This week

Number one

Dundas County 4-H Club member Mike Farlinger scored number one in the county for club work and citizenship this year, and was one of many 4-Hers honored at the annual Dundas banquet and awards night.

B-2

Ball control

Kerry Lynn Thompson poured in 23 points leading North Dundas District High School's Junior Devils to an undefeated season in a 54-2 triumph over Char-Lan Crusaders last Friday. The win made it 10 in a row for the Juniors.

7

Scribe in training

North Dundas District High School student Danielle Gryspeerdt was one of many who took part in Career Week activities this year. The students got a first-hand look at a variety of potential occupations as they "shadowed" practioners of the career of their choice for a full day. Danielle shares her impressions of a day at the Winchester Press this week, along with the results of an interview with North Dundas student council leader Julie Lamb.

Donors wanted

Winchester District Memorial Hospital hopes to collect a total of 250 units of blood at a blood donor clinic to be held from 2pm to 8pm Wed., Nov. 27 at the hospital.

Area MPPs endorse Grossman win

TORONTO — Two area Conservative MPPs believe the party chose the right man in former treasurer Larry Grossman last Saturday in Toronto, and expect their new leader will forge the way for a return of the Tories to power.

Grossman edged former agriculture minister Dennis Timbrell by 19 votes at the leadership convention and takes over the party reins from Frank Miller on Monday.

Both Stormont, Dundas and Glengarry MPP Noble Villeneuve and Carleton-Grenville MPP Norm Sterling supported Grossman in his second bid for the leadership and state that he has shown in the days since the convention that he can unify the party and lead effective opposition.

"I'm as happy as one can be in opposition," said Villeneuve. "There was a lot less blue blood on the floor this time," he said reflecting on the leadership convention last January where Miller won over Grossman by a slim margin, leaving the party divided.

He said the fight for delegate votes in January divided the party and "that wasn't apparent this time".

"If there is any division this time, I miss it. I guess I'm not talking to the right people. There was a dance on Saturday after the convention and there were people there wearing different pins and everybody was happy. If that's division, I can take it."

Both Villeneuve and Sterling backed Timbrell in January but turned to Grossman last weekend. Sterling said he had difficulty switching support — "my decision wasn't 10-1 for Mr. Grossman, but closer to 5-4" — though he is now sure the right choice was made.

"(Grossman) is already showing signs of the reasons I supported him," said Sterling. "He has the ability to organize the caucus in a unified fashion and to focus our attention on certain issues.

"I think you'll see in a couple of weeks we (the Tories) will begin to take a higher profile and the press will stop defending everything the Liberals do."

Sterling, who hinted during the summer he might run for the leadership himself, concurred that the party was not hurt by the close vote. As former head of the agriculture ministry, Timbrell had much support at the grass roots level, including solid support from Eastern Ontario, but Sterling feels he shouldered the loss well and should play a key role in the Ontario PC's future.

"Losing (848-829) has got to hurt, there's no question. But if the speeches afterward are any indication both (Alan Pope and Timbrell) showed a lot of class. I hope both of them stay," said Sterling.

With a new leader touted as a team man, the question on Tory lips is when the party strength will rise to the point where a provincial election could be won. Following the May 2 election the David Peterson-led Liberals signed an entente with the New Democratic Party, outlining a minority government system intended to last two years.

Villeneuve admits the Conservatives "don't have a say" in setting an election date but Sterling considers next spring a possibility. "We have no place to go but up," said Sterling. "I still think spring is a possibility but it depends on how much strength we gain. If we get really strong Peterson might back off (calling an early election).

"Actually, I hope we have more time to regroup and collect some money. Our workers are tired and we're not in a hurry."

While an estimated 50 per cent of Eastern Ontario delegates stuck with Timbrell through the last vote, the local MPPs believe Grossman will provide a good ear for the rural community.

Villeneuve said Grossman is "quite prepared" to listen to the concerns of farmers. Villeneuve acted as one of three advisors on agriculture to Grossman through the campaign and found him an "exceptionally good listener".

Sterling said many Eastern Ontario voters "felt an obligation" to support Timbrell because of the time he has spent here, but he feels Grossman will serve the rural needs well, citing that former agriculture ministers Ross Stevenson and Phil Andrewes both supported Grossman.

Hydro rates to rise 4.4% as of Jan. 1

WINCHESTER — Ontario Hydro is recommending a 4.4 per cent average rate increase for Winchester electricity users to take effect Jan. 1, 1986.

Dan Roberts, customer service supervisor at Hydro's Bellville regional office, told council at a regular meeting Monday night the proposed increase would put the village utility in a healthier financial position.

"With the rate increase your financial position improves marginally," Roberts said. "You are in just a bit of a catch-up mode at the present time." According to Winchester Hydro office manager Vince Lynch, the increase in Winchester will be below average increases across the province.

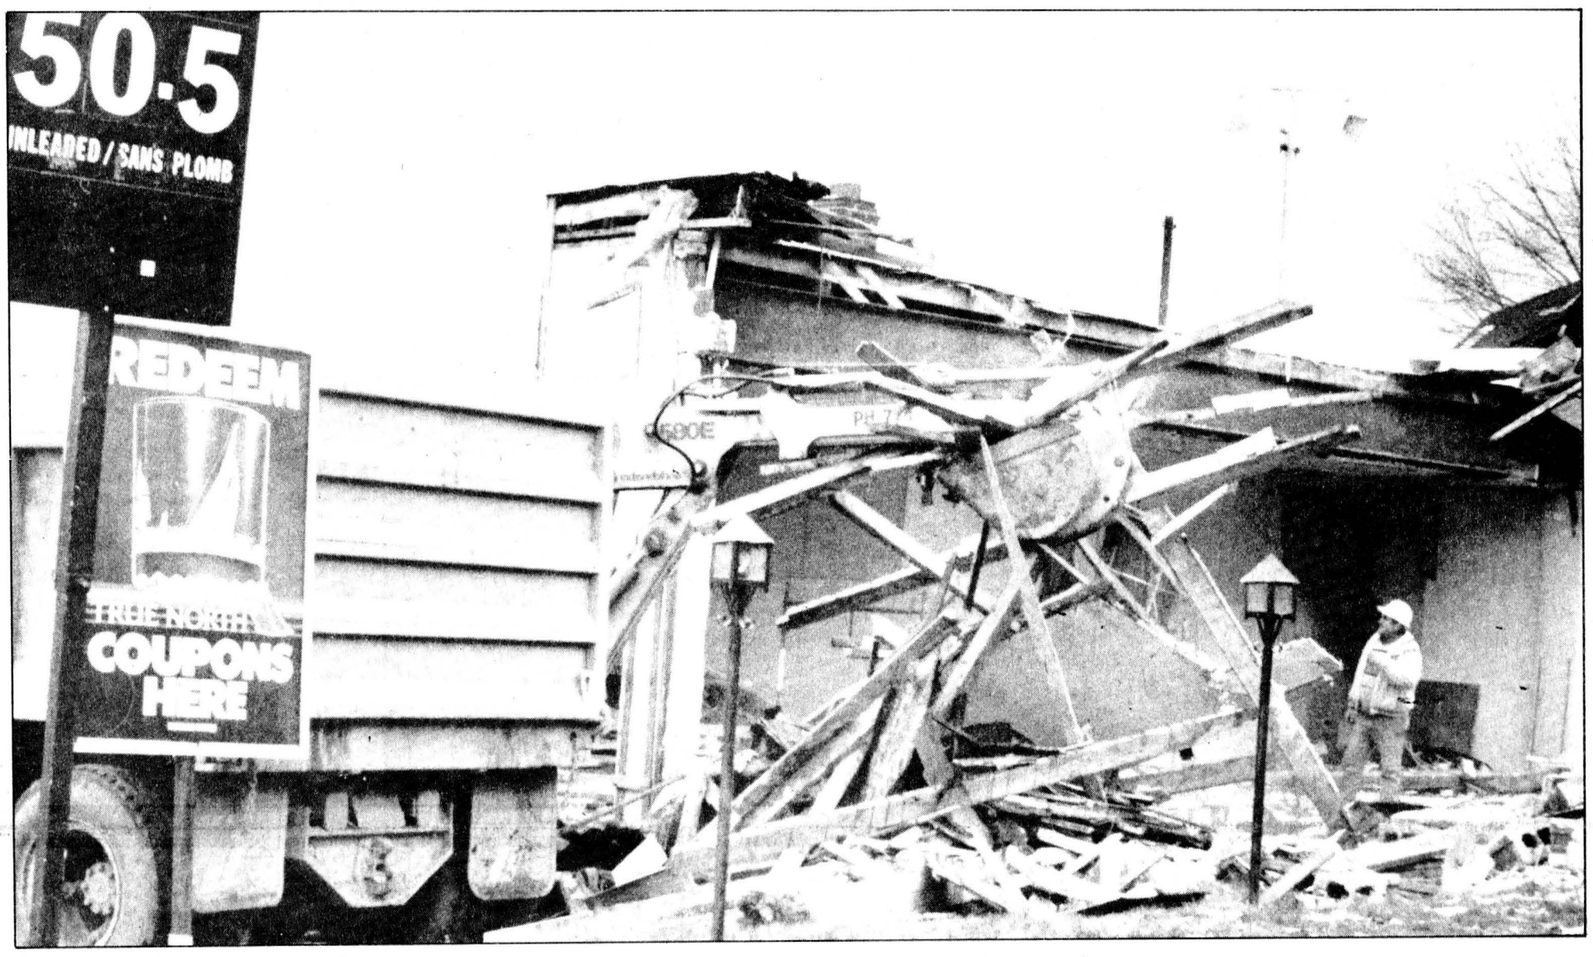
"Our system is still relatively cheap compared to a lot of others", said reeve Larry Gray. The utility approved a rate increase of 8.6 per cent from 1984 to 1985.

Hydro supplies power to the village which in turn sells it to the individual customers. Winchester council members act as the Hydro commissioners for the village.

Under the new rate structure, a typical residential customer using 1,000 kilowatt hours per month will see his Hydro bill rise to $52.13 from $49.50 per month. According to Roberts, this typical example is based on a non-electrically heated home.

Last year, the Winchester utility initiated the process of purchasing from Hydro the Dufferin Street Distribution Station. The utility will own the station at the end of five years. The purchase of the station will have no effect on this year's rate increase, Roberts said.

The new rates are subject to formal approval by Ontario Hydro.



Making way for the new

Construction crews began clearing the way for a new Winchester Becker's store last week as they demolished an unused portion of the old Becker's building. The new facility, being constructed behind the present one, will open up twice as much parking space, and will have a total area of 2,100 square feet.

Funding talks not over: Poirier

TORONTO — The Ontario government is prepared to handle Prescott-Russell as a unique case in considering the future of minority-language governance for the province's school boards, says Prescott-Russell MPP Jean Poirier.

Poirier said he wants to reassure the parents and students of his riding that platforms for discussion are still available on minority language governance and Bill 30, the government's proposed legislation to extend full funding to Roman Catholic secondary schools.

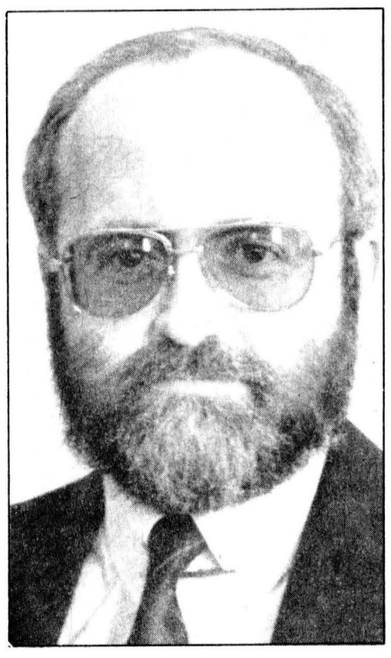
"I had 300 angry high school students come up to my office in Hawkesbury, and they were absolutely livid," Poirier said. Students from Hawkesbury and District High School marched to Poirier's Hawkesbury office Nov. 1 to voice opposition to the possibility of their bilingual school being turned into a unilingual French school. The three high schools in Plantagenet, Vankleek Hill and Hawkesbury are bilingual.

Students at Vankleek Hill Collegiate Institute walked out of class over the possibility of a homogenous French board being created, while a delegation from Prescott-Russell took part in a demonstration against Bill 30 at Queen's Park Nov. 2.

"People were reacting very, very strongly to something that's not even proclaimed yet," Poirier said. "It's not a fait accompli." He said students taking part in the protest at his office seemed to be unsure of exactly what they were objecting to. "It was a mixture of anti-Bill 30 and anti-French governance," he said.

Poirier said the Ministry of Education is prepared to look at Prescott-Russell as a separate case. The riding has an unusually high proportion of francophone residents. In a written statement issued last week, Poirier said the government's minority language governance legislation, to be introduced later this year, "will provide a wide range of governance options that are sensitive to local situations.

"The bills are being offered to the population for them to take if they want to," Poirier said. "It's not going to be imposed by the government."



MPP Jean Poirier

In July, education minister Sean Conway said he would consider the creation of a homogeneous francophone school board, but for the Ottawa-Carleton Region only. The proposal is still under consideration. Any change to the structure of school boards requires provincial government approval.

Poirier added that the Prescott-Russell county separate board's plans for extended funding under Bill 30 were not approved for 1985-86, based on the recommendation of the province's planning and implementation commission.

The provincial government is very concerned about the quality of education in public schools, Poirier said, "We want to help we don't want to oppose it.

"I want people to participate, but let's do this in a constructive fashion."

Cable TV could be here in '86

OTTAWA — As residents of Winchester and several outlying towns prepare for another winter with few entertainment options, they should take some comfort knowing that their televisions could be brimming with action next year at this time.

A decision from the Canadian Radio-Television and Telecommunications Commission office is expected early next year, which could spell the beginning of a 15-channel TV bonanza for Winchester and Chesterville, and 16 channels for Morrisburg.

Two cable systems companies applied to the CRTC earlier this year for licences to service at least 12 towns in Eastern Ontario. The hearings began Tuesday in Hull and Jeff Atkins of the CRTC said the decision would come in "several weeks."

The two companies involved, Ottawa Cablevision Limited and 01 Rural Cablesystems Inc. of Mississauga, answered a call to continue with a cable system through the rural region after a Perth-based company had its licence revoked. Trillium Cables Communications Ltd, had been awarded licences to several Eastern Ontario sites, but failed to follow through and had its licences taken back.

The companies are presenting their cases this week in Hull where cost of the project, quality of service, company track records, financing and "every conceivable thing" will be considered in the awarding of licences, said Atkins, CRTC information officer.

Ottawa Cablevision applied to service 12 areas in all, including Cardinal, Iroquois, Athens and Merrickville. Atkins said the Mississauga company has applied to install cable at 25 different sites.

The package of channels offered by Ottawa Cablevision would cost subscribers $45 for installation and $16.95 a month thereafter. If awarded the licences the company would likely hold a subscription drive initially and cancel the installation fees, said Keith Walsh, vice-president of development.

The Mississauga company would offer a similar package, with monthly rates beginning at $19.95 a month.

Channels available to subscribers would include the American staples ABC, CBS, NBC and PBS, as well as The Sports Network and MuchMusic. TV Ontario and the House of Commons channel would also be included.

Chesterville and Winchester would receive the same channels, but Morrisburg residents will trade Global for two independent Canadian channels, based in Hamilton and Edmonton. In its application, Ottawa Cablevision states that while reception for Global would be improved in the Winchester and Chesterville areas, costs would be too great to offer it in Morrisburg.

In its place, CHCH Hamilton and CITV Edmonton would be offered.

From experience with systems offered from Ottawa to Chalk River, the Ottawa-based company expects subscriptions will amount to 60 per cent of the available market after the first year, and rise to 72 per cent after five years. Estimates don't show a profit from the new areas until the third year of service.

Of the 2,000 residents reported in Winchester, 799 are expected to install cable. The eight sites in the immediate area scheduled for servicing hold a population of 11,325, and the company hopes to have 4,976 under subscription after five years.

Walsh said the company decided to offer subscribers the Pay-TVchannels Much Music and TSN to "fatten up the product." If all goes well viewers could have First Choice, a 24-hour movie channel, included. "A reasonable subscription base" would be the determining factor, said Walsh, "But we're definately interested."

To set up the system in all the areas would cost the company $1.5 million in the first year and an additional $150,000 for the next four years. Current estimates for the installation of cable run at $8,457 a mile.

Walsh said Ottawa Cablevision is confident it will be awarded the licences and is proceeding on a schedule that would see the system in place by Labor Day 1986.

Group to study fate of Russell school

RUSSELL — A committee made up of teachers, parents and school trustees is meeting tonight (Wednesday) at St. Joseph school in Russell to initiate a study process that will decide the fate of the French elementary school.

