Hon. Russell T. Kelley Lays Corner-Stone at Winchester District Memorial Hospital

The site of the Winchester District Memorial Hospital was the centre of attraction on Saturday afternoon last, when the Ontario Minister of Health, the Hon. Rusell T. Kelley, officiated at the "Laying of the Corner Stone" of the building, which is now under construction. The weather was ideal for the occasion and an estimated crowd of nearly 2000 Winchester and district citizens were in attendance.

The ceremony, which was presided over by Mr. Walter C. MacDonald, Chairman of the Hospital Board, opened with the playing of "O Canada," and a popular hymn, by the Morrisburg Community Band, under the direction of Bandmaster Tim Johnston, folowed by a prayer from Dr. G. A. McIntosh.

In his opening remarks, the chairman outlined the progress that the Hospital Board had made to date, and gave a few figures on the financial position of the Board. He paid tribute to the men who were associated with him on the Board and others who had worked tirelessly to have the hospital established. As more finances are urgently needed to complete the financing of the project, Mr. MacDonald made a plea for the continued financial support of all citizens in the hospital area.

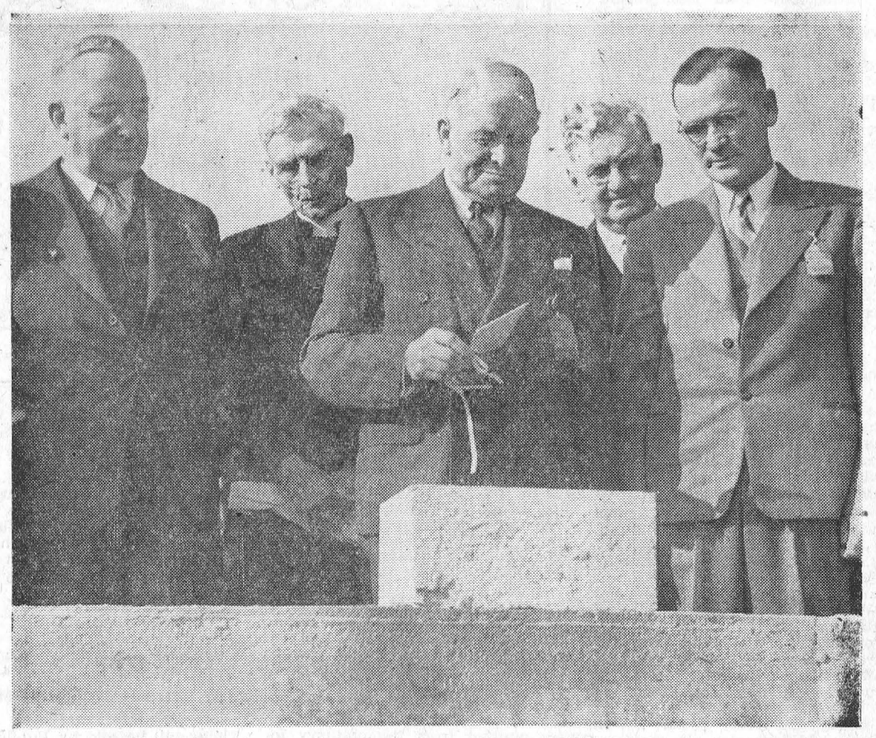
He welcomed and thanked all who were present at the ceremony, and expressed Reeve Albert Turner's regrets at not being able to be in attendance, due to the fact that he was attending the funeral of the late A. K. MacMillan, Counties' Clerk, who died on Thursday. At the conclusion of his address, he called on Dr. Howard Justus, of Chesterville, Chairman of the District Medical Association, to introduce the guest speaker.

Dr. Justus gave a very interesting address, outlining reasons why a hospital was needed and was deserving of strong support in this district. He commended the Minister of Health and his department for the interest and financial assistance they were giving to the project. He then introduced the Hon. Russell T. Kelley, Ontario Minister of Health, the guest speaker for the afternon.

As he arose to speak, Hon. Mr. Kelley was given a great ovation by the crowd. He said that it was a pleasure for him to be present at this ceremony, as he was strongly in favour of having hospitals established in the smaller communities. He announced that his department would finance the project to the extent of at least $32,000.00, under the government's new policy to assist the financing of hospitals.

"One of the things we need to do if we are to have a prosperous country," said the minister, "is to maintain a progressive agricultural industry." The rural centres must have available for their inhabitants as many of the services as possible, as the city dwellers have, he said. It was for this reason that he was in favour of having hospitals established in the smaller centres.

Speaking of the Winchester District Memorial Hospital and its problems, he pointed out that the people of this district were to be commended for undertaking the project in such a small community. "You have a problem on your hands regarding finances," he continued, "but if you all work together that can be overcome." He quoted an old phrase he heard when he was a boy, which he said could apply to all undertakings, "United we stick, divided we're stuck." He urged all to get behind the Hospital Board and give them the utmost encouragement in this good work, and, said Mr. Kelley, "if you can't say something good about the hospital—keep quiet and say nothing." No community in Ontario of this size has raised $100,000 for such a project, the minister said, and your progress will be watched with interest by himself and his department. He told the Board that it could rely on the assistance of the Department of Health to the fullest extent.



Shown above laying the cornerstone of the Winchester District Memorial Hospital on Saturday is: Hon. T. Russell Kelley, Ontario Minister of Health. Watching the ceremony are Hon. Geo. H. Challies, M.L.A. for Grenville-Dundas; Rev. Geo. McIntosh, D.D., of Winchester; A. H. Acres, M.L.A. for Carleton County; and Walter MacDonald, of Winchester, chairman of the hospital's Board of Directors. Other pictures appear on Page 6.

The Ontario Department of Health, said Mr. Kelley, spends $18,500,000 each year on its citizens after they become sick. A great saving could be made here if people paid more attention to their health, he said. See your doctor when you are well, and you may ward off a serious illness. Live a life of sunshine and helpfulness to others. Watch your diet, consult your dentist often, don't neglect your eyes, and get plenty of rest, particularly before midnight, were some of the things he suggested for more healthful living.

In conclusion, he urged the people to get behind the hospital project and at all times refrain from knocking it. Before he took his seat, he paid the Morrisburg Band a deserving compliment for the fine music it had provided. He said he liked a band, and Morrisburg could well be proud of its Band. He also complimented the two young girls who had sold him hospital tags when he arrived in town. He was so much impressed with their ingenuity that he invited them to the platform and presented each with a dollar bill to have their names inscribed on the Hospital Scroll. The two girls who presented themselves were Winnie Deeks and Carolyn Ferns. They had sold tags to so many strangers, they thought Mr. Kelley was one of them. However, after the ceremony was over, two other little tag-sellers, Norma Watson and Norma O'Neil, approached Mr. Kelley and informed him that they were the two who had sold him the tags. He looked hem over and said, "that's right, I recognize you now," so he also gave them a dollar bill each to have their names placed on the Hospital Scroll.

Following Hon. Mr. Kelley's address, the Chairman called on Mr. Wallace Carkner, of Kenmore, to introduce Mr. A. H. Acres, M.L.A., for Carleton County.

Mr. Acres spoke words of encouragement to the Hospital Board and congratulated the district on undertaking such a fine work. He said he was strongly in favour of decentralization of Hospitals, so that hospital service could be made available in the smaller centres. Making the smaller communities more attractive was an inducement for our young people to remain on the farm, he said. He paid tribute to Hon. Mr. Kelley, when he said he was one of the finest men in the government and would do all that was possible to assist in the local project. He assured the Board that Carleton County was one hundred per cent. behind the Winchester District Memorial Hosptial, and wished it every success.

Dr. G. A. McIntosh was then called upon to present Hon. Mr. Kelley with a suitably inscribed silver trowel. This trowel was donated for this purpose by a number of Winchester and district business men and other citizens.

Following the presentation of the trowel, the Hon. Mr. Kelley proceeded to lay the corner stone at the north-east corner of the foundation. The stone was donated to the Hospital by a well-known Granite firm. When the stone is sealed, it will contain the Hospital Scroll, a brief history of the Hospital to date, compiled by Mr. F. Erle Helmer. one of the original directors, and a copy of The Winchester Press.

The next speaker, the Hon. George H. Challies, M.L.A. for Grenville-Dundas, was introduced by Mr. N. W. Beach.

Mr. and Mrs. Chester B Timmins Celebrated 50th Wedding Anniversary

Saturday, October 4th, 1947, was an important day in the lives of two of Winchester's most beloved and highly esteemed citizens, Mr. and Mrs. Chester B. Timmins, for on that day they celebrated their Silver Wedding Anniversary—a half century of happy married life. The celebration was held at the home of their daughter, Mrs. Wm. J. Hitsman, and Mr. Hitsman, Main Street, with all members of their family present.

