INKERMAN ROCKETS HONORED

An enjoyable event took place at the Inkerman United Church on Friday evening last, when residents of the community served a sumptuous dinner in honour of the Inkerman Rockets, Ottawa District Junior Hockey Champions and Memorial Cup Semi-Finalists.

During the evening, members of the team were presented with crests, and were addressed by Tom Foley, popular CFRA Sports Director, of Ottawa. Other speakers included Postmaster F. Erle Helmer, of Winchester; Mr. Lloyd Laporte, the Rockets' Coach; Carman Marshall, team captain, and Mr. George Jowett, well-known physical instructor. The pastor of the church, Rev. Geo. S. Gervan, acted as chairman.

Featured entertainers for the affair were Hugh Wilson, bass soloist, from Winchester, and comedian-singer Clarence Morgan.

Following the program, a dance was held in the Community Hall.

Trustees Favour Township School Board In Winchester

A meeting of trustees of Public Schools in Winchester Township invited by the local school inspector to look into the matter of a township school board for the township, voted strongly in favour of the change at a meeting held in the Winchester Town Hall on Monday evening. Sixteen members voted in favour of the change with four members abstaining from voting.

A resolution was framed to be presented to the Winchester Township Council at its next meeting, urging that body to pass the necessary by-law so that the township could go under township area administration in January next, and the individual boards receive the additional Legislative grants payable this Autumn to individual school boards and continued thereafter to the Township School Board.

The committee chosen to interview the municipal council consists of representatives now members of present school boards from school sections 15, 9, 4 and U.S.S. 21. They are Messrs. Willis Robinson, Mack Curran, Hugh Porteous and Stewart Mattice.

For a township school board to take office as of January next, the by-law for formation of a township school area must be passed on or before July 1st. All present school boards would continue in office until December 25th of this year.

Stores Will Close On Tuesday, May 24th

May 24th, Victoria Day, will be observed as a full holiday in Winchester, with all stores remaining closed on that day. Victoria Day falls on Tuesday this year, but in some places it is being observed on Monday, in order to make a long week-end. A move was made on Tuesday to have Victoria Day observed on Monday, May 23rd, here, but as the schools, banks and post-office could not make any change from the statutory date, it was decided to observe the holiday on the day on which it falls. Please remember, all stores and other business places in Winchester will be closed on Tuesday, May 24th.

WEDDINGS

FAWCETT-MACKIE

Bouquets of Spring flowers decorated the United Church in Ramsayville on Wednesday afternoon of last week for the marriage of Miss Jean Sylvia Mackie, daughter of Mr. and Mrs. Nicol A. Mackie, to Mr. Andrew William J. Fawcett, of Winchester. Allison Fawcett, son of Mr. and Mrs. Rev. J. A. Macaskill officiated.

The bride was given in marriage by her father, and attended by her sister, Miss Marion Mackie, as bridesmaid.

Mr. Roy Fawcett, brother of the bridegroom, was best man, and Mr. Gordon Fawcett and Mr. Nicol R. Mackie were ushers.

The wedding music was played by Mr. Clinton D. Gray.

The bride wore a gown of white faconne sheer, styled with a high neckline, an Empire waistline with a pointed yoke and a full peplum gathering the skirt to the back, and long fitted sleeves. A headdress of lilies-of-the-valley held her shoulder-length veil in place, and she carried a bouquet of Bettertime roses.

After the ceremony, a reception was held at the home of the bride's parents in Cyrville. The couple later left on a wedding trip to Toronto and London. For travelling, the bride wore a yellow print silk model, with a navy topcoat and navy accessories.

On their return, Mr. and Mrs. Fawcett will reside at Winchester.

Out-of-town guests present at the wedding were: Mr. and Mrs. W. J. Fawcett, Mrs. Andrew Allison, Mr. and Mrs. Hugh Coons, Mr. Fred Coons, Mr. Murray Holmes and Mr Harold Francis, all of Winchester; Mr. and Mrs. Keith Fawcett, Inkerman; Mr. Keith Allison, Winchester Springs; Mr. and Mrs. K. Atherfold, Vancouver, and Mrs A. J. Bruce, Washington.

DOUBLE WEDDING CEREMONY AT SOUTH MOUNTAIN

The United Church Parsonage, South Mountain, was the scene of two interesting wedding ceremonies on Saturday afternoon, when Rev. J. B. Adams united in marriage, Miss Elva Muriel Baldwin, daughter of Mr. John H. Baldwin and the late Mrs. Baldwin, of South Mountain, to Mr. Thomas Burton Hodgson, son of Mr. and Mrs. Grant Hodgson, of Winchester; and Miss Doreen Watts, daughter of Mr. and Mrs. Aura Watts, to Mr. Albert Larocque, son of Mr. and Mrs. Louis Larocque, of Winchester. Each couple acted as attendants for the other.

Miss Baldwin was married in an American Beauty Gabardine Suit with black accessories and corsage of Yellow Roses. Her only ornament was a 3-strand Pearl necklet, a gift of the groom, and she wore a shoulder-length veil.

Miss Watts chose as her wedding outfit a blue crepe street-length dress. with black accessories and corsage of red roses.

Following the ceremony, the young couples left on a trip to Brockville and points in New York State. They will reside in Winchester.

Mr. and Mrs. F. Christie Honoured By Friends

Over 100 friends gathered on Monday night to honour Mr and Mrs. Fred Christie, who were recently married. The reception was held at the home of the groom's father, Mr. Ernest J. Christie, Main Street, Winchester. The young couple were presented with a Kroehler easy chair and ottoman, the gift of neighbours of the groom. The presentation was made by Mrs. Harold Lannin, while the following address was read by Mrs. Lloyd Wilson:

Dear Fred and Marion:—We, your friends and neighbours, have gathered here to-night to express to you our best wishes for your happiness, and trust you may have a long and prosperous wedded life.

You, Fred, have grown up among us, and your cheerful serenity of countenance, your unfailing adherence to duty in your home, and your kindly, understanding disposition have long been the admiration of your many friends in this town.

