All I want for Christmas...

Santa Claus made his yearly pre-Christmas visit to Chesterville Saturday afternoon accompanied by a record number of floats in the annual Chamber of Commerce parade. The floats entered by Chesterville Public School, Chesterville Volunteer Fire Department and the Winchester Press took first, second and third prizes, respectively. This year marked the first time cash prizes were awarded to the prize winners. Over 1,200 area residents jammed the parade route to see the record number of entries and Santa Claus spent almost two hours at the Chesterville and District Arena handing out chocolate bars to the hundreds of youngsters who crowded into the arena lobby to get a look at him. - staff photo -

Village council accepts proposal from contractor

(Staff) - Village Council has accepted the offer of the contractor to bring Joseph St. up to the conditions laid out in the contract for the reconstruction of the street and has reduced the amount of hold-back to the firm by about $1,700.

Council accepted the terms of the agreement at last Tuesday night's meeting and the work will be carried out in the spring.

Although the contractor, Louis Bray Construction Ltd. of Green Valley, will bear most of the cost of the remedial work, the village will end up having to pay for some.

According to the agreement, Council will pay for 50 per cent of the cost of repaving sections of the street which it felt didn't meet the specifications of the original contract.

Bray will do the repaving and the village will be required to pay half the cost of the unit price of the 1½" asphalt - $11 a ton - which will overlay Joseph St. from Francis St. east to Main St. A further coat of asphalt will also be laid over the area of the street surrounding the Pitcher drain.

The cost to the village of the overlay will be between $1600 and $2000.

Sections to be repaved weren't laid out in the list of conditions submitted by Bray at Tuesday night's meeting but Council is checking with the project engineer, R. M. Kostuch, to make sure its specifications are carried out.

Other conditions to be met by the contractor include the resodding of lawns damaged while work was going on; replacement of survey markers, and readjustment of the street's manholes. Costs for these will be borne by the contractor.

One further condition, that of driveways on the street, is laid out in the agreement. Bray will not be required to do any remedial work on the driveways and will instead give a 50 per cent reduction in the cost of the original work done on them.

The reduced holdback of $7,061.35 will be paid to the contractor when work is completed to the village's satisfaction. The hold-back was reduced to 10 from 15 per cent of the cost of the project when Bray agreed to the new conditions.

With the payment of $14,085 Tuesday night, $63,552.11 has so far been paid to the firm.

With the hold-back, the cost has risen to $70,613.46 from the original estimate of $64,000. This does not include the cost to the village of the pavement overlays and engineering fees, which amount to $7,625.98.

Council refused to accept the condition of the street when Bray completed work in October, following an on-site inspection by members of Council public works department, representatives of the construction firm and project engineers.

Council was particularly unhappy with the paving, which had been sublet by Bray to McFarlane Construction Ltd., since depressions in the asphalt created large puddles every time it rained.

Bray offered to do a cut and patching job but Council refused the offer and stuck with the complete repaving.

Extra $12,000 for Joseph St.

(Staff) - The village of Chesterville has received an extra $12,000 in road supplementary grants to bring to $28,000 the amount received this year for the reconstruction of Joseph St.

News of the grant allocation was contained in a letter from MLA Osie Villeneuve to Reeve Keith Graham dated Fri., Dec. 10. The letter, accompanied by the approval of John Snow, minister of Transportation and Communications, says the village erred in its initial application for a supplementary grant of only $16,000 for the Joseph St. project.

Mr. Snow says in his accompanying letter the village is entitled to a maximum of $32,000 to provide fully for work on Joseph St. and the ministry's district engineer recommended that Chesterville receive $12,000 to bring the village to within $4,000 of the maximum.

Mr. Villeneuve was approached by Reeve Graham on the night of Sat., Dec. 4 to see if the MLA could assist the village in getting any more grants this year. He told the reeve at the time he doubted if any more funds were available but said he would see what he could do.

Ministry recommendations leave reeve less than happy

MAPLE RIDGE (Staff) — Reeve Cecil MacNabb closed out 17 years as a member of Winchester Township Council at Monday night's meeting.

Mr. MacNabb was defeated at the polls last week by Delbert Link for the reeveship.

The veteran of municipal affairs was first elected to council in 1959, moved up to deputy reeve the following year and was elected reeve in 1961.

The outgoing Council took a low-key approval to most of the items but Reeve MacNabb expressed his displeasure with the provincial government and its proposed reconstruction plan of highway 31 in the police village of Winchester Springs.

The reconstruction is scheduled for 1977 and representatives of the Ministry of Transportation and Communications recently met with Township Council and police village trustees.

The trustees, Emile Beaudette, Lawrence Holmes and Irwin Holmes, took the three recommendations from the ministry and studied them before reporting back to Council by letter Monday night.

Their report mentioned three points that will be considered by Council and a resolution recommending them forwarded to the ministry in the new year.

The report recommended an eight foot parking area and curb on the north west corner of the village's main intersection, and that Levere's store on the southeast corner by moved back from the road and a curb be installed on the southwest corner so the large trucks of R.S. Allison and Sons will not be able to park there.

Reeve MacNabb commented he was not very happy with the ministry's recommendations of building curbs. "I wouldn't accept it" he said.

Good news arrived when clerk-treasurer Glen MacGregor read a letter from the Ministry of the Environment stating the township's waste disposal site was "satisfactory in most regards".

The site was inspected November 14 and was found to be quite orderly and under proper supervision.

However, the ministry noted there was a lack of a rodent control program.

A third provincial government department, the ministry of Agriculture and Food, informed Council by correspondence that tile drainage loans would be restricted but the township would receive the maximum amount it is entitled to.

Based on the township's participation in the program for the past three years, it will receive $165,500 for April 1, 1977 to March 31, 1978.

Mr. MacGregor noted the township received $135,000 in 1976 and it was later increased to almost $218,000 but only about $150,000 was used because "two or three big ones (tile drainage projects) didn't materialize".

In other business, tenders will be called for the supply of furnace oil and diesel fuel. They must be received by the clerk-treasurer by 5pm Fri., Jan. 7. They will be opened at Council's inaugural meeting at 11am Mon., Jan. 10.

Councillor Jim Sullivan requested tenders be called after the general accounts, which included a fuel bill, was read and approved for payment.

Council also decided to keep a firmer hand on hamlet recreation committees. Marionville submitted its bill for $250 Monday night and Council decided, in the future, only unpaid bills will be accepted.

By receiving the unpaid bills, Council will know what is being pruchased.

Permission was granted for Mr. MacGregor and township drain inspector N.P. (Percy) Armstrong to attend the Ontario Drainage Convention in London Feb. 2-4.

Severances were approved for ARDA, Sven Jorgenson, Ralph Allison and denied St. Lawrence Gardens Ltd.

Land Severances received by Council Monday night were from Ed Shay and Alvin St. Pierre.

Persons who worked at the polls during last Monday's municipal election were given a $10 raise over two years ago. Deputy returning officers will receive $50, clerks $40 and owners of the houses used as polling stations $30.

Lame duck session for Village Council

(Staff) Village Council resembled a lame duck last Tuesday night following Monday's municipal elections, preferring to nest quietly rather than strike out on fresh ground.

Several items of business were held off for the new Council, which takes office in January, although all matters initiated by the present administration were wrapped at the second-from-last meeting of the current session.

Handed over to the new Council are decisions on the establishment of a committee of adjustment to rule on zoning matters; institution of a new poll for municipal elections and a ruling on a zoning matter brought up by a King St. merchant.

The committee of adjustment will be one of the first priorities of the new council.

The committee will consist of three members, none of whom can be members of Council, who will sit for the next three years. It will have a rotating membership with one member up for reappointment each year. Two members will constitute a quorum.

Discussion on the committee of adjustment came up following the request by Dick Testerink for a building permit to extend the dimensions of his King St. store.

Council ruled that the matter should be handled by the committee of adjustment since the request entailed a minor variance of present zoning laws.

Mr. Testerink wants to extend the rear of his store, Jan-Mart, to within six feet of his rear property line. The addition would almost double the store's ground floor square footage but under the new zoning bylaw, it can come no closer than 25 feet to the rear of his property.

Reeve Keith Graham told Mr.Testerink this is a matter for a committee of adjustment. He said others in the same situation had ben turned down by Council and he wanted no accusations of favoritism levelled at the present Council.

Reeve Graham told reeve-elect Jim Brannen and Councillors-elect Mac LaSalle and Bert VanKessel the committee of adjustment should be appointed as soon as possible after the New Year. It can't make any decisions until 30 days after its apointment and Mr. Testerink wants to get work started in the spring.

The new members of Council were told by clerk-treasurer Lloyd Graham the village's new zoning bylaw is now before the Ontario Municipal Board and will be enacted as soon as the village finds out how it is supposed to advertise the new regulations.

Mr. Graham, in his capacity as returning officer for village elections, said a third poll will be instituted in Chesterville for the next municipal election. It will be up to the new Council to decide on the poll division, which Mr.Graham, has so far suggested be the area bounded by the river and the west side of Main St.

That would divide poll one, the larger of the village's two present polls, which now consists of all the village west of Main St.

There were difficulties in Monday's election getting poll one counted because of the heavy turnout of the large number of votes in the poll.

With new subdivisions springing up on the south side of the Nation River, the number of voters in the present poll one would be increased even further by the time of the next election, Mr. Graham said.

Drainage assessments changed in Finch Twp.

BERWICK (Staff) Finch Township Council passed bylaws amending assessments on five municipal drains at an abbreviated meeting in the township offices here last Wednesday night.

Of the five - the Forsyth, Dillabough, Bogart, Ouimet and Blue Creek - only the Dillabough and Bogart cost more than was originally estimated by the project engineers.

The Dillabough drain was estimated at $21,026 but because more hardpan was encountered than had been anticipated the drain ended up costing $26,359 and the difference will be made up by higher assessments to those served by the project.

There was a $338 increase in cost on the Bogart drain, caused by a small extra branch added to the project, increasing the price of the drain from $17,600 to $17,938. The extra assessment will be charged to the two landowners served by the extension.

Those on the Forsyth have a reduction of $98 to split amongst them.The drain was estimated at $31,866 and ended up costing $31,768.

There was a $3,000 reduction on the Blue Creek drain, from $24,000 to $21,346, and a $5,000 reduction on the Ouimet with the revised estimate of $37,951 reduced to the actual cost of $32,888.

Council accepted the petition of Charles E. Johnstone to clean part of the Johnstone drain in preparation for tile drainage. Township clerk-treasurer Arnott Empey was instructed to have an engineer prepare the preliminary report.

In one other matter, Council accepted the request of L.P. Stidwill Assoc. to complete work on the Beehler drain in the spring. Work was to have been completed this fall but wet weather delayed the finish.

The township will be applying to the federal Local Initiatives Program for funds to carry out work on the public works garage and to make signs to mark concession raods.

The township had its LIP funds cut earlier this fall from the $15,000 it had applied for to $10,000 but Mr. Empey received a telephone Wednesday call from an LIP official informing him more money has been poured into the make-work program and asking him to have the township submit another project proposal.

The township's first project was for cutting brush but no new funds can be applied to the original project nor to last year's project. The township used LIP funds last year to build the new firehall in Crysler.

Mr. Empey said after wages are paid and decutions made, about $16 would be left each week to buy supplies for the project.

Council voted to increase the pay for the four deputy retunring officers and four polling clerks who worked in the December 6 municipal election.

They had their pay increased this year to $50 each, from $40, for the DROs, and to $45 from $35 for poll clerks. The amount paid to those who used their home or property for polling stations also received an increase this year, to $30 from $25, and the election assistant, Miss Karen Foster, received $75. This is the first time Finch Township has had an assistant for returning officer Arnott Empey.

Council had its purchase of a Seagrave sander approved by the Ministry of Transportation and Communications but learned it must use present provincial allocations for its subsidy on the purchase.

