Santa gets warm welcome from shirt-sleeved crowd

Maple Ridge SPS, CountryBoy have top entries in parade

WINCHESTER — It may be getting close to Christmas, but the temperatures were decidely spring-like as a huge shirt-sleeved crowd gathered to welcome Santa Claus to Winchester Saturday afternoon.

The record-setting temperatures — which soared into the mid-60s — made it an enjoyable experience for spectators and participants alike as hundreds lined the streets to watch entries in the annual Chamber of Commerce Santa Claus parade wend their way through the village on their way to Santa's final stop at the Royal Bank, where he distributed candy and heard Christmas wishes from area children.

Judges in the float competition had their work cut out for them as 29 entries took part in the parade's 1982 edition.

In the commercial category, judges Hal "The Bear" Lee of CKBY-FM, Terry McConnell of CKOY-AM and Bob Rossborough of CKUE-FM awarded first place to the entry of the CountryBoy, whose imaginative adaptation of Snow White and the Seven Dwarfs captured the trophy and $100 cheque for the CountryBoy for the second straight year. Lanson Hyndman's team provided the horsepower to pull the first-place entry.

In second place in the commercial category was The Winchester Press' Cartoon Christmas entry, which won $50 from the Chamber.

In the non-commercial category, Maple Ridge Senior Public School captured the trophy and $100 with its "ET's Christmas". The school's band and cheerleaders also added to the parade atmosphere.

The Ormond Recreation Association's nativity scene took second place and a cheque for $50 from the Chamber.

Parade committee spokesman Bill Appleby had nothing but praise for everyone involved in this year's effort, which was one of the largest ever to be held in Winchester.

He paid special tribute to committee members Al Scott, John Adams, Bob Ball, Bill Stewart, Phil Snyder and Jack McIntosh and to members of the Winchester Boy Scout Troop, who made the banners which they paraded in front of each float.

"Fred Rodney and the Scouts make a terrific contribution each year and perhaps they haven't received the credit that's due to them," Mr. Appleby said.

Once again, members of the Winchester branch of the Royal Canadian Legion distributed candy to children at the Main Corner and Mr. Ball said well over 200 were lined up to greet Santa when he made his stop at the Royal Bank. Following his visit to the bank, Santa made a trip to Winchester District Memorial Hospital where he greeted the patients.

Prior to the parade, he attended the Happy Face Nursery School pancake breakfast at the United Church Hall. A crowd of 225 enjoyed a hearty breakfast before the parade, Mr. Appleby reported.

Hydro Commission profit nets village low increase

WINCHESTER — Village council will likely approve a meager 1.8 per cent average rate increase for Winchester's 882 electricity customers in 1983 at its next regular meeting.

Council reviewed the performance of Winchester's Hydro Commission in 1981 and examined 1982 operating forecasts with two representatives from Ontario Hydro at its inaugural meeting Monday evening.

"As far as Winchester is concerned, you're in good financial shape even though you're only passing on a rate increase of 1.8 per cent," John Compostella, eastern region consumer service supervisor for Ontario Hydro told council.

The proposed rate increase is an average between commercial and residential classes.

Area manager Vince Lynch also attended the meeting.

The increase was recommended by Mr. Compostella who pointed out that electric utilities' rate of return is now limited by legislation to not more than five per cent above 1981.

Winchester's allowable rate of return for 1983 is 8.8 per cent, he said. No increase in rates would result in a 5.6 per cent rate of return.

An increase in rates of 1.8 per cent will provide the municipal utility with an 8.4 per cent rate of return.

In 1981, with fairly heavy investment in capital, Winchester realized a profit of more than $20,000 but finished the year with $2,600 in operating funds.

This year's revenue is forecast at more than $1.1-million, with projected profit of more than $96,000 and operating funds of $67,000 at year's end.

The cost of power purchased from Ontario Hydro will increase by more than nine per cent this year.

New councillor Larry Cotton questioned the assumption by Ontario Hydro that the municipal electric utility will purchase more power every year but Mr. Compostella's answer was vague.

"Winchester, believe it or not, somehow managed to get more revenue than projected and your power costs were way down," Mr. Compostella told council.

"Winchester is the only municipal utility I know of which has realized the revenue it projected for 1982. Most other utilities are down," he said later.

Lower power costs are likely the result of mild weather in September, October and November.

Hydro's consumer services rep pointed out that, in his opinion, electricity is cheaper to use for heating in Winchester than gas, given existing power rates. He did not, however, have data to substantiate the claim.

Ontario Hydro will likely become more aggressive in marketing electricity, he said.

"We haven't really started to market electric energy ... we're going to become more aggressive in marketing our electric energy because we have the generating capacity."

He also agreed to provide an economic evaluation of the Dufferin St. distribution station in Winchester. Ontario Hydro is offering it to the village utility at a price of $75,000.

In a related matter, council informed Mr. Compostella and Mr. Lynch of a proposal from recently-retired Ontario Hydro area manager George Davidson to provide management services to the village's municipal electric utility.

The utility currently pays Ontario Hydro more than $1,000 a month for the consulting and emergency services of Hydro management and crews.

The Hydro representatives were surprised to learn of the management fees being charged to the village.

Reeve Larry Gray seemed hesitant to make a change from the existing arrangement.

"You're so available," he said.

"We do get good service and we don't want to upset the applecart.

"One has to look at what you gain and what you lose."

All-Stars to host 67's

WINCHESTER — It was announced here last Friday evening prior to the weekly Junior B Hawks' home game that the Eastern Ontario Junior B All-Star team and the Ottawa 67's of the Ontario Major Junior A Hockey League will meet in an exhibition game here next week.

Coach Brian Kilrea and his high-flying 67's will meet the ODHA Junior B All-Stars here next Tuesday evening, Dec. 14, in an 8:30pm exhibition game.

Skating for the Junior B Stars will be four members of the Winchester Hawks, five Metcalfe Jets, five South Ottawa Canadians, four Perth Blue Wings, as well as members of the Renfrew Timberwolves, Arnprior Packers, Westport Rideaus, Richmond Royals, Navan Grads and Char-Lan Rebels.

Winchester's contingent in the high calibre contest will be right winger Darrell Shelp, left winger Trevor McClatchie, centre Peter Marriner and defenceman Guy Primeau.

The undefeated Metcalfe Jets will send Todd and Greg McLaren, goalie Stewart Patterson and forwards Lindsay Pasch and Scott Reed.

Other players from the Alex English Division include Char-Lan's Dan Bruyere and Navan Grads' Guy Paquette.

The 67's, long regarded in National Hockey League circles as one of the classiest Junior A operations in the country, will bring their powerful line which includes 52-point man Don McLaren, 23-goal shooter John Ollson, the very fast Jeff Vaive and rookie sensation Adam Creighton to name a few.

Game time is set for 8:30pm and tickets will be available at the door on the night of the game and the host Hawks Junior Hockey Club will open a licensed hospitality lounge in the arena hall.

Ottawa 67's team souvenirs will also be offered to the public during the evening.

The game is a test for the ODHA Junior B Stars who will travel to Kitchener to take part in the Ontario provincial championship tournament Dec. 26 to 30.

Stores open late beginning Dec. 13

WINCHESTER — Extended Christmas shopping hours at village stores go into effect Mon., Dec. 13 with all stores now open six days a week.

The six-day week went into effect at the beginning of the month and starting next Monday, stores will be open from 9am to 9pm until Thurs., Dec. 23. All grocery stores will be open until 9pm from Mon., Dec. 20 to Thurs., Dec. 23.

Village stores will close at 5:30pm Fri., Dec. 24 and most will re-open for business at their normal time on Tues., Dec. 28.

Both village bank branches will remain closed until Wed., Dec. 29.

Village merchants have declared the evening of Mon., Dec. 13 as Senior Citizens Night and many stores will be offering special discounts for senior citizens from 6 to 9pm.

Subdivision developer asks for leniency

MOUNTAIN — A developer of a residential subdivision has asked for financial leniency from township council but the request met with mixed reaction Monday.

Harmony Estates developers Ruth and Aaron Levy of Toronto, represented by Ontario Land Surveyor Bill Johnston, asked council to reconsider its bonding requirements for development.

The township currently asks for a letter of credit or a bond equal to a percentage of the value of the development.

The proposed subdivision has been in the planning stage for at least six years. Development is proposed in two stages, with a total of at least 37 lots in varying sizes. It is located on the west side of Highway 31 between the Ormond and Morewood roads.

The first phase consists of 17 lots.

The original subdivision development agreement was drawn up several years ago but since then, the developer has requested several extensions before beginning development.

Mountain Township has asked for security of $450,000 before authorizing development to begin, but that is too much, according to Mr. Johnston.

Appearing before council in its inaugural meeting following the November municipal

Continued on page 11

Gray expects development proposals now Winchester has adequate water

WINCHESTER — The village should expect more proposals from developers in the upcoming term, now that a major new water source is available, reeve Larry Gray said in his opening remarks of council's inaugural meeting.

Council's term is for three years with newcomer Larry Cotton joining incumbents Bill Stewart, George Hanes, reeve Gray and deputy-reeve Keith Marquette.

Council opened its meeting with a devotion period conducted by Rev. Doug Tatton of the Inkerman Wesleyan Church.

"I thought you'd saved me a parking spot, but it was spelled 'reeve', not 'Rev.' " he chuckled.

The Reverend read from the Bible about leadership, government and authority in passages from Exodus 18, Romans 13 and I Kings 3.

Reeve Gray indicated another priority for council will be the village's sewage treatment facilities.

The challenge will be to maintain and improve village services during a period of financial restraint, he said.

It is time for the village to begin planning its 1988 centennial and council's involvement is likely during this term, according to the reeve.

INTEREST DECLARED

In his first meeting as a councillor, Larry Cotton was alert in declaring interest in one item contained in minutes of the last council meeting.

Prior to the vote to accept the minutes, Mr. Cotton excused himself from the council table and did not participate in the vote.

Census shows two missing

Federal, provincial population figures differ

WINCHESTER — Despite federal census data showing 2,001 people in the village, Ontario's census figures show the population at 1,999 this year.

Ontario's census information is compiled by Assessment Region 1 for the Counties of Stormont, Dundas, Glengarry, Prescott and Russell.

Winchester's population is made up of 1,090 females and 909 males.

By age groups, there are 129 youngsters up to age four, 404 between five and 19, 1,034 residents aged 20 to 65 and 432 citizens 66 or over.

Stated another way, the up-to-four age group constitutes 6.4 per cent of the population, five to 19 has 20.2 per cent, 20 to 65 represents 51.7 per cent and 66 or over comprises 21.6 per cent.

By 10-year age groups, up to 10 has 281 members or 14 per cent, 11 to 20 includes 277 residents or 13.8 per cent, 21 to 30 constitutes 15.3 per cent, 31 to 40 has 260 members or 13 per cent, 41 to 50 represents 149 people or 7.4 per cent, 51 to 60 comprises 160 residents or 8 per cent, 61 to 69 contains 171 citizens or 8.5 per cent and 70 or older has 349 people or 17.4 per cent.

A total of 44 residents are uncategorized with 80 per cent allocated to the 20 to 65 group and the remainder in 66 and over.

Mountain council takes office

Mountain Township's new council was sworn in Mon., Dec. 6 at its inaugural meeting. Seated, from left are, deputy-reeve Jim Alexander, reeve Keith Fawcett and township clerk Joan Maxwell. Standing, from left are, road superintendent Ron Timmins, drainage and bylaws enforcement superintendent Larry Dietrich (also building inspector), councillors Earl Garlough, Don Levere and Ewart Simms. Press Photo—Reimer

Holmes outlines plans for '83

MAPLE RIDGE — Winchester Township reeve Gerald Holmes encouraged newly elected members of the township council to discuss issues openly at township meetings in his inaugural address here Monday night.

He urged council members to be progressive in their thinking yet remember it is a time of restraint.

Roads in the municipality are the biggest concern, he said, with new Ministry of Transportation and Communication (MTC) funding regulations making things a bit more complex.

Not wanting to attempt to explain the new funding the reeve simply noted that the township will be given a "resource factor" and an MTC formula will be applied to that to determine the municipality's funding allocation for roads. The township was told that its 1983 road money would not be any less than in 1982, he said.

Commenting only on the next year of office, 1983, Mr. Holmes said he'd like to see several things accomplished.

Regarding the Russell-Winchester Boundary Road project in Marionville — resurfacing a 400m stretch of the road at the same time as a sewer outlet is installed — Mr. Holmes said he hoped funds from the provincial government for the extra project would be made available.

It would be an expensive project no matter what surface the municipality puts on the road.

He noted it may be time to consider updating the administration system in the township. He explained that the present system is efficient, but that the municipality's auditors are now recommending a computer system be installed for tax billing. The new system would be easier and reduce auditing costs, he said. Last year the cost of auditing was $9,000.

As for the development agreement which must be signed between the township and quarry developer Jim Sullivan, Mr. Holmes said the municipality must act carefully.

Residents of the area must be protected, he said. The agreement must be drawn up shortly, and the township solicitor contacted.

Other items of importance will be upgrading the township dump and looking into hiring a bylaw enforcement officer.

Santa visits S. Mountain this Sunday

SOUTH MOUNTAIN — Mountain Township's Santa Claus parade will wend its way through the village streets in Mountain and South Mountain Sat., Dec. 18.

Organizer Bill Williams expects between 12 and 16 floats for this year's parade, which will follow the same route and format as last year.

The parade will start at John Blom's Meats in Mountain, beginning at 1:15pm.

After proceeding through the village, the parade will stop at the Mountain Township Hall where Santa will be distributing candy to youngsters.

From there, the parade will travel to South Mountain, starting through the village at 2:30pm.

Santa's stop in South Mountain will be at the IOOF Hall to sweeten youngsters with candy.

Anyone interested in entering a float in this year's parade should call Bill Williams at 989-2107. Entries will be accepted until the day before the parade.

Nursing grad

Kimberly Ann Holmes, daughter of Mr. and Mrs. Larrie Holmes of Pembroke and granddaughter of Mr. and Mrs. L.O. (Steve) Bell and Mrs. and Mrs. E.N. Holmes, Winchester, graduated from the Algonquin College Pembroke Campus Nursing Program.

Recently she received her Ontario Registered Nursing certificate and Kimberly is now employed by the Calgary General Hospital, Calgary, Alta.

Rev. G. H. Smith dies in hospital

Rev. George Henry Smith, a United Church of Canada minister and longtime, highly esteemed Morrisburg resident, died in hospital Dec. 1 following a long illness. He was in his 85th year.

Born in England he was a son of the late Mr. and Mrs. Henry George Smith and completed his education at Stanstead College, Stanstead, Que., United Theological College at McGill University, and graduated in 1929.

The late Mr. Smith retired from the active ministry in 1937 due to ill health and, since that time, had been directing a highly successful photography business in Morrisburg. Two years ago, failing health forced him into complete retirement.

During his career in the realm of photography, his services were in demand by Ontario Provincial Police and he was associated with the St. Lawrence Parks Commission from 1958 to 1980.

In addition to his widow, the former Florence Maltman, he is survived by two daughters, Claire (Mrs. Orval Delage), Morrisburg, and Elizabeth (Mrs. Edgar Vining), Cornwall. Also surviving are granddaughters Debra and Heather Delage, Lois Vining and grandson John Vining. He was predeceased by daughter Dorothy in 1959.

The funeral service at Fairbairn Funeral Home, Morrisburg, was conducted by Rev. William Stewart of Lakeshore Drive United Church at 2pm, Dec. 3.

Following cremation at Pinecrest Crematorium, Ottawa, interment was at Fairview Cemetery, Morrisburg.

Lions raise over $5,000

MOUNTAIN — In less than a year, the newly formed Mountain Township Lions Club has donated over $5,000 to community projects, according to spokesman Hugh Blaine.

"We've taken quite a bit of money out of the community and we think people would like to know where the money has gone," Mr. Blaine said.

Among the projects and organizations the club has supported since being chartered in March of this year are a $1,500 donation to the building fund of the Mountain Township Agricultural Society, $500 to the Inkerman Recreation Association, $150 to the South Gower Recreation Association, and $100 to the South Mountain Recreation Association.

The club has also donated a pair of eye glasses to a needy person, taken over sponsorship of the South Mountain Floor Hockey League, purchased sweaters for the Inkerman ball team and sponsored a St. John Ambulance course attended by over 125 persons.

This month the club will be taking part in area Christmas parades, and providing Christmas assistance to needy families.

The Mountain Lions are also planning a sight-testing program for township schools.

In addition to the funds already given back to the community, the club maintains a bank account of about $3,000 for future community betterment projects, Mr. Blaine said.

Sponsored by the Winchester Lions Club, which provided it with $500 in "seed money", the Mountain Township Lions Club has 45 members, a large number for a new club, Mr. Blaine pointed out.

Its major fund raising projects have been its booths at the July 1 celebration and fair in South Mountain and at Truck Wars and its draws for a barbecue and snowblower.

The club meets on the first and third Thursday of the month at the Mountain Township Community Hall in Mountain. Its executive meetings are held on the second Thursday of each month.

Williamsburg Township's new municipal council was sworn into office at its inaugural meeting Saturday. Front from left are deputy-reeve Robert Gillard, reeve Johnny Whitteker and clerk-treasurer Mike Waddell; standing from left are roads superintendent Hugh Garlough, Rev. Tom Lowry, who conducted the swearing in ceremony, and who is a police village trustee, and councillors Gord McNairn, Glen Cunningham and Lyle Van Allen.

Lowry stresses urgency

Wants final wheels in motion for seniors' apartments

WILLIAMSBURG — Rev. Tom Lowry told the inaugural meeting of Williamsburg Township council Saturday afternoon that provincial approval for the proposed senior citizens apartments is expected shortly and urged council to move ahead immediately on other aspects of the project.

Rev. Lowry, chairman of the building committee, said the findings of a survey of all township residents 57 years or older is expected from the Ministry of Municipal Affairs and Housing before year's end and in a recent meeting with ministry representative Adrian Gorizan he was told the project will be included in the 1983 budget.

The actual number of units hasn't yet been determined, however.

Rev. Lowry said legal matters and paperwork should be started as soon as possible to get construction under way in 1983 and completed by 1984.

Of 400 homes canvassed in the survey, Rev. Lowry said there were 376 replies, "an extraordinary high return". Of that, 103 persons requested housing which, he said, should translate into approval for 30 to 35 units.

He said agreement should be reached soon on a proposed site for the apartments and added that a non-profit housing corporation must be formed to handle the project. He said a board of directors for the corporation must be elected with a minimum of two council appointments to sit on the board.

Newly elected councillors Lyle Van Allen and Glen Cunningham agreed to represent council on the board and Rev. Lowry indicated that at least five persons have expressed an interest in sitting on the board.

They are Jean Casselman, Ray Merkley, Gerry McPherson, senior citizens' club president Harold Pemberton and John Dalrymple.

Sewers Whitteker's top concern

WILLIAMSBURG — At the inaugural meeting of Williamsburg Township council Saturday afternoon, reeve John Whitteker cited three major projects as issues the new council will have to deal with.

Starting with the largest project first, the reeve said, council must continue its efforts to obtain a sewage system for Williamsburg village and surrounding property.

Another important decision facing council is the proposal to construct a new firehall, Mr. Whitteker said. The third project — "A thing that is actually needed in the town and township," — is the senior citizens' apartment building.

