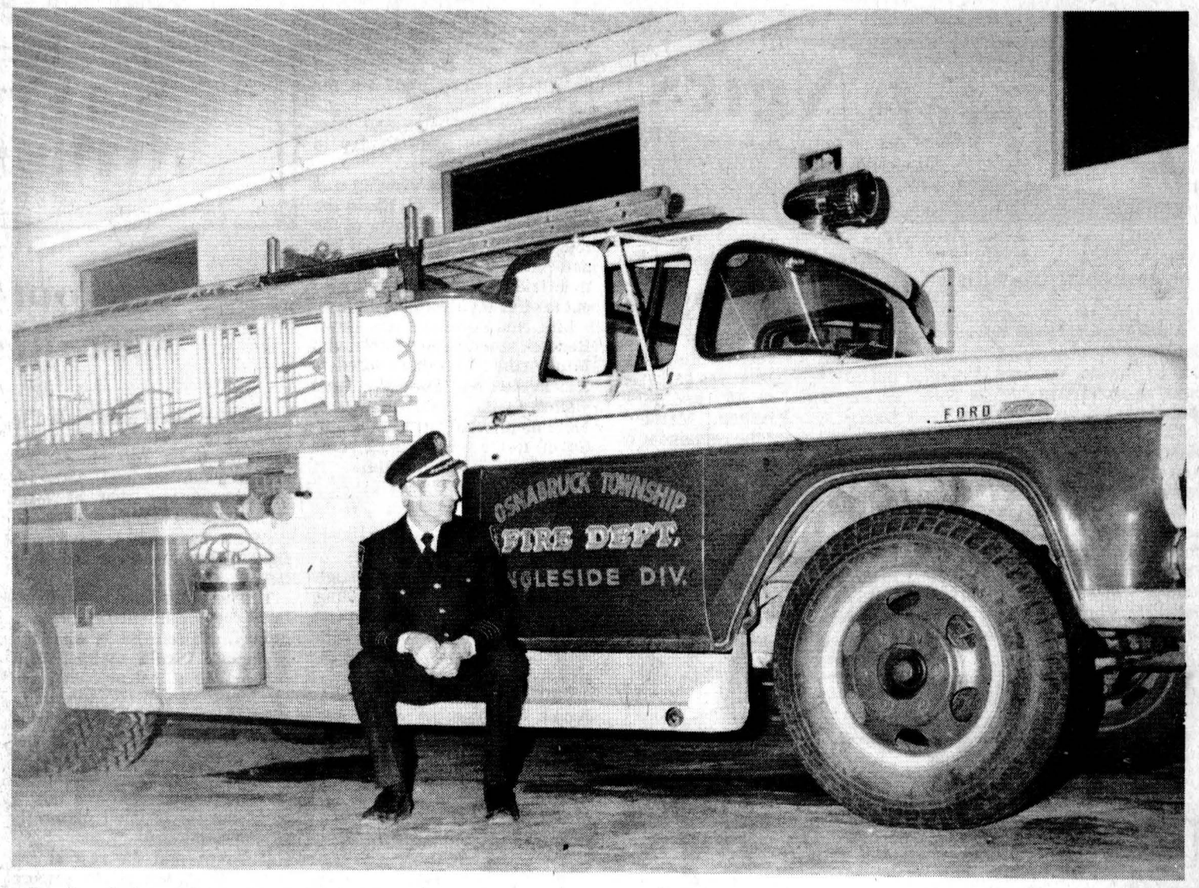
Osnabruck Township purchased a new fire truck recently and retired 'old faithful' after 18 years of service. Above some of the firemen are pictured with the new unit, from the left are Harold Hollister, Deputy Chief; Ernie Gillard, Chief; Bob Bedingfield, Lt.; Claude Leduc; Lloyd Garlough. In the cab, Wally McKinnon. On the running board, Brian Paquette, Michael Woods, Leonard O'Neil. — Staff Photo.



Osnabruck Township Fire Dept. (Ingleside Division) have a shiny new piece of equipment housed in the fire hall now. The new unit will be backed up by the old model which served the community for the past 18 years. Ernie Gillard, Chief, pauses a few moments and remembers some of times the firemen in his division were proud of 'old faithful'. — Staff Photo.

New $45,000 pumper housed at Ingleside

Patience, they say, has its own reward. Such may be the case with the Ingleside area Fire Department. After a long wait and repeated rumours and promises that a new truck would be forthcoming . . . it has finally arrived. Made by the King-Seagrave Co., Ltd., Woodstock, Ontario, the new, red pumper truck arrived in Ingleside last week.

Basically it is built around a 600-gallon tank and pumps which are capable of delivering 625 gallons per minute of either water or a mixture of chemicals onto a fire. It is also equipped with 1200' of 2½" and 600' of 1½" hose.

Chief Ernie Gillard stated that some of the equipment from the old unit would be transferred to the new one, until such time as the new equipment would be available.

It was Mr. Gillard's opinion that the council of the Township of Osnabruck had co-operated well with the Department in the acquisition of the new vehicle. And he felt they probably would be co-operative in getting the balance of the equipment.

The new unit, at a cost of $45,000.00, takes a substantial bite out of the estimated $55,000 to be generated from the 1975 fire protection levy of 10 mills.

When asked what he thought of the new piece of equipment, Fireman Claude Leduc stated emphatically, "I'll feel a lot safer riding to a fire now than I did with the old unit." That in itself should make the expenditure worthwhile. Another reason given for the transfer of some of the equipment from the old unit is to reduce the size of the load on the old truck, which will be kept in service as a second piece of equipment for the Department.

To give some idea of the changing times and the need for new up-to-date equipment and a larger fire department. It must be considered that in 1954 when this particular volunteer fire Department was formed, there were approximately seven or eight hundred people and homes scattered around the four small communities of Wales, Dickenson's Landing, Aultsville and Farran's Point. Now, in 1976, there are over a thousand in the new community of Ingleside and approximately two thousand below Highway 401. And probably approximately 2500 people and 600-odd homes and farms to be protected by the Ingleside Fire Department. In addition the Department has grown from nine men to twenty-one, including a Chief, a Deputy Chief, two Captains and two Lieutenants, plus the firemen.

The old unit, which the new one replaced, was purchased in 1958. It was made by the American-Marsh Co., and was equipped with a front-end driven pump of 500 gallons per minute capacity. The Ingleside Firehall was built in 1972 — 1973. And was built to replace the Butler Building that it now overlooks.

It is a well laid out building, consisting of a main hall for the fire-fighting equipment, a lecture or meeting room for the firemen, a kitchen, a chief's office and also the necessary washroom facilities, etc.

The hall was closely modelled after the one at Alexandria, with some changes made, that were deemed necessary for a rapidly growing area.

As another welcome addition to the Department, a Ladies Auxiliary was formed in 1975. It consists mainly of volunteer firemen's wives whose main function, aside from looking after their husbands, is to provide such creature comforts as hot coffee and refreshments should there be a major fire and the men are unable to leave for a long period of time. From the zeal they are presently showing, it would seem that the fire department has everything to gain by the addition of the Auxiliary.

Chief Gillard wished it to be brought to the attention of the public that there has been a decrease in the number of fires since a more comprehensive and stronger emphasis has been placed on fire prevention, instead of fire protection.

In his words, the Department would sooner spend their time preventing ten fires in the community, than fighting one . . . as lives can't be replaced and in some cases neither can family valuables.

He pointed out that at present-day home prices, the cost of the new fire truck would be justified if a home worth $45,000 was saved.

It would seem that with a new firehall, a new fire truck and updated training methods, the Department should function with much greater efficiency, thereby giving the taxpayer greater value for his tax dollar.

Secretary of State announces . . .

$5,848 million for '76 Youth Programs

Secreatary of State J. Hugh Faulkner has announced the renewal of two summer programs for youth, the Student Community Service Program and the Hostels program.

Some 8,000 people are expected to be involved in this year's Student Community Service Program, which will have a budget of $5,848 million. Summer employment will be provided for 3,000 students while another 5,000 volunteers will also be involved. The program is designed to employ students and mobilize volunteers to work toward the strengthening of voluntary organizations thereby improving their capacity to respond to community needs. The program also helps promote a better understanding between voluntary organizations and the general public by channeling the energy and imagination of youth into the voluntary sector.

The program will operate this year from May 3 to September 17. Salaries for students will be $120 a week. Interested voluntary organizations can obtain application forms which will be available at regional offices of the department. Deadline for receipt of applications is March 1, 1976.

The Hostels Program, with a budget of $969,000, will make grants available to hostel associations to operate approximately 85 hostel projects across Canada. Hostels provide safe, clean and inexpensive accomodation over the summer for young people who wish to experience first hand the geographic and cultural diversity of Canada.

It is expected that accommodation will be available from provincial hostel associations.

150-year-old Operation . . .

Closes doors

With the dispersal of the GraRob Holstein herd of Graham and Robert Smith on Feb. 6, 1976, the doors closed on a dairy farming operation that has continued for nearly one and a half centuries.

About 1830, the Smith family emigrated from Yorkshire England to Canada and settled in the Lachute area. After becoming established there, two of the sons decided to move on. Probably following the Nation River they turned north where the Kittle creek empties into the Nation west of Chesterville and took up the land which was to become lot 16, con. 5, Winchester Township.

Ward Smith, who had operated a stage-coach line in England, located west of the creek on what is now the Keyes Smith farm and Samuel east of the creek on what is now the Graham Smith farm. The creek was then a sizeable stream, a valuable water supply with good fishing and plenty of game and wildlife in the surrounding area.

There were a few settlers in the area at this time. George Hummel had come in 1817 and taken the land where Chesterville now stands. Thomas Armstrong had come in 1831 and by 1832 had a gristmill and sawmill operating and the town was named Armstrong Mills in his honour.

The land where the Smith Bros. located was heavily wooded. Pine and hemlock stood along the creek and the balance elm, oak, maple and ash. They proceeded to build log houses, barns, clear the land and build fences. They needed horsepower so they went to New York State and purchased a team of oxen which they swam across the St. Lawrence behind a row boat. The oxen were said to be superior to horses for bush work in the deep snow.

In summer the stumps were taken out and the land ploughed and tilled. The sowing and harvesting were done by hand. Buck and Barney lived to a ripe old age and were buried on the farm they had helped to clear.

The community rapidly proceeded to become self sufficient. Wool was spun into yarn, flax was carded and woven for the tailors and dressmakers and hides were tanned for the shoemakers and harness makers. Carriage makers, wheelwrights and blacksmiths supplied the high-wheeled lumber wagons, carriages, buggies, cutters and sleighs.

There were many things that still had to be purchased at the Front. My grandmother told of walking to Mariatown a distance of over 40 miles and carrying home 50 to 75 pounds on her back. The purchases were green tea, sugar, salt, spices, powder and shot for the muzzle-loading firearms, matches, etc.

The only salable product was hardwood ashes which were barreled, taken to the Front by ox cart and boated down the St. Lawrence to Montreal for making potash. Beef cattle were driven on foot to Montreal. The season for land travel was short. Spring and Fall rains made the bush roads seas of mud and deep snow made them impassable in winter.

She also told of walking to North Williamsburg to attend church, also of preachers travelling on horse-back and holding services in one of the homes with the neighbours all attending. A doctor would come from the Front on horse-back for a fee of $5.00 and it took 1 to 2 days to get him if he happened to be home. Many places his only pay was a bit of produce — meat, butter or eggs. Likewise the minister was poorly paid getting little money but wood and farm produce.

After 1838, settlers came in quite fast, they could get lumber sawn and grain ground at Armstrong Mills; stores and hotels opened up and the area started to go ahead.

Sure signs of Spring

The mild weather of the past couple of weeks has had noticable effects on the creatures of nature. It's been a time to shed the heavy winter coat for a lighter spring jacket and on more than one occasion the heavy boots have been left behind and the summer shoes were tested in the sloppy snow.

Mrs. Arthur Heagle phoned in on Saturday to say that she had seen two crows out and about on Saturday morning. Since Mrs. Heagle's call we have had other reports of the sighting of crows.