To you, Marion, who is a stranger to most of us, we welcome you into our midst. Our best wishes will accompany you in your new home, where your qualifications for management will continue to be exercised in managing a husband.

As a token of our love and esteem we ask you to accept this gift with the wish that
Now and through the future days
Your lot be cast in pleasant ways.

Signed on behalf of friends and neighbours, Beatrice Wilson, Norma Lannin.

Both Mr. and Mrs. Christie replied to the address and thanked their friends for the beautiful gifts.

The evening was spent in social intercourse. Rev. Iver MacIver gave a brief address, while the following numbers added to the evening's enjoyment: Selections by the Winchester Male Quartette, comprising Messrs. Hugh Wilson, W. A. Rowat, Thos. Reed and Fred Gibbons; Guitar selections by Eric Steele and Billy Mack Woods; Community Singing, accompanied by Mrs. E. R. Steele on the piano; and a humorous reading, "Sanders McLashan's Courtship," by Mr. W. A. Rowat.

Monday also marked the date of the groom's birthday, and the hostesses, Mrs. H. Lannin and Mrs. L. Wilson had prepared a lighted cake in his honour.

Assisting the hostesses in serving refreshments were Mrs. Hugh Edgerton, Mrs. D. Thompson, Mrs. Leonard Hunt, Miss Mildred Julian, Miss Gail Lannin and Mrs. Charles Walker.

Mr. Basil Dawley Wins Purina Trophy

On Tuesday evening, May 10th, Mr. Basil Dawley, of Winchester, was awarded the "Purina Leadership" Trophy for the Ottawa District, at a special dinner at the Green Valley Restaurant near Ottawa.

The trophy, a fine bronze plaque, is awarded annually to the dealer giving the most outstanding service to the poultry and livestock feeders of his district. When properly engraved, this trophy will be on display at Dawley's Feed Store at the west approach to the village.

Guest speaker of the dinner was Mr. R. A. Blair, of Toronto, Vice President of Purina Mills. The title of his subject was: "Where do we go from here," and he pointed out that the greatest responsibility of the feed dealer today is to help his feeders to realize a greater net profit from their herds or flocks. There is a future for the farmer who will "farm his buildings as he does his fields." In the case of the man with an average herd of cows, and an average outlet for his milk, such a feeder could make several times as much net profit through "farming his buildings" by converting them to efficient hog or broiler producing plants.

An interesting series of colored slides by Mr. Ray Baker, of Kemptville, completed the evening's program. The pictures were taken throughout Eastern Ontario and on the recent St. Louis Experimental Farm tour.

Women's Institute Met On Tuesday

There was a good attendance at the May meeting of the local Women's Institute, held in the town hall on Tuesday evening, under the presidency of Mrs. George Wilson.

Roll call was answered by each member giving their mother's maiden name.

The new secretary, Mrs. H. Gibson, read the minutes and correspondence.

Members of the 1949 Visiting Committee were appointed as follows: Mrs. G. Clarke and Mrs. E. Walker. Mrs. Thos. Edgerton was re-appointed pianist. Delegates appointed to attend the W. I. District Annual at Morrisburg United Church on June 14th are Mrs. H. Gibson, Mrs. H. Fetterly, Mrs. Mary Bowden and Mrs. Geo. Parish.

The sum of $10.00 was voted to the Cancer Fund.

A new family has been adopted by the W. I., to whom food parcels will be send each month.

The program was in charge of the executive and was dedicated to "Mother." A reading, "I Am Like Mother," was given by Mrs. J. Moffat, while a musical quiz was presented by Mrs. George Suffel, with Mrs. H. Fetterly presiding at the piano. A reading on the Origination of Mother's Day was given by Mrs. M. Bowden.

Lunch was served at the close of the program. The vote of thanks to all who had contributed to the evening's entertainment was moved by Mrs. (Rev.) Geo. McIntosh.

CALF CLUBS ARE RE-ORGANIZED IN DUNDAS COUNTY

Dundas Calf Clubs were re-organized for the 1949 season last week, when enthusiastic meetings were held at Mountain and Chesterville.

Mountain Senior and Junior Calf Clubs held their meetings in the South Mountain High School, with about 35 present. Officers elected for the Senior Calf Club were: Club leader, Russell Suffel, Inkerman; president, Donald Rose, Mountain; vice president, Douglas Mulholland, South Mountain; secretary, Gordon Fawcett, Winchester.

Officers for the Junior Calf Club are: Club leader, Keith Fawcett, Winchester; president, Gordon McVey, Winchester; vice president, Gerald Fawcett, Winchester; secretary, Jessie Carkner, Vernon.

Chesterville Calf Club held its meeting in the Chesterville High School, with an attendance of 25 persons, 19 of whom enrolled in the club.

Officers are: Club leader Gerald Kittle, Chesterville; president, Burton Beckstead, Chesterville; vice president, Stewart Edgerton, Chesterville; secretary, Ralph McPherson, Elma.

These three clubs are sponsored by the Chesterville and District Agricultural Society and the Mountain Agricultural Society.

H. W. Graham, Agricultural Representative, of Morrisburg, was present for the meetings and addressed the members on both occasions on their duties and the projects that will be covered this year.

The enrollment list in these clubs is not closed and any inquiries for membership should be addressed to the Club leaders or the Agricultural Representative at Morrisburg.

100 CLUB LUNCHEON

The May Luncheon-Meeting of the local 100 Club will be held at the Golden Pheasant Steak House tomorrow (Friday) evening, at 6.30 o'clock, D.S.T. The guest speaker will be Mr. Geo. Jowett, well-known physical instructor and health authority. A good attendance of Centurians is requested.

FINCH COUNCILLOR THINKS CHILDREN SHOULD BE ALLOWED TO VISIT HOSPITAL

Memorial Hospital,
Winchester, May 16, 1949.

To the Editor, Winchester Press:

Life's Journey

"We shall pass through this world but once. If, therefore, there is any good deed or act of kindness we can do for a fellow man, let us do it now; let us not defer nor neglect it, for we shall not pass this way again."—So, just one complaint, and you can register it with the Hospital Board.