Mr. Whitteker asked for the co-operation of council to continue the progress the township has seen over the past several years and cited the completion of the Official Plan zoning bylaw and the roads program as examples of that progress.

"There's a certain amount of sadness in losing Graham Hess and Don Kyle (from council)," Mr. Whitteker remarked. "We're going to miss Don because he watched the financial end of things and kept us to the letter of the law," the reeve said. "He was a pretty good teacher but I feel it's rubbed off on some of the others here."

In the morning session of the outgoing council, Mr. Whitteker paid tribute to councillor Hess. "Graham, I want to say that the Township of Williamsburg will miss you at the council table." Mr. Whitteker added that Mr. Hess was a forthright councillor who spoke his mind and speculated that "possibly you'll be back again."

Deputy-reeve Robert Gillard stressed that the new council "will have to work together to acquire what we need." He went on to say that "we need new sewers and a seniors building but I'm not too sure about a new firehall." He added, "We've got a good three years coming up and we've got a good council."

Councillor Gord McNairn said it was a pleasure working with the last council and said he, too, will miss Mr. Kyle and Mr. Hess. However, he added, "I'm looking forward to working with council and the new members."

Newly elected councillor Glen Cunningham agreed that the sewers and seniors' apartments are priority items but said he has other concerns. He suggested that meeting agendas be mailed to council members once a week in advance so they can have the opportunity to speak with persons who wish to attend council meetings and listen to their concerns.

Mr. Cunningham said industrial growth in the township has been lacking for the past 25 years and said he dislikes seeing township youths get their education here and then being forced to leave because jobs aren't available. He said large landowners such as Dupont and Ontario Hydro should be encouraged to part with land they aren't using for development of other industries.

Council should also be working closely with the St. Lawrence Parks Commission to develop tourism, Mr. Cunningham commented. "It's our largest industry," he said.

Lyle Van Allen, also newly elected, said he hadn't come prepared to speak but remarked he is happy to have been elected and pledged to do the best job he can.

Commenting on Mr. Cunningham's remarks, reeve Whitteker said Dupont has a letter on file at the clerk's office stating it will release property for industry when land is needed and noted Ontario Hydro appears to be moving in a similar direction.

He added that "the Parks Commission has been a sore point over the years. I appreciate the work they do but it's my opinion they should pay taxes." He said the township shouldn't be forced to subsidize the government of Ontario by providing the best land on the riverfront.

Interment in native Greece for K. Pavlounis

Funeral services were conducted from the Vice and Craig Funeral Home, Church St., Winchester, by Father Antonios, Ottawa, and Father Damaskinos, Watertown, NY, at 7:30pm Tues., Nov. 30 for Konstantinos Pavlounis, who died in Winchester District Memorial Hospital Tues., Nov. 29 following a three-month illness. He was 71.

Mr. Pavlounis was born in Kalivia Sohas, near Sparta, Greece, Aug. 8, 1911 a son of Elias and Olga (Psyhopedas) Pavlounis, and was married to the former Konstintina Manousos. Mrs. Pavlounis died Sept. 18, 1979.

A retired farmer, Mr. Pavlounis moved to Canada in 1971, living in Winchester and Chesterville. Educated in Greece, he fought with the Greek army during the Albanian campaign of 1940-42. He was a member of the Greek Orthodox Church.

Mr. Pavlounis is survived by two daughters, Olga (Mrs. Peter Boretos), Winchester, and Voula (Mrs. Paul Theos), Winchester; a son, Louis, Chesterville; eight grandchildren; four sisters; two brothers, and by a number of nieces and nephews. He was predeceased by three sisters.

Interment took place at Kalivia Sohas, Greece, and pallbearers were members of Mr. Pavlounis' family.

New tanker delivered by Christmas

WINCHESTER — The tanker purchased by three municipalities to replace the aging one now serving Winchester village and Township and Mountain Township will be ready for use by Christmas, village councillor Bill Stewart assured council at its inaugural meeting Monday night.

Cost of the tank conversion and equipment will be $18,000, reeve Larry Gray said.

It will be split equally among Mountain and Winchester Townships and the village — the municipalities which will use the tanker.

"I think we'll have a good machine and we'll have much more equipment available," the reeve said.

The tank conversion is being completed by Almonte Fire Trucks Ltd., mounted on a five ton truck purchased in late April for more than $18,000.

The tanker was initially to be in service by September, but will now be available four months later.

Junior B All-Stars to tackle Ottawa 67's

By Al Van Bridger
Sports Editor

WINCHESTER — The ODHA and its 1982-83 Junior B All-Star team has been trying to find some opposition. They are due in Kitchener on Dec. 26 to begin a four-day Ontario championship tournament and just couldn't track down anyone to play them.

It was announced here Friday night during the Hawks-Navan Grads' Junior B game that a fitting opponent had finally been located and that the exhibition game would take place here .

After the Central Junior A League and the Eastern Ontario Senior Hockey League backed out of previously arranged games with the Junior B Stars, an agreement with the Junior A Ottawa 67's was reached and the Ontario Hockey League club will skate here next Tuesday night, Dec. 14, in an 8:30pm game.

Ottawa coach and general manager Brian Kilrea offered to provide his club for a game after he had learned of the continual string of problems the ODHA was running into with Central Junior and Eastern Senior teams.

Eastern Ontario Junior B League commissioner Don Valcour of Kemptville told The Press Monday that a five-minute phone call to coach Kilrea set the game.

Later in the day last Friday, another meeting with ODHA Keith Duke, Hawks' Hockey Club official Joel Steele, and Winchester recreation director Frank Morgan, and the plans had been finalized for the game.

"It was fantastic, after all of the snags we had encountered with the Central League and the Seniors, a five-minute call to Brian Kilrea and everything was set," explained commissioner Valcour.

"Coach Kilrea, when enlightened on the situation, said, 'we have a practice on the 14th anyway, so we'll take the boys to Winchester for an exhibition game,' " continued Valcour.

Disagreement over an original proposal between the Central League and the Eastern Ontario League's All-Star organization which called for the ODHA to pay the Junior A expenses and then split the gate, resulted in the cancellation of one exhibition game in Smiths Falls and the breakdown of any negotiations between the two bodies for future contests.

Commissioner Valcour said that after they (ODHA) and the Central League had agreed on expenses and a 50-50 split, the CHL clubs then wanted $500 a game up front. He explained that after first disagreeing with the $500 fee the ODHA agreed to pay the Nepean Raiders to play the Junior B Stars in Smiths Falls game here on Dec. 14 was finally going to take place.

"The co-operation between Brian Kilrea, the ODHA, the Hawks Hockey Club and Winchester's recreation director Frank Morgan has been fantastic."

Valcour went on to say that he felt if next Tuesday's game between the 67's and Junior B Stars was even close to the contest between the Alex English Stars and Ottawa Valley Stars in Renfrew, then hockey fans will be in for a real treat.

"I know that the 67's are a big, talented team, one of the best in Ontario, and maybe in the country, but the boys (Junior Bs) last Saturday night, that was after the Senior Rideaus dropped out of a game they had agreed to. Suddenly the Junior A Raiders would not play, leaving the Junior Bs with no practice match for a second straight time.

The commissioner said he felt games between the Central Junior A loop, the Seniors and the Junior B organization would've brought the three organizations closer.

"It wouldn't matter who won the games, that was secondary, the competitions probably would've unified our three levels of hockey, it's too bad things didn't work out."

Commissioner Valcour was very happy and relieved that the are talented and will play their best in such a game."

HAWKS AND JETS

Although hockey fans from all over the area will be interested at this first-hand glimpse of the impressive Ottawa 67's, the ones closest to some of tomorrow's NHL stars will be the Junior B Stars — four of them Winchester Hawks and five of them Metcalfe Jets.

Skating for Winchester will be Trevor McClatchie, Peter Marriner, Darrell Shelp and Guy Primeau.

Suiting up from the undefeated Metcalfe Jets will be Russell natives Todd and Greg McLaren, Stewart Patterson, Lindsay Pasch and Scott Reed.

Players from South Ottawa, Perth Blue Wings, Navan Grads, Char-Lan Rebels, Renfrew Timberwolves, Arnprior Packers, Richmond Royals and Westport Rideaus will also make up the Junior B squad.

Organizers expect a large crowd for the game and suggest fans arrive at the arena early.

The Hawks Hockey Club will offer regal refreshments, before, during and after the game in the upstairs hall.

Ticket prices will reach later this week but organizers say they will not exceed rates charged for Junior B games by much, if at all.

Sports '82

Midgets trim Warriors 2-0

WINCHESTER — It seems when the team needs a goal, they look to Brent Carkner. A week ago here in an Upper Canada Minor Hockey League contest, the left winger netted the winning goal in a 2-0 victory over the Metcalfe and District Mustangs. Sunday night in Morrisburg his second-period goal was the tying marker in a 2-2 sawoff with the Lions.

Monday night Carkner struck again. On this occasion his winning goal came under dramatic circumstances.

With his team tied at a goal with the visiting Russell Warriors, and the club short-handed, the winger was called off the bench with 30 seconds showing on the clock. Coach Jim Craig wanted to make sure the Warriors didn't get their powerplay working and score the winning goal so the veteran forward was tossed into the battle.

With time running down, Carkner stole the puck in the centre ice area, worked his way from the left hand boards, cut to the slot and beat Wayne Paquette with a quick wrist shot, stopping the clock with a slim eight seconds showing.

Carkner's unassisted rush handed the Midget Hawks an exciting 2-1 victory and extended their undefeated string to four games. The club opened the UCMHL campaign with two losses but have bounced back with three wins and a tie.

Once again, goalie Rob Baldwin was outstanding in the Hawks' cage, allowing just a second-period goal by Brent Middlemiss who tied the game at one with a pass from D. Provost and S. Ambroise.

Defenceman Todd Findlay accounted for Winchester's first goal, scoring from Mark Cross and Carkner at 14:07 of the opening stanza.

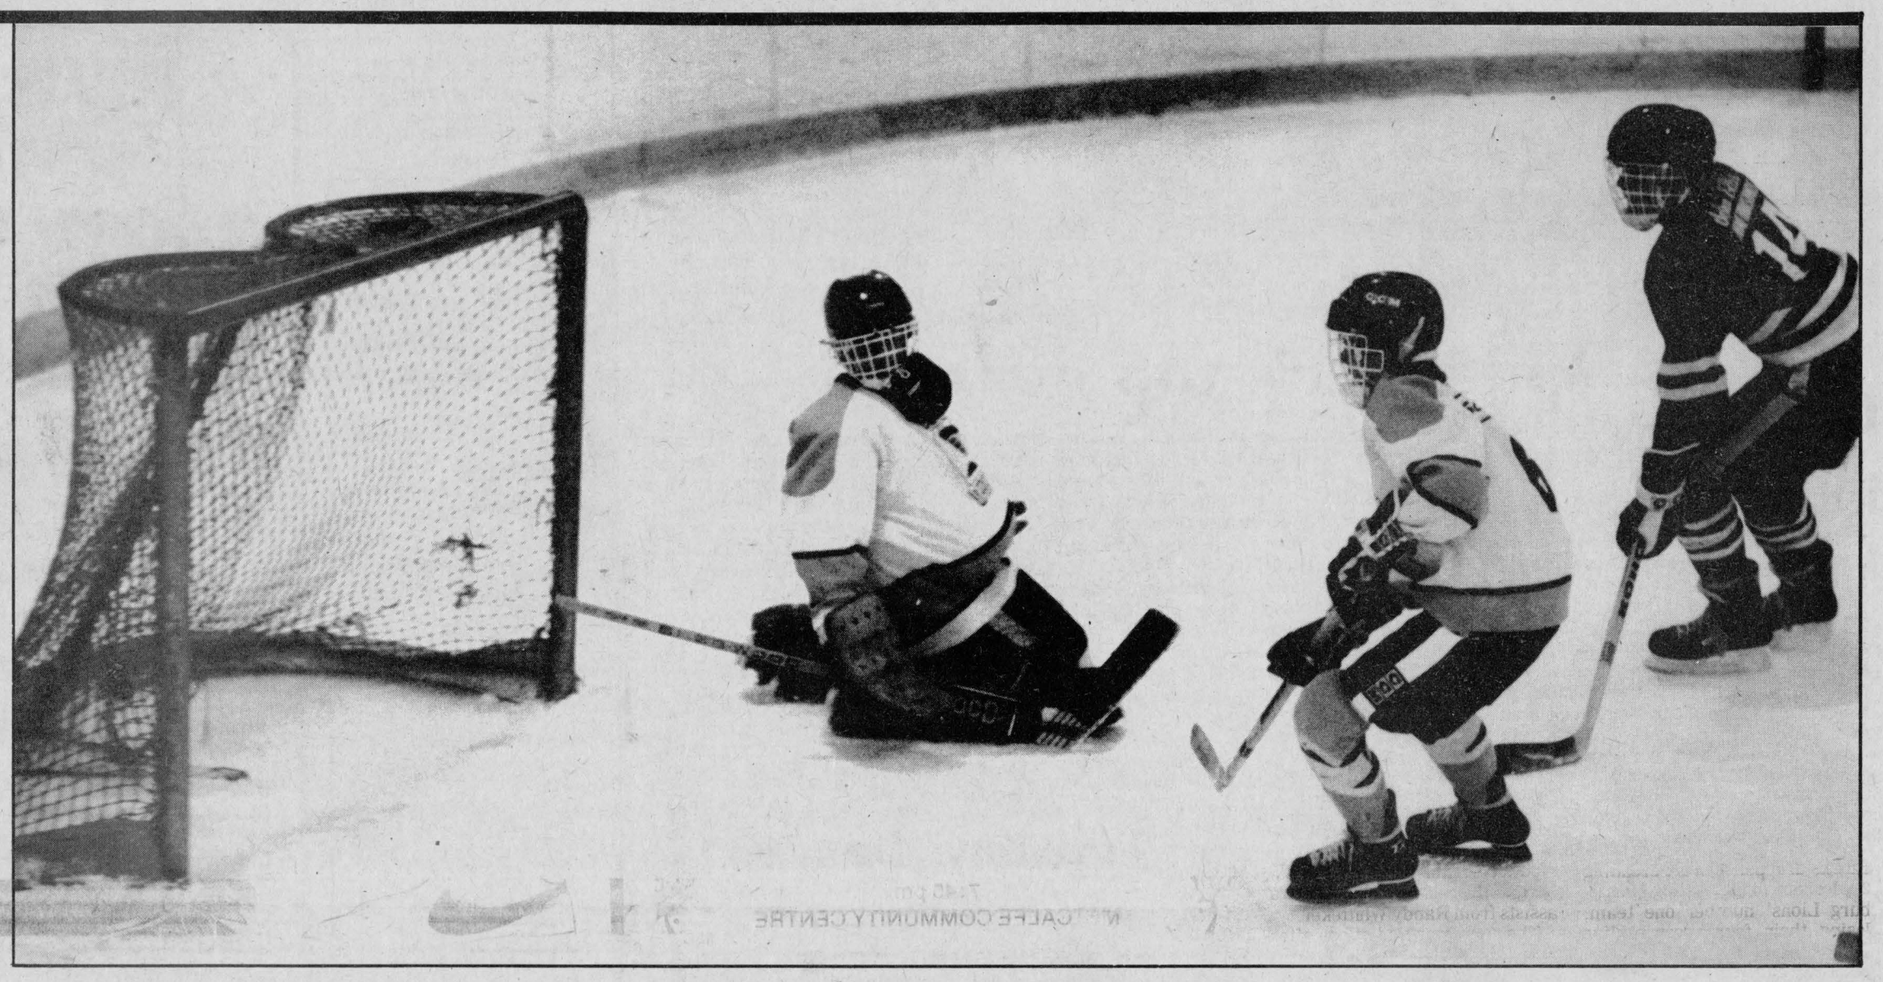
2-2 IN MORRISBURG

Third-period goals by Todd Casselman and Bobby Hart with 1:34 left in the contest, put the hometown club into a 2-2 tie with the Hawks Sunday night.

Dwayne Backes scored from captain Gary Klein-Swormink in the first period, giving Winchester a 1-0 edge.

Brent Carkner nailed goal number two in period two when he connected on a pass set up by Mark Cross and Backes.

Casselman and Hart evened things up for Morrisburg in the final frame.



Winchester's Brent Carkner (No. 14, dark uniform) watches his shot strike the back of Wayne Paquette's net here in Monday night's UCMHL Midget game. Carkner fired in this goal with eight seconds showing on the clock. The Hawks were playing a man short when Carkner handed them a dramatic 2-1 victory over the visiting Russell Warriors. Warrior defenceman Brent Middlemiss also had a first-hand look at the winning goal.
Press Photo—Van Bridger

Glens worthy opponents, but can't ground Jets

METCALFE — Twice in three days, over the past weekend, the third-place Alexandria Glens proved they were worthy opponents for the unstoppable Metcalfe Jets. Twice they presented the undefeated Alex English Division leaders with a real test, but twice failed the test, losing close games by 9-7 and 5-2 scores.

Friday night in the Glengarry Sports Place in Alexandria, the Jets, riding a 13-game undefeated streak, found themselves trailing 4-2 after a period of play. After two periods it was even at four and at the final buzzer the final result (9-7) was, for the 14th time, in favor of the first-place Jets.

Sunday afternoon at the fairgrounds in Metcalfe, the hometown Jets led 1-0 after 20 minutes and 2-1 after two periods of fast, well played hockey. Three third-period goals were the final difference in the 5-2 decision. Sunday's encounter produced one minor penalty for the visiting Glens and five minors for Metcalfe.

Gary McGee potted the game's opening goal here Sunday, connecting from Bob Maxwell and Scott Reed at the 1:12 mark.

Thirty-one seconds into the middle session, Alexandria pulled even on a goal by Andy McRae who beat Jim Lacroix with a pass from Grant Crack.

Metcalfe pulled ahead one minute later on Dwayne Cowick's 19th goal of the campaign. Cowick converted a relay sent his way by Doug Scharf and Lindsay Pasch into a 2-1 Jets' lead.

Metcalfe turned on their afterburners in the final 20 minutes, slipping three goals in behind Norm Quenville, building up a 5-1 lead before Darrell Hay was able to score from Andy McRae with two minutes to play.

Peter Holmes was a prominent man in that final period, scoring the winning goal for the Jets at 17:07 and then setting up the fourth marker by Bob Maxwell at 9:19 and engineering the final Metcalfe goal, scored by Scott Reed at 2:27.

Kevin McManus and Todd Wallace each picked up an assist in the third period as the Jets gained their 15th straight win.

9-7 IN ALEXANDRIA

Friday night in Alexandria the Jets got off to a slow start, but rallied from a 4-2 deficit to win 9-7.

Glens' centre man, Grant Crack, was a big shooter in that contest, finding twine behind Stewart Patterson four times. Besides his four goals Crack added one assist but his five points weren't enough to stop the Jets.

Glens led 4-2 after a period, it was tied at four goals after two periods, and the Jets were up 9-7 at the buzzer.

Four Metcalfe goals in a four-minute span late in that final period turned the game around because the Glens had grabbed a 5-4 lead with a goal 40 seconds into the frame.

Dwayne Cowick, the division's top scorer, paced the winners with three goals and two assists. Scott Reed fired in two goals while Lindsay Pasch and Doug Scharf connected for a goal and an assist each. Gary McGee and Kevin McManus each netted single goals.

Brothers Greg and Todd McLaren each racked up three assists from their point positions, while Bob Maxwell figured in two goals.

