Council Holds Lengthy Session

The Winchester District Memorial Hospital Board's request for a municipal grant of $20,000 from Winchester village was the main item of business on the agenda of the Municipal Council at its regular meeting, held in the Council Chambers on Monday evening. Discussion on the subject lasted till midnight without any definite decision being arrived at by members of the Board.

The By-Law, which was drafted a few weeks ago, calls for the issuing of debentures for $20,000.00 to be paid off over a 20-year period. This By-Law was handed to the local Member of Parliament, the Hon. Geo. H. Challies, for presentation to the Provincial Authorities at Toronto for consideration. A few days ago, the By-Law was returned to Reeve John Fader, with a letter from Mr. Challies stating that he had received information to the effect that both the Department of Health and the Municipal Board would sanction the By-Law and that the grant could be made, and the debenures issued without a vote of the ratepayers.

At a special meeting of Council, held last week, both the By-Law and Mr. Challies' letter were discussed briefly, and the members decided that before any further action could be taken in the matter, they would like to acquaint themselves with the present financial condition of the Hospital. With this in view, the Hospital Board was asked to provide the Council with a financial statement, covering all receipts and expenditures to date,and showing the amount of outstanding pledges and grants, and the balance on hand. This statement was prepared and Council discussed it at Monday's meeting. As there were several items on the statement which the members did not understand, it was further decided that the Hospital Finance Committee should be invited to meet with the Council at an early date, and give more specific information regarding the Hospital Finances. Until this is done, Council decided not to make any definite decision regarding the grant.

During the discussion, it was quite evident that the Council was unanimous in its decision to give the Hospital Board the grant, as requested, but opinions differed as to whether the debentures should be spread over a 20-year period or if it would be wise to try and finance the grant on a shorter term. Opinions also differed as to whether the debentures should be issued without a vote of the ratepayers, the circulation of a petition or some other form of gaining the ratepayers' opinion in the matter. The majority of the Council expressed themselves in favor of putting the question to a vote by ballot. One member stated that he was willing to have the debentures issued without a vote, while another member of the Board favoured a petition, but if this was not possible, he would support the idea of a vote by secret ballot. Final decision was left in abeyance until the Council had an interview with the Hospital Finance Committee.

During the meeting, Mr. Harold Lannin, one of Winchester's biggest tax payers, if not the biggest now, waited on the Council to offer a suggestion regarding the $20,000 Hospital Grant. He said he had been giving the matter serious consideration and had reached a conclusion, which he wished to offer to the Board, merely as a suggestion. He agreed that a grant shouild be made to the Hospital, but felt that we should not mortgage our future in making it. To issue debentures for $20,000 over a 20-year period at 4%, would mean that the ratepayers would be paying $8000 interest. To avoid this huge sum in interest charges, Mr. Lannin suggested that Council make a straight grant of $5,000, to be paid out of the $6,000 surplus which was shown at the end of 1947. An additional $5000 could be paid by raising the tax rate 6 mills this year, and $5000 paid next year by a similar increase in the tax rate. That would give the Hospital Board a grant of $15000, and there would be no interest charges connected with it, as it would not be necessary to issue debentures. The six-mill increase in taxes for two years, said Mr. Lannin, would possibly be a burden to some of the ratepayers, but times were better now than they will probably be in another ten years, when any levy for this purpose would be a greater burden. He wanted it definitely understood that he was not against a grant for the hospital, but was strongly opposed to long-term debentures. He favoured the shorter term as outlined in his suggestion, and believed it was good business to eliminate the extra $8000 to be paid in interest if at all possible.

The reeve thanked Mr. Lannin for his suggestion and said that Council would give it every consideration when the Hospital Grant came up for discussion.

Other business transacted at the meeting was the passing of Hydro and Municipal Accounts, totalling $3129.80 and $2180.08 respectively.

It was decided to join the Ontario Good Roads Association and the Eastern Ontario Firemen's Association.

The Finance Committee was instructed to strike the roads estimate for the year and have the necessary forms completed and returned to the Highway Department at Toronto.

In reply to a letter forwarded to the Provincial Police Commission at Toronto, Council was informed that Inspector Cousens, of Perth, would call on the Board in the near future and give the members all details concerning the local police situation. In the meantime, Chief Gilbert Raistrick was engaged for the month of February at the same salary as for the previous month.

Applications for Building Permits were made by Messrs. Melvin Dawley and Howard Biccum, both of whom wanted to move buildings to certain lots and transform them into living quarters. The issuing of the permits was deferred until the applicants provided Council with satisfactory plans and specifications.

It was decided not to join the Ontario Municipal Association, but the matter of affiliating with the Ontario Assessors' Association was held over for further discussion.

Councillor Lloyd Dixon gave a report on the Property Committee's information regarding the cost of installing a traffic light at the intersection of Main and St. Lawrence Streets. After some discussion, the Property Committee was instructed to contact Mr. T. O. VanBridger regarding the matter, and take whatever other action was necessary to have the signal installed without delay.

The Town Foreman, Mr. Raistrick, reported that the cost of Garbage Collection for the month of January amounted to $92.51. Council decided that some action should be taken to cut down this expenditure, and the Finance Committee was instructed to study the matter and report back to Council at the next meeting.

The Property Committee was authorized to have the necessary insurance placed on all municipal trucks and machinery.

The meeting was presided over by Reeve John Fader, with the following members present: Councillors Earl Morgan, Sam Ault, Lloyd Dixon and Earl Freeland; the clerk-treasurer, Mr. E. M. Shaver, and the town foreman, Mr. Gilbert Raistrick.

CHESTERVILLE RED CROSS VOTES $1000 TO MEMORIAL HOSPITAL FUND

One thousand dollars was voted to the Building Fund of the Winchester District Memorial Hospital at the annual meeting of the Chesterville and District Red Cross Society, held last week in the Community Hall, under the chairmanship of Mrs. George Merkley. Five hundred dollars was voted to the Medical Fund, which includes the supplying of cod liver oil capsules to Chesterville and District public schools. During the past year nine schools in the district supplied the pupils with cod liver oil.

Authority was given the purchasing committee to buy new blankets and quilts to add to the Emergency Kit in charge of Mrs. Gordon Lannin, R. N.

The treasurer, Frances Moriarity, reported a bank balance on hand of $2,266.00. $500.00 was named as the canvass objective for the 1948 drive.

Mrs. George Merkley was re-elected President for 1948 with the following executive: Vice President, Ronnie Lynch; Secretary-Treasurer, Frances Moriarity; Auditor, R. C. Dillabough; Directors, Mrs. L. H. Doering, Mrs. O. L. King, Mrs. Thos. Moran, Mrs. Violet Leblanc, R.N.; Mrs. Gordon Lannin, R.N.; Mrs. Acil Merkley, Mrs. D. Dillabough to represent Bethune Bush, Mrs. Ron. Fulton, R.N., of Maple Ridge; Mrs. Mac Curran, Limerick; Mrs. Edward Barrett, R.N., Connaught; Mrs. Harold E. Durant, The Boyne.

