WATER BY-LAWS TO TORONTO

Doris McRoberts Named Top 4-H Clubber

Doris McRoberts, 19-year-old daughter of Mr. and Mrs. Wm. McRoberts, of Winchester, learned this week that she had won the Ottawa Citizen Trophy after being judged the leading 4-H Calf Club member in Dundas County.

Doris, who has been active in 4-H and particularly Calf Club work (Ayrshires) for the past 7 years, has always been among the top members in Dundas com-

Council Gives First And Second Readings To Important Water By-laws

Fate of a water system for Winchester to-day rests with the Ontario Water Resources Commission and the Ontario Municipal Board following the passing of two important by-laws by Municipal Council last Thursday night. Motion to pass the by-laws was unanimous and culminated much speculation about

entering into an Agreement with the Commission for the provision of water supply facilities by the Commission for the Municipality and has authorized the Municipality to expend certain monies in connection with preliminary work thereon.

AND WHEREAS this Agreement is to provide for the performing of certain preliminary work and the payment of the

of the Ontario Municipal Board the Municipality shall execute a project Agreement with the Commission according to the form attached hereto as Schedule "A".

Schedule "A" refers to the schedule which Municipal Council chose to follow. In addition to giving a breakdown of costs and estimates and how the Com-
