PLATOON NOTES

Winchester platoon of young recruits of the Reserve Army enjoyed all-day manoeuvres with "A" Company of the S., D. & G. Highlanders on Sunday last. Scene of the operations was in the Muttonville section of Matilda Township, north-west of Morrisburg. The day was given over to instruction on the Bren Gun Carrier, trucks, motorcycles, three-inch mortars,, etc., and was thoroughly enjoyed by the boys. At noon a hot lunch was served in the field. with the young recruits initiating their mess tins.

The Company was in command of Capt. Chas. Crober, with Lieut. Harold Lannin, Lieut. Barry and Lieut. Parker in charge of the Winchester, Chesterville and Morrisburg platoons, respectively. Major Philips and a number of instructors from Battalion Headquarters at Cornwall were present to assist the local officers. The boys were very much interested in the instruction given and all report a very enjoyable outing.

N. C. O.'s Promoted.

Recent promotions in the local platoon are as follows: Cpl. Howard Summers becomes Platoon Sergeant, while L. Cpl. Robert Barkley and L. Cpl. Reg. Workman have been promoted to full Corporals.

Equipment Turned In

At Monday night's parade most of the retiring members of the platoon turned in their equipment and will be struck off strength. No member who has applied for discharge will be given his release until his equipment has been returned to platoon headquarters.

Parades Interesting.

With the arrival of rifles, Bren gun and other equipment, future parades of the platoon will become real interesting. Any boy 16 years or over who wants to take this training should get in touch with the Platoon Commander, Lieut. Harold Lannin.

BIRTH

At Mountain on Sunday, November 5th, 1944, to Mr. and Mrs. Rowat Jones, a daughter.

DIED

At Mountain, on Sunday, November 5th, 1944, infant daughter of Mr. and Mrs. Rowat Jones.

Memorial Service To Be Held In St. Paul's Church This Sunday Evening

A Memorial Service, in memory of Pte. Dwight Durant, son of Mrs. Milton Durant and the late Mr. Durant, of Winchester, who was killed in action while serving with the Canadian Forces in Italy, will be held in St. Paul's Presbyterian Church, next Sunday evening, November 12th, at 7.30 o'clock.

As the Legion will take part in the service, members of the Winchester Post are requested to meet at the local Club Rooms at 6.45 p.m. on that date. All war veterans and members of the armed services are invited to parade to the church with the Legion on this occasion.

Rev. Wallace MacKinnon, pastor of the church, will be in charge of the service.

Open Season For Deer In Dundas

According to information given out by Mr. D. J. Taylor, Deputy Minister of Game and Fisheries at Toronto, there will be an open season for deer in the Townships of Williamsburg and Mountain from November 20th to November 25th, both days inclusive.

The season in these townships will however, be subject to special regulations. In the first place, the regular deer hunting license will not be valid. Instead, there will be a special license, which may be obtained from the clerks of the townships. Further, a license procured in either township is valid for that township only, not for both. License fee will be the same as for the regular deer license, $4.

Restrictions are also placed on the methods of hunting. No dogs will be allowed, and dogs running at large at that time are apt to be shot. Rifles may not be used, the season being open for shotguns only, and for shot size no larger than S.S.G. or No. 0 Buckshot. Bucks or does may be taken.

As pointed out in the Morrisburg Leader last week, this will be the first time in many years that there has been an open season for deer in this part of the province, and while there are apt to be a good many hunters out, if they will all play the game and observe a few safety rules, the danger of anyone getting accidentally shot should be slight.

In the first place, make sure you know whether or not your gun is loaded. In the second place, don't point it at anyone, even in fun, and even if you know it isn't loaded. In the third place, if you are fortunate enough to see a deer, make sure that it is a deer, and not some other hunter's back at which you are shooting! And remember this—it may make you look twice before you shoot—if you DO accidentally shoot or kill anyone, it is mandatory that a charge of manslaughter be laid against you at once. The careful hunter will not want to take a chance on having to beat this charge. If you find anyone hunting with a rifle, or with dogs, or breaking any of the other regulations, you are urgently requested to report him at once to the nearest Fish and Game Warden. After all, this open season in this part is an experiment this year, and if we want hunting in future years, we will have to see that the first year is successful and free from accidents.

Mrs. Angus Coons Died On Sunday

In ill-health for several months, there passed away at her home on Clarence Street, Winchester, on Sunday morning last, one of the district's most highly esteemed citizens, in the person of the late Mrs. Angus Coons.

Deceased was the former Ida May Bilow. She was in her 79th year and was born in the Township of Winchestter, a daughter of the late Mr. and Mrs. Daniel Bilow.

The late Mrs. Coons was a devoted member of the Wesleyan Methodist Church.

Following her marriage to Mr. Angus Coons, she took up residence on a farm, south-west of Winchester, where she had resided until a few months ago, when she and her son, Wilburn, moved to Winchester to reside in the house they purchased from Mrs. Chas. Barkley.

Of a kindly and loving disposition, deceased had won for herself a wide circle of friends who will regret her passing.

The funeral was held on Tuesday afternoon, with service in the Wesleyan Methodist Church, conducted by the pastor, Rev. D. W. Summers, assisted by Rev. Mr. McIntosh. During the service, a duet, "Sing Me A Song," was sung by Mrs. Sheldon Robinson and Miss Idena Jones.

Interment was made in the family plot at Maple Ridge Cemetery. The pall bearers were: Messrs. Gerald Howes, Roy Baker, Hobart Holmes, Robert Freeland,, Clarence Holmes and Ward Summers.

The late Mrs. Coons leaves four daughters, Mrs. Chas. Kirkwood, of Toyes Hill; Mrs. Lorne Boyd, South Mountain; Mrs. Lloyd Robinson, of Waltham, Que., and Mrs. John Fader, of Winchester; three sons, George, Floyd and Wilburn, all of this district, and one brother, Mr. Ward Bilow, of Morewood. A sister, Mrs. Millie Baker, predeceased her a few weeks ago.

Testifying to the high esteem in which the late Mrs. Coons was held, were the following floral tributes:

Pillow—The Family.

Basket—Grandchildren.

Wreaths—Cloverdale School; Mr. and Mrs. R. W. Boyd and family; Mr. and Mrs. W. F. Workman, Mr. and Mrs. Lloyd Kenney, Mr. and Mrs. Paul Sanders, Mrs Maude Robertson, Mr. and Mrs. Herb Jackson and Mr. Jas. Hanes.

Sprays—Summers' Sunday School, Mrs Annetta Holmes and family, Mr. and Mrs. Stirling Coons and family, Mr. and Mrs. Dalton Coons, Mr. and Mrs. Lorne Holmes and sons, Miss Doris Kirkwood, Mr. Mildren Baker and family.

Cut Flowers—Miss Aleitha Coons.

DR. G. ALEX GEMEROY ELECTED SCHOOL TRUSTEE AT EDMONTON

This week we received a copy of the Edmonton Bulletin, sent to us by Mr. J. E. Cook. It contained the results of the civic elections, held in the Alberta Capital last Wednesday. Among the successful Citizen Candidates for the Public School Board was Dr. G. Alex Gemeroy, a native of Winchester, and son of Mrs. J. Gemeroy and the late Mr. Gemeroy. There were six men running for trustees with three to be elected. Dr. Gemeroy polled 5,143 votes, and the other two successful candidates 5,255 and 5,593 votes. We also noted that three of the defeated candidates ran under the C. C. F. banner. In the contest for Aldermen, five members of the C. C. F. ran and all were defeated Evidently the C. C. F. Party is not wanted in Municipal Government.

Local Bond Sales Nearing $140,000 Mark

On Wednesday morning the sale of Victory Loans in Winchester and district totalled about $138,000—that leaves $22,000 to raise by Saturday night in order to reach our objective of $160,000. There is no reason why this cannot be accomplished if the citizens continue to give the Loan the support it justly deserves. Let's all aim to put the Loan "over the top" in this district—we missed out by a few thousand dollars in the Sixth Loan.

Chesterville Division with a quota of $160,000 is lagging with sales to date totalling only $93,450. Up in Mountain 68 per cent. of the quota of $90,000 has been reached.

In the Counties as a whole, the campaign is progressing favourably. On Wednesday morning nearly $2,-500,000 of the $3,400,000 objective had been reached. It will take steady plugging to get that other $900,000, but the Counties have always gone over the top and there is no reason to believe that they will fall down this time. In the meantime—Buy Bonds and More Bonds. A safe, sound and sure investment and a duty you owe to the boys "over there."