The meeting, closed to the public, is the first following the formation of the committee which has been charged with reporting back to the Prescott-Russell Separate School Board with recommendations by the end of February 1986.

Board director Jean Paul Scott said the 15-member committee will spend the next three months studying the status of the school and expects any recommendations accepted by the board could be in place by the next school year, 1986-87.

The decision to study the St. Joseph school situation came in early October when an information session was held at the request of a group of parents in Russell who are concerned that Fench culture is being diluted at the school.

The group, headed by Jocelyne Seguin and Vincent Marquis, presented to the board in September a petition of 200 names, asking that the number of anglophones admitted to the school be restricted to "preserve our culture and transmit it to our children."

The 300-student school is officially French, but the concerned parents argued that the number of anglophones admitted had increased steadily over the years, putting the francophone children in a predominately English environment.

In a report submitted to the board the parents stated that francophones in lower grades are forced to wait on their English school mates, who don't have a strong enough background to follow the French program.

The meeting in October gave a panel of board members an opportunity to hear the concerns and decide what should be done. They met privately a week later and opted to set up the committee to study the situation further, and offer recommendations for the school's future.

Currently, francophone students make up 20 per cent of the school population, and one of the committee's projects will be to estimate what number of French and English students can be expected to enrol at the school in the next few years.

The meeting tonight will outline exactly what studies the committee plans to take up, but discussions to date indicate that population patterns and the school environment's impact on culture will be among them.

Four school trustees, two supervisors, St. Joseph principal Reynald Lapointe and three teachers will be on the committee, along with the chairman from the franco-Ontarian association and the Prescott-Russell PTA. Roger Pharand, Marquis and Seguin will be representing the parents.

Scott said the committee hopes to have the report in early next year, but the date of implementation of any changes will depend on the complexity of the recommendations.

Thieves nabbed in luxury

CHESTERVILLE — A pair of thieves from Ottawa who robbed the United Co-Op in Chesterville Monday night and stole a Lincoln Continental when their getaway truck broke down were arrested early Tuesday by Gloucester police as they cruised back to the city.

Two youths, who can't be identified, were charged with break, enter and theft, and will soon face charges of car theft. They will appear in Winchester court Fri., Dec. 13.

Winchester OPP Sgt. Bob Lyon said the break-in at the Co-Op was reported at 11:35pm Monday where it was discovered that three snowblowers, three chain saws and a safe were missing. Lyon said the thieves had cut a chain-link fence to get at a back door.

The pair were likely on their way back to Ottawa when they stopped at the park area just south of Vernon, said Lyon.

When they attempted to resume their trip the truck wouldn't start so, after hiding the merchandise nearby, they walked into Vernon where they stole the Continental.

Abandoning the hardware, valued at $5,000, they drove toward Ottawa where they were picked up by Gloucester police who sensed something amiss with the youths in a luxury car.

The youths have been charged with break, enter and theft by Winchester OPP and car theft charges from Manotick OPP are pending.

Choice of dump sites irks Osgoode residents

METCALFE — About 500 Osgoode Township residents filled the community centre here last Wed., Nov. 13 to voice opposition to the selection of two sites within the township as potential locations for a regional landfill site.

The Ottawa-Carleton Region initiated plans in December 1984, in conjunction with the Ministry of the Environment, to find new sites for waste disposal as its landfill facility in Nepean approached its capacity.

Consultants with MacLaren Engineers, a firm hired by the region, have suggested two sites in Osgoode Township as possible areas for landfill, along with 10 other potential sites throughout the region.

According to John Hartman, president of the Metcalfe and District Citizens' Association, residents are objecting strongly to the choice of a site at the intersection of Regional Road 6 and Concession No. 6 in the centre of the township, "because it's only a mile away from the new township care centre". The site is also close to the location chosen for a proposed township French immersion centre, and the Middle Castor River flows through a portion of the site, making water pollution a concern.

Hartman said that although the makeup of the WastePlan task force — which lacks rural representation — was criticized, "most of the comments were aimed at the choice of dump sites".

Although many of those who attended the public meeting criticized what they felt was a lack of planning in selecting the 12 proposed dump sites, meeting chairman Marianne Wilkinson, former Kanata mayor and head of the WastePlan task force, said more information will be available when the number of sites is reduced to two in January.

Hartman said the Metcalfe citizens' group is asking Osgoode Township council to endorse a brief they plan to present to the task force Tues., Nov. 26.

Krisjanis inquest planned

WINCHESTER — An inquest has been ordered by Chesterville coroner Dr. Gabriel Slowey to investigate circumstances surrounding the death of David Charles Krisjanis, killed in a car crash south of Chesterville on Sept. 7.

The public inquest will be held Thurs., Dec. 12 at North Dundas District High School.

The investigation was ordered following the crash involving two carloads of school friends that left the 16-year-old Morewood youth dead and six injured.

The youths were returning from Morrisburg in the early hours of the morning when they missed a T-intersection at county roads 7 and 8 due to dense fog. The Krisjanis vehicle crashed into a bulldozer and the second car managed to avoid heavy impact.

Winchester OPP Sgt. Bob Lyon said everyone involved with the accident, including victims, police and the pathologist, will be called on at the inquest. He said the coroner's jury of five members will likely then make recommendations in an attempt to avoid a repeat of the tragedy.

Cameron art featured

WINCHESTER — Self-taught Spencerville artist Thelma Cameron will be displaying her paintings at the municipal building here Dec. 3-7.

Up to 40 paintings will be represented in the one-person show. "There will be a lot of originals, and there will be a lot of canvas deluxe prints, which look very much like originals," Cameron said.

A native of Cornwall, Cameron has been selling her oil paintings for the past 10 years from the Crystal Rock Art Room at her RR5 Spencerville farmhouse.

Local landmarks and scenery provide the inspiration for most of Cameron's works.

To the electors of the Township of Winchester

Please accept my sincere vote of thanks for your generous support at the polls on Nov. 12.

I accept your confidence in me, and will try to prove over the next three years that it is well placed.

We all hope to have a better community as a result of the new council's efforts.

Thanks again,
Jack Durant

Catherine (Cassie) Edgerton

Catherine (Cassie) Edgerton, a resident of 22 Mary St., Chesterville for eight and a half years, died at her home Sun., Nov. 10. She was 73.

A resident of RR3 Chesterville for about 25 years, Mrs. Edgerton was born Jan. 9, 1912 in Finch Township, a daughter of Peter Droppo and Sarah Joynt. She ws predeceased by her husband, the late Floyd H. Edgerton, on May 7, 1982.

Mrs. Edgerton is survived by son Dwayne Edgerton and his wife Jean of Nepean, sister Thressa Brady of Smiths Falls and grandchildren Sara-Lyn, Michael and Jeffrey.

She was predeceased by brothers Alex, Allan and Hosea and sister Asenath and by an infant daughter.

Mrs. Edgerton was a member of Signet Chapter No. 272, Order of the Eastern Star, Finch. The lodge held a memorial service Mon., Nov. 11 at 8pm. She was also a member of Trinity United Church and the United Church Women.

Funeral services were conducted by Rev. L.M. Ferguson at Vice and Craig Funeral Home in Chesterville at 1:30pm Wed., Nov. 13.

Pallbearers were Earl Johnston, Malcolm Moffat, Glen Droppo, Gary Dean, Ron Droppo, Garnet Edgerton and Harold Marcellus.

Interment was at Maple Ridge Cemetery.

Laura A. Hill

On Nov. 11, Laura A. Hill died at the age of 81. She was a daughter of the late William Hill and Katherine Helmer.

Miss Hill was a dedicated school teacher for many years and later a medical secretary. She was a long-time member of the Baptist Church in Kenmore, serving in various capacities.

She is survived by two sisters, Gladys MacDonald, of Winchester, Edith Poapst, Manotick and two brothers, Willis of Vernon and Rev. Clifford Hill of Hamilton, also by 12 nieces and nephews and many grand nieces and nephews.

The funeral was conducted by Rev. G. Cawfied. Pallbearers were William and Gordon Hill, Jim Hill, Carson and David Hill and Kenneth Little.

Interment was in Springhill Cemetery.

Mabel Latimer

Winchester resident Mabel Latimer, formerly of Metcalfe, died in hospital Thurs., Nov. 7. She was in her 89th year.

Predeceased by her husband George Alexander Latimer, the former Mabel Comrie is survived by daughter Isabel (Mrs. Rolland Barrigar) of Manotick and grandchildren Blake and Heather.

She was predeceased by sisters Ida Cowan, Letta Acres and Fern Allen and brother Wallace Comrie.

Funeral services were conducted by Rev. Dobson at the Duncan Funeral Home Sat., Nov. 9 at 3pm.

Pallbearers were nephews Bryson Comrie, Clifford Cowan, Keith Acres and Lloyd Cowan.

Interment was at All Saints Anglican Cemetery, Greely.

Ersol Charles Murdoch

Funeral services were held Fri., Nov. 15 for Ersol "Ers" Murdoch who died in Toronto on Nov. 12 at age 72.

Mr. Murdoch was a South Mountain native who worked for the Brewers' Retail equipment division serving the Ottawa, Kingston and Perth areas before he retired in 1977.

He was the son of the late Charles Elmer Murdoch and the late former Georgina Shaver.

He had been a patient at the Sunnybrook Medical Centre in Toronto for seven weeks before his death and had been in poor health for the past several years.

Mr. Murdoch was a member of St. John's United Church in Brockville, the country club, the old curling club and the lawn bowling league. He was also a past member of the Lions Club.

He is survived by his wife, the former Bessie Douglas and three sisters, Mrs. Muriel Cummings and Mrs. Eileen Holmes, both of Winchester, and Mrs. Bebe Gurnett of Lindsay. He is also survived by several nieces and nephews.

Friends were received at the Johnston and Barclay Funeral Home in Brockville, with funeral services conducted by Rev. Ron Pierce on Nov. 15 at the chapel.

Interment was at Roselawn Memorial Gardens in Maitland.

Pallbearers were John Conley, Ralph Murdoch, Ed Graham, Frank Shaver, Harvey Phillips and Don Colquhoun.

Generous donation

Members of Vernon Gay 90's Club have conducted their own mini-campaign raising money to assist the Township of Osgoode Care Centre fundraising drive. At last week's annual Care Centre board meeting Jessie Boyd (centre), representing the board, happily accepted a $5,000 cheque from Daisy Robinson (left) and Jennie Dow.

Heart, Stroke members attend three workshops

WINCHESTER — Four members of the Dundas County Heart and Stroke Foundation have attended conferences and workshops in Kingston and Toronto during the past three months.

Dawn Erickson of Winchester attended the public education conference in Toronto in early September.

Marion Johnston and Ivy Coleman of Mountain were able to attend a workshop in Kingston on Sat., Oct. 5, on special fund raising events.

Barbara Black of South Mountain attended the annual meeting for volunteers at the Prince Hotel in Toronto on Nov. 3-5.

Happy Birthday Dear!

Thank you

I would like to thank the people of Winchester for their support on Nov. 12.

Julie Lamb is not 'just the girl next door'

Slow down, please

North Dundas Grade 13 student Danielle Gryspeerdt (left) got a taste of the newspaper life last week when she visited the Winchester Press as part of Career Week at the high school. The Press staff wasted no time in putting her to work, assigning her to interview fellow student Julie Lamb, president of the school's student council. With no shorthand skills, Danielle quickly contracted "interview elbow". Press Photo—Mitchell

by Danielle Gryspeerdt

MOUNTAIN — A typical teen Julie Lamb is not. While others' main concerns are weekend dates and passing grades, we find Julie preparing surveys on teenage alcoholism, sending countless letters of introduction of meetings, and attending numerous conferences in Toronto.

A Grade 13 student and president of NDDHS student council, Julie is also a member of the Ontario Secondary School Student's Association (OSSSA). This organization, made up almost entirely of student representatives, bring schools in Ontario together to exchange ideas and "build leadership skills in students".

Julie is the first member of North Dundas ever to be elected to OSSSA. She accomplished this honor by winning an election at a five-day Ontario Leadership camp held in September. Upon hearing about OSSSA, Julie's interest was instantly sparked. "It appealed to me. We were allowed to do everything — plan our own conferences, plan our own committee — it was a challenge."

Her challenge was met head on as Julie, representing a vast region from Cornwall to Napanee (26 schools), now eagerly prepares for her second venture to Toronto to meet with her fellow cabinet members.

There are 12 regional presidents across Ontario, all high school students, who will be attending the conference at Mowat Block, Queen's Park, Toronto. On the agenda, items for discussion involve such relevant topics as the teacher strike issue and SADD (Students Against Drunk Driving).

In addition to these meetings in Toronto, Julie also meets with her regional council every three weeks "to exchange ideas." Each meeting revolves around a specific theme — for a conference being held in Kingston March 22 to 23 the selected theme is SWAP (Students With A Purpose).

A main concern of the student council committee in conjuction with student council is an item which sparks many heated discussions: The board's new policy eliminating students' option not to write final examinations if they attain a mark above 60 per cent during the second term.

This issue creates a clash of views between the board members on one side and the students and parents on the other. Should student recommendations be eliminated? Will that destroy the incentive in students to be exempted from June exams? A meeting, open to the entire parent community, is being held at North Dundas High School Wed., Nov. 20 at 7pm to discuss these, and other, questions. As student council president, Julie said she "hopes for a good turnout of parents and students."

This is the year for youth involvement, and Julie Lamb continues to do her share.

Crash course as a reporter for Danielle

by Danielle Gryspeerdt

WINCHESTER — What's it like to be a reporter?

Thurs., Nov. 14 was my chance to find out as I shadowed Chris Must, the editor of the Winchester Press, for the day as an activity in conjunction with Career Week (Nov. 11-15). I approached the day with mixed feelings of uncertainty and nervousness, but the staff was quick to put me at ease. So, I relaxed and enjoyed!

The first step of the day, a tour of the building and its facilities, introduced me to staff members as well as intricate processes of running a newspaper. Although explanations of type setting techniques and layout plans left me feeling a bit bewildered, the demonstrations on developing pictures in the dark room were most intriguing and I managed to grasp a basic understanding.

Then, upon hearing of a potential news item happening just next door, I shadowed Chris as he rushed out to get some shots of the scene. The demolishing of a building — that's news, and just next door to the press office — that's a break!

Was I put to work? You bet. The best way to get a feeling for journalism is to try it! My first task — arranging an interview and gathering ideas for a feature article. My subject, the regional president of the Ontario Secondary School Students Association (OSSSA), Julie Lamb, who incidently, is a fellow classmate as well as a good friend of mine. My first interview — incredible!

Upon scheduling the time and place for the meeting, I asked advice from Chris on relevant questioning and quoting. Feeling ready to tackle the challenge, I looked forward to the interview with growing anticipation. My shadow slipped away from Chris and attached to Mark Mitchell, a photographer and journalist for the Press. Then, I received an official Press pad and pen, and we were off!

Arriving at Julie's home, we quickly engaged in candid small talk and arranged ourselves for the interview. My notebook handy and my pen poised, I asked away. Chris' advice, "Remember, be objective," echoed in my ears as I wrote frantically to keep up with Julie's rush of information.

After exhausting her with my questions, I reviewed my notes and was astounded at the abundance of information. We spoke for a moment or two about typical teenager talk and I left feeling satisfied about the whole event.

Now, the hard part. With a mass of assorted notes sprawled out in front of me, I began sorting through and arranging the ideas into a somewhat organized state. Whew, who said a reporter's job is easy?

My rough copy finally completed, I journeyed back to the Press office to get a second opinion from Chris. He ironed out a few wrinkles, explained a few techniques, and voila — it was finished! A masterpiece? Maybe not, but the experience gained was priceless!

Students at SADD meeting

by Elena Pizzamiglio and Marjorie Rose

MAPLE RIDGE — Never at a loss for things to fill our days, we keep bringing you more news. The Remembrance Day program on Nov. 11 was a success thanks to the organizers who did a great job, the fine performance of the senior band, and the students' cooperation.

During the week, students were given a chance to register and join the ski club; many took the opportunity and joined, and are now eagerly awaiting the first trip.

In basketball, the junior girls kept up their untarnished winning record by defeating Glengarry 46-30, and St. Joseph 54-34. The senior girls unfortunately lost to Glengarry 43-49. In the last home game of the regular season, the juniors won against Char-Lan 54-2, and the seniors won against Char-Lan 35-29.

On Wed., Nov. 13 a meeting at Brockville Collegiate Institute was held with regard to SADD (Students Against Drunk Driving), and the common goals of the schools' chapters, as well as programs unique to some schools. Damian Laflamme and Carolyn Anderson, our head boy and head girl, Julie Lamb, our president, and Ms. K. Whitney were present as representatives of the SADD chapter being established at our school. Interested parents and students will be involved in this venture in the near future.