With the thermometer at minus 20 on Monday morning we considered the heavy coat again, but on the other hand decided to suffer through the few cold days that are left before spring finally gets here.

Reduction in services forces nursing cutback

In view of the announcement by the Ministry of Health that considerable reductions in hospital services will need to take place across the province as well as the lessened employment opportunities currently experienced for Nurses, it was decided by the Council of Regents to reduce the first year Nursing enrollment throughout the province effective in September 1976.

As a result, the first year enrollment at the Cornwall Campus was reduced from 90 to 68 students which represents a reduction of 25 percent. The reduction is not expected to greatly affect the number of students who normally enroll in the Nursing program from the Three United Counties.

So far, the Cornwall Campus has received 175 applications for the Diploma Nursing Program.

Increase for tuition fee

It has been rumored that colleges' and universities' tuition fees might be raised for the Fall of 1977.

This rumored move appears to be in keeping with the policy of the Provincial Government which is to shift a greater part of the cost to the users of various institutions; in this case, college and university students.

It must be kept in mind that the tuition fees have not been raised since the Fall of 1971 and that at the present time, the tuition fee of $250 per year barely covers 10 percent of the total cost of education for each full-time student.

Osnabruck Township

Carnival fun for everyone

Osnabruck Township's first annual Winter Carnival opens Thursday night with a torch light parade at 7 p.m. This will be followed by the official opening at 7:45 p.m. and the Carnival Queen Pageant at 8 p.m. During the evening the 1976 Carnival Queen will be crowned and there are thirteen lovely young ladies competing for the honour, as well as a bundle of valuable prizes.

FRIDAY

A Skating Party will be held followed by a Euchre Party for the older folks. For the teenagers a special dance sponsored by O.D.H.S. Student's Council will be held at 8:30 p.m.

SATURDAY

Saturday's program includes a broomball tournament, a weiner and bean supper and an Old Timer's Hockey Game. A dance will round off the activities on Saturday evening with the Brown Sugar orchestra providing the entertainment.

SUNDAY

A pancake breakfast will kick things off on Sunday morning. At 2 p.m. a Community Service will be held in the O.D.H.S. Auditorium. Afternoon activities include a Tug-of-war, Scavenger Hunts, Snowshoe Races and General Fun for all of the family. A new twist to America's favorite pastime will also be featured in the afternoon. A snowmobile baseball game will be hosted by the Inglebruk Snowmobile Club. The event should be packed full of laughs and fun for both spectators and participants. A Variety Show will be held in the O.D.H.S. Auditorium at 7:45 p.m. bringing the four-day carnival to a close.

Organizers have left no avenue unexplored in their efforts to make the first carnival the finest in the Three United Counties. And if the extravagant program is any indication, they have reached their objective. A full rundown of the program can be found on page 7 in this newspaper.

All proceeds from the carnival go towards a fund to further plans for the Osnabruck Township Community Centre, so be sure to enjoy yourself this weekend and support the efforts of the carnival organizers.

LETTER TO THE EDITOR

Let's cut out Government waste in spending

Premier Davis has decided to curb provincial spending by cutting back on education, welfare and medical cost. He probably knows that at least those affected would either be too illiterate, too poor, or too sick to fight the gov't on these and other issues.

Ten hospitals have been closed in Ontario this month to save money, at least this is what the Minister of Health claims. What this means is that now we have ten empty, non-productive, buildings, hundreds of hospital beds that can no longer be filled, not that we need any mind you. And more than a thousand unemployed men and women, and this is what the Davis gov't claims is saving us money!

If Davis, and the rest of the dirty dozen, are really sincere about saving us money . . . I say to them and to the federal gov't, both, clean up your act first boys and then see how much money there is to go around. Let them all earn the pay raise that they gave themselves in order to better serve us the tax payers. Keeping in mind that most of them haven't begun to earn their original paychecks. The biggest waste in gov't spending today is by far the gov't in power itself, whether the Provincial Tories or the Federal Grits. If private enterprise had that kind of overhead they'd all be bankrupt right now! If they want to learn about conducting a business on a shoestring, let them come here and watch a farmer. He is probably the only one who buys retail and sells wholesale and still is able to pay taxes.

Ministers are named to various posts as payment for party loyalty, not for any abilities or qualifications. One of the most obvious examples of this was the appointment of Don Irvine as Housing Minister not too long ago, for all the time that it lasted. The only reason that he was picked was because Davis needed a local Minister to prove that he wasn't over looking the local ridings, and to reward Don for party loyalty.

For many years the only responsibility this man had to the Davis 'Blue Machine' was the 'Ministry of Silence.' The only time that he ever stood in the House was to go to the toilet and then only after receiving the Premier's permission. Although this man is no longer Minister he is still trying to explain some of his spendings to various people who have an eye on gov't spendings for his land aquisitions near Ottawa at inflated prices. He's the first to make announcements for the Gov't and the last to announce his personal achievements in policy making.

Then there are politicions like Health Minister Miller, who for lack of office space was saddled with the task of cutting Ministry expenses, and he did the natural thing for someone without a clue as to his abilities. He transferred over a thousand people from his payroll over to the federal gov't unemployment payroll. That almost makes sense, almost . . .

Both the Provincial and Federal Governments could save a lot of money by simply freezing their budgets to last year's figures, and maintaining them. By introducing efficiency into the system adding a dash of honesty eliminating their high rate of future employment, and that would not affect the hiring of Canadians if they hired Canadians first for a change.

And to put a sting into the honesty clause, a minimum jail term for anyone dipping his or her hand into the till, although we would probably have to build more jails to hold them. They would be cheap to build, just put them in a cardboard box and a set of gov't specifications on how to escape, and that should keep them amused for a long time! The voters could help by voting a man for his worth, instead of his party afiliations. Get out and question your next candidate and maybe we'll do better than Irvine next time . . .

Have no fear, with enough outside pressure from people, the gov't would make due on what they have, and God, along with the taxpayer, knows that there is more than enough money to run the country, it's the management that's not good enough . . .

The Federal Gov't could save the people hundreds of millions of tax dollars by simply scraping this bilingual nonsense. The French people don't want to learn English and the English people don't want to learn French. And I for one don't blame them.

The introduction of the two languages in our schools is certainly enough for now, and the next generation will not have this problem, and we would save the present one "money and conflict".

To Senior Trudeau I make this remark "The people that elected you already made one mistake, don't compound the issue by stuffing this nonsense in our faces or you may not be the better of two evils, next election . . .

I see that our local member of parliament, Osie Villeneuve, is doing a better job of representing the constituents than we are used to. Although it wouldn't win him any votes with the party, it will certainly get mine. Any man that votes according to his or her conscience, rather than the party, is to be congratulated and thanked for their courage.

Chesterville 4-H Club meets

The second meeting of the Chesterville 4-H Club "Taking a Look at Yourself" was held on Wednesday, February 18th, in the Women's Institute Room in the Chesterville Community Hall.

Suggestions for a Club name were discussed, but the decision was left for another meeting.

The discussion topic was — important points on good grooming and general appearance. Included were facts on general cleanliness, caring for your clothes and caring for your hands and nails. The leaders brought in the materials needed, then instructed the girls on how to properly manicure their nails.

Several pamphlets were given to each member and they dealt with your appearance and health aids.

Previous to adjournment refreshments were served.

W.S.A. to be featured on TV

A recently formed group in the area, the W.S.A., Women for the Survival of Agriculture, will get their chance to present their case to the public, when they will appear on television on two different occasions.

The show, that is being taped this Wednesday evening in Ottawa, will be presented on Channel 4 at 11:30 p.m. on Sunday February 29, and it will be re-run, again on Channel 4, at 1 p.m. on Saturday, March 6th.

Included in the panel discussion will be the Honourable Eugene Whelean, Minister of Agriculture; representation from — Food Prices Review Board and the Anti-Inflationary Board. Also present will be David Kirk, President of the Dairy Farmers of Canada and Lorne Nystrom, NDP Critic for Food and Agriculture.

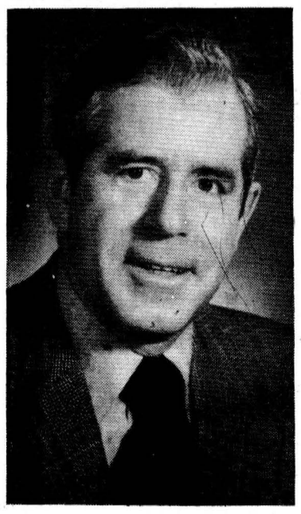
Provincial Government serious about fight against inflation



When Ontario's Health Minister, The Honourable Frank Miller, announced that the Oxford Private Hospital will close, he very clearly illustrated for Eastern Ontario that the Provincial Government's commitment to fighting inflation is a serious one.

His actions also prove that the Progressive Conservative Government of Ontario is ready to deal in a reasonable way with the growing health cost challenge — a challenge which has proved too big for the opposition parties.

The closing of the Oxford Private Hospital on or shortly after April 1st is part of an all-out effort to trim $40 million from the current health care cost. The annual bill to Ontario taxpayers for hospital and medical insurance programs is now $3.4 billion, compared with $1.6 billion just five years ago. Health care, in fact, accounts for the largest portion of provincial expenditures.

Obviously, if real savings are to be made, this area cannot be ignored.

However, despite opposition party allegations, the cost reductions are being implemented only after careful consideration of each region's facilities and needs. The cost reductions will in no way reduce the high standard of human services for which our system is praised around the world.

The Oxford Private Hospital closing demonstrates this. Consider these facts:

The hospital, with 12 active treatment beds, has an average length-of-stay for active treatment care of 28.5 days, the highest in all Ontario for this class of hospital.

There is a surplus of 14 active treatment beds in the immediate area — six at Kemptville and eight in Winchester.

The 1975 budget for the hospital was $141,070. It will cost just $45,000 to look after the patients elsewhere, resulting in a saving of approximately $95,000.

The Ministry of Health has asked the Kemptville District and Winchester Memorial Hospitals to give present employees of the hospital first priority when replacing staff. The Ministry of Labour's Employment Adjustment Service will also help them find employment. Furthermore, the seven members of the medical staff have privileges at the Kemptville District Hospital.

The 18-bed nursing home annex is not affected by the closing of the active treatment hospital.

In short, the closing of the Oxford Private Hospital is clearly a reasonable way to reduce health costs without in any sense reducing the level of service to people in our area.

It is also the kind of decision which the opposition parties would be incapable of making, in the unlikely event that one of them formed the Government.

For example, during the last election campaign, the then-leader of the Liberal Party said he would save $320 million by eliminating duplicate hospital services. The present Liberal leader, shortly after assuming power, threatened to force an election and criticized the Progressive Conservative Government for taking actions which the Liberals themselves advocated a few short months earlier.

The liberal leader has since realized that the voters of Ontario will not be fooled by this kind of double-talk. He now says he won't force an election on spending cuts, an obvious admission that the Government is right.

The New Democratic Party is just as confused. Last November, NDP health critic Dr. Jan Dukszta told the Ontario Legislature:

"In Ontario, hospital beds are now often used inappropriately. One in five of the patients now occupying beds could be treated either on an ambulatory basis or in a different setting, depending upon conditions. Some of these patients could be treated in a doctor's office, the community health centre, or even some hospital's outpatient department. Some of the psychiatric patients undoubtedly could be treated in day care or other types of partial hospitalization programs."

That statement, by a member of the NDP who is himself a member of the medical profession, could serve as a definition of the Ontario Government's approach to cost reduction. And yet, the NDP now attacks the Government's implementation of health care restraint. Even a former NDP Member of the Legislature, Dr. Morton Shulman, cannot accept this incredible reversal. Dr. Shulman has publicly stated he supports the Government's health care restraint program.

In closing, let me quote from a speech by Premier William Davis, who challenged the Liberals and the NDP to answer the following question:

"Given the scope of the Government's programs and responsibilities, how would you trim health care expenditures and maintain the same quality of service in a way that would be significantly different from the program now being embarked upon by the present administration?"

The Premier posed that challenge on February 11th. The opposition parties have not answered it to date and they aren't likely to in the future. They just don't have an answer.

