Every day in our lives there is an opportunity to do others a favor; nearly every day there are times we would appreciate one ourselves. Let's take advantage of that opportunity today, tomorrow and every day.

Halloween Pranks Being Investigated

Monday evening was Halloween, and with the exception of a few incidents, the occasion was observed in a very orderly manner.

Hundreds of children, wearing every type of costume, paraded the streets and visited local homes for the traditional hand-out of apples, candy, etc. and most of them displayed good manners and acted very courteously.

The most serious prank reported was the shooting of several holes through one of the large plate-glass windows at Hotel Winchester, with an air-rifle. It is believed that the boy who committed this stupid and dangerous act, fired the shots from an alleyway on the opposite side of the street. Police are investigating.

Other pranks, which caused property damage, was the toppling over of several outbuildings, including the one at the 100 Club Community Park; the removal of door-steps and cutting the lead-in wire to the telephone at the local theatre.

North of Winchester, Provincial Police are investigating the removal and damaging of 17 mail boxes on a rural mail route, the work of Halloween pranksters.

One thing too many boys and young men forget is that the laws regarding the damaging of property, etc., apply on Halloween the same as at any other time.

We might also point out to the parents of boys who own air rifles, that all such weapons must be reported to the local police and a permit obtained. Failure to do so carries severe penalties.

"TIME" IS STILL A LITTLE CONFUSING IN THIS DISTRICT

On Sunday both Winchester and Kemptville returned to Standard Time, but Chesterville, Russell, Morrisburg, Iroquois, Cornwall and Ottawa all are remaining on Daylight Saving Time until November 26th.

In townships adjoining Winchester and Kemptville, farmers have also adopted Standard Time, but those living in close proximity to municipalities still on D. S. T., have not.

On Monday morning a merchant from Chesterville left that village at 8.30 a.m. and arrived in Winchester at 7.45 a.m.

Although the times are confusing, local residents should remember when going to Ottawa or other centres still on Daylight Saving Time, to leave an hour earlier, otherwise they will be late with their business appointments, train connections, etc.

W.M.S. Presbyterial Met In Elma Church

The Eastern Sectional Rally of the Dundas-Grenville Presbyterial of the Womans Missionary Society of the United Church of Canada, was held Wednesday, October 26th, in Elma United Church. The theme was: "Ye are Witnesses."

The morning session opened with the singing of the Doxology, and prayer by Mrs. W. E. Wright. Mrs. Nora McPherson, of Elma, welcomed those present and hoped that all would have a profitable day together.

The devotions were taken by Mrs. N. J. Thomas and Mrs. O. Wallace, the topic being "Ye are witnesses in the home."

Mrs. Thomas based her talk on the words taken from 2nd Kings, 20:15: "What have they seen in thy house." She first asked the question: "Would there be anything different in a Christian home and a non-Christian home?" Then she pointed out some things that should be in all homes: (1) A godly mother, or father, or better still, both; (2) Discipline; (3) The family altar. Every Christian home must have a family altar. (4) A Christian home must be a church-going home. The faithful members of our churches today are those who have come up all the way from the Mission Band. She closed with these words: We cannot bask in the faith of those gone before, we must have it in our own homes.

Following a hymn, Mrs. O. Wallace led in prayer. Mrs. W. E. Wright presided for the business and the appointment of committees. Mrs. Percy Cummings gave an outline of the Book Shelf and named some of the books she thought should be read.

Highlights from the School for Leaders were given by Mrs. C. Sypes. There were 95 registered at this school, and the slogan was "Advance." If we are to advance we must each resume responsibility, and if we are to be good leaders we must be true followers of Christ.

The offering and dedication was taken by the Harmony Auxiliary.

A talk on the topic "Ye are Witnesses through the Band," was given by Mrs. K. Blancher. Every W. M. S. should have a Mission Band. Help the children to learn about children of other lands. The Baby Bands are the future W. M. S. The more Baby Band members, the more Mission Bands, C. G. I. T.'s, members, etc. Begin now to build for the future. Let us train the children in the great joy of service.

