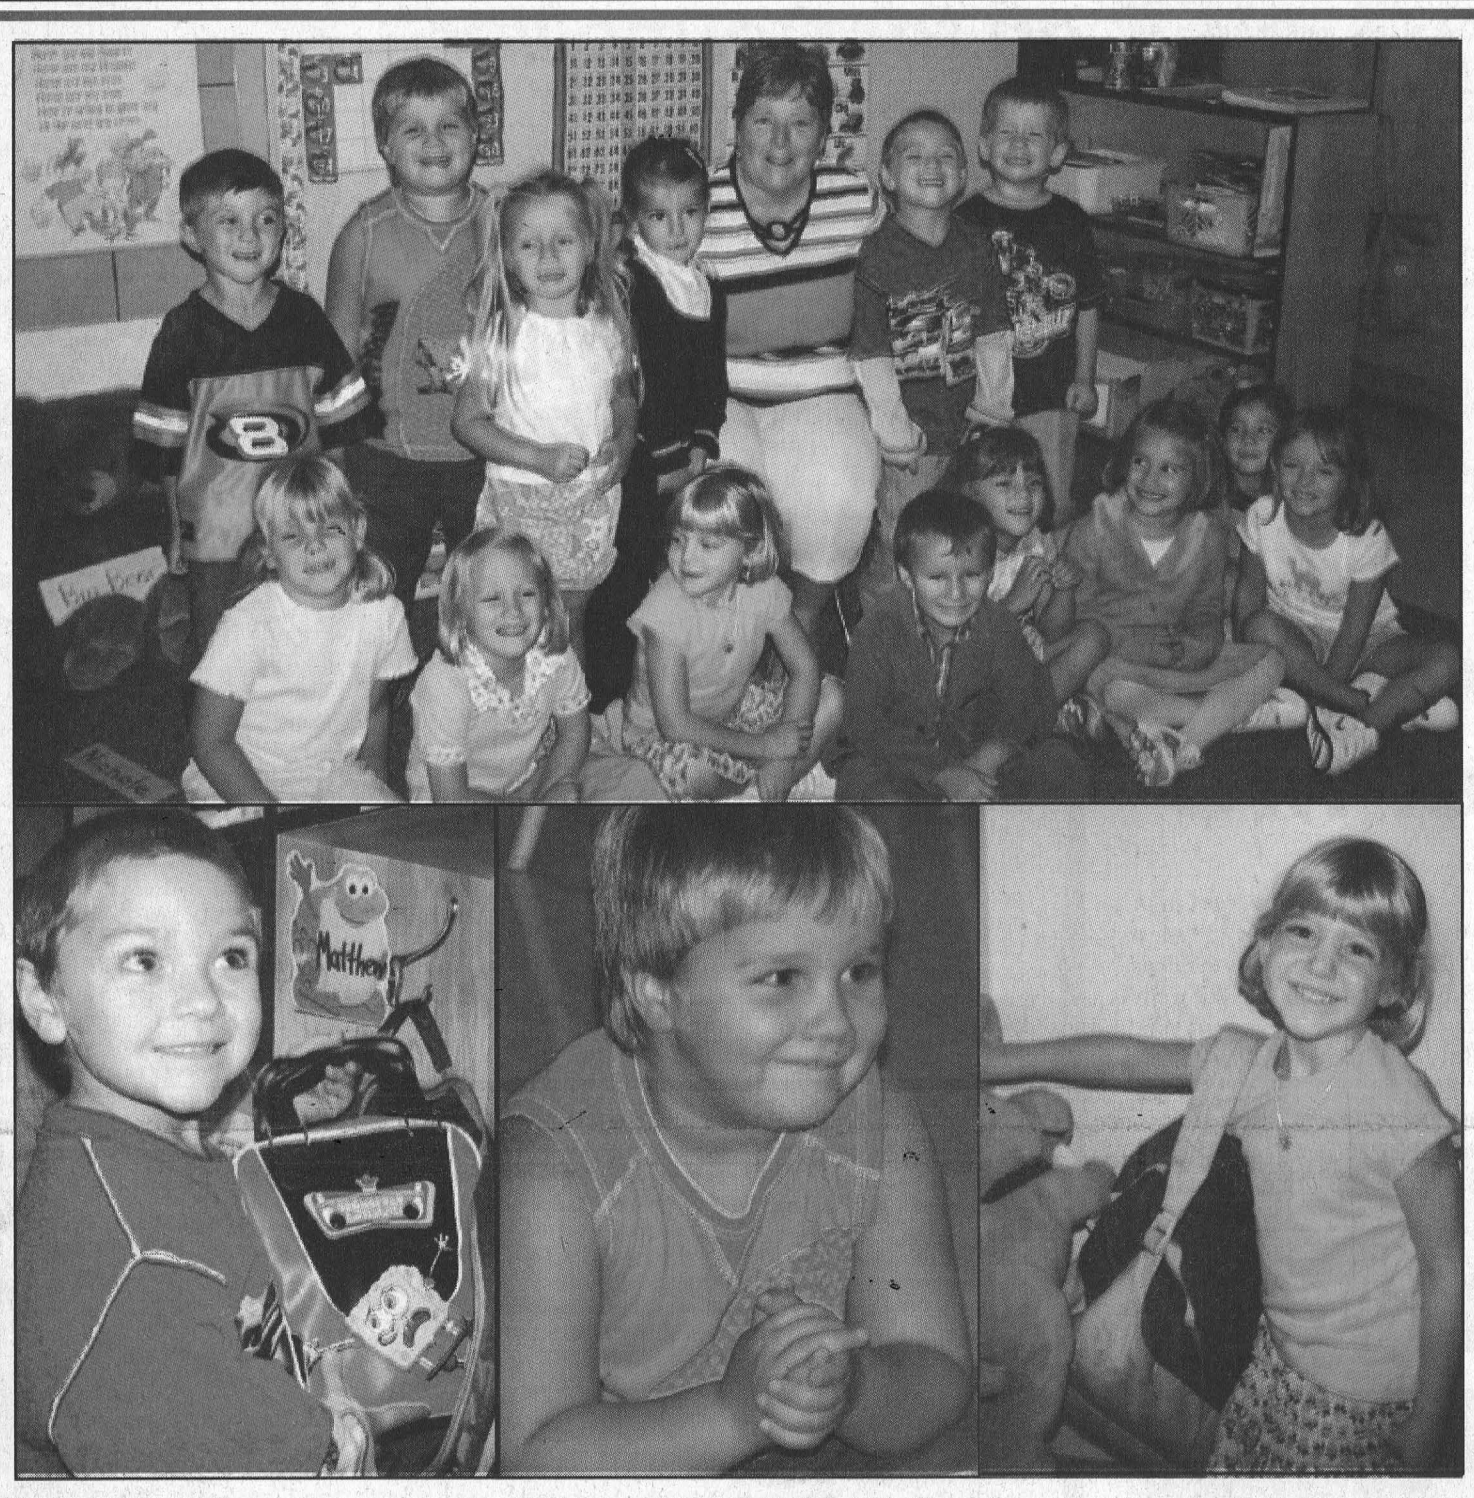
VOLUME 142 NO. 36 WEDNESDAY, SEPTEMBER 6, 2006 MORRISBURG, ONTARIO



Welcome to the first day of school

For the smallest students at Morrisburg Public School, there were plenty of new friends and new teachers to meet, and an exciting new classroom to explore as the 2006/2007 school year got under way September 5. Mrs. Ann Barkley's Kindergarten B class was obviously excited as these beginners showed off special book bags, coped with tying and untying shoes, and located their own cubbies with their names printed on jolly green turtles. There are 22 kindergarten students at Morrisburg this year; juniors are staggered in on an every other day basis. Pictured above, left to right, are Matthew Dubeau, Max Garlough and Olivia Hart. Above them, the entire class gathered for a first day of school photo with teacher Mrs. Barkley. *Gibb photos*

Local hockey team escapes hotel fire while in Manitoba

WILLIAMSBURG–Doug Casselman of Williamsburg says, "when you hear a fire alarm believe it."

Casselman was a member of the Morrisburg-based oldtimers hockey team, that was representing Ontario at the Canadian Summer Games at Portage La Prairie, Manitoba last week, when the hotel in which the team was staying was totally destroyed by fire.

Casselman and his wife Gail, along with the other 15 team members and their coach Don Beckstead, were awakened by the fire alarm at 6:20 a.m. Thursday.

"The first thing you think is it's a false alarm," says Casselman who admits he sat up but then laid back down for a few seconds.

When they heard someone yell there is smoke on the second floor, they were on the move. Gail grabbed her purse and his wallet, and after a few seconds, which he claims felt like minutes, of fumbling with the door lock they were heading down three flights of stairs and out of the building.

The team was housed on the third floor in the east wing of the 101-year-old building.

The fire was on the second floor of the west wing in the back of the building.

Steven Casselman of Morrisburg who was rooming with Wayde Roles of Williamsburg, says he got out of bed immediately. He grabbed his hockey bag, but then decided he would take a duffel bag with clothes with him and return later for his hockey bag.

Once to safety the team members saw the fire was in the opposite wing of where they were staying, and most thought their possessions would be safe.

"After a while though you could see smoke coming out of the roof and you knew it was working its way across the top of the building," says Steve. "When the window broke out of one of the rooms, it just went phoof, and that was it. We knew we weren't getting our stuff out."

All of the players lost their hockey equipment and most lost all of their clothing, along with cameras, cash and credit cards, flight tickets, car and house keys etc.

"It was quite an experience," says Gail. "One we hope doesn't ever happen again."

"We went out there, expecting to have a good time and hoping to bring home a medal, and we came home happy to be safe," says Doug.

The team left for Manitoba last Tuesday, and lost their first game 4-3 Wednesday against Alberta #1 which went on to win the gold medal. They were scheduled to play two games on Thursday, but instead of being on the ice they were in a plane heading home.

Doug and Gail say the team was treated very well by the Games organizing committee and everyone in the Portage la Prairie community who offered accommodations and hockey equipment in order that the team could stay.

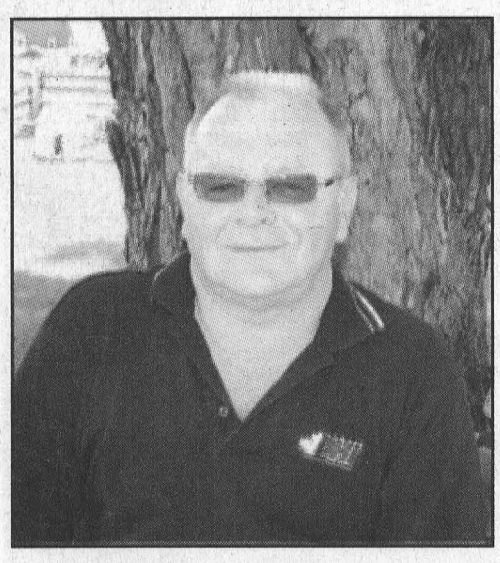
Van Allen seeking reelection as Mayor



South Dundas Mayor Lyle Van Allen

WILLIAMSBURG – Incumbent South Dundas Mayor Lyle Van Allen has known for a long time that he would seek reelection, but he waited until late last week to announce his intentions.

