CRUMBS from Grahams Loaf

A sign of the times is dissatisfaction with the wages paid. Locally the hired help in the village municipal field is opting for a boost in the weekly bite. The Nestlé employees have yet to settle their differences with management and Judy LaMarsh is laughing all the way to the bank.

The fat lawyer from Niffles has taken to the pen now that she is at outs with the rest of the Establishment. Seems they did not appreciate her sterling qualities so she will tell all. For a price naturally.

Fatty left her law practice, according to her celebrated memoirs, solely to help Canada get along. In spite of a Federal minister's salary, etc., of about $30,000 a year she ended up losing $25,000 because she entered politics. One is inclined to wonder what a good lawyer makes in a year.

There are some small compensations, though. When one is close to the horses' mouths, there are apt to be occasional tidbits heard that can be sold at a profit. All one needs is the preferred position to be able to hear and witness the events, then rush off a volume or two. Of course, the revelations will only deal with others, from the viewpoint of an injured innocent. Us unmarried girls have no other motive, and certainly not because the big man turns down a person's perfectly reasonable request to be made a judge.

Mis LaMarsh has proven herself to be intemperate in speech and action. Her office of trust in the government made not a whit of difference to her use of less than lady-like language in public. Her image has been more than a little blurred by her old-maidish attacks on working partners who supported her vagaries for several years.

But there is money in revelations. Some people use a crystal ball and call in the folks off the midway for a short reading. Others use the telephone and the short snicker to stir up the fun. Even reading the palm is satisfactory if enough marks are spotted by the come-on. But the person who feels trust and friendship spells profit often makes the best score of all. Miss LaMarsh certainly found a soft cushion to land on when she left the halls of government. One can only hope the scalps she has hanging in her boudoir will compensate for some of the hardships of authorship. Like lost friendships.

The poet of the Castle made his semi-annual scuffle on the scene during the past week. At the risk of calling in the forces of law and order, we will offer his deposit:

LaMarsh is on fire with a pale
blue flame,
And the stink is somepin' not
nice.
But a Liberal shriek
From the hall on the hill,
Called out the brigade in a trice.
And there at the head, up spry
from his bed
Was Greene, with sabre at charge.
When he was done, the battle was
won,
And Judy, who thought she was
a destroyer, ended up as a
garbage barge.

Council calls secret session to debate and settle salaries

Chesterville council held special meetings Thursday and Tuesday nights to discuss wages with various town employees.

Thursday night's meeting brought forth the decision by council not to increase their remuneration for attendance of meetings. It was also decided to hold regular meetings on the first Monday of each month at 7.30 p.m. They could not, however, come to an agreement about employee salaries and deferred further action to Tuesday of this week.

Reeve James Brannen, with the concurrence of council, felt that on-the-spot accounts of special meetings should not be made public. Bowing to council's infinite wisdom, the "Record" reporter, pencil and pad departed.

The following accounts were approved for payment at the meeting Thursday night:

Village Accounts

Jack MacMillan Fuels, fuel, $286.29; Receiver General, Unemployment Insurance for December, $47.22; Receiver General, income tax for C.P.P., $436.03; G. L. Graham, petty cash, $39.78; Erwin Merkley, roads, snow removal, $39; Cass and Cass, lawyers' fees, $82.50; Addressograph - Multigraph of Canada, rocker, $2.94; King Plumbing and Heating, repairs to furnace, $51.42; Jack MacMillan Fuels, fuel for hall and fire, $38.06; Wm. Liscumb, shelf supplies for office, $4; Willis Cross, hauling snow, $50; Ronald Droppo snow removal, $60; G. W. Wemerman, repairs, $586.55; Robert G. Smith, snow plowing, $162.50; Thomas Sharkey, gas, $41.93; Sullivan Bros., snow removal, etc., $1,466.50; Morrison's Service Center, gas, anti-freeze, etc., $16.35; Byshe Roe, hockey goal net, Recreation, $52.60; Fyke's Garage, $32.46; Bell Telephone, telephone accounts, $35.49; Treasurer of Ontario, apportionment of fines, $110.77; Ontario Good Roads Assoc., member fee, $15; Ontario Association of Rural Municipalities, $10; County Board of Education, balance of debenture, $3,016.71; Chesterville Hydro, January bill, $14.-74; Byers Building Supplies, $15.-16; William Liscumb, $4; Robert G. Hydro Accounts

Village of Chesterville, transfer of salaries and wages, etc., $2,100.92; Countryman Electric, services, $16; G. L. Graham, petty cash, $2.90; H.E.P.C., invoice for Dec., $6,884.12; H.E.P.C., costs for month of November, $132.44.

Mrs C. A. Graham hosts Trinity U.C.W.

On January 7, 1969, twenty members of the Evening Unit of the U.C.W. met in the home of Mrs C. A. Graham with the new executive conducting the group.

Mrs C. Merkley, leader, opened the meeting with an appropriate poem for the new year, entitled "Give Lavishly, Live Abundantly." This was followed by the Lord's Prayer in unison and a hymn. Mrs Merkley thanked the hostess and rendered New Year's greetings to those present.

Mrs J. Smith, secretary, read the minutes and called the roll and the treasurer, Mrs K. Graham, gave her report. Donations for the money shower were taken. Mrs H. Edwards assumed her duties as card secretary and Mrs G. Droppo, program secretary, announced that the February committee will be headed by Mrs B. Lapp.

A call to worship was delivered by Mrs Smith, followed by the singing of "For Thy Mercy and Thy Grace" with Mrs Graham as pianist. The offering was taken by the press secretary, Mrs J. A. Butcher.

Mrs Lapp delighted the members as she took them through the medium of coloured slides on a trip to Alaska. Scenes taken from the train going from Toronto to Vancouver, which included a forest fire, and the shoreline taken from the boat on the way to Skagway, were very beautiful.

Viewing the Indian abodes in Skagway made one thankful for comfortable living accommodations. Going by train to Carcross in the Yukon ended a very pleasant journey and Mrs Lapp was thanked by Mrs K. Graham on behalf of the group. Lunch was served by the executive.

Trout or pollock?

Hustlers were in town this week offering grey trout at 59 cents a pound. Caught, said the young man, by his uncle in the St. Lawrence.

Sadly enough, the trout does not live in the St. Lawrence. But pollock do and they can be purchased on Montreal fish markets for 10 to 15 cents a pound. The pollock is a breed of cod; anyone getting caught on the old trout-pollock gambit just may have good fish, but it is a mite expensive. Stores sell the same thing as Boston Blue fillets.

If you want to reach 90 — don't look for it on the speedometer.

Chesterville Fair Board holds annual

Chesterville Fair directors met last week to go over the books and plan for the new year ahead. Figures given by the secretary, Mrs Gerald McMillan showed the society is in good shape and gains were made in all departments last year.

President Eric Casselman presided during the regular session. A small attendance heard that over $8,000 had been paid out in prize monies to the various winners. Every class in the book showed a gain over the previous year.

