Inkerman Eliminates South Mountain

Inkerman Rockets eliminated the South Mountain Junior Hockey Team by defeating them in the first two games of their series in the Ottawa and District Play-Downs. The first game was played here last Wednesday night, with the Rockets outscoring South Mountain 9.-4. At Kemptville on Friday night, Inkerman was hard-pressed by the South Mountain team, but edged their rivals out by a 4-3 score. The Rockets' victory over the St. Lawrence League Champions earned them the right to continue on in the play-downs for the Citizen Shield and they will now play either Perth or Renfrew at the local Arena on Friday (tomorrow) evening. At time of writing the Perth-Renfrew series was not completed.

At Kemptville last Friday evening, the Inkerman team had to battle all the way. South Mountain put up a stubborn fight and proved to all that they were a great team, in spite of their defeat.

Still without the services of two of their star performers, Lowell Craig and Erwin Duncan, the Rockets did well to win the second game. Their second line was used sparingly as the players had suffered injuries in the first game and were not up to their usual form. Percy Armstrong scored three goals and Paul Lafortune one in Friday's game, while G. Routhier scored twice and R. Charlebois once for South Mountain. Nearly 1400 fans witnessed the contest.

Wednesday's Game.

The largest crowd of the season saw Inkerman defeat South Mountain 9-4 in the first game of the Ottawa and District Play-Downs, at the local arena last Wednesday evening. On this occasion, Inkerman badly outplayed their rivals and had little difficulty in registering a victory. In this game, as well as in the second game at Kemptville, the performance of Bob Ramsbottom and Ralph Hurley on the Rockets' defence was outstanding. Both boys played hard for the entire game and were easily the fastest players on the ice. For South Mountain, A. Bailey in the nets was outstanding, while Routhier, Charlebois and Yode turned in smart performances.

First Period

South Mountain, Charlebois, (Allen) 6.00
Inkerman, Hurley (Duncan, Locke) 10.00
Inkerman, Armstrong (Lafortune) 13.00
Inkerman, Armstrong (Duncan, Lafortune) 18.00
Penalties: Coates, Lafortune.

Second Period

Inkerman, Lafortune (Crowder) 7.00
Inkerman, R. Workman (G. Workman) 8.00
South Mountain, Charlebois (Allen) 11.00
Inkerman, Duncan (Lafortune Armstrong) 18.00
Inkerman, Lafortune (Locke) .. 19.00
Penalties: None.

Third Period

Inkerman, R. Workman (G. Workman) 5.00
S. Mountain, Routhier (Allen) 17.00
South Mountain, Routhier 17.50
Inkerman, Duncan (Ramsbottom, Lafortune) 18.00
Penalties: Yode, Lafortune, G. Workman.

The line-ups were:

South Mountain—Goal, A. Bailey; def., G. Thomson and N. Coates; centre, G. Routhier; wings, R. Allen and R. Charlebois; alternates, M. Thomson, J. A. Cooke, I. Thomson, D. Stewart and W. Yode.

Inkerman—Goal, R. Barkley; def., R. Ramsbottom, R. Hurley; centre, E. Duncan; wings, P. Armstrong and P. Lafortune; alternates, G. Crowder, R. Workman, B. Locke, G. Workman and J. Hume.

Letters to the Editor

February 26th, 1946.

Mr. Editor:—

Your valued newspaper is carrying notice of a vote to be taken by our ratepayers to authorize a ten year fixed assessment of the local factory property of H. S. Lannin Limited, taken over from The M. F. Beach Company Limited. This notice indicates an agreement has been entered into, satisfactory to our Council and approved by The Ontario Municipal Board at Toronto. For validation the Provisional By-law requires a favourable majority of the citizens who vote on the question. As a citizen ratepayer may I submit through your columns certain reasons why the proposed ten year fixed assessment of this Company should be approved:

1. Winchester requires industries to be prosperous, progressive and employed. It lost a growing industry through failure to grant a fixed assessment on a previous occasion. It has no convenient water and/or rail facilities to attract industries.

2. Progressive Towns with growing industries have granted fixed assessments not only to attract new industries but also to retain established ones and to encourage their expansion. Recent examples are Cornwall, Morrisburg and Matilda, and they all have better water and rail facilities than Winchester. Let us not lose what industries we now have.

3. Our citizens know that the Village's longest established business and the largest employer of labour, The M. F. Beach Company Limited, decided last year to discontinue its operations, sell its machinery, etc., piece by piece if necessary, and close down. One of our young business men, Mr. H. S. Lannin, conceived the possibility of saving the industry to the Town if the purchase of the property could be financed. He negotiated an agreement with The M. F. Beach Company Limited after arranging with our town fathers that they would assist in keeping the industry in town by entering into an agreement for a temporary fixation of general taxes conditional on continuous operation and employment of local labour. The By-law provisionally passed and duly approved by The Ontario Municipal Board now requires validation by our ratepayers. The experienced former Manager of The M. F. Beach Company states that to operate the business successfully prior to its sale required supplies in its stock yards aggregating an investment of up to $50,000.00 and outstanding Contractors' accounts around $30,000.00 in addition to operation and overhead costs of labour, insurance, transportation, etc. In view of such facts and knowing that the enterprising young men behind the H. S. Lannin Limited Firm need every encouragement financially and otherwise to make this industry a success and knowing also that well financed persons would not invest in the purchase of the business after investigating its prospects, the writer feels strongly that every assistance should be given to retain and develop this industry. A vote in favour of the fixed assessment for the Company on March 11th, next, will be a step in this direction and will confirm the action of our Council and The Ontario Municipal Board.

