Nine Dundas 4-H Girls Receive County Pins

Dundas County 4-H Homemaking Clubs completed their fall project "Cottons May Be Smart," at an Achievement Day held in the Town Hall last Saturday. The hall looked like Spring itself with all the members' fresh and gaily coloured cotton dresses on display.

During the morning the girls participated in judging dress materials and dresses. Following the noon luncheon served by Winchester Women's Institute the girls took charge of the afternoon program commenting on exhibits and performing skits and demonstrations. The guests learned of the many uses of the versatile cotton fibre and saw the program brought to a climax with the presentation of a fashion show in which the members modelled their dresses which they had made during the winter months.

Each girl and leader was presented with a sterling silver spoon for successfully completing the project. Mrs. Donald Runions of Morewood was presented with a Leader's certificate for having led clubs for five years.

This year marks the 25th anniversary of 4-H Homemaking Clubs and Mrs. M. Aitchison of Winchester, who was an early member, commented on the work and the progress of these clubs through the years.

Mrs. John Sutherland, Dundas District W. I. president, brought greetings from her organization and presented the following girls with County Honour pins for completing six projects. The girls, shown in the picture, are: Back row, from left, Lorraine Robertson, Gertrude McGinn, Sandra Johnstone, Mary Link; Front, from left, Jeannie Lalonde, Lois Bouck, Eleanor McCaslin, Jean McGinn and Kaye Smirle.

Nancy Pritchard, Dundas Home Economist, directed the program, assisted by the following Club leaders: Mrs. D. Runions and Mrs. Moran of Morewood Club One; Mrs. Thompson and Mrs. Babcock of Morewood Club Two; Mrs. H. D. Allison and Mrs. W. Markell of Matilda; Mrs. R. Johnstone and Mrs. Byron Dawson of Winchester.

The Spring Club, "Being Well Dressed and Well Groomed" will start with a training school for local leaders and their assistants to be held on March 22 and 23 at the Agricultural Office, Morrisburg.

C. B. Timmins, Mrs. Carl Rice Die Suddenly

C. B. TIMMINS

One of Winchester's senior citizens and an esteemed resident of this district for nearly 90 years, Chester B. Timmins died at his home last Thursday. He had been a hospital patient following a bad fall last year and only recently had he returned to his Main Street home.

A son of the late Andrew Timmins and Rachel Suffel, he was born in Winchester township at the Boyne just east of the village. On October 4th, 1897, he married the former Effie Robinson who survives.

Following his marriage he farmed in Mountain Township and came to Winchester to reside in 1904 in the home where he died last week. Mr. Timmins, on coming to Winchester, established himself in the fuel and machine business. In 1922 he joined the sales staff of Melvin Motors and was associated with this firm until his retirement about 10 years ago.

Always interested in municipal affairs, Mr. Timmins served for several terms on Municipal Council. He was a past district Deputy Grand Master of the Oddfellows; a Past Master of Henderson Masonic Lodge; a past president of Winchester 100 Club; a member of the Official Board of the United Church and was a former member of the United Church Choir.

Mr. Timmins will also be long remembered for his interest in sports and for his enthusiastic song leading at many functions in the town and district. He was the type of man that helps build towns, and his death was certainly learned with regret by many friends.

In addition to his wife, he is survived by three children, Preston, of Kingston; Mrs. Ewart McInnis (Anna), and Mrs. W. J. Hitsman (Helen), of Winchester; There are also six grandchildren and nine great grandchildren. He was the last surviving member of the pioneer Timmins family area.

Rev. Angus MacDonald, assisted by Rev. Wm. Sutherland, conducted the funeral services on Saturday afternoon from the Vice and Craig Funeral Home to Winchester United Church. Entombment was made at Maple Ridge Cemetery. The pall-bearers were Don Casselman, Dr. W. A. Sherwood, Walter MacDonald, Ronald Freeland, W. J. L. Boyd and William Tripp.

MRS. CARL RICE

An ardent church and community worker and a lifelong resident of Winchester, Mrs. Carl Rice died suddenly at the District Memorial Hospital last Thursday. She had been in failing health for several months prior to her death, although her condition had not been regarded as critical.

In her 59th year, Hilda Rice, as she was known to a host of friends, was born in Winchester, a daughter of Martin Fader and the late Alice Hitsman. On October 25, 1919, she married Carl Rice, who survives. During her lifetime in Winchester she was known as a good and friendly neighbour and was always willing to pitch in and work for community activities particularly for church organizations and the Women's Institute. During the war years she was an active Red Cross worker and on countless occasions she came to the aid of others less fortunate than herself. Because of her sincere endeavours and her friendly disposition to all, Hilda Rice will be missed in the community.

Surviving in addition to her father and husband are a daughter, Alice, of Winchester; one brother, Reeve John Fader, of Winchester, and two sisters, Mrs. Henry Lennox (Louise), and Mrs. Richard Lennox (Gwen), also of town.

Final tribute was paid her memory at the funeral service conducted by Rev. Angus MacDonald from the Vice and Craig Funeral Home to Winchester United Church, of which she was a member, on Saturday afternoon. Interment was made in Maple Ridge Cemetery.

The pall-bearers were George Elliott, Kenneth Ault, Eldon Fennell, Howard Fetterly, William Crummy and Clare Chamberlain.

St. Patrick's Day Birthdays

To-day is the 17th of Ireland, better known as St. Patrick's Day. And to all our Irish friends The Press wishes the best. Several Winchester and district residents observe birthdays on this day and although this list is probably far from complete we should like to wish Happy Birthday to the following:

Frank Acres and Carolyn Lewis, of Vernon; Robert Summers; Ronnie Freeland, son of Mr. and Mrs. Douglas Freeland; Dorothy Willard, Don Casselman, Bill Hitsman, Mrs. Arnold Dukelow, Mrs. Robert Vice, all of Winchester, and Ray Larsen of the Press staff.

Also congratulations to Mr. and Mrs. Edgar Craig who, today, observe their 45th Wedding Anniversary.

46th Anniversary

Mr. and Mrs. Roy Barkley, of town, happily celebrated their 46th Wedding Anniversary on Friday, March 11th. They were pleasantly surprised by visits and appropriate remembrances from their immediate families and were entertained at a dinner at the home of Mr. and Mrs. Howard Biccum to help mark the happy day.

The ladies of Mrs. Servage's Circle of the United Church W. A. presented Mrs. Barkley with a nice gift and address in the Sunday School rooms of the church on Friday afternoon, honouring the bride of 46 years ago.

Township Council Asked To Sponsor School Debentures

North Dundas District High School Board has asked the municipality of the Township of Winchester to sponsor the debenture issue necessary to construct the new $675,000 high school between Chesterville and Winchester. Part of the actual cost will be met by government grants, and the remaining portion will be paid for by Williamsburg Township, Matilda Township, Mountain Township, Winchester Township, Chesterville and Winchester. Township council delayed action until a meeting to obtain more information on the school building can be obtained with the Board.

Clerk Glenn MacGregor was instructed to notify the interested parties that the reports of the Dagenais and Bourgeous drains would be read March 21 at 8.30 p.m.

Contract to install a washroom in the township garage was awarded to Rae Brothers of Chesterville at a tendered price of $939.00, the lowest of six tenders received.

Accounts passed for payment were: Roads and bridges, $5,077.74; police, $200; Salaries, $256; Convention, $320; supplies, $28.64; relief, 132.10; drainage, $96.00; miscellaneous, $25.00.

Reeve Gerald Holmes presided at the session which was attended by all members of council except Deputy Reeve McNabb who was absent because of illness.

