Labour Day Race Meet Cancelled Here

The Harness Races, announced in last week's issue of the Press, to be held here on Labour Day, have been cancelled. The action was taken by the 100 Club Race Committee over the week-end, after giving due consideration to the fact that both Chesterville and South Mountain Fairs are scheduled to take place the first week in September. There will be races at both exhibitions and the committee felt that three race meets in this district the same week would not prove a profitable venture, and decided to call the local Meet off.

Street Dance Will Be Held

On the evening of Labour Day, Monday, September 2nd, the 100 Club wil sponsor a Street Dance and Tag Night in aid of the Memorial Hospital. There will be games and other features, in addition to the dance. Music for the occasion will be supplied by the popular Duquette's Orchestra. Admission will be 50c each. This program may be considered the 100 Club's Annual "Night of Fun," so don't miss it. All proceeds will be donated to the Memorial Hospital Fund.

THE STAGE OF LIFE

The world is a stage where a million plays
With their myriads acts are staged,
And the Chronicler sits in the very front row
And the acts of each player are paged;
With a wave of His hand actors pass from the scene,
With others to take their place
Whom the Chronicler helps with a guiding hand
Or a touch of His infinite grace;
He is there to instruct and encourage them
Who to His great wisdom will heed,
And His care and instruction are justly the same
Though they play a small part or the lead.
And when the time comes that they leave the stage,
For some early, for others delayed,
The Chronicler notes not how great their part
But the way in which it was played.

—F. H. Johnson.

High School Staff Not Yet Complete

With school-opening less than two weeks away, the local High School staff is still short a couple of teachers. The Board has engaged one new teacher and is considering the qualifications of another, but a third teacher is necessary to complete the staff. Other district schools have experienced the same difficulty in obtaining teachers, which would indicate that there is a shortage in this profession.

LOCAL BUSINESS UP FOR SALE

According to an advt. appearing in an Ottawa Daily Newspaper last week, the Hy. Bessin Departmental Store is being offered for sale, or the owner states he might consider an active partner. The Bessin Store, which was originally the A. Sweet & Co. Store, is one of the oldest established businesses in Winchester.

NOTICE

Subscription rates for The Winchester Press are now: $2.00 per year in Canada; $2.50 per year in U. S. A. Please keep this in mind when making remittances by mail.

WEDDINGS

DEEKS—SMITH

Wesleyan Methodist Church, Shawville, Que., was the scene of a wedding last Wednesday afternoon at 2.30 o'clock when Miss Dorothy Frances Smith, daughter of Mr. and Mrs. B. F. Smith, of Shawville, Que., became the bride of Mr. Ellery Anson Deeks, son of Mr. Alvin Deeks and the late Mrs. Deeks, of Winchester. Rev. J. S. A. Spearman, of Belleville, cousin of the bride, officiated at the ceremony, and the wedding music was played by Mrs. Hubert Hamilton, with Mr. Rowat Deeks as soloist. The church was decorated with baskets of summer flowers.

Given in marriage by her father, the bride was attended by her sister, Miss Jean Smith. Rev. Mervyn Summers attended his cousin as best man, and the ushers were Mr. Donald Deeks and Mr. Ira Spearman.

For her wedding, the bride chose a turquoise blue dress of matchmaker crepe cut on Princess lines with a square yoke and bracelet length bishop sleeves inset with nylon mesh. Her sweetheart-shaped hat was made of white mesh, and she wore a shoulder-knot of American Beauty roses.

Following a reception held at the home of the bride's parents, the couple left on a wedding trip to Toronto, Niagara Falls and other points in Ontario. For going away, Mrs. Deeks wore a rose-toned printed poplin dress under a blue topcoat with navy accessories. They will take up residence in Winchester.

Out-of-town guests included Rev. and Mrs. H. Kielty, Miss Muriel Deeks, Miss Stella Spearman, Mr. Lloyd Spearman, Mr. Ira Spearman, Mr. Alvin Deeks and Donnie, of Winchester; Mr. Rowat Deeks, Miss Erma Barnhart, Miss Grace Lynch, Miss Stella Meunier, Mr. and Mrs. Sam Smith, Mr. and Mrs. W. E. Brown, of Ottawa; Miss Emma Deeks, of Toronto; Mr. and Mrs. John Deeks, of Brantford; Messrs. Ivan, Orla and Clayton Presley, of North Gower; Rev. Mervyn Summers, of Sudbury; Messrs. Willie, Willard and Allen Presley, of Pendleton.

CONTROL LIFTED ON CEMENT SUPPLIES

Effective August 15th, cement supplies, including portland, mortar and waterproofing cement, will be free from the control previously imposed under the Board's policy of equitable distribution, Wartime Prices and Trade Board has announced.

This action was taken, Board officials explained, as a result of the resumption of road building which was practically at a standstill during and since the basic period, Sept.-Oct. 1941.

Mother and Child Brutally Murdered

A mother and her 9-year-old daughter, Mrs. Mary Jane Lama, 39, wife of William Lama, 49, Cornwall Township farmer, and Mary Elizabeth, were found murdered at their dilapidated farmhouse at 6 p.m. last Friday. The farm is located at Harrison's Corners, eight miles south of Avonmore and 55 miles south of Ottawa.