I am surprised that such a "silly rule" is aimed at the children of our community, and "you would think by the roar a nurse registered yesterday that the child had committed some crime." What a disappointment to a child who had asked to see her Dad, whom she hadn't seen for 4 long days! Children have a tendency to remember things such as this, and possibly at some future date may react to the detriment of your Memorial Hospital.

When your Hospital Board came to our County Council for a grant towards this worthy cause and we wholeheartedly supported this cause, we certainly didn't expect treatment such as this imposed on our children who are the citizens of tomorrow. I personally am not one to squawk, and I mean squawk, but as a respected citizen with the good old Township of Finch squarely behind me as their elected representative, I feel it is my duty to present this issue in the proper light for the benefit of all concerned.

Possibly I may be the target for much criticism in this connection, but I feel I have only registered my personal opinion on what I again claim is a silly rule, which you can make exception to if you wish, as circumstances can sometimes alter cases, but in this case it certainly would have been appreciated and a different feeling would have prevailed.

Please accept this gentle scolding in good faith, as I still remain a patient.

Yours sincerely,
Aden C. Casselman, Berwick.
(Finch Twp. Councillor)

Ed. Note—Evidently our correspondent would like to have the rule "No children under 14 permitted to visit patients" deleted from the hospital regulations. Possibly he is not alone in this line of thought. The rule, however, is not a "silly" one, as he terms it. There are good and just reasons for applying the rule, while it also has its disadvantages. As for Mr. Casselman's young daughter not seeing him for "4 long days," we can only say that during the war thousands of children never saw their fathers for two, three and four years; also that many fathers working away from home only see their children once a week, and sometimes only once a month.

The rules and regulations, adopted by the District Memorial Hospital Board, including the one about the children, were drawn up with the assistance of, and passed by the Ontario Department of Health. They differ very little from the rules of other hospitals. Only in the larger institutions are children allowed to visit patients, so why brand the local hospital of establishing a precedent in this regard. The nurse, referred to in the above letter, was only doing her duty in enforcing the rule. There cannot be any exceptions made to the rules by the nursing staff.

If a hospital was operated to meet the requirements and wishes of every individual, it would be a very unsatisfactory institution. Rules and regulations are drawn up, after careful consideration, and are designed for efficient operation, and for the benefit of all who seek hospital care, not for one individual patient.

We would suggest that if Mr. Casselman has any grievance regarding the hospital rules, he contact the Hospital Board at its next regular meeting, and any suggestions he would care to make would be given every consideration.—Editor.

HOSPITAL AUXILIARY HOLDS BIRTHDAY PARTY

Over 125 invited guests attended a Birthday Tea, held on Saturday afternoon and evening at the spacious home of Mr. and Mrs. W. A. Rowat on Main Street, and sponsored by the Ladies' Hospital Auxiliary.

After signing the register, the guests deposited an amount equal to their age, one cent for each year, in a beautiful birthday box, designed and decorated by Mrs. Robert Woods. The sum of $67.00 was realized.

Mrs. C. R. Robinson, president of the Auxiliary, and Mrs. Rowat, received the guests, and Mrs. Hart Melvin directed them to the tea room, which was decorated with Spring flowers. In the afternoon, Mrs. H. L. Hughes, Mrs. J. W. Ault and Miss Mary Empey presided at the tea table, and in the evening, Mrs. Faye Scott and Mrs. H. W. Justus, of Chesterville.

The committee in charge of the tea room were Mrs. Faye Scott, convener, assisted by Mrs. Harold Lannin, Mrs. Wm. Lannin, Mrs. R. D. Ledgerwood, Mrs. Eldon Davidson and Mrs. Melvin Scott. Mrs. W. M. Byers, convener of the Ways and Means Committee, assisted by Miss Jean Wyatt, were responsible for the general arrangements.

Memorial Hospital Gets Federal Grant Of $15,000.00

The Department of National Health and Welfare has approved grants totalling more than $49,000 to assist in meeting the building costs of the Winchester and District Memorial Hospital, Winchester, and St. Mary's of the Lake Hospital, Kingston, Hon. Paul Martin announced a few days ago.

Almost half the money appropriated annually under the national health plan, is being used to encourage hospital building, Mr. Martin said. Grants to individual hospitals are fixed on the basis of increased bed capacity at the rate of $1,000 per bed for general hospitals and $1,500 per bed for hospitals treating chronic illnesses. These grants must be at least matched by the province.

The Winchester and District Memorial Hospital, completed last December, is a new institution with a bed capacity of 32 and complete medical, surgical and obstetrical facilities. It serves about 12,000 people in Winchester and surrounding townships. The federal grant will total more than $15,300.

St. Mary's of the Lake Hospital, Kingston, will provide accommodation for 92 chronically ill persons. Once an orphanage and later the Kingston Military Hospital, it is now being converted for hospital use by the Sisters of Charity of Providence. The federal grant will be approximately $33,700. Work is expected to be completed later this spring.

As construction of both these hospitals had begun before the federal plan to aid hospital building became effective, they do not qualify for the full federal grant, Mr. Martin explained, but progress payments have already been made on the amounts due them.

Both projects were recommended under the terms of the national health plan by Hon. Russell T. Kelley, Ontario's Minister of Health, and the costs will be charged against the $4,336,000 allotted annually to Ontario for hospital construction.

HOSPITAL SUPERINTENDENT RESIGNS

Miss Dorothy Marquis, Reg. N., has resigned as Superintendent of the District Memorial Hospital, here, effective May 31st. Her duties will be taken over by the Assistant Superintendent, Miss Rowe, until such time as a suitable successor can be engaged. Miss Marquis has been Superintendent of the hospital since it opened last December.

BUYS BROCKVILLE BAKERY

Mr. Howard Price, well known Prescott bakery owner, and formerly of Winchester, has announced that he has acquired the Tait Bakery business in Brockville, and has already taken over active management of this large enterprise, which requires a staff of eleven.

Mr. Price intends to discontinue his present retail business on King Street West, in Prescott, when his lease expires at the end of the current month of May. He will, however, maintain the long-established business connection in Prescott by continuing house-to-house delivery of bread and pastry. Mr. and Mrs. Price will continue to reside in Prescott for the present.

