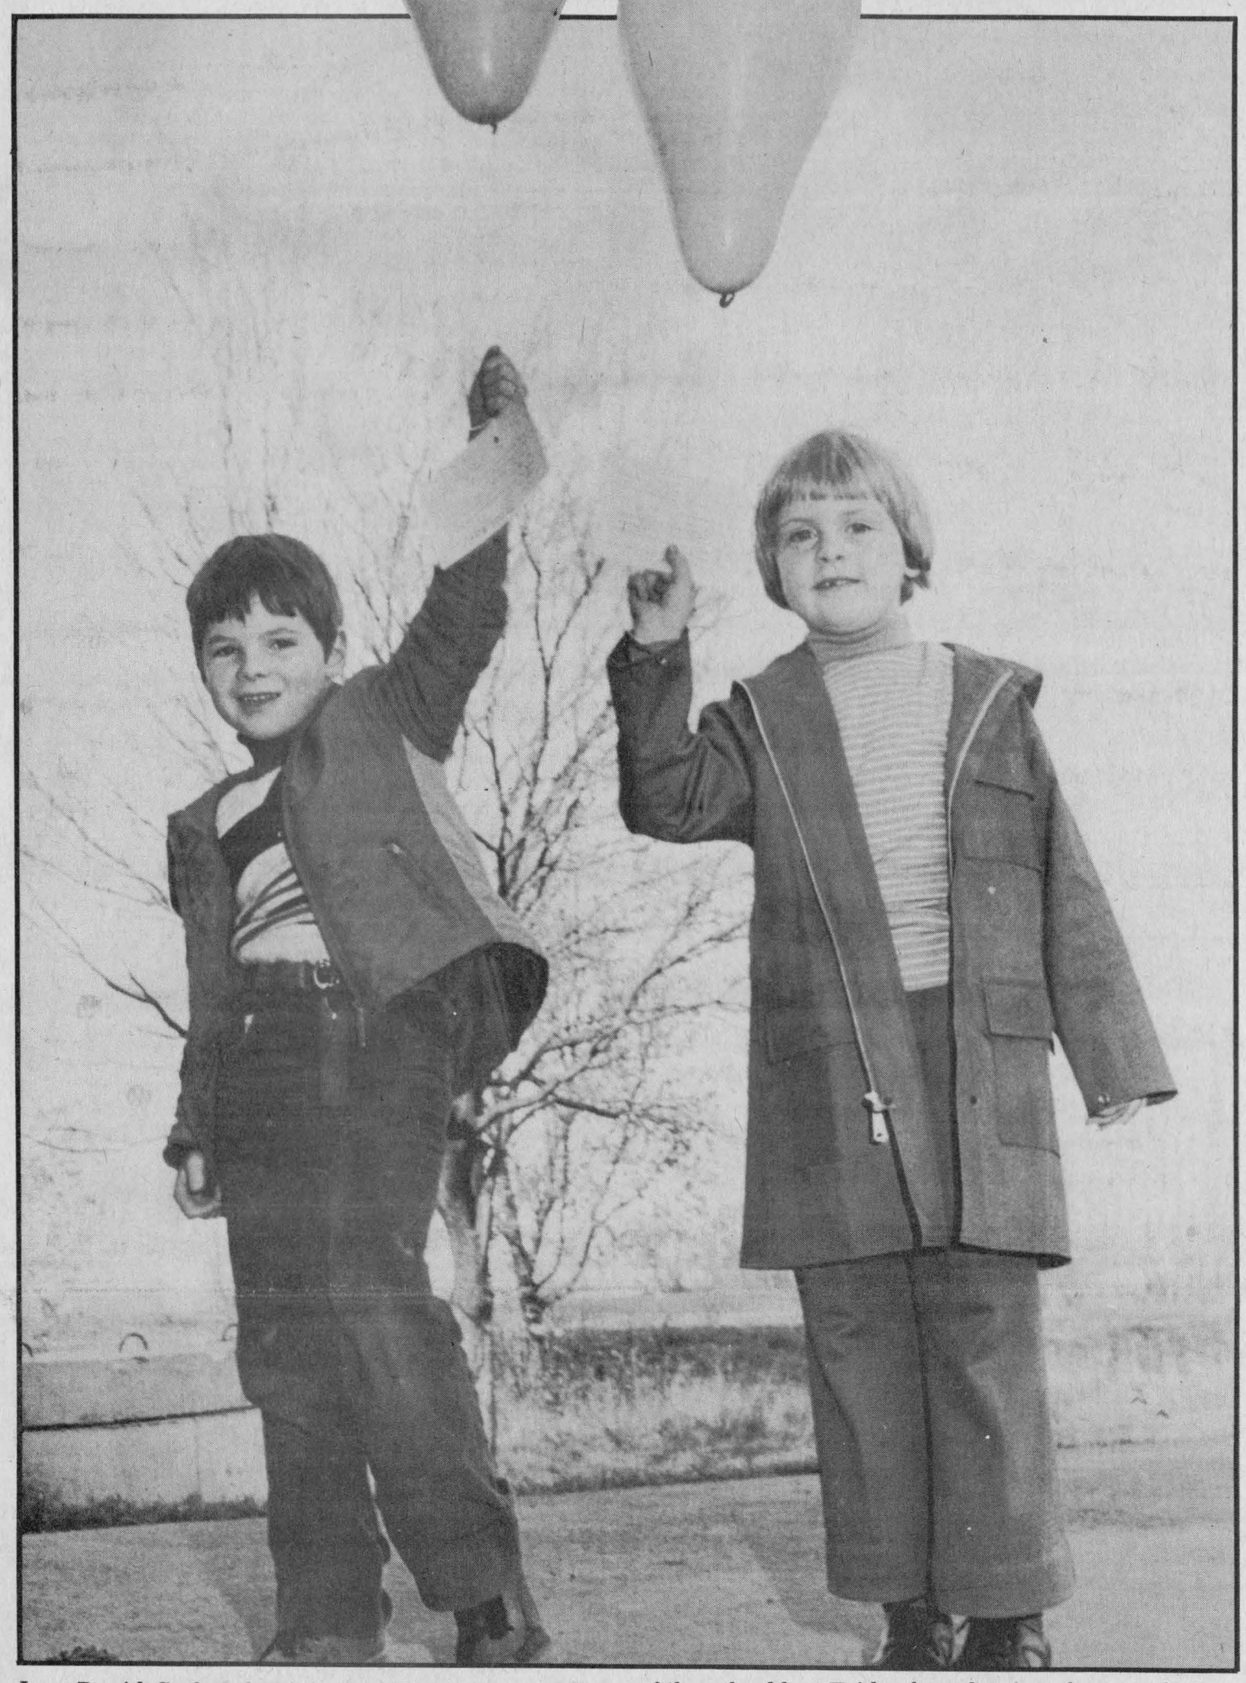
THE CHESTERVILLE RECORD

Vol. 88 No. 8 Ont Single Copies 35¢ Wednesday, October 20, 1982



Jean David Gutknecht (left) and Rhonda Carruthers, grade 1 students at Morewood Public School practise for lift off. The two youngsters and the rest of the students at the school officially celebrated the opening of the school last Friday by releasing about 120 ballons into the skies of Morewood. Attached to the balloons were letters introducing themselves to the receiver and asking for a reply. record photo - macdonald

Two running in Chesterville

election '82

CHESTERVILLE (Staff) - All positions except that of reeve have been acclaimed on Chesterville Village council. Incumbent reeve Carl Ward will be running against former deputy-reeve Bert VanKessel for reeve.

Acclaimed to the position of deputy-reeve was former councillor Jim Cook. Mr. Cook, an accountant at Nestles, was acclaimed to the position of councillor in the last election in 1980.

Acclaimed to the three positions of councillor are new faces James Sullivan, Mike Brannen, and Rudi Derstroff.

Mr. Ward became the reeve of Chesterville in 1980, defeating incumbent Jim Brannen. Previous to his last term as reeve, the department head at North Dundas District High School, served for two years as councillor.

Mr. Ward is the head of the history department and the family studies department at the local high school. He and his wife Jean moved to Chesterville about 14 years ago, from Newburg, Ont. The couple have three children.

Mr. VanKessel has been a member of Chesterville council for the last six years. The first four years were served as a councillor and the last two as the first deputy-reeve in the history of the village.

Mr. van Kessel defeated Al Kennedy in his bid for the deputy-reeve position.

Mr. van Kessel, and his wife Theresa, have two children. He moved to the village in 1957, after his parents purchased a farm in the area. Mrs. van Kessel was born and raised in the municipality. An employee of Nestles Mr. van Kessel will be a member of the company's quarter century club soon as he enters his 25th year with the firm.

New councillor Jim Sullivan doesn't like the way he got into office, by acclamation. But Mr. Sullivan is no newcomer to municipal politics. He has been a member of the Limerick School Board, and the Chesterville School Board, as well as the North Dundas District High School Board. He has also served on Winchester Township council, from 1968 to 1978 as councillor, and from 1978 to 1980 as deputy-reeve.

Mr. Sullivan, the owner of a contracting company said he decided to run for council because he couldn't bear the indecisive nature of the last council. There was a lot of petty stuff going on, he said. Building permits took two to six months to be passed by the village, he noted.

He added that there was too much secrecy in village affairs, as with the purchase of the new Chesterville Fire Hall.

The contractor said he is interested in representing the business community in the village. It is the businesses that keep the town alive, he said.

Another businessman, Mike Brannen, will be following in his father's footsteps. Mr. Brannen, acclaimed to the position of councillor, is the son of Jim Brannen, a former reeve of the village.

The 33-year-old village businessman, owner of Mike's Auto Body and a bus line service, said he decided to run for council for a variety of reasons.

Several people had approached him about running, he said, and he has a desire to represent the business community. "If you can manage to stay alive in this economy you must be doing something right."

The new three-year term for members of municipal councils made Mr. Brannen think hard about running in the election, he noted.

Rudi Derstroff is the third new Chesterville councillor. Mr. Derstroff his wife, Lorraine, and two children, have lived in Chesterville for the last five years.

The 34-year-old OC Transpo employee is, like Mr. Brannen,

● continued on 2

Holmes, MacNabb reeve hopefuls

MAPLE RIDGE (Staff) - In Winchester Township there will be elections on November 8 for both positions of reeve and deputy-reeve.

Incumbent reeve Gerald Holmes will be facing incumbent deputy-reeve Cecil MacNabb for the position of reeve, while incumbent councillor Claude Cousineau will be facing Kenny Stewart for the position of deputy-reeve.

All three positions of councillor were acclaimed. Incumbent councillors Dwayne Holmes and Albert St. Pierre will again be on council, joined by a new councillor, Wyman Barton.

Mr. Holmes is a teacher, Mr. St. Pierre is a dairy farmer, and Mr. Barton is the principal of Maple Ridge Public School.

The race between Mr. Holmes and Mr. MacNabb is not a new one. In 1961 the two men ran in the election for reeve, Mr. MacNabb winning. The former Morewood postmaster was subsequently reeve of the municipality until 1976. In the election that year he was defeated by Bert Link. Mr. Link served as reeve until 1978.

In the 1978 election Mr. MacNabb and Mr. Holmes again ran for reeve of the township. Mr. Holmes won the election that year, and has served as reeve since.

In 1980 Mr. MacNabb ran against incumbent deputy-reeve Jim Sullivan defeating him.

Mr. Holmes has served as reeve since 1978.

The race for the position of deputy-reeve is between incumbent councillor Claude Cousineau and dairy farmer Kenny Stewart. Mr. Stewart has run in the last two elections for the position of councillor, being defeated in both. (He was defeated by 27 votes in 1980).

● continued on 2

All positions contested in Osnabruck

OSNABRUCK CENTRE (Staff) - Election fever has struck Osnabruck Township with 14 running for various positions in the municipality.

Incumbent reeve Stewart Hart is being challenged by incumbent deputy-reeve Garnet Ezard.

In 1978 Mr. Hart defeated incumbent reeve Edwin Waldroff in the election for reeve. He served on council from 1970 to 1976, and is a former deputy-reeve.

In 1978 Mr. Ezard defeated four others in the running for deputy-reeve.

In the 1980 election both Mr. Hart and Mr. Ezard were acclaimed.

The position of deputy-reeve is also hotly contested with incumbent councillors Carson Elliott and George Hehir running, as well as Gordon Ross.

Mr. Elliott has just completed his first term in office. He said it took a lot of consideration to decide about running again, particularly noting the new three year term.

George Hehir has served the township as councillor since 1976. The Newington farmer was acclaimed in the last election, as was all of Osnabruck Township council.

Although Gordon Ross hasn't been in Osnabruck Township politics lately he is not a newcomer to the scene. Mr. Ross was a councillor from 1970 to 1976, and from 1976 to 78 he was deputy-reeve. The Ingleside resident also has a farm in the third concession.

Running for council's three seats are Ronald Dingwall, Denis G. Lefebvre, Robert (Bob) Wereley, Peter Zeran, Michael J. Dunne, Richard Waldroff, and Ross M. Alguire.

Mr. Waldroff is the only incumbent councillor seeking re-election. He was elected in a by-election last year after the resignation of councillor Francis Bird.

OFA provides economic lifeline for farmers says president Barrie

INGLESIDE (Staff) - A sparse crowd of about 50 farmers and their wives gathered here to hear Ralph Barrie's dire prediction of another 20 years of recession that can be moderated through organizations such as the Ontario Federation of Agriculture.

Quoting a battery of economists, Mr. Barrie predicted a worse year in 1983 than 1982 with unemployment continuing to rise and investment continuing to decline.

The worsening economic situation is the fault of governments, among other factors, not the least of which is the farmer himself, said Mr. Barrie.

That was the bad news; the good news is that by next year the economy will have dipped as low as it can go, he predicted.

Mr. Barrie told farmers they had had a hand in their own demise through the overuse of credit and the overextension that resulted when interest rates rose.

Largely reiterating his speech given a week earlier at Kemptville College of Agricultural Technology, he went to counsel the farmers on the value of their organization, the Ontario Federation of Agriculture which provides a lobbying voice when farmers cannot leave their land.

As an example of the worth of that organization, Mr. Barrie quoted the findings of the OFA task force on agriculture held last year in which agriculture was found to be a special case in terms of interest: the industry cannot survive interest rates in excess of 15 per cent and to need a federal-provincial stabilization program to ensure an area of return such that the farmer would not lose equity.

"You as farmers don't have the time or expertise to deal with these issues", he told the crowd, but through OFA they can be aware of the issues and pass on their feelings to the very effective OFA.

"Get involved and improve it yourself" he told any potential dissenters in the crowd, after telling them OFA is the organization they need to work collectively.

He, himself acted as devil's advocate, saying he would like to see the direction of the organization change somewhat from the reactionary organization it has become, advocating short term, emergency solutions into the long-range planning arm of the industry that farmers need.