Their bodies bore marks of a savage stabbing attack, the wounds believed to have been inflicted by a crude "pig sticking knife" made from an old file.

Police are searching for the husband of the dead woman, and father of the child, whom they want for questioning in connection with the double murder.

Though Lama had not been living with his wife and family for the past three months, he had worked on a neighbouring farm and twice within recent weeks had visited the home. On both visits, police said, he had had arguments with his wife.

The bodies of the mother and child were found at six o'clock by two sons, Frederick, 19, and Daniel, 12, when they returned home after having been away all day cutting wood for a neighbour.

Indications were that the child had been killed first. She was stabbed twice completely through the body. There were bloody hand-prints on the wall leading to the stairs, which led down from an open "well" in the upper floor and had no bannister. It appeared that the attacker had gone downstairs and had met Mrs. Lama as she entered from the rear shed, carrying a large aluminum saucepan filled with rhubarb. After being stabbed she apparently had made her way outside. Her false teeth were found in the shed. She had been stabbed five times and her throat cut.

Mrs. Lama appeared to have made her way around to the front of the house by supporting her weakening body against the wall of the tin-and-tarpaper structure.

The knife, a gruesome weapon with an eight-inch blade which had been made at a neighbouring blacksmith shop for killing hogs, was found in front of the house.

The older son ran to the nearby farmhouse of Donald J. Clancy and telephoned the Cornwall Township police. Relating what he had discovered, he told Township Police Chief Robert Hawkshaw the father had been at the farmhouse Thursday night and had argued with his mother over the removal of a board from the woodshed behind the house. They had seen the father in the vicinity of the farm early Friday morning.

Memorial Hospital Pledges Continued

Owing to the fact that many district canvassers have not yet turned in their reports, there are not many pledges to the Memorial Hospital Fund to report this week. As yet we have not had a report from the South Mountain district, Matilda Township or all of Russell. Williamsburg has not yet been organized for the canvass. In Russell, it has been reported that over $5,000 has been subscribed to the Fund. Names not included in former lists are as follows:

OBITUARY

LATE ERNEST ERRATT

Stricken suddenly ill on Sunday morning last, Mr. Ernest Erratt, a former well-known citizen of this district passed away on Sunday evening at the Hepburn Hospital, Ogdensburg, N. Y. He had been residing with his brother, Mr. Walter Erratt, of that city.

The late Mr. Erratt was 70 years of age and was born in this district, a son of the late Mr. and Mrs. Humphrey Erratt. For many years he farmed in the Melvin Settlement, and prior to going to the U. S. A., operated a Butcher Business in Winchester, in the stand now occupied by Elliott's Meat Market.

Deceased was unmarried. He is survivcd by two brothers, Walter, of Ogdensburg, and John A., of the Melvin Settlement, and two sisters, Mrs. Eden Hughes, of Cornwall, and Mrs. Edmund Earl, of Ogdensburg.

The funeral was held from Nicol's Funeral Parlours, New York Avenue, Ogdensburg, yesterday afternoon. Interment was made in Maple Ridge Cemetery.

LATE LINDSAY BOWMAN

In ill health for the past several months, Mr. Lindsay Bowman passed away on Thursday last at the home of Mr. and Mrs. Peter Wyatt. He was in his 86th year and was born in the Township of Mountain, a son of the late Mr. and Mrs. John Bowman. Following his retirement from the farm, he resided in Kemptville for several years, and for the past two years had made his home with Mr. and Mrs. Wyatt. He was the last member of his family, three brothers and three sisters having predeceased him. His wife, the former Adeline Clark, died several years ago.

Th funeral was held from the Wyatt residence on Saturday afternoon, the service being conducted by the Rev. Dr. G. A. McIntosh, assisted by Rev. Wallace MacKinnon of St. Paul's Presbyterian Church, and Mr. C. Laughlin, of the Baptist Church.

Interment was made at Kemptville Cemetery. The pall bearers were Messrs. Chas. Turner, George Turner, Edgar Turner, Gordon Wyatt, Albert Turner, and Wallace Bowman.

Among the floral tributes were baskets from Mr. and Mrs. Peter Wyatt and family; Mrs. J. A. Wyatt, Mr. and Mrs. Albert Turner and Mrs. E. Garvin, and Cut Flowers from Mr. and Mrs. T. O. Keyes.

LATE MISS EFFIE E. KENNEDY

After a lengthy illness, Miss Effie E. Kennedy, of Vernon, passed away on August 10th, in her 41st year. The funeral took place from her late home on Monday, August 12th, the service being conducted by Rev. C. Younger-Lewis, pastor of Vernon Presbyterian Church. A favourite selection, "Ivory Palaces," was sweetly rendered by Mrs. Howard Porteous and Mr. Kenneth Dow. Interment was made at Springhill Cemetery.

There was a large attendance and many beautiful floral offerings, and on all sides expressions of sympathy were extended to the bereaved.

She leaves to mourn, two sisters, Mrs. Edward Lanoue and Mrs. Alex J. Campbell ,both of Vernon.