Ratepayers Will Be Asked Opinion On Hospital Debentures

Prior to the meeting of the Hospital Board on Tuesday, members of the local Municipal Council met with the members of the Hospital Finance Committee to discuss the Hospital Board's request to Council for a grant of $20,000 to be realized from the issuing of debentudes, payable in 20 years. Reeve John Fader presided, with all members of Council present.

Members of the Hospital Committee present were: Messrs. Hart Melvin, Chairman of the Finance Committee; C. R. Robinson, O. V. Stevenson, N. W. Beach and W. J. L. Boyd.

During the meeting, members of the Council asked questions freely, regarding the Hospital Board's activities to date, its present financial condition, and future plans for meeting its financial obligations. Messrs. Melvin and Stevenson and other members of the committee answered all questions without hesitation and to the satisfaction of Council.

During the discussion, it was revealed that the Hospital Board required approximately $22,000 to complete the building, that is, providing all grants and outstandidg pledges were paid in full.

Grants made to the hospital to date include $15,000 from Counties' Council, $3,000 from the Township of of Osgoode, and $36,000 from the Provincial Government. Paid on these grants to date are the following amounts: Counties' Council, $7,500; Twp. of Osgoode, $1,000; Provincial Government, $9,000, leaving a balance of $36,500 yet to be received. Balance outstanding on individual pledges is approximately $17,700. During the month of January $2300 was received on pledges.

Building costs of hospital, with extra amounts for brick and plaster not included in original contract, is approximately $147,500. To date, $67,660.00 has been paid to the contractor, and $4200.00 to the architect. Payments to the contractor run from $16,000 to $27,000 each time, as approved by the architect.

The Council asked the Hospital Committee for definite information regarding the Hospital site. This revealed that the Edgerton site had been purchased for $1500.00 and resold to him for $1250.00, with a donation to the Hospital Board forthcoming. The Ault property was purchased at a cost of $1750.00, of which amount $250.00 was donated by Mr. Ralph Ault, making a net cost of $1500.00.

The question of maintaining the hospital was discussed, and it was felt by the Board that this would be shared by all districts in the Hospital area. The onus of maintenance would not fall on Winchester.

Mr. Melvin pointed out that the feeling towards the hospital was gaining favour every day, and that some good donations had been promised by district residents. When the building is completed, he said, I don't think we'll have much difficulty in getting it equipped.

Members of the Hospital Board assured Council that no further grant would be requested from Winchester if the $20,000 grant was made.

In answer to a query about the tenders, Mr. Melvin stated that several tenders had been received on a "Cost Plus Basis." Only two specified the amount required to complete the Hospital, according to the architect's plans and specifications. The lowest of these two was selected, and it was between $7,000 and $8,000 lower than the second tender.

Mr. Harold Lannin's suggestion, that a grant of $15,000 be made without issuing debentures, by raising the tax rate 6 mills for the next two years, was presented by the Reeve and discussed. Mr. Melvin felt that the idea had its merits but he doubted if it would meet favour with the majority of taxpayers. No decision was reached as to how the grant would be made—it was left in the hands of the Council.

Asked whether the Hospital Board wanted the Council to make the grant without putting the question before the ratepayers, members of the Hospital Board said they did not want to go over the people's heads, and favoured an expression by card or petition through a canvass. No legal vote is necessary to issue the debentures, according to information received from the authorities at Toronto. However, both the Council and the Hospital Board agreed that the ratepayers should be given an opportunity to express their opinions in the matter.

The meeting was friendly throughout and showed that a spirit of co-operation existed between the Council and Hospital Board, and that all must unite to see that the Hospital project is brought to a successful conclusion.

Mr. Beach pointed out that it was through this same spirit of co-operation that Winchester had one of the finest skating rinks in the district, the best Public School building in Eastern Ontario, and a fine Hotel building.

At the close of the meeting, Reeve Fader thanked the members of the Board for their co-operation, and this was reciprocated on behalf of the Finance Committee by Mr. Melvin.

Council Makes Decision

Following the meeting, the Council met in the clerk's office and passed the following motion:

"That if the Hospital Board will canvass all ratepayers and present to the Council cards, signed by the ratepayers showing that the majority are in favour of the Council issuing debentures to the value of $20,000, payable in 20 years, the Council will then take the necessary steps to issue the debentures without a vote of the people. The cards used, to be submitted to the Council for approval."

FENNELLS AND AULTS WIN INDUSTRIAL LEAGUE GAMES

In the first game of last Friday's Town League Hockey doubleheader, the Fennell Feed Company team outscored the Melvin Motors sextette 7-3, while Ault's Creamery defeated the H. S. Lannin Limited team 7-2 in the second game. In spite of the frosty evening, there was a fair attendance at the games and the collection, taken in aid of the Memorial Hospital, amounted to $16.00.

Tre Fennell victory over the Melvin team was their third consecutive win and leaves them leading the league. Max Boyd and Ed. Fawcett led the scorers for the Fennell team with two goals each, while Lloyd Kenney, Bob Anderson, and Bill Scott each scored once. Gord. Fader, Ran. Wylie and M. Duvall counted for Melvin Motors.

In the second game Harold "Pa" Keyes and Chubby Casselman dented the twine twice for Ault's Creamery, with D. Levere, H. Harper and W. Cross scoring one each. Cliff. Churchill and Cecil Thomas were the sharpshooters for the Lannin squad.

Personnel of the teams were:

Fennells—Goal, G. Workman; def., L. Kenney and R. Anderson; centre, E. Fawcett; wings, G. Elliott and R. Cooke; alternates, W. Scott, F. Lobb, M. Boyd.

Melvin Motors—Goal. R. Barkley; def., M. Duvall and D. Melvin; centre, D. Harper; wings, R. Wylie and G. Fader; alternates, R. Durant, L. Dixon and F. Marquette.

Aults—Goal, S. Ault; def., R. Desjardin and S. Corry; centre, D. Levere; wings, H. Keyes and E. Desjardin; alternates, G. Bell, C. Casselman, H. Harper, W. Cross, A. Hogaboam, N. Hutt, R. Earl.

Lannins—Goal, N. Utman; def., D. Lannin and B. Brown; centre, C. Thomas; wings, D. Christie and H. Dillabough; alternates, C. Churchill, B. Brown, L. Holmes.

Referees—Ron. Stevenson and Ron. Workman.

POSTMASTER PRAISED

Postmaster C. R. Bouck, of Iroquois, has been cited for loyalty beyond the call of duty in the official post office bulletin, as a result of his action in saving alll undelivered mail, post office valuables and office fittings from a fire which destroyed the business block in which the office was located recently. Included in the citation were rural mail carriers W. Seeley and F. I. Shaver, who assisted Mr. Bouck.