Mrs. Dalton Robinson contributed a solo: "I'll Be a Hero For Jesus." "Questions and Answers" was led by Mrs. A. B. Allison. Some interesting points were brought out.

Mrs. W. E. Wright spoke on "Ye are Personal Witnesses in the Auxiliary." If the members of Auxiliaries are good members, the Society will be a live Society. We witness to our Society through our eyes, ears, lips, hands and feet. With our eyes we read the Bible to get knowledge of the Word of God, and the Missionary

Religious Film To Be Shown Here

Perry Hayden, the "Quaker Miller" of Tecumseh, Michigan, planted a cubic inch of wheat seed in 1940, which multiplied to such an extent that it enabled thousands of starving people in Europe to be fed during the hard winter of 1946. Hayden thus staged, with the generous help of the late Henry Ford, the most dramatic tithing experiment in history. Now both men appear in the famous color-sound movie, "GOD IS MY LANDLORD," to be shown in the United Church here tomorrow (Friday) evening, November 4th.

Mr. Hayden, inspired by a sermon heard in his local church on the morning of September 22nd, 1940, which was based on the text of John 12:24, decided to "take God at His word and see what would happen." Plenty did happen!

That same week he planted 360 kernells of wheat on a small plot of ground put at his disposal by Henry Ford. In 1941, a year later, the crop was harvested, a tithe paid to Hayden's church, and then the remainder (90%) was planted again. This process continued for six years, every year more land was needed, more helpers required to help with the harvest of the crop, while the whole project gained nation-wide acclaim.

By 1946, despite unfavourable weather during the second and third harvests, the wheat covered 2,666 acres of land and produced 72,150 bushels of wheat, worth nearly $150,000. Robert Ripley in "Believe it or Not," stated that if the project were continued for 10 years, it would require all the land in the United States, and in 13 years, it would cover the whole globe.

"GOD IS MY LANDLORD" was produced by McHenry Films, of Chicago. It is a color-sound film and required seven years to complete. The color action pictures of Henry Ford, taken in the last years of his life, are said to be the only ones available for public showing. Other prominent Americans who appear in the film are, Capt. Eddie Rickenbacker, ace of two world wars; R. G. Le Tourneau, industrialist; Dr. Walter A. Maier, famous Lutheran radio preacher; James L. Kraft, of cheese fame; Mrs. Emma Clement, first colored woman chosen as American Mother of 1946; Harvey Fruehauf, trailer manufacturer, and many others.

The pageant held during the final harvest represented the complete history of farm equipment from Bible times up to the present day. The wheat from the final harvest converted into bread, would have made five million loaves.

This is the first time in history that Wheat was cut, threshed, milled, flown 100 miles by helicopter, baked, returned and eaten all within the same afternoon.

INSPECTOR REPORTS LOCAL HIGH SCHOOL WELL ORGANIZED

According to the report of Mr. A. L. Lakie, inspector of high schools, presented at the meeting of the Winchester High School Board, held in the town hall recently, the school was in a satisfactory condition, and the classes were well organized. The teaching of Principal J. Howard Willard and his staff of seven teachers was said to be above average.

The report recommended that due to the increased attendance it might be necessary to provide additional fire escapes, and added equipment was needed in the science departments.

The board decided to purchase five new typewriters, desks and chairs, for the commercial room, also material for the erection of a brooder house to be used in the agricultural classes. The erection of the brooder house will be a shop project. Present fire protection and escapes are to be checked by Messrs. J. K. Ault and Robert Woods, and other minor repairs to school property completed.

The principal was authorized to order 40 new shirts for the Cadet Corps and Mr. W. A. Servage, teacher of Agriculture, was to order 500 project books.

Mr. W. J. Cass, K.C., presided. Other members of the board present were Messrs. F. Erle Helmer and Wm. Watson.

ADDITIONAL $2000 GRANT MADE TO HOSPITAL

An additional grant of $2,000 has been made by the Ontario government to Winchester District Memorial Hospital, it was announced last week by Health Minister Kelley.

