Charity challenge

Shannon Halpenny (front) and Marge Phillips (back) were among the 60 people who came out to sweat some pounds off for charity at last Friday morning's Aerobic Challenge held at North Dundas District High School. This first-time event raised a total of $4,667 which will help fund the Victorian Order of Nurses and the Community Cancer Support Network.

Bursaries dropped, councillor takes over

by Derek Puddicombe

METCALFE — In order to cut costs, Osgoode Township has taken away its financial support for a $150 bursary to Osgoode Township and St. Mark High School students.

The Osgoode Township Award, handed out each year at both schools' commencement, was given to students who excelled at their studies and who provided exemplary student leadership.

The issue came up at council March 18 when Councillor Doug Thompson read a letter from resident Gord Reaney who is disgruntled about the dropping of the bursaries.

He says if the township can spend thousands of dollars to send staff on conventions it can afford to spend $150 on an award that recognizes the ability and leadership of township students.

Councillor Dale Harley says the cut was not directed at the schools — the township has been reducing grants to every organization it supports for the last two years because of the decrease in grants from the province.

"It's a tough decision because we would like to help everyone out but where do you draw the line?" asked Harley.

"As unfair as it sounds, it's the fairest way of doing it, that way we don't show any favoritism."

What the township can do, added Harley, is give the organizations which have been cut, some direction as to where they can go for additional funding.

Reaney does not accept the township's excuse that it's the province's fault because of financial restructuring and downloading of costs onto municipalities.

Two die in car accident

GREELY — A mother and her seven-year-old daughter are dead following a head-on collision on March 25.

At about 7:30 pm, Terri Klatt, 29, of Osgoode and her daughter Stephanie, died instantly when the family's northbound Mercury Sable collided with a truck driven by Daryl Hoelke, 46, of Kars on Stagecoach Road outside of Greely.

Hoelke was not seriously hurt. Klatt's four-year- old son Brent was taken to CHEO with minor injuries. Both children were in the back seat of the vehicle at the time of the accident.

According to police, the roads which were slippery due to the afternoon's snow and rain, may have been the cause of the collision.

Neighbors said the family moved into a newly-built home in Osgoode last year.

Stephanie Anne Klatt was a Grade 2 student at Castor Valley Elementary School in Greely.

Terri Lynn Klatt was a secretary and receptionist for an Osgoode Township chiropractor. She is also survived by her husband Steve.

Chesterville uncommitted to amalgamation

Sandra Dillich
Press staff

CHESTERVILLE — The fate of Chesterville is still up in the air.

After a two-month recess, the North Dundas Restructuring Committee (NDRC) met last Thursday evening (March 27) to discuss some of the finer points of amalgamation.

"We haven't called any meetings because Chesterville hasn't agreed to amalgamate. Why call a meeting when not all of the parties are willing to participate?" asked Winchester Township Reeve Claude Cousineau.

"We passed a motion at last Wednesday night's (March 26) council meeting that we were not in favor of the counties' proposal," added Chesterville Reeve Jim Cook. "Peter Van Kessel and myself were originally authorized to study amalgamation and that is what we are doing."

At Thursday's meeting, the NDRC voted in favor of forming a transition committee instead of a transition board to report to the new amalgamated council.

"The committee has to take all recommendations back to their respective councils for approval," said Chair of the NDRC Larry Gray, noting that it lacks the authority to make decisions on its own.

"It's important that our councils stay informed and the only way to do that is to bring it (information) back to them," noted Cousineau.

According to NDRC Clerk, Bonnie Dingwall, a transition board has authority to spend, hire and fire as they see fit.

EMERGENCY SERVICE

The municipalities are also looking into the duplication of street names and how it affects emergency responses.

According to United Counties' Clerk Ray Lapointe, each municipality could retain their duplicated street names, however, they would have to add the municipality's name to it — Main Street/Winchester.

"There are some places where it might be advantageous to make some changes to street names," said Cook.

RETURNING OFFICER NAMED

Village of Winchester Clerk-Treasurer/Administrator Bonnie Dingwall was appointed the Clerk/Returning Officer for the upcoming municipal elections.

"Because Bonnie (Dingwall) is our reporting clerk for the restructuring committee, it only makes sense she be appointed the returning officer for the upcoming election," said Cousineau.

According to Dingwall, the other three clerks in North Dundas did not want the position.

"I would have much preferred it if another clerk had come forward... but I don't want to leave the area with no one doing it," she said.

The next meeting is slated for April 24 in Mountain.

SD&G ambulance attendants trained to administer drugs

Stephanie Wolfe
Press staff

WINCHESTER — Ambulance attendants in SD&G are now administering drugs to patients in their homes before transporting them to the hospital.

Ambulance attendants in SD&G, Prescott, Russell and the city of Cornwall were recently trained to administer five drugs to patients who are suffering from angina, asthma, diabetes and allergic reactions.

"In the rural areas, it can take 10 to 15 minutes to get to the (closest) hospital. Everyone will still be transported to a hospital, but by administering drugs (at a patient's home), it could mean 15 minutes less of brain damage," says Dr. Brian Young, medical director of the associate base hospital program in Cornwall.

The attendants will administer the following five medications: Ventolin for asthmatics, Nitroglycerin for chest pain and angina, ASA for patients who are possibly experiencing a heart attack, Glucagon/Monojel for diabetics, and Epinepherine for acute allergic reactions.

"The most common drugs we will administer will be Nitroglycerin and Ventolin," says John Guthrie, one of four full-time ambulance attendants in Winchester. "We think this is a good move and hope more advances are coming."

Warm weather cuts short maple syrup season

Stephanie Wolfe
Press staff

VERNON — Tucked behind a private residence on Springhill Road, Winston Bellinger and Milton Robinson wait patiently.

It's 6:30 am on Thursday, March 27, and the temperature is approaching zero degrees. After 12 days of long-awaited anticipation, it's finally time for the first boil.

This is one of the worst seasons for maple syrup producers, say Bellinger and Robinson, owners of Springhill Road Sugar Camp.

"It's just too warm," says Bellinger. "Last year, we started to boil (the sap) on March 14. Ideally it should be plus four (degrees) in the day and minus four at night."

Bellinger examines the three-quarter empty buckets hanging from some 100 maple trees.

"You can hear them (the sap running) but it's a few drops only," he says.

Unlike the 11,000 maple syrup producers in Canada, Bellinger and Robinson are fortunate. They do not rely on their sugar bush to generate income.

"We just do it recreationally, strictly as a hobby," Bellinger explains. "We sell some syrup but only to friends. It's a hard business because you are dependant upon the weather."

A typical maple season lasts from mid-March to mid-April. On average, most maple syrup producers gather enough sap during this time to make about 32 gallons of syrup.

Once the red buds fall off the trees in early spring, the season is over. At this point, the sap develops a bitter taste due to the chlorophyll in the trees.

TOP PRODUCERS

Canada produces about 70 per cent of the world's pure maple syrup, while the United States produces about 30 per cent.

Quebec dominates the Canadian market with 9,000 maple syrup producers. There are 2,000 producers in the rest of Canada, in New Brunswick, Nova Scotia and Ontario.

Most producers tap hard maple trees which have a high sugar content. On average, 40 gallons of sap gathered from hard maples produces one gallon of syrup.

Some sugar bushes use soft maple trees, but due to their lower sugar content, they take more sap to produce one gallon of syrup.

• continued on next page

Vernon's Winston Bellinger (left) and Milton Robinson of Springhill Road Sugar Camp, say the warm weather has resulted in one of the worst seasons for maple syrup producers.

Press Photo — Wolfe

Top in reach

MAPLE RIDGE — They are on their way to the top sporting an undefeated record.

After winning six zone competitions and two regional matches, the *Reach for the Top* team from North Dundas District High School will compete at the provincials in Toronto on May 2 and 3.

"They are probably one of the best teams we have had in a long time," said one of the team's coaches, Val Gibson. "They are very committed, extremely supportive of one another, and work well (to complement each other's) strengths and weaknesses."

To advance to the provincials, North Dundas defeated North Grenville 540 to 80, and Brockville 360 to 240 at the regionals on Thursday, March 27.

"They practice between five to seven times a week," Gibson said. "They go through old games and practice. Each student has an area of (expertise) such as political science and world leaders."

Gibson believes the team has the ability to advance to the nationals in Vancouver in mid May.

In the past eight years, the *Reach for the Top* team at North Dundas has competed at the provincials seven times.

In 1991, the team won the provincial competition and advanced to the nationals where they placed second.

This year's team consists of Jonathon Holtz, Heather McGuire, Miles Hanscombe, Dave Pruner, Tyler Patterson, Gordon Dean and Steve Bossel.

Thompson may seek mayor's chair

by Derek Puddicombe

METCALFE — Osgoode Township Councillor Doug Thompson says he expects to run for mayor if there is a fall municipal election.

Those interested in running for mayor or councillor could begin registering yesterday.

However, the province has yet to make a decision regarding the motion by regional councillor Brian McGarry asking the province to delay the election so regional government and the 11 municipalities can reach a consensus on the amalgamation issue.

Mayor Lloyd Cranston says an announcement from the ministry of municipal affairs is expected this week on whether or not there will be a delay.

In the meantime, Thompson says the rural municipalities have a lot of work ahead of them, referring to the governance debate in Ottawa- Carleton.

Thompson says he has been bothered lately by the lack of direction the mayors' forum has shown regarding amalgamation and would give it a stronger voice if he were mayor of Osgoode Township.

The forum was created so the mayors could stay in contact with each other after they were taken off regional government in 1994.

"I want to play a more active role and work to improve the relationship between the mayors and regional government," added Thompson. "If I were mayor, I would take a more vocal position and try to better represent the voice of Osgoode."

Cranston says if there is an election in the fall, he expects to run again but it's too early for anyone to make a decision because of the uncertainty of a fall election.

"No one should be getting excited yet because you don't know if you are running for mayor of Osgoode or Osgoode-Rideau. Who knows what will happen?" said Cranston.

Russell Rec re-opens Youth Centre

Stephanie Wolfe
Press staff

RUSSELL — Youths in Russell once again have a place to spend their spare time.

The Russell Recreation Association has re-opened the village's Sport and Youth Centre, after it stood idle for the past eight months.

"We have hired three people to supervise the centre," said Larry Fisher, Recreation Association facilities and program manager.

Fisher explained the centre was forced to close due to a lack of volunteers available to run the facility.

"There were some difficulties with the hours people could devote to it," he said. "The summer student left in the fall and there was nobody to take over."

Last year the centre was open from May to September, and offered a variety of activities such as board games, pool, cards, and outdoor skateboarding.

Elizabeth O'Gorman-Smit was hired by the Russell Recreation Association to supervise the centre this year.

"We are looking for feedback from the kids to see what they want at the centre," she said. "We are planning a leadership skills program and inviting some guest speakers."

The centre is open Friday evenings from 6 pm to 11 pm, Saturday from 11 am to 11 pm, and Sunday from 11 am to 5 pm.

For more information, contact Larry Fisher at 445- 2050 or Elizabeth O'Gorman-Smit at 445-2802.

Easter winner

Holly Bouck won a plush rabbit as well as $175 worth of gift certificates from local merchants when her name was drawn in this year's Winchester Merchants Easter Word Puzzle contest. Holly's name was drawn from the 17 correct responses of *Plush toy rabbits*.

Press Photo — Dillich

Teachers, board resume dialogue

Stephanie Wolfe
Press staff

CORNWALL — High school teachers in SD&G and the public school board have returned to the negotiating table.

The SD&G Public School Board announced last Tuesday (March 25) that contrary to the teachers' beliefs, it would not unilaterally alter working conditions.

"The board has said that it would not alter working conditions and it wishes to continue to negotiate," said board chair Maria Thompson.

"Everyone is willing to begin talks again and we are anxious to get some settlement."

After mediated negotiations between the teachers and the board broke off on March 19, the teachers had threatened sanctions against the board, including a strike vote for April 3.

Both sides stress negotiations with a mediator remains the preferred option.

The 362 English and French high school teachers in SD&G have been without a contract since August 31, 1995.

Among several issues, the teachers want the board to restore the salary increments which were withheld from them during the former NDP government's social contract.

Continued from the front page...

Bursaries

"There has to be some foresight and room for movement on matters like this," said Reaney. "Students need this type of support."

However, Reaney is encouraged by Thompson's recent announcement to privately give $100 to each high school to make up for the loss. Thompson, a teacher at Blossom Park Public School, says the only criteria he has attached to his bursaries is that they be awarded to students who are from the township.

"I think that students should be recognized for their studies and outstanding ability," said Thompson who added he understands the financial constraints the township is feeling.

"Somebody has to come in to fill the void and that's what I'm doing."

Ambulance

This most recent increase in responsibility for ambulance attendants is part of a three-step, $15-million provincial initiative to ultimately give them the same responsibilities as paramedics.

Last November, 73 attendants were trained to treat cardiac arrest patients in their homes. In March, they learned to administer the five drugs and eventually, will be trained to give intravenous injections, take blood samples, treat severe wounds and perform any other procedure expected of paramedics.

The eight-hour training on administering the drugs cost the provincial government $20,000. It will cost the government an additional $7,000 a year to maintain supplies of the medications.

Sugar bush

Proper tapping does not harm maple trees, nor does it stop a tree's growth, say maple producers. However, tapping trees that are too small, or putting too many taps on trees does cause problems.

Trees under 10 inches in diameter should not be tapped. From 10 inches to 18 inches, one tap is recommended. Tapholes should be about two and a half inches deep.

A maple tree may be large enough to be tapped when it is 50 years of age, and if the tree remains healthy, it could be tapped for more than 100 years.

"You really are not hurting the tree at all," adds Bellinger. "For a foot tree, you are only taking 10 per cent of the sap from the leaves."

Once syrup is gathered from the trees, it is boiled into maple syrup.

HISTORY OF MAPLE PRODUCTION

According to the Encyclopedia Britannica, maple production was discovered by the natives in north-eastern North America who passed on their knowledge and techniques to the early settlers.

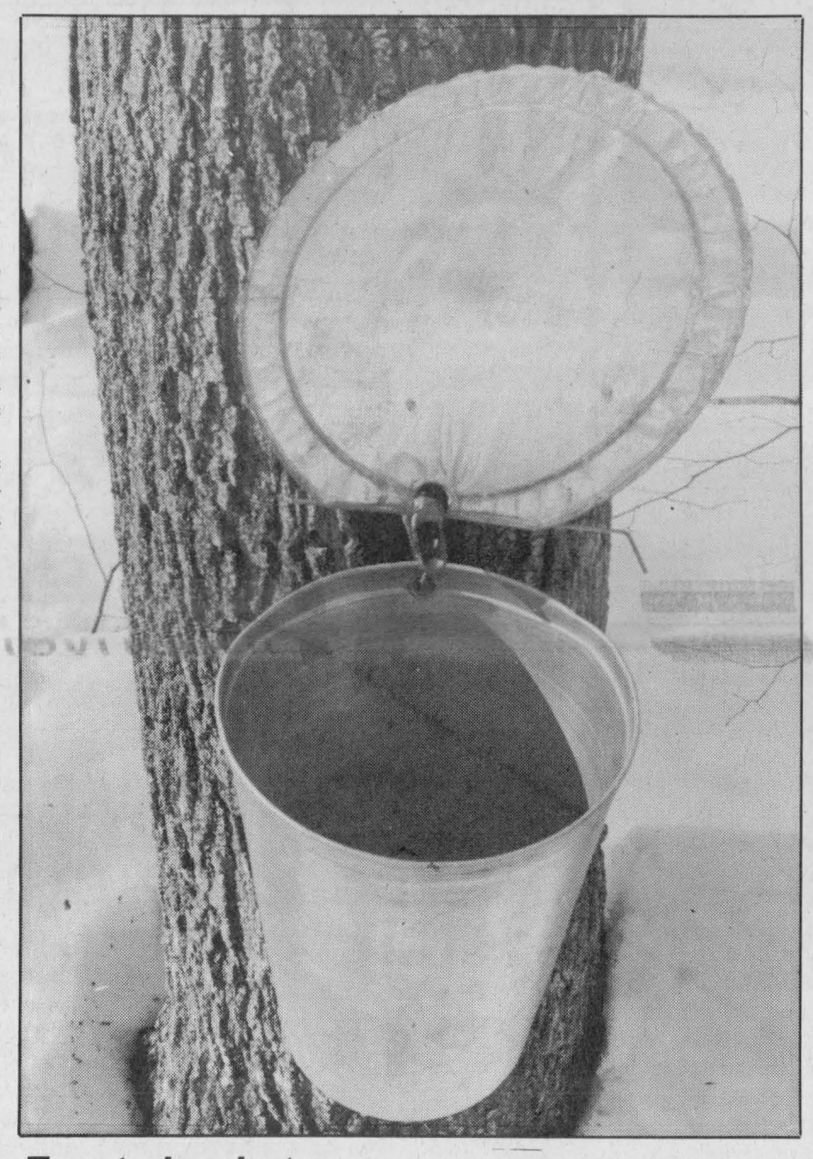
Sap was first collected in birch bark containers, then in wooden buckets and finally in metal buckets, and was then boiled in either green birch bark containers, earthenware pots, metal kettles, flatpans or fluepans.