Very Soon!

CALL TENDERS FOR SEWERAGE

Council Also Discusses Bad Street Conditions

Tenders for the proposed partial sewerage project in Winchester will be called by the Engineers, J. T. Richards Associates of Ottawa, within the next few days, it was learned at a special meeting of Council held Monday evening.

The present sewerage system proposal calls for a trunk line from the District Memorial Hospital, down York and Clarence streets, north on Mill Street, east on Main to a disposal area. Estimated cost of this portion of the project is $91,800, and it has been approved by the Municipal Board at Toronto. Of this amount the Hospital Board had voted in favour of ocntributing $50,000 towards the project. The remaining $41,800 would be paid in taxes by the town.

The second proposal includes a line from Clarence Street to Main Street and from Gladstone to Mill on Main Street, servicing the business section of the town. This would entail an additional $24,400 and it would be a "cash" deal paid for directly by the users.

Following the review of tenders the actual "go ahead" will come from the Ontario Water Resources Commission and the village council which must give final approval for such an undertaking.

STREETS

At Monday night's special meeting Council also devoted much time to the current road situation in the town. According to Council every effort will be made to bring the streets up to their pre-water system standard. It is expected that to do this it will take about three years. Council urged all citizens to inform the clerk immediately of any sudden deterioration in town streets. By doing this repairs will be made quicker.

Council also further discussed the proposition of Hy Bessin to rent the Hotel Winchester to the town for a fee of $1.00 per year. Council is expected to interview Mr. Bessin next week.

100 CLUB

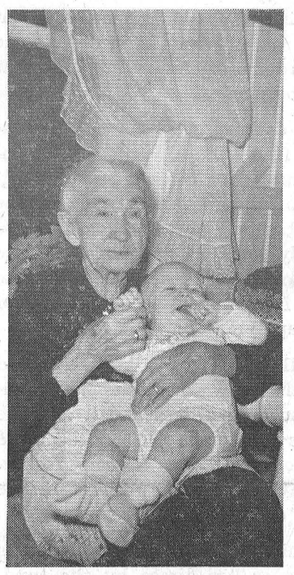
Members of Winchester 100 Club are reminded of the March luncheon-meeting to be held at the Hotel Restaurant this Friday night, starting at seven o'clock sharp. A tour of the new hospital wing has been planned, under the direction of Administrator, John Davis. President Frank Morgan calls on all members to make an effort to be on hand at this meeting as there are several important announcements.

Marvelville Woman 96 Next Tuesday

Next Tuesday, March 22nd, marks an important milestone in the life of Marvelville district's oldest resident, Mrs. Jas. Fader, who will observe her 96th birthday. Mrs. Fader is shown in the accompanying picture as she proudly holds one of her great grandchildren, Allan Fader, son of Mr. and Mrs. Glenn Fader, of Smooth Rock Falls, Ontario.

Mrs. Fader, still enjoying relatively good health, enjoys reminiscing with her family and friends of the days gone by. She has resided on the Fader home place at Marvelville for 65 years. She still leads a fairly active life for a woman of her years, and takes great enjoyment in her knitting and in the affairs of the community. She is a member of Marvelville United Church and for many years was an active member of the Women's Missionary Society.

She was born at Hazeldean, a daughter of the late Mr. and Mrs. John Shore. She now resides with her only son, Charles, at Marvelville. She also has a daughter, Mrs. Chester Cherry (Edith), who resides at Ottawa, as well as several grandchildren and great grandchildren.



Metcalfe Rural Telephone Co. Increases Number of Subscribers

G. M. Jeacle presided at the annual meeting of the Metcalfe Rural Telephone Company Limited held in the Township Hall, Metcalfe, recently.

The financial statement for the year 1959 was presented to the meeting by the secretary-treasurer, Mrs. Stanley Hicks.

Mr. Jeacle gave a report on the work completed during the year. This included the installation of a new cable, the dividing of three lines and installing 74 new telephones. The Company has 726 telephones in operation.

Officers for the year 1960 are: President, G. M. Jeacle; vice president, G. M. Reaney; Directors: A. J. Waddell, A. C. Blair, A. J. Scrivens, A. Carson, H. C. Latimer, P. E. Booth, A. R. York and G. L. Morris. Lineman, A. R. Sheldrick; Secretary-Treasurer, Mrs. Stanley Hicks.

Jamboree At M. D. H. S.

Students from eight district High Schools attended a Jamboree at Mountain District's Hallville school Friday evening. Above, the presidents of the student councils meet for a happy exchange of ideas. Front row, from left, Ruth Thompson of Iroquois High, Sheila Hutchison of Winchester High, Joan Blaney of Maxville High, Myrna Becksted of Morrisburg High. Back row, from left, Marie Hoy of Mountain District, Mike McKenna of Osgoode Township High, Norman Davidson of South Carleton High, and Irene Casselman of Chesterville High. A short entertainment programme by students from each school was followed by dancing.

Easter Seal Campaign Underway

To-day marks the day when thousands of Rotarians, Lions, Kiwanis, Kinsmen and other service clubs mail their Easter Seals to every one in Ontario asking for help in their crippled children's work.

The 14,191 crippled children in the province, living on farms or in city homes or in remote northern hamlets know that the 1960 Easter Seal Campaign means hope. To them the Easter Seals bring treatment and training, a possibility of independence and a relief from the physical handicaps that birth, illness or accident have left them.

Last year the Ontario Society for Crippled Children, whose only annual appeal for funds is made in the Easter Seal Campaign by 222 service clubs, carried out its biggest program in all its history. This year, the more than 14,000 youngsters who are listed on the Society's rolls as "active" cases will have increased because Ontario's swiftly growing population means hundreds of new cases each year. The provincial objective of this year's Easter Seal Campaign, March 17 to April 17, is $850,000.00.

The organization that cares for this number of children is amazingly small. A tightly knit office staff at headquarters in Toronto, a score of highly trained nurses, a core of volunteer doctors and an army of public spirited citizens who give freely of their time. The result is a volume of service out of all proportion to the money spent in the work.

This work takes several forms. In addition to the nursing service, made up of 25 graduate nurses, there are the clinics for examination and, if needed, hospitalization for crippled children.

Five summer camps this year will provide a three-week holiday to more than 1200 children who would otherwise have no such holiday because of their inability to attend conventional camps. This is the biggest crippled children's campaign program of any single political area in the world and its importance is that it more than gives a holiday, but teaches children who are often embarrassed by handicaps to care for themselves and get along with other youngsters.

With the opening of the 14th Annual Easter Seal Campaign today there will be thousands of service club men and women working for a better future for Timmy and all his pals. Your contribution to the Easter Seal Campaign is needed. In this district the Easter Seal Campaign is conducted by Chesterville Rotary Club.

W.H.S. Student Places Second In District Public Speaking

Denyse Goyette, a student of Our Lady of the Rosary School, Ottawa, won the district public speaking contest for secondary schools here last Friday night. The win gives Miss Goyette the right to advance into the Ontario finals which will be held during Easter week at Toronto. The contest is sponsored by the Ontario School Trustees' and Ratepayers' Associations and supported by the Ontario Hydro Commission.

The district contest Friday night included finalists from Stormont, Dundas, Glengarry, Leeds, Renfrew, Lanark and Carleton.

Miss Goyette spoke on "Kindergarten." She is the daughter of Mr. and Mrs. Richard Goyette of 48 Lorne Avenue, Ottawa.

The runner-up in the prepared speech contest with eight schools represented was Marianna McVey, daughter of Mr. and Mrs. Garfield McVey of Winchester.

