J. C. Hummel Dies When Pipe Starts Fire In Bed At His Home

After suffering from ill health for eight or nine years, tragedy ended the life of John Charles Hummel in his 86th year when he died in a fire at his farm home west of Chesterville early Sunday evening after his bed had been set on fire from his pipe.

It is not known whether Mr. Hummel suffered a weak spell while smoking in bed or what circumstances caused the blaze. His son, Melvin Hummel, had been out at the barn finishing the evening chores, and when he smelled smoke rushed up to his father's room. The room was filled with heavy smoke and he carried the unconscious man out.

Dr. H. W. Justus was summoned and pronounced Mr. Hummel dead, and the coroner, Dr. Hamilton of Brinston, was notified. An inquest will not be held.

The fire was confined to the bed but considerable water damage was sustained in the room and in the room directly beneath as Mr. Hummel and his family extinguished the blaze with buckets of water.

Mr. Hummel's body was not burned badly, but the more serious burns were sustained about the legs, the greatest fire damage having been at the bottom of the bed.

Married in 1887

The late John Charles Hummel was the son of George Hummel and the former Elizabeth Harrington and was born on Maple Ridge. After his marriage in Russell to Annie Maharey of that village on March 16, 1887, he took up farming on what now is the west half of the Doering Stock Farm. Selling this property in 1910, he bought a farm about a mile west of Chesterville on the north bank of the Nation River.

He was a well-known farmer, and some years ago shipped cattle to Montreal for local farmers, and bought cattle for a number of years. He was known locally for his seed grain and fall wheat.

His wife died in 1940, and surviving are four sons, Willis of Mantario, Sask.; Walter of Chesterville; Allan of London and Melvin on the home place.

The funeral was held yesterday afternoon from the residence to Trinity United Church at 2.00, where service was conducted by Rev. W. E. Wright. Interment was made in Maple Ridge cemetery. The pall bearers were six neighbours, Donald Stewart, Harold Windsor, Albert Bowman, Wm. McElroy, Irwin Merkley and Sheldon Ball.

SERIOUSLY ILL

Mrs. Arthur Peake of Brockville, formerly of Chesterville, who has been in poor health for some time, is a patient in the Kingston General hospital where she is expected to remain two months while taking treatments.

SWIMMING ONE DAY LATE

If you do not believe it was summer last week here's the proof. Boys were swimming in the Nation river just south of Erwin Merkley's barn last Friday afternoon. That sounds early but it was just one day later than the first plunge last year, which was made on the 28th.

IN CORNWALL HOSPITAL

Miss Marie McCadden, daughter of Mr. and Mrs. Thos. McCadden, and who is employed in the office of Dr. R. G. Dodds, is a patient in the Hotel Dieu Hospital, Cornwall, where she underwent an operation on an ear abcess.

THREE LOCAL WAR BRIDES EXPECTED ON SATURDAY

Three war brides rejoining their husbands in Chesterville are expected to arrive in Canada April 5, aboard the Ile de France when the big troop transport docks at Halifax. They are Mrs. Elsie Maud Beckstead, wife of Sgmn. P. L. Beckstead, of RR1, Chesterville; Mrs. Clarice Moran, wife of Pte. J. L. Moran and Mrs. Elizabeth Moran, wife of Pte. F. J. Moran, brothers, of town.

Another Delegation Named To Press For Nation Survey

Another delegation from the Nation River Conservation Committee will interview the Hon. Dana Porter, Ontario Minister of Planning and Development, urging an early start on the aerial survey of the Nation River Watershed preparatory to commencing work on conservation methods to alleviate flood conditions on the 125-mile long river. At a meeting of the committee held in the Community Hall, Tuesday afternoon, the president, Mahlon Zeron, and Vice-President, M. Rathwell, with Eric Casselman, secretary as proxy for the president, were named to interview the Minister.

Members of the committee present to discuss plans for speeding up the preparatory survey, were Mahlon Zeron, president; J. H. Methot, J. L. Gauthier, Raymond Butler, Mr. Joly, Kenzie MacGillivray, J. B. Potvin, Mansell Bennett, Geo. H. Barkley, Ernest Summers, Marshall Rathwell, Earl Tinkler, F. Larose, C. Tennant, H. W. Graham, A. B. Wheatley, Mr. Steele, and the secretary, Eric Casselman.

Tour of Lower Reaches

A tour of the lower reaches of the Nation similar to that made of the headwaters last fall, was recommended by the committee. This will provide a better understanding of the immediate problems facing that section of the river. With A. B. Wheatley as chairman, the Agricultural Representatives of the counties affected will form a committee to arrange a tour in the latter part of June.

A. B. Wheatley, of Kemptville, Zone Forester, spoke on the benefits other than moisture conservation derived from reforestation. Of the million acres comprisng the watershed, approximately 200,000 acres are slash, swamp or non-productive for agriculture. It was not beyond the realm of possibility that within 30 or 40 years after reforestation this huge acreage could easily yield five dollars an acre—an annual income of a million dollars—which would in a few years pay all the costs necessary to carry out the recommendations of the proposed survey.

The eighth member of the Prescott-Russell committee, R. Clement, was added to the Nation River committee at the request of the delegates who stated that their council was asked for the largest grant and therefore should have complete representation.

Several committee members could not be present, due to bad road conditions. Some of the delegates from the eastern counties stated they had to negotiate long stretches of road in low gear.

IN CORNWALL HOSPITAL

Mrs. Richard Fawcett of Dunbar is a patient in the Cornwall General hospital where she was taken the first of the week when threatened with pneumonia.

AT DOMINION CONVENTION

E. B. McMillan, Chesterville, president of the Grenville-Dundas Progressive-Conservative Association, attended the Dominion convention held at the Chateau Laurier, Ottawa, at the week-end.

Council Purchases War Assets Truck For Fire Department

Purchase of a War Assets Dodge ¾-ton truck for the Fire Department was made by the Municipal Council this week which will, after some remodelling for accommodation of equipment, provide up-to-date fire fighting facilities for the village. It is planned to remove the ARP pump, purchased last summer, from its trailer and mount it directly onto the new truck, which will also carry all the hose, tools and other equipment required by the fire fighters.

The truck, which is brand new, cost $1300 complete, and was purchased from War Assets through the local dealer, Hamilton Motors. It has four-wheel drive, the body is all-steel, and equipment includes five tires and spare wheel, chains, repair kit, shovel, pick, axe, and a powerful winch mounted on the front provided with 150 feet of steel cable.

Decision to purchase the new vehicle was made by the Fire Commission yesterday, following Tuesday night's Council meeting.

The monthly report was received from Fire Chief S. Morris. The Fire Commission asked that the Fire Chief, Deputy Fire Chief and members of the Brigade meet with the Commission, Reeve Barkley and other members of Council Friday evening in the Library when the newly published regulations governing the Fire Department will be discussed.

Employees Protected

Following study of protection for municipal employees against injury by various plans submitted by insurance agents, Council decided Tuesday night to make application to the Workmen's Compensation Board. This will provide protection for casual labour and police and fire employees. The Clerk-Treasurer, Assessor and Collector are not included. Firemen are covered at the rate of $1500 a year, but the premium is based on 10 per cent of this amount or $150.

An application for taxi license by Bert Sharkey was granted.

Sidewalk Repairs

J. Howard Fulton requested Council to consider repair of the sidewalk in front of his new building on Water Street which replaces that destroyed by fire about a year ago. This walk, which is at road level, has always been a dirt catcher, he said, and since it was badly broken, he thought it should be rebuilt and raised four inches.

With street work being confined to repairs this year, Council authorized the Street Commissioners to spend $1500 on repairs of sidewalks, with priority being given to the business section. Work will probably include that requested by Mr. Fulton, King street by the meat markets and in front of Moran's Pool Room.

Sewage Disposal

A report from the engineer engaged in preparing plans for the proposed sewage disposal plant explained the delay was due to his attending school after discharge from the RCAF and to a fractured arm. He reported the work had been handed over to W. H. Magwood for completion.

Constable Garnet McLean brought a complaint received from the residents in the north end of the village about odours from the slaughter houses, and the Clerk was asked to notify the Sanitary Inspector to investigate this, as well as conditions at the village dump.

A request from the Horticultural Society for the usual grant to assist in the society's work was granted by a cheque of $50.

The Street Commission was asked to take action to have the streets cleaned.

To Ask Hydro Engineer Study Chesterville's Lights

Inaugurating plans to improve street lighting in the village, Chesterville Hydro-Electric Commission will ask for the assistance of a lighting engineer from the Ontario Commission, as a result of a decision taken by the group at the April meeting held in the Hydro Office Tuesday evening.

Members of the Commission have been studying the problem for some time, and several delegations have requested that something be done to brighten up the streets of the village. It was explained at Tuesday's meeting that bulbs in all streets lamps were replaced by 100-watt bulbs last summer after wartime restrictions were lifted.

The 1945 balance sheet and operating report compiled by the Provincial Auditing Department was received and ordered published in The Record. This will be found on Page two. Net surplus for the year is shown as $3,556.13 after operating costs and fixed charges of $11,198.54 were paid.

TWO DISTRICT MEN ON ILE DE FRANCE

Two district repats are included among the large contingent of army personnel due to arrive on the S. S. Ile de France which is expected to dock in Halifax on Saturday. Pte. E. J. Belanger of Nation Valley, and Pte. K. G. Walker of Berwick.

Road Conditions Reported Worst in 20-Year Period

Condition of roads in the Counties are reported to be the worst experienced in 20 years with some stretches breaking up so badly auto traffic cannot navigate. The condition is blamed on the combination of hard-freezing and thawing weather of the past winter.

J. G. Cameron, counties' road engineer, stated "A spring like this one is never popular with either road builders or motorists. The roads freeze to a depth of possibly two feet before the snow comes and then there is a mild spell. Some of the frost comes out, rain follows, then frost. These layers of frost trap the water and the roads heave and break up.