Last year a grant of $36,000 was approved for this hospital. Owing to certain changes, two additional beds have been added, so an extra grant of $2,000 has been approved, the health minister said.

School Students See R. C. M. P. Picture

The facilities of the "Winchester" Theatre were made available on Tuesday forenoon of this week for the screening of the film, "Through The North-West Passage," for the benefit of local Public and High School students.

It was an educational film and was presented through the courtesy of the Royal Canadian Mounted Police, with Sgt. Ade, of the Ottawa Division, being present and acting as narrator.

Headed by the principal, Mr. Harry Potter, the pupils of the Public School marched to the theatre at 9.45 a.m. followed by the students of the High School, with Principal H. Willard in charge.

In addressing the students, Sgt. Ade made reference to Halloween which had been observed the night previous. He said the occasion provided a season for fun, but cautioned them against doing property damage and such acts as shooting holes in hotel windows, stringing wire across sidewalks, cutting telephone wires, etc. Such pranks are plain silly and stupid, he said.

The film provided a record of a trip made by 8 members of the R. C. M. P. in a small wooden vessel, the "St. Rock," in 1940. On orders the vessel was to proceed to Halifax, N. S., from Vancouver, B. C., via the Northwest Passage (through Arctic waters.) Supplies for remote R. C. M. P posts were carried. It was a 10,000 mile trip and lasted 28 months, the vessel being frozen in for 2 winters (11 months the second winter). The trip ended on Sept. 10th, 1942.

The vessel finally negotiated the North West Passage from West to East. Amunsden had done it from East to West, but this was the first time any vessel had made the trip from West, eastward. After a short stay at Lunenburg, N. S., the St. Rock made the return trip in 80 days.

The film showed the many hazards and hardships encountered during the voyages, and gave an illustrated story of life and service among the Eskimos.

It was truly an educational film and was thoroughly enjoyed by the teachers and students of both schools.

At the close of the show, Mr. J. H. Willard voiced the appreciation of all to Sgt. Ade and the management of the "Winchester" Theatre for making the presentation possible.

Local Eggs Score High

D. FREELAND'S EGG-GRADING STATION CAPTURES HIGHEST EGG HONORS AT OTTAWA WINTER FAIR

The entries from Mr. Doug. Freeland's Egg-Grading Station, here, captured highest honours in the egg competition at the Ottawa Winter Fair last week. Mr. Freeland's entries scored 95.33 points to lead a field of 12. Canada Packers, Limited, Ottawa, placed second with 94.6, and third place went to a Crysler Station, with 93.3 points.

The entries from Mr. L. Kapeller's Station were awarded 87 points.

It will be recalled that Hylo Eggs won major honours at the Ottawa Exhibition both this year and last, and with Mr. Freeland's success last week, indications are that local egg-producers are marketing high-class eggs.

18 COUPLES IN MARATHON BRIDGE

The first games of the ladies' marathon bridge, sponsored by the Women's Auxiliary of the Winchester District Memorial Hospital, were played on Monday night of last week at the home of Mrs. Hart Melvin. Eighteen couples have been registered by Mrs. Jack Rennison, convener of the ways and means committee. Each player contributes 25 cents per night and last year more than $200 was realized in this way.

At the end of the season the marathon is concluded by a major event in the town hall when the scores are counted and prizes awarded the winners.

Property Changes Rumoured Here

During recent weeks rumors have benn circulated to the effect that the Ontario Hydro Commission has purchased the Richardson Property on St. Lawrence Street, South, to be used as office quarters, stock rooms and garage for the Winchester Rural District Commission. In an interview with Mr. T. O. VanBridger, the local Hydro Supt., the Press was informed that no official word of such negotiations have been received here.

It has also been rumoured that the building and other property, located on the corner of Main and Centre Streets, now occupied by the Hydro and owned by Mrs. S. Keyes, of Ottawa, has been sold to the local Branch of the Canadian Legion for the purpose of a Memorial Hall and Club Rooms. It is known that negotiations to this effect took place last week, but local Legion officials will neither confirm nor deny the rumour.