Yours truly,
F. M. CASS.

Winchester, February 26th, 1946.

To the Editor of The Press:

In the matter of the proposed fixed assessment for the H. S. Lannin Limited for a period of ten years.

It would appear this is a proper thing for the following reasons:—

The factory and premises have a capacity of fully three times the demand from the local constituency. To maintain essential production, it is necessary to go far afield for businenss, and especially to the City of Ottawa. To compete with the large manufacturers in the City and obtain business it is absolutely necessary that overhead expenses be kept at the lowest possible point and this will be much more in evidence in the future when the inevitable reaction will come. The competitors in Ottawa have a very distinct advantage as they are located so much much nearer the source of supply of materials required; lumber being the principle of such, the heavy trucking expenses of this from the source of supply to Winchester, and the product thereof to Ottawa increases the cost greatly, thus making it difficult to compete.

One of the large items of overhead is local taxes, which have been increased on this particular property referred to by three and one-half times as much as in the year 1941, or in the small space of four years, which contributed to the decision of the M. F. Beach Company to wind up the business.

I submit that to promote manufacturing and provide employment, the fixed assessment should be granted for the short term referred to.

Over 1000 People Attend Hundred Club Carnival

The local Arena was the centre of attraction on Tuesday evening, when the Winchester 100 Club held its annual Winter Carnival and "Night of Fun." Over 1000 people attended, and from both an entertainment and financial standpoint the event was a grand success. Over 200 people took part in the costume competition, and the race events were well filled.

Prior to the start of the program, the many spectators were welcomed by Centurian Leroy Boyd. who acted for Centurian Erle Helmer, president of the Club, who was unable to be present due to illness. Centurian W. F. Workman then took over the microphone as announcer, while Centurian R. D. Wylie looked after the distribution of prizes.

The judges for the costume events were: Dr. Howard Justus, of Chesterville; Mr. Spurgeon Boyd, of Vernon, and Mrs. Earl Morgan, of town.

Splendid music during the evening was provided by the Winchester Band, under the direction of Mr. Frank Hogaboam, and by phonograph records amplified through Messrs. J. L. Dixon & Son's loud speaker system, operated by Centurian Gordon Rice.

Featuring the program was an exhibition of fancy skating, presented by two members of the Minto Skating Club, Ottawa, Miss Marjorie Mahood and Mr. Andrew Maclennan. These two young artists delighted the audience with solo and duet numbers and their efforts were heartily applauded. Due to some misunderstanding at the Minto Club, these were the only two skaters available. That there were not more was no fault of the 100 Club Committee.

In addition to the clowns and other comedians in costume, plenty of comedy was provided during the evening by two skits, put on by local business firms. The first was presented by Mr. Hart Melvin and members of his garage staff, assisted by Musicians John Burke and Teck Summers, and members of the Winchester quartette. An ancient model of the Buick species of automobile hauling a flat bottom sleigh, on which a tent was erected, was the setting for this bit of comedy. The boys did well and their act drew plenty of laughter.

The second skit, presented by Mr. Walter MacDonald and his boys, was a scream from start to finish. This act comprised a number of cow-hands trying to rope a pre-historic species of animal—a beast with an extremely long, flexible neck. The interior of the animal consisted of Walter, himself, at the front, and Jimmy Lennox at the rear. The announcer was Ormond McConnell, and the ropers were Ross McConnell and Ralph MacPherson.

Adding to the enjoyment of the evening was a sing-song, led by Centurian Sheldon Robinson, who was also heard in a solo.

Prize Winners.

Prize winners in the various events were as follows:

Best Child's Costume—1st, Reggie Fetterly; 2nd, Frankie Libera.

Local business men who donated merchandise and money for the Carnival Prizes were: Messrs. C. R. Robinson, W. J. L. Boyd, Gerald Helmer, Jas. Crawford, Erle Helmer, W. F. Workman, G. H. Reynolds, Raymond Summers, Allan McIntosh, Henderson's Dairy, A. W. Duncan, Earl Morgan, Smith's Drug Store, Allen Summers, Hart Melvin, Alex Davidson, John Burke, Hy. Bessin, J. H. Keyes, McKercher Bros., J. L. Dixon, H. L. Flora, Jo-Anne Shoppe, W. C. MacDonald, Martin Fader, Fennell Feed Co., Fred Deeks, R. M. Elliott, Harold Lannin, Art. Hitsman, Cass & Cass. The value of these donations was $55.00.

To these business men, the 100 Club Committee extends sincere thanks for their liberal donations, also to the Rink Directors for the use of the rink, and to all others who assisted in making the Carnival such an outstanding success. Special thanks is extended to the many spectators who attended the Carnival, and to those who took part in the costume events and races, also to Messrs. J. L. Dixon and Gordon Rice for the use of the loud speaker system and to the Band for providing music.

The 100 Club Committee, who arranged the Carnival Program, consisted of Centurian Howard Fetterly, chairman; and Centurians R. Wylie, Lloyd Kenney, Harold Lannin, W. F. Workman, John Burke, J. L. Dixon, Waler MacDonald, Harold Helmer, W. J. L. Boyd and Chester Robinson.

Gunner Knudsen's Song Recital Thrills Local Music Lovers

Those who heard Gunner Knudsen, the celebrated Danish Tenor, from Toronto, at the local Baptist and United Churches on Sunday last, and during a special program in the United Church on Monday evening, enjoyed a musical treat that eclipses anything ever presented in Winchester.

