Guess Whooooooo?
With the big event set for tonight, Morrisburg residents were decked out in their best costumes today. Although the evening is a time for fun and enjoyment, the Morrisburg Fire Department and the OPP will be on patrol ensuring the safety of area children and village property. - Sam Laurin photo

Winchester hospital closes 15 units hoping to cut costs and start repairs

CATHERINE THOMPSON
Leader staff

WINCHESTER - Last week, the Board of Directors of Winchester Hospital decided to close accommodations on the ground floor, from December 1 through to April, during which time renovations will be undertaken in this area.

The work planned for the first unit of a two-phase $7 million renovation project is estimated at $450,000, and will include electrical upgrading and fire safety, and the replacement of a 25-30 year old diesel generator.

Only the accommodation area on the ground floor will be affected, while other departments here such as X-ray, medical records and the emergency department will still be in service.

While the original time frame for renovations was from December 1 to March 31, architects told the Board of Directors at a meeting last Tuesday, that renovations may be finished as early as late February.

Fifteen units, including six cribs and nine adult beds are to be removed from service in the 118-bed hospital. Patients occupying these beds are to be accommodated elsewhere in the hospital, with children placed in rooms 211 and 214, and nursing staff is to be redeployed throughout the hospital.

After renovations, the beds are to be put back in service. However, this is only the first of a series of changes which may total five years, and more interruption in service can be expected as other units are withdrawn for restoration.

At a press conference here last Wednesday, Egan stated the occupancy rate of the units to be closed varies from day to day, and the utilization of the pediatric beds is very low. However, in winter the over-all use of the hospital is greater than in summer.

He said that with the reduction of beds, there would be the establishment of a waiting list with priority given emergency over elective cases.

"On occasion there will be a tight competition for beds. But there are mechanisms (such as VON and Home Care) that can be implemented to alleviate the expected pressure on beds,"Egan stated.

"We stress we're trying to improve the quality of patient care down the road through this renewal process," he added.

The Hospital has government approval for grants toward $2 million of the first phase of the renewal project, but no funds will be received until bills are presented for work performed.

"It's not an ideal time to close beds, but we feel we'd better access the money allocated this year. If we miss, who knows what will happen?" asked Wayne Burns, president of the Board of Governors.

Act while strategy is valid

"With the new government and inherent delay while they determine their strategies and philosophies, and with the huge publicized deficit they have of $2.5 billion, they have their own severe financial difficulties.

We strongly feel that while our strategy is still in place and still valid, we have to access the grant allocated to us," Egan added.

In addition, the public has pledged $1.5 million and given $500,000 in cash towards the project. Egan stated that during his numerous speaking engagements, people have asked when the work is to begin.

"We can't overemphasize the need to get going on this not only from the point of view of solidifying our goals, but also from the practical point of view," he stated.

At a medical meeting October 20, the doctors voted 22-2 against the measure which was first suggested by Egan, but last Tuesday, the Board of Directors gave the proposal the go-ahead.

Medical Staff objects

Medical Staff Objects

"Naturally, the Medical Staff don't like it. Even if it was one bed, they'd object because this affects patient care and this is their living. They don't like it, but such is life," said Dr. Henry Prins, chief of medical staff at the press conference.

While the hospital hopes to save over $100,000 through the closures, thus lowering the hospital's deficit which was $100,000 higher this year, Egan denied allegations the increase was caused primarily by an eight per cent instead of a six per cent wage settlement for CUPE workers.

"There are a number of components which also added to the hospital deficit this year, including Pay Equity Legislation, emplbyer health levy, and the impact of Occupational Health and Safety standards," he said.

Jeffrey Edmunds, 5, of Williamsburg faced tragic death last Tuesday

by Kim Toshack
Leader Staff

WILLIAMSBURG - A tragic accident occurred in the area last Tuesday when a Williamsburg boy was struck and killed while attempting to cross the road in front of his home after exiting his school bus.

Jeffery Edmonds, of R.R.3 Williamsburg, the son of Barry and Corinne, died shortly after 4 p.m. when he dismounted his school bus on Highway 31, half a kilometre north of the Glen Becker Road, and was hit by a southbound car as he attempted to cross the road.

The driver, Clair Hodges of 15 Parker Ave. Nepean, has been charged with Impaired Driving Causing Death, and Liquor Other Than Residence. He may face other charges as well.

Hodges is scheduled to appear in court November 6.

At the time of the accident, the school bus, operated by Donna McCaslin of Morrisburg, was discharging students from St. Mary's Separate School, at which Jeffrey was a Senior Kindergarten student, and St. Cecilia's School.

Several of the students had already been taken home when the accident took place.

Const. Morgan Hill of the Morrisburg OPP said there were approximately 12 students on the bus when the accident occurred, some of whom were Jeffrey's classmates.

The warning lights on the bus were activated at the time of the accident, Hill also stated.

A memorial service will be held at St. Mary's in Morrisburg on November 8 at 1:15 p.m. with students from St. Mary's and St. Cecilia's attending.

Mr. Grocer sold to local couple

MORRISBURG—A change in ownership of one of Morrisburg's largest business operations occurred this week, when Norma and Brian Wheeler purchased the Mr. Grocer store in the Plaza from Bill and Elsie Aldrich.

The Mr. Grocer location is a National Grocers franchise store, independently owned and operated. It commenced operations in Morrisburg in 1985, following the closing of Dominion Stores Ltd. at this location.

The new owners plan to make some changes in the day-to-day operation of the store, and to offer customers competitive prices and friendly service. The Wheelers have 20 years experience in the grocery business in Eastern Ontario, operating stores in Morrisburg, Cornwall and Brockville.

They came to Morrisburg six years ago, and opened the "Produce King" store at the east end of the shopping area. The business continued to grow and was changed to Morrisburg Freshmart in 1986.

"It will take a couple of weeks to make our changes at our new store," Wheeler said, "and then we plan to have an official grand opening sometime in November."

The store will continue to operate as a "Mr. Grocer", in the National Grocers' programs.

Council discusses Zandbergen plan

IROQUOIS - At a special meeting of the Iroquois planning committee, held October 24 in the Council Chambers, Iroquois, a great deal of time was spent discussing the proposal submitted by Henry Zandbergen, re Zandbergen Properties.

The property in question is located on the north side of Highway 2, Iroquois, directly across from the plaza. This piece of land is the last in the village to be zoned Highway Commercial.

For this reason, Council hopes to use the property to its best possible advantage.

Daphne Hope, a consultant from Proctor and Redfern in Ottawa, had studied Zandbergen's proposal in depth and was prepared to comment on the project.

According to her, the property should not be used for commercial and residential combined, as Zandbergen had indicated.

"We would prefer to see the property in a commercial use only," Hope said. "I don't feel that there is room for both."

"I really think there is potential here, to take the commercial area and benefit from the main street atmosphere," Hope also said.

Zandbergen, who had originally wanted to build residential on the entire site, remarked that he requested a combination of residential/commercial for the simple fact that he thought council would more readily approve.

In this way, he was correct. Judging from the mood in the chambers, it was apparent that council would not agree to using the villages final piece of Highway Commercial in a total residential manner.

When questioned on Zandbergen's scheduled starting date should the proposal be approved, Zandbergen stated early spring would not be too soon for him.

After hearing comments from Hope, Zandbergen and council members, it was determined that Zandbergen would have a reply on his proposal within the next month.

School bussing issue

MORRISBURG - The SD & G Public School Board will be thrashing out the issue of moving Grade 7 and 8 students back to Morrisburg public school during an annual planning strategy session which will be held in Montebello, Quebec this weekend.

Concened over the prospect of continued bussing of the students to Stampville Public School Iroquois Trustee Dale Beckstead raised the question at a recent board meeting. For the past two years, students from Morrisburg and Iroquois public schools in Grades 7 and 8 have been bussed to Stampville Public, an outlying school north of Iroquois, because of overcrowding in village schools.

According to Consultant Ken MacLennan, consultant with theSD & G Board, a proposed $728,624 expansion at Morrisburg Public School will only accommodate the existing number of students, somewhere in excess of 300.

"We don't have an answer right now to this question ," said education director Jim Dilamarter in an interview Tuesday. "We'll be preparing a long range capital forecast, and an addition at Morrisburg Public School will be a top priori ty. We'll be addressing this issue of bussing and also the growing school population at Morrisburg."

While the numbers at Morrisburg Public have actually decreased from 321 last September to a total of 313 this September, the size of the primary grades has increased, and the Board is required to provide smaller class sizes with a maximum of 20.

"The growth at the primary level will be with us for a few years so we'll have to take this into account in our planning for the next five years," said Dilamarter, adding new subdivisions and increased numbers of commuters living in Morrisburg are factors favoring growth.

Business appreciation night features guest speakers and "Lucien"

MORRISBURG - The preparations for the third Business Appreciation Night, to be held Wednesday, November 14, are well underway.

Over 330 invitations have been issued to businesses in the four municipalities and area representatives.