Parent-teacher interviews were held on Thursday during the afternoon, which allowed students to be dismissed at noon for a long-sought free afternoon, and at night from 7pm to 9pm.

A representative from Carleton University visited our school on Mon., Nov. 18 and gave a presentation open to any Grade 12 and 13 students. Another presentation was given by the RCC school of Electronic Technology, and it was open to all Grade 11, 12 and 13 advanced math, physics and electronics students. All Grade 11 and 13 advanced accounting students were present at an interesting seminar at our school by John Rosetti, a chartered accountant, in regard to becoming a chartered accountant. Students, through these presentations, are made aware of the many choices open to them after high school, and we appreciate the opportunity of learning about them.

The chocolate bar campaign drew to a grand finale on Mon., Nov. 18. Thank you for your support.

Club ready for Nov. 27

WINCHESTER — The fifth meeting of the 4-H Actionwear Anonymous Club was held at the OMAF boardroom on Oct. 21 at 6pm with leaders Pat Holmes and Debbie Annable.

We were told to have our patterns cut out for this meeting, so some of us could start sewing.

The sixth meeting was on Oct. 28 at the home of Pat Holmes at 6pm. The members cut and pinned their ribbing to the garment and Debbie Annable demonstrated how to sew it on.

The seventh meeting was on Nov. 4. We had to decide what we wanted to do for the fashion review which will be presented at Achievement Night on Nov. 27 at Maple Ridge Public School.

Our books and garments were handed in on Nov. 11 to be marked.

Perky Piemakers

VERNON — On Tues., Oct. 15 the Vernon Perky Piemakers held a bake sale and auction at the regular meeting of the Vernon Women's Institute, and all proceeds were collected and donated to the Township of Osgoode Care Centre.

The baked goods consisted of pies, cakes and cookies, and a cake was raffled off. The prize cake was decorated by Cheryl and Nancy Acres.

The sale was part of the basic baking club's program which is now in progress.

A Grade 9 student, representing all grades at St. Mark's Junior High School, attended the annual Township of Osgoode Care Centre annual meeting last week and brought along a cheque for $500. The school, each year, conducts a "Penny Drive" in conjunction with their "Spirit Week". This year their drive netted $1,538. The young people, in addition to the Care Centre donation, also directed $500 to the Shepherds of Good Hope (St. Bridget's Soup Kitchen) and $528 to support four families in India. Last year $300 was given to the Care Centre as well as support for needy in India. In accompanying picture board treasurer Dorothy Rodney accepts the cheque from Tracy Bekkers.

Plan February opening

VERNON — If all goes well the doors of the Township of Osgoode Care Centre will be open in February and board members are now busy arranging for the finishing touches — which include finding people to live in the new home.

At the centre's annual meeting in Vernon last week the members expressed some anxiety about filling the 70 beds because rumors have been circulating that the requests have all been filled. President Sue Knippel, who was elected to a three-year term at the meeting, stated categorically that the home has not been filled, that, in fact, only 12 applications have been received from people interested in the 57 extended care beds available.

Nobody knows where the rumors of a full house originated, but Knippel is urging anyone in need of a bed to apply as early as possible to ensure the home is serving local people. Several forms must be filled out in applying for a bed and inquiries can be made through the regional placement co-ordination service in Ottawa at 521-8471.

In addition to the 57 extended care beds the home offers 11 residential beds for those not in need of extensive nursing care and two respite beds. Knippel said the respite beds are reserved for people who receive care at home, but need somewhere to stay for short periods, while family members are on holiday, for example.

In her president's report Knippel reviewed the activities of the past year which included calling new tenders on the centre to lower costs, turning the sod in April and a continued excellent response to fundraising drives.

To help finance the $2.7 million project the board hoped to garner $750,000 from donations and the report to the end of October shows net receipts at $703,347.

The board is in the process of hiring a management company to handle the hiring of an administrator and staff for the facility. To date more than 150 applications have been received for the 30 positions available and the board has been assured that local residents will be given priority where qualified.

Several donations were handled at the meeting including one from the Metcalfe Women's Institute and the students of St. Mark's Junior High School.

The students have been raising money through an annual "Penny Drive" and this year they presented the centre with a cheque for $500. In a letter to the board Bridget D'Angelo, a member of the school's student council, wrote, "We chose the Township of Osgoode Care Centre as our local charity because of a responsibility we as young people feel towards our community and the needed care facility that is now being constructed."

The Osgoode and Metcalfe Women's Institutes offered their annual reports and Irene Wallace of the Metcalfe group presented the centre with a cheque of $3,000.

Another donation of $5,000 came from the Vernon Gay Ninety's Club, with Daisy Robinson and Jennie Dow on hand to present the money.

Knippel thanked everyone who has helped in the continued effort to make the centre a reality, offering special recognition to secretary Rose Marie Bekkers and treasurer Dorothy Rodney, "the backbone of our board."

Hospital to take part in OHA convention

WINCHESTER — Several staff and board members of Winchester District Memorial Hospital are expected to be among over 8,000 delegates attending the 61st annual Ontario Hospital Association convention in Toronto Dec. 2-4.

Delegates will include trustees, staff and physicians from public and psychiatric hospitals and other health care facilities and organizations. A record number of exhibitors will be displaying their newest products and services for hospitals at the convention, being held at the Metropolitan Toronto Convention Centre.

The theme of the 1985 OHA convention, "A caring team", will focus on the team work that makes Ontario's hospital and health-care services among the best in the world. Prof. Harry Levinson, a well-known writer and lecturer from Harvard Medical School, will speak about leadership styles for the caring team. Other speakers on the program include Ontario's minister of health, Murray Elston, attorney general Ian Scott, treasurer Robert Nixon and Ronald Van Horne, minister without portfolio responsible for senior citizens' affairs.

Sessions for the various professional groups in health care, including chiefs of staff, directors of nursing, pharmacists, psychologists, chaplains, purchasers and dieticians, will be held concurrently with general sessions.

A special education program for new hospital trustees is also planned for Tues., Dec. 3.

Outgoing OHA board chairman John H. Carter also ends his term Dec. 3. Chairman-elect for the coming year is Robert J. Hiscock, a trustee of York County Hospital in Newmarket.

The Hospital Auxiliaries Association of Ontario marks its 75th anniversary this year as it holds its annual convention in Toronto Dec. 1-3. A special teen volunteer program will precede the start of the three-day event. Guest speakers include former Lt. Gov. Pauline McGibbon and Canadian ski champion Steve Podborski, who is chairman of the Ontario Implementation Group on health promotion and disease prevention.

The OHA convention is one of the many educational programs organized by the association for hospital staff and trustees, said WDMH administrator Bert Stel. Winchester District Memorial Hospital is a member of the OHA, which is the independent, non-governmental association of hospitals in the province.

Bazaar this Saturday

WINCHESTER — Winchester District Memorial Hospital Auxiliary president Rose Campbell chaired the auxiliary's monthly meeting held at 2pm Thurs., Nov. 14.

Members who attended the fall conference in Ottawa recently gave an account of the proceedings. The next conference is to be held in Hawkesbury.

The meeting opened with the auxiliary prayer and the minutes of the last meeting were read and adopted. Treasurer Anne Freeland gave her report, followed by the roll call of the units.

Hospital administrator Bert Stel gave his report, and a report on the volunteers was given by Olive Cass. Gail Van Noy reported for the gift shop.

Two quilt tops were donated and will be quilted by the units, Ruth Sullivan reported.

Social and special events convener Evelyn Cowan said plans and preparations were under way for the Christmas party in 1 East. Final plans were made for the annual Christmas bazaar to be held in Winchester Public School auditorium Nov. 23.

Items to be raffled at the bazaar include a stuffed bear, a doll, a floral centrepiece and pine cone wreath. These items were recently donated.

The next meeting will be held Thurs., Dec. 12 at 2pm.

Junior Devils in championship

MAPLE RIDGE — Sparked by Rose Rombough's 20-point effort, North Dundas District High School's Junior Devils eliminated La Citadelle Patriotes 58-41 and have advanced to the SD&G's Junior AA championship game against the CCVS Golden Raiders.

North Dundas' Junior Devils finished their regular season winning all 10 games, two of those decisions were over La Citadelle, and here Monday afternoon they again dominated the Patriotes to qualify for this Thursday's sudden death championship match at CCVS in Cornwall.

The same afternoon NDDHS' Senior Devils lost for just the third time this season, unfortunately for them the setback was a 43-27 sudden death loss to the General Vanier Vikings. The loss finished off the season for Nancy Wilson's seniors and qualified General Vanier for the championship game this Thursday against CCVS, a team that thumped the Vikes by 50 points the last time out.

"Any other day I think we could've beaten General Vanier but Monday our girls were outmuscled under the basket and the ball just wouldn't drop in for us," explained the coach.

Coach Wilson, who has worked with eight NDDHS basketball teams in the past said this edition of the seniors was one of the best. "I'm proud of our season (six wins, two losses) and I think the girls are. They are a hard-working, cohesive team. They played as a unit and worked hard all of the time, they were a pleasure to coach."

"I'm glad our last game was a close one, had we won I think CCVS would've been too strong for us," she said.

Wilson felt Vanier's Bulla Lazore, who controlled the key and was exceptionally strong recovering rebounds and Kim Emard's shooting from the outside were the difference in Monday's loss.

After holding a 17-12 second-quarter lead the Devils fell behind 20-17 at the half and never recovered.

Lazore had eight points from underneath for the winners while Emard hit nine field goals and two free throws for 20 points.

Dundas' main shooter, Donna Koekkoek, was held to just nine points. Cindy Ace had nine and Tracie McVey defenced to four. Laurie Buske, Carole Droppo and Danielle Gryspeerdt each supplied two points.

JUNIORS ON TO FINAL

In the junior contest it was all North Dundas as they just missed their first 60-point game by two.

The team's top scorer over the season, Rose Rombough, slammed in 20 points as the little Devils streaked to a 58-41 semi-final win over La Citadelle.

It was the 11th win in 11 SD&G games for the Chris Bowen coached Devils, who will now meet CCVS in the sudden death championship game this Thursday in Cornwall.

Devils led 18-10 at quarter time and were up 32-20 at the half. It was 46-24 after three quarters and 58-41 at the buzzer as the Pats outscored North Dundas 17-12 in the final eight minutes.

In addition to Rombough's 20 points the Devils got 14 points from Kerry Lynn Thompson and 12 from Cindy Chalonski.

Jenny Lamb hooped four while Connie Armstrong, Megan Furness, Linda Hamelin and Inge Matthiesen all dropped in two points.

L. Guindon hooped 20 points in a losing cause.

Cochrane eliminated from spiel

OTTAWA — Russell's Bryan Cochrane has been eliminated from the Red Anderson Memorial Bonspiel and the hunt for a spot in the Zone One Tankard playdowns in Brockville.

Cochrane, skipping Harry Adams, Bill Gamble and Ken Sullivan, was bounced from the Anderson when he was defeated 7-6 by OCC's Russ Taylor in a Monday night B Side draw.

Also eliminated in that section was Eric Honey's Russell rink which dropped a 5-4 decision to Ron Diguer.

Cochrane opened the Anderson with an 8-2 decision over Cornwall's Larry Benoit. He then dropped a heartbreaking extra end, 6-5 decision to Ron Diguer but stayed alive, posting a big 8-4 victory in a B Side game against OCC's Jerry Shore.

Cochrane needed six wins this week to qualify for a zone berth in Brockville.

Thompson hoops 23, Juniors undefeated

MAPLE RIDGE — Kerry Lynn Thompson put on a scoring demonstration here last Friday afternoon, leading her North Dundas District High School Junior Devils to a 54-2 SD&G victory over the visiting Char-Lan Crusaders.

Thompson nailed eight points in the first quarter, 12 in the second quarter and added three more in the third quarter, piling up 23 points before the game was finally called with 7:41 left to play in regulation time.

Char-Lan, with just six players dressed for the game, had two girls foul out with 7:41 to play and were forced to forfeit the contest which North Dundas owned from the outset. The home-school Devils led 36-0 before Char-Lan managed to score their only two points in the second period.

The one-sided victory enabled Chris Bowen's juniors to finish the season with 10 wins, no losses and a for and against mark of 457 points to 234.

They qualified second in their division and hosted their opening playoff game Monday at NDDHS.

Last Friday also marked the finale of NDDHS Senior Devils' regular season and they wound it up on a winning note, downing Char-Lan 35-29.

Overall, Nancy Wilson's charges finished second in their loop with six wins and two losses and hosted General Vanier in a playoff match Monday.

After dropping two of their first three games, the Senior Devils won five games in a row and outscored their opponents 334 to 274.

Friday's 35-29 victory over Char-Lan made it two in a row over the Williamstown school. Donna Koekkoek paced the Devils in their latest win, dropping 14 points through the loop. Beth VanVlaanderen was second in scoring with four points. Carol Droppo and Cindy Ace each scored three. Carol Anderson, Julie Lamb, Rhonda McIntosh, Tracie McVey and Norine Milne all hit for single field goals. Laurie Buske added a point from the foul line.

North Dundas led 11-7 after the opening eight minutes and were up 17-11 at the half. Led by Koekkoek's six points, they opened up a 29-17 third-period lead and won 35-29.

UNDEFEATED

North Dundas' little Devils posted a pair of victories last week to wind up with a perfect season of 10 victories and no losses.

Last Wednesday in Cornwall the Devils downed the BMCSS Ravens 54-34. Rose Rombough paced the winners with an 18-point effort. Cindy Cholonski was number two shooter with 11 points. Connie Armstrong hit for 10 and Kerry Lynn Thompson supplied eight. Linda Hamelin sunk six and Shannon O'Reilly added a field goal for two points.

Here at home last Friday the Devils swamped the short-staffed Char-Lan Crusaders 54-2.

Kerry Lynn Thompson exploded for 20 first-half points and finished the shortened contest with 23.

Rose Rombough added 11, Linda Hamelin eight and Cindy Cholonski six.

Connie Armstrong, Jenny Lamb and Shannon O'Reilly each stretched the twine for two points.

Friday's 54 points pushed NDDHS' scoring total to 457 in 10 wins.

Rose Rombough led the juniors in seasonal scoring with 92 points.

Novice goalies working hard

WINCHESTER — Winchester's Novice Hawks pulled off a 2-0 win over Embrun here Saturday and battled Smiths Falls Bears to a 1-1 draw in the Falls Monday evening.

Ricky Mayoh and Clint Hedge worked the Hawks' cage and allowed just one goal in those two outings. Smiths Falls' Steve Streight recorded that marker at 10:10 of the third period of Monday's contest.

Winchester's lone tally in that encounter was scored by Barry Bell on a set-up provided by Clinton Holmes and Matthew Cotton at 3:38 mark of period one.

In their 2-0 win over Embrun here last Saturday the Hawks scored both goals in the second period. Mark Lynch netted the winner on an unassisted play at 10:44 and Adrian Pancirov added the insurance marker with 1:10 remaining in the same frame. Matthew Cotton and Mark Lynch drew assists on that marker.

Jets have Hope

METCALFE — Jeff Hope's goal with 2:44 left in regulation time lifted the hometown Metcalfe Jets to a dramatic 3-2 Alex English Division Junior B victory over the visiting Winchester Hawks here Sunday afternoon.

Hope grabbed a pass from captain Peter Holmes, rushed up the left side, carried the puck around Winchester's net and tucked the winning goal in the short side of Jamie McGuire's net with just 2:44 left to play in the game.

The victory improved Metcalfe's record to five and four and dropped Winchester's mark to five and five.

Period one of the contest was scoreless as Hawks' Jamie McGuire and Jets' Stewart Patterson performed flawlessly.

Hawks took a 2-1 lead in the second period as Jeff Thompson opened the scoring on a pass sent his way by Rene Bongard at 18:25.

Metcalfe tied the game at a goal when Gary Poirier finished off a powerplay started by Pete Holmes and Don Gamble at 10:35. Hawks' Pete McGrath was serving a high-sticking penalty when Metcalfe tied it up at one.

Winchester took a 2-1 lead when Trevor McClatchie beat Patterson for his seventh goal of the year at the 3:39 mark. Scott Dexter helped out on that play.

Hawks held their 2-1 edge until the 15:31 mark of period three when Todd Wallace's shot from the point went in off defenceman Pete McGrath's skate to tie it at two. Barry Stefureak won the draw and sent the puck to Robin Hughes who in turn dropped a pass back to Wallace who fired in the goal.

Jeff Hope's marker with 2:24 left on the clock handed the Jets a 3-2 lead and eventually the game.

"It was a good, entertaining game. I would have to say the crowd really got their money's worth," explained Jets' coach Peter DeRooy.