Today, hooded evaporators made of stainless steel are used and are usually fired by wood, but sometimes by oil.

In the late 1960s and early 1970s, plastic tubing systems were developed to collect sap efficiently. One person can now collect the same amount of sap with a tubing system that it would take five people to collect using buckets.

SUGAR BUSHES

There are a number of things which can impact negatively on the health of a sugar bush: insects such as the maple borer, orange humped maple worm, forest tent caterpillar, pear thrips and gypsy moth; wildlife such as porcupines and squirrels; and domestic animals.



Empty buckets

The sap is not running well at area maple sugar bushes due tc the warm weather.

Former resident receives Whitton Award

Sandra Dillich
Press staff

OTTAWA — Environmental activism has its rewards.

Former Winchester resident Wendy Earl recently received the Whitton Award for her work with *Adopt-A-Riverbank*.

"I was taken by surprise because it was totally unexpected. There were a lot of other people just as deserving," said Earl.

Earl was among 31 recipients of the Whitton Award which is named after Ottawa's first female mayor, Charlotte Whitton. The award recognizes Ottawa residents who volunteer their time in a manner which benefits the community.

Environmental activism is not new to Earl who has been involved with environmental protection for the past seven years.

"I had some friends interested in water issues and we came together at a time when there was a city-wide problem," she said.

"Water and river issues were my main focus at first. The municipal elections were coming up then and we managed to make it a big issue at that time. It was on the agenda of most politicians," noted Earl.

In 1992, Earl and her husband, an employee with the Canadian International Development Agency, moved to Ethiopia for three years.

"It (Ethiopia) was an eye-opening experience when you lose your water resources. Getting water was a daily issue," she added. "We have a lot of water in this country, therefore, we are very wasteful of it."

When Earl returned to Canada in 1995, she renewed her work in environmental issues.

"I wanted to become more community oriented... Our focus now is that we can't expect the government to keep the water clear and keep our environment healthy," she said.

Earl said she started *Adopt-A-Riverbank* after a friend saw signs on American highways regarding picking up litter.

"She had the idea of 'why don't we treat our waterways and the land beside it the same way?' So then we started *Adopt-A-Riverbank," she added. "We're trying to make it region-wide and include the watershed because they don't stop at the municipal boundaries."*

"In addition to promoting the environment in the area, I'm a Guide leader and house league soccer coach. I love outdoor activities... hopefully we'll see an upswing in environmental action."

"Perfect face"

Shooting for the stars

Sandra Dillich
Press staff

WINCHESTER — Move over Kate Moss and make room for Winchester's Ashley Kerkhof.

Twelve-year-old Ashley has recently taken the plunge into the world of glamor and stardom.

Within the first eight months of Ashley's career, she has won one model search and has earned herself a trip to the International Modeling and Talent Association (IMTA) convention in New York this July.

"I want to work in commercials and magazines," she said.

Last summer, it was Ashley's grandmother who put the modeling bug in her ear.

"My grandma saw this thing in the paper about modeling and she wanted me to go into it and I did."

What Kerkhof's grandmother saw was an open call answered by hundreds of potential models hoping to be discovered.

Kerkhof immediately signed with Angie's Models and Images in Cornwall and is currently preparing for her first photo shoot.

"Ashley's face is perfect. It is the face that New York and Los Angeles modeling and talent agents are looking for in print and TV. Ashley has the makings to be a top model one day," said owner of Angie's Models and Images, Angie Seymour.

"It's a talent show held two times a year in Los Angeles and New York in which 900 different talents have the chance to meet and talk with 150- 200 agents from around the world. It's basically a large showcase where people can be discovered," explained Ashley's father, Mike.

At the IMTA convention, future models participate in various competitions such as runway, swimsuit, print, singing, dancing as well as auditioning for television commercials, soap operas and sitcoms.

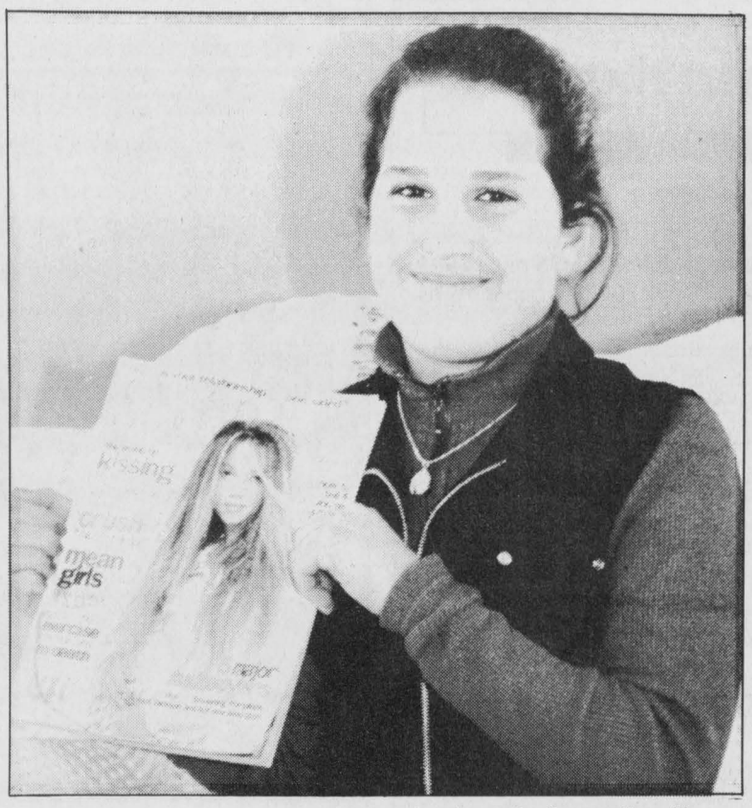
In order to prepare for the competition, Ashley has been traveling to Cornwall once a week for modeling courses.

"The one thing we've noticed, just from her taking the courses, is that she's become much more confident," added Mike. "She decided she wanted to do it and if she doesn't go anywhere then that's fine."

Although Ashley is only 12, she has a mature understanding of the modeling business.

"(Before I started modeling) I thought it was tough and you have to be strong when people turn you down," she said.

"She is a very smart and beautiful child with a beautiful smile that lights up any room with her presence. Ashley also has a great sense of humor and is destined for a great career," noted Seymour.



Winchester's Ashley Kerkhof is hoping her winning smile will one day put her on the cover of her favorite magazine *Seventeen*.
Press Photo — Dillich

Area plagued by break-ins

CORNWALL — Local police agencies advise that this area is consistently plagued with break-ins of both residential and commercial properties.

In most cases, the property targeted by thieves is computers, televisions, VCRs, stereo equipment, jewelry, guns and money.

This stolen property is frequently sold by the thieves to purchase drugs.

Residential break-ins can be extremely traumatizing to the occupants and commercial break-ins can be financially devastating to a business.

Individuals buying stolen property are subject to the same penalties as the people doing the stealing.

Call Crime Stoppers. Your anonymity is guaranteed.

Reward payments are in cash and set up to protect the tipster.

Call Crime Stoppers at 937-8477 or 1-800-265-8477.

Fundraising dips into bag of tricks

MAPLE RIDGE — A Siberian tiger and master illusionist will conjure up some magical mystery at North Dundas District High School this Friday (April 4).

As part of this year's NDDHS fundraising campaign, Claude Haggerty and his bag of tricks will be performing two shows at the high school.

"I think we're the first school in our board to have them. It's a good event for the family and it's a good fundraiser," said NDDHS Principal Connie Provost.

The event is sponsored by the students' council, who instead of paying Haggerty a fee, will hand over 80 per cent of the ticket sales. The school keeps 20 per cent.

Haggerty, whose act is billed as "Canada's largest illusion show" first discovered the art of magic in Woodstock when he was about 13 years old.

Shortly thereafter, Haggerty made his entry into the world of illusions by performing at parties for $10.

When he was 22, Haggerty quit his full-time job as an industrial chemist to travel the countryside.

Haggerty's shows include lions, tigers and a cougar as well as levitations and other quick- handed mind-bogglers. Haggerty is expected to only bring only his Siberian tiger to North Dundas.

Haggerty will be performing at 2 pm for the students and then again at 7 pm for the general public. The cost is $8 for the evening performance.

SPRING GALA

Another North Dundas fundraiser is the *Spring Gala* which takes place on Saturday, April 19 at Matilda Hall.

"I think it's (fundraising) a sign of the times and things to come. If they (the students) want to have these extra projects, the money can't just come from the parents anymore," said Provost.

The *Spring Gala's* gourmet menu includes stuffed mushroom caps, pasta in prima vera sauce, stuffed filet of sole with buttered lemon and cherries jubilee. The evening's entertainment includes music from the North Dundas bands as well as the *Fabulous Edsels*.

"Last year we did a musical production (of *Little Shop of Horrors*) so we thought this year, because we're not doing a major musical, this would still show off the students' talents," added Provost. "It gives us a chance to socialize with the community," she said.

There are only 380 seats available and tickets are $20 each. Call the school at 448-2328 for tickets or more information.

MAGAZINE SALES

Until Monday, April 14, the school's students will also be selling magazine subscriptions.

"We match any price. The school gets one-third of the money so it's a good fundraiser for the school," said Provost

Police blotter

Hit and run

WINCHESTER — On Saturday, March 29 at about 6:35 pm a 1994 Oldsmobile driven by Melissa Martin, 18, of South Mountain was hit from behind.

Martin was eastbound on Holmes Road and stopped at the intersection of Highway 31 when it was struck from behind by another eastbound vehicle which fled the scene after impact.

The collision resulted in moderate damage to the rear of the Martin vehicle and minimal injuries to the driver.

The other vehicle sustained damage to the front end.

Anyone with information on this accident or the vehicles involved is asked to contact the OPP at 774-2603 or 1-888-310-1122 or Crime Stoppers at 1- 800-265-TIPS.

Drug seizures

RIDEAU TOWNSHIP — On the evening of March 24, police pulled over a vehicle on Highway 16 for speeding. Police seized 239 grams of hash from the vehicle.

Robert Bailey of North Gower has been charged with possession of a narcotic for the purpose of trafficking.

In the morning of March 27, a vehicle was stopped by the OPP for a violation in Osgoode Township. A small quantity of marijuana was found on the male driver. He was arrested for possession of a narcotic and was later released at the detachment.

Disqualified driver

RIDEAU TOWNSHIP — During the afternoon of March 26, the OPP stopped a vehicle on Regional Road 6 in Rideau Township for a traffic violation. The driver of the vehicle was found to be a disqualified driver and subsequently charged.

Break and enter

METCALFE — On March 28, police responded to a break and enter on Kent Street in Metcalfe which occurred between March 25 and 28.

The person(s) responsible for the break and enter gained entry into the residence by forcing open the side door. A television, VCR, computer and tools were among the stolen items.

Failing to stop

MANOTICK — In the early morning hours of March 30, the OPP observed a vehicle go through a red light on River Road. The driver then proceeded to drive over an embankment into the Market Square Mall and then fled from the vehicle.

The driver was arrested and charged with failing to stop and driving while disqualified.

Assault charges

MANOTICK — On the morning of March 30, police received a complaint of an assault at a Manotick residence. A male was later treated at hospital for injuries to his hand.

A male Manotick resident has been charged with assault causing bodily harm and making death threats.

Holiday winner

Library board wants say

by Derek Puddicombe

METCALFE — The Osgoode Township Library Board is throwing its hat into the amalgamation ring.

Board chair Iwona Kennedy told Osgoode council members the board is not going to wait around for answers and has already undertaken several steps to combat amalgamation.

The board has entered into discussions with the townships of Rideau, West Carleton and Goulbourn. It also participates in a regional library forum which discusses a variety of issues all libraries in the region face.

Kennedy also addressed the issue of diminishing funds from the province and says the board is searching for avenues to save money and make up lost revenue.

"One significant step the library has taken is to set up a task force that will focus on restructuring the library system so that the present or enhanced levels of service can be maintained, despite diminishing financial resources," said Kennedy.

Proposed changes to the Public Libraries Act may also impact funding and the structure of the board, says Kennedy.

At the April 10 meeting in Ottawa, board director Art Conn will present a brief that will focus on the function of a library board in a rural municipality adjacent to a large urban area.

Kennedy says the quality and minimum standards in Ontario will not be consistent without some provincial support.

The board also wants a portion of the municipal property tax freed by the province to guarantee funding for libraries and wants citizen representation on the library board.

"This is essential in representing the interests and needs of the community served," said Kennedy.

Crisis line volunteers needed

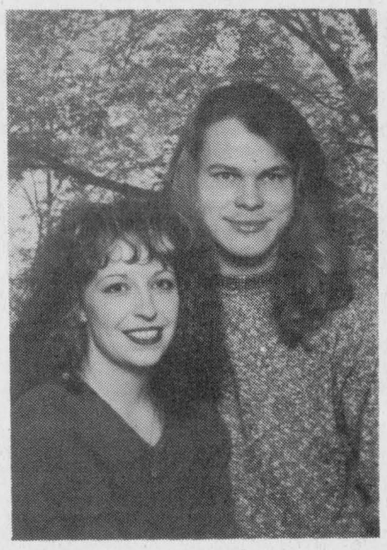
CORNWALL — The Sexual Assault Support Services (SASS) for women of SD&G and Awkesasne is recruiting women to become crisis line volunteers.

A 40-hour training is provided to volunteers. The training is designed to give them the tools to do the work and give them an increased understanding of the issues related to sexual violence.

The SASS provides a 24-hour crisis line and accompaniment to a hospital or court for women survivors who have experienced sexual violence.

For more information call Patti Carson or Josee Laramee at 613-932-1755.

Forthcoming Marriage



Heather Green and Raymond Summers of Greely wish to announce the engagement of their daughter **Melody Green** to **Lauren Popyk,** son of Cornell and Luba Popyk of Ottawa.

A June wedding is planned.

Hospital board hires consultant

WINCHESTER — The Winchester District Memorial Hospital has hired a consultant to find cost savings, among other things.

Jeffrey Weatherill, president of Education Health Environment International Inc. in Ottawa, was hired by the WDMH board in late February to assist the hospital in three areas, says acting CEO Roy Glassford.

Weatherill will identify strengths and weaknesses at the hospital; provide direction and recommendations; ensure the continuation of health service in the community; and address the Ministry of Health's funding reductions to the hospital for the next two years.

"We want to have a plan in effect for the (Health Services) restructuring committee which should be here in early fall," says Glassford.

Weatherill will submit a detailed report to the board at the end of April.

The hospital is paying $25,000 for Weatherill's services. It was a board decision to hire him, says Glassford.

Weatherill completed his graduate studies in health systems and administration in 1977. He has more than 20 years of consulting experience in Canada and other countries.

Landmark levelled

A century-old duplex destroyed in a 12-hour fire on January 6 was levelled to make way for a new two-storey single-family dwelling. Peter Monast Excavating and Trucking carried out the demolition last Friday (March 28) and excavated the basement the following day. The original building located at 574-576 Main St. was owned by Bill and Claire Don.

Superior spellers heading to national championship

by Derek Puddicombe

MANOTICK STATION — Five area youths are off to the national spelling bees on Parliament Hill.

Nicolas Bowler of Manotick took first place in the primary (7-9) category at the Osgoode-Rideau spelling bee semi-finals held at St. Mark's High School last Sunday.

Gideon Jeffrey of Spencerville was second and Eli Cwinn of Manotick was third in the primary group.

In the junior class, Osgoode's Natalie Nolan was first; Alex Levy of Manotick was second while Jonathan Deane of Kemptville was third.

This was Nolan's second spelling bee after coming in seventh last year in the primary category.

"I'm really happy," said Nolan as she clutched her trophy.

At the intermediate level (10-12), Michael Trolly of Kemptville was first and Melanie Lyons of Manotick was second.

About 47 spellers signed up for the event, which was down from last year.

"I was reasonably happy with the way things went, but disappointed with the numbers," said Osgoode-Rideau co-ordinator Tina Bauer.

First, second and third place spellers received $100, $50 and $25 respectively plus a trophy. Each participant received a certificate.

The Ottawa-Carleton/Valley finals will take place on April 27 with spellers representing 15 areas including Goulbourn, Prescott-Russell, Lanark County and Renfrew.

Prizes include $1,000 or $500 cash or a $500 shopping spree.

The event is being co-ordinated by the Spelling Bee of Canada which is a registered charitable organization.

Hopkins holding art show

CHESTERVILLE — Local artist Joan Hopkins has organized an art show and sale this Saturday, April 5 and Sunday, April 6 at the Nor-Dun Seniors Support Centre in Winchester.