SOW GOOD SEED; REAP GOOD CROPS

Are farmers lowering the value of their crops by sowing weed seeds? The seed drill survey, covering 17 counties in Ontario, gives a partial answer. Seed samples are taken from drills at sowing time, through the co-operation of weed inspectors, farmers and crop improvement association officials. The samples are then tested by the Plant Products Division of the Dominion Department of Agriculture. Seed is graded having regard to the number of primary, secondary and other weed seeds contained in the sample, and according to the percentage germination.

As a result of the seed drill survey in 1948, a total of 988 samples were taken, analyzed, and graded. Thirty per cent. of these were designated "rejected" and 15 per cent. only made the third grade.

Only 39 per cent. of the total samples graded No. 1, which allows no primary noxious weed seeds, one secondary weed seed, and a small tolerance for other weed seeds in each pound of seed, and a minimum germination of 85 per cent. Sixteen per cent. of the samples rated No. 2 grade, which permits a slightly greater number of weed seeds and a slightly lower germination.

Thus, of every 100 farmers, only 39 were sowing good reliable seed of high germination with few weed seeds, and 16 were using the next best. But 45 sowed seed which was put in Grade 3, or was designated "rejected", because of too many weed seeds, or low germination, or for both reasons.

Large, plump weed free seed, of high germination is largely the result of efficient cleaning. Clean seed of high germination is the finest investment a farmer can make.

WHAT IS IN A WORD?

Words and language enable people to understand each other. They have been essential to mankind since primitive times when smoke was used to spell out symbols or hatchets were used to blaze forest trails.

In 1846 the number of words in the English dictionary was 47,000. In 1949 the dictionary includes 450,000 words. In one hundred years we have acquired 400,000 new words. The Bible is said to contain originally 5,000 different words. When a stream widens out, it often becomes shallow, muddy and lazy. The language of men in expanding so rapidly has lost much of its purity, clarity and vigour. Modern usage includes rambling phraseology, pseudo-scientific terms, and cluttered jargon. Such usage kills the spirit and purpose of language.

Authorities on the art of writing agree that the basic need is for clarity. In business the advertising expert says, "Simple advertising costs least and sells most."

H. W. Fowler, an authority on English usage, gives these rules:

1. Be direct. Prefer the familiar word to the far-fetched.

2. Be simple. Prefer the concrete to the abstract.

3. Be brief. Prefer the single word to the circumlocution.

4. Be vigorous. Prefer the short word to the long.

5. Be lucid. Prefer the Saxon word to the Romance.

We can point with pride to some moderns, like Churchill, who are masters of words. Churchill, in 1940, started his broadcast with: "The news from France is very bad." Again he said: "I have nothing to offer but blood, toil, tears and sweat."

One of our most common faults is neglect of the King's English. We compliment the Royal Bank of Canada in emphasizing this subject in its current letter: "On Making Ourselves Understood."

TIME TO CUT GAS TAX

Motorists are still paying war high gasoline taxes, says The Financial Post. Almost a third of the money paid for filling the gas tank goes direct to the provincial government. In some provinces the tax is 11 cents per gallon, in the rest it is a cent or two more. At 22 miles to the gallon, and few motorists can boast better than that, this means a direct tax of half a cent a mile.

Shortly after the last war broke out gasoline taxes were taken over by the Dominion Government and the three to five cents prewar levy was jumped to the present figure. The federal move was described as temporary. The motorists hoped that the raise would be too. But that hope is still unrealized despite the fact that Ottawa moved out of this field over a year ago. When the provinces took over again the wartime increase was maintained right up to the hilt.

To own and operate a car to-day, concludes The Post, costs fully twice as much as it did in 1939 and the major reason is not higher manufacturing costs but higher taxes. It is there we must have substantial reduction if we are to have cheaper cars and cheaper driving.

The general public is prone to ignore the fact that the police cannot be everywhere at once and cannot function efficiently without the co-operation of the individual. By so doing we help to protect ourselves.

Large numbers of people were first exposed to Shakespeare through the films made by Sir Laurence Olivier, people who probably would never have been so exposed through any other medium. Films, too, which are based on travelogues are of immense value to any community, broadening the outlook of its members and creating greater tolerance and understanding for those of other countries and cultures. The film which provides no more than straight comedy is not without merit, particularly in these times when a laugh can be a good tonic for the soul. It is only the minority of films which are bad in any way for the public and even these may have a value—namely, that in order to develop taste one must learn to discern the good from the bad, either ethically or aesthetically, and without bad as a basis for comparison, good is in itself hard to define.

For Parents Only

(By Nancy Cleaver)

TEMPER TANTRUMS

Helen and Mary have been playing with their dolls. They are half way through a story to their "children" when mother calls them in to dinner. The call falls on deaf ears because they are absorbed in their play. Mother comes and carries them off in turn to the table. The more she scolds them for being "bad girls" the more they resent their play being interrupted. An emotional storm quickly breaks which leaves all three exhausted.

Bobby has been trying to build a little boat, but he hasn't much practice with tools and he is clumsy and awkward. It is hard work fitting the pieces together. Then, when he is hammering a nail, his hand slips, and the hammer comes down on his thumb. He jumps up, knocks his boat off the table. When the half built boat hits the floor, it smashes. Poor Bobby! Just then his dad looks into the workshop and discovers his son in a tantrum.

How To Help

How could Helen's and Mary's mother help her daughters so they could avoid having a temper tantrum over their play being interrupted when meal time arrives? How could Bobby's father help him control his emotions when things go wrong in his carpentering? Perhaps the girls' mother could have prevented the anger explosion if the children had been warned that dinner was nearly ready and they must come in soon. Bobby's father later on might help his boy to see that there are bound to be some vexations and set-backs in any building job with tools and wood.

To punish any child for his display of temper by spanking or whipping would be worse than useless. A child in a rage should be left alone. He needs quiet and isolation to recover his own control. As soon as his temper tantrum has passed he should be allowed to leave his room and join the family. Mary and Helen and Bobby are the best judges of how long it takes them to get over their rage.