Besides Grant Crack's five-point night the Glens got goals from Dan St. Jean, Kevin Primeau and Ken MacDonald. MacDonald added three assists while Luc Sabourin and Claude Hall helped out twice.

Metcalfe took 12 penalties, including a 10-minute misconduct and a game misconduct to Mike Doyle. Glens were handed six minor penalties by referee Harvey Primeau.

Metcalfe plays host to the second-place Navan Grads here Friday night (Dec. 10) and then return the visit to the Grads' rink Sunday (Dec. 12) night.

Jets are looking for wins number 16 and 17 (in a row) in those two outings.

OTHS captures wrestling title

METCALFE — Osgoode Township High School hosted and won the Carleton School Board's annual Novice wrestling title here last Friday.

Osgoode hosted over 100 wrestlers and eight schools in this year's competition, but were less than hospitable, keeping the team trophy and nine individual medals for themselves.

Team coach Lionel Wolfe was pleased with the team's performance, considering that all of the competition comes from larger city institutions. He also noted the team victory was the first for the smaller Osgoode school.

Osgoode captured top place, collecting 43 points. St. Puis was second with 36 and Sir Robert Borden third with 32. Seven points were awarded for a gold medal finish, five for a silver and three for a bronze medal.

Gold medal winners from Osgoode were won by Rick Pagani (165 lb. class) and Luigi Perseo (heavyweight).

Silver medallists were Ron Opperthauser, Dave Argue, Steve Stackpole and Randy Smith.

Doug Janney, Dave McKeen and Randy Oikle each were awarded bronze medals.

Cochrane improves record

OTTAWA — Russell's Brian Cochrane dealt the Ottawa Curling Club's Roger Mitchell his first loss in six games here last Tuesday in Labatt's Men's Curling League action.

Cochrane's 6-2 win over Mitchell improved the Russell foursome's record to four wins and two losses and dropped the OCC rink's numbers to five wins and a loss. Mitchell and Rick Bachand of Hylands led the league.

In another LMMCL contest the same day, OCC's Dennis Moulding trimmed Metcalfe's Adrian Ross 8-7 in an extra end.

Joan Ross rink drops first

OTTAWA — Joan Ross of Metcalfe lost her first Metro Women's Curling League game here last Friday at the Curl-O-Drome, losing an 8-5 verdict to Emma Lewis of the Navy Club.

The same day in the Mini Metro League, Russell's Marilyn Sullivan dumped RCMP's Esther McLean 9-8, Lansdowne's Bea Ceick tripped up Winchester's Mary Hutton 7-4 and Doreen Hallam nipped Russell's Merrill McVey 8-7. The top three rinks in the Mini Metro League sport six wins and two losses.

Last Tuesday in Ladies' Major Curling League action, RCMP's Gunny Johnson defeated Metcalfe's Marj Swain 7-2.

Atom B's extend string to seven

WINCHESTER — After skating through the first period of Monday night's game in a 1-1 tie with the visiting Russell Warriors, Winchester's Atom B Hawks exploded for six goals and a 7-2 victory.

The decision over Russell here on home ice followed a 16-0 triumph over Morrisburg in the river town Sunday evening and extended Winchester's Upper Canada Minor Hockey League victory to seven wins and no losses.

In the undefeated string the Hawks have outscored their opponents 61-9. Goalie Craig Lyon owns a sparkling 1.28 goals against average and centreman Doug Armstrong has cranked in a league-leading 34 goals. His 34 goals grew Sunday night in Morrisburg where he found net seven times. Monday's 7-2 win over Russell saw the talented marksman hit twine three times.

7-2 OVER RUSSELL

The last time these two clubs tangled, Winchester was hard-pressed to take a 2-1 victory on Russell ice. Monday night's encounter saw another close checking affair for much of the three periods. Warrior goalie Jeff Tremblay thwarted many chances the Hawks had, but eventually couldn't hold off all of the offence thrown at him.

Brian Fleming scored both Russell goals, giving his team a 1-0 lead at 11:19 of period one when he scored from Dale Drevniok and Bobby Gould. His second marker came at 6:13 of period three on a setup from Martin Gregoire and Kent Middlemiss.

Doug Armstrong fired the first two Hawks' goals on unassisted efforts.

His left winger then made it 3-1 on a setup from Tim Holmes and increased it to 4-1 from Chris Van Bridger and Armstrong before period two was over.

Hawks piled in three more in the final frame, spreading the final difference from 4-2 to 7-2.

Chris Holmes netted Hawks a 5-2 lead with 3:44 left in the game, scoring from Coons and Armstrong.

Thirty-six seconds later Coons smashed home an Armstrong rebound for his third goal and with 49 seconds left in the game, Armstrong completed his hat trick, scoring from Coons and Van Bridger.

16-0 IN MORRISBURG

Sunday night in Morrisburg the Hawks put on an awesome skating-passing show, cruising to a 16-0 victory.

Craig Lyon posted the shutout in front of a strong offence which scored seven times in the first period, four times in the second frame and five more times in period three.

Doug Armstrong scored seven goals and set up three more for a 10-point night.

Todd Halpenny netted three goals and two assists while his linemate, Chad Benoit, scored twice and set up three more for a five-point night.

Cory Coons also scored three goals and set up one more for four points.

Defenceman Chris Van Bridger drew four points with a goal and three assists.

Tony Holmes, Chris Holmes and Bryan Helmer each picked up one assist.

28 earn higher Tae Kwon Do belts

MAPLE RIDGE — Twenty-eight athletes achieved high degrees of proficiency in a progression test here Sunday. The 28 are members of the Maple Ridge Tae Kwon Do Club who performed their respective proficiency tests for Master Tae Eun Lee and a panel of experts.

Each level of expertise involves an appropriate series of moves and routines of defence and attack associated with the ancient martial art. The high levels also involve more intricate procedures including board-breaking.

Two Winchester club members, Paul Fletcher and Tim Bond, received the highest belts involved in Sunday's procedures, attaining their red belts.

Andrew Gruick, Angela Wade, Corrine Forward and Shayne Larabie earned a red stripe.

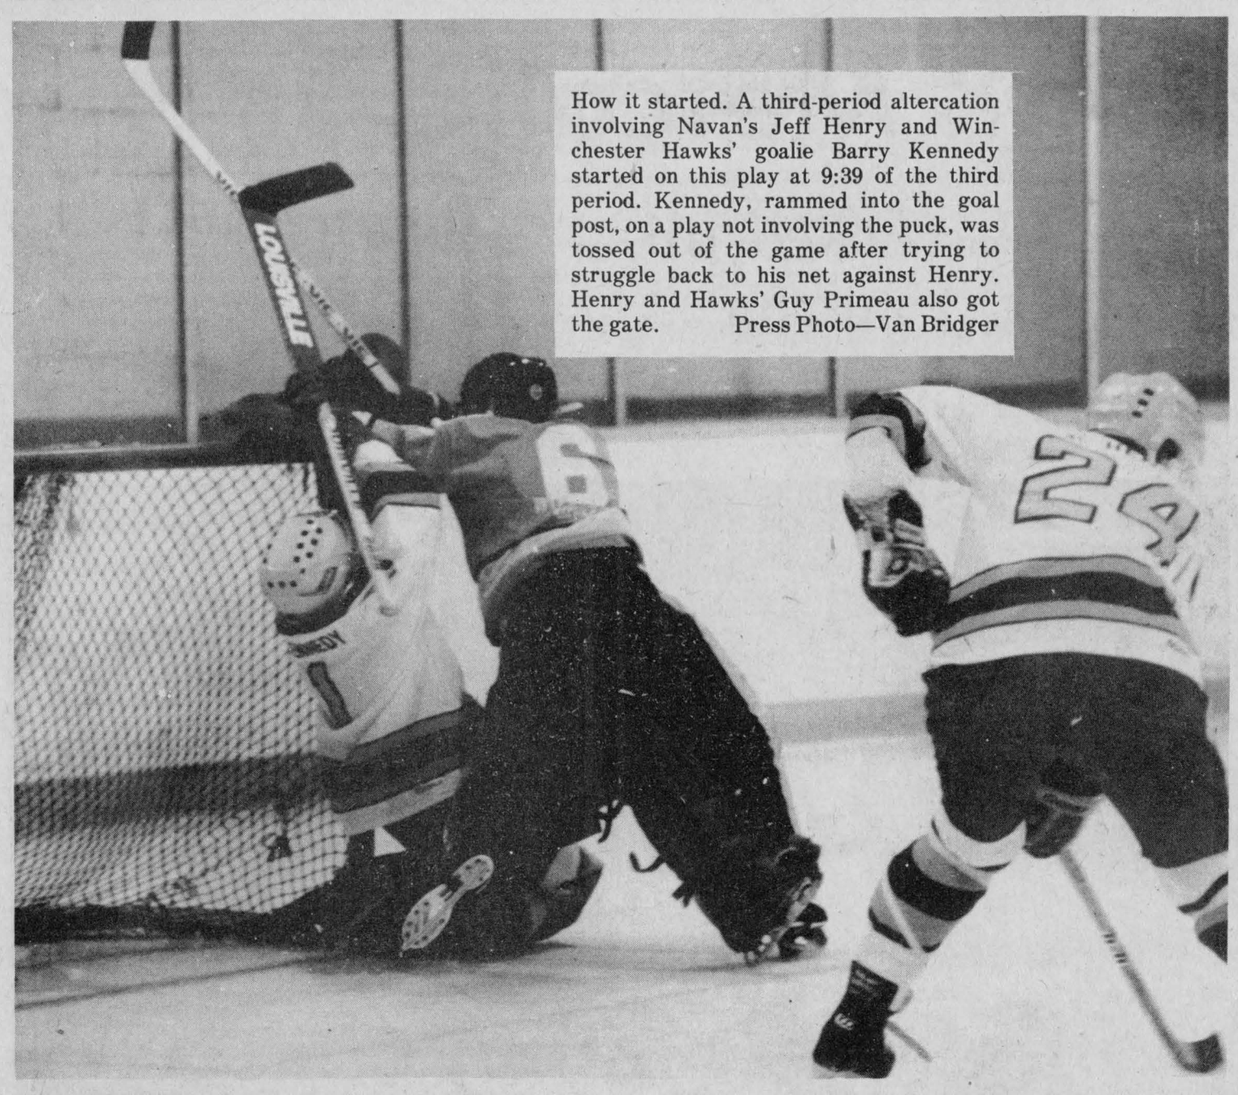
Blue belts went to Peter Collins, Chris Armstrong, Dana Larabie and Shawn Imbeau.

Second promotions were awarded to eight members. Earning the blue stripes were Guillaume Poirier, Jerry Sauve, Chris Craig, Kim Berube, Mike Berube, Marc Berube, Mary Byvelds and Ken Ouderkirk.

Ten people attained their first promotion in the second level and received their yellow stripes. The first level is the white belt, degree of ability is then marked by yellow stripe, yellow, blue stripe, blue belt, red stripe, red belt, and so on, up to the black belt and its high degrees.

Yellow stripers were Robin Fournier, Alex Schipilow, Keith Larabie, Paul Masterson, William Berube, Clint Larabie, Dennis Albert, Gordon Larabie and Keith Durant.

Several special presentations were given to those who have volunteered dedicated service to the club.



How it started. A third-period altercation involving Navan's Jeff Henry and Winchester Hawks' goalie Barry Kennedy started on this play at 9:39 of the third period. Kennedy, rammed into the goal post, on a play not involving the puck, was tossed out of the game after trying to struggle back to his net against Henry. Henry and Hawks' Guy Primeau also got the gate. Press Photo—Van Bridger

Explosive second gives Hawks win

WINCHESTER — Execution and confidence seem to be the biggest difference between the Hawks team who dropped a questionable 9-7 decision to the Navan Grads here on November 5 and the Hawks club which skated to a decisive 8-3 Alex English Division Junior B victory here Friday Night.

The Winchester line-up is the same, with the exception of Lance Wells who remained out of circulation recovering from an injury suffered two weeks ago, the coaching staff is identical, so why the difference? Why did the Hawks look so good knocking off the second place Grads Friday night, to the delight of 371 fans.

Basically they are finally absorbing the system introduced by the new coaching staff of Ken McClatchie and assistant John Klein-Swormink. They are finally utilizing their natural individual talents to work a free wheeling style of hockey.

The passing plays are being executed with razor-sharp precision, players are staying in position, team confidence is more evident than it was as the new campaign unfolded. Although there are aspects of the team's game still suspect, coach McClatchie feels the club is improving and will continue to present more of a challenge to all of its Alex English Division opposition.

Friday's big 8-3 triumph over Navan avenged that lackluster 9-7 loss a month ago and improved Winchester's record to seven wins, five losses and a tie and kept them even with the fast-improving Alexandria Glens who gave the Metcalfe Jets two good battles over the weekend.

The victory also was the Hawks' fifth in their last six outings and could've been six for six had the goaltending been up to par in Alexandria two weeks ago, where the Hawks were beaten 8-6.

THIRD-PERIOD FRACUS

Friday's 8-3 win over Navan was an impressive team effort by Winchester who stretched a 1-1 first-period tie into a sizeable 6-2 advantage after 40 minutes of free-wheeling play. Unfortunately a third-period incident by the frustrated Grads spoiled a good game.

Rookie Barry Kennedy started the contest in the Hawks' cage and was super, allowing just two goals. He, however, didn't finish the contest. He was, questionably, thrown out of the game with 9:39 left to play when Grads' left winger Jeff Henry roughed him up by running him into the goal post. In spite of coming out on the short end of the scuffle, Kennedy also came out on the short end of the penalty assessment, drawing a fighting penalty, a game misconduct and an automatic minor. Henry drew a roughing minor, a fighting major, a game misconduct and the automatic minor in the fracus which also resulted in the banishment of Hawks' defenceman Guy Primeau who was waved after he waded in to assist his goaltender.

Big Bruce Quaile took over and surrendered the final Navan goal at the 4:52 mark.

Grads had lost their Thursday night game in Clarence Creek dropping a 6-3 decision to the last-place Beavers and came to Winchester bent on reviving their winning ways. They outshot Winchester 40-35, but couldn't put the puck behind Kennedy and Quaile.

Coaches McClatchie and Klein-Swormink hope to have big Lance Wells back this weekend and their club working as a unit again, as they approach their busiest three days of the schedule.

Here at home Friday night the rugged Clarence Creek Beavers come to town, Saturday night it is a long trip to Williamstown to meet the Char-Lan Rebels and Sunday afternoon the Hawks will challenge the always tough Morrisburg Lions right in their own den in an afternoon game. Prior to those three outings, the Hawks will skate through their weekly practice and the four selections to the Jr. B. All-Stars (Pete Marriner, Darrell Shelp, Guy Primeau and Trevor McClatchie) will work out in Kanata Thursday night.

TWO FOR DENNIS SULLIVAN

Dennis Sullivan broke out of his scoring slump, pumping in two goals for the Hawks in their 8-3 win. He also added an assist for a three-point game.

Darrell Shelp opened the game putting Hawks up 1-0 on a beautiful unassisted play at 12:31 of period one. Shawn Quinn evened it up on a powerplay at 9:42, scoring right off of a faceoff, beating Barry Kennedy on the stick side.

Hawks pounded in five second-period goals, skating into the second intermission with a 6-2 cushion.

Guy Primeau blasted in a pass from Shelp and Pete Marriner to make it 2-1, 59 seconds into period two. Bourk Boyd then won a draw, getting the puck back to Keith Moore who connected to the goalie's stick side to make it 3-1 Hawks.

Terry Barkley and Dennis Sullivan then combined for a 4-1 lead, scoring on a short-handed situation. Sullivan lugged the puck up ice, went around a Grad defender and fired on net. Barkley, trailing on the play, picked up the rebound and whipped his 10th goal of the season into an empty net.

It went to 5-1 at the 4:53 mark when Bourk Boyd stripped the puck away from a Navan player at centre ice and broke in alone to score. Primeau and Ken McMillan picked up assists on the play.

Tom Lawlor connected for the second Grads' goal with 4:35 showing on the second-period clock, closing it to 5-2. But Hawks came back at 3:50 for their sixth goal. Dennis Sullivan connected from the point, receiving the relay from Darrell Shelp and Gilles Lascelle.

Sullivan blasted in his second of the night at 17:01 of period three, completing a powerplay established by Kevin Henry and Mark Guy.

Jeff Raven potted the third Navan marker with 4:52 left to play and 51 seconds later Trevor McClatchie scored from Darrell Shelp, rounding out the scoring to 8-3.

Cayer, Lyall score in Pee Wee C win

WINCHESTER — Dan Cayer and Jeremy Lyall each scored in their team's first win Monday night.

The pair scored their goals in a 2-0 Winchester Hawks' win over Cardinal in Upper Canada Minor Hockey League Pee Wee C play.

While Dan Cayer was scoring the winning goal on a pass from Kevin Bell, and Jeremy Lyall was adding an insurance marker, goalies Marc Sarault and Mike Swerdfeger were stopping the opposition cold, combining for the club's first shutout.

The day before (Dec. 5), the Hawks dropped a heart-breaking 2-1 decision to the visiting Morrisburg Lions' number one team, losing their fourth consecutive UCMHL contest on a pair of first-period goals which were scored by Jason Rasenberg and Leslie Barnhart.

Daryl Robinson fired in Hawks' lone goal with 1:47 left in period two, converting a pass from Mike Gryspeerdt.

Marc Sarault absorbed the one-goal setback in the Winchester net.

Three days prior to the Morrisburg game, Winchester had lost 5-1 to Metcalfe and District Mustangs.

Captain Daryl Robinson accounted for Winchester's lone goal, beating Chris Racine on an unassisted play at 7:09 of the final period.

Bruce Higgins led the Mustangs with three goals and one assist. Joe Speek and Vince Visser each added a goal and Trevor Page earned three assists.

Morrisburg Blues dealt the hard-luck Hawks a 3-2 loss back on Nov. 29, handing Winchester their second straight loss. Korey Casselman's third-period goal with 7:04 showing on the clock was the difference in the game.

Kevin Bell scored Hawks' first-period goal and Jason Broad netted the second-period marker.

Janet Bilmer supplied Morrisburg's first two goals on two assists from Randy Whitteker.

The game was tied at one after a period and two after two.

Another one-goal setback opened the UCMHL season for the "C" Hawks.

Russell scored all four of their goals in the first period and held on for a 4-3 win.

One Russell line accounted for their scoring. Keith Cheshire had one goal and one assist, Shannon Wade fired in two goals and one assist, and Derek Clost picked up one goal and two assists.

Jeremy Lyall (one goal, one assist), Dan Cayer (one goal, two assists), and Kevin Bell (one goal, two assists), a Winchester forward unit, supplied their team with scoring.

Winchester Red Wings rebound on the road

WESTPORT — The visiting Winchester Red Wings weathered a rash of third-period penalties, skating to a 2-1 victory here Saturday over the hometown Juveniles.

Winchester, riding a two-game losing streak, travelled to Westport for the Upper Canada Juvenile League contest, capitalizing on two second-period goals for their victory. The win, the team's third, improves their record to three wins and two losses.

Robbie Huttinga surrendered just one goal to the Rideaus who connected for a 1-0 lead with 55 seconds remaining in period one.

Eric Winter's unassisted goal at 7:36 of period two tied it at one.

Defenceman Brad Hanes won the contest when he found net with a pass from Scott Richards. The two defenders teamed up for the deciding effort with 2:26 left in period two.