Flu clinic Thursday

(Staff) — There will be a swine flue clinic at the Chesterville Legion Branch 434 Hall tomorrow (Thursday) afternoon from 4-6pm and at the Iroquois Civic Centre during the same hours. The clinics will be for those who did not receive monovalent vaccine at the clinics held two weeks ago.

Santa Claus parades

(Staff) — Santa Claus parades will be held in three area municipalities this weekend. Santa will visit Morewood and Berwick Saturday afternoon and he will be in Newington Sunday afternoon.

$15,000 deficit

(Staff) — An early forecast shows Winchester Township will have a $15,000 deficit for the year 1976. Clerk-treasurer Glen MacGregor said Monday night that will be the same as in 1975 so Council has stayed within its budget for the year. He also said there are between $50,000 and $60,000 in tax arrears due four per cent interest per annum and one per cent interest per month.

Township Council waives action on drainage penalty

MAPLE RIDGE (Staff) — Resistance was offered but only briefly as Winchester Township Council decided Monday night to turn the other cheek.

Township drain inspector N.P. (Percy) Armstrong informed Council two drainage projects had not been completed by the freeze up and November 30 deadline.

Reeve Cecil MacNabb said the firm, Cruikshank Construction Ltd., Morrisburg, should be penalized $25 a day for going over the deadline.

It was then noted that would be unfair to the firm and Councillor Gerald Holmes recommended a flat rate penalty.

Mr. Armstrong said contracts for the Devaney and Misner drains were issued May 6.

No action was taken by Council on the matter.

Later in the meeting, Council issued a building permit to Basil Dawley, Winchester, for the construction of a $30,000 repair garage.

In October, Mr. Dawley was told the permit would not be issued unless approval for a septic system was given by the board of health.

Mr. Dawley Monday night read a letter from the board of health but it did not mention the installation of a type of system. system.

Councillor gets in the last word

(Staff) - Even though it was his last meeting, Councillor Archie Black didn't let up on his favorite theme last Tuesday evening.

Mr. Black, who didn't seek re-election in last Monday's municipal run-off, gave his parting shot to the outgoing Council and added a few words of advice to the incoming Council on the need for a bylaw enforcement officer for the village.

He said enforcement of village bylaws, especially building regulations, had been his "pet project" during his six years on Council and added that the lax attitude in Chesterville towards them was one of the major reasons he didn't seek another term on Council.

Mr. Black said he wasn't just blaming village residents for the hit and miss attitude many have towards municipal regulations. "Council and village employees are too blame, too, for not pushing hard enough to have bylaws and regulations respected and obeyed."

He mentioned four persons he had approached during the last month, all of whom were putting up structures or making additions to their homes, and none of them had bothered to apply for a building permit.

One told him in no uncertain terms what he and the village could do with their building regulations, Mr. Black related to his fellow Councillors.

He admonished the incoming Council to see that this attitude is not allowed to continue and carried on his favorite theme when Council discussed setting up a committee of adjustment in early in 1977 to administer zoning regulations.

"What's the good of the committee when we won't have anybody to enforce their decisions?" he asked before the discussion closed.

THANK YOU

I wish to thank all those who supported me in the Dec. 6 Civic Election, in which I was elected member of our Village Council. I will certainly try to live up to my pledge of working for the betterment of all aspects of our community.

Morewood WI makes Christmas gift donations

MOREWOOD (Special) - The Christmas meeting of the Morewood UCW was held in the church hall Wed., Dec. 1, with the president, Mrs. C. Crump, in charge.

She opened the meeting with a poem "These Are Needed", followed by the repeating of the Purpose. Devotions were conducted by Mrs. H. Crump. Mrs. K. Broom gave a reading, "The Priceless Gift of Christmas". Christmas stories were read from scripture and Mrs. S. Mattice read an article about Christmas. Two Christmas hymns were sung, prayer offered, and devotions closed with a poem "The Last of Christmas".

The 1977 programs, officers and conveners were reported.

Under correspondence, a Christmas gift is to be sent to the branch's foster child, and donations are to be given to the mentally retarded and the Olive Zeigler CGIT association. The president reminded members of all the activities taking place this month and stressed that all reports are to be given at the January meeting.

The meeting was turned over to the program committee, Mrs H. Irven, Mrs. E. Thompson and Mrs. L. Irven, who presented a one-act play entitled, "Deck The Halls". The actors were Mrs. H. Crump, Mrs. M. Thompson, Mrs. R. Craik, Mrs. S. Mattice, Mrs. I. Coulthart, Mrs. W. Smirle and Mrs. K. Broom.

They portrayed a family with many differences, but who finally caught the spirit of Christmas.

Mrs. Crump thanked all who had helped with the meeting and the Mizpah Benediction was repeated.

MORRISBURG (Special) - At this time of year, as the winter approaches and poor driving conditions begin to appear, all drivers should check their entire lighting equipment for defects either on their private auto, or any vehicle - such as a truck or school bus - which they have occasion to drive.

The speed at which driving conditions change should continually be in the minds of all drivers. Visibility to the driver is the primary factor in safe driving and it's equally important that the vehicle being driven can be seen by other drivers.

Auto lights should be used whenever prevailing weather conditions warrant their use. Don't take chances; correct use of the lighting system may prevent a serious road accident. Parking lights are to be utilized for parking and not for driving. As soon as dusk starts use the headlights.

Section 37(1) of the Highway Traffic Act states: When on a highway at any time from one-half hour after sunset to one-half hour before sunrise, and any other time when, due to insufficient light and unfavourable atmospheric conditions, persons and vehicles on a highway are not clearly discernible at a distance of 500 feet or less, every motor vehicle shall carry three lighted lamps in a conspicuous position, one on each side of the front of the vehicle, which shall display a white or amber light only, and one on the rear of the vehicle which shall display a red light only, except in the case of a motorcycle without a sidecar which shall carry one lamp on the front of the vehicle which shall display a white light only, and one on the rear displaying a red light. Any lamp so used shall be clearly visible at a distance of 500 feet from the front or rear.

Stormont 4-H Achievement Day held Saturday

AVONMORE (Special) - Roxmore Public School was the site of the Stormont 4-H Homemaking Achievement Day, for the project "A World Of Food In Canada".

Each member completed a record book as well as a recipe file. These were on exhibit for all the afternoon visitors to see.

One part of the afternoon program was the presentation of six exhibits, two demonstrations and three skits. The demonstrations were presented by North Valley, with Collette Rowley, Sara Rutley and Juanita Eligh, and Cornwall Centre 1, with Kathryn Julien and Jennifer Cameron demonstrating. The skits were presented by Dixon, Avonmore and Finch 2.

All members in each of the clubs participated in these skits.

The exhibits were presented by Newington, with Marie Gove commenting, Finch 1, with Mary Bakker acting as commentator, Cornwall Centre 2, with Julie Cloutier commenting, Berwick, with Suzanne Ingola commenting, Ingleside, with Liane Gregory commenting, and Osnabruck Centre, with Susan Gervais acting as commentator. All of these girls put on an excellent program, which was enjoyed by all present.

The second part of the afternoon program consisted of the presentation of several awards. Two special awards were presented to two 4-H leaders.

A five year certificate was presented to Mrs. Maria Dingemans for her leadership. Mrs. Megan Ouderkirk also recieved a certificate for her 10 years of leadership, in the 4-H Homemaking Clubs. Advanced Honors was presented to Mary Alguire, from Cornwall Centre 1, for her successful completion of 18 4-H Homemaking projects. She received a silver pie server along with her certificate.

The final awards were presented to the following girls for their successful completion of six projects in homemaking: Carol Aitken and Christina Bilmer, Dixon, and Becky and Sandra Zeran, Newington. They each received a pin and certificate for their hard work.

All of the 4-H leaders and members who successfully completed the project were given a silver spoon upon conclusion of the Achievement Day.

Mrs. Doreen Armstrong, Ottawa, helped with the morning activities, and commented on the skits, exhibits and demonstrations, which the girls presented.

Miss Mary Michels, Ontario Ministry of Agriculture and Food County Home Economist, conducted the entire day's program. She informed the girls the spring project would be "Taking A Look At Yourself". This project deals with grooming, self-image and storage facilities.

UCW units meeting Dec. 9 hold combined

(Special) - Trinty United Church Hall took on a festive look with gay Christmas decorations as the two units of the UCW met for their annual December Pot Luck Supper meeting Thursday night.

After the meal, the meeting began with Mrs. Dalton Docksteader, presiding in place of Mrs. Harry Allison who was unable to attend due to illness, and Mrs. Eric Casselman secretary, conducted the business. Mrs. Allison Graham was pianist for the evening.

Mrs. Norma Reid and Mrs. Elsie Graham convened the meeting and with their committee, Doris Hitsman, Susie Cass, Virginia Ferguson, Alma Brownlee, Mildred Paul, Olive Cass, Yvonne Merkley and Isabel Forward, conducted the worship service.

Inside Ingleside

by Jean Jeacle

Christmas comes to Maple Street
As to the country round,
With songs and secrets in the air
And snow upon the ground.

I cannot peek in Andrew's desk
Nor look in Martha's drawer.
They have some presents hidden there
Which I can't see BEFORE.

The house is filled with fragrances
Of ginger and of pine.
The freezer's stocked with baking
The tree is looking fine.

The relatives arrive at last
They sleep upon the floors.
They all have fun. They don't complain
As long as no one snores.

We go to church on Christmas eve
To honor Jesus' birth.
We celebrate with friends and kin
And pray for peace on earth.

At home we pass the presents out
With never a push nor shove.
Christmas comes to Maple Street
With laughter and with love.

BITS AND PIECES

— Don't forget that Santa is coming to Newington this Sunday afternoon.

— **Rodger Hebert** was definitely the smoothest dancer at the Rothwell Staff party. **Andy Petepiece** didn't come close...even in his tap shoes.

— Can you guess why a lion was chosen as the symbol of the Osnabruck Winter Carnival?

— **Lois Brassard** and yours truly will be serving coffee and cookies at the Library this Friday afternoon from 12-4pm. Come on in and share the holiday spirit. - (not spirits).

— **Lianne Mohns** tells me she is off to Florida for the holidays. I hope she doesn't send us a picture of a thermometer. That would hurt.

— **Charlie Black** has brought wonder and enjoyment to all Ingleside youngsters with his Christmas lights.

— The always-beautiful CGIT Vesper Service will be held this Sunday evening at 7:30 in Trinity Church.

I haven't heard anybody complaining lately about the heat or the mosquitoes here, "Inside Ingleside".

New members initiated at Explorer's meeting

MORRISBURG (Special) — Initiation of Explorers was held in the Lecture Room of Knox Presbyterian Church here on the evening. of Mon., Dec. 6. Mrs. Wilma Smith, chief councellor, was assisted by councellor Ruth Baker. Chief explorer is Nancy Smith, with Eric DeGray as keeper of the log.

Mrs. Smith explained the procedure of the Explorer program to all and new members received their card, pin and first red star.

Those receiving their second red star were Shawna Yerxa, Brenda Cruickshank, Brenda Dikland, Christopher Eamon, Marilyn Bern, Robbie Simpson and Peter Mason.

Explorers receiving their first blue star were Eric DeGray, Brenda Cruickshank, Robbie Simpson, Peter Mason, Brenda Dikland, Shawna Yerxa and Christopher Eamon. Three Explorers, Eric DeGray, Brenda Cruickshand and Shawna Verxa received their second blue star. Nancy Smith received her second gold star.

The Explorers presented "Christmas Symbols" most effectively. Anne Marie Smith, leader of the CGIT, entertained with a solo.

Members of the congregation under the direction of Mrs. Wellwood Adam presented biblical scenes in pantomine of the Christmas story, using effective lighting. Dr. W.L. MacLellan was reader for the scenes and Mrs. Marion DeGray provided the music.