BURGLAR ALARM AVERTS ROBBERY

The Burglar Alarm at Bessin's Departmental Store averted a robbery early last Saturday morning, when an attempt was made by a party of unknown thieves to force open a door at the rear of the building.

The trespassers first opened a window and, finding that it was studded with iron bars on the inside which blocked their entrance, decided to force a nearby door. They succeeded in prying it open, but as soon as it was pushed against the burglar alarm switch, a loud electric bell started to ring outside of the building to notify residents that the store was being entered. This unexpected alarm evidently scared the thieves and they jumped in their car and raced out St. Lawrence Street at a high rate of speed.

Hearing the alarm ringing, Mr. Gerald Helmer, who resides in the vicinity of the store, went over to investigate, but the burglars had left. He notified Messrs. Morley Shortt and Luther Frankenberg, employees of the store, and they turned the alarm off. That was about 3 a.m. Saturday morning.

Later, the same morning, the gas pumps at MacDonald's Store at Vernon were tampered with and several gallons of gas stolen.

It is believed the thieves may have come from Ottawa to burglarize the Bessin Store and on their way back to the city, stole the gas.

The Bessin Store has been broken into on several occasions. Only a few weeks ago three men from Ottawa were apprehended and sentenced to jail in connection with the robbery at the Bessin Store last summer. At that time the burglar alarm system was not working and the thieves stole about $200.00 worth of goods. Most of it was recovered when the men abandoned the stolen automobile they were using, near North Gloucester.

WEDDINGS

STEINBERG—MAGEE

In St. Paul's United Church, Prescott, on Saturday, October 21st, by the Rev. Dr. D. N. Coburn, Hilda Marian Magee, younger daughter of Mr. Nathaniel Magee, of Prescott, and the late Mrs. Magee, was united in marriage to Mr. Charles Steinberg, of Prescott, son of Mr. W. N. Steinburg, of Winchester, and the late Mrs. Steinberg.

Mrs. Lucien Morin, of Prescott, was matron of honour, and Mr. Alton Loughridge, of Toronto, was groomsman.

Honoured After Marriage

A very pleasant evening was enjoyed on Saturday, October 28th, when a surprise party of thirty-five neighbours of the community gathered at the home of Mr. and Mrs. Charlie Steinberg to honour them upon their recent marriage. During the evening several games were played, followed by the presentation to Mr. and Mrs. Steinberg of a coffee table and cake plate. The address was read by Mr. Russell Dennis with Mr. Leslie Whiting making the presentation on behalf of the neighbours. Mr. and Mrs. Steinberg thanked their many friends for the beautiful gifts. Dainty refreshments were served.

Following is the address:

October 28, 1944.

Dear Charlie and Hilda:

We, the members of the community are happy to have the honour of gathering here this evening to celebrate the happy occasion of your recent marriage, and to wish you much happiness in future years.

Since you have been living in our community, Charlie, we have enjoyed your fellowship and good-will and now that you have repented of your celibacy and taken unto yourself a permanent helpmate, we trust that you may enjoy a full measure of connubial bliss.

It is with pleasure, Hilda, that we welcome you to our neighbourhood. We are looking forward to extending our friendship with you in years to come.

At this time we desire to extend to you our best wishes for a happy and prosperous journey through life, and we are asking you to accept this small gift, not for intrinsic value, but rather that it may remind you of the kindly feelings that those gathered here have for your future welfare.

Theatre News!

PICADILLY

NOW PLAYING

Thurs., Fri., Sat., NOVEMBER 9-10-11

"BEAU HUNKS"

Starring your favorite comedy team, Stan Laurel and Oliver Hardy.

W S. Stamps Sales

The sum of $20.50 was realized from the sale of War Savings Stamps in the school this week. Not much improvement over past weeks, but we can do better. How about it, students? Let's try to reach the $35.00 mark next week. The year's record is still $43.75.

Literary Meeting

Tomorrow afternoon the W. H. S. will hold its first Literary meeting of the year. Fourth Form students will have charge of the meeting and we are sure it will be an interesting meeting.

Rugby Note

Last Thursday, the Morrisburg Juniors nosed out the W. H. S. Juniors 25-23 in a hard-fought contest. Last night the Morrisburg Seniors played the local Seniors on the W. H. S. campus. The results will be announced in this column next week.

PRESIDENT F. D. ROOSEVELT RE-ELECTED IN U. S. A.

In the general election, held in the United States on Tuesday, President Franklin D. Roosevelt was re-elected for his fourth term. At time of going to press, returns were not complete, but President Roosevelt was leading in 37 states, with over 400 electoral votes. His opponent, Governor Dewey, was leading in 11 states with a little over 100 electoral votes. The final returns should give Mr. Roosevelt a good majority. His re-election will be received with satisfaction throughout Canada, as he has proven himself to be a friend of this country. In fact, all democratic countries throughout the world will rejoice in his re-election.

HOME FRONT APPEAL

I wish to give notice that the Salvation Army Home Front Appeal has opened this week in Winchester. The canvassing of the whole village will be made during the period ending on Saturday, November 18th. I ask that you welcome the canvasser who calls on you and that you give generously in support of this worthy cause. The Salvation Army is doing a great work in ministering to the spiritual and temporal needs of our people in this time of war. In Christian love answer this call for a gift from you.

(Rev.) Wallace MacKinnon,
Local Campaign Director.

FEED NEWS

FEEDING MOLASSES

We expect to get a few barrels of Molasses in a week or ten days. The Feeds Administrator has given us permission to handle a limited quantity.

If you need Molasses, please call at once and book an order. Barrel lots only.

CUSTOM GRINDING

In order to give better service on custom grinding, we have most of our Western Barley and Oats ground at the Government Elevator at Prescott.

With this arrangement we can take care of the local grinding as it comes in without too much delay.

The grinder runs from 7.30 in the morning until 5 o'clock in the evening. Bring grists early in the day. Through the winter there are not as many grists in the forenoon and we can get them out with less waiting than in the afternoon.

A lot of people have their grain rolled now. They like rolled grain for cattle feed because it makes it coarse and bulky when bulky feeds are scarce.

The charge for Grinding or Rolling is 10 cents per 100 lbs. Be sure and bring spare bags.

CAR SHORTAGE

Deliveries of all kinds of Grain and Feeds are held up because of shortage of box cars. It is claimed that the situation may be worse than last year.

We cannot be sure of getting Western grain and other feed here when we want it, so keep a couple of weeks' supply ahead all the time and save running short.

LAYING MASH

Here are the different kinds of Laying Mash that we can supply:

1. X-L-O Laying Mash—a high protein that has proven its quality.

2. XXX Laying Mash — equally well balanced but slightly less protein and lower in price.

3. X-L-O Poultry Concentrate added to ground or rolled Western Oats, Barley, Wheat and Corn.

4. X-L-O Poultry Concentrate added to home-grown grain.

5. Laying Mash made up according to your own formula with any ingredients required.

REMEMBRANCE DAY, NOV. 11

The local branch of the Canadian Legion started making its annual Poppy Day appeal to the people of this community last Saturday. The Poppy Fund is now a recognized institution—wherever the Canadian Legion exists in Canada, and it serves a two-fold purpose of much merit. The money which is raised by the distribution of the Poppy—the symbol of sacrifice—is used entirely to relieve unusual distress among War Veterans of the war and the present conflict, and their families. At all times it has been found that the Veterans, in view of the fact that many of them have disabilities and handicaps, suffer even more than others who are out of employment, since many of them require special care and attention which they are unable to provide. This is where the Poppy Fund, raised through the sale of Poppies by the local branch of the Legion, steps in and provides relief for the situation.

There is another reason why every citizen should wear a Poppy for Remembrance Day. These Poppies are manufactured in the Vetcraft shop of Canada, workshops in which handicapped Veterans are given sheltered employment, and in which they manufacture the hundreds of thousands of Poppies which are distributed every year at this time. By wearing a Poppy, citizens can find a great deal of satisfaction in knowing that they are helping these handicapped Veterans to obtain a livelihood which they would otherwise lack on account of their special disabilities.