Mr. W. R. Justus Makes $600 Donation To Hospital

The latest donation to the Winchester District Memorial Hospital Fund is a cheque for $600.00 from Mr. William R. Justus, prominent Smiths Falls business man, and a former resident of Winchester. The donation was made over the week-end and is earmarked to help furnish a ward when the hospital building is completed. Mr. Justus presented the cheque, following a talk with his brother, Dr. Howard Justus, of Chesterville. During the conversation he said he would be willing to make a further donation later on if it was needed.

Mr. Justus is a son of Mrs. Richard Justus, of Winchester.

As a mere youth, he became interested in electricity and electrical appliances and after a time opened an electrical store here, taking on the agency of the General Electric Company. Not content with operating the store, he purchased some machinery and leased the building at the rear of the local hotel for the purpose of manufacturing electric rangettes, hot plates, etc., giving employment to a staff of about 15 men and women. This venture was a success and soon he found that his plant here was not adequate to meet his manufacturing needs. About six years ago he moved his plant to Smtihs Falls where he purchased a larger building and operated under the name of The Justus Electric Company. There he expanded his business, and in addition to electrical goods, he manufactured sheet-metal products, such as metal tool boxes, fishing tackle boxes and strong boxes, and handled a number of government contracts for war supplies. He operated the plant in Smiths Falls for four years with great financial success.

In August 1945 he sold the plant to his factory superintendent, Mr. Mac. Summers, who still operates it under the firm name of Summers Industries Limited.

After disposing of his plant, Mr. Justus spent a few months in the United States. On his return to Smiths Falls he purchased another property and started back in the manufacturing business under the firm name of "The Falls Manufacturing Company," specializing in filing cabinets, toys, and other sheet-metal products.

Recently he purchased one of the finest business blocks in Smiths Falls and today is one of the biggest property owners in that town.

As a business man, Mr. Justus' success has been phenomenal. Few men have acheived the same measure of success in a few short years.

While no longer a resident of Winchester, it is good to know that Mr. Justus still has an interest in his home town and is anxious to see local undertakings succeed. To say the least, the Hospital Board certainly appreciates that $600.00 donation and the spirit with which it was given.

Hospital Board Met On Tuesday

The regular monthly meeting of the Board of Directors of the Winchester District Memorial Hospital was held in the Council Chambers on Tuesday evening, with Mr. Wilfred Porteous presiding in the absence of the chairman, Mr. Walter C. MacDonald, due to illness.

There was a good representation of directors present and many routine matters were discussed.

During the meeting, the decision of the Winchester Municipal Council, regarding the Board's request for a $20,000 grant, was handed in by Reeve John Fader. This was acceptable to the Board and appreciation was extended to the Council for their co-operation in the matter.

Mr. O. V. Stevenson presented a treasurer's report, which stated that $1000 had been received from the Chesterville Red Cross, $600 from W. R. Justus, of Smiths Falls, and $950.00 from Winchester Red Cross, which is earmarked for equipment for the nursery, and the unit had promised to undertake to raise additional funds necessary for the full equipment.

Pledges paid during the first month of the new year had amounted to $2300.00, and the balance on hand at the end of the year was $8,173.00.

Wallace Carkner, of Kenmore, reported on the appeal made for a grant to the Carleton County Council, and said it was receiving the consideration of that body.

Leroy Berry, of South Mountain, said that some felt that the hospital was not large enough for the area, but was assured by Dr. W. M. Byers that it would be sufficient to meet the needs of sick and injured patients, and there was no intention on the part of the board or the medical association to allow the hospital to become a chronic institution. Dr. Justus, of Chesterville, reported on the matter of medical equipment.

Mr. N. W. Beach moved that the full financial statement should be published in all the local papers along with the notice of the annual meeting of the subscribers, which will be held in the town hall, Winchester, on the night of the first Tuesday in March at 8 o'clock.

The board will give a full report of their work, and elect directors to replace E. B. MacMillan, of Chesterville; Wilfred Porteous, Vernon; George McCaffrey, Russell; W. R. McMenomy, Mountain; George M. Peterson, Brinston; N. W. Beach and Hart Melvin, Winchester, and Walter Carruthers, of Williamsburg, whose terms have expired.

OBSERVED 69th WEDDING ANNIVERSARY

Mr. and Mrs. Robert Henderson, highly respected citizens of this place, quietly observed their 69th Wedding Anniversary at their home on Dufferin Street on Friday, January 30th. They received many congratulations and good wishes from a host of relatives and friends.

Mrs. Henderson is 94 years of age and is enjoying good health with the exception of her eye-sight. She is a member of the Anglican Church and has taken an active part in all church work.

Mr. Henderson is 93 years of age, is quite active and enjoying excellent health. He was an ideal farmer in his younger days.

Members of their family are: Mrs. George Kirkwood and Mrs. Harvey Smith, of Winchester Springs; Mrs. Kenneth Hutt, of Maple Ridge; Mrs. E. Davis, of Montreal; John E. and William Henderson, of Winchester. Their third son, Wesley, died a few years ago. They have 15 grandchildren and 23 great grandchildren.

WHO SAYS SMALL HOSPITALS DON'T PAY THEIR WAY?

For the benefit of those citizens who are of the opinion that the small hospital does not pay its way and will become a liability to the municipality where it is located, may we point out a few facts about the hospital in Almonte, which is similar in size to the Winchester District Memorial Hospital. In the financial statement of the Almonte Hospital, just issued, a credit balance of $585.08 is shown for the year 1947. This, notwithstanding the fact that $5000.00 was expended for the purchase of a building to be used as a nurses' residence, and extra expenditures for a new refrigeration plant and heating system.

While the Almonte Hospital received a donation of $400.00 from a service club and sold a general investment Bond amounting to $3413.75, which are shown as receipts, these extras do not offset the extra amount spent for the nurses' residence, etc. All summed up, the amount of money received in government grants and from paying patients, was more than sufficient to maintain the Almonte Hospital during the year 1947, as far as ordinary expenses were concerned. Leaving out the capital expenditures and the extras shown in th receipts, the credit balance would be approximately $3500.00.

"BUSINESS IS PEOPLE"

The old slogan "Business is Business," is giving way to a new one, "Business is People," if one can judge from discussions which go on at business gatherings.

Take the storekeeper, whether he operates a corner grocery or a mammoth department enterprise—he is the point where all business meets, all production comes to him and funnels through him to the public.

He has to make a shrewd assessment of what people will buy and at what price—he must understand the whims and wishes of the thousands who come to his counters. His conclusions decide what he will buy from the producer.

Just now he is a little worried about consumers. He thinks that the day is passing fast when the consumer will take almost anything, as in wartime, that he is becoming choosy both as to article and price.

After the storekeeper has stocked his shelves, he must attract the public through his doors, which he does variously through advertising, promotion, or a record of fair dealing.