Local citizens are anxious to learn whether these rumours are true. The Press cannot, at the present time, satisfy their curiosity any more than to say "where there's smoke, there's fire."

WINCHESTER THEATRE NEWS

No one who has read Borden Chase's enthralling yarn "The Chisholm Trail," will miss seeing "RED RIVER" at The Winchester this week-end. It is a Western of the Super class produced on a scale of such scope and magnificence that it is compared only with such pictures of Western life as were "The Covered Wagon" and "Cimarron" of twenty years ago and more. It is the story of a strong man who led a huge cattle herd on a 1,000mile trek, facing not only the natural hazards but also hostile Indians and hi-jackers. Montgomery Clift plays a wonderful part, and with him in the cast are John Wayne, the star of "Wake of the Red Witch," Joanne Dru and Walter Brennan.

On the first of the week comes a picture of very different type, a breezy, sparkling comedy, "YES SIR, THAT'S MY BABY." A group of war heroes get back to college, complete with wives and babies; they are keen football players and so trouble arises. The picture is in Technicolor. Donald O'Connor, Chas. Coburn and Gloria DeHaven lead the cast.

On the same programme are a couple of snappy featurettes, and cartoon.

"HELLFIRE," also in color, the feature for next week-end, is another Western and is said to be a picture of unusual merit. The cast is headed by William Elliott, now considered as good as the best in his field. Marie Windsor is also a comparative newcomer and she plays the part of an outlaw girl with rare spirit. The picture ranks high in the critics' book.

On the same billing is a Special, "Movies Are Adventure," and also newsreel and cartoon.

LORD BISHOP OF OTTAWA VISITS CHESTERVILLE

The Right Reverend Robert Jefferson, D.D., D.C.L., Lord Bishop of Ottawa, and Mrs. Jefferson, were guests for supper at the Rectory, Winchester, this past Sunday evening. While in Winchester, The Bishop and Mrs. Jefferson visited the Winchester District Memorial Hospital and expressed great admiration for the local institution.

At 7.30 p.m., His Lordship administered the Sacrament of Confirmation at the Church of the Holy Trinity, Chesterville. He was assisted in the service by the Rector, Rev. Leon B. G. Adams, who read the Scripture passages on which the service is based, and Mr. M. E. C. Clarke, B.A., Lay Reader, who acted as the Bishop's Chaplain.

The church was filled to capacity for the occasion. The hymn singing was led by the choir, accompanied by Mrs. Ralph Smith at the organ. The Altar was beautifully arrayed with white hangings, tall lighted candles, and vases of bronze-coloured mums which were given by the Confirmation candidates.

Those confirmed were: John Alfred Julyan, Ronald James, Charles Clackett, John Robson Sutherland, Graeme Claire Miltimore, Melville Charles Abel, Donald Wade Abel, Hosea Droppo, Sharon Gertrude Morris, and Muriel Elizabeth Julyan.

The Rector announced that all services in Chesterville, South Mountain and Winchester would be on Slow Time henceforth, and that the Confirmation candidates would make their first Communion at 9.00 a.m. on Sunday, Nov. 6th.

W. M. S. PRESBYTERIAL

(Continued from Page 1)

Monthly to learn the needs of the field. Our ears are sharp and dull—sharp to hear gossip, dull to hear about increasing our givings; sharp to hear discouragements and discords, but dull to hear reports of joy and happiness.

Use our lips in prayer. Blessed are those who teach infant lips to pray. Our lips should give forth a cheerful voice and a smile. To see, hear and speak is well, but a friendly handshake has a meaning, and anyone who can use a pen properly is a blessing to any Society. Our feet are willing servants. Push them a little harder and be on time for the meeting. Our feet are palsied to go to church meetings but electrified when we go shopping. May we bring our entire being to be a Witness for the One whose tired feet trod the Judean hill. Mrs. Wright closed with a prayer.

The delegates then retired to the Sunday School Hall where a sumptuous dinner was served.