The evening's agenda will begin with an official opening of the South Dundas Economic Development Office, located at 17 Second Street, Morrisburg, at 7 p.m.

The balance of the evening's proceedings will take place at the Morrisburg Legion at 8 p.m. A speakers panel will inform our business community of the many developments in education and training, government grants and small business. Offering this information are: Susan Carter, S.D.G. Community Futures Committee; Shelagh Peever, S.D.G. Board of Education; Brian Merkley, S.D.G. Business Development Corporation and Carmen Cousinneau, S.D.G. Industrial Training Council.

Following a question and answer session, the guests will be treated to an excerpt of "Lucien". Marshall Buttons "Mill Worker" will face the challenges of self employment. "Lucien" will enlighten the audience with a variety of aspects of a small businessman--from completing forms to the GST.

Any business person interested in attending, who has not yet received a formal invitation, should contact Linda Bowers at 543-4558.

Higher and higher
Stewart Anglehart of Dominion Bridge Construction Ltd., the company hired by the Village of Morrisburg to repair the ageing water tower, is takeing a line to the top of the tower. Today the new riser.column will be hoisted to be put in place. —C. Thompson photo

Upper Canada Village offers many activities during shoulder season

MORRISBURG - After giving an off-season program a trial run last year, Upper Canada Village will be remaining open again for some periods this winter and spring.

While most of the programs introduced last year were successful, the guided tours of the Village have been dropped due to lack of participation.

Since visitors enjoyed Christmas carolling 1860's style in 1989, the Christmas Carol program will be held again this year on December 16 at 11.30 a.m. and 1.30 p.m.

The family fun week featuring 1860's toys, games, festive activities, sleigh rides and skating weather permitting is again scheduled for December 29 to 30.

On winter weekends from January to mid-March, the Village will be open for skating on the canal and horse-drawn sleigh rides continuously from 1-3.30 p.m.

Also, evening sleigh rides through the Village to be followed by warm drinks and finger foods are planned for December 29, January 19, February 2 and March 2. This new program will take place weather permitting.

The popular educational workshops featuring opportunities for hands on work, an introduction to skills and something to build on will again be offered this year.

This past weekend, one-day workshops on open hearth cooking, antique refinishing were sold out and introduction to blacksmithing and tinsmithing workshops for this weekend are again booked solid.

From November 24-25, a variety of two-hour Christmas gift workshops are offered on toy-making, tinsmithing, decorating papers and old-fashioned holiday cooking.

Sessions begin at 10.00 a.m. and 1.00 p.m. on a first come first serve basis, and are open to adults and children over age eight. "You may choose one, or come in for more than one," says public relations officer Gabrielle Thomas.

"There's a demand for these educational workshops. People were happy with the sessions last year and some want to go one step further,' she adds.

Thus some workshops planned for this coming spring will offer more in-depth learning.

Last year, a workshop held in woodgraining and marbling was a success, and an extension of this is planned in a two-day workshop for April 6 and 7.

An Art recreation workshop tried last year but not widely publicized will be treated in greater depth in a three-day workshop April 10, 11 and 12 this spring.

A four-day workshop in 1860's cabinet making is set for April 6, 13, 20 and 27.

During the weekend of April 13 and 14, gardeners may ready themselves for spring planting through a one-day workshop on building and using a cold frame.

More workshops on restoration are slated for the spring and fall of 1991.

The adult heritage workshops are held in addition to educational programs for School and Youth which include a live-in program this fall for Grades 7 and 8, and an 1860's Christmas for Grades 3 to 6, with more activities planned for spring.

Next spring from April 6-7, the village is offering a new adult live-in program with workshops, daily life activities, and an overnight stay.

For fee information on school or youth programs, adult heritage workshops, Christmas craft workshops, evening sleigh rides or group bookings contact Upper Canada Village at 543-3704.

Plans for Addiction Awareness Week set

KIM TOSHACK
Leader Staff

MORRISBURG - At the last Addiction Awareness Week '90 meeting, committee members met in order to finalize a number of plans.

The committee met at Beavers Dental Products in Morrisburg. Ed Rice representing Beaver Dental Products; Peter Barkway, of the Addiction Research Foundation; Marsha Antione, CDRC Employment Counsellor; Suzanne Grisel, EOHU Public Health Nurse; Larry MacDonell, Big Brothers/Big Sisters Cornwall and District; Nancy Van Allen, CDRC Community Resource Worker; Linda Leonard, CDRC Youth Support Worker; Linda Swerdfeger, Canadian Red Cross Homemakers; and Mark Hart and Shelley Wert, SD & G Social Services made up the committee.

Special guest, Blake Noon, an Eckel employee and Lions Club member, was present on behalf of the Lions Club.

The minutes of the Wednesday, October 10 meeting were distributed and read.

At the previous meeting, Barkway supplied the group with poster kits entitled "Jaime finds out about Drugs." These kits were also full of very useful pamphlets.

It was determined that the posters would be distributed to the area schools, where children can colour them and enter them into poster contests. The contests will be judged by the Senior Groups in each community.

Winners of each of the contests will receive prizes bought by the Lions Club and will be given the opportunity to attend a party being held on November 9 at the Williamsburg United Church. Each child who participates will receive a button.

As a means of receiving funding for the project, all of the service clubs in the area were notified, while a response was heard from the Morrisburg Lions Club stating that a donation would be made.

Also as a part of Addictions Awareness Week '90, inserts will be made on area church bulletins. Although written information was first suggested, Barkway hinted a calendar of events would go over better. It was agreed that the calendar would be filled in and distributed.

For children or parents who wish to view information on drug usage and abuse, Video Ventures will carry a selection of free movies which can be signed out. Area schools may also carry the collection of video tapes.

Although a great deal of further topics were discussed, final details are being made.

The next meeting will be held on Friday. Further information will be made available at a later date.

A message of hope

The Christmas Seal campaign of The Lung Association begins tomorrow, November 1st, and will reflect, through its bright and colorful Christmas Seals, a message of hope, happiness and health.

The Lung Association is a voluntary community-based organization, and you can be sure that your donations will be put to good use in the five counties which comprise this area. The aim is to meet the needs of our community. A good example of this is the Air Force Asthma Program which was first introduced in late 1988. This program is designed to help children with asthma, and their parents, to learn to cope with their condition, so that they may lead, full active lives.

In the last ten years, there has been an ever-upward trend in the incidence of asthma. The disease can, and does cause death, but havoc is caused by the 57,000 hospital admissions every year, and the even more startling statistic that asthmatics spend 320,000 days in hospitals for treatment of their affliction.

Lung disease is an ever-growing problem in Canada. It is the only major disease category in which death rates continue to rise. Just a few years ago, statistics showed that 28,000 Canadians were dying annually because of smoking-related diseases. The figures have long since passed the 30,000 mark, and continue to escalate steadily.

The Lung Association also educates younger Canadians through their "Lungs are for Life" school programs. It is the aim to reach more and more children in more and more classrooms. It is the personal touch that will ultimately be successful in the elimination of lung disease. The anti-smoking program being used by the Eastern Ontario Counties is being constantly updated to increase its effectiveness.

The Lung Association continues to fight vigorously for a smoke-free society, and the inherent health benefits for everyone. "Countdown", a stop-smoking program, is proving so popular, it is hard to keep up with the demand. Also offered is a very comprehensive kit called "Freedom from Smoking at Work". Many companies have used the advice contained in the kit to establish a non-smoking policy.

And while the fight to establish a smoke-free society is going on in one corner, the Lung Association also helps people with chronic lung problems. Better Breathing Clubs provide people suffering from C.O.L.D. (Chronic Obstructive Lung Disease) with the opportunity to find out how to live a more satisfying life. They learn that knowledge about their medication and regular exercise can improve their well-being and their ability to cope with their disease. The sad fact for emphysema sufferers is that there is no cure — yet.

Through your generous response to the Christmas Seal campaign, more children than ever are able each year to attend special camps for children with asthma, where they are able to enjoy the out-of-doors in a supervised environment.

Ever since 1927, donations to Christmas Seal campaigns have been helping children to breathe easier for many more years. By giving to the Lung Association's Christmas Seal campaign, you too can help an asthmatic child or adult to breathe more comfortably. Each single seal represents a tiny breath of fresh air, another message of hope for a better, more healthful life for millions.

Use heating dollars wisely

This time of the year always brings out the pundits who are absolutely certain that they have inside knowledge of a looming long and hard winter — worse than any in history, and certain to be calamitous to the entire country and the entire human race.

Most times, their dire predictions turn out to be far from factual. This time we better all hope that they are overstated. With the galloping cost increases in all kinds of fuel, with the hated GST looming ever closer on a bleak winter horizon, Canadians could be in for a grim winter indeed.

Realistically, it is always prudent to prepare as well as possible for the bitter cold weather that comes sooner or later during most Canadian winters. This is particularly so in view of the relatively high cost of all kinds of heating fuels — even in normal times. It behooves every householder to make the most efficient use of his heating dollar.