It was on October 4th, 1897, that Miss Effie Robinson, daughter of the late Mr. and Mrs. John Robinson, of Mountain Township, became the bride of Mr. Chester B. Timmins, son of the late Mr. and Mrs. Andrew Timmins, of Winchester. The ceremony was performed at the bride's parental home, with Rev. Mr. Comrie, pastor of the local Presbyterian Church, officiating, assisted by Rev. Mr. Kellock, the Presbyterian Minister at Morewood. The bridesmaid was Miss Carrie Reid and the groomsman was Mr. Byron Timmins, cousin of the groom. Following a honeymoon, spent in New York City, Mr. and Mrs. Timmins took up residence on a farm in Mountain Township. In 1904, they moved to Winchester and settled in the house in which they still reside. Mr. Timmins established himself in the Fuel and Machine Business, which he conducted for several years. In 1922 he joined the sales staff of Melvin Motors, with which firm he is still associated.

Always interested in community affairs, Mr. Timmins has served several terms on the Municipal Council. He was a past District Deputy Grand Master of the Oddfellows; a Past Master of Henderson Lodge No. 383, A. F. & A. M.; a Past President of the Winchester 100 Club; a member of the Official Board and Choir of the United Church, and has always taken a keen interest in sports. Mr. Timmins has two brothers, Stanley, of Calgary, and Henry, of Toronto.

Mrs. Timmins, like her husband, was also active in community work, until about 28 years ago, when she injured her hip in a fall and was left partially crippled. She has two sisters, Mrs. Stanley Timmins, of Calgary, Alta., and Mrs. G. G. McEwen, of Ottawa.

Although well over the 70-year mark, both Mr. and Mrs. Timmins are enjoying good health, and it is the earnest wish of their many friends that they will continue to enjoy many more years of wedded happiness together.

Many Friends Call

In addition to the several cards, letters, telegrams and telephone calls received, Mr. and Mrs. Timmins were visited by 250 friends during the afternoon and evening on Saturday. They were assisted in receiving the guests by their son, Preston, of Kingston, and daughters, Mrs. Ewart McInnis, of Iroquois, and Mrs. Wm. J. Hitsman, of town.

During the day, the guests were ushered to the tea-room by Mrs. A. G. Suffel.

Ladies who poured tea were: Mrs. G. G. McEwen, Miss Mae Rose, Mrs. Herbert Faith, Mrs. Hart Melvin, Mrs. Faye Scott, Mrs. J. L. Dixon, Mrs. Geo. Dixon and Miss Mary A. Empey. Assisting in serving were: Mrs. Delong Preston, Mrs. Alex Davidson, Miss Martha Knowland, Miss Viola Milligan, Mrs. Chester Robin-

COUNCIL MET ON MONDAY

Only routine business was done at the regular meeting of the Municipal Council, held on Monday evening. In the absence of Reeve Albert Turner, who was attending the Canadian Chamber of Commerce Convention in Quebec City, Councillor Earl Morgan was appointed acting Reeve and presided over the meeting. Other members present were Councillors C. R. Robinson, John M. Fader and W. F. Workman; the clerk-treasurer, Mr. E. M. Shaver, and the Town Foreman, Mr. Gilbert Raistrick.

Accounts passed included Municipal Orders to the amount of $767.38, and Hydro Orders totalling $1624.71.

Building Permits were issued to the Winchester District Memorial Hospital Board, C. H. Richardson & Co., and Mr. G. H. Reynolds.

Mr. Arthur Hitsman waited on the Board, requesting that some action be taken regarding the placing of a drain on Alexander Street, as asked for in a petition of ratepayers several months ago. It was decided to proceed with the drain at once, now that tile is available.

One tender was opened for maintenance work on the Henderson Creek Drain. No action will be taken on the tender until the Court of Revision is held on October 20th, and until the Township Council has been consulted.

The Road Committee was instructed to take the necessary action to have the holes in the roads on local streets repaired this fall. The contract which had been given to the Municipal Spraying Company for resurfacing the streets was cancelled at the request of the Company.

The Town Foreman was authorized to have a dangerous tree on Cameron Avenue removed, in the interest of public safety; also to have the Fire Well on Main Street West repaired at once.

Council adjourned to meet at the next regular meeting, or at the call of the reeve.

Makes Second Donation To Hospital Fund

The directors of the Winchester District Memorial Hospital acknowledge with sincere thanks a donation of $250.00, received this week from the Hon. Geo. H. Challies. This was Mr. Challies' second donation to the fund. In a letter accompanying the donation, Mr. Challies expressed the hope that the citizens of this district would realize the importance of having a hospital in their district and would back up the Board of Directors to the limit in their efforts to raise the additional money required to complete the financing of the project.

For the benefit of those who still wish to have their names inscribed on the Hospital Scroll, we wish to announce that it will be left at the local Post Office for a few days, or until such time as the corner stone is to be sealed. A donation is all that is needed to have your name recorded on the scroll.

WEDDINGS

KETTLES—BARKLEY

The local United Church was the scene of a pretty wedding ceremony at high noon on Tuesday of this week, when Miss Muriel Marion Barkley, younger daughter of Mr. and Mrs. Walter C. Barkley, of Winchester, was united in marriage with Mr. Stuart Alexander Kettles, of Ottawa, son of Mrs. Alexander Kettles and the late Mr. Kettles. Rev. Norman J. Thomas, pastor of the church, officiated, with Mrs. Howard Fetterly presiding at the organ for the wedding music. The soloists were Miss June Rowat, of town, who sang: "O Promise Me" during the signing of the register, and Mr. G. Switzer, of Ottawa, who sang "Because."

The bride was given in marriage by her father, and attended by her sister, Mrs. L. G. Doxtater, as matron-of-honor, and by Misses Kathleen Connelly, Colleen Sullivan and Doris Utman as bridesmaids, and by Miss Heather Kettles as flower girl. Mr. Sidney Bell was best man, and the ushers were Mr. James Kettles, Dr. Rodney Smilie and Mr. L. G. Doxtater. Master John Hitsman was ring bearer.

For her wedding, the bride wore a floor-length gown of white brocaded organza with a slight train. Her fingertip veil was held in place by a wreath of orange blossoms, and she caried an arm bouquet of Bettertime roses.

Following a reception held in the Town Hall, Winchester, the couple left on a wedding trip to Detroit. For travelling, the bride wore a black and fuchsia dress under a lime green coat, with black accessories.

Mr. and Mrs. Kettles will reside at 666 Kirkwood Ave, Ottawa.

Out-of-town guests included Mrs. Alexander Kettles, Mr. and Mrs. John Kettles, Mr. and Mrs. D. Duncan, Mrs. James Kettles, Mr. Jack Lloyd, Mr. and Mrs. D. E. Joynt, Mr. and Mrs. Gus Switzer, Mrs. V. Cadieux, Mr. Raymond Clements, Mr. H. Byles Miss H. Lindsay, Miss F. Riddell, Miss T. Gordon, Mrs. R. C. Barkley, all of Ottawa; Mrs. L. B. Hitsman, of Morrisburg; Mr. and Mrs. Lyle Marcellus, of Chesterville; Mr. and Mrs. D. F. Blair, of Osgoode; Mr. and Mrs. Henry Kettles, of Hurdman's Bridge; Mr. and Mrs. Wm. Fee, of Ramsayville; Miss Ida Campbell, of Vernon; Mrs. T. K. Chappell, Montreal; Mr. and Mrs. Wm. Spence, of Ottawa.

Stores Will Close On Thanksgiving Day

Monday, October 13th, is Thanksgiving Day, and as has been the custom in previous years, local merchants will close their stores in observance of the holiday. With a long week-end coming up, householders are reminded to consider this when doing their shopping on Friday and Saturday. Thanksgiving Day is the last statutory holiday until Christmas.

FEED NEWS

STABLE—PHOS

Book orders now for the season's supply of Stable-Phos. Orders going in now will be delivered from the car about the end of October.

The price will be about the same as last year, possibly slightly higher.

Those who use Stable-Phos find that it does all that C.I.L. says it will do. It deodorizes, disinfects, makes Super-Manure.

Stable-Phos gives the stable a clean appearance and because of its granular gritty structure removes slime and slipperiness from the floors.

Stable-Phos reduces odours and acts as a preventive of mastitis or garget.

In addition to the benefits in the stable, Stable-Phos adds phosphoric acid to make manure a better balanced fertilizer—a Super-Manure.

Phone 136 and order enough to do right through the season.

Ton lots or more will be delivered from the car and all sales will be on a cash basis this year.

Historical Sketch of The Winchester District Memorial Hospital

(By F. Erle Helmer)

Having been commissioned by the Board of the Winchester and District Memorial Hospital to write a history of its founding, I, F. Erle Helmer, of the Village of Winchester, this Fourth day of October, 1947, present this brief account. I believe that the following gives a true picture of events leading up to the laying of the Corner Stone, where this parchment will be placed.

Winchester and District Memorial Hospital has grown to its present proportions from a small beginning. It was commenced with only humanitarian objects in view, relief to the injured, the curing of the sick, and the saving of lives.

Dr. J. J. McKendry, in the year 1944, was alarmed at the increasing difficulty experienced by doctors of the district, in getting proper hospitalization for their patients, and went to the Winchester Press with a letter which pointed out the seriousness of the situation, suggesting that some small hospital be established in Winchester, to take care of its own patients.