Improvements of nearly $2,000 had been added to the capital worth of the grounds. These included water installations at the cattle rings and a new permanent entrance at the west gateway.

The directors decided to raise the membership fee to $2.00 in line with other societies in the district. Admission will remain at $1.00.

The secretary was directed to send off a letter to the race horse group asking that the track be kept in better condition. Some consideration was also given to having a drainage blockage corrected. Paul Monast offered the use of his backhoe at a very modest cost for the work.

A committee was appointed to plan a dinner for the fair directors and their friends in April.

Members will include new president Carl Smith, secretary Mrs McMillan, Paul Monast, Allan Clement and Keith Graham.

Mrs McMillan and assistant ladies' secretary, Mrs Dwaine Munro were rehired for 1969. They will receive $350 and $50 respectively.

The following officers were elected for the coming year.

President, Carl Smith; past president, Eric Casselman; 1st vice president, Wilburn Robinson 2nd vice president, Paul Monast; secretary-treasurer, Mrs Gerald McMillan.

Associate directors: Keith Graham, John Maxwell, Cam Thompson, Doug Keyes, Gerald Kittle, Francis Lynch, Blake Ball, Jerry Brugmans, Stan Vanden Bosch.

Single farm organization debated Stor. Fed. of Agriculture hold annual

Officially it was the annual meeting of the Stormont Federation of Agriculture at the United Church Hall at Newington, last Saturday. Unofficially it was mainly a discussion of the proposed single farm organization and how to obtain it.

Stormont county farmers left no doubt that no matter what their leadership or personal preferences, they would like to see a general farm organization created which would put the case of the farm producer before governments, or if necessary the people at large, more vigorously than either the venerable Federation of Agriculture or the lively but somewhat undiplomatic Farmer's Union seem able to do.

Dealing in part with the report of the farm income committee recently presented to the Ontario government, Hon. Fern Guindon, MPP for Stormont, urged the farmers to combine their efforts and create a stronger organization. He reminded the rural people that Stormont is considered in Queen's Park as an important segment of Eastern Ontario, which is now looked upon as one of the growth areas of the province.

"We need a good economic climate in the entire area," Mr Guindon continued. "Look at the trend in modern times toward unity in business, especially Business enterprises find it pays to unite and combine their efforts — so do professional people, government bodies and so on. It seems likely the time has come for farmers to follow the same example. The times and the cost of doing business are such that something has to be done . . ."

Mr Guindon reminded the listeners of his personal interest and association with farm and rural problems.

A general discussion of the proposed general farm organization was led by John Carley of Merrickville, a fieldman for the Ontario Federation of Agriculture. He outlined steps already taken toward the GFU in Grenville, where the Federation and part of the Farmer's Union have combined into one unit.

"I wish I could tell you that the Grenville united farmers are a big success, but I can't because it has a long way to go yet. But I do think it sets an example and it is now reaching the point where it would like to consider other counties joining. under

CPR station dies—end of era

There is little doubt that the Chesterville CPR station will become an empty shell very soon. A meeting is being held today, Thursday, with railway representatives. They will be armed with briefs explaining the economic necessity of closing the station and moving the personnel elsewhere. This will be in line with the railway's policy of closing out or shutting down those parts of the system that are patently outmoded.

It will mark the end of an era here. The trains were a large factor in the growth of the area. In other less hurried times, the CPR passenger trains were often the only means of travel away or to the village and district. From the first single line in the early eighties, doubled in the nineties, everything centred on the arrival and departure of the passenger and freight trains. The pattern of at least six trains a day stopping at the station lasted for well over 50 years. The way freights hauled in their daily loads, shuffled away to Smiths Falls or Montreal and carried merchandise and manufactured goods that now travels by truck. Passengers spent 35 cents and went up to Winchester for the day, return. It was easier than trying out the pitchholes on the old Ridge Road.

Up and down the line in this CPR region, the station houses and their crews are becoming less than economic parts of the system. Computers have taken over much of the work of station clerks, trucks lift and deliver express and freight and the station agent, a longtime fixture in the village life, has become redundant.

It will not be as difficult as one would think to change the pattern. Over the past couple of years, the big transport trucks have been doing the express and LCL freight hauling. It has taken place with hardly any dislocation. When the rail line went out of the passenger business between Montreal and Toronto, the death knell was sounded. Any time now the station will close its doors for the last time to the public.

We have a small reason to regret the passing. Back in 1894 this newspaper got its start right there in the CPR station, under the guidance of R. L. Harrop, son of the station agent. There is little doubt the first type and first newsprint were opened and examined in the station waiting room. For that alone, we will mourn the end of an era in the history of the village.

We need new wheat markets

Soviet agriculture is on the upgrade and Canada must start to look around for another wheat customer.

Good weather and the success of the policies introduced by the successors of Nikita Khrushchev have brought the grain picture to the point where Russian export competition will have to be reckoned with says a U.S.A. government study.

Poor weather was behind the Soviet grain slump of 1963-65. Other crops and livestock were hit, also. However, since 1966 the Russian grain output has averaged 33,000,000 tons annually more than in 63-65 and more than 26,000,000 tons of that was wheat.

Fertilizer, long neglected in Russia, has now come into its own and output is increasing all the time, hard put to keep pace with the growing demand.

Measures, including more economic incentives for Russian farmers, put into effect by Prem. Kosygin and party secretary Brezhnev have improved the ability of U.S.S.R. agriculture to withstand the adversities of weather and have been a major factor in raising yields and output the U.S.A. survey indicates.

Russia will continue to experience serious fluctuations in output in the future but it appears the average levels of output recently attained should be sustainable. While output may fall below them at times the upward trend will undoubtedly continue.

Indeed, Russia in the year ended last June 30 exported 5,285,000 tons of wheat which is just about the level of the early 1960s.

Peeking beyond this year's harvest, there is little to suggest that Russian agriculture will suffer any prolonged serious interruption in growth as long as the programs carried out by Brezhnev are continued.

Canada will need to be alert for new markets for the Prairie wheat crop.

Cold, calm and clear

This is the heart of winter, observes the Ottawa Journal. On a cold, calm, clear night when the moon is at the full and the sky is a bowlful of bright stars, nature paints a memorable picture. Fields and meadows, upland pastures and ridge crests brood in the eerie, soft light.

Farm homes up and down the road stand forth with sharp lines; mountains across the valley make one think of the way they look in a misty dawn. Fences are etched in pewter lines above the snow and the elms along the brook resemble grey-silver vases.

The dark, velvet-black bowl of sky seems close and the great orange-yellow moon seems to move majestically among the stars. Deep silence hovers over the countryside and the sounds of clapboards pulling from nails and a tree cracking in the woodland only accentuate the quietness of the night.

It is good on such a night for a man to put on his sheepskin coat, old cap with ear flaps and heavy mittens and go out to study the picture. Stars twinkle down to the light shafts from farmhouse windows. There is a feeling of peace brooding over the fields and hills. It is the time of the Wolf Moon and one knows that storms are coming and that winter never rots in the sky.