Gunner Knudsen's rendition of several Sacred Classics was a rare treat, and the thanks and appreciation of local music lovers goes out to Rev. Robt. Dick, pastor of the local Baptist Church, for making his appearance here possible.

Gunner Knudsen was accompanied during Monday evening's program by Mr. Ray Hopkins, United Church organist and choir leader, who contributed several pipe-organ selections which were also greatly enjoyed. We will leave further comment on this event to our local poet, who has composed the following poem as a tribute to Messrs. Knudsen and Hopkins:

* * * *

OUR MUSICAL TREAT

In year forty-six, on February two five,
Two musical artists who sure did contrive
A programme of song, which tickled the ear
Of all music lovers, who came out to hear.

The singer was Gunner Knudsen by name,
For singing the Gospel has won him-self fame;
His selections of song were of a high grade,
Impressions from mem'y soon will not fade.

The twenty-third Psalm he sang to the air
Of Bells of St. Mary, went well I declare;
But when the strains of Holy City arose,
Vibrations we felt from head to our toes.

He sang quite a few, but naught could compare
With that grand old spiritual: "Were You There?"
When they crucified Christ, the picture he drew
As he pictured the mob ere our Saviour they slew.

The pianist next we'll mention in brief,
Who did his part well as a player is chief
To play an accompaniment as very few can,
He too, like the singer, is a wonderful man.

We watched with delight his fingers that flew
He surely displayed his musical skill,
O'er the keys of the organ, piano keys too;
It seems that his fingers move at his will.

And now we do hope these talented men
Meet soon to proclaim the Gospel again;
And Rev. Dick, who stressed his point well
Our example as Christians while we on earth dwell.

—J. Reoch, Winchester.

BIRTHS

At Winchester, on Tuesday, February 26th, 1946, to Mr. and Mrs. Wilbert O'Neill, a son.

At the Grace Hospital, Ottawa, on Wednesday, February 27th, 1946, to Mr. and Mrs. Nelson Docksteader, a daughter.

Citizens to Vote on Fixed Assessment By-Law on March 11

As will be noticed by an advt. which has been published in the Press for the past two weeks, and which today appears on Page 5 of this issue, the property owners of the Village of Winchester are to be given an opportunity to voice their approval or disapproval of By-Law No. 675, a by-law setting forth the terms and conditions whereby the firm of H. S. Lannin Limited, successors to the M. F. Beach Co., Limited, will be granted a fixed assessment for a period of ten years. According to the By-Law, the assessment is to be fixed at $10,000.00.

When Mr. Lannin purchased the Beach Plant, it was with the understanding that the Council would submit a By-Law fixing the assessment, to the ratepayers.

As is not probably too well known, since the equalized assessment plan was adopted in the United Counties, the taxes on this property sky-rocketed to approximately $1200.00 a year, in comparison to about $400.00 under the previous plan of assessment.

Whether the property owners are willing to have the assessment fixed so that the amount of taxes will be reduced. or whether they want it to remain as it is, is the question to be voted on at the polls on Monday, March 11th.

We will not attempt to outline the reasons why you should vote for or against the By-law. We feel that the property-owners are intelligent enough to make their own decisions in that regard. We would suggest, however, that you read and digest the text of the By-Law, which appears on page 5 of this issue of the Press, and come out to the polls on Monday, March 11th, and record your vote, one way or another.

Citizen Shield Finals Start Here On Friday Evening

The first hockey game of the Citizen Shield Finals will be played at the local arena on Friday (tomorrow) evening, when the Inkerman Rockets take on either Perth or Renfrew, whichever team wins out in that series. Renfrew won the first game on Saturday night and Perth won the second on Tuesday night. The third and deciding game was played last night. The second game of the Citizen Shield Finals will be played on Monday evening in either Perth or Renfrew—and at present we believe it will be Perth.

The Citizen Shield Finals this year promises to provide keen competition, but the local team can be depended upon to battle right to the end, although the Rockets will still be short two of their best players, Lowell Craig and Erwin Duncan, which is unfortunate.

NOTICE TO HOCKEY FANS

Hockey fans who would like to accompany the Inkerman Rockets to either Perth or Renfrew for the second game of the Citizen Shield Finals on Monday next, March 4th, should contact either Mr. Lloyd Laporte, at Inkerman, or the Press Office, Winchester. Arrangements are being made to have Chartered Busses make the trip to either town, and as only a limited number of fans can be accommodated, all those wishing to go must procure their tickets before 6 p.m. tomorrow (Friday) evening. Tickets are now on sale at the Press Office. The rates are $3.00 return if the game is at Perth, and $3.50 if at Renfrew. The busses will leave Winchester at 3 p.m. on Monday regardless of where the game is played. The Rockets will put up a better fight if they have the support of a good crowd of fans. They are deserving of your support, so plan now to attend the second game.

NO CHANGE IN MAPLE RATION

Price schedules and ration regulations covering sale of the 1946 output of maple products will remain the same as those governing distribution of the 1945 crop, the Prices Board has announced.

During the main producing season from March 1 to May 31, each valid sugar-preserves coupon is good for the purchase of two quarts (80 fluid ounces) of maple syrup, or four pounds of sugar. After May 31 the coupon value of maple syrup returns to its normal level of 48 fluid ounces per coupon, but coupon values for sugar remain unchanged throughout the year.

Prices are the same as last year on sales to consumers.

ATTENTION, FARMERS!

Corn King Live Stock and Poultry Conditioner will give you better results and more value for your money than any other Stock Feed on the market.