Introducing the 1982-83 Metcalfe Jets

This season's edition of the Jets has racked up 15 straight wins to take a solid hold on the divisional lead. Congratulations on an impressive first half.

Front row, from left, Andrew Van Dam (stick boy), Danny Stoker, Mike Doyle, Kevin McManus, Stewart Patterson, Greg McLaren, Jim Lacroix, Brent Brucker, Peter Holmes, Gary McGee, Todd Wallace, Ken Rousseau (trainer). Back row, from left, Bill Wammes (president, manager), Shane Patterson, Doug Scharf, Todd McLaren, Bob Maxwell, Dwayne Cowick, Brian Kerfoot (coach), Scott Reed, Lindsay Pasch, Gary Poirier, Murray Toll, Gary Scharf (assistant coach).

STEWART PATTERSON (1)

Stewart, who teams with Jim Lacroix to form the stalwart goalie combination, is 18 years of age and a student at Algonquin College. A son of Charlie and Mary Patterson, Edwards, he played as a Bantam, in the Loblaw Cup tournament in 1978 at Toronto and in 1980, playing Midget, he competed in the Air Canada Cup tournament in Halifax. He played Midget "AA" for Gloucester Rangers.

SCOTT REED (3)

Scott, the Jets' 19-year-old centre, lives with his parents Vic and Ruth Reed in Gloucester and is a grade 13 student at Corine Wilson High School. Playing his second season with the Metcalfe club he has, to date, amassed a total of 23 points.

TODD WALLACE (4)

Todd, a rugged defenceman, is a son of Ivan and Audrey Wallace of Greely. Seventeen years old, he is a grade 12 student at Osgoode Township High School and before joining the Jets last season, played Midget "AA" with Gloucester Rangers. To date he has recorded a total of 15 scoring points.

TODD MC LAREN (5)

Todd, who teams with brother Greg to form one of the strongest defence combinations in the league, is 18 years old and a grade 13 student at Osgoode Township High School. A son of Jack and Pat McLaren, Russell, he played last season with Ottawa Senators Jr. A Club and this year, with 31 points, ranks third in team scoring.

MURRAY TOLL (6)

Murray, who resides with his parents Roy and Helen Toll on the 9th Line in Gloucester, also plays defence and the 17-year-old is a grade 12 student at Gloucester High School. Murray has plenty of hockey knowledge having been on the Eastern Ontario Bantam 'B' championship team in 1979 and the Eastern Ontario Midget "B" championship squad in 1981. He played Midget "AA" with Gloucester Rangers.

LINDSAY PASCH (7)

Lindsay, with 44 points to date, is second in team scoring and also second in the league scoring stats. Lindsay, 19, is a student at Gloucester High School and resides with his parents, Ted and Elaine Pasch in Gloucester. Playing with Gloucester Juveniles 'A' he played in the Eastern Canada Juvenile finals in 1981.

BOB MAXWELL (8)

Bob is a 20-year-old defenceman and a student at Carleton University. A son of Robert and Yvette Maxwell, Ottawa, he resides with his parents and played his minor hockey with Carleton Engineers. A rugged defenceman he was drafted by Kingston Canadians Junior 'A' organization when he was 16, but chose to continue his education. To date the speedy defence ace has accumulated a total of 16 scoring points.

DWAYNE COWICK (9)

Dwayne is the league's scoring leader with 48 points and the fiery left winger is a son of John and Lois Cowick, Gloucester. Dwayne, 19, is employed by House of Canvas and before joining the Metcalfe club, played with Gloucester Juvenile A team and also, last season, with Gloucester Rangers Junior 'A' squad.

GARY MC GEE (10)

Gary, the Jets' speedy centre, is 20 years old and, before joining the Jets in 1979, played with Gloucester Rangers Junior 'A' team. A son of Milton and Muriel McGee of Leitrim, he is associated with the family business enterprise, McGee Fencing Ltd. Gary has a total of 23 points in the scoring race.

GARY POIRIER (12)

Gary, 17, plays right wing and is recorded in the scoring statistics with 15 points. A son of John and Helen Poirier, Osgoode, he is a grade 11 student at Osgoode Township High School. Gary played Midget "AA" with Nepean Raiders and was drafted by Gloucester Junior 'A' Rangers this year but chose to play with the Jets.

MIKE DOYLE (14)

Mike, 20 years old, a flashy left winger, has been with the Jets for four years and prior to that, played Midget "AA" in the Osgoode-Rideau league. A son of Bob and Gertrude Doyle, Manotick, he is studying business administration at Algonquin College. Mike has a total of 21 points this season.

SHANE PATTERSON (15)

Shane, 19, is a son of Bruce and Bev Patterson of Metcalfe and played all his minor hockey with Metcalfe-based teams. The right winger is a grade 13 student at Osgoode Township High School and his scoring record to date stands at 18 points.

BRENT BRUCKER (16)

Brent, a 19-year-old Carleton University student, is a major cog in the team's defensive unit. A son of Bob and Carol Brucker, Ottawa, he played Midget "AA" with Gloucester before joining the Jets in 1981. To date he has recorded 18 scoring points.

DAN STOKER (17)

Danny, 19, is considered a 'veteran' Jet, playing his third season with the club. The fast and rugged right winger is a son of Dale and Lorretta Stoker and presently has five scoring points. Danny moved with his parents to Alberta at the end of last season but returned to Metcalfe and is presently employed by Twigs From the Oak Farms (Joe Stachon), Kenmore.

KEVIN MC MANUS (18)

Kevin, 19, is playing his second season with the Jets. Playing either left wing or centre he is a constant threat to opposing goalies and presently has 15 scoring points. A son of Alex and Frances McManus, Osgoode, he is a student at Algonquin College. Before coming to Metcalfe he played Midget "AA" in the Osgoode-Rideau loop.

PETER HOLMES (20)

Peter, 17, who tried out with Hawkesbury Junior 'A' club, is playing his first year with the Jets. Last season he was with the Ottawa Valley Titans Midget "AA" team. Playing centre he has 13 points in the scoring race and is a Grade 12 student at Osgoode Township High School. Peter's parents are Stewart and Joyce Holmes of Osgoode.

GREG MC LAREN (23)

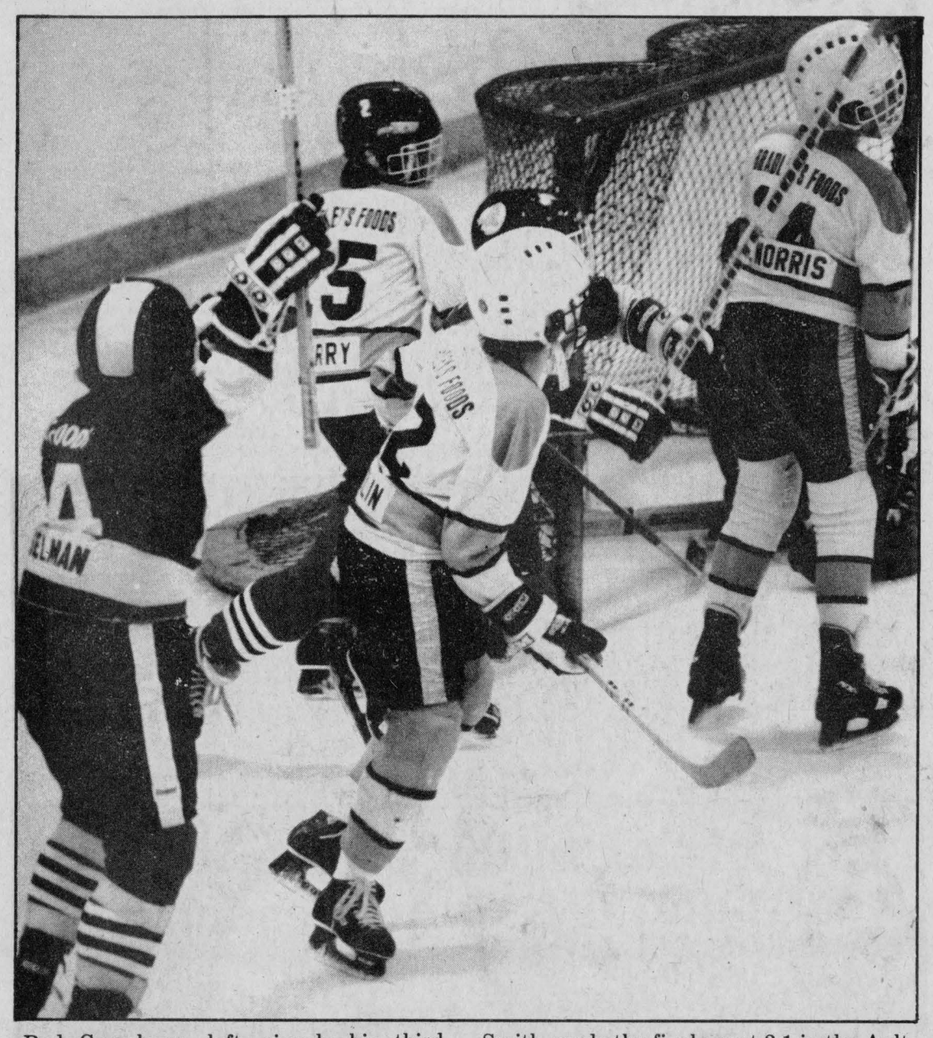
Greg, rated one of the league's top defencemen, is also a constant scoring threat and his blistering shots from the point are feared by most goalies. Greg, 20, is a son of Jack and Pat McLaren, Russell, and to date has recorded 20 points in the scoring stats. He came to Metcalfe from the Ottawa Senators club in 1981. He was drafted by Niagara Falls Flyers in 1978.

DOUG SCHARF (27)

Doug, a son of Gary Scharf and the late Mrs. Scharf, plays right wing and his determination around the net has netted him 20 points to date. Playing his second season with the Jets, he played his minor hockey with Gloucester and is a grade 12 student at Gloucester High School. Doug, like goalie Patterson, played in both the Loblaws Cup (1978) and Air Canada Cup (1980). He lives with his dad in Gloucester.

JIM LACROIX (31)

Jim shares goaltending duties with Stewart Patterson and has combined to record the league's best goals-against record. A son of Bob and Evelyn Lacroix, Carlsbad Springs, he is 17 and a grade 12 student at Garneau High School in Orleans. He played his minor hockey with Leitrim and was on the 1978-79 Eastern Ontario Bantam 'B' championship squad in 1978-79, and also the Eastern Ontario Midget 'B' champions in 1980-81.



Rod Casselman, left, signals his third-period goal in Monday's UCMHL game against the visiting Russell Warriors. Casselman's marker, set up by Todd Smith, made the final count 3-1 in the Ault Pee Wee team's favor. Doug Armstrong and Dave Hobson fired the other Winchester goals. Press Photo—Van Bridger

Veley leads Hill with hat trick

WINCHESTER — Toyes Hill Roadrunners started their Winchester and District Broomball season in a tear, ripping off three consecutive wins. They then lost six straight and looked to be heading nowhere fast. Their top scorer, Bill Veley, was also suffering through an extended slump at the same time, so things did not look good for the 'Hill. Things took a turn for the best here Sunday night as the Roadrunners and Bill Veley put the brakes on their prolonged slide.

Veley scored three times and assisted on his team's other goal as the 'Hill rolled over Morewood 4-0.

In Sunday's other action, undefeated Finch extended their string to 10 games, dropping Crysler 4-1. The loss snapped Crysler's winning parade at three games and allowed Toyes Hill to move into a tie with them for fifth place.

Ormond Cloverdales made the biggest advance in the rankings, moving into sole possession of second place with a 4-1 victory over Osnabruck.

Ormond was able to overtake Dunbar Panthers when the Panthers failed to show for their game with Newington. The 'Ton picked up an easy two points and Dunbar dropped to third place.

After 10 games, Finch leads with a perfect 20 points. Ormond is second with 12, one ahead of Dunbar Panthers and two up on Morewood who has 10 points. In the 'B' Pool, Crysler and Toyes Hill each have eight points, Newington has seven and Osnabruck four.

Bill Veley fired three goals in Toyes Hill's 4-0 win over Morewood and while Veley was pumping balls into the Morewood net, the 'Hill's Wayne Hunter was blocking shots in the other end of the rink, working towards his shutout.

Bill Steele connected for what would be the winning goal, beating Glen Patterson with a pass sent his way by Bill Veley at 10:58 of the first period. Veley then made it 2-0, scoring from Ted Bongers with 14 seconds left in the opening stanza.

Veley fired in another pair in the final 20 minutes, hitting for a 3-0 lead on a John Templeton pass at 7:42 and then closing the scoring with 1:42 remaining with a relay from Bill Steele.

NUMBER 10

Front-running Finch made it 10 consecutive victories with their 4-1 triumph over Crysler in Sunday's second game.

Heading into the contest Crysler had ran up three consecutive wins and had gotten off to a quick start in the game, taking a 1-0 lead one minute and 30 seconds into the opening stanza. Bob McLaughlin scored from Doug Carruthers on the play but that would be the only goal eluding Noel Lalonde that evening.

Lalonde slammed the door on the opposition and his offence took over scoring four times enroute to the 4-1 decision.

Rene Dumoulin's goal from Henry Pyneburg tied it at one at 5:36 of period two.

Finch tucked away another win with three third-period goals. Mike Hoogeveen's marker with 11:25 left in the final frame actually won it. Henry Pyneburg's goal with 7:30 showing on the clock increased the margin to 3-1 and Rene Dumoulin's tally with 3:55 to play ran the final count to 4-1. Henry DeRooy and Dave Dumoulin picked up single assists in the final frame.

ORMOND MOVES UP

Ormond took advantage of the Dunbar default to Newington to move into second spot, whipping last-place Osnabruck 4-1. The victory improved Ormond's record to five wins, three losses and two ties and gave them sole possession of second place.

Ormond took a 2-1 lead in period one and added two in the final period, locking up the win.

Leo Vanderlaan fired two goals for the winners who received singles from Jim McDiarmid and Dan McDiarmid. Jim McDiarmid, Bill Robinson, Rob Scarth and Keith Young all earned single assists. B. Bowman connected for the lone Osnabruck goal after he had taken a pass from S. Bilmer at 16:48 of period one.

Ben Melenhorst was the winning goalie while Harvey Bowman absorbed the loss.

Toyes Hill 4, Morewood 0
Finch 4, Crysler 1
Ormond 4, Osnabruck 1
Newington - won by default over Dunbar.

B's best Russell Warriors

WINCHESTER — Winchester's Pee Wee B team climbed back above the .500 mark here Monday night, skating to a 3-1 victory over the visiting Russell Warriors.

Sunday night in Morrisburg the Al Duncan-Al McLean coached Ault Foods squad battled the Lions to a 2-2 sawoff, netting the tie on Derek Hyndman's goal in the final minute of play.

After their latest pair of games, Aults has run up three wins, two ties and two losses in seven Upper Canada Minor Hockey League contests.

Sunday's close checking encounter in Morrisburg produced a 1-1 tie after a period and a 2-1 Morrisburg lead after two periods. Hyndman tied the game for Aults, scoring on an unassisted rush with one minute left to play in the game.

Rod Casselman put Winchester on the board, connecting with a pass from Hyndman at 3:40 of the first period.

Robbie Whitteker and Rick Barkley, on a pass from Robbie Casselman, accounted for the Morrisburg goals.

Dennis Ouellette and Mike Swerdfeger shared Aults' goaltending.

3-1 OVER RUSSELL

Russell skated to a 1-0 first-period lead on Chris Cousineau's goal set up by Joel Bouchard at the 8:15 mark. In spite of outshooting the Warriors, Aults couldn't put a puck behind Shane Mead until Atom affiliate Doug Armstrong found the range with a Jeff Holmes' pass at 8:42 of period two. Armstrong then helped captain Scott Gibson set up Dave Hobson's winning goal (2-1) with 4:20 left in period two.

Rod Casselman scored from Todd Smith with 1:11 left in period three, wrapping up the final tally at 3-1 in Winchester's favor. Dennis Ouellette was the winning goalie.

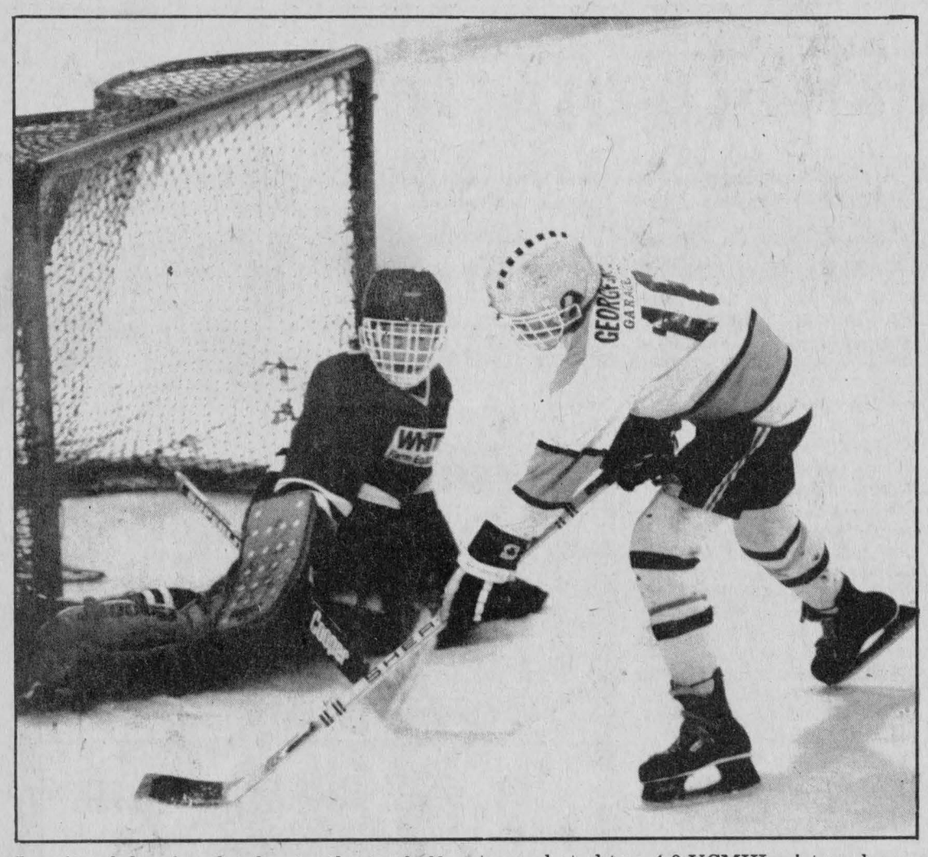
WINCHESTER PRESS
TELEPHONE 774-2524



In spite of showing the shooter the top half of his net, goalie Ben Henry did not allow Russell's Pat Paquette a goal on this play. Henry stopped the Warriors cold as his team skated to a 4-0 UCMHL victory here Monday night. Bantam Hawks' goals went to Mark Armstrong, Mike Sargent, Dolton Henry and J.D. VanNoy.

Kings, Flyers record upsets

WINCHESTER — Victories by the Country Kitchen Kings and Aqua Fun Flyers have pulled the four Winchester Town Hockey League teams even closer together in the seven-week-old standings.

Last Tuesday's 8-5 victory by the Kings over CountryBoy Blazers and Aqua Fun's 3-2 triumph over D's Raiders, narrowed the point spread to just two points. In spite of their second losses of the season, both D's Raiders and the CountryBoy Blazers continue to lead the WTHL but enjoy just a slim two-point edge on both Aqua Fun and CK Kings.

