Novice teams from the Upper Canada Little League gathered here at Winchester's Sox Park on Saturday to play their final tournament of the 1997 softball season. Each squad played three times against opposition from Mountain, Winchester, Morrisburg and Kemptville before calling it a season. Top photo - Mountain coach Heather Erwin addressed the troops before a game against Morrisburg. Photo right - Matt Follett of Mountain snagged a ground ball, much to the delight of teammate Andrew Byrd. The other photos follow Morrisburg No. Two warming up for their game against Kemptville.

Jackets sting Red Devils 4-0

WINCHESTER — The Winchester Women's Roller Hockey League-leading Yellow Jackets stung the number-two ranked Red Devils 4-0 and improved their record to 6-2-0 at the same time.

Goalie Angela Durigan lowered her GAA to 1.50 with the shutout and enjoyed a 2-0 cushion at the half. Camille McInnis turned a Tammy Shaver relay into a 1-0 lead at 14:37 of the first half. Terri Hoy then made it a 2-0 issue with help from Tara Berry 11:23 before the intermission.

Shauna Sullivan cashed her marker on an unassisted play at 16:00 of the second half and then assisted on a Kathy Byvelds goal 8:00 later to drive the final count to 4-0.

Rhonda Winter assisted on all three goals as the Navy Blues (3-3-2) shaded Pure White (1-6-1) 3-1 in the other half of the Wednesday night double header.

Winter's first pass went to Janet McEwan and then into Sandra Brunner's net at 8:22 of the first half. Her second relay went to Amy Fraser and into the net at 18:55 of the second session and the third assist set up another Fraser goal at the 16:25 mark.

Anita Gilmer used a feed from Katherine Shaw to ruin Carol Chesbro's shutout bid with 12:32 left to play in the game.

Elliott back as ODMHA president

RENFREW — Tom Elliott of Prescott will serve another term as president of the Ottawa and District Minor Hockey Association.

Elliott was acclaimed to the position at the ODMHA's annual meeting in June.

"I guess everyone was satisfied with the job I did," he said. "My executive and I tried to be honest with everyone and treat all players equally."

Also representing District One on the ODMHA executive are Les Matthews, of Cardinal, who has moved up to second vice-president and Tom Dickson of Athens, who is a vice-president in charge of rules and constitution.

"We have a large representation from District One, which is great," Elliott said.

One motion which Elliott tried to get passed would have seen players unable to move up to junior until they had played at least one year of midget.

"That one got shot down," Elliott said. "I knew it didn't have a chance, but I felt we have to start the juniors thinking about what is happening to midget hockey. We aren't going to prevent the elite level players from moving up, that's always going to happen. What's happening now is you're losing bantam players to junior."

"If you had a senior league raiding juniors for players, the shoe would be on the other foot."

The ODMHA formally approved the new Akwesasne Minor Hockey Association, which will play in the Upper Canada Minor Hockey League and will be a member of District Two, Elliott said.

Cumberland will once again have its own "AA" program, after one year as a member of District 3.

District K, which includes Great Kingston region, Kingston Township, the City of Kingston, Ernestown, Gananoque and Napanee, will remain as part of the ODMHA.

Overall, Elliott is looking forward to another successful season of minor hockey and noted the ODMHA hosts the Regional Air Canada Midget Qualifying Tournament in Renfrew in late March.

Sonics sink teeth into Subs

MAPLE RIDGE — They had plenty of shots but it took 70 minutes of their match before Winchester was able to put a ball against the back of the Cornwall net.

In spite of out chancing Mr. Subs 6-2 in the first half of last Thursday's Cornwall District Soccer League match, the Sonics found themselves trailing one goal to nil at the intermission.

"We actually didn't score until the 25:00 mark of the second half but when we finally settled down we took it to them," commented Sonics Gary Streng.

When the final whistle sounded the Sonics were able to boast a 4-1 victory over Mr. Subs.