The pall bearers were Messrs. Duff Crerar, Leonard Cameron, John C. Campbell, Wilbert Duncan, Donald Cameron and James MacAndrew.

A man in California who can stand on his head for three hours at a stretch asks for alimony of $1,500 a month. The high cost of toupees, one imagines.

FOR MISS JOY LEVERE

Nearly 100 friends and neighbours assembled at the home of Mrs. Wilfred McKercher on Tuesday evening to honour Miss Joy Levere, twin daughter of Mr. and Mrs. Harold Levere, whose marriage takes place this Saturday. Hostesses for the occasion were Mrs. McKercher and the Misses Betty Anderson, Annalea McGregor, Lulu Dawley and Winnifred McKercher.

During the evening an appropriate address was read to the bride-to-be by Mrs. McKercher, while the presentation of a coffee table, linens, pyrex, mirrors and several miscellaneous gifts was made by the other hostesses.

Miss Levere replied to the address and thanked her friends for their beautiful gifts.

A social hour followed, during which refreshments were served. Before leaving, those present registered in a beautiful bride's book, designed by Miss McGregor.

South Mountain Plans For Big Fair

Prospects are good for the best fair yet held by the Mountain Township Agricultural Society on September 5 and 6. Special attention is drawn by the prize list to the large number of special awards for all classes, and President Arnold Gilroy and his directors, with the secretary-treasurer, R. E. Robinson, are working on the program. In addition to special awards, the society awards will make it attractive for exhibitors and, given good weather, a large attendance is expected at South Mountain.

Special attractions include the Dundas County Black and White Day when high class Holsteins will be on show as well as Ayrshires and Jerseys.

Much interest will be seen in the Mountain Boys' and Girls' Calf Club and a long list of entries is expected. Keith Fawcett of Winchester is the president of the club.

Two special hog contests are being staged by D. L. Berry and Sons, of South Mountain, for a pen of bacon hogs and hogs fed for profit.

Horses, sheep, poultry, grains and seeds, roots and vegetable classes are also on the program. The field crop competition will be held, sponsored by the society, with extra prizes for top scorers.

The ever popular "ladies' department" will again be a main feature with classes for fruits, domestic produce, canning, art work and sewing. A new class will be the educational department, open to boys and girls in the public and secondary schools in Mountain township, with $65 in cash prizes for best printing, writing, collections, stories, weeds and sewing. Entries already on hand show this department is to be closely contested.

Harness races on the second day, a softball tournament, concert and dance, round out the program.

Government Offers Nursing Course

The Provincial Government of Ontario offers a Nine Month Course for Nursing Assistants, commencing September 16th,, 1946. WARNING ON POLIO

Acting Health Minister McCann gave warning in the House of Commons on Wednesday that this might be the "cycle year" for poliomyelitis, and his words are supported by the serious outbreak of the dread disease in Montreal. Board of Health officials in Cornwall have said there is no indication of an outbreak there, and this should set at rest the rumors that had begun to circulate.

Of all diseases, poliomyelitis is one of the worst feared because it strikes so suddenly and so little is known of its cause and cure. Methods of treatment have changed radically in the past few years, and now give a far better chance of complete or nearly complete recovery. But medical science is still in the dark as to the reasons for the wax and wane of the disease in succeeding summers.

There is no need for alarm in this district, but all parents would be wise to follow the advice given by the medical authorities. The chief factors are to keep children out of crowds where they might contact the virus and to report immediately to the family physician traces of fever and indisposition. Polio frequently hits children who are overtired or run down. Therefore, too much exercise should be avoided, and plenty of rest is important. All fruit should be peeled or thoroughly cleaned.

The polio epidemics run in cycles of years, and always hits hardest in the hot weather. The polio season still has several weeks to run, and if all parents follow the common-sense instruction which medical authorities have given them, any possibility of a serious outbreak here should be avoided.

INFLATION AND HOW TO CURB IT

Recognizing the danger to Canada's economy of inflation—which means fewer goods and services for the dollar—the Bank of Montreal is publishing a series of attractive newspaper advertisements setting forth some simple rules to ward off the menace. These stress the advisability of everyone in the Dominion taking steps to conserve in their personal finances. Five suggested methods of doing this are set forth:

1. Hold on to your Victory Bonds.
2. Buy only those goods which are in fair supply and save your money for the day when goods now in short supply will be readily available.
3. Avoid black market purchases.
4. Keep up your insurance.
5. Build up your savings account.

Observance of these rules, the bank believes, will prevent the soaring upward of prices of scarce goods and maintain the purchasing power of the dollar at reasonable levels as it has been during the war years. It urges the importance of returning to the good old-fashioned practice of thrift which went out of vogue both by governments and individuals during the false boom of war days. The advice is sound and merits thoughtful consideration by all.

LET'S DO SOMETHING FOR OURSELVES!

Despite all the crabbing about centralized authority, perhaps our governments are not altogether to blame. Why can't we do something for ourselves?

In an address to the Ontario Association of Children's Aid Societies, Dr. H. A. Showalter, president of the Perth County Society, thought the plan of "let the government do it" was a "lazy, dangerous habit" and "the seed of totalitarianism."