In the very intense competition which prevails among the purveyors of various types of fuels, and various heating systems, conflicting claims have been made for the superior efficiency, safety and desireability of one fuel and one heating system over another. Constant improvements in every field of domestic and commercial heating have added to the controversy among the suppliers. In years past, government subsidies and grants have sometimes escalated the movement to change heating systems by many consumers.

But whatever system you decide to use, some simple and inexpensive tips can add to your winter comfort, health and safety, and conserve your fuel and your dollars as well. Perhaps you could make use of some of these suggestions:

- A humidifier will replace the moisture in the air and will make your home more comfortable at a lower temperature.
- When airing your house, you will lose a lot less heat if you open the windows wide, but only for a short period.
- During the winter months, when the sun is shining, open your drapes to get all possible benefit of any warmth from the sun.
- When away from the house, lower the thermostat setting. The safe minimum is 10 degreesC (50F).
- Always make regular checks to see that the furnace filter is clean, and the humidifier is operating in the proper manner.

This Week In Morrisburg's History

Compiled from The Leader's fyles
By Kim Toshack

1980

The Cardinal Broncos visited the Morrisburg Arena on Sunday, October 26th for the first regular season confrontation with the Morrisburg Lions. Sunday saw the Cardinal team skate to a 4-2 victory in an un-exciting type of hockey game. Less than four minutes into the game Gary Meheaume picked off a breaking pass from team-mate Joe Denencourt to put the Broncos in the lead by a 1-0 count. Forty-one seconds elapsed before Tom Hodgson, one of the few bright spots in the Lions line-up in this particular game, scored an unassisted marker to tie the contest. The two teams exhibited an unbelievably scrambly type of hockey during the remainder of the opening period with the Broncos Earl Nesbitt clicking to put his team in front by a single goal.

A team of bright, well-informed students from North Dundas District High School successfully trounced Tagwi in a "Reach for the Top" segment filmed by the CBC October 23rd in Ingleside. Moderated by television personality Brian Smith, the two teams faced each other as a result of previous wins. Several contests took place the day before as Tagwi triumphed over Osnabruck District High School; VanKleek Hill won out over General Vanier; and North Dundas beat Hawkesbury. Tagwi then went on to win over VanKleek Hill and qualified for the finals Thursday afternoon. North Dundas won against Hawkesbury and went on to the final since Cornwall Collegiate & Vocational drew a bye. As a result of the final win NDDHS was permitted to proceed to Ottawa that January for another round on the popular television contest. Carl Ward was the teach-coach for the local team composed of four students: John Barnard, John Matthew, Peter Hunter and John Blaine. The film segment took place in the ODHS gymnasium before an audience of enthusiastic supporters who thoroughly enjoyed the video tape experience.

The Oddfellows Hall, Williamsburg was the scene October 22nd of a beautiful candlelight ceremony when the entire First Williamsburg Wolf Cub Pack, four leaders and 36 boys, were invested. The investiture was carried out by St. Lawrence District President Bill Sheldrick of Morrisburg, assisted by Ron McLean. First Carl Robinson, then the other leaders and finally the boys received their scarves and repeated the cub rules. The cubs then formed a large circle and each parent stood behind a boy to present him with his new cub cap. Carl Robinson (Akela), Roger Tupper, Bob Drouillard and Tom Hummell organized the first cub pack in the village in 30 years, to the delight of three dozen Tenderpads proudly sporting new scarves and caps. The pack was unofficially sponsored by the Williamsburg branch of the Oddfellows and another concerned sponsor had been the Bouck's Hill Legion which had presented a cheque for $250 to the group.

1970

Memorial Hospital Auxiliary in Winchester was splendidly served by articulate delegates to the October conventions: Mrs. Max Boyd, Director of Volunteer Service, Mrs. Rose Campbell of Golden, and Mrs. Susan Anderson of Ormond presented comprehensive accounts with emphasis on areas of special interest to them. Mrs. Susan Anderson emphasized the importance of auxiliary members as 'vehicles of communication between the hospital and the community', in reporting the District No. 9 convention in Ottawa on October 15th. Mrs. Max Boyd, a delegate to the Diamond Jubilee of Women's Auxiliary in Toronto in October, was tremendously impressed with the session on 'Youth and Drugs'. It was stressed there that the fast-growing problem had to be met with the greatest understanding and skill on the part of the medical profession, working closely with the social services involved with young people. Miss Legris, Director of Nursing, presided over coffee and small cakes in the cafeteria at the close of the long but interesting meeting.

Roy Merkley met with Morrisburg Council at the Regular November meeting to discuss the problem of ditch drainage at Orchard Heights subdivision. Reeve Carlton F. McInnis noted that since ditches and culverts on Duncan Street appeared to have been designed with the expectation that water would run uphill, a major problem existed. Heavy rainstorms aggravated the existing conditions which Clare VanAllen, works superintendent and Council attempted to improve. Mr. Merkley was assured that the situation would be further studied, ditch will be cleaned and every effort would be made to improve conditions. The purchase of approximately 20 tons of salt for roads was authorized. Clerk Lloyd Barkley and the works superintendent were to decide whether this was going to be purchased in bags or by bulk. Mr. VanAllen, superintendent, during a lengthy discussion of drainage problems of Laurier, Augusta and other streets displayed a "museum piece" of lead pipe twisted and knotted which had sprung a leak causing trouble on Augusta. Robert Kostuch, consulting engineer presented a report outlining sewage servicing routes for the proposed Locke subdivision with recommendations. November 11th was declared a holiday for municipal offices and work forces. To comply with minimum wage requirements fees for Deputy Returning Officers and poll clerks at the December municipal election were to be $22 and $16.50.

A meeting of the United Church Women was held in Allan Hall on Wednesday, November 5th. The president, Mrs. Marvin Lemon, opened the meeting with a poem entitled "Peace" which had special significance for Remembrance Day. The business meeting which followed dealt with the usual items of minutes, attendance and treasurer's report; also there were considerable discussions re supplies which had been requested by Angola, Africa. Mrs. Clifford Sypes was in charge of the Worship Service, and had chosen a most interesting manner of presentation of the theme of remembrance. After an appropriate reading by Mrs. Sypes, she was assisted by seven members of the group. On completion of a short reading, each member placed a red rose in a wreath, depicting rejoicing, redemption, revelation, repentance, reconciliation, righteousness and resurrection. A pleasant conclusion to the program was the lovely solo, "Jesus Rose of Sharon", sung by Mrs. Kurt Polak. Following the benediction, refreshments were served.

1960

A well represented meeting to organize minor hockey in the St. Lawrence Valley was held in Chesterville on Wednesday, October 26th. The convener was Mr. Murray Martin of Winchester. The teams entering were Winchester, Chesterville, Crysler, Berwick, Maxville and Alexandria (Group A); and (Group B) composed of Morrisburg, Ingleside, Cardinal and Prescott. The officers of the league were: pres., Mr. Keith Carkner, Winchester, vice-pres., Rev. F.L. Howald, Morrisburg; sec-treas., Mr. Lorne Jordan, Chesterville.

Rev. Father W.L. Terrion, Parish Priest of St. Mary's Church, Morrisburg for more than eight years, was honored on the Sunday evening prior to his departure from Morrisburg to his duties in Kemptville. A capacity congregation filled the church for the regular Sunday evening services, and at the conclusion, Lorne Laurie delivered an address expressing the sincere regret of everyone present to be losing Father Terrion , and thanking him for his faithful guidance through the years. James MacDonald presented him with a purse on behalf of the parish. George Locke, on behalf of the Altar Boys also presented him with a gift. A social hour followed in the parish hall, with Rev. Francis Foley, chaplain of St. Michael's Academy, Cornwall, entertaining with a wealth of Irish songs. He was assisted by Mrs. H.R. O'Doherty, with Mrs. Arthur Flynn at the piano. Miss Marion Coligan, president of St. Mary's Catholic Women's League presented Father Terrion with a luxurious leather easy chair.

Morrisburg Fire Brigade was called out October 24th during a wind and rain storm to a fire in the machine shed on the P.W. Allison farm three miles west of the village on Lakeshore Drive. The fire which was observed at 9:30 was well advanced and out of control when the firemen reached the scene. The shed had housed a tractor and trailer, mower, cultivator, storm windows, and a variety of other equipment. It was thought that the fire was caused by faulty wiring as no oil rags or other possible causes of fire were about. The 25 by 30 foot building and contents were covered by insurance. Extent of damage had not been estimated.

1950

On Tuesday, October 31st, a Mission Band Leaders' Conference for Dundas-Grenville Presbyterial was held in the Winchester United Church under the direction of Mrs. K.A. Blancher of Morrisburg, secretary of Mission Bands for the Presbyterial. A typical Mission Band Worship Service was given under the direction of Mrs. C.H. Ferguson of Kempville. Mrs. Blancher then discussed Uses of the Handbook, and the methods by which all material available could be utilized. Mrs. VanAllen, President of the Dundas-Grenville Presbyterial, in a few words, spoke of the opportunities of the work with younger groups. Mrs. Byron Newman of Spencerville, assisted by Mrs. Lester Sutherland, spoke on Japan and its customs. They had many Japanese objects, including costumes, chop sticks, vases, dishes, pictures and many interesting and informative facts regarding Japan, including the great annual Festivals. Mrs. Dillabough of Morewood closed this part of the Conference. A project period followed.