Several streets of the village, some built only last year, are breaking up badly and will require considerable work when the frost has come out completely.

Damage to roads is not confined to the counties or villages as motorists say No. 2 Provincial Highway from the Quebec border to Brockville is very rough and dangerous. The concrete highway from Morrisburg to Ottawa, No. 31 is also heaving.

While workmen are striving hard to smooth over the rough spots on County roads, it will be at least two weeks, when the frost is all out, before heaving finishes. Many of the county and township roads, it is pointed out, were built over the original corduroy roads and many of the old logs and rocks are still in the roadbeds. The frost heaves these long-buried objects making many roads appear as giant washboards.

ARRIVES FROM ENGLAND AFTER 7½ YEARS ABSENCE

After spending seven and a half years at his home in England, Arthur Ringrow arrived here today on the noon train after disembarking from the aircraft carrier HMS MacAndrew. Mr. Ringrow will work the W. B. Hamilton farm where he was employed for more than eight years. While in England he was married, and his wife will follow to Canada as soon as passage is available.

WINS PRIZE FOR SEED-TREATING MACHINE

E. B. McMillan, Chesterville farmer, received second prize last week for his design of a machine for treating grain for loose smut with ceresan powder and his prize of six dollars pays him double for the cost of his successful machine.

Showing the model to John McLeod Director of the Crops, Weeds and Seeds Branch of the Ontario Department of Agriculture, Mr. McMillan was advised to submit his plans to the New Idea Club of the Farmers' Magazine. In the January issue this design was chosen among the best three submitted, and in the final judging came out second best.

Reverse Decision; Red Cross Branch Will Continue Work

Chesterville Branch of the Red Cross Society reversed its decision made at the annual meeting and decided to carry on with the peacetime organization of the society when members gave a unanimous decision at a meeting held in the Hydro Office last evening. Nomination of the executive was left in the hands of a committee formed of P. S. Boyd, president; Mrs. Thos. Moran and J. A. Morris.

Mr. Boyd reviewed the decision made at the annual meeting when it was thought the possibilities were nil for carrying on the work rooms in peacetime, and also the plans suggested by Flt. Lt. Bowles, Field Secretary, who addressed a meeting here two weeks ago.

More Financial Aid

Under the peacetime set-up, only 25 per cent of funds are required to be sent to Division Hadquarters, and as the society now has a balance of $1783.60 on hand, it would be in a good financial position to start the new programme. This could include Aid to Veterans which is not available from DVA and which might become very necessary in a few years; Reserve of Nurses, Health Improvement to assist the school nurses in follow-up work; organization of a sick-room pool for loan, blood donor service, disaster relief, Red Cross Juniors, nutritional work which could include better school lunches; homemaker service, to provide aid to families when a mother is ill and the father must work; and assurance of a safe water supply.

The women's work room committee was assured their big job was finished and this part of the work could be placed at the bottom of the list.

Unanimous Approval

The 16 persons present voted unanimously to carry on the Red Cross Branch under the new programme, and affiliated units will be asked to name their representatives if they also wish to continue.

Members of the present executive asked to be relieved of their duties as they had served for 15 months, and when a list of officials was not forthcoming from those attending, the nominating committee was appointed.

PASS FINAL EXAMINATIONS KEMPTVILLE DAIRY SCHOOL

Results of final examinations from the Dairy School, Kemptville Agricultural School, released at the week-end show, W. J. Worsfold of Chesterville passing with second class honours, with 729 marks for 66.3 per cent. Gaining third class honours were F. L. Wise, Winchester, with 623 marks for 56.6 per cent; H. A. McElroy, Osgoode Station, 602 marks 54.7 per cent; L. P. Racine, Crysler, 598 marks, 54.4 per cent.

DIES IN NEW LISKEARD

Melvin Droppo was notified on Sunday of the death of his brother's wife, Mrs. W. J. Droppo, in New Liskeard. The funeral was held on Tuesday afternoon. The former Maggie Lattimore, the late Mrs. Droppo was born at Newington, and is survived by a son and daughter, Ralph, age 18, and Marie, age 20, both at home.

Next Week's Programme
Picadilly Theatre
Williamsburg - Ontario

THIS THURSDAY. FRIDAY & SATURDAY APRIL 4-5-6
"SCARED STIFF"
A hilarious mystery thriller. Starring JACK HALEY, BARTON Mc LANE and ANN SAVAGE.
"OREGON TRAIL"
Another whirlwind action drama, with SUNSET CARSON.

MONDAY, TUESDAY & WEDNESDAY APRIL 8-9-10
"The Valley of Decision"
A best seller first—now a great picture. The lives of a whole family swayed by a humble servant girl. It will live in your memory as the book lives in your heart. Starring GREER GARSON, GREGORY PECK, DONALD CRISP and LIONEL BARRYMORE.

THURSDAY, FRIDAY & SATURDAY APRIL 11-12-13
"The Woman in Green"
London shocked by Hypnotic Murderer. Sherlock Holmes solves slayings that baffle Scotland Yard. Starring BASIL RATHBONE and NIGEL BRUCE.
"ALONG THE NAVAJO TRAIL"
Packed with action, romance and songs. ROY ROGERS and TRIGGER wonder horse, pals of Rodeo and Screen, ride the Navajo Trail.

CO-OPERATION REAPS RESULTS

Following a discussion last week of the lack of safety from traffic in the school zones, a system of voluntary traffic patrols from the larger boys of the Public School was formed and the arrangement has "worked like a charm", to quote one person.

At first it was felt that the youngsters would not be able to assert their authority or would care to hang about at noon and after four until all his pals had gone before he could go home. But, the boys appreciate the trust placed in them and to date have performed their duties to the satisfaction of all.

The attention to common-sense rules shown by High and Public schools coming down Victoria street is very satisfying to motorists and pedestrians.

Which leads us to commend all concerned for the spirit of co-operation which has reaped such fine results in its early stages. In every organization, large or small, village or city, healthy co-operation is the lifeblood of success and happiness, and The Record sincerely hopes that this example will be continued and will be carried into other departments of our village life.

GENUINE APRIL FOOL

Old Man Weather pulled perhaps the most genuine April Fool joke hereabouts. We were going to say the "best" joke", but practical jokes are never good, especially to the receiver.

After the summer-like weather of March, the display of weather experienced on Monday was something of a shock. Considerably cooler, following a hard frost during Sunday night, the first day of April brought sunshine, rain, snow and a thunderstorm. And the lightning was real, too, for in one district to the east a church was struck by lightning and burned.

Our ears were burning quite furiously for we could hear all the "I Told You So's" exclaiming in their solemn satisfaction that we would pay for the sunny days of March. Maybe we will, but it's not like shelling out for income tax; we have had something we enjoyed very much and if there's any paying to be done we'll gladly do it.

In the meantime, let's hope the fine weather continues so that the crops can be seeded early by our farmers and a start made to increasing the contents of the world's food bins.

HOSPITALIZATION AN URGENT NEED

Cornwall General Hospital is launching a campaign in May to raise $250,000 for a badly-needed extension, and the appeal deserves the full support of people in this district. Cornwall General is one of the two hospitals in the United Counties equipped to handle all types of cases, and the serious shortage of accommodation can prove just as serious here as it does in Cornwall.

A quarter of a million dollars is no small sum of money, and clearly it is going to take the united efforts of a very large number of persons to raise it. But when you consider the United Counties raised more than 32 millions in the nine Victory loans, it does not seem impossible. From many points of view, this appeal is just as important as they were.

The campaign committee, the hospital authorities and the doctors who serve at the institution all make it perfectly clear that the shortage of beds and other accommodation is now so serious that it cannot be delayed any longer. The hospital has a perpetual waiting list for beds, and for emergency cases, beds have to be put up in the corridors or shoved into the already-crowded wards. This is one time when we cannot complain to the government; Cornwall General Hospital, like every other institution of its type, is community-owned and operated. The hospital gets little help, aside from payments for indigent patients, from the government, which barely covers the cost of their hospitalization.

There can be no doubt that the need is urgent, nor any doubt that the United Counties will have to solve this problem for themselves. When the canvasser approaches you, remember that it is your hospital, and that you may be the one to suffer if the hospital cannot expand to meet the need.

STREET LIGHTING

Every citizen will welcome the decision of the Municipal Council to ask for the services of the Hydro Lighting Engineers in making a survey of Chesterville's street lighting. Councils of the past year or two have received many complaints from the ratepayers and delegations have requested something be done about adding more lights.

As everyone realizes, Chesterville's problem in street lighting is rather a complicated one. There's hardly 100 yards of straight street in the village as the town plans are influenced by the river, and added to this the number of shade trees the resultant shading of the lights is bad.

Another aggravation is the one-sided position of sidewalks and lights. Lights are placed on Hydro poles, and in many places these poles are on the opposite side of the street from sidewalks.

Employment of a trained engineer should provide the information necessary before spending of public monies is commenced.

THE BIG FIRE THAT WASN'T THERE

Most district folk were agog with the news over the CBC Tuesday morning that Williamsburg had sustained a big fire loss the previous night, and wondered why nothing had been heard of it when the blaze was at its height. Not until the morning papers appeared were we set on the right track. The locale of the fire was Williamstown and not Williamsbrug.

Thus another instance was provided of the superiority of the newspaper over radio. With the news appearing in black and white on the newspaper page, we have a chance to read it carefully and study it; but when the radio announcer completes the reading of his script its gone forever, and if your mind was wandering away from his voice you haven't any hope of learning what it was all about.

But, could this mix-up of the CBC Tuesday morning have come about through the similarity of Williamstown with Williamsburg, the home of Byng Whitteker, one of the CBC's announcing staff? Perhaps the typist preparing the announcer's copy thought of the connection and automatically slipped in 'burg' instead of 'town'.