"We outshot them (Winchester) 38-18 so Jamie McGuire had to play very well. We also hit goalposts and crossbars in the game and just couldn't score."

The Metcalfe mentor said it was a tough game for Winchester to lose, but a great one for his team to win. The victory pulled them into an 11-point tie for third place with Winchester and helped ease the painful memory of a 5-4 loss to the Glens in Alexandria Friday night.

"We played just terrible. Maybe the guys thought all they had to do was lace on their skates. We sure found out differently. Alexandria never stopped hustling. They deserved the win," DeRooy commented.

The coach said his team scored late in that game to tie it up 5-5, but referee Harvey Primeau disallowed the marker and the Jets lost 5-4.

"We really only played five minutes of hockey and that was in the third period," DeRooy said. "We didn't have Murray Toll on defence and Gary Poirier and Barry Taylor didn't finish the game, but that's no excuse, the boys know they didn't play well."

Getting back to Sunday's 3-2 win over Winchester, coach DeRooy said he thought his captain, Pete Holmes, played his best game of the year.

"We took a penalty late (1:07 left) in the third period. I knew they (Hawks) would try to get McGuire out and go with another skater and try and tie the game. But Holmes and Gary Poirier killed it and I don't think they (Hawks) even got a shot on that powerplay and they couldn't get McGuire out of the net. They (Holmes, Poirier) did a super job for us."

Jets took a 2-0 lead in the '85-'86 Metcalfe-Winchester series after winning the opener 5-4 in overtime.

This Friday (Nov. 22) Metcalfe will host the last-place Vanier Senators at 8:15pm in the club's only game of Grey Cup weekend.

Midget B Hawks stopped

WINCHESTER — Winchester's Midget B Hawks had their three game undefeated string snapped here Monday night by the visitors from Spencerville-Prescott who blanked the home team 3-0.

The Hawks opened their season battling the Mustangs to a 1-1 draw in Metcalfe on Nov. 7. Metcalfe took a 1-0 first-period lead when Sean Wallace scored from Bret Fitzsimmons and Andrew Parker at the 13:36 mark. Winchester tied it up with just seven seconds left in the opening stanza when Danny Sarault fired in a J.D. VanNoy pass to make it a 1-1 final. Hawks' Mike Fawcett and Mustangs' Bruce Morris played shutout hockey over the final two periods to preserve the 1-1 verdict.

Fawcett posted the shutout here on Nov. 11 as he and the Hawks blanked Smiths Falls 2-0. Pat Alexander fired in what would prove to be the winning goal with just six seconds remaining in period one. Greg Coons and Doug Beckstead helped out on the marker.

J.D. VanNoy's unassisted goal with 1:16 left in the game made it a 2-0 final.

Hawks pulled off a 2-1 win in Prescott last Sunday getting another strong game from goalie Mike Fawcett.

Clayton Armstrong connected from Chris Rodney with 1:58 left in period one to give Winchester a 1-0 lead.

Prescott tied it up at 3:55 of period two, but the Hawks got that goal back before the period was over when Doug Beckstead fired home a Doug Newman pass to make it a 2-1 game.

Quarterback Cody Mayoh eyes the goal-line as a Morrisburg tackler tries to stop him from gaining the end zone in a group "B" game played during last Friday's Dundas County Junior Public School flag football tournament. Dixon's takes flag crown

SOUTH MOUNTAIN — Dixon's Corners nipped Winchester Public School Hawks 12-7 here last Friday to capture the 1985 Dundas County Junior Co-ed Flag Football championship.

The new champs scored the winning touchdown in the dying minutes to grab the title from Winchester who had taken a 7-6 lead on a Tim Freeland touchdown run. Hawks' quarterback Troy McNaughton then snapped the 6-6 draw, passing to Freeland for the convert.

Dixon's, under the direction of coah Bill Hallam, opened the event on a frozen field in chilly conditions, losing a one-point, 19-18 decision to Newington. They recovered to defeat host Nationview's number two team by four, 12-8, and then blanked the Iroquois Indians 12-0.

Winchester started the event with a 27-13 victory over Chesterville Blues. Troy McNaughton threw to Jason Ouellette for a 6-0 WPS lead but Chesterville stormed back up field and quickly took a 7-6 lead.

Hawks grabbed a 12-7 lead on a McNaughton statue of liberty to Tim Freeland who legged out the go-ahead touchdown. McNaughton then passed to Jason Ouellette in the corner of the end zone to give WPS a 13-7 halftime lead.

McNaughton tossed a short pass to Jason Ouellette to open the second half and the receiver went the distance to make it 19-7. Freeland pulled in the conversion pass for a 20-7 WPS lead.

A razzle-dazzle pass, hand-off and run play then netted the Hawks a 27-7 lead as McNaughton passed Ouellette at mid-field. Ouellette pitched out to Freeland and he scrambled up the left side. McNaughton scored the convert on a keeper, upping the score to 27-7. Chesterville came back with a late TD to make it a 27-13 final.

Winchester then dropped a 6-0 decision to Morrisburg in their second game before qualifying for the "A" division final with a 24-6 win over Nationview's No. 1 squad.

Winchester downed the host team 24-6 as Jason Ouellette opened with a TD and added another six points after Tim Freeland intercepted a Cody Mayoh pass. Freeland rounded out the attack, scoring twice in the second half.

Winchester qualified for the championship game from Group B with 51 points scored and 25 against. Chesterville was second with 45 for and 35 against.

Dixon's took the championship trophy with their 12-7 win over Winchester.

Chesterville took third place, downing Newington 19-6.

Nationview I nipped their number two team 6-0 to take fourth place. Morrisburg and Iroquois finished the day battling to a 7-7 tie.

Grads thump Hawks

Double losses put Juniors at 500

WINCHESTER — The message on the blackboard in dressing room number four here in the Winchester and District arena was still visible Sunday morning.

First place, them or us, although partially rubbed off the chalkboard, was still intact from Friday night's visit by the Alex English Junior B Division leading Navan Grads.

Grads' coaches Barry Irvine and John Bourgois put that message there for the defending division champs prior to Friday's game with the second-place Hawks. Three periods later 300 fans in the arena knew without a doubt who the first place team was. The Navan Grads thumped the Hawks 9-4 to take sole possession of top spot. Sunday they nipped the surprising Alexandria Glens 4-3 in overtime to extend their first-place record to eight and two.

Sunday afternoon in Metcalfe the Hawks watched their record level off at the 500 level (five and five) as Jeff Hope's goal with 2:44 left in regulation time staked the hometown Jets to a 3-2 victory.

Winchester head coach Tom Kirkwood said Sunday's game in Metcalfe was an excellent game, "It was a really good game of hockey, it could've gone either way."

"Unfortunately for us (Hawks) it went their (Jets) way", he continued. Kirkwood reported goalie Jamie McGuire playing with six stitches in his neck (he was cut in Friday's game when a Navan Grad skate struck him in the throat area) perhaps played the best game of the season. He also singled out forward Jeff Thompson for a good effort.

"They came out fast and came right at us on Sunday. But the guys came right back at them. It was a fast, hard hitting end-to-end game that really could've gone our way."

Despite the double losses the coach says the standings are still close and the Hawks are tied for third, one point out of second place and just five from first and feels he won't change a lot for this weekend for Friday's game here against Clarence Creek and Saturday's excursion to Williamstown to meet second-ranked Char-Lan.

"We'll take it one game at a time, we played well on Sunday, but they (Jets) beat us, we just have to work hard."

9-4 LOSS

Hawks took a 1-0 lead on the Grads here on Friday as Mark Guy tipped a Dolton Henry — Peter McGrath pass in behind Navan's Scott Martin on a power-play at 6:44 of the first period.

But Mike Fournier tied it at 1-1 on a breakaway with 1:46 left and Eric McLeod made it 2-1 Navan at 1:19.

"What really floored us was after playing the first 17 or 18 minutes of the first period really well and then having them score the last two quick goals to make it 2-1," explained Kirkwood, "That really hurt us and then they get two more (19:53 and 19:29) early in the second and we're down 4-1 before we know it."

Tom Wardle made it 3-1, Grads at 19:53 and Mark Barnett rang in number four at 19:29 to all but lock the game up for Navan.

Mike Dupuis hit at 10:23 for a 5-1 edge before Hawks' Kirk Barkley could score from Keith Moore to make it 5-2.

Grads then pumped in a pair as Bruce Hickson connected at 5:29 and 5:19 to send Navan into the dressing room after 40 minutes with a 7-2 lead.

Hickson finished his hat trick at 13:12 and Dave Sebean fired in the ninth Grad goal with 9:00 left.

Chris Lynch scored from Moore and Todd Byrnes at 17:21 and Moore connected from Kirk Barkley at 6:25 to account for the final two Winchester goals.

Goalie Jamie McGuire was cut in the throat by a Navan skate early in period three and left the game in favor of Ben Henry who surrendered the final two Grad goals.

Brad Holmes and Gary Klein-Swormink along with Mike Fournier and Steve Lawlor all picked up fighting majors after the final buzzer as Ben Henry got involved in a shoving match with several Grads.

3-2 LOSS

Jamie McGuire played with stitches in his neck and no back-up on the bench in Sunday's 3-2 loss to the Jets in Metcalfe.

He and Stewart Patterson played flawlessly in the first period. Hawks took a 1-0 lead at 18:25 as Jeff Thompson scored from Rene Bongard.

Jets tied it up at 10:345 on Gary Poirier's goal from Pete Holmes and Don Gamble.

Winchester made it 2-1 with 3:39 left in that period when Trevor McClatchie scored from Scott Dexter.

Metcalfe tied it on Todd Wallace's goal from Poirier and Robin Hughes at 15:31 of period three and Jeff Hope won it scoring on a play started by Pete Holmes with 2:44 left in the game.

HAWKS HAPPENINGS

Ben MacIntosh dressed but couldn't play in the Metcalfe game. He should have recovered from a charlie horse in time for this weekend's games. He played last year with the Hawks, tried out with the Pembrook Lumber Kings and had been playing for the Smiths Falls Junior A Bears.

Centre Mike Harper has joined the Chesterville Jr. C. Flyers and has signed as an affiliate with the Hawks. He scored three times in his first two games with Chesterville.

Grant Groves missed both games over the weekend while he was attending the PCs leadership convention in Toronto.

Hawks blank New Yorkers

WINCHESTER — Mike Klein-Swormink lowered his goals against to one a game here Monday night as he posted his first shutout in four games, backstopping Winchester's Atom A Hawks to their fourth straight UCMHL victory in a 4-0 decision over Ogdensburg, N.Y.

Last Friday night in Kemptville, Winchester defeated the Royals 5-2 to extend their win string to three games.

Hawks couldn't get untracked against a tight-checking Ogdensburg defence until late in the second period when Kevin Williams took a pass from Martin Pancirov, manoeuvred through the opposition's defence and scored the winning goal at the 4:41 mark.

Aron Sherrer hit from Jason Ouellette with 1:32 on the clock to make it 2-0 for Winchester.

Troy McNaughton scored from Pancirov with 9:07 left in period three to up the difference to 3-0 and then captain Trevor Barkley fired in an unassisted goal with 6:57 left to play to make it a 4-0 final.

Last Friday in Kemptville the Royals took a 2-1 first-period lead on markers by Andrew Arki and Danny Garsteau but the Hawks took a 3-2 lead after two and skated away with a 5-2 victory.

Kevin Williams potted Winchester's first goal in period one and tied it up at two, scoring again at 11:37 of period two.

Martin Pancirov's unassisted goal with 6:51 left in the second stanza proved to be the winner.

Troy McNaughton made it 4-2 at 7:48 of the third and Pancirov hit the open net with 27 seconds to go to make it a 5-2 final.

Tim Freeland, Pancirov and Jason Ouellette each picked up an assist for the Hawks.

CLOSE RACE DEVELOPING IN ALEX ENGLISH DIVISION

It was a bad weekend for the Hawks, who suffered a 9-4 defeat to the top-place Navan Grads on Friday night and a close 3-2 loss to Metcalfe Jets on Sunday. Not a good show when the point race is so close. Navan are out in front with 16 points, then things tighten up with Char-Lan with 12, Jets and Hawks with 11, Clarence Creek with 10 and Alexandria moving up with a three-point weekend for a total of seven, so any weekend could change things around in the close race that has developed. You just can't take any team for granted this year as Alexandria proved with their win over Metcalfe on Friday night and their overtime loss to powerful Navan on Sunday. It seems that the win is there for the team that wants to give the effort and that's what happened here on Friday night. Hawks skated with Navan for the first 17 minutes of the first period. Then two quick goals in the first minutes of the second period took any sting that was there out of the Hawks' attack. They came back a bit after a few choice words from the coach, but by that time their fate had been sealed. When you can go to Metcalfe and only lose by one goal it is looked on as a good effort, but it does not show that way on the stats and there is no difference between a close game or a route when the points are compiled on Monday morning. Tom and Al have made improvements that are quite visable, but the implementation is still up to the players on the ice and the coaches can't throw the body check or make the pass that is individual desire. Clarence Creek is here this Friday night and the Hawks journey to Williamstown to take on second-place Char-Lan on Saturday, so the road is not much easier this weekend. The team needs your support and it should be a great game to see. The Winchester Fire Department has a dance going in the upstairs hall with Shad's Disco supplying the music. So that should make a good night. Make plans to attend.

HALLVILLE RANGERS DANCE THIS SATURDAY NIGHT

The Hallville Rangers have a team that plays here every Sunday afternoon and the boys are having a little dance on Saturday night to raise some funds and invite you to drop around and join the fun.

HAWKS BOOSTER AND TOM DOUGLAS NIGHT HAVE HAPPY ENDINGS

Over 100 teenagers joined the Booster Club in the upstairs hall last Friday night after the Hawks' game to dance a little and meet their friends and everyone seemed to have a good time. Hawks have made arrangements with the Recreation Board to allow teenagers admission when they have a Booster Card which is obtained with parents' permission or if the young people are accompanied by their parents. This second attempt to encourage teen team support has been successful and the kids have had some fun and have behaved properly and this was the aim of the endeavor. Saturday night was our dance to honor Tom Douglas who has retired after many years of great service to everyone who has visited our many bars. The night was a bad one with ice rain cutting into attendance figures. However, Tom was presented with gifts which included a plaque commemorating his service to the community as well as a gift certificate worth over $800 to give him a little holiday in the sun. Tom was pleased and that was our intent.

Raiders hit town win column

WINCHESTER — Fridgen-Filion Raiders won their first Winchester Town Hockey League game here last Tuesday while the front-running Aqua Fun Flyers claimed their fourth victory without a loss.

A three-goal second period proved to be the difference in the Raiders' 5-4 win over second-ranked CountryBoy Blazers. Their first win in four tries moved Fridgen-Filion out of the basement and a point ahead of the Country Kitchen Kings who, in spite of a solid goaltending job by Dan Hogaboam, and a good effort, lost 4-2 to Aqua Fun when the defending champion Flyers scored twice in the final 1:07 to snap a 2-2 tie.

Period one of that game was scoreless and Country Kitchen drew first blood at 13:42 of the second period when John Ralko netted his first of the season to put the Kings up 1-0. Tom Kirkwood and Parry Marriner set up the opening goal.

Butch Oldford put his Flyers into a 1-1 tie with 4:22 left in the sandwich session when he capped off a play engineered by Gary Lapier and Dick Christie.

Dick Christie did some smooth stick-handling in the Kings' zone, used a defenceman as a partial screen and tucked a stick-side shot in behind Hogaboam at 10:06 of the final period to give the Flyers a 2-1 lead. But the Kings fought back and tied it up at two when Pierre Bouseleil scored on a pass from Brian Helmer with 6:57 left in the game.

Both Kings' Hogaboam and Flyers' Kevin Baldwin were forced to come up with great stops as both teams scrambled to break the tie.

The issue was finally decided when Geoff Summers (playing his first game) took a Dick Christie pass, moved in on the Kings' net, used a "Savardian spin-arama" fake and scored the winner with 1:07 showing on the clock.

Dick Christie then put in the insurance marker, combining with Phil Lyall and Larry Berry with 42 seconds left to make it a 4-2 Flyer final.

RAIDERS WIN

Outstanding goaltending by Dan MacMartin over the first period and a half enabled the Fridgen-Filion Raiders to hang on and eventually beat the CountryBoy Blazers 5-4.

MacMartin's work in the early going, when the Blazers were in complete control of the game, held CountryBoy to a 2-1 first-period lead.

Raiders went in front 4-2 in the second period and held on to win 5-4.

Reg Hyndman put the Blazers up 1-0, scoring on a breakaway set up by Marty Little and Dale Hutt at 11:16 of period one. Raiders drew even at the 9:11 mark when Brian Condon whipped in a quick shot. Bill VanKoppen and Randy Docksteader drew assists on the play.