On October 26th, the Morrisburg High School held its annual Sadie Hawkins dance. The girls, wearing plaid shirts and slacks arrived in large numbers to exercise their privilege of asking the boys for dances. This party proved to be the most enjoyable to date. On Wednesday, November 1st Cardinal's rugby team came to Morrisburg to inflict a 12-12 defeat on the home team.

Mr. and Mrs. Lorne Cunningham, newlyweds, were guests of honor at a shower on Wednesday, November 1st in the IOOF Hall, Williamsburg. About 150 people attended and music for dancing was provided by the Elma Serenaders. During the evening, Mr. and Mrs. Cunningham were called to the platform, where Mrs. Dwight Crowder read an address followed by the presentation of a purse of money by Mr. Jack Hill. Mr. Cunningham replied to the address expressing appreciation on behalf of himself and his wife.

1940

Hon. G.H. Challies, M.L.A., was re-elected president of the local branch of the Canadian Red Cross Society, at the annual meeting held in the Red Cross rooms on Wednesday, November, 6th. The following other officers were elected: Honorary Presidents: Mr. George H. Smith, New York City; Mrs. George W. Cook, Montreal. President, Mr. George H. Challies, First Vice president, Mrs. J. Clinton Casselman, Second Vice President, Mr. Herbert Paul. Secretary, Miss Jane Dillen and Treasurer, Mr. D.K. M. Stewart. A report by Mrs. Meikle showed that proceeds from teas held by the ladies amounted to $157.82. The secretary's report gave a review of all meetings held since organization of the local unit on October 6th, 1939. The treasurer's report showed a favorable balance of $2,451.27, and reported a cash donation of $500 from Mr. George Smith of New York, a former resident of that section.

A pleasant evening was spent on Tuesday, November 5th at the home of Miss Viola Robinson, when a group of her friends gathered to honor Miss Lillian Canning whose marriage was to take place the next day. Those present were Misses Jean Beckstead, Agnes Tuttle, Viola Robinson, Irene Tuttle, Lera Warner and Doris Tuttle. During the course of the evening, Miss Canning was presented with a beautiful lace tablecloth, while an appropriate address was read. In replying, she thanked those present for the gift and the good wishes accompanying it. Serving of a dainty lunch by the hostess brought the evening to a close.

On October 28th, Rev. Lacey of Williamsburg, gave the Y.P. a very inspirational and educational address about religion. He dealt with its development and meaning from the dark ages to the present--fear, awe, reverence, love, as found in Anomism, Fetishism, Totemism and christianity. His last thought was that everyone follow the way of Christ to develop a good Christian character. The latter part of the meeting was social, conducted by Mrs. Donald Casselman.

1920

It was reported that three Williamsburg men, while on a fishing trip on the St. Lawrence River, had a rather exciting and unpleasant experience. Roy Swerdfeger, Asa Miller and James Gow, while fishing in the evening on the river below Morrisburg, became enveloped in a dense fog and lost their bearings, being unable to make land. After rowing for some time, an oar was broken, leaving them practically at the mercy of the current, which at daybreak had carried them down within hearing of the Long Sault Rapids., but fortunately, over to the American shore where they managed to make a landing. Their quest for fish had not been unsuccessful, however, as one had been landed weighing somewhat over 40 pounds.

At Mullin Bros., in Morrisburg, sour Gerkins were .40 per bottle; sour mixed were the same; as was mustard, India relish and sweet pickles. Ketchup was .34; Heintz chilly sauce, .40; and Lee & Perrins, .50 per bottle.

Around the town

Congratulations go out this week to Norma and Brian Wheeler on their purchase of the Mr. Grocer franchise in Morrisburg. Good luck with your new business. We'd also like to wish the former owners, Bill and Elsie Aldrich, good fortune in any of their future endeavours.

•

Did you wonder what the national media columnists want? Last week, they dumped all over the Mulroney government for the new goods and services tax. This week, after Liberal leader Jean Chretien said, that if elected, he would scrap the new tax, and they jump all over him. Maybe they're just all eternal pessimists.

•

Looks like most of the Ottawa Rough Riders' fans will be back out of the closet this weekend for the big game against Toronto. This could be the first time in quite a few years Roughie fans can still see this team in post-season play. All that the Riders need is a win or a tie to clinch a playoff spot, and considering their back-to-back wins against Winnipeg, and (maybee) a win in Toronto, I guess they deserve to be in the playoffs.

•

St. James Anglican Church will hold its Annual Bazaar on November 7 at the Morrisburg Civic Centre. It will feature food, crafts, plants, treasures, candy and a tea room.

•

Williamsburg Snowmobile Club is holding a dance this Saturday at the Chesterville Community Centre from 9 p.m. to 1 a.m. Everyone is welcome.

•

Morrisburg Golf Club President Bob Barclay had better stick to golf during the winter. I heard he tried ten-pin bowling this past weekend and had an impressive 45 in his last game.

•

The Iroquois Christmas Craft Sale takes place this Saturday at Seaway District High School from 9:30 until 4 p.m.

•

Morrisburg Golf Club Seniors will hold their first get-together for the fall and winter season on Thursday, November 8 at 6 p.m. There will be a potluck dinner and a film.

•

Finch Township Branch of the Canadian Cancer Society is hosting "Seance at Winslow Manor." A Hallowe'en mystery theatre being performed by the charity players on Friday, November 9 at 8:30 p.m. at the Crysler Community Centre, Crysler, Ontario.

There will be a social hour from 7:30 p.m. to 8:30 p.m. Prize will be awarded for the best Hallowe'en costume. A late night buffet will be served. Tickets are $15 per person and are available from the Cancer Society Office, Cornwall, 932-1283.

Proceeds will go to the Canadian Cancer Society, Finch Township Branch.

— Sam Laurin

REQUEST FOR TENDER

RFT-90-159

FIREWOOD CONCESSIONS

Sealed tenders, clearly marked "RFT-90-159" on the outside, will be received by the undersigned, for firewood concessions at Glengarry Park and Riverside/Cedar Park.

CLOSING DATE: 2:00 P.M. ON NOVEMBER 28, 1990

Detailed tender documents and further information may be obtained by contacting the Purchasing Officer at 613-543-3704. Please note that bidders may tender on one Park or combination of both.

The Commission reserves the right to reject any or all tenders and the highest or any tender will not necessarily be accepted.

Public opening of tenders will be at 2:05 p.m. on November 28, 1990.

Matilda council approves access road to subdivision

BRINSTON On Thursday, Matilda Council gave Swank Construction Limited the go-ahead to construct an access road from Saver Road to the proposed Bayview Heights Subdivision.

The road which is on township land is to be constructed according to Ministry of Transportation standards, and meet township approval.

The 19-lot subdivision, proposed by developer Peter Swank of Matilda Township, would be located west of an existing row of houses on Saver Road, south of Highway 2, and north of the St. Lawrence River.

Approval of access road construction was given after presentation of a drainage and grading plan by John Geleta of Time Engineering Limited of Kanata. However, a complete plan of subdivision has not yet been presented to council.

Geleta told council the developer was anxious to proceed, and promised, "If you don't like something, it can be changed." Council was also assured the construction road would be at the developer's own risk.

The engineer is to send a letter describing conditions of construction to the Ministry of Transportation, and other concerned government ministries. The complete plan of subdivision will be presented to council for discussion at a later date.

Business Directory

Support staff of the South Dundas Economic Development Commission made a presentation to council on current projects.

"Our mandate this year is to develop parts of a strategic plan we did in 1989 and to develop a business directory," said Project Manager Linda Bowers.

The directory is a complete listing of area businesses and their addresses which will be divided into categories. So far, the directory has 354 names on the data base, including businesses, industries, cottage industries, government offices, and some incorporated farms.

"Most municipalities who have it include it as part of an economic package, and offer it to their real estate offices, to give new people moving in the area," said Reeve Lorne Mellan. "That's very interesting. It seems the comission has been growing and expanding."

Bowers and her staff are also working together to prepare for Business Appreciation Night, which this year will be held on November 14 at the commission office on Second Street. The evening is a annual social gathering for area businessmen. Four guest speakers have been invited to give information on education and training, small business loans etc.

The support staff is also working on the Morrisburg Waddington ferry project, which was proposed earleir this year by Morrisburg businessman Duncan Edmonds, and Ottawa ferry owner, Maurice Bourbonnais. Bowers sits on a commmittee to facilitiate the project, and visited Bourbonnais MassonCumberland ferry service near Ottawa to see what elements would be needed for a similar service between Morrisburg and Waddington.