Reeve Albert Turner and his council of Chester R. Robinson, John M. Fader, Walter C. MacDonald and F. Erle Helmer, were so impressed by the letter and by statements in an editorial in the Winchester Press, that a public meeting was called.

Called to find what support might be forthcoming in the event of proceeding to establish a small hospital in Winchester, the Council was so encouraged by the response that they decided to petition the Department of Health at Toronto for a charter. J. L. Dixon, Harry L. Flora and W. J. Leroy Boyd were asked to act with the council as the other members of the Provisional Board.

The first charter was granted by the Ontario Department of Health on December 1st, 1944, and Cecil Burgess, of Ottawa, was engaged as the architect. The first idea was to remodel the Elliott house on Piety Hill. The plans for the changing of this house and for an addition to accommodate 20 beds, were approved by the department. However, the cost of changing the house, building the addition and an elevator, was so great, that the plan was dropped.

It was then thought that a 20-bed hospital in a new building would be the most economical, but when a delegation of the Board went to Toronto with this plan, the Department of Health again suggested that a larger area surrounding Winchester was also in great need of hospitalization, and that about 28 beds would be needed.

The delegation returned to report, and after several meetings had been held, at which Norman W. Beach and Hugh McMaster were present in an advisory capacity, the larger district was formed. Until this time, all of the preliminary expenses had been borne by the Village of Winchester.

After the organization of the larger district, Walter C. MacDonald was elelcted Chairman of the Provisional Board, with Chester R. Robinson, secretary, which offices these two gentlemen still hold on the new board. It was largely due to their leadership that the organization was proceeded with, even in the face of opposition in some quarters. The larger hospital area was made up of the Villages of Winchester, Chesterville and Russell, the Townships of Winchester, Osgoode, Mountain, parts of Matilda and Williamsburg.

Norman C. Matthews, of Mailways, Toronto, was engaged to organize the canvass of the larger area. Winchester village put on their campaign on the second and third of July, and in the two days more than $30,000.00 had been contributed in this village of a little more than 1100 people. During the entire campaign, the work of advertising by loud speaker cars, the promotion, and a multitude of small duties were performed by the provisional directors. Among the many volunteers were Major Harold Beach, Mr. Herbert S. Carkner, Hart Melvin, Eldon Fennell, as well as the veterans of the two wars, who did most of the canvassing in the village. All of these gave their time, their cars, paid their own expenses, and then contributed as much as they could afford to swell the fund.

This hospital is truly a people's institution, for a survey of the contributions show that the highest was for $1500.00, and that the bulk of the subscriptions came from those who had to make sacrifices to pay them. The late Miss Emma Barkley, for years a cripple confined to a wheel chair, with hands twisted by arthritis, gave $35.00 which she had saved from the sale of fancy work fashioned with those same hands. Old age pensioners saved from their meagre allowances to give their mites and practically every wage earner in the community was a contributor.

In the surrounding district, Reeve George Lewis, of Osgoode township, and his Deputy, Norman J. McCormck, were enthusiastically behind the project, and Mountain township was organized by Howard E. Biccum and H. W. Campbell, while Dr. S. A. Kinnaird led the Russell workers. Throughout the whole campaign, Dr. Howard Justus, of Chesterville, was indefatigable in his efforts to bring about the building of the hospital, and his advice was often sought by the Board, and freely given. Dr. H. S. Gross, of Winchester, also gave unsparingly of his time, and was the largest contributor.

Although the result of the campaign was not as good as had been expected, as some districts did not measure up to their responsibilities, the Board, with their optimism undimed, decided to proceed with the building of a 28-bed hospital.

The Edgerton site was purchased, later found to be too small, and the present site was acquired from Ralph Ault, of Montreal, the first site being sold. In the meantime, by-laws governing the hospital were drawn up by Norman W. Beach, Chester R. Robinson and F. Erle Helmer, and submited to Cass & Cass, of Winchester, to insure their legality. Bylaws pertaining to the nursing staff and medical matters were submitted by the Medical Board, of which Dr. Howard Justus is chairman, and Dr. H. S. Gross, Winchester, the secretary.

The first anual meeting of the members in the Hospital District was held on January 14th, 1947. The bylaws were aproved, the financial statement read, and all prior expenditures ratified by the meeting. The following slate of officers were elected at the meeting:

President, Walter C. MacDonald; Vice President, Wilfred Porteous; of Vernon; Secretary, C. R. Robinson, Winchester; Treasurer, O. V. Stevenson, Winchester; Management Committee, George McCaffrey, Lloyd Steele, W. J. L. Boyd, E. B. McMillan, Harry Holmes, Dr. Howard Justus, Wesley Flegg, and Wilfred Porteous; Finance Committee: Wallace Carkner, Hart Melvin, Leroy Berry, W. J. L. Boyd, N. W. Beach, William Carkner, Eric Casselman, George Peterson and Harry Carruthers; Property Commitee, Albert Turner, R. C. Dillabough, Hart Melvin, N. W. Beach, Wm. R. McMenomy, E. B. McMillan, Harry Holmes, Dr. H. W. Justus, Wallace Carkner, George McCaffrey, Lloyd Steele, Wilfred Porteous, Leroy Berry, Wesley Flegg and W. J. L. Boyd.

The action of the Ontario Legislature in granting to new hospitals, $1000.00 per bed for construction, and in raising the allowance on all bed patients, encouraged the new Board, and the contract calling for the erection of a 32-bed hospital was let to M. Sullivan and Sons, of Arnprior, the actual work commencing the middle of August.

To the Winchester Press and its editor, this community owes a great debt, for without its support, and without his wholehearted co-operation, the undertaking could not have reached the success attained. The Journal Dailies also helped in the printing of advance news and covering meetings, as did a few other weekly newspapers.

Many whose names it is not possible to mention, and whose efforts are not reported, will have the satisfaction of seeing the building grow, and of knowing that they too, have had a part in this great humanitarian undertaking.

GREELEY WOMAN WAS VICTIM OF DIPHTHERIA

The citizens of Greeley and Edwards were shocked on Wednesday last to hear of the death of Dinah Lennox, beloved wife of Harvey Jackson. She was in her 63rd year. Mrs. Jackson fell a victim to that dread disease, Diphtheria. She was a daughter of the late Silas Lennox and Maria Lang. Besides her husband, she leaves to mourn her loss, two daughters, Hazel, Mrs. Dalton Rodney, Ottawa, and Stella, Mrs. Orval Reaney, of Greeley; and three sisters, Mrs. James Lawlor, of Ottawa; Mrs. R. J. Reaney and Mrs. Aleen Morrison, of Greeley. Mrs. Jackson was a niece of Mrs. Mary Lennox and Robert Lang, of Winchester. Mr. Jackson is a nephew of Mrs. Naomi Bowman. The funeral was held on Thursday last at her residence, conducted by her minister. Interment was made at Metcalfe Cemetery.

KNOX W. M. S. MEETING AT WINCHESTER SPRINGS

The monthly meeting of Knox W. M. S. was held at the home of Mrs. Joe Davidson on Wednesday afternoon, Oct. 1st, with the president, Mrs. I. P. McIntosh, in charge. The meeting opened with a hymn, followed by a prayer read from the Glad Tidings. Following the minutes and roll call, the Welcome and Welfare report was given. During the busines period, it was decided to order several boxes of Christmas Cards, to be sold. Delegates were appointed to attend the Sectional to be held at Winchester.

Devotional service was taken by Mrs. Elzie Johnson, assisted by several members reading passages of Scripture carrying out the theme, "Forgive us our debts as we forgive our debtors." Mrs. Keitha Morrow read an interesting chapter from the Study Book, "The Church takes root in India."

Mrs. I. P. McIntosh expressed words of regret at losing a valued member in the person of Mrs. Elzie Johnson, who replied that she would always be a W. M. S. worker wherever her new home may be. The paper, "News Bits," was read by Mrs. J. Davidson. Prayer by the president closed the meeting. Refreshments were served by the hostess, and a social hour was spent, at which Mrs. Lloyd Dixon and baby John were guests.

ST. PAUL'S LADIES' AID

The October meeting of the Ladies' Aid was held at the home of Mrs. Walter Moffat, with the president in the chair. The meeting opened with a hymn. The scripture was given by the president, and the lesson by Mrs. Anderson. The secretary, Miss Irving, gave her report, and the treasurer's statement was heard. New business was dealt with, and a motion was made and carried to hold the Annual Bazaar on Thursday, Nov. 20th, with a supper served. The meeting closed with the Lord's Prayer.

THE MIXING BOWL

BY Anne Allan HYDRO HOME ECONOMIST

Hello Homemakers! Grapes—Ontario's last perishable fruit of the season is ripening, and the time is now ripe to fill spare jars with grapes—with grape juice to be served hot or cold, as a sauce to top desserts, or in gelatine for fruit salads. This delicious fruit is quite inexpensive and the period for cooking or canning is unusually short. Fortunately, too, grapes are easy to "go down."