At his home Friday he discussed the highlights and low lights of this term of council saying, "This was not an easy term of council." Nonetheless, he says he was, "always quite sure," that he would seek reelection as mayor.

As has been the case in past elections, Van Allen plans to campaign by knocking on doors. "I do like to knock on doors," he says.

This active campaigning fits in with Van Allen's style as mayor. "I feel I have been an active mayor," he says, adding that he has only missed three functions in three years.

He believe attending functions, including birthday parties and anniversaries is part of his duty as mayor. "It's part of my honorarium and I like to do it too," he says.

Regarding the next term being four years instead of three, Van Allen says he has mixed emotions.

He does not however have any mixed feelings about the elimination of the ward system for this election.

Even before amalgamation, Van Allen was never in favour of the ward system. "As a resident of Williamsburg I only had the opportunity to vote for two people, even though there were three other people at the table making decisions for me."

"I feel the residents should vote for everyone who will represent them," says Van Allen.

"I also feel it should be the responsibility of the electors to choose their representative for counties council." That will be the case with this election, through the election of a deputy mayor.

Van Allen says if he is reelected and returns to counties council he could be interested in being warden. "I won't rule it out," he says, adding that getting reelected is the first step.

"The third term of council for South Dundas is rapidly coming to an end. Like any other term of council, it has had its ups and

–Continued on page 2

Peter Swank signs on for councillor

MORRISBURG – Peter Swank filed his nomination papers early last week to add his name to the ballot for the upcoming municipal election.

Having served on the former municipal councils of Matilda and Iroquois, Swank believes he has much needed experience to bring to the table.

"I see the things that are going on and I think we need improvement. I feel I can help solve some of the problems," he says. "I have enough experience to help."

Swank served on council for about 15 years and was the Reeve of Iroquois prior to amalgamation.

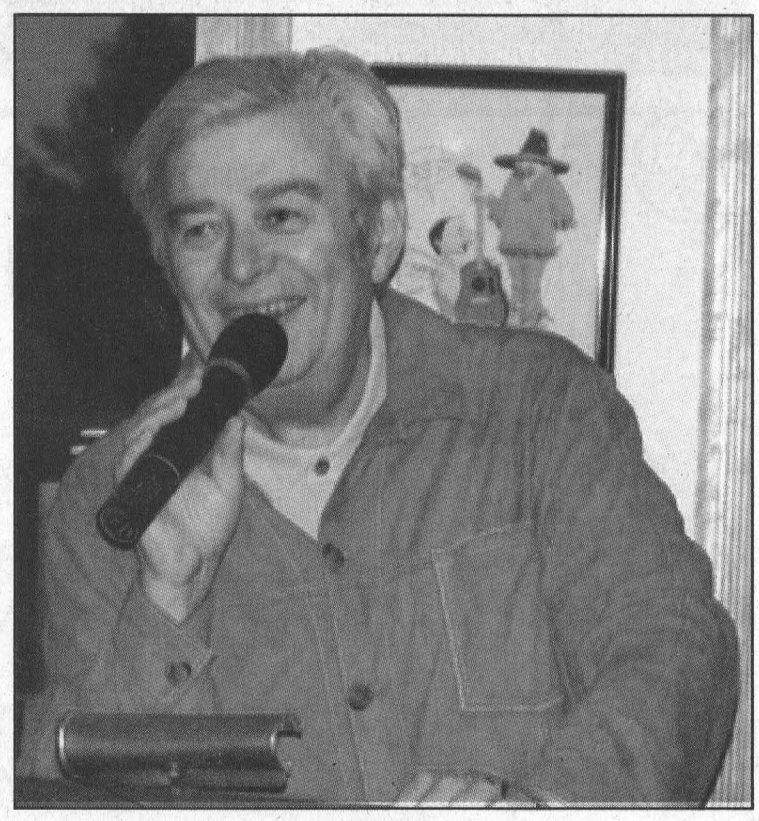
Councillor candidate Peter Swank



Max Keeping attends CHEO fund raiser

Well known Ottawa news anchor Max Keeping was a welcome guest speaker at the 8th Annual CHEO Fund Raising Golf Tournament held at Iroquois Golf Club on September 2. Keeping, a long time advocate of the Children's Hospital of Eastern Ontario, spoke to the crowd about the strong dedication and hard work of the CHEO team. "We are all the beneficiaries of CHEO's provision of the very best of care," Keeping said. *Gibb photo*

Van Allen seeking reelection as Mayor

–Continued from page 1

downs," says Van Allen.

Van Allen's list of challenges includes;

• The closure of two industries - St. Lawrence Corporation and Hunt Builders.

• The disenchantment regarding fibre optics and the resulting charge of conflict of interest against a councillor and his subsequent resignation.

Van Allen says, "the nastiness of the fibre optics issue bothers me," referring to the conflict of interest application which was filed against Ron Delegarde. "That will always bother me. It bothers me that he felt he had to quit (as councillor) even after he was proven innocent."

• The manner in which the Ministry of Natural Resources acquired the Dupont property.

• The amount of pressure council had to put on the provincial government to honour its agreement for the water plant funding.

• The dismissal of our water plant contractor, Detra Builders.

"There have been a number of positive things that have happened during this term of council," says Van Allen.

His positive list includes;

• The sale of the fibre optics and broadband funding to W3 Connex. This put an end to the monthly municipal subsidy of $12,000 to $14,000 per month.

• Receiving 90 percent funding for a new sewer plant in Morrisburg.

• Getting the province to almost honour its agreement with regards to water plant funding.

• The use of surface treatment on more rural road, which decreases maintenance costs and is about one-third less costly than asphalt.

• Selling the lots in the municipally owned Schell subdivision in Williamsburg.

According to Van Allen the next terms of council will have to deal with a number of issues including;

• Putting pressure on the federal government to equal the funding promised for the water plant.

• Making sure the new sewer plant is built within the amount of money the promised by the province.

• Continuing to put pressure on the Ministry of Tourism, not only to finish their feasibility report, but to designate funds for the enhancement of Upper Canada Village and the surrounding area.

• Lobbying the government to provide funding for roads and bridges.

• Expanding and enhancing Community Cleanup Day, and educating people to take pride in their community by not throwing garbage on our streets, roads and parks.

• Pressuring the province to look at alternate means of handling garbage.

• Planning for celebrations of the 50th anniversary of the Seaway Project and the 200th anniversary of the War of 1812.

• Ensuring the South Dundas Economic Development Commission and Counties Economic Development Commission work together more closely for business retention and to bring new business to the area.

• Continuing working with the St. Lawrence Medical Clinic to attract new doctors to the area.

• Making sure South Dundas gets the nursing home beds needed to keep seniors close to their loved ones.

• Monitoring the Iroquois Golf Club to ensure the new lease is honoured.

"As you can see, the next council will be just as busy as the current council. I want to be part of it," says Van Allen. Therefore, I am seeking to be reelected as Mayor of South Dundas."

Cornwall Community Hospital

Foundation names executive director

CORNWALL–Connie Vardy, the former manager of Cornwall's Scotiabank branch, has been named the Executive Director of the Cornwall Community Hospital Foundation.

"I am excited by the prospects of working with the hundreds of volunteers and donors who allow the Foundation to achieve its goals", said Vardy.

"Modern health care services and the ability to attract qualified doctors and nurses remains a priority for our community."

Vardy held various positions with Scotiabank until July of this year. Since moving to Cornwall in 2002, she has supported dozens of community initiatives and is a former board member of the Cornwall & Area Chamber of Commerce and Team Cornwall.

The Cornwall Community Hospital Foundation exists to raise funds for the Cornwall Community Hospital. It is run by a volunteer Board of Directors, led by chair Roy Perkins.

"The Foundation Board is thrilled to welcome Connie to her new role as Executive Director", said Roy Perkins.

"Her wealth of business experience and ability to network with key community leaders will help us move forward on future Foundation projects. Her leadership and compassion will ensure success and growth for years to come."

The money raised by the Foundation helps fund capital expansion and renovation projects, the purchase of equipment, and the provision of ongoing financial support to maintain quality health care programs and services for our community. Most recently, the Foundation completed the Our Hospital, Our Future campaign, a major fundraising campaign that was successful in raising over $12 million for the redevelopment of the Cornwall Community Hospital.

"The Foundation is an important partner in helping the hospital meet the needs of the community", said Jeanette Despatie.

"The monies donated by generous members of our community through the Foundation help support the work of the doctors, nurses and professional staff of the hospital."

Peter Swank signs on for Councillor

–Continued from page 1

He put his name forward as councillor, and says that is the only position he is interested in. Swank is retired and says at his age he is willing to commit to being a councillor and by being at the table, "I can help clean it up."

Swank is happy that South Dundas has gone to election at large. "It's great because you get the best people elected. I am all for that."

He says he believes that the end result will be a good council for the people of South Dundas.

As far as the four-year term of council, Swank says he preferred the shorter two and three year terms, "but the four year term is what it is and I can live with that."

Swank says taxes are his greatest concern and is already proposing a freeze in council wages to help the taxpayers.

Local hockey team escapes hotel fire

–Continued from page 1

"We had a team meeting and decided to come home," says Doug. "We decided it wouldn't be safe to use other people's skates, and Les (McAllister), our goaltender who was willing to stay and play if we wanted, had lost his contact lenses. Plus we had no clothes."

"Within 45 minutes after our decision they had us booked to return. They gave us a place to shower, fed us and provided clothes for our return trip."

The team is based out of Morrisburg and made up of players from the area.

They earned the right to participate in the biannual Canadian summer senior games when they won the provincial title.

Also playing on the team from Morrisburg was Gary Strader, and Lee Madden was a member of the coaching staff. Other well-known area hockey players included goaltender Les McAllister, Bill Farmer, Fern Gauvreau, Jim Powers, Morley Hunt, Jack Haines, Duke Murphy and Wayne Ellis.

Thank You

Words cannot express the extent of our gratitude to so many people for so many things. From the time of Mark's stroke on March 17th, his stay in Winchester Hospital, his recovery at home, through his vascular surgery, his stay in the Ottawa Civic Hospital, then through his heart attack and stay at WDMH, and again through his five more surgeries, resulting in a below-the-knee amputation, and his long stay at the Civic Hospital, our family and friends have always been there for us.