Mainly About People

Mr and Mrs Walter Carruthers left Saturday by plane for an extended holiday in Florida.

"Stewardship" was the sermon subject of the Reverend E. Earle Eaton, minister, at the Presbyterian churches last Sunday. "One Penny" was the title of his children's sermonette.

The Reverend E. Earle Eaton delivered the inaugural prayer at the meeting of the Winchester Township council.

The Ladies' Aid Society of St. Andrew's Presbyterian Church met last Wednesday at the home of Mrs Harold Greer.

ANN LANDERS

Dear Ann Landers: Is it possible to grow up in the same house with someone, spent 17 years together, and not really know that person?

I am a high school senior (male), and it just occurred to me that I do not know my father.W e have never had a real conversation. I can't remember that we ever exchanged views about anything, or that he ever gave me credit for having an idea worth listening to. When he speaks to me it is always in criticism of the way I am standing, what I am wearing, or some other meaningless thing — like the length of my hair or the tightness of my pants.

People think well of me (outside of my family, that is). I have always made top grades, excelled in math and biology. I cannot recall that my father has ever given me a compliment, although he seems to enjoy it when others do.

Is there any way I can get to know my father? People say he is a great guy.—John.

Dear John: If you are 17 and have never had a real conversation with your father, it is unlikely that you will ever solve the problem completely. Unless communication is established early — it doesn't happen.

I feel sorry for your dad. You sound like a lad worth knowing. I hope you start talking to your children the moment they are born. That's the time to open the avenues of communication.

* * * *

Dear Ann Landers: I am working 12 hours a day (eight hours on one job and four on another) to put my husband through medical school. I a mnot complaining, Ann. I'm glad I have the health and energy to do it. One day, when Ed is a doctor, I will have the satisfaction of knowing I helped him. Right now, I need some advice.

Ed has joined a volunteer rescue squad and he spends every Sunday and holiday at the rescue headquarters. We can't go to church together because he has signed up for Sundays. When something social comes along, he is not available.

At least once a week we get jarred out of a sound sleep—an emergency—and Ed must go. This means I get up at 3.00 a.m. or whenever the calls come, fix him coffee and eggs and get his white uniform out. He gets no pay for this. I spent $70 on his white pants and coats and shoes. (He needs two sets).

I know Ed enjoys this rescue work, but is he being fair to me? What do you think?—S.O.S.

Dear S.O.S.: Tell Ed if he wants to do rescue work, he'd better stay home and save his marriage. Since he enjoys the work so much he can get a part-time job with an ambulance service and give you some rest. When Ed is a wage earner he can donate his time to community service.

Ann Landers' new book, "Truth Is Stranger," is a collection of her best columns over the past 13 years, plus scintillating and common sense essays especially produced for this book. Available at all bookstores for $4.95.

Ann Landers will be glad to help you with your problems. Send them to her in care of this newspaper, enclosing a self-addressed, un-stamped envelope, plus 6c for postage.

THE BIBLE TODAY . . .

Near the popular Russian and Nationalist China exhibitians at the three-week International Trades and Agricultural Fair in Santiago, Chile, was a tent that seemed a little out of place. Specially treated to exclude daylight, it was being used to screen Moody Institute of Science and other Christian films and at the entrance was an attractive Bible booth under the banner "Dios llega al hombre (God comes to man) — the title of the Spanish Popular Version New Testament.

For the second year running the Bible Society in Chile cooperated with the Association of Baptists for World Evangelism to present the Gospel message to the over one million people from all over the country who visited the Fair. Two hundred and forty-six film showings were given to 30,000 people, of whom over 1,200 signified a desire to take a Bible correspondence course and 972 registered a "decision for Christ." Mr. Austin, Bible Society Secretary, reported that it was interesting to note that many of these came right away to the Bible booth to obtain a Bible, many for the first time. In all 242 Bibles, 551 New Testaments, 17,786 Portions and 1,889 Selections were sold, and a further 19,000 copies of the Selection "Jesus es poderoso" (Jesus is powerful) were given to passers-by.

Mrs D. A. Cameron

Mrs Duncan A. Cameron of Richmond, formerly of Finch, passed away suddenly in Kemptville Hospital on Sunday, December 29, in her 95th year.

Born in Sandringham, the former Ellen Mary MacGregor was the last surviving member of the family of the late James MacGregor and his wife, Catherine MacKerracher. In 1909 she married Duncan A. Cameron of Finch, who predeceased her in 1942.

She resided in Finch until 1957 when she moved to Richmond with her daughter. She was a member of St. Luke's Presbyterian Church, Finch, and a life member of the Woman's Missionary Society.

She is survived by a daughter, Mrs W. . LeGrow (Katherine) of Richmond; three grandchildren, Johnof Richmond, Eleanor of Ottawa and Walter of London, Ont.

The funeral, which was held at the Brownlee Funeral Home, was conducted by Rev W. Nesbitt of St. Andrew's Presbyterian Church, Richmond. Interment will be in the Finch Cemetery in the spring.

Pall bearers were Elburn Shaver, Hawley MacLean, John MacMillan and Hugh MacDougall.

FIND USE FOR SLACK COAL

Slack coal, once destined to accumulate in huge ugly heaps around the mines, has finally found its way into industry.

The fine powdery residue now is used by contractors to thaw the ground for winter construction of basements and foundations and installation of service lines.

Spread on straw at the construction site the coal will burn for days, thawing the ground beneath.

Slack, produced when a vibrator separates lump, stove, nut and stoker coal, sells for $1.50 a ton. Other varieties of coal bring about $5 a ton at the mine.

North Stormort - Long Sault Junior Hockey League
Berwick 5 - St. Regis 1, Williamstown 4 - Newington 1

All systems were go as members of the North Stormont - Long Sault Junior Hockey League displayed their talents in a double bill played at the Finch Community Centre on Tuesday evening, January 7.

In the opener St. Regis met Berwick Royals in a free wheeling, no holds barred game with Berwick moving in front at the eleven minute mark as Daniel Brisson beat the St. Regis goalie cleanly after taking a pass from Serge Brisson and Leonard O'Donohue. Brisson registered his second goal at the nineteen minute spot with O'Donohue and Pierre Courville picking up the assists. With the league playing its games on a two thirty minute period system Berwick batted in its third goal as the timer read 28 minutes with Serge Brisson getting the credit and the assist going to Harold Dingwall. Berwick enjoyed a 3-0 lead as the session ended.

Serge Brisson buried his second counter to send Berwick in front 4-0 after 12 minutes on a relay pass from D. Brisson and L. O'Donohue. Berwick's goaler, Jim Legue, lost his chance for a shut-out at the 21 minute spot. when Art Thompson netter a counter for St. Regis after handling a pass from Roger Bigness. Harold Dingwall tallied on a pass from Ron MacLeod in the final moments of the game for a Berwick 5 and St. Regis 1 score. Fifteen penalties were awarded with Berwick collecting eight.