TOWNSHIP SCHOOL AREAS

Violently opposed in many municipalities at the time of its introduction and still regarded with anything but favor in many of them, the Township School Area is, nevertheless, making marked progress and promises soon to become the established order of rural school administration in the greater part of the province, says the Brockville Recorder and Times.

This programme made scant headway before the war. Before 1938, indeed, there were but 15 of these areas in Ontario, representing an administrative amalgamation of 83 sections. Progress thereafter was relatively slow with 15 new areas in 1938, 43 more in 1939, 26 in 1940, 31 in 1941, 35 in 1942, 22 others in 1943 and 61 in 1944. But last year no fewer than 147 of the areas were formed and the total now stands at 395 involving at least 2,330 school sections.

The largest of the areas formed last year were in Leeds and Grenville counties. There is now one school board for all the 28 sections of the township of Elizabethtown and another for 22 sections of the township of Augusta. Oher areas established in this district include Oxford (17 sections), Matilda (20 sections), Bathurst (15 sections) and South Crosby (12 sections).

It would appear from a study of the progress being made from year to year upon the establishment of these areas that the larger unit of rural school administration is becoming increasingly popular with country and village people who realize that the benefits derived from it by schools and their pupils far outweigh any loss of purely local autonomy that may be suffered through its formation.

Already numerous improvements in rural schools have been effected in various municipalities, or parts of municipalities, where the area principle of administration has been adopted without adding to the burden of the taxpayer. As time passes, we may expect to hear of the introduction of many more of them until finally the rural school becomes a much better and more modern institution than it has been for many years and something in which the community may take real pride.

THE BLUE CROSS HOSPITAL PLAN

The Ontario Blue Cross Plan for Hospital Care ranked third among the 86 Plans in Canada and United States with regard to growth during 1945, according to figures released recently by C. Rufus Rorem, director of the Blue Cross Commission of the American Hospital Association, at Chicago. Rorem reported a total membership of all Plans of 20,000,000 on January 1, 1946, and a growth of 164,000 during 1945 by the Ontario Plan, to bring the Provincial enrolment to 537,000. Only the New York City and the State of Massachusetts Blue Cross Plans added more members last year than the Ontario Plan.

This achievement during 1945 makes the Ontario Blue Cross rank eleventh in size among all Plans. Other Plans reporting gains of 100,000 or more members last year, were the state-wide or metropolitan areas with headquarters in Newark, New Jersey; Milwaukee, Wisconsin; Indianapolis, Indiana; Philadelphia, Pennsylvania; St. Louis, Missouri, and Pittsburgh, Penn.

Growth of other Canadian Plans was as follows: Maritime Provinces, 71,000, exactly doubling previous enrolment, and reaching 142,000 total; Quebec, 62,000 to total 155,000; British Columbia, 31,000 to reach 63,000; Manitoba, added 23,000 to rank second among Canadian Plans with 193,000 members at year end, Rorem reported.

In commenting on Dr. Rorem's announcement, N. H. Saunders, Director of the Ontario Blue Cross Plan explained:

"Plan for Hospital Care was inaugurated with the approval and co-operation of the Ontario Deparment of Health and made possible by the splendid co-operation of the public general hospitals of Ontario.

"It is a non-profit community service in the public interest, to enable groups of employed persons to provide hospital care for themselves, their wives and children by means of prepayment of small monthly subscriptions.

"This Plan exemplifies the principle of self-help without compulsion and meets the high standards of sponsorship, economic soundness, enrolment growth and administrative efficiency to be officially approved as a Blue Cross Plan by the American Hospital Association's Blue Cross Commission."

The local 100 Club has introduced the Blue Cross Hospital Plan to its members and if 40% of the members are willing to take advantage of the plan, it will be adopted. It is a splendid type of Hospital Insurance and the rates are reasonable.

PEACE GARDENS

The seed catalogues are here again. Gayer than ever. More enticing. Petunias more ruffled. Marigolds more flashing. Tomatoes firmer. Squashes larger. Corn sweeter. Cucumbers more prolific.

So suggestive of promise are the alluring descriptions that almost are we persuaded to continue our Victory Gardening, that during the lean years help to replenish our empty food baskets. Nor has the need ceased with the firing and fighting. The world needs food, quantiites of it. Food prices are rising. All of which points both to the privilege and necessity for even larger plans for this season's gardening. Once again let us put our hands to the hoe.

Peace Gardens, we shall call them, and pray they fruitful be.

WHEN A MAN'S A MAN

It isn't the name or the money
That really makes the man;
It's the one with grit and punch enough
To say—"I will, I can."

It isn't the brains or the talent
That puts you on through life;
It's the way you use the ones you have
That helps you win the strife.

It isn't because you're handsome
That folks will admire you;
It's because you're really fair and square
In everything you do.

It isn't because you've honor
Or power to command;
It's because you're willing to use your tools
And lend a helping hand.

It isn't the one who never lost
That really becomes a man;
It's because you've pep and cheer enough
To say—"I will, I can."

EDITORIAL NOTES

New 1946 model cars have made their appearance in some of the local garages. Makes our pre-war cars look a bit older. If we only had a priority and the purchase price!

The Council's snow-removal policy is to be highly commended. No village in this district has streets that are kept in better condition than those in Winchester.

Improper parking of vehicles on some of the streets of Winchester is causing complaints from citizens. No fault is found with the average motorist parking his car for a time but rather with those thoughtless individuals who park their cars in front of private driveways.