Another project planned after completion of the business directory, is a driving tour of the four municipalities . "We hope we could get people to take the ferry across from New York and then take a walking tour around Morrisburg as well ," said Bowers.

The commission would like to include the driving tour along with a description of points of interest in a brochure to be distributed at tourist booths in Iroquois and Morrisburg.

Reeve Lorne Mellan thanked the ladies for their presentation, and stated the idea of a tourist brochure for South Dundas was a good one.

In other business, council granted tenders for construction of the Beckstead Branch Extension Drain to Frank Ault at $1706.60, and to Quintan Products for work on the Serviss Beckstead drain at $1656.40.

Council read a letter from Glen Swerdfeger requesting permission to spread sludge from the Village of Iroquois on the former Waddell farm, Lot 16, Concession 4. The township may not grant permission until the Ministry of Environment gives their stamp of approval.

A letter from the OPP was received to the effect that extra officers would be on patrol throughout the detachment area on Hallowe'en to protect against vandals.

The township is still waiting confirmation of grants from Ontario Multi Materials Recycling Incorporated and the Ministry of Environment on their blue boxes, and cannot distribute promotional material until they are assured of funds.

Errors in boundaries in most of the hamlets have been discovered on the updated Official Plan, and consultants Proctor and Redfern will be asked to make corrections before a public meeting is planned for November 15.

Marketing manager presents aggressive tourism strategy

CATHERINE THOMPSON
Leader staff

CORNWALL—Marketing and communications manager Kevin Lamoureux presented an aggressive marketing plan at a meeting of the Seaway Valley Tourist Association last Wednesday.

Lamoureux noted the Valley has seen a 39 percent drop-off in visitors to the area.

His marketing report indicates a smaller number of American visitors to the Valley due primarily to economic factors. There are also less Canadian tourists at attractions possibly due to an increased number of Canadians vacationing in the United States.

Lamoureux' strategy will target the regional markets of Eastern Ontario and the Seaway Valley, Western Quebec, Northern New York, Southern Ontario and New England.

His plan includes updating current brochures such as the Seaway Valley (a lure brochure), the Calendar of Events, the Seaway Valley Tourist Guide, and distributing specific brochures on topics as accommodations, winter activities, marina and sport fishing, antique and craft shopping.

A new brochure on the Long Sault Bicycle Path features a map and highlights points of interest such as the "lost villages," flora and fauna.

The Tourist Association will involve both print and electronic media in a campaign to raise public awareness of tourist attractions.

Having a background in video production, Lamoureux has also put together short topical videos at no expense to the Association spotlighting tourist sites such as Upper Canada Village and Fort Wellington.

The videos have been given to cable companies where they are aired frequently, and are also used at information centres.

The Tourist Association will be represented at sportsman and trade shows, and will also be looking at the production of a poster fun map to be displayed at tourist centres and events.

SVTA wants to join in EOTA marketing plan

Joyce Gravelle, manager of the Cornwall Tourism Bureau, proposed the SVTA cooperate with the Eastern Ontario Travel Association marketing plan, but the Seaway Valley Board of Directors agreed instead to pursue Lamoureux' plan.

"We decided our marketing plan would do more to promote the area than if it were part of a larger marketing program by the E.O.T.A.," said Terri Lalonde, manager of SVTA.

She noted it would cost the Association $3,500 for a radio report a few times a week throughout the summer and a few TV spotlights.

"We can't afford this, and we feel we'll get more bang for the buck by focussing on our in-house specific amenities rather than the potential of generic advertising appearing on remote stations," she said.

"We know we must depend on regular tourist people in the Valley visiting the Valley, while it's people from outside who fill up motels and campgrounds," she added.

Lamoureux is also a member of the Remedial Action Plan, an environmental group dedicated to cleaning up pollution of the St. Lawrence River.

Environment Canada has asked him to do a video on tourism, as it is affected by pollution, and he has produced a video focussing on recreational outdoor adtivities which are dependent on the river like boating and swimming.

"THE LAST STRAW"

One of the most beautiful signs in the country is about to be removed.

The blue and gold sign at the entrance to Upper Canada Village and Crysler Battlefield Park is to be replaced with one similar to the ugly grey signs which have recently appeared along No. 2 Highway.

The original blue and gold sign has been there since the Village opened and is part of Upper Canada heritage.

Who is responsible for this outrageous deed?

Voice your objection by contacting your local MPP Mr. Noble Villeneuve or Premier Bob Rae.

BIRTHS

THOMPSON—Arrived just in time!!! Happy birthday, Uncle Diesel! Mom and Doc Coolican wouldn't let me party with the boys on our birthday. Jimmy and Linda Thompson (nee McMillan) are pleased to announce the birth of their firstborn, a son, James-Dean William, October 20, 1990, weighing in at 6 lbs. 11½ oz., 19¾ inches long. First-time grandparents, Mr. and Mrs. Floyd Thompson of Brinston, and 13th grandchild for Mrs. Dorathy McMillan, Iroquois. Special thanks to Dr. Coolican and the nurses on maternity for looking after Mom and I so well. 44p

CARD OF THANKS

MCKEOWN—I would like to thank my family, friends, co-workers, and everyone who thought of me or asked about me while I was a patient in the hospital. I really appreciated the flowers, fruitbasket, cards, gifts and the prayers given on my behalf. A very special and heartfelt thank you to the nurses at the clinic and Dr. Rivington, Dr. Coolican, Dr. Schnurr and the second floor nursing staff at Winchester Hopsital and Dr. McLeod of the Ottawa Civic for their care and concern. Once again thank you.
—Sarah McKeown 44p

MCCASLIN—I would like to express my sincere thanks and appreciation to my friends and relatives for the telephone calls, lovely cards, beautiful floral arrangements and gifts as well as the surprise Hanson family dinner. This made my 80th birthday a memorable occasion and one I shall always remember.
—Beryl McCaslin 44p

SCOTT—We would like to express our thanks to family, friends and neighbours for their thoughtfulness and sympathy on the loss of a dear brother Rueban Scott. Thanks to all for food, memorial donations and cards. It will never be forgotten.
—Keith and Phyllis Scott 44p

CARD OF THANKS

CHAN—The family of the late Wai Chun Chan wishes to express thanks and appreciation to friends for their thoughtfulness and sympathy. Thanks for those who gave floral arrangements and memorial donations. Also to the V.O.N., Dr. Marston, the ambulance attendants (Tom Coligan and Claude Meloche), the emergency staff at Winchester Hospital, Rev. Don Smith, and to Gord, Sheri and Ian who contributed to our comfort.
—George, Jimmy and Elly, and Albert, Anson and Alex 44c

Seaway News

By Kelly Lackey

For the last two weeks, Seaway has been encouraging students to enter a contest to choose a new school slogan. The winners picture will be used on letterheads, postcards and mugs.

The mugs will be used as appreciation gifts for guest speakers. The staff thought this would give students a chance to represent their school the way they think it should be. This contest finishes the end of the week, so get drawing.

The drama class is rehearsing for their musical "The Hobbit", which will be coming to the Upper Canada Playhouse sometime soon.

The music department is still in curiosity over where the bass guitar went. If anyone has information on this, please contact Miss Alguire of the music department. Funds are very sparse, and it is very costly to replace and repair instruments. We hope that with the help of students the guitar will return.

The junior and senior volleyball teams are both in the finals which will be starting soon.

Hallowe'en O'Grams are still on sale in front of the cafeteria for students to send spooky messages to pals. Speaking of Hallowe'en, students are reminded to dress up Wednesday. Costumes aren't to have masks that cover your face so the teachers can tell who's who. The costumes are to be judged so dress up and show spirit.

On November 9th, Seaway is having its own dating game. More information will be available next week. Only signs are posted in halls for students, so we are still in suspense over exactly what will be going on.

Last Monday was retakes for pictures. This was just in case someone's picture didn't turn out or you missed the first ones.

The Great Milk Race is on this month for schools to promote selling milk. They had a pudding eating contest, and Kevin Pashak woofed down that pudding, beating six other competitors. Great going Kevin!

Police Report

Sometime during October 17-27, a break, enter and theft took place at the Iroquois Marina in Matilda Township. Person(s) climbed on a boat in storage and removed a stereo system. Stolen is a Fujitsu Marine Stereo, including tuner, cassette, amplifier and equalizer, all of which were enclosed in a metal case with a plastic cover. Although no specific value has been set on the system, it is identified as being quite expensive. The boat and system is owned by Gary Hartt of Hudson Heights, Que.

Also at the Iroquois Marina sometime during October 18-23, a lock on the door of a boat in storage resulted in the theft of a Honda 1000 watt generator, valued at $1,200, and a Maxxima am/fm stereo/cassette/equalizer valued at $1,500. A Reactor Micro Furnace valued at $130 was also taken. The boat and its contents are owned by Blaine Newton of Ingleside.

A break, enter and theft took place at the Williamsburg Township Office late Friday evening or early Saturday morning, resulting in the theft of $200. Police suspect entry was gained through the senior citizen room, after which the safe was located, and then opened with the use of a drill.