Ken Quaile scored from Marty Little and Dan Lecours at 6:01 to make it 2-1 Blazers.

Raiders then hit for three unanswered goals in period two to make a 4-2 edge. Bill VanKoppen deflected in a pass from Richard Cayer and Randy Docksteader to tie it at 10:59. Richard Cayer took a pass from Steve Plummer and drilled in a low shot from the blueline at 1:21 to make it 3-2 and then Plummer finished off a three-way passing play with Jamie Utman and Brian Dalgleish at 21 seconds to make it 4-2.

Ken Quaile drilled in a backhander at 17:53 of the third period to narrow the gap to 4-3. But Utman scored from Plummer and Bruce Angus at 12:59 to renew a two-goal (5-3) Raider lead.

Owen Shortt ripped in an unassisted goal with 28 seconds left in the game to make it a 5-4 final.

Bantam Cs sweep Kemptville

WINCHESTER — Led by Jeff Nelson's solid goaltending and Alain Cayer's goal-scoring, Winchester's Bantam C Hawks have posted three wins in their first three Upper Canada Minor Hockey League starts.

In their opening game the Hawks blanked Morrisburg 3-0. Since then, goalie Jeff Nelson has defeated Kemptville 3-1 and 5-0 and leads the division with just one goal against in three games.

Here in Winchester last Thursday, the Hawks blanked Kemptville 5-0. John Tessier put Winchester up 1-0, scoring from Danny MacIntosh at 13:05 of the first period.

Stephane Drouin made it 2-0, scoring the only goal of the second period when he clicked on a pass from Kevin Bell and Mark Sarault at 13:49.

Winchester exploded for three third-period goals and skated away with a 5-0 victory. Tessier netted his second goal of the game at 7:39, scoring from Sarault and Al Cayer to make it 3-0.

Cayer then struck for an unassisted goal at 3:17 and hit again on a pass from MacIntosh with 1:20 left on the clock.

Saturday in Kemptville, Winchester led 2-0 after the first period and held on for a 3-1 decision.

Cayer opened the game, scoring from Tessier at 13:48. Kevin Bell made it 2-0, hitting on a pass from Clarence Holmes at 11:48. Holmes then clicked from Bell at 12:02 of period two, opening up a 3-0 lead.

Nelson lost his bid for a third consecutive shutout when Kemptville's J.D. Cumming connected on a powerplay with 4:16 left to play in the game.

Belles drop first game

METCALFE — Metcalfe Belles Gloucester Ringette Association record dropped to one win, one loss and three ties over the weekend as they suffered their first setback at the hands of the powerful Blackburn Hamlet squad.

Metcalfe coach Bob Robb said his goalie, Karen Mondoux, was a standout in the 6-4 defeat, holding one of the division's top teams to just six goals.

Robb feels Blackburn, Almonte and North Gloucester, all of whom are preparing for the Provincials, are the power-houses of the Belle Division and his girls did well to stay within two goals of Blackburn. He also says the team's road won't be any smoother over the next two weeks as his team must face North Gloucester and Almonte in their next starts.

Barb Dewan scored twice for Metcalfe in their 6-4 loss while Karen Gallinger and Christy McDougall each scored a goal and assisted on another. Angie Robb picked up two and Tina Flichel one assist.

Metcalfe played North Gloucester on Tuesday.

Thank you

To the electors of South Gower

I would like to take this opportunity to thank the ratepayers of South Gower for their overwhelming support at the polls on Nov. 12. It was most gratifying.

Now that the election is over I do hope I can be the Deputy-Reeve of all the people. Please do contact me when the need arises. Once again I would like to say just a humble thanks.

Yours sincerely,

Stanley Price

To the voters of the Township of Mountain

To all those who voted for me in the municipal election a heartfelt thanks for your support and confidence in me.

Wishing each and everyone the compliments of the season.

Sincerely,

Earl Garlough

Thank you

I would like to thank you, the village of Winchester ratepayers, for supporting me for a council seat. I promise to work hard in providing a productive and economical municipal government for the village of Winchester.

Wishing everyone a Merry Christmas and a Happy New Year.

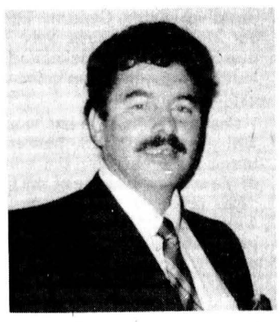
George Hanes

THANK YOU

to the voters of Winchester Village who supported me on Nov. 12 and over the last three years.

Sincerely,

Larry D. Cotton



Thank you

To the voters of Winchester Township

Thank you for your support and confidence. As your new councillor I will do the best I can to represent you.

Robert St. Pierre

Williamsburg Township

Thank you

I should like to thank all of you who gave me your vote in the elections for council. Despite strong support, I shall not have the opportunity to make your voice felt in council.

Nonetheless, I am encouraged to feel that many of you are convinced that our township could benefit from a new and thoughtful point of view concerning its future. I should enjoy keeping in touch with any of you who might care to do so. My number is **535-2011.**

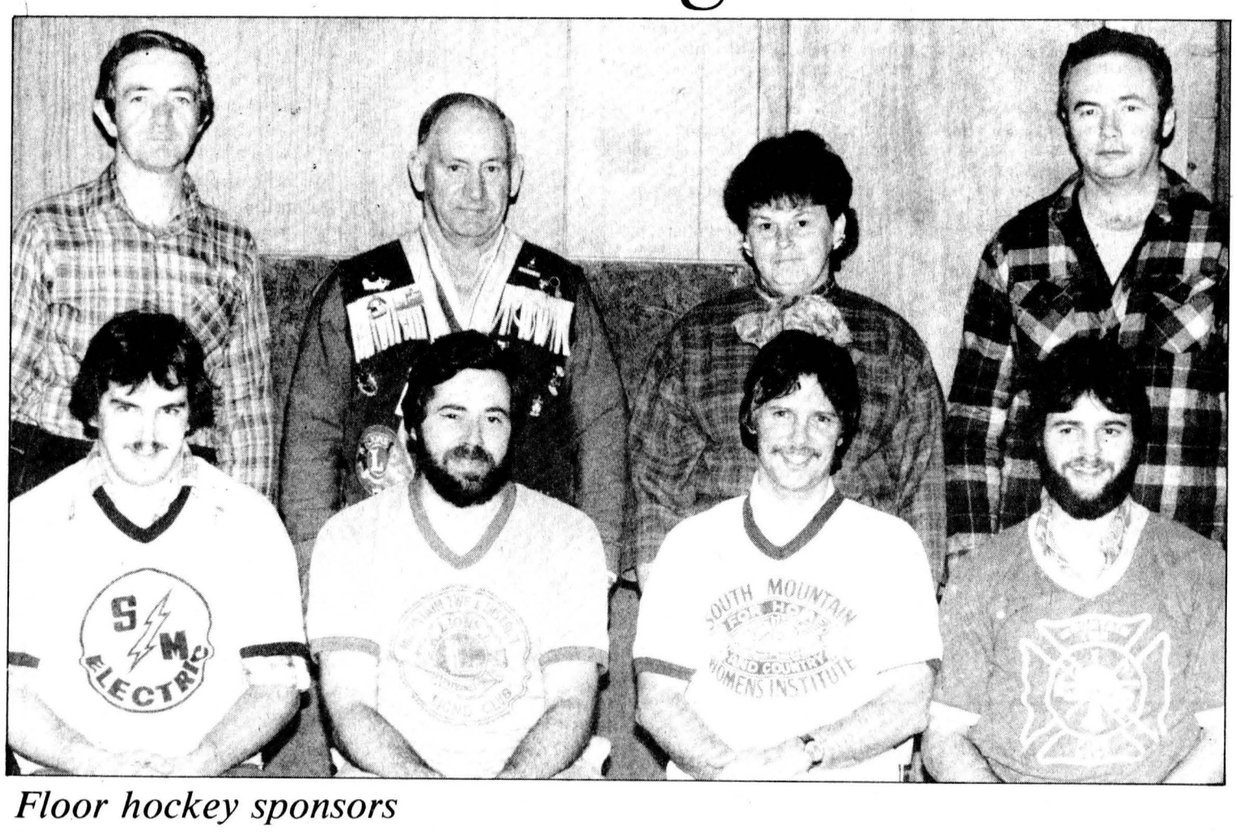
New uniforms give Electric a jolt



Floor hockey sponsors

Mountain Township's Floor Hockey League recently benefited from the generosity of four sponsors who purchased new team sweaters. Back row, left to right, Terry Foley represented S.M. Electric-sponsor Bill Shaver, Hugh Blaine of the Mountain Township Lions Club, Barb Black of the Women's Institute, Jim Scott, chief of the MTDF. Front, left to right, S.M. Electric coach Gary Milne, Lions Club coach Ken Cooper, W.I. coach Hugh Hamilton, Fire Department coach Barton Simpson. Press Photo—Van Bridger

SOUTH MOUNTAIN — It took S.M. Electric four tries, but they finally managed to win a Mountain Township Floor Hockey League game. Monday night here at Nationview the electricians cracked the win column in a big way blasting South Mountain W.I. 14-1 to pull into a two-point tie with the Fire Department Smokies.

In Monday's other contest undefeated Lions Club made it four wins in a row knocking off the Smokies 7-2.

Lions led their game 4-0 after a period and 6-1 after two frames. Billy Berube led the attack scoring three goals and setting up another. Kyle Marriner potted two goals while Dwayne Simzer and Greg Van Bridger fired in single markers.

Scott Clark and Jeff Berube returned fire for the Smokes.

Derrick Patterson was top gun in S.M. Electric's 14-1 win over W.I. shooting in six goals. He scored three times in the first frame to help his squad to a 5-0 lead. He pumped in two more in the second stanza and connected for his sixth goal with 3:40 gone in period three.

Michael Fisher scored from Billy Andrews at 9:53 of the second period to account for the W.I.'s only goal.

Besides Pattterson's six goals the winners got three each from Stacey Weagant and Jeff Cabana. Chris Fualkner and Marty Vandemheen collected single goals. Shawn Malloy, Kelly Shaver and Jeff Cabana all earned an assist.

Hawks' winger saves game

WINCHESTER — Winger Dave Harper scored twice helping the Winchester Hawks to a 4-3 come-from-behind Upper Canada Minor Hockey League Pee Wee A victory over Prescott Ramparts here Monday night.

Harper also scored once and set up three goals Sunday night in Smiths Falls as the Hawks thumped the previously undefeated Bears 7-0. In three starts (they had previously defeated Kemptville 4-2) Winchester is undefeated in league play. This Saturday the Hawks return the visit to Prescott and next Monday host Brockville Warriors at 8pm.

Prescott took a 1-0 lead in Monday's contest when Paul McConnell scored at 6:38 of the first period. Jeff Nolan then upped it to 2-0 when he connected on an unassisted play at 12:16 of period two.

Winchester finally got into the game at 6:15 of period two, when Doug Armstrong took a pass from Todd Marcellus and went the length of the ice to score.

Dave Harper knocked in his first marker at 4:27 of the same frame converting a pass from centre Chad Benoit into a 2-2 tie.

Harper then blasted in a rising slapshot at 8:51 of period three to increase Winchester's lead to 3-2. Bryan Helmer and Chad Benoit drew assists on that play.

Prescott pulled into a 3-3 tie with 55 seconds left in the game as Nolan walked out from behind the Hawks' net and tucked in a low shot in under Craig Lyon.

Hawks roared back and won the game (4-3) 20 seconds later as Todd Marcellus scored on a perfect three-way passing play set up by Chad Benoit and Doug Armstrong.

LYON SHUTOUT

The night before (Sunday) in Smiths Falls, Winchester snapped the Pee Wee Bears winning string at three games belting the Bruins 7-0 right in their own den.

Goalie Craig Lyon sparkled posting his shutout while his offence staked him to a 4-0 first-period lead and a 5-0 cushion after two frames.

Bryan Helmer got the Hawks on the board scoring twice in period one. Doug Armstrong made it 3-0 and Todd Marcellus upped it to 4-0 before the period was over.

Bryan Helmer and Todd Marcellus each had two goals and one assist. Dave Harper had a goal and three assists and Doug Armstrong had a goal and one assist. Jason Thompson added a single goal.

Centre Chad Benoit picked up three assists and Tim Holmes helped out on two goals.

Bulls, Hawks tied

METCALFE — Jeff Stanley and Steve Wade held red-hot hockey sticks here in Sunday morning's Town Hockey League games.

Stanley scored three times leading his Bulls to a 4-2 win over Paul Nooyen's Bruins and Wade banged in three goals helping his Hawks to a big 5-0 decision over Cochranes' Whalers.

Those victories by the Bulls and Hawks left the clubs in a 12-point tie atop the MTHL standings. Bruins are now alone in second place with 10 points while the Whalers sink slowly into fourth with just two points.

Jeff Stanley got the Bulls roaring, scoring from Jeff Crerar at 5:57 of the first period.

He made it a 2-0 game connecting from Mike Miller at 10:34 of period two, but the Bruins clawed their way back into the game (2-1) when Bill O'Brien beat Fred Young on a set up provided by Brian Wynn and Paul Nooyen with 31 seconds left in period two.

The score remained 2-1 for the Bulls until the final moments when Jeff Crerar scored unassisted to make it 3-1 at 2:22. Bruins' Tyrone Franey cut the gap to 3-2 hitting on a pass sent his way by Denis Lamoureux and Erin Franey with 1:14 to go, but Jeff Stanley sunk the Bruins scoring his third goal of the game into an empty net with just 19 seconds left on the clock.

THREE FOR WADE

Roy McCooeye posted the MTHL's second shutout of the season leading his Hawks to a 5-0 verdict over the last place Whalers.

Steve Wade was top gun in this game shooting three goals into Mike Preston's net. He connected once in the first period and ripped in two in the final frame to fashion his new hat.

Hawks led 2-0 after a period, after Wade and Larry Shields found net.

Mike Stanley upped the lead to 3-0 scoring the lone goal of period two and Wade finished it off with two in period three.

Willis Stevens (2), Mike Stanley, Doug Hicks, Larry Shields, Doug Reaney, Dan Crerar and Don Henderson all earned assists.

Roadrunners thump Finch 6-0

WINCHESTER — Toyes Hill Roadrunners pulled off a major upset here in one of four Winchester and District Broomball League Sunday night games, blanking Finch 6-0.

The victory improved the Hills record to four wins and four losses and moved them into sole possession of first place in the league's B Pool and to within a point of Finch who hold down fourth place in the A Pool rankings.

In Sunday's other contests Ormond thumped Crysler 8-1 and Morewood edged Newington 1-0 as those two teams continued their battle for first place in the A Pool. Dunbar shook off their losing ways to hammer winless Winchester Raiders 12-0.

Toyes Hill got three goals and one assist from Bill Steele enroute to their big 6-0 verdict over Finch.

Dave Holmes set up Richard Suffel's first-period goal at 16:39 and the Roadrunners led by that count at halftime.

Steele then clicked from Dave Holmes at 16:20 of the second half to make it 2-0. Eric Petersen scored from Holmes at 14:10 for a 3-0 lead and then Steele knocked in back-to-back goals at 10:01 and 3:31 to make it a 5-0 game.

Dave Holmes upped it to 6-0 scoring with 1:47 left on the clock. Bill Steele set up the final marker. Steele wound up with three goals and one assist while Holmes scored once and set up four other markers.

Wayne Hunter posted the Toyes Hill shutout.

Ormond Cloverdales maintained their first-place ranking hammering Crysler 8-1.

Ormond took a 4-0 first-half lead and cruised to their seventh win in eight starts.

Dan McDiarmid potted two of those four first-period goals and finished the game with three goals and one assist. Keith Young added five points to his total scoring twice and assisting on three other goals. Ian Linton had a goal and two assists.

Tony Vanderlaan fired in a single marker and Doug Sloan supplied two assists.

Ben Melenhorst lost his shutout when Crysler's Steve Boucher scored from Michel St. Pierre with 1:32 left in the game.

Morewood kept pace with Ormond winning their seventh game in eight weeks, but their victory wasn't as convincing as they just managed to nip Newington 1-0.

Laurier Menard posted the shutout while Brian Como scored the winning goal on a pass from Bill Moran with 15 seconds left in regulation time.

Dunbar Panthers were on the prowl and preyed upon Winchester flogging the Raiders 12-0.

Wayne Pitt registered the shutout while his mates were busy filling the net at the other end of the arena.

Dunbar led 4-0 at the half and 12-0 at the buzzer.

Lynn Whitteker scored four times and set up another goal for a five-point game.