"We were down one goal and were pressing too hard. We had quality shots but just blew them wide of their net. But to be fair they (Mr. Subs) started with nine guys and finished with 10," Streng added.

Winchester added two members of the Division II North Dundas United to their roster for the game and Streng said he was pleased with the skill and effort Hugh Grant and Holger Anderson displayed.

"They (Grant and Anderson) are very strong on the ball. They played well."

Winchester finally tied the match when Grant picked up a rebound just outside of the 18-yard box and booted a shot into the right side of the net, off of the keeper's finger tips.

Jamie Savary then came through with the winning goal when he picked up a perfect clearing pass from Terry Van Allen in the centre of the field and carried it into to scoring position.

"It was a nice run and goal by Jamie, after a good pass by Terry," Streng explained.

Trent Antille was the third Winchester scorer. He was able to work the ball into the centre of the goal area and score from outside of the 18-yard box to make it a 3-1 match.

The Sonics perennial scoring leader, Doug Winters, completed the comeback netting his third goal in six games.

"Basically Doug's goal was one of those cases of kicking the ball on net and hoping something will happen. Doug was well out of scoring position but still put the ball on net and one of their (Mr. Subs) defenders put it in his own net... right in the top corner," Streng reported.

CORNWALL WINS

Sunday (July 6) the Sonics dropped a 2-nil decision to City I in Cornwall and lowered their record to 2-3-1.

Streng noted, "I think the heat got to us. We didn't have any substitutes and just ran out of gas. The heat didn't help either. It was a day we could have used some extra players. But no one showed up and no one called to say they wouldn't be able to play."

City I scored with 15:00 left in the opening half on a shot to the right side of the net which keeper Dave Van Bruinessen had no chance of stopping. They iced the win on a nice shot to the short side of Van-Bruinessen's net with 20 left in the game.

"We actually started off very well but couldn't put the ball in. But I have to give credit where credit is due. City I is a powerful team this year and they had the subs there to help them out. We didn't (have extra players)," Streng said.

"One of our guys commented after the game that all of the teams are good this year... which is true. There isn't an easy game."

In order to add some more fire power Streng says he has been trying to add veteran Eddie Osmore to the lineup. "Eddie is a proven scorer and a friend of Terry Van Allen. I have been talking to him and I hope he will decide to join us. He is a proven goal-scorer, something we can use."

This week Winchester played host to the Ingleside Cosmos (July 8) at NDDHS and will travel to Tagwi to take on the Avonmore 97s in a rescheduled game tomorrow night (July 10).

Gerald Jorgensen (left) and Grant Williams (right) of the Winchester Sonics were chasing down a Mr. Sub forward during the first half of their CDSL Division I match last Thursday. Winchester recovered from a 1-nil deficit and posted a 4-1 victory.

Hawks protect dozen

WINCHESTER — Winchester Junior "B" Hawks general manager Bill Wammes has turned in his list of protected players.

"Everyone is allowed to put 12 players on their protected list. Any player who is still minor-hockey age is protected automatically. Our two overage (protected) are Jason Desormeaux and Eric Savard," he said.

The list was submitted on July 1 and includes: Craig Holmes, Rob Desormeaux, Jason McDonald, Andrew Taillefer, Ryan Swerdfeger, Tyler Veley, Darcy Roberts, Brock McBain, Robbie Graham, Mike Ennis, Mike Deighton and Jason Ross.

McDonald (forward), Taillefer (defence) and Swerdfeger (defence) all skated with the North Stormont Jr. "C " Express last winter.

Holmes and Rob Desormeaux are forwards and both played on the North Dundas Midget Demons and saw some action with the Hawks during the past season.

Veley (defence), Roberts (forward), McBain (defence), Graham (defence) Ennis (defence), Deighton (defence) and Ross (forward) were also members of the North Dundas Midget Demons.

Wammes says he expects to get the Hawks training camp under way early in September but hasn't firmed up any dates yet.