This two-fold appeal should find a ready response in the hearts and minds of the people of this community, which has always been ready to make the way easier for those of its citizens who served Country and Empire in the Great War, and in this present conflict. We commend it to your sympathetic consideration, in the hope that you will respond generously and thus help to hold the torch flung to you by those who did not come back.

CALLING ALL MEN !

Hon. W. G. Thompson, Minister of Lands and Forests, Province of Ontario, today issued a statement urging "all able-bodied men" to seek fall and winter employment in the woods in such essential work as pulpwood cutting, if free to do so. He stressed the importance that this production should be "maintained and even increased."

His statement read: "Ontario's forest industries are doing a vital wartime job in producing wood pulp, paper, lumber and a variety of other wood products that are necessary to the war effort. It is of the greatest importance that this production should be maintained and even increased but to do this will require more men for work in the woods during the fall and winter months.

"As Minister of Lands and Forests for Ontario, I am keenly aware of how great the need is and what an important part woods workers are playing in the winning of the war. There are jobs to be filled in the woods now—jobs that can be filled by farmers who are not required on the farms during the winter or by workers in seasonal occupations.

National Selective Service has ruled that farmers may work in the woods when they are not needed on the farms. I strongly urge any able-bodied man to go into the woods this autumn if he is free to do so."

There is nothing wrong with the above appeal, but the shortage of help in the bush lands this winter could be eased considerably if the men in the "Zombie" Army were put to work at such essential jobs.

PRAYER BEFORE BATTLE

On the eve of battle, Major Alex Campbell, of Perth, Ontario, wrote the following simple verses — a prayer for a divine gift of courage:

* * * *

When, 'neath the rumble of the guns,
I lead my men against the Huns;
It's then I feel so all alone and weak
And scared.
And oft I wondered how I dared
Accept the task of leading men.

I wonder, worry, fret and then—I pray:
O God who promised oft
To humble men to lend an ear,
Now in my troubled state of mind
Draw near, O God, draw near,
Draw near.

Make me more willing to obey.
Help me to merit my command.
And if this be my fatal day,
Reach out, O God, Thy helping hand
And lead me down that deep, dark vale.

These men of mine must never know
How much afraid I really am.
Help me to lead them in the fight,
So they will say: "He was a man."

* * * *

The assault that followed was one of the bitterest in which the Canadians have been engaged — the storming of Leonardo and the heights beyond, during the last days of 1943—an action which resulted in the capture of Ortona on the Adriatic coast.

Soldier son of a soldier father who had been killed in action in France during the first world war, Major Campbell knew the cost of battles won or battles lost, long before he gave the order to advance.

While leading a charge by his men of the Hastings and Prince Edward Regiment, he fell on Christmas day—a gallant soldier and a leader of men.

EDITORIAL NOTES

Have you bought a Victory Bond yet? If not, why not? This district needs your help to put it over the top—and your money couldn't be invested in anything safer. Think it over!

The open season for hunting deer commenced on Monday, and lasts until November 21st. There are no reported changes in the deer hunting regulations for this year, and given fine cool weather, the local hunters are looking forward to a good hunt.

"No country," says the St. Thomas Times-Journal, "has been so generous in its treatment of Jews as Great Britain. A Jew has been Prime Minister and another Jew has been Viceroy of India." In view of the American attacks on Britain over the question of Palestine, the St. Thomas paper's further comment is most timely: "When the people of the United States elect a Jew as President, it will be time enough for them to criticize Britain."

UNWORTHY PARENTS

(Chatham News)

Parents, particularly, should be awakened to a sense of their responsibility. The parent who unconcernedly allows his child away from his care to get what training he can pick up on the street is recreant to his trust and unworthy of the honour of parenthood.

ALMONTE'S POOR WOOD

(Almonte Gazette)

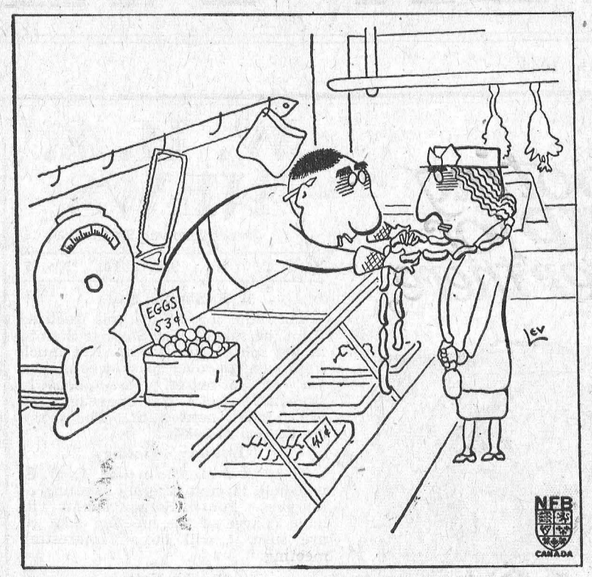
Comparing the price of wood and coal and the quality now being delivered, it would seem that those who are equipped to use coal should do so in the interests of their pocket books, comfort and peace of mind. Taking it by and large, never was such terrible looking wood seen in town at such a scandalous price.

A VICIOUS PRACTICE

(Campbellton (N.B.) Tribune)

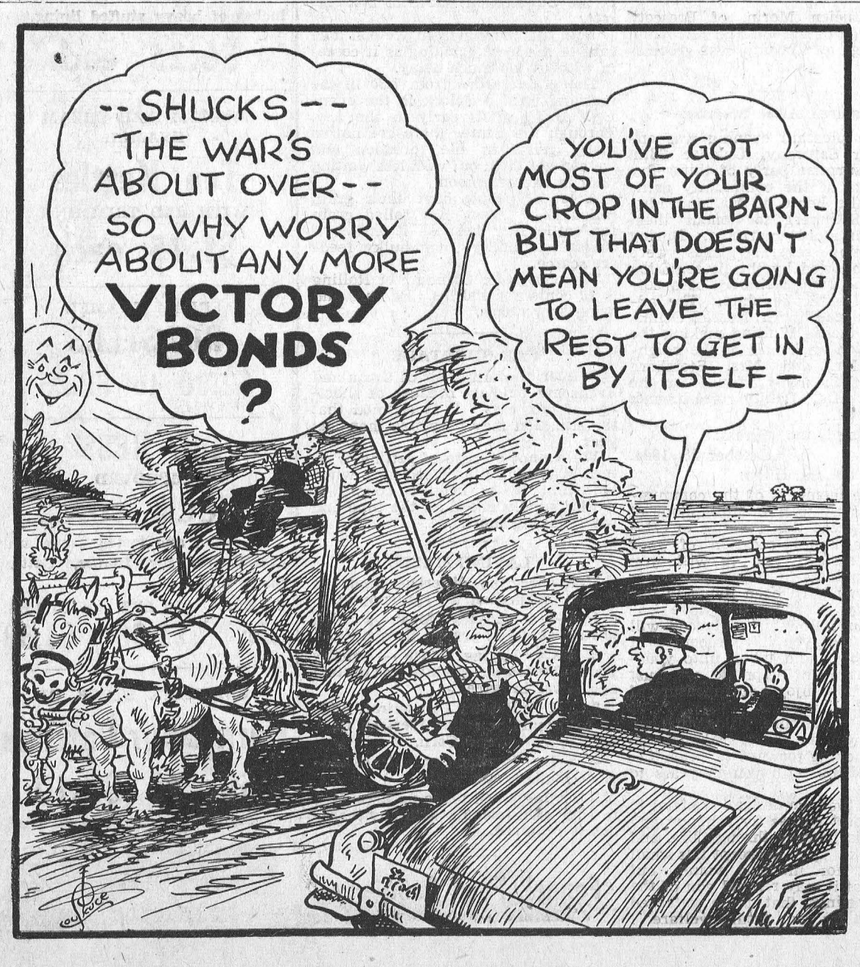
A growing practice on the part of many people here, both men and women, is the habit of playing with the good name of their neighbors . . . It is high time that a strong stand was taken and these professional reputation-destroyers be made to cease so malicious a practice.

Prize-Winning Cartoon



"LET US TRY AND SAVE PAPER MRS. TWITCHGRASS"

Over 800 cartoons submitted by approximately 300 artists were reviewed by the judges of the Humour For Victory competition, sponsored by the National Film Board and the Wartime Information Board. Ten prizes and 10 honourable mentions were awarded. Professional and amateur artists from across Canada entered the contest and one soldier-artist sent his entry from England. Above, first prize of $100 went to William Levine, 41 Cosburn Ave., Toronto, for this cartoon on saving paper.