Mike Hoogeveen scored three times and added one assist. Larry Gallinger netted three goals. Laurie Blanchard added two goals and one assist to his league-leading total, which rose to 24 points in eight games.

John Templeton (4), Frank Heerkens (2), Gary Gallinger, John LaBelle, and Renald Blanchard all picked up assists.

Capitals win

WINCHESTER — Winchester Capitals made a clean sweep of a pair of exhibition hockey games here Sunday morning, downing Harvex Hustlers 7-1 and the Ottawa Gators 11-4.

Jim Shaw had the lone Harvex goal as Lyle Shrigley stymied the Hustler offence in a 7-1 win. The game was 2-1 in the Capital's favor before they exploded for five third-period goals. Barry Casselman led the way with a hat trick. Paul Helmer, Pete Filion, Dan Lecours and Owen Shortt notched single goals.

In their next outing that morning, the Caps stung the visiting Ottawa Gators 11-4.

In his second game of the morning, Barry Casselman registered seven goals, helping Winchester to their win. Doug Duncan added a pair while Lecours and Owen Shortt connected for single goals.

Last Thursday night in Chesterville, Winchester's Old Hawks skated to a narrow 5-4 decision over Dunbar. Bill Hogaboam fired in two goals to lead the winners. Reg Hyndman, John Rowe and George Bloom pumped home singles.

Harvex, Winchester and the Capitals are all taking part in Williamsburg's Oldtimers Hockey Tournament in Morrisburg this weekend. The Hustlers and Caps will meet in a round robin contest Sunday morning at 8am.

Russell Warriors split Bantam games

RUSSELL — Metcalfe Mustangs got two goals from Jonathan Speek enroute to a 4-3 Upper Canada Minor Hockey League Bantam II victory over the hometown Warriors.

Peter Kruys got his charges turned around for their second encounter and the Warriors romped to an 8-0 win over the South Stormont Flyers last Friday in Long Sault.

Alain Deschamps posted the Russell shutout as his mates responded with three powerplay and one short-handed goal.

Alain Gregoire led the Warriors to victory scoring three goals and assisting on another. Bill Bourguignon fired in a pair while Jamie Paulhus and Ryan Heath connected for single goals. Keith Cheshire drew three assists while Heath, Richard Hamelin and Chris Cousineau set up one goal each.

In their season opener the Warriors gave up two goals to Metcalfe in the first period as C. Bishop and Speek scored. C. McCooeye made it 2-1 scoring 38 seconds after Keith Cheshire had connected from Al Gregoire and Faris Cornell to get Russell on the board (2-1).

Jamie Paulhus fired in a relay from Bill Bourguignon at 12:12 and closed the gap to 3-2, but the Mustangs quickly took a 4-2 lead at 9:56 when Speek poked in an unassisted marker.

Bourguignon hit from Paulhus at 11:40 and narrowed the gap to 4-3, but that was as close as the Warriors could get.

Russell dropped a 2-0 exhibition game to HGS on Sunday in Finch after playing a total of 10 exhibition matches prior to their league opener. They split games with Cumberland winning 4-2 and losing 1-0. They also lost a 3-2 preseason decision to Laroche Belair.

As of Sunday Metcalfe led the UCMHL's Bantam II standings with four points, Russell and Winchester each had two, while Chesterville and South Stormont remained winless.

Nestle dumps Packers to move into first place

CHESTERVILLE — Greg Beckstead scored twice leading the Nestle All Stars to a 7-1 victory over the formerly undefeated Winchester Cheese Packers here last Wednesday night. The victory boosted Chesterville's entry in the Winchester and District Industrial Hockey League into a first place tie (at six points) with the Packers.

In last Wednesday's other contest Ault Foods Flames burnt winless Winchester Hydro 6-3 to move four up on Hydro and to within two points of the co-leaders.

Chesterville took a 2-0 lead on the Cheese on a pair of goals by defencemen. Brent Theede scored from Pat Kelly and Ken Shay to make it 1-0 at 12:38 and then Wally VanDekemp hit from Blair Henderson to give his squad a 2-0 edge at 3:30.

Greg Beckstead hit the twine twice in the second stanza and Blair Henderson and Ken Shay fired in singles to make it a 6-0 game after two periods.

Pat Kelly scored from Pat Imrie with 7:50 left in the contest to open up a 7-0 lead. Dave Steele scored from Darren Kelly and Mike Guy with 2:23 left on the clock to spoil Jim Hume's chances for a shutout.

FLAMES WIN 6-3

Steve Sullivan and Curtis McMillan led the charge as Ault Foods Flames doubled Hydro 6-3 in last week's other game.

Paul Simms and Sullivan got the Flames ahead 2-1 in the first frame after Terry Kittner had scored from Al Porteous and Jim Whelan.

McMillan netted his second at 10:17 of the second stanza as Aults took a 3-1 lead, but Hydro narrowed the gap to 3-2 when Lee Taillefer scored from Lloyd Fawcett at 7:45.

Hydro pulled to within a goal of the Flames when Taillefer notched his second goal on a pass from Dean McIntosh at 13:45 of period three, but the Flames stormed back with a pair of Steve Sullivan markers.

Curtis McMillan led the winners with two goals and two assists. Steve Sullivan had two goals and one assist and Peter Marriner added a single goal and one helper. Paul Simms fired in a single goal. Don Simpson set up three Flames goals while Doug Coleman, Dennis Sullivan and Geoff Summers all drew single assists.

Dan Hogaboam posted the victory in the Aults net while Dan MacMartin took the loss.

The First Mountain Beavers and Cubs were formally invested in a ceremony at Nationview Public School in South Mountain earlier this month. Whelan kicks off fundraiser

EMBRUN — Former federal agriculture minister Eugene Whelan will help to kick off fundraising efforts by Hearts for Africa, a joint committee of Russell and Osgoode Township residents dedicated to helping the farmers of Ethiopia.

Whelan will be the featured speaker at a fundraising evening to be held in the Embrun recreation centre Thurs., Nov. 28. The aim of the event, according to organizer Ann Tucker, is to collect funds to support agricultural aid to Africa through World Vision Canada.

World Vision administers an agricultural package known as AGPAK which contains an array of vegetables and grain seeds. African farmers are also provided with fertilizer, pesticides and hand tools, to help them re-establish their farms and feed their families.

Because the AGPAK program is aimed at helping Ethiopian farmers to become self-sufficient again, the local fundraising effort has a long-term goal in mind, Tucker said. Local farmers in both Osgoode and Russell Townships have strongly supported the project, she added, and community members have raised $1,000 to date from area community organizations.

The World Vision AGPAK costs $225. Contributions toward purchasing these packages can be made by individuals or groups and organizations through pledge cards which will be distributed at the fundraising event Nov. 28.

Entertainment for the evening program will be provided by the Good News Singers, Pierrette Wilson and a group of African students from various universities in the Ottawa area. Refreshments will also be provided.

The highlight of the evening will be the address by Eugene Whelan, who recently travelled to drought-stricken areas of Africa. "He knows the kind of community and agricultural development aid that is so cruicially needed by farmers in Africa," said Tucker. "He will challenge those in the Embrun area on Nov. 18 to meet that need in a very practical way."

Prescott-Russell MP Don Boudria, Osgoode Township mayor Albert Bouwers, Russell Township reeve Gaston Patenaude, and Marc Ryan, president of the Richelieu Association, are also expected to attend along with other local dignitaries. Tickets, available at the door, will sell for $5 each with proceeds going to the AGPAK fundraising campaign.

Recount in Morrisburg

MORRISBURG — Although newcomer Peter McCooeye literally coasted to victory in the Morrisburg municipal race one council seat still hangs in the balance pending a recount.

The seaway village listed 1,950 eligible voters and 71 per cent of them made it to the polls on election day despite the fact both Reeve Bill Dillabough and Deputy-Reeve Bill Shearing have retained their seats by acclamation.

The final count showed McCooeye with 787 votes followed by encumbent Al Belanger with 688. For the third seat on council another rookie politician, Jim Langabeer tied former councillor Gerry Rosenquist at 631 necessitating a recount.

Bill Dillabough Jr., in his first attempt to win a seat on council, received 371 votes.

BLUE RIBBON AWARD 1985

Picking a winner

They didn't elect the next premier of Ontario this time, but the delegates at this weekend's provincial Progressive Conservative leadership convention did choose the man they believe is most likely to fill the role at the earliest opportunity.

Fellow leadership candidate Dennis Timbrell stated early in the campaign that the Tories were not yet ready to govern, and the statement may have helped to cost him the race he lost by such a narrow margin Saturday. However, the party didn't need Timbrell to tell them they face an uphill battle to regain the ground they lost under Frank Miller.

Two polls released shortly before the convention showed that the Liberals would remain in power if an election were held, no matter which of the three candidates — Grossman, Trimbrell or Alan Pope — gained the leadership.

The Tories failed to distinguish themselves in their unaccustomed role in opposition following the May 2 upset, with Frank Miller appearing to be in too much of a state of shock to provide the necessary leadership.

As the delegates were selected to choose a new leader for the second time in 10 months, Grossman emerged as the clear favorite despite his loss to Miller by 77 votes in January's convention.

As had been predicted from the beginning of the race, Grossman was the delegate's choice. But as the closeness of the final result indicates, he has to face a formidable task in rebuilding his party.

A leadership race always leaves rifts to be patched up, and this weekend's convention left the party split down the middle for the second time in a year. Leadership races are also costly — Timbrell and Grossman are believed to have spent about $2 million each in the past year in their two bids for the party leadership.

The party was exhausted and already almost $3 million in debt following May's disastrous election campaign, even before the cost of the weekend convention was added to the total.

It will be up to Grossman to restore the party's lost morale, and to put together for the voters a real alternative to the NDP-Liberal pact now directing the affairs of the legislature.

The life of Riley

by Wayne Riley

There is something about searching for the perfect gifts for loved ones on Christmas eve that gives one the feeling that the real sense of the season has been missed.

Part of it has to do with the fact that, by department store calendars at least, the season really has been missed in late December. It is hard to buy the perfect gifts for your loved ones when all the perfect gifts have been bought off the shelves and replaced by summer swimwear.

There is also something unsettling about spending Christmas eve in the middle of a hot, moving mass of people, seized by panic because they have left their Christmas shopping until the last minute.

With sweat trickling down foreheads, the piped music of white Christmasses and sleigh rides seems wildly out of place when chestnuts are roasting in the line of open fire and Jack Frost, trying to pick up the same present you are, is nipping at your nose.

And so, standing in a long cashier's line last Dec. 24 with an armful of torn and mutilated gifts — "What do you mean, you don't take cheques? It's Christmas eve." — I resolved that next year I would spend Christmas eve with my family gazing at the presents under the tree.

Yes, if Santa Claus could get his elves going on toy production Jan. 2, I could surely do my Christmas shopping before November.

Mid-November already? Darn it all, where does the time go?

I went to the window to look at the street with no snow on it, my mind fresh with memories of football playoffs and a political convention, and tried to get myself into the Christmas mood.

No doubt about it, a month was cutting it close. I was the one after all, who thought I had lots of time last February to get my tennis racquet fixed, the one still in the basement with the fist-sized hole in the strings.

So I was looking out the window, trying to gather my thoughts, when I heard someone call my name. I looked around. I was the only one in the room.

"Who's there?," I said.

"It's your Christmas Past, Wayne Riley."

"C'mon, is that you, Heidi?"

"No, it is I." The voice suddenly materialized in front of me. I sucked in my breath. It couldn't be. I rubbed my eyes. Yes, it was. A K-Mart cashier was standing in front of me.

"Take my hand," the cashier said. I hesitated and then put out my hand. In a blink of an eye the office disappeared. We were now standing in K-Mart.

"Am I in a trance?" I said. "I've heard that you can hypnotize yourself by looking out the window."

The cashier did not reply. Instead she pointed a finger. I followed and saw a man and a boy. The boy was pulling things off the shelf. The man was pulling him back by the collar.

"Hey, that's my dad," I said. "Who is the funny looking kid with him?"

"You don't recognize yourself?" the cashier said.

"What?" I looked at the boy more closely. He wasn't so bad looking after all.

"Let's get mommy a toaster, a four-slice toaster, the boy was saying. "No," the man said. "That's not a Christmas present. How about some perfume?"

"Ooo, that part of the store smells, Daddy," the boy said.

"But Mommy will like it," the man said as he moved towards the perfume section with the boy's arm in his grip.

I looked at the cashier. "Why are you showing me this?" I asked.

The cashier motioned towards a sign on the store wall. It said "18 shopping days until Christmas". I whistled silently.

Suddenly I was in front of the office window looking out at the street again. I shook my head. Maybe it was just the shock of my beloved Maple Leafs winning two games in a row.

I heard footsteps and turned around. It was my wife.

"Heidi, am I glad to see you. You won't believe the daydream I just had."

"I am not Heidi. I am Christmas Present."

Whoosh. I was in the kitchen with two Heidis. And I thought they broke the mold after they made her.

The Heidi standing beside me spoke. "While you are looking out your window at work, you wife is wrapping your gifts. She has thought about what to buy you for the last month.

I looked at my wife sitting at the table. She was humming Christmas carols as she wrapped my gifts. A tear came to my eye.

"Oh, Christmas Present, I've just been so busy. I wanted to buy my gifts early too, but time just slips by. You know how it is."

The ghostly Heidi sadly shook her head and the kitchen disappeared in a blinding flash of light.

Everything was in blackness. I groped around in the darkness. I was in bed. I must have dreamed it all. I turned on the light and jumped back as a man in a red suit with a white beard motioned to me.

"I am Christmas Future," he said. "Come here and look behind you."

I did as he said and did a double take. I was looking at myself sleeping in bed.

Suddenly the door flung open and a little girl burst into the room. She was crying.

"Mommy, Daddy, Santa Claus didn't come to our house."

"Oh no," my wife was saying as she cradled the girl in her arms. How could that be? I gave Daddy your letter to Santa Claus more than a month ago. Santa surely must have gotten it."

The Wayne I was looking at suddenly turned white. He mumbled something about forgetting to mail the letter. Both the woman and the child stared coldly at him.

"Oh Daddy," the little girl finally said between sobs, "How could you?"

I looked at the man in the red suit, my eyes brimming with tears. "It's not going to be like that, is it?" I said.

"It doesn't have to be," he said. "Not if you change your ways."

"I will, I will, I will....

"Yes, I will," I said and the window was in front of me again.

There was still no snow on the ground and the Grey Cup still had to be played, but I was singing Christmas carols.

Premier Taschereau of Quebec has dissolved the legislature and called a general provincial election for Nov. 25. He might have waited until next year before holding another battle at the polls but probably felt that the time was opportune for the plunge. The standing of the parties at dissolution was as follows: Liberals, 60; Conservatives, 9; Ind. Liberals, 1; Ind. Conservatives, 1; vacancies, 19. Premier Taschereau has headed the government since 1920 when he took the Liberal leadership following the retirement of Sir Lomer Gouin. The Liberal party has been in power in Quebec since 1897. Governments which have appealed to the people during the depression years have been thrown out on their ears. Only time will tell if the same fate awaits Taschereau.

1945

Among the repats to arrive in Canada this week on the Queen Elizabeth were: Sgt. Ken Summers, son of Mr. John Summers and the late Mrs. Summers of Winchester; Supvr. G.A. Cummings of Chesterville, son of Mr. Haldane Cummings of Harmony; Gnr. J.R. Crump, Gnr. E.L. Servage, and Gnr. R.H. Servage, all of Chesterville; L. Cpl. H.M. MacPherson of Berwick and Gdsmn. G.I. Van Allen and Cfn. W.F. Davis of Kemptville.

The Crusade for Christ and his Kingdom rally held in the local United Church last Thursday evening was well attended, with the large church auditorium being filled to capacity. Members of the United Churches of Morewood, Chesterville, Mountain and Inkerman were present, with the Winchester congregation being well represented.

1955

Willis Riddell of Mountain learned on the weekend that he was one of 16 winners in the big Grey Cup contest sponsored by the Williams Shaving Cream Company. Although he didn't win the big one — an all-expense paid trip to the Grey Cup in Vancouver — Willis did win one of the 15 secondary prizes, a deluxe model table radio. Only 16 winners were picked among the thousands who entered the contest with an eye on the Grey Cup ducats. Willis and the other winners had to identify five players in the Big 4 from scrambled letters which appeared in the contest advertisements. The correct names were Bill Albright, Pete Ladygo, Bob Simpon, Doug McNichol and Hal Patterson.