A number of artists will be displaying their work (two and three dimensional works) and there will also be a display of children's art.

Oil paintings, watercolor and acrylic, bird carvings and horseshoe sculptures will be included in the two-day show.

Hopkins opened her studio in Chesterville in 1987 and started a custom framing service in 1992.

The show will be open from 10 am to 5 pm. Admission is free.

A puff away from death

A cigarette is the only product that when used exactly as directed, kills. This is an undisputed fact proven by the medical profession years ago.

Even though cigarette manufacturers have warnings from the surgeon general blazoned across the package, the tobacco industry has made no apologies for its contribution to the deaths of hundreds of thousands of smokers. Until recently.

After years of denying the health hazards associated with smoking, the billion dollar a year tobacco industry has finally admitted their product is deadly. However, they have yet to show any signs in changing their products or discontinuing its production all together. Why would they, when millions of smokers are creating wealthy industry leaders?

The issue of who is to blame for the death of smokers can not, however, rest entirely on the shoulders of the tobacco industry. It is a shared blame between the industry and the product's users.

According to numerous reports from medical professionals, most adult smokers who die of smoking-related causes, start smoking as teenagers. What was once used as a symbol of rebellion or a way in which to fit in with their peers, has turned into a full-fledged addiction.

And the advertisements depicting attractive young men and women in the great outdoors lighting up and enjoying life have done nothing to warn or show potential users the so called 'glamor' of smoking — the black lungs, the cancer infested body so frail that breathing sends shock waves of pain through a smoker's body while on death's door.

Most smokers will tell you they have tried to quit at some point in their lives but failed. That is because the tobacco industry knowingly laces their products with addictive ingredients.

Over the past few years, survivors of loved ones who have died due to smoking-related illnesses, have taken the tobacco industry to task and for the most part have failed.

Local statistics show that one in five adult deaths in Prescott, Russell and SD&G is caused by smoking. Just seven years ago this area was given the dubious honor of having one of the highest rates of adult smokers in Ontario — 35 per cent of people 45-65 years old. That is nine per cent higher than the provincial average.

And what about the non-smokers? On average, 330 people die annually from second-hand smoke.

The billion dollar industry is getting richer on people's deaths. The more people smoke, the more money the industry makes. The more people smoke, the closer they come to death.

S.D.

This week in...

1947

According to the Ontario Police Act, the village of Winchester was designated as having sufficient population and a high enough assessment to engage and maintain a full-time police officer. The new act was designed bring about better enforcement of law and order, and especially to enforce the Liquor Control Act and prevent juvenile delinquency.

The Inkerman Rockets eliminated the St. Jean Baptiste Junior B champions, by trouncing them 12-4, to qualify to meet the Ottawa St. Pats for the Eastern Ontario title.

In a sudden-death hockey game, the Inkerman Midgets defeated the Renfrew Midgets 6-4, to snap Renfrew's undefeated record. Denzil Crowder was the scoring ace for Inkerman, collecting five goals in succession.

Excavation work started on the foundation for the new Nestle's milk products power plant to be erected on the adjoining lot of the present building in Chesterville.

1957

Eight and one-half miles of telephone line were rebuilt during 1956 in the Metcalfe area, and one-half mile of new line was installed.

One person was killed and 48 others were injured in accidents in the area during the month of February. During the same period in Ontario, 50 people died on Ontario highways and another 581 were injured in a total of 1850 accidents.

The Prescott and Ogdensburg Ferry Company had been purchased by the Ogdensburg Bridge Authority for $769,230. The purchase included three ferry boats, docks and terminal facilities on both sides of the St. Lawrence River.

Elmer Sullivan of South Mountain and Patterson Bros., of Mountain were two of six area farmers to sell cattle to be shipped to South America. In total, 71 head of Ayrshire cattle were shipped overseas.

1967

A new well and pumping station on North Street were planned for the village of Winchester. The project, to be completed by the Ontario Water Resources Commission, was to cost the municipality $2,300. The new well brought the number of wells and pumping stations serving the community to three.

Preliminary figures indicated that Dundas County was the largest cheddar cheese producing county in Ontario in 1966. The county produced 11,958,220 pounds of cheddar last year. Stormont, a long-time producer, made 10,810,462 pounds.

Douglas M. Peacock was named the General Manager of the St. Lawrence Parks Commission. Peacock, 42, had served as an executive officer in the Prime Minister's department.

The Winchester Midgets went all the way to the Ontario District Hockey Association Midget "B" championship round for the second consecutive year. The Midgets defeated all opposition in their own league by downing Kemptville, Westport and Long Sault in play-off competition.

1977

SD&G secondary school teachers were to walk off their jobs after failing to reach an agreement with the board on the inclusion of working conditions in their 1976-77 contract. The strike was to leave 9,000 students without classes in the 10 high schools under the tri-county board's jurisdiction. Teachers had been working without a contract since last September.

Tammy Stoker, who was crowned Princess at the Greely Winter Carnival, won new laurels in Perth when she was chosen fourth runner-up in the Miss Eastern Ontario Pageant.

The Morrisburg Lions chalked-up an impressive 8-3 win over the Prescott Saints to capture their second consecutive Gill Cup. In the regular season, the Lions won the Winchester Press Challenge Trophy as first-place finishers in the South-East Division.

Decklin Simser, the Osgoode Township dog catcher and dog control officer, was to be issued a permit by council to carry and discharge a firearm for the purpose of killing dogs running at large. He was to also carry and discharge a tranquilizer gun for the purpose of tranquilizing or killing dogs while carrying out his duties.

1987

Matilda Township council members and farmers were to launch a campaign to alleviate flooding problems that had caused an average of over $800,000 damage. The campaign was to plan a major project to dredge the South Branch of the Nation River, also known as Black Creek.

Osgoode Township trustee, Carol Parker, met with formidable opposition in her plans to bring a bubble gym and expanded facilities to Castor Valley Centre. The governing school board believed an

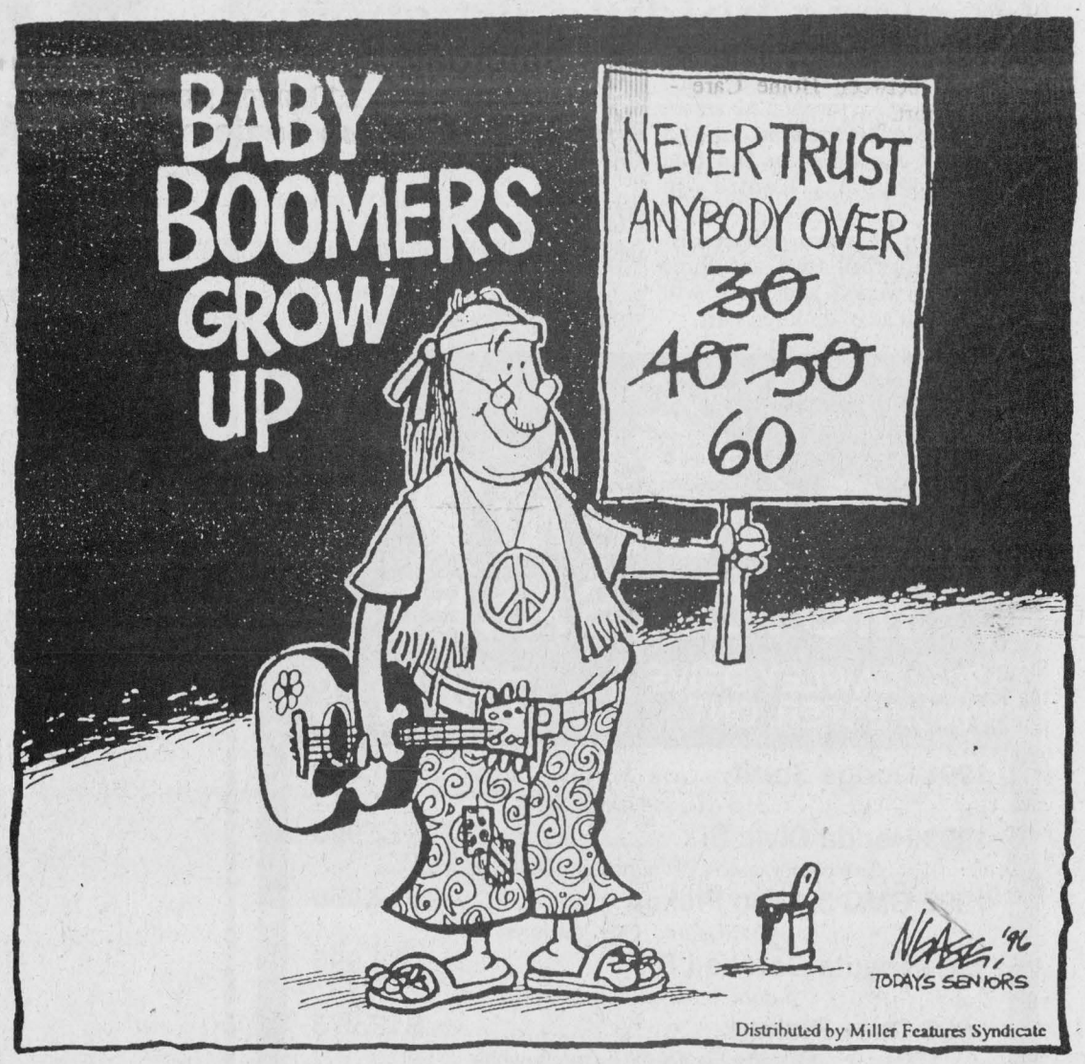
adequate gym program could be accommodated without the bubble, which would be very expensive.

Many readers were fooled by an April Fool's story that appeared in the Press which stated that Rick Story of North Gower, an ardent Rideau River fisherman, had a dream come true when he landed a 5-foot, 10-inch, 214-pound catfish near "Little Chesterville" on the Rideau River.

The Winchester Atom C Hawks capped their first place finish during the UCMHL regular season by winning the Eastern Ontario championship.

Police were investigating a theft at Weagant Farm Supplies on Highway 43, where thieves made away with a small tractor and loader.



Babies all look the same

I have no children.

It's not that I don't want children. Indeed Nancy and I have discussed this at length. She would like two or three. I would like 21 or 22. I'm not sure we'll come to a compromise.

And I really enjoy children. Indeed, like most people my age, I was once a child myself. And, if my memory serves me right, I liked children a lot back then — likely, though, it was for entirely different reasons than those I had when I entered adulthood.

Me-as-a-child: Hey, ya wanna eat some mud.

Other child: Nah... this grownup I know says it tastes awful.

Me: Okay then. How 'bout we trade for pogs?

Other child: What? They haven't even been invented yet.

Me: Gee, you're kinda uptight for a six-year-old. Where's your imagination? Don't you like hanging around other children?

Other child: Sure I do. But to be honest, I don't know too many other kids who actually want to put their tongue on a cold fence post.

Lately, I've had my fill of infants. I'm at that age when virtually everyone my age — people who stopped eating mud at around the same time I did — is having children. This past week alone, I've seen so many babies, I honestly believe I should be granted a licence to practice pediatrics or, at least, become the picture guy at Sears.

I know I'm at least qualified for the latter, since every parent I've met somehow feels it is their responsibility to show me no less than 4,000 photos of their offspring, taken in such a short span of time that reloading the camera ate up valuable picture taking time. That each individual photo — and they have to be pointed out and narrated individually — is no more exciting than looking at paint samples does not seem to matter to these people.

This is, after all, their wonderfully beautiful child — all of two months of age — and dammit, everybody had better be in awe or suffer the subsequent wrath of, gulp, watching the birth video.

Rural Roots
by Denis Grignon

I, of course, always put on the happy, Gosh, Golly Gee face.

Parent: Oh, here's one where you can see his thumb under his finger.

Me: Gee, imagine that.

Parent: And the same thing... only on his other hand.

Me: You must be so proud... I mean, his having fingers and all.

Parent: And in this one you can see his navel. Isn't he a real ham?

Me: My oh my. I have never seen anything quite like it. Certainly not in any of the other 12 photo albums you've shown me...

Parent: This picture was taken last Tuesday... Ah, memories...

I've also noticed that it is the baby audience member's responsibility to point out just how much this infant looks like the parents. They'll indicate glaring similarities between eyes, noses, ears, mouth, all the while doing it with wide salesperson-like smiles and 'coochie coo' fingers. I, however, can't get past the feeling that virtually every infant I see looks exactly like the previous one and that they are set apart only in the number of hairs they have on their head (always fewer than eight) and the goofy looking Baby Gap sleeper some rich aunt or uncle bought him or her.

When an infant becomes a toddler, that's when personality and character develop — transforming infant into little person and eventually someone who'll eat mud, unfazed by local health board warnings.

And until that time, my apologies to anyone who might seem offended when I'm not as enthralled about their tots as they would like me to be. I'll do my best to not nod off before the 450th photo.

(Denis Grignon is a professional standup comic and CBC broadcaster living in Mountain Township).

Celebrate the season

The Grade 8 Family Studies class from Maple Ridge celebrated Easter by making pom-pom chicks and rabbits for the residents at Dundas Manor. Front, left: Matthew Ouellette, Lucas Campbell, Craig Dillabough. Back, left: Dawn Crump, Sara Irven, Harold Clapp (president of residents council at Dundas Manor), Jennifer McGahey (activities director for Dundas Manor), Robin Sternbauer and Sarah Diefenbacher.

Mountain Musings

by Shirley Mills

North Dundas District High School will be an interesting place to be on Fri., April 4. An illusionist, Claude Haggerty, will be appearing there at 7 pm. This show, which is reputed to include a large Siberian tiger, is widely acclaimed. Students in local elementary schools, Maple Ridge, Nationview and Chesterville Public, will see a short, free show during this week at which they will receive coupons worth $2 against the cost of the main show, and there will be an afternoon performance for students of NDDHS on Friday. Cost of admission is $8 and this is a fundraiser for the student council.

There will be a pancake breakfast at Mountain Station park on Sun., April 13 running from 9 am until 1 pm. The cost is $3 for adults with $1.50 for children and the money raised will go towards park equipment.

I heard of the five-year-old who told her younger sister, "It's supposed to be spring, but it might not come this year." As we clear yet another snowfall, I can understand the child's confusion.

Piano sing-along

by Jean Casselman

WILLIAMSBURG — At the Williamsburg Township seniors' meeting on Tuesday, March 18, 20 members and two visitors enjoyed a noon dinner in the municipal building.

The meeting was chaired by vice-president Ruth Casselman and assisted by acting secretary Jean Casselman.

All were welcomed by the president and *O Canada* was sung to open the meeting. Reports were also heard.

The date on which the Morrisburg Legion Seniors will visit the group has been changed to Thursday, April 17 at noon. There will be lunch and an afternoon of cards.

Entertainment consisted of a sing-along with Thelma Bradford on the piano and readings of *A Little Mixed Up*, *The Easter Lily*, *Why I Married a Farmer* and *The Pullman*.

Cards were enjoyed for the remainder of the afternoon.

UCV wants young interpreters

MORRISBURG — Upper Canada Village is looking for young interpreters. Children between the ages of 10 and 15 can apply. The program is very popular and space is limited, so those interested are encouraged to apply soon.

The Young Interpreters Program provides children with the opportunity to assume the role of a typical 19th century child. Each child will spend three days a week in either July or August at Upper Canada Village and help portray life as it was in the 1860s.

Children will take part in re-enactments of community events such as school, Sunday school, singing school, Band of Promise meetings, dancing lessons, picnics and other activities. Participants will be assigned a location where, under supervision, they will perform tasks appropriate to the time period portrayed at the Village.

Successful applicants will be expected to possess sufficient English language skills to permit a basic level of understanding and expression. Since young interpreters are constantly in the public eye, it is important that applicants be at ease talking with people.

Interested children should contact the Upper Canada Village at 1-800-437-2233. The completed questionnaire and application must be received no later than April 30, 1997. Successful applicants must pay a $50 fee.

Home Care speaker

by Margaret McDiarmid

VERNON — Cathy Arthurs, a co-ordinator for the Home Care program, was the special guest at the March meeting of the Vernon Women's Institute.

Ann Leighton-Kyle introduced Cathy and she spoke to us on the differences between Home Care - Home Support.

As of April 1, 1997, the Home Support-Placement Co-ordination Services will be amalgamating and become the Community Care Access Centre. Cathy answered several questions from members. She was thanked by Ann and presented with a gift.

Ten members and one visitor answered the roll call by naming a health symptom that you shouldn't ignore. A donation was to be made to the Osgoode Care Centre in memory of Alison Campbell, a life member of our institute. We are donating a copy of the history of the Women's Institute entitled "For Home and Country" to the Vernon library.

The nominating committee for our April annual meeting will be Lillian Sayant, Heather Bellinger and Thelma Kennedy. The meeting will be a pot luck supper beginning at 7 pm at Evelyn Cowan's in Metcalfe.

Lunch was served by Edna Presley and Diana Widdefield and a social time enjoyed.