Those taking part in the scenes were Wilma and Dalton Smith, Joan Farlinger, Harm Blok, Eric and John DeGray, Jack Dikland and Arthur Marcellus.

Residents from the Tupper and Gilmour Homes joined with the members of Knox Church for this evening of fellowship. They were given Christmas treats by the Explorers at the close of the evening to conclude a meaningful prelude to the Christmas season.

International flavor at meeting

NEWINGTON (Special) - The Christmas meeting of Newington UCW was held at the home of Mrs. Dorothy Waldroff. As president, Mrs. Jean Shaver, opened the meeting with a word of welcome to 14 members and five visitors.

Mrs. Russell Presley and Mrs. KayFlegg had charge of the worship service. Mrs. Presley gave readings on "December is a happy Time" and "What is Christmas?". Mrs. Flegg read from Scripture.

Mrs. Maldywin Watkins was the guest speaker, taking as her theme "God's in his heaven, all's right with the World". She gave a very interesting description of her recent trip to Wales, England and Scotland. She also played tapes of a Welsh song, "When you come home again to Wales", and a Scottish reading "Christmas is a time of looking ahead". The Lord is my Shepherd was also played on tape with Scottish music.

Mrs. Shaver thanked her and presented her with a gift.

Marathon group raises $133 for WD

(Special) - Mrs. Ron Droppo entertained the ladies of the Chesterville Hospital Auxiliary at a bridge and euchre marathon beginning with a pot-luck supper, Tues., Dec. 7. An enjoyable evening was spent although the ladies were saddened somewhat to hear of the death of one the groups ardent players, Mrs. Dan MacMillan.

Winners of the marathons were Cora Droppo, Vera Fleming, Karen Graham, Helen Helmer, Rene McDonlad, Sadie James, Sadie Droppo and Jean Smith. Lucky number prizes of Christmas gifts were distributed, plus two gifts donated by Rene McDonald and Vera Fleming.

At the conclusion of the evening Miss Droppo announced $133.70 had been realized by the fall marathon, including a donation from the men.

Mrs. Margaret Casselman thanked the hostess for her hospitality, Cora Droppo and Audrey Butcher for organizing the groups, and all the ladies for their support.

January 18 was set as a tentative date for the resumption of the marathons and the ladies were asked to enrol early.

Largest Santa Claus parade ever

(Staff) - Over 1200 village and area residents lined Chesterville's streets Saturday afternoon for a look at the largest Santa Claus parade ever staged here.

Forty-four floats were entered in the parade which, for the first time, began on the south side of the river and wound its way north to the arena where Santa spent over two hours handing out Nestle Chocolate bars to the hundreds of children who filled the lobby in eager anticipation of the Christmas treat.

As well as being the biggest parade ever held here, this year's effort marked another first since it was the first time cash prizes were awarded to the best floats in the parade.

Chesterville Public School, with an entry depicting Christmas around the world, took first prize. In naming them first prize winner, Judges Rev. L.M. Ferguson, Fr. John Appelman and Rev. Fred Reed awarded the students the Chamber of Commerce Trophy and $75 in prize money.

The Chesterville Volunteer Fire Department won the $50 second prize and the Winchester Press captured third place and the $25 prize.

A number of outstanding floats, entered by residents and businesses from the village and surrounding area made Saturday's parade the largest so far in the Ottawa Valley and put the district on the map as far as Christmas shoppers are concerned.

Parade Marshall Brian "Rocky" McMillan, speaking on behalf of the Chamber, thanked everyone who took part in the parade.

"Your co-operation and efforts made this parade the best the village has ever had and the Chesterville Chamber of Commerce wishes to take this opportunity to thank each and every one for your hard work and continued support."

ALTHOUGH THOSE ELECTED TO THE NEW VILLAGE COUNCIL made no campaign promises other than keeping the village on an even financial keel, there are several matters the new body must consider. Paramount among these is the decision on a bylaw officer and building inspector for Chesterville. Such a person need not be appointed on a full-time basis - indeed, the argument of most against the appointment of such an officer is that the village can't afford another full-time employee. But a part-time appointment would serve the village better than no appointment at all. Other communities smaller than Chesterville have bylaw enforcement officers and almost all urban municipalities have guilding inspectors. Perhaps it isn't as important to have a building inspector in a township where there is little if any concentration of development, but in a built-up area, it is essential that such a person be hired to act in the village's interests. It is human nature to take the easy way out, and, if taking the easy way out means skirting the law, then many will do just that. But for the good of all residents, and for the protection of all property values, future purchasers and tenants, disregard for the law must not be allowed to continue.

WITH THE COMMITTEE OF ADJUSTMENT ABOUT TO BE appointed to deal with zoning matters, there is a special need for an employee charged with making sure building regulations are being adhered to. Chesterville seems finally to have awakened from its lengthy slumer and as the village begins to grow, the need for orderly development is magnified. All the best intentions in the world will go for naught if the municipality doesn't hire someone to enforce its own regulations.

THE CHESTERVILLE CHAMBER OF COMMERCE debated at its last meeting whether the organization will finish the job it started a couple of years ago and complete the erection of street signs in the village. The Chamber should be commended for starting the project, but certainly it is a matter for village Council to complete. Council got off the hook in the first place when the Chamber started the job and there is now no excuse for the municipal government not to pick up where the Chamber left off and finish the job of identifying Chesterville's streets. The same should hold true for the Chamber's request that houses in the village be numbered and numbers be provided to Bell Canada for inclusion in the next telephone directory. Lifetime residents of the village have no idea how frustrating it can be to pick up the phone book to get someone's address and find it marked as 'Smith, John, Chesterville." Deliverymen from out of town have been seen tearing their hair out by the roots as they search vainly for their proper destinations. In the interests of convenience and efficiency the numbering should be one of the village's top priorities. -RM.

the farmer's wife

The cast did not need an extra shot of adrenalin as they performed in the final Orpheus Society's production of the musical Anne of Green Gables at the High School of Commerce. Or I should have said the second last performance, as we attended the matinee and there was still the closing evening performance. It was terrific! It was superb!

And the surprise of all came when the curtain went up - a twenty foot by forty foot padded quilt - could it be the world's largest? Apparently it was done in sections and finally put together on the floor of the Orpheus rehearsal hall with the aid of a sewing machine mounted on wheels. And it was done to give the presentation an even greater Canadian flavor. That it did, with its multi-colored blocks and bright pink borders.

The theatre was packed and the atmosphere festive as Christmas approached but, when the curtain went up all attention was focussed on the stage and the players. "Nothing can beat live theatre," I remarked to the Farmer on our way out. He agreed.

We had done a bit of shopping in the morning and it was a treat to retreat into what seemed a simpler era as the Orpheus production unfolded. The costumes and players were as fresh as if it was opening night. I felt as I left the theatre that Anne of Green Gables and Alice in Wonderland must have been the most memorable characters of my childhood and from the expression on the faces of the children I noted sitting near me, Anne would be a memorable character for many of them.

On our way home we visited with a family who operate a large Christmas tree farm having just sold 12,000 trees this year. "Our harvest would have been larger had it not been for such a dry summer," said the Girl Friday of the operation.

To my surprise, we were told that it took seven years for a Scotch pine to mature for harvesting and fourteen years for a spruce. It is not a business to go into if one wants an instant return on his money. But what is?

This year has seen another change in our family structure as my Mother has given up our family home and moved into an apartment. There comes a time when the maintenance of a home is simply too much to cope with alone. Thus a new chapter begins for her among many of her long-time friends.

Christmas Eve is my favorite time of year I remind Scamp as I get out the candles to see which ones will not burn a full evening. Candles will burn, a fire will glow on both hearths, and the smell of chicken will infuse the air with a promise of a midnight feast, I decide as I polish the silver that we will need for the serving of this festive meal. Breakfast is to be enjoyed at Sarah's house amid her chuckles of joy over what she has received from under her tree. The food and all the trappings are fun, the holiday exciting, but more than that, I feel it has a significance not lost in the glitter, not really.

It is the birthday of Jesus. And it is good to remember that the carpenter's son was born, and taught, and died so long ago and yet is so alive still, that we continue to celebrate his birthday. And for the people who do not believe in this child who was born in an ox stall, they have their own festive occasion at some special time too.

I think most people get tired during the Christmas rush. I do. There is always a low moment when I fervently wish it were just over and I could SIT DOWN. I wish it were June. And nothing at all going on.

And yet when the magical hour of Christmas Eve approaches, all the tiredness ebbs away and happiness floods in. For in spite of the tinsel and the wrappings and the struggle over what to get for whom, we still have an idea, after all, that Christmas means giving some special joy to someone. And that offsets any commercialism that seems to threaten to engulf Christmas entirely.

We have been asked to use electricity sparingly this Christmas and, I will, for the thought of being blacked out as the alternative frightens me. With two fireplaces and lots of wood we would not be cold but I would miss a good light to read by. The oil lamps cast a lovely glow, so do the candles, but they do not make reading easy. And the other nuisance, would be washing dishes with hoarded water from a pail. "There is no doubt but that civilization has softened me," I tell the Farmer as he splits kindling for our evening fire.

"No doubt at all," he replies as he lays the fire and picks up the last farm paper to arrive.

"Despite all the grumbling we do about the cost of food did you know that Canadians are among the best fed," I replied. "You have gained six pounds this past year and I...well, never mind," I concluded pulling on my coat to take my nightly circle around the yard.

I aroused Nipper from an arthritic dream and coaxed him to accompany me on this regular nightly stint. Reluctantly, he approached the door and we walked to the top of the hill where I could see three lights across the Concession Road. Our vistas are wider now with bare-branched trees.

The moon seemed to stand still and the stars were like brilliant sparks in a shining sky. If I breathe softly, I might hear the Christmas music of old, or so it seems.

And then I hear the neighbor's dog and Nipper answers. I am in a familiar world again, in my valley, in winter, at Christmas time. But I know the season moves on, spring will soon come, and summer will fill the fields, and then autumn will blazen the sky.

And as I go in to the fire, I repeat the words of faith: "And on earth peace, good will toward men."

chesterville's past

FROM THE RECORD THURS., DEC. 17, 1936

A Junior hockey club has been formed in Chesterville and the rink board has purchased uniforms for the youngsters. However, they still require the balance of their outfit, which will costs two dollars a player. Already five men have offered to buy outfits for five boys. There still is required the support of nine more citizens.

The birthday of new monarch, King George VIII, was observed here much the same as in other parts of the Dominion with a holiday for all school pupils and flying of flags. The only business places closed were banks.

The public is invited to the Scout Rooms over the Record Office to look over the work of the Boy Scouts of the past weeks in repairing toys for Santa Claus. The Girl Guides also share in this work their job being the fixing and dressing of the dolls, teddy bears and the rest of the toy family.

A Radiogram has been received by the Scoutmaster from Santa Claus' secretary, stating that Old Saint Nick will be very pleased to stop of at the Community Christmas Tree on Christmas Eve to meet as many children as can possibly gather. He is expected to arrive around 7:30 - and that will let all the children get home and to bed and to sleep in good time.

Satisfaction was expressed by the members of St. Andrew's Ladies Aid following the bazaar and play under auspices of the society yesterday afternoon and evening in the Community Hall. In the evening a fair number saw the staging of the three-act comedy "Molly's Aunt", a non-royalty play by Louise Ran Bascom. The cast was all local, including Frank Casselman who played Denman Griggs, a manufacturer with political affiliations; Harold Marcellus as Chubby Jones, an influential politician; Dick Merkley as Fred Fitzgerald, son of a pickle manufacturer masquerading as the Count of Calais; Helen McMillan as Marietta Griggs Denman's gay daughter; Mrs. Lorn Marcellus as Jane Cabell, the visiting aunt, and Mrs. Jas. Campbell as Seraphim Peabody, maid of all work.