Lasers ice Grizzlies

MANOTICK — Using goals from five different players the Winchester Laser Hawks sprinted to a 6-1 victory over the Grizzlies here Monday night.

The victory improved Winchester's South Nepean Under 13 Recreational Soccer League record to 5-2-1. This coming Monday (July 14) the Lasers will play host to the Eagles at the Maple Ridge Public School field and the following Monday (July 21) will welcome the Barrhaven Falcons for a 6:45 pm match.

Emma Bowie ran into the Grizzlies zone, stepped around the keeper and pumped in the Lasers' opening goal two minutes into Monday's match. Amy Collins' persistence then netted her a goal (2-0) before the Grizzlies were able to get their only goal of the game.

Winchester led 2-1 at the half.

Eight minutes into the second stanza Lisa Martelle ran up the right side into the goal area and crossed the ball to Chelsea Ault, who broke in from the right wing and drilled the ball into the lower right corner of the Grizzlies' cage.

Minutes later a handball was called inside the 18-yard box and a penalty kick was awarded. Chelsea Ault converted the free shot into Winchester's fourth goal.

Late in the second half a scramble in front of the Grizzlies' goal wound up with Patricia Gannon deflecting a bouncing ball in over the keeper's finger tips.

Just before the final whistle, Whitney Patterson, with a strong kick from the top of the 18-yard box, sent the ball high and in under the crossbar to make it a 6-1 final.

Red Dogs nip at White Mist's heels

WINCHESTER — Jeff "Hymer" Hyndman potted a pair of goals, his 17th and 18th of the season, leading Nick's Red Dogs to a 5-3 win over the Black Aces in one of two Winchester Men's Roller Hockey League games last Thursday.

Their victory improved the "Dawgs" record to 5-2-1 and moved them to within a point of the 6-2-0 White Mist who edged Rene's Rollers (1-7-0) 7-5 in the other half of the double header.

A pair of first-period goals staked the Aces to a 2-0 lead on Nick's Dogs but by the time two periods had been completed the Aces found themselves tied at three. Out scored 2-0 in the final frames the Aces were eventually dealt a 5-3 loss.

Tony Francis connected from Jamie McIntosh to give the Aces a 1-0 lead at 11:13. Ed Byvelds then increased his team's lead to 2-0, scored from Kevin Dalrymple 1:35 before the end of the session.

Nick's rallied with three straight goals in the middle frame and assumed a 3-2 lead. Gene McInnis (assisted by Matt Humphries and Dave Beehler) at 13:49 put a shot in the back of Russell Larose's net. "Razor" Rob Raistrick then fired in the tying marker (Gene McInnis and Gary McInnis drew assists) at 12:15 and Hyndman tipped in a Beehler relay with 6:35 left in the period.

Kevin Dalrymple (assisted by Francis) beat Richard Gauthier 4:57 before the end of period two and knotted the count at 2-2.

Goals by Hyndman (assisted by the McInnis boys) at 13:44 and by Dave Beehler (assisted by Humphries) at 4:23 salted away the 7-5 victory for Nick's.

MIST 7 - ROLLERS 5

Rob Casselman was top gun in the White Mist win over Rene's Rollers scoring three times.

It was a 2-2 game after a period and 5-2, Mist, after two. Each squad shot in another pair in the last frame but the Rollers couldn't make up for their bad second period.

Casselman and Rick Hess counted first-period goals for the Mist. Craig Halpenny, Casselman and Hess figured up the second-period markers before Casselman and Gary Magee dented twine in the last session. Frank Waytowich posted the win while Halpenny (2), Chris Mann (2), Rob Darling and Hess earned the assists.

Kevin Boyce blasted in three goals for the Rollers and also picked up an assist. He now has 12 goals and seven assists and has moved into 10th place on the scoring list.

Steve Mattice pegged the other pair. Assists went to Devon Cinnamon and Ray Sherrer. Richard Gauthier subbed for regular goalie Brad Pringle.