Educational workshops

by Vivian Fawcett

WILLIAMSBURG — The third Annual Dundas District Women's Institute educational workshops were held at the Park Lane Seniors Support Centre in Williamsburg on Saturday, March 22.

Sixty-one area WI members and friends registered at 9 am for the day's workshops and enjoyed coffee and muffins.

Betty Locke, Dundas District president, welcomed everyone.

Margi Laurin of Morrisburg demonstrated jewellery made from polymer clay. Participants had a chance to mold the clay with their hands. She made interesting designs of the Toronto Maple Leafs, Blue Jays and Montreal Canadiens.

Judith Pallett of Morrisburg showed crafts for spring. She also displayed a collection of quilts and one-of-a-kind fashions.

Everyone enjoyed a lunch break of muffins, buns and fillings. Coffee and tea were also served.

Nora Devette led us into afternoon sessions with her stencilling which can be done on walls in our home as well as to decorate various articles.

Our second afternoon demonstration was on weaving by our own Maureen Casselman of Morrisburg and daughter Louise Crites. They explained taking the wool from the sheep through to the finished product.

Carolyn Dey,a textile artist of Dey Creations of Morewood rounded out our day with modelling and display of her popular vests and jackets.

Four townships unite to fight amalgamation

by Doug Ramsbottom

METCALFE — Osgoode, Rideau, Goulbourn and West Carleton townships have banded together to find the best way to fight the common foe of amalgamation.

Mayors Lloyd Cranston (Osgoode), Jim Stewart (Rideau) and Dwight Eastman (West Carleton) were on hand, along with 11 councillors from the townships, to discuss a study which was put together by West Carleton. Goulbourn Mayor, Paul Bradley, was absent.

This particular study presents five scenarios and it is hoped one of them could be used to show the Ontario government that rural townships can look after themselves and should not be included in a mega-city with the rest of the urban areas.

"If we don't do it ourselves, then the province will come in and do it for us," said Eastman in his opening comments.

"Jackie Holzman (Ottawa mayor) is pushing for one large city (and) I don't want to be part of one big city."

Scenario one. The current municipal structure, assumes services delivered by the local municipality include those provided by the Regional Municipality of Ottawa-Carleton (RMOC).

Scenario two assumes the four townships are separated from the RMOC and established as new, individual municipal entities responsible for all the services previously assured by both the township and the region.

Scenarios three, four and five indicate the four municipalities participate in the cost and management of region-wide services through a single-purpose board referred to as the Greater Ottawa-Carleton Services Board.

In scenario three, the townships would remain separate and distinct municipal entities. Scenario four assumes Rideau and Osgoode, and West Carleton and Goulbourn amalgamate to form two new rural municipalities while scenario five has all four townships merging to form one new rural municipality.

While this is only a study and will be discussed further at an April 3 meeting at the Osgoode Township office in Metcalfe, there seems to be a realization that in order to control their own destinies, the townships need to come up with a viable plan or be forced into whatever the province wants.

Osgoode Councillor Doug Thompson believes the four municipalities not only need a plan but also need a back-up plan.

Regional Councillor Betty Hill says the rural townships should get out from under the umbrella of regional government.

"The rural areas pay taxes every year to the regional government and we don't get value from our tax levy," added Hill. "Why are we paying regional development charges to subsidize urban areas when we don't get anything?"

A major part of the scenarios is the use of a service corporation. This corporation would be responsible for providing services to the townships.

It would provide any services which were originally provided by the townships and region such as road maintenance or water.

OBITUARIES

Edna Pearl Barkley

Edna Pearl Barkley, of Long Sault and formerly from Williamsburg, died March 27. She was 82.

A homemaker and former member of the Elma United Church Women's group, Mrs. Barkley was born on November 2, 1914 to the late Morley McPherson and Lenore McPherson (nee Beckstead) in Williamsburg Township.

Mrs. Barkley was predeceased by her husband Hugh Barkley, whom she married on June 1, 1933, as well as her sister Evelyn Moore and brother Graham McPherson.

She will be sadly missed by her brother Wray McPherson of Williamsburg and her children Arnold (Edna) of Morrisburg; Keith (Doris) of Morrisburg; Hubert (Barbara) of RR 1, Williamsburg and Gladys (Gordon) Garlough of RR 2, Williamsburg.

Mrs. Barkley will also be fondly remembered by her 11 grandchildren, 10 great-grandchildren and many nieces and nephews.

A funeral service was held at the Williamsburg United Church on March 31.

Rev. F.E.A. Macpherson officiated.

Interment was at the Union Cemetery in Williamsburg.

Pallbearers were her grandchildren Brenda Lafortune, Charles Barkley, Cindy Barkley-Cummins, Scott Barkley, Mark Garlough and Joanne Garlough.

Donations to the Williamsburg United Church or the Alzheimer's Society would be appreciated by the family.

Leo Coyne

Leo Coyne, of RR 3, Chesterville, died March 30. He was 81.

Mr. Coyne was predeceased by his wife Yvonne Courville and brothers John, Harold, Brian, Clifford and Arnold.

He will be sadly missed by his children Sheila (David) Howat of Crysler; Patrick, Leona and Michael (Frances) Coyne all of RR 3, Chesterville, as well as his brother Kevin and sister Rose, both of Smiths Falls.

Mr. Coyne will also be fondly remembered by his seven grandchildren.

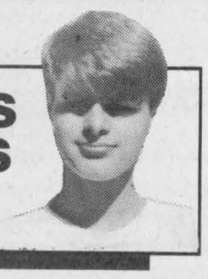
Funeral services will be held at St. Mary's Catholic Church in Chesterville on Wednesday, April 2 at 11 am.

Spring interment will be at St. Mary's Parish Cemetery.

Donations to the charity of your choice would be appreciated by the family.

Magazine drive under way

MAPLE RIDGE — Remember last month when I asked you all not to renew your magazine subscriptions? You know, I said that North Dundas would be offering those services at the end of March.



NDDHS NOTES
by Daniel Sahl

Well, it's the end of March, and yes, we're in the business. With over 100 selections you're bound to find something that whets your thirst for knowledge (or fun).

But this campaign ends shortly so if you are interested in subscribing or extending a current subscription through us, be sure to grab the nearest high school student as soon as you can.

Also, for those who are intrigued by the mystique, the unknown and the amazing, an illusionist will be visiting North Dundas this Friday. That's right, Claude Haggerty, magician extraordinaire will be performing seemingly impossible feats right here live.

And we're not just talking about wimpy tricks either. No way, this guy's the big time, bringing with him remarkable tricks and a large furry feline. North Dundas has never seen anything like this before (and maybe never will).

This master of mystique will be giving a performance this coming Friday. The hour-and-a- half show will start at 7 pm in our gym. The cost will be $8 to get in and you pay at the door.

I don't think any fan of the enigmatic (big or small) can afford to pass up this chance.

Carlton cards design contest

TORONTO — Carlton Cards is launching a greeting card design contest for Canadian children. The contest invites children to develop artwork and verse for a birthday card.

Winning cards will be printed by Carlton Cards and sold exclusively in Shoppers Drug Mart stores from coast to coast.

A contest winner will be selected from each of the following age groups: seven to eight, nine to 10 and 11 to 12. First-place designs will be available in Shoppers Drug Mart stores in August 1997.

Winners will receive a personal computer as part of their prize package. They will also receive an invitation to attend the unveiling of giant-sized versions of their winning cards during a Toronto Blue Jays game. The event takes place at SkyDome in July.

Parents and children may pick up contest entry forms in Shoppers Drug Mart stores across Canada, beginning on April 14. The deadline for entries is May 12.

SNC changes save $12,500

BERWICK — The South Nation Conservation (SNC) reviewed the need to keep three of the stream gauges and decided to discontinue two of them and change how data is collected at the third. This will save $12,500 a year.

There are 10 stream gauges in the watershed. These are used for flood forecasting by municipalities to determine when to discharge their lagoons, various water quality programs, etc.

The longest period of record is 92 years at the Plantagenet gauge. The SNC pays all costs for three gauges, at a cost of $5,000/year per gauge. The others are paid for by provincial and federal governments.

The SNC also identified a gap in the stream gauge and may establish a new gauge on the South Branch in the near future.

WINCHESTER'S WATER

The Village of Winchester must monitor its wells regularly for quality.

Working with the village's consultant, the SNC will collect these samples on a cost recovery basis. This will save the village $1,000 in the first year, with higher savings in future years.

This service is also available to other municipalities in the watershed.

TREE SPRAYING

The SNC will plant over 100,000 trees in 1997.

Through a partnership with the Ontario Forestry Association (OFA), the SNC will spray 140 hectares of trees for land owners who request this service.

The SNC has hired a local contractor, Drentex Field Services, at $200/ha. The OFA will reimburse SNC for all costs, including SNC staff time.

GROUNDWATER MEETING

A meeting at the SNC office on March 12 discussed the need to protect groundwater in the watershed. There were 25 representatives from municipalities, the provincial government and local farm organizations.

A consensus was reached that groundwater strategy was needed, as there is no one agency now looking after this. A small group from the 25 will develop a strategy to present to the rest of the group.

Gala evening

METCALFE — The Metcalfe Agricultural Society is hosting a gala evening, *Tumbleweed Ball*, with a dressed-up western flavor.

The night begins with fine dining on prime rib, catered by AJ's Valley Food Services Inc. After dinner, *The Spurs* will perform. The highlight of the evening will be the awarding of $1,500 in cash prizes to lucky ticket holders.

The event will be held on Saturday, May 3 at the Larry Robinson Arena in Metcalfe. If you purchase a ticket before Monday, April 14, you will be eligible for our early bird prizes, which include limousine service to and from the ball, dinner for two at the Metcalfe Fair and Fair passes.

Tickets are $100 per couple, and the Metcalfe Agricultural Society will issue a $45 charitable donation receipt.

The gala evening is considered a primary fundraising source for the Metcalfe Fair. Tickets are available from the Fair Board Directors and the Metcalfe Fair office located on the fairgrounds.

For more information contact Meredith Brophy at 826-2149 or the Metcalfe Fair office at 821-0591.

Hardi Inc. representative Wayne Buchanan gave tips to farmers attending a sprayer clinic last Tuesday at Weagant Farm Supplies, Winchester location.
Press Photo — Fetterly

Rep details features of spraying equipment

Dianne Fetterly
Agricultural editor

WINCHESTER — Farmers attending a sprayer clinic at Weagant Farm Supplies last week were updated on the latest in spraying equipment.

Wayne Buchanan, area rep for Hardi Inc. outlined the company's lineup of sprayers and sprayer attachments to a crowd attending the session last Tuesday afternoon.

According to Buchanan, Hardi has added a front mount tank to a number of sprayers in its three- point hitch line to increase capacity. An optional ladder provides easy access to the tank and lid opening, while an optional tank level indicator provides visibility of the tank solution.

Changes have also been made to the trailer line to increase efficiency, said Buchanan.

Some of the features of the trailer line include: a top drain, filler basket, electronic controls, new pressure gauge and hydraulic lift as well as the reliable diaphragm pump. The line is available in tandem or single axle.

The Navigator series, introduced a few years ago, has been completely overhauled, said Buchanan.

The Navigator's large two-and-a-half gallon sump is centrally located with a tapered tank bottom to prevent loss of pump prime or pressure when applying the last amount of spray solution.

The frame has also been redesigned for added convenience to the operator. It puts the operator within arm's reach of most controls and accessories on the sprayer. The axle assembly has been redesigned for extra strength.

Hardi has also made changes to the HC (high clearance) series. A narrower tank, available in 650 or 950 gallon capacities, improves visibility for the driver. The HC sprayers, with their narrow tires are advantageous for very narrow row crops. The high wheels also work well in wet conditions, explained Buchanan.

The new hydraulic Eagle folding boom is available in 45, 50, 60, 66, 80 and 90-foot widths.

The improved suspension isolates the boom from the sprayer system allowing it to flow over the field. As well the wings can tilt and one side can be pulled in for spraying head lands or other tight spots.

OTHER ACCESSORIES

Some of the accessories available for the Hardi sprayers include: a flush tank which allows cleaning right in the field; a 12-volt junction box which will accommodate up to four accessories; foam marker that mixes the foam at the end of the boom; drop nozzles for direct application of herbicides or insecticides; a larger easy-to-read pressure gauge; triple nozzle system for quick selection of the best nozzle for the application; and self cleaning filters.

update

Flashy Stitchers practice stitches

by Melissa Stoodley

ORMOND — The first meeting of the Ormond Flashy Stitchers took place on Fri., Jan. 17 at the home of Mary Deeke.

Our project is a needlepoint sampler pillow with seven various stitches.

We elected Shannon Toonen as our president, Julia Deeke as vice-president, roving secretaries, Emmanuel Sheldrick as treasurer and Melissa Stoodley as press reporter.

Other members are Shelley Deeke, Sara Howse, Marc Sheldrick, Kaylah St. Pierre and Christopher Toonen. Our leaders are Mary Deeke and Lara Mesman.

We learned about different types of canvas and yarn and how to calculate yarn requirements, needles and other supplies.

Our second meeting took place on Wed., Jan. 29 at the home of Lara Mesman. We learned how to thread a needle, how long to cut the yarn, stitching techniques, a monogram and graphing. We also completed the continental stitch.

Our third meeting took place on Wed., Feb. 12 at the home of Mary Deeke. We learned the goblin, bargello and cross stitch. We also learned about care and cleaning of needlepoint.

Members display quilted bags

by Joanne Toonen

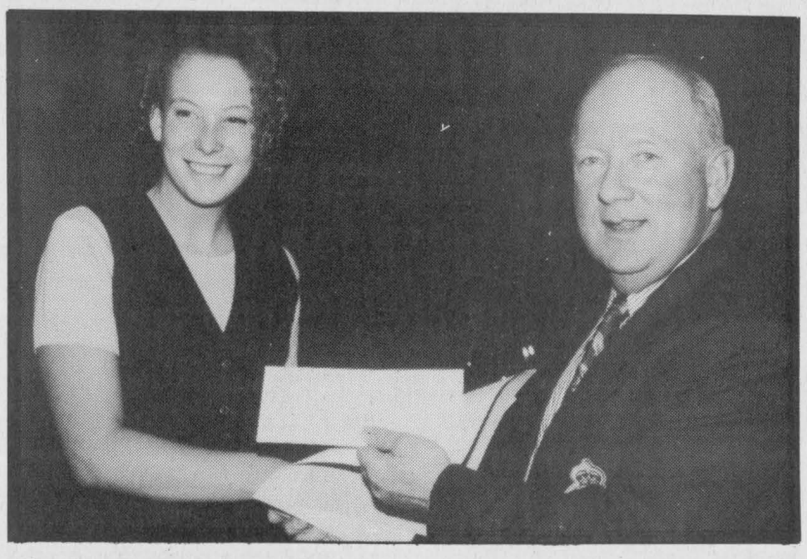
ORMOND — The Ormond Heritage Quilters held their achievement program at the Chesterville bowling lanes on Saturday, March 29.

Members displaying their quilted weekend tote-bags and "Our Heritage" manuals were: Petra Zollinger, Claudia Zollinger, Shannon Toonen, Christopher Toonen, Marc Sheldrick and Emmanuelle Sheldrick.

The zipper and bias binding was a big challenge but all succeeded. Christopher Toonen received his six project award (county honors).

After bowling, we had a snack and a big thank you was said to all who made this project possible.

All members and leaders are the proud owners of a quilted weekend tote.



Scholarship winner

Adrienne St. Clair of Metcalfe is the recipient of the Conservation Farming Scholarship presented by the Ontario Soil and Crop Improvement Association. Adrienne is pictured accepting the scholarship from Denis Perrault of the OSCIA.

100 Holsteins to be auctioned

KEMPTVILLE — Holstein breeders wanting to improve their herds will want to take in the Eastern Ontario Spring Classic Sale slated for Sat., April 12 at the A.M. Barr Arena in Kemptville.

Approximately 100 head of Holsteins, selected for their type, production and pedigree will be featured at the sale which begins at 11 am.

Among the classic animals selling are five head consigned by Sunnylodge Farms in Chesterville including a March 1996 R.C. Matt from Vogel Dale Counsellor Neta as well as a July 1996 Dombinator from Sunnylodge Starbuck Jean.

Also selling is a fancy summer yearling by Astre as well as a Chesapeake junior yearling consigned by Danny Meier of Chesterville; and a fancy fall- calving Park heifer consigned by Harmony View Holsteins of Winchester.

A two-year-old Lindy heifer consigned by Rivermead Holsteins and a junior three-year-old by Blackstar, consigned by Wayne Presley will also be sold.

Those interested in getting a look at the animals can drop by the arena on Friday evening (April 11).

Once again, 4-H club members attending the sale will have a chance at two free draws of $500 each to use toward the purchase of cattle in Spring Classic '97.