At a recent conference of the Canadian Retail Federation in Toronto, some questions asked were: "How about store policy?" Have you a guarantee Do you exchange goods with a smile and are you pleasant when a refund is demanded."

The storekeeper has another human problem—his contact with the public is through his sales people. A lot of money is being spent these days to get the right kind of sales people, to keep them happy and interested and to make them good public relations officers.

And so it boils down to a matter of knowing and understanding people, what they want, and how to treat them, for "Business is People."

WHAT IS A BOY?

Young people of all nations are the world's best assets, though they have not always been so considered. Only a hundred years ago a boy of eight was hanged in England for what would now be considered a trivial offense. The change toward young people during the intervening years has been recorded in new laws for their protection and the revision of old ones providing for education, hours of work, physical development and health.

Condulet, a Toronto publication, answering the question "What is a Boy?" says:

He is the person who is going to carry on what you have started.

He is to sit right where you are sitting, and when you are gone, attend to those things which you think are important.

You may adopt all the policies you please, but how they will be carried out depends on him.

Even if you make leagues and treaties he will have to manage them.

He is going to sit at your desk in Parliament and occupy your place on the Supreme Court bench.

He will assume control of your cities, provinces and nation.

He is going to move in and take over your churches, schools, corporations and universities.

All your books are going to be judged, praised or condemned by him.

All your work for him and the fate of all nations and humanity is in his hands.

So, it might be well to pay him some extra attention.

MY TOWN

My town is the place where my home is founded, where my business is situated and where my children are educated, where my good neighbours dwell, where my life is chiefly lived. It is the home spot for me, and has the right to civic loyalty. It supports me and I should support it. My town wants my citizenship, not my partisanship, my friendliness, not my dissention, my sympathy, not my criticism, my intelligence, not my indifference. My town supplies me protection, trade, friends, education, schools, churches and the right to free moral citizenship. As some things are better than others, the best things I should seek to make better, the worst things I should help to suppress.

ABOUT THE BIBLE

We heard a sermon on the Bible last Sunday, and while listening, the question went through our mind as to how many chapters and words there were in the Good Book. After a little research we discovered that in the King James Version of the Bible there are 1,189 chapters and 773,692 words. No, we didn't count them. Thought this information would be of interest to our readers who are Bible readers, are you interested? Do you know why some words in the Bible are printed in italics? Well, the words in italics are words that were not in the text of the original languages from which the King James Version was translated. Whenever words had to be supplied to make sense in English and, occasionally to make sense in the original text, the King James translators, to be honest with the reader, supplied the words in italics.

FIVE FEBRUARY SUNDAYS

For the first time since 1920, there will be five Sundays during the coming month of February, and before that there had been no other five-Sunday Februarys from 1880. If 1900 had been a leap-year, the five-Sunday February would have happened in 1908, but the one day that dropped out then put the five-Sunday event off for 12 years. Since 1880 there have been only five-Sunday Februarys, in 1824, 1852, 1880 and 1920.

QUOTE FROM YESTERDAY

Nothing is so galling to a people, not broken in from birth, as a paternal, or in other words, a meddling government, a government which tells them what to read and say and eat and drink and wear.—Macaulay.

A Communist candidate in Toronto seeking labor support was told by a number of labor organizations that so far as they knew, he had never performed a day's useful work in your life." That might also be said of a good many other Red agitators and trouble-makers, comments the Brockville Recorder and Times. We agree!

Good Citizenship lies in the recognition of the Christian precept, "Thou art thy brother's keeper," and in its practice by aiding to the best of one's ability in the building up of a neighborly spirit in the community. This is exactly the basis of local government, whose enactments are necessary for the orderly conduct of the social and physical advancement of the community life. The test of good citizenship is in living up to the spirit of local government.

"Murder, destruction and sudden death so dominate the front pages of the daily press and the radio broadcasts these days that it might be supposed that the public relished such news. If our country doesn't promote a menu of tragedy, the whole world from China to Peru is scoured for reports of fatal fires, motor accidents, aeroplane crashes and crime," remarks the Orillia Packet and Times. And the press is not the only offender. Radio should clear its channels of most of its mystery stories in which there is usually a murder or two.

NOT JUST YET
(Ottawa Journal)

In Toronto elections, Mayor Saunders trimmed his only opponent, an apostle of revolution, by more than 100,000 votes. Toronto is not yet ready to hoist the red flag.

TOWARDS A FALL
(St. Thomas Times-Journal)

Another and briefer way to word President Truman's declaration that American prosperity is riding a "wave of inflation" toward the peril of a "serious" business slump is simply to say "riding for a fall."

IT PROBABLY WILL
(Port Arthur News-Chronicle)

The hint has been dropped that when television comes to Canada, the $2.50 license fee will be raised. Will this include districts which cannot get television after the manner of taxing Fort Frances district people for CBC radio programmes they cannot get?

AND IT'S STILL THERE!
(Petrolia Advertiser-Topic)

A Canadian meat packer explains that one reason for the high cost of pork is that considerable of the carcass is unusable. This is at variance with a placard we read in a Chicago abattoir some years ago: "Nothing lost but the squeal." A few years later even the squeal was filtered into the radio and emerged as static.

TWO PENSIONS
(Calgary Herald)

A former Alberta teacher with more than 25 years' service in this province, now lives in retirement in Victoria. Each month he receives a pension cheque of $40. His next-door neighbour is also retired on pension. He worked as a laborer for the city of Victoria. His pension cheque is $85 a month.

THEY SHOULDN'T COMPLAIN!
(Brockville Recorder & Times)

M.P.'s at Ottawa have been shocked to find increased prices in the Parliamentary restaurant. With the $2,000 tax-free extra salary they voted themselves, they ought to be able to bear this extra drain on their pocket-books even as many private citizens denied such relief have to do these days.

CHUMMY SMALL TOWNS
(Brandon Sun)

There is something chummy about the small town which residents of big cities, who mostly have come from them, miss. It is a bad miss, too. Returning for a holiday is refreshing. You meet everybody and everybody knows each other. The atmosphere is fraternal and almost affectionate. The worries they invent in dense cities are not frequent in less populated more human towns, and that is their good fortune. Peace and security exude from the people themselves and good fellowship and good neighborship solve more than half of your troubles.

THE RIGHT MAN
(Cornwall Standard-Freeholder)

There's a story going around about a young boy who swallowed a nickel. Attracted by the mother's frantic screams, a passerby ran in, seized the boys by the heels, and with a few shakes, brought forth the coin. You certainly knew how to get it out of him," said the mother. "Are you a doctor?" The man smiled. "No, madam, I am an inspector for the Department of National Revenue."

INITIATIVE NEEDED
(Pembroke Standard-Observer)

Organized recreation can be a fine thing; it can develop character; it can keep youngsters with a predilection for delinquency out of trouble, but it should not under any circumstances destroy initiative in boys and girls; it should not give them the idea that everything is going to be done for them and then they have no responsibility of their own. If it does that, it destroys its whole purpose.