Gene McInnis, left, watched as teammate "Razor" Rob Raistrick attempted to backhand the puck into the open side of Russell Larose's net. Raistrick did get a goal as Nick's Red Dogs bit the Black Aces 5-3. White Mist won the other WMRHL contest by a 7-5 count over Rene's Rollers.

Rec rambles

Did you have a good weekend? Here's hoping you did.

The farmers have most of the hay off now and are waiting for the second cut. Nothing like the smell of fresh cut hay. It really makes those allergies perk up.

On Wednesday, July 9, the Red Cross will be holding their blood donor clinic at the Winchester Community Centre ice surface. Please support them. Come in and drop a pint.

At this time I would like to thank the ladies' roller hockey league for giving up their slab time to make this blood donor clinic possible. Thanks ladies.

On Saturday, July 12, the youth group from the Presbyterian Church will be holding another car wash at the Winchester Arena. The car wash will run from 9 am to 1 pm. Nothing impresses someone like a clean car.

Dairyfest is sneaking up on us. So if you wish to be a part of it, there will be a meeting on July 14 at 7:30 pm in the Winchester Community Centre boardroom.

For those of you who missed the first scuba course, here's your chance to get in on the next course. Registration is Friday, July 18 at Geggie's Home Hardware between 7 pm and 8:30 pm. Scuba lessons will start July 22 at the Winchester Community Pool. For more information call scuba Tom at 728-9713.

Well sports fans, I'm gone on holidays and that means this column won't be here for a couple of weeks. I will be enjoying myself and hopefully you will be too.

My thought for the week was given to me by a special young lady, thanks Mindy: "The trouble with the rat race is that even if you win, you're still a rat."

Denis Gauvreau beat Eric Gauvreau across the finishline in the late model feature. Dave Bissonette of Alexandria was third.

Steve Young, Stephane Phillipe and Art Cashman were the quickest three in the duke stock feature.

A pair of Alexandria drivers - Lee Ladouceur and Simon Marcoux - claimed the top two places in the rookie feature.

A seven-car demolition derby was also held and after 20 minutes of fierce action Ranald McDonald was declared winner and picked up the $250 prize.

This Sunday (July 13) Cornwall Motor Speedway will present Doug Rose and the Green Mamba Jet Car Meltdown. A regular racing program of modifieds, late models, duke stock and rookies is also scheduled. The "Thrill Night" will be sponsored by Can Am Movies.

Hawks down Dalmeny 12-5

KENMORE — Winchester catcher Des Madigan belted a grand slam homer here Monday night as the Hawks soared to a 12-5 Kenmore Fastball League victory over Dalmeny Road.

Dolton Henry got the start for Winchester and shared the duties with Ben Henry.

The victory improved Winchester's Kenmore fastball league record to 3-4-1. The Hawks have five games left on their slate as well as one which was rained out while in progress last Thursday (July 3).

Winchester was up 5-2 on Springhill when the rains hit. Dolton Henry was working with four and one half innings in the books when it was called. Winchester's big hits were triples stroked by Clint Holmes and Chris "Sid" Van Bridger.

In their previous two starts the Hawks lost 12-1 to the Kenmore Heat and 5-1 to the Kenmore Knights.

Winchester's next action is set for Mon., July 14 when they tangle with the Knights at 9 pm.

Todd perfect for Razatans in first victory

CHESTERVILLE — Goalie Toni Todd made her first Chesterville/Winchester Ladies Ball Hockey League victory a memorable one.

Todd was perfect helping the Raspberry Razatans (1-6-2) to their first win in nine starts, a 3-0 verdict over the Green Neons (4-4-1) who dropped out of second place following the defeat.

In the opening half of the Thursday night twin bill the first-place Pink Slips (5-1-3) gave up a late goal and had to settle for a 2-2 tie with the number-two ranked Funky Divas (3-2-4).