A WEEKLY EDITOR LOOKS AT Ottawa

Written specially for the weekly newspapers of Canada

By Jim Greenblat

The Dominion Bureau of Statistics. That's a phrase you read often in this column. Yet few of us realize the importance of this department which was established in 1918. The average Canadian citizen answers the questions put to him every ten years by the census taker, but those answers and those of eleven million others are probably forgotten. But they are not forgotten by the 1,100 persons employed in the Bureau of Statistics who compile a mass of pertinent facts on a multitude of subjects and make them available on demand.

For instance, if a Canadian wrote to the Bureau and asked how many cheques had passed through the Canadian banks in July of this year, quick as a flash the Bureau would reply that "4,733,461,538 cheques were cashed in Canada in July, 1944." And that's the truth.

The vast amount of data existing in the Dominion Bureau of Statistics has been used by every department and agency to the government engaged in directing the war effort, and there has been an increasing demand for information from non-war departments and from the general public. Besides the statistical data, the Bureau assists war departments by lending services of trained statisticians. It gets a variety of work. One of its early war jobs was compilation of National Registration facts and figures taken in 1940. It also deals with many problems including cost-of-living, wholesale and retail trade and financial statistics, etc. This department, which is so much taken for granted, does a big job.

* * * *

Another effort is being made to make contact with Japanese-held prisoners-of-war and internees. The International Committee of the Red Cross has arranged a ten-word cable service between them and their Canadian next-of-kin, but its successs will depend on the co-operation of the Japanese.

It is proposed that each prisoner or internee be allowed to send one cable a year at first. The prisoner's cable must be the first in the exchange and next-of-kin will not be able to send a message until they have heard from their relative in the prison camp. If the Japanese government does its part, it is hoped that the first cables will start coming in about Christmas time. Costs of the cables both ways will be paid by the Canadian Red Cross Society.

* * * *

In order to ease the difficult position which exists in obtaining sufficient professional and non-professional workers for hospitals, the Dominion Department of Labor has announced that in future such workers can be hired direct without having to pass through the local employment offices of Selective Service. However, employment offices will continue to secure help for hospitals and will be kept advised of placements by the hospital authorities.

* * * *

Thousands of women all over Canada work for the Canadian Red Cross and many have been doing so since the outbreak of awr. It should give them a warm feeling of a job well done to know the splendid results of that collective effort.

By arrangement with the British Red Cross, the Canadian Red Cross is now furnishing two-thirds of all food parcels sent to allied prisoners, except those from the United States. The new program calls for the packing of 190,000 food parcels a week in Canada in an attempt to send one parcel per man per week. This is an increase of 90,000. The cost of these parcels will be $24,700,000 in 1944. This includes 80,000 parcels a week for British prisoners in Europe (which includes Canadians), 80,000 for other allied prisoners in Europe and 30,000 which will include civilians, in the Far East.

At present Canada is budgeting to pay $5,500,000 of the total. Though the International Red Cross at Geneva distributes them, the parcels are sent individually to prisoners. The purpose is to supplement the prisoners' diet from a nutritional standpoint. The parcels, 11 lbs. each, contain this: 16 oz. whole milk powder, 16 oz. butter, 4 oz. cheese, 16 oz. jam or marmalade; 10 oz. pork luncheon meat, 8 oz. salmon, 4 oz. sardine or kipper, 8 oz. raisins, 8 oz. of dried prunes, 8 oz. sugar, 12 oz. of corned beef, 16 oz. pilot biscuits, 1 oz. salt and pepper, 4 oz. tea, 2 oz. soap, 8 oz. eating chocolate.. Up to August 31, 1944, the Red Cross has sent 11,327,974 parcels overseas.

* * * *

Have the children avoid mud and puddles is the advice given to mothers by WPTB's Consumer branch. Children can do much to keep themselves well-shod during the winter months. The report is that over a million more shoes were made in 1943 than in 1939. However, the demand still exceeds the supply—partly because the children who used to wear sneakers five months of the year, now wear leather footwear all the year round.

The best leather, of course, is going into shoes for Canada's fighting men. . . Every man in the infantry gets three pairs a year.

There is need, then, for everyone to practice conservation of shoe leather by observing two simple rules . . . dry shoes away from direct heat and treat them regularly with special oils to replace the natural oil in the leather.

For October, November and December, the Prices Board has authorized manufacture of another 10,000 washing machines. This is news which should tickle housewives who need them. But that exhilaration must be tempered by the knowledge that there may be some difficulty in getting parts from the United States so all of the batch authorized may not reach the market. However, any that are available may be sold without restriction. Since May, 1943, permits were issued to make over 23,000 but up to June of this year only 15,538 were actually turned out.

* * * *

The Seventh Victory Loan is going over as expected, but a push-over impetus will be needed before the closing hour to make it really something that will startle Hitler and Tojo. The fact that Canadians are behind the war effort is exemplified in the figures which show that there were 178,363 subscriptions in the first war loan. By the time the sixth loan rolled along, it had jumped 17 times to 3,077,123 subscriptions. Just remember that Canada's war expenditures since 1939, including budget forecasts for this fiscal year, will total more than $15,000,000,000, a staggering amount, but cheap for liberty in the final analysis.

WARNING TO PARENTS

(Stirling News-Argus)

Juvenile delinquency is increasing at an alarming rate. This can be charged to a large degree to the indifference of parents to the home training of their children. The practice of allowing young boys and girls to loaf about the streets until a late hour is fraught with danger, and if little John or Mary gets into trouble no one can be blamed but their parents.

CANADIAN SHIPS

(Brockville Recorder & Times)

The English Captain of a Royal Navy minesweeper built in Canada says that "the people who built this ship can be proud of her. She has stood up to everything that came her way and, believe me, she hasn't been idle." It used to be thought this country could not build quality ships . The wartime service of scores of stout vessels built in Canadian yards by Canadian workmen making use of Canadian materials is decided proof to the contrary.

WE ALL AGREE !

(Carleton Place Canadian)

Recently a request went in from Toronto to the government at Ottawa asking that standard time be reverted to for the winter months. The government turned thumbs down on the proposal as it was not expedient to make any change at this time. It is to be hoped when any change of this nature is made as to the observation of standard or daylight saving time it will be by government order rather than by local bylaw so that there will be uniformity throughout the province. Our experience of the recent years has impressed on most of us the value of uniform time.

Our Column

The trouble with most people's religion is that it's only Sunday deep.

One of the real problems after the war will not be who governs what, but what governs who?

Buy Victory Bonds! Victory Bonds are insurance. They not only ensure victory, but employment for the normally difficult post-war period.

Hitler is not the only dictator whose days are numbered. Franco is rapidly heading in the same direction.

Look at the bright side. Most of us, at least, don't have to drive around worrying about wrecking a new car.

It is said the Germans have dropped Laval. He had so little way to fall they must have pushed him out of the basement.

The devil has been fought with fire on many occasions, but there is no record to show that he ever suffered from burns.

Tonics are found in—bottles, sunshine, vacations, approbation of the boss, reductions in taxes, good news, good companions and small bills.

THEY DIDN'T KNOW

EVERY Chiropractor has had the experience of having patients who little realize the scope of Chiropractice. Many of these have taken Chiropractic adjustments and have obtained remarkable results. They are impressed with the relief obtained and don't hesitate to tell their friends about it.

However, these same people ofttimes become ill at a later date and instead of again consulting the Chiropractor they suffer unnecessarily and even sometimes seek relief through radical operations. They litttle realize that the Chiropractor could also give them relief in this second instance.

All too often the Chiropractor hears a patient say: "I know that Chiropractic is good for nervousness, because I myself have been benefited." Yet this same patient doesn't realize that Chiropractic is just as beneficial for headaches, stomach trouble, kidney disorders appendicitis and a wide variety of other diseases to which all of us may at times be subject.