Following Mr. Barrie's address provincial MPP Osie Villeneuve rose to agree with him on the value of OFA and to chastise the farming community for the meagre crowd.

He told farmers they aren't the only sector suffering from the effects of the recession; governments aren't enjoying these days any more than anybody else, he said.

In a barrage of cliches, Mr. Villeneuve continued to tell farmers that in times of inflation governments suffer like anyone else.

Ed Lumley, federal MP for Stormont-Dundas provided the only upbeat note to the evening, noting he had been asked to the meeting by Peter Mesman who told him that his constituents were beginning to think he was a robot on television.

He commended Mr. Barrie, commenting on one of Mr. Barrie's self-criticisms, saying "He's a good bitcher; he's a

● continued on 2

Barry Armstrong, centre, president of Stormont Federation of Agriculture expressed his appreciation to guest speaker, Ralph Barrie and made a small presentation on behalf of the federation members. At left, newly crowned Stormont Dairy Princess Lise Ouellette was on hand to help in the thanks offered.

Newsbriefs...

Calling all candidates

(Staff) - Candidates in the November municipal elections are invited to the offices of The Chesterville Record to have their campaign photographs taken this week. A photographer will be available Wednesday, Thursday, Friday and Monday. Candidates are welcome to avail themselves of this free service to provide campaign photographs. After next Monday candidates will be asked to make an appointment.

Apple Day

(Staff) - Autumn, apples and Cubs and Beavers are a natural combination. On Fri., Oct. 29 and Sat., Oct. 30 the Chesterville Cubs and Beavers will be selling apples to help support the organizations. The boys will be out Friday night in the downtown area, and will be canvassing door-to-door on Saturday morning.

Decision reserved on bylaw and amendments

OSNABRUCK CENTRE (Staff) - The comprehensive zoning bylaw for Osnabruck Township 79-44 along with several of its amendments was heard by the Ontario Municipal Board here last week. Decision on all amendments and the bylaw was reserved.

A zoning bylaw, explained township clerk-treasurer Tom Melesky, is a specific land use policy within the confines of the broader, more general official plan.

He gave as an example the fact that an official plan could designate the village of Ingleside as residential while the more specific zoning bylaw would map and pinpoint certain densities of residential development.

Two amendments to which there were objections were requested by Michel Grignon and Oscar Champagne.

Mr. Grignon wants his zoning changed from rural to highway commercial and Mr. Champagne wants his property east of Ingleside zoned to allow for a retail auto parts outlet rather than residential.

Objection to the other amendments to the zoning bylaw came from the Ministry of Housing rather than individuals in the township, said Mr. Melesky.

Other requests heard by the board in conjunction with 79-44 were for a property east of Ingleside upon which a campsite is located. That lot and the neighboring lot were interchanged during the mapping procedure, explained Mr. Mesleky and the amendment will reflect the correction.

The amendment request of Grace Deebank would change the zoning on her plan of subdivision from rural to residential fourth density to conform with official plan and the proposed land use.

The property of David and Ken Shillito would also be rezoned, to reflect the existing land use, differentiating between the areas upon which are situated house trailers and permanent residential dwellings.

Harold Robinson requested his part lot 18 con. 2 east of Ingleside changed from residential, first density with a holding zone designation to a clear residential zoning.

G. McDonald requested a change from rural to highway commercial for a property adjacent to Highway 2 in lot 37.

The amendments reflect the changes that have taken place since the time that the original bylaw was begun, explained Mr. Melesky. Although it seems many corrections have been made through the amendments, they reflect mainly the passage of time since proceedings were initiated.

That passage of time was aggravated by a period when two of the bylaws amendments were temporarily misplaced at the OMB office, he said.

As well as the many amendments heard last week, two other amendments have yet to go to an OMB hearing; these are on the scheduling desk of the OMB said Mr. Melesky.

The request of Ault Island ratepayers who are seeking a conservation and wildlife designation for former Ontario Hydro property on the island and a proposed change by the village of property on Pine Street, Ingleside to multi-family residential are the two yet to be heard, he said.

Petro Can comes to town

(Staff) - A local man has gone into partnership with the federal government.

At least one arm of the federal government - Frank Heerkens and his wife Judy will be operating a Petro-Can gas station at the corner of Main and Queen Streets in Chesterville (formerly operated as a garage by Robin Hopkins).

Mr. Heerkens said he will begin offering maintenance services as soon as he engages a class A mechanic.

Although he said the station's hours of opening could be affected by the traffic during fringe hours, a 6am until 10pm schedule is planned.

The full service station will accept all major credit cards said the young couple who hope to open for business in approximately three weeks. Gasoline tanks will be installed this week, they said.

Chesterville election

● continued from 1

jumping into municipal politics for the first time.

Mr. Derstroff said he decided to run to booster the apparent lack of interest in the election. He is also interested in various municipal issues including market value assessment, providing a social program or facilities for young people (instead of just getting them off the streets), providing a people orientation to Chesterville council, getting rid of the rule by consensus nature of the council, and giving the municipal government a higher profile. Mr. Derstroff added he would like to see some of these things happen, if possible.

Osnabruck election

● continued from 1

Mr. Stewart said he decided to run to cause an election. He noted there will be an election for the position of reeve anyways so there might as well be one for deputy-reeve.

Mr. Cousineau has served four years as a councillor on the township government. The Morewood upholsterer lead the polls in the last election.

The important issues in Winchester Township in the next term include looking at hiring a by-law enforcement officer, the discontinuation of development roads and solving drainage problems in Marionville.

Barrie

● continued from 1

constructive bitcher doing a superb job on behalf of Ontario farmers."

"Canada will recover faster than anybody else, if we get our house in order", he said of the recession recovery propspects.

Canada is one of the few countries increasing its world market share, he told the crowd and has one of the highest savings rates in the world. If the government can create a confidence factor, those savings will be spent and made productive, he predicted.

Recovery, he said is "not coming fast; not coming easy, but there are excellent signs on the horizons."

As a closing remark, Mr. Lumley mentioned that at this meeting last year he commended Heinz Multize and the tribute made to the Holstein breed. This year the applause is deserved by Floyd Dingwall who brought farmers from all over the world to Stormont County and along with them, a bit of prestige.

Notice Of Poll

Township of Winchester

Notice is hereby given to the municipal electors of the Township of Winchester that whereas more candidates have been nominated to each of the following offices than the number required to fill such offices, therefore polls will be held upon the dates and at the times and places stated in this notice for the purpose of electing the holders of such offices.

OFFICES FOR WHICH POLL TO BE HELD

Reeve
Deputy-Reeve
Trustee, Board of Education,
Elected by Public School Electors
(One to be elected)
Trustee, Police Village of Winchester Springs
(Three to be elected)

ADVANCE POLLS:
Date(s): October 30, 1982
Location: Township Building, Highway 43
Time: Advance polls will be open from 9 o'clock am until 8 o'clock pm.

REGULAR POLLS:
Date: November 8, 1982
Location: No. 1 - Pat Moran (house)
No. 2 - K. Kirkwood (house)
No. 3 - Jackie Cross (house)
No. 4 - Ross McConnell (house)
No. 5 - Jenny McLean (house)
No. 6 - R.A. Centre (Morewood)
No. 7 - Vi Ringrow (house)
Time: Regular polls will be open from 11 o'clock am until 8 o'clock pm.

PROXY APPLICATIONS
A person who has been appointed a voting proxy may apply to the clerk not later than 5 o'clock in the afternoon of Polling Day to receive a certificate to vote by proxy for the polling subdivision in which the person appointing the voting proxy is entitled to vote.

Given under my hand this 21st day of October, 1982.

Glenn MacGregor,
Returning Officer.

School Bus Safety Week

October 17th to 23

Watch For 'BIG YELLOW'

School Bus Safety Week is October 17th to 23rd. School authorities and bus operators will be involved in special safety programs.

The theme for 1982, proposed by the Canada Safety Council, is "Get Involved!" The Council believes all Canadians can contribute to a safer environment for school children: teachers, school bus drivers, parents, the general public, and the children themselves, should become involved.

Parents have a special role because many school bus drivers say lack of discipline is one problem that affects safety on and around the school bus.

When away from home, children learn from the example of their peers and older children they see daily, and what they learn may not always be desirable. Consequently, parents and teachers need to reinforce the rules of school bus safety. The bus driver must keep full attention on the task of driving, and should not have to deal with discipline problems at the same time.

The Canada Safety Council says parents should take time to learn and understand how the school bus system operates, and should discuss with children the role of the driver, how to combat peer pressure, while ensuring that each child understands the various safety rules.

What Canadian children learn now, as school bus passengers, will later be reflected in their attitudes as drivers, so the ramifications of school bus safety go far beyond the appearance, down the street, of "big yellow".

Canadian students are taught that motor vehicles have to stop for school buses boarding or disembarking passengers with signal lights flashing. The younger ones especially are trusting, and therefore have a sense of security when crossing the road that the Canada Safety Council says is based on a false premise, for all too often the driving public simply does not respect those flashing signals.

October 17-23 is School Bus Safety Week in Canada, and the public is being urged to become involved, whether individual people currently have students using school buses, or not.

Some may wonder "How" and the Canada Safety Council has some suggestions:

- Ask the police department in the community to enforce the no passing laws more strictly during the special week, in order that motorists might become more aware of the hazards involved.
- Ensure that all drivers in the family understand the law as it relates to school buses and the reasons for it.
- Participate in discussions about school bus safety with students, and show them that adults consider this an important subject.
- Attend displays or demonstrations staged by local school authorities or local school bus operators.
- Take a Defensive Driving Course to ensure personal driving habits keep up to scratch.

Children will see posters showing Elmer, The Safety Elephant exhorting them to "Watch for Big Yellow". Every road user should do the same.

Newington and Williamsburg firefighters share majority of awards

DIXONS CORNERS (Staff) - Newington and Williamsburg firefighters shared the majority of awards at last Saturday's Mutual Aid banquet here. Hector Breyer of Lunenburg was named Honorary Fire Chief of the United Counties.

Mr. Breyer's award was made in recognition of his contribution to the regional firefighting school to which he donated 35 vehicles from his auto wrecking yard for the vehicle extrication course (Jaws of Life).

He explained to the audience of approximately 200 firefighters and their wives that his wife had been seriously injured in a car crash and he knew of the need for vehicles on which to practise the extrication techniques.

Crysler's John Benoit was awarded the Labatt's Outstanding Services award. Mr. Benoit is secretary for the Stormont, Dundas and Glengarry Mutual Aid Association.

Eric Barkley of Williamsburg, the association's treasurer took the Distinguished Service Award.

Williamsburg Fire Prevention Committee won the Labatt's Fire Prevention Trophy; chief Lyal Kehoe accepted on behalf of his men.

Newington gained the Levitt Safety Attendance Trophy which they shared with the Williamsburg and Ingleside departments.

Newington's chief Ab Evans collected the Jack McMillan Points System attendance award, the association's questionnaire and the department's fire prevention program.

Guest speaker for the banquet was Syd Oxenham, Ontario Assistant Fire Marshall who outlined a brief history of the province's mutual aid system, a vanguard of change in the world.

Instrumental in Ontario's place as a world leader was W.J. Scott who honed the system to a fine art although he had never fought a fire.

Mr. Oxenham told the group Mr. Scott's accomplishments included the establishment of a single fire department radio frequency standardized hose couplings to allow American, Manitoban and Quebec fire departments to aid each other.

The concept of department's helping each other in times of need predated Mr. Scott although he devised the province-wide network of Mutual Aid, Mr. Oxenham told the crowd.

Chesterville will be represented at Rotary International Convention

by John Macauley

Monday night was club assembly and the most important happening was the standing ovation given to our ever popular member Eric Casselman, who celebrated a birthday on Mon., Oct. 18th.

Following the meeting, yours truly had the pleasure of speaking to the Chesterville Women's Institute. This was quite interesting and informative and indeed an enlightening experience and will not soon be forgotten.

Our congratulations to Rotarian Jim Sullivan on his election as town councillor by acclamation.

Birthday wishes to Janet Beazer on Oct. 23, Hilde Wood on Oct. 25 and to Olive Cass on Oct. 29. To all three many happy returns of the day.

Vice president Dale McNaughton gave a report on his attendance at the District Conference held in Ottawa.

The club welcomed back an old member and a friend in Jack Dubois. We welcome you back Jack and hope you will enjoy renewing old friendships while making new ones.

This years International Rotary Convention will be held in Toronto from the 5-8th of June, 1983. Looks like Chesterville will be well represented if all plans remain intact until June.

International Rotary president Hiroji Mukasa in a letter forwarded to all governors, stated his hopes for an increase of three members per club during this Rotary year. We have 82 clubs in our District No. 704.

Some one once said "Boys will be Boys". He forgot to add "Boys will be Men". Have a good Rotary week.

Correction

(Staff) - A story which appeared in the Oct. 13 edition of the Chesterville Record concerning a car accident in Berwick on Fri., Oct. 1 contained an error.

The story incorrectly reported that a vehicle driven by Jeffrey Moore of Chesterville was struck on the left rear corner by a vehicle driven by Rheal Bourgeois of RR3, Crysler. Actually the Long Sault detachment of the Ontario Provincial Police report that the vehicle driven by Mr. Moore was hit on the right front corner by the left rear corner of the vehicle driven by Mr. Bourgeois.

The vehicle driven by Mr. Moore was travelling south on Beaver St. at the time. The vehicle driven by Mr. Bourgeois had attempted to pass the Moore vehicle on the right hand side.

Mr. Bourgeois has been charged by the OPP with Careless Driving as a result of the accident. He will appear in provincial court in Cornwall to enter a plea.

The Record regrets any inconvenience the error may have caused.

John Benoit, SD and G Mutual Aid Association secretary and Crysler fire chief won the Labatt's Outstanding Services Award. He was presented with the award by county fire co-ordinator Hugh O'Reilly, at right.

election '82

Two school board positions open for November election

(Staff) - Only two incumbent SD&G school board trustees in this area will be challenged in the November 8 municipal election.

Incumbent Lorne Thompson, representing Winchester Township, Winchester and Chesterville Villages is being challenged by Graham Casselman.

Incumbent Fleming, just elected to the position in a by-election last March, representing Osnabruck Township, Finch Township and Finch Village, will be challenged by Arnold Rupert.

Acclaimed to their positions were: Dr. Gerry Rosenquist representing Williamsburg Township and Morrisburg Village, Roy Hastings representing Mountain Township, Danny Robertson representing Matilda Township and Iroquois Village, and Sarsfield O'Connor representing the Separate School supporters from Dundas County and West Stormont on the secondary panel of the board.

Representing the Separate School Board supporters on the SD&G Separate School Board will be Suzanne Charette, representing Finch Township, Roxborough Township and Finch Village, Peter van Moorsel, representing Dundas County and Terrence Wheeler representing Osnabruck and Cornwall Township.