Mary Lovering of Renfrew Collegiate was first in the impromptu contest, and will also go to Toronto to compete in the provincial finals. Her subject was "The Art of Public Speaking." The runner-up was Paul Keayst of St. Mary's School,

Vacation Sense

The inevitable result of everyone deciding to go on a vacation at the same time would be utter chaos. We haven't quite reached this point in Canada yet, but we are certainly coming closer to doing so every year that passes.

For some unexplained reason the last two weeks in July and the first two weeks of August have an irresistable fascination for an ever-swelling number of Canadians. A recent survey by the Canadian Manufacturers' Association shows that 63 per cent of the firms replying shut down for vacations—and no less than 94 per cent of them do so within this peak pariod. In so doing most of them are complying with the wishes of their employees.

Predictably, the inevitable consequence of this mass preference for the last half of July or first half of August is mass inconvenience in the shape of congested highways, choked resorts, limited accommodation, poor service. And, of course, the higher prices that are always present when the demand is greater than the supply.

When there are other times in the year, every month has its own special attractions for vacationers, it is hard to understand that taking a holiday in these highly congested times would make for an enjoyable and beneficial vacation. For instance, early October provides some of the finest weather in the year for holidays. February, a true winter month, is excellent for winter sports enthusiasts or for others who like to migrate to the warmer climates farther south. In short, the sensible thing to do is to follow the advice of the Canadian Tourist Association and contract out of this mid summer stampede by avoiding the peak period for vacations so far as possible.

In other words our chances of a pleasant and unspoiled vacation will be much improved if more of us plan on going at another time of year. Incentives to do so are not lacking.

Unemployment Insurance

The present policy of Unemployment Insurance has irked us for many years. Under a Liberal administration a few years back Unemployment Insurance payments were being highly abused, and in more ways than one. The situation has not improved in the last couple of years. Indeed, if anything, it has deteriorated to the stage where the paying of unemployment insurance is almost a farce in some instances.

There is a place in our society for this type of insurance, providing the administration and the regulations are set down in such a way that the actual abuse will be kept to a minimum.

The Glengarry News has some rather candid but sensible words concerning the present plight of Unemployment Insurance in this country. And we concur with the following from The News:

"In the Commons, one night last week, Labour Minister Starr told of a seasonally unemployed Canadian who earns $7,000 a year and yet who is drawing unemployment insurance throughout the winter months because his work lasts only throughout the summer. The minister told of this instance when replying to a complaint by a CCF Member that winter employment amounts to 22 to 25 percent of the labour force in his riding, adjoining Fort William. It was at Fort William, according to Mr. Starr, that he commiserated with this bush worker because he was unemployed all winter.

"The news report of this interplay between the Labour Minister and a CCF Member makes no mention of any Common's reaction to the picture of a $7,000 a year seasonal worker drawing unemployment insurance throughout the winter. Members of Parliament took it as a matter of course. And well they might, for this is common practice n Unemployment Insurance circles.

"Almost every category of seasonal worker may now count on winter-long weekly payment from the fund. Women take it as a matter of course that when they marry they will receive this nest egg to help furnish their new nest. Men are calculating the number of days or weeks they must work in order to be eligible to return to the Unemployment Insurance trough.

"In the eyes of year-round contributors to the fund, the Unemployment Insurance Commission constitutes the biggest waste of public funds reaching the largest number of voters the politicians could possibly hope to keep happy. The fund was instituted with the laudable purpose of forever ending the need of any citizen applying for relief.

"We still have relief; but no bread lines. The line now forms at the Unemployment Insurance offices and it is made up, as far as we can see, of more people seeking a dole that has become respectable, than ever applied for relief in the depth of the depression.

"There are no doubt deserving cases being tided over bad times by the fund. But they seem far out-weighted by the many who have figured to the exact day how long they must labour before the Unemployment Insurance cheque, and the kick-back from Income Tax, will take care of their needs through a winter of idleness.

"No man earning $5,000 a year should require aid from the public purse. Yet we have the picture of a complacent Commons hearing of such a one who takes in $7,000 in the summer months and has the government buy his beer through a winter of idleness. There are thousands just like him and it is the year-round worker who last year was called on to pay a larger weekly contribution to prime this free-flowing political pump.

"Party lines have been dropped while Members of Parliament freely debate the question of abolition of the death penalty. That is a subject made to order for the politician.

"We could measure him better if such a non-party debate permitted the politician with principles to sound off on all the things that are wrong with the present policies of the Unemployment Insurance Commission.

"It stinks."

MEDITATIONS . . . . .

(By Cecil W. Tuininga)

Hosea 7:8: "Ephraim is a cake not turned."

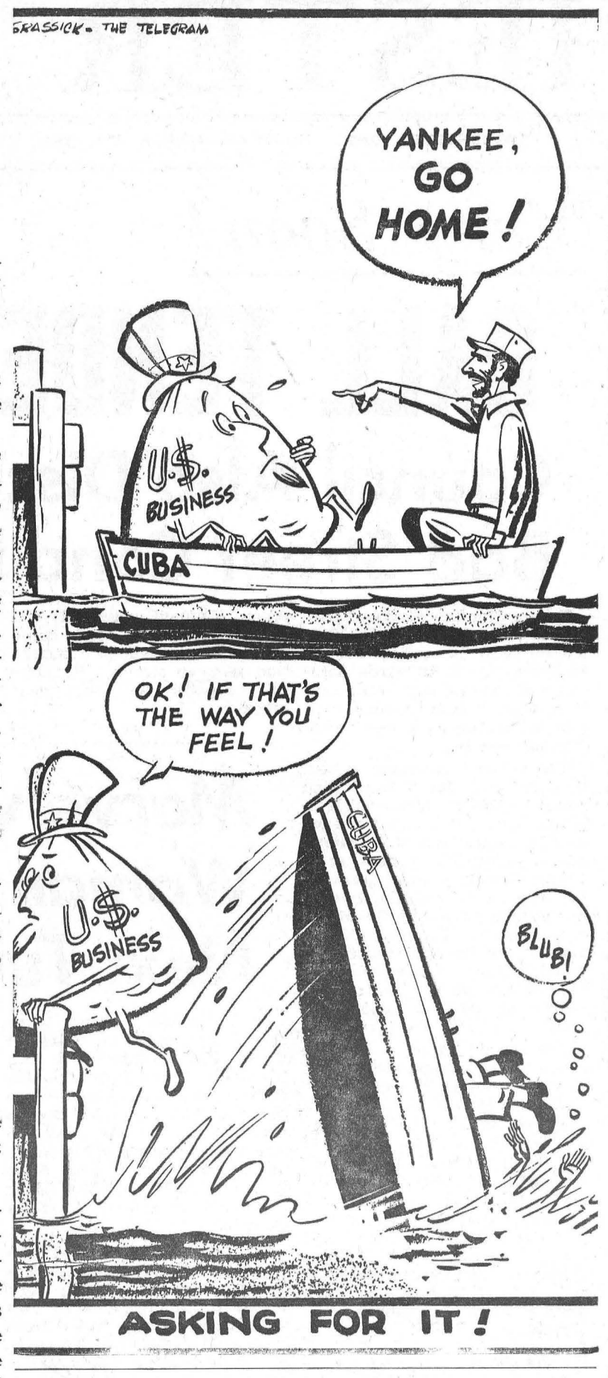
Hosea was the prophet of love as John was the apostle of love. His name, like that of Joshua and Jesus, signifies salvation, help, deliverance. He was a man that felt deeply Israel's spiritual needs. He was the "home missionary" of his times, and his writings show that he was conversant with the life of his people.