There comes a time when words must be matched with deeds and commitments. The Progressive Conservative Government is doing just that.

QUEEN'S PARK REPORT

by The Honourable
Donald R. Irvine

Osnabruck Centre W.I. holds meeting

The February meeting of the Osnabruck Centre Women's Institute was held in the Township Hall with fifteen members present.

The roll call was "What annoys me most at a public meeting."

Thank you notes were read for Christmas remembrances.

Mrs. Robert May gave the smile and the Penny Round Up collection was taken.

The members voted to send $100 to the A.C.W. and $50 dollars for oil, in appreciation for the use of the hall for meetings.

It was decided to send the president of public relations officer to the W.I. officers conference in May.

Mrs. Charles Bush won the mystery prize.

Plans were made for Mrs. Noblett's visit to show slides of her trip to Africa. All branches are invited to attend. Mrs. Robert May offered to select the door prizes.

International Day was observed. Mrs. Adolph Kocourek gave an account of her visit to her homeland Czechoslovakia after an absence of forty-one years. She stressed that there was no unemployment there. Eggs were a dollar a dozen but there was no shortage of food.

Mrs. Acil Beckstead and Mrs. Lola Lambert served lunch and were thanked by Mrs. Charles Bush.

A few weeks ago Peter VanKessel, of Chesterville, took in an auction sale where some old firearms were up for grabs. Peter was the last man to bid on one particular model and he picked himself up an 1880 Richards Breach-loading Shotgun, that had been manufactured by hand in England. Pictures and information are now being prepared to be sent to The Westley Richards Company in England to try to find out who the gun was manufactured for, which will have a great effect on its value. The present value of the shotgun is placed at between $750 and $1500, but if it was made specifically for a dignitary, the value could go away up. — Staff Photo.

Seaway High News

On Feb. 2, 1976, Seaway's "Safety Awareness" team represented the S.D.&G. Board area in the playdowns in Ottawa. They were defeated by Ottawa's Colonel By foursome. The Ottawa team had attended the Provincial finals in the past two years and their experience proved to be a great asset. Although our boys were knowledgeable they fell behind in the toss-up questions which required speed and the ability to anticipate the question.

Congratulations to Bill Barkley, Mike Fox, Art Marcellus, Steve Byvelds and their coach, Mr. Chartrand. After this initial attempt and the experience in competition, we should be able to improve.

Seaway's Senior Girls' Volleyball team advanced to E.O.S.S.A. Championship after defeating North Dundas and Osnabruck, but losing to General Vanier and La Citadelle. Members representing Seaway's team and "Ricochet Rabideau", "Stretch Prentiss", "Ping Ping McCaslin", "Pogo Tschouny", "Gummy Cruickshank", "Hot Stuff Smit", "Bouncing Baelde", "Tipping Tippins", and their coach, Mrs. Madden. The girls will now go to Hawkesbury on February 19, for the E.O.S.S.A. event.

The Heart Fund Drive, involving the students of Seaway, took place on Saturday, February 14 from 2 to 4 in the afternoon. The manager of this worthy cause was Mr. Johnston. The captains for the surrounding areas were, Kevin McIntosh, Williamsburg; Susan Jordan, Lakeshore Drive; Evonne Kolff, Iroquois; Teddy Wardle, South Mountain.

On Wednesday February 11, Seaway's Boys' Senior Basketball team defeated Tawgi 90-40. Members of the team who made our victory possible were top scorers Scott Findlay with 22 points and Gary Baker and Jamie Findlay, each with 16 points.

In the Junior division, the Seaway Spartens also defeated Tagwi by a score of 70-34. Top scorers responsible for the juniors' victory were Adrian McKinnon with 19 points, Scott Corden with 18 points and captain Gary MacDonald with 10 points. Congratulations teams!

On Friday, February 6, Seaway held a dance featuring "Bad and Rude". All who attended this dance enjoyed the band and are looking forward to their return visit.

This week, two films were shown to entertain all interested members of Seaway. On Monday and Tuesday, "The Underworld Adventure," a Jacques Cousteau feature was shown and on Wednesday and Thursday "The World of Abbott and Costello" a hilarious film, was shown. Both films were enjoyed by all and helped to keep the students occupied during lunch hours.

Seaway District Festival...

Winner to participate in Regional Showcase

The high schools in the Seaway District will be holding their annual Drama Festival on Friday, March 5 and Saturday, March 6 at General Vanier Secondary School, Cornwall. It is one of twenty-five such festivals held each year throughout the province to give students and teachers the opportunity to show their dramatic talents.

The winner of the Seaway Festival will be invited to participate in the O.C.D.F. Regional showcase to be held at Eastdale Collegiate, Oshawa in April. Other schools going to the Oshawa Regional Festival will be from the Upper Ottawa Valley, St. Lawrence, Georgian Bay, Kawartha South, Kawartha North, Durham Region and Bruce-Grey districts. This is one of four regional festivals to be held in the province in April. The other three regionals will be in Toronto, Guelph and Timmins in April.

The top nine plays from the four regional festivals will be invited to O.C.D.F. Final Showcase, to be held at the St. Lawrence Centre in Toronto in May.

Leona Lang

Daryl Leona Lang, aged 43, a resident of Avonmore, died at her home on Monday, February 16, 1976.

Born at Buckingham, Quebec, she was the daughter of Mr. and Mrs. Clifford Hewston, Avonmore and was married to Sterling Lang, who survives.

Other surviving relatives include three children, Wendy, Ian and Judy and a brother Gary Hewston of Ottawa.

A retired Registered Nurse, Mrs. Lang attended Maxville High School, Alexandria High School and graduated from Cornwall General Hospital in 1954. She was a member of St. Andrew's Presbyterian Church, Avonmore and was past secretary of the Ladies Aid.

Funeral services were held in the Brownlee Funeral Home at 2 p.m. on Wednesday, February 18th. Interment will be made in the spring in Dunvegan Cemetery.

Pallbearers were Ray Paul, Dean McIntyre, Ray Robillard, Percy Hewston, Garfield Hewston and Alan McRae.

Christmas Seal dollars at work

During the monthly business meeting of Eastern Counties Lung Association held last week at the Cornwall General Hospital it was very gratifying to hear of the different programs made possible by your Christmas Seal donations. The Better Breathing Club a weekly program conducted at the Hotel Dieu Hospital, Smoking Education films and literature distributed in schools and associations throughout the five counties. Kick the Habit kits mailed to interested individuals and a one-day seminar on Smoking Education held at the Glengarry Memorial Hospital Alexandria.

The fight against the lung cripplers continues all year.

Stormont Cancer Society holds annual meeting

The Annual Meeting of the Eastern District Council of the Canadian Cancer Society was held at the Maurice J. Grimes Lodge, Ottawa, on February 14, 1976.

The provisional Stormont County Unit was represented by 12 Unit and Branch personnel, who attended workshops in Education, Publicity and Campaign, as well as many other aspects of the organization.

Miss Lois Cahill, Industrial Education Chairman from the Toronto Division, addressed the group explaining the effective work carried out by their mobile team and stated that all Ontario Industry has the opportunity for this service.

A tour of the Maurice Grimes Lodge was also enjoyed and impressed the group with the accommodations and service available for the area, if it is needed.

Plans for a provisional Stormont County Unit meeting were made, to be held early in March. Details will be published at a later date. All interested people are welcome.

St. Matthew's W.M.S. meets...

Memorial presented at Feb. meeting

The St. Matthew's W.M.S., Ingleside, met recently at the home of the president, Mrs. Gregor Williamson.

The devotions were led by Mrs. William Maginnis.

Mrs. Frank MacAndrews gave the financial report.

A letter was read from Mrs. George Adams regarding supply for 1976.

A memorial in memory of Mrs. Joseph McCleverty was received from her husband.

It was decided to carry on a penny a day fund and the centennial fund.

Mrs. William Maginnis presented a life membership to Mrs. Harold Shaver.

Plans were discussed for the Easter Thankoffering to be held in April.

Mrs. Douglas Gilmour gave a splendid report of the annual Presbyterial meeting held in St. John's Church.

The annual synodical meeting will be held early in April, in Cornwall.

Mrs. Frank Stewart introduced the study, "Forward Together in Mission on Taiwan and Japan." Several members took part, comparing the mission work done in each country.

The offering was dedicated by Mrs. Jake Grandaw. Mrs. Fred Brassard led in prayer.

Mrs. Frank Stewart thanked the hostess and a social half hour followed.

Fiddling champ to be featured at Heritage Fair

Graham Townsend has a list of fiddling accomplishments that has become a legend . . . including wins at Shelbourne's Annual Fiddler's Contest, Simcoe, Sudbury, northern and southern Ontario, Pembroke and Peterborough. He started playing at the age of 4 and won the CNE under 30 class competition at age 9. Graham is one of 2 persons to win 3 times at Shelburne and is considered by many as the undefeated Canadian Champ of Fiddling. He has recorded over 20 albums and has composed over 100 fiddling tunes.

The II Annual Yesteryear Heritage FAir will feature Graham at the North American Old Time Fiddling Contest taking place at the Nepean Sportsplex on February 27th and 28th when close to 70 fiddlers from across the country will compete for the Canadian Old Time Fiddlers' Hall of Fame Trophy and $4,000 in prize money.

Artist creates sled dog derby mascot

. . . .Musher. He's the official mascot for the 1st Canadian National Championship Sled Dog Derby being held in conjunction with the II Annual Yesteryear Heritage FAir.

The creation of William D. Overton a local Nepean artist, he's a perky, friendly, gently, 24 pound husky, born and bred in northern Ontario.

Musher will be promoting sled dog racing as the winter sports event for the entire family.

He'll represent Canadian sled dog racing enthusiasts and promoters on t-shirts, buttons and pennants, at the II Annual Yesteryear Heritage Fair February 25th - 29th inclusive at the Nepean Sportsplex.

NEW MODEL 70's
Zero
COMPLETELY-AUTOMATED VACUUM AND NON-VACUUM
BULK MILK COOLERS
—WITH BUILT-IN SPATTER-SPRAY AUTOMATIC WASHER

The ZERO is the only farm bulk milk tank with a completely-automated, built-in, "push-button" self-cleaning and sanitizing system! Made possible by round design, vacuum and the patented SPATTER-SPRAY Automatic Washer. After the tank is emptied — simply fill the detergent jar — set the Automatic Timer Clock — flip the Switch. And the ZERO washes, rinses and sanitizes itself!

Cleans the tank better, too! Note above how the Spatter-Spray's propellers hurl a cross-fire of detergent solution — with "tornado" force — against the tank's entire stainless steel interior. Official records show bacteria averages have been greatly reduced. Standard capacities, 100 through 6,000 gallons. Many other advantages.

As I See It

By Mike Rowden

Imagine having to give up watching the wrestling on TV on a Saturday because of political convention. Well I did, and I must say without a quiver of regret . . . I didn't miss the wrestling at all.

Instead I was treated to a glimpse of how the country is run and how our political leaders are elected.

I can only assume that if all the hot air generated at that convention could have been diverted to an energy producing plant for electricity, we could have lit up the rest of Canada for years to come.

As it is, the winner one Joe Clark, an Appealing young man from Alberta, a place I never heard of before, won the support of his Conservative delegates and is now successor to Robert Stanfield, as leader of the Progressive Conservative Party.

At times the convention floor was the scene of high drama and deep emotion, to say nothing of persistent attempts by what could hardly be described as respectable news media, in vain efforts to second guess the candidates, their aspirations and their votes. Granted it is the job of the news media, whether it be newspaper radio or TV to try to get the story of importance . . . the truth, and to present it just that way.

It seemed to me, however, that a lot of the reporters at the convention, reporters of supposedly high calibre, and well-known integrity, went out of their way to be rude and insufferable at times. Persistence was not the only name of the game, it was a must. And quite often quite often for no apparent reason other than to give someone the dubious honor of being the prophet of the convention.