To our family for their love, prayers, and help, any time, any place it was needed; to my "office family", who took over my responsibilities, allowing me to be with Mark every time I was needed, which were many, and also for the "pick-me-up" flowers when I sprained my foot through a fall; to Donna, Allen, and Lisa for giving me a leave of absence so I could be with Mark during the most difficult times, and to Marlene and Sharon for doing my work; to Rev. Isabel Black for all her prayers, visits, and support; to our "church family" who relieved us of our many volunteer duties, for their outpouring of concern, and overwhelming prayers that brought Mark through his many surgeries successfully, and who generously gave of their time and talents to clean our home (they do windows); to Elma-Colquhoun U.C.W. for the cheque which paid for one month of parking for me, a month of TV and phone for Mark; for all other monetary donations which helped with the extra costs due to Mark's long stay in hospital; to Lenny who came every week to cut our grass and do any "odd" job Connie or Marion needed done; to Debbie, Dwayne, Chris, Dawn, and our friends for driving me to the hospital after work every day so I didn't have to worry about Ottawa's five o'clock traffic; to Mary and Brenda for their daily visits to the hospital and for being with Mark throughout the nights after each surgery and prior to his death; to everyone for your prayers, phone calls, cards, gifts, and visits; to Dr. Brandys and his surgical team, and the many other doctors, nurses and PCAs whose excellent care brought Mark successfully through his surgeries; to all the Home Care nurses and staff. A very special thank you to God who gave the doctors and nurses the skill and knowledge to help Mark throughout his illnesses and surgeries, and for answering the many, many prayers said on his behalf. God answered our prayers each time Mark came through a surgery, but his heart just could not recover. When we were told Mark would not get better, God answered our prayers by taking him home peacefully and without pain.

Following Mark's death, our family and friends gave us the love and support we needed. We thank everyone for the generous donations of food; for sympathy cards and visits; for flowers and charitable donations; to David Lapier and Dan McLaughlin for their compassionate and professional help; to Lisa and Grace for providing supper during the wake; to the pallbearers; to Lynn, Lara, and the choir; to Lee for his wonderful eulogy for his brother; to Rev. Isabel Black for the support following Mark's death and for the celebration of Mark's life; to Elma-Colquhoun U.C.W. for providing the lunch following the service and to other "church family" for helping serve.

Without each and every one of you, our difficult journey through Mark's illnesses, surgeries, and death would have been much, much more difficult. Our deepest heartfelt thanks to you all.

ROYAL CANADIAN LEGION
Seaway Branch #48
10 Legion Street, Morrisburg, ON

The Ladies Auxiliary have a Bingo machine for sale – it is in good condition. Please call Rita at 543-2882 if interested.

This Friday in the bar we will have live entertainment with Paul Smith, from 8 to 12. Everyone is welcome.

Cribbage in the pub starts this Sunday, 1-4, $5 admission.

Sign up for the 2nd annual Legion pub crawl, Saturday, September 16th. Bus leaves Branch 48 parking lot at 11:30 a.m. Visits seven Legions in the area, and returns approximately 7:30 p.m. Tickets $15. (Prices have gone up significantly from last year because the bus rental is almost doubled due to high gas prices). A minimum of 25 participants is required for this event to take place, so add your name to the sign-up sheet by close of business on September 8th or this event will be cancelled!! The sign-up sheet and tickets are available at Branch 48.

Next steak night is Friday, September 22nd with the "Seaway Valley Country Singers" performing. And Sgt Wilson's Army Band will be here on Saturday, September 23rd. Get your tickets at the bar.

This Saturday, the Ladies Auxiliary will travel to Cornwall for Zone Euchre. Good luck ladies.

The L.A. general meeting is Wednesday, Sept 6th.

Last Monday's auction was great. Our BBQ went over well. Thanks to Donna, Anna, Janice, Nikki, Lew, Roy, Brian, Marcel and Whittaker Meats.

Meat draw was won by Dot & Fern from Cornwall.

Check out our new clip & save column of coming events for a calendar of activities throughout the month of September.

Until next time – ***Comrade Janice***

UCDSB approves balanced budget

BROCKVILLE – Trustees of the Upper Canada District School Board approved a balanced, $298 million budget August 30.

The financial document reflects the board's updated CREW (Communications, Resources, Educational programs and Wellness) Strategic Plan, Version 1.2; a renewed plan to continue to deliver the most important commitment to special education in eastern Ontario; and the Board's Quest 20-20, Operational Excellence Plan, which has culminated in significant cost savings.

Despite a forecast accumulated deficit of $10.2 million, caused by the Ministry's decision in 2004-05 to reduce the board's special education funding by $9.6 million, the board remains committed to achieving 75 percent of students working at EQAO levels three and four by 2007, and to achieving a 90 percent graduation rate by 2020 when the students who entered kindergarten last September will graduate with their peers from secondary school.

A key component of the budget is the board's special education plan which includes the development of a student support services mode; guidelines for a school-based student support delivery model; and a multi-year professional development plan to serve exceptional students.

Chair David McDonald said the board has made tough decisions to rebalance its expenditures to achieve a balanced budget.

"The deficit forced us to make many cuts to staff and operations. However, our focus on provincial goals has not changed - our students deserve world class education and our continuing improvements in EQAO assessments confirm our success in achieving that goal."

Director of Education David K. Thomas said, "We have introduced many initiatives to ensure that every child will learn in our schools. In particular, our Michelangelo Project commits to ensuring every student achieves their aspirations for learning and opportunities. This project reflects our rigorous commitment to ensure that student failure is not an option."

Other new initiatives implemented by the board include:

• Early Years Committee - representation from community health and day care partners to assist Ontario Early Years Initiatives;

• Character Education - all students learning the board's eight virtues of character education: Caring, fairness, honesty, empathy, resilience, respect, perseverance and responsibility;

• Critical Incident Response Team - training for selected school staff and a team in each of the board's four regions to deal with student crises;

• Bullying Prevention - enhancement of bullying prevention programs;

• Increased Capacity of School Councils - effective advisory role to the principal and the board as supported by the Ministry;

• Quality Daily Physical Education - every elementary school will provide 30 minutes of daily physical education, a continuation of a project initiated by the Ministry in 2005-06;

• Web-Centric - nearly 3,000 new personal computers deployed to schools for students and staff, 600 refurbished computers donated to needy families and 120 school servers to be decommissioned for savings of $300,000 over five years;

• Dashboard Metrics - board wide indicators available to all schools - significant evidence of data being used to drive school improvement strategies with the assistance of MISA Ministry funding;

• Streamline Technical Supports - electronic forms, pay stubs, etc. resulting in a savings of approximately $100,000 per year;

• Education Road map - selecting career pathways for students as part of student success initiatives;

• Destinations of Choice - continuation of capacity building in teachers - instructional intelligence and differentiated instruction to assist in achieving Ministry goals; and

• Living Literacy - professional development to support literacy initiatives and the Grade 10 Literacy Test.

The Upper Canada District School Board's 2006-07 budget will have a surplus of $700,000.

New Sunday hunting

This past long weekend marked a historic achievement for hunters and wildlife managers as expanded Sunday hunting went into affect in about 90 municipalities across southern Ontario.

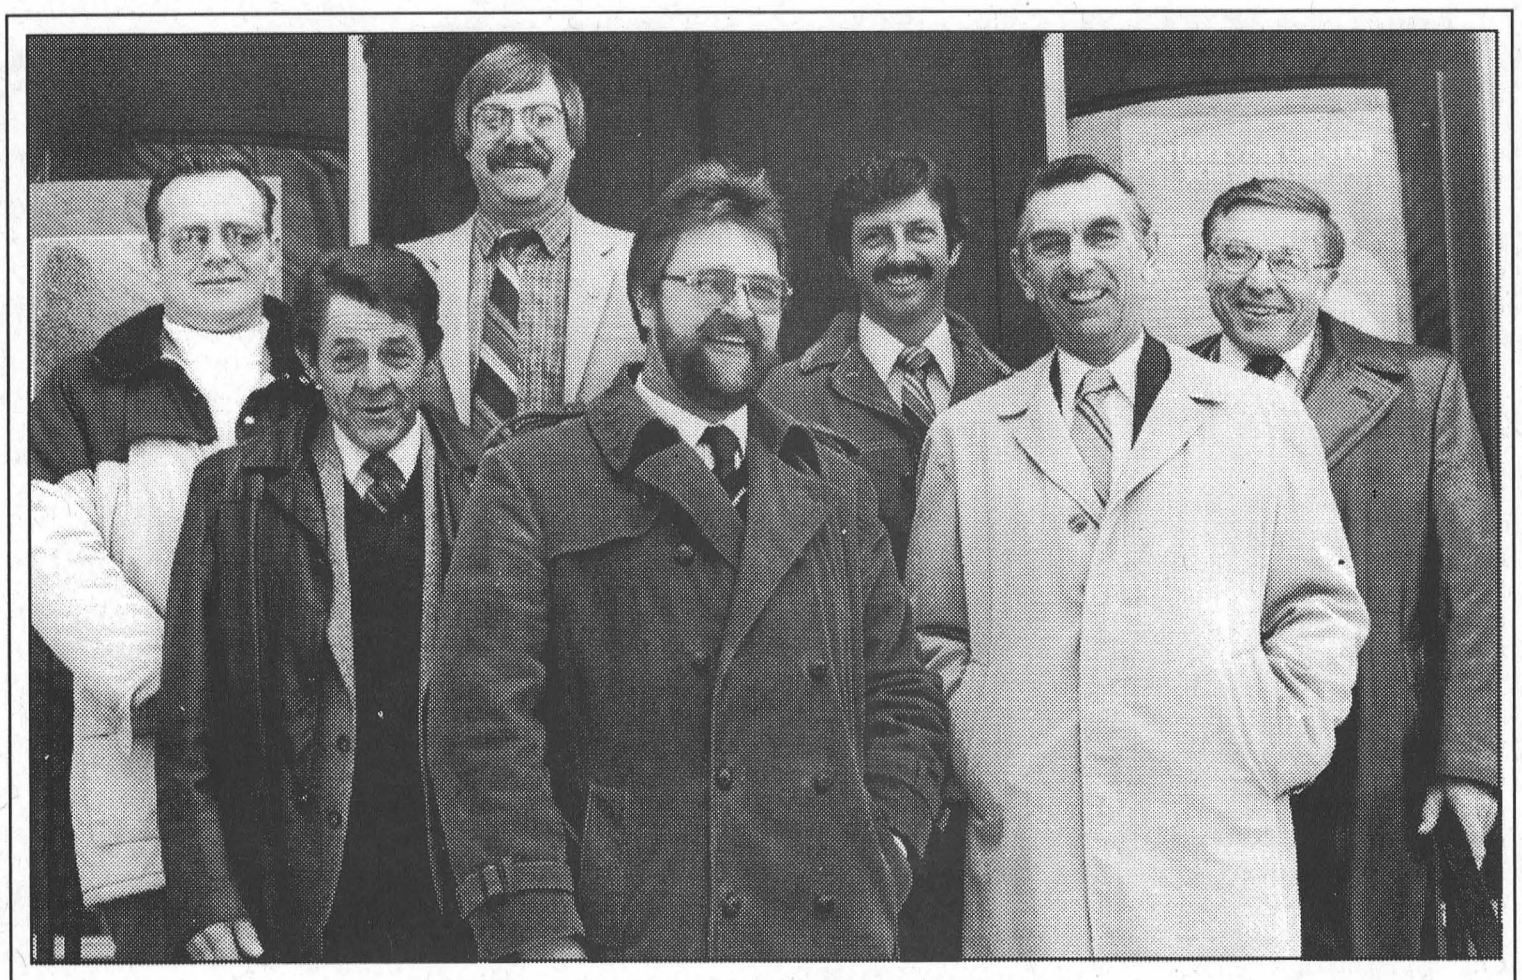
Not since the century-old Lord's Day Act, has hunting with a gun on a Sunday, during existing hunting seasons, been allowed in most communities south of the French River. However, times have changed and, with today's burgeoning populations of deer, geese and other species, along with today's busy work schedules and competition for family downtime, the Ontario Ministry of Natural Resources (MNR) has recognized and supported the Ontario Federation of Anglers and Hunters' (OFAH) push for more Sunday gun hunting.