Hosea was a passionate man. He was gentle but frank and affectionate, and full of domestic feeling. He could make people feel right at ease with him. Yet his sensitive religious nature tolerated no sham or hypocrisy. With a genuine concern for his people, and a passionate hatred of sin, he could lash out with sharp words that would cut deeply because they came from a heart filled with love. He was as such a man cut for his times.

Hosea spoke frankly to Israel concerning its sins. But also to Ephraim. Ephraim had become prematurely old because all classes of its society were demoralized. Crime abounded among the people and religion sank into the most sensual idolatry. Even the priests turned bandit and rejoiced in the sins of the people. And through this moral and religious decay Ephraim forsook Jehovah and made alliances with its heathen neighbours. Conditions were therefore such that the prophet exclaimed, "There is no truth, nor goodness, nor knowledge of God in the land. There is naught but swearing and breaking faith, and killing, and stealing, and committing adultery; they break out and blood toucheth blood." —(Hosea 4:1-2).

For these reasons the prophet calls Ephraim "a cake not turned." This expression signifies Ephraim's terrible condition. It was just like a cake the baker has forgotten to turn, it is burned on the one side and still dough on the other. Such a cake cannot be eaten but is fit only for garbage. So Ephraim was unto the Lord. In its sinful life and alliances with the world it had fatally burned itself while remaining cold and unrepentent unto the Lord. Therefore the Lord had to reject this sinful people.

This same thing holds true for every church and church member that claims to belong to the Lord while living only in sin with the ungodly world. To these especially the earnest call and warning of God is directed, "Except ye repent, ye shall all likewise perish."—(Luke 13:3). The punishment for such nominal Christians who love sin and hate the Lord is most dreadful. Especially for these the words of Scripture have an awful ring when it declares, "It is a fearful thing to fall into the hands of the living God"—Hebrews 10:31. "For our God is a consuming fire."—Hebrews 12:29.



SUGAR and SPICE

(By Bill Smiley)

Every St. Patrick's Day I try to write a column about the Irish. And every year, I give it up as a bad job. What can you say about the Irish, good or bad, that they have not already said about themselves, being the greatest talkers and writers on the face of the earth?

* * * *

About ninety-four per cent. of this talking and writing is pure Irish blather, but the remainder is as fine and true as anything that has come from tongue or pen.

* * * *

I'm no authority on the Irish, and I promise that anyone who finds a single 'begorrah" in this column may clobber me with a leprechaun. But it behooves me, as a student of the highways and byways, the odds and sods, to peer through the fog, and squelch through the bog, in an honest effort to find the real essence of the Irish

* * * *

Fortunately for the cause of pure research, there are hordes of genuine authorities on Ireland and the Irish. They are all Irishmen, of course. No nation on earth has found itself so fascinating as the Irish. No people has ever examined itself with such untiring delight, such hopeless disgust.

* * * *

Most of the confusion about the Irish must rest with their writers. The brooding, turbulent, hilarious, soaring language of their poets, story-tellers and dramatists has tumbled into our ken an Irishman who is half-man, half-myth, half-clown, half-zero.

* * * *

If we listed all the fine things the Irish have to say about themselves, we'd have them down as: loyal to the death; witty as all hell; fun-loving; handsome; sensitive; deeply religious; and with a fine disdain for the material things of life, to mention only a few self-bestowed virtues.

* * * *

And if we listed all the sorry things Irishmen call themselves, we'd put down: cowardly; simple-minded; treacherous; morose; ugly as sin; deeply profane; coarse as crows; and with a shrewd eye for a shilling to name but a few self-bestowed vices.

* * * *

This is to say that the Irish are just like everybody else. Which, of course, is ridiculous, and any Irishman worth his weight in boiled potatoes will attack this slander at the drop of a crock.

* * * *

There's one thing about the Irish, for example, that stands out like the head on a draught of Guinness Aside, of course, from the fact that they're badtempered, garrulous, inconsistent, self-pitying, lyrical, humorous, warm-hearter and entirely charming.

* * * *

And that one thing is the memory of them. They have a memory that would make a self-respecting elephant wind his trunk around his left ear in an ecstasy of embarrassment. The Irish have never forgotten anything, which is at once their curse and their glory.

An Irishman, just one jump out of the bog will remind you with some disdain that the emerald isle was a centre of learning, a cultured, Christian country, when the British were just climbing out of their coracles and wiping the woad off their faces. And good for him. But the same fellow will tell you the reason he hates the English is because of the rough treatment his folk got from Cromwell. To hear him tell it, you'd think it had been last Hallowe-een, not 300 years ago.

* * * *

Another thing you'll notice about the Irish is their immense self-satisfaction. Who else would excuse the possession of a foul temper by declaring proudly: "I guess it's the Irish in me?"

* * * *

One more national trait is their glee in throwing cold water. They don't really mean it But show an Irishman a silver lining and he'll show you a black cloud.

* * * *

However, it takes all kinds to make a world, and some of my best friends are Irish, but how would you like your sister to marry one? Well, my sister's brother married one, and I tell you, boys, you never know whether it's a kiss or a kick you'll be getting.

OTTAWA REPORT

(By Jean Casselman, M.P.)

As in previous years Ottawa educationalists hospitably put themselves at the service of Members of Parliament during Education Week. Members from all across Canada were free to visit any of the Ottawa educational institutions. Accordingly, groups of Members chose various schools and colleges, and early Tuesday morning there was a long line of buses waiting in front of the Parliament Buildings with a host to act as guide to our destinations.

I chose to visit Carleton College, because many young people from Grenville-Dundas have attended Carleton, and I hope the numbers will increase steadily in future years. There were about 25 Members in our bus.

We were welcomed by Carleton's clever young handsome President, Davidson Dunton. He was well known previously as head of CBC.

Mr. Dunton rightly is proud of Carleton's development and is full of confidence and enthusiasm for the future This is a most valuable personal attitude in the man who will lead and stimulate hundreds and thousands of young Canadians. A man, too, of whom we can be proud at international educational meetings.

Carleton's big impressive modern buildings were officially opened only three weeks ago, with a faculty of 75 full time and 40 part time experts. The campus is fresh and new and gives the effect of infinite room for expansion, which indeed is the case. Situated on 130 acres of donated land, between the Rideau River and the Rideau Canal, it will undoubtedly be one of Canada's most beautiful universities.

President Dunton enunciated the "Spirit of Carleton University" in his inaugural address in November 1958. He said:

"Carleton is young, but it already has a stirring history. Its distinction goes back to its origin. It is the only university in a hundred years that has been established in Canada not by the action of a church or a government, but just by the efforts of a group of people determined that there should be a university, a university of high purpose, of high standards."

To us last Tuesday, he said: "Carleton's development in great part has been due to the spontaneous combustion of the Ottawa Valley." These were welcome words to the representative of Grenville-Dundas, another sign that our part of Canada is expanding and at the same time laying deep strong roots for future stability.

May the young people of our two counties be inspired in their school work by the availability of a university education within commuting distance.

Great faith and much effort went into the creation of this University. Let us all be proud of this Eastern Ontario achievement and become acquainted with what it has to offer

WORLD DAY OF PRAYER

Across the world we gather,
The women of each land,
From farm and town and hamlet,
In city churches grand.

We have a common purpose,
We breathe a common prayer,
The Women's Inter-Church Council
The service did prepare.

Our myriad prayers ascending,
A holy thought to weave,
Together with God we labour
That others may believe.