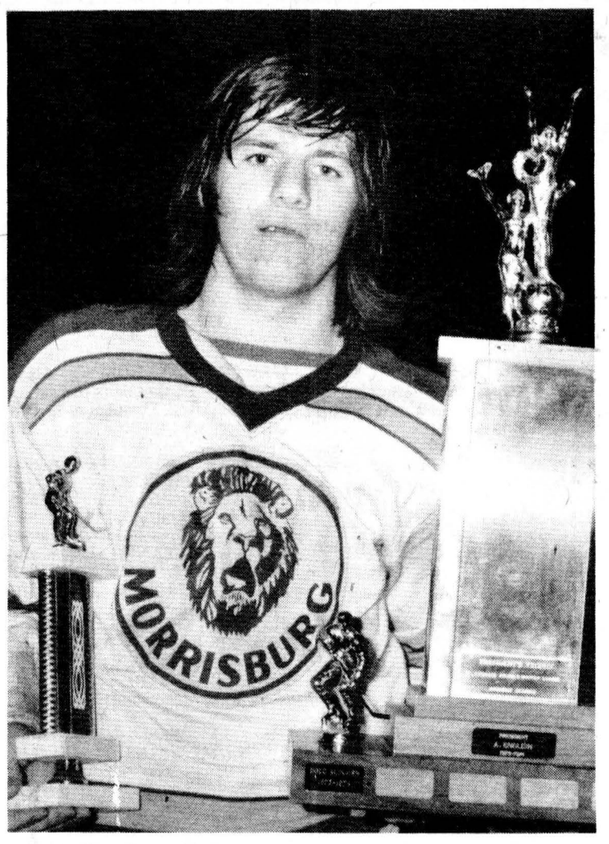
Being in the business myself, I realize that I am saying things that won't be agreed with by those who are hoping to attain the reputation of being able to predict the outcome of such affairs. But I could not help but notice it, in fact it was too blatant to be ignored.

Part of the attitude was possibly due the way the convention was arranged, with practically every eventuality taken into consideration. And the possibility of the media being able to second guess the outcome of the voting, thwarted. Whatever the reason, effective it was. And not only the media, but everyone was kept in the dark right up until the final vote was known.

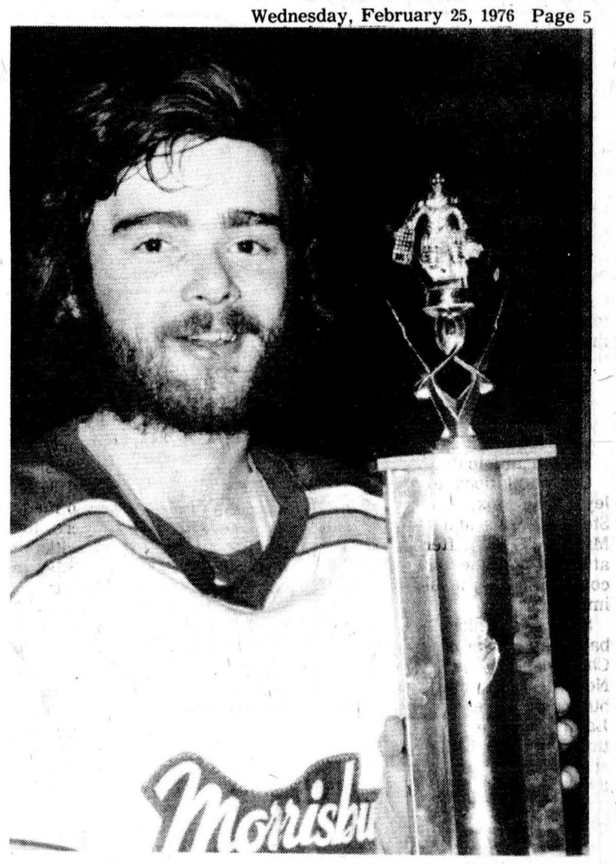
As an exercise in the democratic way of choosing a successor to a retiring leader, it was a first-class exhibition in procedure. I wasn't particularly enamoured of the ballyhoo that seems to characterize the American scene and style of convention. But then when one's country is so close to its American neighbours, it can hardly be avoided. At least it was Canadian ballyhoo, I hope.

In general I enjoyed the whole spectacle and my only surprise was seeing Mr. Hellyer drop out after wielding such an effective campaign. To be honest, I thought Mr. Wagner would win, with maybe Joe Clark right behind. It out just the opposite.

I figured Flora MacDonald was going to show up well . . . but let's face it the Canadian public, at least the delegates at that convention, are too chauvinistic as yet to want a lady . . . even one with the charm of Flora MacDonald to be their new potential Prime Minister. Not yet anyway . . . but who's to say how far in the future they may change their minds — particularly if the lady candidate has charm, grace, a sense of humour, experience and the ability to deliver a good speech. I'm inclined to think it can happen sooner than we think.



Kevin Duvall won the league scoring title. He needed 3 points in the last game against Metcalfe Jets to cop the title. Duvall got 2 goals and one assist giving Morrisburg a 4-2 win. The team went on to defeat Metcalfe in the first game in the play-offs by 5-2. — photo by laurin-JP's.



Don McNarin of the Morrisburg Lions picked up the league trophy for the best goaltender. Don's average for the year was 3:32. — photo by laurin-JP's.

To Sponsor Carnival Queen...

Rotary boasts over 93% at meeting

Chesterville Rotary Club met in regular session last Monday evening, the meal was enjoyed in the restaurant and the meeting was held in the church dining hall.

Club President Harry Allison conducted a short business session and at this time it was revealed that Chesterville Carnival Queen, Lezlee Byers, would be competing in the Miss Eastern Ontario Contest, to be held in Perth. The Rotary Club was pleased to be sponsoring Miss Byers in this event.

It was agreed to offer some financial assistance to Rose Marie Hauch for her trip to Winnipeg to compete for Canadian Honours in the Shot Put.

Leon Marcellus and as his guests for the evening Dorothy Houston, President of the local volunteer branch of the Arthritic Society and Gordon Bell, a staff member of the Provincial Society. Mr. Bell showed a film which should have made parents feel very humble if their children escape such tragic diseases as arthritis. The film revealed that due to modern medical techniques and medication most cases of arthritis can be helped, or at least the condition can be alleviated. The question period proved most interesting.

At the Monday meeting only one member was missing giving the Club an average attendance on this evening of 93.75 percent.

People are sometimes the innocent victims of violent crime.

This is what Ontario is doing to help compensate them.

Among the crimes for which compensation may be awarded are murder, wounding, assault and rape. And victims do not need to be the persons against whom the crime was originally directed. People killed or injured while preventing or attempting to prevent a crime against another person, arresting or attempting to arrest someone committing such a crime, or assisting a law-enforcement officer may also receive compensation.

Compensation may be awarded for:
- expenses incurred as a result of death or injury,
- monetary loss incurred because of the victim's inability to work,
- monetary loss incurred by dependants as a result of the victim's death.

Compensation may also be awarded for other results of violent crime.

Applications for compensation must be made within one year of the injury or death, but the applicant should apply as soon as possible—not wait for a court to convict the alleged criminal.

For enquiries, an application form, or a brochure explaining the Act in detail, contact:

Criminal Injuries Compensation Board
505 University Avenue (3rd floor)
Toronto, Ontario M5G 1X4

Ministry of the Attorney General
Roy McMurtry, Attorney General

Here in Ontario, we have a law called "The Compensation for Victims of Crime Act." It is administered by the Criminal Injuries Compensation Board. Happily, not too many people need to use it.

But when someone is injured or killed by a crime of violence which is an offence against the Criminal Code of Canada, your Ontario Government may award compensation to the victim, a person responsible for supporting the victim, or the dependants of the victim.

CARDS OF THANKS

CARD OF THANKS

I wish to express my sincere thanks and appreciation to my friends and relatives for the cards, letters, flowers and gifts received while I was a patient in Hotel Dieu Hospital, Cornwall. Special thanks to Dr. Rae, Dr. MacPhee, nurses in the I.C.C.U.; also nurses on 2nd North and 4th North, Rev. J. Wiseman and Rev. H. A. Funge. Your many kindnesses will always be remembered.

Lottie McMillan

CARD OF THANKS

Harry and Irene Roughton and family wish to express sincere gratitude to their friends and neighbours for their support, both moral and financial, during this difficult period, since losing our home and business to fire. Our special thanks to Ray Casselman, Ken Kirkwood, Lawrence Holmes, Emile Beaudette, Jean Kirkwood and Irwin Holmes for all their work on our behalf and to Mr. and Mrs. Robin Bierworth for welcoming us into their home. We wish to thank those volunteer firemen from Winchester, Chesterville, Williamsburg and Morrisburg, whose difficult task it was controlling the blaze and saving further damage to the surrounding homes on such a cold night. 25

IN MEMORIAMS

IN MEMORIAM
STEWART — In loving memory of a dear mother and grandmother, Freda, who passed away on February 25, 1974.
Sadly missed along life's way,
Quietly remembered every day
No longer in our lives to share
But in our hearts you're always there.
Sadly missed by Gerald, Trevor, Dale, Paul and families
25

IN MEMORIAM
BURD — In loving memory of dear parents, Mr. and Mrs. Alvin Burd, Dad, who passed away February 23, 1962; Mother, who passed away July 7, 1973.
Loving and kind in all their way,
Upright and just to the end of their days.
Sincere and kind in heart and mind,
What a beautiful memory they left behind.
Ever remembered by Evalyn, Bill and family.
25

IN MEMORIAM
In loving memory of a dear Father who passed away, February 28, 1966.
He is gone but not forgotten,
And, as dawns another year,
In our lonely hours of thinking,
Thoughts of him are always near.
Days of sadness will come over us,
Many think the wound is healed,
But they little know the sorrow,
That lies in the heart concealed.
Loved & remembered by daughter Erma, son-in-law Len

Public urged to keep up their education

In recent years the escalating costs of education have exposed a widening gap between the taxpayers and the school system. In effect, one of the things that has happened is that sophisticated schooling methods have developed so rapidly that parents and others have lost touch with what goes on in the schools. In calling for curtailment of tax expenditures people want to know what is going on, how their money is being spent, and how it benefits their children.

The Ontario Department of Education has responded by proposing to establish a Community School Program. Going beyond a mere explanation of expenditures, there will be an effort to engage the public in activities to be located in the schools, and also to encourage school activities to be conducted in the communities, i.e. outside the school buildings. With the re-establishment of closer relationships between school and taxpayers, better understanding should result.

School Boards throughout Ontario are taking advantage of these new policies and are devising programs which will encourage and foster closer ties between schools and their communities. In some cases new public facilities for recreation are being contemplated in conjunction with school facilities, where this establishment would work to mutual advantage. Many schools are inviting local clubs and associations, who have no facilities of their own, to use the schools at modest rates.

As much as a year ago some schools began amalgamating elements of the Home and School Association and Student Councils under the new heading of Community School Committees. One of the advantages of this concept is the direct linking of students and public with the operation of their schools. It is too early to say what the result will be but indications are that the broadening of the base for responsibility will promote fuller use of the schools as a public facility.

The building equipping and operation of schools is an expensive business. Students need these facilities to meet the enlarging curriculae of contemporary education. Now there is growing opportunity for adults and drop-outs to take advantage of these facilities which may not have existed or were not available formerly. As mankind gains in knowledge, the sharing of that knowledge must extend beyond those currently in formal school attendance. It merely has to be determined how this information can be shared. The Community School concept is a developing one which will evolve as public participation grows.

Camping Committee meets

The Summer Camps Committee of Seaway Community Services met Monday evening at the home of Seaway President Mrs. John Corbett in Morrisburg.

The committee, responsible for operating the several summer children's camps in the area, considered locations, personnel, funding, programming and promotion. Youth leadership personnel conduct the camps, assisted by volunteers from the local communities. Ministers from the churches of Dundas County and surrounding area visit the camps during the summer weeks of operation and conduct Bible classes and devotional periods.