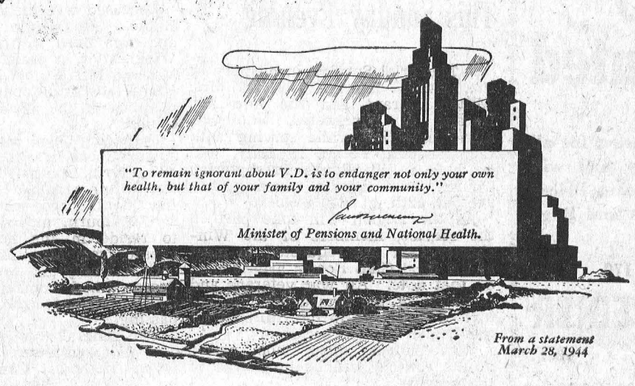
The Chiropractor has no quarrel with legitimate surgery. He realizes the wonderful progress that has been made in this field and he knows that there are many conditions where surgery is indicated. Surgery, however, is expensive and it is dangerous. Many people might be saved this expense and hazard if they only realized the value of Chiropractic in these conditions.

When the public more generally understands the fundamental principles of Chiropractic they will more more fully appreciate its scope. Like many fundamental truths the basis of Chiropractic is simple. The Chiropractor holds that pressure on nerves impairs functional activity in the tissue supplied by those nerves. It matters not what part of the body is involved. If the nerve fibers supplying the appendix are impinged the appendix becomes diseased. If it is the nerve fibers supplying the tonsils then the tonsils become diseased. By relieving pressure on these nerves normal function and normal tissue prevails at their extremities. This is the Chiropractor's work.

There are many varieties of diseases because there are many nerve trunks and they are affected in many different ways. However, the fundamental principles of Chiropractic are applicable in all manner of disease and health is restored in the normal natural way.

So if you are sick, why not give Chiropractic a chance to help you? Come to this office for a consultation. It may be the means of showing you the right road to health.

CYRIL B. MORROW,
CHIROPRACTOR
PALMER METHOD
FEES MODERATE
SOUTH MOUNTAIN, ONT. - - - - TELEPHONE 62.



LET'S be quite frank.

When you read—as you probably did during the past few months—that more than 300,000 people in Canada have syphilis, what was your reaction? Did you say, "That's too bad; something should be done about it", and then turn to the comic page? Chances are you did.

But if that article had told you that Tommy Jones, the lad who used to mow your lawn after school, had syphilis—how would you have felt about it? Or that the young couple who built that cute house in the next block, had just lost a baby through syphilis . . . would that have made you stop and think?

Or, if you suddenly discovered that *your* Mar - - - - . No? That couldn't happen? But it can. And it does . . . to hundreds of Tommies and Marys every year, right here in Canada. Right in your community. You'll never read articles like that, of course, for these are the personal tragedies that people bear in silence.

So, when you pick up the paper sometime and read, " . . . there were 5,000 new **VENEREAL DISEASE** cases reported in this province last year . . .", remember! These are not cold figures. They represent 5,000 heart-breaking . . . heart-aching situations.

Yes, **VENEREAL DISEASE** is a serious problem. It's a problem for parents; for taxpayers; for young people on the threshold of life; for everyone.

VENEREAL DISEASE need never strike if we all do our part. If we know the facts. If we use these facts to advantage. If we don't shrug our shoulders and say, "This couldn't happen to anyone in my family."

You have a duty to your family and the community.

Timleck, Dr. J. Ault, and Mr. Frank Dobbie. Mrs. John Gray presided for the programme, which was enjoyed by all. Lunch was served, consisting of sandwiches, pumpkin pie and coffee. Around $20.00 was realized, free of expenses.

Mrs. B. Timleck, who has spent the past two months in Montreal and Ottawa recuperating from a serious accident, is at present with her parents, Mr. and Mrs. Andrew Gray.

KARS NEWS

Ladies' Guild and W. A. Meetings

The November meetings of the Anglican Ladies' Guild and Women's Auxiliary were held at the home of Mrs. Alex McLeod on Wednesday evening, Nov. 1st. Mrs. A. Johnston presided over the Guild meeting, and plans were further made for the Bazaar to be held Dec. 9th. The date for the annual meeting was set for Dec. 13th. In the W. A., of which Miss E. Drew is president, the Literature Secretary gave a summary of the first chapter of the new Study Book, "West of the Date Line." Mrs. McLeod served refreshments.

Thank Offering Meeting

The annual Thank Offering meeting of the United Church W. M. S. was held on Sunday evening in the church. A splendid address was given by Mrs. Hawkshaw, the newly elected president of the Ottawa Presbyterial. Special music was sung by the choir and a short program presented.

Banquet Held.

The members of Kars L. O. L., with their wives and friends, held a banquet in the W. I. Hall on Friday, Nov. 3rd. Over 70 were present, and a short program was presented.

MELVINS

Mr. and Mrs. Adam Gainer spent Sunday with Mr. and Mrs. Campbell Thompson, of Cannamore.

Mr. and Mrs. Richard Scott took tea on Sunday with Mr. and Mrs. Wm. Armstrong, of Vernon.

Mr. and Mrs. Wm. Miller and daughters, of Mille Roches, were Sunday tea guests of Mr. and Mrs. Willis Robinson.

The Red Cross of Melvin Unit was held this week at the home of Mrs. R. Scott, and the Annable Unit at the home of Mrs. Willis Robinson.

Quite a number of our young married people enjoyed masking and celebrating Halloween at the Lighthouse at Osgoode on Halloween night.

Mr. and Mrs. Wm. Addison and children took tea on Monday with Mr. and Mrs. Richard Scott.

Mr. and Mrs. Herson Gauthier and Florence visited Mr. and Mrs. Emanuel Cayer recently.

Mr. and Mrs. Florian Amyott and baby, of Clayton, N. Y., visited Mr. and Mrs. Abraham St. Pierre over the week-end. Mrs. Amyott remained and is spending a couple of weeks holidays with her parents and other friends here.

Mrs. J. Scott is spending a week with her daughter, Mr. and Mrs. Peter Poole, of Winchester.

EVENING AUXILIARY

The November meeting of the Evening Auxiliary was held at the home of Mrs. S. A. Lindsay on Wednesday evening, Nov. 1st. The president, Mrs. L Porteous, conducted the business part of the meeting. Favourable reports were given by the Treasurer, Temperance Secretary and Community Friendship Sec'y. Mrs. A. P. Johnston and Mrs. K. D. Carlyle were appointed as a nomination committee for the officers for the coming year. Mrs. Johnston gave a short reading entitled "Things I Owe to My Minister."

The worship service was conducted by Mrs. S. A. Lindsay. The theme was "Consecration to the Kingdom for Their Sakes." She was assisted in the worship by Mrs J. K. Ault, who gave a very appropriate reading and by others who led in sentence prayers. Miss A. Walker sang a very fitting solo, "I Strive Each Day."

An interesting chapter of the Study Book, "The People of Island India," was given by Mrs. Lindsay, Miss B. Coons and Mrs. C. Kerr.

Miss Coons led the group in a short contest, and lunch was served by the committee in charge

LADIES' AID SOCIETY

The November meeting of the Ladies' Aid Society of St. Paul's Presbyterian Church was held at the home of Mrs. Geo. Angus with a large attendance of members. Mrs. C. R. Robinson, president, conducted the meeting, assisted by Mrs. Empey as secretary, in the absence of Mrs. F. Smith, the regular secretary. The meeting opened with a hymn, and the devotional part was given by Mrs. R. J. Empey. The President reported on the sale of the Wear-ever Brushes and its benefit to the Society.

Mrs. Payne and Miss E. Gardner received a hearty vote of thanks, the former for flowers donated to the church services for the past month, and Miss Gardner for her work in decorating the board in front of the church.

The Society voted to give an extra $100.00 to the Victory Loan Campaign, now in progress.

The December meeting will be held in the Sunday School Rooms, and all members are requested to attend and enjoy the yearly supper. As this will be the annual meeting, it was decided to install the new officers by ballot. The meeting closed by singing the National Anthem.

CANADA'S VETERANS
Their Post-War Opportunities

This is the Fifth in a series of advertisements to inform the people of Canada of plans to re-establish men and women of the armed forces. To get full details, save and read every advertisement.

For complete information, write for the booklet, "Back to Civil Life."

Care for the Wounded and Ill —

CANADA'S TREATMENT AND PENSION LEGISLATION

Canada has assumed as a minimum obligation to members of the armed forces that, before their return to civil life, the fullest possible measures shall be taken towards physical fitness, and that pension shall be provided for any permanent disability due to service. Full medical service is provided and veterans' hospitals have been established from coast to coast. Equipment for the most modern types of treatment has been installed, and leading specialists in all branches of medicine and surgery have willingly placed their services at the disposal of veterans.