Parents should look for the underlying causes of their children's temper tantrums. Play being interrupted and play material which is too difficult to use or easily broken are two common causes. Too little or too strict adult supervision of the child's work or play also cause anger explosions. An insecure child who does not know what to expect is emotionally unstable. His temper tantrums can be reduced in number by a better routine for his day with the minimum of rules which he can understand but must follow.

Sometimes the child's physical condition is such that he is susceptible to temper tantrums. A child who is sick or who doesn't feel well but isn't exactly ill is likely to be irritable. So is a child who is too tired or fearful about something. A handicapped child, with some defect such as deafness is likely to have a hard time keeping himself in control, particularly if he is teased. A spoiled child may use a temper tantrum as a "Big Stick" to get what he wants. He should never be allowed to obtain his goal by a deliberate display of violent temper. If a parent gives in to him, the child concludes that a temper tantrum "pays off."

Other Editors' Opinions

THEY CERTAINLY WOULD!

(Brockville Recorder & Times)

Ontario may be, as we are told, taking the lead in educating the public to drive and walk carefully, but we still think that footpaths along the highway in the vicinity of built-up areas would help materially to reduce pedestrian casualties.

JUDGMENT OR PREJUDICE

(Morrisburg Leader)

It is difficult to believe that in this enlightened day and age, there will be many voters who will cast their ballots in next month's election, not according to their judgment and their conscience, but according to their prejudices. This applies equally to people of all party persuasion.

How much different it would be, and how much better government we would enjoy, if every voter in the land really sat down and thought out the issues of the day, and the problems that will face the new government, and then went out and cast their ballot as their conscience dictated to them.

FOR MARRIED WOMEN ONLY!

(Smiths Falls Record-News)

What is the dangerous age for husbands? According to the experts it is the period during which wifely surveillance is most necessary—that period when the eyes of a husband begin to wander and he is most likely to be made a chump of by a predatory brown-eyed honey blonde or a flirtatious blue-eyed brunette.

One group of experts says it is between the ages of 46 to 56. Another group claims it is between 44 and 63. Also one student of the wayward-husband situation goes so far as to say the only way the wife of a man of between 50 and 55 can be certain he will not make passes at girls, with or without glasses, is to lock him up.

Another opinion is that the waywardness of a husband, or his susceptibility to smart-looking and wily females, is not a matter of age but one of character, home environment and the way his wife treats and handles him.

What do you wives think?

AT HOME WITH THE BOTTLE

(Christian Science Monitor)

We have recently found occasion to commend several "magazines of distinction" which make it a policy not to accept any liquor advertising. But there is a further discrimination to be made among those that do.

So long as drinking is socially condoned and the sale and advertising of liquor legally permitted in the United States, there will be magazines which will argue that in a free economy they have no right to close their pages to distillers and brewers advertising their various competing brands. The advertisements in some magazinnes are of this more or less straightforward type, making their appeal to drinkers in the effort to persuade them to try a different brand.

But more and more advertisements are aimed clearly at the nondrinker in an effort to persuade him that drinking is both respectable and smart. This is no less than a brazen attempt to glamorize, dignify, and domesticate liquor in the American home. A recent example shows a home scene, with a card table being set up and a mother bringing in drinks for her two teen-age children, while the father looks benignly on.

This advertisement, appearing in a "family magazine" with a circulation in the millions, does little credit either to the liquor industry or the publication in question. It is stupid as well as offensive, for such affronts to good taste and good sense may bring the very restraints the industry fears. But who expects self-restraint from the providers and paid promoters of Americanism with a whisky breath?

THEY'RE TO BLAME

(Ottawa Journal)

In the aggregate, those people who discard empty cigarette cartons, odd papers and the general accumulation of pocket rubbish on the streets are the worst offenders and, added up, they can make our streets look messy. A clean city is something to be desired but this is impossible if streets are continuously littered with bits of paper and rubbish.

Our Column

Comic books don't make killers; they merely suggest it's fun to kill.

There's really no need in some cities to give "keys" to distinguished visitors. The cities are wide open.

Labor to keep alive in your breast that little spark of celestial fire, called conscience.—George Washington.

Learn the rules of right of way, but remember, the other fellow may still not know his. Better to give way than to be dead right.

When walking across a street, or when driving your car, or riding a bike, don't daydream yourself into a painful nightmare, says the Department of Highways.

A ten-year-old boy rushed into the village store.

"Father's being chased by a bull," he cried.

"What can I do about it?" asked the storekeeper.

"Put a new roll of film in my camera."

SERIOUSLY INJURED WHEN HORSE RUNS AWAY

Mr. Walter Wicks, 87-year-old Winchester township farmer, suffered a fracture of the skull and arm and other severe injuries, when a runaway horse threw him from his buggy at the corner of Ottawa and Main streets on Friday morning last.

Mr. Wicks had only purchased the animal the evening previous and had driven about two miles when the horse bolted when one rein broke. He was thrown against a building. The runaway horse continued west on Main until it crashed into a stationary bread truck and freed itself from the buggy.

Dr. H. S. Gross took the unconscious man to the Memorial Hospital here where he is still in a critical condition.

MINISTERIAL ASSOCIATION MET AT MOREWOOD

The May meeting of the Winchester and District Ministerial Association was held in the United Church, Morewood, on Monday morning, May 16th. Rev. W. J. Copsey conducted the devotional exercises. Rev. Norman Thomas was elected chairman for the meeting in the absence of Dr. Younger Lewis who is enjoying a vacation in England. Mr. Richardson gave an interesting and instructive address on Christian Faith. The speaker brought out of his experience things new and old, giving illustration after illustration of answers to faith and prayer. The hearts of those present were warmed by the evidence of Divine leading and were strengthened by the witness given by the speaking to the hand of God supplying his needs on a mission for travel and evangelism from Montreal to Toronto. The bicycle he rode, support by the way, all came in answer to prayer. One time in Toronto, the speaker said, he was down to four cents and almost at the end, when God came to the rescue and supplied the needed resources. At no time did God let him down, notwithstanding that at no time did he ask a person for money or other help.