Over the past several summers camps have been held at Glen Becker, Dundela, Dixon's Corners, Froatsburn, Nudellbush, Irena, Mountain, Van Camp and Hallville. The Camp Committee includes the Reverend E. Earle Eaton, convener; Mrs. Lloyd Markell, Mrs. Grace Richmire, Mrs. F. Zandbergen, Mrs. Bessie Cornut, Mrs. Reik Peppers, with Mrs. Marie Barkley, Coordinator, and the president, Mrs. Corbett, ex officio.

Government grants have aided in the operation of the camps, and the several church denominations and individuals have made substantial donations.

Like other Seaway Community services, it is hoped that in the future the summer camping program can become self-supporting, or at least locally supported by interested and dedicated people from the several nearby communities.

Ingleside W.I. meets, Jean Cameron guest speaker

Miss L. Jean Cameron, secretary-treasurer of the Stormont, Dundas and Glengarry Historical Society, was the guest speaker at the February meeting of the Ingleside Women's Institute held in the library recently. She was introduced by the curator, Mrs. Clarence Meyers, and Mrs. John Schultz thanked her and presented her with a gift.

Tweedsmuir History books and tapes were on display. Members submitted clippings of local interest for the current history book. Bessie Banfill's "Labrador Nurse" will be added to the collection of books by local authors.

The president, Mrs. Gregor Williamson, welcomed the members including one new one.

Mrs. Peggy Lette, incoming president, will attend the Officers' Conference at Waterloo University in May.

The branch voted to make a donation to Save Sight project and to adopt a child according to Cansave Plan B with Mrs. Jean Jeacle as the contact between the foster child and the branch.

Plans were finalized to serve coffee and donuts at the final concert of the Osnabruck Winter Carnival on Sunday evening in the High School.

A food forum open to the public on "Nutrition and Family Meals" will be presented by the Ontario Ministry of Agriculture and Food early in March. There will be no charge, as usual.

At the new Milton Agriculture Museum, the Women's Institute Hall is being restored and will be open to the public in the spring.

Bus tours to the Erland Lee Homestead in Stoney Creek will be featured during Ontario Women's Institute Week, May 30 to June 4.

In 1975 almost $14,000 was given to the Associated Countrywomen of the World through Pennies for Friendship and $6,000 was raised for Nutrition. The National Convention will be held in Charlottetown, P.E.I. in June.

The secretary-treasurer, Mrs. Edith Canough, read a letter from the Ontario President, Mrs. Herb Maluske of Cheslay, saying that evidence of changes in behaviour caused by viewing violence on television should be reported to her or Mrs. Noblitt of Ottawa by May 31 to support a brief being sent to the goverr nent by the Women's Institute.

Plans for holding the district annual in Ingleside were discussed.

The opening and closing exercises were accompanied at the piano by Mrs. Shirley Walsh.

Mrs. F. J. MacAndrews and Mrs. Gregor Williamson convened the programme on Education and Cultural Activities at the next meeting. The nominating committee consisting of Mrs. Harold Rowden, Mrs. Clarence Meyers and Mrs. Sterling Brassard will welcome suggestions for filling the offices for the coming year.

different reasons, so felt it was up to the individual as to whether one wears them or not.

Good wishes were sent to Mr. and Mrs. Allan McPhail on their 57th Anniversary. Mrs. Neil Cleary volunteered her home to set up a quilt to be quilted in the coming weeks. Mrs. Jean Thompson was appointed as the delegate to attend the Annual Convention in Waterloo on May 4th, 5th and 6th.

The speaker was one of the groups members, Mrs. Hilda McGillis who gave a most interesting and refreshing speech of her memories of Lunenburg and surrounding area, from 1923 to the present.

The next meeting will be held at the home of Mrs. Phyllis Lalonde on March 2nd.

Ottawa firm awarded Drain Contract

Ottawa Contractor, Art Brennan Excavating Ltd., as low bidder at $409,618.20 was awarded the Contract by Winchester Township on Monday February 16, 1976 for the Construction of the Petite Castor Municipal Drain.

This is on agricultural drainage scheme stretching across the Township of Winchester and 3.9 miles into the Township of Russell. The project, probably the largest such project in Eastern Ontario is designed to provice improved drainage to approximately 55 sq. miles of prime farming land. Its total length is 11½ miles.

Work on the project began in 1973 shortly after the people in the area had petitioned the Township Council for improved drainage.

The survey and report was done by A.J. Graham Engineering Consultants Ltd. of Ottawa, working under the provisions of the Ontario Drainage Act. The total estimated cost including, allowances for land, engineering and administration is $695,000 of which 1-3 is paid by the people whose land is in the watershed, 1-3 by the Ontario Ministry of Agriculture and 1-3 by the Federal Government through A.R.D.A.

SEAWAY HIGH NEWS

On the weekend of Feb. 13-15, 13 members and friends of the Inter-School Christian Fellowship group (ISCF) went to Camp IAWAH near Westport for a time of fun and spiritual refreshment with other ISCF groups from Kingston and Brockville.

Rev. Keith Brown of Cardinal spoke at 3 workshop sessions on Christian growth. Cross-country and downhill skiing, skating, tobogganing and singing were some of the other activities for this winter weekend.

Saturday's skit night special features included a choo-choo train with a "surprise" and a rendition of "On the First Day of Valentine's, My True Love Game to me." The highlight of the weekend was the Sunday morning worship service in which individuals shared in music, poetry and personal witness of how Christ had helped them to grow as individuals.

On Feb. 19, Mrs. Nan Brown spoke to an after-school ISCF gathering on what Christian growth had meant to her. Singing and a "'Who Am I?" game were included in the program led by Jennifer Payne.

On Feb. 27, an evening of volleyball and singing at our school has been planned for groups from Cornwall and Brockville. All Seaway students are invited to attend.

In the Boy's Junior Basketball action on Feb. 19th, St. Lawrence Junior Saints defeated the Seaway Spartans 67-45. The game featured some tough rebounding and hard running. Top scorers for our team were Gary MacDonald with 13 points and Scott Corden with 9 points. Congratulations for a good effort to all team members.

In their final league game Seaway's Senior Boys' Basketball team was defeated by St. Lawrence 59-52. Jamie Findlay led Seaway with 18 points. This year Seaway Seniors finished third in their division and play-offs between Seaway and St. Lawrence will begin next Tuesday at Seaway.

On March 4 and 5, at 8:00 p.m., Seaway will be holding its annual 'Variety Night' production, featuring "Oliver". Admission for this lively event is $1.50. In "Oliver", leading roles will be played by Heather Hutchison, John MacEwen, Neil Cameron and Jim Bell. Along with this delightful feature, skits, songs and dance numbers will be presented. During the past few weeks, all members of Variety Night have been working strenously to make this show successful.

The Heart Fund drive, sponsored by Seaway, was a complete success. We were able to collect $1400., from surrounding community residences. The money will be forwarded to The Heart Research Foundation. We thank those who made a sincere effort to make this worthy cause a success, and to those who contributed generously.

On the evening of March 10, Seaway will be hosting the annual Public Speaking Contest. This event is being sponsored by the Lions Clubs and the Legions of Morrisburg and Iroquois. This year, the prize money has been raised to $200. This hopefully will encourage all interested students to participate.

On Friday, Feb. 20, Seaway will be hosting a dance featuring "Pheonix". The students of Seaway have finally received a taste of inflation. Dance prices have been raised a quarter and now they are $2.00 for singles and $3.00 for couples.

Lunenburg W.I. celebrates 'Heritage Day'

The February meeting of the Lunenburg W.I. was held at the home of Mrs. Maria Mitschke, with ten members and four visitors present.

The meeting was opened with the Ode and Mary Stewart Collect. The roll call was answered by "What is your opinion on the new law concerning seat belts?" Everyone was against the law for many

No Way To Win Friends

One of the major obstacles facing the federal government's anti-inflation program is the unwavering opposition of most segments of organized labour to the guidelines and the restraints on contract increases.

It is a dangerous over-simplification to place the blame for inflation on the demands of the unions or on the disastrous strikes in the post office, or the Ontario high school teachers or in the pulp and paper industry.

But, having issued that disclaimer we believe that labour must look to its own house before too long. Its insistance on contracts in excess of the 18 per cent annually and a desire to pursue negotiations as if controls do not exist only serves to isolate labour into a class within society, such as exists in Britain today.

The postal strike and the teachers' walkout in Toronto, both originally demanding settlements far above the guidelines, served only to alienate supporters of labour, to exacerbate relations with other segments of society and to destroy the credibility of unions as responsible to the whole of society.

Canadian social structures are under severe strain. No segment can set itself up as the tail that wags the dog. If the tail feels it deserves priority over all the other parts then the operation fragments.

And if the tail insists that if it does not get what it wants, it will shut down the dog, then without warning we find ourselves facing the ravages of New York, Italy and Great Britain.

Unpleasant Things Be Forward

The truth is that we are most inclined to postpone doing things that seem at the time to be unpleasant, distasteful or difficult. When we have something like that to do, we putter around with little things trying to keep busy so that we have an excuse that will ease our consciences. Dreading and postponing a task may be more tiring than doing it, and apprehension over delayed unpleasantnesses may so preoccupy us that other things cannot be done effectively.

None of us escapes his quota of difficult or disagreeable tasks, and it would be well to learn from the experience of others rather than from our own that they do not fade away by being ignored. Eventually, we have to roll up our sleeves and wade into them. In the meantime, we suffer.

Dr. Ernest Jones, E.R.C.P., gives us Hamlet as an example in his book *Hamlet and Oedipus* (Doubleday Anchor, 1954). The reasons that Hamlet gives for his hesitancy will not stand serious consideration. Says Dr. Jones: "One moment he pretends he is too cowardly to perform the deed, at another he questions the truthfulness of the ghost, at another — when the opportunity presents itself in its naked form — he thinks the time is unsuited, it would be better to wait till the King was at some evil act and then to kill him, and so on. They have each of them, it is true, a certain plausibility".

It is very different with the person who, honest with himself, has mastered the habit of putting off. He has no unpleasant jobs hanging fire. He has realized the menace of procrastination and makes sure that it never touches him. He knows that it is the vote you don't cast that brings the wrong man into office, the kindness you think of but do not do that swells family unhappiness into misunderstandings, the phone call you don't make that loses the order, the lunch for which you are late that blights your prospects of a new job.

Be Forward-looking

Be heartily earnest, believing in what you are doing. Perserve in spite of hindrances, discouragements and impossibilities. Add resolution and concentration to your natural ability.

Anyone who asks "What can I do?" is forward-looking. He does not start counting his years of age or his years of service as assets until he has nothing else to count. The life of accomplishment does not beckon alone to youth. It is for people of all ages. The happy life will grow upon us when we answer the question by asserting: "I will do something."

Many will agree that the very finest way for men and women who have some measure of success in the world to discharge their debt to society is by passing back their knowledge to those who are coming along in their footsteps.

It may be said thet their are five components of the happy life: health, work, interests, friendships and the pursuit of an ideal. It is necessary that you realize yourself as a whole, not in just one or another of these parts.

The person is fortunate who keeps his mind sensitized to the beauty and excitement of living, and is urged by his inner self to ask "What can I do?" The great thing is to advance, so that you feel at the end of your career that you have in some measure fulfilled the potentialities that you believe yourself to possess.

Ann Landers

Dear Ann Landers: Please print the following couplet. A lot of people need to see it:

A woman, a horse and a hickory tree.

The more you beat 'em the better they be.

I call your attention to the bride who complained because her husband hit her a little while they were on their honeymoon. She said she could hardly see to write. Also he knocked her teeth a bit crank-sided. The bride ended her letter by saying, "Please don't advise me to leave this man because I love him too much."

Actually women make better wives when they know straight off who's boss. That bride asked you not to tell her to leave the fellow because she knew her place and wanted to be put in it.

You can print my name and town if you want to. I'm perfectly willing to stand up and be counted. — XXXXXX.

Dear Hero: I wouldn't dream of printing your name and town. I'm afraid you wouldn't be standing very long.

That couplet is ridiculous. Any man who would compare a woman with a horse sounds like the south end of one going north. Why don't you do the world a favor and take a long walk on a short dock?