A minor break, enter and theft took place at the Bouck's Hill Legion sometime during October 24-27th. Entry was gained by smashing in a window. The thieves left with $10 in Nevada tickets.

At 6 a.m. Saturday morning, police investigated the theft of a van from Smyth's Apple Orchard, Dundela. The recent model GM, owned by Paul Beckstead, was recovered on the 4th Concession of Matilda Township with the use of a K-9 unit. The investigation is ongoing.

During the late evening Saturday or early morning Sunday, a break, enter and theft occurred at the residence of Robert Markell, of Matilda Township. A storage building on Markell's property was broken into, resulting in the theft of two 7 h.p. Briggs and Stratton motors, two snowblowers and an industrial grinder. The total value of the theft was $1,200.

On Sunday at 2:25 p.m., a collision occurred in the intersection of County Road 1 and the junction of the 2nd Concession, Matilda Township. A 1986 Chevrolet truck, operated by Shiela Holmes of RR2 Iroquois, was in collision with a 1986 Chevrolet, driven by Alice Cantin of RR1 Brinston. Minor injuries were received by a three-year-old passenger in the Cantin vehicle. Holmes' vehicle received light damage, while the Cantin vehicle sustained severe damage. Charges are pending.

Susan's Gifts and Baskets opens in Morrisburg

by Kim Toshack
Leader Staff

WILLIAMSBURG—For those who have been looking for the perfect birthday, Christmas or special occasion gift, there is no need to look any further, Susan's Gifts and Baskets has officially opened in Williamsburg.

Susan's Gifts and Baskets opened its doors for business recently on Highway 31, Williamsburg, directly across from Le Deja Vu Antiques.

The business is owned and operated by Susan Casselman of Williamsburg, who has had her baskets on display for some time at McHaffie's Flea Market, and on sale in her son's hair dressing shop in Cornwall. Casselman has been making baskets as a hobby for two years, while working as a pastry cook at the Winchester and District Memorial Hospital at the same time.

Her specialty is gift baskets, which she designs herself. Every colour of basket imaginable can be bought bearing gifts such as towels, soaps, bathroom accessories and more. She can make special orders with only one day's notice.

Susan's Gifts and Baskets offers customers an array of gift choices. The shop carries an assortment of baskets, potpourri, fancy soaps, bath salts, spices, silk plants, crafts and features a special Christmas corner.

Most of Casselman's products come from out west, where she has her baskets delivered from, while the bath salts and other bath paraphernalia come from Toronto.

As well, Casselman has high hopes for the future of the business. Her plans include offering various courses, such as cake decorating, craft and basket making and more. She also hopes to carry imported chocolates, bulk candy, fancy teas and coffees.

Preparing to open the business took a great deal of time;however, it took Casselman two weeks to convert the old restaurant into a gift shop. Due to the fact that Casselman works another full-time job, her mother, Vera Pharoah has been helping out and will continue her salesperson duties at times when Casselman is unavailable. She admits there may also be a need to hire someone else.

Susan's Gifts and Baskets is open 10 a.m. to 9 p.m. seven days a week.

A tisket, a tasket, a green and yellow basket...
After two weeks of renovating the old Williamsburg Restaurant, Susan Casselman has succeeded in convert it into her own business. The shop, located on Highway 31, carries gift baskets, bath accessories, soaps, bath salts, silk plants and more.

Tourist

cont. from page 5

Answering criticism that his environmental activities conflict with promotion of tourism, Lamoureux admitted it was a tough balancing act handling the two activities. He noted not only tourism, but industries are also represented and have input on the Remedial Action Plan.

"I'm there from the point of view of RAP trying to improve and maintain what we do have," he said.

"Some have the opinion these are contradictory, but they're not. Everyone has to work together and help get things done," he added.

The Association is also to contact the St. Lawrence Parks Commission and the Ministry of Tourism concerning relocation of its main office to the Long Sault Parkway.

They are currently priorizing items on a shopping list of marketing needs, and will take their proposals to municipal councils for their approval.

Lions lose close rally to Alexandria Glens: 13 10

LAURIE DAY
LEADER STAFF

MORRISBURG--Friday night in Morrisburg, the Lions lost a high scoring, close one to the Alexandria Glens, 13-10.

The Glens are presently holding the title of Rideau-St. Lawrence Jr. B champions for the 89-90 season, but the Lions proved Friday night that they are in the running for the top spot at playoff time.

A few fans came out for the game to give the team moral support, and it proved to be to the Lion's advantage, but the definite lacking of crowd support may be why the team's win-loss record is what it is.

If the Lions play like they have been, there is no doubt that the fans will get their money's worth this year, as the exciting rally with the Glens showed.

Morrisburg got off to a slow start as Alexandria scored four goals before they could find the opposing net. That was when Yvon Besner turned it on and scored the first of four goals for Morrisburg.

Johnny Morrow picked up his first of five assists on the Besner goal with 9:54 remaining.

Besner took care of the first period scoring with two more goals by the Glens' Brad Dillabough, with Morrow assisting on his second and third, and Mike Forget claiming one.

For the Glens, it was Serge Bellefeville who scored twice, while Stephane Lacell, Mark Sauve and Pat Ravary took one each against the Lions.

The Lions weren't about to fall victims too easily, when the second period started.

It was lively at both ends of the rink as each team scored three goals.

Besner and Morrow were at it again for the Lions getting a goal and an assist each. Graig Villeneuve had a goal as well, and getting credit for the remaining assists were Dean Beckstead, Jamie Smith and Forget.

Lacelle hit twice for the Glens in the second and Sauve took one.

It looked as though the Lions were going to give the Glens a little more than they bargained for in the third when Villeneuve and Andrew McEwan each scored to tie the teams at eight.

A persistent team effort on behalf of the Lions, but even more-so on the Glens' part as a battle to the finish declared the Glens the winners.

Mark Rowsseaw broke the tie in the third in favor of the Glens which proved to be the winning goal.

For a bonus, it was Lacelle and Dan Levert, with assists from Luc Decoeur, Mark Sauve and Mike Sauve.

Daryl Kiviaho and Jeff Hopkins were alternating between the pipes for the Lions in the match-up.

The team will be hosting the Brockville Tikis Friday night at 8:30, and then they will be in Gananoque on Sunday evening for a 7:30 start where a little crowd support can make a big difference.

Yeah . . . it's in here somewhere . . .

The Lions hosted the Alexandria Glens Friday night in a good rally but ended up on the wrong end of the score 13-10. Pictured above, lanky Rob Casselman, No. 10, skates b y after Jamie Smith scored in the second period on goalie Brad Dillabough.

Legion Darts

MORRISBURG - The Top Guns overpowered the Dont's in Legion darts last week taking l4 points to remain in the first place position in standings.

Dick Armstrong led with three outs, Fran Lapierre two, and Doris Ward and Lyndon Casselman each took one out apiece for the Guns.

The Ramblers played against the Blue Jays with the first claiming eight points. Mary Baker and Alice Whittaker took two outs each in the winning effort, while for the Blue Jays Roy Lapierre, Alice Tinker and George Baker combined for the three outs.

It was the Warriors over the Straight 8s in an eight to six point win with Dennis Baker hitting for two of the four outs and Roy Guise and Sherry Barbe claiming the other two.

For the Straight 8s , Kevin Adams took two of the outs while Dilip Bharadia had one.

The Hoppers took ten points from the Gogetters with Dale Hoppe claiming three of the outs, while Judy Laurin took the other two.

The Gogetters' Bob Henophy and Norm Stone took the only two outs for the team.

The Steam Rollers attacked the Bears with a ten-point win.

Shawn Baker claimed three of the five outs, while Ann Robinson and Terry Laurin each took one. Lyle Stewart had the only two outs for the Bears.

'rey Henophy led the way for the No Counts in an nt win over the Dart Raiders. Russell Cameron and Mullen had the other two outs.

the Dart Raiders, Hartley Graham fired three outs for i's six points.

lly,the Misfits and the Fathoms went head to head with fits claiming eight points for the advantage.

rl Schwerdtferger lead the team with the outs, while ughan and Elsie Guindon each fired one out each.

y Laurin was the highest scorer with a 120, while Roy nd Bob Henophy each fired a 114. Lee Beaupre had a igh score, and both Roy Lapierre and Dilip Bharadia a 100.

Town league action sees

Hills stay on top in league standing beating Music

MORRISBURG-In the first game of town league hockey, the Blues shutout the F-Team 3-0.

All three goals came in the second period with Andy Lee finding the space past F-Team's Gerald Scully with 13:31 left on the clock.

Assisting Lee was Mike Stewart.

Stewart picked up the second goal for the Blues, and helping him out were Lee and Brad Sloan.

Jim Thom flipped the third and final goal by Scully with Sloan and Tom Hodgson helping with the assurance.

The Hills and Morrisburg Music played a close one which saw the Hills claim another victory to remain in first place.