Afternoon Session

The Afternoon Session opened with the Doxology and Devotions. "Ye are Witnesses in the Community," was taken by Mrs. W. S. L. Merrill and Mrs. H. Reddick. The Scripture was read by Mrs. Merrill. Mrs. Reddick told us to witness "means to see and give testimony," to be a true witness we must first accept Christ and consecrate our lives to His service. Every person is a witness for something either we are Christian or not. People are reading us daily. Are we witnessing for the right? We witness through love—love in action is a real witness, also through prayer, pray not only for those we love but for our enemies too. We witness through worship by being fatihful, helpful and regular attendants at church.

Mrs. Merrill then leld in prayer, and "Breathe On Me Breath of God" was sung as a prayer. Business was then settled and the roll call taken, there being 82 present.

"In Christ there is no East or West" was sung, followed by an address on Korea by Mrs. C. R. Sutherland, of Inkerman, who was a missionary in Korea for a number of years. Korea is different from other mission fields. as the name of God was already there and dated back for a number of years. The first Christian missionary movement was Roman Catholic. Then came a terrible massacre and they were wiped out. When Protestant missionaries went there 12 years later, there was no trace of the Roman Catholic movement. Canadian missions started in Korea in 1898.

The Korean church is a praying church. Every member could be depended on to lead in prayer. They prayed out loud, all together, sitting on the floor. It is also a Bible reading church and they memorize whole chapters of the Bible. About one out of every 40 is a Christian. They have hospitals and schools in Korea and a splendid system of education, but resources were inadequate and many had to be turned away.

45.5 per cent. of the children die before reaching 10 years of age because disease is terrible and there is no quarantine, and a tremendous need of medicine.

No Christian effort is possible in Northern Korea today because of German domination. Canadian missionary work is still going on in South Korea but with many problems. Four missionaries home on furlough were not able to go back owing to the lack of money to keep missionaries there. So let us resolve to be a little more consecrated in our missionary effort.

A ladies' quartette from the Chesterville Evening Auxiliary sang: "Only A Smile," which was enjoyed by all.

Mrs. H. VanAllen, the president, brought greetings from other sections. She urged us in this year of advance to go over the top in all phases of the work. The allocation for the Presbyterial is raised from $8000 to $9500 for next year. Our missionary study theme for next year will be Japan. Parcels are still needed for supply work and if possible, add a little donation of money to help send them overseas. She closed with these remarks: True Christian work is not doing extraordinary things but doing ordinary work in an extraordinary way.

The offering and dedication was taken by Elma Auxiliary. Williamsburg extended an invitation for the Setcional meeting next year. Mrs. Geo. Cinnamon gave the report of the Courtesy Committee. Mrs. John Milne, secretary for Intercessory Prayer, gave some thoughts to take home: We have heard all day our responsibilities as mothers. Do we measure up? Are we increasing our responsibilities as W. M. S. members in the community. It is our responsibility to carry home something from this meeting to improve our own Society. Let us take this thought, that we pray and pray earnestly, for prayer is the soul of religion. Christ prayed all night. Are we W. M. S. members praying? Prayer is the mightiest force in the world today, and if we get behind our leaders with our prayers, we will have better leaders. Pray for our young people, pray for our missionaries. Pray and pray more earnestly and we will respond better to the missionary appeal.

A hymn was sung and Mrs. Vowles closed the meeting with a few encouraging words and prayer.—Contributed.

DUNDAS-GRENVILLE PRESBYTERIAL MEETING

The Central Sectional Rally of the Dundas-Grenville Presbyterial was held at Hainsville United Church on Wednesday, Oct. 19th, with the president, Mrs. Wm. Johansen, in the chair. The theme for the day was Advance. The morning devotions were taken by the Hulbert Auxiliary using the thought "Advance through a love for God's World."

The business then followed. The 1950 president of the Inkerman Auxiliary will go on the Nominating Committee of the Presbyterial, and Mrs. Basil Adams, of South Mountain on the Finance Committee.

Mrs. Fowler, of Iroquois, reported on the School for Leaders, held at Macdonald College in August. We cannot stand beside our missionaries, we must stand behind them.

Mrs. Empey, of Brinston, introduced the guest speaker, Mrs. Roland Garrett, of Ottawa. Mrs. Garrett said we must advance by becoming more intimate with Christ.