Raiders and Blazers each have eight points while the competition lies just two points back at six.

Defenceman Butch Oldford was the scoring ace in the CK Kings' big 8-5 win over CountryBoy, connecting three times and assisting on another goal.

Brian "Popeye" Wyatt was the hero as Aqua Fun snapped their three-game losing string, popping in the winning goal with 8:17 left in the game. Dick Christie came back to close the gap for the Raiders with a late goal but the Flyers and their goalie, Kevin Baldwin, managed to weather a lot of last-minute pressure and hold on for the 3-2 victory.

This week's action should produce a shake-up in the standings as Raiders tangle with the Blazers and the Flyers try to get ahead of the Kings.

OLDFORD NETS THREE

Country Kitchen Kings grabbed a 2-1 first-period lead on the Blazers, scoring twice in the final two minutes of the frame before skating into a 6-2 second-period lead.

CountryBoy put three pucks in behind Steve Johnston in the final 20 minutes but couldn't overcome the hard-skating Kings.

In addition to Butch Oldford's three-goal, one-assist performance, the Kings benefited from an outstanding game from a line of Al Duncan, Phil Lyall and Don Griffith who played havoc with the Blazer defence all night.

Duncan scored twice and set up two more while both Griffith and Lyall found the target behind Dan Hogaboam once and drew one assist.

Brian Halpenny bagged the other Kings' goals while Phil Cooper, Bill Hogaboam and Halpenny each picked up an assist.

The league's top scorer, Brent Theede, added to his total, leading CountryBoy's attack with two goals and two assists. Owen Shortt added a goal and one assist. Jim Fawcett and Gerry Belanger each found net once. Harry Castle, Dale Hutt, Ken Summers (with two) and Dan Lecours all had assists.

Each club picked up three minor penalties in the fast-paced, wide-open contest.

WYATT NETS WINNER

Aqua Fun Flyers had lost three consecutive games by a one-goal margin prior to their contest with front-running D's Raiders and were eager to break out of the slump.

Facing the WTHL's top goalie, Pete MacLeod, and his Raiders who had lost just one game, was a real challenge for the Flyers who found themselves in a close checking, low scoring battle which did not produce a single penalty.

Raider netminder Pete MacLeod leads the WTHL having allowed just 22 goals in seven games. His opposition, Kevin Baldwin, stands number two with 26 against over the same span so their play continually highlights play.

Aqua Fun grabbed a 1-0 first-period lead when Jim Shaw put the puck out to Mike Cousineau who was parked on MacLeod's doorstep. Cousineau instantly slapped the disc in the open side collecting his eighth goal in seven games.

Defenceman Gord (No. 77) Quaile tied it up at a goal when he beat Kevin Baldwin with a low shot at the 7:05 mark of period two. Doug Vasey and Paul Beckstead combined to get the puck back to the point on the play.

With 3:48 left in the middle session Norm Chapman slapped in a loose puck, putting the Flyers up 2-1. Brian Wyatt and Don Argue drew the assist on their linemate's second goal of the season.

Then with 8:17 to play in the game, Wyatt stick-handled his way around a Raider defenceman and slipped the puck in underneath MacLeod, putting Flyers up 3-1.

Dick Christie slammed in a Larry Berry pass with 6:24 showing on the clock, closing the gap to 3-2.

A wild scramble in front of the Aqua Fun net late in the period resulted in several close calls but no Raider goals and the Flyers were able to hold on for a 3-2 win.

Ben Henry posts shutout Bantam Hawks win 4-0

WINCHESTER — Ben Henry posted a 4-0 shutout here Monday night, leading Winchester Bantam B Hawks to a 4-0 victory over the visiting Russell Warriors.

The Upper Canada Minor Hockey League victory snapped a one-game losing string started Sunday night in Morrisburg where the Hawks were shut down 5-1.

Hawks now have two wins, three losses and two ties in their first seven UCMHL contests.

J.D. VanNoy accounted for Winchester's lone goal in Morrisburg, scoring from Chris Thomas.

In Monday's contest, Ben Henry stopped the Russell Warriors cold while his mates led by scoring ace Mike Sargent, potted four goals on Kevin Davidson.

Hawks netted two first-period goals when Mark Armstrong clicked on a pass from Mike Sargent and captain Dolton Henry. The second goal came at 2:55 when Sargent cashed in from Mark Armstrong and Dwayne Bazinet.

Dolton Henry made it 3-0 in period two, scoring on a pass from Sargent.

J.D. VanNoy snapped in the fourth goal with 9:37 left in the game, scoring on a setup provided by Lawrence Cayer and Scott Johnston.

Backes flawless between pipes

WINCHESTER — Mark Carkner supplied a pair of goals and Shawn Backes was flawless between the pipes here last week as the number two Hawks' squad skated to a 5-0 win over the visiting crew from Cardinal.

In another Upper Canada Minor Hockey League contest last week, the number one Winchester Atom C team dropped a 3-0 decision to Morrisburg.

The 5-0 victory over Cardinal put the Paul Helmer-Gord Milne coached "Two Hawks" into first place and extended their undefeated string to five games.

Winchester picked up a two-goal first-period lead on Cardinal when Billy Zrymiak scored from Todd Fawcett and Mark Carkner connected on an unassisted goal at the 2:15 mark.

Three second-period goals put Winchester ahead to stay.

Carkner netted his second of the game at 14:18 of period two, Brian Spear made it 4-0 at 13:01, and Todd Fawcett upped it to 5-0 at the 10:01 mark.

Greg Bell assisted on Carkner's second goal. Carkner then drew the assist on Spears' tally and Robbie Pollock earned a point setting up Fawcett's goal.

AHEAD OF SCHEDULE.

We are pleased to announce the completion of the 426-kilometre pipeline between North Bay and Morrisburg.

A vital link in the TransCanada system, the North Bay–Morrisburg pipeline helps meet the increasing demand for natural gas in eastern Canada and along the pipeline. It will continue to bring economic and industrial benefits and to supply natural gas to communities in the area.

Our heartfelt appreciation to all those who helped make the pipeline project a success, especially to the residents along the 426-kilometre route. Your patience and cooperation made a big difference.

We would like to extend our thanks to you.

NOTE TO RESIDENTS:
Due to weather conditions, complete restoration of the right-of-way cannot be completed until the Spring of 1983. We regret the inconvenience.

TransCanada PipeLines

Frankly speaking

67's PLAY ODHA STARS HERE ON TUESDAY

Not only will it be a treat to see the Ottawa 67's in action, but the game will have a lot of local interest when the ODHA All-Stars take to the ice here Tuesday night. Five boys from Metcalfe's Jets, four from the hometown Hawks, with Navan and Char-Lan each contributing one player, help make up the team which will play in Kitchener during the Ontario Junior B playdown during Christmas week. Although the Central Junior League had promised their support and co-operation during the planning stages, when it came time to send a team, no opposition was available unless some cash was put up front. It was then learned early Friday night that Brian Kilrae had called Keith Duke and offered to bring in the big team. Needless to say, our league and organization was delighted with the news and look forward to not only a big crowd, but a good exhibition of hockey. As always, figure skating and the local town league co-operated to the fullest with additional ice time and everything is set for the big game with faceoff time at 8:30pm, Tues., Dec. 14. Hawks will host a lounge in the upstairs hall but we do suggest that you come early.

'TIS THE SEASON TO BE JOLLY — LOTS OF PARTIES

Last Saturday night Winchester Cheese held a party for their employees to start a busy few weekends with many parties being held. This Friday night while the Hawks take on Clarence Creek in the downstairs area, the hall will be swinging with music and the smell of good food when the hospital hold their Christmas dinner and dance. On Saturday night festivities continue and the local Hydro and their guests turn out for their turn at festive fun. This Sunday Old Santa pays his annual visit to the arena with his bag packed with toys for the girls and boys of Ault Foods. Aults have reserved the ice from 2 until 3pm and hope that a good crowd will turn out for skating before going upstairs for lunch.

YOU SHOULD BE MAKING YOUR PLANS FOR NEW YEAR'S EVE

To the best of my knowledge there will be three open parties this year in town: the Legion, Curling Club, and of course, the Lions annual party at the Community Centre. Shad's Disco will be supplying the music for the Lions with tickets going for only $15 per couple which includes dinner. If you are planning to come to the arena, contact Bill at 774-2193, Lyle, 774-5260, or Jamie, 774-2500. Tickets for the Legion party are available at the Legion or from Dwight Hutt. For the Curling Club party, contact a member. The big thing to remember is that sales are limited so get yours reserved now.

SANTA ARRIVED IN STYLE ON SATURDAY

Hats off to the Chamber and the downtown merchants for their usual great job with their Santa Claus parade. It was, as usual, first class. Space does not permit me to add deserving thanks to the many who did a good job and contributed much to the overall success of the day. A special thanks again to the Legion who supplied and distributed the candy and may I just say thanks to all. A big job well done.

Public funds for snowmobilers freeze up

MOUNTAIN — This year marks the end of public funding for snowmobile trails in Ontario and with the Ministry of Natural Resources' withdrawal from its province-wide trail maintenance program, the Ontario Federation of Snowmobile Clubs (OFSC) has taken up the challenge with its own trail funding program.

The OFSC is a federation of 200 member clubs across the province and in this area its members include the Mountain Trail Blazers and Winchester Township Snowmobile Club.

Under the system that prevailed until this year, all clubs which accepted money from the ministry had to open their trail networks to the public, regardless of whether they belonged to the clubs which set up the trails, according to Ted Ceelen, treasurer of the Mountain Trail Blazers.

The ministry's rationale was that since public money was being spent on the trails, the public must be allowed to use them. This did not apply to clubs, like Osgoode-Carleton and Embrun, which did not receive government funding, Mr. Ceelen said.

However, with the government's decision to cut off funding for snowmobile trails, use of the trail networks has reverted to the clubs which maintain them.

The OFSC is preserving the province-wide nature of its system with the adoption of a trail funding program, which is in effect a user-pay system with funds collected through the sale of Trail Permit stickers.

Under the sticker system, those who use OFSC trails must purchase a permit. Once this is done a sticker is affixed to their machine, enabling it to be used on any OFSC member-maintained trail in Ontario. The stickers cost $10 per machine per season for OFSC members and $20 per machine for non-members. This is similar to the program that has been in operation for several years in Quebec.

Member clubs will be allowed to keep $1 for each permit sold to club members and $8 for each permit sold to non-members. The rest is sent to the OFSC for its Trail Funding Program and then is disbursed back to member clubs in payments in early December and February.

Mr. Ceelen explained that changes to Ontario's Trespass Act and Motorized Snow Vehicles Act now permit OFSC member clubs to police their trails, acting as agents for the landowners. Once the club has written permission from the landowner to use his or her property for a snowmobile trail, they then have the authority to have non-paying users removed from the trails.

This is the duty of the individual clubs' wardens, who are selected by their clubs and trained by the OFSC. They will sell OFSC Trail Permit stickers to non-club members using the trails and if the non-paying users refuse to purchase the stickers, they will have the authority to have them prosecuted for trespassing.

Mr. Ceelen stressed that in this, the first season, club wardens will be acting more in a public relations capacity, explaining the changed system to non-paying trail users and asking them to buy permits or leave the trails.

Club wardens attended a training session Sunday in Kemptville where it was stressed to them that they don't have to "play the heavy" this year, Mr. Ceelen said.

Of the $8 each club keeps for OFSC stickers from non-members, the federation has recommended that $3 go to the warden and $5 be kept for club use.

Trail permits will also be on sale at local hotels, motels, gas stations and restaurants, according to an OFSC release.

All clubs that opt into the OFSC program will be required to sign reciprocal agreements to permit any machine bearing a Trail Permit sticker to use their trails. Reciprocal agreements with non-participating clubs may be worked out in this area, Mr. Ceelen explained.

It is cheaper for snowmobilers to join established clubs than just to buy non-member Trail Permit stickers, he said.

A person joining the Mountain Trail Blazers pays $5 per machine and the Trail Permit is $10 for a total of $15. For non-members the Trail Permits are a straight $20 per machine. In addition to both those fees, the Ministry of Transportation and Communications requires that each machine pay a $10 annual registration fee. This is the last year that MTC will charge the licence fee, Mr. Ceelen said.

He added that snowmobilers who participate in club rallies will not be required to have OFSC stickers on their machines since their rally registration fees cover day use of club trails.

The OFSC's payback to clubs for trail maintenance will be based on the same criteria as MNR's grant program — length of trails, use and grooming weeks. Clubs which do not maintain any trails will not be eligible for OFSC disbursements.

The Trail Blazers have 8 kilometres of trails and the club's network connects with trails maintained by Kemptville, Osgoode-Carleton, and Winchester Township. Winchester Township's 102 miles of trails also connect with those operated by the Embrun, Seaway Valley, Williamsburg and Osgoode-Carleton clubs.

Mackler nets hat for Hydro

CHESTERVILLE — Kevin Mackler applied the brakes to a long Hydro Linemen losing skid here Monday night, scoring three of his club's four goals in a 4-2 win.

Mackler scored twice in the first period on passes from Ross Lough and again in period two on another Lough relay, leading Hydro to a 4-2 decision over the Ault Food Flames in one of two Winchester and District Industrial Hockey League games.

Glen Mackler netted the other Hydro goal at 10:37 of period three, scoring from Doug Wilson and Jim Fawcett.

Ault Flames collected their two goals in period three when Terry Grove connected from Al McLean and McLean beat Kevin Baldwin with a Doug Duncan relay with 52 seconds to play.

The win evened Hydro's record at four wins and four losses, snapped a four-game losing streak and put them into sole possession of second place.

In Monday's other WDIHL contest, the league-leading Nestle North Stars blanked Winchester Cheese Packers 2-0. Rick Sproule outduelled Packers' net-minder Peter MacLeod for the shutout.

North Stars' goals came from Dave Arnold with 49 seconds left in period two and Pat Imrie at 14:31 of the final frame.

John Elgar and Dan Lecours assisted Arnold while Greg Beckstead and Lyle Servage helped Imrie.

Atom C Hawks manage tie in exhibition battle

WINCHESTER — It's been a difficult month for Winchester's number one Atom C Hawks team. They've yet to chalk up an Upper Canada League victory, but have managed an exhibition tie.

Hawks No. 1 battled visiting Finch to a 2-2 sawoff here last Saturday drawing even with the visitors on a pair of third-period goals by Jamie Foley and Jeff Sargent.

Foley potted the first marker, scoring from Chris Oldford and Jeff Sargent and Sargent tied it up with a pass from Foley. Wayne Langland played shutout hockey until the final period when Finch collected their two goals.

On Dec. 3 the club dropped a 3-0 UCMHL decision to Morrisburg who received shutout goaltending from Lenny Beckstead and goals from Brian Shaver, Kris Scott and Trevor Beckstead.

A 2-0 setback against Metcalfe and District Mustangs preceded that 3-0 loss to Morrisburg. Wes Slater earned the zero in that contest while Jeff Bray and Dave Heely supplied Mustang goals. Jeff Thomas and Jason Robinson picked up assists.

Rickie Sarault, substituting for Wayne Langland, had to put up with both losses.

Madden salvages tie for WI

SOUTH MOUNTAIN — Gerry Madden's goal with 11 seconds showing on the clock salvaged a 4-4 tie for W.I. here in Monday night's Mountain Township Floor Hockey League action.

W.I. had taken a 3-0 lead on S.M. Electric on first-period goals by Kevin Barkley, who scored twice, and Daryl Payne, who opened the game with a pass from Barkley.

S.M. Electric clicked their first goal at 13:15 of the second period when Scott Gregory connected for the first of two.

The Electricians continued their comeback with a third-period marker by Derek Brannon 4:15 into the frame. They tied it up at three when Scott Gregory set up Darrin Coleman at 13:57.

Gregory snapped in his second of the game at 14:55, putting S.M. ahead 4-3. They held that slim one-goal edge until Gerry Madden whipped home a Kevin Barkley pass 11 seconds away from the final buzzer.

The tie kept first-place W.I. one point ahead of S.M. and two up on the Fire Department Smokies who dropped Lions Club by a slim 7-6 count the same evening.

SMOKIES WIN 7-6

The last-place Lions, looking for their first win, were in a 1-1 first-period tie, behind 6-4 after two, and close at 6-5 early in period three.

Paul Roach's second goal of the game at 4:01 of period three proved to be the difference in the one-goal decision.

Dana Boyd paced the Smokies to their third victory in six games scoring three times. Paul Roach added two, including the winner, Jamie Levere also scored and set up a goal. Paul Guertin popped in his sixth goal of the year and Jamie Foley earned one assist.

Sean Coligan led Lions' attack with a three-goal effort. Robbie Barkley potted one and set up another as did Jeff Whaley. Derrick Workman fired the other Lions' marker and Barry Moorehouse picked up one assist.

-Metcalfe awarded two points for game Nov. 25. North Gloucester No. 2 did not arrive on time for the game.

METCALFE — Metcalfe Ringette teams collected points on three fronts last week with the Belles, Junior Belles and Tweens all picking up victories.

Donna Eastman led the Metcalfe Belles to a 12-7 win over North Gloucester scoring five times. Nancy Porteous added three goals while Sherry Waddell, Janet Hall, Pam Bagnall and Neila Waddell all found the mark once. Nancy Porteous collected three assists for a six-point game and Donna Eastman set-up two goals totalling seven points. Sherry Waddell, Angie McMillan, Janet Hall and Neila Waddell all picked up one assist.

Cathy Baillion and Karen Gallinger scored two goals apiece helping the Junior Belles to an 8-2 victory over Alta Vista. Natasha Gaydamack, Angie Robb, Tracey McVey and Christy McDougall all counted one goal. Christy McDougall (2) Tracey McVey, Karen Gallinger, Lynda Vidal all earned assists.

North Gloucester No. 1 fell 6-4 to Metcalfe in Tweens action. Three goals by Michele Gaydamack and singles by Kelly Stanley, Kim Buckland and Kelly McMillan highlighted that victory.

WILL PLAY JETS

The undefeated Junior B Metcalfe Jets will tangle with the Metcalfe Belle-Deb Ringette squad on December 22 in an exhibition test. The girls have predicted the Jets will lose their first game of the season that evening. Game time is set for 8:00pm.

HOLIDAY ELEGANCE
BRANDY ALEXANDER PIE

Not your every day, run-of-the-mill dessert, this one needs your loving care but the results are worth every bit of the attention you give. It is Festive Fare of the highest order, great for a Christmas Open House or a wonderful way to welcome the New Year.

This light chiffon pie has the warmth and good cheer of a Brandy Alexander. The smooth taste and light airy texture of real whipped dairy cream combines beautifully with the brandy to give you a liqueur and a dessert in one creamy tasting piece de resistance.

BRANDY ALEXANDER PIE

(Makes one 9-inch/1 L pie)

1⅓ cups (325 mL) chocolate wafer crumbs
3 tablespoons (45 mL) butter, melted
1 envelope unflavoured gelatin
¾ cup (175 mL) sugar
¼ teaspoon (1 mL) salt
3 eggs, separated
¾ cup (175 mL) milk
⅓ cup (75 mL) chocolate liqueur
2 tablespoons (30 mL) brandy
1 cup (250 mL) whipping cream

Combine wafer crumbs and butter. Press onto bottom and sides of a 9-inch (1L) pie plate. Chill. Combine gelatin, ½ cup (125 mL) sugar and salt in saucepan. Beat together egg yolks and milk. Gradually add to gelatin mixture. Cook over low heat, stirring constantly, until gelatin and sugar are dissolved. Stir in liqueur and brandy. Chill until mixture mounds from a spoon. Beat egg whites until frothy. Gradually beat in remaining ¼ cup (50 mL) sugar. Continue to beat until stiff peaks form. Whip cream until softly stiff. Fold meringue and whipped cream into gelatin mixture. Spoon into prepared pie shell. Chill until firm. Garnish.