In the night cap Williamstown edged Newington 4-1 in a cleanly played hard fought game. Williamstown got on the score board at the 6.30 mark as David Riddle registered on a pass from Wendell Lefebvre and Gordon MacDonald. This goal stood until the clock showed 19.35 when Steven Tait evened the score unassisted. John Tessier scored from Clem Beaudette after 22.45 minutes for a Williamstown 2 and Newington 1 score at the bell.

Wendell Lefebvre scored after 15 minutes of the final period with Joe Dupuis earning the assist, to give Williamstown the lead 3 to 1 and Bruce MacLennan made it 4-1 after hammering home a pass from Dwaine Whitford. Six penalties were measured out with each team having three.

N.S.H.L. double header played at Finch

The North Stormont Hockey League twin bill at the Finch Community Centre on Wednesday evening had Avonmore meeting Finch in the first game and Morewood taking on Berwick in the final.

Avonmore's accelerated first period drive proved costly for Finch and the score was Avonmore 7, Finch 1, as the session ended.

Bob Grant and Doug Robillard led things with two goals each followed by Bruce Grant and Don Thompson with singles. The lone Finch goal came from Osborne Shaver unassisted. Finch captured the middle frame 4 to 2 on goals by Osborne Shaver, Brian MacIntyre, Steven St. Pierre and Barry Brownlee. Don Thompson and Murray MacMillan added one each to make the score 9-5 for Avonmore.

The final period was a thriller as Finch fought to narrow the gap and at times it seemed that Mack Robillard in the Avonmore net was the reason why Finch did not forge in front. Barry Brownlee netted the final Finch marker and Don Thompson had his third goal for Avonmore just seconds before the gong. Score Avonmore 10, Finch 6.

In the night cap Morewood skated to a 5-0 victory over Berwick in a gruelling battle. A thrilling, scoreless, penalty-free first period featured end to end rushes plus spectacular saves that must have awakened memories of the days when a special train would carry crowds from Cornwall to watch the games in the new Finch arena.

Ian MacNabb put Morewood ahead as he eased one past Garry Villenuve in the Berwick nets for what proved to be the only tally of the middle period.

Morewood released a powerful attack from the start of the final twenty and the pressure first paid off after 2 minutes when Eddie Blais scored on a surprised Berwick net minder. John Kitchak made it 3-0 at the 4 minute mark and the roof lifted as the noise increased when play surged first around one net and then the other. Roy Meldrum sent Morewood in front 4-0 as the clock read 17 minutes and Ray Imrie netted the final Morewood marker just 40 seconds later. Score: Morewood 5, Berwick 0.

Bundles of bouquets should go to Peter Verhoeven and Garry Villeneuve for their superb performances in the nets and the same goes for Mack Robillard and Harvey Lalonde the Avonmore and Finch net minders.

Double header played at Finch

The name of the game was "hockey all the way" as the league leading Osnabruck Centre team met the runners up from Avonmore in the first round of a double header, played at Finch on January 9th.

The above entries from the N. Stormont - Long Sault Junior League went to work on improving their positions early in the game and the Centre went one up at the 3.20 figure on a goal by Dale Swerdfeger from Dwayne Dishaw and Dan Beaudette. Both Harvey Lalonde in the Centre's net and Ritchie McIntyre in the Avonmore net, earned rounds of applause as they turned aside shot after shot. With only ten seconds remaining in the first 30 minute period Bob Grant squared the count at one-all as he netted a pass from Dennis Jackson and Dennis Poirier.

Avonmore took the lead after eight minutes of the second period when Grant fired his second goal with Poirier earning the assist. The Centre went all out to get the equalizer and their efforts paid off after 24 minutes when Bryan MacIntyre floated the puck past MacIntyre in the Avonmore net. Both teams pulled out all the stops in an attempt to get the all important tie breaking goal and the supporters may somehow have avoided heart attacks but it is doubtful if they can whisper yet.

Only two minor penalties were issued, one to each team. This was hockey at its best and we strongly urge the fans to come to the Finch Community Centre and enjoy these fine games. Final score Osnabruck Centre 2 - Avonmore 2.

Berwick Royals tangled with Chesterville in the final round and went in front after 1.30 when Leonard O'Donohue bounced one past Dobbie in the Chesterville net. Berwick made this goal stand up until 5.08 of the second half when Dale Beckstead scored for Chesterville unassisted.

Lines were juggled, ideas were sought to break the deadlock. F. Lobb found the key at 11.30 on a pass from Bob McMillan to give Chesterville the lead 2 to 1. Lobb scored again at the 25 minute mark for a 3 to 1 win for Chesterville.

Seven minor penalties were metered out with Berwick having four. Both Legue and Dobbie, the rival goalies deserve special mention for their splendid efforts.

Chesterville, Newington take games in Junior hockey

Chesterville edged Osnabruck Centre 4-2 in the first game of the North Stormont and Long Sault Junior Hockey double header played at Finch on Tuesday, January 14. Chesterville goals came from B. Fawcett, F. Lobb, Don Monroe and D. Carkner. Max Rutley and Larry Ezard tallied for the Sentre.

In the final game, Newington hit Berwick with a 6-4 defeat. Harold Prieur led the Newington attack with three goals, with I. Marini, R. Alguire and B. Beaudette getting the singles. D. Brisson got 2 for Berwick with Ronald MacLeod and Gerry Sullivan adding one each. With only moments to go in the game, the Newington player, Jim Marini was injured and was taken by Brownlee's Ambulance Service to Winchester Memorial Hospital for examination.

Large crowd enjoys hockey at Finch

Th largest crowd of the season enjoyed high class hockey action at the Finch Community Centre on January 10th. Playing in the North Stormont Hockey League, Morewood took on Avonmore in a thrill packed, seesaw tussle where the lead changed hands every few moments.

Avonmore took an early lead as Brian Fobillard scored from N. Morrison and Gordie Robertson at the 2.30 mark. Morewood tied the score after 11.30 minutes when Rae Imrie tallied unassisted. At the 13 minute spot D. Robillard scored on a solo effort to give Avonmore the lead and ted the equalizer pust two moments later, with Raymond St. Pierre drawing down the assist. Team captain Ian MacNabb picked up a St. Pierre pass and punched it past the Avonmore goalie for a Morewood lead of 3 to 2 as the period ended.

Avonmore captured the second frame 2 to 1 on goals by Brian Robillard after 45 seconds and by Doug Robillard from brother Brian as the timer read 19 minutes. Morewood's marker came when MacNabb deposited Kitchak's hand-off with only seconds left in the round. Score 4 - 4.

Morewood enjoyed a short lived lead when Bob Williams bulged the wine after picking up MacNabb's pass at the 2.40 spot only to have Bob Grant make all things equal after 4 minutes on a relay pass that went from Murray MacMillan to John MacIntyre. Norman Morrison gave Avonmore a 6 - 5 lead after 7 minutes and just to tie the score and increase the tension, Eddie Blais banked Imrie's pass with only six minutes left in the game.