The Hainsville choir favored the gathering with special music, after which Mrs. John Milne spoke in Intercessory Prayer.

The Hallville Auxiliary opened the afternoon session with devotions based on Advance through the love for God's World, and closing with a solo by Mrs. H. B. Campbell.

A skit, "Recruiting New Members," by the Brinston Auxiliary, was much appreciated, after which Mrs. VanAllen brought gleanings from the Dominion Branch. The Mission Study Book for 1950 is on Japan.

A dramatization from "Growing With The Years," was well carried out by the South Mountain Auxiliary followed by a duet by Mrs. Collison and Mrs. Strader, of Brinston.

Mrs. R. M. Peterson brought to our attention the National Temperance Course, and Mrs. Garrett again addressed us, telling of Camp Farthest, New Hampshire.

Some children of Hainsville Sunday School gave a touch of China, and a duet by two of the little girls was sung.

Mrs. Blanchard, of Morrisburg, spoke on Mission Band Work, and Mrs. J. I. Murdock, of Iroquois, brought the closing thoughts of a very profitable day.

MODERN ETIQUETTE

Q. What are the bridegroom's expenses for a wedding?

A. The marriage license, a wedding present for his bride, a personal gift for his best man and each of his ushers, the bride's bouquet, the wedding ring, clergyman's fee, and the expenses of the honeymoon trip. If he desires, the bridegroom may purchase the bouquets for the bridesmaids, but he is not obligated to do so, and these are usually the expenses of the bride or her parents.

Q. Is the correct form of introduction, "This is Mr. Smith, Miss Brown," or "Miss Brown, this is Mr. Smith?"

A. The latter form is correct, as the woman's name should always be spoken first.

Q. Should the escort of a woman acknowledge the courtesy if, when entering a crowded streetcar or bus, another man gives up his seat to the woman?

A. Yes, by all means. He should lift his hat in acknowledgement, or if he is not wearing a hat, he should nod his head and say, "Thank you."

WEDDINGS

DURANT—ROBERTSON

A pretty wedding was solemnized at the home of Mr. and Mrs. Lloyd Robertson, Dixon's Corners, at one o'clock on Saturday, October 29th, when their only daughter, Velma Pearl, became the bride of Edward Charles, son of Mr. and Mrs. M. J. Durant, of Prescott. The ceremony was performed by Rev. G. D. Empey, of Brinston.

Given in marriage by her father, the bride chose for her wedding a floor-length gown of ivory satin fashioned with fitted bodice, high neck line of nylon net, long sleeves coming to points on the wrists. The skirt was very full with a pointed peplum at the back. Her shoulder-length veil of tulle was held in place by a matching head dress. Her bouquet was red roses.

She was attended by Miss Doris Simzer, cousin of the groom, as bridesmaid, wearing a floor-length gown of blue satin and net with shirred bodice and sleeves and full skirt. Her bouquet was of red roses.

Mr. Percy Robertson, brother of the bride, was best man.

A reception followed the ceremony. The rooms were tastefully decorated with fall flowers, pink and white streamers and wedding bells. The bride's table was centred with a three-tiered wedding cake. Amid showers of confetti and best wishes, the happy couple left for a honeymoon trip by motor to points in New York State including the Adirondacks. For travelling, the bride chose a wine coloured dress with top coat to match, black accessories with a corsage of Red Roses. On their return they will reside in Prescott.

Letters to the Editor

LETTER OF APPRECIATION

October 25th, 1949.

Editor, Winchester Press,
Winchester, Ont.

Dear Mr. Editor:—

Through your paper, will you kindly allow me to exprses two things?

First of all, I should like to thank you and the members of your staff for your unfailing courtesy and willingness in printing the many news items in connection with the 200th Anniversary of the birth of The Right Rev'd. Jacob Mountain, first Lord Bishop of Quebec, which was observed in Mountain Township this past Sunday.