Canned Grapes: For years mother has used the following simple method: Wash grapes (preferably Concords) and pull from stems. Put one cup in a quart sealer. Add 1¼ cups sugar. Fill the sealer to overflowing with boiling water . . . it must be boiling. Seal and store.

Grape Juice without Sugar: After picking grapes, leave for two or three days to mellow. Pick over and wash. Add 1-4 cup water for each cup of fruit. Simmer until tender—do not boil. Press through cheese-cloth. Clarify by straining again through another cloth. Reheat juice to simmering point only, stirring constantly. Pour into sterilized bottles. Cap and immerse in hot water bath, kept at simmering point, for 15 minutes.

REQUESTED RECIPES

Mixed Pickles
(Without Spice)

1 quart chopped green tomatoes, 1 pint chopped ripe tomatoes, 1 green pepper, chopped; 1 small head of celery, chopped; 2 medium onions, chopped; 1 small cauliflower, coarsely chopped; 1 sweet red pepper, chopped; 4 tablespoons salt, 3 cups cider vinegar, 2 cups brown sugar, 1 tsp. mustard, 1-4 tsp. cayenne.

Put chopped vegetables into preserving kettles, sprinkle with salt and let stand overnight. Drain thoroughly. Blend sugar, mustard, pepper and vinegar and add. Cook until clear, about 1 hour. Seal in sterilized jars.

Tomatoes Stuffed with Corn

Remove centres from enough tomatoes to serve the family; sprinkle with salt and invert for 1-2 hour. Cut corn from the cob. Mix with a quantity of bread crumbs and the scooped out portion of tomato. Season with salt and pepper and a pinch of basil or marjoram and a teaspoon of finely grated onion. Stuff tomatoes. Bake in moderately hot oven 400 degs. for 20 minutes. Serve with cheese sauce.

Peach Crisp

Peel and slice 6 large fully ripened peaches into a baking dish. Sprinkle with 1-4 cupful brown sugar and dust with nutmeg and cinnamon. Blend 4 tbsps. butter or half butter and half shortening with 1-2 cupful brown sugar. Add 3-4 cupful flour and blend until the mixture is crumbly. Sprinkle over peaches and bake in an electric oven 375 degs. until peaches are soft and top crisp and brown for 45 mins. Serve either warm or cold with cream or a small helping of ice cream.

Canned Peaches

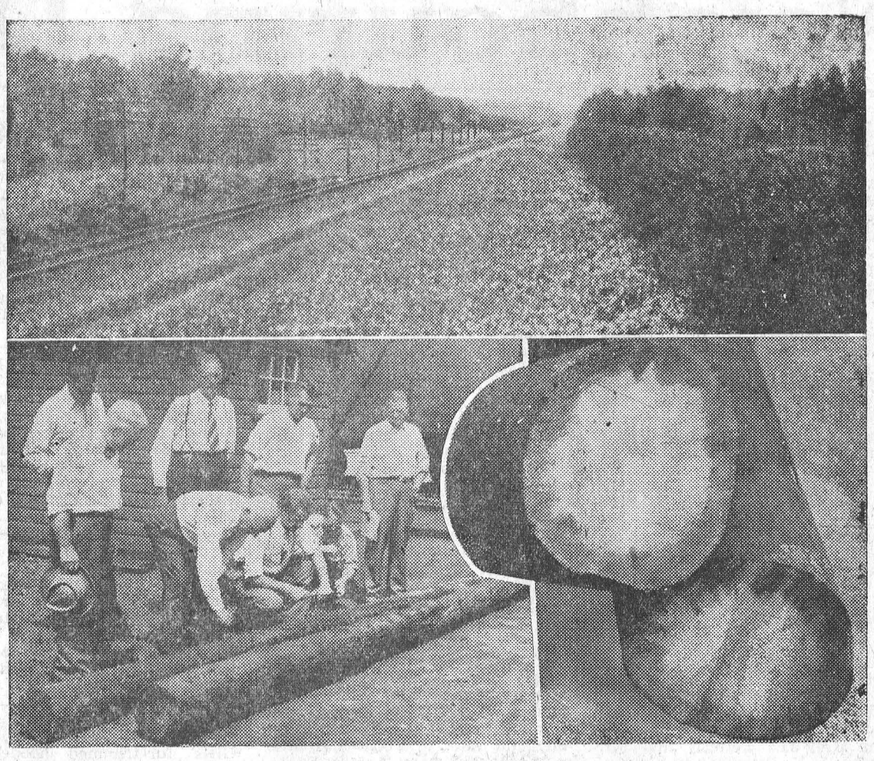
Prepare medium syrup by boiling together equal parts of sugar and water for 5 minutes; or boil together 3-4 cup of sugar, 1-2 cup honey and 1 cup water for 5 minutes. Meanwhile, blanch and cold-dip the peaches. Peel, cut in halves and remove the stones. Place peach halves in syrup and cook gently for 2 or 3 minutes. Pack peaches in hot sterilized jars, fill up with boiling syrup. Partially seal. If vacuum top jars are used, fill to within 1-2 inch of the top. Seal. Process in hot water bath for 15 minutes. Or process in electric oven of 275 degs. for 30 minutes. Remove and seal screw top jars tightly. (Above times are for pint jars).

Pickled Peaches

4 quarts peaches, 2 cups vinegar, 4 cups sugar, 2 tsps. whole cloves, 1 stick cinnamon.

Choose small and perfect fruit. Wash and remove skins by scalding and then dipping in cold water. Boil vinegar, sugar and spices (tied in cheesecloth bag) for 20 minutes. Place a few pieces of fruit at a time in the syrup and cook until tender. Pack in sterilized jars and cover with boiling syrup. Seal while hot.

USES FOR JACK PINE



Twenty-four years ago the communications department of the Canadian Pacific Railway, more or less as an experiment, installed a new type of telegraph pole along 31 miles of track of the Algoma district in Northern Ontario. The poles were made from the lowly jack pine, long considered the comparatively useless poor relation of the Canadian forest, treated with creosote—the first installation of any consequence in Canada.

In order to provide increased clearances for new automatic block signal wires, 495 of the poles in this section are to be replaced with longer poles this year. But so successful was the "experiment" of 1923 that many of the shorter poles are to be used elsewhere on the system, and not a single pole has had to be replaced since that time, due to rotting.

In the top picture some of the poles can be seen, still as good as new, along a stretch of the main line just west of Ramsey, Ont., with a standing jack pine snow break, effective and economical, on the right hand side of the track. At lower left Canadian Pacific officials test two of the poles to discover the penetration of creosote, as forestry experts look on, and the outer rings on the pole sections in the third picture show the 100 per cent. penetration of the creosote.

GIVEN SUB-CONTRACT

Boyd Bros., Osgoode, have been awarded a sub-contract for the laying of cinder block walls on the factory extension of Beavers Dental Products at Morrisburg.

HINTS FOR THE HOME

Dresser Lamps

Have the lamps on the dressing table on a level with the face, and not in the mirror.

Granite

To remove burn spots from granite, cover the stain with a teaspoonful of soda and a little water, and heat to the boiling point. Wash at once, but never scrape it with a knife.

Keeping Poultry

Keep poultry cool. It is a highly perishable food. When you get a chicken or turkey from the market, wash it thoroughly inside and out, dry well, and store in the refrigerator until time to cook.

Care of Kid Gloves

When putting away the kid gloves after wearing them, shake a little talcum powder into them. This will absorb any moisture that may be lingering in the leather and entirely remove that objectionable smell of leather.

Scars From Burns.

Scars caused by severe burns can often be removed entirely by massaging with pure olive oil. Use the finger tips and massage lightly with a rotary movement. It often takes many repeated treatments to do the work. Be persistent.

Venetian Blinds

For dusting the Venetian blinds, a cleaning stick may be fixed at home. Take an old ruler and wrap it several times with a soft cloth, securing it with a soft string. This will slide in between the slats easily and prevent the dust from accumulating. Change the cloth when soiled, keeping one cloth washed and ready to replace a second one.

Care of Aluminum Ware

To remove discolorations from the inside of the aluminum ware, fill with a cold weak solution of vinegar and water (1 tablespoonful to a quart), bring slowly to a boil, and let boil for five minutes. Polish inside with the finest grade steel-wool, and outside with sifted whiting applied with a damp piece of flannel or chamois, and occasionally with the steel wool.

ELECTRICITY

Maintains Employment . . .
Keeps Pay Envelopes Full

PLEASE DON'T WASTE IT!

Electric power is vital to Industry, and Ontario is experiencing an era of high production, unparalleled in its history. Contrary to expectations, the demand for electric power did not drop sharply following the war. More electric power is actually being used today for production of peacetime goods than was required at any time to forge weapons for Victory. This demand is constantly increasing and, during the next six months, Hydro facilities will be strained to the utmost.