Williamsburg social notes

WILLIAMSBURG — Mr. Wilfred Whitteker and Mrs. Kezia Wells spent a few days in Ottawa with Mr. and Mrs. Hugh Reid.

Mrs. Verna Beckstead, Mrs. Medora O'Shaughnessy, Mr. and Mrs. Doug Gow and Mr. Wilfred Whitteker were dinner guests of Mrs. Kezia Wells on Nov. 18.

Mr. and Mrs. Barry Szabo spent Sunday with her parents, Mr. and Mrs. Lee Hummel.

Mr. and Mrs. Fred Beckstead spent Sunday evening in Iroquois with Mr. and Mrs. Bert Shaver.

Sorry to hear Ada Hanson is back in the Civic Hospital again. We wish her a speedy recovery.

Mr. and Mrs. Gordon Andrusiak and son Michael are spending some time with Mrs. Geo. Colquhoun, Eva and Riley.

The Williamsburg Women's Institute will meet in the IOOF Hall, Dec. 14 at 6:30pm.

A pot luck supper will be held and each member is asked to bring a friend.

Members are to bring a money donation to be given to a charity at Christmas.

Give... THE HEART FUND

Rowe - Crowder marry

On Sat., Sept. 18 at Inkerman United Church, Rosemary Dianne, daughter of Mr. and Mrs. Ellery Crowder, exchanged marriage vows with Brian Douglas, son of Mr. and Mrs. Douglas Rowe, Toronto. Rev. Frances Hare officiated at the double ring ceremony.

Mrs. Vernon A. Heighton, aunt of the bride, was organist and David MacLennan, brother-in-law of the bride, was guest soloist.

Rosemary, escorted down the aisle by her father, chose a full-length gown of chiffon over taffeta, the fitted guipure lace bodice featured a stand-up collar, long pointed cuffs, also of guipure lace, caught the full chiffon over-sleeves and the circular hemline formed a chapel train. A large picture hat in matching lace and seed pearls held her train-length veil in place. She carried a bouquet of red roses, white daisies and baby's breath.

Ruth MacLennan, sister of the bride, matron of honor, wore a full-length gown of royal blue chiffon over taffeta with matching picture hat. She carried a bouquet of pink mums, white daisies and baby's breath.

Sheila Curran, friend of the bride, bridesmaid, wore a gown and hat identical to that of the matron of honor and carried a bouquet of royal blue mums, white daisies and baby's breath.

Erin Crowder, sister of the bride, as junior bridesmaid, wore a gown of royal blue chiffon over taffeta with a white rose and blue ribbon in her hair. She carried a nosegay of royal blue mums, white daisies and baby's breath.

The groom was attired in an oxford grey tuxedo with tails, stiped tousers, pearl grey vest and striped ascott. John Weber, friend of the groom, as best man, David Rowe, brother of the groom and Leslie Crowder, brother of the bride, as ushers, were dressed identically to the groom.

A buffet supper and dance followed the ceremony at the Lions Hall, Winchester. Guests attended from Toronto, London, Hamilton, Kitchener, Mount Forest, Fenelon Falls, Ottawa and surrounding areas.

Following a honeymoon in Florida the couple now reside in Kitchener.

Landowners petition council

MOUNTAIN — A petition from landowners seeking changes to the Milton-Hoy municipal drain in Mountain Township has prompted council to arrange an on-site meeting with A.J. Graham Engineering.

Landowners are seeking about one mile of new ditching crossing about 400 acres of land to correct a drainage problem. A meeting date will be confirmed soon.

FUEL CONTRACT AWARDED

Imrie Fuel Supplies of Mountain has been awarded the 1983 contract to provide furnace, hydraulic and motor oil along with diesel fuel to Mountain Township.

Two other tenders were received.

MEETING EXTENDED

Council will set another meeting for December to finish the agenda partially completed at its Dec. 4 inaugural meeting.

The meeting will be set for a date before Christmas.

HORSE-RACING BYLAW

A bylaw authorizing Sunday horse-racing at the South Mountain Fairgrounds was given three meetings by township council Mon., Dec. 6.

The bylaw permits racing after 1:30pm on Sundays in May, June, July and August, along with the operation of parimutuals.

If you think fitness is a distant goal, consider this: you can walk all the way.

Seaway Enterprises workshop in Morrisburg provides an opportunity for the mentally retarded of Dundas County to learn wood-working skills as part of a training program. The Dundas County Association for the Mentally Retarded has announced it will build a new workshop to house additional facilities and participants by next summer.

Press Photo—Reimer

DCAMR gets $350,000 workshop

MORRISBURG — Construction is expected to begin here this week on a new $350,000 workshop for the mentally retarded.

The Dundas County Association for the Mentally Retarded (DCAMR) board of directors has approved a construction contract with Triple B Construction of Williamsburg to build the 12,000-square-foot, single-storey structure, awarding the contract at a board meeting here Nov. 30.

It is expected to be ready for use next summer.

The building will be erected on 4.8 acres purchased by the association at the corner of Allison St. and Highway 2 at the east end of Morrisburg.

The new building will have a white brick front on a blue steel exterior and will house the association's administration, workshop and life skills program for 55 participants.

Construction will be completed in two phases, according to executive director Al Gates.

"The reason for the new building is to provide up-to-date equipment and programs accompanied by the facilities to teach and train our participants for community placement," he said.

The association's current workshop has an area of 5,000 square feet, housing various activity areas and equipment for 30 participants. The association has operated the facility since March, 1980, but it has become cramped for space.

The project qualifies for 80-per-cent funding under the Major Capital Projects program of the Ontario Ministry of Community and Social Services.

Council studies garbage pickup

MAPLE RIDGE — A Winchester Township businessman wants to see a system of garbage disposal that works in western Ontario attempted in the eastern part of the province.

Claude Helder of Claude's Disposal Service approached members of Winchester Township council at their inaugural meeting here Monday about providing garbage pickup for residents of the municipality.

Council agreed to consider the proposal which would see residents have garbage picked up at their lane gate once a week for $52 per year.

Mr. Helder explained that in Western Ontario municipalities hire a firm to pick up garbage and add the charge to the tax bill.

The businessman said that he now has individual paying customers but he would like to try the new system and could offer it if the entire township employed it.

Reeve Gerald Holmes noted that the system would help ease the situation at the dump, but at a great expense. Cost of operating the dump now is $10,000 per year. With 1,000 households in the township paying $1 per week that would up the operating costs to $52,000 per year, he said.

Councillor Wyman Barton noted that if the township decides to investigate gate garbage pickup it should tender the work. The rest of council agreed.

Mr. Helder explained that he would have domestic pickups all year and twice a year would provide a special pickup for large items at no extra cost.

Councillor Dwayne Holmes and deputy-reeve Claude Cousineau agreed there was a need for the service.

Council decided to study the matter.

G.R. Wyatt

Osgoode Township native Gordon Robert Wyatt, RR2 Kemptville, died in Kemptville District Hospital Tues., Nov. 30 in his 72nd year.

Mr. Wyatt, who had lived at RR2 Kemptville since 1955 and who had resided at Peltons Corners prior to that, was born in Osgoode Township Dec. 17, 1910 a son of John A. and Etta (Bowman) Wyatt. He was a retired farmer and had worked for Eastern Breeders Inc.

Mr. Wyatt was a member of the Kemptville Pentecostal Tabernacle.

He is survived by his wife, the former Margaret Sears; two sons, John, Kingston, and Cal, Belleville; two daughters, Phyliss (Mrs. James Davis), RR2 Kemptville, and Margie (Mrs. Garnet Pollock), RR2 Kemptville; a sister, Violet (Mrs. Arthur Folkard), Winchester, and by six grandchildren. He was predeceased by a son, Thomas, and by a brother, Milton.

The body rested at the Purcell Funeral Home, Spencerville, until 1:30pm Fri., Dec. 3 when funeral services were conducted by Rev. Arthur Hudgin from the Kemptville Pentecostal Tabernacle. Interment was at South Gower Cemetery.

Mountain Township Council

Continued from front page

election, Mr. Johnston indicated the subdivision developers were having difficulty obtaining the required bonding.

He proposed that council accept a number of lots in the subdivision as security instead, and asked council for feedback.

He didn't have to wait long.

"We've already got one white elephant subdivision in the township — do we want two? reeve Keith Fawcett asked.

Falcron Developments Ltd. of Ottawa abandoned its South Mountain subdivision after going bankrupt.

Mr. Fawcett said the developers and their consulting engineers, R.E. Winter Engineering of Mississauga, have been dragging their feet on the subdivision, in the opinion of council.

"With this developer, we need more than just talk," councillor Don Levere concurred.

Other councils have lightened their requirements for development bonding by taking lots as security, Mr. Johnston said, citing the townships of Charlottenburgh and Cornwall.

Money has become too expensive for developers to finance in posting large security bonds, he said.

Mountain Township formed its policy on the advice of its legal firm.

Deputy-reeve Jim Alexander was more conciliatory.

"I don't think anyone here wants to discourage these people ..." he said.

He suggested council consider a combination of lots and bonding as security for the development.

Lots in the subdivision would sell for between $30,000 and $40,000, Mr. Johnston said.

Council will ask its legal counsel to advise them on the acceptability of a combination of lots and a bond as security.

Winchester Township agrees to help Rose Hauch train for Olympics

MAPLE RIDGE — Winchester Township council agreed to help in the fund-raising canvass for Olympic hopeful Rose Marie Hauch at their meeting here Monday night.

Members of council were approached by North Dundas District High School teacher Jean Ward to aid in raising funds to help Miss Hauch support herself while training for the 1984 Los Angeles Olympics.

Council members agreed to act as the contact organization in the township for the canvassing from door-to-door to be carried out.

Mrs. Ward explained that she knew few people in the various areas of the township to contact to help canvass. At present canvassing for the athlete's trust fund is going on in Chesterville. As well, bank accounts have been opened in all the banks in Winchester and Chesterville for those wishing to donate.

Several other organizations have been approached for aid too, including the Winchester Lions Club and the Winchester 100 Club. The Chesterville Minor Hockey Association and the Chesterville Rotary Club have already vowed to help.

Several of the larger companies in the area have been approached, she added.

Councillor Dwayne Holmes, although having voiced his support of the canvassing, noted that he has received several negative comments about the fund raising for the athlete.

He said the township's move to donate a lump sum of money to Miss Hauch was also criticized. It's a ticklish situation he said, for the township to get involved in this type of activity as it may be setting a precedent.

However, he added he would like to support all the young people in the area and was susporting the Hauch fund raising.

Mrs. Ward explained she only wanted to use the contacts the council members had in the township and didn't want them to become involved as a council.

Members of council then divided the township into areas and each agreed to contact someone in their area to do the canvassing.

This past fall Miss Hauch won the bronze medal in the Commonwealth Games shot put, giving her the incentive to go to the Olympics.

We need you now more than ever.

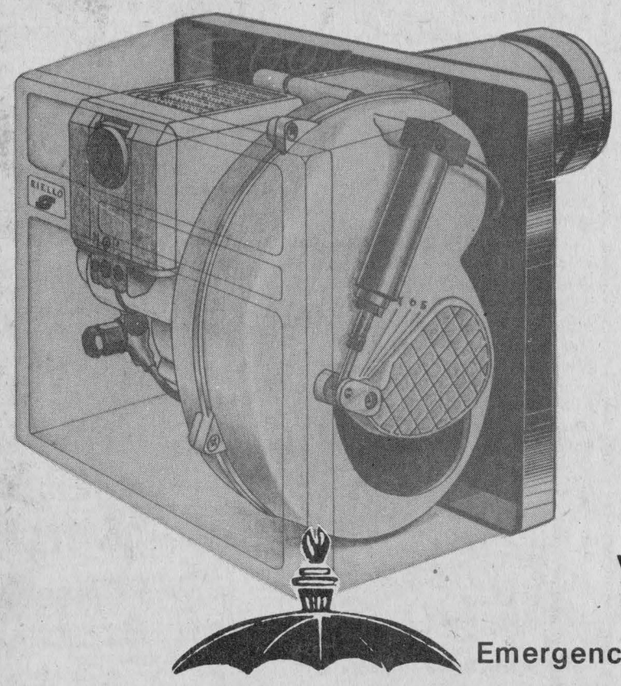
CONVERSION?
CONSIDER THE ALTERNATIVE
Edgerton-Baker Fuels Could Help You Save Over $200 In Fuel Oil Costs The First Year Alone



When you want to save on your home heating costs, consider these possibilities.

Save up to 24% with Riello Burner Systems!

After a free examination of your furnace, we might suggest that you install a Riello Burner System. This burner, installed in just a few hours, could reduce your fuel consumption by up to 24%. For instance, if you burn 3,000 litres of oil a year, your bill may have amounted to $951. With the Riello Burner System, the 24% reduction would save you $228.24 in the first year alone. That's quite a saving!

Birth Notices

FREDEEN — Erik and Carolyn, Dalmeny Road, are proud to announce the arrival on Nov. 21, 1982 of their first-born, Kristin Lyn, weighing exactly 7 lbs. Well-deserved thanks for expert care must go to Dr. Donald Merrett, Mrs. J. Rutley and the maternity staff at Winchester District Memorial Hospital. 34

MORRIS — Robin and Kieron (nee Rees), 435 James St. W., Prescott, and formerly of Chesterville, wish to announce the birth of their first child, Tristan Rees Morris, who arrived safely with the expert help of Dr. Raymond Ng and the nursing staff at Brockville General Hospital at 6:35pm Sun., Dec. 5. A 7 lb., 5 oz. grandson for Jack and Ida Morris, Prescott, and Howard Rees, Prescott. 34

Cards of Thanks

CARD OF THANKS — We would sincerely like to thank our friends, neighbors and relatives for the dance and shower they gave us due to the fire in our home. Special thanks to Carl and Carol Barkley, Tom and Betty Henderson.
—Bob Hess and Linda Barkley 34

In Memoriams

BAKER — In loving memory of a dear husband, father and grandfather, Garfield Baker, who passed away Dec. 9, 1977.
Today recalls the memory,
Of a loved one gone to rest;
And those who think of him today,
Are those who loved him best.
The flowers we lay upon his grave,
May wither and decay;
But the love for him who lies beneath,
Will never fade away.
—Always remembered by Nancy, Bonny, Beverly and Shawn 34

Coming Events

Petition stops boundary road

MAPLE RIDGE — A petition from Marionville area residents has stopped proposed work on the Russell-Winchester Townships Boundary Road in the hamlet of Marionville, at least for the time being.

At Monday's inaugural meeting of Winchester Township council, reeve Gerald Holmes presented the petition, given to him on the weekend and containing approximately 75 names of residents wanting the three townships involved in the project at Marionville to stop the proposed work on and in the village and instead use the funds to further improve the Osgoode-Russell Boundary Road, going north to Highway 417.

Members of council agreed to put the hamlet work on hold until Osgoode and Russell Township councils decide what they want to do.

The petition was introduced to members of council while Gilles Leduc of Kostuch Engineering Ltd., the firm doing the engineering on the project, was addressing them about the next phase.

In 1980 the boundary road between the townships of Osgoode and Russell from the Winchester Township boundary in Marionville was designated as a development road and at that time the designation meant extra funding from the provincial government to improve the road.

The construction of the northern portion of this road from County Road 3 and Ottawa-Carleton Regional Road 6 to Regional Road 8 was completed earlier this year.

The next phase of the project was to have been the reconstruction of the urban portion of the road, including storm sewer construction, in the hamlet of Marionville from the Winchester Township boundary approximately .9 km north.

However, no existing adequate outlet for the storm sewer in Marionville was found at the Winchester boundary limit of the project. The engineers advised the townships involved to construct the outfall storm sewer along the Russell-Winchester boundary easterly some 280 metres to outlet into the existing south road ditch and eventually into a municipal drain.

Other alternatives to this drainage were investigated and rejected on the basis of higher costs.

The proposed location of the sewer would also serve as a local storm sewer for that section of the Russell-Winchester boundary road.

The sewer design is to accept the drainage along the development road (Osgoode-Russell Rd.) and the Russell-Winchester boundary road. Because of the increase in slope in that portion of the road, no over-sizing of the sewer pipes were required, except for a short section near the outlet. Thus the townships of Russell and Winchester were going to request the cost of the outlet sewer be subsidized under the previous development road agreement.

At the same time Russell and Winchester councils decided to reconstruct that section of the boundary from the intersection of the development road to the intersection of St. Pierre St. in Russell Township, to the same urban standard as is proposed for the development road portion. Estimated cost of the approximately 400 m reconstruction was $130,000.

The townships wanted to carry out the reconstruction concurrently with the development road contract and possibly under the same contract to take advantage of the better prices offered by a larger project.

Because the provincial government has phased out the development road designation in setting up the new funding procedure for municipal roads, Russell and Winchester Townships are requesting that the cost of the reconstruction be recognized as a special need.

Phifer - Snyder vows exchanged Sat., Nov. 27

Darlene Ann Snyder, only daughter of Robert Snyder, Morrisburg, and Mrs. Patricia Thib of North Bay and Jeffrey Allan Phifer, son of Mr. and Mrs. John Phifer, Williamsburg, were married Sat., Nov. 27 in a double ring ceremony at 4pm, solemnized by Rev. Tom Lowry in Williamsburg United Church.

Mr. David Phifer, brother of the groom, was best man. Given in marriage by her father, the bride was attired in a white polyester full-length gown with a lace headpiece extending into a full-length train. She carried long stem red roses and baby's breath. Mrs. Susan Mellon, Morrisburg, was maid of honor and wore a floor-length gown in a peach color and carried long stem white gardenias.

An evening reception was held at Caravan Camp, Morrisburg, for friends and relatives. Guests were present from Prescott, Cardinal, Brockville, Cornwall, Ottawa, Belleville, Morrisburg and Williamsburg.

Mr. and Mrs. Jeffrey Phifer have taken up residence at Iroquois.

ACCIDENTS

On Wed., Nov. 17 at 9:45pm, Karl Kirkwood, 33, Brinston, was driving west on County Road 5, west of Winchester Springs when he lost control of his vehicle. The vehicle entered the north ditch and rolled over causing approximately $1,000 damage. Kirkwood was not injured. He has been charged with impaired driving, driving over .08 and having liquor and is to appear in Winchester Provincial Court. Const. Ken Hawkins investigated.

On Thurs., Nov. 18 at 4:10pm, five-year-old Lindsay Giles, 90 Albert St., Chesterville, was struck by a vehicle on Main St., Chesterville, when she ran from the sidewalk in front of a vehicle driven by Pierre Sincennes, 31, Aylmer, PQ. Giles suffered minor cuts and bruises and was kept in Winchester hospital overnight for observation. No charges were laid. Const. Gary Imbeau investigated.

On Mon., Nov. 22 at approximately 10am, Madona Cox, 32, RR1 Winchester, was eastbound on the Liscombe Rd. when she lost control of her 1973 Oldsmobile. The vehicle struck a bridge abutment and entered the north ditch, causing approximately $1,200 damage. Neither Cox nor her passenger, five-year-old Michael Cox, was injured. There were no charges. Const. Bryan Helmer investigated.