Dear Ann Landers: I read recently in the Virginian Pilot a letter that aroused my curiosity. It was written by a mother who was concerned because her dad insisted on playing very rough with her young children. "Grandpa" enjoyed tickling them and later the playfulness turned into punching and putting stranglehelds on the youngsters. The kids always ended up crying.

You said, "Tell your father you will not permit any more roughhousing. Then see a counselor who will explain to you why he does this to your children — if you don't already know."

I DON'T know. Please tell me — as well as your other readers who are not as well informed as you. — All Eyes.

Dear Eyes: Adults who play very rough with children, inflict physical pain, and keep at it until the kids cry, are not having nice, clean fun. They are venting their hostilities and aggressions against those children and there is nothing friendly about it.

Dear Ann Landers: My husband wears dentures — but not at home. Instead of kicking his shoes off, like most men, he takes out his teeth. He wears them only for meals and gets violent when I remark about it. This man wouldn't dare let a stranger see him without his dentures but he doesn't give a damn what I think. I'm only his wife.

What can I do to get my husband to treat me with the courtesy he would show a casual acquaintance? I can't stand to see the lower half of his face caved in any longer. Please advise. — Too Close For Manners.

Dear T.C.: The reason your husband takes his teeth out the minute he gets home is because they hurt. He should return to the dentist who made those ill-fitting choppers and insist that they be adjusted so he can wear them ALL the time.

Even if drinking is the "in" thing in your crowd, it needn't crowd you out. Learn the facts from Ann Landers's booklet, "Booze and You — For Teenagers Only." Send 50 cents in coin and a long, self-addressed, stamped envelope to Ann Landers, P.O. Box 1400, Elgin, Ill. 60120.

CRUMP Electric CONTRACTOR

615 FRASER
932-0463

ONE OF THE AREA'S VERY REPUTABLE CONTRACTORS

This firm, which has been established since 1973 is under the capable guidance of JIM CRUMP who has years of experience in Electrical Contracting.

This firm is one of the popular and successful concerns of this section, rendering a quality of personal service, which is distinctively satisfactory in its line.

They specialize in Residential, Commercial and Industrial service, electric heating and forced air furnaces.

Besides their professional background, which assures satisfaction in workmanship, you'll find business people of very high principles, who are fair and honest in their transactions and have won the confidence and respect of people throughout the area. Most of the older homes have outdated and unsafe wiring, and even houses built a few years ago are found to be overloaded at the electrical circuit. This is due to the fact, we as householders, are continually adding new electric appliances, washers, dryers, deep freezers, dehumidifiers, air conditioners, etc. These are usually plugged into already overloaded circuits. They are specialists in electric forced air furnaces, central air conditioning and electrical installation and service.

To get more satisfactory and safer use of everything electrical in your home, have the electrical system updated by CRUMP ELECTRIC CONTRACTOR who are pleased to give free estimates. This is a business we are pleased to recommend.

HAVE A FEAST . . .
START WITH GROUND BEEF

You can use less meat and still provide sustaining meals if you stretch the meat by combining it with other protein rich foods. Some of the great extenders are eggs, cheese, milk, enriches noodles and cornmeal.

Spoonbread Beef Pie

1 lb. hamburger
1 large onion, chopped
½ cup chopped green pepper
1 clove garlic, minced
1 can (19 oz.) tomatoes
1 can (12 oz.) kernel corn
3 tsp. chili powder
1½ tsp. salt
¼ tsp. pepper
½ cup cornmeal
1 cup water

Over low heat, saute hamburger, onion, green pepper and garlic in large skillet until meat is browned, about 10 minutes. Pour in the can of tomatoes corn and its liquid, chili powder, salt and pepper. Stir. Cover and simmer for 5 minutes. Measure cornmeal into a small bowl and slowly add water. Add to hamburger mixture, stirring well. Simmer covered 10 minutes. Turn mixture into 9 x 13-inch pan. Spread with cornmeal topping. Bake at 375 degrees for 40 to 45 minutes.

Cornmeal Topping

1½ cups milk
2 tbsp. butter
½ tsp. salt
½ cup cornmeal
1 cup grated cheese
2 eggs, beaten

Scald milk with butter and salt. Gradually add cornmeal. Cook, stirring constantly until thickened. Remove from heat. Stir in cheese and eggs.

Beefy Vegetable Soup

This recipe makes 9 cups. Chill any leftovers. Because the macaroni will absorb more liquid and the soup will thicken during the rest period, the dish can be reheated and served as a ground beef stew the next day.

1 lb. hamburger
1 tbsp. oil
½ tsp. salt
¼ tsp. pepper
¼ tsp. basil
¼ tsp. seasoned salt
1 pkg. onion soup mix (2¾ (2¾) oz.)
6 cups boiling water
1 can tomato sauce (7½ oz.)
1 tbsp. soya sauce
1 cup chopped celery
¼cup chopped celery leaves
1 cup sliced carrots
½ cup dried split peas
1 cup elbow macaroni
Grated Parmesan cheese (optional)

Brown meat in oil in a 3-qt. heavy saucepan. Add seasonings and onion soup mix. Stir in boiling water, tomato sauce and soya sauce. Cover; simmer for 15 minutes. Add celery, celery leaves, carrots and split peas. Continue to cook for 30 minutes. Add maconi. Simmer 15 minutes. Serve sprinkled with Parmesan cheese.

OBITUARIES

Ada Eligh

Relatives and friends throughout district were saddened by the announcement of the death of Mrs. Clifford Eligh, who passed away in the Cornwall General Hospital on Monday, February 9.

Born at Avonmore 77 years ago last November 1, she was the daughter of the late David Campbell and his wife, the former, Mary Hough.

Mrs. Eligh was educated at Avonmore Public and High Schools and a graduate of Ottawa Normal School.

Her career in the profession of teaching was a long and fruitful one. Her first school Duff's Corners, S.S. No. 10, Roxborough, near Avonmore. Later she taught in a number of district public schools, including St. Luke's School, Finch Township. For many years she was a member of the staff at the Kemptville Public School. She returned to Avonmore to round out her teaching at the Avonmore Public School.

A dedicated member of St. James United Church, Avonmore, she was the secretary-treasurer of the Sunday School. She was a life member of the United Church Women's Group.

Mrs. Eligh was also a member of the North Roxborough Horticulture Society and the Senior Citizens' Club, Moose Creek.

In 1946, she married Clifford Eligh, a well known dairy herdsmen. They lived on a farm near Finch until the time of Mr. Eligh's tragic death in 1957. At the time Mrs. Eligh moved to the Village of Avonmore.

The body rested at the Brownlee Funeral Home, Finch, where many relatives, neighbours and friends called to pay their last respects.

Rev. H. A. Funge, minister of St. James United Church, conducted the funeral service at the Funeral Home on Thursday afternoon, February 12.

Pallbearers were Raymond Cardinal, Rutherford MacIntyre, J. Cecil Canhan, John Vreiman, Fred Barkley and Walter Hare.

Interment took place in the family plot in the Maple Ridge Cemetery, Chesterville.

The many floral tributes that surrounded the casket and the many memorial donations to charities including the Canadian Cancer Society, gave some indication of the high regard in which the deceased was held by all those who were privileged to know her.

Left to mourn her passing are three sisters Mrs. Winston Gordon, (Isabelle), Dundas, Ontario; Mary Campbell, Cornwall; Mrs. Donald M. Campbell (Margaret) Seeley's Bay, Ont.; and one brother W.M. Campbell, Avonmore. She was predeceased by one brother, Daniel Campbell, of Oakfield, N.Y.

Relatives and friends attended the funeral from Dundas, London, Guelph, Brantford, Kemptville, Ottawa, Cornwall, Ingleside, Moose Creek and other centres in the area.

Lutheria MacPherson

A resident of Chesterville, Lutheria MacPherson, passed away on February 17, 1976 in Maxville Manor. She was 84 years old.

Born in Winchester Township on February 16, 1892 she was the daughter of Calvin Munro and his wife the former, Kazia Bailey.

She was predeceased by her first husband Harvey Merkley.

On May 20, 1944 she married William MacPherson, who predeceased her in December 5, 1967.

Left to mourn her passing are one daughter, Mrs. Floyd Pemberton, (Eileen) R.R. 1, Inkerman; seven grandchildren and 14 great grandchildren; one half brother, Jim Munro; one half sister Mrs. Ida Gray. She was predeceased by two brothers John and Enos Munro and two sisters Mary and Grace.

The funeral service for the United Church member were held on February 20, 1976, at 1:30 p.m. in Vice and Craig Ltd., Chesterville. Rev. L. M. Ferguson officiated.

Interment was made in Maple Ridge Cemetery.

Pallbearers were Harold Munro, Lyle Munro, Miles Munro, Edward Munro, Keith Munro, Donald Munro.

HIGH SCHOOL NEWS

This week at North Dundas was relatively quiet after the excitement of Carnival '76. Marathoners proved themselves against the lagging time. Many an enduring person lasted well into Friday morning. Entries in the beard growning contest had been waiting for the carnival for a long time. Greg Vasey "cleaned up" for the most original beard and Derek Van Gessel placed first for the bushiest beard.

Our theme the "Wild West" was well portrayed in various costumes. Bev. Strader, dressed in black and white cowboy attire, won best male costume award. Laura Holmes, dressed in a long green dress with matching hat and parasol, received the best female costume award.

The dance on Thursday night featuring "Metagensis" was a great success. Our carnival King and Queen were named at this event. They were Dave Guy and Maureen McMillan.

This year Gold House led the action and took the trophy for over all carnival as well as the snow-sculpture trophy. A very special thanks goes to Mr. and Mrs. King, Miss Dolherty and the carnival committee for a job well done.

Monday, the boys' basketball team played Osnabruck. The next day, the last game of the season was played against Tagwi. The Senior team played an impressive game only losing by one point with a score of 63-62.

The junior boys' team proved victorious with a score of 33-28. This put the Juniors in fifth place, just one from making the play-offs. Next year looks very hopeful. A much deserved thanks goes to Mr. Conlin and Mr. Paquette for coaching the Seniors and to Mr. Taylor and Mr. Wales for coaching the juniors.

An all star team was chosen from the two teams to play the Ottawa Rough Riders Wednesday night. This exciting basketball game provided a great display of skill and a few laughs. The powerful guys (the football players) were victorious 57-44. This game was staged by the Athletic Association.

A girls' gymanstic club is underway with Mrs. Barkley as its leader.

Once again the doors close on another week at Dundas.

Big game this Wednesday...

Colts all even with Iroquois after two games

Chesterville Colts got a second life in their quarter-final series in Upper St. Lawrence League Play-offs. After a 6-1 loss to Iroquois where Colts came up empty, they won the second game of their elimination round 6-4 in Cardinal.

The final will be tonight, Wednesday, and should be a real thriller.

Game one of the quarter-final best-of-three series took place in Chesterville last Wednesday night. Iroquois took Colts game away from the face off, continually dumping the puck into Colts' end and forechecking aggressively. Iroquois' Captain, Bruce Armstrong, gave his team a 1-0 lead with 3 seconds left in the first period.

Iroquois' third line accounted for three second period markers, giving them a tremendous lift as they continued to dominate. Colts narrowed it to 4-1 on a power play effort as Curt McMillan scored from Jeff LeClair and Pat Kelly.

Iroquois added a pair in the third period to skate to a 6-1 win over a flat Colts team. Iroquois outshot Chesterville 19-14 in the close-checking game.

Game two took place in Cardinal on Sunday night. The players realized two facts — they had never beaten Iroquois and this was the biggest game of the year as they faced elimination from the Upper St. Lawrence League Playoffs.

The youngsters got it all together and jumped into a 2-0 first period lead on goals by Rudy Grisel from Glen Mackler and Mark Moran from Grisel and Mackler.

K. Adams made it 2-1 as Iroquois pressed early in the second. Then with 10:40 left in the second, Ron Richards blasted one home to make it 3-1 for Chesterville. Then Rudy Grisel made it 4-1 from Richards to end the second period.

With 8:45 left in the third and Iroquois Bruce Armstrong off with a minor, Colts power play made it 5-1 as Pat Kelly scored from Grisel and Rob Wood.