New Hydro developments, planned to keep pace with Ontario's growth, were halted during the war years. They have since been hampered by shortages of men, materials and equipment. However many new stations to deliver electric power are being rushed to completion. Some are already in operation. But the need for saving electric power in your own home, during the Fall and Winter months, *is urgent* if the needs of Industry and Agriculture are to be fully served and employment maintained at peak levels.

Won't you please play your part? Remember—even *a little bit* of electricity, conserved by hundreds of thousands, *helps a lot.* It's *your* Hydro. Use it wisely so that Hydro facilities can more adequately meet the demands of all consumers.

Here are a few ways you can *Save*

ELECTRICITY

Turn off all unnecessary lights. Don't forget about burning lights in empty rooms, halls, basement, attic, porch and garage. Eliminate all colored bulbs.

Keep lamps, reflectors and shades clean. Dusty fixtures waste as much as 25% of your light.

When kettle sings, turn off switch. Stored heat will bring it to a full boil. Keep kettle free from lime.

When cooking, use "High" heat for as little time as possible. Then turn to "Low" and use stored heat.

Use oven for cooking complete meals, rather than the cooking surface. Only one element is required for the oven process while three or four elements are needed for the cooking surface.

Use the correct size of cooking utensil on the proper size element.

When cooking vegetables, use a minimum amount of water.

Defrost refrigerator, regularly, when ¼ inch of frost has accumulated on the evaporator.

Where water is electrically heated, please use it sparingly. A drop a second from a leaking hot water tap can waste as much as 175 gallons a month.

Fill washing machine to water line only and keep lid on tub when washing. Do not overload.

Wherever possible, use the wringer at same time as clothes are being washed in the tub.

Please do not use portable electric heaters as they place a heavy strain on your Hydro System.

Your toaster, vacuum cleaner, electric iron or other electrical appliances should not be used any longer than required.

ARTIFICIAL RESPIRATION

ANY injury which interferes with the delivery of oxygen to the body cells causes asphyxiation. A person may be asphyxiated in a number of different ways—for example, by choking, submersion, electric shock, or inhaling carbon monoxide.

Signs. A victim of asphyxiation is not breathing, or breathes only with great difficulty. To restore natural breathing, artificial respiration must be administered immediately after rescue.

Lay the victim on his belly, preferably placing his head slightly "downhill," with one arm extending directly overhead, the other arm bent at the elbow, and the face turned outward and resting on the hand and fingers so that the nose and mouth are free for breathing. Quickly explore the mouth for any obstruction—chewing gum or displaced false teeth, for example—that would interfere with the passage of air, and have an assistant loosen any constriction or tight clothing about the victim's neck, chest, or waist.

Kneel straddling the victim's thigh on the side toward which the face is turned. Place the palms of your hands on the small of the victim's back, with your fingers resting on the ribs, the little finger just touching the lowest rib. The tips of your fingers should be just out of sight.

With your arms held straight, swing forward slowly, so that pressure is gradually brought to bear upon the victim. The point of your shoulder should be directly over the heel of your hand at the end of the forward swing. Do not bend your elbows. This operation should take about two seconds.

Now, swing backward immediately, so as to remove the pressure completely. After two seconds, swing forward again. Repeat 12 to 15 times a minute, the double movement of pressing and letting go, making a complete respiration—forcing out and drawing in air—every four or five seconds.

Continue without interruption until the victim breathes naturally—if necessary, four hours or longer—or until a physician declares the victim is dead.

Keep the victim warm. Put coats or blankets under and over him, while keeping up the rhythm of artificial respiration. Do not give any liquids whatever by mouth until the victim is fully conscious.

To avoid strain on the heart when the victim revives, he should be kept lying down and not allowed to stand or sit up. If the doctor has not arrived by the time the victim revives, the latter should be given some stimulant, such as one teaspoonful of aromatic spirits of ammonia in a small glass of water, or a drink of sweetened hot coffee or tea. Do not give an alcoholic beverage.

Resuscitation should be carried on at the nearest possible point to the place where the victim was rescued or found. He should not be moved from this place until he is breathing regularly, and then he should be moved only in a reclining position. Should it be necessary, because of weather conditions or for any other reason, to move the victim before he is breathing normally, artificial respiration must be kept up during the time that he is being moved.

A brief return of natural breathing is not a certain indication for stopping artificial respiration. Often the victim, after a temporary recovery, stops breathing again. The victim must be watched: if natural breathing stops, artificial respiration should be begun again at once.

If it is necessary to change the operator, this change must be made without losing the rhythm of respiration. In this way, no confusion results at the time of change, and a regular rhythm is kept up.

TRANS-CANADA CONFERENCE FOR OLDER BOYS BEING HELD AT OTTAWA

The first post-war Trans-Canada Conference for Older Boys is being held in the Glebe Collegiate Auditorium, Ottawa, the week-end of October 24th to 26th. All boys fifteen years of age and over, recommended by their local Church, Sunday School or Y.M.C.A., up to the limit of accommodation, are invited.

Sponsored by the National Boys' Work Committee of the Dept. of Christian Education, Canadian Council of Churches, it is the first large project for boys undertaken by the Council. One of 29 Trans-Canada conferences to be held throughout the Dominion, the Ottawa gathering will be open to boys and leaders of the Ottawa Valley and adjacent territory. Other conference centres include North Bay, Montreal and Toronto.

Gordon Keith, General Secretary of the Northwestern Toronto Y. M. C. A., will give the keynote addresses on the Conference theme: "What can the Church do?" On Saturday, four discussion groups will consider:—"What is the Church doing for Boys?" "What is the Church doing to help you find your life work?" "What is the Church doing to influence men and movements?" "What is the Church doing to build one world?

Billeting will be provided for out-of-town boys and leaders. Registration and enquiries should be sent to W. I. Haskett, 53 Queen St., Ottawa. Under the direction of the Ottawa and District Boys' Work Board, of which Harry Pullen is Chairman, the Conference director will be A. E. D. Nicholson, and conference committee chairman, Dr. W. H. Minshall. Outstanding leaders in boys' work will participate.

Interchurch in character, boys coming from different churches, of many denominations and communities will have an opportunity of getting to know one another in fun and fellowship, and get a new interest in Christ and His Church.

400,000 Left Feet
that never push a clutch!

400,000 Left Feet . . . left without a thing to do! Because Hydra-Matic Drive eliminates the clutch pedal and all clutch pushing. 400,000 right hands . . . on the steering wheel where they belong! Because Hydra-Matic Drive shifts gears *automatically*.

Oldsmobile first introduced this revolutionary advancement almost 8 years ago! And since then, nearly 400,000 owners of Hydra-Matic Oldsmobiles have found a new freedom in driving. These owners have driven literally billions of miles—without ever shifting, or pushing a clutch.

After these 8 years, Hydra-Matic Drive is still the only "drive" that eliminates the clutch pedal and shifts gears automatically through four forward speeds. The lowest-priced car to offer GM Hydra-Matic Drive* is the smart new Oldsmobile. It's ahead in performance—*automatically*. Ahead in appearance—*dramatically*. That's why people say—*emphatically* . . . "It's SMART to Own an Olds!"

The demand for Oldsmobile with the new GM Hydra-Matic Drive* is so widespread that it still greatly exceeds the supply. Make sure your present car carries you conveniently and safely through the waiting period by having it serviced regularly by your Oldsmobile dealer.

GM HYDRA-MATIC DRIVE has been proved by nearly 400,000 Oldsmobile owners in billions of miles of "no-clutch, no-shift" driving!

LAYING OF CORNER STONE

(Continued from Page 1)

hospital project was first initiated, congratulated the Board on its progress, and said he was glad to know all districts were behind this great enterprise. He told them they were blazing a new path and the Province of Ontario was watching with interest to see how the project was going to succeed. He, too, said that the Board would get all the assistance possible from the Government.

Dr. H. S. Gross was the next speaker and made an urgent appeal for everyone to back up the Board in its efforts to bring the hospital project to a successful conclusion. "Let us believe in ourselves and let us go forward," were his closing remarks.

Parade Precedes Ceremony.

Prior to the "Corner Stone Ceremony, a parade of decorated autos, bicycles, hospital float, etc., took place, under the direction of Mr. Leroy Boyd.

The procession assembled on Church Street, and, headed by the Morrisburg Band, proceeded down Main Street, south on Mill Street, West on Caleb Street, and South on St. Lawrence Street to the hospital site, West of the school buildings. There were about 30 cars in the parade, most of them decorated, as well as some decorated bicycles, motor cycles and the hospital float. The cars contained members of the Hospital Board, Municipal Council, visiting speakers, members of the medical profession, and other prominent citizens.

The float, which was featured in the parade, depicted a hospital room, complete with bed, patient, nurses and doctor, and was as realistic as it was possible to make it. The patient, who was prepared by Dr. H. S. Gross, was Miss Elsie Edgerton, daughter of Mr. and Mrs. Donald Edgerton. The doctor was Leslie MacDonald, son of Mr. and Mrs. W. C. MacDonald, and the nurses were the Misses Barbara Loucks, daughter of Mr. and Mrs. Lawrence Loucks, and Gail Lannin, daughter of Mr. and Mrs. Harold Lannin. The float also contained many signs wtih hospital slogans, and a loud-speaker system, operated by Mr. C. R. Robinson. The speaker who gave vocal announcements during the parade was Dr. Harold Beach, of Ottawa.