There is free treatment with allowances to every discharged person for the first year after return to civil life and free treatment with allowances for pensioned conditions is available throughout the pensioner's life.

Those discharged from the forces unable to work and in need of continuing treatment may have their pay and allowances of rank continued for one year, if necessary, and for longer when treatment is still required for a pensionable condition.

PENSIONS

Pension is awardable under three simple and easily understood conditions:

1. When the veteran has served in a theatre of war, death or any permanent disability not due to misconduct is pensionable.
2. (a) When the veteran has served in Canada only, death or disability caused by service is pensionable.
   (b) Death or serious disability not due to service may be pensionable if hardship would otherwise result.

JOBS FOR DISABLED

A very wide program of education is being carried on continuously so that veterans who suffer a disability as a result of their war service may have a full and happy future. Many volunteer associations are assisting in this work, while specialized help is available from such organizations as the War Amputations of Canada, the Canadian National Institute for the Blind, and the Canadian Society for the Deaf and Hard of Hearing.

THE COMMUNITY'S RESPONSIBILITY

This series of advertisements has given, in brief form, an outline of the Canadian re-establishment program for ex-service men and women. The responsibility, however, is not entirely that of Parliament. It can provide legislation and funds but in the final analysis it must be the veterans themselves and the people of Canada who make the program work. The public support so far has been unstinted, but successful administration requires further public support. Understanding and effort by the whole people are needed.

VETERANS' WELFARE OFFICERS ARE STATIONED IN KEY CENTRES THROUGHOUT CANADA. THEY ADVISE AND ASSIST EX-SERVICE PERSONNEL, AND SHOULD BE CONSULTED ON ALL PROBLEMS.

Issued under the authority of Hon. Ian A. Mackenzie, Minister of

VETERANS' AFFAIRS

MAILING LISTS CORRECTED UP TO FRIDAY LAST

The Press Mailing Lists have been corrected up to Friday, November 3rd. Subscribers are asked to check their labels now and if proper credit has not been given for subscriptions recently paid, to notify this office at once so that the error can be rectified. This is important, so please co-operate. With over 1500 names to check, it is quite possible that we may have missed changing your label —although we took extra precautions to avoid errors.

If your subscription is due, it should be paid immediately, as we must keep our lists up-to-date. All subscriptions must be paid in advance, otherwise the $2.00 rate will apply. Any subscription that is three months' overdue will be struck from our lists. This is in accordance with the regulations authorized by the Wartime Prices and Trade Board.

ATTENTION, MEN !

From now until further notice, I will be present at Smith's Drug Store, Winchester, from 9 a.m. to 7.30 p.m. each Saturday, with a full line of Fall Samples of Men's Suits and Overcoats. If you require new clothes this autumn, I will be pleased to show you samples and take your measurements while in Winchester. Satisfaction guaranteed. Later on, I intend to establish a Gents' Furnishing Store in Winchester, when I will be enabled to serve you in the most efficient manner. In the meantime, consult me at Smith's Drug Store each Saturday.

E. A. MORGAN,
27tfc. Hallville.

The Winchester Press

HINTS FOR THE HOME

Dish Towels

If the dish towels are soaked in hot water, to which a little ammonia has been added, it will remove all unpleasant odor.

Gilt Frames.

To clean gilt frames, dip a soft cloth in milk and rub it gently over the soiled spots. Repeat several times if necessary.

Brass

To clean brass, try rubbing it with vinegar and salt. Then wash thoroughly with soap and water and apply any good silver polish.

Curled Hair

A teaspoonful of ordinary tea, steeped in a tin cup, with a little sugar, and applied to the hair, will keep it in curl for a week or more.

Storing Potatoes.

Discard all potatoes that show any indicaion of decay or sprout. Pile the potatoes in the basement and cover well with straw, or with burlap.

Scorched Cotton

If any cotton goods is badly scorched, dip it in cold water and hang it in the hot sun to drip and dry. Repeat this process several times.

Baby's Nails.

To avoid trouble and accidents when cleaning baby's nails, try taking a piece of paper, fold it several times into a square and use the stiff end.

Oily Skin.

A good remedy for oily skin is to wash it daily with hot castile soap suds. Rinse in hot, then cold water. Do not eat fats. Drink plenty of water.

Marble Stains

Acid stains on marble can be removed by rubbing with ammonia. One should avoid allowing any acids such as lemon, come in contact with marble.

Creaking Doors.

A little soap or vaseline petroleum jelly rubbed on the hinges of a creaking door will stop the noise. If a door sticks, rub a bar of soap over the tight edges.

Gas Leak

At the point where a leaking gas pipe is suspected, apply a paste of soap and water. If there is a leak, bubbles will soon appear. Never use matches or a flame in looking for a gas leak.

Potatoes.

When potatoes are cooked with their jackets on, they retain their nourishment and have a much better flavor than if they are cooked after peeling. The peeling retains all the substance.

Polishing Windows

After polishing the windows, moisten a clean rag with a very little glycerine and rub it over the window pane. This will keep the glass from steaming and it will stay clean much longer.

Boiled Potatoes

When preparing potatoes for boiling, instead of peeling the whole potato, just peel a narrow strip entirely around the middle of each potato lengthwise. When cooked the skins will slip off easily.

Packages

When sending parcel post packages, tie the packages two or three times with separate pieces of cord. Then tie knots where the cord crosses. If this is done, and one piece of cord breaks, the others will hold the package.

Nickel and Steel Polish.

A good nickel and steel polish can be made by mixing 1 tablespoonful of turpentine, 1 tablespoonful sweet oil and enough emery powder to the consistency of cream. Apply with a soft rag, then wipe off and polish with a dry flannel.

Brush For Velvet

A very efficient brush for velvet hats and garments can be made by making a padding cushion of velvet about five inches long and three inches wide, inserting a piece of cardboard to stiffen it, and then stuffing with cotton. A strip of tape can be sewed on to serve as a handle.

Men, Women Over 40 Feel Weak, Worn, Old?

Want Normal Pep, Vim, Vitality?

Does weak, rundown, exhausted condition make you feel fagged out, old? Try Ostrex. Contains general tonics, stimulants, often needed after 30 or 40. Supplies iron, calcium, phosphorus, vitamin B1. SPR. JAS. R. PRUNER WELCOMED HOME

On Monday evening of last week, about fifty friends and neighbours gathered at the home of Mr. and Mrs. Wm. Pruner to "welcome home" their son, Sapper Jas. R. Pruner, who had arrived home on October 3rd, after serving over four and a half years overseas for his King and Country. An enjoyable evening was spent by all in social intercourse. At an appropriate time an impressive address was read by the composer, Mrs. Orland Pollock. The presentation of a very beautiful yellow gold wrist watch, on behalf of the friends and neighbours, was made by Miss Stella Spearman. This was followed by a lovely luncheon.

Following is the address:

Dear Jim:—

We, your friends and neighbours, have gathered together to-night to express the joy which fills our hearts at seeing you amongst us once again, and to also express our gratitude to you as one of the great whole, for the sacrifice you made, and in offering your all on the altar of patriotism and devotion to duty.

Since going overseas, we know you have seen a great many things which will be indelibly written on your memory, and will, in years to come, make you wonder were they true; but the experience you have had in knowing mankind at its worst, will, no doubt, be of great benefit to you in the life you are about to take up again, in as far as possible, where you left off.

The people of Canada have a great deal to be thankful for, to our soldiers, sailors and airmen. May God protect each and every one, and while we know all will not return, we hope to be able to repay to the best of our ability for the sacrifices they have made.

We understand you are leaving for a place to recuperate and, God willing, we hope you may have a complete recovery from all your wounds. What a satisfaction it must be to you, Jim, to know you have done your bit for all the sacred ideals of democracy, and we ask you, as a token of the high esteem in which we each personally hold you, to accept this small gift, not for its value, but for what you have done for your King, Country and People.

Wishing you the very best of everything and hoping we may soon be privileged to see you going about at your work, your old self once again.

Signed on behalf of your friends and neighbours.

UNITED CHURCH W. A.