Secondly, in an event such as this, the co-operation and help of many people was a necessity to make the occasion the success that it was. It is impossible for me—unless I kept at my typewriter till the day of Judgment—to write and thank each person for the part he or she played in this anniversary. Therefore, I simply say through your newspaper a great big "THANK YOU" to all concerned. The day will long be remembered in Mountain Township because each person did his or her part well.

Sincerely yours,
Leon B. G. Adams, Priest.
Chairman of the Bishop Mountain Bi-centenary Committee.

ODE TO AUTUMN

We sing of the Spring's verdant beauty,
Of Summer days leisurely long;
But the splendor and glory of Autumn
Still merits the poet's best song.

The hill-tops are bathed in warm sunshine,
The valleys are wrapped in soft mist,
While each tiny flower by the wayside,
By lips of King Frost has been kissed.

The maples are decked in gay raiment,
In rich tones of warm red and gold,
While towering away in the background,
Green hemlocks and pines we behold.

The reaper has passed o'er the wheat fields.
The ripe sheaves are all garnered in,
Our cellars are stored with rich fruitage,
How lavishly blessed we have been!

Then we'll breathe a deep prayer of thanksgiving,
To the Great Master Artist whose Hand
Has so wondrously tinted the tree-tops,
In this, our beloved native land.

Let us thank Him, with hearts overflowing,
For a harvest so bounteous and free,
Let us garner the sheaves of His Kingdom,
Till rejoicing, His face we shall see.

AGNES GLASSFORD AUXILIARY

The Agnes Glassford Auxiliary of St. Paul's Presbyterian Church, held its regular meeting at the home of Mrs. Archie Rice on Tuesday evening of last week, with the president, Mrs. Wilfred McKercher, presiding for the devotional period and business session.

The present slate of officers were elected to hold office for a second term. Mrs. Geo. Elliott was appointed pianist, and Miss Betty Anderson, press reporter, for the coming year.

Following the business period, a Halloween program was presented under the direction of Mrs. A. Rice and Mrs. R. Geggie. Contests and games were enjoyed, after which refreshments were served by the hostesses. The vote of thanks was moved by Miss Betty Anderson.

YOUNG MOUNTAIN FARMER WAS BEST JUNIOR SHOWMAN AT OTTAWA WINTER FAIR

For the second successive year 19-year-old Donald Rose, of Mountain Township, has proved himself the best of the junior dairy cattle showmen in Eastern Ontario.

The young member of the Mountain Senior Calf Club last week illustrated his supremacy in the field by winning the W. R. Barnard perpetual trophy after competing with more than 220 boys and girls who entered dairy calves in the largest junior calf and swine club show ever held in conjunction with the Ottawa Winter Fair.

Donald displayed his showmanship ability in the Ayrshire Calf Class.

DIAMOND JUBILEE OF KNOX W. M. S., WINCHESTER SPRINGS

A happy occasion was observed in Knox Presbyterian Church on Wednesday night, October 26th, when the Women's Missionary Society celebrated its Diamond Jubilee.

The President, Mrs. Preston McIntosh, conducted the programme in a very capable and interesting manner. At 8 o'clock the meeting was opened with the invocation followed by the singing of Psalm 74, "O God Our Help In Ages Past," and the National Anthem. The devotional service was taken by Mrs. Jay Bailey, of Chesterville Auxiliary, reading from I Kings 17:9. This was the same Scripture passage read at the first meeting sixty years ago. Mrs. Bailey closed this service with prayer.

Mrs. McIntosh expressed words of welcome to all the guests, which included many past members, one of whom was Mrs. Alice Bell, of Brinston, who was a member of Knox Auxiliary almost sixty years ago. The guest Auxiliaries were Morrisburg, Chesterville, Dunbar, Winchester, Williamsbung United, Winchester Springs United, and representatives from St. Peter's Lutheran Church, Willliamsburg.

Special musical numbers were much enjoyed. A duet, "Our Best," by Mrs. E. D. Jones and Mrs. Don Merkley, of Morrisbung, and a solo, "Bless This House," by Mrs. Dalton Robinson, of Winchester Springs. Mrs. Emerson Johnston, of Chesterville, a former organist of Knox Church, presided at the organ throughout the programme.