For catalogues or information on the sale contact sale manager Hugh Fawcett Auctions Inc. at 613-774-3363 or 613-774-1369.

Frost seeding interest keen

by Gilles Quesnel
Soil and Crop Advisor

Interest in frost seeding is determined by forage needs. Heavy winterkill losses in 1996, high risk of winterkill in 1997 and shrinking hay and pasture acreage in Eastern Ontario are contributing to the increased interest in frost seeding this year.

Frost seeding involves the broadcasting of legumes and occasionally grasses on pastures to improve yields and change the forage species within the pasture. Seeding is done in late winter or very early spring when the ground is frozen. Freezing and thawing combined with early spring rains (or snow) provide seed coverage.

Frost seeding is riskier than conventional seeding methods. However, it is a low cost method of improving forage stands. Also it shortens the "non-grazing" period and allows growers to maintain legumes in otherwise grassy stands. Average to above average soil moisture conditions during the first part of the season will improve seedling establishment.

SUCCESSFUL SEEDING

— Good soil-seed contact is essential for successful frost seeding. Frost seedings are most successful in bare and disturbed pasture areas. Establishment is more consistent when overseeding in bunchgrass sods like orchardgrass, bromegrass or in thin bluegrass stands. Seeding in thick quackgrass/bluegrass sod often produces poor results. Grazing pastures closely in the fall will improve soil-seed contact by opening the stands and exposing soil. It also reduces competitive regrowth in the spring.

— Frost seeding is usually done to introduce legume species into grass. Clovers (red, ladino and alsike) are easier to establish than trefoil and alfalfa because of their greater seed vigor.

Trefoil stands usually improve by the second and third year while alfalfa will not establish in stands where alfalfa plants already exist. Legume seeds should be inoculated prior to seeding. Grasses are more difficult to establish by frost seeding than legumes. Grasses best suited for frost seeding in order of their chance of success are orchardgrass, ryegrass, timothy and bromegrass. Grass and legume seeds should be broadcasted separately because of their different seed size and density.

Thank You

Thank you to all who helped make our **3rd year** in business a very pleasant experience. We hope you had an enjoyable Customer Appreciation Day, March 27.

We continue to look forward to serving you in the future.

Embrun Video Zone four stores in one

Stephanie Wolfe
Press staff

EMBRUN — It's clear to Carl Gauthier and Jean Poirier family entertainment sells, especially in a small community.

Two weeks after they opened *Video Zone* in Embrun, the new partners already have 1,000 members.

Video Zone is no ordinary video store, says Poirier. The store is designed as a family entertainment centre with four attractions — video rentals, video games, music and books.

"It's like going to a Canadian Tire where you can buy everything," Poirier explains. "Videos are the main attraction but there is so much more with the books, (collector's) comics and trading cards."

One of the most popular attractions is the "Kids' Castle", which contains video rentals for children and a play area with slides.

There are 5,000 videos on site and the latest video games for systems such as Playstation, Super Nintendo, Sega Saturn and Nintendo 64.

The music section contains the Top 40 hits as well as the top French language recordings, new country hits, rap and techno.

"It's a very dynamic franchise," says Poirier. "We will also be getting the Internet this summer."

Poirier says *Video Zone* was targeted for Embrun a year ago, to attract people who travel to large video stores in Ottawa where there is a wider choice of video rentals.

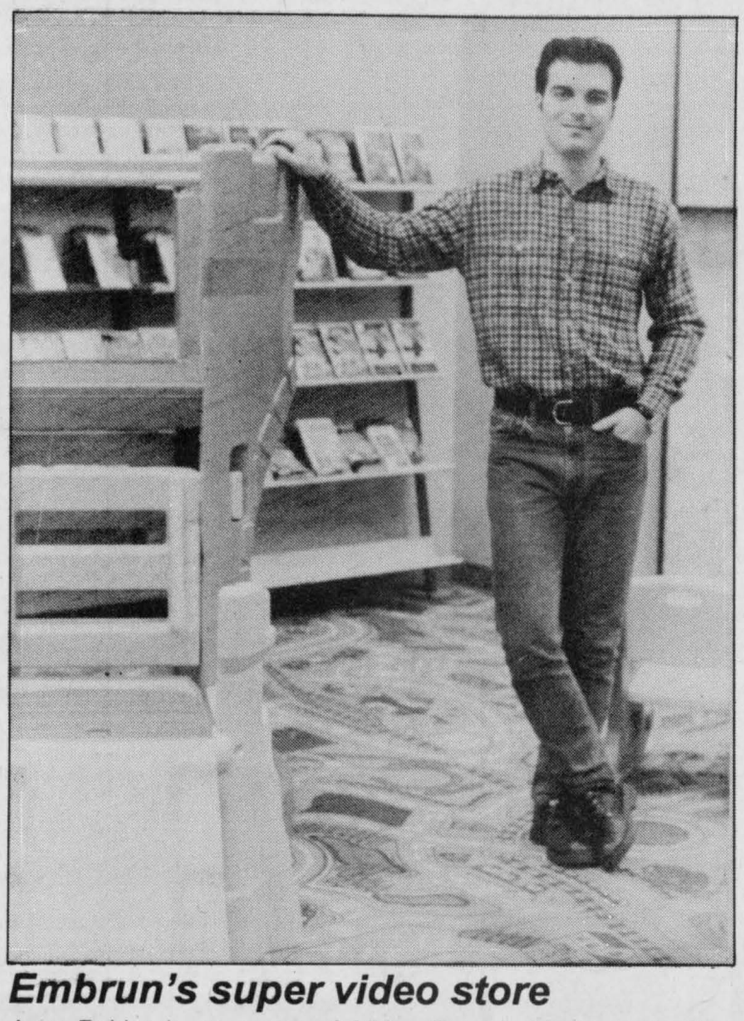
"Rural people are used to driving long distances to the urban sectors (for videos) and the urban areas are already saturated. *Video Zone* targets the rural areas.

"Embrun has nothing of this size," he adds. "That is the reason why we wanted to start up here since there is no competition. People so far are very impressed by the kind of vision we are giving to (our customers)."

In 1988, *Video Zone* opened in Grenville and Hawkesbury and has since expanded to 11 outlets throughout Ontario and Quebec.

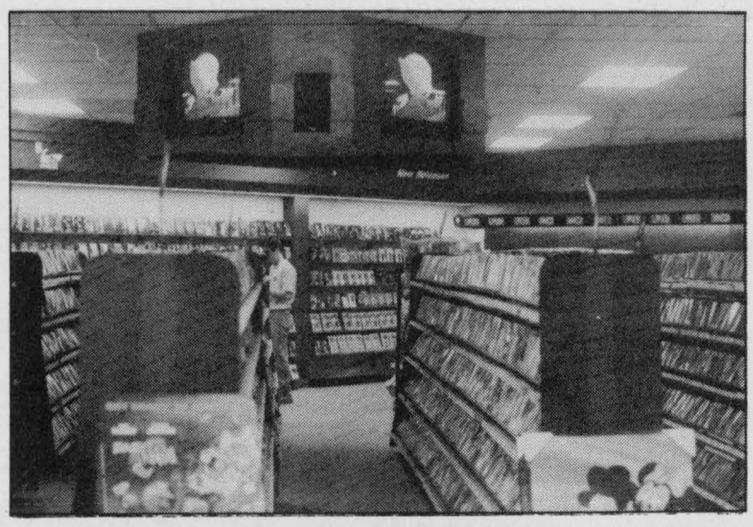
Poirier met his partner, Carl Gauthier, when he worked as a manager at Gauthier's store in Gatineau.

Video Zone is located in Place d'Embrun. For more information, call 613-443-1995.



Embrun's super video store

Jean Poirier is co-owner of *Video Zone* in Embrun, a video superstore with 5,000 videos rentals and the widest selection of video games, music and books in the area.



Video Zone has a dynamic atmosphere.

WI remembers events of 1947

WILLIAMSBURG — The Williamsburg Women's Institute held its March meeting on the 11th at the municipal building.

President Isobel Williams opened the meeting and greeted the 11 members and two guests.

After a short business session, members viewed the movie *Let There Be Light*, which celebrates the 50th anniversary of the Women's Institute in 1947.

Following the film, headline-making events from 1947 were read as well as the cost of things like candy bars, bread; special people born in 1947 were noted as were sports and world events of that year.

The roll call was *In 1947, where were you and what were you involved in*. As well, the minutes of the March 1947 Williamsburg WI meeting were read. There were 23 members and three visitors at that meeting.

The women found interest in reading that it was the result of the death of Adelaide Hoodless' young son, from what was called "summer complaint" caused by drinking impure milk and the realization of women's lack of basic domestic science, which led to the formation of the Women's Institute in Ontario.

In February, the WI members from around the world celebrated the formation of the first WI branch in Stoney Creek. The major celebration of the centennial will take place in Hamilton from June 11 to 22. Delegates have already registered from many countries around the world.

A social period was enjoyed as lunch was served by Joyce Patterson and Evelyn Whitteker.

Neat Things

Brenda Peralty recently took over as manager of *Neat Things* in Winchester owned by Ray Dorey. Peralty sells crafts by nine artists from across Canada. She also offers clerical services such as word processing and resumes.

Sweet speaks at breakfast

DIXONS CORNERS — Attention men. You are invited to a special men's breakfast on Saturday, April 12 at the Matilda Township Hall in Dixons Corners.

Join with men from across Dundas County for a morning of fellowship and praise.

David Sweet, a member of the Promise Keepers Leadership Faculty in Canada, will be the guest speaker.

The breakfast will begin at 8:30 am and will be completed by 11 am. The cost will be covered by a free-will offering.

For more information please contact Wim Berghuis at 535-2488 (day) or 543-3333 (night).

Hop to it!

Sanctuary offers amphibian tour

MORRISBURG — What drinks through its skin, usually has webbed feet, lives most of its life in underground burrows, helps mankind in controlling those pesky insects and sings? Frogs, toads, frogs and more frogs.

Join naturalist Steve Anderson on a guided amphibian tour through the Upper Canada Migratory Bird Sanctuary this Sunday, April 6 from 1 pm to 4 pm.

Starting at 1 pm, there will be a presentation on frogs and toads and their behavior, their songs and what they mean to the environment. Afterwards, participants will be able to take a guided discovery tour through the Sanctuary in search of frogs and toads.

Visitors will also enjoy the opportunity to take a hay ride from 2 pm to 4 pm. Snacks and beverages will be available at the Sanctuary's Visitor Interpretive Centre.

The cost of the program is $4 for adults, seniors and students and $2.50 for children five to 12 years of age. Children four years of age and under are free.

For more information, call 1-800-437-2233.

Fundraising blitz

IROQUOIS — From March 26 to April 9, Seaway will be running its annual magazine campaign to raise funds for extra-curricular activities.

On the first day of the campaign, $1,600 was raised towards the school's $9,000 goal.

As incentives to sell magazines, Seaway held a "Scan N Win" event for $50 on the first day. Random draw prizes will be held every day for students who sell magazine subscriptions.

Seaway This Week
by
Sarah-Jane Whittaker

Several magazines are also offering small prizes for those who sell their publications — *Chatelaine, Flare* and *Maclean's* are offering a "Bananaman" stuffed toy, while *Reader's Digest* is offering a juggling set.

At the end of the drive there will be a draw for a karaoke machine for all students who participated in the campaign. Good luck, Seaway.

On Tuesday, Seaway's Reach team traveled to North Dundas to compete in its second tournament of the year.

Although they came away winless, team members Scott Hasson, Rob Miller, Natalie Patterson, Alex Chan and Rhonda Kuz displayed excellent effort in their matches against North Grenville and TISS. We wish them better luck next season.

Buckland, Walker star as Jets shoot down Wings

Referee Marc Lafontaine disallowed this second-period goal, much to the disbelief of Perth players Derek Bowker (#10) and Spencer Birnie (#20). The puck wound up in Jeff Gole's net but apparently didn't enter legally. The tally, had it counted would have put the Blue Wings up 3-2. They wound up losing the playoff contest to the Metcalfe Jets by a 5-2 margin.

Press Photo — Van Bridger

METCALFE — Metcalfe captain Bruce Buckland and Garnet Walker each blasted home a pair of goals here Sunday afternoon as the Jets zoomed to a 5-2 victory over the visiting Perth Blue Wings.

The decision opened up a three games to one lead for the Metro Jr. "B" Division champion Jets over the Valley Division champs from Perth.

A victory in game four last night (Tues., April 1) in Perth by Metcalfe would give them the Valley/Metro championship and move them into the EOJBHL final round against the Rideau St. Lawrence title - holding Kemptville 73s.

Looking ahead, Metcalfe general manager Roger Thibault said should his team eliminate the Blue Wings Tuesday the Kemptville series would open tomorrow night (Thurs., April 3) in Kemptville and move to Metcalfe this Sunday (April 6) afternoon for a 2:15 pm start.

Metcalfe opened the Valley/Metro series defeating Perth 4-2 and 7-2. Last Friday night (March 28) the home town Wings tripped up the Jets edging them 2-1 in Perth. Sunday afternoon the Jets prevailed by a 5-2 count in a penalty-filled match and opened up a 3-1 series lead.

"Friday night in Perth the officials didn't call anything and it cost me two suspensions (veteran defenceman Jason Leduc got three games and trainer Chris Campbell picked up one game). We played a bad game but we were also frustrated," Thibault explained.

Sunday referee Marc Lafontaine had his whistle at the ready and wasn't afraid to use it. He called Perth for 19 minor infractions, one double minor and four 10-minute misconducts. Metcalfe drew 17 minors and three 10-minute misconducts.

"We were trying to stay out of trouble (penalties) but Perth likes the stick work. But the ref was on the ball and called everything... I liked that," the GM added.

Perth struck for a 1-0 lead on a Kevin Mason goal at 10:45 of the opening stanza but the Jets evened things up at 8:21 when Garnet Walker cashed in a Chad Guy relay to tie it.

Perth made it 2-1 at 13:39 of the second session on a Derek Bowker marker and once again Metcalfe responded quickly as captain Bruce Buckland ripped in a shot from the slot at 12:06.

Perth had a goal waved off which would have put them up 3-2 and wound up down 4-2 after 40 minutes. Kevin Collins made it 3-2, Jets with help from Yves Potvin at 3:59 and Walker potted his second completing a play started by Dan Desjardins with 0:06 left in the second.

Buckland iced the victory when he dented twine in Mike Dickson's net with a pass provided by Desjardins and Stephane Boulerice with 5:01 left in the game.

Jeff Gole posted the win.

WINGS 2 - JETS 1

Stephane Boulerice scored from Jorin Eastman and Desjardins at 16:54 of the final frame as the Blue Wings won game three 2-1.

Derek Bowker and Adam Dewan netted Perth's goals late in the game.

JETS 7 - WINGS 2

Jeff Gole gave up two first-period goals but it was his team, the Jets who led 6-2 after 20 minutes of game two (March 26).

Garnet Walker (2), Dan Desjardins, Don Meisner, T.J. Connolly, Kevin Collins and Bruce Buckland rang up the Metcalfe goals. Steve James (2), Collins (2), Dan Chretien (2), Walker, Chad Guy, Buckland and Desjardins set up the scoring plays.

Atom C's bow to Kemptville

CHESTERVILLE — Stellar goaltending by Clancy MacDonald figured in the demise of the North Dundas No. Three Atom "C" Demons.

The Kemptville goalie gave up just one goal here last Wednesday night as he and his team nipped the Demons 2-1 to become the 1996-97 UCMHL Atom Level III champions.

North Dundas claimed the regular season championship hardware and played their way into the third game of the title round before being eliminated.

"The team has had a good year, no doubt about it," said coach Barrie Scott.

Kemptville won the opening game 3-1 but North Dundas bounced back with a 3-0 win in Kemptville last Tuesday. Kemptville then decided the issue with last Wednesday's 2-1 decision.

The championship series was an evenly contested affair with each team scoring five times.

"All season we scored goals... a lot of goals. We just couldn't score in this series. We took it to them (Kemptville) right in their own building. But game three we didn't have as much flow. The play was back and forth," the coach explained.

Adam Guy (assisted by Stewart DeJong) netted the Demons lone goal.

Kyle "The Cat" Scott was perfect the night before posting a 3-0 win to tie the series up at two points.

North Dundas and Kemptville battled through a closely contested Atom Level III championship series before Kemptville grabbed the title with a 2-1 victory in game three last Wednesday.

Press Photo — Van Bridger

Mitch Scott (assisted by Devin Brown), Matt Gilmer (assisted by Adam Guy and John McMahon) and Tim Johnson (assisted by Stewart DeJong) notched the goals in the 3-0 win.

Sports '97

Demons claim consolation cup

PERTH — A goal by Dan Lapier two minutes into Monday's game was the spark which ignited the North Dundas Demons as they went on to defeat Perth 3-2.