Beneath this stone lies Murphy,
They buried him to-day.
He lived the life of Riley,
While Riley was away.

†—Looking Backward—†

20 Years Ago

†—From The Record Files—†

Thursday, April 1st, 1926

Saturday morning a barn belonging to John Kearns on the Finch-Roxborough boundary, three miles east of Berwick was destroyed by fire, with the loss of eight head of cattle, fowl, feed and implements.

It was reported that a covered rink was assured for Chesterville following a canvass for funds. O. L. King of the Nestle's Food Co. stated his principals had instructed to take 150 shares amounting to $1500.

The burial of Mrs. Frank Carruthers of Crysler, was made in Morewood cemetery Saturday, March 13th. She had passed away in Cornwall General hospital after a brief illness.

Mrs. Milton Carr and Miss Anna Perrault of Grantley, attended the funeral of the former's aunt, Mrs. Luther Barkley, at Newington on Wednesday.

Forty to fifty carloads of hay was being shipped monthly from St. Albert station.

Chesterville and district for two days this week experienced a particularly heavy fall of snow.

Messrs. Frank and Charlie Stevens sailed for their home in Hammergrove, England, last week. Previous to their departure the Men's S. S. Class of the United Church presented Frank with a leather club bag at the home of Mr. Hudson Johnston.

Beckstead

Moving pictures will be in Beckstead School house on Thursday evening.

Mr. Frank Whittaker, Mr. Emerson Barkley and Miss Marjorie Whittaker and Mrs. Frank Whittaker spent Friday in Cornwall.

Beckstead Red Cross has completed their work.

Visitors at Mr. Frank Whittaker's on Sunday were Mr. and Mrs. Herman Strader, Mr. Bert Whittaker and Mr. Gordy Whittaker and Mr. Emerson Barkley.

Mr. Arthur Heagle and family have moved to Chesterville.

Mr. Wm. Beckstead is busy this week putting on pictures in the different school houses.

Our sympathy is extended to the loved ones of Mrs. Minnie Durant.

Mrs. Stanley Shay and Wayne and Mr. Junior Beckstead spent Wednesday evening at Mr. Mahlon Beckstead's.

Mr. and Mrs. Burton Beckstead and family called on Mr. and Mrs. Frank Darling on Sunday afternoon.

Mrs. Burton Beckstead called on her sister, Mrs. Gerald Rice at the Nursing Home in Chesterville, who is the proud mother of a daughter.

We've just been given another argument against men walking about with their hands in their trousers pockets. Our informant says he's been an addict for many years, and he finds the ends of the coat sleeves wear before the rest of the suit.

A Digest of New Liquor Licensing Law

The new Act is designed to meet very widely varying conditions in Ontario. A solution which is satisfactory in one part of the Province is totally unsatisfactory in another. Accordingly, one of the basic principles involved is the enlargement of local option provisions which have been found to be satisfactory in the past. Where municipalities of under 50,000 population desire to make a change in the distribution and sale of liquor the matter must be passed upon by the electors of the municipalities and a three-fifths majority is required

The actual effect of the Act in such counties as Grenville and Dundas is restrictive in that the type of establishment in which beverage rooms can be operated is more limited.

In many cases in the province the present so-called hotels are in no sense hotels. These premises therefore will be re-classified into hotels or inns, taverns, restaurants and public houses. Greater license fees will be charged in accordance with the lesser services rendered to the public.

In the future in Grenville and Dundas licenses may only be granted to the highest clasification, namely, hotels and inns. Before any new licenses may be issued to the classifications: taverns, restaurants or public houses, the municipality must by a three-fifths vote approve the issuing of such licenses. The matter therefore is entirely in the people's hands.

There must be no misunderstanding about the classification "restaurant." This in no sense refers to cafes and restaurants presently operating in Grenville and Dundas. The statutory definition is a dining room only with strict limitations. It is quite safe to say that there is no such dining room in Grenville-Dundas which would meet the standards required and, again, if there were such a place no license could be issued until the municipality voiced its approval by a three-fifths vote of the electors.

As stated, conditions vary widely throughout Ontario. Therefore, a number of options are given to municipalities in connection with the sale of liquor. None of these, however, becomes operative in any municipality of less than 50,000 population, which of course includes all of the municipalities of Grenville and Dundas, without an affirmative vote of the people and a three-fifths vote.

Municipalities which have already passed local option by-laws will be fully respected and no licenses of any kind will be issued in the same.

The Brewery Warehouses throughout the Province which are now operated by a private conern will be taken over by the Government and operated by The Liquor Control Board.

Concerning summer resorts, it is not intended to issue beverage room licenses to summer hotels such as we have in Grenville-Dundas. Their only right is, as now, that a dining room license for beer and wine with meals only may be granted but not in local option areas.

The powers of the people to pass upon licenses in their own communities is very greatly extended. One of the difficulties in the past was that the question was, "Are you in favor of the sale of beer and wine?" Some electors favoured the sale of packaged beer from Brewery Warehouses but did not favour beverage rooms. The result was that a clear decision was not possible. Under the new provisions it will be possible to vote upon any class of sale, for instance;—beverage rooms for men only, beverage rooms for men and women, the retail sale of packaged beer by government authority, etc. This will entitle the people to have the absolute direction of the sale of liquor in their own municipalities. On the other hand, if the people desire to extend the sale they may do so in like manner but with a three-fifths majority vote.

The Liquor Authority Control Board is being continued with added powers. The work of this Board has convinced those of all views of the integrity of its opinions and the independence of its judgments. This authority will not be weakened but will be widened and strengthened. Therefore, in addition to the power of the people by their votes to control conditions the Board will also have authority.

The enforcement will be very much more rigid. More inspectors will be appointed. If the municipalities will do the policing themselves they will be given a greater share of the license fees. If, however, they are not prepared to do the policing properly then the Province will step in and do the same, in which case no share of the license fees will be paid to the municipality.

The Act itself has real teeth. All of the penalties of the previous Act are continued in force but, additionally, among other things, it will be unlawful to leave young children unattended while the parent is in a beverage room. Breweries and Distilleries and Wineries must give no inducement to further the sale of particular brands. A further drastic provision to prevent drunkenness is introduced in that there will be a liability for the proprietor of a beverage room who allows a person to become intoxicated. If such a person loses his life then the proprietor may be liable under the Fatal Accidents Act. If the person causes injury to himself or others, then there may be an action in damages. The particulars of this provision are clearly set out in the Act.

As stated, we have a very large Province in area with varying conditions throughout the same. In some municipalities that law enforcement is impossible. In others there is a demand for restriction. The matter therefore is left up to the people. The enforcement however in all cases will be on a high level.

Scared Away

In a certain Irish village there is a cottage with a door which must be raised a little to be opened, and for this purpose, a hatchet is used. One night a knock came at the door, and a youngster was sent to see who was there.

"Who is it?" inquired the boy.

"It's me," said the voice outside.

The youngster, recognizing the voice shouted back: "It's Mrs. Murphy; get the hatchet."

Mrs. Murphy didn't wait.

I HEARD A FOREST PRAYING

I heard a forest praying.
The trees were cold and bare.
What was the forest saying?
Let me repeat its prayer.
Trees make a playground for children.
Trees make a lover's lane.
Trees have been kind to the old folks.
Trees have not lived in vain.
Man turned the field and the forest
Into a battleground grim.
Man took a tree, an innocent tree,
And make a cross for Him.

BALANCE SHEET and OPERATING REPORT

—For—

Chesterville Hydro-Electric System

FOR THE YEAR ENDING DECEMBER 31, 1945.

Compiled from information contained in the books and records of the Utility by the Accounting Department of the Hydro-Electric Power Commission of Ontario.

RENEWAL OF UNEMPLOYMENT INSURANCE BOOKS

To All Employers:

All Unemployment Insurance Books for the year ending March 31st, 1946, must be exchanged for new books.

Kindly communicate *immediately* with your nearest National Employment Service Office if you have not already exchanged your employees' books.

There are severe penalties for failing to make Unemployment Insurance contributions for your insured employees and for failure to renew the Insurance Books as required.

To All Employees:

If you are an insured person protect your benefit rights by seeing that your Insurance Book has been exchanged.

Hyndman

Mrs. Gordon Francis and children spent Tuesday with Mrs. Harold Francis.

Mrs. Cecil Canning and Beverley returned to their home at Roebuck on Sunday after spending a few days with her parents, Mr. and Mrs. Robert Grant.

Mrs. Roy McCarley is spending a few days with her sister, Mrs. Will Bennett, Cardinal.

Mrs. Ed. McLaughlin and family, Cardinal, spent a couple of days last week with her parents, Mr. and Mrs. Robert Grant.

Mr. and Mrs. George Carson and family, Brockville, were Sunday afternoon visitors of Mr. and Mrs. Lorne Conley.

Mr. Ed. Francis spent Sunday in Ottawa with his wife who is a patient in the Civic hospital. We hope she will soon be better.

Mr. and Mrs. Robert Conley had tea on Sunday with Mr. and Mrs. Jas. Lattimore.

Mrs. Allan Grant, Cardinal, is spending a few days with Mrs. Roy Grant.

Nation Valley Red Cross Unit Disbands as Emergency Ends

On Saturday evening, March 23rd, the Nation Valley Red Cross unit held its final meeting. Mrs. Enos. Munro, president of the unit was in the chair.

The minutes of the annual meeting held February 11th, were read and approved. Mrs. Munro reviewed the work of the unit since its organization October 24th, 1939 and paid tribute to the members of the unit, who had worked so hard and so faithfully and who had accomplished such gratifying results.

Regret was generally expressed that the work was being discontinued when it is still so badly needed.

Arrangements were discussed for the Welcome Home reception to be held for six returned soldiers of the community.

Mrs. Kenneth Merkley, assistant secretary, read the following reports which were approved and adopted.