The guest speaker, Mrs. J. C. Ross, of Iroquois, President of the Brockville Presbyterial, was introduced by Mrs. James Riddell, of Pittston. Mrs. Ross brought greetings and congratulations from the Presbyterial and best wishes for success in the coming years. Her address was: "Memories."

A brief memorial service was conducted by Mrs. I. P. McIntosh, assisted by Mrs. Joe Davidson. A beautiful basket of flowers was placed on the Communion table in memory of all those who had been members of Knox Auxiliary and have passed on to their Eternal rest.

A very interesting historical sketch of sixty years ago was given by Mrs. Earl Munro, who has all of the minute books since the organization meeting, and is a granddaughter of the late Mrs. Thomas C. Nesbitt, who was the first President. The late Dr. Margaret O'Hara wrote the first minutes in 1889 when, as a medical student, she interned at the Sanatorium with the late Dr. Anderson. Later, Dr. O'Hara served 36 years as a medical missionary in India. Many other items of interest were read from the old records.

The offering was received by Mesdames Robert Kirkwood and Thos. Johnstone. Greetings on behalf of Brockville Presbytery were extended by the Moderator, Rev. W. H. Heustin. Rev. I. MacIver brought greetings on behalf of the Kirk Session of Knox Church. Greetings were also extended from Williamsburg United by Mrs. James MacMillan; Winchester Springs United by Mrs. Arthur Adams; St. Peter's Lutheran, Williamsburg, by Mrs. Elburn McIntosh; Winchester, by Mrs. A. G. Suffel; Dunbar, by Mrs. Delbert Dillabough; Chesterville, by Mrs. Robert Barrie; Morrisburg, by Mrs. E. D. Jones, and Mrs. Clarence Thompson for her mother, Mrs. Michael Casselman.

Mrs. Earl Munro expressed thanks on behalf of Knox Auxiliary to all who helped to make this Anniversary a real success. Rev. Iver MacIver closed the meeting with the Benediction.

During the social hour, refreshments were served and the guests registered in the minute book.

Several messages of congratulations and best wishes have been received from former members living far away.

The baby in the accompanying picture is almost guaranteed to provoke your warmest smile at first sight. The photographer who took the picture has caught to perfection that wonderful expression of a baby bubbling over with sheer fun and delight.

But the baby is more than just "cute." He's also symbolic. For one thing, he looks just about the way most of you feel when you have made the last payment on a Canada Savings Bond through the Payroll Savings Plan.

For another, this is only the fourth year that Canada Savings Bonds have been available to Canadians but, like the healthy, happy child with his winning smile, they have captured the fancy of men and women in every walk of life. More than 3,000,000 Canada Savings Bonds have been bought in the past three years by Canadians and total holdings of them now amount to more than a billion dollars.

RASPBERRY BUSHES STILL BEARING FRUIT

On October 26th, Mr. Samuel Holmes, who resides on a farm south of Winchester, submitted a branch from one of her raspberry bushes as proof that they contained many luscious red raspberries. In addition, there were many flowers and green berries on the branch. The berries were discovered by Mrs. Holmes' daughter, Lila, but with Jack Frost threatening to visit this district any day now, the second crop of berries is not expected to survive long.

HOSPITAL ACCOUNTS

As the year progresses items are appearing in the public press that show the financial position of many hospitals is going from bad to worse.

In most places the per diem rate was raised during the current year and, if the accounts charged at the increased rate are not paid, the deficit mounts rapidly. Whether the charge is one dollar a day or ten dollars, it is very much the same price, if the hospital does not get it. But at the same time, from the standpoint of bookkeeping, it looks worse. Everywhere there is the suggestion that the hospitals are not trying hard enough to collect and are falling back on the municipalities with accounts that are supposed to be for indigents but which, in reality, are accounts that people do not want to pay and will not pay without pressure.

Everyone knows that sickness imposes a frightful penalty on the purse of someone unless he or she is fortunate enough to have relatives who are doctors on whom they can rely for help or have complete hospitaliza- insurance.