Rev. H. Huestin moved a vote of thanks to the speaker, which was heartily endorsed by all present. The next meeting will be held in the Presbyterian Church, Morewood, on June 19th.

GIRLS' RALLY HELD AT PRESCOTT

The Dundas-Grenville Girls' Rally was held in the Prescott United Church on May 14th. One hundred and eleven girls and leaders registered, representing 11 C. G. I. T. groups.

The morning session opened with prayer and greetings by Mrs. A. Byrd. Mrs. O. Bailey expressed words of welcome. The Mission Study on China was reviewed with the South Mountain group telling of the experience of Christian Workers in China. The Vancamp girls outlined the work of Canadian Missionaries and their success in China.

The guest speaker for the Rally was Miss Mann, of Ottawa, taking as her topic "You—Your Future Is Now," stressing the point that the future depends on how each one is able to face their problems as they arise. Each one must seek a Christian attitude in solving these problems.

Musical numbers were given by the Prescott group. A demonstration of Chinese costumes and posters were shown by Mary Shaw, from the Hallville Group. The C. G. I. T. hymn was sung, after which Mrs. Bailey closed the morning session with prayer.

After the lunch hour the Winchester group provided recreation, while the Leaders' Conference was taking place. The committee in charge of the Rally for 1950 is as follows: Mrs. O. Bailey, the new Secretary for Affiliated C. G. I. T. groups, of Prescott; Mrs. Eric Casselman, Chesterville; Miss Evelyn Fennell, Winchester; Mrs. Forbes, Spencerville.

The afternoon session opened with the girls repeating the C. G. I. T. Purpose, after which the Spencerville group delighted all with special singing. The afternoon worship service was given by the Cardinal girls.

Rev. Mr. Payton spoke, stressing the need for each girl to go back to her community and do all they can to help build a Christian community, a better world in which to live. Pictures on China were shown by the Prescott group. The Chesterville girls gave a very interesting news broadcast on China. A short play was presented by the Prescott girls.

Miss Mann, of Ottawa, spoke on the need for World Friendship and told of some of her work in Western Alberta.

The minutes were read and the roll call answered. Mrs. O. Bailey closed the afternoon session with prayer.

SHUR-GAIN FEED SERVICE

Balanced feeding saves you money! The grain and time saved by balanced feeding pays for the concentrate used and the savings go into your pocket.

Compare the value of 450 pounds of grain with the SHUR-GAIN Hog Concentrate required to balance the hog's ration during the feeding period. The difference is more profit to you. The savings from higher grades and fewer losses adds more and more in favour of balanced feeding.

Can you afford to let another day go by without investigating the SHUR-GAIN feeding program?

More Shur-Gain is fed in Canada than any other Brand.

PUBLIC SCHOOL NEWS

Proceeds of the Tag Day, conducted on behalf of the Society for the Prevention of Cruelty to Animals, on May 7th, amounted to $30.57. The following girls donated their services: Misses Gail Lannin, Kathleen Fennell, Marilyn Serviss, Ann Cross, Barbara Bolton, Sylvia Corry, Evangeline Summers and Ethel Thomas.

About sixty pupils of the Senior Grades attended the Dundas Forestry Committe's Tree Planting Project on Friday, May 13th, and assisted in the planting of trees. We are indebted to Mr. Harold Lannin, who engaged Boyd's School Bus, and several private citizens who provided transportation for the boys and girls.

DOUCETT URGES CAR-CHECK AND SAFER HOLIDAY DRIVING

Traffic accidents were a rare occurrence in Queen Victoria's Day, but the anniversary of her birth has become a modern occasion for an increased number of accidents, Highways Minister George H. Doucett commented in an appeal to motorists to take it easy over the 24th of May holiday.

"This is the time of year that the open road beckons to thousands of motorists," Mr. Doucett said. "Our records show that well over 50 per cent. more cars a day use the highways over the holiday week-end than during the rest of May."

The Minister advised a thorough checkup of cars to make sure they were in safe driving condition, after the hard wear of winter driving. It is foolish to take chances, he said, with poor brakes, defective steering gear, thread-bare tires or unsatisfactory lighting. Safe driving requires a car in good condition in the hands of a careful driver.

Regarding the safety of children, Mr. Doucett said that for some time, "we have been urging all who drive to watch out for children and be prepared for their unexpected actions. This practice is more important when children are in carefree holiday mood, their minds occupied with anything but their own danger.

With the co-operation of all, this 24th of May holiday could set a low accident record, the minister said, pointing out that otherwise neglect and indifference in face of record traffic volume, might make this the blackest holiday in the history of Ontario's highways.

There are two freedoms—the false, where a man is free to do what he likes; the true, where a man is free to do what he ought.—Charles Kingsley.

HINTS FOR THE HOME

Prevents Curdle

Salt will curdle milk. It is therefore the wiser plan to add it after the dish is prepared.

Lip Salves

Glycerine, cold cream, and lettuce cream are all very good for roughened and cracked lips.

Picture Frames

The shabby appearance of gilt picture frames can be freshened by applying the white of an egg with a soft brush.

Sewing Hints

If a small piece of adhesive tape is applied to the finger, it will prevent it from being pricked by the needle when sewing or embroidering.

Egg Yolks

If the egg yolks are not wanted for immediate use, place them in cold water and keep in a dark, cool place; in this way they can be kept fresh for several days.

COUNTIES' W. C. T. U. HOLDS ANNUAL MEETING IN MAXVILLE

The annual convention of Dundas, Stormont and Glengarry District Women's Christian Temperance Union was held in the United Church, Maxville, on May 10th. The president, Mrs. R. MacKay, Maxville, presided at the three sessions and was re-elected to office. The worship service at the morning session was led by Mrs. Doig and Mrs. Wesley McLean of Maxville Union, and at the afternoon session by Mrs. Handy and Miss Baker of Summerstown Union. Mrs. J. H. Hamilton extended a warm welcome to the delegates, a welcome responded to later by Miss J. Wyatt, Winchester.

Encouraging reports were presented by the superintendents of the different departments, and an interesting review of the wide range of temperance literature available for children and adults was given by Mrs. W. A. McKinnon.

The story of the year was heard when each W. C. T. U. president in the district gave the highlights of the work of her Union. Those taking part were Mrs. Handy, Summerstown Union; Mrs. R. S. Peterson, Brinston; Mrs. R. MacKay, Maxville; Mrs. W. A. Brodie, Brodie Union; Mrs. R. J. McLeod, Kirkhill; Mrs. T. J. Keyes, Winchester; Mrs. J. U. Tanner, Lancaster. Of special interest was the organization of a Loyal Temperance Legion in Cornwall, and the 'chalk-talks' given in the schools by Mrs. R. McKelvey, Brodie Union.

Mrs. R. J. McLeod, Kirkhill, dedicated the year's work in prayer. Resolutions were presented by Miss M. J. McLennan, Picnic Grove Union, committees appointed were Winchester Union for resolutions, Brodie Union to mark county contest papers, and Cornwall Union as nominating committee.

Election and installation of officers was conducted by Mrs. A. Eikenaar, of Cornwall, with Miss Sarah Campbell, Dunvegan, presenting the list of nominations.

Rev. H. R. Bursey Gives Address

Guest speaker at the afternoon and evening sessions was Rev. H. R. Bursey, former president of Quebec Temperance League, who was introduced by Rev. J. H. Hamilton. The speaker gave a vivid description of some of the services undertaken by the league and of the good accomplished. He spoke also of work done by Alcoholics Anonymous and of information gained at the School of Alcoholic Studies. At the evening session, which was a Youth Rally, his interesting remarks were especially addressed to his younger audience, and was based on a verse by Henry VanDyke.

The evening worship service was in charge of the Loyal Temperance Legion, Cornwall, with Miss Bailey as leader. The youthful L. T. L. members took part in the Scriptural Temperance reading, in prayer and in a short musical program of duets and trumpet solo. A choir of teen-age girls from St. Elmo and Maxville contributed several selections. A 'flannelgraph' entitled "The Fearless FoZur," was given by Mrs. McKelvey, and was both educational and most interesting.

Between the sessions ladies of the church provided dinner and supper for the delegates. After supper cordial greetings were extended to the convention by various denominations and by church societies. Officers elected are as follows:

President, Mrs. R. McKay, Maxville; 1st vice president, Mrs. T. J. Keyes, Winchester Springs; 2nd vice president, Mrs. Jas. McMillan, Cornwall; corresponding secretary, Miss Sarah Campbell, Dunvegan; recording secretary, Mrs. Oscar Wallace, Winchester; treasurer, Miss Jean Wyatt, Winchester; L. T. L. secretary, Miss Jennie Jamieson, Glen Sandfield.

Superintendents of Departments

Evangelistic and Christian Stewardship, Mrs. R. McKelvey, Glen Sandfield; Canadianization and Citizenship, Mrs. F. L. McMillan, Maxville; Flower Mission, Mrs. C. B. Collison, Brinston; Little White Ribboners, Miss Ruby Hay, Glen Sandfield; Lord's Day Observance, Law and Legislation, Mrs. I. P. McIntosh, Winchester Springs; Medal Contests, Miss M. J. McLennan, Box 19, Lancaster; Non-Alcoholic Fruit Products, Mrs. Donald Cummings, Williamstown; Peace and International Relations, Mrs. I. P. McIntosh, Winchester Springs; Press, Mrs. D. Mason McLennan, Lancaster; Publicity and Social Meetings, Miss Mary Empey, Winchester; Scientific Temperance Instruction in Day Schools, Mrs. W. A. Brodie, Glen Sandfield; Temperance in Sunday Schools, Mrs. R. S. Peterson, Williamsburg, R. R. 2; Travellers' Aid and Railway Employees, Mrs. E. L. McNaughton, Bainsville; World's and Canadian Missionary Work, Mrs. J. U. Tanner, S. Lancaster.

BROCKVILLE PRESBYTERIAL MEETS IN KEMPTVILLE

Brockville Presbyterial of the Presbyterian Church in Canada met for its annual spring meeting in St. Paul's Church, Kemptville, on May 10th. The president, Mrs. J. C. Ross, presided at all three sessions. Reports showed that 1948 had been the outstanding year financially. Sixty-eight delgeates were registered. Mrs. Harcourt Emra, Synodical President, gave a fine description of the North American Missionary Conference held in Columbus, Ohio, and Mrs. A. G. Cameron, Synodical Corresponding Secretary, gave helpful suggestions on the doing of our work. Mrs. W. Fitzsimon, immediate past president, was presented with an Honorary Life Membership as a token of appreciation of her work during her six years in office when she attended all but one Presbyterial, due to illness; all executive meetings, all sectionals, all Mission Band Rallies, Girls' Rallies, and visited every auxiliary in the Presbyterial. Mrs. J. Riddell, also a past president, was honored with the pleasure of making the presentation. The evening session was attended by a goodly number of the Presbytery, which met on the same day. The devotional period was conducted by the Rev. Eric Larsen, South Mountain, and Presbytery's greetings brought by the moderator, Rev. J. C. Ross, Iroquois. Mr. Angus McKay, of the Jhansi field in India, brought a stirring message on the present-day situation, as well as the church's work there. Rev. W. Fitzsimon, Cardinal, voiced appreciation, and Rev. Iver MacIver, Winchester, pronounced the Benediction.

UNITED CHURCH AFTERNOON AUXILIARY

The meeting of the Woman's Missionary Society was held Wednesday evening, May 11th, in the S. S. Hall. Mrs. Jas. Patterson, assisted by Mrs. Jas. Bowman, Mrs. B. Dawson, Mrs. F. Baker and Mrs. G. Baker had charge of the worship service. The theme was "Newcomers to Canada." An appropriate solo, "The Hindered Christ," was sung by Mrs. Percy Durant.

Miss Ruth Read, B.A., of the High School Staff, gave a very interesting talk on some of her experiences during her twelve years as a missionary in the W. M. S. Boarding Schools at New Liskeard, Bonnyville, Radway and Teulon. She spoke of the great need of prayer for the homes of our land and our own homes that more missionaries may come from them.

The president, Mrs. Allison, presided at the business meeting. The reports of the Presbyterial at Merrickville were given by Mrs. Allison, Mrs. E. R. Steele and Mrs. E. Fennell. At the close of the meeting lunch was served by the ladies who had charge of the Worship Service. Mrs. A. Christie expressed the appreciation of the members to Miss Read for her very interesting talk and to the ladies who served such a delicious lunch.

"We Liberals have dedicated ourselves to maintaining a high level of employment and income, because that means a high and widely distributed standard of living for our people."

Prime Minister Louis St. Laurent

You share—
every Canadian shares—
in the greater

Opportunity Prosperity Security

brought about by constructive Liberal policies

Liberals mean what they say. Look over the record of the last five years — the most impressive period of prosperity and growth in our history. It shows that Liberal performance exceeds Liberal promises.

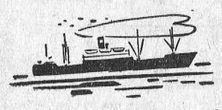
Under Liberal policies, Canadians can be confident that this forward march will continue — that Liberal promises will again be carried out.

More Jobs—More Income

More people are working than in any previous peacetime period — nearly a million more than in 1939. National income is *three times* as high as in 1939, is more widely distributed than ever before.

More Savings

People have nearly 2½ million *more* bank accounts than before the war. They have put aside more than 4 billion dollars in personal bank savings.



More Production and Trade

The products of our farms and forests, factories and mines and fisheries are worth twice as much as ten years ago. And Canada's exports are more than *four times* greater. Canada is the world's third largest trading nation.

More Family Allowances

The federal government has, since 1945, invested *one billion* dollars in Canada's children. Four million boys and girls in 1¾ million families are receiving a better start in life. Benefits are being extended this year.

More Old Age Pensions

Federal payments have been twice increased since 1945. The new pension basis is now increased to $40.00 a month, providing greater comfort and security for the aged and blind.

National Health

Health grants to provinces are helping to build a stronger nation. Many projects are already under way: nine province-wide health surveys; 13,000 additional hospital beds; training for health specialists; increased health services and research.

Aid to Home Builders

Close to 300,000 dwellings have been built since the war. More homes have been built in Canada, in proportion to population, than in any other country; and more were built last year than any time in our history.

And lowered taxes as well!

By careful administration the Liberal government has established these records and been able at the same time to cut the national debt by 1,625 million dollars.

And every budget since 1945 has announced lowered rates of taxation.

Buys Ayrshire Cow.

Bruceburn Alcie, a cow consigned by Robert Bruce and Sons, Spencerville, was one of 15 head of Ayrshire cattle bought by John Bracken, of Manotick, at the all-Ontario Ayrshire sale at Vankleek Hill last week.

Called To Morrisburg.

Rev. W. M. Reeves, Woodville, Ont., has accepted a call to the pastorate of the United Church at Morrisburg, succeeding Rev. J. G. Stones, who went to Montreal recently. He will assume his new duties early in July.

Heads Presbytery.

Rev. J. A. Payton, of St. Paul's United Church, Prescott, has been elected chairman of the Grenville-Dundas Presbytery at a gathering held at Hallville last week. He succeeds Rev. W. E. Wright, of Chesterville United Church.

Observes 90th Birthday.

Congratulations are extended to Mr. Thos. Smith, a highly esteemed citizen of Mountain Township, who on Tuesday, May 17th, observed his 90th birthday. Mr. Smith resides at the home of his daughter, Mrs. S. S. Rose, and Mr. Rose, and is still very active and in fairly good health.

Held Forestry Day.

Two hundred elementary school children in Dundas county attended the reforestation field day held north of Chesterville on Friday afternoon. Over 7,000 seedlings were set out under the supervision of Department of Lands and Forests officials. Several local High School students took part in the project.

Friday, 13th, Unlucky.

Charles Bouck, Chesterville, found Friday, May 13th, unlucky. Slipping and falling, he struck his left ear upon a sharp metal object that severed the organ from the lobe to the canal. Given medical attention by Dr. G. H. Barton, the injured man required seven stitches to close the gash.

Adding To Building.

The Bell Telephone Company has called for tenders and will begin construction next month of a 12-foot annex to its existing downtown Chesterville dial exchange. The additional space will provide accommodation for 500 outlets and will bring Chesterville subscribers to over 1000.

Arrives From Holland.

A welcome home party was held last Wednesday night at the home of Mr. and Mrs. Arthur Schrale, in honour of their eldest son, Age, who arrived on Monday night from Holland. Those present were Mr. and Mrs. Jack Van Nieuwaal and Margret, Mr. and Mrs. Roy Holmes and George, and Messrs. Ken. and Ali Schrale.

Milk Is Diverted.

For the first time since 1938, Nestle's Milk Products, Chesterville, have found it necessary to divert surplus milk to cheese plants in the Chesterville district. About 50,000 lbs. of milk are being re-shipped daily to cheese plants at Finch, Marionville and the settlement of Connaught northeast of Chesterville. The reason given for the diversion is large stocks of evaporated milk in the company's warehouses.

Miscellaneous Shower.

A large gathering of neighbours and friends attended a miscellaneous shower, given on Monday evening of last week, by the Ridge Women's Institute, in honour of Miss Jean Mackie, a bride-elect of last week. The shower was held at the Ridge School, near Cyrville. The guest of honour was presented with a corsage of spring flowers by Mrs. Harold Macartney, and Mrs. Allen Macartney spoke on behalf of the Institute. Mrs. Wm. J. Scharf planned the decorations and refreshments were served.

Awarded $500.00 Scholarship.

The many friends of Mr. Lyall Fraser in Morrisburg and vicinity will be pleased to learn that he has been awarded a $500.00 Scholarship granted by the National Research Council of Canada for general proficiency in Physical and Organic Chemistry. Lyall is a student at Mount Allison University, Sackville, N. B. After spending a few days at the home of his parents, he will return to Mount Allison as assistant to Dr. Thorne of that University on important chemical research work during the summer months.