Financial report for the duration: Total receipts $3,145 37, Total expenditures, $738.42; paid to Chesterville Branch, $2,406.95. Total number of articles completed, 3,525, comprising 1713 sewn articles, and 1812 knitted articles, including 1059 pairs of socks.

On a motion by Mrs. Harold Baker and Mrs. Calvin S. Munro the unit was declared disbanded as of March 31st.

Winchester Tp Will Levy Half Mill for Veterans' Token

The regular meeting of Winchester Township council was held in the Presbyterian Hall, Morewood, on Monday, the first day of April, with the members all present and Mr. E. R. Summers, reeve, in the chair. The minutes of the last regular and special meetings were read, adopted and signed by the reeve.

Council was presented with a petition signed by Wallace Cinnamon and other property owners in the Cinnamon Award drain asking that same be incorporated in and made a part of the Cinnamon Municipal Drain. This petition was referred to the Engineer, Mr. W. H. Magwood for consideration and report.

The trustees of the Police Village of Morewood asked council to make application to Mr. T. W. Lee, District Engineer, for approval of the building of some 1,300 feet of sidewalks in the village during 1946 at an approximate cost of $1,600.00. The clerk was instructed to write Mr. Lee for his approval as soon as possible.

It was decided by council to levy one-half mill, on all the rateable property in the township to assist in the purchase of some token of appreciation to the boys and girls of Winchester Township who served overseas. The clerk was instructed to have the necessary By-law prepared for the approval of the Department of Municipal Affairs.

The Treasurer was authorized to pay the Crossing allowances on the McLean drain which was cleaned out during 1945.

The clerk was instructed to advertize for tenders for the crushing of gravel in the Christie pit, tenders to be opened sometime in April. The Council will make an inspection of the roads on April 23rd, to find out where the gravel is most needed.

The Road Superintendent was instructed by council, not to loan any of the Township snow fence, or posts but to have it all stored in a suitable place.

Council adjourned to meet in Chesterville on Monday, May 6th at 10.30 a.m.

This Trade

The minister of the Old Kirk asked a fisherman if he knew the First Commandment.

"Aye, but that's a teaser," said the fisherman.

"Well, do you know the Second Commandment?" asked the minister.

"You've got me again," replied the fisherman, "but you can tell me this —how many hooks are on my fishing line?"

The minister was unable to arswer.

"Well, minister," said the fisherman, "it's like this: every man tae his trade."

Enthusiastic Meeting Of Legion Applicants

Enthusiastic supporters of the proposed Post in Chesterville of the Canadian Legion BESL attended a meeting in the Community Hall, Monday night, and 42 applications were received by the secretary of the temporary organization. Many of the applicants took extra application blanks home with them to sign up their friends who could not get out to the meeting.

Lyle E. Alford, chairman, presided. The minutes of the last meeting were read, which included the resolution authorizing the gathering of signatures for the petition to the Legion Command for organization.

Several veterans voiced their opinion that success of the new Post was assured if the group got behind the organization with full support. There was no reason, they said, why a Post for the veterans of Chesterville and District could not be made into an organization the equal of any in Canada according to size.

Informal discussion on the proposed memorial included repair and remodelling of the skating rink, with the inclusion of club rooms and improved facilities for sports winter and summer. The proposals for a Legion Memorial Hall and a gymnasium at the High School were also discussed.

When a sufficient number of applications have been received, they will be forwarded to Dr. A. J. Gardiner, Cornwall, Zone Commander, who will then visit the local group and set up the organization until the approval of the charter by Dominion Command is granted.

Up to Wednesday night, applications totalled well over 60.

Sandtown

Mr. and Mrs. Claude Helmer of Mountain spent Wednesday with Mr. and Mrs. Andrew Helmer.

Mr. and Mrs. Arnold Pearson of Smiths Falls spent the week-end with Mr. and Mrs. Fred Neilson and Edith.

Mr. and Mrs. Andrew Helmer spent Friday with Mr. and Mrs. Lloyd Hawn and Betty at Finch.

Mr. and Mrs. Raymond Dunbar and son John Clare of Chesterville, spent Wednesday with Mr. and Mrs. Wilbert Helmer and family.

Mr. and Mrs. Thorald Whiting of Iroquois spent Sunday with Mrs. E. J. Markell.

Mr. and Mrs. Lloyd Hawn and Betty of Finch were Sunday tea guests of Mr. and Mrs. Andrew Helmer.

Mr. and Mrs. George Hehir spent Sunday with Mr. and Mrs. Frank Brownell and Betty, North Valley.

A number from here attended the auction sale of household effects of Mrs. Alice Hess at Chesterville on Saturday.

Miss Leda Hehir of Newington spent Sunday with Mr. and Mrs. Dannie Hehir.

Public Enemy No. 1

CANCER

● Cancer is exceeded only by heart disease as a cause of death. Because it frequently means long and cruel suffering, and is the disease we dread most, it most decidedly ranks as Public Enemy No. 1.

Yet cancer in its early stages usually causes no pain. That is why relatively few cancers get any treatment in their early stages when most of them can be cured by radium, x-ray or surgery.

Cancer of the lip may be mistaken for a cold sore that does not heal. The first sign of cancer of the throat may be hoarseness. Cancer of the stomach, in its early stages may be mistaken for indigestion.

To cut down the death rate from cancer in Ontario (5193 Ontario people died from this disease in 1943) funds are now being raised and a drive is being organized in this province to conquer cancer. Here are the objectives of this campaign:

1—*To organize and operate fully equipped cancer clinics at suitable centres where people may be examined, and, if necessary, treated according to the newest scientific methods.*

2—*To pay a portion of the cost of treatment of cancer for those needing financial help.*

3—*To pay travelling expenses to and from clinics if needed.*

4—*To conduct an energetic program of cancer research in Ontario.*

As a citizen of Ontario *you* are asked to contribute to this very worthy cause. Your donation may help put such measures into effect as will save the lives of some of your loved ones—even your own life. It may help to free the world forever from the dread scourge of cancer.

This appeal is for an objective of $2,000,000 to provide for a three-year program of cancer research, treatment and province-wide service.

GIVE TO CONQUER CANCER

ONTARIO CANCER FOUNDATION

This organized drive against cancer is a joint effort of The Ontario Cancer Treatment and Research Foundation and The Canadian Cancer Society.

Morewood

Mrs. Jas. Andrews returned home on Saturday after spending the past two weeks in Ottawa.

Mr. and Mrs. John Thompson of Ottawa visited Mr. and Mrs. Harry Popplewell on Thursday.

Mr. and Mrs. Howard Fetterly and Reggie spent Sunday afternoon with Mrs. Jas. Fetterly.

Mrs. Kingsbury of Lachute is visiting her sister, Mrs. Heustin and Rev. Heustin.

Mrs. O. Kerr and Miss Phyllis of Mountain spent Saturday with Mr. and Mrs. T. E. Coulthart.

Mrs. Hugh Fetterly and Heather Ann of Montreal, visited friends here on Saturday.

Mrs. Mac Hutchinson, Mrs. Ralph Steinburg and Mrs. D. Steinburg were in Winchester Tuesday.

Mr. and Mrs. Max Martin and son of Ottawa were in town Saturday.

Miss Margaret Carlyle of Ottawa spent the week-end with Mr. and Mrs. W. B. Carlyle.

A large number attended the April meeting of the W. A. held in the church hall on Wednesday.

The Easter message was given by Mrs. Stewart Mattice in the absence of Mrs. H. R. Faulkner. A solo by Mrs. Chas. Gardiner and Easter hymns brought the devotional period to a close. Mrs. A. Dillabough presided over the business part. A number of quilts were on exhibit.

Plans were made for a play which is expected the last of the month.

Refreshments were served by the following hostesses, Mrs. H. B. Allison, Mrs. Wm. Fetterly, Miss Ellice Smith, Mrs. J. B. Loughridge.

Mrs. Allan Moran President Catholic Women's League

Mrs. Allan Moran was elected president of the Catholic Women's League at the annual meeting held in St. Mary's Hall on Tuesday evening, replacing Mrs. John Devaney who has served for two years.

Rev. Father Keaney thanked the retiring president and her executive for the splendid work during the past two years and requested the continued co-operation of all during the coming year. Replying, Mrs. Devaney said she was very grateful to Father Keaney and to all officers for their assistance during her term of office.

The treasurer reported on the year's work, showing a good balance. Since the beginning of the war, 117 quilts have been handed in to the local Red Cross rooms by the League.

The slate of officers for 1946 follows: Hon. Chaplain, Rev. P. J. Keaney; Past President, Mrs. G. Devaney; President, Mrs. Allan Moran; 1st Vice-President, Mrs. Wm. McCloskey; 2nd Vice-President, Mrs. W. J. Carr; 3rd Vice-President, Mrs. Patrick Chambers; Secretary-Treasurer, Mrs. Thos. Moran.

TRINITY UNITED WOS'. ASS'N.

The regular meeting of the Women's Association of Trinity United church held yesterday afternoon in the Sunday School room was in the form of a money and towel shower on behalf of a bazaar which will be held this spring. The meeting was opened by singing followed by prayer by Mrs. Wright and scripture reading. There was a fair number in attendance who heard the minutes of the previous meeting which they approved. Reports were presented by different committees.

The programme consisted of reading by Mrs. Lyle Marcellus of three articles by the late Miss Ella Harrison, describing Chesterville in the early days; solo by Mrs. George Merkley with Mrs. Clayton at the piano and a piano solo by Mrs. Don Cross.

Twenty-one towels and $22.70 were received. The meeting was closed with the benediction by Rev. Mr. Wright. Refreshments were served by the committee in charge.

MEMBERSHIP INCREASE DESIRED BY LIBRARY

Ways and means of increasing the membership of the Chesterville Public Library and of raising money for the purchase of new books were discussed at the annual meeting of the board which met at the home of Mrs. Mary Hughes. It was noted more children are taking advantage of the Library's facilities. Total membership was reported as approximately 40.