Dr. Showalter hit the nail right on the noggin when he said he had no doubt the government could do all these things, but at "what a price!" And wasn't he right! Our governments can do anything for us, but at two or three times the cost if the same thing is done privately. With our global war just ended, and used to talking in nothing less than "billions", it will be a long time before our politicians get their feet back on the ground. As things stand now, it costs us close to $100 every time the government spends a nickel.

The irony of it all is that there are too many of us who expect the government to do all these things for us, because it costs us nothing. Whose money is the government spending, anyway? Why, ours, of course, and tenfold more than if we did the job ourselves.—Durham Chronicle.

TODAY AND TOMORROW

Someone should take the youngsters who are growing up into their first jobs to a quiet corner for a few words on the subject of thrift as related to today's high salaries. They might be dropped a hint, too, that there is just a slight chance these lush days won't last forever.

Young men and women, some still in their 'teens, are walking into well-paid jobs that would have made the eyes of job applicants in the 30's pop out of their sockets. Almost anyone with a high school education is snapped up with swiftness that may lull them into false security.

Don't misunderstand us. We're all for youngsters getting jobs with good working conditions and good pay. The youngsters coming out of our schools today look fine and most of them deserve the break they're getting.

But we'd like them to understand it is a break; that it wasn't always as easy to get a job as it is now; that the salaries being paid inexperienced help now are high comparatively.

TAKE TIME

Take time to work—it is the price of success.
Take time to think—it is the source of power.
Take time to play—it is the secret of perpetual youth.
Take time to read—it is the fountain of wisdom.
Take time to be friendly—it is the road to happiness.
Take time to dream—it is hitching your wagon to a star.
Take time to love and be loved—it is the privilege of the gods.
Take time to look around—it is too short a day to be selfish.
Take time to laugh—it is the music of the soul.

EDITORIAL NOTES

To Canada's law-makers: Over two thousand years ago Confuscious said: "The greater the number of laws the more thieves there will be."

Years ago industry and thrift comprised the recipe for later independence. Now, the dollar you save today may buy only 50 cents' worth in the near future.

Many rural fairs will be held throughout this district during the month of September, and are deserving of the public support. These exhibitions serve a useful purpose, and by your patronage they can be kept alive.

While passing a couple of local men on the street, we heard one say to the other, "Are you a man or a mouse?" We lingered for the reply, and were somewhat amused at this answer: "I must be a man, my wife is afraid of mice."

The government has announced that it is no longer necessary to carry our registration cards. How will the Liquor Control Board keep tab on who has purchased liquor permits and beer ration books? That was one useful purpose the registration cards were put to

In less than two weeks the schools will open for the Fall Term. This indicates that the holiday season is over, and good old summer-time is on the wane. Soon the frost will be on the pumpkin and we'll be preparing for the winter. Summer is altogether too short—wish we could do something about it.

HERE! HERE!

(Smiths Falls Record-News)

It is reported that a French inventor has originated a gun that shoots a wave of sound. It does not kill the person shot at but renders him unconscious. Such a weapon would come in handy to check long-winded after dinner speakers.

THE MOST VALUABLE HARVEST

(Lethbridge Herald)

This is the most valuable harvest in Canada in many years, valuable to the farmers who have grown it and valuable to a world which hasn't had enough to eat for a long time. We should all do everything possible to speed the farmers in their big task.

LABOR COST

(Christian Science Monitor)

The Palestine issue is not so simple a thing as to be settled by violence, physical or mental. Nor is it British interest alone that dictates a settlement acceptable to all the inhabitants of Palestine. Obviously those who planted the bomb labored under that misapprehension, and their labor was worse than lost.

SPEED TOO HIGH

(Simcoe Reformer)

Speeding on the highways is again coming into prominence and possibly is the biggest contributing factor to fatal accidents. It is becoming ever clearer that it was a mistake to lift the speed limit from 40 to 50 miles per hour. As the volume of traffic grows and the number of deaths and injuries increases as a result of accidents, this fact will become even more evident.

THE JUKE BOX

(Brockville Recorder & Times)

The day is fast approaching when the eating establishments minus juke-boxes will be those attracting the most business. There can be no pleasure in patronizing restaurants or kindred establishments which allow such noises, growing more hideous and unmusical all the time, to be turned loose upon innocent people whose patience has almost reached the point of exhaustion.

SELECT MOVIES FOR CHILDREN

(Darlen, Conn., Review)

We realize ,rather against our will, that times change and that the customs and habits of a decade ago are not necessarily those of today. However, we still question whether it is wise to expose very young children to any and every motion picture that is produced. We all have come to realize that the movies present one of the most efficient means of education available, and for that reason, if no other, pictures to which youngsters still in grade school are to go should be selected by their parents with care.

A FAIR QUESTION!

(Almonte Gazette)

Horning in on the gas tax by the Federal Government is the most indefensible of the King Administration's many grabs. If any tax should go to the Provinces to build roads, it is this one. Ontario highways didn't winter well and suffered for lack of maintenance during the war years. Where is the Hon. George Doucett to get money to fix them if all sources open to the Province are seized upon by the Ottawa vultures.