SHAW'S INCOME
(Boston Post)

For a play he wrote in 1903 and first staged in 1905, George Bernard Shaw is now collecting a $4,700 weekly royalty as the drama's revival continues to prove a box office hit. At 91 he still commands an income that must amaze others in England. There have been more popular dramatists and writers than Shaw during his seemingly ageless career, but few can point to a greater monetary success, decade after decade.

YOU SAID IT!
(Almonte Gazette)

Religion is responsible for some queer practices. When Gandhi, the old Hindu lawyer, the mahatma, went on a fast his followers were so impressed that they did whatever he asked of them. Now if Premier King or Premier George Drew were to try something of that kind, they would be told to starve, jump in the lake or do anything else that they wished. But no one who didn't see eye to eye with their policies would be won over by their abstinence from food.

Wife (to husband): "I just overheard the best news about the house we're having built. One of the carpenters told another that the whole thing is being constructed with green lumber. Isn't that grand? Now we won't have to buy all that green paint."

WELL ATTENDED BARN MEETING

There was an excellent attendance of 105 at a Barn Meeting, held January 21st at the farm of W. J. Fawcett, Winchester, sponsored by the Dundas County Holstein Club. Club President J. Frank Casselman, Chesterville, was in charge, assisted by Fieldman R. Grant Smith, Brockville.

A judging competition was held under the supervision of R. Grant Smith and Stewart W. Fisher, Vernon. The winners were: 1st, Woodrow Holmes, Winchester; 2nd, Dwight Marcellus, Iroquois; 3rd, Keith Gregg, South Mountain.

R. Grant Smith led a discussion on the importance of devoting considerable care to the selection of a herd sire and drew attention to the strict necessity of keeping accurate breeding records.

The host, W. J. Fawcett, who is a National Director of the Holstein-Friesian Association, urged the breeders to take a keen interest in their breeding program and in the affairs of the Association. He felt that it to attend the Annual Meeting of the would be beneficial to all breeders Association which will be held in Toronto on February 4th.

A duet was sung by Bobby and Jean Wilkes; two solo numbers by Lois Porteous, and a monologue by Mrs. Clifford Wilkes.

W. M. S. PRESBYTERIAL HELD ANNUAL MEETING HERE

The annual meeting of the Women's Missionary Society of the Dundas Presbyterial was held in the local United Church on Wednesday of last week, with a good attendance of delegates present. Reports of the several officers indicated a year of progress, both in finances and increased membership.

Three new baby bands had been organized at Heckston, Mountain and Elma, and there were increases in membership in practically every affiliated society. Thirty-one of the 40 auxiliaries had increased givings and the total raised for missions in the Presbyterial amounted to $9,090.54, which was $925 more than that of last year's report.

Mrs. W. S. L. Merrill, of Morrisburg, told of the work being carried out at the school for leaders at Edgehill, and said that the new dean of the school would be Mrs. William Yindall, of Montreal, upon the retirement of the present dean, Mrs. David Carson, of Ottawa.

The Presbyterial will meet in Chesterville early in May when Mrs. G. W. Irvine, of Williamstown, the conference branch president, will be the special speaker.

The following are the secretaries of the different departments who reported to the meeting: Christian Stewardship, and Finance, Mrs. Geo. Carlyle, of Mountain; Mrs. Alfred Byrd, of Mountain, who reported increased numbers of affiliated C. G. I. T. groups; Mission Bands, Mrs. Arthur Moorehouse, Mountain; Baby Bands, Mrs. Lyle Hess, of Heckston; associate members, Mrs. Gordon Mulholland, South Mountain; supply, Mrs. Fred Cleary, Spencerville; Mrs. Clifford Robinson, of Winchester Springs, assistant supply secretary, who told of parcels being sent to the Church of All Nations, Montreal, to China, Korea and Japan; finance, Mrs. Hugh Adams, Johnstown; literature and press, Mrs. L. M. Somerville; Missionary Monthly and World Friends, Mrs. Russell Crowder, Winchester; temperance and Christian stewardship, Mrs. Byron Newman, Spencerville; intercessory prayer, Mrs. P. Cumming, Hallville; treasurer's report, Mrs. Earl Brown, Ventnior; secretary, Mrs. Douglas Hanson, Brinston.

Other officers of the Presbyterial are: First vice president, Mrs. Arnold Dulmage, Kemptville; second vice president, Mrs. H. E. Reddick, Morrisburg; third vice president, Mrs. J. S. Saunders, Prescott; fourth vice president, Mrs. W. A. Hanson, Brinston; corresponding secretary, Mrs. Oscar W. Wallace, Winchester; members without portfolio, Mrs. A. B. Allison, Winchester; Mrs. Herbert VanAllen, Iroquois.

IN MEMORIAM—In loving memory of Malcolm Jennings, who passed away February 6th, 1944.
We cannot forget his smiling face,
His carefree, happy ways;
The smile that won so many friends
In those happy, bygone days.
If all the world was ours to give,
We would gladly give and more
To see the face of Malcolm
Come smiling through the door.
—Ever remembered by Father, Mother, Brothers and Sister. 38p

IN MEMORIAM—In loving memory of a dear husband, Hamilton Black, who passed away February 5th, 1946.

1929 Gas Prices are Up — 1948 but MOTORCOACH FARES ARE STILL THE SAME!

IT'S a record in these days of rising costs . . . our FARES IN CANADA are still the same as in the 1920's!

For nineteen years we have absorbed increasing costs (gas, tires, rolling stock, repair parts, labour, etc.), without increasing fares to the public!

Careful efficiency, coupled with enormous growth in the number of people carried by motorcoach, has made this possible . . . and travellers in Canada benefit today.

Motorcoach fares are approximately ⅓ the cost of driving your own car, and noticeably less than those of other public transportation!

So, travel by motorcoach. See more! Save more! Enjoy the convenience and comfort of modern de luxe coaches!

OBITUARY

LATE MRS. ALEXANDER TAYLOR

The whole town was saddened on Thursday evening when it was learned that Mrs. Alexander Taylor had passed away in Toronto Western Hospital. She was in her 36th year.

Mrs. Taylor had undergone a serious operation the previous Friday, and was recovering satisfactorily when complications set in, from which she did not rally, and she passed away about 5.30 Thursday evening.

The late Mrs. Taylor was formerly Norma May Gagnon, only daughter of Mr. and Mrs. Peter L. Gagnon, of Durham, and she was one of the town's most popular young ladies. With the exception of a period at Branksome Hall and Normal School, Toronto, Mrs. Taylor had spent her whole life in Durham.

Her qualities of leadership were well known. She gave her musical talents freely. For some years she was in charge of music in Durham Public School, and was also for some time a valued member of the teaching staff in the Primary room. She was leader of the Junior Choir of Knox United Church, and active in the Mission Circle, the Choir and the Evening Auxiliary. Through the war years and since, Mrs. Taylor had been active in Junior Red Cross work. Mrs. Taylor was also on the Board of Directors of the Durham Furniture Company.