Lapier turned a play generated by Dale Dellaire and Bryan Hillis into a 1-0 lead at 7:57. Ben Collins was the next shooter finding the target with a feed provided by James Kirkwood and Shawn Gilmer at 6:42. Blain Moran ripped home a relay from Collins and Allyssa Baker 3:28 before the end of the first frame and the Demons carried a 3-0 lead into the final 4:03 of the second stanza.

"We jumped on them (Perth) early scoring three first-period goals. Danny Lapier started us off 2:00 into the game and that set the tone. The game was end to end with great goaltending at both ends. Perth scored late (1:04 left in the game) and pulled their goalie but we dug in and held on for the victory", explained coach Tom Kirkwood.

The North Dundas 3-2 win gave them a four points to two decision over Perth and enabled them to capture the UCMHL Novice Level I consolation championship.

The Demons were eliminated by South Grenville (two games to one) in the opening round of the playoffs but went on to take on Alexandria in consolation action. They dropped a 1-0 decision in game one but stormed back to take the next two by 5-1 and 5-2 counts.

With Alexandria out of the way North Dundas then defeated Perth for the consolation championship.

"A tremendous team effort gave us the win (3-2). The kids have learned to put the team ahead of personal goals. I'm very proud of these kids and their work ethic," the coach said.

Dale Dellaire pounded in three goals in game one (March 26) as the Demons downed Perth 7-2. Ben Collins supplied two while Trent Scott and Bryan Hillis snapped in singles. Dellaire, Shawn Gilmer, Colin Moran, Scott and Bryan Hillis drew the assists. Goalies Mike Dyer and Mark Fawcett shared the victory.

James Kirkwood (assisted by Blain Moran) was the lone goal scorer in the 2-1 loss in game two (March 28) which set the stage for Monday's 3-2 road victory in Perth.

OUST GLENS

North Dundas rebounded from a 1-0 loss in the opening game to eliminate the Alexandria Glens.

Trent Scott's goal opened the game for the Demons and then Ben Collins and Dale Dellaire alternated goals as North Dundas tied the series up with a 5-1 win in Winchester on March 17.

Shawn Gilmer (2), James Kirkwood (2), Blain Moran (2), Collins, and Colin Moran earned the assists.

Starting goalie Mark Fawcett stopped a penalty shot and helped the Demons to a series-clinching 5-2 win on March 21.

North Dundas led 2-0 after a period and 4-1 after two with Collins and Dellaire counting the first-period markers. Blain Moran and James Kirkwood dented twine in the second stanza and Collins finished it off with an unassisted goal at 9:29 of period three.

Blain Moran (2), Dellaire (2), Shawn Gilmer, Kirkwood, Allyssa Baker and Colin Moran picked up the assists.

This weekend (April 4, 5, 6) the Demons are competing in a tournament in Buffalo, New York where they will face teams from Cleveland, Pittsburgh and Auroa.

Embrun, Mountaineers capture WDBL trophies

WINCHESTER — Embrun Sports and the Mountaineers collected the 1996-97 Winchester and District Broomball League championships here Sunday.

Emburn, in its first year in the league, edged the pennant-winning Ormond Drywallers 2-1 in the "A" Pool final while the Mountaineers blanked the Newington Knights 4-0 to become the "B" Pool champs.

Embrun took the "A" final opener by a 5-0 count and wrapped up their first championship with Sunday's 2-1 victory.

Norm Bisaillon put Embrun up 1-0 when he put a feed from Jacques Gagnon into Rick LaFrance's net 8:37 before the half-time intermission. Bisaillon then did the leg work for Marc Charlebois who slapped in a second goal with 2:31 left in the opening stanza.

Ormond, who finished the regular season with a 16-4-1 record and league-leading 83 goals scored, finally snapped in their first and only goal of the series when Jamie Norman finished off a powerplay engineered by Todd Downey at 10:25 of the second half. That was the only shot to elude Embrun goalie Martin Marion who backed his team to their 2-1 victory.

Ormond eliminated the Morewood Vikings in two games (3-0 and 4-1) to qualify for the "A" Pool final. Embrun posted back-to-back 3-1 verdicts and eliminated the Prescott Road Knights in straight sets.

"B" POOL FINAL

The Mountaineers locked up the "B" Pool silverware with a solid 4-0 win over the Newington Knights in game two on Sunday.

Things were much tighter in game one as the Mountaineers nipped the Knights 2-1 in overtime.

Dwight Lowe, once again, turned in a solid effort in the Mountain nets as he stifled the Newington shooters. His offence gave him a 1-0 lead in the first half when Doug Rowan netted a pass from Don Godmaire for a 1-0 lead at the 12:36 mark.

A pair of quick goals early in the second half all but decided the issue. Rick Cureston scored from Godmaire and Meryl Patterson on a powerplay at 23:18 to make it 2-0 and John Dumoulin connected on a feed provided by Rowan and Don May at 21:44 to open up a 3-0 gap.

A second Mountaineer powerplay inflated the final tally to 4-0. Glenn Mackie was the shooter making it a 4-0 final. John Doornwaard and Godmaire assisted Mackie on his goal.

Newington picked up the game's three minor penalties.

The Mountaineers ousted the Winchester Raiders in two semi-final games edging them 1-0, twice. Toyes Hill blanked Newington 2-0 in the opening game of their first series but were beaten 4-1 and 3-1 and eliminated by the rejuvenated Knights.

Stingers zap Maroons in ladies final

WINCHESTER — CountryGirl finished third, six points behind the Andy's Food Town Maroons in the regular-season standings, but emerged as the 1996-97 Winchester and District Ladies Hockey League champions.

The Stingers received a solid effort from goalie Jackie Boulanger in Sunday's final game as they defeated the Maroons 5-1 to earn the championship.

Goalie Jackie Boulanger backed the CountryGirls 5-1 victory.

Press Photo — Van Bridger

Nancy Beavers broke up a scoreless contest when she buried a Kelly Durant relay in the back of the Food Town net at 10:01 of period two. She struck again at 12:14 of the third frame using a Deanna VanLoon pass to score what would stand up as the winning goal.

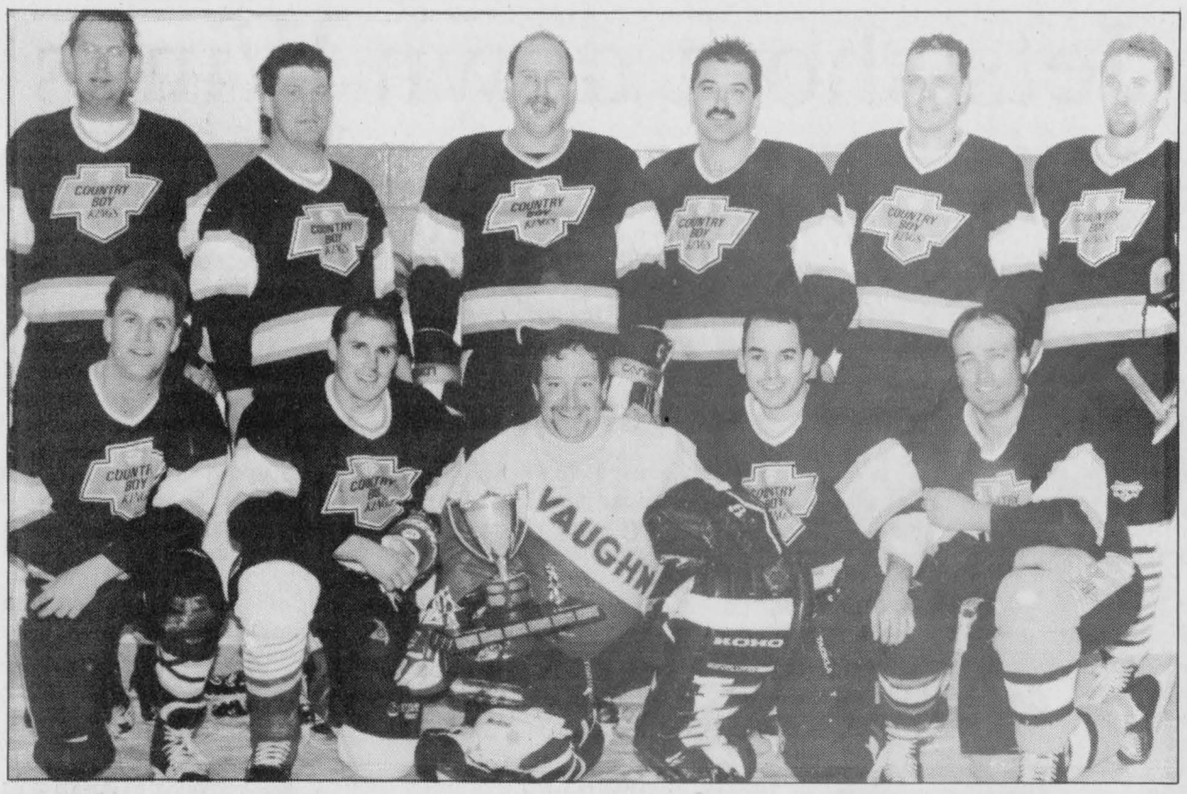
The Maroons finally put a puck behind Boulanger when Nancy McDiarmid cut her team's deficit to 2-1. Heather McDiarmid and Kelly Lackey set up the play.

Lee Ann VanDelst (assisted by Durant) then deflated the Maroons with her goal, which made it a 3-1 game 5:24 before the final buzzer.

Down 3-1 Food Town coach Larry Berry lifted goalie Sherry Stewart in favor of an extra attacker only to have the move backfire.

CountryGirl slammed two more goals into the empty cage as they finalized their victory when VanLoon scored first from Beavers at the 0:30 mark and Tara Berry whipped home a Durant pass 15 seconds later.

This year's championship game was set up when Food Town eliminated the Sports Unlimited Reds 3-0 and the CountryGirl Stingers nipped Stewart's Classics 2-1 in overtime in one-game semi-finals played on March 23.



The CountryBoy Kings completed a three game come-from-behind rally against the Boyd Chrysler Rams to capture the 70-year-old Melvin Cup. The 1996-97 WTHL champs are: front, left, Mike Guy, Brett Fitzimmons, Jeff Moore, Ben Gardener, Harold Fisher. Back, left, Rod Bowman, Darrell Shelp, Terry MacLellan, Eric Winter, Kevin Kimmett, Ken Byrne.
Press Photo — Van Bridger

Shelp powers Kings to comeback

WINCHESTER — Scoring leader Darrell Shelp continued to pile up points and the CountryBoy Kings continued to win hockey games. And that trend resulted in the Kings' crowning victory here last Tuesday.

Shelp, who led the Winchester Town Hockey League in scoring (50-33-83) during the regular season, cracked in four goals and picked up an assist in the fourth game of the Melvin Cup best of five final series.

Those five points keyed a 9-6 victory over the regular season pennant-winning Boyd Chrysler Rams and completed a come-from-behind championship win for the Kings.

The Rams took game one in impressive fashion winning 10-5. That would be their only victory. The Kings turned things around and rolled up consecutive wins: 7-4, 10-6 and 9-6 to win the series three games to one.

That Kings' rally enabled WTHL president John Ralko to present the historic 70-year-old Melvin Cup to CountryBoy captain Rod Bowman following the match.

Shelp's four goals and one assist in game four inflated his championship series numbers to 12 goals and eight assists.

Two of Shelp's four markers gave the Kings a 2-1 first-period lead in Tuesday's match. Terry MacLellan set up the first at 14:01 and Ben Gardener combined with Ken Byrne to assist on the second at 11:42.

Pat Cyr had given the Rams a 1-0 edge scoring from Bruce "Gus" Angus at the 19:09 mark.

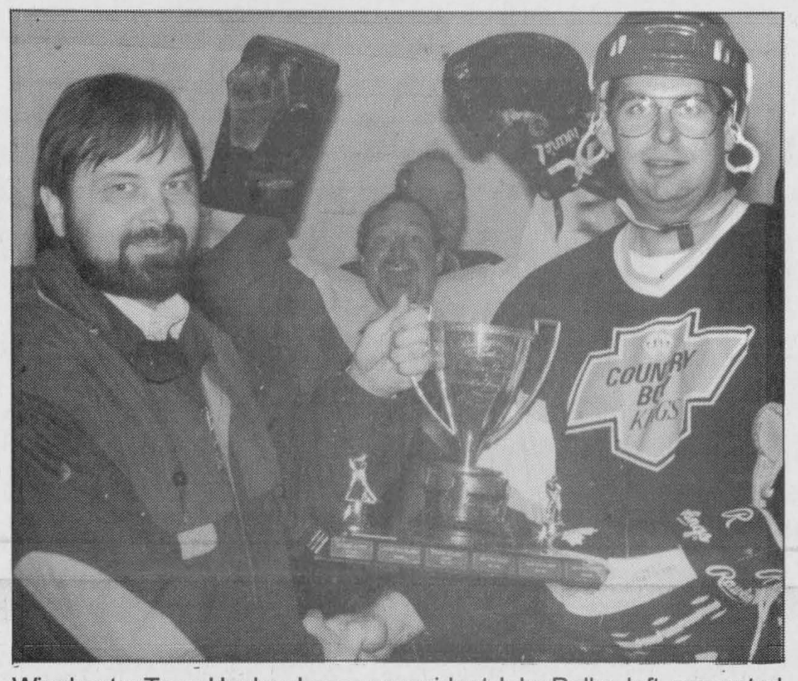
CountryBoy opened up a 4-2 lead in period two. Keith Moore (assisted by Don "Bush" Crowder) tied it up 2-2 for the Rams at 16:15 only to have the Kings answer on goals by Eric Winter (assisted by Mike "Goose" Guy and Shelp at 14:49) and Ken Byrne (assisted by Kevin Kimmett at 5:13).

Period three was a wild-shoot as the Kings scored five times and the Rams four times.

CountryBoy held on and emerged with the 9-6 victory and the Melvin Cup.

Byrne, Brett Fitzimmons, Shelp (2) and Guy netted Kings goals in that order with Ben Gardener (3), Fitzimmons (2), Eric Winter and Byrne engineering the third-period scoring plays.

Goals by Brad Hanes (2), Mark Guy and Pat Cyr kept the Rams close in that final frame. Chris Nicholson (2), Moore and Hanes drew assists on those plays.



Winchester Town Hockey League president John Ralko, left, presented the historic Melvin Cup to CountryBoy Kings captain Rod Bowman following a 9-6 win in game four.
Press Photo — Van Bridger

Travelling team

WINNIPEG, MB — The Heartbreakers,an adult hockey team based in Winnipeg, Manitoba, is looking for players to participate in a recreational tour of Finland and Sweden this coming October.

Dave Springett, team manager and organizer of the trip, is currently accepting applications from area players between the ages of 21 and 50 who want to experience a European hockey tour.

While team members are responsible for their own travel expenses, the club provides uniforms and makes all the arrangements leaving the players to focus on the games. Players throughout Canada and the U.S. have participated in the past.

The team is filled on a first come, first serve basis and will play five no-contact exhibition games during the 10-day tour.

For more information, call Dave Springett at 204- 489-9228.

Jamieson hot between pipes, Ducks face off against Flyers

METCALFE — Hot goaltending by Bill Jamieson has pushed the pennant-winning 31 Esso Ducks into the 1996-97 Metcalfe Town Hockey League championship game.

The Ducks will square off against the Tom's Air Cooled Engine Flyers this Saturday night (April 5) in the winner-take-all contest at the Larry Robinson Arena. League officials report a wind-up party in the Metcalfe Lions Den will follow the 7:00 pm game.

Jamieson and the Ducks blanked the Hisks' Insurance Devils 4-0 in game one of their two-game total goal semi-final and then posted a 4-3 win in Sunday's (March 30) match as his team claimed a berth in the title match by an 8-3 margin.

Tom's Air Cooled Flyers tangled with the McVey Insurance Leafs and managed to win the series seven goals to six. Game one was a 4-4 tie and game two a 3-2 victory.

CLINCHING GAMES

The Ducks and Devils were tied 2-2 at the half of Sunday's final game and the first-place finishers sealed their trip to the final by virtue of a 4-2 final count.

Kevin McManus, Pete Bishop, Brian Johnston and Ron Casselman scored for the Ducks. Bob Kemp (2), Jeff Hope and Ted Wichers picked up the assists.

Vince Seguin netted all three goals for Hicks. Carson McVey (2), Chris Reaney and Jeff Stanley set up the scoring plays.

Bob Wills's second goal of the game, set up by Steve Wade and Marc Branchaud at 11:18 of the second half, proved to be both the game and series-winning goal as Tom's Air Cooled Engine Flyers eliminated the McVey Insurance Leafs seven goals to six.

Bill Robinson recorded the other marker while Moe Robinson, Bruce Kerfoot, Steve Wade and Marc Branchaud engineered the plays. Wayne Widemaier posted the win.

Jeff Dewan (assisted by Rick Bloom at 28:25) and Don Honey (assisted by Steph Rawlings at 27:38) scored early in the second half to tie the game up 2-2 for the Leafs.