Officers of the board elected were: Hon. President, Reeve Geo. H. Barkley; President, Mrs. Mary Hughes; Sec.-Treas., Miss Elizabeth McGee; Directors: Mrs. G. C. Lacey, Mrs. Anna Marcellus, Mrs. Thos. Barnes, Mrs. P. J. Gilroy, Mrs. Chas. Munro and Thos. Allen.

GROUP WILL REORGANIZE BOY SCOUTS IN CHESTERVILLE

Following a visit from Arthur Jackson, Field Secretary of the Boy Scouts Association, the Group Committee of the dormant 1st Chesterville Troop of Boy Scouts decided to re-organize, and at a further meeting held Sunday afternoon application for renewal of the charter was made and appointments made of J. A. Morris as Scoutmaster; Lyle Alford, Assistant Scoutmaster, and Kenneth Kirkby as Troop Leader.

The first meeting is being held this evening when the officers will plan their make-up of the re-organized troop which will be started off with a group of about six boys.

Members of the Group Committee include J. Howard Fulton, chairman; Herbert Brown, secretary; G. C. Lacey, H. S. McMurray and Walter J. Carr, with the Scoutmaster as treasurer.

High School Board Discusses Accommodation in Building

Among important matters discussed by the High School Board at its monthly meeting Tuesday evening, was the adequacy of the school building for the ensuing year. Permission was granted Gordon Wragg, B.S.A. of the teaching staff, to complete the requirements for an Intermediate Certificate in Industrial Arts and Crafts, beginning April 29 and ending August 30.

Members present included Eric Casselman, chairman; Haldane Durant, Eric MacMillan, Walter J. Carr and H. S. McMurray, and the Secretary-Treasurer, Geo. G. Merkley.

The H. S. Cadet Inspection date has been set by the D. C. O. for 1400 hours (2 p.m.) on May 20th.

This week the students have been continuing with examinations.

Recreational rifle shooting for badges was taken up this week by Bn. S. M. Williams. About fifteen boys are qualifying. The same number expect to attend Cadet Camp this year.

Finch Twp. Cattle Men Hold Successful Judging

Finch township breeders held a highly successful barn meeting under the auspices of Stormont Holstein Breeders' Club at the farm of Stanley Nugent, northeast of Berwick. About 50 farmers and breeders took part in the judging competition.

Two classes of Mr. Nugent's cows and heifers were placed by R. Grant Smith, Holstein fieldman for Eastern Ontario, with discussion taking place afterwards, under the supervision of A. M. Barr, Stormont agricultural representative.

In the judging competitions, three juniors were tied for first place. They were Delburn Carruthers, Crysler; Kenneth Nugent and Alex Gordon, both of Berwick; Seniors—H. E. Shaver, Finch; R. Norton, Crysler and E. Carr, of Berwick. Prizes were contributed by local merchants.

Ray Wilson of Kenmore, district director of the Holstein-Friesian Association of Canada, gave an instructive talk on pedigrees and the selection of a Holstein herd sire. He used three types of pedigrees to illustrate his talk—one a line pedigree, another a pedigree showing every animal having ROP records back of it, while the third type of pedigree showed an animal with no direct records in its ancestry. The latter was a type of pedigree with a lot of filler which does not show much about the actual value of the animal.

Clifford Eligh, local director of the Holstein-Friesian Association of Canada, moved a vote of thanks to Mr. Nugent and those who had contributed to the program. Discussions followed on control of mastitis and Bang's disease in dairy herds.

Cedar Grove

Recent visitors in the Grove were: Mr. and Mrs. Arnold McName of Montreal and Mr. and Mrs. Delbert Dillabough of Chesterville with Mr. and Mrs. Harvey Dillabough; Mr. and Mrs. Hilton Hollister and Judith, of Osnabruck Centre, Mr. and Mrs. Alviza Crites and Mr. and Mrs. George Crites and baby, Mr. and Mrs. Lindsay Eamer and Mona Murphy, Walter Crites, Yvette Beaugarde, all of Cornwall; Stanley Crites, Farrans Point, with Mr. and Mrs. Julius Beaupre; Mr. and Mrs. Fred Dafoe, Aultsville, with Mr. and Mrs. Elburn Crites.

Mr. and Mrs. Chesley Swerdfeger were guests of Mr. and Mrs. W. Scott, Winchester.

Charles F. Dafoe spent Friday with Mr. and Mrs. Clinton Rae, Moulinette and with Mr. and Mrs. James McIntyre, Mille Roches.

Mr. and Mrs. Earl Munro of Winchester Springs were calling on Mr. and Mrs. Enos Munro on Wednesday.

Several friends and relatives were entertained at the home of Mr. and Mrs. Calvin S. Munro on Tuesday evening in honour of Miss Eva Munro's birthday.

Mrs. Kenneth Merkley and Mrs. Edwin Forward attended the W.M.S. meeting at the home of Mrs. W. O. Dixon of Chesterville.

Mr. and Mrs. Garnet Droppo and Mr. Gerald Droppo of Ottawa spent the past week-end with Mr. and Mrs. Andrew Droppo.

Goldfield South

We welcome Mrs. Mort Kendrick and family to our midst. They recently returned from northern Ontario and have taken up residence with Mrs. Kendrick's parents, Mr. and Mrs. C. F. Winters.

Misses Helen and Dorothy Casselman spent the week-end with their father, Mr. John Casselman who has been ill with a severe cold.

Mr. and Mrs. Norman Berry of Ottawa were week-end guests of Mrs. Wm. Sutherland and Robert.

Mr. Arthur Merkley, Orchardside, has been installing a barn water system for D. A. Casselman this week.

COUNTIES COUNCIL
The April Session of the Council of the Municipal Corporation of the United Counties of Stormont, Dundas and Glengarry will meet in the Council Chambers, County Buildings, Cornwall, on Monday the 8th day of April, A.D., 1946, at 2 o'clock p.m. pursuant to adjournment from January Session.
A. K. MacMILLAN, County Clerk.
County Buildings,
Cornwall, Ont. 25-2

Appreciation

As noted in The Record last week the Red Cross room has closed and the last shipment of articles made to headquarters.

The many workers who have laboured tirelessly during the past years may be interested to know the amount of work that was accomplished from January 1st, 1943 to March 25th, 1946 or while I was convenor of the Women's War Work. The following was shipped to headquarters: Knitted articles 3301, Clothing made, 7186; Toilet and Sewing Bags, 80; Quilts and Afghans, 504.

I want to take this opportunity of thanking the ladies of Chesterville and district for the fine co-operation given me in all the Red Cross work and without their help it would have been impossible to have accomplished the amount of work done.

Mrs. O. L. King, Convenor of Women's War Work.

Morrisburg Farmer Dies In Barber Shop

Stricken by a heart attack in the barber shop of the St. Lawrence Hotel, at Morrisburg, Beverley H. Durant, 58, prominent farmer of the district, died Tuesday morning.

Mr. Durant was seated in the shop waiting his turn in the chair when he collapsed. Bystanders immediately summoned Dr. A. T. Shannette, but on his arrival he pronounced the victim dead. Coroner Charles Louden said that death was from natural causes and that there would be no inquest.

Mr. Durant, a native of the district, had operated a farm and tourist home two miles east of the town for the past two years. Prior to that he was employed as a salesman in Toronto for a number of years. He was married in Morrisburg to the former Josephine Smythe who survives with a son, Goldwyn, at home.

Late F. H. Moore Former Chesterville Resident

Frederick Harvey Moore, 72, a veteran Boston and Maine and Canadian Pacific railroader, who was employed for a great many years in Northeastern Vermont by those lines, passed away March 9th in Miami, Fla., shortly after suffering a heart attack.

He was born in Barnet October 8, 1874, son of Harvey C. and Elizabeth A. (Kimball) Moore and his early boyhood and schooling were in East Barnet where he worked part-time in the Roy Mill. It was here that he began his railroad career as he became a telegraph operator, a skill at which he became an expert. He served in that capacity in B. & M. stations at Passiumpsic, Barnet, Wells River, Norwich and Hanover, N.H., became a dispatcher at Lyndonville and was then promoted to the job of station agent at Pompanoosuc.

On July 23, 1902, Moore married Ida J. Glenn of McIndoes and moved to Fairlee where he assumed the station agent's position. During their 19 years in Fairlee, three children, Agnes Ida, Leslie F. and Donald G. were born. In 1921 he moved to St. Johnsbury as the agent at the local station and it was during his seven years here that he became affiliated with the Canadian Pacific Railroad. In 1928 he was transferred to Cowanville, P.Q., and in 1937 to Chesterville, Ont., serving as station agent in both of those places, and it was in Chesterville that he concluded his railroad duties and was pensioned off in 1940 at the age of 66 years after giving a total of approximately 50 years to the railroad service.

Not being content with is retirement status, Moore sought "defense work" during the war years and worked a 12 hour night shift at the Fellows Gear Shaper plant in Springfield and later was employed at the Gilman paper plant where he finally ended his working life at the age of 70.

In social life he was a member of the Odd Fellows and Masonic lodges and served as an officer of the Masonic Mt. Sinai Shrine of Montpelier and also Mt. Karnak Shrine of Montreal. He was deeply religious and was always the first member of the family ready to go to church on Sunday.

For hobbies and sports he was an inveterate golfer and fisherman and during his residence in Canada became expert in "bowling on the green" and was a member of the Bowling Club of Chesterville, Ont., besides being an active member of the Miami, Fla., Bowling Club up to the time of his death.

He was a faithful husband, a good provider, and his first thought was always for the comfort and welfare of his family.