Only 40 seconds into the game, Don Nesbitt hit the net with help from Ralph Kennedy.

Music's Barry VanAllen replied with a goal at 7:16 left in the first. Mike Laurin counted for the assist.

Jamie McIntosh put the Music team ahead at the end on one, with Jim Tuttle claiming the assist.

Ian Hooles and Nesbitt found the net in the second for the Hills as did Barry McShane.

Fred Harper took care of the final goal for the Morrisburg Music.

The third match-up saw the Flyers take the victory against the Parkers 8-3.

Frank Hummell collected three goals and two assists in the game, while Donald Black picked up two goals and two assists for the Flyers.

Terry Veinotte, Bert Hummel and Scott Corden scored one apiece in the win.

Lindsay Weegar hit twice for Parkers, and Jeff Van Moorsel scored one.

Both Jim 'Whelen and Gene McInnis had a pair of assists for Parkers.

The top five scorers to date are; Donald Black with 11, Don Nesbitt with l0, Rob Reynolds with nine, Frank Hummell with eight and Allen McNairn with eight as well.

Riverside Darts

Riverside Heights - Jean's Machine and On The Cote are tied for first place in the Riverside Heights mixed dart league standings at 41 points apiece.

Leading the way for Jean's Machine with four outs was Bobby Jack Hart, followed by Chris Scott with two outs and Darline Sortie (spare) with one.

For the On The Cote team, it was Jim Scott firing for six of the 11 outs, while Sharon Wereley and Mary Casselman took two outs apiece. Cathy Marcellus hit for one in the effort.

The Simpsons and the E. T. Gang are tied in the second place position with 37 points each.

For the Simpsons, it was Gerald Morrow hitting for two in the four-point total, while Gayle Hart and Carl Schwertferger both claimed one each.

The E. T. Gang took nine points for the evening with George Baker hitting for most of the outs at five, and both Terry Baker and Gail Robinson claimed a pair.

Cecil Lewis took three outs for the Who Knows, and Roger Markell (spare) had one in the four-point total.

The Midas Group and the Slow Pokes have 32 points each with Lyle Beckstead leading the outs for the Midas Group at four, and it was Mert Carbino for the Slow Pokes with three outs.

Sharon Lewis (spare) fired three of the four outs for the Phantoms, and John Gummeson had the remaining one.

The Anything Goes team had a good night with a nine-point total, and firing six of the outs was Chris Casselman. Shannon Casselman took two, and Gary Bradford had one.

Frank Marriner led the Way Outs in points with three of nine outs. Karen Beckstead, Don Lewis and Barry Pemberton took two outs apiece.

Verlin Gallinger had three outs for the Dart Champs in a six-point total . Tom Shearer claimed two outs, and Fred Devaul took one for the team.

Elva Baker fired three outs for the Renegades, while Bev Brown claimed the only other one in the four-point accumulation.

Both Ivan Shearer and Lloyd Smirle had three outs each for the Lucky Ones, while Roy Gummeson took one out.

Jim Robertson, Ernie Duval and Ann Lewis took one out each for the Niners for three points.

For the Willies, it was Carl Robinson for three outs, Willie Casselman for two and Richard Young claimed one in the six-point effort

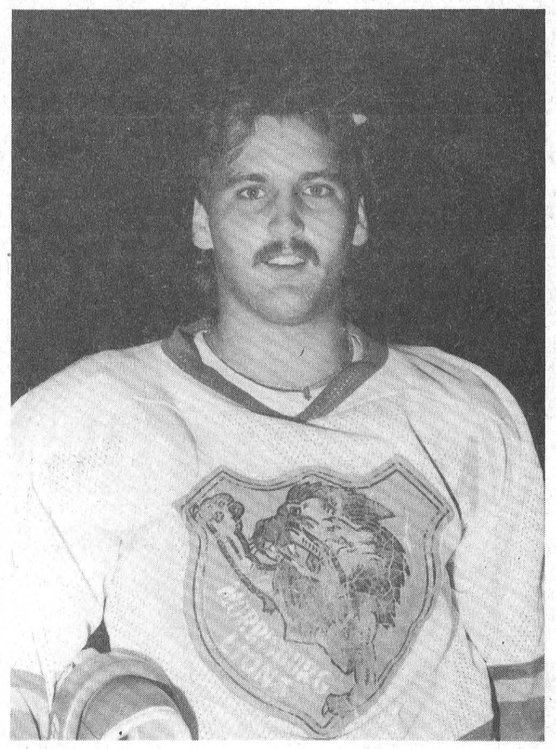
Meet the Lions



NO. 16 JASON SMITH
Height-6' 1.5"
Weight-178 pounds
Birthdate-February 28, 1970

Jason is the son of Connie and Ted Smith, and they live in Morrisburg. He plays left wing and defence for the Lions. His hockey experience includes 17 years with the minor hockey league, and this is his third year playing with the Jr. B's . His future plans with hockey are playing Varsity and coaching minor hockey at the Peewee or Bantam levels. Presently Jason is attending St. Lawrence College in Kingston where he is in his second year of the Civil Engineering program with hopes of becoming employed in this area when he graduates. When Jason finds the time, he likes to play football as well as hockey.

Morrisburg's boys flag football team had a record of one tie and three losses last Thursday when they hosted a tournament. In the game above they lost to Nationview 20-7. Dixons Corners went on to win the championship, and Chesterville took home the A division title. On Friday, Nationview will be hosting another flag football tournament. - Laurie Day photo

An NHL hopeful from Morrisburg

LAURIE DAY
Leader staff

MORRISBURG - Mike Casselman, a Finance major at Clarkson University in Potsdam, New York who is a native of Morrisburg was selected in the first round draft by the Detroit Red Wings this past June.

Being named the most improved player last year for the Clarkson Knights by almost doubling his career point total from his first two seasons combined, Casselman scored 22 goals.

It was the most goals scored in one season for the last three years at the university.

He was the leading scorer last year with 43 points, and led the team with 14 power play goals after having failed to score on the man-advantage as a freshman or sophomore.

Casselman was chosen as the third player overall in the first round supplemental draft by the Detroit Red Wings this past June.

Before he attended Clarkson, Casselman played with the Morrisburg Jr. 'B' Lions. His parents are Laura Lynn and Steve Casselman.

Men's Dart league

RIVERSIDE HEIGHTS - In the men's dart league in Riverside Heights on Thursday evening, the McMillan team took 11 points in the match- up with the Lewis'.

Don McMillan took control of the winning situation for his team with an impressive eight-out evening. Rick Barkley took care of the remaining out.

For the Lewis' team, Jim Scott and Cecil Lewis had the outs.

Between the Bradfords and the Devauls, Bill Devaul and Dwayne Kirker took two outs each for the winning Devaul team in the six-point total. Fred Devaul and Glen Adams each fired one out in the winning effort.

For the Bradfords, Ron Bradford and Keith Wereley (spare) fired for two outs each and Gary Shaver had one.

In the third match up of the evening, the Gummesons lost a close one to the McNairn crew when the McNairns took six of the 11 points.

Al McNairn and Brian McNairn fired two outs apiece, and Russell Cameron and Brian (Bunny) Bennett had one each for the win.

John Gummeson led the outs for his team with four, and Ivan Shearer had the remaining out for the Gummesons.

The top five scorers for the evening were Cecil Lewis with a perfect score (180),and Ron Bradford, Jim Scott, Don McMillan and Russell Cameron who each fired a 140.

Curling Chatter

MORRISBURG - The curling season is under way with a good turnout for the Curl Canada Clinic designed for the older curlers and the new members who wanted to improve their game.

The teams have been picked for the first draw and play started last Monday with nine teams of senior men and 12 mixed teams for Wednesday night There was a great response to the membership drive.

November 3 is the opening Harvest Spiel, and registration is taking place now with only 72 players eligible.

Curl for Cancer is on November 17, and it will cost $10 per curler ($5 will go to the lunch and the other $5 will be donated to the Cancer Society. A receipt will be given for this.)

Raffle tickets will be sold for a VCR which will be drawn on New Year's Eve. Proceeds will be used to paint the ceiling over the ice next summer.

Men's curling league starts

MORRISBURG - The St. Lawrence Major Men's Curling League started last week with six teams involved with this year's play. Three of the teams are from Morrisburg.

Other teams involved are from Brockville and two from Prescott.

All games will be round robin and the top four teams at the end of regulation play will advance to the finals, where a double elimination tournament will take place.

The prize money will be awarded as follows; each win in the round robin play will receive $10, the winners of the round robin play will receive $100, playoff winner receives $200, playoff final loser ,$100, and the playoff consolation winner will receive $50.

The winner of the playoff action will gain an automatic berth into the next year's league. (An entry fee of $100 per team is paid prior to curling.)

The three teams from Morrisburg consist of Graham Houze, Ian McGillis, Lorne Casselman and Tom Tindal on team one, Brooke Leightizer, Don O'Brien, Steve Wilson and Allan Patterson on team two, and Sid Morrell, Bob Beddingfield, Pete Zeron and Bernie Brunt on team three.