On Sun., Nov. 21, at approximately 4pm, James Saunders, 35, RR3, Indian River, Ont. was westbound on Highway 43 approximately 1km east of the Mountain turnoff. Saunders was driving a 1975 GMC Jimmy and towing a flatbed trailer hauling a 1975 International farm tractor. The trailer had a blowout causing the vehicle to jackknife and the tractor to fall off and roll over, causing approximately $1,300 damage. No charges were laid. Const. Gary Imbeau investigated.

On Tues., Nov. 23 at 8:50am Ray VanNoy, 44, RR4 Winchester, was driving a 1981 Ford van southbound on Highway 31. A 1980 Chevrolet pick-up truck driven by Marvin Waldroff, 29, Newington, was westbound on the Baker Rd. The Waldroff vehicle stopped and then proceeded across the intersection colliding with the side of the VanNoy vehicle. There were no injuries. The VanNoy vehicle suffered approximately $1,800 damage while the Waldroff vehicle suffered approximately $1,000 damage. Waldroff has been charged with failing to yield to through traffic. Const. Norm Sarault investigated.

On Thurs., Nov. 25 at 3:50pm Barbara Tobin, 25, Kemptville, was driving east on Highway 43 near Chesterville when she lost control on the ice-covered road. The front of her vehicle struck the bridge railing and caused $1,100. There were no injuries or charges. Howard Smith investigated.

On Thurs., Nov. 25 at 6pm Kenneth McRoberts, 19, Gladstone Ave., Winchester, was driving east on the Boyne Road just east of Winchester when he lost control on ice-covered road. The vehicle entered the south ditch and rolled over. There were no injuries or charges. The vehicle suffered approximately $2,000 damage. Const. Howard Smith investigated.

On Sat., Nov. 27 at 5:20pm Richard Lavictoire, 24, Ottawa, was driving north on County Road 7 just north of Morewood. A vehicle operated by Brenda Brogan, 18, Osgoode, attempted to pass Lavictoire and lost control on the ice-covered road. The Brogan vehicle slid sideways into the Lavictoire vehicle causing approximately $1,000 damage. There were no injuries or charges. Const. Howard Smith investigated.

On Sun., Nov. 28 at 4:45pm Elizabeth Burke, 36, Willowdale, Ont., was driving south on Highway 31 just north of Winchester Springs. Andre Coupal, 21, Ottawa, was driving north when he lost control and struck the left side of the Burke vehicle which then struck the guide rails and entered the west ditch. There were no injuries or charges. The vehicles suffered approximately $3,000 damage. Const. Bryan Helmer investigated.

POSSESSION OF STOLEN PROPERTY

On Wed., Oct. 27, Ottawa Police Department officers stopped a car on a routine check and found in the vehicle was a quantity of jewellery. Investigation revealed that this jewellery came from a break-in at the Kathleen Millar residence near Inkerman April 5. A quantity of jewellery, coins and a calculator of a value of $2,800 were stolen at that time. The recovered property is valued at $2,700. As a result, Stephen McConnell, 20, Corley Place, Ottawa, has been charged with possession of stolen property and is to appear in Winchester Court Dec. 22.

LIQUOR VIOLATIONS

On Fri., Dec. 3, at 5:40pm, Const. Norm Sarault stopped a vehicle on County Road 1 south of Mountain and seized a quantity of liquor. As a result, Ronald Simzer, 27, Mountain, has been charged with having liquor.

On Fri., Dec. 3, at 10:20pm, Const. Gary Imbeau checked a vehicle in the parking lot at the Winchester arena and seized a quantity of beer. As a result, James Bjergso, 25, South Mountain, has been charged with having liquor.

On Sat., Dec. 4, at 1am, Constables Norm Sarault and Gary Imbeau checked two subjects in the Winchester arena parking lot and seized a quantity of beer. As a result, Barry Fulton, 21, South St., Chesterville, and Donald Crowder, 26, Victoria St., Winchester, have been charged with having liquor.

On Sat., Dec. 4, at 10:45pm, Const. Gary Imbeau checked a subject walking on a street in South Mountain and seized a quantity of beer. As a result, John Kelly, 18, Church St., Chesterville, has been charged with being a minor having liquor.

On Sun., Dec.5, at 1:35am, Const. Norm Sarault checked a vehicle in front of the Community Hall in South Mountain and seized a quantity of beer. As a result, Antonius Spruit, 19, RR2 Mountain, has been charged with having liquor.

On Sun., Dec. 5, at 1:45am, Const. Norm Sarault checked a subject in front of the Community Hall, South Mountain, and seized a quantity of liquor. As a result, Tommy VanKoppen, 21, Winchester, has been charged with having liquor.

Editorials

The kids are alright

To borrow a phrase from the British rock group The Who, "The kids are alright".

Dundas County's young people prove it every day, but when they do something special they should receive the recognition they deserve.

On Friday students from North Dundas and Seaway District High Schools staged their "Corpuscle Cup" competition, collecting 114 units of blood for the Canadian Red Cross Society. This marked the first time that a blood donor clinic had been held at a county high school and the clinic overshot its target by 14 per cent, further boosting the county's already solid reputation as the top per capita blood donor area in Eastern Ontario — and perhaps in the whole province.

The enthusiasm with which the students responded to the challenge proves that, although young people may have their problems (and what young generation hasn't), they can always be counted upon when the need arises.

The tradition of community service that this county's young people have long enjoyed has been further served by the outstanding efforts they put forward at Friday's clinic. The introduction of school spirit and the friendly rivalry between NDDHS and SDHS will benefit the entire population of Dundas, regardless of age.

Credit where it's due

And while bouquets are being tossed about, a few should be sent in the direction of everyone who had anything to do with Saturday's Santa Claus Parade in Winchester.

From the Chamber of Commerce organizing committee to the individuals, businesses, service clubs, institutions and organizations, all who played important roles in once again ensuring the success of the event and heightening the sense of anticipation that Christmas brings — despite Saturday's spring-like temperatures.

A special vote of thanks goes to the non-profit organizations which took part in Saturday's event. Without them, life in rural Ontario would not be nearly so joyful to experience than it constantly proves to be.

R.M.

Within boundaries

It is heartening to see news reports from the southwestern corner of Dundas of opposition to the proposed change in the electoral boundaries of Stormont-Dundas riding.

Iroquois reeve Frank Rooney and Matilda Township reeve Lorne Strader have both been reported as opposing the switch of the two municipalities to Leeds-Grenville and we hope that more residents of the affected area express their opposition to the move.

It makes no sense, other than to satisfy the numbers game as played by the Electoral Boundaries Commission, to remove the southwestern portion of the county and tack it onto Leeds-Grenville, an area with which it has next to nothing in common except geographic proximity.

Matilda and Iroquois have been bounced back and forth over the riding boundaries' net so often in the past 15 years that their residents must feel as if they are the projectile in a Jimmy Connors-John McEnroe tennis match, and if they get as ill-tempered as Messrs. Connors and McEnroe over the latest proposed switch, maybe they can get the big boys in Ottawa to listen.

In case you want to make your point to the commission, it will hear representations on the proposals at a sitting in the Ontario Supreme Court Building, 56 Sparks St., Ottawa, Thurs., Feb. 3, beginning at 9:30am. But hurry, you have less than a week left to notify the commission of your intentions. Notification should be sent to the Electoral Boundaries Commission for the Province of Ontario, 3059 Carling Ave., Ottawa, K2B 7K4.

R.M.

Congratulations

by Don Reimer

It's an indisputable characteristic of all humanity to revel in the grandeur and pageantry of a spectacle, any spectacle.

More specifically, everyone loves a parade.

The curious nature of parades is that it may be even more fun for the parade participants than it is for the spectators, without losing sight of the fact that the whole effort is for kids.

Expressions of sheer delight and unbridled enthusiasm from pre-schoolers along Saturday's parade route were the best reward for anyone whose efforts helped make the parade a reality.

Flashes of recognition for Winchesterians costumed in the identity of cartoon characters were evident among kids of all ages, pre-school to 40-year-old revellers, exclaiming (often in unison) "Lookit!" There's Mickey Mouse!"

Beautiful, spontaneous fun.

For a newcomer, the spirit and goodwill generated by the Santa Claus parade warms the countenance.

News Commentary

And the collective effort by business and organizations to put on their best face for the community's youth is a unifying force to make Winchester proud. Period.

The work and effort contributed by each participant to prepare for the parade is an investment in making somebody happy.

The whole affair reminded me of my participation in the Calgary Stampede parade as a youngster in my early teens.

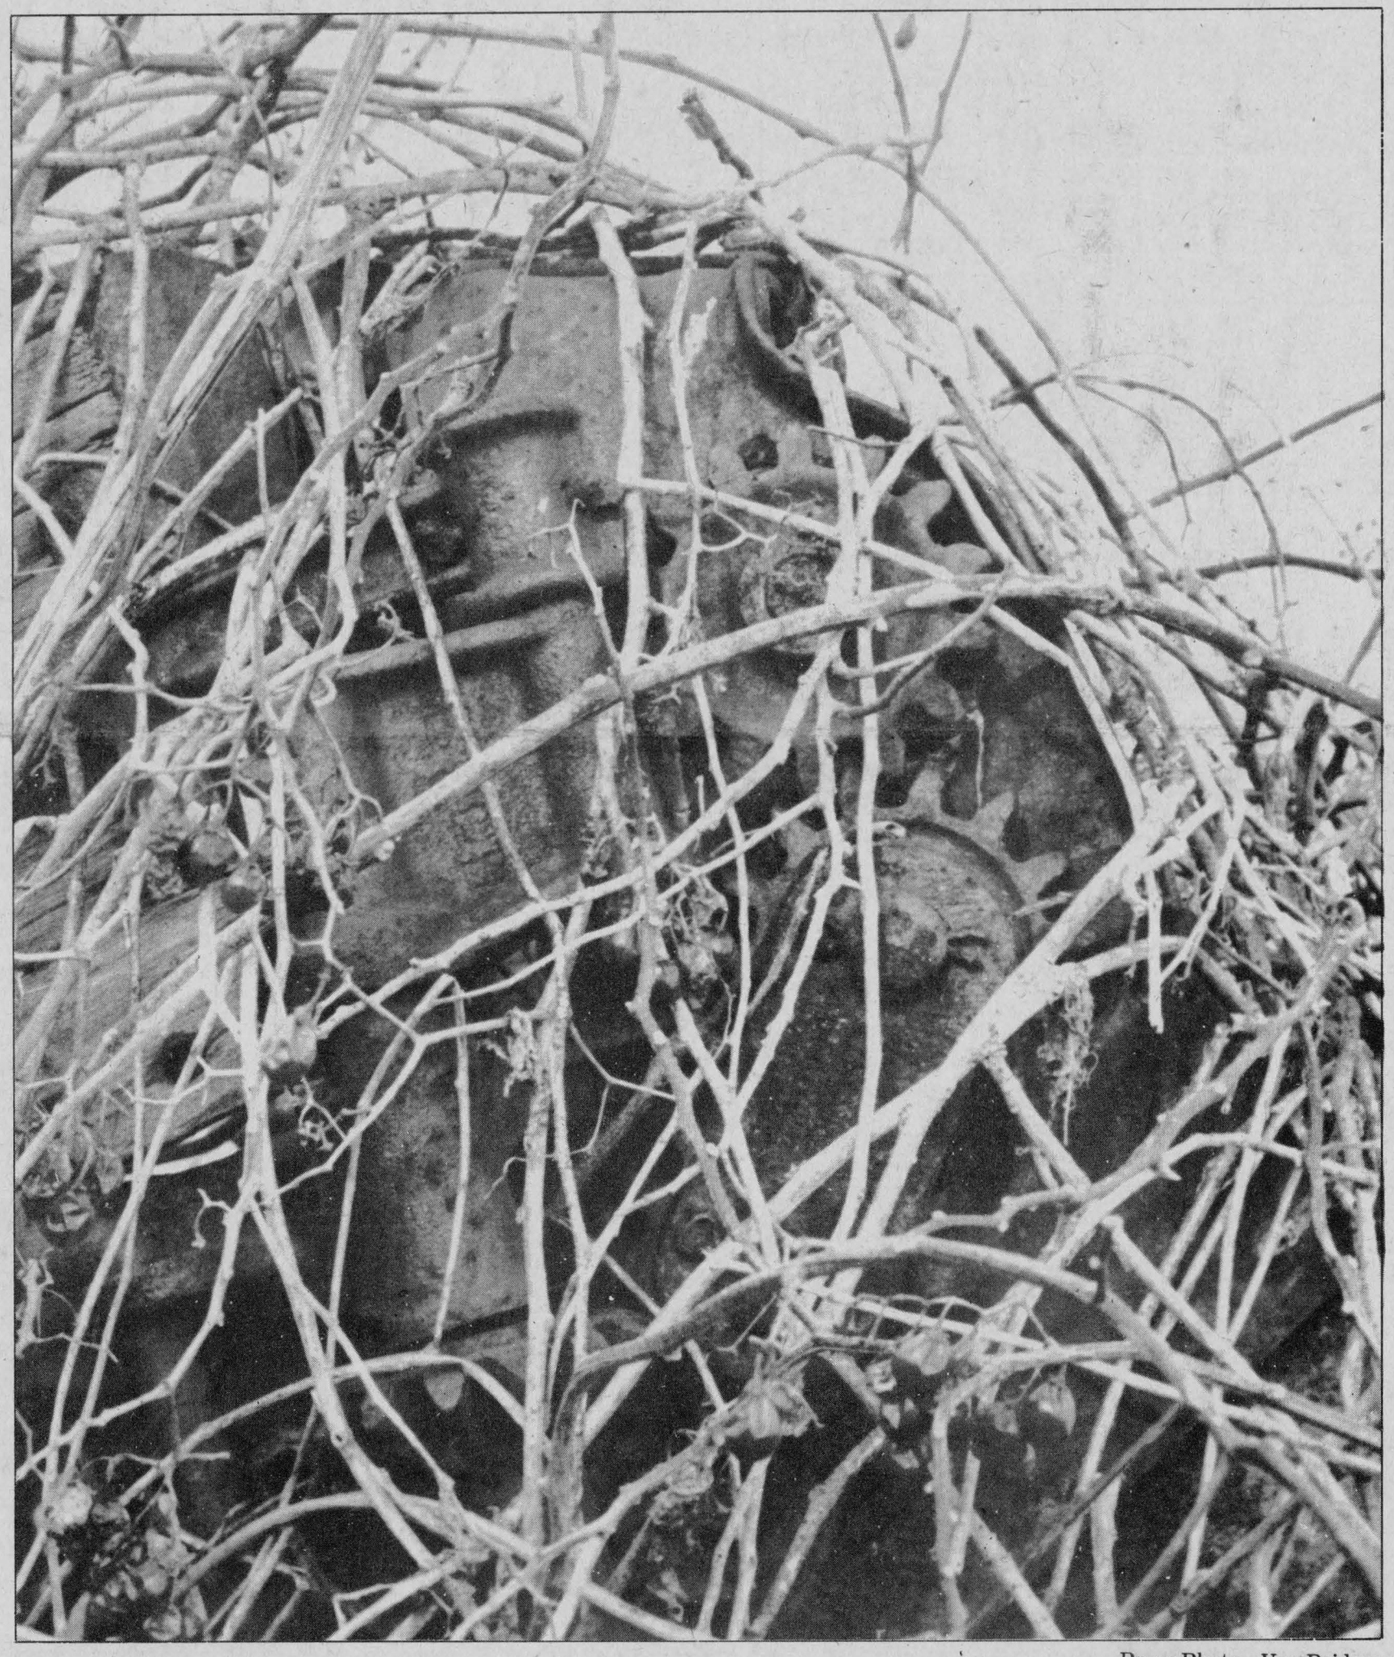
Costumed, but unmasked, to ride on a youth group's float, I remember feeling a gripping knot inside as we started along the route in front of a hundred thousand people.

And it didn't go away. One and half miles later, I remember hoping I wouldn't have to do it again.

Well, any apprehension about this parade disappeared after putting a candy into an open, inviting and very tiny hand which belonged to the widest eyes and most marvellous dimples this side of Thunder Bay. The little hand clasped the candy and, I'm sure, the vision was etched on the tyke's developing memory — maybe for a lifetime.

Small wonder indeed, that with community features like the Santa Claus parade and the effort made for youth here, they grow up to live and love Winchester.

Congratulations.



Press Photo—Van Bridger

Letters

The Editor:

May we take this opportunity to thank the volunteers who worked so hard for the Arthritis Society and made our campaign a success. Approximately $2,000 was raised, a nice increase over last year.

Arthritis affects more than 3-million Canadians, many under the age of 16. The society's goal is to find the ultimate cause and cure while promoting the best possible care. Donations are welcome at any time to treasurer Max Boyd, Winchester, also as In Memoriam gifts. Receipts are issued promptly.

We thank The Winchester Press for support given the campaign during the month of September.

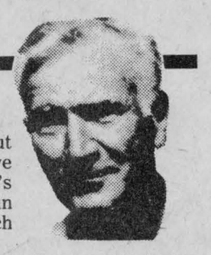
The older, the better

by Bill Smiley



One of the nicer things about growing older is that we grow steadily more pure. It's astonishing how we shed sin and don morality with each passing year.

One night about 50 years ago, for example, I was climbing over a stone wall with my shirt stuffed with grapes, when a stentorian voice bellowed, "Hi! You!" My heart leaped into my mouth, I leaped to the ground, the grapes popped out of my shirt, and I took off like a missile, pursued by outraged roars and heavy boots.

Later, in the sanctuary of my bed, did I regret my wickedness, revile myself for shattering one of the commandments and swear that I'd never do it again? Not exactly. What I did was regret losing the grapes, revile myself for being scared half to death, and swear a return visit to the vineyard as soon as the heat was off.

That's what I mean. Today, I'd never consider such a thing. Oh, I might give my golf ball a very small kick if it was in a particularly bad lie in the rough and nobody was looking. I might tell my wife I'd paid the hydro bill in time to get the discount when I knew perfectly well that it was in my pocket, unpaid. But I'd never dream of doing anything dishonest, like stealing grapes from a millionaire with a huge estate and a huge gardener doubling as night watchman.

Other people are the same. The older they get, the better they get. Not long ago, we visited an old acquaintance, a woman in her early 40s. She had a teenage daughter who was out to a dance that night. The kid was to be home by one. As the hour neared, the mother kept breaking off her monologue about her church activities, her eyes flitting toward the clock. By one-fifteen, we had to restrain her forcibly from calling the police. The kid showed up at one-thirty. You should have heard her mother. You'd have thought the youngster was utterly depraved.

Later, as mama served tea and vehemently wondered what was going to become of these undisciplined, irresponsible teenagers, I couldn't help casting my mind back. Twenty-five years earlier, our hostess had been a regular young rip, whose specialties were drinking gin out of the bottle in back seats of cars and going for mixed midnight swims au naturel.

Recently, I spent a weekend with an old college friend. He had distinguished himself at university, not through academic or athletic prowess, but for an incredible memory that could recall the words and tunes of all the bawdy songs ever sung. Saturday night I tried to get a few verses of Riley's Daughter, or Cats on the Rooftops out of him, but he was strangely reticent. In the old days you had to hold him down and stuff a sock in his mouth to make him stop singing.