Recognizing the fact that wildlife causes some $45 million in annual crop damage, and that vehicle collisions with wildlife have skyrocketed by 86 percent in the last 10 years, MNR has worked in partnership with the OFAH and the farm community to introduce new hunting opportunities as a valuable wildlife management tool.

Sunday gun hunting will now be allowed during existing seasons for waterfowl, and for big and small game species where municipalities and the Canadian Wildlife Service (CWS) have approved it. Recently, the CWS approved Sunday gun hunting for waterfowl in parts of central and eastern Ontario where municipalities in those regions said yes to the MNR proposal. An updated map of new Sunday gun hunting opportunities can be found on the OFAH web site.

Facts: There is a reported motor vehicle/wildlife collision every 38 minutes in Ontario, 90 percent of which involve white-tailed deer. One out of every 18 reported motor vehicle collisions in Ontario involves some form of wildlife. In 2003 alone, 13,729 collisions were reported. This resulted in four deaths, 500 serious injuries and millions of dollars in damage claims. Without the annual deer hunt, it is estimated vehicle/deer collisions would increase by at least 300 percent.

Ontario Federation of Anglers and Hunters



Williamsburg Township Council of the mid 1980s

Front, l-r, are members of Williamsburg Township Council of the mid 1980s. They include Lyle Van Allen, Glen Cunningham, the late Gord McNairn, Johnny Whitteker and Graham Hess. Standing behind, left, is Mike Waddell, (then Township Clerk) and Hugh Garlough (roads superintendent).

Seen 'n Heard

Around the Township

This week we are passing on a word of warning to motorists traveling east near the Morrisburg dock area. Seems a number of motorists, whether they be tourists or locals, have been treating the east entry to the dock area as a through roadway off Ottawa Street. It has been noted that vehicles coming from the north and heading into the dock parking area are not heeding the right of way of vehicles making the curve and are cutting right in front of them. The same thing applies to vehicles that are leaving the dock area, as they too are driving right onto Ottawa Street without yielding to oncoming traffic. Recently, we came to a full stop, as a car pulled out of the dock area right in front of us, and the driver appeared completely clueless as to what she had done. We note too, there are no yield signs at either of the dock entries.

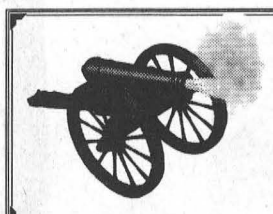
•••

Came across this e-mail that we thought might be of interest, so read carefully.

There is a dangerous virus being passed electronically, orally and by hand. This virus is called Worm Overload Recreational Killer (WORK). If you receive WORK from any of your colleagues, your boss or anyone else, via any means–Do Not Touch It. This virus will wipe out your private life completely. If you should come into contact with WORK, put your jacket on and take two good friends to the nearest pub. Purchase the antidote known as Work-Isolator-Neutralizer-Extractor (WINE). Take the antidote repeatedly until work has been completely eliminated from your system. Note: After extensive testing it has been concluded that Best-Equivalent-Extractor-Remedy (BEER) may be substituted for the WINE, but may require a more generous application.

•••

The community is reminded that September brings with it the annual Terry Fox Run, which this year will take place on Sunday, September 17. Registration for the Run (you may run, walk, jog or bike) is at the Morrisburg Legion beginning at 8:30 a.m. The event will run from 9 a.m. to noon. Pledge sheets are available at the Legion in Morrisburg. For more information call Audrey Henophy at 613-543-2420. Last year, 81 local people participated and raised over $8,000.



The Leader Blast from the Past

Compiled from The Leader's files

1996

The September 4 issue reported that although the ice making process at the Morrisburg arena was scheduled to start September 3, warm weather was delaying the process. Work on some bad beams was underway.

St. Paul's Lutheran Church in Morrisburg would celebrate its 120th anniversary on Sunday, September 8.

Morrisburg golfer Barb Sheridan was the silver medalist winner in ladies golf competition at the Ontario Senior Games held at Richmond Hill. Sheridan shot an 85 for a 70 low net for the silver medal.

Larry Harper won the annual Cedar Glen men's open in a three-hole playoff against Daryl Shelp. The two finished regulation play tied with 74s.

At Upper Canada Golf Course, Terri deLuis of Brockville won the first annual ladies open shooting an 88. The tournament, previously run in conjunction with the men's tournament, was moved by club profession Joe Doyle, to its own weekday time slot and resulted in 52 women attending compared to seven the year before.

1986

Pictured on the front page of the September 3 issue was the HMS Bounty as it sailed past Morrisburg on its return voyage to Florida. The ship was used in the 1961-62 production of *Mutiny on the Bounty*, starring Marlon Brandon and Trevor Howard. It was a replica of the ship sailed by Captain Bly and owned by MGM Studios.

Early frosts, little sunshine and hail storms had contributed to a very poor season for local apple growers. In early July the area was hit with a damaging hail storm. Two frosts in May had also damaged the blossoms. With less than half a crop at most orchards, consumers could expect an increase in price.

Cedar Glen's Mike Sergeant posted a three-over-par 73 to win the 14th annual Cedar Glen open. It was a big round for the junior golfer who was playing in B flight.

Howie Eamon and Marj Droppo had a 69 net at the Morrisburg Golf Club to win the annual Sadie Hawkins two-ball tournament. The two defeated the duo of Sam Laurin and Bonnie McNairn in a playoff.

1976

The September 3 issue reported Big Doug Casselman was named the Dundas County Fastball League's most valuable player. Earl McGrath of Domville was named top coach, and Roger Hodgkinson of Brockville and Tom Hare of Cardinal were co-winners of the most sportmanslike player. The Pioneers also placed three players on the first all-star team–catcher Bill Hogaboam, second baseman Gerry Morrell and outfielder Duke Roles.

The first annual Applefest day celebration was set for September 11 at the Morrisburg arena. Pie eating and apple dunking contests were planned for the event.

Mrs. Marion Lafortune was pleased to announce the forthcoming marriage of her daughter, Angela Marion, to Lee Allan Hess, son of Mr. and Mrs. Gerald Hess. The wedding was to take place October 2.

John A. Allison Real Estate had a two-bedroom, centrally located frame home in Morrisburg listed for sale for $25,000.

1966

The September 2 issue reported James Atchison, formerly at the Bank of Montreal's Brampton office, had been appointed manager of the bank's Williamsburg branch. He was replacing Robert Murat who held the Williamsburg post for three years and had been transferred to Barry's Bay.

In lacrosse playoff action, Kevin Duvall scored four times to lead the Morrisburg Mites to a 4-1 win over Long Sault.

Pictured on the front page was Stephen Joseph Coligan, infant son of Mr. and Mrs. Thomas Coligan of Morrisburg, who was christened at St. Mary's Church wearing an heirloom dress and cape fashioned and designed for his great grandmother, 70 years earlier.

Summer Heights won the McLennan Trophy at the first tournament of the new Valley League organized this year. Members also included Morrisburg, Iroquois and Brockville.

1956

Pictured on the front page of the September 7 issue was the Williamsburg Softball team following their win over Morrisburg (at Winchester) to claim their fifth consecutive Dundas County Softball League crown and the Challies Trophy. Team members were pitchers Don Smith and Doug Barkley, and Doug Stewart, Lloyd Casselman, Hubert Wells, Bob McIntosh, Bert McIntosh, Howie Eamon, Hubert Labre, Ross McMillan, Jack Julien, Carl Casselman, Phil Casselman and Gordon McMillan. They were coached by Arden Trickey. The cup was presented by league president Karl Guy of South Mountain.

Half of the back page of the issue was printed with a Notice of Expropriation, by the Hydro-Electric Power Commission of Ontario, of lands in the Township of Williamsburg and the Village of Morrisburg.

1936

The September 4 issue reported a 24-day-old strike that had crippled the giant rayon plan of Courtaulds Limited in Cornwall had ended and the more than 1,700 affected employees would return to work within the week. The workers were to receive substantial raises, and better working conditions.

The Prisoners' Aid and Welfare Association of Montreal, branch of the Canadian Penal Association, was notified by the Department of Justice at Ottawa that a sentence of 20 lashes imposed by a Hamilton, Ontario judge on two youth convicted of a holdup, would be suspended pending further investigation.

The Church Road correspondent reported school had reopened with Miss Mabel Dennison of Archer in charge.

Jimmy Connors drove two winners for Dr. Locke's Williamsburg stables at the Cornwall Fair.

Iroquois golf fundraiser is like no other for CHEO

IROQUOIS – "No other Golf Club has a charitable Tournament like this for CHEO. No other town of this size raises this kind of money for CHEO," said Max Keeping, well known Ottawa news anchor, and a long time spokesman for the Children's Hospital of Eastern Ontario.

Keeping was addressing an enthusiastic crowd gathered at the Iroquois Club House following the 8th Annual CHEO Fund Raising Golf Tournament held Saturday, September 2.

112 golfers raised pledges and took part in the 18 hole event at the Iroquois Golf Club. The annual Tournament ultimately raised $11,452.25. This brings Iroquois' eight year total donations to over $97,500.

Steve Martineau, Iroquois Golf Club professional, a key organizer of the CHEO Tournament, thanked all the golfers for their support, their enthusiasm and their generosity.

"This is a large tournament," Martineau said, "and one of the social highlights of the year."

He was especially impressed by the generosity of many businesses and individuals who donated 120 items for a silent auction during the Tournament.

A wide variety of articles, from theatre tickets to Golf bags to vests and out door surveillance equipment, was offered to the Tournament participants. The auction funds were also added to the cheque.