Williamsburg reeve acclaimed, two running for deputy-reeve

WILLIAMSBURG (Staff) - Although incumbent reeve Johnny Whitteker has been acclaimed in Williamsburg Township the other positions are wide open.

Running for the position of deputy-reeve are incumbent Robert Gillard and Graham Hess, a councillor in the last government.

Mr. Gillard was first elected in 1978 as deputy-reeve, after serving one term as councillor.

Mr. Hess has served as councillor for several terms.

Running for councillor are incumbent Gordon McNairn, George Smyth, Casey Schell (both a former council member and the former clerk-treasurer for the municipality), Trevor Trolley, Glen Cunningham, a former deputy-reeve, Duane Locke, Lyle vanAllen, and Francis Beckstead.

No election in Finch Village, Twp.

FINCH (Staff) - Although Finch Township council will undergo no change at all because of the November municipal elections Finch Village council will see one slight change.

Speculation that there could be an election for councillors in Finch Village was squashed yesterday when incumbent councillor Gord MacIntyre withdrew his nomination papers.

Incumbent Lynden Hough was unopposed as reeve. By Monday five had filed nominations papers for four council positions, - Barry Brownlee, Donnie Vollrath, Dalton Ouderkirk, Gord MacIntyre, all incumbent, and Robert Casselman.

However, yesterday Mr. MacIntyre withdrew his nomination papers negating the election.

In Finch Township the same council members will return to the same positions. Reeve Ralph MacKenzie will continue as reeve. In 1980 he defeated incumbent Charlie Johnson for the position.

Don Shane will continue as deputy-reeve. He will also be starting his second term in the position. Previously he served as a councillor.

Councillors Floyd Dingwall, Archie Byers and Armand Gibeault will continue in their positions. Mr. Byers is beginning his second term in office while both Mr. Dingwall and Mr. Gibeault are veterans of Finch Township council.

Robertson challenged

MOOSE CREEK (Staff) - All the positions on Roxborough Township council have been acclaimed except one - that of reeve.

Incumbent reeve Garnet Robertson (acclaimed to the position in 1980 after serving as deputy-reeve) will be challenged by Edmund Saucier.

Acclaimed are George Crites, deputy-reeve, William Williams, Ray Alguire, and John McIntyre councillors.

Angus closes doors

WINCHESTER (Staff) - Angus Pontiac Buick will close its doors for the last time, putting 19 employees out of work, in 10 to 15 days said owner Norm Dignard yesterday.

Mr. Dignard blamed slumping new vehicle sales coupled with no prospect of an immediate turnaround for the move. He sent a letter of resignation of his General Motors franchise Fri., Oct. 15 after 10 years of business in Winchester.

"After looking at trends and the way the economy was going, continuing in business seemed unfeasible", he said.

Mr. Dignard explained sales of North American vehicles are down 40 to 45 per cent across Canada during the past two years. This along with the fact that the Angus Pontiac Buick operation was designed to sell 400 new vehicles per year but had been considerably below that level for the past two years figured in that decision.

Between now and the closing Mr. Dignard said the dealership will complete current repairs and service work, finish body jobs and return its inventory of parts and new vehicles to General Motors.

The property (located on St. Lawrence Street at the south end of the village) is listed with a real estate firm, Mr. Dignard said, in the process of liquidating the business assets.

The employees were told of the coming closure Friday, he added.

He, himself would like to stay in the auto industry in some capacity, he concluded.

Record Recipes

by Chris Brown

Well, Linda - here's one for you: dessert at long last for dinner.

I've been told there haven't been too many sweets around in recent weeks so I called an accomplished dessert chef I know (out there on the Berwick Road) and came up with one I've seen devoured wholeheartedly.

The advantage is that it's easy; the disadvantage is you have to wait until it sets until you can dig in.

MURIEL'S CHEESECAKE

1½ cups graham crackers
½ cup butter
1 envelope instant whip topping
8 ounces cream cheese
½ cup icing sugar
pie filling or fruit

Melt the butter and stir into the graham cracker crumbs then press into a pan and bake for 15 minutes at 325. Remove and let cool.

Make the whipped topping up as per instructions on the box and I'm told if you don't whip the topping stiff enough you might have trouble getting the finished produce set enough, so take counsel.

Blend in the creamed cheese and the icing sugar. Pour over the cooled crumb crust and let set for at least three hours. When it is cool and set spread either pie filling or a fruit in heavy syrup over all.

Maple Ridge Student Council president Angela Casselman presented Willis Robinson with a gift on his retirement as caretaker of the school last week on behalf of the students and staff. Mr. Robinson, who has been the caretaker at the school since 1979, was joined at the presentation by his wife Christina.

Bull Act consulted

BERWICK (Staff) - Finch Township has bull troubles again. Unlike the last occurence this animal is not a steer and has been over the fence eight times this year, councillor Archie Byers told council Monday night.

Before bringing up the matter before council Mr. Byers asked clerk-treasurer Arnott Empey for his book of statutes and carefully checked the short but existant Bull Act which clearly states that the owner of any cow got in calf is entitled to the full amount of revenue lost as a result of that cow's pregnancy.

Apparently, said Mr. Byers, the owner of heifers in a field adjoining that which does not contain the bull, has the dates of his escape marked down for further reference, should it be necessary.

The bull episode was only one dispute among ratepayers the township council discussed. A second between neighbors will require fenceviewers to mediate, council agreed. The dispute has a lengthy history with the fenceviewers having been previously involved, noted Mr. Empey and council agreed although the fenceviewers should be called in as a last resort, the two landowners would not resolve their dispute in any other way.

Plaque unveiled

Morewood's two oldest citizens unveiled the plaque commemorating the opening of the Morewood School addition last Friday night. Left to right are Tom Reveler, Mrs. Zoe McQuaig and James Rahn of the Ministry of Education.

Osnabruck gets draft of study

OSNABRUCK CENTRE (Staff) - Derek Smith, Osnabruck Township's hydrogeologist presented his interim report on the township's proposed sanitary landfill site to last Tuesday evening's council meeting. Of a possible 15 sites, one was recommended.

That site is the Flegg Pit which now has temporary approval, said Tom Melesky, clerk-treasurer for the township. The 15 sites were originally narrowed down to three before the final site was recommended, Mr. Smith told councillors.

The reasons for the recommendation of the Flegg site, he told them, were the fact the township already owns the site; that according to hydrogeological testing the site will be a feasible one for 20 years and a second lift could makethe life expectancy longer; and finally that enough native material exists that if run in an efficient manner the township would not need to import fill to cover the refuse at the site.

(Sanitary landfill site is the term used by the ministry of encironment for what has been known in the past as a 'dump'.)

Council received the draft and requested an environmental hearing to determine if the site will be approved by the ministry of the environment and any additional recommendations they may have for the site.

In other business ratepayers Anson Lidstone and Tom Ducolon appeared before council to advise them of a drainage problem the ratepayers feel has been caused by the natural gas pipeline cutting off the natural water course. Council agreed to investigate the situation.

Cards of Thanks

CARD OF THANKS

I wish to thank my family, friends and neighbours for visits, flowers, fruit and cards sent while I was a patient in the Civic Hospital, to Gerald and Margaret for transportation, the nurses and staff of the Second Floor. God bless you all.

Dorothy Hart
8-1

CARD OF THANKS

We, May and Floyd Fisher wish to express our gratitude to our family members, relatives and friends for lovely cards, beautiful gifts, gifts of money and flowers and to all who celebrated with us. To everyone who so kindly contributed to making our 50th Anniversary a very special day, one we will always remember. A Sincere Thank You to All. 8-1

CARD OF THANKS

We wish to express our sincere thanks to our many friends of Chesterville and District who assisted in making our Golden Wedding Anniversary a most memorable affair for us and our family by their expressions of congratulation and best wishes, flowers and gifts.

Ida and Jack Morris,
Prescott, Ontario.

CARD OF THANKS

We extend an expression of sincere appreciation to friends, neighbours and relatives for the many sympathy cards, floral tributes, mass cards, donations to the Cancer Society and the food received following the death of a dearly loved brother, brother-in-law and uncle Garry Vloet. Special thanks to the ladies who served lunch at the house following the funeral and to Father Appleman and Father Cummings for their kinds words. Your kindness will always be remembered.

Harry, Dina,
Peter, Nancy Weren
Donnie and Mary Thompson
Shirley and John Dearing

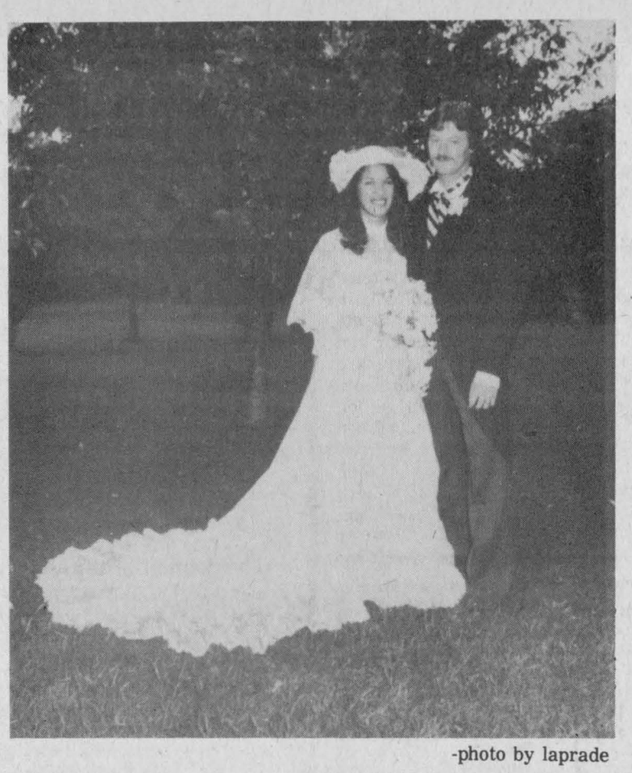
Wedding

WEDDING ANNOUNCEMENT

Mr. and Mrs. Lloyd Dillabough of Morewood, Ontario, wishes to announce the forthcoming marriage of their second daughter, Dora Evelyn to Roger Wayne Sherman, of Shilo, Man., son of Mr. and Mrs. Willian Harris of Winnipeg, Man. The wedding will take place on November 6, 1982 at St. Barbara Chapel, Shilo, Man. 8

In 80 countries surveyed by the United Nations, three per cent of the population control 80 per cent of the land.



-photo by laprade

Whitford - Bisaillon

On September 18, 1982, Fay Mary, daughter of Mr. and Mrs. Floyd E. Whitford of Ingleside, Ont., and Pierre Rejean, son of Mr. and Mrs. Rejean Bisaillon of Ottawa, were united in marriage at Holy Trinity Anglican Church, Riverside Heights, Ontario. Rev. Brian Beveridge officiated at the double-ring ceremony.

Attending the bride were Cathy Whitford, sister of the bride, as maid of honour and Sharon James and Debbie Moss as bridesmaids. Attending the groom were Les Sulpher as best man and Ken Larabie and Robert Bisaillon as ushers.

A reception followed at the Royal Canadian Legion in Morrisburg. The couple honeymooned in Myrtle Beach, South Carolina and now reside in Ottawa.

They wish to thank all who made their day so memorable.

Carl WARD

A person who has been appointed a voting proxy may apply to the Clerk not later than 5 o'clock in the afternoon of Monday, November 8th, 1982, to receive a certificate to vote by proxy.

Given under my hand this 20th day of October, 1982.

Thomas L. Melesky
Returning Officer

Blasting blamed

BERWICK (Staff) - Finch Township ratepayer Azarie Bourgeois presented his complaints through clerk-treasurer Arnott Empey with regard to blasting at a wayside quarry operated by A.L. Blair to the last council meeting held Fri., Oct. 1.

At Monday night's meeting council was told blasting had been completed and the complaints were investigated.

Mr. Bourgeois has complained that a crack in his foundation was the result of blasting at the Lot 2, Con. 7 wayside quarry.

Ontario Ministry of Natural Resources pits and quarries inspector Dave Willis contends the damage is not from blasting but frost or the building settling.

After receiving the complaint, he explained, the tables used to calculate the weight of explosive per distance were consulted and it was found that the amount of powder used at the site would not have caused the damage.

A wayside quarry is not channelled through the municipal council for approval but due to the small amounts of material that are extracted for local road use, are approved or disallowed by the district pits and quarries inspector.

Mr. Willis explained he takes "a good look at the site" before he issues a permit, checking such factors as proximity of buildings and the presence of hydro installations.

The use of the wayside quarry effects a saving of somewhere between $12,000 and $15,000 to a township, he said and noted he had asked the quarry's neighbors to bear with the operator for the duration of the three or possibly four blasts, "but they pursued..." he trailed off.

Mr. Bourgeois, on the other hand said "We're positive it's from the blasting" (the crack in the foundation). Asked how he could know, he answered that the crack was not there previously and after the initial, large blast Fri., Sept. 24 it appeared.

He has had an insurance representative view the damage but said they have not yet taken a reading on the blaster.

Icebreaker speech given to Toastmistresses

MORRISBURG (Special) - The Toastmistress Club met for the second time this season on Tues., Oct. 5 at Morrisburg Public School. The speakers on the program were Shirley Alguire, who gave her "icebreaker" speech, and Doris Gildert, a member from Ottawa, who spoke on evaluation in Toastmistress.

The educational feature of the program focused on the correct procedure for making a motion at a business meeting.

The next regular meeting will be replaced by a joint meeting with the Kingston Toastmistress Club on October 26.

Graduates

Judy Lorraine Merkley graduated Sept. 25 from St. Lawrence College, Brockville as an RNA. She is employed at Tayside Manor, Perth. Lorraine is the daughter of Mr. and Mrs. Carl Merkley and granddaughter of Mrs. Charlotte Gray.

Receives degree

Lynn Elizabeth Campbell, daughter of James and Jean Campbell from Moose Creek received her Bachelor of Nursing Science Degree, with first class honors at the spring convocation at Queen's University, Kingston. She successfully passed her registered nursing examination.

Lynn is presently employed at Toronto General Hospital. She was a graduate of Tagwi Secondary School, Avonmore. She is the granddaughter of Mr. and Mrs. Peter MacInnes, Maxville, and Mr. and Mrs. Arthur Campbell, Dunvegan.

Eatonholm wedding for Cornwall couple

(Special) - At a pretty house wedding at Eatonholm in Chesterville Sunday afternoon, standing in an arch-way beneath white wedding bells, Philip Albert Riel and Joanna Patricia Lalonde, both of Cornwall, exchanged marriage vows in a ceremony conducted by the Rev. E. Earle Eaton.