Surviving are his wife, Ida J., now in Miami; a daughter, Agnes I. Byrd of the same city; two sons, Leslie F. and Donald G. of St. Johnsbury, six grandchildren, Marcia and Margaret, daughters of Mr. and Mrs. Marshall Byrd; Bonnie and William, daughter and son of Mr. and Mrs. Leslie F. Moore; Karen and Colin, daughter and son of Mr. and Mrs. Donald G. Moore, and a sister, Mrs. John Kendall of West Charleston, N.H.

Representatives of the Eastern Star, Sisters of Amarant and the Miami Lawn Bowling Club were present at the funeral March 12 and last rites were given by the Masonic lodge of Miami. The many beautiful flowers showed the esteem and respect in which the deceased was held and the sympathy extended the bereaved. Entombment will be at Mt. Pleasant cemetery in Miami later in the spring.

Among those attending the funeral from out-of-town were Leslie and Donald Moore and Dr. and Mrs. Willis B. Fitch of St. Johnsbury and Mrs. Merle K. Harvey of Greensboro, N.C.

CANADA'S ORIGINAL AROMATIC PIPE TOBACCO
OLD CHUM

COMPOSER HONORED

A gifted and capable pianist and a composer of imagination was how Minuetta Borek was described by New York critics following her Town Hall concert debut. Born in Calgary where she received all her early musical training, the young Canadian musician will be in Toronto to play her prize-winning "New York Suite" in the CBC "Canadian Composers Series" over the Trans-Canada network on Sunday, April 7, at 7.00 p.m. EST.

MARCH 1946 AM I MALIGNED?

'Tis said I'm a colt from old yellow,
Has something up his sleeve, that fellow,
A lion bold in coat of lamb,
Just here I'll take a hand.
This old world needs renovating,
Methought I'd start the cleaning.
Two fortnights now I've been benign,
Caused by my bright moon to shine
And nights she did not beam,
My northern lights gave out the sheen
In mystic hues.
Long days of sunshine, has my sun baled out
One night, I even washed you well, about,
In sooth, I hardly know my name,
I've been so busy changing same.
I must away, so dry your tears,
I'll come again in later years
In the annals of nineteen forty-six,
'Tis likely I'll be called a minx.

Mrs. John Kittle, Grantley.

BECKSTEAD RED CROSS UNIT IS DISCONTINUED

The Red Cross of Beckstead Settlement has finished its work and handed it in, also the money on hand.

The work for the year follows:

Sewing

3 girls' coats, 3 boys' coats, 11 women's nightgowns, 13 girls' dresses, 21 girls' panties, 12 baby dresses, 6 housewives, 24 large quilts, 1 crib quilt.

Mrs. Burton Beckstead, distributor.

Knitting

44 pairs socks, 11 pairs girls' stockings, 14 toques, 8 sweaters, 3 pr leggings, 12 pr. mittens, 2 pr. bootees, 2 soakers, baby's set, boy's suit, scarf.

Mrs. Maurice Beckstead, distributor.

Mrs. Fred Beckstead, Chairman; Mrs. Frank L. Whittaker, Secretary-Treasurer.

Williamsburg

Mrs. Harry Williams of Toronto and Miss Dora Baker of Maple Ridge were recent guests at the home of the latter's parents, Mr. and Mrs. Arthur Baker near Williamsburg.

Guests at a six o'clock family dinner on Monday, March 25th at the home of Mr. and Mrs. J. O'Shaughnessy were Mr. and Mrs. Weldon Beckstead and daughters of Elma, and Mrs. Lyda Empey. Mr. John O'Shaughnessy was guest of honour, celebrating his birthday. We all join in wishing Mr. O'Shaughnessy many happy returns.

Mr. and Mrs. Carmen Barkley and Mr. Alton Barkley, Mr. and Mrs. G. Weir, Mr. and Mrs. Frank McMillan, Ross and Gordon, all of Boucks Hill; Mr. and Mrs. Douglas Warner and Mr. Rombough, of Kenmore were recent guests with Mr. and Mrs. Claude Casselman.

Mr. and Mrs. Orrin J. Wert and Miss Rhea Dell Wert motored to Massena, N. Y. on Sunday where they were guests with the former's father, Mr. John Wert and family.

Mrs. Florence McIntosh of Winchester Springs spent a couple of weeks with her daughter, Mrs. Hilda Johnston and family at Boucks Hill.

Mr. and Mrs. Grant Johnston and Donald and Mr. and Mrs. Walter Sheets of Madrid, N. Y., were guests on Sunday in town with Mr. and Mrs. Henry Garlough and Graham.

Lt. Nursing Sister Greta Hamilton who has just recently returned from overseas to her parental home near Brinston, spent Thursday in town a guest with Mr. and Mrs. David Shaw and Mr. Walter Buchan.

Quite a number of relatives and friends from here attended the funeral of the late Miss Driscilla Merkley, who passed away suddenly at her home near Williamsburg, on Thursday morning. The funeral was held at her home on Saturday afternoon, where service was conducted by the pastor, Rev. George Innes, pastor of St. Peter's Lutheran Church. Interment was made in the family plot in Williamsburg cemetery. The sincere sympathy of the community is extended to the bereaved sisters.

We are sorry to learn that Mrs. Louie Hogoboam is confined to her home through illness. Her many friends hope she will make a speedy recovery.

We also regret to report that Mr. Ward Casselman was removed to the General hospital, Cornwall, in H. R. Wallace's ambulance where he is receiving treatment following his recent illness. His many friends will wish him a speedy and complete recovery.

The Carlyle family of Dunbar have taken up residence in Williamsburg, having moved here on Saturday. We welcome Mrs. Carlyle and her sisters to Williamsburg.

CANADA AND WORLD WHEAT SHORTAGE

To meet the urgency of the world-wheat situation, most countries with substantial surpluses for export have applied, or are applying, various programs and controls designed to increase the total supplies of wheat moving into export channels, states the Canadian Monthly Review of the Wheat Situation for February. Canada's commitments are now on such a level that domestic consumption, at least for live-stock feed, must be curtailed. In addition, if all commitments are met, wheat stocks at the end of the current crop year will be reduced to the bare minimum needed to take care of requirements until the new crop is harvested.

In anticipation of continued shortages beyond the end of the crop year the United States and Australia have announced increases in their production goals for the next crop year. To assist in an equitable distribution of the scarce supply of wheat, the United Kingdom has voluntarily reduced her import requirements so that more wheat may be directed to the areas now undergoing famine or near famine conditions. In addition, the United Kingdom's flour extraction rate is gradually being raised to 85 per cent.

Canada's remaining supplies of wheat, as at January 31, 1946, will be the major limiting factor in the amount which she can afford to send to the needy countries of the world during the last half of the present crop year. Since August, 1945, every transport, elevator and mill facility has been worked to the limit of capacity to clear wheat and wheat flour to overseas destinations at the monthly average rate of approximately 35 million bushels. At the present time, the United Kingdom has a No. 1 priority on all Canadian wheat exports and only after British requirements have been met will other orders be given consideration.

Better limp all the way to heaven than not get there at all.

Nominations Are Held For Rotary Club Directors

Open nominations for the new Board of Directors was carried out by the Rotary Club of Chesterville at the Monday evening meeting; the elections will be held in four weeks time, at the April 29th meeting.

Dr. W. H. Lloyd received a vote of appreciation from the members for his prompt action in securing hospital treatment for a local child suffering from a serious eye condition. Arrangements have been made for reservation of a hospital bed in Montreal and for the attention of Dr. J. A. MacMillan, Canada's foremost eye surgeon, and transportation has also been arranged. Assistance of the Winchester Township Council has also been granted in defraying hospital expenses.

The secretary, Gordon Wragg, was authorized to ask Rotary International for particulars on the National Boys' and Girls' week set for April 27 to May 4. If possible, the club, through its committees, will organize a programme to call the attention of the community to the youth.

School Traffic

Ray C. Dillabough, principal of the Public School, reported a system of traffic police has been set up following the discussion of traffic hazards at the school areas, and that control was well organized for leaving-school hours of all classes. Several members remarked conditions of Victoria street had improved considerably, and The Record was thanked for the editorial in the March 28th issue dealing with the problem.

Vice President Leon Marcellus was named the official representative of the club to the District convention to be held at the Seignory Club, Montebello, Que.

Laws are always unstable unless they are founded on the manners of a nation; and manners are the only durable and resisting power in a people.—De Tocqueville.

Ottawa Dailies With The Record for 12 months to new or renewal subscribers for $7.00

SERVANTS GALORE . . . BY WIRE

● The time to solve the servant problem once and for all is when you are building or "modernizing" your home. The greatest modern domestic servant is electricity. How well and to what extent electricity can serve you, now and in the future, depends on how well your "servant's entrance" is designed . . . how wisely your home is wired.

Inadequate wiring limits the use of electricity. It leads only to inefficient operation of lights and appliances. But adequate wiring . . . three wire service to the house, with proper size circuits in the home and plenty of outlets in every room . . . overcomes these difficulties, and gives you full use of these modern servants.

Electrical home appliances increased rapidly in number and variety before the war. They are now reappearing and will continue to multiply. Homes that were wired only for the needs of 20 years ago should now be rewired to suit the wonderful new "electrical servants" to come.

Hydro's low-cost dependable service enables you to use these modern servants to the full if you have provided for them. In planning your new home, put adequate wiring at the top of your list.

If you are improving or building a home, ask your Hydro for the booklet "Adequate Wiring for the Postwar Electric Homes of Canada."

THE HYDRO-ELECTRIC POWER COMMISSION OF ONTARIO

CHURCHILL THE INCOMPARABLE

By R. J. Deachman

Winston Churchill's recent address at Fulton, Missouri, was a masterpiece—one of the best in his whole career. It will be accepted by a good many as a logical solution to our problem but the alliance between the British Commonwealth and the United States will not become an accomplished fact, the United States is not ready—not yet!