With the score tied and just minutes left no one could say which way the ball would bounce and the vocal support rocked the arena at seemingly regular intervals until Norman Morrison scored his second and the most important goal of the game as the clock read 19.40. Avonmore 7, Morewood 6. A dandy to win and a toughie to lose.

The arena management could not locate the chap who makes the N.S.H.L. three star awards and we can only guess that the first star would go to Norman Morrison for his two goals and one assist effort. The second to Mack Robillard for his showing in the Avonmore net and the third to Ian MacNabb for his two goals and one assist.

It is to the credit of all the players that only three penalties were given out with Morewood having two.

It was Finch vs Berwick in the second game of the evening and for two periods it was an excellent, well played contest.

Berwick scored first after 1.50 minutes when Winston Dingwall netted a pass from Garry Ouderkirk. John Neville replied for Finch after trapping a pass from Sterling Zeran, for a one-all showing at the bell.

Barry Brownlee gave Finch the lead at the eight minute mark with Neville getting the assist. Play went from end to end with the rival netminders saving repeatedly. The buzzer had scarcely sounded the end of the period when an area Hydro tranformer burned out and the Arena was without lights. Hydro workmen braved the 35 degree chill factor to replace the tranformer and power was restored about three hours later. Hockey officials will decide regarding the unfinished game. One minor penalty was recorded in the two periods.

Money shower featured Trinity U.C.W. hold meeting

Trinity U.C.W. began the new year with a money shower at its first general meting at 2.30 p.m., January 9, conducted by Mrs M. Johnston, the president.

After the opening hymn and prayer the following dates were established for events in the next three months: February general meeting and money shower on February 13 at 2.30 p.m.; final money shower at the general meeting on Thursday, March 13, at 8 p.m.; Spring Thankoffering on Thursday, April 3, 8 p.m.; food sale and tea, Saturday, April 12, at 2.30 p.m.

Mrs B. Lapp, in charge of the money shower, announced a satisfactory response from the joint contributions of the Evening and Afternoon Auxiliary units.

The Ottawa Journal "Cup of Milk" Fund was voted a donation of $15 and as a further gesture of help for the needy children of the world, it was decided to again adopt a child through the agency previously used.

It was agreed that the individual price of catering for banquets and receptions should be raised to $2.00 from $1.75.

Those intending to attend the church annual meeting on January 22 were reminded to bring cakes or sandwiches. Another meeting to receive atention was the Presbyterial U.C.W. executive to convene in the church hall on Tuesday, January 28, from 10 a.m. to 3 p.m. Mrs D. McElheran and Miss M. Casselman volunteered to serve coffee at noon to those present.

The literary secretary was authorized to order two China 'Pacs' and a film on China for use at the February meetings. Those having late literature or clippings relevant to the study of modern China were urged to bring it to the February meeting to share with other members.

The worship service, conducted in her usual effective style by Mrs D. McElheran, provided a challenge for the new year in areas served by the U.C.W.

A short program of instrumental music followed under the direction of Mrs P. Gilroy at the piano. The U.C.W. orchestra, composed of Mrs G. Barton (Winchester U.C.W., Mrs Geo. Merkley, Mrs Eric Casselman, Mrs Allison Graham, Mrs Don Cross and Miss M. Casselman furnished a varied fare of folk tunes, Handel and Offenbach.

Following the Mizpah benediction, a bountiful tea was provided by members of the executive.

A number of people are sick with cold or sick stomachs. We hope this bug leaves and everyone will be feeling better.

St. James U.C.W. hold January meeting

The January meeting of St. James United U.C.W., Avonmore, was held at the home of Mrs Elmer Park. Mrs Maldwyn Watkins' group was in charge of the worship service and the Christian mission, theme of which was "Toward Understanding China and the Chinese People".

The worship service entitled "Hope for the New Year", was conducted by Mrs J. M. Rielly, Mrs Elmer Park and Mrs F. C. Eligh.

Mrs Watkins introduced the mission theme and by means of prepared questions and answers proceeded to develop the topic Many interesting facts concerning China were presented to the ladies, a letter written by a Canadian housewife who visited Canton in 1966, gave a very vivid picture of life and customs in that city.

The business part of the meeting was conducted by Mrs Watkins. The minutes of the previous meeting were read and adopted. The treasurer's report given by Mrs Charles Rielly proved that 1968 had been successful financially.

Plans were made for the annual congregational meeting on January 16th and for the induction of Rev. Funge at a later date.

The meeting closed with the Lord's Prayer. A social hour followed.

Holy Trinity Ladies Guild held annual meeting Sunday

The annual meeting of the Ladies' Guild of Holy Trinity Anglican Church was held at the Rectory, Sunday, January 12, 1969.

Fifteen members heard treasurer report a financially successful year. Some of the projects undertaken by the Guild included the sponsorship of the Girls' Auxiliary of the Parish, a generous donation to the General Church Fund, as well as the insulation and the re-wiring of the Church and the renovation of the Sacristy.

Elections were held for 1969 - Mrs Shirley Coons was elected Guild Co-ordinator (president); Mrs Muriel Symonds as secretary and Mrs Elva Collingridge as treasurer. During the year six meetings will be held and a team composed of two members will be responsible for the planning and the conduct of their particular meeting. Plans were discussed for a St. Patrick's Tea to be held is the Parish Hall in March.

The March meeting will be at the home of Mrs Pauline Sharkey and will be under the direction of Mrs June Thompson and Mrs Sharkey.

Dr. J. M. (Mac) Reveler

The death of Dr. James Mc. Waters Reveler of Toronto, occurred on Thursday, January 9, 1969, after a lengthy illness in his 75th year.

He was born in Morewood, the son of the late Mr and Mrs A. W. Reveler. A graduate of Morewood High School and the University of Toronto.

He is survived by his wife May and sons John, George and Jim, Toronto. Three daughters, Eunice (Mrs R. Vince), Montreal; Natalie (Mrs J. Kearns); Lois (Mrs P. Benson). One brother Thos. Morewood; a sister, Eva, Mrs Stanley Kippen, Maxville. He was predeceased by a sister Jennie (Mrs George MacGregor).

Funeral services were held in Toronto on January 11th.

Mrs W. O. Dixon mourned

The community was saddened last week to learn of the passing of Mrs W. O. Dixon in a hospital in Cornwall. While her health had not been too good of late, her death came as an unexpected blow. Mrs Dixon was born in 1882 at Chesterville.

She was the daughter of the late Mr and Mrs Walter Bogart. In Dec., 1909, Edith Maude Bogart became the wife of William O. Dixon. They were married in Chesterville. Two children were born to the union and they with their father survive. They are Mrs Douglas B. McGee (Rae), Windsor and W. Hubert Dixon of Niagara Falls. One sister, Miss Abbie Bogart, Chesterville, also survives.

Mrs Dixon was active all her life in affairs of the community. She was an elder in Trinity United Church, president of the UCW of that church, president of the WMS and president of Chesterville Wos. Institute.