Goalie Bill Jamieson gave his team, the 31 Esso Ducks, a comfortable lead in their Metcalfe Town Hockey League two-game, total-goal series. Jamieson was unbeatable helping the first-place Ducks to silence the Hicks' Insurance Devils (wild card team) 4-0 in the opening semi-final game.

Neither team found the range in the opening half as the Devils' Mike Preston and Jamieson turned back all of the rubber fired at them.

Scoring began at 28:50 of the second stanza when Bob Kemp whipped a Kevin McManus pass against the string and recorded what would prove to be the winning goal.

Brian Johnston increased the lead to 2-0 finishing off a powerplay started by Rudy Grisel and Kemp at 23:51. Shane Patterson upped the lead to 3-0 when he threaded the needle with another Kemp pass at the 18:17 mark. Grisel then completed the scoring driving in a Jeff Hope feed on a powerplay at 11:37.

ALL TIED UP

The other semi-final series was dead even at four goals each following a 4-4 draw in game one. Steve Wade's goal scored with 2:24 left on the clock completed a late three-goal comeback and lifted Tom's Air Cooled Engine Flyers into that tie with the McVey Insurance Leafs.

The Leafs took the lead at 27:27 of the first half when Ron Flanagan scored from Butch Rocqueborne and Don Honey only to have the Flyers tie it 6:23 before the intermission. Rick Corlyon did the honors with help from Jim Kerfoot and Moe Robinson.

A quick start in the second half opened up a 3-1 lead for the Leafs. Tom Doyle (assisted by Steph Rawlings) connected at 29:17 and Rick Bloom (assisted by Flanagan) scored on a powerplay at 27:12 to put their team up by two.

Rick Corlyon (assisted by Kerfoot) shaved one goal from the Flyers' deficit at 8:39 but the Leafs recovered their two-goal advantage (4-2) with 7:50 left on the clock when Derek Medaglia beat Wayne Widemaier on a play started by Rick Bloom and Jeff Dewan.

The Flyers scratched their way back for a 4-4 tie netting goals with 5:46 and 2:24 remaining in the match.

Jeff Raven (assisted by Steve Wade and Steve Porteous) closed the gap to 4-3 scoring at 5:46 and Wade tied it using a pass provided by Phil Wellbergen and Bob Wills with 2:24 to go in the game.

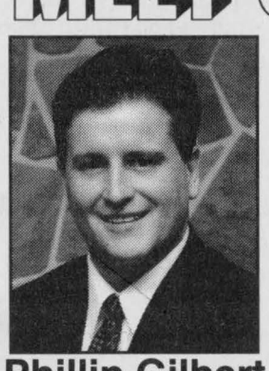
MEET OUR SALES TEAM!



Phillip Gilbert
Sales Consultant

Hi, there. "What a great Phone Book". "So easy to use and full of helpful community information". This is the feed-back I receive when talking to you, the user, about The Easy To Read Telephone directory. My goal this year is to continue a high standard of service to my customers and improve our directory wherever possible. The addition of the listings for the Kemptville area 258 exchange proves our commitment to this area. I guarantee this year's upcoming Phone Book will be another overwhelming success. I look forward to seeing you.

Bret Pothier
Sales Consultant

I have been a part of The Easy To Read Telephone Directory team for the past three years and have watched it grow through the success of the Brockville and Dundas county area businesses.

With the addition of the Kemptville area this year I hope to make 1997 even more prosperous for you and your business by helping you advertise effectively in the affordable Easy To Read Telephone Directory.

Kevin Lamacraft
Sales Consultant

I am new to the Special Projects Sales Team, but familiar with many of the businesses and residents of the area.

I am a regular user of The Easy To Read Telephone Directory and am looking forward to promoting it in the area.

I look forward to meeting with you and assisting you in achieving success in your business through advertising in the 1997/98 Easy To Read Telephone Directory.

Bedrock Girls host regionals

MANOTICK STATION — The Bedrock Girls midget basketball team is hosting the Eastern Ontario Basketball Association championships April 11-12 at St. Mark High School.

Seven teams, including ones from Brockville, Nepean, Ottawa and Elgin, will visit Osgoode Township for the largest tournament the school has hosted, said club president Doug Stuewe.

Osgoode resident John Hannon is the EOBA tournament convenor and said he expects the tournament to be a lot of fun. Some of the events, other than basketball include a raffle, hotshots competitions, sales of t-shirts as well as a pancake breakfast on the Saturday morning.

The Bedrock organization hopes to raise about $1,000 for its trip to the Ontario Basketball Association tournament at the end of the month.

The team has canvassed several township businesses who have donated about 75 prizes to the raffle. Bedrock, along with co-sponsors Spalding and the EOBA, are organizing a hotshots competition at 3 pm Saturday. Two girls from each team will compete.

"We would like to get as many people to help out as possible," said Stuewe.

The tournament will be run by parents, leaving the coaches to coach.

The midget team, which ended the season in first place, has received a bye and will not play until the Saturday of the tournament. However, each team is required to play three games, which leaves Bedrock to play all of their games in one day.

The Osgoode Outlaws claimed their eighth consecutive Osgoode Hockey League championship defeating the Manotick Kings 3-1 last week. Front, left, Mark Patterson, Dave Warren, Steph Rawlings, Bill Jamieson, Paul Mussell, Rob Melenhorst, Dave Sheldrick. Back, left, Bob Dumelie, Murray Toll, Cory Reaney, Jamie Reimer, Wayne Burke, Tim Cavan, Brian Johnston, Mark Lystik, Bob Kemp.

Outlaws nab eighth OHL trophy

OSGOODE — The engraver must have a draw full of nameplates reading... OHL champions - Osgoode Outlaws - 19 (fill in the year).

Powered by Mark Patterson's two-goal effort and Bill Jamieson's solid goaltending the Osgoode Outlaws rode to a 3-1 championship victory over the Manotick Kings here last Thursday.

The win handed the Outlaws the 1996-97 Osgoode Hockey League championship... their eighth consecutive title and ninth in the last 10 years.

The Outlaws did all of their scoring in the first period and then checked Manotick to a standstill to secure a 3-1 win in the one-game showdown.

Mark Lystik cashed in a Jamie Reimer - Bob Kemp rebound for a 1-0 lead at 12:06. Patterson then went to work and potted a pair of goals to open up a 3-0 lead before the half.

Patterson roofed a Steph Rawlings relay at 7:46 and then finished off a Dave Warren play 2:15 before the intermission to give the champs all of the offence they would need.

Manotick finally cracked Jamieson's goose egg on a powerplay with 7:33 left in the game. Chris Droeske made it a 3-1 game when he scored on a feed provided by Steve McLaughlin.

The championship match was a hotly contest affair with the Outlaws being whistled for 13 minors, a fighting major and a game misconduct.

The Kings drew 13 minors, two 10-minute misconducts and a fighting major.

Osgoode ousted the Pyper Bulldogs in two games (5-4 and 6-3) to make the title match. Manotick dropped their opening game to the South End Blues by a 5-4 count but rallied and eliminated the Blues by beating them 4-1 and 4-0.

Shawn Bannis turned in the shutout against the Blues while Doug Clunie, Derek Byrd, Todd Henry and Chris Droeske did the scoring.

Todd Bosik (2), Steve McLaughlin, Mike Anderson, Doug Clunie and Byrd drew the assists.

Dawgs rip Shirts in hunt for crown

CHESTERVILLE — Goalie Ben Henry blocked and kicked aside all but two shots here last Wednesday and that "Dawgged" effort sparked a 7-2 win. A victory that put the Red Dogs back in the hunt for the 1996-97 Chesterville Town Hockey League championship.

The fourth-ranked Greenshirts took the opener by a 7-4 count. The third and final match will decide the Iron League title tonight (Wed., April 2).

Kirk Tallman was the lone Shirts shooter to enjoy any success against Henry. He ripped in both Green goals scoring unassisted with 6:18 left in the first half and again at 9:40 of the second stanza.

"Rocket" Rod Casselman, Dereck "Wendell" Holmes and Scott Reaney put first-period shots into Craig "JB" Smith's cage. They cashed in passes provided by Holmes and a pair by Gary "Woody" Klein-Swormink to open up a 3-1 half-time lead for the Dawgs.

Reaney, Arch "Deluxe" Beckstead, Holmes and Gary Beisheim secured the victory connecting from Casselman at 13:45, Reaney at 12:39, John Luimes at 8:15 and Casselman and Beckstead at the 4:03 mark.

GAME ONE

Kirk Tallman's three-goal effort extended the Greenshirts inspired post-season play in game one on March 19.

Tallman, who bagged 22 goals during the regular season, scored three and set up a fourth goal helping the fourth-place Greenshirts to a 7-4 victory over the pennant-winning Red Dogs.

The decision gave the "Shirts" a one game to nothing lead over the "Dawgs".

Their victory also extended the Shirts' playoff winning string to three games, including two straight over the White Lightning in the semi-final round.

Dereck "Wendell" Holmes opened the game up for the Dawgs notching his first of two first-half goals at 22:17. Darrin Kelly set up that play while John Luimes engineered the other one 12:55 before the half, but it was the Shirts who emerged from the opening frame up 4-2.

Kirk Tallman (assisted by Jason Ouellette) tied it up at 1-1 scoring at 15:51. Troy Helmer then put the puck on Ouellette's stick at 12:10 and made it a 2-2 contest.

Tallman (unassisted) increased the lead to 3-1 and Jerrold Boulanger (assisted by Ouellette) doubled the difference to 4-2 when he fooled Ben Henry 3:58 before the half.

John Mackler widened the gap to 5-2 with help from Tallman and Ouellette coming with 24:25 left in the second half, but the Dawgs replied quickly when Kelly connected from Holmes and Archie Beckstead at 23:40 and made it a 5-3 difference.

Tallman's third goal came at the 21:01 mark and opened a 6-3 count for the Shirts. Helmer and Boulanger arranged the play.

Gary "Woody" Klein-Swormink (assisted by Holmes and John Luimes) cut the Dawgs' deficit to 6-4, 17:26 before the buzzer and the score held up until Jason Ouellette drilled an unassisted shot into the empty net with 0:20 left in the game.

72s oust Stars, now face Cougars

CASSELMAN — The Embrun 72s have moved a step closer to another Eastern Ontario Junior "C" Hockey League championship.

Two-goal efforts by Ray Weatherbee and Simon Frigon sparked the 72s to a 6-5 victory over the home-town Stars here on Sunday. The win completed a come-from-behind rally for the defending champs. Casselman opened with 4-3 and 5-4 (OT) decisions but Embrun strung together four wins (4-1, 8-5, 5-3 and 6-5) to win it in six games.

Embrun will now face the Vankleek Hill Cougars in the championship round.

Game one was played last night (Tues., April 1) in Embrun. Game two is set for tonight (Wed., April 2 - 8:15 pm) in Vankleek Hill. The 72s will host game three Friday night (April 4 - 8:15 pm) and game four will be played Saturday (April 5 - 8:15 pm).

EMBRUN 6 - STARS 5

The visiting 72s trailed the Stars 2-0 after Stephane Perth had potted a pair of early goals but managed to pull themselves into a 2-2 tie before the opening stanza was over.

Ray Weatherbee cut one goal off the deficit scoring unassisted at 5:15. Simon Frigon came through with the tying marker at 3:30.

Embrun carried a 5-4 lead into the final frame thanks to second-period goals by Martin Gignac (assisted by Dominic Dicaire at 10:27), Tom Tremblay (assisted by Paul Carpentier and Weatherbee at 4:43) and Simon Frigon (assisted by Geoff Comeau and Dave Ryan at 2:51).

Jean Rainville and Mathieu Boulerice replied for Casselman.

Weatherbee connected on a pass provided by Ryan and Gignac at 18:20 of the final frame and his marker stood up as the game-winner and series-clinching goal.

Casselman got a goal from Stephane Perth with 3:54 left on the clock but couldn't get any closer than 6-5.

EMBRUN 5 - STARS 3

The 72s grabbed a 3-2 series lead skating to a 5-3 verdict on their own ice last Friday (March 28).

Veteran Stephane Levere was between the pipes and held the Stars to one goal in period two (Francis Briere) and two in the last stanza (both by Jean Francois Lalonde) as his squad gained their first lead in the series.

Geoff Comeau netted the 72s first-period goal. Dominic Dicaire and Martin Gignac slammed in the second-period pucks. Tom Tremblay topped off the production scoring at 17:10 and 0:01 of the final frame.

Dave Ryan (2), Frigon (2), Jocelyn Godoua, Luc Bedard, Gignac, Dicaire and Paul Carpentier all drew assists for the winners.

Rec rambles

by Winchester Recreational Facilities Manager Matt Krisjanis

I hope everybody had a good Easter and that we gave a little thought to the meaning of Easter.

As I sit here and write this next paragraph, I have a small tear rolling down my cheek. Yes, I have shut down the ice plant and the ice is melting. Another ice season is over.

This season went well, with minor sports, adult hockey, figure skating and broomball. I would like to thank all the user groups for their co- operation and involvement with the facility and I hope to see you next season.

Speaking of next season, don't forget to get your ice request times to me as soon as possible to ensure your spot in our schedule.

Now on a personal note, I would like to thank all the nurses, doctors and staff at the Winchester District Memorial Hospital for the A-1 job they did of taking care of my dad. He thanks you very much.

Now that ice activities have ceased, there are various registrations for summer sports taking place. On April 1 and 2, from 7 pm to 9 pm, soccer registration will take place at the arena. The men's roller hockey league will be happening every Thursday night. For those interested in playing, please drop off your name and number at the arena. The age limit for the men's league is 18 and up.

Ladies' roller hockey will hold their registration on April 10 at the Royal Canadian Legion in Winchester from 7 pm to 9 pm.

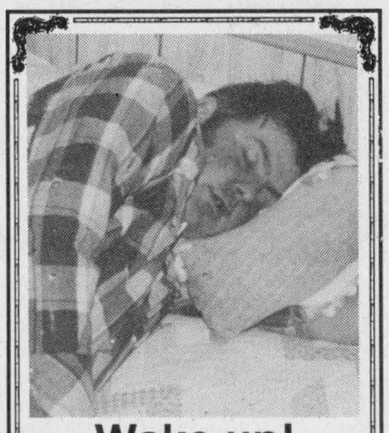
The ladies' 3-pitch league is looking for players. To register, call Linda Foster at 774-2931 or 774- 4253.

The men's 3-pitch league is in full-swing again this year and for those new players interested, drop off your name and number at the arena.

My thought for the week: "If you look like your passport photo, you're too ill to travel."

Happy
18th Birthday
Shannon

We love and miss you very much
Love Mom, Dad, Lyndsay, Brian, Cody, Nanny & Poppa
Hugs & Kisses



Wake up!
It's your 50th Birthday

Bantam Demons win tournament

CARLETON PLACE — They jumped up two levels and still beat all comers.

The North Dundas Bantam "C" Demons polished off the competition here over the weekend as they completed an extremely successful hockey campaign with a tournament "A" Division championship.

"It was just a super way for the boys to end their season. We had won a couple of "B" Division tournament championships but couldn't get that "A" trophy. It was the only thing eluding us this season," coach Eldon Moss explained.

The Demons ran away with the UCMHL regular season championship, earned themselves the UCMHL Bantam Level III Sportsmanship award and finally the league playoff championship banner.

"What made the Carleton Place Tournament championship so gratifying... perhaps even more so than the league championship was the fact the team moved up two levels (house league Level III to house league Level I) and still won."

Moss added that the club played as a team, all played well and had a fun day. "It was a great way to finish the year."

Anchored by Carl DeJong's stellar goaltending, the Demons outscored their opposition 21-7 en route to the championship. North Dundas also continued to play in their typical sportsmanlike fashion drawing just six minor penalties in three matches.

DeJong was beaten just once as North Dundas knocked off the Carleton Place No. Two Caps 5-1. Jason Denio paced the attack scoring three times. Tyler Brown and Glen Mellan added the others. Todd Levers (3), Andrew Douma, Ryan Moss and Todd O'Brien earned the assists.

Ryan Moss rang up three goals in an impressive 9-4 victory over the Stittsville Redmen. Andrew Douma, Jason Denio and Todd Levers each potted a pair of goals to round out the attack. Todd O'Brien (4), Denio (3), Moss, Jim MacHardie, Calvin MacIntosh and Glen Mellan set up the goals.

North Dundas then faced the Carleton Place No. One Caps squad and trimmed them 6-2 to earn themselves the championship silverware and individual trophies.

Tyler Brown, Jim MacHardie, Andrew Douma, Glen Mellan, Jason Denio and Ryan Moss scored in that order. Assists went to Todd Levers (2), Denio (2), Brown (2), Jonas Dawson, Mellan and Calvin MacIntosh.

Don't turn your flyers into UFOs

We're a new flyer distribution network guaranteeing Wednesday circulation of your advertising product on a paid circulation basis to 38,700 homes in rural SD&G and Cornwall through daily and community newspapers.