The next scheduled round of play will be on Sunday in Morrisburg at 4 p.m.

Minor hockey roundup

Atom B team 1-1-1 in exhibition play

MORRISBURG -- Morrisburg's Atom Bs were chewed up and spit out by the North Dundas Atom A club in a 10-1 exhibition game on Saturday in Morrisburg.

Daniel Goss was the only Morrisburg player to get by the North Dundas goalkeeper Darryl Burns, and the goal came with 2:10 left on the clock in the first period.

Both Tyler Copeland and Graig Holmes took home a hat-trick, while Chris Mann hit for two in the victory.

Sam Ault and Mike Flowers had a goal apiece for North Dundas.

The team had a better showing in Winchester on Saturday against the North Dundas Atom B team as they came home with a 4-1 victory .

John Derouchie was the first to score for Morrisburg, with assistance from Daniel Goss. Jeramie Adams and Ben Mustard claimed a goal each as did James McConnel.

Morrisburg had 19 shots on the Winchester goal, and North Dundas took eight.

Back home in Morrisburg on Sunday, the club hosted the South Stormont Atom Bs in a two all tie.

Jeramie Adams and Jamie Barkley scored for Morrisburg in the first period and that was all they could get by Collin Bilmer.

Jamie Robinson and Brandon Cassell played well between the pipes for the home team only letting two goals by.

Adam Nelson scored in the first period for South Stormont, and Myles McPhail scored in the third.

Morrisburg took two penalties to South Stormont's one.

Peewee Bs win opener

WESTPORT -- The Morrisburg Peewee Bs travelled to Westport for the first game of regulation play and squeaked out a 3-1 victory.

Morrisburg's Daryl Kirkwood got by Westport's Tim Eyer in the first period.

Westport answered back in the first with Corey Cooper flipping one into the net past Mike Adlington. Assisting Cooper was Earl Ambler.

Kirkwood scored again into the second, assisted by Jason Rice and Aaron Banford.

Morrisburg was handed three penalties, and Westport received two.

I've prepared for the GST.

Have you?

Now is the time to register.

Are you ready for the proposed GST? If not, now is the time to register and prepare. Registration applies to anyone involved in a commercial enterprise. This includes fishing, farming, professional services and many activities carried out by non-profit organizations.

Revenue Canada is ready to assist you with information on:
- How to register and the benefits of doing so
- What the GST means to your operation
- Simplified accounting options and administrative procedures
- Rebates of the Federal Sales Tax
- How to recover GST on business purchases
- GST return and filing options

Contact us today.
Phone:
1 800 465-6160
Telecommunications device for the hearing impaired:
1 800 465-5770
Or drop by the Revenue Canada Excise Office nearest you, Monday to Friday, 9:00 a.m. to 5:00 p.m.

Canada's GST. It's good business to prepare now.

Straight Talk on the GST

An evening seminar for business people and tax professionals

Presented by The Morrisburg Chamber of Commerce in conjunction with the Department of Finance and Revenue Canada

How is Canada's new Goods and Service Tax system structured? What impact will the GST have on your business? How can you prepare your office staff?

On January 1, 1991, the government plans to implement the GST — a 7 percent tax on the sale of most goods and services in Canada. The GST will replace the existing federal sales tax.

Approximately 1.6 million Canadian businesses will be affected by the new tax. This special presentation by senior officials from the Department of Finance and Revenue Canada is designed to help business people understand the GST and its application.

An extended question and answer period will allow participants the opportunity to obtain detailed information about the GST as it relates to their business. A wide range of industry-specific reference materials will be available.

Date: MONDAY, NOVEMBER 5
Time: 7:30 P.M. TO 10 P.M.

Partners hold invitation feast at Iroquois Civic Centre Saturday

KIM TOSHACK
Leader Staff

IROQUOIS - Over 100 guests enjoyed a delicious beef dinner, Saturday, at the Fourth Annual Partners for Children in Development Invitational Feast held in the Civic Building, Iroquois.

The meal was a fund raising activity sponsored by the Board of Directors of Partners for Children in Development, in aid of children and their families in poverty stricken areas.

Directly after the meal, which was catered by the women of the Iroquois Anglican Church, a number of door prizes were awarded. In keeping with the spirit of the evening, the prizes were brought directly from Central America.

George Jackson, 'Partners' executive director, founded the organization 12 years ago with his wife Irma, in order to assist underprivileged children in poverty stricken countries.

Amidst slides of malnourished children being fed and slum areas being repaired, Jackson began his speech.

"I think that a picture is worth a thousand words and that I can better demonstrate to you what we have been doing by showing some slides of our work and then taking a minute to tell you about our plans for the future," Jackson said.

One of 'Partners' big projects is a clinic, which was needed in order to keep people from being sick. If it is possible to refrain from getting sick, individuals can maintain a job, look after the family and enjoy a better quality of life.

"At present, we are looking towards expanding our clinic, to provide beds for 18 to 20 people who are seriously ill," said Jackson. "We are not at the point where we can stop the people from having children, but those who are having them deserve to have them in a clean, safe environment."

'Partners' also operates a home for approximately 20 young girls, between the ages of five to 17. These girls are sent to the home by the Juvenile Court because parents can no longer take care of them. It is an old building that is located in a bad part of the city of San Pedro Sula. It is owned by the city and is on loan to "Partners'.

"There is so much that we can do to help, but it all takes money and our budget is limited," Jackson said. "In spite of higher taxes, the Canadian budget for foreign aid has been cut, and now more money is being sent to eastern Europe so there is a greater requirement from a smaller budget."

Other projects being undertaken by 'Partners' include a training centre started about three years ago in San Pedro Sula, which offers practical trade courses to single mothers of all ages, and varying income levels. Courses taught include baking and sewing.

'Partners' also operates a small garment industry, for manufacturing sport shirts and sport pants, for women who were taught to sew but couldn't make "the rate" expected in commercial garment industries.

Before closing the slide show, Jackson summed it up in conclusion.

"We are still striving to do what we can, and I assure you there is much to do," Jackson said. "I could talk for hours on the subject of of development and why it is important, but I shall end now."

The combination of slides and serious speech was successful to all those present in emphasizing the usefulness of 'Partners' and stressing the need for continued help.

Presbyterian missionaries meeting

MORRISBURG—In this time of anxiety for the poor and jobless, together with rumors of war, it is especially appropriate that Knox Presbyterian Women's Missionary Society meet for a Thankoffering service. Sometimes we forget in our Canadian affluent society to be truly thankful.

Before the service, Marion Degray, the organist, taught the children of the church a hymn about missionaries. Needless to say, the children thoroughly enjoyed the singsong.

The morning service was ably conducted by the Women's Missionary Society president, Margaret Reynolds.

A Bible reading concerning missionaries was read by Ruth Kirkwood and Grace Dikland. A prayer for missionaries was given by Joan Farlinger, who also led the Lord's Prayer.

The speaker, Mrs. Zenaida Binaday formerly from Luzon in the Philippines, was introduced by Mrs. Reynolds.

Mrs. Binaday informedthe Society there were sixty million people in the Philippines. The country was a colony of Spain for 377 years. For the last 48 years, it has been under the United States; therefore, they have adopted the American form of government.

Education is not compulsory, which coupled with the average family of six children, the national debt, inappropriate government practices and priorities, and militarization, seven out of ten children are under-nourished.

This is hard to understand in a country that grows three crops per year. Poor government agricultural policies cause this deplorable situation.

The Philippines is a country with no medical services and no social services. They prefer to look after the elderly in their homes so there are no nursing homes available. The elderly are greatly respected in this society.

It is interesting to note it is a matriarchal society where daughters are considered an asset and women have equal status with men.

The address provided us with a better understanding of the Philippines.

Knox Presbyterian Missionary Society in conjunction with societies of other denominations are trying to ease the plight of these people.

OBITUARIES

Wai Chun Chan

A native of China, and respected resident of Morrisburg for the past 23 years, Wai-Chun Chan, died suddenly at Winchester on Sunday, October 14. She was 63 years of age.

Born July 24, 1926, she was a daughter of the late Cori Dog Tam and his wife, Woung Ping Wong. She was married at Bombay, India, in October 1943, to Tung Sang (George) Chan, who survives.

Also surviving are one son James, and his wife Elly of Morrisburg; three daughters: Pauline (Mrs. Jack Hung) of Cornwall, Anna (Mrs. Stanley Lew) of New York, and Tina of Cornwall; and by four brothers and four sisters. She also leaves eight grandchildren: John and Vickie Hung; Albert, Anson and Alex Chan; and Raymond, Danny and Shirley Lew.

Friends were received at the Fairbairn Funeral Home, Morrisburg, where service was held on Wednesday, October 17 at 10 a.m., with Rev. Don Smith officiating. Interment was at Beechwood Cemetery, Ottawa.

Pallbearers were: Thomas Lo, Bing Fong, David Cheung, Wilford Chung, Chris Foo and Wing Ki Liu.