Funeral services were held Friday, Jan. 10 from Vice and Craig Funeral Home to Trinity United Church. There at 2 p.m. services were conducted by the Rev. L. M. Ferguson assisted by the Rev. D. L. Gordon. Interment followed in Maple Ridge Cemetery

Pall bearers were John McGee, Jim Dixon, Lloyd Dixon, Brock Bedford, Robt. Reynolds and Lloyd Merkley.

IN MEMORIAM

FAWCETT — In loving memory of a dear husband, father and grandfather, Fred Fawcett, who passed away January 20, 1968.
And while he lies in peaceful sleep
His memory we shall always keep.
Wife and Family.

IN MEMORIAM

McMILLAN—In loving memory of our dear father, Roy McMillan, who passed away January 6, 1967.
God knew his time had come
For the hills would be hard to climb,
So He closed his weary eyelids
And whispered "Peace be thine."
Away in the beautiful hills of God,
By the valley or rest so fair,
Some time, some day, we know not when,
We will meet our loved one there.
Mrs Stanley Black, Carl and Leon McMillan.

HOBBY TURNS TO CAREER FOR GLASS BLOWER

Looking at the world through rose-coloured glasses is all in the day's work for the travelling Friesen family.

In the spring of last year, Lawrence Friesen left his job as a high school art teacher in Wichita, Kan., to become a touring glass blower on the Canadian summer fair circuit. During the winter he gives demonstrations for service clubs and assemblies.

Now it looks as though his five children will earn their way into college with the same craft.

"I told my wife I was going to retire at 45 and I missed it by 11 days," he said. "My birthday was May 31 and I had to teach until June 10.

"From now on I just do the things I like to do."

That means blowing and bending hot glass tubing into swan-shaped vases, wishing wells and tiny figures while a crowd gathers. His wife, Rosella, or an assistant, wraps the finished articles for buyers and takes orders for more to be made. Son Wesley, 16, dons goggles and takes turns with his father at the gas flame.

Another son, 21, and daughter, 18, travelled on their own to fairs during the summer to earn this year's college expenses.

Raised in Saskatoon and trained in art at the Saskatoon Technical Institute, Mr Friesen now lives in Boca Raton, Fla., north of Miami.

The youngest children, Wendy, 11, and Timothy, 7, already use the glass-blowing equipment to make small things.

"All my life I've just done the things I enjoyed doing," their father said.

He directed a radio Bible program for 10 years, quit a newspaper job "because I go crazy facing a wall" and enrolled in a glass-blowing course at Wichita State University after seeing a Bohemian glass blower at a school assembly.

He says he can earn enough in a summer of travelling and a month's work in winter to match his teaching saalry and have time left over for his family, Bible-story illustrating and experimenting in art.

For five years before he gave up teaching, the family spent the summers at fairs and the winters in Wichita.

"I enjoy teaching," he says.

"If we don't have too-large crowds, we explain the whole history of glass.

"Glass is so fascinating you can't help playing with it."

IN MEMORIAM

STEEN—In loving memory of a beloved father, Robert J. H. Steen, who passed away January 20, 1968.
His weary hours and days of pain,
His troubled nights are past,
And in our aching hearts we know
He has found sweet rest at last.
Sadly missed and fondly remembered by Helen, Kathleen and Gill.
18

McNAUGHTON — In loving memory of a dear mother, Mrs Margaret McNaughton, who passed away January 17, 1958.
Peacefully sleeping, resting at last,
The world's weary troubles and trials are past;
In silence she suffered, in patience she bore,
Till God called her home to suffer no more.
Dorothy, Alice, Mary, Kaye and Pat.

STEAM HEAT FOR B.C. BUIDINGS

Steam heat, generated by a central boiler plant and piped to hotels and business buildings by underground piping, started operating in the downtown Vancouver area recently.

Central Heat Distribution Ltd. says its full system should be in operation this month, with two-gas-powered boilers, each costing $150,000, providing up to 100,000 pounds of steam an hour.

Central Heat's rates are fixed by the British Columbia Public Utilities Commission and businesses pay on a sliding scale. The more steam heat they use, the less proportionately they pay.

Some 3,000 feet of pipes were laid under streets for the first stage of the project. Central Heat plans to expand the system and has space for 11 of the 75-ton central boilers.

Cities with similar systems include Toronto and Seattle. Central eHat is controlled by Trans Mountain Enterprises of B.C., wholly-owned subsidiary of Trans Mountain Oil Pipeline Co.

Bell Canada makes telephone rates

Bell Canada announced recently that because of rising costs it has applied to the Canadian Transport Commission for approval of higher telephone rates and charges. The Company has asked that the new rates take effect March 1, 1969.

Under the new exchange grouping system, part of the Company's application, Chesterville will change from old rate group 4 to new rate group 3.

According to R. R. Pearson, local Bell Canada manager, the rate for individual residence service in Chesterville woud increase from $3.90 to $4.45 per month. Business service would go up from $7.05 to $9.00 for individual line service and the monthly cost of private branch exchange trunks would change from $10.60 to $13.50.

No change is proposed in the rates for customer-dialed long distance calls over 35 miles. Most calls requiring the services of a long distance operator will be higher.

The proposed rates would produce a revenue increase of about 10 per cent. Assuming they were in effect for the full year 1969, they would result in a return of aproximately 8 per cent on the capital invested in the business.

In making the announcement, Bell president Robert C. Scrivener said: "Bell Canada telephone service is not only equal to the best in quality, but also among the least expensive in the world." He pointed out that basic telephone rates have not been increased in the past ten years.

"Since 1958 when our present rate schedules were set, the cost of living has gone up 24 per cent, and the cost of operating this business has gone up too," Mr Scrivener said. "Wages, materials, taxes and the cost of capital have all soared, especially in the past three years.

"By introducing new kinds of equipment and improving the efficiency of our operation we have been successful in absorbing cost increases that have made many other companies raise their prices repeatedly. But costs are still going up, and we cannot go on absorbing them and still provide the services our customers need and expect with 10-year-old rates.

"To do our job of providing up-to-date and reliable services to the public," Mr Scrivener said, "we must have adequate financial resources. It is essential that telephone rates enable us to meet the cost of day-to-day operations and make possible the financing at reasonable cost of the necessary facilities and research."

Bell offcials emphasize that the company must spend substantial sums of money for research and innovation. This is vital not only to permit the introducton of new products and services but also to expand and improve the existing telecommunications network and meet the requrements of the public.

The company's application includes a redesign of the rate grouping system in which local rates are graduated to reflect the greater value of telephone service in the larger exchanges.

"This redesign will allow the orderly expansion of local calling areas as they grow and change," Mr Scrivener explained "within a rate group system that is uniform throughout the territory served by Bell Canada".

Clarence E. Holmes

Clarence Eber Holmes, Winchester district farmer, died suddenly January 9, in his 83rd year. He had been a resident there all his life.

Born October 18, 1886, he was son of the late Thomas E. Holmes and his wife, Adelia Howes. He married Hannah May Merkley at Chesterville on December 23, 1908.

Atom hockey now underway

In spite of the very cold weather, all four Atom teams in the local league saw action as the 1969 season got underway with two exhibition games.