We offer the convenience of one order - one bill and one distribution point. Book your flyer through any of the participating publications closest to you.

This is guaranteed delivery, not the "leave 'em in the garbage pail" of postal lockboxes or the hit-or-miss of door-to-door independent contractors. We can show you exactly where your flyer will be sent by postal code and dealer and single copy sales.

Our price is competitive with other distribution methods and our advantage is that we GUARANTEE delivery to the home.

Contact any of these newspapers for more information on this exciting new method of regional flyer distribution!

Athens Flyers eliminate North Dundas Pee Wees

CHESTERVILLE — The checking system employed by the Athens Flyers completely shut down the North Dundas offence. The end result was a two-games-to-nothing UCMHL Pee Wee "B" championship series victory for the Flyers.

Athens blanked North Dundas 8-0 in game one on March 16 and eliminated them with a 4-1 decision here on March 20.

Aaron Kelly was the lone North Dundas goal scorer. Captain Francis Dagenais and Kelly Beckstead drew assists on the play at 4:54 of period two of game two.

Mark Asbreuk bagged three and set up the other Athens goal which was scored by Bob MacMillan with 0:48 of the first period remaining.

ROUND TWO

North Dundas advanced to the final round by first eliminating the Brockville Warriors and then knocking out the Morrisburg Lions four points to two in a closely contested three-game series.

The first two encounters finished in 3-3 ties. The Demons eventually clinched the victory posting a 4-2 win in game three on March 15.

The Lions and Demons matched goals in game one in Morrisburg battling to a 2-2 tie in period one. Both scored again in the third frame.

Josh McLean (assisted by Dave Gallant) hit first at 6:23. Gallant then chipped in a Matt Baker relay at the 5:01 mark and made it 2-0, North Dundas. Morrisburg responded at 4:41 and again at 3:40 with a pair of goals by Tony Barkley to send the teams into the second session even at 2-2.

Aaron Kelly converted a feed from Ryan Erwin into the go-ahead goal (3-2) with 2:32 to play in the game only to have Lions captain Stefan Barkley tie it up (3-3) with his unassisted goal 0:54 before the final buzzer.

Game two in Chesterville (March 13) saw the Demons take a 2-1 lead in period one and the Lions tie it up (3-3) with a Chris Cullen marker with 0:48 left to play in the contest.

Francis Dagenais (assisted by Kelly Beckstead) put the Demons up 1-0 at 9:20 of period one. Aaron Kelly (assisted by Kevin DeJong) gave his team a 2-1 lead scoring at the 0:34 mark. The Kelly goal answered one by Morrisburg's Robert Scott which had knotted the count at 1-1 at 7:29.

Bruce Lewis connected for the tying goal (2-2) at 9:24 of the second session but Kelly Beckstead pumped in an Aaron Kelly pass five minutes later and North Dundas went up 3-2.

Morrisburg avoided the loss when Cullen tied it up for good with 0:48 showing on the clock.

DEMONS 4 - LIONS 2

North Dundas wrapped up the series doubling the Lions 4-2 in Morrisburg.

Nikolas Paas, Francis Dagenais, Josh McLean and Dave Gallant were the goal scorers while Adam Sylvester and Chris Currie shared the goaltending chores and the victory.

Hot rockers

Skip Nathan Armstrong and his rink of Stacey Little, Sara Volks and Gina Porteous brought home some hardware from the 1997 Morrisburg Little Rocks bonspiel. The Winchester foursome lost in a championship shootout to JJ Hollister of Morrisburg.

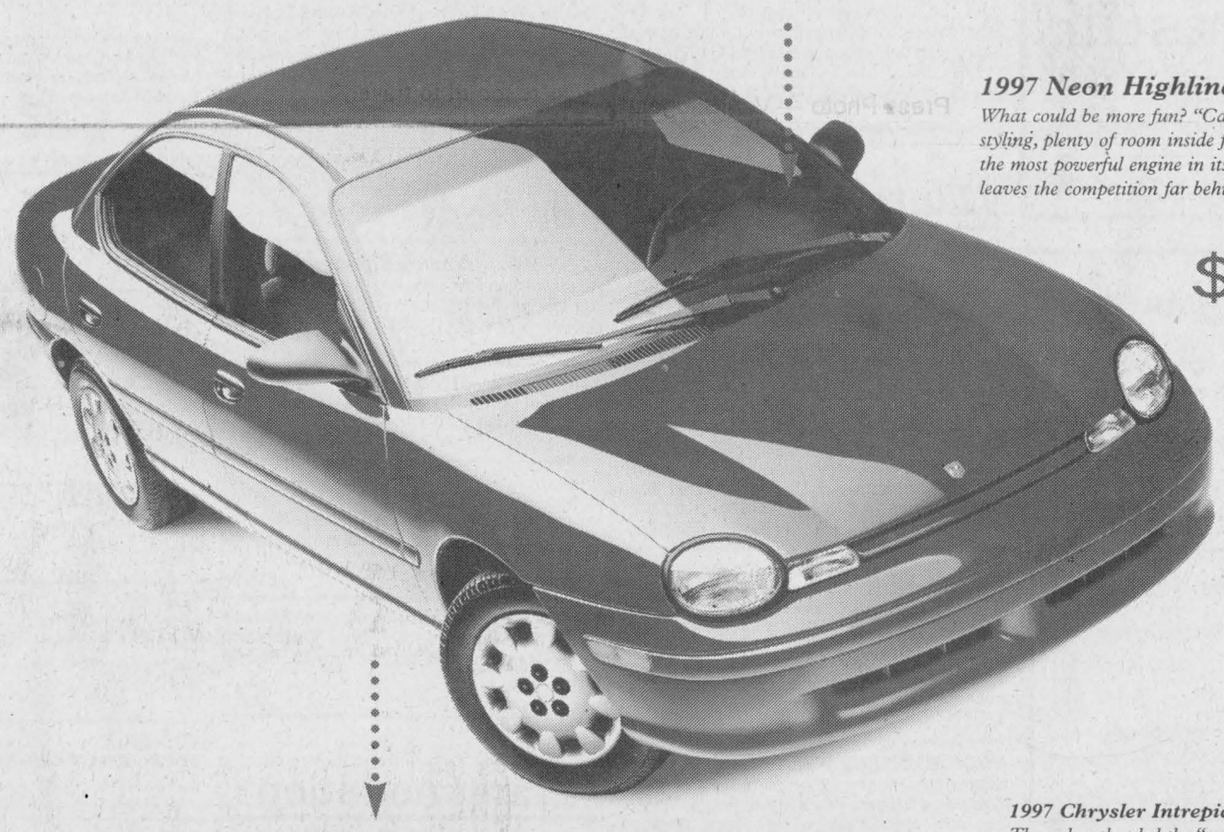
CHRYSLER
CAB FORWARD DESIGN: ADVANTAGE CHRYSLER.
CHRYSLER'S COMMITMENT TO BUILD GREAT CARS AND GREAT TRUCKS MEANS GREAT RESULTS IN INNOVATION AND DESIGN. IT PRODUCED THESE AWARD-WINNING "CAB FORWARD" SEDANS WHICH OFFER A WIDER TRACK FOR SUPERIOR HANDLING, AND A ROOMIER, MORE COMFORTABLE INTERIOR.



1997 Neon Highline 4-door.
What could be more fun? "Cab-forward" styling, plenty of room inside for friends and the most powerful engine in its class. Sort of leaves the competition far behind, doesn't it?

22D Package includes:
• 2.0L 16 Valve 132 hp engine
• Air conditioning
• Dual air bags
• Automatic transmission
• AM/FM stereo

$14,988*
GOLDKey or LEASE FOR $199† a month for 30 months plus $1,613 downpayment or equivalent trade, $250 security deposit and $630 freight. Ask about our No-Money Down Option.

1997 Chrysler Intrepid.
The sedan that led the "cab-forward" revolution is still turning heads, with over half a million sold. An award-winning design, a long list of standard features and a surprisingly affordable price–that's the 1997 Chrysler Intrepid.

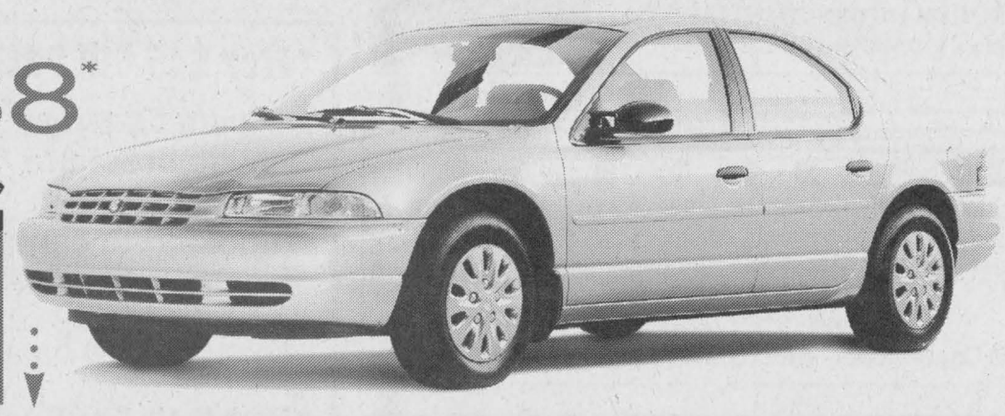
22C Package includes:
• 3.3L V6 engine
• Air conditioning
• Dual air bags
• Automatic transmission
• AM/FM stereo cassette

$21,388*
GOLDKey or LEASE FOR $299† a month for 30 months plus $2,479 downpayment or equivalent trade, $350 security deposit and $790 freight. Ask about our No-Money Down Option.

1997 Plymouth Breeze/ Dodge Stratus.
Thanks to "cab-forward" design, Breeze and Stratus go to the head of the class in interior roominess and comfort, superior safety features and performance. Plus all the standard features you'll ever need in a family sedan.

24A Package includes:
• 2.4L Multi-valve 150 hp engine
• Air conditioning
• Dual air bags
• 4-Speed automatic transmission
• AM/FM stereo
• Side impact beams

$17,988*
GOLDKey or LEASE FOR $239† a month for 30 months plus $2,158 downpayment or equivalent trade, $275 security deposit and $695 freight. Ask about our No-Money Down Option.



GREAT CARS. GREAT TRUCKS.
CHRYSLER CANADA
SEE YOUR LOCAL CHRYSLER DEALER NOW.

These are limited time offers and apply to retail deliveries of 1997 models from dealer inventory for personal use and may not be combined with any other offers. Dealer may sell/lease for less. See dealer for details and conditions (including no down payment plan).

Racing the Raisin

CORNWALL — Preparations for the 24th annual Raisin River Canoe Race have begun.

Alton Blair, chairman of the Raisin Region Conservation Authority and Garry Atchison, canoe race organizer, have confirmed the race date to be April 13.

The race will continue to be both a spectator and participant event as challenging sections of the river, known as the Devil's Chute, the Martintown Dam and MacIntyre's Rapids, are fully accessible to spectators.

A new category has been added for 16-foot canoes. This will provide the recreational canoeist with more of an opportunity to place in the top 10.

Birth Notice

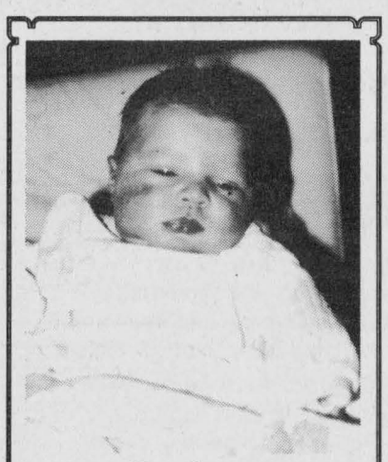
IT'S A GIRL — Announcing the safe arrival of Anya Maria Elise on March 16, 1997. Proud parents are Leo and Angele (nee Leroux) Vanderlaan, Williamsburg. First grandchild for Gaston and Elise Leroux, Ottawa. First great-grandchild for Alcide and Simone Vernier, Cochrane, Ont. 12th grandchild for Leonard and Mary Vanderlaan, Winchester. Special thanks to Drs. Lussier, D'Anjou and the nursing staff of the Ottawa General Hospital and the Intensive Care Unit.
1

TWINS

FINDLAY — Mark, Kim and big brother Travis are proud to announce the early but safe arrival of Connor, weighing 5 lbs 5 ozs, and Megan, weighing 3 lbs 14 ozs, born on March 17, 1997 at the Ottawa General Hospital. Grandparents are Glen and Ruth Liscumb of Chesterville and Don and Joan Findlay of Williamsburg. Special thanks to Dr. Oppenheiner and the maternity staff.
1

A HANDSOME STUD IS BORN

Richard and Penny McMillan along with Robbie and Angie are very proud and pleased to announce the safe arrival of the second foal born on their farm on the Berwick Road. A brother for Rosie's Star Angel, King Pappy's Choctaw, a Duntobiano stud colt arrived at 4:30 am on March 14, 1997 and he weighed in at approximately 100 lbs. The proud Momma is Rosie, a Dun-quarter horse. The proud Poppa is Poppy's Choctaw Jet, a Tobiano Paint. A special thanks to John and Karen Seguin from High Point Farms, Winchester, the proud owners of this handsome stud.
1



Rodney

Jamie Rene made her entrance into this world on Wednesday, March 19, 1997 at 12:27 am, weighing in at 8 lb., 8 oz., 22" long. Samantha has a sister and Chris and Joanne have another beautiful daughter. Thanks to Dr. Rivington and all the staff at WDMH and special thanks to John and Leslie Nagerl.

Birth Notice

LEVAC — Guy and Carol (nee Versteg) are proud to announce the safe arrival of Marco, on Wednesday, March 26, 1997 at 7:36 pm weighing 9 lb 4 1/2 oz., a little brother for Patrick. Proud grandparents are John and Bep Versteg of Russell and Gaston and Marie Clair Levac of St. Bernardin. Many thanks to Dr. Crabtree and maternity staff of W.D.M.H.
1

Card of Thanks

CARD OF THANKS — Your thoughtful expressions of "get well" relayed through cards, flowers, telephone calls and visits are greatly appreciated as I recover from surgery. A special thanks to Sadie and J.P. when I needed help! Many thanks to Dr. Flowers, Dr. Kimberly and the caring staff of W.D.M.H.
— Thanks for thinking of me, Pearl Carkner.
1

CARD OF THANKS — I would like to offer a card of thanks to Winchester District Memorial Hospital for the prompt and very good care I received as an emergency patient on the night of March 21. Thank you to the ambulance staff who got me there safely on an icy and snowy night, the night staff on duty at the emergency room who treated me with kindness and assurance. Thanks to all the nursing staff on C3 and a special thank you to Dr. Flowers for his interest and concern.
— Edna Trory
1

CARD OF THANKS — I wish to express sincere thanks to my family, friends and neighbours for their visits, gifts and cards while I was a patient in Winchester and Cornwall Hospitals. A special thank you is extended to Dr. Flowers, Dr. Reen, nurses, therapists and clergy for their excellent care and concern.
— Russell Marcellus
1

CARD OF THANKS — We would like to express our sincere thanks for the cancer donation, memorial cards, calls and visits since the death of my sister Beatrice Jackson, (nee McMenomy) of Schenectady, New York. Memorial services were held in her church on March 16 with internment in Wale Cemetery, Schenectady. Your kindness will always be remembered.
— Harold, Dorothy and family.
1

CARD OF THANKS — The family of the late Eric Myers would like to thank friends and relatives for thier support during Eric's illness. Special thanks to Don Carr, staff at Crysler Residence, staff at Queensway-Carleton and Winchester Hospitals, Legion members, Daniels Funeral Home and Rev. Carol Poley-Delisle. Eric was predeceased by his brother Stuart and his sisters Pearl Link and Alice Merkley.
1

1

CARD OF THANKS — I wish to express sincere thanks to friends, family, neighbors and the community for all the support and love given to us. The many cards, letters, calls, donations, prayers, flowers and food donations are greatly appreciated. Also sincere thanks to Pastor Bruce North, Pastor
Danny Laronde and Betty and Cliff Barkley for their spiritual guidance. We know Jack will be greatly missed by his family and friends.
— Very Sincerely, The Plummer family.
1

CARD OF THANKS — I wish to thank my friends and neighbors for the visits, calls and sympathy cards received in the recent loss of my brother, Thomas Allen. Special thanks to the staff at Dundas Manor and Winchester Hospital.
— Stella Casselman
1

CARD OF THANKS — A special thanks to my family, friends and neighbors for visits, calls, cards, flowers and "Elmer" received while I was a patient at W.D.M.H. and after returning home. Special thanks to Dr. Burke, Dr. McLean and the nurses of I.C.U. and 3rd floor for their excellent care. Thanks also to Rev. Harwood, Rev. de Bruijn and Pastor North for their visits. All was deeply appreciated.
—Marjorie Thompson