To Iroquois' credit, they never gave up. With 4:45 left in the game, M. Hamilton made it 5-2. With 1:51 left Bruce Armstrong made it 5-3 and with 1:26 left K. Brown made it 5-4.

The tide had swung and Colts were in big trouble. Coaches Don Prestiss and Harold Theriault pulled their goalie and big Rudy Grisel put it into the open net with 37 seconds left to give Colts a 6-4 win.

It all boils down to Game Three in Chesterville on Wednesday night.

In exhibition play last Saturday, Colts hosted Cornwall Minor Bantam 'A's. Cornwall scored in the first minute of play as Robbie Wilkes stole the puck from Colts' defenceman Rob Wood.

Colts then went to work and Wood got even for his mistake, scoring from Pat Kelly and Ron Richards.

Cornwall scored early in the second period as Ross Deebank beat defenceman Ron Richards to give Cornwall a 2-1 lead.

It was all Colts for the rest of the game, as they pumped a total of 24 shots at the Cornwall net, to only 14 shots for Cornwall. Still, they beat Colts 2-1 in an excellent hockey game.

Icing the Story . . .

After a flat performance in Game One against Iroquois, the Colts made it a real team effort in their 6-4 win over a great Iroquois team. Standing out were three players: Rudy Grisel with 3 goals and 2 assists; Ron Richards, solid on defence, with a goal and an assist; and a magnificent performance by goalie Jeff Phifer, who went all the way handling 14 tough shots . . .

Tonight's game should be a dandy. The whole season is on the line for both teams. 8 p.m., Chesterville arena. Don't miss it.

Colts travel to Williamstown on Saturday to take part in the Char-lan Bantam Tournament. Game One sees them meet Cornwall.

Play-off Action . . .

Elimination Series — Cardinal 4, Kemptville 0; Kemptville 1, Cardinal 7.

Series 'A' — Morrisburg 5, Cardinal 2.

Series 'B' — Athens 5, Spencerville 3.

Series 'C' — Brockville 3, Prescott 0.

Series 'D' — Chesterville 1, Iroquois 6; Iroquois 4, Chesterville 6.

Atom B's win important game

The Chesterville Record Atom B's played two games over the week-end and won both of them. Osnabruck Centre provided the opposition in both games.

In the first game the final score was 3-2 for Chesterville. Osnabruck opened the scoring when D. Rupert scored assisted by S. Harris. Chesterville tied the score when Robby Hewitt scored assisted by Ronnie Stewart. Osnabruck went ahead again when Rupert scored again assisted by Harris. The local lads dug in and it paid off. Greg Kelly scored with assists going to Robby Hewitt and Angus Craig. Chesterville just wouldn't stand for another tie. Angus Craig saw to that when he scored the winner assisted by Mark Smith and Mike VanDelst.

In the second game played on Sunday at 6:00 p.m. the Chesterville team started off where they left off on Saturday. This game was a four point game ending the season for the Atom B's.

Gerald Boulanger scored first with the assist going to the hard working Sean O'Connor. Chesterville went ahead by two goals when Mark Smith scored by Angus Craig. Osnabruck got on the score board when A Bennesis scored assisted by S. Harris. Chesterville made it 3-1 when Donny Imrie scored on a break away. Greg Kelly received the assist. Angus Craig scored with a shot from the point. Rene Boulanger drew the assist on Angus' goal. Osnabruck tried for a come back when A. Bennesis scored again with the assist going to M. Metchely. Chesterville dug down and that was all the scoring.

From the Bench

With the playoffs only a week away the Chesterville team is looking great. They are passing the puck and everyone is giving a hundred percent. It seems the team is over the slump they have been in for the last few games Sean O'Connor turned in a very impressive performance over the week-end. This young star is a hard skating, corner digging player. He plays on the line with Mike Ganter and Mark Smith and this line is very powerful.

All the lines are pulling together and passing the puck. As long as the team continues to do this it looks good for the future.

Feb. 21st, the first playoff game is Saturday, when the mighty Morrisburg squad is in Chesterville. Game time is 10:00 a.m.

Drop opener

Saturday, February 21, was a tough day for the Chesterville Atom B's. On this day they were pitted in their opening play-off round against Morrisburg. The Chesterville crew failed to play like a team and Morrisburg easily won the match by a score of 4-1. Morrisburg marksmen were — M. Phillips with a pair and singles to D. Foss and P. Mason. The only goal scored for Chesterville was by Rene Boulanger with the assist going to Sean O'Connor.

Officials of the Chesterville team were emphatic when they said the Chesterville team hadn't looked as bad in weeks.

From the Bench . . .

The line of Sean O'Connor and Rene and Gerald Boulanger was the only one which played at all well. This line was the only one that made the opposition work for their victory.

Ingleside-Osnabruck Rotary meets hold discussion on Snowmobile Rally

The Ingleside-Osnabruck Rotary Club again met for its regular meeting, but last week President Ross Walker, was unable to attend so Vice-President Dalton Cleary took the chair in his place.

After the usual Treasure Island dinner, for which Jack Alguire is becoming noted, the main topic of the evening's business centred around the upcoming snowmobile rally. It was reported that ticket sales are going well and that tickets for the actual rally are moving and are available from Rotarians Dalton Cleary, Jim Zeran or Garnet Ezard, at $5.00 each.

A host of fine prizes for the competitors have been donated by area businesses and club members. An appeal was made to the club for volunteers to act as officials for the Rally. Starting points for the rally will be at the Sandtown Road, Osnabruck Centre and at Cedar Lodge.

After the Rally, a dinner and dance will be held in the Township Hall at Osnabruck Centre. Bar receipts from this affair are to be divided as follows — 50 percent to Osnabruck Township Funds, 35 percent to the recently formed Osnabruck Recreation Association and the balance, which is 15 percent, to the Rotary Club of Ingleside-Osnabruck, who are sponsoring the rally to raise funds for their Child Kidney Testing Program.

There was considerable discussion following the announcement of the only arrangements that could be made at the time and the above offer was reluctantly accepted in view of the short time available and little opportunity to make any other arrangements.

It might be a good time to point out the varying ways in which the fledging Rotary Club of Ingleside-Osnabruck has attempted to take part and try to serve the community of Osnabruck Township as a whole.

Almost as soon as the Club received its charter it took on the complicated task of assisting the Kidney Foundation of Canada in screening and testing all the school children, from kindergarten up to Grade Six. In the hopes of detecting early enough, any possible kidney ailments that could prove injurious if fatal to our children.

Out of some 450 tested, 17 were found to require immediate medical attention, which they received, and so were saved from the ravages of this little known disease. By continuous testing, every two or three years, it is hoped the incidence of kidney disease will be reduced considerably in the area.

In but two years it has become quite apparent there is a need for the Rotary Club and its community efforts . . . such as providing wheel chairs and providing comforts for those already confined to wheel chairs. Not to mention the direct financial assistance, if the committee so decided and the membership approved, to some in the community who were in need of assistance.

Certainly it would seem that the club is living up to its ideals of truth and the highest of service, both to the community and the world at large.

Upper Canada Jaycettes planning Winter Carnival

On January 14th, a general meeting of the Upper Canada Jaycettes was held in the Rothwell Public School Auditorium. The guest speaker was Miss Karen Campbell, 1976 Dairy Princess. Her talk was on nutrition, dieting and milk.

The Jaycettes group is involved in organizing the Carnival Queen Contest for the Winter Carnival.

The February 11th, meeting consisted of several activities . . . It was reported that a successful bake sale had been held on January 30th. A representative member of the Jaycettes attended the Winter Conference on February 7th, at the Jack Purcell Community Centre, Ottawa. In March a rummage and bake sale will be a Ways and Means project.

It was revealed that the Winter Carnival would run from February 26th, to the 29th with the Carnival Queen Pageant to be held on the 26th and it will be held in the Osnabruck District High School Auditorium and will be open to the public. Tickets will be sold at the door.

Business also dealing with the Carnival noted that the Jaycettes had people participating in the broomball game and the variety night.

Before closing Mrs. Carol Froats gave a Geni demonstration, which was enjoyed by all.

Ingleside Seniors enjoy Turkey Dinner make plans to take in Ottawa Ice Show

Senior Citizens of Ingleside and area held their monthly general meeting in the Presbyterian Hall, Ingleside, on Monday, February 16th, with over 60 members in attendance. Mrs. Mary Trimble presided over the meeting.

The guest speaker was Diane Carlyle, from the S. D. and G. Board of Education, who spoke concerning developing education and ways in which schools and the education system can be better utilized. People outside the school system are being asked to share their knowledge and experience with others. A book is being printed, listing the names of those wishing to participate.

The Club voted a respectable donation to the Kidney Foundation of Canada, Ottawa Chapter. In addition other business of the day had Mr. J. MacDonald making plans for a trip to Ottawa to see the Minto Follies or perhaps a similar ice show.

After the business of the meeting had been completed, a fine turkey dinner was served to the assembled crowd, by Mrs. Audrey Ostrander and her capable staff.

With dinner cleared away, the club members then spent the rest of the afternoon with various forms of entertainment, such as euchre, bridge, etc. To further entertain the Senior Citizens, Mr. Eric Rice showed slides of one of the inundated villages, Dickenson's Landing.

Miss E. LaFlamme also entertained with an informative description of the life and times of the long-departed village, to the enjoyment of all.

A Valentine's draw of gifts, concluded the afternoon's activities.

Rose Hauch comes fourth

Over the past weekend Rose Hauch, a noted athlete at North Dundas District High School, was competing in Edmonton at a National Seniors Indoor Track and Field Meet. Miss Hauch represented Ontario in the Shot Put competition.

When the final measurements were made Rose had finished in 4th place with a toss of 12.87 metres.

Hugh Conlin, a teacher at North Dundas, who over the years has doubled as coach to the school athletes, was emphatic with his praise of the individuals and groups who had contributed to Rose's trip West. He singled out Winchester Township, Chesterville Legion, Winchester 100 Club and Chesterville Rotary Club.

Mrs. E. L. Blair hosts W.I. meeting

The January meeting of the Moose Creek W.I. was held at the home of Mrs. E. L. Blair. The president, Mrs. Emery Brunet, opened the meeting with the W.I. Ode, Mary Stewart Collect and the Lord's Prayer.

The minutes of the last meeting and correspondence was read. Plans were made to attend the Osnabruck Centre gathering to hear Mrs. Harvey Noblitt, from Ottawa.

The business was discussed and Mary Montcalm and Mary Boyle were appointed to buy an article to sell tickets on.

The February meeting will take the form of a Valentine's Party and will be held in the Senior Citizens' Room.

Mrs. Blair and Mrs. Montcalm presented a fine program. Several resolutions were discussed and left with the conveners.

Mrs. Montcalm spoke on "The Teacher", which was very interesting, and left the group with a great many points and things that could be done for the young.

Mrs. Stanley MacKay favoured with a solo "How Great Thou Art", accompanied by Mrs. Jos. Flaggerty at the piano. Mrs. Flaggerty also rendered a piano solo.

The roll call was "What would you do if you were the Prime Minister of Canada?" Which brought forth many amusing answers.

Several contests were conducted, the winners being Mrs. E. Brunet and Mrs. Rose Lapierre.

Winner of the door prize was Mrs. Chester Valley.

A social hour followed and the hostesses served a delicious lunch.

Mr. and Mrs. R. H. Luimes and Mr. and Mrs. Graham McPherson spent last week-end with members of their respective families in Kingston.

The U. C. W. met at the home of Mrs. Bernice Barkley on Thursday evening, with Mrs. Hugh Barkley in charge of the program on 'Love'.

Brian Barkley, Toronto, spent 'Reading Week' with his parents Mr. and Mrs. Egerton Barkley.

Friends are glad that Mrs. Edward Herriman has returned from hospital, much improved in health.

Gregg Miltimore, Ottawa, spent two weeks with his grandparents, Mr. and Mrs. Harold McIntosh, while his parents Mr. and Mrs. Doug Miltimore enjoyed a holiday in Jamaica.