The Rangers, coached by Bob Henderson, played to a 2 - 2 tie against Ewie McCadden's North Stars. Lajoie scored twice for the Rangers while David McCadden and Lorne Cook counted for the North Stars.

In Dunbar, the Bruins, coached by Bill Gibson, scored in the last minute of play to tie the Black Hawks 1-1, G. Beckstead scoring for the Bruins and Chambers for the Black Hawks.

The response at Atom registration was surprisingly strong this year and, with the increase in eligible age to 10 years, provided enough players to field three Atom teams. Adding to the coaching skills of George Cooke and Ewan McCadden is Bob Henderson who has taken over the new entry.

With the demise of the Winchester area, the Winchester Atoms are not playing in the local league this winter. So the league continues with four teams: the Black Hawks, North Stars and Rangers from Chesterville and the Bruins from Dunbar. From the results of the exhibition games the race for the championship should be close and exciting.

A young California couple took a visiting aunt for a drive and pointed out a fig tree as one of the sights.

"Fig tree!" exclaimed the elderly woman, "That can't be a fig tree."

"Certainly it is," said her niece. "What makes you think differently?"

"Well," said the aunt, subsiding a little, "I just thought . . . surely the leaves must be bigger than that."

EVERYBODY EATS TRY THESE

By Helen Graham

ARE YOU OVER-WEIGHT?

AND WHO IS NOT over-weight after indulging in holiday fare? Probably you took that extra piece of candy or fruit cake and said to yourself that it wouldn't matter as come the New Year you would go on a diet.

I do not favour any form of crash dieting which includes the current craze for getting all your calories from a few gulps of liquid plus an orange or a piece of celery. Who can continue indefinitely on meals more suitable in form to a ten-month-old baby? follow a few simple rules.

Use alit tle sel-control and

1. Review your eating habits and decide which of the more fattening items you can get along without. I decided I could do without potatoes. If you decide to eliminate potatoes remember it is not potatoes in themselves that are high in calories. It is butter and gravy you add to them.
2. Eat fresh fruit for dessert as frequently as possible.
3. Eliminate cream and sugar from your coffee. You will soon learn to like it better that way.
4. Do not eat between meals.
5. Eliminate some high calorie item from your breakfast such as jam, jelly or marmalade or bacon, or perhaps eat one slice of toast less. But do not under any circumstances eliminate breakfast altogether.
6. If your portion of meat has fat on it, trim it off.
7. Substitute skim milk for whole milk.

It is surprising how many calories can be sliced from the everyday family meals by the one who wants to lost weight. Try to do it without attracting too much attention to yourself and don't feel like a martyr. You are going to benefit by shedding pounds, feeling better and by looking more attractive.

Foods to avoid or eat very sparingly include fat meats, cream sauces, jams, jellies, honey, olives, all rich desserts, nuts, cakes and cookies of all kinds, French fried potatoes, cream soups, crackers and, of course, cream.

The important thing is to work out some long-range plan you can stick to day in and day out, a plan which will control your weight. There is very little value, and there may be harm, in trying to lose weight too quickly. To lose weight quickly usually needs drastic short - term measures which should never be carried out without a doctor's advice.

Take a dayoff once in a while from your austerity meals, but not too often. You might decide to have dessert on Sunday or eat potatoes once a week.

I should have mentioned above that butter and cheese are very high in calories and should be used sparingly, but need not be cut out altogether.

If you base your meals on the requirements in Canada's Food Rules you should not go too far astray.

Canada's Food Rules

1. Milk—Adults, ½ to 1 pint; children, 1½ pints to 1 quart.
2. Fruit—One serving of citrus fruit or tomatoes or their juices, and one serving of other fruit.
3. Vegetables—At least one serving of potatoes, and at least two servings of other vegetables, preferably leafy, green or yellow and frequently raw.
4. Cereals and Bread—One serving of whole grain cereal and at least four slices of Canada Approved Vitamin B bread with butter.
5. Meat and Fish—One serving of meat, fish or poultry or meat alternates such as beans, peas, nuts, eggs or at least three times a week each. Use liver frequently.

A fish liver oil, as a source of Vitamin D, should be given to children and expectant mothers, and may be advisable for other adults. Iodized salt is recommended.

These rules are approved by the Canadian Council on Nutrition, Nutrition Division, Department of National Health and Welfare, Ont.

St. James U.C.W. hold Christmas meeting

The Christmas meeting of St. James United Church Women, Avonmore, was held in the Sunday School room. Mrs Clair Markell's group was in charge.

The theme of the worship service was "Keeping Christmas".

Mrs Markell gave a reading entitled "What the Nativity Teaches Us". Mrs James Watson and Mrs Stanley Wert assisted Mrs Markell in the lighting of candles and by reading on the topic. Mrs Alex Armour read the Lhristmas story from the Bible. Mrs Wesley Meldurm led in prayer.

The singing of Christmas carols and a reading "Christmas Meditation" closed the service.

The business meeting was convened by Mrs Fred Barkley. The Cisiting Committee reported 154 visits for the year 1968.

A generous donation was voted to the work done recently by the Stewards of the Church.

Mrs Barkley reported that several boxes of used clothing had been given to Richard Allen to assist him in his mission work.

Members were reminded to save their nylon stockings and used stamps.

The meeting closed with a reading by Mrs Clair Markell on the history of Christmas, Christmas festivals and the observance of Christmas in many lands through the years. Mrs Fred Barkley closed the meeting with prayer.

A social hour was enjoyed during which Christmas baskets were packed.

Bert York

Bert York, 69, of 847 Second northeast, Moose Jaw, founder of York Auto Supply Company, died suddenly November 27.

The funeral service was held at the W. J. Jones and Son Funeral Chapel, Friday, November 29.

Born in Morewood, Ont., Mr York went west to Moose Jaw in 1910 and worked as a call boy with the Canadian Pacific Railway. He later worked for the Manley-Slater Ford Cars Dealers and the Alexander - Baird Automotive Dealers, now Central Motor Company Limited.

In 1932 he founded the York Auto Supply Company which has since expanded throughout the province of Saskatchewan with supply houses at Weyburn, Yorkton and Regina. He retired from active business in 1956.

Predeceased by a daughter, Lois, in 1924, his father in 1909, his mother in 1961, and three brothers, Mervin, in 1953, Harry in 1958 and Lloyd in 1905, Mr York is survived by his wife, Ethel; three sons, Jack, William and James; daughter, Mrs Betty Gomersall; 13 grandchildren, and a brother, Frank, of Victoria.

CARD OF THANKS

I would like to extend to my friends, relatives and neighbours my sincere thanks for flowers, Mass cards and money for Masses, and the many expressions of sympathy, during the bereavement of a dear husband and father, J. Henry Moss. Special thanks to Rev. Fr. Danis, Rev. Wm. W. McI. Craig, Brownlee Funeral Home and to those who sent food and helped at home.

Mrs Henry Moss.