Many Sign Scroll

Located on the grounds near the hospital site was a tent, where people were invited to come in and sign a hospital scroll, which had been prepared by Mr. N. W. Beach. From this tent, information and announcements were made through a loud-speaker system by Mr. Erle Helmer. Others who asisted Mr. Beach were Mr. O. V. Stevenson, Hospital treasurer, Mrs. Eldon Fennell and Mr. J. L. Dixon. About 175 people signed the scroll, contributing $275.00 to the hospital fund.

Also available to anyone who cared to read it was a brief historical sketch of the Hospital, prepared by Mr. F. Erle Helmer. (The text of this history appears elsewhere in this issue of the Press.)

Successful Tag Sale.

During the afternoon, a number of Public and High School students sold tags in aid of the Hospital Fund. From their efforts a total of $148.12 was realized. Public school girls sold $68.69 worth of tags, while the High School girls turned in $79.43. With both the High School Board and Public School Board donating prizes to the teams selling the most tags, competition was keen and no doubt was largely responsible for the fine showing made by the sellers. The winning teams were: Public School: 1st, Carolyn Ferns and Winnie Deeks; 2nd, Norma O'Neil and Norma Watson; 3rd, Pam Franklyne and Mapel Scott. High School: 1st, Phyllis MacDonald and Shirley Redmond; 2nd, Shirley Raistrick and Helen Goodenough; 3rd, Isabel and Joyce Hay.

New subscriptions to the Hospital Fund received during the day, were: Mr. and Mrs. Robert Woods, $100.00; Mr. and Mrs. Robert Ledgerwood; $50.00; Mrs. Annie Coons, $50.00; Mrs. I. N. Erratt, of Ottawa, $25.00; Mr. and Mrs. W. A. Rowat, $25.00; Anonymous, $10.00. In addition to these new donations, many subscribers paid instalments on their pledges.

Sports Program

The program of sports which was presented in conjunction with the Corner Stone Ceremony, consisted of two softball games and a rugby match, all of which were thoroughly enjoyed.

In the Rugby game, the Winchester High School Team defeated the W. H. S. Alumni team 19 to 15. The line-ups were as follows:

High School—Bill Olive, snap; Glen Carkner, left tackle; Harry Keyes, right tackle; Gordon Helmer, quarter; Sarg. Thomas and Bert Duncan, half-backs; subs—Art Goodenough, Gordon Thomas, Beverley Casselman and Gordon McVey.

W. H. S. Alumni—James Carlyle, sap; George Gibbons, left tackle; Roy Fawcett, right tackle; Reg. Workman, quarter; Roy Campbell and Murray Holmes, half-backs. Subs—Bill Timmins, Bob Ramsbottom and Bill Crummy.

Referee, Dave Melvin; Head Linesman, Adair Fisher.

Metcalfe Wins Softball Tournament

In the first game of the Softball Tournament, Williamsburg defeated South Mountain by the score of 5-3. The line-ups were:

South Mountain—C. Hyndman, B. Locke, T. Barry, A. Cross, S. Berry, E. Barry, W. Gates, M. Foley, R. Berry.

Williamsburg—L. Casselman, B. McIntosh, J. Casselman, M. Casselman, C. Casselman, R. Casselman, A. Loucks, K. Rolston, F. Mulvey.

In the final game, between Metcalfe and Williamsburg, Metcalfe won by the score of 7-5. The line-ups were:

Metcalfe—R. Rolston, R. Ramsbottom, D. Kenney, K. Rolston, F. Mulvey, H. McIntosh, I. Duncan, N. Rolston, J. Twiname.

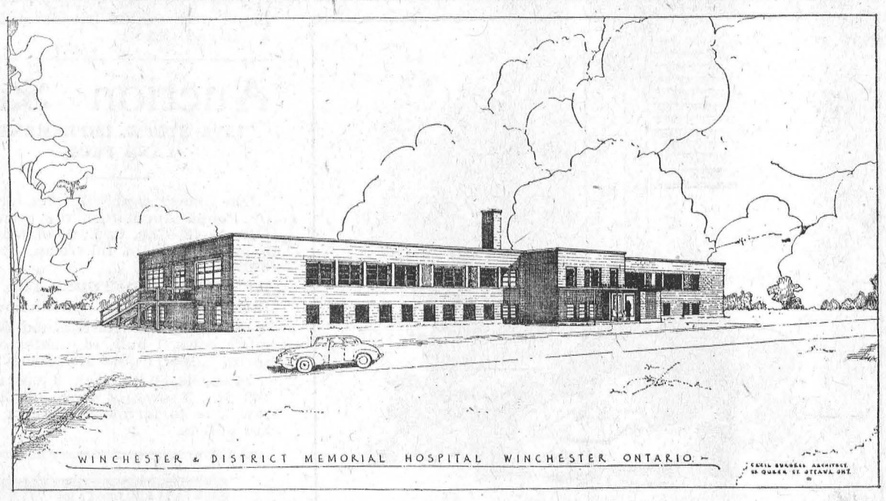
Williamsburg—L. Casselman, B. McIntosh, J. Casselman, M. Casselman, C. Casselman, R. Casselman, A. Loucks, S. Berry, T. Barry.

Entertained At Dinner

In the evening, the Hon. Russell T. Kelley, Mr. Russell Boucher, M.P. for Carleton County; Mr. A. H. Acres, M.L.A. for Carleton County, the Directors of the Hospital, members of the Medical Profession, and a number of friends, were entertained at a dinner at Hotel Winchester, put up by Mr. Hart Melvin, Chairman of the Hospital Finance Committee. During the dinner, the Minister of Health and the two parliamentary representatives delivered brief addresses, under the chairmanship of Mr. Walter C. MacDonald. They were thanked on behalf of the Board by Mr. W. J. L. Boyd.

Following a few brief remarks by Messrs. MacDonald and Melvin, all jojined in singing: "For They Are Jolly Good Fellows."

This function brought to a close what was a very enjoyable and profitable day for the directors of the Winchester and District Memorial Hospital.



Above is the Architect's Drawing of the Winchester District Memorial Hospital, now in the course of construction. Since the above sketch was made, there has been some minor alterations to the building, which will be of granite-faced cement blocks. Dimensions of the building are 200 feet x 44 feet. It will consist of one storey and basement, and will accommodate at least 32 beds. The Architect is Mr. Cecil Burgess, of Ottawa.

MR. AND MRS. C. B. TIMMINS' 50th WEDDING ANNIVERSARY

(Continued from Page 1)

son, Mrs. Jack Dodge, Mrs. Harold Lannin and Miss Lorna McInnis.

The anniversary book, which was beautifully designed by a friend, and which contained the signatures of all who visited the home, was presided over by Mrs. Preston Timmins.

Individual anniversary gifts received by Mr. and Mrs. Timmins included several sums of money and a $50.00 Bond, a gift from Mrs. G. G. McEwen.

Tribute From The Family.

Accompanying the presentation of two rolls of silver half dollars (50 in each) from members of Mr. and Mrs. Timmins' family, Preston, Anna and Helen, was a humorous poetic address, composed by their son, Preston.

Presentation by Friends and Neighbours

During the day the celebrants were presented with a beautiful mantel clock, suitably inscribed, by their friends and neighbours. The presentation was made by Miss Martha Knowland, while an appropriate address, contained in a beautiful book, in which the names of all who had contributed towards the gift were inscribed, was read by Mrs. A. G. Suffel.

Honoured by Church Board and Choir

In the evening, a representation from the Official Board of the United Church called and presented the couple with a beautiful silver tray with appropriate inscription. Mr. E. M. Shaver made the presentation, while Rev. Norman J. Thomas read the following address:

Dear Mr. and Mrs. Timmins:—

Your many friends in the United Church of Canada again acknowledge their gratitude to Almighty God for His goodness in granting to still another of our esteemed couples the blessed privilege of enjoying fifty years of married happiness. We who are gathered here represent your beloved Church, and, for the congregation, take advantage of this special privilege of enjoying with you your happiness on this auspicious occasion.

You have rendered splendid service, Mr. Timmins, in your loyalty to the demands made upon you as a member of the Board of Stewards, the Music Committee, and the Choir. We have been truly cognizant of your willingness to serve our Lord and Saviour Jesus Christ. And you, Mrs. Timmins, in spite of your physical infirmity which kept you from being openly active, have shared in spirit and encouragement, your husband's activities.

We wish, therefore, to enter into your joy in this hour and rejoice with you and your family. Please accept our token of honour and may it be a reminder to you both, of our esteem and friendship.

May God in His goodness grant you continued health and happiness and such opportunities as you are yet able to use in expressing your love for Him and your brethren in Christ. And may the peace of God which passeth understanding be your portion both now and forever.