The November meeting of the United Church W. A. was held on Tuesday at 2.30 p.m. in the S. S. Hall. In the absence of the President, Mrs. Wm Rowat, Mrs. A. Johnston presided. The theme of the devotional was Salvation. Psalm 25 was read. Be ye transformed by the renewing of the mind. God's will is revealed to all who seek him. As the control of our thoughts strengthen our bodies, so does education improve the mind. The Christian is alive to the true value of Christ. The nation that fears God and honors His name, God will bless. A hymn was then sung and the Lord's Prayer repeated.

The minutes were read and discussed. Some left-over business was dealt with. There were 27 boxes of chocolates sent to the boys overseas. 2 ditty bags were filled. The Parsonage Committee reported that the work that was to be done on the parsonage had been completed.

A pleasant feature of the meeting was the buying of a $100.00 Bond by the W. A.

The committee for December is Mrs. J. Nesbitt and Mrs. E. Steele. Plans were made and a committee appointed for a reception to be held after the induction of the new minister, Rev. N. Thomas, on Friday night in the S. S. Hall. A dainty lunch was served by the committee in charge. A vote of thanks was tendered them by Mrs. Faye Scott.

BORN

At Formby Lanes, England, on Tuesday, October 31st, 1944, to Lieut. John F. Connor, R.C.A., (overseas) and Mrs. Connor, a son—John Garry Franklyn.

DROP SOME CONTROLS ON THE USE OF PAPER

Although mill quotas will continue to limit the increase in paper consumption, the Prices Board has revoked its order 332 restricting the manufacture of certain types of printed matter and has announced a revision of its controls on the production of periodicals and publications. The revocation removes restrictions on the end use of newsprint and fine papers for display and other advertising printed matter, posters, catalogues, price lists and other business forms and records.

SH-H! JUNIOR IS LISTENING

Be careful what your baby overhears, warns a noted health commissioner, or you may leave it with lifelong mental scars. The importance of this admonition is detailed in a helpful article on child care of importance to every parent, in The American Weekly with this Sunday's (Nov. 12) issue of The Detroit Sunday Times.

ICE CREAM

THE NEED FOR *Running Water in* your home and farm buildings was never greater than it is *now!*

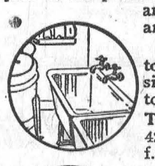
Let's Face the Facts

INCREASED production of farm products is vitally important, and the shortage of farm help makes necessary the use of labor-saving devices to achieve that result.

The Government has recognized this fact by authorizing increased production of farm machinery and equipment.

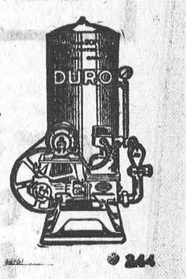
NEW DURO PUMPS

are available in greater quantities this year, but still we cannot fill all our orders as the demand is so great. If you are one who has been disappointed, don't blame your Duro Dealer as the greater part of our production is War Goods for the Armed Forces. We are also handicapped by shortage of materials and skilled labor.



We will deliver as many pumps to our Duro Dealers as we possibly can—they will do their best to take care of your needs.

The Duro Special, 250 gals. per hr., 42 gal. galvanized tank, $96.00, f.o.b. London, Hamilton, Toronto.



Demand EMCO Fittings and Fixtures for Bathroom, Laundry and Kitchen. See your EMCO Dealer regarding available styles.

There's ROOM FOR EVERYBODY...

PRODUCTION MEN—keeping in constant touch with sources of raw materials, suppliers of parts, government and military authorities.

THE ARMED FORCES—with responsibility for training and supply, for troop movements, for operations on land, air and ocean battlefronts.

GOVERNMENT OFFICIALS—in touch with every phase of our production and military program—with foreign governments—with national and international war agencies.

YOU—depending on your telephone for quick, essential communication at work and at home.

But telephone lines can carry this wartime load only if we all use existing facilities sparingly, and keep our calls just as short and business-like as we can.

Additional equipment is severely limited by material shortages; co-operation must take the place of construction if essential calls are to go through promptly.

THE MIXING BOWL

By ANNE ALLAN
Hydro Home Economist

Hello Homemakers! Harvest fairs are striving to maintain many of our customs. At one fair we attended recently we heard some fiddlers tuning up for a square dance and it was fun to hear a boy call the changes. "Swing your partners, ladies change."

We've changed many homemaking methods by using satisfactory substitutes. Gradually a few pre-war articles are being manufactured to assist in our homemaking jobs. May we not be too possessive of things we can do without. Just try to "carry on" with those things that are readily available. Let's not be too anxious to obtain the things we can do without until the great day comes. Save wherever you can and purchase more Victory Bonds and War Savings Certificates.

Mock Mince Meat

6 green tomatoes, 6 apples, 1-2 lb. seeded raisins, 1 tbsp. cinnamon, 1-4 cup fruit-juice, 1-4 cup vinegar, 1-2 cup citron, 1 orange-rind, 1 tsp. salt, 1 tsp. cloves, 1-2 tsp. all spice, 1-2 tsp. ginger, 1-4 tsp. grated nutmeg.

Chop tomatoes, apples and raisins. Add other ingredients in order given and cook until thick. This amount should make three pies.

Gingersnaps

2 cups enriched flour, 1-2 cup of sugar, 1-2 tsp. soda, 1 tsp. salt, 1 tsp. ginger, 1-2 tsp. cinnamon, 2-3 cup molasses, 6 tbsp. shortening.

Sift flour, measure, add sugar, soda, salt and spices; sift again. Heat molasses to boiling, remove from heat; add shortening and dry ingredients, mix thoroughly. Chill. Roll thin on lightly floured board; cut into desired shapes. Bake on greased baking sheet in electric oven (350 degrees) about 8 minutes. Makes 5 dozen cookies.

Applesauce Betty

2 1-2 cups unsweetened apple sauce, 2 cups cracked wheat cereal, 3-4 cup brown sugar, 1-4 cup melted butter, 1 1-2 tsp. cinnamon.

Mix cereal with sugar, butter and cinnamon. Arrange applesauce and cereal in alternate layers in a casserole or baking dish having a layer of cereal on top. Bake in an electric oven for 20 minutes. Serve with milk.

Steamed Apple Pudding

4 to 6 apples, sliced, 1-3 cup sugar, dash of nutmeg, 1 cup flour, 2 tsps. baking powder, 1-4 tsp. salt, 2 tbsps. butter, 1-2 cup milk.

Place apples in a buttered baking dish, sprinkle with sugar and nutmeg and steam until nearly tender. Mix the remaining ingredients as a biscuit dough and pour over the apples. Cover and steam for 30 minutes. Serve with sugar and cream or pudding sauce.

TAKE A TIP

1. Apply some colourless nail polish to buttonholes on workclothes that become a little frayed or limp.
2. Cut two stiff pieces of cardboard to fit into the ends of ties for pressing. This prevents seam marks on the front of ties.
3. After washing your window curtains, put a rod in each end and fix it on to the clothes line with pieces of pliable wire at each end. If the line is low, double loop it up to be clamped on the second clothes wire. This prevents sagging corners and little ironing is required.
4. Black marks on linoleum floors made by wartime rubber heels may be removed with liquid wax, turpentine or cleaning fluid. Wax should then be applied after cleaning.
5. If you can't buy a rubber suction sink stopper, use a self sealing jar lid instead. It works like a charm.

THE QUESTION BOX

Mrs. M. G. asks: What makes a stew in which the meat has been browned turn a grey colour?

Answer: Add measured boiling water. Too much water or cold water may be the cause. In cases where the stew is thickened with flour the starch may not be cooked enough.

Mrs. C. M. asks: Why did the enclosed procedure of making peach jam with commercial pectin produce a separated mixture?

Answer: The ingredients and methods are correct. The important advice for perfect jam making is the use of standard measuring cup and a full rolling boil for the exact time. We also decided that a metal spoon is best for scum-skimming.

Mrs. J. D. asks: The brine does not cover the shredded cabbage in the crock for kraut and it has begun to darken. How can this be prevented?

Answer: Remove darkened portion of food. Press down with potato masher. Add a small amount of water if juice does not cover cabbage. Spoon off scum daily for about two weeks, rinse plate and cloth in clear water.

Anne Allan invites you to write to her in care of The Winchester Press. Send in your problems on homemaking and watch this column for a reply.

RATION COUPON CALENDAR
November 9-15, 1944.

BUTTER: Coupons 82-85 are now valid. Coupons 86 and 87 will become valid November 23. Coupons 82 to 85 (inclusive) expire Nov. 30.

