## Canada Starch Expands Business

The Canada Starch Company Limited has expanded its business into the synthetic polymer field through an association with Dural Products Limited. The acquisition, for cash, of a minority interest in Dural is being made by Corn Products Company, the multi-naitonal organization with which Canada Starch is affiliated. The announcement was made today by M. Elston Fee, President of Canada Starch, and Dezider Debnar, President of Dural Products.

Dural Products manufactures its product line at its Dorval, Quebec, plant and distributes resin emulsions, adhesives, paints and other finishes to such customers as the furniture, paper converting, leather goods, and building trades industries.

Canada Starch Company is a leading manufacturer and marketer of table and household products for the consumer, and is also a leading producer of industrial products, including natural polymers, derived from corn starch. Headquartered in Montreal, Canada Starch has manufacturing facilities in Cardinal, Ontario, and in Lennoxville, Quebec.

Under the new arrangement, Canada Starch and Dural Products will work closely to develop new resin-starch emulsion combinations designed specifically for the paper-coating and textile industries. Research and technical sales efforts of the two companies will be coordinated, but no changes in the management or operation of either Canada Starch or Dural Products is contemplated .

## Lutheran Church Women Meet

Mrs. Miriam Salmon was hostess for the January meeting of St. Paul's Lutheran Church Women and conducted the devotions and the business. Mrs. Hugh Shennette read the Scripture.

A new member, Mrs. Leonard Barclay was introduced.

Officers for the next 2-year term are president, Mrs. Miriam Salmon; first vice president, Mrs. Hugh Shennette; 2nd vice president, Mrs. Velma Casselman; secretary, Mrs. Reatha Riddell; treasurer, Mrs. Charles Hummell.

A gift of a cup and saucer was presented to each of the three ladies who had been the first President, Secretary and Treasurer of the new organization created two years ago, and who are continuing in office.

The Secretary read letters of thanks from shut-ins of the congregation who had been remembered with Christmas gifts.

The President reported on the Christmas Service presented at the Nursing Home by L.C.W. members.

The Altar Committee will be Mrs. Ed Casselman and Miss Ethel Gordier for January and Mrs. Walter Bowman and Mrs. Kemp Beckstead for February.

After discussing the Treasurer's Annual Report, it was decided to send an additional gift to the Synodical organization.

Rev. F. L. Howald closed the meeting with prayer.

Lunch was served by Mrs. Vi Wallace and Mrs. M. Salmon.

## Pay Final Tribute to Rev. J. Maxwell Allan

Funeral service for Rev. John Maxwell Allan who died on Monday January 4 at his home, 23 Liverpool St., Guelph, was held on Wednesday, January 6, at McIntyre & Wilke Funeral Chapel, Guelph at 2 p.m. Officiating were Rev. H. Bagnell, minister of Dublin St. United Church, Guelph, assisted by Rev. R. J. Herlihey of Trinity United Church, Grimsby and Rev. Dr. Bruce Gordon of St. Catharines. Rev. Dr. Gordon, a family friend, delivered the brief message.

Pall bearers were nephews of the late Rev. Allan, all bearing the name of Allan. Burial was in Woodlawn Cemetery at Guelph.

Rev. Allan was minister at Lakeshore Drive United Church, Morrisburg for ten years prior to his retirement in 1961, and during his years in Morrisburg was active in community organizations. The new addition to Lakeshore Drive United Church, built at the time of Seaway rehabilitation bears the name "Allan Hall" in his honour.

He is survived by his wife, the former Rhoda Faris, two sons, Donald of Windsor and John Maxwell of Guelph, and one daughter, Mrs. J. P. Lee (Isabel) at Putney, Vt .There are ten grandchildren.

The wealth of floral tributes, contributions to various societies, and messages of condolence testified to the esteem in which Mr. Allan was held.

## A SNOWMOBILE IS A MOTOR VEHICLE

Is a snowmobile a "motor vehicle" that needs license plates and a licensed driver?

If it is operated on a road or highway, the answer is "yes".

An official of the Ontario Department of Transport said many enquiries have been received this winter about the legal status of nowmobiles. The growth of interest apparently stems from increased use of these vehicles especially in the northern parts of the province.

He said a snowmobile is definitely a motor vehicle within the meaning of the Highway Traffic Act when it is on a street, road or a highway.

This means that all the regulations applying to cars and motorcycles on roads or highways also apply to snowmobiles — for example they must have vehicle permits and licence plates, have proper headlights, tail-lights and brakes, and be operated b ya driver who is at least 16 years old and has a driver's licence.

For licencing purposes, snowmobiles are classified as follows:

Passenger-carrying snowmobiles with two skis at the front and individual tracks on each side at the rear are classified as "passenger vehicles".