The final meeting of Winchester Township Council was held at Morewood Tuesday afternoon with Reeve W.J. McConnell in the chair. Accounts were passed and arrangements made for the holding of the nomination meeting at Morewood on the afternoon of Mon., Dec. 8.

The following is the Form IV Christmas Term Report of St. Mary's Separate School: Senior - Donald Cameron 81, Hubert Labre 71, Raymond LeClair 70, Jean Jordan 67, Millie Lalonde 64. Junior - Ronnie McMillan 78, Marcel Pilon 76, Arnold Labre 69, Allan Moran 68, Jim Carr 66, Ellen Gorman 65, Jackie Lynch 65.

FROM THE RECORD THURS., DEC. 19, 1946

P.S. Boyd was given an acclamation as Reeve of the Village of Chesterville when he was the only one nominated at Thursday night's nomination meeting, and at the close of the hour for qualifying on Friday, Chas. McMillan was returned to his seat for Council, being the only one of four nominees to file the necessary papers. Others nominated for Council but who withdrew their names were S. Morris, Carl McMillan and J.A. Morris. The Council Board now consists of P.S. Boyd as Reeve; M.A. Flynn, Chas. McMillan, Glenn E. Merkley and John L.M. Turner, who will take over their duties January 1st.

Winding up the year's municipal business, Chesterville Village Council passed the by-law last night for the appointment of a Public Library Board and the transfer to that board of the assets and property of the Chesterville Library Association thereby setting up a "free" Public Library in the village.

Hy Bessin, who has been operating the Bessin Shoe Store in Chesterville, has sold his stock and fixtures to the Milton Phillips Co. of Smiths Falls. Mr. Phillips is a popular Smiths Falls businessman who has served many years with the Maher Chain Stores and with the Family Shoe Store in Smiths Falls and has served in the Canadian Army. He will take over the Chesterville Store December 26.

Mr. Frank Merkley entertained the Queen Street 500 Club on Wednesday evening when cards were enjoyed and at the supper hour, Mrs. Jack Fader, who is leaving shortly for Prescott, was presented with two flame ware saucepans by Miss Gladys Fairbrass on behalf of the members.

Corporal Bill Hough, son of Mr. and Mrs. H.L. Hough, is recuperating at his home here with his left knee in a cast as a result of dislocating the joint when he fell on slippery pavement in Ottawa where he is stationed with the Royal Canadian Army Pay Corps.

Perhaps the largest crowd ever to attend a function at the Community Hall struggled to find accommodation Monday night for the concert; dance and drawing staged by Chesterville Branch 434, Canadian Legion, in aid of the Building Fund of the Legion Memorial Rink even 200 seats supplied by the Ottawa Legion could not take care of the overflow as the crowd spilled onto the stairs and into the lobby below.

Parish here, was the guest speaker at last Monday night's meeting of the Chesterville Rotary Club. Father Ainslie was introduced by Keith Graham and thanked on behalf of the club by H.G. Bigelow.

The ladies of Holy Trinity Anglican Guild held their December meeting at the home of Mrs. Styles Tuesday evening, with a good attendance. The annual nominating meeting will be held in January at the home of Mrs. Hosea Droppo.

The annual meeting of Finch LOL No. 270 was held in the lodge rooms. Duart MacLean, Past Master, presided for the election and installation of the following officers: Worshipful Master, Earl Campbell; Deputy Master, Samuel Gilbert; chaplain, Keith Droppo, recording secretary, Robert Ouderkirk, treasurer Ernest Montgomery, secretary, Burns Hutt.

The ladies' Aid of St. Luke's Presbyterian Church, Finch, held their annual meeting in the Sunday School rooms. Mrs. John Bell presided for the worship service, assisted in the business by Mrs. Paul Valdemar as secretary.

Thirty members answered the roll call by naming a country and its national emblem at the November meeting of the Williamsburg Women's Institute. The president, Miss Mina Casselman, presided, assisted by the secretary, Mrs. R.H. Beckstead. Mrs. Hugh Thompson announced that the annual Dundas County Music Festival will not be held this year.

The members and friends of the congregation of Trinity United Church remembered the work of the United Church of Canada among the refugees, in the Church's missions and other places of need with a special offering that was one of the attractions of the annual White Gift Service.

A turkey bingo, sponsored by the Holy Name Society of St. Bernard's Parish, Finch was held in Finch Community Hall Friday evening. Winners of 15-lb. turkeys were: Mr. Heaney, Berwick; Eddie Kearns, Berwick; Darlene Manley, Berwick; door prize 20-lb. turkey, Larry Swain, Berwick; basket of groceries, Leo Hunt, Berwick; automatic toaster, Marcia Moran, Berwick.

NEW JOBS FROM COMMUNITY PROJECTS. THINK ABOUT IT.

Canada Works

Young Canada Works

Canada Works is a new job creation program that will be launched in January.

This new year-round program is designed to get needed work done by people not employed in the private sector.

Canada Works will accept applications from groups and organizations including private businesses who wish to develop, sponsor and administer worthwhile community projects. Funds will mainly be allocated to areas of high unemployment and projects will be tailored to special employment needs of your local community.

Canada Works will generate employment for more than 60,000 Canadians who are presently unemployed. Applications will be considered twice a year – in Winter and Summer.

Think about your projects now! Early in the new year, your local Canada Manpower Centre will have application forms and a Canada Works "Guide to Applicants," with full details on the program. Canada Works for your community. Make your worthwhile projects work next year!

A second program is for students. Young Canada Works will create jobs for more than 20,000 students next summer. The emphasis will be on projects of solid community value. It has many of the same features as the year-round program, except projects will be limited to 14 weeks during the summer months.

At the same time, Young Canada Works will enable students to gain valuable work experience and test their career aspirations.

Like Canada Works, your Canada Manpower Centre will have application forms and a Young Canada Works "Guide to Applicants" early in the new year.

So, think about what your organization would like to do for students. Young Canada Works for students in your community.

Dear Ann: Will you please reprint your 12 Rules For Raising Children? I was in high school when I read it the first time. Now, 10 years later, I have three youngsters and will appreciate it even more. Thank you. - Warren, Ohio

Dear Ohio: With pleasure. Here it is:

12 RULES FOR RAISING CHILDREN

1. Remember that a child is a gift from God, the richest of all blessings. Do not attempt to mold him in your image, or that of your father, your brother, or your neighbor. Each child should be permitted to be himself.

2. Don't crush a child's spirit when he fails. And never compare him with others who have outshone him.

3. Remember that anger and hostility are natural emotions. Help your child to find socially acceptable outlets for these normal feelings or they may be turned inward and erupt in the form of physical or mental illness.

4. Discipline your child with firmness and reason. Don't let YOUR anger throw you off balance. If he knows you are fair you will not lose his respect or his love. And make sure the punishment fits the crime. Even the youngest child has a keen sense of justice.

5. Present a unified front. Never join with your youngster against your mate. This can create in your child (as well as in yourself) emotional conflicts. It also produces destructive feelings of guilt, confusion and insecurity.

6. Do not hand your child everything his little heart desires. Permit him to know the thrill of earning and the joy of deserving. Grant him the greatest of all satisfactions - the pleasure that comes with personal achievement.

7. Do not set yourself up as a model of perfection. This is a difficult role to play 24 hours a day. You will find it easier to communicate with your child if you let him know that Mom and Dad can make mistakes, too.

8. Don't make threats in anger when you are upset - or impossible promises when you are in a generous mood. Threaten or promise only that which you can live up to. To a child a parent's word means everything. The child who has lost faith in his parents has difficulty believing in anything.

9. Do not smother your child with superficial manifestations of "love." The purest and healthiest love expresses itself in day-in, day-out training which begets self-confidence and independence.

10. Teach your child there is dignity in hard work, whether it is performed with calloused hands that dig ditches or skilled fingers that manipulate surgical instruments. Let him know a useful life is a blessed one and a life of ease and pleasure-seeking is empty and meaningless.

11. Do not try to protect your child against every small blow and disappointment. Adversity strengthens character and makes us compassionate. Trouble is the great equalizer. Let him learn it.

12. Teach your child to love God and to lvoe his fellow man. Don't SEND your child to a place of worship - TAKE him there. Children learn from example. Telling him something is not teaching him. If you give your child a deep and abiding faith in God it can be his strength and his light when all else fails.

Ingleside Trinity UCW installs new officers

INGLESIDE (Special) - The members of Unit One, led by Mrs. Freda Brownell, opened the December meeting of the Ingleside Trinity United UCW with a worship entitled A Wreath of Christmas. Mrs. Joan McEwan sang two solos and the worship closed with everyone present singing Silent Night.

President, Miss Lena McLaren, then opened the business meeting by welcoming the many members and guests present. Mrs. Beryl Morrison gave a report on the recent Presbyterial meeting and, on behalf of the corresponding secretary, Mrs. Amy Pollock read along with other correspondence a report on Freddy Hogg, the UCW's sponsored boy in India.

Mrs. Clair Vance, treasurer, read the financial report and members were reminded of a finance committee meeting to be held in the afternoon of January 3.

The members present agreed to organise a bake sale in comjunction with the auction sale to be held on May 14 and it was also decided that $800 be sent to the Mission and Service Fund for help in overseas relief work.

Miss McLaren reported that the St. Lawrence College had approached the United Church with a request to hold an evening course in cookery on the Church premises, to start in the New Year, and the members agreed to this. Mrs. Audrey Dafoe gave a vote of thanks, on behalf of the UCW to Mrs. Clifford Allen for her work as bazaar convener for the very successful bazaar held in November.

Mrs. Verna Gallinger, Long Sault, then conducted the installation of officers for 1977 and the officers are as follows: president, Miss Lena McLaren; past president, Mrs. Colin Anderson; first vice-presient, Mrs. Roy Leete; second vice-president, Mrs. Roy Poapst; recording secretary, Mrs. James Hesson; corresponding secretary, Mrs. J.E. Thompson; treasurer, Mrs Clair Vance; finance chairman, Mrs. Beryl Morrison; Church in Society, Mrs. Annie Atchison and Mrs. Stuart Markell; Outreach, Mrs. Bea Hebert, Mrs. Herbert Bockus and Mrs. Annie Ferguson; personal growth, Mrs. Ray Dixon and Mrs. Myles Hunter; flowers and gifts, Mrs. Roy Leete; literature, Mrs. Roy Poapst; membership, Mrs. Isabel Thompson; nominations, Mrs.Colin Anderson; social functions, Mrs. Freda Brownell; press and publicity, Mrs. Janet Milnes; stewardship and vocations, Mrs. Clifford Allen; Manse committee, Mrs.Maxine Gow and Mrs. Donald Adams; pianist, Mrs. Joan McEwan; auditors, Mrs. Sally Marcellus and Miss Juanita Arbuthnot; representative to committee of stewards, Mrs. Roy Leete.

births

WINCHESTER (Staff) — The following are the births recorded at the Winchester District Memorial Hospital during the period Wed., Dec. 1 to Sun., Dec. 5:

To Mr. and Mrs. John Bosman, RR2 Brinston, a daughter, Wed., Dec. 1.

To Mr. and Mrs. Larry Stewart, RR1 Winchester, a son, Sat., Dec.

To Mr. and Mrs. Gary Strader, Morrisburg, a daughter, Sun., Dec. 5.

Auxiliary sponsors Christmas party Thurs.

WINCHESTER (Staff) - Plans have been completed for tomorrow's (Thursday) Christmas party for the patients of First Floor East, Mrs. Olive Cass reported last week at the December meeting of the Winchester District Memorial Hospital.

The auxiliary expressed its thanks to Durant's Flowers, Chesterville, for donating corsages for all patients in the ward, Seaway Valley Pharmacy for giving gifts, Ault Foods for chocolate bars and the Morrisburg Unit for tangerines and serviettes.