THE 7th COLUMN

Winchester's snow removal costs this year have been high but few people will complain. The job done by town work crews has been good. This week the greatest remover of snow in the world got down to work. Old Sol turned on the heat and you could almost see those big banks along Winchester streets melt down a little each day. Another two or three weeks and it will be water, not snow that is giving us all the trouble. And speaking of water, the mighty Nation to the south is still as tight as a drum, and it looks like Chesterville Record Editor Keith Graham is going to miss out (again) on his prediction that the ice will leave on March 17—by about two weeks. Anyway, Keith can go to the head of the class for being the "optimist of the year."

* * * *

Took a quick jaunt to Montreal Saturday afternoon to attend the Chrysler Corporation Spring Festival Show at the Queen Elizabeth Hotel. Vivacious, talented Jane Morgan of TV fame was the headline attraction and in our books we'll walk across the street any day to see Jane warble a tune or two. Also liked the display of automobiles. Matter of fact we were impressed with all the "models" we saw at the show. What!

* * * *

Winchester has long been noted for its fine recreational facilities and the many outstand- teams which have been produced by this village down through the years. This year is no exception and currently competing in district play-downs are two of the best hockey squads to come out of the town in more than a decade. Both the Juniors and the Midgets are fighting for Eastern Ontario championships, and judging by the fan support they are receiving, every man and his dog in the territory join The Press in wishing the boys much success.

* * * *

Browsed through the fishing tackle the other day and the thought occurred that the Trout season opens on April 30 this year. And the 'pouts will be biting long before that. So this snow just has to go or the bait situation is going to be grim.

Had a letter from a friend recently — a former Winchester resident who is a consistent reader of The Press. Said friend expressed the view that perhaps 100 Club members were missing out on the international atmosphere and the fraternization which exists when such a Club joins Kiwanis, Lions or a similar organization. He referred to 100 Club's recent decision to turn down an invitation to go Kiwanis. One of the reasons the Club decided against joining Kiwanis or any other club hinged around the club laws which would call for meetings every week or every two weeks. 100 Club members meet once a month and the opinion was unanimous that meetings every week would be too much and would tend to curtail active club membership. So the 100 Club lives on as a result of the decision.

TORONTO REPORT

(By Fred M. Cass, Q.C.)

The Ontario Legislature has become a place where the business of the Province is conducted, on the government side with courtesy and efficiency and from opposition benches with many loud almost unending speeches which, boiled down, produce no help for anyone. The Prime Minister is showing, as each session he does, that he is the master of House procedure and can do the almost impossible in keeping the flow of legislation, the opportunity for full and free debate, the consideration of legislation and government by Committees of the House and the hundred and one other things that go to make up government, all running smoothly and on schedule despite interruptions, upheavals and opposition sniping. Certainly it has been many a year since Mr. Frost has had a peer in Ontario parliamentary procedure and government. And just as he did in the election last June, Mr. Frost out-generals the opposition at every turn in the legislature and gives to his own Conservative members the leadership which has done so much to make Ontario the premier Province of Canada Certainly all of us in Ontario now and for many generations to come are most fortunate to have such leadership, and its continuance for another decade will do more than any other single factor to keep Ontario progressive and prosperous.

The Private Bills Committee under the very able chairmanship of Mr. H. Leslie Rowntree, Q.C. (MPP-York West) completed its work by dealing with all private bills submitted for legislation this year—a great many of which, including the City of Belleville, Bill to deal with so-called hockey deficits, are of great importance to the area affected. The House Labour Committee began consideration of the very contentious and much publicised amendments to the Ontario Labour Relations Act and the Highway Safety Committee considered amendments to The Highway Traffic Act and highway safety generally.

Following the bringing down of the Budget late last month, the various Ministers have been piloting their departmental estimates through the Committee of the whole House. This is the procedure whereby each item of expenditure for the coming year is explained by the Minister with ample latitude for members of all parties to question any such item or the proper expenditure of similar items in the previous year's estimates. At times the debate becomes quite lively as the Ministers defend their Department's policy and public (civil) servants' actions. To date the estimates of the Prime Minister's office; Treasury; Attorney - General; Minister of Mines; Economics Department and Minister of Labour have received consideration and been approved by the House The prospect of the estimates from the other fourteen Departments, and the fact that the debates on the Speech from the Throne, the Budget address, the Energy Resources problems (including Elliott Lake) and The Labour Relations Bill, are still continuing indicate that the present Session is far from over and that much midnight oil may yet be burned by the Ontario Legislature Members.

The Press Gallery Follies of 1960 put on by the newsmen of the Legislative Press Gallery last week was the usual excellent and amusing performance. This is the one time each year when the newspaper, radio and TV boys have complete license to lampon, ridicule and poke fun at the Legislators and this they sure do. This year the leaders of the three parties; the Attorney-General and the Minister of Energy Resources were the chief recipients of attention, but being good sports they took it in good fashion and the rest of us had a hilarious evening digesting the very clever dialogue of these annual productions.

Easter Seal Campaign Starts To-day

Today, in all parts of Ontario, crippled children are going to take another step forward on their long road of treatment, for this day opens the annual Easter Seal Campaign. The Ontario Society for Crippled Children is supported by 222 service clubs such as Rotary, Lions, Kiwanis, Kinsmen and others in the raising of funds on behalf of crippled children. The campaign runs to April 17 and has a provincial objective of $850,000.

O.C.B. Reports Record Year

The Annual Report of the Workmen's Compensation Board was tabled this week in the Ontario Legislature by the Honourable Mackinnon Phillips, Provincial Secretary, and again reflected the increasing industrial tempo in the province.

As a result of the general business expansion within the province, 272,460 incidents were reported to the Board as work injuries during 1959, an increase of more than 16.000.

More than 2,600 new employers reported to the Board last year for a record high total of 92,297. Assessable payrolls reported by these employers amounted to $4,758,937,000.

Financial benefits awarded to injured workmen last year amounted to $52,756,646.83. In 1958 total benefits were $48,877,133.34. During its 45 years of service $635,175,718.79 has been awarded as benefits. Administration costs were again reduced from 8.3c of each dollar of assessment in 1958 to 7.7c for 1959.

As a result of increasing medical skills and excellent co-operation of the treatment professions, labour and industry, the ratio of permanent disability cases to all compensation cases is continuing at a very low level.

Therapeutic work carried on at the Board's Hospital and Rehabilitation Centre, Downsview, continues to assist the more seriously injured to return to their work in a shorter period of time. Last year more than 4,200 persons were treated at the Centre.

In order to provide its many services, the Board employs 892 persons in the Toronto Head Office, 327 at the Hospital and Rehabilitation Centre and 67 in the four District Offices, 1 Audit Office and 5 Chest Examining Stations.

Carleton Federation Endorses Change In Hunting Law

Directors of the Carleton County Federation of Agriculture endorsed a resolution from Calvin Skuce of the Hunter Safety Programme requiring the licensing of all who "carry" or "use" a gun "in" or "near" a place where game are. This is an amendment of section seven of the Fish and Game Laws.

Bill Bompas of Bell's Corners was present to speak on the necessity of the change and explained that this change would not affect farmers for protection of their stock.

Alexis Groulx, Hawthorne, a member of the poultry committee, was named an official delegate to the annual meeting of the Ontario Poultry Producers in Toronto on March 29. Mrs. E. L. Macartney, Ramsayville, as chairman of the committee, will attend as a county delegate also.