Those with two skis at the front and a single endless drive belt at the rear are classified as "motorcycles". Snowmobiles | equipped wit htruck or delivery bodies are classimied as "commercial vehicles" Snowmobiles which carry passengers for hire are classified as "buses".

When nowmobiles are operated in places other than streets, roads and highways the provisions of the Highway Traffic Act are not applicable.

## FILM ON BRAZIL IS FEATURE OF FIRST U.C.W. MEETING

At the first meeting of 1965 of the United Church Women of Lake shore Drive United Church, Rev. W. J. March presented a film and commentary on Brazil. Members of the Explorers group and the C. G.I.T. were present at the meeting held in Allan Hall. The film explained that opportunities for communicating the gospel in that country are unlimited and needs are great. Among existing problems are inflation, hunger, extremes of wealth and poverty, culture and illiteracy, industrial development and primitive conditions.

The meeting was conducted by Mrs. Clifford Larmour, president, assisted by Mrs. Greta Strader, secretary and Mrs. Harold Jones, treasurer. The president welcomed the guests.

Miss Dorothy Flower led Scripture reading, hymn and the Lord's Prayer repeated in unison. The offering was dedicated by members of the Explorers group.

An executive meeting will be held Thursday, January 14 in the church parlour at 8p.m.

The speaker was thanked by Mrs. James Jordan. The meeting closed with prayer by Rev. March, followed by refrehments.

## Historical Society Hears Reports

Miss Phyllis Stephenson, corresponding secretary for Grenville Historical Society presented a report to members stating that initial steps were taken during the past year in the restoration of the Block House at Merrickville, which will be developed as a museum. Wolford and Merrickville members of the Society are enthusiastic and keenly interested so the success of this purposeful and educational project is assured, which will be an added tourist attraction in the area.

Dr. Charles S. McWilliam was named chairman of a committee to consult with Augusta Township Council regarding the most efficient method of establishing a "school museum" at Maitland. Plans are still in the making. Relics such as those found in an early pioneer school are being located: school texts, slates, slate pencils, ink wells, maps, quill pens and other related articles.

Plaque ceremonies during the past summer, honouring two early pioneers Captain Justus Sherwood and Dr. Solomon Jones, and the Augusta Township field trip were outstandingly successful activities.

The next meeting of the Historical Society will be held in Central Public School, Prescott, March 17, at 8p.m. when reports from Committee members will be given and plans for the coming season will be outlined.

## Bert Carman Dies in Toronto

Bertram Hayunga Carman, a native of Morrisburg and a former piano teacher at the Royal Conservatory of Music, Toronto, died Monday, January 4th in a Toronto hospital. He was in his 9t0h year.

Mr. Carman, born in Morrisburg, taught at the Conservatory for 45 years .He was educated in Morrisburg and studied piano in London under Tobias Matthey and in New York under Edith Newcomb. He taught many well known Canadian pianists, including Margaret Anne Ireland, who was acclaimed on a recent tour of Russia.

Mr. Carman joined the Conservatory in 1910, working under its first principal, Dr. Edward Fisher. He retired in 1955 when he suffered a serious stroke, shortly after receiving a special citation in recognition of his service to the conservatory.

He was the last surviving member of his immediate family. His sister, Mrs. John F. Casselman of Morrisburg, died New Year's day and was buried the day before Mr. Carman's death. He leaves one nephew, Carman Casselman at Morrisburg.

Funeral service was conducted Thursday, January 7th at Williams Funeral Chapel in Toronto. Burial was in Mount Pleasant cemetery at Morrisburg.

## Ont. Hybro Maps Long Range Plans

Ontario Hydro enters 1965 with a full-scale nuclear power program under way.

"Last year was a decisive one in the 58-year history of Hydro", said Chairman W. Ross Strike. "We announced plans to build a major nuclear station and such is our confidence that we foresee the probability of 3.2 million kilowatts of nuclear power in the province by 1975".

Nuclear, coal fired and hydro-electric projects announced last year will add up to 3,240,00 kilowatts to Ontario Hydro's generating resources by 1971 said Mr. Strike and will represent an expenditure of $514 million.

"Increasing demands for electric power during 1964 reflected the continuing buoyancy of Canadian industrial production and consumer expenditures", he said.

Demands in Hydro's East and West Systems reached a high of 7,220,000 kilowatts last month. This figure represents an increase of 6.2 per cent over the December 1963, peak of 6,797,000 kilowatts. The long-term average increase is 6.5 per cent a year.

Mr. Strike forecast that electric power demands, a sensitive barometer of economic activity, will advance b yat least 6.5 per cent in 1965.

"There are ample grounds fof confidence that the present expansion in the business and industrial community will continue strongly", said Mr. Strike.

Mr. Strike said Ontario's long-range planning takes into consideration power demands which double every 1 0to 12 years. The current program calls for construction of nuclear and coal-fired stations in conjunction with developments of the few remaining hydro-electric sites capable of economic development in the province.