Roy Fawcett, Winchester, has again loaned an organ for the Christmas party which begins at 2pm. Ann Langabeer will be organist and will be joined in supplying music by Fr. John Appelman, Chesterville, who will play his recorder, vocalists Mrs. Mary Hornsby and Patrick Hornsby, and Addie Campderros, who will lead the sing-song.

Rev. Myron Maxted will play Santa.

All volunteers who have worked on One East are asked to attend and help with the party.

Mrs. Ruth McCullough, chairwoman of the purchasing committee, presented a list of equipment needed at the hospital and the auxiliary voted to purchase a freezer for blood plasma ad a set of electric care clippers for the operating room.

WDMHA president Mrs. Irene Wallace opened last week's meeting with the auxiliary prayer and a reading on "The Bridge". Hospital administrator H.P. Stel said in his report there has been an increase this year in the use of X-ray, laboratory, physiotherapy and out-patient facilities.

Mrs. Audrey Butcher, knitting convener, reported she had enough yarn for 10 afghans and lap robes and handed it out at the meeting.

Everyone wants to reduce new home costs.

Here's a new report that suggests how it can be done.

Ontario's present urban development standards are among the highest in the world. However, the standards set by our municipalities vary considerably, a fact which in some instances adds greatly to the cost of new housing.

Your Ontario Government believes that realistic development standards throughout the province would lead to continued high quality new housing, but at a lower cost. This case is strongly presented in a new report, "Urban Development Standards: A Demonstration of the Potential for Reducing Costs," issued by the Ontario Ministry of Housing. The report points out how more realistic standards could significantly reduce home mortgage payments, and indicates that adoption of such standards would in some areas lead to more economical use of land, energy savings, reduced pressure on agricultural land, and greater feasibility for public transit.

If you would like a leaflet summarizing the main features of the suggested new standards; write to:

Young Osnabruck Twp. resident unhappy with referendum result

The Editor:

I would just like to take a few minutes to once again thank the parents of Osnabruck Township. You have for the second time succeeded in defeating the possibility of a community centre in our municipality.

Now that is something every non-supporter should be pleased with and I'm guite sure that all you parents were proud to go home after casting your ballots and face your sons and daughters who were eagerly awaiting the outcome.

I'm sure that when they heard the arena proposal had fallen through again, and they asked you why, that you were glad to tell them how you voted. I mean I myself would be proud to face my son and break the terrific news to him. The news that the arena which he like 99 per cent of the other boys and girls in the township had prayed and hoped for was not to be. I would be proud to tell him that I was part of that group that let him and so many others down on something that he was counting on me for, and I am sure he would respect me and look up to me all the more for it.

For you people without children, community interest or spirit, I also wish to express my gratitude. I fully agree with your thinking and should I have had occasion to be in your position, I'm sure I would have voted it down also.

The fact that for once in my life I'd have had the chance to make a small sacrifice and help somebody else to enjoy life perhaps a little bit more than I was able to wouldn't have bothered me a bit.

I would have been perfectly content to keep that extra 50 cents per week in taxes for myself. Why should I help anybody else? The children don't matter.

Practically every other township in eastern Ontario has a community arena. But that doesn't bother people in Osnabruck. No, they seem to be of a different mold.

As for those who still believe in outdoor rinks, they have become almost impossible to maintain. I'm sure the same handful of people who run them every year are looking forward once again to not having your assistance.

They are like everything else these days in Osnabruck, somebody else will keep them going. And when that same 9-year-old boy, whom you've failed twice already, looks you in the eye and asks "Daddy, would you go down to the rink tonight, and help clean it off so I can skate," I know you will be more than happy to once again give him a polite "NO". Wake up Osnabruck, this is 1976.

Appreciatively Yours,
Randy Cleary

Trustee acclaimed, no election

AVONMORE (Staff) - An Avonmore farmer and former Roxborough Township councillor has been acclaimed as representative for Cornwall and Roxborough townships on the Stormont, Dundas and Glengarry County Board of Education.

Sesel Wert will give the board a full complement of 17 trustees following his acclamation last Tuesday after Clem McDonald and Donald Deebank decided not to stand for election.

Trustee Allan McIntyre, also of Avonmore, decided not to seek a second term on the board of education and returning officer Bernie Chisholm, Cornwall Township administrator, was forced to reopen nominations when none had been presented by the Nov. 15 closing date for general municipal elections.

With the special election not required, the board will save as much as $4,000.

Student teachers get practical experience

IROQUOIS (Special) - Seaway District High School's intramural sports are run on a house system. Since many people do not understand this system, we will attempt to explain it.

Students in grades 10 to 13 belong to one of the following houses: red, green, gold or blue. Intramural sports are organized and house members represent their respective houses for trophies and prizes.

School activity points are awarded to championship teams, and these points go toward a school letter. The grade 9 students are not participating in the system this year. In an attempt to get the younger students more involved, a separate program was set up for grade 9's under the able direction of Don Fairweather.

At the end of the semester there will be a grade 9 draft. Each house will draft members from the grade 9 class in order to strengthen itself.

It is the goal of the Athletic Associations to make the programs succeed. In turn, the participants meet new friends, learn how to play sports and develop good sportsmanship.

Seaway Jr. Spartans defeated St. Lawrence Saints in the first league game basketball of the season 39-34. Seniors were defeated 64-34 by St. Lawrence.

Christmas Preparations - On December 22 the Grade 13 homeroom is putting on its annual Christmas Assembly. From secret sources it has been heard that there are going to be a few skits and our literary people are writing original Seaway Christmas carols. Each grade level is also going to be given an area in the school to decorate for the holiday season. A turkey dinner will be served at Seaway Mon., Dec. 20. The price is $1.75. On Wed., Dec. 22, Sweet Water will be performing at the Christmas Dance. The cost is $2 per person or $4 per couple if tickets are purchased before December 17, or $2.50 and $4.50 after.

Student Teachers - Twice a year, for two-week periods, some students from Queen's University Faculty of Education come to Seaway to practise teaching. At present George Hines is practicing with Mr.Hardy's English classes and Robert Lavoie is practising with Mr. Labelle's technical classes.

Three things happen as a result of this practice-teaching: student teachers develop skill and confidence; Seaway receives new ideas; and the student teachers carry the image of Seaway with them back to Queen's and elsewhere.

We would like to congratulate Mr. McAllister, the head of our French Department, on his recent election win as councillor in the Village of Iroquois. Mr. Hardy has joined the School Committee.

Perfect attendance

(Staff) — Two of the five members of the Winchester Township Council had perfect attendance in 1976. Councillors Jim Sullivan and Gerald Holmes attended all 12 regular council meetings and the 17 special meetings during the year. Reeve Cecil MacNabb, Deputy Reeve Delbert Link and Councillor Roland Cayer had perfect attendance at the regular meetings and but missed one special meeting. The figures were released Monday night when clerk-treasurer Glen MacGregor requested the number of meetings attended by the members to calculate their annual salary. The five members receive $35 each per meeting.

New Dundas County nursing home to be built in Winchester village

WINCHESTER (Staff) - The village of Winchester has been selected as the site of Dundas County's new nursing home and construction of the $1-million 60-bed institution is expected to start immediately.

Completion date for the home, to be known as Dundas Manor, is mid-June 1977, according to owner John A.D. Alguire, Ingleside, owner of that community's Treasure Island Inn and former operator of Treasure Island Nursing Home there.

The announcement by Mr. Alguire last week said that the new institution will be built in Winchester on property adjacent to the Winchester District Memorial Hospital ended months of speculation on the location of the facility.

Two locations were originally considered, Winchester and Morrisburg, but Mr. Alguire decided on the Winchester site because of the close availability of the medical staff and facilities of WDMH.

The nursing home will be built on the former Christie property. The 22,000-sq. ft. structure and its grounds will occupy two and a half acres north of the hospital, west of the nurses' residence, fronting on Clarence St.

Other factors entering into Mr. Alguire's consideration of the Winchester location were the price of the property; the willingness of Village Council to provide servicing, and the general support of the village's businesses and Chamber of Commerce.

Financing of the $1-million project will be undertaken by Central Mortgage and Housing Corporation and through private sources.

It will be built according to Ontario Ministry of Health specifications and its operation will be carefully overseen by the ministry.

The 60 beds in Dundas Manor will be broken up into four;, two- and single-bed units, each with private washroom.

The building will also include kitchen and laundry facilities, lounge, reading and activity rooms, examination room and infirmary, beauty parlor, waiting room, foyer and administration offices.

The expected staff of 40 will have its own dining room and other facilities.

The building will be electrically heated and some sections will be air conditioned. Emergency lighting will e provided throughout.

The area surrounding the building will be landscaped with lawns, walkways, benches, enclosures, flower gardens and shrubbery. There will be a parking lot at the east side of the building.

John Entwhistle Construction Ltd. of Cornwall has been awarded the over-all contract for the nursing home. Arthur Thom of Williamsburg has been awarded the contract for electrical work and the mechanical contract has gone to Triway Sheet Metal of Ottawa. The project's architect is Dominik, Thompson, Laframboise and Malletee of Cornwall.

Council levels mild criticism at recreation director

(Staff) - The skate sharpener is back in operation at the Chesterville and District Arena, recreation director Rick St. Dennis told members of Village Council at its meeting last Tuesday evening.

The sharpener will be operated by Mr. St. Dennis and by arena employee Rick Richards between the hours of 4 and 8pm on Mondays and Thursdays and during tournaments at the arena.

It will cost 75 cents to have a pair of skates sharpened, Mr.St. Dennis said.

He also told Council he could get a better price for hockey sticks for village recreation from a local supplier than from the supplier in Winchester where he had been buying them previously. That statement was in answer to a question from Councillor Garnet Droppo which had been asked at a previous meeting regarding the purchase of supplies from local retailers.

Mr. St. Dennis was mildly chastised for not informing Council of a recent meeting with representatives of village recreation groups at which a switch in arena ice rentals was unilaterally made by the recreation director.

Led by Mr. Droppo, Council told Mr. St. Dennis it wants o be informed before any such decisions are made in future.

Council was also told by Mr.St. Dennis and village foreman Harold Sharkey that canopies which were to have been constructed over the arena's side doors to keep them free of snow will have to wait until next year. The man who was to have built them was injured in an accident and will be unable to carry out any work on them this winter.

When it was discovered the village will be receiving $12,000 from the federal Local Initiatives Program Mr. Droppo suggested some of the money be used to raise the bleachers along the arena's east side so those using them would not have their view blocked by persons standing along the board.

He said the bleachers should be raised on concrete piers and added that benches should be placed in the arena lobby for parents of children in minor hockey and figure skating programs.

The LIP money will also be used for painting at the arena, work at the Community Hall and the removal of dead elms in the village.

The funds are coming to Chesterville in a round-about way, Reeve Keith Graham told Council.

The village had applied for funds earlier this year but had its request turned down.

Now that more money is available to the program, an extra $12,000 has been awarded to the request of Winchester Village and will be transferred to Chesterville.

Council was also told Tuesday that its contract with Southlawn Farms for snowplowing village streets has been approved by the Ministry of Transportation and Communications.

Southlawn's was the only tender submitted for the job and calls for $25 an hour for rental of the plow and $30 an hour for a nine-foot snowblower.

The Anti-Inflation Board's ruling on village employee salary increses has been received and wages for all hourly and salaried employees are within the guidelines, Council was told.

Request delay for purchase of former school

FINCH (Staff) - Village Council has accepted the request of Tarascan Industries Ltd. and will postpone the closing date of the offer to purchase the former North Stormont District High School building to the end of February, 1977.

The decision was made at its meeting last Tuesday evening.

Tarascan wants to purchase the building from the village to set a plant for the manufacture of switches for the electronics industry.