Kerry Guy converted a play set up by Kelly Durant and Rebecca Kennedy into the first and game-winning goal at 12:44 of period one. Rebecca Kennedy then made it a 2-0 contest connecting on a pass presented to her by Tammy Bartholomew 6:55 before the end of the same frame.

Kennedy'sa second goal was set up by Kerry Guy and iced a 3-0 decision 8:27 before the final buzzer.

TWO MORE FOR BRUNNER

C/WLBHL leading scorer Sandra Brunner took care of the offence as her team, the Funky Divas held the Pink Slips to a 2-2 draw in the evening's opening game. Brunner netted both goals and lifted her total to 11 goals, in nine games.

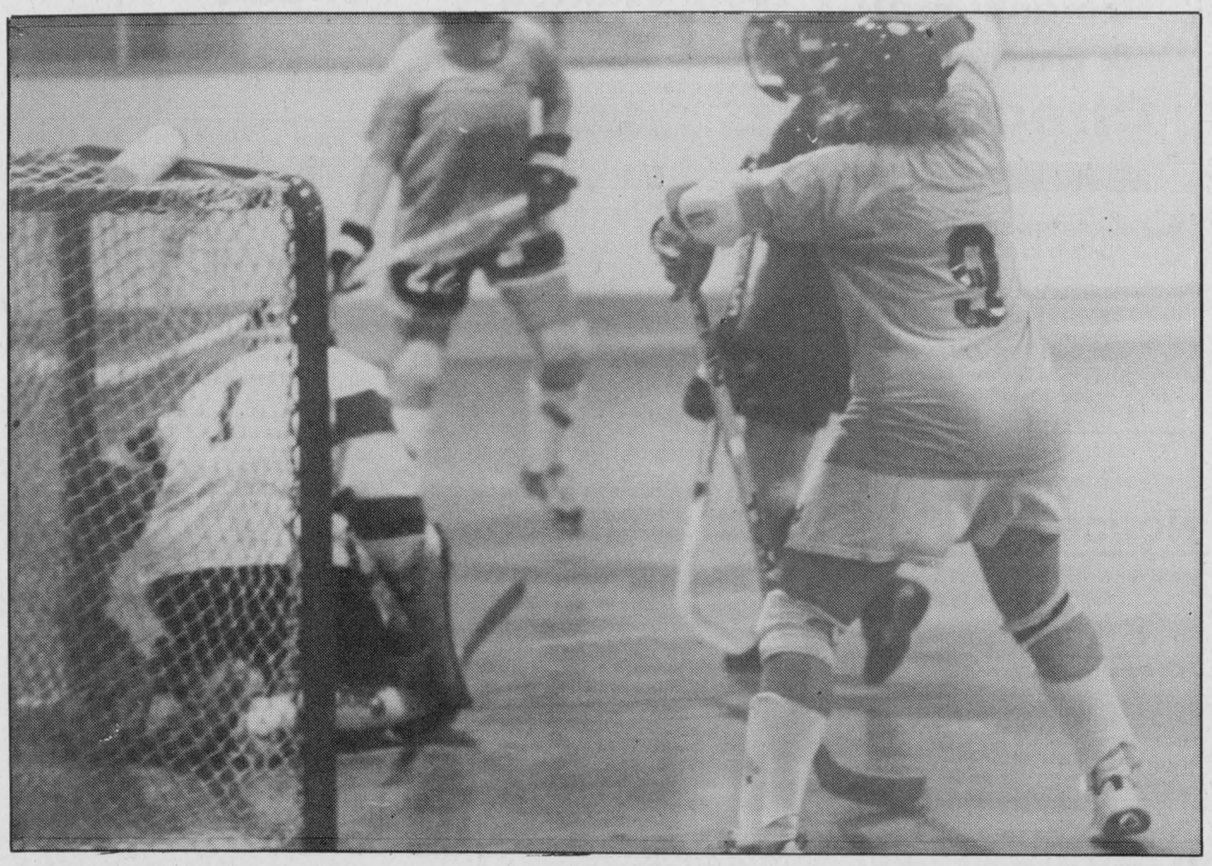
Connie Lannin put the Slips up 1-0 scoring from her defensive position 9:10 into period one. Cindy Merkley and Diane Shane engineered the first goal of the game.