"Bobby," said the teacher. sternly, "you know that you have broken he Eighth Commandment by stealing John's apple?"

"Well, miss," replied the unrepentent boy, "I thought I might just as well break the Eighth and have the apple as break the Tenth and covet it."

What world-shaking consequences would ensue if, by mutual consent, the time, energy, and intelligence, the money and materials, being spent on atomic research were now going into united efforts to feed, clothe, house, and rehabilitate the millions of men, women, and children who have suffered through war.—Christian Science Monitor.

The Inkerman Rockets, having been declared Champions of the Central Ottawa Valley Junior Hockey League, are now participating in the Ottawa and District Play-Downs for the Citizen Shield. They eliminated South Mountain in the first round and will now take on the winners of the Perth-Renfrew Series. In extending our congratulations to the team on their achievements to date, we wish them every success in future games and hope that they will again become holders of the Citizen Shield. The team has been well managed by Mr. Lloyd LaPorte and to him we also extend words of commendation.

DAIRYING RETURNS

(Niagara Falls Review)

That there is a decline in cheese and butter production in Canada is not surprising, for farmers who sell milk and cream to make these articles can make only about 10 cents an hour for the labor involved.

PRICE TOO STEEP!

(Brockville Recorder & Times)

Small tins of chicken piled on retailers' shelves at 59c a tin with few buyers prove that there is, after all, a limit to what consumers will pay for their food needs, especially when they can buy a whole chicken for about double that price.

TIME TO WORK

(Kemptville Weekly Advance)

Now—not in two or three months time—is the time to work for success in school work, and parents, by careful encouragement, can do much to help their boys and girls hold up their heads with pride in their work when examination results are made known.

ONTARIO CAN HANG HEAD IN SHAME

(Hanover Post)

The number of illegitimate births in Ontario is simply appalling. One baby out of every twenty is born in shame to the parents, not the child. No other province in the Dominion has such a large proportion of children born out of wedlock. And yet we pride ourselves as being Canada's premier province. We can well hang our heads over this type of leadership.

THE VICIOUS CIRCLE

(Almonte Gazette)

The vicious circle—every strike that raises wages beyond a reasonable level has its back lash in higher prices charged for the commodities affected.

The strikers themselves must pay for the fruits of labor in their own and other lines. The question is how much better off will they be in the end? If they get an increase in wages of 15 per cent. it is bound to be reflected in the cost of goods they help manufacture. The idea that all these pay boosts are coming out of the mythical profits made by so-called "big business" is about as sensible as the assertion that money grows on trees.

The truth of this homely reasoning is obvious and will be proved in a most painful way within the next decade. It has been demonstrated before, on many occasions in the world's history, and the last time was from 1930 to the year of our Lord 1939 when war ensued.

LIFE WITHOUT BANNERS

To give kind words to one who is not kind,
And cheerful words to those who find life grey,
And words of wisdom to one needing help,—
This is our gift to offer day by day.
Homage to him, whose brave deeds are ignored,
And words of sympathy, for loss of friend,
Forgiving words, when we have been betrayed,
Ourselves alone, our lives can mar or mend.
To kneel before the Cross, we helped to shape,
Built out of bliss and rapture, grief and tears,
As wise men brought their gifts, we lay them down,
The words and thoughts and acts of all the fears.

—Dorothy Sproule.

WHAT IS HOME?

Some folks are ashamed and apologize
For the things they do not own,
For the lack of those conveniences
Their visitors have known.
But it is not the kind of heat you have
Or your new electric comb—
It's the people who live in that house of yours
That makes the place a home.

It's you we come to visit with
And not your rugs and chairs;
Household stuff is bought and sold
Almost anywheres;
But the fellowship of kindred souls
Is gold that must be mined,
And through the heat of passing years
Cherished and refined.

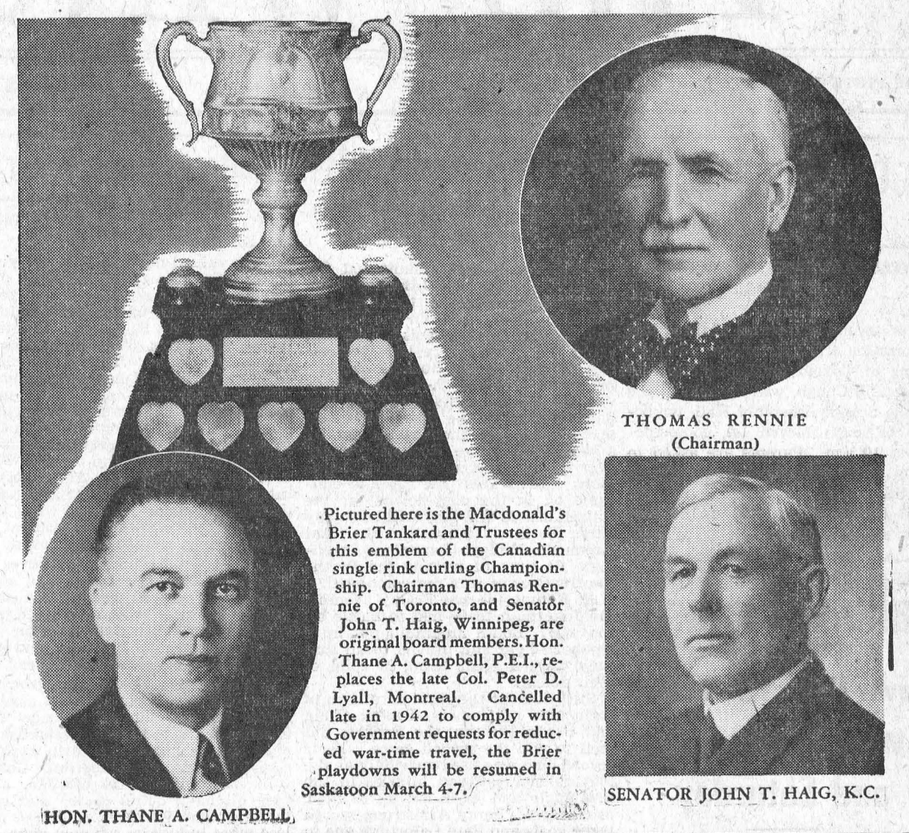
Don't knock the things around your house,
Don't rate your house so low
Because your things can't quite compare
With millionaires', you know.
We're not concerned with what you have—
The honey in the comb
Is you—we come to see the folks
That make your house a home.