SOCIAL AND PERSONAL

L. Cpl. Ellsworth Summers, of Camp Borden, spent the week-end with his wife and family here.

F.O. Joseph Bulger, of Gananoque, was a week-end guest of Miss Willena Hurley, Reg. N., Inkerman.

S.P.O. John Cameron is spending a few days with his wife, at the home of Mr. and Mrs. Roy Annable.

Mrs. Dwight Lannin has returned to Yarmouth, N. S., after spending several weeks at the home of Mrs. Wm. Lannin.

Mrs. John Cameron returned home on Thursday from the Cornwall General Hospital, after undergoing a tonsillar operation

Mr. and Mrs. Lawrence Sims, of Mountain, and Mrs. L. Bouchard, of town, spent Sunday with Mrs. W. J. Cobey, of Morrisburg.

Mr. and Mrs. Chas. Sharpe spent last week, the guest of their daughter, Mrs. Henry Greer, and Mr. Greer, at Oxford Mills.

Mr. Fred Mulloy is spending a few days in Waddington, N. Y., visiting with his brother, Mr. James K. Mulloy, who is seriously ill.

Miss Belva Wright, of Perth, spent Thursday of last week with Mrs. John Lang and Norma and with Mr. and Mrs. Orland Pollock, of Inkerman.

Messrs. Bruce Barkley, Angus Hurley and Charles Guy returned home on Sunday after spending the harvest leave in the Western Provinces.

Mr. and Mrs. David Tighe and Mr. and Mrs. John Stringer and daughter, Joan, of Ottawa, spent Sunday with the former's sister, Mrs. F. Shirkey.

A.C.2 E. R. R. Johnston, of Rockcliffe, was a week-end guest of Mr. and Mrs. D H Hurley, Inkerman, and while there renewed acquaintances with relatives in Hallville and Winchester

Flying Officer Ritchie Allison, who has recently returned from overseas, and Mrs. Allison, spent a few days here with the latter's sisters, Mrs. G. H. Reynolds and Mr. Reynolds, and Mrs. W. C. MacDonald and Mr. MacDonald.

The Misses Kay and Willena Hurley, Reg. N., Inkerman; A.C.2 Gordon Crowder, R.C.A.F., Manning Pool No. 1, and Mr. Ralph Hurley, 22 Howland Road, Toronto, as guests of two Nursing Sisters, were among those entertained by the famous Andrews Sisters at Christie Street Hospital, Toronto, on Sunday evening, Oct. 29.

Morrisburg Man Sentenced.

Isadore A. Hutt, 40, of Morrisburg, was sentenced to four months definite and two months indefinite in jail at Brockville by Magistrate Loucks last week, on two charges of false pretenses. Hutt pleaded guilty and told the court that he had issued a bad cheque in Doyle's clothing store in Prescott to the amount of $24, and in West's tobacco store for $10.00. Mr. Doyle learned that the check was bad and notified police, who found out that Hutt had boarded an eastbound bus. The accused was arrested in Morrisburg when the bus arrived there.

Halloween Pranksters.

While Halloween passed off more or less quietly in Winchester, there were some pranks played that would have been much better left unplayed. One resident reports that he had recently set out a young Maple tree in front of his home and had erected a little wire screen around it for protection. The pranksters smashed the barricade and broke the tree off. Several other residents reported that their outbuildings were pushed over and back steps removed.

Writing on windows with chalk, lip stick, etc., was indulged in, and few people objected to this, but some of the obscene words on the Post-office window the morning after Halloween aroused the ire of Postmaster Helmer — and rightly so. There were a few "filthy" words that certainly did not speak well for the intelligence of the boy who wrote them.

LOCAL AND DISTRICT NEWS

Birthday Greetings.

Birthday Greetings are extended to Spr. Lloyd Steinberg, son of Mr. and Mrs. Burness Steinberg, who will observe his 25th birthday on Armistice Day, November 11th. Spr. Steinberg has been overseas for nearly four years.

Engagement Announced.

Mr. and Mrs. Arthur Newbury, of Elma, announce the engagement of their eldest daughter, Eileen, to Ronald Barkley, son of Mr. and Mrs. Benjamin Barkley, of Williamsburg. The marriage will take place in Elma United Church on Saturday, November 18th.

Killed In Action.

Word has been received by Mr. and Mrs. Alex Cowie, of Heckston, that their son, Lance Bombadier William Henry Cowie, had been reported killed in action, October 18th. No further details have been given, but it is known that he was in action on D-day and was among the first to be landed.

Local Men Go Hunting.

The hunting season opened on Monday and local men who have gone to the wilds of Ontario and Quebec in search of the elusive deer are: Messrs. Harold Keyes,, Ernest Brown, Paul Sanders, Doug. MacLean, Neil Gray and Herb. Allen. Other hunters from the village will leave this week-end.

New Pastor Arrives.

Rev. Norman J. Thomas, of Lanark, who will be inducted as pastor of Winchester and Harmony United Churches tomorrow (Friday) evening, and Mrs. Thomas and family of five children, arrived in town on Monday and have taken up residence at the Parsonage. The Press joins in extending a welcome to Rev. Mr. Thomas and family.

Arrives Overseas.

Mrs. Bernard Aumell has received word of the safe arrival overseas of her husband, Paratrooper Bernard Aumell, who is attached to the First Canadian Battalion of Paratroopers. Prior to enlistment, Par. Aumell was a member of the local platoon of S., D. & G. Highlanders, and was for a time employed in J. L. Belway's Blacksmith Shop. His wife and family still reside here.

Transferred To Kemptville.

John A. Dalrymple, agricultural representative for Glengarry county, with office at Alexandria, has been transferred as extension instructor at the Kemptville Agricultural School and will be succeeded at Alexandria by R. G. Bennett, a 1943 graduate of the Ontario Agricultural College, who has been acting as assistant representative for Middlesex county with office at London.

Promoted To Sergeant.

Mr. and Mrs. William J. Brooks, of Portsmouth, formerly of Hallville, have received a letter from their son, Charles, now serving in Belgium, stating that he has been promoted to Sergeant.

Informed of Son's Wounds.

Mrs. Thos. Annable has received further word from the War Dept., informing her that her son, Lieut. Edward Annable, died on the same day that he was wounded, and that his wounds were inflicted in the abdomen and left flank.

First Snow Flurries.

This district experienced the coldest weather of the present season over the week-end, which served as a gentle reminder that Old Man Winter is on his way. On Sunday, there was a light fall of snow, the first of the season. Last year the first snowflurries appeared on November 10th.

Married At Cornwall.

The United Church parsonage, Cornwall, was the scene of a quiet wedding on Saturday evening, Nov. 4th, when Rev. W. S. Atchison joined in holy matrimony, Catharine Gannon, only daughter of Mr. and Mrs. Patrick Gannon, and David Lloyd Patterson, son of Mr. and Mrs. Homer Patterson, all of Mountain. After the ceremony, the bridal couple left on a motor trip to Montreal, amid showers of confetti and good wishes.

Card Party Held.

The attendance at the Card Party, sponsored by the Ladies' Curling Club, in the Town Hall on Tuesday evening, was rather disappointing. Only ten tables were in operation. Prize winners were: Euchre—1st, Wm. Crummy; 2nd, Murray Coulthart; Consolation, Alex Davidson and Jas. Crummy. Bridge—1st, Mrs. A. Johnston; 2nd, Mrs. L. Porteous; Consolation, Helen Elliott. Refreshments were served following the games.

Finds Bullet In Potato.

While peeling potatoes on Tuesday, Mrs. Geo. Bell was surprised to find the slug of a .303 bullet in the centre of the vegetable. On closer examination she discovered that the bullet had entered the potato from one end. The Bell farm is located about a mile and a half from the R.C.A.F. Machine Gun Range, in Mountain Township, and it is believed that the bullet may have been a stray one which was accidentally fired into the potato field. Anyway, it was fortunate that the slug hit a potato and not some person who might have been working in the potato patch at the time. Too much care cannot be exercised by the R. C. A. F. machine-gunners when using the range, as this incident would indicate.

Gives Mothers *Easy* Way To Relieve Miseries of Bronchitis Colds

Acts Promptly to Help Relieve Coughing Spasms, Congestion and Irritation In Bronchial Tubes

to cold-congested bronchial tubes with its special medicinal vapors

chest and back surfaces like a warming, comforting poultice