Max Keeping got into the spirit of the event by auctioning off his own tie, and some Ottawa Senators' posters, during his address to the crowd. Walter Reid was the lucky high bidder.

Keeping emphasized that South Dundas has proven that it cares, and added that its citizens "set an example for all communities in Ontario."

He shared stories of the work done by the "amazing people" who serve at the children's hospital. "CHEO is one of the best pediatric institutions in Canada. The quality of care patients receive there is unmatched."

A number of high lights wrapped up the Tournament.

Lanny Gladstone was honoured for his "selfless dedication to the Golf Club" with the Fred and Carol Brouse 2006 Volunteer Award.

While there was no "winner" of the Tournament, the team of Shirley and Jerry Belanger and Lanny and Sylvie Gladstone were recognized for coming in at a 12 under par 60.

Closest to the pin at various holes were John Marston, Bill Martineau, Ed Orlicky and Ronnie Patterson.

Norma Lamont and Cheryl Burwash, on behalf of the CHEO Foundation, accepted the cheque for $11,452.25 at the conclusion of the successful event.

CHEO fund raiser nets $11,425

Iroquois hosted its 8th Annual CHEO Fund Raising Golf Tournament on Saturday, September 2. In four man teams, 112 golfers completed the course to the delight of tournament organizers. Following dinner at the Golf Club, attended by 130 people, Steve Martineau was very pleased to hand over a final check for $11,452.25 to hospital representatives. Special guest Max Keeping, Ottawa news anchor, also took part in the evening ceremony. From left to right are Max Keeping, Norma Lamont, Vice President of Community Development, the CHEO Foundation, Cheryl Burwash, CHEO Foundation Board member, and Steve Martineau, Iroquois Golf Club professional.

Congratulations

Ron and Shirley Whitteker are pleased to announce the marriage of their son, Chris, to Colleen McCready of Dryden on July 28, 2006, on the S.S. Kenora.

CHEO Classic 2006

Thanks to the generosity of local businesses, individuals, volunteers and members we were able to present the CHEO Foundation a cheque for more than $11,400 after our annual tournament on September 2nd. To all those people who supported our event I would like to say thank you. With this year's contribution we have now raised more than $97,000 in 8 years and certainly made a difference in the community.

Steve Martineau

Kraft Hunger Challenge September 5-29

WINCHESTER–The Ontario Association of Food Banks (OAFB), the Canadian Association of Food Banks (CAFB) and Kraft Canada are calling on Ontarians to join the third annual Kraft Hunger Challenge this September to help raise much-needed funds for food banks.

From September 5-29, residents of North and South Dundas can make a donation online at www.cafb.ca, or by mail, phone or in person to their local food bank.

Kraft will generously match donations up to a maximum of $30,000 across Ontario. The campaign goal will be to raise $60,000 or more in Ontario and over $300,000 nationwide during this period of need.

"Families need food on the table year round, but many people don't think about donating to the food bank in the summer, which creates stress on our food bank reserves during the busy back-to-school season," says Brenda Millard, Chair of the Dundas County Food Bank which has locations in Morrisburg and Winchester. "Hunger is always top-of-mind for us, and the Kraft Hunger Challenge is just one way that we're working to address it during this crucial period."

The summer months are traditionally a time when demand for food is at a critical high yet supply is at its lowest, which leaves a food drought in September. With many people vacationing between June and August, food donations diminish.

Food banks also report that there is an overall lack of awareness that food is needed at times beyond the more active holiday drives.

"We encourage everyone in Ontario to help us support hungry families in this time of need and throughout the year," says Dino Bianco, President of Kraft Canada, Inc. "We hope that millions of Canadians will rise to the challenge and join us in this effort to help fight hunger."

Kraft Canada has a long-standing partnership with the CAFB to lead the fight against hunger in Canada. Kraft Canada donates an average of 2 million pounds of food each year to help feed hungry families across Ontario and Canada.

Kraft Canada Inc., with its corporate headquarters in Toronto, is the largest food and beverage manufacturer in the country.

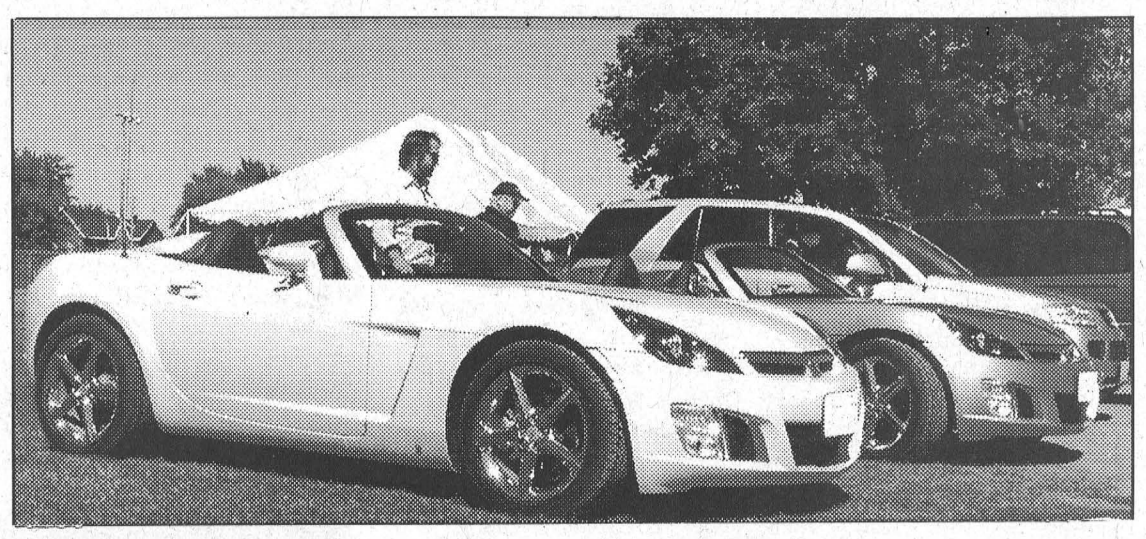
The Canadian Association of Food Banks (CAFB) is the umbrella organization representing food banks in Canada, serving over 2,000 member agencies through its provincial partners. Donors can also mail in donations to the CAFB c/o Kraft Hunger Challenge, 2938 Dundas Street West, Suite 303, Toronto, Ontario M6P 1Y8 or call 1-877-535-0958.

A tax receipt for income tax purposes will be issued for all donations of $10 or over.

The Dundas County Food Bank with its Morrisburg and Winchester sites, is a member of the Ontario Federation of Food Banks (OAFB) which represents over 100 food banks across the province.

With local, provincial and national partners, the OAFB's mission is to help food banks relieve hunger in the province through food distribution and acquisition, member support, fundraising and advocacy.

Over 330,000 Ontarians are served by food banks every month, 40 percent of whom are children.



From Saturn to Morrisburg

A group of eight Quebec automotive journalists, from various automotive magazines, newspapers and television programs spent two full days last week test driving the Saturn's newest models, including the Sky (pictured above), Hybrid Vue and Aura. The 850 kilometre media test drive event, organized by General Motors, made its final stop to change drivers at the Morrisburg Docksyde Wednesday afternoon, before their final destination of Montreal. ***Comfort photo***

Ministry of Natural Resources — Ontario

Guide Dog benefit in Morrisburg

MORRISBURG–On October 14, the family of Pat and Glenn Beckstead, Kim Kirkwood and Tim Amick will host a benefit to raise much needed funding for the Canadian Guide Dogs for the Blind.

The benefit will be a dance and social evening to be held at Morrisburg Branch 48 of the Royal Canadian Legion. Music will be provided by two bands–the River Mohawks and Tim's band, Tim Amick and Blind Faith.

Tim and his band performed at the Havelock Jamboree in 2005, and will appear at the Marmora Jamboree this year.

The Canadian Guide Dogs for the Blind program is dear to the hearts of the Beckstead family as Tim, a native of South Carolina, is completely blind from being shot in 1994 while assisting his sister out of an abusive relationship.

For the last 10 plus years, Glenn and Pat who are Volkswagen Beetle enthusiasts, have been hosting a barbecue for the Ottawa and Cornwall Volkswagen clubs on their Church Road property. All proceeds raised at the event have been donated to the Canadian Guide Dogs for the Blind.

"This year we've decided to go a different route and hold a fundraiser dance at the Morrisburg Legion," says Pat.

"There are so many benefits for so many other charities around here, and the Canadian Guide Dogs for the Blind is an excellent organization," she says. "It is absolutely amazing what these dogs do for a blind person."

"The dog gives a person a new life, and gets a loving home in exchange."

Tim speaks from the heart when he talks of his dog Jake, who passed away in 2004 from cancer.

"For all of us who are blessed with the gift of sight, we can not totally comprehend the loss of a guide dog to a visually impaired person," writes the Beckstead family in a press release. "Tim lost his independence and best friend. After going through this loss, we realize the necessity and importance of a guide dog."

"We also learned the loyalty and faithfulness in which these service animals perform their jobs...You have to fall in love with them!"

Over 600,000 Canadians are visually impaired and many may eventually need a guide dog. Anyone, due to age, accidents or disease could someday require one of these dogs.

Canadian Guide Dogs for the Blind celebrated its 20th Anniversary in 2004, and has since trained and graduated 551 teams of visually impaired Canadians with Guide Dogs. The service is provided at no cost to the clients.

The Beckstead family is asking for community support in promoting a cause that solely survives on donations from people who care and want to make a difference.

In addition to the community's participation at the dance, sponsorship donations can be made at Scotiabank in Morrisburg which is supporting the fundraiser.

"Giving money to this benefit is a double whammy–you can help someone regain their independence and self-worth, and if you are a dog lover, this guarantees a safe and loving home for a dog."

Pat is extremely pleased and thankful with the sponsorship and support that has been received, to date, from Scotiabank, the MacIntosh Inn, and the Legion in Morrisburg. Anyone seeking more information can call her at 613-543-2513.

The benefit dance and social evening will run from 6 p.m. to 1 a.m. at the Legion on Saturday, October 14. The River Mohawks are a 50-60s style band that Pat says, "will make us old folks feel young again, at least until the next morning,' and Tim Amick and Blind Faith offer a variety of country music, both old and new.

Alzheimer Fundraiser

RUSSELL–Despite the rain, The Honey ís Tack Ní Feed 8th Annual Charity Fun Horse Show which took place on Sunday, August 27 raised a whopping $10,000 for the Alzheimer Society of Cornwall and District.

After months of planning, Honeyís Tack Ní Feed was able to raise an amazing $5,000 through registration fees, donations and a charity barbecue. Scotiabank of Russell then generously matched every dollar to make the grand total $10 000.

The Alzheimer Society of Cornwall and District is delighted says Nicole Giroux-Laplante, the Education Coordinator for the Society. "All monies raised will help fund important services throughout the five Eastern Counties, including: Adult Day Programs, Individual and Group Support, Education Workshops, the Safely Home Wandering Registry and our Resource Centre."