MOUNTAIN RED CROSS

The regular packing and exeecutive meeting of the Mountain Township Red Cross for the months of January and February was held in the I.O.O.F. Hall in Mountain on February 14th, with the vice president in charge. The units were all represented. The quotas are almost completed and the units are asked to endeavor to finish up all the odds and ends of materials on hand before the next packing on March 14th. There was some discussion regarding the securing of members to carry on in times of peace. It was finally decided to disband as a Township Red Cross Branch on March 14th.

The following articles were forwarded to Toronto: 30 quilts, 4 crib quilts, 1 pr. ladies' gloves, 7 boys' sweaters, 5 pr. knee stockings, 1 pr. infants' leggings, 25 pr. children's mitts, 4 pr. boys' mitts, 2 pr. seamen's socks, 26-inch; 4 pr. service socks, 5 pantie dresses, 18 girls' undervests, 11 gauze diapers, 16 pr. boys' shorts, 1 pr. long trousers, 2 coats, 2 hats, 3 pr. pyjamas, 2 men's shirts, 5 bonnets, 4 pr. shorts, 3 skirts, 1 blouse, 1 dress and 6 complete layettes.

Canadian Curling Trophy



THOMAS RENNIE
(Chairman)

HON. THANE A. CAMPBELL

SENATOR JOHN T. HAIG, K.C.

Pictured here is the Macdonald's Brier Tankard and Trustees for this emblem of the Canadian single rink curling Championship. Chairman Thomas Rennie of Toronto, and Senator John T. Haig, Winnipeg, are original board members. Hon. Thane A. Campbell, P.E.I., replaces the late Col. Peter D. Lyall, Montreal. Cancelled late in 1942 to comply with Government requests for reduced war-time travel, the Brier playdowns will be resumed in Saskatoon March 4-7.

BUILDING WASTE

Builders should realize that there are many who assert that their methods need to be modernized. Much needless waste of material takes place in the erection of homes even to-day. Also, there are too many small contracting firms, many of them with inadequate resources, engaged in cut-throat competition—indeed, it is said that they are as numerous as doctors.

BIBLE QUESTIONS ANSWERED BY THE VOICE of PROPHECY

INTERNATIONAL BIBLE BROADCASTER

Question—Why does the Bible call the heathen King Nebuchadnezzar God's servant?

Answer—Because he fulfilled God's word in carrying Judah into captivity because of their sins, and in executing God's announced judgments on other nations. (See Jeremiah 27:6-8.)

Q.—Why does my preacher say that religion concerns my habits as well as my soul?

A.—Because it's true. Read Romans 12:1: "I beseech you therefore, brethren, by the mercies of God, that ye present your bodies a living sacrifice, holy, acceptable unto God, which is your reasonable service." See also 1 Corinthians 3:16, 17.

Q.—Should we give Christ honor as we do the Father?

A.—Let us read John 5:21, 23: "For as the Father raiseth up the dead, and quickeneth them; even so the Son quickeneth whom He will. . . . That all men should honour the Son, even as they honour the Father. He that honoureth not the Son honoureth not the Father which hath sent Him."

Q.—Did they have any kind of postal system in Bible times?

A.—In some places, and at some times. In Esther 8:10 we read of letters sent "by posts on horseback, and riders on mules, camels, and young dromedaries." The Roman Empire had an imperial postal system operating over the highways for which Rome was famous.

Q.—Do you believe that Jesus came in the flesh?

A.—The Bible says, in Hebrews 2:14: "Forasmuch then as the children are partakers of flesh and blood, He also Himself likewise took part of the same." And again we read 1 John 4:2: "Hereby know ye the Spirit of God: Every spirit that confesseth that Jesus Christ is come in the flesh is of God."

Q.—Why do you quote from the prophets of the Old Testament as well as from the New Testament?

A.—Because both the Old and the New Testament are the Word of God, and the Spirit of Christ spoke through the Old Testament prophets. 1 Peter 1:10, 11: "Of which salvation the prophets have enquired and searched diligently, who prophesied of the grace that should come unto you: searching what, or what manner of time the Spirit of Christ which was in them did signify, when it testified beforehand the sufferings of Christ, and the glory that should follow."

On Friday afternoon, Feb. 22nd, the school was entertained by a Literary Society program, put on by Grade X. The master of ceremonies was Harry Keyes. The program consisted of a song by the Second Form boys' choir with Ethel McConnell at the piano. A short play was then presented by Bill Crummy, Roy Fawcett, Stanley Robinson and Mora Lee, with Harry Keyes as narrator. Ethel McConnell recited a very interesting monologue.