On Christmas Day, 1942, she was married to Alexander Taylor, who, with the sorrowing parents and her 15-months-old daughter, Mary Louise, have the sympathy of the whole community. A son, Peter Robert, died in infancy, and a sister, Anna Belle, died when quite young.

The funeral was held on Monday afternoon with a private service at the home of her parents, Mr. and Mrs. Peter L. Gagnon. Rev. A. W. March conducted the service at the home and at Knox United Church, where he spoke on the subject "Faithfulness," which, he said, was one of the many qualities characteristic of Norma. Rev. P. W. MacInnes offered prayer at the home and assisted at the public service. The church and basement were filled with mourning friends and the stores and schools were closed during the hour of the funeral out of respect for the deceased and the sorrowing families.

More than one hundred wreaths, baskets and sprays were banked about the casket as a silent tribute from friends to the memory of the deceased.

Interment was made in the family plot in Durham Cemetery.—(From The Durham Chronicle).

LATE HARRY SCEE

Stricken ill while at work in his barn, Harry Scee, prominent farmer of Redwood, N. Y., passed away on Saturday, January 24th. Mr. Scee had been in his usual health and had gone to do the morning chores. When he did not return in time for dinner, his wife got alarmed and going to the barn found him dead. The doctor was called, and it was found that the man had suffered an acute heart attack and had been dead about two hours. The deceased was in his 70th year.

Besides his wife, the former Edith Baker, of Winchester, he leaves one son, Max Scee, of Washington, D. C.; three grandchildren and two great grandchildren.

The funeral was held on Tuesday afternoon at his late residence and was largely atttended by many relatives and friends who came to pay their last respects to one who was highly esteemed in the community.

A number of beautiful floral tributes graced the casket and expressed kindly sentiments to those who mourn. Interment was made at Dexter Cemetery.

Friends from a distance who attended the funeral were: Mr. Herbert Baker, Mr. and Mrs. Arthur Baker, of Williamsburg; Mr. Glen Baker, Brinston; Mrs. Silas Bellinger of Winchester; Mr. Max Scee, of Washington, D. C.; Messrs. Gilbert, Harry and Dick Whalen and Joe Holbert, of Norwood, and Mr. and Mrs. Frank Lukese, of Watertown.

FUNERAL OF THE LATE MR. GAWEN CHRISTIE

The funeral of the late Mr. Gawen Christie was held on Thursday afternoon last, with service at the home, conducted by Rev. Wallace MacKinnon, pastor of St. Paul's Presbyterian Church. During the service, Mrs. R. J. Empey and Mrs. Hugh Wilson sang: "Beyond The Sunset."

Mr. Christie, who was in his 64th year, passed away on Tuesday of last week.

Interment was made in Maple Ridge Cemetery. The pall bearers were Messrs. Robt. Geggie, Herb. Allen, Ernest Brown and Harold Link.

Testifying to the high esteem in which the deceased was held were the following floral tributes:

Gates AJar—Family.

Double Spray—Mr. and Mrs. Chas. Hunter, Mr. and Mrs. Ken. Hunter and family, Mr. and Mrs. Bruce Barkley and family.

Pillow—Mr. and Mrs. Geo. Smith and family.

Spray—Mr. and Mrs. Robt. Geggie and Mr. and Mrs. Jake Ross, Mr. and Mrs. S. Bellinger and Mr. and Mrs. Herb Allen, Mr. and Mrs. T. L. Brown, Mr. and Mrs. R. H. Hutchinson and boys, Mr. and Mrs. Reg. Strader, Mr. Donald Strader and family and Mr. and Mrs. Herman Strader, Mr. and Mrs. Harvey Smith and Miss E. Durant, Mr. and Mrs. Orton Deeks and family.

Basket—Mrs. Fred Beckstead and family.

Cut Flowers—Mr. and Mrs. Clark Curtis, Mr. and Mrs. Harold Harper and Mr .and Mrs. Howard Summers and Elaine.

MR. J. E. WOODS AGAIN HEADS METCALFE FAIR

The Metcalfe Agricultural Society held its annual meeting in the township hall on Saturday, January 24th, with a large attendance. For the first time in some 43 years, President J. E. Woods was unable to attend and the chair was taken by H. C. Latimer, first vice president.

Reports of an encouraging nature were given. The treasurer's report by Mrs. W. J. W. Woods showed prize money totalling $2,993.02 had been distributed. General prize awards amounted to $2,421.52, and prizes paid in goods, $128.35.

The field crop competition is to be held again in 1948 for potatoes, corn and grain.

C. O. Dow and W. R. Loney were appointed delegates to the district convention to be held at Vankleek Hill, and Stewart Whyte and Alex J. Campbell, Toronto convention delegates.

The election of officers resulted as follows: J. E. Woods, president; H. C. Latimer, first vice president; Wm. E. Craig, secretary; M. S. Woods, R. Loney, second vice president; J. treasurer.

Directors: J. D. Cameron, Ray Wilson, D. M. Stewart, W. R. Stanley, W. R. Loney, A. C. Blair, S. White, J. A. Waddell, A. M. Cameron, Robin Campbell, Allan Johnston, Edgar Craig, John Hughes, Emmett Stapleton, J. L. Dowser, C. Q. Dow, Dr. D. Cherry, Fraser Hurdman and Arthur Fetterly. Dates set for the Fall Fair this year were September 17 and 18.

WINCHESTER TWP. COUNCIL

The regular monthly meeting of Winchester Township Council was held in the Town Hall, Winchester, on Monday, February 2nd, 1948, with the reeve, Mr. J. A. Bogart, in the chair. The minutes of the last regular and special meetings were adopted as read and signed by the reeve.

The petition of ratepayers in the Merkley-Kendrick drain praying that the same be repaired, was accepted by council, and the clerk was instructed to refer the petition to the Engineer, Mr. W. H. Magwood, for consideration and report.

Council decided to pay a bonus of $2.00 on each fox killed within the Township of Winchester, after claimant takes his oath to that effect.

By-law No. 742, a by-law to appropriate $25,000 for expenditures on roads and bridges in 1948, was finally passed, signed and sealed.

Mr. H. E. Durant, deputy-reeve, was appointed the township representative on the Nation River Conservation project.

The following accounts were passed and paid:—Roads and Bridges, $1,118.48; Drainage, $255.15; Relief and Charity, $102.15; Miscellaneous, $20.00.

Council adjourned to meet in Morewood on Monday, March 1st, at 10.30 a.m.

BARN MEETING SERIES COMPLETED

Final barn meeting in a series of four arranged by the Dundas Holstein Breeders' Association, was held at the farm of Angus Smith, Chestervile, on Wednesday last, with 75 breeders in attendance.