A big thank you goes out to Honeyís Tack Ní Feed and Scotiabank of Russell for providing Help for Today and Hope for Tomorrow.

All other businesses wishing to make a difference in the lives of those touched by Alzheimer Disease or related dementia are invited to call Colette Struthers, Campaign Coordinator at 613-932-4914.

Obituaries

Mark Richard Hart

A lifetime resident of the Chesterville area, Mark Richard Hart passed away at the Ottawa Civic Hospital on Saturday, August 26, 2006, following a lengthy illness. He was 61.

Mark, born in Chesterville on August 28, 1944, was the eldest of three children of Roy and Marion Hart. He grew up on the family farm, attended SS #7 Williamsburg public school at Colquhoun and later Chesterville High School.

Except for a few months in the fall of 1964, when he helped a relative in Alberta with harvest, Mark spent his whole life in the Chesterville area.

Although he had a lifelong dream of being an officer with Ontario Provincial Police, less than perfect eye sight kept him out of the force. After high school Mark worked for Earl Cross at Earl's Meats and later Nestle's in Chesterville, before he joined the Chesterville Co-op. That was the beginning of a six-year career in the feed and farm supply business that began with general sales and led to management positions at branches in Finch and Avonmore.

It was during those years, he met the love of his life, Connie Cleary, and they were married on October 29, 1966 in Cornwall. Mark and Connie were blessed with two children–Chris who was born in November 1971, and Debbie who was born on their anniversary in October 1973.

After his years with the Co-op, interspersed with further education, Mark took on a new career in January 1972, as a case worker in the social services area of the United Counties.

Mark thrived on being instrumental in helping provide food, clothing and shelter, other financial support, counseling and often moral and emotional support to anyone in need.

A no-nonense and professional administrator, Mark was also known as a very compassionate person, with a big heart who treated people fairly. Regardless of a person's station in life, he treated people with dignity and respect and kept his cool even under adverse conditions.

He served in ever-increasingly responsible capacities with SD & G Social Services and later the City of Cornwall until he retired in 2003 due to health issues, following more than 30 years of service.

It wasn't just a 9 to 5 job, however. Mark put his heart into his work and the community at large. Along with work, he served his community in several capacities including being: a member of the auxiliary OPP; a one-time member of the Avonmore Volunteer Fire Department; a founding member of the Dundas Community Living Association; a board member of the Detox Centre; actively involved in the South Dundas Christmas exchange; a member of the board of directors of the Dundas County Food Bank; a board member of Williamsburg United Church for the past six years, involved in several committees; a member of the pastoral care team at Winchester Memorial Hospital; a volunteer with Dundas County Hospice; and a volunteer with the Emergency Measures Organization during the Ice Storm.

Mark was a larger than life figure, a person with a great deal of compassion, a good sense of humor, a huge heart, a hard worker, a loving family man and a great friend, always willing to lend a helping hand.

Aside from his professional career, Mark was a great outdoorsman and enjoyed hunting and fishing. He and several of his friends formed a hunting group they called the Devil's Fork Hunt Club and a cabin built in the cedar bush on the farm was often their central meeting place.

Mark was a great family man, devoted to his wife, children and grand kids who were the sparkle in his eye. He was the consummate doting grandfather.

Due to complications related to diabetes, his last few months were a real struggle. But Connie, so beautifully, lovingly and courageously, was there to hold his failing hand. He was also strong in his faith which saw him through until the end.

Mark is survived by his loving wife Connie Hart (nee Cleary), his children Chris (Dawn) of Winchester and Debbie Hart (Dwayne Pirie) of Chesterville, his parents Roy and Marion Hart (nee McConnell), his sister Brenda (Walter) Conrad of Carp and his brother Lee (Angie) of Calgary.

He is also survived by his mother-in-law Ursula Cleary of Cornwall, his in-laws Betty Farrell of Woodstock, Mary Cleary of Ottawa, Tom (Cathy) Cleary of Cornwall and Mike (Debbie) Cleary of Cornwall and Bob (late Donna) Drake of Brussels. Mark will be fondly remembered by grandchildren Madison Hart and Dylan Pirie. He is also survived by nieces and nephews.

Friends called at the Marsden and McLaughlin Funeral Home, Williamsburg, on Tuesday, August 29, with the funeral service held at Williamsburg United Church on Wednesday, August 30 at 11 a.m., followed by cremation. Donations to Williamsburg United Church, Winchester Hospital, or the Diabetes Society would be appreciated by the family.

Pallbearers were Lenny Bass, Derrick Tippins, Clayton Lawrence, George Runions, Scott Helmer, and Walter Gravely.

HAVE A SAFE YEAR

As another new school year begins, all students are urged to never forget these simple school bus safety tips!

1. Stay quiet at all times so the bus driver can hear traffic
2. Always keep your hands, etc. inside the bus
3. Remain in your seat and keep the aisle clear at all times
4. Wait until the school bus has come to a complete stop before you climb on or off
5. Check carefully for traffic when crossing the street near a school bus
6. Obey your bus driver at all times

These safety tips will help make this school year a safe learning experience . . . for everyone!

South Dundas Soccer's U15 Kickers unstoppable in South Side tournament

KEMPTVILLE – The South Dundas Soccer Association's Seaway Kickers were, for the most part unbeatable in the South Side League Tournament and Fun Day hosted in Kemptville over the weekend.

The local travelling soccer teams were impressive at the two-day tournament, in which 90 teams participated, and two of the four teams finished at the top of their divisions.

The U15 girls and U15 mixed divisions belonged to the Kickers.

After playing to a 0-0 tie against the Nepean Hotspurs 3 in their opening game, the Kickers U15 girls would not be kept off the scoreboard again for the rest of the weekend.

In the remainder of qualifying round play they posted a 5-1 win over the Ottawa Internationals 1, a 2-1 win over the Nepean Hotspurs 1, and shutout Merrickville 3-1.

Their record of three wins and one tie placed them first in their pool, putting them into the semi-finals against the Nepean Hotspurs 3. The Kickers shutout Nepean 3-0 to advance to the finals against the Nepean Hotspurs 4. The Kickers won the final 1-0, to claim the U15 Girls Division Title.

The Seaway Kickers U15 Mixed Division team was defeated all season long and continued their winning streak throughout tournament play to claim their division title.

In the opening round of tournament play the Kickers scored big wins over Merrickville (6-1), Ottawa South United (8-1), Nepean Hotspurs 2 (4-0) and Kemptville 2 (7-0).

Their winning record advanced them to the semifinals, which they won 8-2 over North Dundas.

The Seaway Kickers won the final game and the U15 Mixed Division with a 4-0 shutout of the Nepean Hotspurs 2.

The Seaway Kickers U13 mixed team did not come home with a championship but they were definitely the most improved team this season.

This team was the youngest in their division, being made up of mostly 11 and 12 year olds.

Although they had some struggle throughout the season they really pulled together for an impressive showing at the tournament.

They did not advance to the finals, but they went from a team which posted no wins during the regular season to a team with no losses in the weekend tournament.

They tied their first game 0-0 with Kemptville and then won their next three.

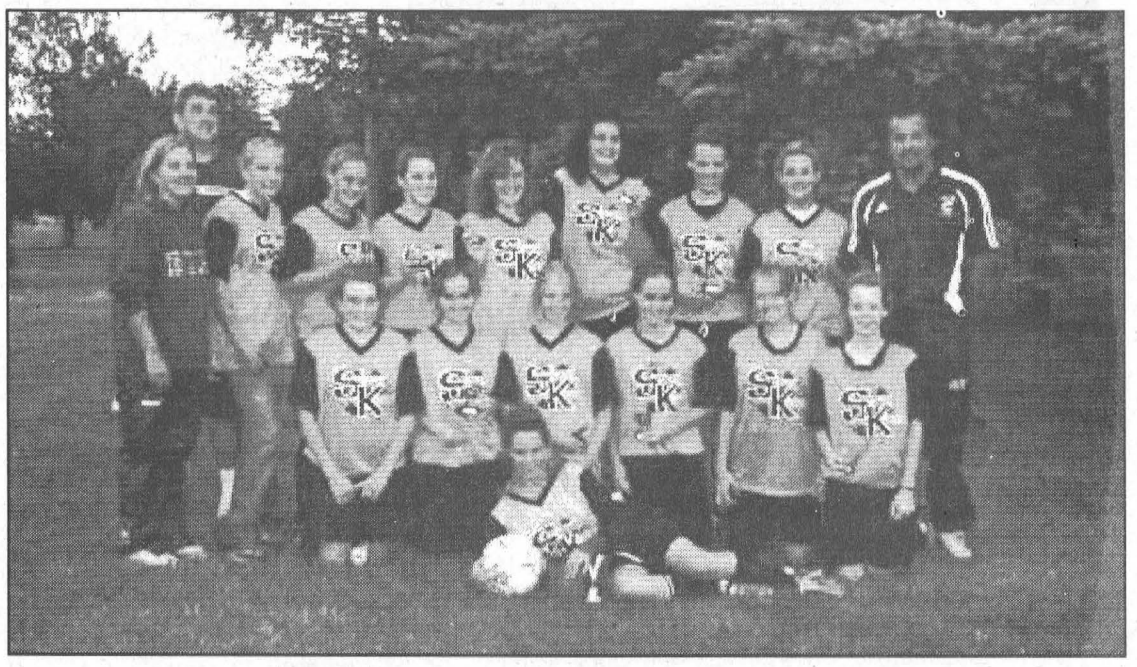
They posted a win over the Nepean Hotspurs 1 by score of 4-2, and then faced the Nepean Hotspurs 2 and won that game 6-1. Their final game was against Nepean City 1, who they shutout 6-0.

All four of the games played by the Seaway Kickers U18 mixed team ended with a goal or less separating the competitors, unfortunately the Kickers were on the short end of it twice.

They opened the tournament with a 1-0 win over the Nepean Hotspurs2. Their second game they faced Ottawa South United 2 and the game ended in a scoreless tie (0-0). The Kickers lost 2-1 to Kemptville 1 and then 1-0 to Ottawa South United 1, eliminating them from further competition.

"All in all this was a good year for our Seaway Kickers. We were very pleased with the South Side Soccer League. This was our first year to play in this league," says Candace Menges of the SDSA.

"It opened up the opportunity for our players to play more teams and experience a higher level of play." She credits the coaches and referees with making the whole season a success.



U15 GirlsDivision Champion South Dundas Seaway Kickers

Back row left to right are Rita Bergsma (assistant coach), Dave Hartle (assistant coach), Chelsea Hartle, Rachel Bergsma, Courtney Hall, Holly Alexander, Molly Chesbro, Taylore Mattice, Maisie Menges and George Menges (coach). Two playoffs to settle Cedar Glen Men's Open

WILLIAMSBURG–It required three extra holes of play to determine the winner of the 2006 Cedar Glen Men's Open Golf Tournament here Monday.