When the company learned the former high school building was vacant, it asked Council to intervene on its behalf with the SD&G County Board of Education, purchase the building and sell it to Tarascan.

A snag has since developed with the Ministry of Education.

On October 12 the board of education approved the sale of the property to the village of Finch and the following day application was made to the ministry for approval of the sale.

On November 6 the village was requested by the ministry to submit a letter stating its intention to purchase the property and the use that would be made of it. The request was made by telephone and on November 9, the letter requested was received by the local board and forwarded to Toronto.

The board called the ministry's Ottawa Valley regional office Fri., Dec. 10 to find out how the approval was faring but as of press time, the regional office was unable to obtain any information from Toronto.

Council will be purchasing street signs for village streets and on the motion of Councillors Vollrath and MacIntrye the decision was made to obtain prices for the signs before any purchase is made.

Council also decided to obtain prices for the removal of snow from all of Main St. and from the area in front of the business secontion on Front St.

A.L. Merkley, village native, dies in hospital Dec. 10

Asel Lawrence Merkley, a lifelong resident of Chesterville, died in Winchester District Memorial Hospital Fri., Dec. 10 at the age of 79.

A retired farmer, Mr. Merkley was born in Chesterville May 28, 1897, one of nine children of Phillip and Agnes :Clancey) Merkley. He was educated in local schools and married the former Dorothea Blanche Fusee in Chesterville. Mrs. Merkley died October 31, 1970.

Mr. Merkley was a member of Tirnity United Church.

He is survived by two daughters, Vera (Mrs. Leon McMillan) and Edna (Mrs. Garnet Droppo, both of Chesterville; one son, Carl, Chesterville; five brothers, Myles, Harold, Glen, all of Chesterville, Royal, Morrisburg, and Gerald, Los Angeles Calif; one sister, Myrtle (Mrs. John Daling), Chesterville; 10 grandchildren and one great-grandchild.

Besides his wife, Mr. Merkley was predeceased by two sisters, Mrs. Clarence Holmes and Mrs. Calvin Munro.

Rev. L.M. Ferguson conducted the funeral service from the Vice and Craig Funeral Home, Queen St., Chesterville, at 2pm Mon., Dec. 13. Interment was at Maple Ridge Cemetery.

Pallbearers were Edwin Shay, Bertram McIntosh, Blake Ball, James Merkley, William Forward and Bill Johnston.

$531,000 addition to double LIP funds

(Staff) — The counties of Stormont and Dundas will receive an additional $531,000 in this year's Local Initiatives program (LIP) to bring the amount received for the 1976-77 job creation program to $987,000.

Six thousand man weeks of work will be created through the federal program, MP Ed Lumley said Monday in announcing that extra money had been allocated to the riding.

The extra $531,000 is part of the doubing of the LIP budget, announced Thurs., Nov. 25 by Manpower and Immigration minister Bud Cullen. LIP was expanded by $100-million to $200-million with the additional funding aimed at areas where unemployment exceeds seven per cent.

Allocation of the extra funds was announced Fri., Dec. 3 by Mr. Cullen and the announcement that this area would receive over double the amount originally budgeted was made by Mr. Lumley Monday morning.

Area municipalities are already making use of the extra funds by initiating job creating programs. Chesterville will use $12,000, channelled through Winchester, for cutting dead elms, work at the Community Hall and painting at the arena.

Finch Township hopes to use extra funds for a sign painting program to mark township roads.

Mr. Lumley said the "doubling of the LIP budget demonstrates once again the government's determination to respond positively to the problem of unemployment in specific areas and to provide a strong stimulus to increase employment this coming winter.

"As well as creating jobs, the LIP program enables public bodies and special interest groups to initiate projects they are unable to finance through normal funding."

Finch WI Christmas party held last week

FINCH (Special) - The December meeting of the Finch WI was held in the home of Mrs. Donald Casselman with 12 members and one visitor present.

In keeping with the festive season, the meeting began with a dessert party served by hostesses Mrs. Donald Casselman, Miss Marguerite MacLean and Mrs. Dewart MacLean.

The president welcomed everyone and proceeded with the first part of the business. Leaders of the current 4-H Homemaking club "World of Food in Canada" were thanked for inviting the WI to their smorgasbord of foreign dishes held in the Community hall.

A special thanks was extended to Mrs. Correy Dingemans who took up the duties of leader in the absence of Mrs. Maria Dingemans.

Mrs. Ann Rumor outlined the materials needed for the decoupage and explained in detail the work involved. The first meeting will be held Mon., Jan. 10 at J.D. Restaurant, Finch.

There followed a carol sing song by all members and an exchange of gifts.

Members were reminded that the January meeting program will be resolutions, conducted by resolutions convener Mrs. Hugh Rombough.

The meeting adjourned with singing of the Royal Anthem.

Mrs. Megan Ouderkirk thanked the hostesses for their delicious dessert and Mrs. Donald Casselman for the use of her home.

MAPLE RIDGE (Special) - Sat., Dec. 4 was an important day for the people involved in sports at North Dundas. For example, the North Dundas schoolboy curling team, composed of Shaun Gates, lead, Phil Meek, second, Stuart Simpson, vice and Doug Crowder, skip, won both of their games at the Smiths Falls Bonspiel. They beat Kingston 10-6 and a tough Brockville Collegiate team 6-1. Also, a track meet was held at Ottawa that day. Rose Hauch, Julie Holmes, Kathy Workman, Larry Erwin, Martin Little, and Dave McIntosh all gave fine performances.

We are very happy to say that our senior girls' basketball team left for Sarnia last Wednesday. There they competed with other basketball teams from all across Ontario. This is a great honor for our school and our hopes are with them for a good result.

Our midget girls' basketball team was also in action this past week. They played in a tournament Thursday, at Cornwall and gave a good showing, but unfortunately they lost out in the semi-finals against Tagwi.

On Thursday evening, a circus came to North Dundas, sponsored by the Athletic Association. There were magicians, jugglers, and other interesting acts, which made a fine evening of entertainment for young and old alike.

Just missed

Chesterville's Kevin Blair (22) fired this shot just wide of the net during last Tuesday night's 8-1 romp over the winless Avonmore Aces in North Stormont Long Sault Junior C Hockey League play. Kevin did score in the game as the Jets posted their seventh win of the season to stay tied for second place with Finch Township 76s. Finch lost 4-3 to first place Maxville last Wednesday night to halt their winning string at four games.

Finch, Jets tied for second, Maxville still holds top spot

(Staff) - Finch Township 76s were dropped from their first place standing to a tie for second with the Chesterville Jets following last week's action in the North Stormont Long Sault Junior C Hockey League.

Finch dropped a 4-3 decision to Maxville last Wednesday night and Chesterville beat Avonmore last Tuesday to alter the top three positions in the standings.

Char-Lan came close to handing Maxville their second defeat of the season Sunday but had to settle for a 6-6 tie.

Jets 8, Aces 1

Until a few years ago, defencemen were almost forbidden to score goals and collect assists.

The trend has changed and Chesterville's Neil Kittle joined the gang in leading the Jets to an 8-1 romp over winless Avonmore here last Tuesday.

Kittle fired a pair of goals and collected a pair of assists as Chesterville dealt the Aces a lesson in checking.

Larry Gallinger also fired a pair of goals for the Jets as Greg Beckstead, Kevin Blair, Kevin Smith and Lorne Cook contributed singles.

It took the Jets to the second period to hit the scoreboard but when Kittle finally got the ball rolling there was no stopping the Jets.

Chesterville rolled up a 3-0 lead after two periods and increased it to 6-0 before Morris Dusomos replied for Avonmore by beating Larry Curran with a high shot.

Chesterville's Dan Clement collected three assists in the game.

Chesterville was assessed seven of the game's 13 minor penalties.

Maxville 4, Finch 3

The Maxville Highlanders ran their unbeaten string to seven games last Wednesday night by scoring all of their goals in the second half to nip the high-flying Finch Township 76s 4-3.

Finch's Dave Rumer scored early in the opening half and drew an assist on Steve Bird's goal early in the second period.

Then the Highlanders started their comeback with Linden Jackson beating Jim Hume for the first goal given up by the Finch netminder in almost 11 periods of hockey.

Bruce McPhail tied the score with 6:27 remaining in the game and Allan Blaney fired the go-ahead goal with 3:10 remaining.

Less than a minute later centre Robert Wheeler sent Maxville ahead by two goals only to have Rumer reply for Finch on a powerplay with just over a minute remaining in the game.

Referees Elzeon Raistrick and Gord McMillan had their hands full. Maxville received 12 minors and two 10-minute misconducts. They went to Wheeler and Jackson.

Finch was handed seven minors and John McNaughton received a gross misconduct at the end of the first period for throwing his stick out of the playing area up against the south end of the arena.

Osnabruck 4, Aces 2

Mark Stephenson paced Osnabruck Township to their first victory of the season by scoring a pair of goals in the second game of the weekly double-header played at Finch last Wednesday.

Stephenson fired both goals in the first half of the game and assisted on a third goal by Don Simpson as Osnabruck took a 3-1 lead to the dressing room.

John Bedingfield got the other goal. Simpson also collected a pair of assists while Steve Middleton collected three assists.

Morris Dusomos and Dave Bird scored the Avonmore goals.

The Aces received six minor penalties while Osnabruck had seven.

Char-Lan 7, Aces 1

The Char-Lan Rebels dealt up defeat number nine for Avonmore the following night with Jeff Fisher, Rob Julien and Vance MacLaughlin leading the way with a pair of goals each.

Mike Tessier fired the other Char-Lan goal as Barry Crawford replied for Avonmore early in the final period.

The opening frame was scoreless and the Aces trailed 4-0 after two periods.

Char-Lan was assessed eight minor penalties and Avonmore four.

Char-Lan 6, Maxville 6

Mickey Wolfe and Tom Ross provided all the offence as Char-Lan almost dumped high-flying Maxville Highlanders.

The two each fired hat tricks Sunday as Char-Lan came from behind to salvage a 6-6 draw.

Centre Jeff Fisher assisted on all of Wolfe's goals.

Brian Kinnear paced the Highlanders with two goals. Singles went to Yvon Desormeaux, Sandy McIntosh, Robert Wheeler and Alan Blaney.

The teams split four first period goals and the Highlanders moved into a 5-3 lead after two frames.

The Rebels received two minors and a major. Maxville had 11 minors, a major and a 10-minute misconduct.

Chesterville's Larry Curran

Rumer, Hume tops in league

(Staff) - Finch Township 76s have the top scorer and leading goaltender in the North Stormont Long Sault Junior C Hockey League.

Centre Dave Rumer tops the league in scoring with 24 points on 18 goals and six assists while netminder Jim Hume has played in the team's 11 games and holds a 2.40 goals-against average.

However, Larry Curran of Chesterville is the stingiest. He has allowed eight goals in four games for a 2.00 goals-against average.

In the individual scoring race, Maxville's Robert Wheeler and Jeff Fisher of Char-Lan are tied for second with 18 points each.

The high-scoring Chesterville Jets have five players in the top 10 scoring.

Winning streak halted

Kemptville stings Morrisburg again

MORRISBURG (Staff) - The Kemptville 73s have been instant trouble for almost every team in the ODHA Junior B Hockey League so far this season.

The 73s have been a special thorn in the paw of the Morrisburg Lions winning their two meetings, both by one goal margins.

Kemptville handed the Lions a 5-4 defeat here Sunday to snap Morrisburg's winning string at nine games.

Earlier in the week the Lions downed Winchester 9-4, Spencerville 6-5 and Cardinal 4-2.

Over 400 persons attended Sunday's game to watch the teams play a scoreless opening period before breaking the game wide open in the middle stanza.

Kemptville outscored Morrisburg 5-3 in the middle period and held on to preserve the win with Ernie Duval scoring his second goal of the game in the final minute of play. Kevin Duvall and Kevin Mackler got the other goals.