Brunner returned the favor when she turned a pass provided by Carrie Amell and Sheena McBean into a 1-1 count 1:15 before the end of the session.

Merkley came through with a 2-1 lead for the Slips at 9:25 of period two when she netted her third of the season on a play set up by Shane and Colleen Stewart.

It looked as if the Slips might hold on to their 2-1 lead until Brunner took the ball into the pink zone and eventually poked it into Elaine Teplate's cage. Amell and Sandra Dillich drew assists on the tying marker.

Jackie Boulanger tended nets for the Divas.



Its a goal!

Pink Slips forward Diane Shane (#9) knew the ball was in the net before Funky Divas goalie Jackie Boulanger could react. Shane and Colleen Stewart set up the goal by Cindy Merkley at 9:25 of the second period. The C/WLBHL contest ended in a 2-2 tie.

Black Sox maul Morrisburg

WINCHESTER — Winchester scored seven runs in their fifth and final at bat here aast Thursday and cruised to their third consecutive Upper Canada Major "B" Little League Baseball win over Morrisburg.

Win number three was a 17-8 decision and followed 15-14 and 22-13 victories.

The Black Sox allowed Morrisburg to send eight batters to the plate in the top of the first inning. The visitors scored three of them and left two on base as they led 3-2 after the Sox had their turn with the sticks.

Mike Beuman and Scott Brannen touched home with Winchester's runs.

Morrisburg scored two more in the second but were down 8-4 after Winchester's bat because Beuman, Brannen, Mike Tutton, Nathan Armstrong, Brad Switch and Cody Pelkey all scored.

Andrew Beuman came home in the Sox third inning and Brannen added his third run of the game in the fourth.

Winchester put the finishing touches on their win sending 10 men to the plate in the fifth and final frame. They scored seven runs (Kane Erickson, Beuman, Tutton, Andrew Beuman, Travis Armstrong, Switch and Pelkey) taking the score to 17-8.

The Black Sox finished the month of June splitting a pair of encounters with the Winchester Grey Sox.

On June 26 Black won an 8-7 squeaker and the following evening suffered a 29-7 thumping. The split left each team with a record of 2-2-0, Black has 15-11 and 8-7 wins to their credit while Grey won by 19-14 and 29-7 margins.

Mike Beuman got the start on June 26 and threw the first three innings. Scott Brannen finished up. Kane Erickson led the Black attack with three runs. Mike Tutton (2), Cody Pelkey, Mike Beuman and Brannen supplied the other runs.

Craig Moran touched home three times for the Grey Sox. Alex Baker (2), Theo Blom and Adam Guy completed the scoring.

GREY WINS BIG

It wasn't black or white the following night it was all "Grey" as they pounded out a 29-7 victory.

Grey led 4-0 after one inning, 7-0 after two, 11-2 after three and 18-5 after four frames.

Theo Blom (6), Adam Guy (5), Craig Moran (5), Kyle Mewhinney (4), Justin VantFoort (3), Patrick Greaves (3), Zarley Hutt (2) and Kris Kramer (2) supplied the Grey Sox runs.

Scott Brannen (2), Nathan Armstrong (2), Travis Armstrong, Lucas Birtch and Andrew Beuman touched home for the Black Sox.

Cumberland keeper stymies Lasers

MAPLE RIDGE — Winchester Lasers coach Gary Johnson was particularly impressed by one player in Sunday night's Ottawa-Carleton Under 19 Soccer League match.

However it wasn't one of his Lasers. It was the Cumberland keeper.

"Boy if there was a player of the game award, this guy would have won it... hands down. I would guess we (Lasers) had 14 breakaways and we scored one goal. The guy stood on his head," reported Johnson.