Detailed engineering design and construction planning for a 1,080,-000-kilowatt nuclear power station, scheduled for operation by 1970, will continue in 1965. The site, 20 miles east of Toronto in Pickering Township, has been approved by the Atomic Energy Control Board.

At the same time, said Mr. Strike Hydro will begin actual construction work on a 2,000,000 kilowatt coal-fired station south of Sarnia and a 160,000 kilowatt hydro-electric plant near Renfrew.

The Hydro Chairman said capital expenditures for 1965 are estimated at $150 million.

"It is encouraging to note", he said, "that an increasing number of Canadian firms are now in a position to accept contracts for the major items of equipment required in the construction and installation of these vast new thermal generating facilities. These large purchases will, conceivably, have a highly beneficial effect on Ontario and Canadian industrial and manufacturing enterprise as a whole'.

Reviewing the 1964 operations, Mr. Strike said low-water levels sharply reduced the output of hydro-electric stations for the third year in a row. He stressed the continuing importance of coal-fired plants and interconnections with Canadian and United States utility systems in meeting power demands in 1965.

Mr. Strike said the relative importance of waterpower to Hydro will steadily decline over the years as new thermal facilities, both coal fired and nuclear, come into service.

## Jogging Around

*By The Editor*

Public sympathy is something labor unions take for granted. There is still a latent feeling that the working man is downtrodden, and when there is a strike with picketing the union seems to think that they can do anything they like. In the case of the Toronto newspaper strike, which began last July 9, the unions instigated a slowdown of traffic on one of the busiest days of the year in the downtown section. This was New Year's eve afternoon. If there is any effect from such actions it will be unfavourable to the union. Perhaps unions should hire independent public relations people.

×

Included in the U.S. health campaign, particularly against heart trouble, stroke and cancer, is a suggestion that the U.S. government spend money in advocating a lessening in tobacco consumption. The Wall Street Journal, with its customary consistency, suggests that a campaign to reduce tobacco consumption should be accompanied by a cancellation of subsidies on tobacco growing.

×

Cash incomes of farmers in Saskatchewan in 1964 was* at a record $860 million. Of this, $670 million was from grain sales. People all over Canada will find this comforting news and it may be that Saskatchewan will not need federal taxpayers' assistance, at least to the same extent as in other recent years.

×

Ottawa's Senior Montagnards hockey team, presently touring Europe, are doing no good to Canada's rapidly deteriorating hockey image there. Involved in 2 brawls during the past week. the Monties turned on their ex-star Andre Despard, who is presently playing for an Austrian team, and sent him to hospital with serious injuries. The Monties have a few players who never were and never will be stars except the guy who watches them shaving each morning. Their delusions of stardom have sent some of them off the track a few times in the past, before undertaking a European tour. It is regrettable that hockey authorities allow these tours by mediocre clubs, who are harming their country in its relationship with the rest of the world.

×

A novice golfer was playing at his friend's course. On the first tee he took his stance, gave a wild swing and missed completely.

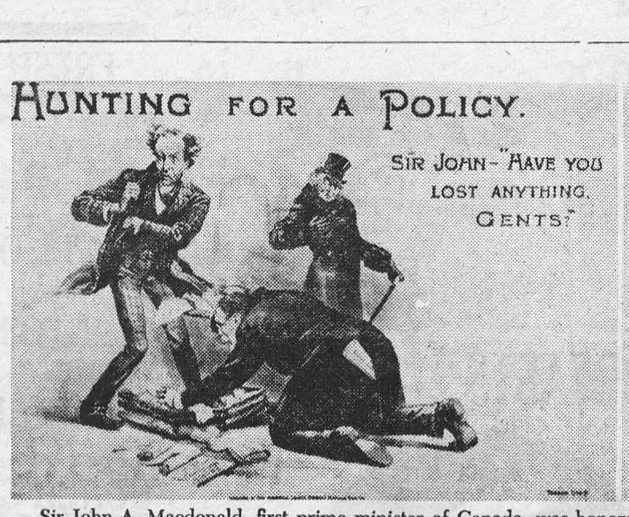
"Gosh", he said to his opponent, "it's a good thing I found out early in the game that this course is at least two inches lower than the one I usually play on".

# Kingston Honours Sir John A.

Sir John A. Macdonald, architect of Canadian Confedraation was remembered at Kingston at a glittering formal dinner on January 11th, the 150th anniversary of his birth date.

Born in Glasgow, Scotland, Sir John A. came to Kingston as a boy of five and his life was to be inextricably twinned to that of his adopted land. He brought immense color and vitality to the tumultuous politics of his era and in the company of such men as George Brown and Sir George Etienne Cartier led the struggle for Canadian independence.

Paying tribute to his memory at the Kingston dinner were leading Canadian political figures including Hon. George McInreath, President of the Privy Council, Opposition Leader John G. Diefenbaker and Ontario Prime Minister John P. Robarts, who was also celebrating his birthday.



Sir John A. Macdonald, first prime minister of Canada, was honored at a formal dinner in Kingston on Jan. 11, 150th anniversary of his birth. Above left is one of the campaign posters used by Sir John A. and above right is a photograph of him in 1860, at the age of 45.

Guest speaker was Dr. Donald G. Creighton, professor of history at the University of Ontario, and author of the two-volume "John A. Macdonald", considered the definitive work on the life of Canad's first prime minister.

Other distinguished guests included the Lieutenant Governor of Ontario W. Earl Rowe; Leslie M. Frost, former Prime Minister of Ontario; Hon. Arthur Laing, federal Minister of Northern Affairs and Natural Resources; Quebec Provincial Secretary Bona Arsenault; N. Georgies Gauthier, Associate Commissioner of the Canadian Centenni alCommission; Mayor R. A. Fray of Kingston; and Lt.-Col. L. J. Flynn, president of the Kingston Historical Society.

Representing the Ontario government were Hon. James Allan, Provincial Treasurer; Hon. James Auld, Ministe rof Tourism and Information; Hon. John R. Simonet., Minister of Energy Resources, and Syl Apps, MPP for Kingston.

Co-chairmen for the banquet were Dr. G.F.G. Stanley, past president of the Kingston Historical Society and Bogart W. Trumpour, vice president of the Society.

The banquet was sponsored joint ly by the Kingston Historical Society, the City of Kingston, the Government of Ontario and the Canadian Centennial Commission.

Throughout the LaSalle Hotel, scene of the reception and dinner, were mementoes of Sir John A. and his era.

Election posters, reflecting the gusty politicking of the day decorated the walls. Also on display were portraits of Macdonald and the Canadian Historical Paintings exhibit of the Confederation Life Association.

Entertainment was provided by The Twilighters, choristers costumed in garb of the 1860's and gifts and souvenirs were distributed by Kingston ladies clad in crinolines and laces of the time.

Macdonald spent much of his life in Kingston, as schoolboy, lawyer, alderman, legislative member and finally as the city's representative in the first dominion government. Many of the buildings in which he lived and worked still stand in Kingston, and environs and it was in Kingston City Hall that his body lay in state prior to burial in nearby Cataraqui cemetery in June, 1891.

Sir John A. Macdonald rose to power in an era of hot-blooded politics. A superb leader, he gained a firm control of the Conservative Party and from this vantage point led the fight which brought Canadian union in 1867.

Seemingly crushed by an electoral defeat in 1873, he regained the nation's leadership in 1878. He remained as prime minister until his death in 1891, only a few months after his final campaign.

## COMBINES DEFEAT JUNIOR MONTIES

Cal Wagner and Big Doug Casselman emerged as the stars of last Friday night's hockey contest when the Combines played hosts to the Ottawa Junior Monties. Big Doug, who was playing his best game of the season racked up two goals and one assist, while Wagner, with one goal and two assists, looked the best man on the ice for either of the teams. The Ottawa Whiz Kids put on a good show and looked at times as though they might have won the game.

Big Doug opened the scoring at 5:11 with assistance from Wagner and Morrisburg held the lead until 11:56 when Meehan, with Bonnar put one in for the Monties. Dunster, with Zaine and Bonnar followed in less than a minute to give Monties a 2-1 lead.

The Ottawa club increased their lead again in the second, with a goal from Zaine, assisted by Dunster and McNabb. Then Gillard and McMillan combined to sneak one past the Ottawa goalie while the Monties were short-handed. Before the period ended, Big Doug and Lawlor scored again for Combines to tie the score 3-3 at the end of the period.

The third period saw the first penalties of the game handed out to Morrisburg, with Ed. St. Louis serving two minors, and although Ottawa players were close several times, they couldn't manage to score against the short-handed Combines. However when the tables were turned and Tremblay was serving a two-minute minor for Monties, Big Doug Casselman and Wagner, scored the final goal of the game for the Combines. Next action in the Senior League is Sunday January 17th, when the red-hot Cornwall - Lancaster Dodgers meet the 1st place Combines in the local ice palace. Game time is 2:30 p.m.

## ALF TAYLOR TALKS TURKEY

St. Lawrence Senior League President Alf Taylor has cracked down on teams who used a player in the next game after said players had received a game misconduct.

The following players, in accordance with a league ruling, will sit out the following games:

Jan. 19—Lancaster at Ottawa Jrs. (Dave Little of Ottawa and Rushford of Lancaster).

Jan 21—Ottawa Jrs. at Hull (Meehan Bonnar of Ottawa).

Jan. 26—Hull at Ottawa juniors (Tremblay of Ottawa juniors).

Jan. 28—Lancaster at Ottawa (Jim Larkin of Ottawa).

Feb. 2 —Kingston at Ottawa Jrs. (Mike Landry of Ottawa).

Feb. 4—Hull at Ottawa (Mike Blum of Ottawa).

Feb. 6—Ottawa Jrs. at Kingston (coach Dan McLeod of Kingston).

Feb .9—Morrisburg at Ottawa Jrs. (Murray Kuntz of Ottawa).

Feb. 10—Hull at Lancaster (Jackie Coleman of Lancaster).

Feb. 14—Ottawa Srs. at Morrisburg (Duane Beedle of Ottawa).

Feb. 18—Morrisburg at Hull (Bob Tilley of Hull).

## JUNIOR COMBINES DEFEAT CARDINAL

In St. Lawrence Junior "A" Hockey League play, Morrisburg Junior Combines defeated Cardinal Juniors 6-4. Ernie McMillan was top man for the winning team with two goals and three assists. John Bailey had one goal and one assist, Jack Notman one of each, Steve Casselman one of each, with Terry McCurdy adding the other goal and Doug Thompson an assist.

For Cardinal, oJhn Donovan chalked up two goals and two assists; Dick Amell and Ted Emmons had singles. Art Poore contributed two assists and Larry Patterson one.

Morrisburg earned six minor penalties and Cardinal five.

The next game will be Tuesday, January 19th — Morrisburg vs. Russell at Morrisburg. An exhibition game is scheduled with Cornwall Junior "B's" at Morrisburg, Friday, January 15, at 8:15 p.m.

The junior players are playing exceptionally fine hockey and they merit strong support from the fans.

## WILLIAMSBURG WINS INT. OPENER

In the third game of St. Lawrence Intermediate Hockey League, Williamsburg defeated Morrisburg Intermediate Combines at Morrisburg 6-3.

Bill Casselman starred for the winners with two goals and an assist. Bob Schell and Paul Beckstead came up with one goal and one assist each. Singels went to Russ Casselman and Ray Imrie, assists to Eldon Casselman, Russell Casselman and Baden Carr.

Morrisburg scorers were Brian VanAllen, Warren Disheau and Ross Ferguson, with assists to Ted Holmes, John DeGray and Wayne Disheau.

Jerry Fleury and Doug P. Casselman were referees. They handed out eight penalties to each side, with Garnet Lawlor getting a ten-minute misconduct.

Intermediate schedule is as follows:

Jan. 14—Embrun at Cardinal.
Jan. 15—Morrisburg at Williamsburg.
Jan. 17—Cardinal at Embrun.
Jan. 18—Embrun at Morrisburg.
Jan. 21—Morrisburg at Cardinal.
Jan. 22—Embrun at Williamsburg.
Jan. 24—Williamsburg at Embrun
Jan. 25—Cardinal at Morrisburg.
Jan. 28—Williamsburg at Cardinal .
Jan. 29—Embrun at Williamsburg.
Jan. 31—Morrisburg at Embrun.
Feb. 1—Cardinal at Morrisburg.
Feb. 4—Williamsburg at Cardinal.

## Local and General

Miss Jackie Murray and Mr. Vern Wilson were recent guests at the home of Mr. and Mrs. Dwayne Froats, Cornwall.

Selling Rockman, one of the battery of bulls owned by Eastern Breeders Incorporated artificial breeding unit at Kemptville, has been named the new All-Canadian aged bull. Rockman has been Reserve Grand Champion at the Royal Winter Fair the past two years and last year was All-Canadian 2-year-old bull. He was bred by Albert Seiling, Elmira, Ontario. One of the mast popular sires in the Eastern Breeders artificial unit, he has several thousand progeny.

Mr. andMrs. Milton Castleman spent Christmas with Mr. and Mrs. Fay Castleman and family.

Holiday guests of Mr. and Mrs. Milton Castleman were: Mr. and Mrs. Fay Castleman of Riverside Heights; Mr. and Mrs. Gordon Castleman and family of Ottawa; Mr. and Mrs. Ewart Stoddart and son Basil of Chesterville.

Mrs. Florence Hall and Mr. Ed. Servage of Chesterville spent Sunday with Mr. and Mrs. Herbert Casselman.

Air Canada has been granted a world-wide dispensation for passengers and crew from the law of abstinence from meat on Fridays and other days of abstinence. The dispensation was granted by His Eminence Cardinal Leger, of the Archdiocese of Montreal.

Mr. and Mrs. Fred DeBruyne of Hawkesbury and Miss Marie DeBruyne of Ottawa were guests of Mr. and Mrs. A. Laurin on the week end.

## FINAL TRIBUTE TO MRS NETTIE STRADER

Final tribute was paid to the memory of Mrs. Nettie Strader, who passed away at the Clement Nursing Home on January 6 ,1965.

Mrs. Strader was born in 1876, a daughter of the late Alexander Bell and Martha Chieley. She had been a lifelong member of the United Church.

On January 29th, 1896 she married Rufus Strader who predeceased her 31 years ago. She is survived by two daughters, Mrs. Gladys Johnson, Iroquois, and Mrs. Bessie Summers, Brockville, and one son, Gilbert Strader of Iroquois. A sister, Gertie Cook of Holland, Man., 24 grandchildren and several great grandchildren also survive A son Dwight, predeceased her in 1957, a sister, Mrs. Ethel Roberts in 1959 and a brother, William Bell, in 1914.

Rev. J. Leslie Dean conducted funeral services at Fitzsimmons' Funeral Home, Iroquois. Pall bearers for interment in Spruce Haven cemetery were: Fielding Smyth, Carl Seeley, Ted Beckstead, Bert Shaver, Keith McIntosh and Geo. Mullin.

## JANUARY MEETING HOSPITAL AUXILIARY

The first auxiliary meeting of the New Year saw seven uits represented by twenty four members and one visitor. Following prayer, Mrs. G. Gilbert bid everyone welcome after the holiday season.

Following the reading of several reports it was announced the hospital is awaiting delivery of the blood bank refrigerator and that the type of electrocardiograph machine has been decided and will be ordered shortly. Both these machines are being purchased by the Auxiliary.

A discussion took place concerning the tuck cart information folders. These folders will be given to incoming patients informing them of the presence of the tuck cart and showcase and what is available from each.

The Auxiliary is sponsoring a raffle of two beautiful hand made quilts. Tickets will be available after next month's meeting and the draw will be sometime in April.

At the March meeting of the Auxiliary, all the past presidents will be presented with hospital auxiliary pins. To make final plans for this special evening, a meeting of all unit directors plus the present executive will be held following the February meeting.

At the close of the meeting members were delighted to be shown the Christmas tray favours made by the Winchester .G.I.T. Girls, and a very intricate Christmas decoration made of coat hangers used to decorate the board room for the staff party. From all reports Christmas at the hospital was made as enjoyable as possible.

## WILLIAMSBURG

Mr. Donald Morrow of Kingston spent a couple of days last week wtih Mr. Bruce Garlough.

Mr. Keith Casselman of Ottawa spent the week end with Mr. and Mrs. Grant M. Casselman.

# Auld Backs Centennial Park

Hon. Jame Auld, Minister of Tourism and Information for the Ontario Government, has urged Ontario Citizens to support the 1967 Centennial project of the Upper Canada Xoological Society, a hoological park near Wasaga Beach that will be the largest of its kind in Canada and one of the largest in the world.

"All citizens of the province should join together to help bring the development of this major, international zoological park for Ontario to successful fruition", said Mr. Auld, who emphasized his own personal interest in the project by accepting an appointment as honorary patron of the Society.

"It represents the kind of unique and exciting attraction that is so important to the tourits industry in this province", he stated. "It wil. be a great new addition to the tour ist and entertainment facilities of the province, to say nothin gof the park's priceless contribution to wild life conservation and the study of the life sciences".

The Upper Canada Zoological Society, which includes leading citizens from all parts of Ontario, is developing as its Centennial project, a park which, when completed, will comprise over 150 acres and feature one of the world's larg est collections of wildlife, exhibited in natural forested setting.

In accepting appointment as the Society's patron, Mr. Auld emphasized his interest in the scope of the Society's operations, encompassing as it does the whole province of Ontario.

Even the zoological park now operated by the Society near Wasaga Beach, which is the forerunner of the Centennial project, attracts numerous visitors from other provinces and the United States. Mr. Auld said that the reason for this widespread interest is its status as a unique attraction, not simply because of its size and the variety of its wildlife exhibits, but also be hills, valleys, ponds and forests.

In expressing his support for the Society's Centennial development plans, Mr. Auld said that any inquiries or offers of support should be directed to Cas VanEysinga, executive director of the Upper Canada Zoological Society, care of the Administration Building in the Zoological Park, Wasaga Beach, Ontario.

REMINDERS ABOUT YOUR ONTARIO HOSPITAL INSURANCE

19TH BIRTHDAY?

**KEEP INSURED!** When you reach your 19th birthday you are no longer covered by your parents' certificate. Register separately within thirty days to keep insured. Forms are available at hospitals, banks and Commission offices.

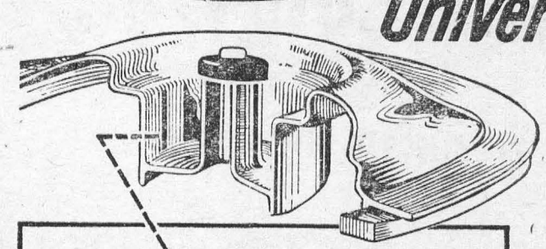
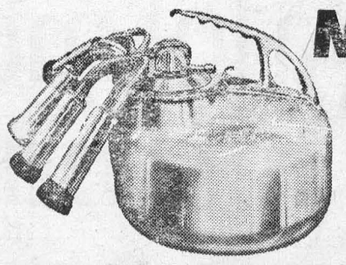
YOU CAN'T BUY A BETTER MILKER THAN Universal



with the EXCLUSIVE UNIVERSAL DEEP WELL SANITARY LID THAT TRAPS BACTERIA-LADEN MOISTURE

Universal MILKERS



Laboratory tests show that the advanced design of Universal Milkers definitely reduces bacteria count!

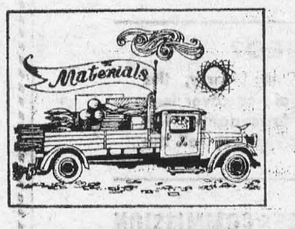
GET THE FACTS ON Universal MILKERS

Find out how Universal Milkers can help you keep bacteria counts down for GRADE "A" PRODUCTION.

# Here are three important reasons why it will pay you to renovate and redecorate your home now!

**1 SKILLED MEN ARE AVAILABLE—NOW!** Although more and more building is being done each winter, exterior construction does slow down during the cold weather. As a result, home improvement contractors and skilled craftsmen seek out the smaller interior jobs that they are unable to handle during the summer. You benefit—with skilled workmanship by experienced tradesmen *when it's most convenient to you!*

**2 DISCOUNTS AND LOANS ARE AVAILABLE—NOW!** To create incentives that will balance their sales and keep their staff employed throughout the year, building supply dealers run winter sales. These special discounts help you renovate and redecorate at the lowest possible cost. You'll find your bank a good place to visit, too—for low-interest Home Improvement Loans under the National Housing Act: up to $4,000.00, with up to ten years to repay!



**3 MATERIALS ARE AVAILABLE—NOW!** When building slows down, materials become more readily available. Result: irritating delays in completing your job because of late delivery of supplies are eliminated!

*There's no doubt about it. Winter is the very best time to spruce up your home (and your place of business)—quickly, efficiently, inexpensively!*

***For advice and assistance call your National Employment Office***

**Everyone benefits when winter work is increased. DO IT NOW!**

Issued by authority of Hon. Allan J. MacEachen, Minister of Labour, Ottawa.

# A big car ride used to cost a big car price ...until Dodge!

*Dodge Monaco Two-door Hardtop with bucket seats and console*

# DODGE '65 a lot more car for your money!

Dodge for '65 gives you a big car ride, yet Dodge is priced right in line with the "standard-sized" cars. Dodge gives you a big 121-inch wheelbase to smooth out bumps. Dodge gives you a "Wide-Stance" wheel tread to stop swaying. Dodge gives you the solid, confident feel that used to be the exclusive property of the luxury cars.

Dodge gives you more. Dodge gives you exclusive Torsionaire suspension which also helps keep the car flat and level under all conditions. We call it "Velvet Ride". You'll call it "Great"!

Test drive Dodge soon. Only then can you really see how much more Dodge gives you. In ride. In performance. In luxury. Dodge comes on big for '65. It's a lot of car. The most car in the popular-price field.

DEPARTMENT OF LANDS AND FORESTS

# Weekly Report

**DAM NUISANCE**
**By Bruce Turner**
**Wildlife Management Officer**

In order to alleviate the nuisance beaver problem in Carleton County, Conservation Officers are now travelling the troubled areas to determine the population density of the beaver. Wherever serious conditions exist, trappers will be brought in to trap the area.

ing the spring and summer months making it very difficult to locate them. In winter, however, they are easily located. Landowners are advised to notify the department now if beaver are present on their property so that the problem can be dealt with and possible spring flood in gand damage prevented. In order to make this step in beaver control a complete success, it is essential for landowners to co-operate by granting a trapper permission to trespass on their land.

Beaver range far and wide dur-

×

**TRAPPERS' MEETINGS**

Meetings of interested trappers will be held in Almonte on February 10th, Alexandria on February 11th and Smiths Falls on February 12th. Methods of trapping, skinning and stretching beaver pelts will be discussed and ideas exchanged. Officials from the Department of Lands and Forests will be present and it is hoped that members of the Ontario Trappers' Association will be in attendance. We hope that all the trappers in the area will attend and will also welcome any landowners who have nuisance beaver problems.

×

**THE TRUTH ABOUT DUTCH ELM DISEASE**
**By A. J. Campbell**
**Zone Forester**

At the annual pesticide meeting held at the Kemptville Agricultural School, Dr. Cooper, a well known plant physiologist, made a few poin ted remarks on the spread of Dutch Elm Disease.

First, he said that in New York, where spraying to control the bark beetle, was carried out every two weeks for many yars, there are no elms left. Spraying is only effective where every tree in an area can be sprayed regularly. An area would have to be something the size of an entire city. Spraying any individual tree is entirely unsatisfactory.

Further there are no miracle chemicals either spray or systemic yet found to be successful on individual trees. When a chemical is available that will protect a single tree it will be well publicized. Always be sure that any new "cures" have a scientific approval.

The only practical approach to control of the disease is sanitation. This involves cutting down newly diseased trees destroying the home of the bar kbeetle by stripping the bark and burning the branches.

# CANADIANS CAN EXPECT MORE BEEF

The agricultural department pre dicts Canadians will eat more beef in 1965.

A food forecast issued by the con sumer section says per captia consumption of beef is expected to reach 80 pounds, an increase of 6 pounds over 1964. However, prices are expected to remain about the same.

There is an increasin gsupply of chicken fryers and broilers on the market. Light and heavy turkeys will also be plentiful but there will be little change in price, the section's economists say.

They predict higher prices for potatoes as a result of an expected smaller crop. But there will be an increase in the supply of processed potato products, especially frozen French fried, and instant potato products will be relatively good buys.

Egg prices are expected to be lower than 1964 during the early part of the new year, but should rise later.

Canadians ate an average of 19 pounds of butter in 1964 and consumption is expected to rise slightly in 1965, with supplies plentiful.

An increase in consumption of cheese is also forecast especially specialty cheeses. Canadians averaged about 8 pounds in 1964.

**FLIES TO CEREMONY**

**Flying to Scotland to take part in the ceremony of unveiling the plaque in Ramshorn Church was Mr. Hugh Alexander George Macdonald Gainsford, of Winnipeg. He was flown over as a guest of the Ontario Government. Mr. Gainsford, who was born and lives in Winnipeg, is a great grandson of Sir John A. Macdonald and grandson of Sir Hugh John Macdonald, a former premier of Manitoba.**

## THE VAUXHALL SERIES 101 VICTORS

Pronounced vertical curvature of doors and window glass gives the Vauxhall Series 101 Victors a new and eye-catching style of line, plus a gain of four inches in shoulder room for only half-an-inch extra in outside width. Shown here is the Victor.

## THE ENVOY SHERWOOD STATION WAGON

The Envoy Sherwood Station Wagon is all-new for 1965 — longer, wider and lower with four inches more shoulder room inside. Space-Curve engineering features curved doors and window glass that provide more room inside without affecting the sleek exterior. Features include a 71 per cent increase in tortional rigidity, cold-weather starting and a new heater designed for sub-zero temperatures, a new improved braking system and splash guards inside the front wheels that can be removed. There is a new nine-to-one compression ratio in Envoy's four-cylinder engine — an engine which develops up to 70 horse-power. The Envoy Special and the Sherwood are both all new for '65. Among other features, this station wagon has improved tortion bars for the rear loading door.

# BELL LINES

**by Larry Holtby, your telephone manager**

**Now that the festivities are over and the Morrisburg area is looking roward to a happy and prosperous 1965, I hope we won't forget those friends and acquaintances for whom the New Year has not started out so well.**

**I'm thinking particularly of "shut-ins" — people who can't get around easily and are therefore confined to the house. Day after day can get terribly monotonous for them (tragically so if they're alone) and yet it's so easy to break that monotony and cheer them up a bit! A simple telephone call — even if you don't have anything special to say — can mean a great deal.**

**We sometimes forget people when we don't see them around as usual. But if the reason they're not around is that they're ill and confined to the house, then this is precisely the time we SHOULD be remembering them. So let's NOT forget! — Let's make that simple call, and often!**

• •

### ABOUT TIME!

On the morning of her fourth birthday, a miss named Nancy came into the house after playing in the yard. "Mommy", she asked, "did I get a phone call this morning?"

"No, dear," her mother said, a little surprised but equal to the occasion, "were you expecting a call?"

"Well", said Nancy, "I'm four years old now, so it's about time SOMEONE called me."

Would someone special like to hear from you? Someone special whos far away Birthday or not, Long Distance calls go over big wit hfriends — and they're pleasnt for you, too!

### THEN WHAT HAPPENED?

**This little story, reported by a telephone company in Florida, is too good not to pass along to telephone users up here. It certainly points out the importance of calling the sight number!**

**A chap, belatedly realizing he would be detained at the office, hurriedly dialed his wife, dialed wrong and, when a woman answered, blurted out that he'd be late getting home. Before she could set him straight, her own husband, who had overheard, grabbed the phone and said, "Okay, Buddy, no hurry at all, TAKE YOUR TIME . . . " Yiiii!**