Yours on behalf of the Congregation, Norman J. Thomas, Minister; W. J. Cass, Secretary of the Congregation.

The presentation of a beautiful elelctric table lamp from the United Church Choir was made by Mrs. Harold Lannin, with Mrs. S. Lindsay reading the address which follows:

Mr. C. B. Timmins:—

The members of The United Church have gathered together tonight to rejoice with you, your good wife, and the members of your family, on the 50th Anniversary of your Wedding Day. It is a momentous occasion. We congratulate you.

Mr. Timmins, you have been a most faithful member of our Choir for many years, being in your place whenever possible, and many times sounding forth and maintaining the "Tenor Part" when no one else was available. You have taken many a younger lad under your wing, helping him over the discouragement in choir work. Our social gatherings are always made more enjoyable by your ever young disposition, humor and fun. It would not seem just like the Winchester United Church Choir without you. We trust you may be given the health and vitality to carry on this branch of God's work for many years.

We would appreciate if you and Mrs. Timmins would accept this remembrance from our Choir on this memorable occasion.

Our wish for you and Mrs. Timmins is that the sunset years of your lives may ever be filled with the rosy hues of happiness, and the golden fellowship of your many friends.

Winchester United Church Choir,
Norma Lannin, President.

Tribute From Melvin Motors

Calling at the home in a body, the Management and Staff of Melvin Motors presented Mr. and Mrs. Timmins with a Toastmaster. Mr. David Melvin made the presentation, while the following address was read by Miss Audrey Levere:

Dear Chester and Mrs. Timmins:—

We, fellow workers of Melvin Motors, dropped in on you this evening to offer you and your wife our congratulations on this very happy occasion. You have been with us a quarter of a century and we couldn't let the occasion pass without letting you know what a great fellow we think you are. It gives us a lot of pleasure to have the honour of presenting you with this gift from all the gang at the garage. With it go our sincere wishes for many more years of married life.

The address was signed by 25 members of the Melvin organization.

Honoured By 100 Club

A good representation of 100 Club members visited the celebrants during the evening and presented them with $25.00. Centurian Les. Dixon made the presentation, with Centurian Will. Rowat reading the following address:

Greetings, Centurian Chester, on the occasion of your Fiftieth Wedding Anniversary: The Officers and members of The 100 Club wish to join with your many friends in conveying to you and Mrs. Timmins their hearty congratulations. As a charter member, and a Past President of our Club, you have always shared your talents willingly in all our undertakings. We appreciate your regular attendance at our meetings, and the valued contributions you have made toward the welfare of the Club, both on committees and as our Song Leader.

In recognition of your Services, and as a token of our good wishes on this memorable occasion, we would ask you to accept this small gift. May you enjoy many more years of happy wedded life, and may you have smooth sailing as you continue your voyage on the Sea of Matrimony.

Signed on behalf of The One Hundred Club of Winchester this Fourth day of October, one thousand, nine hundred and forty-seven. Signed—O. V. Stevenson, President; C. R. Robinson, Secretary.

Following all presentations, Mr. and Mrs. Timmins expressed their appreciation and thanked their friends for their kindly acts.

Friends from out-of-town who called on Mr. and Mrs. Timmins during the day and evening were as follows:

Mr. and Mrs. H. J. Swain, Portland; Mr. and Mrs. Jack Dodge, Cardinal; Mr. and Mrs. Garnet Shaver, Prescott; Mrs. Jessie Waterson, Manotick; Mr. Will. Pallister, Victoria, B. C.; Mr. T. A. WEDDINGS

SUMMERS—BLANCHARD

The wedding of Miss Shirley Edith Blanchard, daughter of Rev. Mr. and Mrs. S. W. Blanchard, of Brockville, to Rev. Mervyn Earl Summers, son of Mrs. D. W. Summers, of Cattaraugus, N. Y., and the late Rev. D. W. Summers, took place on Saturday afternoon at three o'clock in Brockville Wesleyan Methodist Church. Rev. S. W. Blanchard officiated at the ceremony, assisted by Rev. S. L. Summers. The wedding music was played by Mrs. Hugh Schluter, with Mr. Jim Wilson as soloist. The church was decorated with baskets of chysanthemums and palms.

The bride was given in marriage by her father, and attended by Miss Dorothy Hobbs as maid-of-honor, and Miss Earla Niblock as flower girl. Rev. Laverne Snider was best man, and the ushers were Mr. Carman Harrison, of Toronto, and Mr. Leonard Houghton, of Cattaraugus.

For her wedding, the bride wore a floor-length gown of white slipper satin designed with a lace yolk, fitted bodice, long sleeves tapering to points over the hands, and a bouffant skirt. Her long veil was arranged from a sweetheart halo of lace, and she carried an arm bouquet of Bettertime roses.

Following a reception held at the home of the bride's parents, the couple left on a wedding trip to Portland, Maine, and points East. For going away, the bride wore a burgundy gabardine suit with black accessories and a shoulder-knot of Johanna Hill roses.

Rev. Mr. and Mrs. Summers will reside in Cattaraugus, N. Y.

ABEL—CROWDER

A quiet wedding took place at the United Church Manse, Inkerman, on Wednesday, October 1st, when Miss Beverly Crowder, daughter of Mr. and Mrs. Wm. R. Crowder, became the bride of Mr. George Abel, son of Mr. J. Abel and the late Mrs. Abel, of Prescott. Rev. Mr. Gervan officiated. Miss Eva Shannette and Mr. Bernice Crowder, brother of the bride, were the attendants.

The bride was attired in a grey suit and wore a corsage of American Beauty Roses.

After the ceremony, the couple left for Toronto and other points on their honeymoon. On their return they will reside at Escott, Ont.

FROATS—McINTOSH

A pretty wedding ceremony was solemnized on Saturday afternoon, October 4th, at 2.30, at the home of the bride's parents, when Dolores Alice, daughter of Mr. and Mrs. Almon McIntosh, was united in marriage with Everett Arthur Froats, son of Mr. and Mrs. Elza Froats, of South Mountain.

The house was nicely decorated with pink and white streamers, and pink bells and autumn leaves. The ceremony was performed by Rev. N. T. Holmes, pastor of Ashton United Church, uncle of the bride. Mrs. N. T. Holmes, the brides' aunt, provided the wedding music.

The bride, given in marriage by her father, looked charming in a form-fitting gown of white corded taffeta, with sweetheart neckline and long sleeves ending in points over the hands, and a floor-length veil of embroidered net, held in place by a coronet of white ostrich tips. She carried a bouquet of red roses and maiden hair fern.

Miss Elaine McIntosh acted as bridesmaid for her sister, wearing a gown of bluish pink taffeta and carried a bouquet of pink and red roses.

The groom was ably assisted by Mr. Floyd Thompson.

Following the ceremony, a dinner was served to about 60 guests. The bride's table was centred with a three-tier wedding cake and decorated with autumn leaves and pink and white streamers.

Those assisting in serving were: Mrs. H. Black, Mrs. W. Crowder, Mrs. L. Francis, and the Misses Doreen Hanes, Irene Steele, Helen Holmes, Elva Baldwin and Erma Hanes.

For travelling, the bride wore a powder blue jersey dress and matching coat, with a corsage of red roses and black accessories.

On their return from their honeymoon to Niagara Falls, Chatham and other points west, they will reside at the home of the groom at South Mountain.

SCHLUTER—SUMMERS

White gladioli, chrysanthemums, fern and white candelabra formed the background for the white wedding ceremony on Saturday, September 27th, at 2 o'clock in the afternoon, in the Cattaraugus, N. Y. Wesleyan Methodist Church, of Miss Lillian Beulah Summers, daughter of Mrs. Leila Summers and the late Rev. D. W. Summers, and Mr. Hugh Milton Schluter, son of Mr. and Mrs. Percy Schluter. The Rev. M. E. Summers, brother of the bride, officiated, assisted by the Rev. D. E. Jolley, of the Methodist Church.

Given in marriage by her brother, the Rev. S. L. Summers, of North Bay, the bride wore a white slipper-satin gown, fashioned with beaded bodice buttoned to the waist in back, with tiny covered buttons, sweetheart neckline and long fitted sleeves, the full skirt falling into a short circular train. Her fingertip veil fell from a tiara of seed pearls and she carried a bouquet of white roses and chrysanthemums. Her only ornament was a Rosini cameo pendant, the gift of the groom.

The matron of honor, Mrs. Howard Schluter, sister-in-law of the groom, was gowned in pale blue crepe with colonial bouquet of pink baby mums matching the flowers in her coiffure. The bridesmaid, Miss Hazel Dermott, wore yellow net over taffeta with colonial bouquet of yellow baby mums and matching head-dress.

Little Miss Gail Neil, in yellow net over taffeta, was flower girl, and Master Howie Schluter, nephew of the groom, acted as ring bearer.

Mr. Howard Schluter, brother of the groom, was best man, and the ushers were Mr. Chester Wagner and Mr. Leonard Houghton.