The programme also included the play, "Sister Sue," which was postponed from the Commencement Exercises. The cast was as follows: Sue, Christine Stewart; Mabelene, Barbara Fennell; Carol, Murla Holmes; Mr. Marsh, Allan Carkner; Mr. Spencer, Bill Lindsay; Mrs. Spencer, Marjorie Crummy; Radio Announcer, Harry Keyes.

Other items were: a Folk Dance by Winnie McKercher, Orion McIntosh, Marjorie Nesbitt, Marion Guy, Melba Barrett and Irene Steele; and a playlet involving school gossip was enacted by George Hanes, Bobby Duncan, Estral Swerdfeger, Evelyn Campbell, Joyce Biccum, Mora Lee and Percy Armstrong.

The meeting closed with God Save The King.

On Tuesday, Feb. 19th, the five principle fibers of well-known fabrics was demonstrated to the Women's Institute by members of Miss Todd's Grade Ten Home Economics Class. Barbara Fennell was in charge, and was aided by Ethel McConnell, Murla Holmes, Marjorie Crummy and Marion Guy. Barbara also demonstrated the treating of a tea towel to aid in keeping silver clean. Ethel added another interesting fact —the making of furniture polish.

HINTS FOR THE HOME

Bristles

If the bristles of the brush are not stiff enough, dip in a strong solution of alum, saturating thoroughly.

Gilt Frames

Gilt picture frames can be very effectively cleaned with a solution of water in which onions have been boiled.

Tough Meat

If a little vinegar is added to the water in which tough meat is cooked, it will make the meat far more tender.

White Garments

When laundering white garments, they will never take on a yellow appearance if a little kerosene is put into the washing water.

The Coffee Pot

The coffee pot will keep sweet if salt is sprinkled in it and rubbed well around the inside with a damp cloth. Then rinse with boiling water.

Mending Gloves

It is best, before mending a hole in the glove, to buttonhole around it carefully with the finest needle you have. Then catch together the buttonhole edge.

Sanitation

Do not pour milk out of the bottle until the top of the bottle has been carefully wiped. This is where the germs and dust collect more than on any other part.

Bath Towels

White darning cotton, instead of ordinary thread, should be used to mend the bath towels. The mended place will not be so conspicuous, and the repair will last longer.

Sagging Floors

If the floors have sagged rather badly and a crack has appeared between the baseboard and the floor, remove the beading around the bottom of the baseboard and lower it.

Pockets

When sewing pockets on house dresses or aprons, double a small piece of the material and place it underneath at the top of the pockets. They will not tear so easily when caught on things.

Boiling Clothes

Five minutes of actual boiling is usually enough to give clothes a good color. If boiled too long, it has a tendency to turn the goods yellow. The juice of one lemon added to the boiled will help produce a real whiteness.

Preventing Odors

Left-over vegetables, such as cabbage, cauliflower and onions, will give the whole icebox an unpleasant odor if placed in it uncovered. Put them in receptacles with close-fitting covers before putting in the refrigerator.

SYNOPSIS OF BY-LAW NO. 675 of the Village of Winchester

By-law No. 675 of the Village of Winchester is entitled—"A By-law fixing the assessment upon the property of H. S. Lannin Limited in the Village of Winchester for a period of Ten Years and authorizing the execution of an agreement between said Company and said Corporation in respect thereof."

The By-Law recites an agreement between the Village and H. S. Lannin Limited to fix assessment and taxes on the real estate, buildings, machinery and plant of H. S. Lannin Limited in said Village for a period of ten years.

The By-law, passed Sept. 17, 1945, enacts that the Village, by its Reeve and Clerk, duly execute the said agreement and that the same shall take effect when ratified as provided by Statutes in this behalf.

The Agreement referred to in the said By-law provides:—

(1) THAT the Company during the term of the fixed assessment, namely from January 1, 1946, to December 31, 1955, continuously carry on its manufacturing business in said Village except for such periods of cessation as are reasonably incidental to the nature of the Company's business or such as may be caused by strikes or other circumstances beyond the control of the Company.

(2) THAT the Company during said period, with exceptions for strikes, legal holidays and similar reasons, continuously employ at least twenty-five persons in its said plant.

(3) THAT during said period the Company insure its factory, plant, etc., up to an amount approved by the Corporation. In event of loss by fire or other agency, wholly or partially destroying the factory, the Company must at once proceed to rebuild or restore or repair its destroyed or damaged property in order to be entitled to continued partial exemption from taxes for the balance of the term of fixed assessment provided.

(4) THAT if the Company ceases to carry on its business upon its lands and premises for any cause prior to December 31, 1955, it shall not be entitled to any fixed assessment or partial exemption from taxes from and after the date of such cessation of business.

(5) THAT the lands of the said Company in said Village affected by the agreement are those owned and occupied by the said Company and comprising, Village lot number ONE HUNDRED AND TWENTY ONE and PART of BLOCK "E" and LOT number NINE and PART of BLOCK "P" ALL South of Main Street in said Village of Winchester according to the registered Purvis plan of said Village.

(6) THAT the Company agrees to an audit of its books by an officer of the Corporation during each year of the said period necessary to enable the Corporation to ascertain the number of employees continuously employed by the Company during each of the said years.