Chairman at the meeting was J. Frank Casselman, association president, while Grant Smith, association fieldman, of Brockville, was in charge of the judging.

Guest speaker was Ray Wilson, of Kenmore, vice president of the Canadian Holstein-Friesian Association, who urged all members to become more and more soil conscious. He advised them to submit samples of soil to agricultural colleges for analysis as a step towards ensuring a good crop for next season.

Other speakers included W. J. Fawcett, of Inkerman, a winner of a herd prize at the Royal Winter Fair, Toronto, and Mr. Smith.

Prize winners at the afternoon judging competition were: Gordon Fawcett, with 99 points; Lorne Brooks, 93 points; and Gordon Merkley, 88 points.

Other meetings had been held previously at Brinston, Bouck's Hill and Winchester.

(By Allen Davidson)

Winchester Defeated by Morrisburg

The Morrisburg Collegiate Institute sextette turned back the Winchester High School senior hockey club by the score of 3 to 1 in Morrisburg. The game was closely contested, with Morrisburg getting the edge in the first period and holding it throughout the game. Art Flynn scored what proved to be the winning counter in the first period on passes from McGee and Ing. The remaining two goals were scored by Ron. Casselman, assisted by Stitt and Lynch. Gord. Helmer and Hugh Stewart combined to score Winchester's lone goal in the third frame, with Gordon flashing the light. Only three penalties were handed out in the game, to Marshall, Helmer and McGee. The line-ups were:

Morrisburg—Goal, Innes; def., Crober and Fraser; centre, Stitt; wings, Casselman and Lynch; subs., Connor, Clarke, Flynn, McGee, Ing.

Winchester—Goal, Feltham; def., Marshall and Carkner; centre, Helmer; wings, Stewart and Hutt; subs., Barkley, Duncan, McIntosh and McKercher.

Officials—Ron. Stevenson and Jack Deeks.

School Hockey

Paced by Chuck Bowden, who again scored three goals, the W. H. S. Whiz-z-z Bangs gained a 6-2 victory over the W. H. S. Rinky-Dinks. Penalties proved costly to the Rinky-Dinks as Wilf. Bilow got two and Robert Watts one. Goals were scored against the short-handed team. Eldon Bailey, Jack Wilson and Mr. Fisher completed the scoring for the Whiz-z-z Bangs, while Wilf. Bilow and Raymond Dawley scored for the losers.

Public Speaking

Parents of students competing in the Lower School Public Speaking Contest, Friday, February 6th, at 1.30 p.m. in W. H. S., are cordially invited to attend the program.

OSGOODE W. I. MEETING

The regular meeting of Osgoode W. I. was held at the home of Mrs. H. Boyd. Mrs. D. Blair presided, with the assistance of the secretary, Mrs. B. Bower. Roll call was answered with a New Year's Resolution. 18 members were present.

Mrs. W. McCallum, the district president, addressed the gathering. She spoke on the resolutions the W. I. members should keep in everyday living. She closed with a poem entitled "Yesterday, To-day and Tomorrow."

Mrs. A. Nixon, the treasurer, reported $81.96 on hand. A reply was read to a letter of thanks sent to the CBC for their programme, "Kindergarten of the Air." Literature was passed out on the Canadian Association of Consumers."

It was decided to hold over the business of the Carleton Co-operative Medical Care until the next meeting to give more people a chance to study up the plan. It was reported that the C. P. R. engineer had been out and measured the tracks, with regard to having a wig-wag installed. The town trustees and the W. I. have been working on this for some time. The W. I. agreed to assist the South Carleton Legions with a T. B. Chest Clinic to be held in the spring.

The topic for the evening was Publicity, by Mrs. Bower. A committee of Mrs. L. Hawkins, Mrs. E. Stinson, Mrs. Rodger and Mrs. Bower are to plan for the social evening on February 24th, when the W. I. members entertain their husbands or friends.

Lunch was served by Mrs. Boyd, Mrs. Blair, Mrs. S. McCallum and Mrs. Bower.

Mrs. T. Hawkins moved a vote of thanks.

SOLOIST

Winner of the "Singing Stars of Tomorrow" contest, last spring, Marie Jose Forgues, of Montreal, will be guest soloist on the Northern Electric Hour on Monday, February 9. The young artist, who is often referred to as "The Deanna Durbin of French Canada", will be accompanied by Paul Scherman and his concert orchestra. The Northern Electric Hour is heard weekly over the CBC's Trans-Canada network.

NEWS OF VALUE TO PIANO OWNERS

The musical qualities of the piano depend almost entirely upon the accuracy and excellence of the tuning and proper condition of its action. A very ordinary piano, when put in fine condition by an expert tuner, is more valuable as a musical instrument than the most expensive type, when out of tune or in need of action regulating. Fred Johnson, of Pembroke, has had wide experience in this profession and can guarantee the utmost satisfaction.

"I am often asked," he said, "about the care of a piano, and my experience is that an instrument should be tuned and demothed twice a year, namely in the spring and fall. The care of the keys is important. These should be cleaned, with a damp cheese cloth weekly, which will prevent them from becoming discolored.

After the piano has been demothed and cleaned, a good moth repellant should be kept inside the case, but on no account should a piano be sprayed, as some moth sprays leaves a sticky residue, which might injure the action, damage the wires, the metal parts and the tuning block of the instrument.

The humidity of the air affects all pianos; extremes of moisture should be avoided. A very dry and hot atmosphere will crack the varnish, warp the wooden parts, crack the sound-boards and cause parts to come unglued; on the other hand, too much moisture will rust the steel parts and strings. The "happy medium" is the condition to be desired.

"Mice should be kept out of the piano," Mr. Johnson said. "Often I have discovered that they have eaten a complete set of bridle straps, the absence of which causes the blocking of hammers and sticking of keys."

One very important thing to remember is that a piano should not be placed near a hot air register or hot water radiator as this causes a piano to go out of tune, also the warping of the veneer. Again, a piano should not be placed against an outside wall.

During the winter months, only, where a house is affected by dry heat, it is advisable to place a quart sealer of water inside the bottom of the piano behind the front board. The sealer should be checked monthly and refilled when necessary.

VESTRY MEETING AT SOUTH MOUNTAIN

The annual Vestry Meeting of St. Peter's Anglican Church, South Mountain, was held at the home of Mr. and Mrs. E. Marriner on Wednesday, January 28th, at 8 o'clock, with the Rector, Rev. Leon B. G. Adams, presiding.

After the meeting had been opened with prayer, the minutes of the last Vestry were read by Mrs. M. Black, who was elected Vestry Clerk for 1948.

The treasurer, Mr. Rufus Keyes, reported on the receipts and expenses for 1947, showing a small balance on hand at the end of the year with all obligations within the parish and diocese met in full. Mr. Keyes was re-elected treasurer for 1948.