At the end of regulation play, Allen McNairn, who plays out of Upper Canada Golf Club and Lindsay Weegar of Cedar Glen were tied with 78s. This forced a sudden death playoff and led to McNairn's win on Cedar Glen's par four third hole.

Meanwhile, on the other side of the course, two Cedar Glen golfers, Jeff Whitteker and James Morrell were battling it out for the B flight championship.

The two ended their rounds tied with 85s, and they were sent to the 10th tee to begin their sudden death playoff. Whitteker claimed the championship on hole 11.

Weather was a major factor in this year's Open and higher than usual scores were the feature of the day.

Following Weegar and McNairn's 78s, the only other golfer to break 80 was Cedar Glen's Kurtis Barkley who posted a 79 to finish third.

McNairn won the low gross of the day, and Weegar won low net in A flight with a 69 net.

Other low shooters in A flight were Upper Canada golfers Randy Leclair and Peter Zeran who posted scores of 81 and 82 respectively.

Six golfers shot 83s and they included Dave Bird, Mike Guy, John Morrow and Larry Harper all of Cedar Glen and Rod Pitman and Bob Seely from Nationview.

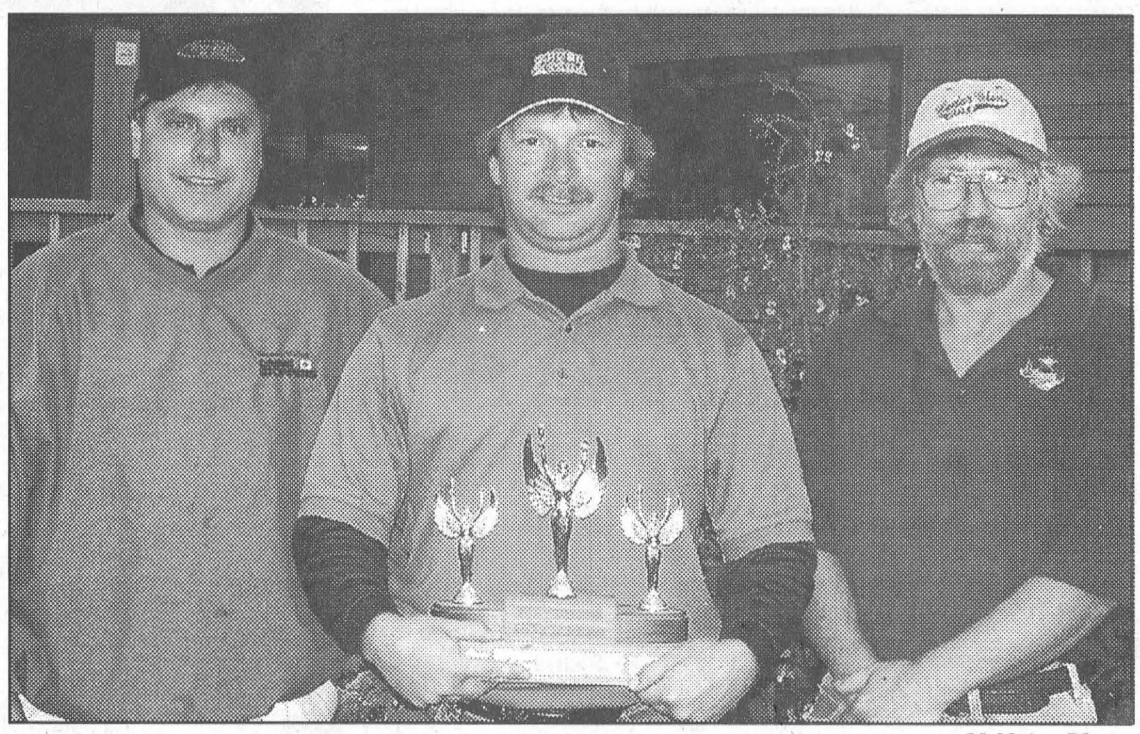
With Whitteker stepping in for the B flight low gross win, Morrell claimed B low net, his 85 giving him a 69 net score.

Just behind the leaders were Nationview's Andy Blaine with an 86 and Larry Gorton with an 87. Also shooting an 87 was Cedar Glen's Robert St. Pierre. The final player to break 90 in the B division was Jeff Byvelds who carded an 88.

In C flight, Goaler Whitteker edged Jon Robinson by one stroke for the championship. Both Cedar Glen golfers, Whitteker carded a 92 while Robinson finished with a 93.

Michael Berube (Sandy Row) and Bert McIntosh (Cedar Glen finished tied with 95s, which gave Berube the C low net win with a 66 net score.

Cedar Glen golfers Bob Porteous and Mitch Hutt took the next two spots, Porteous shooting a 96 and Hutt a 99.



McNairn Wins Cedar Glen Open ***McNairn Photo***

The weather wasn't the greatest, but 89 men competed at the annual Cedar Glen Men's Open Golf Tournament, Monday, and Allen McNairn and Lindsay Weegar led the field with 78s. The two played three sudden death holes to break the tie with McNairn coming out on top. B flight action also required a playoff, and Jeff Whitteker took that decision over James Morrell. Both shot 85s. Goaler Whitteker shot a 92 to win C flight. Pictured above, l-r, are the winners, Jeff Whitteker, McNairn and Goaler Whitteker.

Iroquois Golf Club's weekly events

IROQUOIS–Sponsored by Sleemans Breweries, the August 31 men's night had several individual winners. Winning for closest to the key was Kent McDermid, longest drive was Mark Nesbitt, closest to the hole shots were Paul McCaslin and Dave Cherry and longest putt was Dale Simms.

Jordie Macdonald and Don Martelle were the winning duo for the two person net best ball at weekly men's night action on Thursday, August 24. The combo won with a net 28. It was crowded quarters in the next two spots. Steve Martineau and Don Watson, claimed a share of second spot with Brooke Leightizer and Bill Dove, both twosomes producing 30 nets.

In men's night action on Thursday, August 17 two teams tied with the low net of the evening with 31s. They included Dale Roberts, Steve Lidster, Brooke Leightizer and Don O'Brien who took the win on retrogression, and the team of Jordie MacDonald, Howard Sayeau, Kent McDermid and Les Craig. The longest putt was dropped by Shawn Lapier while Les Craig and Jim Mustard produced closest to the hole shots. Many thanks to sponsor Dave MacDonald–Mad Mac's.

In ladies night action, on August 30 putting was the name of the game. Margo Anderson was the top winner, with just 11 putts in posting a 45 score. Karen Cooke and Mary Jean Craig tied for second spot with 13 puts, and Dorothy Culkin was next with 14. Additional prizes were awarded to Karen Cooke and Evonne Delegarde for their birdies and Betty Styles and Carole Brouse for their pars in D flight. The ladies highlighted their August 30 evening, when they presented a $600 cheque to the Canadian Cancer Society. The donation was a result of their "Caddy Night" played earlier in the summer.

It was poker night for the ladies Wednesday, August 23 with Betty Locke claiming the win with a flush.

A little twist was thrown into the Friday Night Fun Night on August 22, when all participants were made to putt with the backside of their drivers, any putt that was within one flag length of the hole. Taking the win was the team of Betty McDermid, Jacques Asselin, Shirley Belanger and Ben Mustard who shot a 36 for the winning low net of 34. The teams of Kent McDermid, Liz Asselin, Jim Mustard and Brad Windsor and Sid Morrell, Grace Patterson and Dorothy Culkin tied for second spot with 35 nets.

This Week at MGC

MORRISBURG–We begin this week's column with congratulations to Brenda Stitt, Charlie Moore both of whom tackled and conquered our par three second hole recently with holes in ones and Sharon Van Allen who aced the par three fifth hole last week.

Brenda counted her hole in one, which was her first, while on holidays. She was golfing with her son Robbie, when she made the shot which was witnessed by a number of coworkers at Beavers. Although she was on holidays, her witnesses made sure it was announced on the Beavers PA system. "It was exciting," says Brenda. "It was my first one, and I had a whole audience from Beavers."

Charlie also counted his ace on the second hole, but unlike Brenda, this is Charlie's fourth. He was golfing with Russell Cameron and Mike Laurin. Unfortunately, we do not know the details of Sharon's hole-in-one.

Also we congratulate Lance LePage who shot a 74 for the low gross at the men's Valley League played at Summer Heights in Cornwall, and Kevin Duvall who shot a 77 for the A low net at 67. In fact our A flight players, which in addition to LePage and Duvall, included Korey Casselman (79) and Nick Timmers (81) had the low total in A flight with a 311. Overall the team finished third, but won the team low net. Congratulations to all.

Ladies night action last week, August 30, was sponsored by Rohmax Canada and featured three or four person team scrambles. Thirty-seven was the magic number. The three person team of Carol Dawley, Paula Locke and Linda Barclay shot 37 for their win, and in four-person play two teams tied with 37s. They included: Judy Laurin, Lori Davies, Shannon Casselman and Peggy Kaddie; and Crystal Belanger, Lisa Froom, Darlene McMillan and Michele St. Pierre.

In ladies night action on August 23, sponsored by Herbal Magic, Brenda Stitt shot a 45 to win A flight. Carol Dawley won B with a 44, Elsie Guindon C with a 48 and Lise Steinburg D with a 56. Guindon won for sinking the longest putt on #15.

This past week's men's night action resulted in Don Mabo winning A flight with a 32. Lee Beaupre topped B flight with a 37 (retro) and Dave Van Moorsel won C (retro) with a 41. Closest to the pin winners were Roy Gummeson and Jeff Barclay. Net winners for the evening were Kevin Duvall (A), Lawrence Larocque (B), and Ken Rundle (C). Many thanks to the evening sponsor, Pinkus Tire and Battery in Williamsburg.

Men's night action Thursday, August 24 resulted in Mike Laurin winning A flight with a 35. Ray Baker posted a 35 for the win in B, and Jim Tuttle won C with a 38. Closest to the pin winners were Bill and Jeff Barclay.

On men's night on August 17, sponsored by Tony Abreu, Lance LePage won A flight with a 35, while Doug McNairn led B with a 37. A 39, shot by Phil Dillabough, took the win in C.

All members are reminded that we are quickly coming to the end of the 2006 scheduled club events. Coming up tonight (Wednesday, September 6) is the final ladies night and it will feature a gift exchange. Participants are asked to wrap a gift and take it along. The year-end ladies club event is this Saturday, September 9 and the men's finale is set for Saturday, September 16. The final men's Thursday evening play will be on Thursday September 14 and will be sponsored by Shorewood Packaging.