LATE MISS EFFIE E. KENNEDY

After a lengthy illness, Miss Effie E. Kennedy, of Vernon, passed away on August 10th, in her 41st year. The funeral took place from her late home on Monday, August 12th, the service being conducted by Rev. C. Younger-Lewis, pastor of Vernon Presbyterian Church. A favourite selection, "Ivory Palaces," was sweetly rendered by Mrs. Howard Porteous and Mr. Kenneth Dow. Interment was made at Springhill Cemetery.

There was a large attendance and many beautiful floral offerings, and on all sides expressions of sympathy were extended to the bereaved.

She leaves to mourn, two sisters, Mrs. Edward Lanoue and Mrs. Alex J. Campbell ,both of Vernon.

The pall bearers were Messrs. Duff Crerar, Leonard Cameron, John C. Campbell, Wilbert Duncan, Donald Cameron and James MacAndrew.

What more delectable eating for a summer Sunday than chicken done the family's favored way. Billed for Monday is a pot roast, succulent and savoury and surrounded with the season's new vegetables. Fish forms the focal point of meatless Tuesday's dinner. On Wednesday the pot roast reappears, sliced cold and enlivened with colorful vegetables and a twangy relish. With dried beans again market available, the odds and ends of the roast can add flavour and nutriment to Thursday's chili con carne. From the array of fresh vegetables can be chosen an eye-appealing and palate pleasing vegetable plate for Friday, proteinized with an egg or cheese sauce. Stewing veal is a good choice for making a jellied mould for Saturday, with something for Sunday Supper too, augmented if numbers indicate the need, by unrationed tongue. To your credit from the week's eating is one coupon.

TOUR OF THE SOUTH NATION WATERSHED

The Ontario Conservation and Reforestation Association plans to tour a part of the South Nation Watershed on August 29th, 1946. Delegates will meet beside the Chesterville dam at 9.00 a.m. and follow the course of the river through Chrysler, Casselman and Plantagenet to the mouth of the river. They will turn north at Wendover and, after passing through Bourget and Cheney, they will visit a small portion of the 10,000 acre Larose Forest. It is probable that there will be a short address by Mr. A. H. Richardson after the noon meal and by Mr. Watson Porter after the evening meal.

The purpose of the tour is to give to representatives and outstanding citizens a first hand picture of the conditions which exist in the South Nation Watershed and an illustration, Larose Forest, of how the problems of proper land use can be met. Visiting delegates will see the extremely low level of the river in summer time, and some of the difficulties which the failing water supply presents. They will see great stretches of land which are now unproductive, although they formerly supplied a great industry, and they will be asked to consider how such land should best be managed.

The Department of Planning and Development will give a moving picture entertainment illustrating Conservation measures to the touring delegates, and the local citizens in the evening at Bourget.

Mr. and Mrs. J. Presley, of Newington, visited Mr. and Mrs. Clarence Presley recently.

Miss Hilda Shaw has returned to Ottawa, after spending two weeks' holidays with her parents, Mr. and Mrs. James Shaw, and other friends.

BOTTLES SCARCE

Shortage of new supplies of glass, breakage and the accumulation of stocks of empty bottles in the hands of consumers have created a critical situation in the distribution of bottled beverages. Failure on the part of consumers to return "empties" for re-use has literally created a bottle-neck" in the distribution process.

A special appeal is currently being made to purchasers of lighter beverages to clear the "empties" from summer cottages and cellars and get them back to the production line. Frozen assets in the form of empty bottles in consumers' hands only gather dust—but when they are returned to the manufacturer they enable a broader distribution of the product. Cartons should also be returned in as good condition as possible as the quantity which can be obtained is restricted.

SUGAR RATION BOOSTED

A three-pound increase in the sugar ration for domestic consumers, over the balance of 1946, with comparable increases for industrial and quota users, was announced recently by the Wartime Prices and Trade Board.

The increase to the householder will be made by declaring valid three additional ration coupons, each good for one pound of sugar. Two coupons will be declared valid in September and the third one on about December 5th. As a result of the additional ration, five sugar coupons will be declared valid on September 19, two in October, three in November and three in December.

Soft drink mnaufacturers will also benefit by the increased ration. Their increase will be made in the third and fourth quarters of the year by increasing the allotment to 65 per cent. of their 1941 usage during the third quarter. They now receive 60 per cent. of their 1941 usage.

Biscuit and cereal manufacturers will have their sugar allotment increased to 70 per cent. during the third quarter and to 75 per cent. in the final quarter. They now operate on approximately 65 per cent. of their 1941 usage.

Bakers also receive five per cent. increases during the third and fourth quarters. This brings their allotment to 75 per cent. of their 1941 usage.

The sugar increase to quota users—hotels, restaurants, lumber camps, etc., will be made in the fourth quarter and will be equivalent to the total increase allowed to industrial users in that quarter.

MORE THAN 7,000 CENTRES WILL DISTRIBUTE RATION BOOKS

Another chapter in the story of Canadian rationing will unfold during the week, Sept. 9 to 16, when the new Ration Book No. 6 will be distributed to over 12,000,000 consumers by more than 7,000 distribution centres to be set up in every city, town, village and hamlet from coast to coast.