The bride, dressed in white, carried a bouquet of white carnations, and was attended by Joanne Seguin of St. Andrew's West. The groom's attendant was Richard Aimer Lemaire of Cornwall. The Kenneth Copeland marriage ceremony was read. The marriage couple, kneeling, received the sacraments of Christian baptism and Holy Communion at the hands of Pastor Eaton. The Riels, he a welder, she a student at St. Lawrence College, will reside in Cornwall.

A major concern of the United Nations' Food and Agriculture Organization is to try to stimulate the interest of the people and governments of the industrialized countries in helping to eliminate hunger and malnutrition. Action is needed in the form of increased development assistance for food and agriculture, a higher guaranteed level of food aid, adequate reserve stocks of food and international trade measures in favor of developing countries.

NOTICE

VILLAGE OF CHESTERVILLE

THE NEXT REGULAR COUNCIL MEETING WILL BE HELD

MONDAY, OCT. 25

7PM

Congratulations . . .

To Jim Cook on being acclaimed Deputy Reeve and to Jim Sullivan, Mike Brannen and Rudy Derstroff on being acclaimed Councillors for the Village for the next three years.

I feel very confident that the collective talents of these individuals will serve the village very well.

I would welcome the opportunity, as Reeve, to work along with the new Deputy Reeve and new Councillors to provide Chesterville with a sound and progressive municipal administration.

Carl Ward

The students of Morewood Public School released 120 balloon-letters into the skies last Friday. The students were having their official opening of the school. Attached to the balloons are letters from each student, asking the receiver to reply.

record photo - macdonald

Morewood Public School students were the only ones flooding the sky with balloon-letters. Maple Ridge Public School students, in a scientific experiment, released 250 balloons with letters attached. As well as photographers recording the event, a film crew from CJOH-TV in Ottawa was on hand to preserve the occason for posterity.

Chamber, council investigate ventilation system

CHESTERVILLE (Staff) - The Chesterville Chamber of Commerce along with the Village of Chesterville, are investigating the possibility of installing a ventilation system in the Community Hall.

At last week's village council meeting Chamber of Commerce representative Alan Sharkey proposed the joint project to the councillors. The Chamber of Commerce, now in the black with the success of recent projects, endorsed the project at their last meeting, with the hopes of sharing the costs with the municipality.

Councillor Bryan Beazer, will be investigating the proposal.

Council members noted that the project had been considered several years ago. At that time the estimated cost was $6,500. However, there were problems installing the proposed system on the Community Hall roof.

Mr. Beazer will be investigating the possible alternatives to the roof installation.

Village clerk-treasurer Gary Thompson noted there may be an Ontario government grant available for the project. The grant for various renovations to municipal buildings was recently announced.

In other business council approved the purchase of a liquor dispenser for the Community Hall. The dispenser, with four individual spouts, will be available to those renting the hall. The cost of renting the dispenser will be $5.

Discussion of the possible placement of a guard rail along Main St. North concerned council as well. Main St. property owner Doris Hitsman (located south of the CPR tracks on Main St., beside the Texaco Service Station) had asked members of council to block the placing of the rail along her property, dividing the sidewalk from the land.

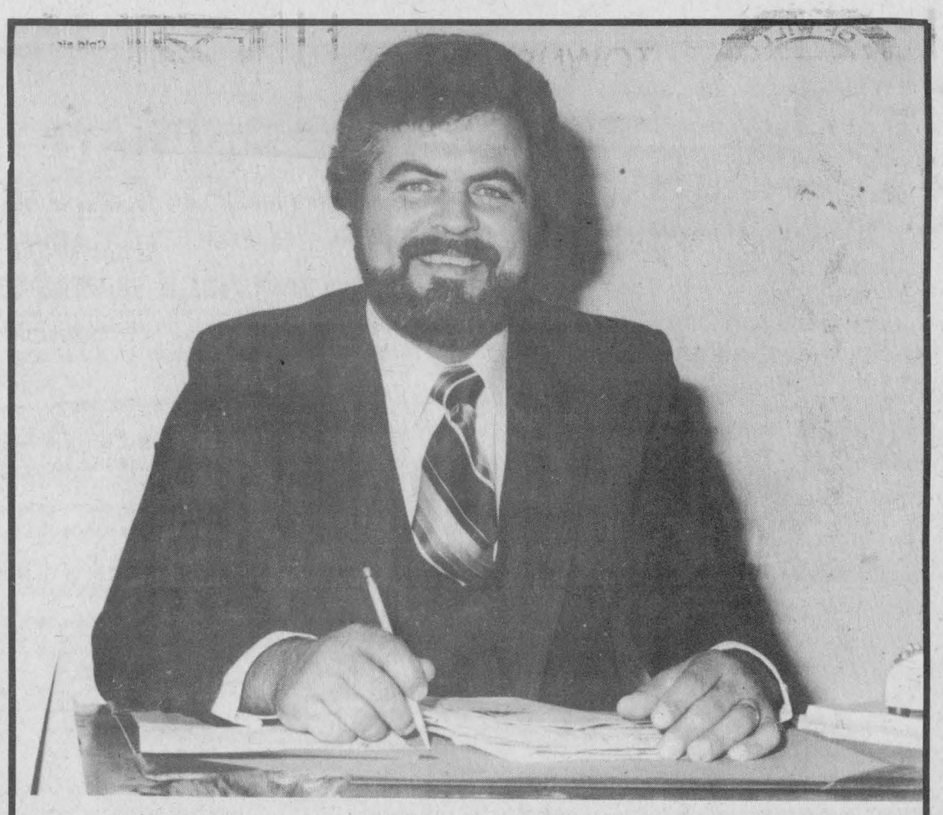
The United Counties, who have jurisdiction over Main St. as it is a County Road, was prepared to install the guard rail in completion of the work done on the street this past summer.

Mrs. Hitsman opposes the rail. Council decided to contact the Counties Council and ask that the project be stopped.

Council also decided to hire the Ontario Provincial Police for protection of the village during Hallowe'en. The members of council decided against having the village fire fighters because of insurance difficulties.

The protection is sought for possible vandalism during the annual trick or treat eve.

Council also discussed the progress of work along Hummel St. Storm sewers have already been placed in the street, and the gravel base laid. Work now continues on Main St., between Hummel St. and the CPR tracks, where sewers are being placed. The streets will be paved and sidewalks installed.



TO THE RATEPAYERS OF
WINCHESTER TOWNSHIP

— For the past four years it has been both an honour and a privilege for me to represent you, the ratepayers. I have done my utmost to provide a fresh yet mature approach to resolving your many problems and concerns, regarding a broad and varied range of affairs, pertaining to the municipality.

— As Deputy Reeve I am most confident I would bring that same approach, with bubbling enthusiasm and vigor, not only to Township Council, but also to United Counties Council of Stormont, Dundas and Glengarry.

— Therefore I humbly solicit your continued support in the upcoming election Nov. 8, 1982.

The Farmer's Wife

by Wyn Thompson

The faint cry of geese flying high to the south draws me to the gallery. It is Thanksgiving Sunday. I step out into a day aglow with colour.

As I walked to the back of the farm yesterday, I noticed that even the commonest of weeds and hedgerows are things of beauty at this time of year. The Farmer is busily picking corn and wagons of golden ears makes its way to the corn cribs behind the barn.

I fill the wood-box for the night and recall the old adage, "He who cuts his own wood warms himself twice."

A cold east wind stirs the leaves and the radio forecast is for zero degrees tonight. I pick the last of the ripening tomatoes than fill a couple of baskets with green ones to ripen as they will. I bring the containers of geraniums, that I have enjoyed so much, from the gallery and settle them on tables by the patio doors in the interest room. They are blooming their hearts out still.

This morning, as I drove to town to visit my mother, I saw people busy in gardens and fields and stacking wood high under cover of breezeways and patio decks. Such days stir in us an instinct to prepare for winter.

For while we look with delight at the brilliance of autumn, it is with a feeling of haste, for we know the colours will soon be gone and only the bare branches will etch a cold sky. Between times we appreciatively sniff the smoke-tinged air.

I sit on the iron steps on this day of Thanksgiving, absorbing the sun and the glory of the day. Scamp is hid in a tangle of gold and yellow marigolds awaiting an unwary mouse. Of a sudden he leaps to the half tier pile of wood, from which I have filled the wood-boxes, and surveys his territory.

Daydreaming on a gallery step, when the air is as crisp as a MacIntosh and the sky is blue as the egg of a bird, is a country pleasure of the highest order. I recall our trip to the Byward market this past week. I savour again the sights, the sounds, the smells of the market area which warmed and delighted us.

Number one grandson is spending this week-end with us as his parents had to go away. We have had a splendid time visiting, reading, playing, cooking. As he pushed my grocery cart for me yesterday morning, a female acquaintance paused to talk and enquired, "Do you give your grandchildren much?" Her implication was "of material things". Taken aback I said, "Oh no!"

But as I drove home I said to myself, "The Farmer and I give them our most precious gift: time."

We had Thanksgiving dinner at number two son and his wife's home. I chose to walk across the fields to their house while the Farmer and grandson drove the road. "Something in October air sets gypsy blood astir," I murmured as I climbed the fence in the woods back of their home.

Bittersweet beauty surrounded me. Doughty partridge rose up like a cloud . Their feathers were rich, autumn, earth colours. High over head, I heard the honking of more Canada Geese.

As I looked up I recalled my resolve to get an umbrella before the autumn rain's begin in full force. I do not own an umbrella. If I get caught in a downpour, I usually can bend a newspaper over my head. Umbrellas always act like unfurled sails when I carry them, and I am blown along like a rudderless boat. I always poke people with the tip, and if I close the umbrella and still must carry it, I manage to trip someone else with it.

But I must get an umbrella and carry it in the car in case I have a passenger who really would not like to fold a newspaper for an umbrella, for Eastern Ontario weather is erratic. You can be out in the yard in a sweater and before you can reach the house, it is pouring. You may go off on a hot day on a picnic and return pale blue with cold. And in August comes a day when you build a fire on the hearth. This changeable weather keeps you alert, we say.

Such qualifying remarks force me to say that June and October are our most equable months. And the weather in both is apt to be flawless as a perfect diamond.

Monday dawned bright with autumn colour. With a threat of late afternoon rain. Meanwhile I worked in full sunshine around the lawn and enumerated a few of the things I was thankful for:

-health, family, friends
-the bravado of bluejays
.gangs of grosbeaks
.the sheepish appearance of chick-a-dees with their little dee-dee thanks as they fly away stuffed from the feeders
-for seasons of change in the human as well as the natural world
-for the wonderful music of the world and the medium of radio and television which allows us to experience it without budging from our homes
-for the very apt "Farmer's song" just heard on CBC - a city kid's thank-you for a meal

The inclination is to be always outside in glorious October. Maybe I'll just get a basket, and go see if there are a few more wild grapes hanging on the vines near the end of the lane. There might be enough for a tiny batch of jam. And certainly I gather a few more tart apples from the tree at the line fence. A basket of those apples perfumes the kitchen, and they're wonderful for apple sauce.

Nights can be cool, so I hurry back to the house to put another stick on the fire. I think I hear geese. On clear October nights we hear many flights of geese as they settle into the gravel pit ponds across the way. It is a sound that never fails to stir me.

The Editor's Notebook

Congratulations only appropriate

It would only be appropriate, as the date for nominations has passed, to congratulate those who have been acclaimed to a municipal office. Although there is no election campaign necessary to win by acclamation it does mean a committment to your municipality to allow your name to stand for election, whether contested or not.

Those who did run in this election, or allowed their names to stand, cannnot criticize those that did make the committment. It seems almost a chronic disease these days, but most people claim to be too busy to consider giving up the time necessary to be a municipal councillor.

Being a member of a municipal council today is even a bigger committment than previously. The new three year term, called by most veteran municipal politicians a great plus for new councillors, but a deterrent to experienced politicians, does make a difference.

Most people who run for municipal office don't intend to make a career of politics. Most of them have jobs, families, have settled, and have little intention of becoming a full-time politician. Three years is a long time to devote to a part-time position.

Being a municipal politician is, none-the-less, demanding. At least two evenings per month are devoted to regular council business.

Besides that, there are numerous special meetings to discuss budgets, roads, and off-hours work, such as dealing with an angry ratepayer on a Sunday afternoon.

For those who take the positions of reeve and deputy-reeve there are the additional meetings of United Counties Council, and the extra work it entails.

Again, a hearty congratulation to those now holding office by acclamation. **- mary macdonald -**

Nominations open

Last year, around Christmas time, hundreds if not thousands of people in the Chesterville area signed a petition nominating Rodney Barkley of Williamsburg as a Junior citizen. The Junior Citizen program was in its premier year, and was initiated by CP Air and the Ontario Community Newspaper Association, of which The Chesterville Record is a member.

The organization created the awards program to honor Ontario's outstanding young people.

Rodney was selected as a winner of the title and was honored at the annual convention of the newspaper association.

Rodney was indeed a deserving young man. Blind from an early age he continued to grow and achieve.

The deadline for nomination is fast approaching, Dec. 1, 1982.

David Wenger of Mount Forest, Chairman of the 1982 Junior Citizen of the Year Awards Program reports several nominations have been received but he is looking for more. He said that in the initial year of the program a total of 172 nominations were received.

Winners received $200, a Junior Citizen lapel pin, a plaque, and a framed family photo with Ontario Lieutenant Governor John B. Aird who made the presentations.

Nominees for the program are needed. Begin thinking of young people you know who are deserving of such an award.

Nominees should be groups of individuals who have been involved in some worthwhile community service endeavor, overcome disabling physical or psychological handicaps to match or exceed their fellows, or have performed acts of heroism - perhaps endangering their own lives.

To nominate a young person for an award, contact The Chesterville Record for nomination forms.

If you are interested in more information contact Elizabeth Sweeting, OCNA, PO Box 451, Oakville.

Despite what many believe there are an awful lot of great young people waiting to be recognized.
- mary macdonald -

Chesterville's past

52 October 30, 1952

With the deer season only a matter of days away, the hunters of the district are getting the fever. Epidemic for this time of year, hunters thoughts are filled with visions of the flashing white tails and the music of running dogs.

There are many changes this year in the seasons and licences. The Rideau District will be open for four days, November 3 to November 6 inclusive. The district includes the counties of Leeds, Grenville, Dundas, Stormont, Glengarry, Prescott, Russell, Carleton and Lanark. The regular two week season is in force in the county of Renfrew and parts of Frontenac, Hastings, Lennox and Addington.

Farmers will be able to buy special licences for $2 this year, good for hunting in their county. The regular licence is raised to $5. It is well to bear in mind that the deer licence does not include the $1 cost of the gun licence. That has to be purchased separately if it is not already in possession.

Construction for the new sewer on Church Street and part of College Street is nearing completion. The power shovel has opened a trench from just west of St. Mary's Church to the river crossing the High School grounds just south of the Public School fence.