The report of the Ladies' Guild was given by Mrs C.. Marriner. The Wardens expressed the appreciation of the congregation to the Guild for the fine work done during the year.

Mr. Rufus Keyes was re-appointed Rector's Warden for 1948, and also Lay Delegate to the diocesan Synod with Mr. E. Marriner as substitute. Others elected were: People's Warden, Mr. E. Marriner; Auditors, Mr. T. Canning and Mr. W. Sommerville.

The Vestry decided that the Rector's stipend be raised and also that St. Peter's share in the cost of fuel for the Rectory and telephone maintenance. The insurance on St. Peter's Church is to be raised from $2500.00 to $4000.00.

The Rector reported that in 1947 there were 39 public services of which 18 were celebrations of the Holy Communion. Also there were 3 infant Baptisms, 1 Marriage and 1 Burial.

THE GREAT CIGAR BUTT MYSTERY!

Who's filching a senator's half-smoked cigars and replacing them with shorter butts? Be sure to read George Dixon's entertaining account of this hilarious mystery, in "Well, That's Washington," a feature in Pictorial Review, magazine of humor, fiction, cartoons, Hollywood reports and surprises, with this Sunday's (February 8) issue of The Detroit Sunday Times.

It always makes a man mad to have people compliment him on his successes and then tell him you can't understand it.

Are You Asking These Questions About Saving Electricity?

IS IT STILL NECESSARY TO SAVE ELECTRICITY?

Yes. Not nearly enough saving is yet being made, especially in the home. Result, for some time past several large industries have had their power supply cut off for lengthy periods in the 24 hours.

IS IT NECESSARY TO SAVE ONLY AT CERTAIN HOURS?

No, it is vital to save at ALL hours. While electricity cannot be stored, water that generates it can be stored. The water storage for the five Hydro plants in the Niagara area is provided by the Great Lakes. This assures a continuous flow of water sufficient to enable these plants to go all out 24 hours a day—still there is not enough power. In 48 other Hydro generating stations throughout Ontario the water supply must be very closely guarded—if too much electricity is demanded one day, the next day's power supply must suffer. This condition is aggravated by the abnormally low rain fall last Autumn.

MUST HOMES DO ALL THE SAVING?

Not by any means. ALL consumers must play their full part. Modified rationing has to some extent reduced the consumption of electricity in stores and by other commercial consumers, but still greater voluntary savings are urgently needed.

HOW CAN I SAVE MORE ELECTRICITY?

Don't leave lights burning in unoccupied offices. Turn idling motors off. Use range elements as short a time as possible. Turn off verandah and all other lights when not needed. Use electrically heated water sparingly. Do not use electric heaters or grates.

Avoid All Waste — SAVE ELECTRICITY!

INKERMAN ROCKETS WIN SERIES WITH CRUSADERS TO LEAD CORNWALL LEAGUE

In the two-game, total goal series to decide the leadership of the Cornwall District Junior Hockey League, the Inkerman Rockets emerged victorious by a 17-10 count on the round, over the Cornwall Crusaders. The Rockets won the first game here on Thursday evening last by a score of 13-5, but were nosed out by the Crusaders the following night by a 5-4 score.

In the game here, the Rockets had little difficulty in toppling Cornwall's highly rated Crusaders. In fact two of the goals scored against the Rockets were registered when they had a man in the penalty box.

The line-ups were:

Inkerman Rockets—Goal, Feltham; def., Marshall and Thomson; centre, Ed. Duncan; wings, Erwin Duncan and Armstrong; subs., Timmins, Crowder, Baldwin, Lunny, Boivin, Brown and Whitteker.

Cornwall—Goal, Marlin; def., Germaine and Ouillette; centre, Payette; wings, Bourget and Dumond; subs., Upper, Leblanc, Savard, Mercier, Abraham, Vachon, Leclair, Borgon, G. Borgon.

Reerees—M. Scott and H. Moffatt.

WINCHESTER DEFEATS CHESTERVILLE 8-3

In a Central Ottawa Valley League scheduled hockey game, played at the local arena last Wednesday evening, Winchester outscored the Chesterville Legionaires 8-3. Only in the second period did the visitors hold their own against the local sextette, which was in rare form for the contest. The Winchester boys were managed by their new coach, Cy. Helmer, who was quite jubilant over the showing the team made on this occasion.

The contest was clean and keenly contested, with the locals showing marked superiority over their rivals, as far as play was concerned.

The scorers were: For Winchester, Hitsman, Locke and Skelcher, 2 each; Gibbons and Kingston. For Chesterville, Fyke 2, Kirkwood 1.

The line-ups were:

Winchester—Goal, Coons; def., B. Locke and Workman; centre, Hitsman; wings, Crowder and Skelcher; alternates, Levere, Gibbons, Carkner, Kingston, Lennox, Mussell.

Chesterville—Goal, Utman; def., Barry and Barton; centre, G. Fyke; wings, Kirkwood and Hurley; alternates, Bud Fyke, Casselman, Salter, McMillan.

Referees—Mel. Scott and Alf. Jarvis.

WILLIAMSBURG, 6; WINCHESTER, 4

In a C.O.V. League hockey game, played here on Monday evening, Winchester was defeated by Williamsburg 6-4. This was the third time this season that the local team bowed to the Williamsburg sextette.

The visitors took a comfortable lead in the first period, but were outplayed by the locals in the second stanza. In the final frame, Williamsburg outscored Winchester 2-1 to win the contest.

H. Cassell scored four goals for Williamsburg, with J. Cassell and Duval counting once. For Winchester, Doug. Hitsman counted twice and Carkner and Locke once.

The line-ups were:

Williamsburg—Goal, D. Beckstead; def., Smyth and Schell; centre, Cassell; wings, R. Casselman and Ralph Casselman; subs., Duval, Tindall, J. Cassell, Whittaker, W. Cassell, I. Whitteker, Rice.

Winchester—Goal, Coons; def., Kingston and Locke; centre, Levere; wings, Gibbons and Carkner; subs., Hitsman, Skelcher, Crowder, Lennox, Workman, Mussell.

Officials—J. Casselman and Alf. Jarvis.

DAVIDSON'S ANNOUNCE . . .

Have your watch or clock repaired by certified members of the Jewellers' Institute.

We have recently added to our staff the services of Mr. Howard Waldroff, a war veteran with several years of service to his credit, who hails from our neighbouring town of Finch. Howard has the proud record of a complete training at Ontario's School of Horology, and any man passing this test is certainly qualified. This means we will be able to give you the service that we have always wanted to, but could not, due to the influx of work during the wartime period.

When it comes to Radio and Electrical Repairs, our well-known Don. Casselman, another war veteran, is right here on the job to give you up-to-the-minute service. Through energetic fighting, he has managed to get our back log of radio repairs caught up with, and in his department you do not need to be afraid of being held up on the time question.

You will find our prices right on both watch and radio repairs, and we think you are quite familiar with our guarantee policy.