Friends are sorry to learn that Mrs. Beverly Young is a patient in Winchester Memorial Hospital.

Mr. and Mrs. Harold McIntosh spent Sunday with Mr. and Mrs. Basil Glover at Morrisburg.

Colquhoun

Mr. and Mrs. Kenneth Hummel and Mr. and Mrs. George Crawford, Chesterville, were guests of Mr. and Mrs. William Langabeer, Winchester, on Saturday evening.

Mr. and Mrs. Clayton Lawrence, Brantford, were week-end guests of Mr. and Mrs. Mark Hart.

Mr. and Mrs. James Jordan and family, Morrisburg, visited Mr. and Mrs. Clarence Countryman on Sunday evening.

Mr. and Mrs. Lorne Hess, Ottawa, spent the week-end with Mr. and Mrs. Roy Hart.

Mr. John Countryman spent a few days in New Orleans, Pa.

Mr. and Mrs. Rae Hummel and Mr. and Mrs. Fred Gallinger were Friday evening guests of Mr. and Mrs. Kenneth Hummel.

Scouts and Guides worship, leaders meet

Sunday, Feb. 22, was 'Baden-Powell Day' for Scouts and Cubs, 'Thinking Day' for Girl Guides and Brownies, 'Brotherhood Day' for everybody. On this day, the anniversary of the birth of Lord Robert Baden-Powell, founder of the Boy Scout movement, Scouts, Cubs, Guides and Brownies attend church in uniform and sit in a body with their leaders.

This year the service was held in Trinity United Church in Chesterville, by arrangement with the Chaplain, the Reverend E. Earle Eaton.

The Reverend L. M. Ferguson, minister at Trinity Church, beamed his sermon of the morning to the youth groups. "The Little Red Hen" was his subject; his text: St. Matt. 25-40. He stressed the use of talents in life.

First Chesterville Scout Troop, in charge of Scoutmaster Robert E. Gilroy and Assistant, Lyle Mcnab, had for flag bearers Allen McNab and Mark Thompson.

Cubs, in charge of Cubmaster Paul Elliott, had as their flag bearers George Armstrong and Mark MacMillan.

Guides were in charge of Mrs. Rene Moss and Mrs. Kenneth Vice. Their flag bearer was Carolyn Sullivan, with Karen Van Kessel and Diane Durant as honor guard.

The Brownie pack, in charge of "Brown Owl" Mrs. Thomas B. Rance, had as flag bearer Laura Hess, with Dawn McPhail and Patricia Rance as color guards.

The Chesterville Group Committee met Tuesday evening at Eatonholm. The meeting was chaired by Committee Chairman Robert E. Gilroy, who reported on Scout troop activities and plans. Paul Elliott, Cubmaster, gave the report on the wolf Cub pack; Carl Ward reported on badges, awards and achievement.

Refreshments were served by the host, the Reverend E. Earle Eaton, who reported on arrangements for the annual church parade, in collaboration with Girl Guides and Brownies.

Ladies Broomball...

Finish first in League

The Chesterville Ladies' Broomball Team ended up in first place in the Dundas-Grenville-Leeds League. The local team had 12 wins, 3 ties and one loss to lead the league. Cardinal finished second, Iroquois third, Spencerville fourth and Prescott fifth.

Chesterville drew Iroquois in the play-offs and the first game was played at the local arena and the Chesterville team won by a score of 2-0. Jean Ward opened the scoring on a pass from Edythe Cameron. Helen Macintosh scored the second goal, assisted by Beth Reaney.

The local girls travelled to play Iroquois on Monday, Feb. 23, and won by a score of 1-0, in overtime. After scoreless regulation time, each side had to play with three players. Jean Ward scored the Chesterville goal on a breakaway.

The Chesterville team now lead the best-three-of-five series 2 games to 0. The third game of the series will be played in Chesterville arena on Thursday, February 26th.

Honoured at Shower

A number of relatives and friends gathered at the Osnabruck Centre Hall, recently, to honour Mrs. Larry Prieur with a Baby Shower.

A nicely worded address was read by Mrs. Morley Warner and the little Misses Cindy Morgan and Angela Prieur presented Kathy with a basket of gifts.

The mother-to-be was assisted in opening her gifts by Mrs. Helen Bougie and Mrs. Lawrence Prieur.

A nicely decorated shower cake, made by Mrs. John Morgan, was enjoyed by all.

Mrs. Prieur thanked her friends for their gifts and thoughtfulness. A social half-hour brought the pleasant event to a close.

'Round the World Dining' to be featured in Chesterville

Are you wondering what to do Thursday, March 4, 1976? Well, why not come to our Food Forum in Chesterville.

What is a Food Forum? It is a demonstration of different dishes from foreign countries. The title is "Round The World Dining". We will be talking about dishes from Holland, Sweden, France, and many more. It will make for a most interesting evening.

This evening will begin at 7:30 p.m., and will be held at Chesterville Town Hall, Chesterville, Ontario. This forum is open to everyone and there is no admission fee. A recipe booklet of the dishes demonstrated is given free of charge to those who attend. This program is sponsored by the Home Economics Branch, Ontario Ministry of Agriculture & Food.

Remember, it will be a good way to learn about some new dishes and learn about some of the foods that make up our country.

Flyers defeat Mustangs keep play-off hopes alive

In a 'do or die' situation, Chesterville Midget Flyers defeated the Winchester Mustangs 3-2 to keep their play-off hopes alive.

Danny Clement opened the scoring in the first period, when he broke in alone from his left side and rifled a shot past the Winchester netminder. Winchester roared right back and evened the score on a shot by Phil Meek.

Just 15 seconds had elapsed in the 2nd period when Dave Phifer combined with Danny Clement and Kevin Blair to make it 2-1 for the Flyers. Bob Walker was outstanding in nets for the Flyers as was the defensive pairs of Dale Reid and Chris McMillan and Jeff Smith and Martin Schoones.

In the third period with just 8:05 left in the game, the always dangerous Steve Plummer evened the score at 2-2. Flyers were determined to win the game and with just five minutes remaining Lyle Servage tucked one by young Peter McLeod, of Winchester, to make it 3-2 in Flyers' favour.

The whole Flyers team played well on this occasion and team officials are hoping for a repeat performance on Wednesday night when they meet Morrisburg in the last league game. All Flyers need to gain a play-off spot is a tie, but won't settle for anything less than a win.

The fine play of the defence in the Winchester contest also compliments the forwards. As they say "team's defence is only as good as its forwards".

Russell 5, Flyers 2

Last Wednesday night, the 18th of February, the Flyers were beaten 5-2 by Russell.

In the 1st period Chesterville almost ran Russell out of the arena, but just couldn't find the handle as they missed three sure goals. Neither team scored in the first period.

Russell tallied three in the second and two in the third as they completely outhustled the Chesterville squad in the final two periods. Guy Marion, of Russell, scored a hat trick and Lyle Servage and Kevin Blair replied for Chesterville.

'Player of the Week Honours' goes to the whole Flyers' team for their hard-earned 3-2 victory against the fine Winchester team. Let's have a repeat performance against Morrisburg, Guys!

Dave Hilton, Junior Middleweight Champion of Canada and resident of Morrisburg, has signed a contract to fight Pierre Flourie, no. 4 contender for the light-heavyweight crown of the world. Hilton left Morrisburg, Tuesday, February 8th for Durbin, South Africa, where he and Flourie will meet in the 12 round main event. Davey has weathered 104 professional bouts in his career chalking up 70 K.O.'s. He has never been knocked out himself. In the photo Hilton receives the Max Award from corner-man Roger Laurier of Montreal. The Max is awarded to members of Canadian Boxing Hall of Fame. — photo by laurin-JP's.

Legion Peewees win league opener 2-1

On Friday, February 20th, the Chesterville Legion Peewees travelled to Brockville to play the first game of a two-out-of-three series in first-round play-off action.

It was obvious from the initial face off that Chesterville would not settle for anything less than a victory as they forced the play early and maintained this pressure throughout the contest. Although the Legion team had many good scoring chances in the opening stanza, only Marque Laflamme was able to capitalize on a relay from Kenny Shay.

Brockville made a strong bid to even the count in the second period, but with Chesterville receiving strong goaltending from Kevin Greer, their efforts were in vain. Before the period ended Gary Beckstead gave Chesterville a two-goal advantage on an excellent individual effort.

The third period saw the home club wilt under the Chesterville pressure and only superb netminding kept the score respectable. The game ended 2-0 in favour of the Legion Peewees, as they outshot Brockville 35-14 over the three periods.

The entire Chesterville team can be proud of this important victory as they all contributed 100 percent.

Final standings in regular season play . . .

	W	L	T	P

Brockville lost 4 points for failing to hand in game reports.

In the individual scoring race no statistics are available at the present time, but Marque Laflamme and Gary Beckstead finished 1-2 in the standings with Terry Barkley and Kenny Shay very close to the leaders.

Legion Branch 569, Long Sault

Feb. meeting well attended

Tuesday, February 17, saw another regular monthly meeting of the Royal Canadian Legion, Branch 569, Long Sault. Although it was the Post's usual monthly meeting almost twice as many were out than usual.

The minutes of the previous general and executive meetings were read by the secretary Lionel Touchette and approved by the members.

Reports were given by the various committee chairmen. Chairman Miles Hunter, of the membership committee, reported that the club now had over 151 members to date this year and expected to quickly come up to last year's membership to come two hundred and seven.

Jake Casselman gave his final report on the efforts of his Poppy Fund Drive and was congratulated by the floor for his efforts.

Sports Chairman Ivan Tinkess gave his report and hoped there would be substantial participation in sports activities within the Branch and the Zone.

For those who may be unaware of the actual way in which the Royal Canadian Legion serves its members and the community it should be noted that the Poppy Fund monies are raised for the support and maintenance of the various memorials throughout the country. Other funds raised by the Legion, in various ways, go to the support of veterans, pensioners, etc., and in the community to sponsoring sports activities. In addition the Legion provides thousands of dollars in scholarships and bursaries for young students.

In passing, it is interesting to note that although the circumstances that lead so many people into the Royal Canadian Legion, namely Canada's part in world wars, membership is on the increase yearly, particularly by the advent of young people. Too young to actually know the horrors of war, but who see in the Legion an opportunity to serve both their community and their country in a tangible way.

CLOSES DOORS —
(continued from page 1)

The number of cattle were increasing and two cheese factories were built on the concession. One north of Chesterville on the Bogart farm opposite S.S. 10 school house and operated by Harold Nottell's father for a time. The other was on the ridge the now Doug and Dave Allison farm.

In 1884 the C.P.R. was built from Montreal to Toronto and many farmers shipped their milk to Montreal by rail, then in Sept. 1916, Nestles (Canada) ltd. opened a factory where they processed some 800,000 tons of fresh milk until they ceased the milk business in August 1970. Nestle has surely played a large part in the areas advancement. The company built and maintains the dam east of the village which not only provides their water supply and is a great fire protection but it beautifies the village greatly. They have been very generous to the Agriculture Society and many community projects. They also provide employment for a large number of the residents.

About 1850-60 the horse began to replace the oxen and remained king until about 1916 when tractors began to appear. About 1870 log houses were replaced by large brick houses and the log barns by frame constructed ones. The houses and barns on these 2 farms are over 100 years old and in excellent condition, surely a tribute to the builders of that day.

The brick for my house and at least 3 others on the concession were made in a brick yard on the Smith land adjoining the Creek. The brick maker was Sam Smith nicknamed 'Red Sam' who later farmed on the Ed and Dora Smith farm.

Samuel Smith had no family so this line are all descendants of the original Ward Smith and his wife Elizabeth Servage. Over the years they intermarried with the following families to name a few: Keyes, Wilson, Fulton, Casselman, McElroy, Cross, Pitcher, Johnston, Barrington, McMillan, Morris, Smirle, McGee, Rae, Higgins, Merkley, Kirkham, Wingard, and Fawcett. The sixth generation is now living on this farm.

I am very proud of our forefathers and their achievements, and like Sir John A. McDonald once said, "Sometimes I feel they are the reality, we the shadows."