Cumberland, with just one loss on its record, registered a 3-1 victory over Winchester who fell back into the Division II pack with a 2-2-2 mark.

Craig Holmes finally was able to fool the Cumberland keeper with 5:00 left in the contest.

Coach Johnson says his team was short four starting players but that was no excuse for the loss.

"We didn't have four starters but Cumberland started the game with just seven men (15 minutes into the match the rest of the team joined the action) and we didn't even get one shot on net. There is no way that kind of thing should happen. We weren't sharp, lethargic and couldn't move the ball. We had a lot of breakaways but couldn't put the ball in the back of the net. We even got stopped on a penalty shot."

Johnson says he has plenty of talent, many of the same guys are playing this year as last but no one wants to practice and a shortage of practice time has resulted in inconsistency and lack of effort.

"One of our guys asked after the game why we hadn't worked on a certain play. I just asked him if he had been at the last practice. The truth is we didn't have enough guys out to work on any plays."

Johnson did notice several players putting out solid efforts including Thomas Schoch, Wes Ross, Tylor Copeland and Mike Flowers.

"Ross and Copeland hustled their buns off all game. Copeland must have had 10 breakaways. Thomas (Schoch) played well on defence, considering he had never played there before."

Johnson says he was also impressed with the fan turnout for the match, noting the audience included many more than the usual number of parents. "It sure was nice to see people out to watch the game."

This Sunday (July 13) the Lasers will travel to North Gower for to meet Osgoode Rideau.

DAIRYFEST MATCH

The Winchester Lasers will host Perth in the first annual Dairyfest match on Saturday, Aug. 9. The kickoff is slated for 1:00 pm at NDDHS.

The winner of the game will receive the Leo Streng Memorial Cup.

Johnson reports Robert Geggie of Geggie's Home Hardware is going to sponsor a 'Geggie's MVP of the Game Award' and the Winchester Dairyfest committee is willing to sponsor another MVP award for the other team.

The coach says refreshments will be available at the field that day and the game will count in the league standings.

Johnson says the Perth team has confirmed their visit and the coach says he is looking forward to taking part in the Dairyfest match.

"I've even lined up some half-time entertainment," he added.

Apparently a local cheerleading group, recently formed, has agreed to put on a five-minute show during the break.

"I'm already considering it as a critical game. It's worth three points and comes at a very important time in the season. I think it will become a Dairyfest tradition. It should be a fun day for everyone," he said.

Lee Findlay was closest to the pin on No. Two.

MENS NIGHT

Phil Douglas came out two strokes up on Mike "Goose" Guy last Thursday (July 3) carding a winning 35. Todd Findlay shot a low net 31.5 to beat Barry Whitteker (33.5) by two shots in "A" class.

Bruce Whitteker (39 - retro) and Dale Casselman (42) had the best "B" class gross scores. Tom Mills fired a low net 32.5.

It was a close finish in "C" class as Derek Roles (low gross - 41, retro) and Hubert Wells (41) matched scores. Paul Lacombe (30.5 - retro) was one shot better than Nick Theodosiou (31) for the net score prize.

Mac MacGregor shot a 44 and came in three shots ahead of Mark Blaine (47) in "D" class. Goaler Whitteker (29.5) and Jack Faulkner (33) posted the low net numbers.

Mac MacGregor (closest to No. 11), Ben Henry (longest drive) and Bruce Whitteker (closest to No. 14) also picked up prizes.