The new line will be joined by further construction that will see a sewer as far south as the Ouelette property.

Church St. has been in sad need of a proper outlet for cellar drains for many years. Council is to be commended for their steps in providing the long needed improvement. Emerson Johnston's company is doing the construction work.

An enjoyable concert was staged in the Community Hall on Saturday evening last when the Ladies Guild of Holy Trinity Anglican Church presented a variety concert, the featured artist being Mr. Darby of Ottawa, ventriloquist and magician.

Amongst the various items on the program were folk songs, a recitation by Carl Smith, vocal solos and music during the intermission by Arthur Brian.

A further sum of $37.75 has been received for the Dundas County Advisory Board, Canadian National Institute for the Blind.

Mrs. Asel Merkley, Mrs. William Hughson and Miss Ruby Daniels, who are the canvassers, procured the above sum.

Mrs. A.D. Dillabough kindly sent the sum of $10 as a donation from the Bethune Bush Red Cross. The Women's Institute therefore in expressing gratitude to canvassers and contributors alike is able to announce the sum of $250 raised to lighten the way of those to whom a rose must always be black and the sunlight just a sensation.

On Monday evening, October 20, over 60 friends and neighbours gathered at the home of Mr. and Mrs. Cornelius Kearns to bid them farewell for their departure to Chesterville, where they will reside.

Everyone enjoyed the evening which was spent with music, singing and dancing. At about 11:30 Mr. and Mrs. Kearns were called forward and an address was read by Mrs. Harold Merkley while Mr. William Henderson presented them with a beautiful tri-light lamp.

62 October 18, 1962

Monday October 15 dawned gray and cool, but spirits were high as buses from competing schools rolled into the fairgrounds at Chesterville around 9pm. The long form of ONDAA is Osgoode, North Dundas District Athletic Association whose members are Osgoode District, Winchester South Mountain and Chesterville High Schools. The students were welcomed to the 8th annual ONDAA meeting Howard Willar, Principal of Winchester High School. The cheerleaders of each school were present and gave the ONDAA yell to get the morning's activities under way.

At 1:15 the cheerleading competition got underway, Mountain had six girls dressed in red and white, Chesterville with six girls in black and gold, Osgoode District with seven girls in blue and white and finally Winchester with six girls dressed in their flashy purple and gold colors. Each squad presented three cheers and then as a group they did the ONDAA yell. The cheers were marked on co-ordination, acrobatic ability, school spirit behind them and their dress.

Six very proud girls from Mountain won the J.H. Fulton Championship Trophy. The Metcalfe Fair Trophy was given to the Chesterville High School cheerleaders for second place. Under the direction of L. Brownlee the girls had taken the trophy at the football tournament held in Kemptville Saturday last.

In the competition they won over five other competing squads. As the day progressed points ran pretty much in this order, Osgoode first followed closely by Winchester, Mountain and Chesterville in that order.

The annual meeting of Chesterville branch of Winchester Memorial Hospital Auxiliary was held at the home of Mrs. G. Gilbert with 10 members present.

The minutes of the previous meeting were read and approved. The treasurer reported that $240 had been sent to the parent branch and $35 had been spent for wool to make articles for the showcase.

The annual canvass for members and donation will have Mrs. Olsen and Mrs. Pringle as convenors.

The present executive will remain for another term with the addition of Mrs. Sinclair and Mrs. Harvey Barkley to the Ways and Means committee.

Tickets for the tulip quilt were given to members to sell with the draw to take place at the December meeting in Winchester. Plans were made to purchase another quilt for 1963.

The Hon. Keiller MacKay the Lieutenant Governor of Ontario will preside at the official opening of the Ottawa Winter Fair on Saturday October 20.

This event at Lansdowne Park will be a brilliant ceremony with the Lt. Governor attended by a formal military guard and the coliseum decorated with a magnificent floral display.

The color and pomp of the occasion will reflect the fact the Winter Fair October 22 to 27 will be celebrating its Diamond Jubilee. And in special observance of this anniversary a diavond ring valued at $750 will be presented to some fortunate patron of the fair.

For good measure some person attending the fair is going to pick up a brand new car.

This year, special UNICEF ambassadors Ken Danby and "Dr. Zed" have joined UNICEF volunteers across Ontario who donate their time and talents to support UNICEF's Greeting Card and Hallowe'en fundraising campaigns. The campaigns fund long-term programs in health, sanitation, nutrition and education for children who desperately need this help in over 110 countries around the world. UNICEF Ontario needs YOUR help too. Join the expanding team of volunteers working for UNICEF's children during this fall's vital fundraising campaigns.

Letters

October 1982
To the Editor:

I was pleased to accept the position of Honourary Chairperson for the Ontario UNICEF 1982 Hallowe'en campaign.

Children in different parts of Ontario tell me they enjoy working on simple science experiments from "OWL" magazine, many of which involve the use of drinking water. Yet in many parts of our world doing science experiments that use drinking water would be unthinkable. Children in those countries struggle daily to get barely enough fresh water to drink.

UNICEF can help these children and their parents to establish a safe source of readily available drinking water. Money donated to UNICEF at Hallowe'en is an important source of revenue for such projects in which people help each other to achieve a basic standard of living.

UNICEF's Hallowe'en program also serves another important purpose: young people here get a chance to help other young people in a practical way in our world community.

Please support our young people by giving generously to UNICEF this Hallowe'en.

Sincerely yours,
Dr. Zed (Gordon Penrose)
Honourary Chairperson
1982 UNICEF HALLOWE'EN

Oct. 24 to 31 UNICEF's Safe Drinking water week

October 1982
To the Editor:

Again this year, I note with interest that the Ontario UNICEF Committee has declared the week of October 24th to 31st, 1982, to be UNICEF WEEK FOR SAFE DRINKING WATER. During this week UNICEF will promote citizen awareness of the United Nations "International Drinking Water Supply and Sanitation Decade, 1982-1990", and I wish the Committee every success on behalf of the Government of Ontario.

The goal of this UN-declared Decade is to eliminate by 1990 the threat of death and disease which continues to endanger the lives of approximately 500 million children in the developing world.

During 1981, the first fundraising year of this Decade, UNICEF Canada supported eleven projects in all parts of the developing world to provide safe water and sanitation for more than one million people. Ontarians, through their donations to UNICEF, contributed over $400,000 toward these projects.

I urge the people of Ontario to join with me again in offering encouragement and support to UNICEF during UNICEF WEEK FOR SAFE DRINKING WATER. Your generosity will help UNICEF to achieve the goal of clean water for all, thus ensuring a healthy future for children less fortunate than our own.

William Davis

At their annual meeting held last weekend Dundas Federation of Agriculture returned Martin Schneckenburger to another term as president of the organization. Seated at right, beside him is vice-president Arden Schneckenburger. Back row township co-ordinators are from left, Ted Van Moorsel, Stan Baldwin, Gerry Brugmans and Dean Keyes.

Information flows wrong way says O'Brien

SOUTH MOUNTAIN (Staff) - Farmers suffer from a wrong-way flow of information, fellow farmer, lawyer and Ontario Drainage Tribunal member Del O'Brien told members of the Dundas Federation of Agriculture last Friday night.

The city-outward information pattern makes it difficult for farmers to make the country aware of their unique needs and problems, he told them.

The implications of this in a time when farmers are leaving the land are serious, he told them. The farming community is the most law abiding and trustworthy sector in our society with a relaxed, safe atmosphere in which relatively little vandalism and crime exists.

The built-in work ethic and motivation of the sons and daughers of the land would cause not only an economic loss but a cultural loss, too, he said.

The economic factor is not to be ignored, however with Canadians operating the most efficient farms in the world, according to Mr. O'Brien, a farmer's land is his chief asset and while it appreciates allowing increased credit, he never profits by any more than the $8,000 to $9,000 average income he makes.

To prolong that situation, this asset is passed from generation to generation with father and son reaping only the yearly income for his long hours of toil. The consumer takes the profit from the farmer's labor and the farmer is still in debt, Mr. O'Brien said.

MPP Osie Villeneuve and federal Member of Parliament Ed Lumley attended the annual meeting and commended the federation on its work and representation.

A special note of appreciation was expressed by Mr. Lumley for the work of Dianne Harkin who is involved in numerous agricultural organizations and played a major role in the creation and implementation of Agri-Food week.

Also performed at the annual meeting were the election of officers at which Martin Schneckenburger was returned for another term as president.

Arden Schneckenburger will serve as vice-president and township co-ordinators are Gerry Brugmans for Winchester; Stan Baldwin for Mountain; Red Van Moorsel for Williamsburg and Dean Keyes for Matilda.

Directors to represent the county at the Ontario Federation are Gordon Garlough from South Dundas and Cliff Howse from North Dundas.

Scheduled to attend the Ontario convention are delegates Lorna Driscoll, Ken Carkner, Stan Baldwin, Arden Schneckenburger, Dean Keyes and Ted Van Moorsel.

Bursaries were awarded to Peter Schoones and Doug Graham who are attending post secondary agricultural programs in the province. The bursaries are awarded annually.

St. Mary's Harvest supper

CHESTERVILLE (Special) - The regular monthly meeting of St. Mary's Catholic Women's League, Chesterville was held recently with a good attendance. Following the opening prayer by Father Appelman, the previous meeting's minutes, treasurer's report and correspondence were read. The Harvest Supper held on Sun., Oct. 17th was a tremendous success. The prevailing atmosphere was, one of great hospitality and friendship and enjoyed by all present. League members wish to heartfully thank all parishioners of St. Mary's who so willingly donated their time, services and delicious food.

New business included mention of the Diocesan Regional Meeting to be held in South Mountain, Sun., Oct. 24th to which any League member is invited. Education Convenor, Annette Larmour is presently enrolled in an Adult Religious Education course in Ottawa. Anyone wishing to sit in on one or any lecture is most welcome to attend with her. Copies of the course outline were distributed to the members present at the meeting.

President Pat MacLean gave a thorough report on the Diocesan Executive Meeting held September 25th which the Council executive attended. Two spiritual retreats will be held in Kingston; one in November and one in February 1983, open to all ladies of the parish.

St. Mary's Parish will celebrate its 100th Centenary in early November.

Turkey renews student enthusiasm

North Dundas News

by Cathie MacGregor and Jill Vasey

After the long Thanksgiving weekend, students came back to school with renewed enthusiasm due, no doubt, to the turkey dinners that they had consumed over the weekend.

Yearbooks went on sale this week and the committee is hoping many students will purchase one of these masterpieces that will bring back memories of these "good old days" some time in the future. Work on this year's edition is already underway. Flashing and snapping, Mr. King and the photography club have started catching school life on film. Also, the Grade 13s have been attempting to assist the editor, Laurie Marquette, by writing some themes or participation for the yearbook. It's sure to be another best seller.

Teams at North Dundas have gone by many names. This year, a Name The School Teams contest is being held to pick one name for all the interschool teams. There were 37 entries from which five finalists have been chosen: The Norsemen, The Ravens, The Blue Bombers, The Trojans, and The Nittany Lions. On Friday, the 22nd, the student body will vote for the final one.

Our school teams are continuing their winning ways . On Wednesday, the student body got out to see the Senior soccer team defeat CCVS 4-1 with Mark Smith and Oliver Bartsch scoring for North Dundas. In the second game, the Juniors outkicked CCVS 11-0. Thursday saw Osnabruck travel to North Dundas to play basketball against our girls. The Seniors won easily, but unfortunately the Juniors lost.

In House League, the football championship was decided on Thursday with the Iroquois defeating the Ottawans 22-8. It has been a very successful season.

Yesterday (Tuesday) elections were held for Head Boy and Head Girl. This year's candidates are Todd McLaren and Bart Steele, both in grade 13, for Head Boy. For Head Girl, there is a four way race with two grade 13s, Susan Buckingham and Charlene Rose, and two Grade 12s, Jill Steele and Debbie Shay, running for the position.

This week should be lively with the elections; as well, the Spirit committee has declared this week Spirit Week thereby giving students the opportunity to dress up or down. Some examples are: Teacher or Famous Person Day, Hat Day, and Inside out and Backwards Day. It should be an interesting time.

District news

(Special) - The Rev. E. Earle Eaton conducted worship services last Sunday at Knox Presbyterian Church, Iroquois and St. Andrew's Presbyterian Church, South Mountain. Tuesday he was in Ottawa for a Gospel Fellowship Prayer Luncheon. Thursday he gave a lecture at Mount Carmel House, St. Raphael's, and in the evening attended a regional Red Cross meeting at Alexandria. Friday he attended a luncheon meeting of the Education Committee of Cornwall Mental Health Association in that city.

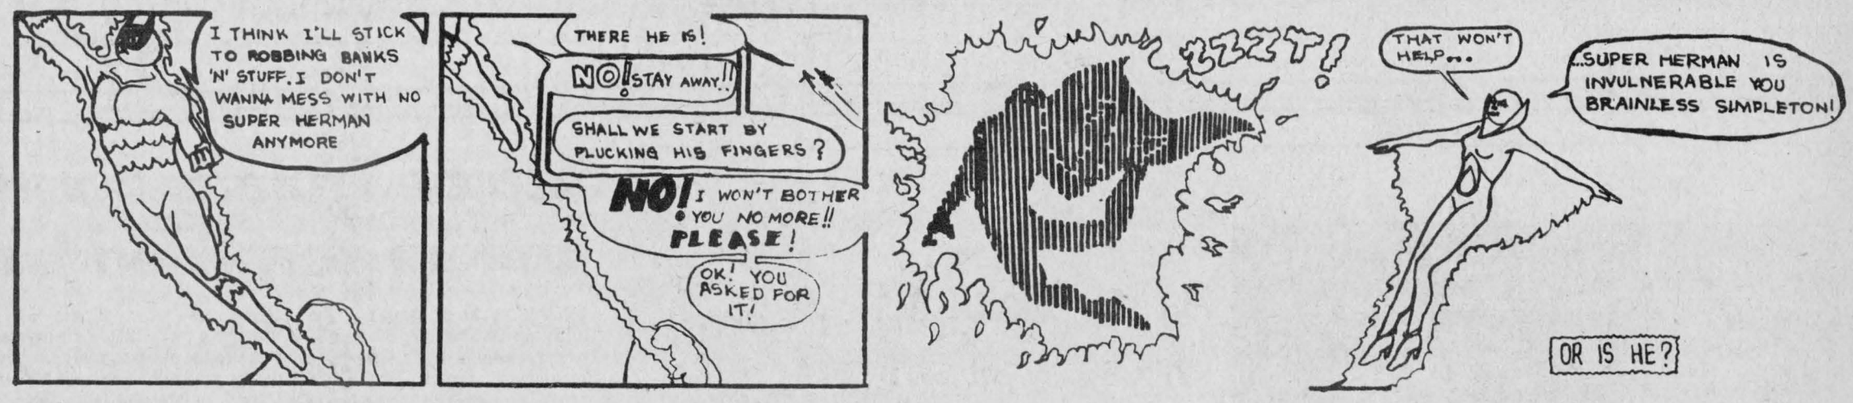
Diamond anniversary

Lloyd and Mabel Crites celebrated their 60th anniversary on October 16, right on the day, at the United Church in Ingleside. They were joined in the celebration by four generations of the family.

record photo - riley

Super Herman



Super Herman returns next week

Correction

In a story last week it was mistakenly reported that the Chesterville Women's Institute were celebrating their 75th year of service. In fact, the WI have thrived in the community for 80 years (as is pictured on their anniversary cake).