(7) THAT the Corporation, subject to the approval of The Ontario Municipal Board and of the electors of the Village, agrees that assessment of the lands and premises described in said agreement together with all buildings, residences, plant, machinery, etc. thereon, and all other municipally assessable property thereon shall be FIXED for all purposes including business assessment (but NOT including taxation for school purposes and local improvement taxes) at $10,0000.00 for each of the years 1946 to 1955 both inclusive; but the said lands and premises, etc. shall be annually assessed during said period of ten years in the normal manner and the taxes rated thereon for all purposes shall be entered duly on the Collector's roll from year to year during said period but the said rates including business tax (but excluding taxation for school purposes and local improvement rates) shall not be collected during any year of said period of ten years other than on the sum hereinbefore fixed UNLESS the Company shall have made default under this agreement in which event the whole of the taxes for the year in which such default occurs shall immediately become payable but the Company shall not be subject to any other penalty for such default.

NOTICE

TAKE NOTICE that the foregoing is a true synopsis of By-law No. 675 of the Corporation of the Village of Winchester (and of a certain agreement referred to in said By-law made between the said Corporation and H. S. Lannin Limited) which will be submitted to the votes of the qualified electors of the VILLAGE of WINCHESTER on the ELEVENTH day of MARCH, A.D. 1946, between the hours of NINE O'CLOCK in the forenoon and FIVE O'CLOCK in the afternoon at the following places:—

Poll No. 1—in the Council Chamber, Town Hall.

Poll No. 2—in the Clerk's Office, Town Hall.

AND TAKE NOTICE THAT on the 4th day of March, A. D. 1946, at TEN O'CLOCK in the forenoon, at the Clerk's Office in said Village, has been fixed as the time and place for the appointment of persons to attend at the polling places, and at the final summing up of the votes, by the said Village Clerk.

AND TAKE NOTICE THAT the TWELFTH day of March, A. D. 1946, at the hour of TEN O'CLOCK in the forenoon, at the said Clerk's Office, has been fixed as the time and place for the Clerk of the said Village to attend and sum up the votes given for and against the said By-law.

AND TAKE NOTICE THAT the said By-law No. 675 has been approved by The Ontario Municipal Board by its order dated the Ninth day of November, A. D. 1945. AND that a copy of the said By-law and of the said agreement are open for inspection at the office of the Village Clerk during his office hours, to all qualified electors of the Village of Winchester entitled to vote on money by-laws.

AND TAKE NOTICE that if the assent of the said electors is obtained to the said By-law, it will be taken in consideration again by the Municipal Council of the said Corporation at a meeting thereof to be held after the expiration of one month from the date of the first publication of this Notice, and that such first publication was made on the 14th day of February, 1946.

AND TAKE NOTICE FURTHER that a tenant who desires to vote upon the said By-law must deliver to the Clerk of the said Corporation, not later than the tenth day before the day appointed for taking the vote, a declaration under The Canada Evidence Act, that he is a tenant whose lease extends for the time for which the fixed assessment is to be granted and that he has by the lease covenanted to pay all municipal taxes in respect of the property of which he is the tenant, other than local improvement rates.

DATED this 7th day of February, A. D. 1946.

Sgd.) E. M. SHAVER.
Clerk of the Village of Winchester.

OBITUARY

LATE MELVIN BARCLAY

Following a severe stroke, the death of Melvin Barclay occurred on Sunday, Feb. 17th, at his home at Glen Becker. Deceased had been in poor health for some time, and was a son of the late Mr. and Mrs. Moses Barclay, of Dunbar, where he was born eighty years ago. Most of his life was spent at Winchester Springs until twelve years ago, when he moved to Glen Becker, where he resided until his death.

The funeral was held on Tuesday at St. Andrew's United Church, Williamsburg, where an impressive service was conducted by Rev. Gerald Fee. During the service, the choir sang: "Does Jesus Care," and "Nearer My God To Thee."

Surviving are: his wife. the former Nettie Willard; five sons, James, of Mille Roches; Charlie, of Spencerville; Anson, of Morrisburg; Harry, of Saskatoon, Sask., and Willard, of Toronto; six daughters, Mrs. Elgar LaSelle, Chesterville; Mrs. Jack Mallory, Madrid, N. MODERN ETIQUETTE

1. Would it be good manners for a girl to ask her dinner partner for a cigarette?

2. What would be a suitable phrase for a wife to use when introducing her husband to another woman?

3. Is it obligatory to tip a servant in a home where one has spent a single night?

4. What would be the best way to go about making up the list to whom wedding invitations are to be sent.

5. Are salted nuts and bonbons included among the regular dinner courses?

6. Whom should one select to act as a chaperon?

Answers

1. Yes, if her dinner partner is forgetful enough not to offer her a cigarette without this reminder. 2. "Mrs. Barns, may I introduce my husband to you?" 3. It is customary to do so if the servant has done some special service. 4. The preferable way is for the bride and the bridegroom to make up this list together, consulting the parents of both families. 5. No; the nuts and bonbons are passed from time to time. 6. Any married woman.

Aunt (inspecting jumper): "And did my little niece knit this all by herself?"

Betty: "Yes, Auntie, all except the hole you put your head through, and that was there when I started."

THIS is the *post-war period* NOW!

Dominion Textile IS HELPING CANADA AND CANADIANS TO MEET THE PROBLEMS OF THIS PERIOD BY:

1. Giving year-round employment to thousands of Canadian men and women; we employ 30 per cent. more now than before the war.
2. Paying wages which total more than twice the 1939 payroll.
3. Producing and delivering a steady stream of cotton goods for Canadian consumers, even more than the great quantities we turned out in pre-war times.
4. Guaranteeing, as a result of our years of experience, a peak of quality and durability in these materials.