A new Junior Farmer group, the Osgoode Township Junior Farmers, have been established, reported Colin Campbell official representative of the group to the directors of the county federation. A grant of $20 was authorized with a recommendation to the finance committee that a total of $200 be divided among the three Junior Farmer groups in the county

Albert Boyd, Carp, a director for the Ontario Agricultural Council, stated that the council wished to work closely with the Federation of Agriculture, and any time that special resolutions needed speeding up to pass them on to him.

Rae Cunningham, Perth, fieldman for Zone 6, stated that the first short course in co-operation and marketing will be held at the Kemptville Agricultural School April 21-22. Speakers will include Ralph Campbell, Gordon Greer and Everett Biggs.

After much discussion it was decided to look into the possibility of having a regular federation news broadcast on a local station. Farm Forum members have been invited to visit Carleton University, March 28. Reports were heard from Donald Munro, Carp, on the Canadian Federation of Agriculture meeting, and from Mrs. J. A. Berry, Dunrobin, on a recent members' meeting in Toronto.

Wm. Thomas Faulkner Dies At Morewood

William Thomas Faulkner, the oldest resident of Morewood, passed away recently in his 93rd year. He was the only son of James Faulkner and Katherine Stephenson. In 1892 he married Laura Dodge, who predeceased him 44 years ago.

A farmer in early life, he later established a business in Morewood which he conducted for over 50 years.

He was interested in his community and church, holding office in the Methodist Church and later supporting the United Church. He was also a lifelong member of the Bible Society. Actively interested in community affairs, he held office on village councils, Public School Boards and was chairman of the Morewood High School Board for over 20 years during which time two High School buildings were erected.

He was a lifelong Conservative, holding offices in the party, and was still chairman of his home poll at his death.

Interested in fraternal work, he joined the Loyal Young Britons 76 years ago, the Masonic Order in 1892, and the Independent Order of Oddfellows in 1891. He was a Charter member of Morewood I.O.O.F. and assisted in instituting 13 other lodges in Eastern Ontario. In 1892 he was District Deputy Grand Master. He had received a 65-year Jewel from the I.O.O.F. and a 60-year Jewel from the Masons.

Over 70 Oddfellows attended a service in the home on Sunday afternoon when the eulogy was given by Mr. Grant Chambers, of Ottawa, Past Grand Master of Ontario.

The funeral service was conducted by his minister, Rev. D. L. Gordon, assisted by Rev. D. Fry, Presbyterian Minister, and Rev. M. Allan, of the United Church, Morrisburg. Mrs. Archie Coulthart sang a beautiful solo, "No Night There," accompanied by Mrs. T. S. Barrington.

The Chesterville Masonic Lodge attended and conducted their committal service at the Cemetery.

Survivors are a son, Harold, at home; a daughter, Mrs. Edgar Strader (Gretta), of Morrisburg; a granddaughter, Mrs. Arden Trickey, and two great grandchildren, of Williamsburg.

Numerous beautiful floral tributes were received.

Interment was in the United Church Cemetery. Pall-bearers were Thomas Reveler, Stewart Mattice, George Beckstead, Russell Marcellus, Allan Swerdfeger and Donald Runions.

Friends attended the funeral from Montreal, Ottawa, Ogdensburg, Prescott, Cardinal, Brinston and Morrisburg.

United Church W. M. S. Auxiliary

AFTERNOON

The regular meeting of the Afternoon Auxiliary of the United W. M. S. was held in the Sunday School Hall last Thursday afternoon, with Mrs. Eldon Fennell presiding.

Mrs. Fennell opened the meeting with a tribute to Mrs. W. J. Stewart, a life member, who had died on Tuesday, and to Mrs. Carl Rice, a devoted member, who had died suddenly at noon that day. The members observed a period of reverent silence in their memory.

The minutes were read by Miss Ellice Smith. Mrs. H. O. McMillan gave an article on Christian Stewardship, and a paper on Temperance was given by Mrs. Grant McIntosh.

Mrs. Fennell read a letter of appreciation from Mrs. John Milne of Mountain.

Mrs. W. H. Angus reported 31 house calls, four visits to the hospital and the sending of 11 cards.

Mrs. W. H. Angus and Mrs. John Barrett had charge of the devotional and study period. Mrs. Angus summarized the life work of Dr. Albert Switzer, under the headings of his preaching, teaching and writing and his six trips to the continent of Africa.

The meeting closed with the Lord's Prayer.

EVENING

The Evening Auxiliary met at the home of Mrs. J. H. Willard last Tuesday evening. Mrs. R. Wylie, the president, welcomed members and guests and read a poem entitled "To Ask Oneself," followed by prayer. The minutes were read by Miss Evelyn Fennell, and a business meeting followed.

The worship serivce was in charge of Mrs. Percy Roberts, assisted by Mrs. Arnold Windsor and Mrs. Edgar Turner. The theme was "The Impact of Communications." Mrs. H. G. Barton was the pianist.

Mrs. Angus MacDonald thanked the committee in charge for their impressive worship service and delicious lunch, also Mrs. Willard for the use of her home.

The meeting closed with a prayer.

Mrs. J. Sutherland

District President Addresses W. I.

Mrs. John Sutherland, Chesterville, District President of the Women's Institute, was guest speaker at the March meeting of the Winchester Branch on Tuesday evening in the Legion Rooms. She was introduced by Mrs. F. Armstrong, and her topic was "Reminiscing on the Changes in Homemaking" which included bits of humour as well as interesting facts of years gone by.

Mrs. Wilfred McKercher presided for the business period and was assisted by Mrs. Charles Beedie as secretary. Ways and means were discussed in raising money to furnish a room in the new wing of the District Memorial Hospital, which the Women's Institute will undertake.

Mrs. McKercher gave a report of the 4-H Club meeting held here on Saturday and suggested a club be organized in Winchester village.

It was decided to have a short course here in the Spring on "The Third Meal" or "Window Dressing."

Miss M. Valley was appointed assistant secretary.

The motto for the evening was "Live to-morrow, but remember yesterday," and was replied to by Mrs. Roy Merkley.

Mrs. Howard Fetterly presided at the piano and gave several Irish selections.

At the close of the meeting lunch was served by Mrs. F. Armstrong and her committee composed of Mrs. Roy Merkley, Mrs. Chas. Cross and Mrs. Faye Scott.

Mrs. Ralph Johnston thanked the guest speaker and all who contributed to a most enjoyable evening.

Final Tribute Paid Memory Mrs. W. J. Stewart

Funeral service for the late Mrs. W. J. Stewart was held last Friday afternoon at the Radmore-Stewart Funeral Home, Ottawa. Rev. Herbert W. Reid conducted the service, and interment was made at Pinecrest Cemetery.

Mrs. Stewart died in hospital on Tuesday of last week following a lengthy illness. She was 68.

Born in Martintown, she received her education at Alexandria High School and the Ottawa Teachers' College.

Daughter of the late Alexander Lamabe and Elizabeth McVean, she married William J. Stewart, retired inspector of Public Schools for Dundas County, in 1924.

Mrs. Stewart was a member of the Women's Association of the United Church; the Women's Institute; the Order of the Eastern Star; the British and Foreign Bible Society, and a life member of the Women's Missionary Society. For 27 years she was a director of the Winchester Public Library while living here.

She had resided in Ottawa since 1957.

Surviving, besides her husband, are two daughters, Mrs. G. A. Gross (Betty), of Ottawa, and Mrs. R. E. Magera (Christine), of New York City; three brothers, Clair Lamabe, Fred Lamabe, both of Dundurn, Sask., and George M. Lamabe, of Muncie, Indiana.