Although national distribution is set for that week, both T. C. Wood, Regional Ration Officer for the Ottawa district, and O. J. Stanley, Ration Officer for the Brockville area, have stated that distribution centres in their regions will not be open on all dates and all hours. Dates and hours will vary in each locality, according to local conditions.

Local Ration Boards throughout the Ottawa- Brockville regions are now arranging exact dates and times distribution centres will be open in their respective localities. Citizens are reminded to watch their local papers for official announcements giving dates and times centres will be open.

Local Ration Boards in the Ottawa-Brockville area are at: Ottawa, Hawkesbury, Plantagenet, Rockland, Casselman, Smiths Falls, Perth, Carleton Place, Lanark, Arnprior, Renfrew, Killaloe, Pembroke, Westboro, Hull, Maniwaki, Campbell's Bay, Gracefield, Papineauville, Buckingham, Eastview, Brockville, Trenton, Belleville, Tweed, Madoc, Bancroft, Picton, Napanee, Kingston, Gananoque, Delta, Westport, Prescott, Kemptville, Iroquois, Morrisburg, Winchester, Cornwall, Finch, Lancaster and Alexandria.

Ration Book holders should arrange to call at the distribution centre for their new books on the days arranged by their Local Ration Boards as no further issue will be made until after Sept. 29th.

Mr. Wood and Mr. Stanley have emphasized the fact that before a new book may be obtained, the application card in the back of the present book must be completed and with Book No. 5 turned into the distribution centre on the day of application.

Persons away from home on holidays will be able to get Book No. 6 on application to any distribution centre which is open in the locality where they happen to be. In lieu of this, their new book may be picked up by some responsible member of the family or friend providing the application card has been filled out by the book-holder.

IN MEMORIAM—In fond and loving memory of Flt. Sgt. Lyle H. Thompson, who was reported missing over Germany August 18th, 1943.
He little thought when leaving
He would no more return,
That he in death so soon would sleep
And leave us here to mourn.
We do not know the pain he bore,
We did not see him die,
We only know he passed away
And never said good-bye.
—Sadly missed by Mother, Father, Sisters and Brothers. 14p

IN MEMORIAM—In loving memory of Lloyd Deeks, who passed away August 12th, 1932.
Though his smile has gone forever
And his voice we cannot hear,
We shall never lose the memory

HINTS FOR THE HOME

Tile Hearth

One of the best things to use for cleaning the tile hearth is a cloth dipped in turpentine.

Cutting Glass

Glass may be cut roughly to almost any desired shape under water with an ordinary pair of scissors.

Ecru Linen

Ecru linen should always be ironed on the wrong side. If ironed on the right side, it will have a faded appearance.

Sour Milk

It is a mistake to think that sour milk loses any of its nutritive value. It does not, and is excellent for various cooking purposes.

Ferns

The ferns will have a nice green color if a teaspoonful of ammonia to one quart of water is poured over them about every two weeks.

Flies

Put a few drops of lavender oil on a cloth and fasten to the top of the screen door where the flies collect, and see how quickly they disappear.

Flower Pots

The ordinary flower pots can be made far more decorative if they are covered with some scraps of gay oilcloth or given a coat of pretty enamel.

Porcelain

To remove yellow spots on porcelain try using household ammonia. If this does not give satisfactory results, use javelle water or bleaching powder.

Hot Water Bag

Always test the temperature of the hot water bag against your cheek before placing it on a sick person. This might avoid a burn which can be serious to a bedridden person.

Brass Faucets

Brass faucets can be kept from looking water spotted if, after cleaning them, a little furniture polish is applied. The oil in the polish prevents chemical action from splashing water.

The New Shirt

If the boy has torn a hole in his new shirt, cut out a piece of material large enough to repair this hole from the lining of the yoke of the shirt and repair the hole with this. The place under the yoke may be mended with plain white material, as it will not show.

Cement for China

The following cement is good for mending china. First make a thick solution of gum arabic and water. Then add plaster of Paris and stir thoroughly until it is the consistency of cream. Apply this to the broken of the china, tie together, and let it remain for 3 or 4 days. It is not only effective but is a white cement that will not show where repaired.

Damp Cellars

To keep dampness from a cellar, take old preserve cans and put into them calcium chloride, 1 pound of this salt sufficing for a large cellar. This attracts water from the air, collecting it in the cans. The water, however, should not be poured away, but should be evaporated on a strong fire, whereby the salt crystallizes again and becomes fit for renewed use.

Furniture Polish

An excellent furniture polish can be made of equal parts of lemon oil and turpentine. After saturating a soft cloth with this mixture, go over the entire surface of the furniture to be polished. Then with another cloth, dampened and wrung almost dry, wipe off the surface to remove the excess oil. Finally, use a woollen polishing cloth and rub until the surface is gleaming.

PRESCOTT TUNNEL BILL GETS ROYAL ASSENT

The Prescott & Ogdensburg bridge-tunnel bill has been given the Royal Assent in the Senate by Chief Justice Thibaudeau Rinfret, Deputy to the Governor General.

Wm. J. Green, Ottawa barrister, has been appearing before the Senate and the House of Commons railway committees as counsel for the company. The measure, which was first approved by the Upper House, was then put through the Commons.

Construction of a bridge or tunnel across the St. Lawrence river between Prescott and Ogdensburg for passenger, automobile and all other types of vehicular traffic is authorized by the legislation. Under the bill, construction is to start within three years.

The plan was originally authorized by Parliament a few months before the outbreak of the war, but was held up due to hostilities.

BIBLE QUESTIONS ANSWERED BY THE VOICE of PROPHECY
INTERNATIONAL BIBLE BROADCASTER

Question—What is the difference between Abram and Abraham?

Answer—Both names refer to the same person. When he was 99 years old, God changed his name from Abram (exalted father) to Abraham (father of a multitude) at the time that He promised to make him a father of many nations. Genesis 17:5.

Q.—Is hell real?

A.—Real enough for those unfortunate enough to find themselves in it, for we read in Matthew 10:28: "And fear not them which kill the body, but are not able to kill the soul: but rather fear him which is able to destroy both soul and body in hell."

Q.—Does the Bible uphold fasting?

A.—Jesus said that His disciples would fast when He was gone. (Matthew 9:15.) In Matthew 6:17, 18, He tells us how we should fast: "But thou, when thou fastest, anoint thine head, and wash thy face; that thou appear not unto men to fast, but unto thy Father which is in secret: and thy Father, which seeth in secret, shall reward thee openly."

Q.—Is not the "harvest" spoken of in Matthew 13 the gathering of souls by the churches throughout Christian history?

A.—We find the answer in Matthew 13:37-39: "He answered and said unto them, He that soweth the good seed is the Son of man; the field is the world; the good seed are the children of the kingdom; but the tares are the children of the wicked one; the enemy that sowed them is the devil; the harvest is the end of the world; and the reapers are the angels."

Q.—When a man is converted, does God forgive his debts so that he does not have to pay them?

A.—When God forgives a man's sins it is on condition that he is sorry for them and forsakes them. A converted man will do his utmost to pay all debts to others. His goal will be to "owe no man any thing, but to love one another." Romans 13:8. Every true Christian will recognize just debts and will pay them as far as in him lies. Otherwise he would be a thief; and the eighth commandment says, "Thou shalt not steal." If you owe for your subscription to this newspaper, pay it right away!

THE MIXING BOWL
BY Anne Allan
HYDRO HOME ECONOMIST

Hello Homemakers! Sweet music to many a housewife's ear is a suggestion for dessert. There's a problem the majority of us find difficult to solve, for pudding and pies dig deep into our sugar and butter reserves.

Use an abundance of fresh fruit and serve it with a flavoured cream rather than fruit sugar. Learn to judge fruit by its fragrance and appearance. Chill thoroughly before preparing for the table. Never put ice in melons or soft fruit as it destroys the flavour.

Here are a few ideas: Steamed apples; baked pears stuffed with raisins; fruit snow; macedoine of fruit; fruit custard; fruit jelly; fruit sponge; fruit shortcakes; fruit bread pudding; scalloped fruit; fruit sherbet; fruit ice cream.

Macedoine of Fruit

3 peaches, 3 pears,, 1-2 cup sliced orange, 1- cup diced watermelon, 1 cup raspberries.

Pare and slice peaches and pears. cut orange and melon in small pieces, chill for one hour. Serve in glasses, adding one tablespoon of whipped cream to each glass just before serving.

Basic Fruit Jelly

1 oz. (2 tbsps.) gelatine, 3 cups of fruit juice,, 1-3 cup sugar, 1-2 cup of cold water, 1-2 cup boiling water, 1 cup cubed fruit.

Soak gelatine in cold water until soft. Add to boiling water and stir over hot water until thoroughly dissolved. Add sugar and stir until dissolved. Remove from heat. Add remaining liquids or fruit pulp and mix thoroughly. Pour into moulds that have been dipped into cold water. Chill in electric refrigerator. When partially set, add cubed fruit.

Basic Fruit Whip

Use recipe for basic jelly but leave the mixture in the bowl in which it was mixed until it begins to congeal. Then whip until it becomes light and frothy. Turn into moulds and chill in electric refrigerator. Top with fresh fruit.

THE QUESTION BOX

Mrs. T. C. asks: Why does a chocolate cake develop a dark streak near the bottom?

Answer: This heavy dark streak may be caused by a difference in the chocolate used—some chocolate is richer in fat than others. The temperature used for baking may be the cause or the type of flour used may have altered the texture—a change from all-purpose to pastry flour would make a difference. You use 2 tbsps. per cup less all-purpose flour.

Mrs. B. M. asks: Have you tried bean gravy?

2 tbsps. shortening, 2 tbsps. flour and 1 cup hot bean stock. Stir in a few drops of gravy colouring.

Mrs. J. R. asks. What makes one batch of applesauce white and another dark, using the same kind of apples?

Answer: Peeled apples darken in tarnished kettles and from exposure to air. To keep clear colour, drop pieces in water with lemon juice in it as they are being prepared. Cook in a small amount of water and mash with steel or wooden masher.

Mrs. R. C. asks: What makes eggplant taste bitter?

Answer: The slices have not been sprinkled with salt and weighted down long enough. Press down for 1-2 hour.

WANTED—MEDICAL DOCTOR TO LOCATE IN VILLAGE OF SOUTH MOUNTAIN

A medical doctor is urgently needed in the Village of South Mountain, Ont., as there are no practicing physicians located in the Township of Mountain at the present time. The residence of the late Dr. Ferrier is available to any physician who wishes to open a practice. It contains a good basement, six rooms upstairs and five rooms downstairs, in addition to a medical office, dispensery and waiting room.

This residence has been acquired by the Municipality of the Township of Mountain and will be leased to a doctor for 1½ per cent. of the investment and taxes. Total rent is about $75.00 for the first year. This is an excellent opportunity for a medical doctor desiring a country practice in a rich agricultural centre. For further particulars, write to

EDWARD BUSH, Clerk,

LOCAL AND GENERAL

Exhibition Baseball Game.

In an exhibition baseball game, played here on Thursday night last, Winchester defeated Morewood 5-4. Both teams played a snappy game, considering the short time they have been organized.

Had Tonsils Removed.

Master Jimmie Reynolds, son of Mr. and Mrs. G. H. Reynolds, underwent a tonsilectomy at the office of Dr. H. Justus, Chesterville, on Tuesday afternoon, and is making a satisfactory recovery.

Engagement Announced.

Mr. and Mrs. Robert Workman, of Winchester, wish to announce the engagement of their youngest daughter, Lorna Doone, to Mr. John Cranston Laing, son of Mr. and Mrs. David Laing, of Ottawa. Marriage to take place early in September.

Women's Institute Picnic.

The annual picnic of the local Women's Institute was held at the cottage of Mrs. Wm. Lannin, along the St. Lawrence, on Wednesday afternoon last. There were 25 members present and an enjoyable time was spent. Following a short business meeting, games were played and lunch served.

Exhibition Softball.

On Saturday afternoon last two exhibition games of Softball were played on the local Public School Diamond, between Inkerman and a team from Watertown, N. Y. Inkerman won the first game 7-3 and the American team took the second game 5-1. Those who officiated as umpires during the contests were Messrs. Geo. Martin, David Melvin and Asa Hanes.

Fire At Moulinette.

Thirteen people were left homeless last Thursday afternoon when fire destroyed two houses, a garage and a barn at Moulinette, six miles west of Cornwall on Highway No. 2. The loss was estimated at $16,000, which is covered by insurance. An oil stove explosion in the home of 89-year-old Mrs. Stephen Baker was the cause of the destructive blaze.

Met With Painful Accident.

Mrs. Ross M. Young, who resides in the vicinity of Maple Ridge, met with a painful accident on Sunday afternoon, when a bottle of nitric acid spilled over her face, as she removed it from a high shelf. It is believed the cork, if there was one in the bottle, came loose as she tipped it. Her left eye was badly burned, but the sight was not affected. Dr. Justus was called, and the treatment he prescribed brought quick relief.

STRAIGHT SIX MONTHS' NOTICE MAY NOW BE GIVEN

Effective August 15th, landlords of shared accommodation may give a straight six months' notice to vacate terminating at anytime, the Wartime Prices and Trade Board has announced. Previously, the six months' notice to vacate this type of accommodation could not end between September 30 and April 30.

The Board also announced that a lease for commercial accommodation, as provided by Order 583, may contain a clause, should landlord and tenant agree, to the effect that it can be terminated by the tenant only at a specified time on an agreed upon notice. Previously, the lease could not be terminated by either parties prior to the end of the five year term.

Board officials emphasized that all other provisions of Order No. 583 remain in effect.

HUNTING SEASON FOR DUCKS SEPT. 15-NOV. 29

"WE AIN'T TALKING"

There comes into the store weekly—almost daily—certain types of things that are more or less scarce. They scarcely hit our shelves or cases—and they are gone!

We don't immediately burst into print with such limited quantities. We don't like to advertise unless we really have enough to supply a reasonable response from the advertisement. "Truthfully Told—Truthfully Sold"—we always say.

So drop in whenever you are down this way. Perhaps just what you have in mind happens to be right on hand.

P.S. Incidentally, we have received a shipment of Men's Socks, Irish Linen Handkerchiefs, some with coloured borders, selling at 45c and 50c; Overall Pants and Work Shirts—that good one we had last year. We have also received already Felt Boots, Zipper Overshoes, and Rubber Overshoes, also a fresh shipment of Overcoats—this is that weatherfleece Coat by Cambridge. Several other scarce articles due to arrive shortly.

BRIDE-ELECT HONOURED

On Saturday evening, August 10th, Mrs. John E. Adams and Mrs. Russell Wallace, of North Gower, were joint hostesses at a shower at the former's home, Russell, in honour of Miss Dorothy Jean McMartin, whose marriage takes place in the near future.

The evening was spent in dancing and singing. At an appointed time Mrs. Gerald Morris read an appropriate address, and the bride-elect was presented with several beautiful pieces of pyrex. Miss McMartin expressed her appreciatoin of their kindness to all those present,

A buffet luncheon was served in the dining room, which was daintily decorated with pink and white streamers, while quaint bowls of sweet peas and baby breath adorned the tables.

The happy occasion ended with the singing of "For She's A Jolly Good Fellow," and the signing of about thirty-five names in the bride's book.