Iroquois Senior Girls #1 compete in Whitby

WHITBY – Sunday August 13, the Iroquois Senior Girls #1 team travelled to Whitby to participate in a Novice Select tournament where seven of the eight teams participating (except Iroquois) were "all star" players from house league teams in their respective areas, put together to play in tournaments over the summer.

Coach Teresa Veltkamp wanted to see how "her girls" would stack up against teams outside of the Upper Canada League.

Most of the girls on the other teams were 14 year olds, while all but two of Iroquois' players were 13.

The girls played three back to back games, with barely 20 minutes in between each game to "refresh and regroup".

The first game at 10 a.m. was against Whitby. Amy Veltkamp pitched seven innings, threw seven strikeouts in the 6-4 win.

Game two was at noon against Brantford. Kelsey Hall pitched six innings, and had one strikeout, in the 9-7 loss.

Game three against Courtice followed at 2 p.m., and the 20-11 win was a combined effort between pitchers Amy Veltkamp, Kelsey Hall and Taegan Mills. Veltkamp pitched three innings and threw five strikeouts, Hall pitched one inning and threw one strikeout, and Taegan Mills pitched one inning.

Division play ended with a three way tie for first place, each team with two wins and a loss. Runs for and against sent Brantford to the championship game and Iroquois to the B final against Barrie.

The game was tied 4-4 after the second inning, but the girls just ran out gas and the Barrie team capitalized taking advantage of walks and then some timely hits to come out ahead with a 24-7 win to take the B championship.

The coaches said, the girls played extremely well during round robin play, and gave their best in the B final. Our small town team did quite well against the big city teams. Some areas, like Brampton had 15 teams to pick their all star players from. All of the teams had excellent pitching, with a lot of depth, so it was a good challenge for the girls at the plate.

The team appreciates the support of Jacques Asselin Realestate, Swank Construction, and KBD Transport, for their generous donations.

Small Town Team Competes at Big City Tournament

The Iroquois Senior Girls Team #1 put forth an impressive effort to finish tied for first in their division and played in the B final at an all star tournament in Whitby earlier this month. Pictured above are the team members. Front left to right are Taegan Mills, Danyelle Tessier and Kelsey Hall. Middle row, left to right, are Kailyn Bowman, Lacey McCaslin, Samantha Wilson and Carley Lawlor. Back left to right are Coach Teresa Veltkamp, Laura Casselman, Kristina Swank, Amy Veltkamp, Sarah Casselman and Roseanne Casselman. ***Photo contributed***

2006 Senior Ladies Champion

The ladies section of the Morrisburg Golf Club that plays weekly throughout the summer on Monday mornings, hosted the annual Senior Ladies Club Championship on Monday, August 28. Pictured above are the 18 hole winners, Monique Patenaude (left) and Charlene Baker (right) as they accept the championship silverware from program convener Barb Allard. Patenaude shot a 91 to win the Senior Ladies low gross championship, and Baker posted a 97 for the Net Championship Award with a 69. Below, Alice McNairn, (right) accepts the championship nine hole plaque from Allard. McNairn shot a 57 for the nine hole gross win, and Sheila Cruickshank won the net championship shooting a 61 for a 39 net.

Photos contributed

Back to nature

IRENA – Lots and lots of mourning doves have been reported this week by local bird watcher Sheila Scarbo.

She has seen them eating spilled corn along the roadway, and along the wires. "There's lots of them everywhere," she says.

The small pine cones on a neighbour's tree have attracted three goldfinches and two chickadees, all of which have been making a meal of them.

The very top of a California Maple is where Scarbo spotted a flicker this week.

Driving between Iroquois and Morrisburg, Scarbo spotted a very large hawk, which she suspects is a rough-legged hawk sitting along the wire. That particular hawk sits on that particular wire quite often.

Scarbo also reports that the golden rod, along area roadways, is now in full bloom.

SOCIAL SUPPORT SERVICES
Child Care Division
City of Cornwall
Stormont, Dundas & Glengarry

Funds Available to help reduce
Child Poverty and Adult Unemployment

The consolidated Municipal Service Manager has funding available in the National Child Benefit Reinvestment program to serve the City of Cornwall and the United Counties of Stormont, Dundas, and Glengarry.

Requests for proposals are now being received. This program is intended to help reduce child poverty, to support initiatives reintroducing adults to the workforce, and to address gaps in services currently supporting low income families. Information packages are available in any of the Social Support Services offices located at:

111 Water Street, Suite, 103, Cornwall
17-B Industrial Dr., Chesterville
Speedy Transport Building, 3525 Hwy. #34, South Alexandria

Proposals are to be submitted to: Social Support Services, Child Care Division, P.O. Box 877, Cornwall, Ontario K6H 5T9.

All proposals will be evaluated by the NCBR Advisory Committee.

The deadline for submissions is October 13th, 2006.

CARD OF THANKS

THANK YOU–We, Fred and Kim, wish to thank our families, friends and co-workers for their love and support during the loss of our special "Pop" Stephan Furster - To know his smile is to know love. The flowers, food and donations sure do help heal when caring people are there for you. Even though our service was in Kingston, our old pal David Lapier helped us out. The special flower arrangement made by Jamie was absolutely beautiful with airplanes and all. The saying, "You can pick your friends but you can't pick your family," well, we lucked out in both. The Furster family in Kingston send their thanks also and God bless.
–Love, luck, laughter. Fred Furster and Kim Campbell 36p

DEATHS

FURSTER, Stephanus Frederik Willem "Stephan"–Born August 7, 1922, in Zeist, the Netherlands. Peacefully at St. Mary's of the Lake Hospital, with family by his side, on Monday, August 28, 2006, in his 85th year. Beloved husband for 61 years of Henny. Managing to evade capture in Nazi occupied Holland, Stephan obtained his degree as a Fight Engineer by attending school at night. His desire was to become a test pilot, but decided instead to pursue a career as an Aeronautical Engineer after marrying Hendrika Alida Aaldriks (Henny) in 1945. After the war, Stephan worked for the Dutch Department of Transport both in Holland and in Indonesia until 1955. In 1956, he immigrated to Montreal with his family to work as a Flight Test Instrumentation Engineer for Canadair Ltd. The next 22 years, he was a senior project engineer designing flight test instrumentation for a variety of civil and military aircraft. During this time, he also travelled the globe extensively sharing his research and giving symposia. For a time, he was on loan to design and install instruments to test the safety of the CN Turbo Train. In 1977, Stephan was transferred with his family to Kingston where he worked on the Light Rapid Transit System (LRT) now in use in some Canadian and American cities. After retiring, he worked part time as a consultant until 1989. Seldom discussing his work, he was first and foremost a devoted husband and father. Besides his modest and retiring nature, he also had an avid love of horses and riding. Stephan was an associate member of the Royal Aeronautical Society (UK) and a senior member of the Instrument Society of America. His further education included attendance at the Institute of Engineering Technology, London, UK, and post graduate courses in propulsion at McGill University, Montreal. Loving father of Martine (Jim) Bodkin of England, Frederik (Kim) of Morrisburg, Stephen of Kingston and Victor (Karen) of Mississauga. Cherished granddad of Daniel, Laura, Justine. In keeping with his wishes a private family service was held. Cremation at Glenhaven Memorial Gardens. For those wishing memorial donations may be made to the Heart and Stroke Foundation. The family wishes to thank the doctors and staff at the Kingston General Hospital, St. Mary's of the Lake Hospital, paramedics of the Kingston Ambulance Service, for all their dedicated support and care. In the care of Gordon F. Tompkins Funeral Homes, Township Chapel, 613-546-5150. You are invited to sign the Book of Condolence at www.gftompkins-township.ca 36c

IROQUOIS LEGION NEWSLETTER

Royal Canadian Legion

Branch #370

IROQUOIS – Labour Day weekend is over, the children are back in school and most activities at the Legion are back in gear again.

The Cribbage league will resume this coming Saturday in the Branch lounge at one p.m. sharp. All are welcome. You do not have to belong to our Legion or any other Legion to join in. Both men and women are welcome.

I failed to get the results of last week's euchre, but I should have information next week.

Duplicate bridge will be resuming also.

The Pot of Gold winner was Wayne Bellinger, who was not signed in. The Pot is beginning to look quite good. The Friday meal will be Swiss steak and vegetables, with mashed potatoes. Dessert is pie and ice cream.

Our Bursary chairman, Comrade Geoff Wilson, has asked me to mention that the Ontario Provincial Bursury forms are now available, and can be picked up at the Branch during normal working hours.

Iroquois Mixed Darts League has registration nights on September 8 and 15. The first night of regular play will be September 22. All players are welcome, but the age of majority is required. Information about the Men's League start up should be available next week.

It's that time of year again for renewing your Legion membership. The early bird campaign is in gear now. Why not pay dues now? Perhaps you can get your money returned if your name is picked when we have our two draws.

Our 13th annual Legion Week Mixed Golf Tournament, a scramble, will be held on Saturday, September 16, at the Iroquois Golf Club. For more information, call 613-652-4516.

The annual Christmas Craft Show and Sale will be at our Legion on Saturday, November 5, from nine a.m. until three p.m.

The *Revivals* will be at our Legion on September 30. This is a very popular band. If you like 50's and 60's music, with a little country thrown in, you'll like them. A light lunch will also be provided.

Ambush returns on Friday, October 13. Get your tickets early since previous shows have been sellouts.

Congratulations to Caitlin Van Dodewaard, granddaughter of Ron and Leona McIntosh, and the Van Dodewaards of Iroquois. She has been competing in discus at the Royal Canadian Legion's Track and Field championship in Burnaby, British Columbia. She came away from that meet with a gold medal. We wish her luck in her future endeavours.

Our birthday bash on Saturday will be for everyone celebrating in the months of August and September. We will also be celebrating the patio build by Lyle and his volunteers. There will be a Barbecue, with music provided by Dave Farmer. Come out and enjoy.

Thank You!

The Scott Van't Foort Memorial School Group would like to extend their thanks and gratitude to all those who participated in the Scott Van't Foort Memorial School Golf Tournament and Dinner, August 27, 2006. We would especially like to thank the Van't Foorts, the Leader, the Chieftain, the Press, and those who made personal donations, as well as the following generous sponsors: Bank of Montreal, Brinston General Store, Brister Group, Canadian Tire, Classic Cuts, Craig Packaging, Frank Ault Excavating, Giant Tiger, Gilmer Pharmacy, H&I Country Supply, Home Hardware, Howie's, Iroquois Golf Club, Janeen Wagemans - Frazzled Design, Karen Marshall - Something Unique, M&M Meat Shops, McInnis, MacEwen, Horner & Pietersma, McIntosh Country Inn, Mike's Valu-Mart, Mustard's Variety, Nancy Blokland, Pier 31, Plante Farm Equipment, S&F Foodland, Seaway Valley Pharmacy, SportsFix, Upper Canada Golf Course, and Upper Canada Playhouse.
Our Community has raised $2,200 for this ongoing project.