The Record regrets this error and any inconvenience it caused anyone.

In the developing countries, women account for at least 50 per cent of food production. They work largely in subsistence farming, that is, growing food for family consumption or for sale at local markets.

New program for adolescents needs home setting for troubled youths

CORNWALL (Staff) - The United Counties' Community, Social, and Family Services is seeking six families in the tri-county area to provide 24 hour, in-home counselling for adolescents with emotional and behavioral problems.

The pilot project, known as the Community Family Care Program, has been created with a $134,740 grant from the Ministry of Community and Social Services to help fill the void created in treatment services with the closing of the Champlain Training School last August.

The program will consist of six families working closely with a psychiatrist, psychologist, and a social worker in dealing with problem youths. In effect, the program will try to help out adolescents by providing a secure and caring environment.

According to Bryan Keogh, a Cornwall social worker involved in the program, the Community Family Care Program will offer a more effective treatment program to juvenile offenders than was possible in a training school.

"What used to happen is that any juvenile offender was sent to a training school and often there was a type of training done", he said. "Usually the kid came out knowing more about how to screw the sytem than he did when he went in."

"The reality is that there will be some kids that nobody can help. But I've been working with juvenile offenders for 11 years and most of the kids are not that bad. They need to know someone cares."

Keogh says the program organizers are looking for "ordinary, common sense people with a high tolerance level" to take in a child. Of the six children to be treated in the program, two will be adolescents who would normally go to training school, two will be from the mental health field, and two will be behaviorally disturbed children from the community.

The families will receive $30, a day, half of what it would cost per child in a group home, of which $15 will be designated for food and shelter costs and the other $15 for the work done with the child.

Keogh stressed that the families will be fully supported in working with their children.

"We're not just dropping them off and seeing them in four months", he said. "Initially, we will visit each home weekly and then every other week.

"We hope to develop a type of reflection house", Keogh said, "where kids can get breathing space. A lot of times parents and kids reach an impasse where only an absence of a short period can help to resolve things."

"We have the money this year but if we don't become operative I don't know if it will be continued next year. No homes, no programs next year."

Families interested in taking part in the program (interviews will be confidential) can contact Bryan Keogh at 932-7014 or 933-2292.

Hauch and coach Hugh Conilin

Hauch visits school where it all started

NORTH DUNDAS (Staff) - Rose Marie Hauch, Canada's top female shot putter and bronze medal winner at the 1982 Commonwealth Games, came back to where it all started on Monday, back to North Dundas District High School where she first dreamed of international competition.

"I have a very pleasant duty to perform", North Dundas vice-principal Harry Craig told an assembly of teachers and students, "and that is to introduce a graduate of North Dundas; a two time all-Ontario shot put champion, a member of the Candian track and field team, a woman who recently attended the Commonwealth Games and brought back to Canada, to Dundas County, to North Dundas High School a bronze medal. Ladies and gentlemen, Rose Marie Hauch".

The introduction, and the thunderous ovation that followed, turned out to be longer than her speech.

After giving a special thank you to Hugh Conlin, her coach during her years at the school, she told the audience that it was "good to know there are so many supporters out there".

Rose said afterwards that she enjoyed coming back but that even international competition hadn't helped her to overcome her nervousness before audiences.

"My hands are still shaking".

Senior Trojans continue hot pace juniors surprised by Lancerettes

CHESTERVILLE (Staff) - The Rothwell-Osnabruck Junior Lancerettes used superior size and a player who has established herself as a first half wonder to upset the Trojans 31-26 in an SD and G Board of Education basketball game played at North Dundas District High School October 14.

The win was the first for the Lancerettes in five starts. The Trojans, just off a big 49-19 victory over Hawkesbury, saw their record drop to two wins and three losses at the midway point of the 10 game schedule.

The senior Trojans, meanwhile, continued their momentum-building pace with a one-sided 58-14 win over the Senior Lancerettes to extend their unbeaten streak to four games.

In past games this season, the fate of the Junior Trojans has rested principally on the play of the club's only returning player of the 1981 schedule, Raye Simpson. An aggressive, spirited player, Simpson led the offense with 17 points in the game against Hawkesbury and had 10 points in the 27-13 victory over Glengarry. But when she was slowed down, the club was slowed down as well. In the 27-19 loss to Vankleek Hill and the 48-17 loss to Tagwi, Simpson collected a total of only six points.

The connection continued against the Lancerettes as the Rothwell-Osnabruck defense kept Simpson surrounded, holding her to four points in the first three quarters as they built up a 25-14 lead. By the time she did get loose with eight points in the final quarter, the Lancerettes were comfortably in the lead.

The Rothwell-Osnabruck squad took full advantage of their greater height to keep the ball moving towards the North Dundas basket and forcing the Trojans into pick-off passes. But it was the play of Kelly Dafoe, in particular, that sparked the Lancerettes' attack.

Averaging between 10 and 15 points a game, the grade nine student continued the trend she has established as a first half scorer with 10 points against the Trojans in the opening 30 minutes. She added another five points in the final quarter to complete her game.

"There's no doubt, she's our star player", Lancerettes' coach Ken Zeron said after the game. "She's been consistent but the team hasn't been lucky with baskets. Today, things went our way."

Adding to the Rothwell-Osnabruck points total were Barbara Johnson with five, Beverly Eamer and Sandi Thompson with four each, and Kim Thompson with two points.

Raye Simpson had 12 points for the Trojans, Rhonda McIntosh four points, and Donna Koekkoek, Kelly Farrell, Cindy Ace, Julie Lamb, and Norine Milne each scored two points.

The Senior Trojans, meanwhile, are showing all the signs of a team gearing up to take the 1982 tri-county title. Their 58-14 thumping of the Lancerettes marked the second game in a row that the team has amassed more than 50 points and gives them a four wins, one loss record at the midway point of the season.

More importantly, the game saw the emergence of a trio of players who have been, despite their scoring credentials, relatively quiet this season.

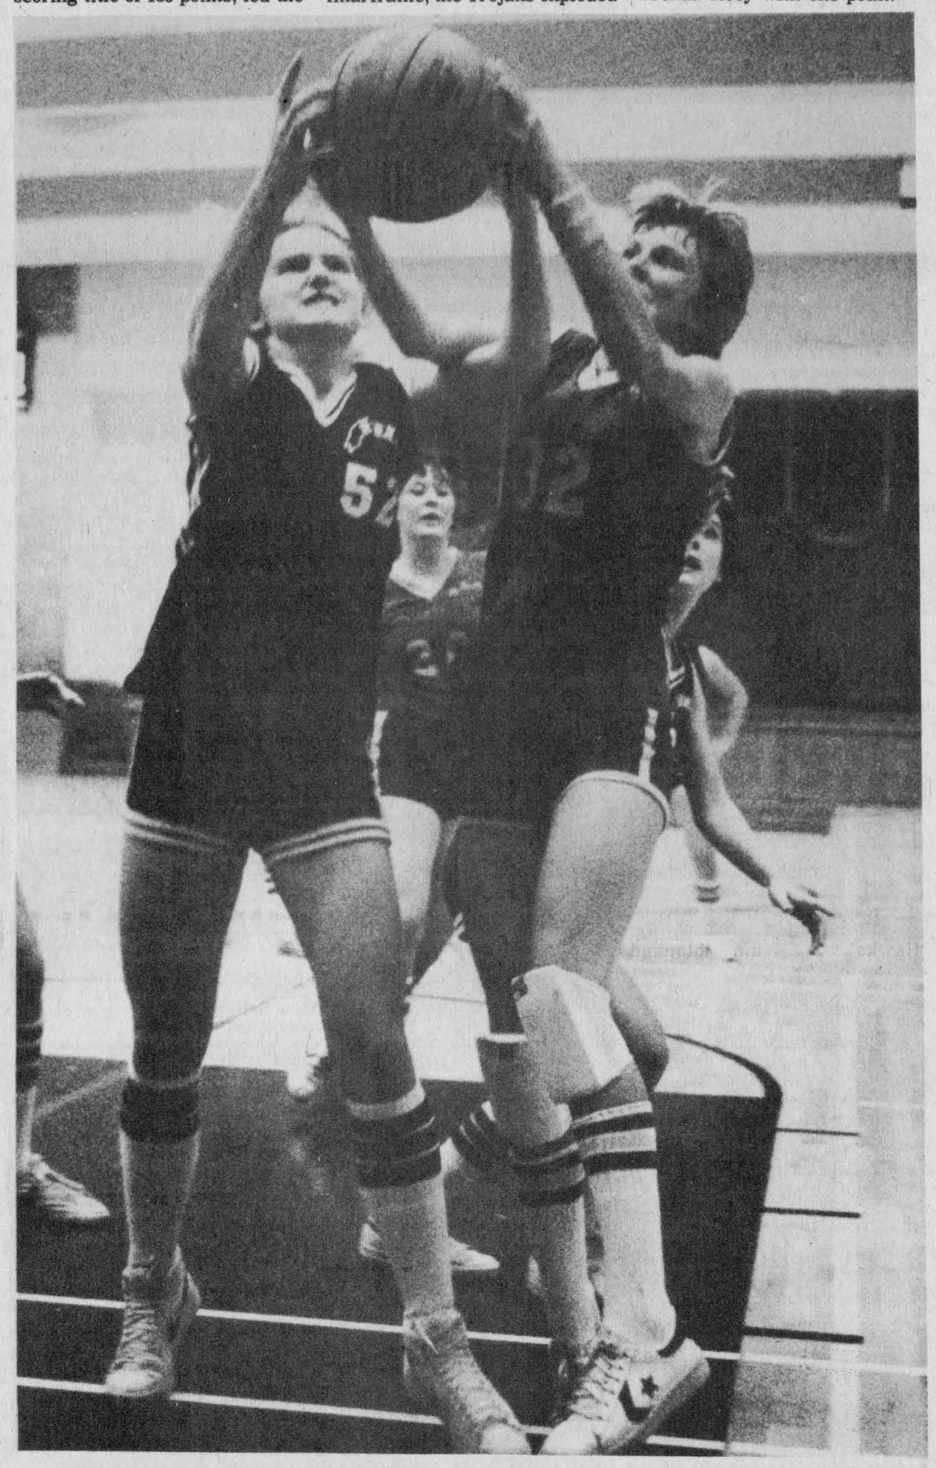
Debbie McVey, the senior Trojans MVP last year with a scoring title of 135 points, led the way with 14 points while the number one and two scorers for the junior Trojans in 1981, Deanne Saunders and Alice Koekkoek, hit for a dozen points each.

The scoring attack, in fact, simply left no room for the Lancerettes to manoeuvre. They were beaten in the first fifteen minutes, trailing 16-5 after the first quarter, 28-8 after the second, and 39-14 after the third.

Instead of falling back in the final frame, the Trojans exploded for 19 points while shutting out Rothwell-Osnabruck for a final score of 58-14.

Also scoring for the Trojans were Patti Milne with six points, Nicole VanVlaaderen and Angie Gunter with four points, and Tammy Summers, Tracy McIntosh, and Jenny Freda with two points each.

Scoring for the Lancerettes were Patti Gorton with 11 points, Katie Hollister with two, and Brenda Rooy with one point.



Danielle Gryspeerdt of the Junior Trojans (left) and Kelly Dafoe of the Rothwell-Osnabruck Lancerettes try to get possession of the ball in a game played at North Dundas on October 13. Dafoe led the Lancerettes to their first win of the season with a 15 point game, defeating the Trojans 31-26.

Upper Canada Minor Hockey League set on improving calibre of play

METCALFE (Staff) - It's been a long and complicated, and sometimes controversial, process but the amalgamation of the Carleton-Dundas, Upper St. Lawrence, and Golden Triangle minor hockey leagues is now complete.

The new league, the Upper Canada Minor Hockey League, will encompass 14 minor hockey associations, between 125 and 130 teams, and approximately 2,000 players at the A, B, and C level.

Upper Canada Minor Hockey League president Robert Ramsay said in a telephone interview from his home in Metcalfe that the reason for the amalgamation is to provide players with a higher calibre of hockey in Zone 1 of the province.

"When I was president there (of the Carleton-Dundas League in 1981), we always felt we were restricted. I wouldn't say that there weren't good games but the same teams were always playing each other. And at the Midget age, players tend to remember a slap in the face they received two weeks ago. Individual rivalries were replacing team competition."

Ramsay, who is also chairman of District 1, said organizers hope that the extension of league play will help teams at all levels to improve.

In minor hockey, the hockey playing talent of a club is designated by the letters A, B, and C. Teams are reviewed every year to see for example, if a B team should be playing at the top, the A level. If players on a Bantam B club run away with the scoring, they will be moved to an A club.

"Undoubtedly, we are trying to put teams in the A division", Ramsay said. "I even suggested that Winchester and Chesterville combine to put A hockey players in every level. The trouble, of course, is local rivalry. We amalgamated Metcalfe and Greeley (into Metcalfe and District) but there are still people from both sides who hold hostilities going back to their grandfathers."

"In one way it is sort of sad that a community loses its individuality but it is better for the boys to get the higher level of competition."

Because of the inclusion of the bigger hockey centres, and consequently better talent, in the new league, Ramsay said the old A and B divisions in the Carleton-Dundas League would now become B and C divisions.

It was originally planned that the 14 associations would each be running a "B" team that could be split into east-west divisions of seven teams each with a fully interlocking schedule. It was a controversial proposal with detractors arguing that the travelling involved would be too much.

The situation, however resolved itself when four of the associations didn't put forward "B" teams.

As it stands now, Chesterville, Morrisburg, Winchester, Metcalfe, and Russell will make up the east division while Spencerville, Athens, Cardinal, Westport and Ogdensburg will make up the west division. The two divisions will have a partially interlocking schedule, with each east team playing two west teams at home and on the road.

Each division will play off for a winner and then the east will play the west for the championship.

Ramsay said he was happy with the final outcome of the schedule because it still offered players in the Carleton-Dundas league more, and varied competition.

"What this partially interlocking schedule means is that teams in the east will play each other four times instead of eight times."

Ramsay added that the league will try to take the sting out of the travelling involved by scheduling short trips between long ones and by reducing the overall schedule from last year's 24 games to 20 games this year.