PRECIOUS PROMISES

The expresssion, "keeping up with the Jones'," is quite a common one, and most of us know of the custom of many to endeavour to be the leading light in the community in which they live, and to do so must be at least equal to those who are around them. This is an unfortunate situation because it causes strife where only love should be.

Many of you know the story of the crow who wanted to be a pigeon, but before he could do so, he had to learn to talk like a pigeon and then walk like a pigeon, and learn to look like a pigeon, and he did accomplish all these things so that the pigeons accepted the crow as a pigeon. One day, fear came into his life, and fear goes to the secret places like the heart, and he said "Caw" instead of "Coo."

Keeping up to the Jones' now that they have married into British Royalty has put fear into the hearts of many because there will not be enough Princesses to go around, but — I have something to tell you, I have good news for you, you can be an heir to the Kingdom of God by just believing in the Name of His Son, Jesus Christ; you do not have to change yourself, He will do it for you; there will be no need for fear to come into your heart, He has banished fear; you will never have the worry of keeping up to someone, it will be for others to keep up to you.

Mr. Charles Acres, of Winchester, spent a few days last week with his daughter, Mrs. Fred Lewis, Mr. Lewis and family.

Sunday supper guests of Mrs. Etta Wyatt and Milton were Mr. and Mrs. Gordon Wyatt and boys of Kemptville and Mr. Clarence Hughes, Smiths Falls.

Mr. Herman Acres, of Que Pelle, Sask., spent a few days last week with his brother, Mr. George Acres, and family.

Day of Prayer Service was held last Friday evening in the Presbyterian Church with a good attendance. The theme was "Labourers Together with God," with Mrs. Earl Campbell giving the brief address.

Miss Elizabeth Savage has been a patient in the Memorial Hospital in Winchester where she underwent an appendectomy. We wish her well soon.

Misses Marlene and Carolyn Lewis spent the week-end at Winchester with Mr. and Mrs. Harvey MacIntosh and children.

Mr. and Mrs. Ian Dow, of Ottawa, spent the week-end with Mr. and Mrs. Wm. Dow.

We are sorry to hear that Mr. Alan Cameron is confined to his bed for a few weeks, and all wish him better soon. His daughters, Christie and Diane, spent the week-end in Morrisburg with their grandparents, Mr. and Mrs. Meyers.

BAPTIST SENIOR MISSION CIRCLE

The Baptist Senior Mission Circle was held at the home of Mrs. Peter MacMartin last Wednesay with 15 ladies present. The president opened the meeting with a seasonal meditation and prayer. The Scripture lesson was read by Mrs. Maynard McDiarmid and followed by a season of prayer led by Mrs. Harry Anderson.

Business was discussed and roll call was answered by verses taken from the Psalms.

The topic, "Ambassadors in Angola," was ably given by Mrs. Jas. Ferguson who said that African natives are now being trained as missionaries. Eight of 21 missionaries are now completing their language study in Lisbon. They have to go to Scotland for part of their training in nursing, but are willing to endure many hardships in the cause to which they are dedicated.

The meeting closed with the Lord's Prayer. The hostess served delicious refreshments during the social hour.

Marvelville

The W. M. S. held a quilting bee at the home of Mrs. George George Hoy recently. The ladies accomplished much work and enjoyed a pot-luck supper together.

Mrs. Wm. Robinson is holidaying in Port Hope with her brother, Robert, and sister, Edna.

Metcalfe and Marvelville broom ball teams met in the opening game of their play-offs Monday evening, with Marvelville the winners with a score of 3-2. They now meet the Experimental Farm team from Ottawa in the last lap of the play-offs.

Mr. Lawrence Brunton, of Vernon, and Douglas of Calgary, called on friends in Marvelville on Friday. Douglas is spending hiss leave with his parents.

It was nice to get back to church on Sunday after having had the services cancelled for the past two Sundays owing to the snow storms.

Kenmore Baptist W. M. S. and Kenmore United W. M. S. joined with Marvelville W. M. S. for the World Day of Prayer Service last Friday evening.

Mr. and Mrs. Leonard Doxsee were Friday evening guests at the home of Mr. and Mrs. Olin Stearns.

"SPEAKING"

(Continued from Page 1)

Brockville.

IN MEMORIAM

FAWCETT—In loving memory of my dear husband, Norman Fawcett, who passed away March 16, 1959.

Since you've gone first and I remain
One thing I'd have you do—
Walk slowly down the path of death
For soon I'll follow you;
I want to know each step you take
That I may walk the same,
For some day down the lonely road
You'll hear me call your name.

44p —Wife, Gertrude.

HUNTER—In loving memory of our dear parents and grandparents, Mr. and Mrs. Charles E. Hunter, who passed away: Dad, February 17th, 1957; Mother, March 24th, 1957.

Three years have passed since these sad days
When ones we loved were called away,
God took them home, it was His will,
But in our hearts they liveth still.

—Ever remembered by Ken and Della Hunter and family. 44p

HUNTER—In loving memory of a dear mother, Mrs. Charles E. Hunter, who passed away March 24th, 1957.

"In memory a daily thought,
In heart a silent sorrow."

—Daughter (Audrey), Bruce and boys. 44p

FAWCETT—In fond and loving memory of a dear husband, Norman Fawcett, who passed away March 16th, 1959.

So dearly loved by one and all,
He was so good, unselfish and kind,
Few on this earth his equal we find.

Nothing can ever take away
The love our hearts hold dear,
Fond memories linger every day,
Remembrance keeps him near.

We do not need a special day
To bring him to our mind,
For the days we do not think of him
Are very hard to find.

If all the world were ours to give
We'd give it, yes, and more,
To see the face of our dear dad
Come smiling through the door.

—Ever remembered and sadly missed by daughters, Mrs. Wm. Kirkwood, Gladys Serviss.

44p

BOWEN—In loving memory of Marion E. Bowen, who departed this life March 12, 1954.

"To us who have loved and lost her,
Her memory will never grow old."

—Always remembered by Verna Fader. 44p

CARD OF THANKS

CARD OF THANKS—To my many friends and neighbours a warm "thank you" for your flowers, cards, treats, gifts and personal visits during the three times I was a patient in the hospital. I would like to thank all my doctors, special nurses, and the nursing staff for their patieince, kindness and efficient care. I also wish to thank Rev. Mr. MacDonald for his visits. This kindness shown will long be remembered.—Mrs. Herb Allen. 44p

CARD OF THANKS—The members of the family of the late Mrs. W. J. Stewart wish to express their sincere gratitude for the many acts of kindness, messages of sympathy and other tributes rendered during their recent bereavement in the passing of a beloved wife and mother. 44p

CARD OF THANKS—I wish to thank my neighbours and friends for the many acts of kindness shown to me and to my family at home during my stay in the District Memorial Hospital; for cards, treats and visits, the plant and prayers from the Wesleyan Methodist Church people. Special thanks to Dr. Byers and the hospital staff. —Mrs. Floyd Coons. 44p

CARD OF THANKS—I wish to thank my neighbours and friends for the many acts of kindness shown to me and my family while I was a patient at the District Memorial Hospital and my convalescence at home. Your cards, gifts, flowers and personal visits have been sincerely appreciated. A special thanks to the hospital staff.—Mrs. D. L. MacLean. 44p

CARD OF THANKS—I wish to thank my friends and neighbours for all their kindness while I was ill recently.—Dorothy Hill. 44p

CARD OF THANKS—We should like to take this opportunity to thank our many kind friends and neighbours who remembered us with acts of kindness, messages of sympathy and floral tributes during the bereavement of our beloved wife and moher, Hilda Rice. We would also like to thank Dr. Barton and Dr. Byers and the nursing staff for their attention at all times. Everything was deeply appreciated. —Carl and Alice Rice. 44p

ACTIVITIES AT M. D. H. S.