IN MEMORIAM

OUDERKIRK — In loving memory of a dear mother and grandmother, Mrs Fred Ouderkirk, who passed away January 18, 1965.

We do not need a special day
To bring you to our mind,
For the days we do not think of you
Are very hard to find.
If all the world were ours to give
We'd give it, yes, and more
To see the face of Mother, dear,
Come smiling through the door.

Always remembered, Hiram and Sheila. 18-1

O.P.P. REPORT

Ontario Provincial Police in Dundas County last week patrolled 16,796 miles in 1,105 hours. During this time, there were 39 charges laid under the Highway Traffic Act, along with 89 warnings being issued.

Officers investigated seven infractions of the Liquor Control Act, which resulted in eight persons being charged. One person was arrested and charged with driving while his ability was impaired by alcohol. There were also two thefts and two dusturbances, along with 16 miscellaneous complaints, investigated by the Ontario Provincial Police.

On area highways there were nine property damage accidents and there were no personal injury accidents.

Magistrate's Court was busy during the past week with officers attending court in both Winchester and Morrisburg. A total of 16 hours was spent in court and 89 convictions were registered.

FARM ORGANIZATION—

(Continued from Page 1)

much the same sort of plan." he sad.

Mr Carley said that there had been expectation of a general farm organization until recently, when a convention of the Ontario Farmers Union at Kingston, seemed to reject the idea. But later it appeared there might be some hope for agreement after all, and it seemed to him that "grass roots" opinion was all for the GFU.

Taking part in the discussion and broadly concurring in what Mr Carley had to say were Bert Rombough of Newington, president of the Stormont Frmers Union Local: Delbert Fawcett of Mountain, OFU district director for the United Counties; Geo. Kinloch of Martintown, Zone 7 director for the FOA; and others.

The annual meeting was under the chairmanship of the head of the Stormont Federation of Agriculture, Lorne Alguire of Cornwall Centre. William Maginnis of Ingleside was secretary.

Reports on different activities of groups associated with the FOA were presented by Mrs Neil Blair of Dalkeith on Rural Learning; Mrs Maginnis on the Federation conference in Toronto; George Baker for the hog producers; and Donald Casselman fo the Holstein Association. Mr Maginnis read a report on health insurance presented by William Legault.

Michael Elliott of Martintown, fieldman in Zone 7 for the FOA, reported on the plan to import farm machinery from Europe under Federation auspices, saying that inquiry coupons will soon be circulated and prospective purchasers will be able to get quotations on new machinery. He indicated that if there is enough interest the FOA may bring in a ship load of tractors for Ontario.

Mr, Mrs W. N. Eamer mark 50th anniversary

On the occasion of their 50th wedding anniversary, Mr and Mrs W. N. (Nettie) Eamer were honored by their relatives, neighbours, and friends who assembled at their home in the Second Concession of Roxborough, to extend their congratulations and good wishes.

Felicitations were not limited to those who were able to attend the "At Home" last Saturday afternoon and evening but came from many well wishers, including Prime Minister Pierre Elliott Trudeau; Hon. Lucien Lamoureux, Speaker of the House of Commons and O. F. Villeneuve, member of the Provincial Legislature.

Mr and Mrs Eamer were the recipients of many beautiful gifts including those from members of their family and neighbors.

Mr and Mrs Eamer were married in the Methodist Manse in Avonmore, on Jan. 14, 1919, the ceremony solemnized by Rev. Mr Blanchard. Since that time they have resided in the Second Concession and they are among the best known and most highly respected in the community.

Mrs Eamer, the former Rettia Loucks, was born in the Ninth Concession of Cornwall Township, the daughter of the late Mr and Mrs William Loucks. Her mother's maiden name was Mary Warner.

Mr Eamer was born in the Second Concession of Roxborough, not far from where he now lives. His parents were the late Mr and Mrs Robert Eamer. Mrs Eamer was the former Bertha C. Bride.

He and his father were partners in business for many years; first in the village of Avonmore in the operation of a bake shop; an ice cream parlor ;and a farm machinery outlet. Later they went into the heating and plumbing business and in the later capacity Mr Eamer is presently identified.

For many years the Eamers were known throughout Eastern Ontario as prestige exhibitors of vegetables at fall fairs, showing at as many as 33 fairs from Peterborough eastwards in one season.

Mr and Mrs Eamer have one daughter, Eileen (Mrs Bud Mayhew), of Ottawa; and two grandsons, Garry and Vern. Mr Eamer has one sister, Miss Phyllis Eamer, Don Mills. Mrs Eamer has two brothers; George Loucks, St. Catherines; and Basil Loucks of Long Sault.

Relatives and friends attending from a distance were Mr and Mrs Floyd Warner and Miss Mary Houlihan, Massena, N.Y.; Mr and Mrs Ken Brown, Kingston; Mr and Mrs Bruce Graham and Mrs Claire Ryan, Toronto; Mr and Mrs George Beehoo, of Streetsville; Miss Brenda Merriman and Miss Sue MacIntyre, Ottawa; Mrs Effie Eamer, Mr and Mrs Wilfred Eamer, Mr and Mrs Ronald Loucks, Mr and Mrs Garnet O'Shaughnessy and Mr and Mrs George Adams, Cornwall.

MANY CREDIT SOURCES

In a recent column we took a look at farm credit, noting that any loan was sound only when it would permit us to increase our net income by more than its cost. And, we talked a little about the importance of keeping an accurate set of books that would convince the lender to grant the loan. The same set of records will, of course, help determine whether the loan will be a sound proposition in the first place.

The next important question is where do you look for credit, and what about the cost of various types. Some young farmers, of course, are able to get the credit they need privately from family members or others.

The Farm Credit Corporation and the Ontario Junior Farmer Establishment Board offer long term mortgage loans, and have skilled loaning officers able to assist and advise borrowers. The Farm Credit Corporation also handles Farm Machinery Syndicate loans for purchase of equipment.

Farm Improvement loans are short term bank loans available for a number of purposes on the farm, at a favourable interest rate. The rate is low because the loans are guaranteed by the government. But restrictions and precise specifications are placed on the use made of the loan, and the maximum amount available.

Other sources of short term loans, are credit union loans, bank notes, dealer book credit (or convenience credit as it is usually called) and finance companies.

New laws for consumer protection make it mandatory for lenders to state total cost of loans and annual interest rates.

In some types of loans, the interest is deducted in advance from the face value of the loan so you actually receive less money than you borrow. This, of course, increases the actual rate of interest you pay.

With many other loans, the interest is calculated at a set figure, of say six percent, on the face value of the loan, and on the full length of time you borrow the money for. But then you begin immediately to repay the principle in monthly installments, so that you actually have full use of the money for less time than you pay for. This raises the actual rate of interest paid.

When offered a cash discount, or an out-of-season discount, on important purchases such as implements or fertilizer, it pays to do some pencil work. Work out the amount saved in the discount and compare that with the actual cost of borrowing the money for the time necessary. Then if the discount is more than the cost of borrowing, go ahead and borrow.