The season opens for "B" teams on November 15 with all games being played on the road in the first part of the east-west match ups.

Ogdensburg will be in Winchester on November 15, Edwardsburg will play in Russell on November 15, Cardinal will be in Chesterville on November 19, and Morrisburg will host Athens on November 21.

The eastern teams will play in the west starting with Morrisburg in Edwardsburg on November 19. On the following day, Chesterville will be in Westport, Metcalfe in Ogdensburg, and Winchester in Athens. Russell will play in Cardinal November 21.

All contests will include Atom, Peewee, Bantam, and Midget play.

CDMHA OKs schedule for new 'B' division

CHESTERVILLE (Staff) - Chesterville and District Minor Hockey Association president Dick Henderson says that he is happy with the new Upper Canada Minor Hockey League schedule for "B" teams but warms that the association is keeping an eye open against the league "getting carried away" with the partially interlocking system.

"I think the expanded league is going to be good for hockey", Henderson said, "so long as they don't get carried away and create a pile of travelling."

Henderson said it was the aspect of travelling that had him and other presidents among the Carleton-Dundas Associations against the idea of a fully interlocking schedule.

He added he would have liked to have seen a seven team east division to give the added competition that the partially interlocked system is now providing.

The Junior Boys team from Chesterville Public School tried to stop the Morrsiburg attack any way they could during the Dundas County Junior Boys Soccer Championships held at Iroquois Public School October 14. And they did, beating Morrisburg 4-1. They didn't have the same luck against a second Morrisburg team in the consolation finals, however, losing 2-0.

Winchester tops Junior Boys meet

Morrisburg wins Dundas soccer title

IROQUOIS (Staff) - Boys' soccer clubs from Morrisburg Public School and Winchester Public School will be representing Dundas County in the SD and G Elementary School Soccer School championships to be held later this year.

Morrisburg picked up the county title at the senior level and Winchester unseated Nationview for the junior championship during a double header soccer meet held on three fields at Iroquois Public School on October 14.

The meet was also the site of the Dundas County Junior and Senior girls cheerleading championships. And Dixon's Corners cheered their way to a stunning upset, dethroning triple winner Winchester in the junior division. Iroquois twisted, jumped, and yelled their way to the senior championship.

Junior Soccer

Winchester Public School, fielding two teams, advanced both into the A rounds with wins in the opening round but only Winchester A survived the second round, defeating Elma 2-0.

Morewood provided stiff opposition on the next rung up and came close to knocking Winchester out when they went up 2-1 in extra time. But Winchester came back with a pair of quick goals to take the game 3-2.

Dixon's Corners, in the finals on a semi-final bye, were unable to get their offensvie lines on track in the final and were blanked 1-0 by the Hawks squad.

On the B side, Chesterville Public School found itself in the unique position of having to play itself in the quarter-finals with Chesterville A edging Chesterville B 1-0.

Chesterville followed up with a 4-1 victory over Morrisburg but with only a 15 minute break between this match and the final against Morrisburg A, the team just couldn't sustain its steam. Morrisburg won the consolation title 2-0.

Opening round: Iroquois 4, Morrisburg B 0; Dixon's Corners 3, Nationview 0; Winchester A 2, Morrisburg A 0; Elma 2, Inkerman 0; Winchester B 2, Chesterville A 0; Morewood 1, Chesterville B 0.

A side: Dixon's 2, Iroquois 1; Winchester A 2, Elma 0; Morewood 2, Winchester B 0; Winchester A 3, Morewood 2: **finals** - Winchester A 1, Dixon's 0.

B side: Morrisburg B 1, Nationview 0; Morrisburg A 4, Inkerman 0; Chesterville A 1, Chesterville B 0; Chesterville 4, Morrisburg B 1; finals - Chesterville 0, Morrisburg A 2.

Senior soccer

The A side of the senior meet to choose a county representative turned out to be a battle between Morrisburg and Maple Ridge.

Maple Ridge worked its way to the finals with an opening round 4-0 blanking of Nationview B and followed up with another shut out in the second round, 3-0 over Nationview C. Jamie McIntosh provided the solid goaltending in both games.

Morrisburg, meanwhile, created its path to the final berth with an opening round 2-1 win over Nationview A and added a 3-1 victory over Iroquois in the second round.

The championship match was as close as their earlier play indicated it would be, Morrisburg edging Maple Ridge 2-1.

In the consolation round, Nationview ensured itself of a consolation victory by placing all three of its teams in the semi-finals.

With Nationview A getting a bye into the final, Nationview B and C played for the other berth with B taking the game 2-0.

The final contest was played in South Mountain on October 15 with A winning 2-1.

Opening round: Iroquois 2, Riverside 0; Morrisburg 2, Nationview A 1; Maple Ridge 4, Nationview B 0;

A round: Morrisburg 3, Iroquois 1, Maple Ridge 3, Nationview C 0; finals - Morrisburg 2, Maple Ridge 1.

B side: Nationview B 2, Nationview C 0; finals - Nationview A 2, Nationview B 1.

Individual awards in the junior division went to Kevin Eamon of Morrisburg (best goalie), Dennis Ouelette of Winchester (best halfback), and Mike Fawcett of Winchester (best forward).

In the senior division, Maple Ridge's Jamie McIntosh and Felix Von Gunten picked up trophies as the best goalie and forward respectively while Greg Whitteker was chosen as the best halfback.

Oldtimers lose first

OSGOODE (Staff) - The Chesterville Oldtimers opened their season on the road October 14 with an 18 goal game against Osgoode.

Osgoode won the game 10-8 but Chesterville got some strong performances from Rick Barkley with three goals and an assists and Terry Buske with a pair .

Also scoring for Chesterville were Mike Fyke, Les Holmes, and Sid Henderson with assists going to Reg Dion (two), Les Holmes, Mike Fyke, and Rae Imrie

The junior boys team from Roxmore Public School in Avonmore will be the 1982 Glengarry representatives at the SD and G Elementary Soccer Championships after topping the opposition at the county soccer tournament held in Lagan, October 12. The winners are, in the back (l-r) Scott Witteveen, coach Marg Armour, Jason Campbell, Ricky MacKenzie, George Boszormeny, Michael Jaeck and Steven Alguire. In the middle are Michael Stewart, Keith Prodonick, Jason Fyckes and Preston Witteveen. In the front are Tommy McCormick, Scott Balir and Dean Canham.

Dundas Rams outscore Cornwall Raiders 14 to 1

CHESTERVILLE (Staff) - The sky was grey and threatening but it was the North Dundas Rams, and not the clouds, that provided the downpour on the North Dundas District High School field last Wednesday.

In their finest offensive performance so far this season, the senior Rams manoeuvered, headed, and ran their way to a 4-1 victory over the Cornwall Collegiate Raiders and, in doing so, kept alive their chances for a playoff position.

Their junior counterparts followed with a scoring spree that eclipsed their total goal output in five previous games, decimating the Raiders 10-0 for their first win of the season.

For the seniors, the game was a "must win". Hurt by a lack of fire power (four goals in five games), the Rams had fallen into the bottom half of the standings in the nine team SD and G league. With a record of 1-3-1, the team needed the two points to keep the undefeated league-leaders, Glengarry and Seaway, in sight.

And the Rams came out playing like they had to win. In the warm-up practice the tempo was faster, the players putting on that extra bit of speed to get to the ball.

More importantly, the team created its chances. Mark Smith led off the attack in the first half with back-to-back goals, kicking in a ten footer 10 minutes into the game and following up a dozen minutes later with a goal between the legs of the Raider's net-minder.

The Rams lost their shutout bid early in the second half when goalie Rolland Lalonde slipped while trying to strip the ball away from a Cornwall attacker but Oliver Bartsch restored the two goal margin five minutes later on a penalty kick.

As the game wound down, Dundas seemed to pick up speed. Kieren Smyth banged one off the goal post and Bartsch forced the Raider's keeper into a diving save before Mark Smith capped the scoring with five minutes left in the game.

Smith's three goal performance marked his return to the Dundas scoring sheet, his last goal coming in the season opener against Tagwi. And he may be just what the team needs in its last two games against Osnabruck and Seaway, creating a one-two scoring punch with Oliver Bartsch (four goals) who has been the team's main trigger man.

"This is the kind of soccer we should have been playing all year long", said an obviously pleased coach Carl Ward after the game. "They really showed spirit and drive".

"They were playing right from the beginning. They showed they still have the desire to win a playoff spot."

For the Junior Rams, the incentive was not a playoff spot but a first win. Like their senior colleagues, their previous five games had been marked by a lack of offensive drive. Their record of no wins, three losses, and two ties, in fact, put them just two points ahead of the winless Raiders in last place.

And it became apparent early in the game why the Cornwall squad had fallen to the bottom. With a defense manned by what looked like a majority of midget-aged players, they simply weren't strong enough.

The Rams, for their part, were running the ball well.

The combined result was a game played almost entirely in the Raiders' end of the field, the Rams picking their way through the holes in the defensive lines at every opportunity.

Kevin Moore began the onslaught seven minutes into the game on a breakaway and followed up with a second goal five minutes later.

Lawrence Cayer took over at the midpoint of the first half with two goals in as many minutes for a 4-0 Rams lead at halftime.

John Streng made it 5-0 a minute into the second half and Kevin Moore increased the lead to 6-0 four minutes later.

Moore continued to roll and put in his fourth goal of the game to make it 7-0 and hit the post and the crossbar on the next two plays before Lawrence Cayer took over with a goal.

The Raiders, who had replaced their goalie at half time, went back to their original goalie at this point only to have Kirk Barkley score.

Lawrence Cayer finished the slaughter with his fourth goal of the game two minutes before the game ended.

The next game for the Rams is on October 20 when they host Osnabruck.

WPS girls' creating soccer dynasty

WINCHESTER (Staff) - In 1978, Winchester Public School initiated the Dundas County Girls elementary Soccer Championships. It was a dramatic beginning with Chesterville and Iroquois sharing the inaugural title after six overtime periods failed to break a 4-4 tie. The host team finished the day as consolation winners.

Since then, a large part of the drama in the contest to pick the county representative for the SD and G soccer championships has been replaced by a methodical consistency. The soccer is still as exciting as that played on the Winchester field four years ago but the question to be answered by the day-long competition has changed. It is no longer who will win the tournament but rather can any school topple the Winchester Hawks.

The answer in 1982, as it was in 1981, is no. On October 12 at the Winchester Public School, the Hawks' A team blanked Nationview 2-0 for its third Dundas County title in as many years. And they weren't far off the searing pace they set last year (scoring 14 goals and allowing none), outscoring their opposition 14-1.

In the consolation round, Dixon's Corners, the 1981 "B" winners, retained their title by edging Elma 1-0.

Winchester Public School, playing two teams in the tournament, took a split in the opening round. The A team moved into the A side with a 3-0 win over Chesterville while the school's second squad dropped to the consolation round after losing 1-0 to Inkerman.

The A team lost its chance for a second tournament shut out as they beat Morrisburg 5-1 but they recovered the pace against Morewood in the semi-finals taking the game 4-0.

That set up the final match-up against Nationview. Nationview had lost their opening game against Dixon's Corners 3-1 but the game had to replayed and this time Nationview edged their opponents 1-0. A bye in the semi-final round put them in the A finals.

But Winchester's defensive lines offered little to work with and Nationview was beaten 2-0.

In the consolation round, Dixon's Corners won a wild card to the finals while Chesterville, Iroquois, Elma, and Winchester played it out for the second berth.

Elma emerged as the B finalist after defeating Chesterville 4-1 in the semi-finals but was unable to maintain the momentum in the finals against Dixon's Corners, losing 1-0.

Bowling news

Wednesday Afternoon Ladies

Pat Barkley was the top bowler of the day, earning the high single and cross with scores of 307 and 585. Standings: Liz Brooks 26, Debbie Hess 22, Cheryl Blacquiere 20, Hilda Hess 17, Eileen Sharkey 13, and Penny Arsenault 7.

Avonmore

Gordie McRae had the men's high single and triple with scores of 309 and 729. Iva Bush bowled the best game among the ladies, a 272, while Joanne Marjerrison combined 637 for the high triple. Standings: Lynden Jackson 17, Glenn McIntyre 15, Irene McIntyre 12, Don Welford 11, Charles Reilly 9½, and Neil Bush 7½.

YBC Bantam

John Belanger and Dianne Barkley were the top bowlers this week, John with 196 and 368 and Dianne with 199 and 377. Standings: Dianne 9470, Brenda 9211, Allison 9192, David 9190, Arthur 9151, and Trent 8924.

YBC Junior - Senior

Anne Van Delst scored the girls' high game with 223 and Monique Monast tallied the best triple with 563. Mike Molloy took both categories for the boys with 245 and 643. Standings: Sandy 14509, Kim 14477, Dan 14435, Evelyn 14251, Peter 14022, and Tracy 13774.

Williamsburg Mixed

On the ladies' side, Lois Hummel scored the high single with 243 and Rita Cooper had the triple with 642. Jack Hoogeveen had the high game for the men, a 297, and Noel Lalonde added 722 for the triple. Standings: Garry Hutt 14761, Gary Scott 14705, Rita Cooper 14685, Jimmy Cooper 14630, Percy Robertson 14380, and Jack Hoogeveen 14365.

Matilda

Walter Patterson and Gabriel Hutten were the top bowlers this week, Walter with scores of 343 and 736 and Gabriel with 312 and 659. Standings: Gabriel Hutten 5971, Percy Robertson 5870, Bert Smart 5843, Marilyn Payne 5812, Walter Patterson 5734, and Andy Etherington 5582. The hidden score of 440 was taken by Rick Hanson (455).

Wednesday Night Mixed

Lillian Johnstone had the ladies' high single and triple with scores of 270 and 656. The men's top game, a 286 score, was bowled by Floyd Dingwall while Bob McLeod took the triple with 762. Standings: Heinz Mulitze, Mike Kearns, Hank Sanders, Robert McLeod, Rick Rutley, and Hugh Carruthers.

Copains

Rolland Lafleche was the top bowler among the men with game scores of 258 and 641. Simone Lafleche took the ladies' high single and triple with 280 and 754. Standings: Rachael Sauve 22, Christine Bouchard 20, H. Marion 19, Richard Matte 19, Claudette Piche 16, and Paulette Vernier 9.

Monday Night Mens

Jack Carlyle had the best single game with 305 and Roy Brownlee scored the high triple with 730. Standings: No Names 23, Farmers 19, Bombers 18, Legion 16, Blue Max 16, and Mailmen 14.

North Stormont Ladies

Verley Edwards bowled the high single and triple, scoring 268 and 681. Standings: Grace 19, Lillian 17, Rae 16, Cahty 14, Elaine 11, and Micheline 7.