In Memoriam

SUMMERS — In loving memory of our dear son, father and grandfather, Basil, who passed away on July 4, 1995.
We think of you in silence
And often speak your name.
But all we have are memories
And your pictures in a frame.
Our hearts still ache with sadness
And silent tears still flow,
For what it meant to loose you
No one will ever know.
If we could have a life time wish
One dream that could come true.
We would pray to God with all our hearts
For yesterday and you.
They say that time heals everything
But this isn't so.
Because it hurts as much today
As it did two years ago.
— So sadly missed and lovingly remembered forever. Always in touch, never out of mind.
— Missed, Mother Flossie and family.
15

JOHNSTON — In loving memory of my dear husband, Roy, who passed away July 7, 1995.
God made a husband so loving and kind,
And I had the honor of calling him mine.
I miss him more than anyone knows,
As each day passes, the emptiness grows.
The tears I shed will wipe away,
But the ache in my heart will always stay.
Whereever I go, whatever I do
I will always love and cherish you.
— Sadly missed, your loving wife Willow.
15

BAKER — In memory of Betty Baker, beloved wife, mother, grandmother and great-grandmother, who passed away July 14, 1995.
Memory drifts to scenes long past,
Time rolls on, but memories last.
Sunshine passes, shadows fall,
Love's remembrance outlasts all.
— The family.

Convention ushers in second century of WI

by Mary Janes

HAMILTON — Hundreds of branch banners and thousands of miniature lights from the almost 2,000 delegates of the Women's Institute from across Canada and around the world, helped Canadian members usher in their second century.

Pageants, parades, bus tours, choirs, speakers, fashion shows, panels, banquets, a multicultural concert and an interfaith service made the week of June 15 to 22 an unforgettable experience for the double event — the Women's Institute's Centennial Celebration and the Federated Women's Institutes of Canada Convention `97.

Helen Burt Upper Saunders-Baufelt, a long-time WI member from Thorold, Ontario and born in 1897, the same year the first Women's Institute branch was formed, attended the opening ceremonies and stated she has never ceased praising the WI for its work.

Under the direction of Adelaide Hoodless, an activist Hamilton socialite and Erland Lee, a Stoney Creek farmer, the first branch of the WI was initiated on February 19, 1897. And 100 years later, it remains an organization devoted to developing informed, responsible citizens, encouraging good family life skills, initiating programs to achieve common goals and leadership development.

Under the umbrella organization, the Associated Country Women of the World (about six million women in more than 60 countries) projects continue to help women improve their living conditions.

Lyndsay Hacket-Pain, world president of the ACWW, stressed that the role of the ACWW is to "help women to help themselves" by offering relatively modest but practical support to rural communities, requesting whatever the donees can offer and often receiving matching funds from specialist United Nations and other aid agencies.

The convention's theme — Indebted to the past; committed to the future — formed the basis of addresses by all guest speakers. Motivational speakers Norman Rebin and Rosalie Wysocki congratulated the WI on their accomplishments during the past 100 years but reminded members to scheme, dream and redeem as they enter their second century and that it is the WI's attitude which affects its altitude.

Keynote speaker, Dr. Roberta Bondar, stressed the importance of setting adventurous goals, always keeping a clear vision of them and, if one path is not clear, find another path and keep enthusiasm alive. When a goal is reached, change views to continue to improve, realizing the achievement is not the end but the beginning.

During the convention, Charlotte Johnson, president for the past three years, turned over her presidential duties to Mildred J. Keith of New Brunswick. Active at the WI's national level for many years, Keith was named to the 1997 edition of the *Who's Who of Canadian Women*. Faye Mayberry, a Red Deer, Alberta farmer and FWIC executive was chosen to be the president-elect of the FWIC for the next triennium.

Action will be taken on all resolutions presented at the convention including — requesting that Canada Post review addressed ad mail rates, requesting Health Canada to: set safety standards for cooking pots; set a minimum standard for print size on medicinal containers and; ensure a list of ingredients on the labels of all imported liquid-filled products such as paperweights.

As well, a letter and petition will be submitted requesting the quality of health care be preserved by maintaining the Women's College Hospital in Toronto.

Douglas C. Smith of Arkell, Ontario and Jack Matthison of Avonton, Ontario were each presented with the Erland Lee Award of Appreciation for their contribution and support of the WI in Canada.