Owing to the fact that some farmers in Eastern Ontario suffered extremely heavy crop losses, and in order to ensure that these farmers will be able to maintain their livestock, additional special assistance under the federal-provincial Adverse Assistance Program may be obtained. Ontario Minister of Agriculture William Stewart announced the additional assistance is designed to ensure a more equitable treatment of farmers who have suffered severely because of adverse weather. The original assessment on a county basis did not provide for pockets of real hardship within areas where crop conditions were only slightly below average. It has been decided therefore that farmers in the counties of Carleton, Dundas, Frontenac, Grenville, Hastings, Leeds, Lennox and Addington, and Prince Edward who feel they are in need of further consideration now have an opportunity to apply for special assistance.

The Winchester branch of the Stormont, Dundas and Glengarry County Library has been moved from St. Lawrence Street to the new addition built for this purpose on the south side of the former Lannin building. The new location includes about 25 per cent more shelf space and the new stock in the library will contain books not before in Winchester.

Friends throughout the district will be pleased to learn that Fred Cass, who injured his leg in a fall a few weeks ago, has returned to his home.

Letters

Schools remembered

The Editor:

In the Nov. 12 edition of the Winchester Press, Joe Rowan commented in the 7th Column that there were no young people from the three village schools taking part in the memorial service at Osgoode Township Municipal Building on Mon., Nov. 11, adding that "no doubt there had to be a very good reason". I am hoping this letter will help to explain how our young people were involved in Remembrance Day.

An English teacher used several poems about war in his Remembrance Day class. We arranged for a display of flags, uniforms and artifacts for our front lobby through the courtesy of the Canadian War Museum. On Nov. 11 our entire student body took part in an assembly. During the half-hour program our concert band played "O Canada", "God Save The Queen", and an appropriate musical selection "Air for Band". Vivid images of the war were used in an audio-visual presentation featuring the artworks of our Canadian War Artists, including works by A.Y. Jackson and Charles Comfort. We included the reading of the poem "Aftermath" by Siegfried Sassoon and Psalm 100. Our band leader Wes Friedrich played the "Last Post" and "Reveille", and our students observed one minute of silence. I feel that it was a simple, dignified tribute to honor the sacrifice and courage of the people who fought in the First World War, the Second World War and the Korean War.

I know that my colleagues at the two elementary schools in our village had similar assemblies. At Metcalfe Public School, each class made a wreath, and one student from each class laid their wreath at a cross in the gymnasium. The students were told "The Story of the Poppy" and heard the poem "Why We Wear The Poppy". Students presented a choral reading of "In Flanders Fields". They also observed a minute of silence and the choir sang two selections. At St. Catherine's, every student in the school made a poppy to decorate the walls of their gymnasium. Father Roland Lafleur participated in their service which included a wreath-laying ceremony, a choral reading of "The Unknown Soldier", the minute of silence and the singing of "O Canada" to close the ceremony. We are unaware of what was done at the Christian School.

Today's students are now two generations removed from the devastating efforts of a world war. Since Remembrance Day is no longer a statutory school holiday, we make every effort to make the act of remembrance as meaningful and as appropriate as possible. Our teachers spend many hours preparing the program and presenting it creatively and respectfully.

I hope I have been able to clarify the issue for many of your readers.

'Walt' MacDonald is Winchester's first Honorary Mayor — a title most will agree is long overdue. Difficult to find a corner of the village not touched, somewhere over the years, by the MacDonald magic. Not easy to consider Walter a politician. He just doesn't possess that stern, dignified sobriety most politicians would have us believe they portray. Walter, much to the delight of all privileged to know him, has always approached decision-making with a touch of humor, a sly grin, determination and hard work. A formula that usually paid handsome dividends. Shortly after happily accepting the Honorary "Chain of Office" his family reminded him he was approaching a significant milestone on the road of life and, sure enough, he had another easy-to-take surprise in store — an 80th birthday party with the entire "clan" on hand. Congratulations Walter from the "house-to-house brush salesman of the '30s" to the house-to-house "Medicine Man" of the same era. By the way, we still have a hair brush we didn't sell that we'll trade for one of those bottles of "cure-all" you have in your basement.

They packed them in again last Friday evening at Greely Community Centre for another of those enthusiastic $25-a-plate fundraising dinners for the Township of Osgoode Care Centre. They called it a "NEARLY THERE" event... and that's exactly what it was. The beautiful, centrally located building is nearing completion and plans are being drafted for mid-winter admissions. Ironically, despite the many rumors that applications for occupancy far outnumber facilities, the exact opposite is true. To date the board has received only 25 applications for the 70 care units. Sue Knippel, the fired-up board chairman, whose drive and determination have never waivered, knows none of her many requests have ever fallen on deaf ears... and she's calling to you for help once more. HOLD IT! This time she's not looking for money. Sue wants flowers — the kind that do not require direct sunlight — both big ones and not-so-big ones. When you visit the modern architectural marvel you'll have to be impressed by the warm, cheerful atmosphere of the huge foyer under a sparking skylight. This is the area in need of flowers. Perhaps some readers will be eager to help. There's a place for a towering "15-footer" as well as six in the 8' range and 15 smaller ones (3' to 4'). If you can help please give Sue a call. Her number is 826-2710.

Can't let this week go by without sending out congratulations to successful candidates in last week's election and thanking all who offered their talent, but didn't quite make it. It always hurts, however, to realize so many just don't "give-a-damn" and stay home on election day. Hope they realize that, for the next three years, all of their suggestions, viewpoints and beefs will be completely ignored. Didn't plan to mention names, but get the feeling if we don't mention one newly elected Morrisburg councillor we run the risk of being disowned by two fine grandsons, not to mention one of our lovely daughters. Well done Peter (Councillor McCooeye). Understand it's customary at Morrisburg to have visiting columnists given the "Red Carpet" treatment by the municipal administration... we'll possibly be visiting your fine town at least once a week for the next three years.

What's new — in the Russell area — in 1938? Well, according to the RUSSELL LEADER, "Curling teams from Metcalfe and Russell braved slippery roads and exchanged friendly games. The Russell rinks were defeated at Metcalfe while the Metcalfe rinks were defeated at Russell." Guess when they said "friendly" in those days they really meant it.

When this week's Press rolls off the giant web newly elected municipal councils will have been elected for the future. It is always customary here in Winchester to have a member of the clergy present at the first such meeting which brings to mind the occasion when a small boy accompanied his dad. Seeing the minister the inquisitive youngster asked his father if the good man was there to pray for those elected. *"No, my son,"* explained the man with the experience, *"he looks around at the newly elected slate ... and prays for the village."*

And it says here that a secret is something everyone knows, but a small town newspaper can't publish.

Farlinger tops in Dundas

4-H club members honored at county awards banquet

WINCHESTER — Mike Farlinger is number one in Dundas.

A county 4-H member, Farlinger won the $350 Ottawa Citizen Award as the top club member in Dundas in 1985, based on club work and citizenship. Receiving the award at the annual Dundas 4-H awards banquet at the community centre here last Thursday night, Farlinger has been a 4-H member for six years and has completed nine clubs.

In September, Farlinger travelled to Madison, Wis. as one of four representatives from Ontario to the World Dairy Expo, and recently attended the 4-H National Conference in Toronto. Describing his travels at Thursday's awards banquet, he called the experience a "once-in-a-lifetime opportunity."

Farlinger, 18, was selected Grand Champion Showman for Dundas County and was a member of the 4-H Veterinary Club and the Field Crops Club. He hopes to pursue a post-secondary education and to obtain a degree in agriculture.

Rhonda St. Pierre, who emceed the evening program, won a $250 Ottawa Citizen Award as the club member scoring second-highest in club work and citizenship. St. Pierre, 18, has been a member of 4-H for seven years, completing 22 projects. She led the leadership project this year and was chosen to attend 4-H leadership camp. She also received a Canada Day Awards certificate.

St. Pierre is currently attending Algonquin College in a bilingual secretarial studies course.

The county's third-highest scoring member, Susan VanDenBroek, 20, was awarded $200. She has completed 25 4-H projects, and was chosen this year to attend Future Talk. VanDenBroek will receive her 24 project completion award, a print by a Canadian artist, this year.

She is presently employed at the Market Garden Centre in Oxford Mills.

Rita Byvelds, a member in the Dundas County 4-H program for nine years, received the Ault Foods Ltd. Award, a gold watch, as the club member selected fourth highest in club work and citizenship.

This year, Byvelds will receive her 24 project completion award. This year, she was a member of the Beef Club, the Field Crops Club and the Veterinary Club. She will be receiving a special certificate this year for remaining in the 4-H program to the age of 21.

Byvelds is working toward her Bachelor of Science degree at McGill University, majoring in animal science.

The Dundas Plowmen's Award for the county's fifth-highest scoring 4-Her went to Steven Schneckenburger, a member for six years. A member of the Reach for the Top team this year, Schneckenbruger also belonged to the beef and field crops club and the veterinary club. He has completed a total of 17 projects.

Schneckenburger is enrolled in the engineering program at Carleton University.

The top members in each of the county's 4-H clubs were also recognized at Thursday night's banquet.

They are: Kelly Durant, Beef Club (Mutual Products Ltd. Award); Darlene Derick, Horse Club (Ritchie Feed and Seed Award); Tracy Henderson, Field Crops Club (Weagant Farm Equipment Ltd. Award); Lindsay Rodger, Veterinary Club (Dr. K.B. Kennedy Award); Patricia vanWylick, East Dundas Dairy Club (Ormond RA Award); Mike Farlinger, South Dundas Dairy Club (Bank of Montreal Award); Marjorie Rose, West Dundas Dairy Club (Bank of Montreal Award).

Breed association awards were presented to various members by the Grenville-Dundas Ayrshire Breeders' Club, the Dundas Holstein Club, the Ontario Hereford Association, the Ontario Simmental Association, the Ontario Charolais Association, the Ontario Limousin Association and the Ontario Brown Swiss Association.

The CNE Shield to the high first-year Calf Club member in dairy cattle judging went to Darlene vanWylick.

The late Mel Tomkins trophy to the Champion 4-H dairy showman in Dundas County was awarded to Mike Farlinger.

Mary Byvelds received the Dundas County Milk Committee award for the highest-scoring intermediate 4-H member of members in dairy cattle judging. The milk committee award to the highest-scoring senior member went to Robert Byvelds.

The Vanden Bosch award for the top 4-H beef steer was awarded to Kelly Durant, who also received the Lanwin Farms Award for the top 4-H beef heifer.

East Dundas Dairy Club picked up the Chesterville Junior Fair 4-H Club Award for the top dress-up stall at the 4-H Achievement Day.

The Trenant Trophy for the most improved member in the Dundas 4-H Horse Club went to Darlene Derick.

Russell Sutherland, top 4-H beef showman in Dundas, received the Earl's Meats Ltd. Trophy.

The South Dundas Dairy Club, led by Bruce Garlough, Dalton Hart and Francis Henderson, won the H.S. Lannin Trophy, presented each year to the Dundas 4-H club showing the greatest interest and participation in 4-H work, based on attendance at meetings and percentage completion.

Patricia vanWylick picked up the Ronald Thompson Memorial Trophy as top showman in the East Dundas Dairy Club.

The Royal Bank of Canada Award for the 4-H secretary with the neatest and most complete secretary's record book was presented to Heather Thom.

Rhonda St. Pierre received the Wileaway Farms Award as top member in the Dundas 4-H Member Council.

The Lions Club of Winchester award for the high scoring boy or girl in Dundas County 4-H calf clubs went to Patricia vanWylick.

Awards for members completing their final year in 4-H were given to Susan VanDenBroek, Rita Byvelds and Carol Johnson. VanDenBroek and Byvelds received completion certificates for 24 projects.

Daren Loucks received a completion certificate for 18 projects, and certificates for completion of 12 projects went to Rosanne Dentz, Tracy Henderson, Julia Toonen, Karen Johnston, Karla Johnston, Lindsay Rodger, Robert Byvelds, Leo Streng and Dennis Garlough.

Club leaders were not neglected in the presentation of awards Thursday. Certificates in recognition of 20 and 10 years' service went to Bruce Garlough and Eunice Johnston respectively.

Week for achievers

WINCHESTER — It's that time of year again when the hard work of area 4-Hers will be recognized in the traditional Achievement Programs.

Project completion awards and special presentations for this year's Actionwear clubs in SD&G will be made at three achievement programs to be held in each of the counties.

The Dundas program will be held Wed., Nov. 27 at Maple Ridge Public School, beginning at 7:30pm. Glengarry's program is scheduled for Mon., Nov. 25 in Alexandria, while Stormont awards will be given out Sat., Nov. 30 at Tagwi Secondary School in Avonmore.

SD&G Rural Organization Specialist Kathy Simpson also reports that a Leadership Pursuit course will be held this winter, focussing on the development of leadership and communication skills.

Eight sessions, to be held Wed., Jan. 22 to Wed., March 12 at Finch Community Hall, will cover such topics as effective speaking, involving and recruiting members, duties of executive members, stress management, community resources and communication skills.

Thank You

To all Mountain Township supporters and volunteer helpers for your confidence in me.

Dundas man given OIA award of merit

Morrisburg beef farmer and cash cropper Martin Schneckenburger was the 1985 recipient of the Ontario Institute of Agrologists' Award of Merit. Presenting the award to Martin and Evelyn Schneckenburger is John Curtis, principal of the Kemptville College of Agricultural Technology.

WINCHESTER — Morrisburg beef farmer and cash cropper Martin Schneckenburger was the surprised recipient of the Ontario Institute of Agrologists' 1985 Award of Merit.

Receiving the award Tues., Nov. 12 at a meeting of the St. Lawrence branch of the OIA in Winchester, Schneckenburger is an active member of the agricultural community.

A founding member of the Ontario Corn Producers' Association, he is currently serving as director for the association's Region 1. He has also served as president of the Dundas Soil and Crop Improvement Association and the Eastern Ontario and Western Quebec Jersey Club, and as president and provincial director of the Dundas Federation of Agriculture and the Dundas Cattlemen's Association. Schneckenburger served on the Ontario Ministry of Agriculture and Food's Adverse Weather Loan Board in 1973, and on the OFFIRR appeal board this year.

Schneckenburger began farming in Dundas County in 1956 as a Jersey breeder, and was elected Dundas County Farmer of the Year in 1967. In 1970 he sold his Jerseys and started a beef feedlot and cash crop business which he continues to manage.

In 1979 Schneckenburger received an award of merit from the Eastern Ontario Soil and Crop Improvement Association.

Royal reserve for area Simmental

KEMPTVILLE — Maplestone Ecstasy, a Jan. 1985 Simmental heifer owned and bred by Jim McGill-Maplestone Farms, RR3, Kemptville was awarded Reserve Calf Champion at the 57th annual Royal Agricultural Winter Fair in Toronto last week. There were just under 50 calves entered this year.

This very flashy heifer is currently en route to Louisville, Ky. to attempt to better her full sister, "Maplestone Fantasy's record of being class winner there last year. The North American International Livestock Exposition, held yearly in Louisville, is rated by many as being one of the largest livestock shows in the United States, second only to Denver, Colo.

Wise pledges action on deluge of FCC briefs

Majority favors revamping

OTTAWA — Federal agriculture minister John Wise has pledged to take action soon on recommendations received from farmers, farm organizations, provinces and financial institutions in response to a public appeal for input on the role and mandate of the Farm Credit Corporation (FCC).

"The input received reflects the diversity of opinion of Canadian farmers regarding both the nature of the current financial situation in the agricultural community and the extent to which the FCC can and should assist," said Wise.

A total of 63 submissions were received, 42 from individual farmers, three from provincial governments and three from other individuals or organizations. FCC staff also sought the opinion of all major farm groups, provincial governments and agencies, commercial lenders and academics.

Recommendations are being drawn up for consideration by the cabinet based on the input received, Wise said.

According to the FCC's summary of this input, the briefs addressed the questions of who should be served by a federal farm credit program, what service should be delivered and what policies and institutional structures were needed to deliver these services.

"Perhaps what is most striking about the suggestions received is their variety," the FCC summary stated. "On the basis of the briefs received, it appears there are several common concerns about financial problems in the farming community, but a number of differing opinions on the solutions."

One issue on which there was a consensus of opinion was that "high interest rates and high

John Wise

levels of debt are a problem for farmers, straining their cash flows in an era of low commodity prices and rising input costs," the summary stated. "But there was little consensus on how to solve the problem."

Although one national commodity organization argued that subsidies and other programs creating artificially lower interest rates reduce competitiveness and efficiency, most submissions argued in favor of some form of interest rate subsidy.

"Farmers are essentially price takers, not price setters, and income from farming tends chronically to be low in relation to the capital and labor devoted to it," said one national farm organization. "Interest rates must be, for all farmers, at levels that make possible a reasonable level of profitability in the industry."

The briefs also addressed the issues of interest rate subsidies, assistance for beginning farmers, the credibility of the FCC, the federal role in agricultural credit, the target market for these services, and financial counselling for farmers.