Busy Matrons

Edythe Cameron bowled single game 242 and combined scores for 669 to take the high single and triple. Standings: Betty Wheeler 24, Pat Monast 23, Shirley Greer 19, Mary Derue 16, Edythe Cameron 14, and Shirley Munro 9.

Community

Maurice Blacquire topped the men's single games with a 343 while Earl Johnston combined scores for a total of 714 and the high triple. Louise Droppo was the best among the ladies with a single of 271 and a 739 for the triple. Standings: Edythe Cameron 19, Gord McLaughlin 18, Earl Johnston 16, Joyce Armstrong 14, Russ Sirvage 9, Lorne Byers 8.

Finch Mixed

Linda Brunette scored 721 for the high triple but Dee Dee Workman had the best single game with a score of 283. Ellery Ouderkirk took the high single and triple on the men's side with scores of 263 and 651. Standings: Debbie Smith 31, Pat Lang 22, Dee Dee Workman 22, Frank St. Pierre 18, Eleanor St. Pierre 16, and Ellery Ouderkirk 15.

Berwick Thursday Night

Janet Rutley and Bob McGee were the top bowlers of the evening, Rutley with scores of 275 and 626 and McGee with 320 and 697. Standings: Earl Scharf 24, Percy Jackson 23, Bernard Moran 22, John Ouderkirk 21, Tim Bazinet 20, and Garnet Rutley 16.

Defenders

Steven Tupper bowled 307 and 762 for the men's high single and triple. Rae Kuno had the ladies' top game with a 264 and Edith Wood took the triple with 677. Standings: Betty Wheeler 23, Paul Beauchamps 17, Craig Wheeler 15, Helene Moffatt 12, Steven Tupper 10, and Martin Wheeler 7.

Riverside Rollers

Tom Hewitt scored 306 for the men's high single and John Spierenburg combined 646 for the triple. On the ladies' side, Jane Levere had the best single game, a 271, and Elke Brown bowled the high triple with 605. Standings: Elke Brown 37, Steve Little 31, Ray Holliday 28, Mike Fawcett 22, Pete Brown 21, and Len Trembley 17.

Lions open season with win and loss

MORRISBURG (Staff) - The Morrisburg Lions, with a new coach behind the bench and playing in a newly-named league for a new trophy, got their first win and loss under their belts as the Junior B hockey season got under way last week.

The old St. Lawrence division is now replaced by the Alex English division, named after the president of the former league, and with the new designation has come a realignment of the teams.

Prescott and Cardinal have moved to the Rideau-St. Lawrence division and been replaced by Navan and Clarence Creek. Morrisburg, Winchester, Char-Lan, and Metcalfe simply had their division title of St. Lawrence changed to Alex English to complete the restructuring process.

Also affected by the move is the tradition of the Gill Cup, the St. Lawrence division's version of the Stanley Cup. Donated by a Cardinal man, the cup moved along with the Cardinal team to the Rideau-Carleton division.

The half dozen teams of the Alex English division will now play for the Alex English Trophy.

The Lions will also be working their way through the season with a new head coach, Pete DeRooy. DeRooy's credentials include nine years of coaching in the Chesterville Minor hockey system and the Winchester Hawks organization.

He'll be looking to equal or better the club's 1981 record when the Lions reached the division semi-finals.

The Lions, however, got the 1982-83 season off to a rocky start on Friday night with a 6-1 loss to last year's Gill Cup finalist the Metcalfe Jets.

Playing before a home crowd of 185, the Lions seemed to have the game under control as they went out of the second period trailing 2-1. Metcalfe had opened the scoring but Tom Hudson tied it up before the midway point of the first period. A Jets goal eight seconds later restored the lead and ended the scoring for the first two periods.

The Lions fell apart, however, in the third period as the Jets blitzed for four unanswered goals. Greg McLaren led off the final period attach with back to back goals followed by Lindsay Pasch and Shane Patterson.

Metcalfe picked up 18 minors in the match while Morrisburg was awarded a dozen and a match penalty to Chris Fraser for tripping a linesman.

"It was just a case of a few defensemen making a few bad errors in front of the net", said coach Pete DeRooy. "I don't want to take anything away from Metcalfe, they're a good team, but we made some bad mistakes and a couple of times handed the puck right to a Metcalfe player."

But if things went wrong Friday night the reverse was true on Sunday as Morrisburg picked up a 7-4 victory in their first meeting with the Clarence Creek Beavers.

"The players really came back with a team effort", DeRooy said of the second match, "and everything was going for us. We didn't make the errors we did Friday night."

Mike Payette was in net for the Lions.

In other Junior B action in the Alex English division, Friday night play saw the Alexandria Glens defeat the Navan Grads 7-3, and the Winchester Hawks tied Char-Lan 6-6.

On Saturday, the Clarence Creek Beavers pounded Char-Lan 11-6 and, on Sunday, Navan edged Winchester 4-3.

Flyers a three town team

CHESTERVILLE (Staff) - The Chesterville Junior C Flyers are within "two or three players" of their final roster target of 18 players but one aspect of the make-up of this new kid on the Junior C block is already apparent. Despite the enthusiasm surrounding the return of Junior C hockey to the town after a two year absence, less than 25 per cent of the players will be Chesterville natives.

As it stands now, four players from the Chesterville Minor Hockey Association and another five players from Russelll, where there are no Juvenile or Junior C leagues, are on the inside track for positions on the team. The bulk of the squad, however, will come from the ranks of the Winchester and District Minor Hockey Association.

Coach Mike Armstrong said he was surprised by the small turnout of local players at the team practices, particularly because behind-the-scenes work had suggested a much stronger turnout.

"I thought everybody (from Chesterville) would be eager and keen to come out this year", he said, "But it didn't seem to come out that way."

Armstrong said early polling indicated that 14 players from Chesterville were interested in playing but that a number of them didn't show up at the practices.

Among the Chesterville players with a good shot at landing a position on the team is goaltender Greg Van Dellen who, in 1981, led the Chesterville Midgets to the pennant.

Armstrong, who considers goaltending the "make or break" factor of a hockey team, said he liked the play of Van Dellen during inter-squad games held during the past couple of weeks. Although he's young (he's still eligible for another year of Midget), Armstrong said he showed poise on the ice.

A player likely to complete the goaltending tandem is Winchester's Kenton Holmes. Holmes led the Midget division of the Carleton-Dundas Minor Hockey Association in 1981 with a 1.46 goals-against average.

As for offense and defense, Armstrong said he is hoping to go with three sets of lines and a spare as the team kicks off its season at the Chesterville and District Arena on October 23.

Amid the structuring and paring of players, Amrstrong said he has seen the development of a team that he has confidence in.

"Overall', I think we are going to be competitive. We have an excellent bunch of skaters. We played an exhibition game against Embrun, the defending Junior C champions, and we were trailing by just a goal, 3-2, at the end of the second period (Embrun went on to win 8-4). I thought we hung on pretty good."

Finch leads Winchester broomball league

WINCHESTER (Staff) - The Winchester and District Broomball League season is only three games old but Finch has already established itself as a power house, outscoring its opposition 17-2 to take sole possession of first place in the standings.

On October 17 at the Winchester arena, Finch continued its unmarred winning streak to three games with a 9-0 bombardment against Newingron. In other games, Dunbar defeated Crysler 4-1, Morewood beat Ormond 6-4, and Toyes Hill picked up its third win a row by blanking Osnabruck 3-0.

Dave Dumoulin, who picked up four goals against Osnabruck and Crysler, continued to lead the Finch attack against Newington. Dumoulin scored four times, including a natural hat trick scored in the space of nine minutes during the second period, as Finch rolled their way to a 9-0 victory.

Paul Peterson picked up three goals while singles went to Henry Pynenburg and Rene Dumoulin.

Noel Lalonde earned his second shut out of the season in net.

Crysler, a team that is struggling early in the season, suffered its third loss in a row with a 4-1 defeat at the hands of Dunbar. Laurie Blanchard opened the scoring for Dunbar in the first period and Frank Heerkins and Blaine Symonds added two more in the second period. Neil Beckstead capped off the Dunbar scoring early in the third period to give the team a 4-0 lead.

Crysler's Theo Harkins took some of the sting out of the loss by spoiling Wayne Pitt's shut out at 7:46 of the third period on a pass by John Hopmans.

In the final match of the week, Toyes Hill blanked Osnabruck 3-0. Wayne Hunter earned the shut out.

Finch Village held its annual minor softball and broomball night on October 15 at the Finch arena. The individual winners pictured above are, in the back row from the left, are Chad Brownlee, Michael Stewart, Dianne Dingeman and Gaby David. In the middle are Ken McRae, Michael Grady, Laurie Montgomery, Tracey Hollingdrake and Vicky Shaver. In the front are Elaine Teplate, Wendy Shaver, Laurie MacLeod, Leslie Rombough, Anne VanDelst and Wilma Buiting. A special presentation was made to Gail Shaver as Finch's "best unpaid recreation director".

Finch holds softball awards night

FINCH (Staff) - The third game of the World Series didn't stop parents, coaches, and players from packing the upper level of the Finch arena for the annual Finch softball and broomball awards night on October 15.

Actually, a game played by men seen only through television waves from the other side of the border offered little competition against the physical presence of five teams that made their presence felt during the 1982 Osnabruck and District Minor Softball League season and playoffs.

In total, Finch teams collected a total of six league, playoff, and east-west playoff trophies, the largest cache of awards among the eight towns participating in the league.

The Finch Peewee Boys, coached by Joe Droppo, were the big winners of the season with softball's version of the Triple Crown, the league, playoff and east-west playoff championships.

The Peewee Boys, who also took their second division title during Moose Creek Minor Softball Week, topped the regular season standings and, after going the five game limit to beat Chesterville for the east division crown, defeated Winchester in two straight games to win the overall title.

Joe Droppo, echoing the sentiments of the other coaches towards their teams, thanked his players for providing him with "a lot of enjoyment over the summer".

Ken McRae, who led the club from his position on the pitching mound, was selected as the Peewee Boy's most valuable player. Michael Grady was recognized as the team's most sportsmanlike player.

The Finch Peewee Girls ran into trouble early in the playoffs but not before their consistent play had earned them the east divison league title.

Coach Phyllis Vollrath selected Anne Van Delst and Wilma Buiting as the players showing the most improvement over the season and Laurie Montgomery as the most sportsmanlike player. Gaby David picked up the final trophy as the pick for MVP.

Among the Finch Squirts, Chad Brownlee was chosen as the MVP and Michael Stewart received the Most Improved Player award.

If there had been an award for most consistent play, it would have gone to the Finch Bantam Girls. With only one loss in three years of play, the team once again worked its way methodically through the regular season and playoffs to pick up both titles.

Osborne Shaver, coach of the squad, told the audience that the players had made his first year of coaching easy, that they already had their game down pat.

With co-coach Bradley Lalonde, he selected Vicky Shaver as the MVP and Tracey Hollingdrake as the most sportsmalike player on the club.

The evening, however, wasn't entirely dedicated to softball. Finch's senior and junior broomball teams were also recognized for their past year's achievements.

Laurie MacLeod was selected as the Most Consistent Player on the juniors, Leslie Rombough the MVP, and Gaby David the Most Sportsmanlike Player.

Among the senior players, Elaine Teplate was awarded the MVP trophy and Wendy Shaver was picked as the Most Sportsmanlike Player.

In a closing ceremony, Marilyn MacLeod made a special presentation for her work in organizing minor sports in Finch.

"We don't have a Recreation Director", MacLeod told the audience, "but Gail Shaver has come as close as you can get."

Shaver was presented with an award naming her the Best Unpaid Recreation Director.

Broomballers start registration

FINCH (Staff) - With the season quickly approaching, the Stormont County Girls Broomball League is still waiting to see if there will even be a league in the 1982-83 season.

"The league seems to be getting smaller every year", Marilyn MacLeod admitted. MacLeod, who is not directly involved in the organization of the league but has helped with the registration of Finch's junior and senior clubs, added that organizers are not even sure if there will be enough involvement this year to support a league.

"We just don't know yet", she said. "A lot of teams are holding registration now or are going to hold registration. All we know for sure is that Crysler will have a senior team and Finch will have a junior and senior team."

MacLeod said registration for the junior team was up from last year with over 20 girls signed up but that registration for the senior squad was down.

Organizers of the Finch teams have made one adjustment to the rules this year, raising the cutoff age for junior players from 13 to 14. The maximum age for senior players will remain at 19.

Gail Shaver, the organizer of the clubs, said the change was made to minimize the age difference on the senior team where body contact is allowed.

The Finch Juniors will be looking to retain the league and playoff pennants they won last year against Berwick and Newington while the seniors will attempt to dethrone Crysler.

Set your TV free... Own your own Satellite TV Earth Station!

NOTE: The Chesterville and District Minor Hockey Association is looking for people interested in refereeing. Newcomers are welcome. Anyone interested should phone 448-2721 after 5pm. Ask for Chris.

SKATING — The Chesterville and District Recreation Department has set its schedule for public skating. There will be open skating on Sunday afternoons, from 2pm to 4pm, and family skating on Saturday evenings from 7pm to 8pm. Wednesday mornings, from 10am to 11am, have been reserved for Moms and Tots while the 1:30 to 3pm Tuesday afternoon time slot has been set aside for adult skating.

SOCCER — North Dundas hosts the Osnabruck Lancers for a 2pm start in SD and G soccer play. GDHS plays Tagwi Warriors at Tagwi Secondary School at 2pm.

OCTOBER 21

JUNIOR C — The Finch 76s play in Crysler and the Embrun 72s are at Alexandria in opening night games of the Eastern Ontario Junior C Hockey League schedule.

BROOMBALL — There will be registration for broomball players ages six to 18, at the Chesterville and District Arena from 7pm to 9pm.

BASKETBALL — The North Dundas Trojans host Vankleek Hill and the Osnabruck Lancerettes are at Tagwi. Games start at 1:30 pm.

OCTOBER 22

JUNIOR B — The Metcalfe Jets play the Winchester Hawks. The game starts at 8:30pm in the Winchester Arena. Navan will play the Lions in Morrisburg, also an 8:30pm start.

OLDTIMERS — The Chesterville Oldtimers travel to Spencerville for a 9:30pm game.

OCTOBER 23

JUNIOR C — The Chesterville Flyers open their season on home ice against Maxville. The game starts in the Chesterville arena at 8pm.

OCTOBER 28

JUNIOR C — The Chesterville Flyers play in Alexandria for an 8:30pm start and Maxville vs Crysler at Finch Arena also at 8:30.

OCTOBER 29

JUNIOR C — Cornwall plays the Embrun 72s in Embrun. Game time is 8:30pm.

OCTOBER 30

JUNIOR C — The Chesterville Flyers host Alexandria. Game time is 8pm in the Chesterville Arena.

OCTOBER 31

JUNIOR C —Embrun plays Maxville in Maxville at 2pm.