We hear now the answering cry of the isolationists. They are not going to underwrite, so they say, Britain's Imperial Policy. What is Britain's Imperial Policy? Britain occupied certain territory generations ago. It is easier to get into a game like that than to get out. Britain would like now to be clear of India, though there is danger in this—internal strife might well put that country back a hundred years.

What common purpose is there between the two branches of the Anglo Saxon race? The answer is in three words—both want peace. Neither wants to force its economic views, nor its political opinions upon the other or upon the rest of the world. No question of religion or caste lies between the two. Churchill pointed out that there is an alliance now between Canada and the United States. There is, both work together for a common purpose. We were going to send a warship to the Arctic in order to test equipment in northern waters. The United States thought of the same idea. An arrangement was made by which an observer from Canada went on the American vessel.

We wanted tests made of equipment which could be used in the Arctic. "Expedition Muskox" was organized, an American observer goes along. We have nothing to hide from each other—where could one find a better definition of friendship? By joint action we achieve what we are after, with a reduction in costs. Isn't that sensible? It is at least realistic. If we can effect a saving by united action why not do it. Fix clearly in your mind this one fact, democracies do not go to war against each other. It hasn't happened in a 100 years. It follows then if all countries were democratic there would be no war.

The United States and the British Commonwealth are marching along together. Their policies are in the open, both are old enough and wise enough to keep their promise whether made to each other or to any other nation or group of nations. They might as well act together in open agreement with one primary objective: "Peace on earth, good will to men."

An open alliance will not come—not now. Yet we may hope that common ideals, common views, even without a written agreement, will lead to common action. We move forward to the attainment of our ideals hoping that, in time, other nations may draw closer to us in spirit and purpose for the building of a better world.

Individualism and Collectiveism.

"It is not possible to draw a hard-and-fast line between individualism and collectiveism. You cannot draw it either in theory or in practice. That is where the Socialist makes a mistake. Let us not imitate that mistake. . . . .

"Collectively we light our streets and supply ourselves with water; collectively we indulge increasingly in all the necessities of communication. But we do not make love collectively, and the ladies do not marry us collectively, and we do not eat collectively, and we do not die collectively, and it is not collectively that we face the sorrows and the hopes, the winnings and the losings of this world of accident and storm."—This quotation is from an article entitled "The Words of Winston", a copy will be sent on request. R.J.D.

CREATORS CONFER

John Coulter, librettist, and Healey Willan, composer, confer over the score of their opera, "Deirdre of the Sorrows", which is to be given its world premiere over the CBC Trans-Canada network on Saturday, April 20, at 2.00 p.m. EST.

Payne Valley

Mrs. Myrtle Garlough, Gerald and Clara of Williamsburg, spent Sunday with Mr. and Mrs. Geo. Eligh.

Mr. and Mrs. Hughie Cameron, Mr. and Mrs. Geo. Eligh, Mr. Dan Campbell spent Thursday in Cornwall.

Likes Him

It was the first day of a new term and the teacher asked a small girl—a new pupil—what her father's name was.

"Daddy," replied the child.

"Yes, I know," said the teacher. "but what does your mother call him?"

RETAIL CEILING PRICES FOR SEED POTATOES

With the potato planting season approaching, the Prices Board issues a reminder to buyers that ceiling price regulations apply to all varieties of seed potatoes including Certified Seed, Foundation "A" and Foundation. The ceilings are the same as those in effect last year except that the retailer's mark-up is slightly less.

A. C. Collins, Ottawa regional foods officer for the Board announces the following retail ceiling prices for seed potatoes in 75-pound bags being sold in the Ottawa-Brockville area.

Certified Seed $3.02
Foundation "A" $3.40
Foundation $3.77

These prices will be in effect from March 1st to August 31st inclusive.

Mr. Collins also points out that potatoes certified as seed, in accordance with government regulations, must be delivered to the buyer in a container bearing the original certification tag issued in accordance with the regulations contained in the Fruit, Vegetable and Honey Act.

Among the towns in the Ottawa-Brockville area effected by these prices are: Ottawa, Brockville, Buckingham, Chesterville, Prescott, Crysler, Smiths Falls, Plantagenet, Avonmore, Green Valley, Leonard, St. Eugene, Alfred, Papineauville, Kars, Cardinal, Morrisburg, Iroquois, Alexandria, Hawkesbury.

Retail ceiling prices in centres not listed here will vary slightly according to transportation costs.

(Too late for last Issue)

Rev. Robertson Millar of Finch is spending a few days in Toronto this week.

A number of the residents here have been confined to their homes suffering from la grippe.

Miss Nellie Ouderkirk of Berwick, visited her sister Mrs. Walter Burd.

Mrs. I. Ouderkirk of Berwick visited with her daughter, Mrs. Dewey McRae.

Friends here of Rev. and Mrs. Duncan MacRae received word that they were planning to return to China where Rev. MacRae was a missionary for a number of years and owing to the war have been in Canada for a few years. A number of times they visited Rev. MacRae's former home here.

Mr. Duart McLean vistied friends at Ramsayville and in Ottawa recently.

Mr. and Mrs. Adams of Montreal visited with their son and daughter-in-law Mr. and Mrs. Robert Adams and daughter here on Sunday.

Mr. Len Foley who spent some time in Calgary is visiting with his mother, Mrs. Catherine Foley and family here.

Miss Elaine Foley is visiting with her grandparents, Mr. and Mrs. J. Murphy and family at Connaught.

Mr. and Mrs. Charles Burd and Reginald visited with the former's parents in Winchester.

Mrs. J. Fulton, RN, of Chesterville is spending a few days with her father, Mr. Hugh McMillan, who is ill.

Mr. Crawford Barkley of Kirkland Lake, visited his uncle, Mr. Archie Gillies and aunt Miss Mary Gillies on Sunday.

Miss Gwynneth McLeod of Montreal visited her father, Mr. D. C. McLeod and family here on Sunday.

Mr. and Mrs. Walter Burd, Keith Burd and Clare McRae spent Saturday in Cornwall.

Mrs. Cederic McLeod and son Winston and Merrill visited her parents, Mr. and Mrs. G. Alguire at Osnabruck at the week-end.

Bruce McLeod visited friends in Mille Roches at the week-end.

Dr. J. Pollock and son Rupert of Avonmore called on the former's sister, Mrs. Blake Nephew and family.

Miss Amanda Gillies spent Saturday in Avonmore.

Mr. S. W. Farrell of Ottawa visited with Mr. and Mrs. Lloyd Moore and family.

Mr. Anson Mattice of Finch was sawing wood at the home of Mr. Bernard Foley on Monday.

Quite True

"Please can you tell me why the tide is not up this morning." asked the little girl at the seaside?"

"Yes, missie," replied the old fisherman. "It's because it was out last night."

ELIMINATE the feed hazard in chick raising

It isn't enough to know the analysis of a feed—you must know how that analysis is made up. You must know how many pounds of the expensive ingredients like powdered milk, meat meal and cereal grass are in the feed.

And you get this information, right down to the pound, of every ingredient in CAFETERIA Chick Starter.

We can't invite you to compare the ingredients of CAFETERIA Chick Starter with other chick starters for no other feed gives you full formula information.

We invite you to visit your nearest MONARCH and CAFETERIA feed dealer to check over the complete list of ingredients in CAFETERIA CHICK STARTER.

CAFETERIA POULTRY FEEDS
MONARCH LIVESTOCK FEEDS

The only "open formula" feeds on the market.

Golden Wedding

Mr. and Mrs. R. C. Bogart celebrated their Golden Anniversary on Monday, 18th of March at their home and Mr. and Mrs. Fay M. Droppo and Garnet, Mr. and Mrs. L. B. Shaver, I. G. Bogart, Chesterville, and sister, Mrs. Lillie Dafoe and Frank of Aultsville were present. They received many beautiful gifts.

(Too late for last Issue)

Recent visitors and callers: Mrs. D. W. Pollock with Mrs. R. C. Bogart and Miss Isobel McMillan; Mr. and Mrs. J. W. Bogart at the home of R. C. Bogart; Mr. and Mrs. Grant Ouderkirk at the former's home, Mr. and Mrs. Watson Ouderkirk; Mr. and Mrs. R. C. Bogart at the home of Mr. and Mrs. Fay M. Droppo and Mr. and Mrs. L. B. Shaver, and I. G. Bogart, Chesterville.

Mr. and Mrs. Watson Ouderkirk spent Tuesday in Cornwall.

Mrs. Aden Casselman, Mrs. Catherine Foster and Mrs. R. C. Bogart attended the regular meeting of the WMS at the home of Mrs. Wm. Elliott, March 20th.

The Limit

"I've asked Mr. and Mrs. Robinson to dinner at 6.30 o'clock, Norah, but I think I'll give them a quarter of an hour's grace."

"Well, ma'am," replied the maid "I'm religious myself, but I think you're overdoing it."

THE MIXING BOWL

By ANNE ALLAN
Hydro Home Economist

Hello Homemakers! Let's give our family that refreshment and relaxation so deserved when the day's routine is over, by serving pleasant, interesting supper dishes. All of us know that fish, eggs, whole-grain cereals, and cheese are basic ingredients of the main lenten supper dish, but too few of us take time to figure out how we can prepare them reasonably and attractively.

It's fun to plan a dish with just a small note of surprise in either shape, texture or garnish. A homemaker who prepares good food can erase many trials and tribulations, without actually raising the budget a few cents.

OATMEAL VEGETABLE SOUP

2 lb. soup bone (½ bone, ½ meat), 2 tbsps. fat, 2 quarts water, 4 tsps. salt, ¼ tsp. pepper, 2 cups cooked tomatoes, 1 cup diced carrots, ¼ cup chopped onion, ½ cup chopped celery, ¾ cup oatmeal.