Opinions on interest rate subsidies tended to be split between those in favor and those opposed to government intervention in the economy, the FCC summary said. A number of farm organizations and farmers also took the point of view that farming was more than a business — it is a way of life.

According to one Ontario farming couple worried about falling behind in their loan payments:

"We are both well educated people and have chosen farming as a way of life rather than a commercial venture — Is it not unreasonable for us to lose everything we worked for over 20 years just because we cannot receive the co-operation of lending institutions or FCC? We are not asking for a hand-out — just assistance to realize a reasonable profit for our efforts."

One broad area of agreement in the briefs was on the question of assistance for beginning farmers. Commercial lending institutions, farmers, farm organizations and academics agreed that farmers need assistance when establishing their businesses because of the high capital investment required and the risk involved. The FCC's lending is currently aimed at farmers who have a reasonable chance of establishing an economically viable farming operation, but who present too great a risk to obtain credit from commercial institutions. Much of this group consists of beginning farmers.

Prescriptions for specific reforms varied widely, according to the FCC, although the majority of briefs argued that current financial options available to farmers are inadequate. Some farm groups wanted farm credit to be the sole responsibility of government, while others suggested all farm credit services should be delivered through commercial lenders.

Another proposal involved the creation of a farmer's bank which would work with the FCC or the conversion of the FCC into a farmer's bank.

The majority of briefs "favored retaining FCC as an institution, but giving it more tools to serve farmers or financing it in such a way that interest rates could be reduced," the summary stated.

Initiatives detailed at St. Thomas rally

OTTAWA — The federal government will initiate new programs to aid farmers in financial difficulty, agriculture minister John Wise told farmers at a rally in St. Thomas, Ont. earlier this month.

Calling the federal government's record to date "the best record on agriculture you've seen from the federal government in a very long time", Wise said "This government will continue to work with you toward finding the solutions I'm sure all of us want".

At the Nov. 9 rally, organized by various Ontario farm groups, Wise said action has to begin before Christmas to introduce farmer - creditor arrangements legislation "so the farmer and his creditors can be brought together under court or equivalent procedures, and reasonable accommodations reached or ordered".

Wise also referred to consultations with the Minister of Consumer and Corporate Affairs on amendments to the bankruptcy act to give special consideration to farmers and fishermen.

Wise recently issued a summary of submissions from farmers, farm organizations, provinces and financial institutions received in response to a public request for input to his review of the Farm Credit Corporation's role and mandate. He said he planned to act soon on recommendations from the review. A moratorium remains in effect on FCC foreclosure actions.

Wise said details are to be announced for the 1985 federal stabilization payments for slaughter cattle and hogs. The hog payment will cover the April 1-Sept. 30 period and total about $23 million nationally, he said. The payment on slaughter cattle will amount to about $18 billion for the calendar year to Sept. 30.

"The federal government is spending more than $2 billion a year on agricultural programs, and provincial contributions bring the annual total across the country to $3.7 billion," Wise said.

The expenditure is justified, he added, because the agri-food sector is responsible for 12 to 14 per cent of Canada's total gross domestic product. Exports of agri-food products account for about 10 per cent of all Canadian exports, and the sector generates about 17 per cent of all Canadian jobs, he said.

Among agricultural initiatives of the past year, Wise said, were interest rate write-downs on more than 5,000 FCC loans, and the strengthening of the mandate for FCC appeal boards to include reviews of foreclosure cases. The federal government has also introduced a new shared-risk farm mortgage program.

Other federal expenditures included advance payments to tobacco farmers, $6.5 million to the Ontario Veterinary College in Guelph, a total of more than $137 million in capital projects for agricultural research in Canada, a tax exemption of up to $500,000 on the sale of farm property, and the lowest interest rates on FCC loans since 1979.

Top 40 Sale sets records

CHESTERVILLE — A sale of 40 purebred Holsteins here Nov. 11 set new records for both individual and group sales in Eastern Ontario.

Bidders among the estimated crowd of 800 set an average price of $7,000 for the two to six-year-old home-bred by Sunnylodge Farms of Chesterville.

The Top 40 Sale, held under a tent on the Chesterville farm, produced a top bid of $32,500 for three-year-old Sunnylodge Elevation Jan "GP" (188-226 BCA). The buyer was Terry Beaton of Cumberland. The contending bid was made by Gillette Farms of Embrun.

The price was the highest ever paid for a Holstein female at a public auction in Eastern Ontario.

A four-year-old, Sunnylodge Magic Elevation "VG", produced the second highest price of the sale with a bid of $25,000.

Unimex Genetics of England gave the sale an international scope with a successful $19,500 bid for Glenstor Barbie ET "VG". Other sales included one to the United States and five to the Maritimes.

Sunnylodge Farms owner Carl Smith, who said the sale was held to cut down the size of his herd, called the sale "quite a success."

"We're pretty happy with the results," he said. "It's quite an average (sale price) when you consider what (Holsteins) have been selling at recently."

Smith said the animals sold at the auction represent "between 10 and 15 years" of breeding work.

"I don't think a fellow could go through a sale like this more than once in his lifetime," he said. "It's pretty nerve-wracking."

Although he had expected a good turnout, Smith said the overflow crowd was surprising.

"It was good to see," he said. "Our name has become known through cattle shows and our name is known for good cattle. It makes you feel good to see the results of that."

METALERT® II
protects cutterheads and cows

When it's time to chop, you want a machine that keeps on going. With the Model 782, the optional Metalert® II electronic metal detector prevents costly cutterhead damage. It detects tramp iron in both swath or windrow and stops the feedrolls automatically. The metal doesn't enter the cutterhead. So you reduce hardware disease by keeping chopped metal out of your livestock feed. The 12 cutterhead knives are easy to keep sharp. So you get a better chop. If you want high quality forage with fewer repairs and less downtime, the "782" is for you.

4-Hers active on local, provincial fronts

WINCHESTER — Dundas County 4-H members certainly lived up to the motto "learn to do by doing" this year as they attended an active round of camps, conferences, shows and achievement programs.

Dundas was represented at a 4-H leadership camp in Huntsville June 26 by Rhonda St. Pierre, one of 103 delegates from across the province. According to St. Pierre, delegates learned how to write a resume, how to compose a covering letter, organize a meeting, arrange a seating plan and other useful leadership skills.

A dozen Dundas 4-Hers also took part in the 1985 regional conference held July 8-10 at Kemptville College. Local participants were Danny Byvelds, Johanna Sluiskes, Brenda Geurkink, Karla Johnston, Karen Johnston, Julie vanWylick, Ed Byvelds, Lindsay Rodger, Lesley McIntosh, Lianne Rystenbil, Dennis Garlough and Shawnalee Mark.

The conference, focussing on the theme "Year of the Youth", covered 4-H members' goals in the social scene, school, home and the 4-H movement. The conference aimed at encouraging members to develop new talents such as public speaking, group participation and performing on stage.

Dundas and Grenville counties joined forces July 24 at Kemptville College to take part in the county judging competition. Senior champion in the competition was Robert Byvelds, while the intermediate championship went to Mary Byvelds. Novice champion was Darlene van Wylick. Horses, beef, dairy, sheep, and hay were judged.

A joint project of the Dundas Holstein Club and county 4-H clubs was Clipping Day, held Aug. 12 at the farm of Bert Smail. Eighteen members from Dundas dairy clubs learned techniques of calf clipping.

Another highlight in August was the Central Canada Exhibition 4-H Club Camp held at Kemptville College Aug. 20-21.

Fifteen members from Dundas took part, joining a total of 150 participants from various counties. Topics of discussion included public speaking, press reporting, social recreation and creative exhibits. In one session, Visions of the Future, four former 4-H members discussed their experiences in the 4-H movement and later accomplishments. Participants proceeded to the Ottawa Exhibition to take part in judging classes.

County clubs held their achievement program Aug. 24 at Chesterville Fair.

On Aug. 27, leader Francis Henderson and 4-H members Mike Farlinger, Robert Byvelds and Patricia VanWylick participated in the Eastern Breeders Inc. Future Dairymen's Competition. A total of 14 counties were represented in the competition, held at Kemptville College. The program included sire selection, dairy cattle evaluation, milk recording, and general knowledge quizzes. The Dundas team placed fifth out of 14, while Mike Farlinger placed first overall.

Farlinger was one of four Ontario 4-H members to travel to Madison, Wis. to attend the 4-H Dairy Conference. Six provinces and 26 U.S. states were represented at the conference, which featured a number of guest speakers on the agricultural industry. After touring Dairy Farm, America ers, the National Dair and the dairy barns University of Wiscon gates watched the W Expo Show.

Dundas County wa represented at the Ontario and Western Championship Calf Show, the Ottawa Winter Fair, Oct

Dundas 4-Hers Pam Carki Angela Holmes, Rhonda Pierre and Steven Schneck burger made up one of 26 tean from across Ontario taking pa in the fourth annual Reach for t Top competition in Baden, On Oct. 18-20.

Happy 80th

Mrs. Harold Waddell (Mae to a host of friends) was guest of honor at a gala Stanley Apartments birthday party last Saturday evening. Mrs. Waddell, a resident of the Metcalfe complex, was celebrating her 80th birthday with family members joining neighbors to make the occasion a memorable one. The following day, at Russell Curling Club, family members (four sons, five daughters, 25 grandchildren and nine great grandchildren) were joined with more of the popular lady's friends and neighbors for another enjoyable celebration. The Press joins in extending good wishes. Press Photo—Rowan

Interment was at Maple Ridge Cemetery.

Interest in Girl Guides surges during 50th anniversary year

by Lois Rosenquist

MORRISBURG — The 1985-86 season of Nation Valley District Girl Guides is off to an encouraging start. Registration is up from last year's figures in all five communities. There are 40 adult members, 136 Brownies, 104 Guides, 18 Pathfinders, four Rangers and one Junior Leader accounting for the highest number ever registered in Nation Valley.

An outing for Guiders at Stage West held Sept. 16 started the season of Guiding. It was the first time adult members had set aside time for their own enjoyment. After the numerous activities of anniversary year, the evening was timely and appreciated by all.

The district bid a reluctant farewell to two members who have made a substantial contribution to Guiding; AnneMarie Dawley who served as commissioner and ranger leader last year as well as Jacqueline Hudson who served on the Division Council in 1984-85. AnneMarie has been active in Nation Valley since 1978. Her ability to organize camps and her youthful enthusiasm encouraged many timid adult campers to give camping a try.

Jackie was Guider in charge of the Chesterville Company since 1981. In taking on the extra position last year she became Assistant Guider. Jackie received a promotion in the Nestle Company and is moving to Chatham, Ont. We wish her success in her endeavors.

Executive council members are: district commissioner, Eunice Johnston; deputy, Janice Buter; recording secretary, Marilyn Johnson; treasurer, Heather Whitteker; international advisor, Cynthia Whetter; camp advisor, Catherine Whetter; and district Guider, Lois Rosenquist.

A successful patrol leader training was held on Oct. 18 and 19 in Chesterville. Twenty-four Guides and four adults spent Friday evening camped on the floor of St. Mary's Parish Hall. Saturday was devoted to learning leadership skills to equip patrol leaders for the year ahead. Sandra Beacock, area trainer from Perth led the training. District Guide leaders are grateful for Chesterville Guiders who looked after all the necessary physical arrangements for the training — especially the food!

Highlights of activities in the various units include a "get acquainted" sleepover held for 32 Morrisburg Guides and tulip planting at the senior citizens' complex by the Williamsburg Brownies and Guides. The Williamsburg Units also held an indoor campfire.

A businessmen's luncheon was held by the Winchester Guides and Pathfinders. Service work (sale of daffodils) by Nation Valley Pathfinders and Guides for the Canadian Cancer Society will be acknowledged at the Ottawa Area Cancer Society banquet in Morrisburg on Nov. 16. The Morrisburg Pathfinders will be serving at this banquet as well. District Pathfinders got together for an evening of bowling. Other joint events are planned for the future. Many units held Halloween parties. A new twist to the annual event took place in Chesterville when the Pathfinders organized and carried out the Halloween party for their little sisters. Iroquois Guides each invited a friend to their Halloween dance, complete with live disc jockey.

THE REGIONAL MUNICIPALITY OF OTTAWA-CARLETON

Get in on the future!

The Regional Municipality of Ottawa-Carleton is reviewing the regional official plan. This plan was first adopted in 1974. It established:

- the urban communities of Orleans, Barrhaven, and Kanata
- the Transitway system
- conservation and recreation areas such as the Marlborough Forest, Petrie Island, Long Island, and Morris Island
- the Hunt Club Bridge

The Official Plan needs updating. Things have changed. The services the Region provides must be properly planned. In addition, citizens and business look to the Region's plan for their own planning. The Planning Department, with the assistance of other departments, is proposing new policies for the plan:

- Barrhaven should be expanded to accommodate growth in population
- Orleans is a top priority for new road and Transitway links
- a new north-south road along the CP line near Champagne Street is needed to take pressure off Preston, Bronson, Parkdale, and the central section of the Queensway.
- the majority of new employment should occur at major employment centres at South Keys, the new Gloucester City Centre at Blair and Ogilvie, the new Nepean City Centre at Woodroffe and Baseline, and the town centres in Orleans and Kanata
- agricultural lands need to be protected by stronger policies.

To encourage your involvement, planning staff has prepared a brochure and a series of discussion papers. Seven open houses are scheduled. Get involved and find out what is proposed!

PUBLIC NOTICE

THE CARLETON BOARD OF EDUCATION

Under the Public Libraries Act, 1984, the Carleton Board of Education will nominate one representative to the Cumberland public library board, and two representatives to each of the public library boards of Gloucester, Goulbourn, Kanata, Nepean and West Carleton. Nominations will be made to the respective municipal councils for three year terms.

Persons wishing to volunteer to serve on the public library boards are invited to send their resumes to:

P.A. Laverance
Manager of Board Services
The Carleton Board of Education
133 Greenbank Road
Nepean, Ontario
K2H 6L3

Applications should be received by 22 November 1985. To be eligible for appointment, a person must be a Canadian citizen, 18 years of age or older, and resident within the municipality served by the respective library boards

S.J. Berry
Director of Education

H. Hansen
Chairman of the Board

THE CARLETON BOARD OF EDUCATION

NOTICE OF MEETING

ELECTIONS TO CARLETON ADVISORY COMMITTEE ON FRENCH LANGUAGE EDUCATION

To French-speaking residents of the Townships of Cumberland, Goulbourn, Osgoode, Rideau, West Carleton and cities of Gloucester, Kanata and Nepean;

Under the provisions of the "Education Act 1980", a meeting of the French-speaking residents of the above-named municipalities, comprising the Carleton School Division, will be held:

Thursday, 5 December 1985 - 8:00 p.m.
École secondaire Louis-Riel
1655 Bearbrook Road
Gloucester, Ontario

for the purpose of electing six French-speaking residents to the Carleton Advisory Committee on French Language Education, and to consider any other matters brought before the meeting.

Candidates may obtain nomination forms from Board Services, The Carleton Board of Education, 133 Greenbank Road, Nepean (820-1820, local 415), at École secondaire Garneau (824-6300), at École secondaire Louis-Riel (837-2216) and at École Séraphin-Marion (748-7636). The completed forms may be returned to Board Services, in advance of the meeting, or on the evening of the elections, to the Chairman of the meeting.

S. J. Berry
Director of Education
and Secretary of the Board

H. Hansen
Chairman of the Board

Thank you

Thanks to the people who nominated me, worked for me and voted for me. Also the ones who didn't vote for me so I have a rest for three years. Good luck to the new council.

Albert St. Pierre

To the electors of Williamsburg Township

I would like to offer my thanks for your support in the past election.

THANKS AGAIN,
GRAHAM HESS

CONSEIL D'EDUCATION DES COMTES DE
Stormont, Dundas & Glengarry
COUNTY BOARD OF EDUCATION

Notice of Formation of Special Education Advisory Committee

In accordance with the Education Act, School Boards are required to form a Special Education Advisory Committee to coincide with the term of each Board. The next term will extend from Dec. 1, 1985 to Nov. 30, 1988.

The Special Education Advisory Committee may make recommendations to the Board of Education relative to any matter affecting the establishment and development of Special Education programs and services for children who have special physical, mental, or emotional needs.

Any local association or organization of parents within the board's area of jurisdiction, (excluding associations of professional educators) which is incorporated and operates throughout Ontario to further the interest of exceptional children or adults may be considered for representation on the committee.

In addition, candidates are being sought to represent English-speaking and French-speaking ratepayers respectively. Candidates must reside within the Counties of Stormont, Dundas and Glengarry, including the city of Cornwall, be a Canadian citizen and be 18 years of age or over.

Any association or candidate meeting the requirements outlined is invited to apply by Dec. 5, 1985 to:
