Volley for Cancer continues to rally community support

MORRISBURG – The weather wasn't all that cooperative, but with the 11th annual Volley for Cancer behind them, organizers are pleased with the overall success of the event.

This year 66 volleyball teams filled the courts in Earl Baker Park in Morrisburg on Saturday. That number is down only slightly from last year's 74.

The balloon release, which was started last year, was even "bigger this year," says Volley for Cancer organizing committee member Marilyn Spencer. According to Spencer, the popularity of the balloon release will ensure its return next year.

In addition to the volleyball action, Spencer said the auction was a tremendous success. Professional auctioneer Peter Ross donated his time to auction off all of the merchandise, and "he made it fun," says Spencer.

This year, in order to better accommodate the whole family at the event, there was a midway on site. "People were happy to have something for the kids," says Spencer. "There were kids there all day."

The food concessions on site proved to be very popular with those who attended the day-long event.

Popularity of the Balloon Release Inflates Over Last Year

Members of the Volley for Cancer organizing committee Kevin and Marilyn Spencer, pictured above, had a big day Saturday, at the 11th Annual Volley for Cancer fundraiser. Proceeds of this year's event will be donated to the Ottawa Regional Cancer Centre. As seen above, Kevin and Marilyn, and the other committee members were kept busy throughout the day. The two spent some time in the afternoon tying balloons for the second annual balloon release. ***Comfort Photo***

Popular craft shop closing

MORRISBURG – The Morrisburg and District Arts and Crafts Association opened their Craft Shop for the first time 21 years ago, and are not looking forward to having to close it for the final time, September 18.

The Craft Shop, located east of Upper Canada Village along Highway 2, has for 21 years been a popular stop for locals and tourists alike, searching for unique handmade items, but unfortunately the property has been sold.

President of the association, Sharon Duprau explained that the group is a tenant of the building on a property that may become home to a small industry.

"We have been looking for a suitable place to relocate, but so far we haven't had any luck," she said.

"Doug Grenkie has been a wonderful landlord to us. We have had the same deal with him since we opened 21 years ago, and we want to thank him for being a wonderful landlord," said Duprau.

"This place has the perfect setting and atmosphere and we're going to miss this place."

"In 21 years we have made lasting friendships with the people," she said.

As a way of thanking the people for their continued support the association will be serving coffee and doughnuts, September 10, the week before they close.

Construction site fatality, Main Street, Winchester

WINCHESTER – A 48-year-old Long Sault man was fatally injured at a roadway construction site on Main Street in Winchester, Thursday, August 18.

Larry Winters, was operating a packer westbound on the south shoulder of the road, when the machine rolled over and pinned the driver underneath.

He was taken to Winchester District Memorial Hospital by ambulance, where he was pronounced dead.

OPP Constable Alicia Burtch, and an OPP Technical Traffic Collision Investigator are conducting the investigation in conjunction with the Ministry of Labour.

A Couple of Cards

Pictured left, Tom (left) and Brian Dawley were among the 107 poker players in 35 boats who participated in the fourth annual Galop Canal Poker Fun Run which left the Iroquois Galop Canal Landing Marina Sunday morning at 11 a.m. The day included card stops at Cardinal, Crysler Park Marina, Morrisburg and Iroquois. The event is organized by a group of volunteer members of the Galop Canal Marina Committee. Susan Deschamps, of Morrisburg, came home with the best poker hand of four aces. Susie Campbell finished second, collecting four threes, and Kelly Stitt was third with a straight. In addition to the great boating and poker, 132 dinners were served at the end of the day. The event is organized to give boaters a chance to have a fun day on the water, and takes place at the same time every year.

Craft Shop closing

– Continued from Page 1

The Craft Shop accommodates the handmade work of about 50 local crafters and artisans, and for 21 years has been voluntarily staffed by members of the Morrisburg and District Arts and Crafts Association.

The group has four members who have been there since day one, and Duprau is one of them.

"I worked the first day we were open here," she remembers. "The first thing we sold was an item of mine. It was a decorated hat, and it was sold to a military man who was taking it to Germany."

Duprau, having worked the first day, says that she will work the last day.

Duprau, and first vice-president of the association Carolyn Elliott, also acknowledged the importance of the workers and the crafters in keeping the shop viable over the years. "We thank them for all the time they have put in here."

"We've had a good run," said Elliott.

The two explained that the group is still looking for a regular venue, but is finding it difficult to find something that meets their needs.

They will continue to hold their spring and fall craft shows at the Morrisburg Legion.

The Morrisburg and District Arts and Crafts Association Christmas Show and Sale is scheduled for November 18, 19 and 20.

A Unique Building Housing Unique Crafts is Closing

The Morrisburg and District Arts and Crafts Association for 21 years has displayed and sold unique handmade wares at a building just east of Upper Canada Village. With the impending closure of the building as a result of the property being sold, president of the association, Sharon Duprau (right) and vice president Carolyn Elliott (left) reflect fondly over the years with a little sadness that their tenancy will end in September.

Volley for Cancer

– Continued from Page 1

Spencer estimates that the number of spectators was down somewhat, which is likely due to the poor weather, but says, "I think we did really well considering."

"We had a lot of great support from the community, the residents and the businesses," she says.

Top fundraisers for the event were once again sisters Kelly DeDekker and Heather Wells-Baker. Each raised over $2,000 for Volley for Cancer, with DeDekker edging out Baker for the top prize.

For her efforts DeDekker won a $500 Morrisburg Building Centre Gift Certificate. Baker won the recliner prize sponsored by the Upper Canada Pharmacy and Doug Byers Furniture and Appliances. The third fundraising prize went to Chris Merkley who raised just over $400. He won a Byers Limousine prize package.

On the volleyball courts, a couple of local teams fared well winning the A and B division titles.

The Drunken Monkeys finished at the top of the A division. Team members included Matt Peters, Kyle Jarvis, Chris Douma, Kevin Groniger, Amanda Byvelds, Jacquie Vandermuelen, Margi Peters and Mark Byvelds.

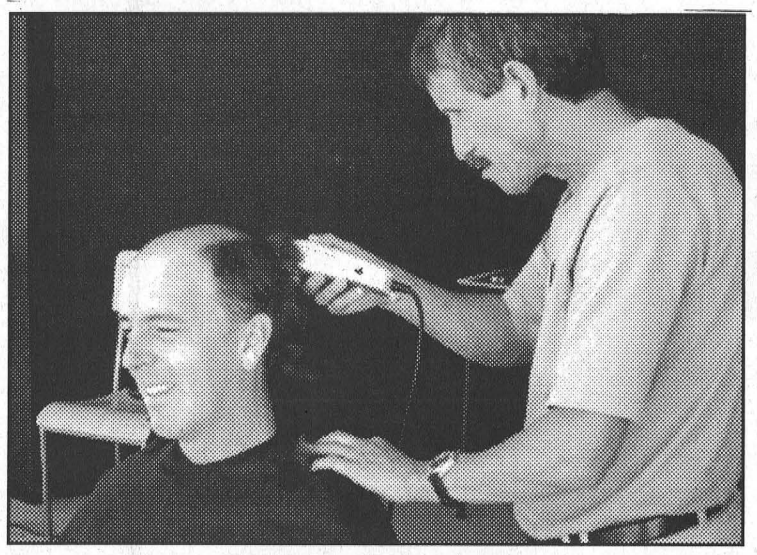
B Division winners were the Mapledales, who included Matt Paul, Brodie Spratt, Peter Empey, Ashley Purvis, Meagan Whittaker, Richard Groniger, Erin Nelson and Gordon Empey.

The C Division title went to team Boston Pizza, from the Kingston area.

For the last four years, Brian Erratt has been running a car show at the event, and was especially pleased with the number of unique cars which were on display. The president's choice award was won by the 427 Cobrajet replica on display. A 1963 Ford Galaxie was the people's choice. A new award this year, donated by Erratt in memory of his father who was recently lost to cancer, best family car, went to a 1973 Pontiac Lemans.

The quilt draw was held, and the winner was Morrisburg resident Sandra Barnhart. Samantha Behm of Winchester won the hot air balloon ride.

Event organizers expect to announce in late September the total amount of money raised through Volley for Cancer for the Ottawa Regional Cancer Centre. The money raised will be presented to the Ottawa Regional Cancer Centre in January during their telethon on A-Channel.



Cops for Cancer 2005

The annual fundraising event, Cops for Cancer this year brought in over $5000 at this year's Williamstown Fair. With the overwhelming support from community, the event was again a success. Staff and volunteers from the Cornwall office of the Canadian Cancer Society were up to the challenge and shaved their heads for a great cause, as did members of the OPP. Pictured above SD&G OPP Staff Sergeant Dave Springer goes under the clippers.

Gas prices are a growing and growing concern

Rural and small town living has lots of upsides and lots of downsides. On the downside, is the necessity rather than luxury of driving. With soaring gas prices, we have had to simply throw up our hands and pay.

Member of parliament for Stormont, Dundas and South Glengarry Guy Lauzon has identified the increase in fuel costs as the most important issue concerning residents in his riding.

Lauzon has called on the government to immediately stop collecting excessive GST on gasoline diesel and heating oils.

He says that the federal government has experienced a windfall of additional revenue from the GST collected on soaring fuel prices, and says that the "gouging of the Canadian consumer has to stop now."

Lauzon also wants the government to discontinue to unfair "tax on the tax" collected by charging GST on the fuel tax included in the price of each litre of fuel sold, which is definitely adding insult to injury.

However despite the groans of the public, there is no indication that the government has any intention of doing anything to help the situation.

Here in Morrisburg regular grade gasoline has not yet hit the one dollar mark (knock wood), but it seems imminent with national news casts telling tales of people paying well over a dollar for a litre of fuel.

Gas prices have already had an impact on the summer tourist season, which for most is a luxury.

But, with summer coming to an end, we will soon be faced with having to close our windows and turn on our furnaces, which is not a luxury.

Around the Township

A couple of big events have been lined up for the South Dundas community in September and organizers have asked that we give the public a little advance warning so you can get them marked on your calendar.

First up is the annual Terry Fox Run hosted by Royal Canadian Legion Branch 48 here in Morrisburg. This is the 25th anniversary year of the Terry Fox Run and organizers are looking for a good turnout of walkers, runners etc. Registration and the run will be at the Legion from 9 a.m. until noon on September 18 so get those running shoes out and get them polished up. For further information or pledge sheets you can phone Scott Robinson at 543-4144 or Audrey Henophy at 543-2420. Pledge sheets will be available at other locations in South Dundas very soon and we will keep you posted.

Another big event coming up on Sunday, September 11 is a house tour being sponsored by the Morrisburg branch of the Winchester Hospital Ladies Auxiliary. The branch has some wonderful area homes lined up for the tour including those of Mike Burton and Ron Currie, Iris and Glen Cunningham, Robin and Gord Lane, Pat and Doug Grenkie, Fara and Norman Lawson and Lois and Gerry Rosenquist. The tour is being advertised as "Homes on the St. Lawrence" and it is something you won't want to miss. There are a limited number of tickets available, and they can be purchased in advance at Pier 31 in Morrisburg and Mustard's Variety in Iroquois. For more information you can call Ree Graham at 652-2023.

Keys, keys. Is anyone missing their keys? Maybe even a couple of you out there. Following Volley for Cancer, organizers found a couple of sets of keys on the grounds and they have been left here at The Leader to be claimed.

The annual Morrisburg Fire Department toll for the Labour Day Weekend Muscular Dystrophy Telethon will be set up one day only this year, and that is this coming Friday, August 26. The local fire department will be on hand for your donations from 4 to 9 p.m. at the various entries to the plaza.

The August 16 issue reported filming was underway at Upper Canada Village for the James Minks story by Hallmark Productions.

Barb Sheridan defeated Cheryl Pfeifer of the Craigwood Golf Club in Lake Placid in a three-hole playoff to win the Morrisburg Golf Club's Ladies 12th annual Open title and the Odonto Trophy. Sheridan and Pfeifer were tied with 86s after regulation play.

Fees were up slightly for this year's minor hockey players. For Bantam age players the cost was $230. This year's association president was Kevin Casselman.

Pigeon Island was leading, 2-1 in Industrial Fastball League playoffs against the Rebels. Pigeon Island scored a 4-0 win, in game three, with runs from Mike Veltkamp, Matt Bilmer, Barry Casselman and Bobby Jack Hart. Greg Workman earned the one-hit shutout.

The August 21 issue reported the easement issue concerning the proposed Morrisburg sewer line which would cross the Morrisburg Golf Club had been settled. In the agreement, the village was to clean the ditches and plant trees along certain golf course boundaries and would give the club the muncipally-owned 17th tee area.

Morrisburg Reeve, Bill Dillabough confirmed he had made a pitch to have the Toyota Motor Corp. locate its plant in this area.

A subdued Iroquois village council reversed its decision to develop parkland, admitting there was too much opposition to continue with a plan to develop 1.44 acres of Central Park. The land, located just south of Davis Drive, had been deemed "excess" park and council had decided to change its zoning from open space to residential.

1965

Pictured on the front page of the August 20 issue were Mr. and Mrs. Harry Duvall who were celebrating their 50th wedding anniversary. They were married in 1915, at Knox Presbyterian Church with Rev. Hugh Cameron performing the ceremony.

With the opening of Morrisburg's Jack and Jill Shoppe, Mr. and Mrs. Orval Delage brought a much needed service to the village. The store was located in the centre mall of the shopping centre, in the former Ford's Jewellery building, and would cater to the younger generation from infancy to 14 years of age. Mr. Delage came to Morrisburg from Cornwall, eleven years earlier. His wife was the former Claire Smith of Morrisburg and they had two daughters.

Mr. S.W. Leightizer, principal of Morrisburg High School, released examination results for the following grade 13 students: Ann Algire, James Algire, Devera Baker, Barbara Barclay, Gary Clackett, Robert Dolan, Gary Droppo, Brian Edwards, Joan Gurnhill, Brooke Leightizer, Carson McIntosh, Erwin Myer, Bridget Neilan, Florence Polak, John Polak, Mart Prost, Lee Reid, Logan Shaughnessy, Sheila Skilton, Heather Smith and Donald Spearman.

At the Allied Food Market, peaches were 89 cents a four-quart basket and potatoes were 39 cents per 10-pound bag.

1955

Headlines in the August 26 issue read: Official Hydro plan now on display. The much-awaited plan was now on display at the clerk's office on Collin Street and in the window of the Bradfield Hardware Store on Main Street. The map provided, did not indicate what properties would or would not be taken over by Ontario Hydro. The north boundary of the village was to be the then present CNR right of way and the east boundary was suggested as the Arnold Meyer farm. The south and west boundaries had not yet been determined. The commercial area was proposed to be located on Mackenzie Park.

Rev. A. W. Lotz officiated at the wedding of Virgie Merkley of Williamsburg to William Edward Kurschinski, Waterloo, at St. Peter's Lutheran Church in Williamsburg.

The Canadian Woodmen of the World held their annual picnic at Broder Island National Park with approximately 300 people present.

1945

The August 24 issue reported Ivan Casselman, formerly a Colonial Coach bus driver, had purchased the building on Main Street, East Morrisburg, known as Meyer's Garage and was to open a garage business there on September 1.

Two very successful children's camps were held at Broder Island during the month of July with an enrollment of 57 in the boys camp and 20 in the girls. The staff included: Rev. J.T. Owens, Rev. H. P. Maitland and Rev. G.C. Underhill. Eunice Young, R.N., of Mille Roches was camp nurse, and she was assisted by Mrs. J.T. Owens.

The headline in the August 23 issue reported that before an excellent crowd, three splendid races were held under the auspices of the Morrisburg Driving Club.

H.E. Paul, manger of the Bank of Montreal for 12 years, was retiring and was being replaced by W.D. Thomas.

The Y.P.L. of the United Church in Williamsburg held an enjoyable wiener roast, with about 50 young people from Williamsburg and Morrisburg motoring to Point Iroquois.

Letters to the Editor

Dundas Cousins will return

To the editor,

To the citizens of Morrisburg.....a great big THANK YOU! Your warm welcome to the "Dundas Cousins Reunion" group was wonderful!

The business community certainly went the "extra mile" to make our week in your area a complete success. We appreciated the bags of pins, maps, note pads, and various other articles which helped us enjoy our week-long stay in your area.

I hope there were enough cousins who attended your special Sidewalk Sale to make it worth your efforts. We had such a full schedule of activities that I'm not sure your sale was well attended by members of our group.

Special thanks go to the McIntosh Inn and the whole staff there, for making our headquarters the absolute best place to hold our reunion.

Tom Morrow and Betty Walter were superb in providing an excellent venue for our gathering of about 140 cousins during the week.

Betty and her food staff presented an outstanding buffet meal for 113 cousins - many more than had been expected, with a fair number of last minute attendees.

The whole staff at the Inn went out of their way to make our week a grand success.

South Dundas Mayor, Lyle Van Allen, and his charming wife Eleanor, attended our buffet and treated us to a marvelous slide show of the Lost Villages.

Jim Brownell, M.P.P. led us on a tour of the Lost Villages one day, and he did a very interesting and informative narration during the bus trip. It astounded us how he could have so much knowledge in his head about the Lost Villages. He was most gracious to our group, as was the bus driver.

A special thanks to Glen Cunningham, who treated two different groups from our cousins' gathering to a two-hour boat tour of the islands. Glen's ready smile, as well as his vast knowledge of the area and its history, entertained us as much as the boat ride itself. Glen and his lovely wife Iris were most hospitable - to a group of strangers!

Local resident, Gordon Cooper, demonstrated grave dowsing at both Sprucehaven Cemetery in Brinston and the Iroquois Point Cemetery. Gord gave each of us the opportunity to try the dowsing, and he was most patient with us!

We really appreciate the coverage that the Morrisburg Leader gave us for the Sprucehaven dowsing session, and the Iroquois Chieftain for its coverage of the Iroquois Point dowsing.

Many in our group thoroughly enjoyed two plays at the Upper Canada Playhouse in Morrisburg. How wonderful to have such a quality theatre in your community! We left both plays with our sides aching from laughter. BRAVO!

Local resident, Patsy Ault, took a group to the Brinston church to see the beautiful stained glass window there, donated to the church by the ancestors of one of our group. While there, the cousins were allowed to view church records, hoping to find one of their ancestors listed there.

Jim and Joan Morrison, from Ottawa, members of our group, led a number of cousins on a tour of many cemeteries on the Canadian side of the border, which resulted in many great "finds" for the cousins.

Jane Layo and Pat Dominie, from our group, led our tour of the U.S. side of the border, with wonderful opportunities for research in the Canton, NY area, and a delicious lunch arranged for us by Jane Layo at the St. Lawrence County Historical Association in Canton.

Our day-long trip to Upper Canada Village was most enjoyable! Special thanks go to Peter Cazaly, archivist at the UCV Archives. He and Shawna made our research there so pleasant and profitable!

Local authors Steve Thompson, Maggie Wheeler, Anne-Marie Shields, and Rosemary Rutley were a big hit at our "Authors Night" at the McIntosh Inn. We thoroughly enjoyed their short talks about their writings, and in particular we enjoyed the opportunity to talk individually with them as we bought their books, and they signed them. Special guest, author Helen Stewart, of Long Sault, graced us with her presence also. Yvonne Hough Fleming, whose intriguing life story has been put into book form, was also invited as a special guest, but regrettably, she was unable to attend. Glenda Eden, daughter of Rosemary Rutley, kindly introduced each author in her own delightful way.

Cornwall resident, John Worrall, whose wife Lily is in our cousins' group (and an integral part of the planning for this reunion), took photos of our group one evening, and everyone was delighted with the way he and Lily handled such a large group of people, including many last minute, unexpected cousins in attendance. We are most appreciative of John's and Lily's time, effort, generosity, and graciousness.

Lynne and Mahlon Cook, Morrisburg residents, provided wonderful opportunities to visit the Loyalist Research Centre in their home. Many of us took advantage of the vast genealogical resources there during the week. Once you get to their home and genealogical goodies, you don't want to leave! Their hospitality is unmatched.....such warm and knowledgeable people!

There are many people in your community and surrounds who contributed to the great success of our cousins' reunion. We thank you, one and all. We will be back!

Signed,
Dottie Clark,
"mom" of the Dundas Cousins Group, New York State

Golf club is a golden opportunity

To the editor,

As a concerned ratepayer of the township, I have a major problem with the solution that the Iroquois Golf Club Executive has put forward to solve the club's future strategy.

An executive club house built near the public swimming beach would generate significant cash flow to pay off our debt.

This facility could have a beautiful restaurant over looking the mighty St. Lawrence River, and a dock that boats could tie up to.

The building could be built privately and the golf club could lease the bottom floor at a reasonable rent and the upper floor should be operated by successful entrepreneurs like Marcel & Victor of Williamsburg Tea Room.

This club has the best location of any Golf Club in the area, with a prestige building the club can charge more for memberships as well as green fees. The restaurant could be utilized all winter long for sleigh rides, a small lake could be included for a skating rink, as well as cross country skiing.

Let's not miss the golden opportunity to showcase our beautiful area and generate tourism along with making our community economically successful.

Signed,
Dick Kropp

The treasure within

Perspectives

A man was exploring some caves by the seashore. In one of the caves he found a canvas bag filled with a bunch of hardened clay balls. It was like someone had rolled up some clay and left them out in the sun to bake. They didn't look like much, but they intrigued the man so he took the bag out of the cave with him.

As he continued his walk along the shore, every now and then he would take one of the clay balls out of the bag and throw it as far as he could into the ocean. He didn't give much thought into what he was doing until he suddenly dropped one of the balls and it cracked open upon impact with the ground. Inside he found a beautiful precious jewel. Empowered, the man started breaking open the remaining clay balls. In each one, he found a similar treasure.

He actually discovered thousands of dollars worth of precious stones inside the 20 or so clay balls he had left. Then it struck him. He had been on the beach such a long time that maybe he had thrown up to 50 of these clay balls out into the ocean deep. Instead of thousands, it might be tens of thousands of dollars, had he only realized the treasure he was actually throwing away.

What about you? Are you throwing away treasure today? We humans more often than not, are so prone to judge value based only upon exterior presence alone when the real treasure may be on the inside waiting to be set free.

Many times we people may not look like much on the outside. We aren't always beautiful or sparkling so we discount ourselves. We judge more often by what we see when we look at the container alone, not even giving a second thought that there is treasure in the contents.

There is treasure in each and every one of us. The Scriptures try to convince us that we were fearfully and wonderfully made.

In the Second Letter to the Corinthians, St. Paul gives us insight into the need to look inside the package, when He tells us that we have this treasure in earthen vessels, literally in jars of clay.

So who is ready to do a little treasure hunting this week? Who will go beneath the clay wrapping to dig out a gem or two in those around you, your neighbourhood or even complete strangers, or your family? Any one of these people could have a wealth of diamonds waiting to be discovered.

Take the time necessary to truly know what you've got in one another, before you make the mistake of throwing fortune away. Peel away the clay and let the brilliance of God's Grace shine through today and discover the true value hidden in each and every Earthen Vessel.

Iroquois golf champs

IROQUOIS–The senior and junior club championships have been played at the Iroquois Golf Club, with several players stepping into the enviable positions with some solid scores.

Leading the parade of champs with a most impressive score was Shirley Belanger who claimed the 55-59 age group women's championship with a 59 net. Most remarkable is that in order to earn herself the net championship, Belanger shot a very solid 74.

Winning the ladies senior championship in the 50-54 age group was Margo Anderson who gross score of 87 gave her a winning 60 net.

Marg Lapier claimed the 60-64 year championship shooting an 86 for a 61 net. She narrowly edged out Sylvia Gladstone whose 96 gave her a 63 net.

Competition in the 65 year plus category was also very close with Helen Robichaud shooting a 93 for a 66 net and the win. Right on her heels was Ida Palmer who posted a 92 for a 67 net.

In men's action Don O'Brien won the 65 plus category, shooting a 72 for a 59 net win. Les Craig and Don Poland were his closest competitors both tied with 63 nets on gross scores of 85 and 75 respectively.

Bill Dove won the 60-64 age category with his 62 net resulting from a gross score of 77. John Lyon was right on his heels with a 72 gross for a 64 net, and Arnie Fader matched that effort shooting an 87 for his 64 net.

The 55-59 year category was won by Roy Lapier who shot a very impressive 70 for his winning 61 net. Fred Harper and Gary Easter were next up tied with 63 nets, Harper posting a 75 gross and Easter a 76.

Bob Bergland posted an 83 in the 50-54 age category to win the division with a 67 net. His closest competitor was Rick MacKenzie who shot an 86 for a 70 net.

The junior club championship was run in two age categories, 13 years and under and 14 years and up.

Claiming the 13 and under club championship was Lucas Stewart who shot an 84. The low gross champion in the 14 and up category was Adam Patrick with a strong 74 and he was joined in the winner's circle by Matt Hanson who posted a 92 gross for a winning 61 net.

The junior championship also doubled as the qualifying rounds for the Junior Valley League.

Playing for the Iroquois Golf Club in this year's Junior Valley League Competition in the 13 and under age group are Lucas Stewart, Kyle Saunders and Eric Heldens. Patrick, Nick McCaslin and Ryan Swank earned their team spots in the 14 and up category and Jesse Lapier is the team spare.

Reverend Norine Gullons ready for the ministry of St. Peter's and St. Paul's

MORRISBURG – Reverend Norine Gullons' first call to a parish has brought her here to the newly aligned two point charge of Morrisburg's St. Paul's and Williamsburg's St. Peter's Lutheran Churches, and she is looking forward to becoming part of this community.

Gullons, and her springer spaniel Ginger Rogers, moved to the parsonage in Williamsburg a couple of months ago from Kingston.

Although she is new to this area, she is familiar with it as a visitor, and is glad to be located near the river, which as a resident of Kingston is very familiar to her.

Comfort Photo
Rev. Norine Gullons

Gullons just graduated from the Waterloo Lutheran Seminary with her masters in divinity this spring and was ordained in June. Her bachelor of arts is from Queen's University in Kingston.

"I have completely changed careers and there is a nice transference of my former skills into a new type of ministry," she says.

Her internship was at a two point rural parish, so she feels she is ready and able to balance the ministry of two churches at the same time.

Formerly aligned with Dunbar, Williamsburg's St. Peter's Lutheran Church and Morrisburg's St. Paul's Lutheran Church now form what is called a two point charge. Morrisburg was formerly aligned with Riverside Heights.

With about 40 members in each church, Gullons says, "I knew the amount of work involved in being called here."

"Change is not always easy, and there are adjustments to me made by the parishioners, but everyone is being positive," says Gullons.

"I have always enjoyed working with people, and it is very enjoyable to be here," she says. "This fits my personality so it doesn't feel like work."

"This area is beautiful, and I am proud to show it off to my family and friends."

Gullons is still getting to know the area geographically, and meeting the people of the parish. She is looking forward to getting more involved in community organizations in the fall.

She will be participating in the Perspectives column.

Gullons will be officially welcomed into the church September 25, at 2 p.m. in Williamsburg.

Iroquois-Matilda Lions Club

Turning a donation of $5,000 into $9,500

IROQUOIS – After hearing the story of young Ryan Williams, the Iroquois-Matilda Lions Club, last November, was compelled to make a significant donation to his cause, and also compelled to do even more for the cause.

Sixteen-year-old Ryan Williams was born with Klippel - Trenaunay - Weber Syndrome, which means that his blood vessels were improperly formed.

There is no cure, but treatment for Ryan has meant over 30 surgeries and a great deal of travel to facilities that have a Holmium Laser, which makes the surgery less painful.

CHEO does not have the equipment for the treatment, so Ryan has endeavored to raise the $200,000 necessary for the purchase of a Holmium Laser.

When Iroquois-Matilda Lions Club member Barry Fawcett brought Ryan and his story to his club, the group decided to give him $5,000.

Then Iroquois-Matilda Lions Club president Paul Robertson recently explained that they also decided to take Ryan's story to their Zone, and nominate it for "Zone Project."

"There were three submissions made at the zone meeting," explained Robertson. As a result of a vote, it was decided that Ryan's cause would be the zone charity project.

Each of the nine clubs in the zone made a $500 donation to Ryan.

"So it resulted in another $4,500 for Ryan," said Robertson.

The presentation was made to him at the Lions Club convention.

Robertson said that zone projects are generally charities that have a greater benefit than to just one community.

"The machine that he is raising the money to purchase will benefit him and others," said Robertson.

Obituaries

Joan Margaret McGillis

A longtime member of the Morrisburg community and well known businesswoman, Joan Margaret McGillis passed away with her family by her side on Thursday, August 11 at the Ottawa Civic Hospital after a two week illness. She was 79 years old.

The daughter of the late Reginald Stanley and Margaret Rose (nee Canton) McGuire, Joan was born May 9, 1926, in Toronto. She grew up in the Toronto neighbourhood of High Park.

Although she was the older sibling and was taught to be very independent, it was her brother Murray who taught her to drive a car, making her parallel park on a hill in a vehicle with a standard transmission. She was grateful for the lessons as not many girls in her day learned to drive at a young age.

On March 26, 1960, in Toronto she married Norman Douglas "Doug" McGillis who predeceased her on July 31, 1998. The couple were well known in the Morrisburg area as business owners of the local Home Hardware serving their many customers with dignity and respect.

In her working life, Joan worked for Blue Cross, Simpson Sears and TCA (Air Canada). Working with the airline as a ticket agent took her to some interesting places including a six month stint in Florida. Joan's love of travel took her to places like England, Scotland, Ukraine, Hungary, Switzerland, San Francisco, Panama, Alaska and to both coasts of Canada.

Joan, a member of Knox Presbyterian Church in Morrisburg, was an active volunteer in the community. She delivered "Meals on Wheels" and shuttled dialysis patients to and from Winchester. She was a long time member, and former president, of the Morrisburg Curling Club.

Joan had a love for people, seeing them, hearing about them and being able to share in their lives.

She was dear mother of Ian (Nancy) of Cardinal and Ann (Jeff) Miller of Kemptville, and cherished grandmom of Norman, Laura and Emma Miller of Kemptville.

She was loving sister to Murray (Norma) McGuire of Etobicoke and will be sadly missed by many nieces, nephews and cousins.

Friends were received at the Parker Funeral Home in Morrisburg on August 13 from 7-9 p.m. and on Sunday, August 14 from 2-4 and 7-9 p.m. Funeral service was given by Rev. Darren May at Knox Presbyterian Church in Morrisburg on Monday, August 15.

Interment was at Mount Pleasant Cemetery, Morrisburg and pallbearers were Michael Domanko, Dennis Baker, Tom Hodgson, Craig Harriman, cousin Jon Kent and nephew Norm McGillis. Honourary pallbearers were her grandchildren Norman, Laura and Emma Miller and her niece Beth McGuire.

Memorial donations to the Parkinson Society or Winchester Memorial Hospital will be gratefully acknowledged, and may be made at parkerfh@personainternet.com

Coral Geurkink

After a lengthy battle with kidney disease, which she fought with courage and determination, Coral Geurkink, a lifelong resident of the Iroquois area passed away Sunday, August 14 at the Ottawa General Hospital. She was 57 years old.

The daughter of the late Cedric and Dorothy (Herring) Marcell, Coral is survived by her husband John Geurkink whom she married on July 31, 1982, at the Williamsburg Christian Reformed Church.

She was born on July 20, 1948, in Iroquois.

Coral was a member of the Royal Canadian Legion Branch 370 in Iroquois, Williamsburg Christian Reformed Church, the Matilda Friendship Circle and the Red Hat Society. She volunteered with the Matilda Helping Hands, C.N.I.B. and the Canadian Cancer Society.

During her lifetime, Coral worked at a number of locations including: Automatic Electric, R.C.A. and Computer Assembly.

She enjoyed quiet days at home–reading, gardening, sewing and visiting with her neighbours, and she enjoyed the time spent at the cottage in Sylvia Lake, New York.

A devoted wife, mother, and grandmother who treasured the time spent with her family, especially her grandchildren, Coral's willingness to help anyone in need and her constant smile and positive attitude were an inspiration to all.

She will be lovingly remembered by her husband John and by her children Michelle St. Pierre (Shawn Markell) of Iroquois and Christa St. Pierre (Trevor Riopelle) of Iroquois.

She will be sadly missed by her brothers and sisters Sandra Thompson (Garry Lalonde) of Kingston, April Beckstead of Iroquois, Judy Byers (Ron Martin) of Winchester, Denise (Peter) Mueller of Brockville and Dale (Chris) Marcell of Kitchener, and by her stepbrother Gary "Pepper" (Sue) Robertson of Ajax.

She will be fondly remembered by her grandchildren Davin, Tristen, Riley and Trenton and by many nieces and nephews.

Friends called at the Marsden and McLaughlin Funeral Home, in Iroquois on Wednesday, August 17 from 2-4 and 7-9 p.m. The funeral service was conducted by Rev. John Noordhof at the Williamsburg Christian Reformed Church on Thursday, August 18 and the inurnment of cremated remains was at the Spruce Haven Cemetery in Brinston.

Pallbearers were Ron Geurkink, Mike Geurkink, Gerald Westervelt, John Westervelt, Martin Westervelt and Gary Jones. Honorary pallbearers included Larry St. Pierre, Bob Hartle, Denzil Prunner, Neil McLaren and Blair MacLeod.

Donations to the Kidney Foundation would be appreciated by the family.

Joe Loose

A resident of Morrisburg since 1988, Joe Loose passed away at Winchester District Memorial Hospital on Saturday, August 13, following a brief illness. He was 84 years old.

A resident of the Hartford Retirement Home for the last five years, Joe was born on March 28, 1921, in Toronto.

He was the son of the late Joseph and Agnes (nee Nixon) Loose. He was predeceased by his wife Eva (Babin) whom he married on November 4, 1958, in Port Carling, Ontario.

Prior to moving with his wife Eva to Morrisburg in 1988, Joe lived in several locations including Toronto, Brantford, Jamaica, Antigua and Alberta. He worked for several years on the Alberta Tar Sands before retiring in the 1980's.

Joe's hobbies included golf, curling and collecting items such as coins, stamps and plates. He also loved trains and studying history.

He was a member of St. James Anglican Church and Royal Canadian Legion Branch 48, both in Morrisburg.

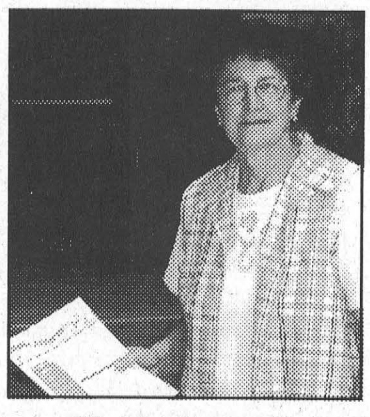
He will be fondly remembered by his grandchildren Dean (Sandra) Williams of Howick, Quebec, Dawn (Mike) Erickson of Winchester, Dale (Kim) Williams of RR#1 Winchester, and by his great-grandchildren Kanel, Gillian and Paul Erickson, Ryan and Kaitlyn Williams and Logan and Tanner Williams. He is survived by several nieces and nephews.

Joe was predeceased by his sister Marion Mailey.

Friends called at the Marsden and McLaughlin Funeral Home in Williamsburg on Friday, August 19 from 9-11 a.m. The 9-11 visitation was followed by the funeral service given by Rev. Darren May. Interment was at St. James Anglican Cemetery in Morrisburg, and the pallbearers were Dean Williams, Dale Williams, Mike Erickson, Ryan Williams, Kane Erickson, Paul Erickson and Logan Williams.

Donations to Winchester District Memorial Hospital would be appreciated by the family.

St. Lawrence River Study brought to Galop Project



Elaine Kennedy

IROQUOIS – Tuesday, August 16, a member of the International Lake Ontario - St. Lawrence River Study addressed the Galop Canal Project staff.

Elaine Kennedy, this area's representative to the Public Interest Advisory Group of the Study Board, spoke about the work being undertaken by the group which consists of an equal number of Canadians and Americans.

Kennedy is a volunteer, and has been working on this study for the past five years.

The study is a response to public concern that the 40 year old regulation plan for directing and managing water outflows through the St. Lawrence Seaway control dams was out of date and not responsive to current and future uses of the system.

Although this plan, entitled 1958D takes into account the interests of water uses, commercial navigation, and hydroelectric power, it does not consider the needs of the environment, recreational boating, and shoreline erosion.

The study team has come up with three different candidate plans, which focus on commercial, environment or blended concerns. These plans have been presented to the public over the summer, and final modifications to the plans will be made this August. The Board and Public Interest Advisory Group will discuss the study results with the International Joint Commission in the fall, and complete the final report for public release by December 31, 2005.

As there are many different interested groups concerned about water levels, each with their own agendas, Kennedy said, "No matter what we do we won't be able to please all the people all the time."

She also ensured the audience that they won't have to wait another 40 years for a review of any plan which is implemented.

The public can find out more about the International Lake Ontario - St. Lawrence River Study at www.losl.org.

Annual Alzheimer "Coffee Break" coming to a coffee cup near you

CORNWALL – The Alzheimer Society of Cornwall & District is preparing its 10th annual Coffee Break event. This is a nationwide fundraising event for Alzheimer Societies across Canada.

A Coffee Break is a hosted gathering where friends, neighbours, customers and coworkers have a coffee and make a donation to the Alzheimer Society.

"Residents of Cornwall, Stormont, Dundas and Glengarry as well as Prescott and Russell have been great about supporting Coffee Break since it began in 1996," says Shelley Vaillancourt, executive director of the Alzheimer Society of Cornwall & District.

"The Society is hoping to raise $25,000 and gather 150 host sites in this year's Coffee Break event," says Julie Leroux, campaign coordinator.

"Coffee Breaks are simple to run. We provide promotional materials and guidance to hosts. Yet, the impact of this campaign is very significant for people living with Alzheimer Disease in our region, as funds will provide them with much needed support and programs."

The Alzheimer Society of Cornwall & District serves the population of five counties: Stormont, Dundas, Glengarry, Prescott and Russell, where over 2,600 people are affected by the disease.

The Society is encouraging everyone to either host or attend a Coffee Break.

For information about the event or to register as a host of a Coffee Break, please call Julie Leroux at 613-678-6471.

Alzheimer Coffee Break™ is the Alzheimer Society's nationwide fundraiser.

Summer Heights wins fifth title

IROQUOIS–For the fifth consecutive year, Helen Greer led the Summer Heights Ladies Valley League team to the championship, shooting the low gross in A flight with a 77.

It was also the seventh consecutive time the Cornwall area golfer laid claim to the Trudy Beavers A Low Gross Trophy. This time around, however, she felt a little heat, with Diane Throop of Prescott and Lea Anne Munro of Cedar Glen both nipping at her heels with 79s. The 79 gave Munro a 66 net for the A flight low net championship.

The Iroquois Golf Course was in great shape for the 34th running of the event, and tournament coordinator Nellie Leightizer pointed out it would be the final time the current Iroquois clubhouse would receive the event. Iroquois, along with Morrisburg, Summer Heights and Brockville Highlands (no longer involved) were the founding members of the Ladies Valley League, which in addition to the original three now includes Prescott, Cedar Glen and Glengarry.

This year's event saw the introduction of a trophy in memory of longtime Iroquois Golf Club member and Valley League competitor Jennie Clifford. The trophy, for senior low net, was presented to Lynn Shaw of Cedar Glen whose 92 gave her a 74 net. She claimed the win in a playback against Barb Sheridan of Morrisburg who shot 94 for her 74 net.

Sheridan was also the only golfer present who played in the first Valley League competition held 34 years ago in Morrisburg. The 2005 Ladies Valley League will be played in Prescott.

For their fifth consecutive win the Summer Heights team posted 1,272 strokes to reclaim the Carole Monaghan Team trophy. Last year they won on their home turf with 1,329 strokes.

Team Canada at World Junior Carp Fishing Tournament

For the third consecutive year, Team Canada participated in the World Junior Carp Fishing Tournament in Waddington, New York, last Friday and Saturday. Returning team members Andrew Peters and Brandon Elliott were this year joined by some new teammates. Added to the team is Malcolm Welsh and carp fishing rookies Graham Peters and Barry Elliott. As a guardian accompanying the team to the U.S., Barry fished in the Adult Guardian Division. The team took time for a picture at a sendoff barbecue, held in their honour by Evelyn Marshall at Inn on the Park Bed and Breakfast in Morrisburg last Thursday evening. Pictured in front are Brandon Elliott (left) and Graham Peters. Back left to right are Andrew Peters, Barry Elliott and Malcolm Welch. ***Comfort Photo***

Team Canada wins silver at World Junior Carp Tournament

WADDINGTON – In 2003, the St. Lawrence County Chamber of Commerce hosted their first ever World Junior Carp Fishing Tournament, and Team Canada was there. The 2005 edition of the tournament took place Friday and Saturday, and once again, Team Canada was there.

This year Team Canada, represented by Andrew Peters, Brandon Elliott, Graham Peters, Malcolm Welch and Barry Elliott, brought home a silver medal.

In addition to their team effort, Malcolm individually finished second in the 14-18 year old boys category. Andrew finished eighth, and Graham finished 14th.

Their guardian at the event faired well. Barry Elliott finished fifth, in his first time participating in the competition.

Barry and Graham were the rookies of the team, being new to carp fishing. Graham went into the tournament with only one day of carp fishing under his belt. "I just started today," he said last Thursday. "I like it."

Graham was recruited to the team by his brother Andrew.

Barry decided to try his hand at the tournament this year. Having watched his son Brandon in the competition every year he decided that this was the year he would participate. He says that carp fishing, "is just a waiting game, which requires a lot of patience."

Malcom is familiar with carp fishing, as a relative of Kevin White who originally set up a team for the competition, but this was his first time as a member of Team Canada.

White this year was unable to attend the event as he is out of the country on business.

Brandon and Andrew have been with the team since its inception.

"Kevin just stopped along the road and asked me if I wanted to try carp fishing," says Andrew. He has been doing so ever since.

Kevin stopped at a ball game and asked Barry through the fence, if he knew any kids that would be interested in trying carp fishing, and that's how Brandon got involved.

Before the competition the group said that their chance of winning the tournament was good, but a lot depended on which fishing location they drew.

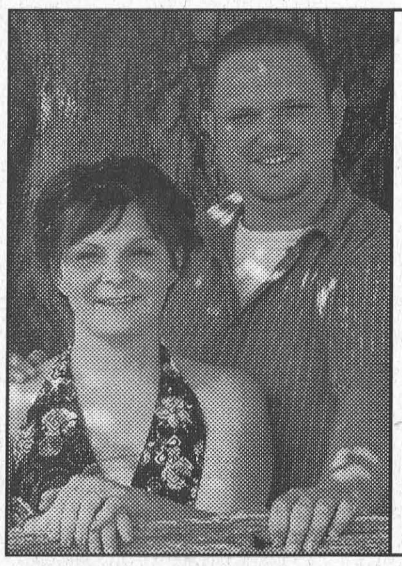
The winner of the tournament was Andy Rickett of the United States, who took home $4,500 in prize money. His top four fish weighed in at almost 93 pounds.

Malcolm caught almost 65 pounds of carp. Andrew's fish weighed in at nearly 51 pounds, Graham's at almost 46 pounds.

Team Canada is sponsored by Inn on the Park, Canadian Carp Fishing Holidays and Shimano Canada.

Almost 150 anglers participated in the tournament along the shores of the St. Lawrence between Massena and Ogdensburg. This year, for the second time, Tom Felton was host.

Felton, who is best known as the actor who plays Draco Malfoy in the Harry Potter movies, is an avid carp fisherman.



Walsh-Moore

Muriel and Dale Whitteker and Bob Walsh of Williamsburg are pleased to announce the engagement of their daughter **Stefanie Walsh,** to **Robert Moore,** son of Linda and Richard Moore of Kemptville. A June wedding is planned.

St. Lawrence Speed Skating

BROCKVILLE – Getting ready to hit the ice for their second season, the St. Lawrence Speed Skating Club, which skates out of Brockville, is looking to expand their membership throughout the Seaway Valley.

The club has just received Trillium funding, in the amount of $43,800, for equipment purchases for the upcoming season and is holding registration sessions.

Due to the availability of ice time, the club skates out of the Brockville Centennial Youth Arena in Brockville, Saturday mornings between 9 and 11 a.m.

This club is one of the few speed skating clubs in the area. Established by John Sommerville, of Prescott, he says that his son Brodie was his inspiration to get it started.

Brodie skates out of Ottawa and has experienced a great enjoyment from the sport, and John wanted others to be able to experience the camaraderie of such a great sport.

The club offers both competitive training and recreational skating.

They offer a trial package to anyone interested in trying the sport. For a modest fee anyone can give it a try. The price includes skate rental and insurance.

Sommerville says that anyone can participate. Their current members range in age from six to 60.

Anyone interested in the club can contact John Sommerville at 613-925-3231.

IROQUOIS LEGION NEWSLETTER

Royal Canadian Legion

Branch #370

IROQUOIS – As the month of August quickly slips by, it makes us wonder just where did the summer go. As we approach September, all the signs of fall are slowly making an appearance.

The Cribbage League will resume following Labour Day weekend. If you love to play Crib, then why not join the League. They meet every Saturday at 1 p.m. sharp in the lounge, and you do not need to be a Legion member to participate.

There were 14 tables of Euchre on Tuesday, August 16. Picking up first prize was Bert DeWit, while second prize was shared by Keith McConnell and Catherine Geertsma. Richard Sanders claimed the door prize and Phyllis Thompson had low score of the evening. For a change some skunks were found loitering around the Branch and picking up one each were Sheila Scarbo, Syanne McCurdy, Myrtle Johnson and Evelyn Schwerdtfeger.

There were three tables for Duplicate Bridge on August 9 and the high winners were Jerry Leckie and John Polak. For Duplicate Bridge on Tuesday, August 16 there were three tables and the winners were Judy Darling and Marg Lapier.

The Pot of Gold winner was Comrade John McNight who, fortunately, was signed in.

The Friday luncheon is to be baked chicken, curried rice with veggies and the dessert is chocolate cake with cherry sauce and whipped cream. The free meal winner was Sandy Williams.

Until next week – take care, Dar.

Many thanks to comrade Victor for doing the column last week. A man of many hats, Cook, President and a sometime tree climber.

A big thanks to comrade Steve Coligan for dreaming up a trip to the War Museum in Ottawa. Gord McGregor and Willy van Leeuwen spearheaded the trip. A deluxe coach from Dundas tours left the Branch at 8.00 a.m., arriving at 9.00 a.m. at the War museum. A tour of 3 hours followed . . . not enough time to appreciate everything. Probably a full day would be better. A meal in the mess followed. A drive through Beechwood Cementary showed that the headstones from the 2nd World War are being over shadowed by the stones from the peace keeping. Next was a trip to the Aviation Museum. First a display of WW1 planes, then a display of Bush planes used between the great wars. A series of planes used during the WW2 and then a series of

planes used during the post war. All planes are in working condition and flyable. A remarkable feat and a tribute to the people that restore them. Home at 5.00 p.m. to a lot of tired people. A very worhwhile day. A big thanks to Steve, Gord and Willy . . . your efforts were appreciated. Approx. 20 people took advantage of the trip.

Jim Brownell is inviting all Legion members and spouses from all local Legions to a Bar-B-Q at Lost Villages, east of Long Sault, on Mon. Sept. 5, 2005.

A note for your calender – there will be a pub crawl on Sept. 24, 2005, leaving the Branch 48 at

11.30 a.m. The agenda is a visit to 6-7 Branches in the surrounding area. Bring a designated driver please.

A Steak Bar-B-Q with all the fixings will be held on Friday, Aug. 26th beginning at 5 p.m. A limit of 84 tickets are available, so don't be disappointed and buy yours early at the bar.

Bingo on Thurs. night. Come and enjoy the fun.

This has been a busy hot, hot summer. The Branch had a lot of activities, that were all made possible by our many volunteers. Our thanks go to those people that put their heart and sole into the Branch, without sometimes a thank you. Keep up the good work . . . we need you.

Until next time . . . ***Comrade Bill***

Thunder and Lightning to battle

MORRISBURG–Blue Thunder will be looking to make it a clean sweep in Dundas Men's Roller Hockey action this Thursday night when they take on White Lightning in the A final championship.

Last Thursday night in semi-final playoff action the regular season champs, Blue Thunder downed Orange Crush 9-5, while Black Attack took it to two periods of overtime before losing to White Lightning 6-5.

The Thunder who were 10-2-0 in regular season play had little trouble with Orange Crush last Thursday, pulling into a 3-1 lead at the end of the first period and holding on to a 5-3 advantage at the end of two.

Trevor Morozuk kicked off the Thunder scoring, and that was followed by a Justin Elliott tally. Rob Thurler then took over contributing a hat trick. Brian Shaver would be good for a pair before the game ended, and Gary McInnis and Aaron Sherrer added singles.

Answering for Orange Crush were Chris Phifer, Dan Pidgeon, Ryan Thompson, Steve Beehler and Jamie McIntosh.

The 9-5 Thunder win puts them in the A final this Friday night and left the Crush in the consolation game.

White Lightning, who finished in second place in the regular season (7-5-0), had a tough go against third place Black Attack (4-8-0). Both teams were fighting for the right to advance to the A final against Blue Thunder and after two periods of overtime it was Lightning earning the right with the 6-5 win, the winning goal coming from the stick of Chris Thompson.

Lightning held a 2-1 lead after the first period with goals from Thompson and Travis Rowe. Robbie Darling replied for Black Attack.

The second period belonged entirely to Black Attack as they went to work for three unanswered goals and a 4-2 lead heading into the final.

Francis Dagenais led the Attack with two goals and Gilles Charbonneau added the single.

Mike Thompson turned it on in the third counting a hat trick for Lightning and pushing them into a 5-4 lead with 3:09 remaining in the game.

It looked as if the Lightning advantage would hold right up until the final seconds of the game when Dagenais beat Lightning goalie Colin Baker-Stephens to tie it.

The first overtime period, played four on four, was scoreless, and in the second, with the teams playing three on three, Chris Thompson counted the winner for Lightning.

The 6-5 win gives Lightning the opportunity to take on the powerful Blue Thunder squad in the A final this Thursday

U13 Girls are Tops at Tournament of Champions

The South Dundas Seaway Kicker U13 girls won the Dundas County League Tournament of Champions hosted Saturday, in Chesterville, by North Dundas. The Kickers faced North Stormont in the finals and won 2-0. Both of the Kickers goals were scored by Rachel Bergsma. Pictured above is the winning team. Back left to right are George Menges (coach), Hannah McGillis, Shelby Geurkink, Krista Thompson, Emily Peters, Anna Woodmass, Shaina Lewis, and Rita Bergsma (asst. coach). In front, left to right, are Molly Chesbro, Sarah Moss, Maisie Menges, Chelsea Hartle (goalie), Rachel Bergsma, and Jillian McGillis. Absent are Kate Guse, and Dave Hartle (asst. coach). Four of the six teams in the Dundas County Soccer League participated in the tournament. The U16 Northside Seaway Kickers played their way to the finals, but lost to North Dundas, 3-2 in overtime.

THANK YOU!

We would like to thank Linda Bowers, Tournament Organizer of the Let's Go Girls Breast Cancer Awareness Golf Tournament for our form letter received on behalf of the tournament organizers, that due to "circumstances beyond our control, we are not able to accommodate your team". Although our registration fees and team registration form were in before the deadline, when called and asked why you could not accommodate our team your response was "because we had never helped organize or participated in it before!"

The registration form states that the tournament has hit the 120 mark "come out and help us raise more." It must be very difficult as the tournament organizers to have to limit participation by picking and choosing who can golf for such a worthy cause. It is obvious that you are quite well organized as to participation for us to have received a letter of non accommodation the afternoon of the deadline – Aug. 12 by 4.00 p.m. at 5:00 p.m. in the mail.

We will donate our registration fees to the "Clinic" at Winchester District Memorial Hospital, in memory of our Mother, who was a Breast Cancer Victim, to help raise more.

From: Melanie, Cheryl, Cathy, and Debbie

IN MEMORIAM

WAGNER–In loving memory of a son and brother, Robert, who passed away August 25, 2004.
Memories are treasures no one can steal,
Death is a heartache no one can heal.
Some may forget you now that you're gone,
But we will remember no matter how long.
–Love, Dad, Colleen and Charlie 34p

WAGNER–In loving memory of my dear brother, Robert, who passed away August 25, 2004.
The moment you died my heart split in two,
The one side filled with memories,
The other side died with you.
I often lay awake at night,
When everyone is fast asleep,
I take a walk down memory lane,
With tears upon my cheeks.
Remember you my dear brother,
I do it every day,
But missing you is a heartache,
That never goes away.
I hold you tightly within my heart,
And there you will remain,
Life has gone on without you,
But it will never be the same.
–Until we meet again, I will continue "Chasin the dreams and beatin the odds." Loved and forever missed by your "little" sister Carolyn and brother-in-law, Michael 34p

Weight Management

The Quick-Loss™ PLUS weight reduction programs focus on reduced carbohydrates and fat calories through a well-balanced diet of grocery store food combined with our proprietary line of herbal weight loss products. This healthy combination allows you to lose weight in a safe, effective, and consistent manner. We teach you to develop sensible eating habits, plan great-tasting meals for the whole family, devise a nutritionally sound eating plan, recognize low-fat food options, and make healthy food choices. Our programs do not require organized exercise. You do not need to exercise to lose weight, but you should exercise to improve your health.

One-on-one Counselling

All programs are designed with your individual needs in mind and with the one-on-one support and guidance of a trained weight loss counselor, who meets privately with you each visit to monitor your progress, review your meal plan, discuss frustrating obstacles, offer encouragement, and make any adjustments necessary to ensure that you are staying on the path to success. We applaud, congratulate, and support you every inch of the way.

Natural Health Products

Our all-natural herbal supplements used in our weight management program help you maintain lean body mass, resulting in a toned, healthy appearance and a more efficient metabolism. Our specially designed formulations help control appetite, inhibit fat synthesis, and maintain energy and vitality. We carry a comprehensive line of vitamins, minerals, and specific wellness products formulated by our Scientific Advisory Team, which includes leading pharmacological manufacturing companies, registered dieticians, pharmacists, and PhDs.

All Herbal Magic products and supplements are registered with the Natural Health Products Directorate (NHPD), a division of Health Canada. The NHPD is the regulating authority for natural health products for sale in Canada. Our top-of-the-line products are constantly subjected to continual sampling and statistical controls, from raw materials through to the distribution of final product.

Success

All that really needs to be said has been said by our clients, whose success remains forever etched into our hearts and minds. We've seen one success after another and every pound and inch lost reminds us that there are no small goals, only smaller waistlines. So, consider your life, where you want to be, and just how good you want to look and feel. This is the weight loss program you're looking for. This is the weight loss program you'll love every inch of the way. This is the weight loss program you'll love for life.