Remove part of meat from cracked soup bone, cut meat into cubes and brown lightly in hot fat. Place meat, soup bone, water, salt and pepper in soup kettle; cover and simmer 2 hours . Cool, strain, and chill sufficiently so that excess fat may be skimmed off. Return stock to kettle and add vegetables. Bring to a boil, then slowly add rolled oats or oatmeal. Cover and simmer 30 mins. until vegetables are tender. Soup meat used in making the stock may be cut in small pieces and added. Serve with finely chopped parsley sprinkled on top, if desired. Yield: 8 large servings.

BERMUDA PIE

4 cups sliced mild onions, 1½ cups milk, 6 strips side rindless bacon, 3 eggs, salt, cayenne, unbaked cheese pastry shell.

Parboil the onions in small amount of water. Drain off the liquid. Beat eggs and add to onions. Add the milk, salt and cayenne to taste. Pour into unbaked cheese pastry shell. Sprinkle topped bacon over the top. Bake in electric oven at 425 degrees for 15 mins. then lower to 350 degs. for 20 mins.

Serve hot with garnish of paprika or chopped parsley.

Accompany with crisp salad.

GEORGETTE SCRAMBLED EGGS

4 medium potatoes, 4 eggs, 4 tbsps. cream, salt and pepper, 5 or 6 sardines, parsley.

Bake potatoes; slice off the top and take out the inside which may be kept hot in a double boiler to serve at side. Scramble eggs with cream and season. Add chopped sardines and parsley. Fill the potato shell with egg and sardine mixture and serve immediately.

BAKED CHOWDER

1½ lbs. codfish, 4 cups cubed potato, 4 cups cubed carrot, 2 cups sliced onion, 1 bay leaf, ⅛ tsp. thyme, 1½ tsps. salt, few grains pepper, 2 cups water, 4 cups scalded milk, 1½ cups crushed unsalted crackers, ½ cup light cream.

Cut codfish in 1" cubes. Place in kettle; add potato, carrot, onion, bay leaf, thyme, salt, pepper and water. Cover; cook 20 mins., or until vegetables are tender. Add milk. Arrange fish mixture and crackers in alternate layers in 8 individual casseroles. Bake in electric oven, 400 degs., 15 mins. Top each serving with 1 tbsp. cream. Brown under electric broiling element.

FISH LOAF

2 cups cooked flaked fish, 1 cup bread crumbs, ½ tsp. salt, ¼ tsp. paprika, ½ tsp. grated onion, 1 tsp. lemon juice, 2 eggs, ½ cup milk, 1 tbsp. chopped parsley.

Mix all together (more milk, if fish is dry). Turn into greased mould and cover. Cook in electric oven, or steam until firm in centre—about 30 minutes.

CHILI SAUCE DUMPLINGS

Suggested for Fish Loaf. This topping would also be grand, cooked over a lamb or veal stew.

2 cups once-sifted pastry flour, or 1¾ cups once-sifted bread flour, 4 tsps. baking powder, ½ tsp. salt, 4 tbsps. shortening, milk or diluted evaporated milk (about 2|3 cup), Chili sauce.

Measure flour and sift with baking powder and salt. Cut in shortening finely, using two knives or a pastry blender. Gradually add enough milk (or diluted evaporated milk) to make a dough which, though soft, is not sticky. Turn onto slightly-floured canvas or baking board and knead with finger-tips for 10 secs. Roll to about 1|6 inch thickness and cut in squares of about 4 inches. Centre each square with a spoonful of drained chili sauce and fold the dough, envelope-style, to enclose the chili sauce—dampen edges to seal well. Place over the top of the heated fish mixture for baking.

Will Celebrate Sixty-Eighth Wedding Anniversary

Those of Chesterville and surrounding district who remember Mr. and Mrs. Robert Beattie will be pleased to know that they are likely to be spared to enjoy another wedding anniversary on April 16th. Notwithstanding their ages of 90 and 88 respectively, they are both healthy and active.

Married in Chesterville in 1878, they lived here until 1912, where Mr. Beattie operated the first Bell Telephone exchange in Chesterville and also conducted a grocery and confectionary business, while Mrs. Beattie had an up-to-date millinery shop.

From 1912 to 1927 they resided in Winchester, moving from there to Toronto and later to East Farnham, Quebec, where they now live near their son James and his wife.

Other members of their family are Mrs. Fisher of Toronto and Mrs. Seymour of Montreal.

Their friends here will join in congratulations and also in the wish that they may be spared to enjoy future anniversaries. Mr. George Beattie is a nephew.

RETURNS FROM HOSPITAL

Miss Shirley Froats, daughter of Mr. and Mrs. Elgin Froats returned home yesterday from the Hotel Dieu hospital, Cornwall, where she underwent an appendix operation recently.

APRIL SHOWERS TO BRING MAY FLOWERS?

The night was dark and stormy,
And the air was full of sleet, . . .

Remember that old song? Seems as good a way as any to start describing this week's quota from the weatherman. After March's balmy breezes, April Fool Day certainly made a complete about-face in weather experiences. With rain, snow, sleet and a thunderstorm all thrown in for a good mixer there's no wonder the hangover has lasted all week.

Today's probs promise rain, and warm showers are badly needed to bring out the last frost and clear away a lot of the debris that collects during the winter.

CARD OF THANKS.

I wish to sincerely thank all my friends and neighbours for their kindness while I was sick, for cards, letters and fruit. Mrs. Harry Edgerton.

Mrs. Irwin Cross spent last week visiting relatives in Kingston and Bowmanville.

S. Sgt. and Mrs. Harry Hutley of Brockville visited Sunday at the home of Mr. Oscar Foster.

Mr. Jas. McNaule of Ottawa is in town for a few days concerned with business of his property on Queen Street.

Mr. and Mrs. Harvey Barkley and son Donald of Irena, were guests of Mr. and Mrs. Harold Nottell on Sunday.

Mrs. Samworth and Mrs. McIsaac of Ottawa and Mrs. Collins of British Columbia visited with Mrs. I. Garrow on Monday.

Mr. and Mrs. Albert E. Smith and children, Mr. and Mrs. John Sutherland and children and Miss Joan Hutley were guests of Sgt. and Mrs. Fred Moore in Cornwall on Sunday.

Mrs. Annie Bowman, Mr. and Mrs. Ben Bowman and daughter, Elsie and Mr. and Mrs. Grant Bowman, all of Morrisburg, spent Sunday with Mr. and Mrs. Albert Bowman.

Mr. and Mrs. Elburn Carr, Dorothy and Eileen and Mr. and Mrs. Kenneth Nugent, Berwick; Mr. and Mrs. Walter Bogart and family, Iroquois, were recent guests of Mr. and Mrs. J. A. Bogart.

Mr. and Mrs. Ronald Barkley and little son Richard of Williamsburg; Miss Mildred Newbury of Elma; Mr. and Mrs. John Stevens and Mrs. E. Rowe of Ottawa, spent Sunday with Mr. and Mrs. Percy Wagner and family.

RETURNS FROM HOSPITAL

John Fleming returned to his home here at the week-end after spending several days in the General Hospital, Brockville, where he had gone for treatment of a heart condition. Mr. Fleming's condition is still reported as serious and he will be confined to his home for some time.

APPENDECTOMY

Miss Eileen LeClair, daughter of Mr. and Mrs. Peter LeClair, is a patient in the General Hospital, Brockville, where she was taken yesterday to undergo an operation for appendicitis.

INJURED IN FALL

Mrs. G. E. Earle who spent the winter at the home of her daughter, Mrs. French, of Blanche, Quebec, met with an accident there on Thursday, March 21st, by falling on the ice. Fortunately no bones were broken but her head and spine were injured. Her other daughters, Mrs. H. Droppo and Mrs. H. Barkley, went back and spent the week-end with her and then took her to Mrs. Barkley's home near Iroquois, where she is now convalescing and expects soon to be restored to her usual health.

CHESTERVILLE WOMAN GETS TORONTO POST

Miss Irene Allen, of Toronto, formerly of Chesterville, has recently been appointed director for the Catholic Children's Aid Society for the City of Toronto. Prior to her appointment she had served for some time as acting director.

Miss Allen is the only daughter of Mr. and Mrs. Thomas Allen of Chesterville. She received her early education here, graduating from the Chesterville High School as a scholarship student, then entered the University of Toronto where she received the Bachelor of Arts degree. She is also a graduate of the School of Social Science of the University of Toronto.

ENGAGEMENT

Mr. and Mrs. Harold Elliott wish to announce the engagement of their only daughter, Anita Eloise, to Frederick Ronald Weagant, son of Mrs. Weagant and the late Robert S. Weagant of Colquhoun. The marriage to take place the latter part of April.

LEAVE FOR MERCHANT NAVY

Francis Moran, son of Mr. and Mrs. Allan Moran, and Grenville Fyke, son of Mr. and Mrs. Stanley Fyke, left for Montreal last night to commence service in the Merchant Navy. During the war, Francis Moran served in the RCNVR aboard the cruiser Uganda, and Grenville Fyke was a member of the Merchant Navy.

SPIDERS HELP THE INSTRUMENT MAKER

One of the few firms in Britain where spiders are welcome guests is that of F. Barker and Son, "Sun-Dial" House, Clerkenwell Road, London. Complying with the necessity for assisting the peoples of many lands to grow more food, this firm is responding to orders for extremely fine instruments needed for immediate land surveying. In order to provide the necessary materials for some of these instruments, spiders' webs have to be spun to measure. Spiders are taken to the firm by a member of the staff and placed in special, long, narrow boxes. These are handled in such a way that the spiders are cajoled to provide webs of the correct strength. Horses' hair is also used in another land-surveying instrument that is in great demand. During World War II, this firm has been employed in providing fine military instruments and the workshops at the back of the premises are as busy as they were during the war years.

CARD OF THANKS.

I wish to express my appreciation to my many friends who sent cards, letters and flowers and to Dr. and Mrs. Lloyd for their kindness while I was in hospital.

Mary Popplewell.