Charlie Legault paced the 73s with a pair of goals. Singles went to Kevin Empey, Doug Barnett and Peter Ashfield.

Kemptville received six minors while Morrisburg had three minors, and a major.

Kevin Mackler and Pete McIntosh formed a two-man demolition crew last Tuesday night in leading the way past Winchester.

Mackler had four goals and an assist while McIntosh scored once and added five assists.

Bob McNairn, Bryan Rutley, Billy Morrow and Kevin Duvall scored singles as the Lions led 4-0 and 5-0 at the period breaks.

Jeff O'Neill had a pair for the Hawks and singles went to Tim Beach and Greg Martin.

Each team received 12 minor penalties and three majors.

Six different players figured in the scoring the following night in Spencerville.

Rutley, Dave Tait, Tim Cassell, Bob McNairn, Doug Kennedy and Ernie Duval each scored once against the Bruins.

Steve Summers and Gary Dukelow replied with a pair each for Spencerville and Bill Lawrence got the other goal.

The Lions held 3-1 and 5-2 period leads. Morrisburg was handed 10 minor penalties and the Bruins had 13 minors and a match for spearing.

On Saturday night, the Lions jumped into a 3-0 first period lead and made it hold up.

Billy Morrow, Bryan Rutley and Bob McNairn got opening period goals and Doug McNairn scored in the third period. Doug Byers got both Cardinal goals.

Morrisburg received 12 minors and two majors. Cardinal was assessed nine minors, two majors and a game misconduct.

The Lions have clinched a berth in the ODHA tournament, which they will host Mon., Dec. 27. A second team to represent the division has yet to be chosen since not all teams have played the required 15 games.

Cardinal's Doug Byers continues to lead the two divisions in scoring with 24 goals and 18 assists for 42 points.

Morrisburg's Kevin Duvall is eighth with 27 points on nine goals and 18 assists. Pete McIntosh is ninth with 12 goals and 14 assists for 26 points and Doug McNairn is 11th with 25 points on nine goals and 16 assists.

C of C Atom Flyers collect five points

(Special) - Chamber of Commerce Atom Flyers played three league games last week and came up with two wins and a tie to maintain their top spot in Carleton Dundas League play.

Last Tuesday, the Flyers travelled to Russell and took part in a close exciting game. Darrin Kelly opened the game scoring at 11:10 of the first period. Russell's top scorer Latimer replied at 7:10 and Dagenais scored at the end of the period to give the Warriors a 2-1 lead.

Chesterville scored three goals as they controlled the second period. Scoring for Chesterville were Darrin Kelly, Rene Boulanger and Kelly Mitchell.

In a fast third period Russell's Latimer scored twice with Kelly Mitchell replying in between for Flyers to keep the edge and a 5-4 win.

Wednesday, Russell returned the visit hoping to find a win but failed.

Darrin Kelly opened the scoring for Chesterville at 10:29 of the first period. This proved to be the only goal of the period despite fast skating and the tireless work of both teams.

The second period was much the same as Flyers captain Mark Smith scored on a pass from David Van Delst.

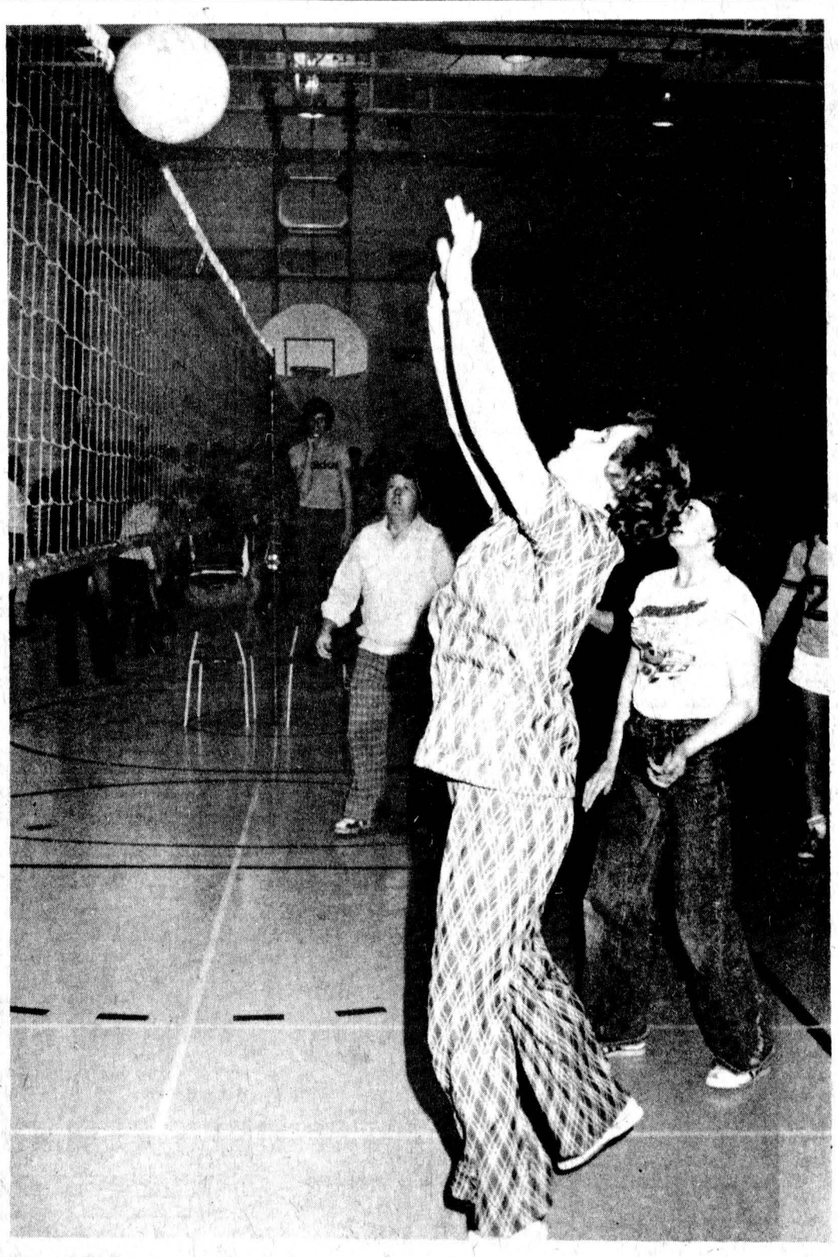
The third period saw two penalties to Russell, the first of which netted Chesterville a power play goal at 7:35. Mark Smith was Flyers scorer again and one minute later he notched his third goal of the evening for a hat-trick and an assist.

This closed the scoring for the Flyers giving them a 4-0 win.

Saturday afternoon, the Flyers travelled to Metcalfe to tangle with the Jets and a tie resulted.

The goaltenders stood their ground and faired well. Metcalfe captain Andre Zuger scored at 6:09 of the first period on a pass from Billy VanRysuiyk. Neither team scored for the remainder of the period.

The second period passed almost scoreless until 3:34 when Kelly Mitchell capitalized on a pass from David Van Delst. The remainder of the period and all of the third period were scoreless as the goalies and defencemen did their jobs well.



Up against the net

Over 200 parents, teachers and students participated in last Wednesday night's annual Volleyball Night at Maple Ridge Senior Public School. Sixteen teams were guaranteed four-10 minute games. At the end of the night, the teachers challenged and beat the students and the parents.

Two more for Luc

La Citadelle's boys' basketball teams completed a clean sweep over North Dundas teams in SD&G hoop league play Monday afternoon. The North Dundas seniors lost 82-46 while the juniors took it on the chin 115-29. Luc Major (11) led the junior Patriotes to the win sinking 49 points while brother Pierre (12) contributed 28 points. Brent Thompson led North Dundas with 10 points. The quarter scores in favor of La Citadelle were 27-6, 51-15 and 80-17. - staff photo -

Peewees split league games, draw 2-2

(Special) - The Legion Pee wees entertained their fans here last Friday when they skated league-leading Greely to a 6-1 loss.

It was fast hockey in the first period with no score on the board until assistant captain Scott Richards scored half way through the middle period.Bryan Moss then scored his first goal as a winger on a pass from Richards.

Kenny Shay, now adding great strength on the defense, scored from Duff Mitchell on a shot from the point.

The third period saw Greely's David Hatherall score unassisted on Chesterville only to have Kenny Shay again score, this time unassisted.

Although Chesterville was now in a 4-1 lead they kept the pressure on, checking relentlessly and Barry Blair, playing an excellent game on defence, blasted a shot from the point, to score unassisted.

With the clock down to only seconds left in the game, Scott Mitchell scored on determination, as he refused to leave the net until the puck was tucked safely inside.

Four of the six goals scored by Chesterville were scored by their heady defencemen while steady goaltending from both Kevin Greer and Chris McKibbin and this strong defense, kept their goals against, to only one.

Friday evening had Long Sault Peewees visiting for the first time this year. These same boys have been competing over the years, with either team capable of a win, making a match between them always a delight for the spectator.

The game was tied 2-2 at the end of the first period with the township getting on the scoresheet first on a goal from Stephen Carter.

Duff Mitchell evened the score for Chesterville. Again, Long Sault jumped into the lead with Kevin Steward finding the net.

Before the period ended, Chesterville tied the game again with Vinie Cousineau scoring.

Half-way through the middle frame, Chesterville took the lead as Scott Mitchell blasted home a shot. For the rest of the period and until one minute of the third period, no scoring was done. However, John Cleary scored on a determined effort to even the score, and leave both teams looking forward to their next encounter, in Long Sault, at 8pm Thursday.

All was not well on Saturday with the Legion Peewees as they visited Metcalfe and were unable to keep up their pace of the week before. Metcalfe skated Chesterville into the ground and won 7-2.

Metcalfe scored three unasnwered goals in the first period. Chesterville scored early in the middle period, with Scott Richards.

Again Metcalfe put on the pressure scoring two unanswered goals to end the gperiod 5-1.

Chesterville scored again late in the period, with centre Terry Barkley firing it home. Metcalfe added insult to injury by adding two more goals within the last minute of play.

Midgets get by Russell

(Staff) — The Chesterville Midget Flyers had to come up with a third period rally to run their current unbeaten string in the Carleton-Dundas Minor Hockey League to eight games last Wednesday night.

Glen Mackler and Marty Little led the way with a pair of goals each as the Flyers beat the Russell Warriors 6-4.

Pat Kelly and Jeff Leclair fired the other Chesterville goals. The teams split a pair of first period goals before the Flyers moved in front 3-2 after two periods.

They increased the margin to 6-2 but Russell stormed back with a pair of quick goals.

Each team received four minor penalties.

Bantam B's tie Winchester with late goal

(Special) - The Chesterville Bantam B Flyers played a league game here Saturday with the Winchester "B" team.

Danny Trillo fired a goal early in the first period but Winchester were right on his tail with two very fast goals to take the lead.

Both teams tried very hard to score in the second period, but with no luck on either side. Derek Van Delst finally got his chance at the net and slapped one in, tieing it up 2-2.

NDDHS basketballers ousted in second round

SARNIA (Staff) — In their first-ever trip to the Ontario Secondary School Senior Girls' Basketball Championships, the North Dundas Trojans were eliminated in the second round of play.

The local girls knew the competition would be tough and it was just as expected, said coach Norma Sharkey.

The North Dundas team came up with a strong second half of play Thursday to defeat St. Joseph's Collegiate of Toronto 48-38 in their first game.

The Trojans were ahead 21-20 at the half.

North Dundas then had a day off before going up against a tough St. Pat's High School from Sarnia Friday. The end result was 54-37 for St. Pat's. The Trojans never held the lead.

St. Pat's led 13-4 at the quarter, 26-13 at the half and 42-27 at three-quarters.