The wedding music was played by Mrs. S. L. Summers, sister-in-law of the bride, and the selections, "Always" and "Because" were sung very effectively by Mr. Glen Perkins before the ceremony, while the guests were assembling.

A reception was held immediately after the ceremony at Luce's Tea Room, Jefferson Street. Here the bridal toast was proposed by the Rev. D. E. Joiley and replied to by the groom.

After the reception, the bride and groom left for their wedding trip, which will take them to Niagara, the Finger Lakes, and various points in Canada. For travelling, the bride donned a Kelley green suit with gold button trim and accessories in dark brown. The happy couple will make their home in Cattaraugus.

W. H. S. NEWS NOTES

(By Allen Davidson)

On Friday afternoon, the pupils of W. H. S. went to Morrisburg to attend the track and field meet. There were five schools taking part, and competition was very keen.

The students of W. H. S. are to be complimented highly on their fine conduct and school spirit. The High School wishes to thank all those who supplied transportation to and from Morrisburg.

Interest in track and field activities has shown a marked increase in the past two years. It has an advantage over other sports, in that it gives opportunity to a greater number of students.

Events in which Winchester athletes placed were as follows:

Boys' Events

Junior

100 yard dash—Bill Porteous, 2nd.

Winchester girls had the highest number of points with 52.

Hospital Day

Tags were sold by the girls of W. H. S. for Hospital Day. The girls were divided into teams. Prizes were given to the three top teams who received the most money in the sale of tags. 1st prize of $5.00 went to Phyllis MacDonald and Shirley Redmond; 2nd prize of $3.00 went to Shirley Raistrick and Helen Goodenough; 3rd prize of $2.00 went to Joyce and Isabel Hay. The total amount received from sale of tags was $79.43.

The Winchester High School rugby team played the Alumni and defeated them 19-15.

Football

Football got under way last night with the Winchester team visiting Chesterville. The next game will be held Friday night on the local campus, with Cardinal being the visiting team.

ALLAN DAVIDSON RETAINS W. H. S. CHAMPIONSHIP

With a score of seven firsts and one second, Allan Davidson captured the senior athletic championship of the local High School for the second year in succession, at the annual Field Day, held at the Community Park on Wednesday afternoon last. Runner-up was Harry Keyes. These two athletes, by winning the most points, will be given an all-expense trip to Ottawa to see a Rugby Game, this special prize being given by Major Frederick McIntosh Cass.

Bert Duncan, of Vernon, was the intermediate champion, with Gordon Thomas, Vernon, coming a close second. John Kennedy, of Vernon, was only five points up on Dick Justus, of Winchester, in the junior race.

Murla Holmes was the champion in the senior girls' events, with Marjorie Crummy only one point behind, and Lillian Acres was the best in the junior division.

Principal Howard Willard announced the events, and other officials were: Starter, Adair Fisher; Timer, Ronald Stevenson; official scorer, Margit Jorgensen; judges, Remi Lalonde, Carleton Miller and Miss Margery George.

HULBERT W. M. S. MEETING

The monthly meeting of the Hulbert W. M. S. was held in the church on October 1st, and opened with the president reading the Purpose for the month. A paper on Christian Stewardship was read by Mrs. C. Mellan. A prayer of Thanksgiving was given by Miss Florence Roode, and a Temperance reading by Mrs. Herbert McQuaig. A very instructive and interesting talk about the School for Leaders at Edgehill was given by Mrs. Forward. Following the business, the Study Book was given by Mrs. C. McQuaig, and the meeting closed with the Mizpah Benediction. A dainty lunch was served.

Finest Car in the Low-Price Field

PONTIAC

A PRODUCT OF GENERAL MOTORS

Many of Pontiac's most important qualities are so obvious that you can readily see them for yourself.

You can see, for instance, that Pontiac stands alone for distinctive beauty. You can see the luxury and quality of its Fisher bodies. You can take the wheel for half an hour—and learn what a matchless performer it is.

But the greatest Pontiac quality of all is known only to its owners. For, above everything else, Pontiac is a *GOOD* car—and its greatest virtue is its *extraordinary dependability.*

The thrill of the first month of Pontiac ownership lasts and lasts. In fact, the longer you own a Pontiac, the happier you'll be with your investment. So make *your* next car a Pontiac—a good car through and through!

The stack of orders piled up for the new Pontiac are gratifying testimonials to the quality and beauty of this finest of the famous Silver Streaks. Unfortunately, so many orders also mean that many who choose Pontiac must wait. So if your car-wise head and heart say 'Pontiac' . . . your present car will give you better, safer service while you wait if you have it serviced by your Pontiac dealer.

Here's What Makes Pontiac Good — Through and Through!

SMOOTH, POWERFUL L-HEAD ENGINES — Your choice of a six or an eight. 100% Full-Pressure Metered Flow Lubrication, Gaselector, Scotch-Mist Manifold, Vacuumatic Spark Control and All-Weather Engine Temperature Control.

PERMANENT OIL CLEANER — Highly efficient, *nothing to replace,* gives positive protection. Contributes greatly to longer engine life.

SAFETY STEERING — More positive control with less effort. In combination with small turning circle, makes parking easier.

HYDRAULIC BRAKES — Unsurpassed for smooth, regulated control.

BODY BY FISHER — Big and roomy, Unisteel construction, Fisher No-Draft Ventilation, Safety *Plate* Glass, stylish interiors.

HUSBAND OF FORMER WINCHESTER GIRL DROWNED NEAR OTTAWA

Dr. William H. McClenahan, 27, of 746 Parkdale avenue, Ottawa, was drowned in Constance Bay late Sunday afternoon. Discovery of the body floating in shallow water was made shortly after the drowning occurred, but Dr. McClenahan is believed to have been missing for almost 24 hours before. Positive identification of the body was made by the parents, after an identity card had been discovered in a car parked half a mile from the scene of the drowning, near a cottage belonging to Dr. A. Johnston, of Carp.

The young doctor, who graduated from Queen's University in February, 1945, and married Miss Pauline McKendry, of Ottawa, formerly of Winchester, in July of the same year, was a son of Mr. and Mrs. William S. McClenahan, 234 Irving avenue, Ottawa, and the father of a two-months-old son.

Dr. McClenahan was educated in Ottawa public schools and Glebe Collegiate before going to Queen's where he was a scholarship student.

Throughout his school years he was active in various sports, specializing in pole vaulting in which he won collegiate honors.

Surviving besides his parents, his wife and son, is one brother, Graham, of Ottawa, a third-year student at University of Toronto.

The body was taken from Constance Bay to Hulse and Playfair funeral parlors in Ottawa, from where the funeral was held on Tuesday. Many friends from Winchester attended the service.

CEMENT MIXER SERVICE

Sunday In The Churches

By Rev. N. J. Thomas, B. Th., Church Editor

OCTOBER 12th, 1947

This Sunday is the time for special thanksgiving. An anonymous poet wrote these lines:

"I thank Him for the lifted load,
And for the doubts dispelled;
I thank Him for the gift bestowed
And for the gift withheld.
In all the joys of time and sense,
In largess grand and free,
In sorrows pitying recompense,
My Lord is good to me."

Let us thank God then for lifted loads, doubts dispelled, gifts bestowed and gifts withheld, and for the joys of time and sense. In the words of the Psalmist may we say: (Psalm 34:1) "His praise shall be continually in my mouth."

United Church

Thanksgiving Services at Winchester 10.30 a.m. and 7.30 p.m., with a good old fashioned hymn sing in the evening. Harmony worship at 3.00 p.m. On SATURDAY evening, at 8.00 p.m., the sound picture, "THE WAY OF PEACE," will be presented in the Church. Another on the "Lamont Hospital," and several musical hymn films will be presented. The first named theme is so startling, based on the atom or Christ, that I urge all adults to see it. You'll never forget it. I saw it. Our Anniversary Services, with the Rev. W. S. Atchison as guest preacher, will be held on Sunday, October 19th, and the Anniversary Supper the next night.

Wesleyan Methodist Church

"Thanksgiving" will be the theme of the services, with Sunday School at 9.45 a.m., Morning service at 10.45 a.m., and Evening service at 7.30 p.m.. "Large congregations are expected to join in praise to our Heavenly Father for His manifold mercies, and to entreat His Blessing for the less fortunate in needy lands."

Baptist Church

"The Anniversary and Rally Day services are over. Let each member of the congregation give the same support to the regular services." Winchester, 10 a.m., Sunday School; Worship at 11.00 a.m. and 7.30 p.m.; South Gower Sunday School at 2.00 p.m., and Worship at 3.00 p.m. The Rev. Mr. Ferns' subjects are: Morning: "The greatest man living today," and Evening: "The Old Testament Preacher's text timely for today." Fellowship hour, Tuesday 7.30 p.m.

Presbyterian Church

Thanksgiving Services will be held in Winchester at 11 a.m. and 7.30 p.m., with Sunday School at 10.00 a.m. At Winchester Springs the service will be at 2.30 p.m.

Selfishness with much can do little; love with little can do much.