HOLD SUCCESSFUL JAMBOREE

More than 270 students from district high schools attended the Jamboree on Friday evening and according to reports from other schools it was a decided success. The Student Council is to be congratulated on its fine efforts to bring the students of the various schools together for an evening of entertainment.

The evening's entertainment began with a short programme of talent provided by some of the attending schools. Maxville High students presented a Skit, Highland dancing and an accordion solo. A duet and a Mimic provided entertainment from South Carleton, while Mountain District provided a monologue and a medley of old-time favorites.

A nine-piece orchestra, made available to the students by Radio Station CKOY, provided the music for dancing, culminating with refreshments served by the Student Council.

Our appreciation to Radio Station CKOY for providing such an excellent orchestra for the Jamboree; to Parisien and Whitney Beverages (Pure Spring) for providing the soft drinks, and to Mr. Gord. Cumming who donated the Public Address System.

CURLING ENJOYED AT MAXVILLE

Four teams from the Mountain District High School Curling Club enjoyed an afternoon of curling with the Maxville High students at the Maxville curling rink on Saturday afternoon. Although we managed only one win, the curlers thoroughly enjoyed themselves. Supper was provided for the curlers of both schools at the Maxville Curling Rink, followed by an evening of dancing at the Maxville school. The Maxville curlers will visit the Winchester curling rink for a return engagement with our teams on Saturday, March 26. Our Club will entertain the Maxville curlers at supper and an evening of dancing at the Hallville school.

Two teams of curlers will travel to Morrisburg on Thursday evening, March 17, to compete with the Morrisburg High curlers. We shall entertain the Morrisburg curlers on Wednesday, March 23, at the Winchester rink.

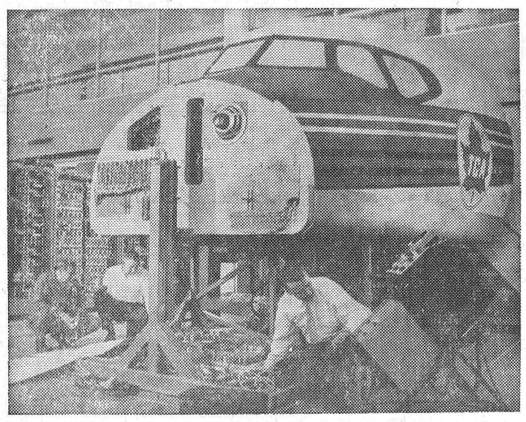
LIVE BETTER ELECTRICALLY



Technicians assemble Trans-Canada Air Lines highly complex Douglas DC-8 simulator in the company's new training building at Montreal. The $1,000,000 machine, built by Link Aviation Company, is capable of doing anything the aircraft can do — except leave the ground. It even simulates random passenger movement while the aircraft is in flight. The simulator will be used to supplement training of pilots for the 550-mile-an-hour, 127-passenger DC-8's, cutting costs and leaving the aircraft themselves free for revenue passenger service. More than 128 miles of wire, some thousands of vacuum tubes and hundreds of amplifiers and servomotors are included in the simulator complex, which has been called the largest analogue computer in the world. TCA pilots began training on the simulator at the end of February.

Shades Of Inkerman Rocket Days As Hockey Fans Jam Arena

Midgets, Juniors Still Alive In Playdowns

The crowds were never larger and the hockey is the best that has been played in the Community Centre in more than a decade as Winchester's two high flying hockey squads continue to advance into Eastern Ontario playdowns.

Last Friday night, before one of the largest crowds ever to attend a game in Winchester, more than 1500, Winchester Juniors blanked Cornwall Furys 4-0 to win their best of five round three games to two. The win gave the Dawley crew the District Junior Championship and this team is now fighting it out with the Ottawa-Hawkesbury Montagnards for the right to advance in Memorial Cup playdowns.

Hawkesbury took the first game Monday night 5-3 after coming from behind in the third period. The Montagnards are high favourites to wind up the series in the second game (played last night). Monday night they were outchecked by a stubborn, spirited group of players that make up the Winchester aggregation. Winchester spotted the Montagnards one goal in the first stanza and then, sparked by the two-goal performance of Don Oshier, took a 2-1 lead in the second and made it 3-2 early in the third before the visitors' fast skating and smooth-working plays started to pay off. Doug. Casselman counted the third goal for Winchester.

Nine penalties were handed out in the game, with the visitors collecting six of them.

MIDGETS WINNING

After dropping the first game 2-1, Winchester Midgets roared back to trim Prescott 6-2 and grab the two-game total point series 7-4. The win moved the Trojans of Murray Martin into the Eastern Ontario semi-finals against Alexandria.

Playing in Alexandria on artificial ice, the Trojans got off to a slow start and at the end of the first period the local Midgets were down 3-2. They evened the count in the middle frame and drove home three more in the final 20 against Alexandria's two to win the game 6-5.

Winchester scorers were paced by Dale Allison's three goal effort. Waddell, Holmes and Raistrick rounded out the scoring. Alexandria lamp-lighters were Benton and Shepherd with two and a singleton by Leroux. The Trojans scored two of their goals while shorthanded. Seven penalties were handed out, with the home town Glengarry boys going to the sin bin only twice.

Coach Murray Martin accused the Alexandria team of using players not eligible when a check of cards revealed that Alexandria was using three players who had signed cards with Maxville. ODHA officials claimed that the coach of the Alexandria team was ignorant of the rule and as a result the team will be allowed to continue in playdowns, minus the three Maxville players. It was almost a discriminating rule against the Winchester team as officials had forced the locals to drop two of their good players to Kemptville late in the season. The Kemptville squad, by the way, lasted about two weeks.

Mountain C.O.C. Holds Banquet

Mountain District Chamber of Commerce held its first regular meeting in Mountain I.O.O.F. Hall last Wednesday night with a good attendance. During the course of the meeting several items of business were transacted including the Chamber's decision to sponsor a Boys' Club. The club will be under the direction of the Educational Committee of the Chamber.

The Chamber also appointed a delegation to attend the meeting at Kemptville which will deal with the proposed removal by CPR of trains 35 and 36 (the meeting was held last night).

By-laws of the newly organized Chamber were read and approved. Fred Graham of Morrisburg was the guest speaker and he told his audience of some of the necessities in looking after lawns, shrubs and flowers. He was introduced by Harold McMenomy.

Plans for a banquet and Charter presentation were made for April 27.

The speaker was thanked by Delbert Fawcett.

In the Fireside Group on Monday evening Archie Rice was top bowler with 191, 200 and 214 singles to cross 605. Douglas Angus had 604-213, Dudley Craig 593-228.

W. H. S. PUBLIC SPEAKING COMPETITIONS

Public Speaking Contests will take place in the Winchester Town Hall at 7.45 p.m. on Friday, March 18th, 1960.

Six Lower School students will compete for the Alumni Cup, presented to the school for annual competition by a group of Winchester H. S. Graduates. This cup will be held by the winner for one year, and a replica, given by Mr. Brian Raistrick, will be the winner's permanent possession.

A similar competition for Middle and Upper School students will take place the same evening for the McMaster Cup and its replica, both presented to the school by the late Mr. Hugh McMaster.

Items of entertainment will add to the interest of the programme.

Everyone is cordially invited to attend this programme. Your presence will help encourage the students who are speaking and entertaining, to continue their efforts along these cultural lines.