Julie Holmes sparked the Trojans in the losing cause with 18 points while Kathy Workman had 11 and Linda Holmes six.

Mrs Sharkey said the trip from Wednesday morning to Saturday evening cost the 13-member club almost $1,000. The school's administration helped finance the trip by donating $500. The team raised $300 on a penny drive and money was also received from the school's athletic association and student council along with donations from Ault Foods Ltd., Winchester, and Nestle (Canada) Ltd., Chesterville.

Countymen beat Osna. Oldtimers

FINCH (Staff) — Stormont Countymen Oldtimers hockey team laid their reputation on the ice against the Osnabruck Oldtimers here Saturday night.

The Countymen won the grudge match 6-1 with Doug Cheney leading the way with a pair of goals.

Single goals went to George Hollingdrake, Johnny Gove, Buddy Warner and Ron Brown.

On Sunday, the Countymen travelled to Morrisburg and posted an 11-4 decision.

Scoring two each were Ron Brown, Junior Thompson, George Hollingdrake and Fred Harper. Bruce Grant, Harry Fetterly and Doug Cheney contributed single goals.

The Countymen host Westmount, at 4pm Sunday at the Finch Community Arena.

Giles posts shutout in town league

(Staff) - Facing only a small number of shots, Bill Giles of the Green team posted the first shutout of the season in the Chesterville Town Hockey League last Thursday night.

Green blanked the winless Yellow squad 8-0 to hold on to its two-point margin over second place Blue in the league standings.

Blue nipped Red 2-1 in a battle for second spot Wednesday night.

Richard McMillan and Ian McIntosh each netted a pair of goals for Green as they rolled up a 6-0 first period lead. Rick Barkley, Mike Lecuyer, Frank Swerdfeger and Kevin Cooper contributed singles.

On Wednesday night, Dwayne Skinner snapped a scoreless tie midway through the second period, scoring on a scramble in front of the net.

Garry Gallinger evened the count early in the final period only to have Dave Carkner fire the winning goal on a breakaway with nine minutes remaining in the game.

Bob Youmelle directed the puck into an empty net when the final buzzer sounded but officials ruled the no goal on the play.

Yellow plays Red tonight and Green meets Blue in Thursday night's league contest.

Panthers dominate Sr. hockey league

EMBRUN (Staff) - There appears to be no stopping the defending Hardy Cup champion Embrun Panthers.

The national intermediate hockey champions chalked up two more wins on the weekend, running their winning string to eight games in the Ottawa District Senior Hockey League.

The Panthers, who suffered their last defeat November 7, blasted Ottawa Cougars 10-6 Friday night and easily disposed of the Potsdam Pioneers 7-2 Sunday evening.

The victories ran Emburn's record to 10 wins and two defeats for 20 points in the league standings, four more than runners-up Gatineau Nordiques who topped Potsdam 9-6 Friday.

Dave Dixie, the league's top goal scorer going into the weekend games, along with Rick Larose and Larry Mick each found the target twice against Ottawa.

Contributing singles were Randy Burman, John Hutton, John Bonnar and Dave Hunt.

Embrun led 4-1 after one period and increased it to 9-4 after the second frame.

Paul Denommee paced the Cougars with a hat trick while Earl Grey scored twice and Terry O'Neill once.

Embrun took 12 minors, two majors and two game misconducts while Ottawa had five minors, one major and one game misconduct.

On Sunday, netminder Wayne Hughes was outstanding as his mates struck three times in the opening frame. They led 6-1 at the end of the the second eriod.

Potsdam outshot Embrun 31-30.

Dixie and Derrick Edgehill each scored twice for Embrun and singles went to Hunt, Mick and Burman.

Bill Coakaly and Greg Sharlow scored for the Pioneers.

Going into the weekend's action Dixie and Hunt were one-two in the scoring department. Dixie had 13 goals and 12 assists while Hunt had 11 goals and 11 assists.

Gatineau's Mike Cayer and Hutton were next on the list with 21 points each.

Ingleside, Avon. gain on lead

FINCH (Staff) — Ingleside and Avonmore made advances to the head of the standings in the North Stormont Hockey League on the weekend.

Ingleside and Avonmore battled to a 4-4 tie in the nightcap of Friday night's double-header at the Finch Community Arena while front-running Newington drubbed Berwick 7-1.

On Sunday, the Newington gang had their hold on first place dented with Ingleside posting a 10-3 decision and Avonmore blanking Berwick 3-0.

Newington 7, Berwick 1

Newington fired six second period goals to break open the game that was only 1-0 at the half.

Ron Dingwall got the lone Berwick goal in the second half after Newington had moved in front 2-0.

Chris Ireland led Newington with a pair of goals and an assist. Single goals went to Don Simpson, Harvey Parenteau, Fred Hartwick, Henry Jansen and Dwight Dishaw.

Newington received four of the game's six minor penalties.

Avonmore 4, Ingleside 4

Ingleside's Dan Beaudette scored a pair of goals 15 seconds apart in the last minute of play to salvage the tie.

Beaudette narrowed the Avonmore lead to one with 58 seconds showing on the clock and then fired the equalizer past goalie Greg Armour just 15 seconds later.

S. Casselman and Tim Cryderman scored the other Ingleside goals.

Getting the Avonmore goals were Brian Kinnear, Ron Alguire, Jim Wert and Junior Lalonde.

The teams were tied 1-1 at the half.

Ingleside received three minor penalties and Avonmore seven.

Ingleside 10, Newington 3

Art Sinfield led Ingleside to their fourth win of the season by scoring three times and adding one assist.

Brian McIntyre and Dalt Swerdfeger each scored twice for the winners as Ingleside led 4-2 at the half.

D. Hartle, Dan Beaudette and S. Casselman each scored once.

Grant Simpson, Dave Bancroft and Gerry Zeran scored for Newington.

Newington was handed nine minor penalties and Ingleside received seven.

Avonmore 3, Berwick 0

Netminder Greg Armour posted his first shutout of the season Sunday as his mates netted three second half goals.

Dalton Adams, Don Blaney and Ron Alguire got the goals.

Avonmore had seven minors and Berwick had nine minors and a 10-minute misconduct.

League action continues at the Finch Community Arena at 8pm Friday with Avonmore meeting Newington and Ingleside playing Berwick in the second game.

On Sunday, Berwick plays Newington in the first game and Ingleside meets Avonmore in the second contest.

ODHS yearbook work underway

INGLESIDE (Special) - Last Thursday and Friday members from the Yearbook Club went out collecting advertising revenue to help make the yearbook successful.

The total for the two days was approximately $2,300. The total may still climb, putting out a yearbook is becoming an increasingly costly proposition.

St. Lawrence Boys played at ODHS last Tuesday against our basketball teams. The scores are as follows: our seniors lost 101-36 and our juniors won 60-49.

Last Wednesday Mr. Girard's midget team played in the CCVS Tournament. Our boys played pretty well although the winner of the tournament was La Citadelle.

During the last two weeks Cameron Farquharson, a student teacher from Queen's University, taught physical education at ODHS. Mr. Farquarshon has gone back to Queen's and we at ODHS wish him the best in the future.

Mr. Lauzon's Theatre Arts Class from Tagwi came last Thursday to ODHS for a rehearsal in our gymnasium. Most of the students who watched the play seemed to enjoy it although there were some difficult passages. We wish the cast well in the future with their play.

A visit to Long Sault's Police Station was taken last week by the 440 Law Class. To finish off a perfect morning the students went to Big Jim's for lunch.

St. Lawrence Parks: a winter vacationland

(Special) — Many people still think of the St. Lawrence Parks Commission as only a summer vacationland but that is no longer the case. In fact, there's so much to do on winter weekends it may be difficult to choose.

Many of the activities centre in and around Crysler Farm Battlefield Park and Upper Canada Village. Horse-drawn sleighs jingle through the village giving visitors an entirely new outlook on this popular summer attraction. The rides last about one-half hour leaving between 1 and 3pm from the Village Store where 50 cent tickets are sold for the rides.

All other winter recreation is offered free of charge by the Commission. You can ice-skate on the Canal with a heated skate change shelter right at hand. Nearby, hot drinks along with a fine selection of handicrafts and gifts are available in the Village Store.

Tobbogganing can be enjoyed in at least two locations. The natural slopes of the Long Sault Parkway have long been a local attraction and the addition of a man-made slide on the Crysler Memorial Mound increases in popularity each year. Many bays and coves along the Long Sault and 1000 Islands Parkways afford excellent ice-fishing with bait, licenses and accommodation available locally.

The Crysler Maple Sugar Bush is ideally located for local or long distance snowmobiling. Groomed snowmobile trails cover about seven miles of interesting terrain around the bush with a convenient shelter on "Red Fox Trail". In addition, the Commission trails link with those of local clubs to allow enthusiasts to travel from Morrisburg all the way to Cornwall and even Alexandri.

Perhaps the fastest growing winter sport in recent years is cross-country skiing. This year, the Parks have kept pace by adding a new trail, "Nuthatch", to the existing four giving skiers over six miles of groomed trails through the Crysler Maple Sugar Bush. The ski shelter is located on "Blue Jay Trail" and all the trails link up to give skiers access to the Upper Canada Restaurant.

At the Restaurant, snacks and hot drinks are available to satisfy hungry winter appetites. These facilities will be open on weekends along with the scheduled winter activities.

Those who enjoy snowshoeing have free use of the Nature Trails on the Long Sault Parkway on hoople Island. For either cross-country skiing or snowshoeing, the adventurous can take in the vast acreage of unrestricted Parklands to break their own trails through unspoiled, fluffy white snow.

During the holiday season all recreation facilities will be available to the public except the horse-drawn sleigh ride and the Village Store which will not be in operation December 25, 26, 27, 28 and January 1.

A free brochure, with map, giving full details on winter recreation activities is available from the Morrisburg office of the St. Lawrence Parks Commission. Or give a call to 1-613-543-2951 (weekdays) 1-613-543-2912 (weekends) for an update of weather and conditions. All winter recreation is subject to favourable weather.

Injuries plague Bantam Flyers

(Special) — Chesterville Bantam Flyers continue to be plagued by injuries as key personnel continues to sustain serious problems.

As of Monday, only five forwards, three defencemen, and two goalies were healthy. Left winger Steve Jones went down last Wednesday with a cracked and dislocated shoulder and will be lost to the Flyers for a minimum of six weeks.

On Sunday, Marque Laflamme was rushed to Ottawa Sick Children's Hospital with what appeared to be a serious leg injury. Fortunately, it proved to be only a badly bruised leg. Marque and Steven join Garry Beckstead and Don Richards on the sidelines.

Consequently, a patched-up lineup took to the ice against Metcalfe last Wednesday in the Flyers' only league game of the week. Chesterville spotted Metcalfe two early goals by Zuger and Loubret before bearing down in the final two periods to gain a 3-2 victory. Scoring for Chesterville were: Mike Beckstead; Dave Byers and Glendon Shay.

Flyers were not so fortunate in exhibition play as their patched-up line-up couldn't quite cope with the play of two fine teams from Ottawa.

Flyers hosted Nepean Raiders on the weekend and outshot them 15-14 in dropping a 3-1 decision. Doug Rance got Flyers only goal and it was set up by defenceman Rick Grisel.

On the weekend, Flyers were fortunate enough to play at the Ottawa Civic Centre against West Ottawa Minor Bantam "A" Golden Knights. Due to injuries, Flyers were bolstered by Legion Peewee defenceman Kenny Shay and Bantam "B" Flyers captain Tony Fraser. Flyers again outshot their opposition 30-26, but came out on the short end of a 4-2 score against a slick Golden Knights squad.

Chesterville scored the first and last goals as Marque Laflamme and Glen Patterson caught Knights' defence flat-footed and scored on breadaways. Curt McMillen failed to score on a penalty shot.