Sunday morning, he acted kind of mysterious. Wanted me to go for a walk with him. I decided he was taking me to the bootlegger's, so naturally demurred, but he insisted. Ten minutes later my mouth was still hanging open as I sat in the back row of the Sunday School and watched my friend, arms waving, face beaming, leading about 80 small types through the strains of Jesus Loves Me.

Last spring I bumped into an old Air Force sidekick in the coffee shop of a city hotel. Hadn't seen him since Brussels, 1945. His name was Dick, but we called him The Count in those days, because he was reputedly, and enviedly, living in sin with a beautiful, rich Belgian countess. He was a big, handsome, devil-may-care chap then.

Anyway, we chatted. He was pretty fat, pretty bald, pretty dull. "Remember when we used to call you The Count?". I asked, in an effort to establish some common ground. He muttered something like, "Count me out", and launched rapidly into a spiel on the work he was doing with juvenile delinquents, through a church group. He finally ran out of breath, there was an awkward pause, then: "Guess you haven't met the wife," he said, turning to a large red-faced woman sitting on the stool beside him, eating a vast sundae. It was not the Countess.

And so it goes. You can see them everywhere: people who were once steeped in sin and now pass the collection plate; who were once steeped in gin and whose inflamed noses now light the way for the valiant armies of the temperance movement.

Reformed lechers lead the attack on pornography and prostitution. Reformed poachers want the game laws tightened. Ancient golfers will take off as few as five strokes from their actual score. Sex fiends become saintly.

It's as plain as the wart on your nose that people improve with age, morally, if not physically. But I'd still like to know why.

Is it because they have learned to respect the law and other people's property? Is it because they know the day of judgment is bearing down and they're trying to cover their flaming youth with a nice coat of camouflage grey? Or is it that they simply don't have the stamina to be sinful any more?

Perhaps some of you old sinners could enlighten me.

Seventh Column

by Joe Rowan

This is the first opportunity we've had to extend congratulations to those who were successful in recent elections and remind every last one of them that their constituents are expecting mighty big things to happen during the next three years. It was indeed unfortunate so many coasted back into office by acclamation, which has to mean either their excellence was being rewarded, or those who pay the taxes just don't give a damn. Not for us to determine which! We do, however, salute old friend Fred Barrett, the newly elected mayor of Gloucester. It might safely be said Fred's interest in his municipality dates back a half-century when, as a teenager, he worked with his father on the family farm in the heart of the township. That interest grew as the years went by and, in 1949, he made his first venture in the realm of municipal politics and was elected to serve on council. Gloucester recognized his talent and dedication by keeping him in office continually for 20 years. Following the 1980 election, Fred was determined winner in his first quest for the reeve's chair, but a recount gave the final decision to his opponent, Betty Stewart. Urged by friends from all parts of the now city of Gloucester to again seek the seat he had lost by such a slim margin, Fred threw his battered old straw hat back into the ring. This time, following another recount, he finds himself mayor of the fast-growing municipality he has always called home. Gloucester was indeed fortunate to have had two such highly qualified candidates. They chose Fred, a farmer, sportsman, statesman and gentleman. Congratulations 'Lion Fred'!

Readers have been complaining. Matter of fact, many have been going even a step further and sending along mild reprimands. In short, our fingers are being rapped for not showing proper respect for the 'Old Girl'. Naturally we plead complete innocence, and feel the root of the problem is simply misinterpretation. Perhaps a proper definition is in order. When the words pop up on our typewriter there can be no possible hint of disrespect. To us they conjure up images of a young lass who made a vow nearly 42 years ago and has courageously honored that pledge, making absolutely no demands despite more than her share of trials, tribulations and a usually grumpy mate. So friends, please remember that when we write 'Old Girl' we're thinking of a wonderful lady who, after squeezing literally thousands of mops, washing myriads of dishes, hanging out tons of clothes and changing some 20,000 diapers, (computerized data for seven babies), is just as lovely as that cold February day when she smiled radiantly and answered "I do". Maybe today there are a few strands of silver and just a trace of a furrow on her brow, but then we like silver, and besides, our own brow often looks like a fried prune. We'd take this a step further, but have to stop and tell the 'Old Girl' to get off her fanny; turn off those stupid 'soaps'; and get her snow shovel down from the attic. It looks like snow.

Just can't seem to say thanks often enough to all the kind people who offered encouragement when we needed it most. Both while hospitalized and while recuperating at home. Space doesn't allow us to offer a detailed list, but rest assured all signatures, below often humorous messages, are engraved in memory. We do, however, want to express our heartfelt gratitude to groups who took the time to send along special good wishes, flowers and gifts. Those 'Osgoode Quilters' for example, who even offered their services to the good doctor should any 'stitching' be necessary. We'll not soon forget the Women's Institute members who took the time, during one of their busy meetings, to extend personal good wishes; fellow Lions Club members; Osgoode Township office staff; and of course, the lovely girls and handsome men (maybe we're sicker than we think) who slave to publish this excellent weekly. And it was sure good to know our 'fabulous Jets' remembered with flowers, as did fellow members at Royal Canadian Legion Branch 627 at Greely. Thought you might like to know all those beautiful memories are being carefully preserved in a bulging scrap book.

Pleased to note this week that the 'Morris Dynasty' has been further strengthened with the birth of a seven pound, five ounce Tristan. Already proud parents Robin and Kieron have purchased a photo album, confident some day the trusty Nikkon will follow their offspring through brilliant scholastic years, football fame, and even on to great heights in the political arena. Congratulations happy parents, and may the dreams you have for your boy all come true.

Jackson, Eastman top 4-H clubs

Vernon award winners

Award winners and donors for Vernon 4-H Club at the Nov. 12 banquet are, front from left, Darlene Eastman, Ottawa Citizen Award; Donna Eastman, outstanding member; Shirley Velthuis, outstanding first-year member; Thomas Mueller, Fellowship Award. Standing, from left are donors, Mr. and Mrs. Ken Murdock, Dwayne Acres and Mr. and Mrs. Bert Velthuis.

Metcalfe members receive trophies

Award winners and donors for Metcalfe 4-H Club at the Nov. 12 4-H banquet were, front from left, Linda Campbell, top first-year member and top first-year dairy showperson; Janet Zandbelt, press reporter award; Sandra Jackson, secretary's award; Rick Jackson, outstanding member and winner of Ottawa Citizen Award; Robbie Faubert, top first-year beef showman. Standing from left are donors, John K. Campbell, Mrs. Joan Read, John Bancroft, Winston Bellinger and Sherry Waddell.

EDWARDS — Metcalfe and Vernon 4-H clubs combined for their annual awards night Nov. 12 when members of both clubs, their parents and friends enjoyed an exciting program.

Master of ceremonies for the occasion was Metcalfe club president Andrew Zandbelt. Following a meal prepared and served by the Edwards United Church Women, Martha Bunda extended thanks to the caterers and Janet Zandbelt expressed the club's appreciation to the Metcalfe and District Lions Club.

Following reports of various activities during the season, John Bancroft officiated for presentation of the many awards and special honors.

Rick Jackson, Metcalfe Club, and Donna Eastman, Vernon Club, were named outstanding members of their respective clubs. Miss Eastman received the Ken and Liz Murdock award, presented by Mrs. Murdock, while Rick accepted the Cameron Equipment Award from Winston Bellinger.

The Metcalfe 4-H Club received the Rideau Kiwanis Club Challenge Trophy as the top club in Carleton County.

Other awards presented were: Cecil Waddell Award for top first year dairy and beef showman at Metcalfe Achievement Day, presented by Sherry Waddell to Linda Campbell, Metcalfe, and Robbie Faubert, Metcalfe; Norm Sinclair Award for top dairy showperson at Metcalfe Achievement Day, presented by Mr. Sinclair to Donna Eastman; Ottawa Citizen Award of $150 top agricultural member on the basis of first two years in 4-H, presented by Chuck Daly to Rick Jackson, Metcalfe, and Darlene Eastman, Vernon; Dwayne Acres Award for outstanding first year member, presented by Mr. Acres to Shirley Velthuis; Mr. and Mrs. Bert Velthuis Fellowship Award, presented to Thomas Mueller.

Eastern Ontario Sheep Association Award for top sheep showman, presented to Colleen Acres; John K. Campbell Award for outstanding first year member, presented by Mr. Campbell to Linda Campbell; Inter-club Showmanship Class, Richmond Fair Awards went to David Hall, Metcalfe, and David Anderson, Vernon; the best club secretary award went to Metcalfe's Sandra Jackson, while the press reporter's award was won by Metcalfe's Janet Zandbelt.

Following the program, Virtronics provided music for an evening of dancing.

Milk over-quota situation serious

TORONTO — A decline in sales of Class I milk coupled with an increase in marketings to the Ontario Milk Marketing Board indicates that this province will be in a very serious over-quota production situation by the end of this dairy year, according to the OMMB's latest information bulletin.

The problem is made especially acute in light of the 2.65-per cent reduction in national Market Sharing Quota (MSQ) at the start of the 1982-83 dairy year.

In October, total milk marketings to the board increased 5.3 per cent over a year ago and marked the fourth straight month in which marketings exceeded their 1981 levels. September's marketings were up 3.2 per cent, August's 2.3 per cent and July's 1.2 per cent.

At the same time, cumulative Class I sales for the first quarter of the new dairy year show a drop of one per cent.

Industrial milk and cream shipments for the same three months, including shipments within and over MSQ, are 8.5 per cent higher than a year ago.

These statistics have led to the board again issuing a stern warning to producers to get their production back within their allotment or get extra quota to cover the amount they are shipping.

Producers should not count on any refund of over-quota levies at the end of this dairy year. If any refunds exist, they will be minimal, the board's bulletin warns.

"Producers who shipped over-quota milk during the last dairy year are strongly advised to take steps to bring production into line with their quota holdings before the end of the current dairy year," the bulletin states.

A meeting of the Canadian Milk Supply Management Committee (CMSC) on Monday of this week could bring more bad news for producers.

The committee is considering a further reduction in MSQ because of continuing poor domestic sales of many industrial milk products.

At its November meeting, the committee received information which strongly indicates the need to increase within-quota and over-quota levies.

"This is because of significant downward pressure on the price of products being exported and the continued upward production trends in Canada and other dairy exporting countries," the board's bulletin states.

Two Information Inserts mailed with your Assessment Notice explain the appeal procedure and provide the timetable of Open Houses in your area.

Open House Sessions Will Answer Questions

Open House sessions have been planned at convenient times and locations in your municipality to afford you the opportunity to review your assessment with staff of the Regional Assessment Office.

Assessment staff will be pleased to explain the basis of your property assessment and are authorized to amend all data (school support, assessment, etc.) on your Notice.

You are encouraged to take advantage of this service.

Rolls Available For Review

The Assessment Roll will be available for review at your local municipal office during regular business hours, beginning December 22nd, 1982.

If You Wish To Appeal

If you believe you have been improperly assessed in any way, you may file a formal complaint with the Assessment Review Board. The final date for filing an appeal is January 11th, 1983.

Information on appeal procedures is provided on the back of your Assessment Notice and in the Information Inserts.

Residential Properties Insulated With Urea Formaldehyde Foam

A residential property which has been insulated with Urea Formaldehyde Foam (U.F.F.I.) may qualify for a 35 per cent reduction to the residential building portion of the 1982 property assessment.

Those ratepayers whose residential properties are insulated with U.F.F.I. are urged to attend an Assessment Open House scheduled in their area or to contact the Regional Assessment Office to confirm their eligibility for this assessment reduction.

Heat wave greets Santa at Winchester

Three-year-old Amanda Vander Spank wasn't shy about greeting Santa at the Happy Face Nursery School pancake breakfast Saturday morning as she filled him in on her Christmas wishes.
Press Photo—Reimer

The CountryBoy again placed first in the commercial division of the Winchester Chamber of Commerce Santa Claus parade here Saturday. The entry, Snow White and the Seven Dwarfs' Christmas, was pulled by the magnificent team supplied for the day by Lanson Hyndman. The CountryBoy took first place in the 1981 parade as well and Saturday received a trophy and a cheque for $100. Press Photo—Van Bridger

E.T. (Carolyn Graham) takes time out before phoning home with the news to accept the trophy on behalf of Maple Ridge Senior Public School for the best non-commercial entry in Saturday's Winchester Chamber of Commerce Santa Claus parade from Ray VanNoy. The school's cheerleaders accompanied the float and for their efforts the MRSPS students received a trophy and a cheque for $100. With the students are judges Terry McConnell, Hal Lee and Bob Rossborough.
Press Photo—Morris

J.D. VanNoy waves from his precarious perch atop his unicycle as he entertained young and old Saturday.
Press Photo—Van Bridger

W.J.L. Boyd provided transportation for Rosemary Hauch, the NDDHS graduate who won a bronze for Canada in the shot put at the recent Commonwealth Games. A fund has been set up to help send her to the Olympics in 1984 and donations can be made at both banks in Winchester. Press Photo—Van Bridger

A Maple Ridge student tootles on the clarinet while Dundas Dairy Princess Rachel Thurler (bottom photo) waves to the large crowd that lined the route for Saturday's parade. Press Photos—Van Bridger

Winchester Print distributed over 3,000 coloring books to children along the parade route Saturday. Bundles were also sent to the hospital. Press Photo—Van Bridger

Parade committee members Al Scott and Bill Stewart present a cheque for $50 to Frank Toonen of the Ormond Recreation Association whose nativity scene entry placed second in the non-commercial section of Saturday's Chamber of Commerce Santa Claus parade.
Press Photo—Morris

Raggedy Ann and Raggedy Andy (Jillian LaPierre and Ryan Moore) accept a $50 cheque for The Winchester Press whose "Cartoon Christmas" entry took second place in the commercial division of Saturday's parade. Making the presentation are Al Scott, left, and Bill Stewart.
Press Photo—Morris

Saturday's balmy temperatures were more spring-like than reminiscent of Christmas, a fact which didn't bother these young parade participants who for a change didn't have to worry about frosty toes and fingers after completing the long parade route. (at right) Members of the Winchester Boy Scout Troop made the banners for the floats and troop members paraded in front of most of the entries with the banners.
Press Photos—Van Bridger

Santa's reindeer rest up on the Ault Foods Ltd. float in Saturday's parade.
Press Photo—Van Bridger

Members of the Winchester Royal Canadian Legion kept busy handing out candy on the main corner.

Little Orphan Annie graced the entry of Mason Richards Interiors and Flower Shop (photo at left) while these little elves didn't have to worry about huddling together to keep themselves warm in Saturday's 60-plus temperatures.

Dr. Gerry Rosenquist of the St. Lawrence Medical Clinic presents the Corpuscle Cup to NDDHS student council president Bernadette Wouters, left, and head girl Jill Steele after Friday's Red Cross blood donor clinic at NDDHS. The local school edged Seaway District to retain the cup at the first clinic held at a Dundas high school.

Press Photo—Morris

NDDHS outmuscles SDHS in corpuscle cup tussle

MAPLE RIDGE — North Dundas District High School students bled themselves white to retain possession of the Corpuscle Cup in competition with students from Seaway District High School at the Red Cross blood donor clinic at NDDHS Friday.

Fifty-nine donors turned out to support the NDDHS side while SDHS provided 55 donors in Friday's "varsity bleed-off", held for the first time at NDDHS. This is the third time NDDHS has won the Corpuscle Cup, provided by St. Lawrence Medical Clinic and presented to NDDHS student council president Bernadette Wouters by Dr. Gerry Rosenquist at the conclusion of Friday's clinic.

Linda Petetski, from the Red Cross Society's Eastern Ontario regional office in Ottawa, said Friday's clinic marked a first for local high schools.

Although NDDHS and SDHS have been competing for the Corpuscle Cup for some time, this was the first time they had their own clinic to stage the competition. In the past the students had been donating at the clinics held at Winchester District Memorial Hospital. Seaway students had been bused to WDMH to take part.

She said the Red Cross had targeted 100 donors for Friday's clinic and the 114-donor turnout was "absolutely super ... fantastic", carrying on the tradition the Winchester area has established as the top statistical area for blood donor clinics in Eastern Ontario. Miss Petetski said this covers the region from Deep River east to the Quebec border.

Winchester consistently hits its average target of 250 donors and 220 units of blood at its three clinics a year. With the high schools now holding a separate clinic, the amount of blood collected in the area should increase, she said.

Dr. Rosenquist gave much of the credit for the success of the student clinic to SDHS teacher Nick Gruich, who devised the idea of the Corpuscle Cup, and to Friday's student organizers.

A return "match" is scheduled for Seaway District in early May, 1983, and NDDHS students are already talking about taking an arterial route to Iroquois as they brace their basilic veins in order to keep the cup at North Dundas.

DFA action shelves plan to narrow Nation channel

WINCHESTER — Action by the Dundas Federation of Agriculture (DFA) to fight the Oct. 20 decision made by the South Nation River Conservation Authority's (SNRCA) executive committee to narrow the final stretch of the South Nation River channelization project from 80 to 35 feet has been successful in stopping any immediate action by the authority, according to a report given by Cliff Howse at the federation's December meeting of the DFA here Wednesday night in the Dundas OMAF office.

DFA members are concerned that narrowing the final stretch of the channel would seriously affect flood conditions and drainage efficiency in that section of the channel which runs from Cass Bridge west to Salter's Bridge, a distance of about three kilometres.

DFA members agreed at their November meeting that for the channelization to be of full benefit the 80-foot width should be extended at least to the point in the river where the South Branch meets the main branch. Eighty per cent of Matilda Township is drained by the South Branch, Mr. Howse told DFA members.

A special committee of DFA members appointed to look into the problem has had several meetings with SNRCA officials and as a result Kostuch Engineering, the firm which handled Contract IV of the channelization project, has been instructed by the authority to prepare a report regarding what type of river channel would be best for efficient flood control as well as effective drainage.

SNRCA general manager Jim Windsor suggested that a compromise be made which would see the channel width narrowed to 35 feet in that final stretch but the depth of the channel remain the same as that of the original 80-foot section.

The DFA is preparing a letter outlining its concerns and recommendations to be sent to Kostuch Engineering, for consideration as they prepare the report for the authority, Mr. Howse said.

More meetings have been scheduled with the authority during the next few weeks to discuss the situation further, Mr. Howse informed the members at the meeting.

Several DFA members returning from the annual Ontario Federation of Agriculture (OFA) convention late last month expressed disappointment in the absence of Stormont-Dundas MP Ed Lumley at the convention.

Mr. Lumley, who was to speak at the convention held in Toronto, did not attend, but sent an assistant with his speech.

The presentation given by his assistant "was not at all impressive", reported vice-president Gordon Garlough.

Glass-belted radial for winter traction
WINTER EXPRESS provides vital drive-wheel traction essential in our northern snow areas. The smooth-riding combination of polyester casing and two glass belts matches the construction of many new car tires and can be mated with steel-belted radials in other wheel positions. Self-cleaning tread lug cleats dig in for a positive grip under the worst winter road conditions. Also gives great traction on slippery surfaces. Winter driving is just another snow sport with WINTER EXPRESS.

5-YEAR
unlimited mileage, road-hazard

HIWAY-BYWAY built with 4 plies of resilient DuPont 66 Nylon—noted for minimal thermal set—quickly runs itself smooth. Deep-buttressed shoulder lugs plow through heaviest snow. Deep, self-cleaning lug cleats keep the tread in touch with the road at all times.

HIWAY-BYWAY built bigger in every respect, except for the price. Two super-tough, yet flexible glass belts encircle two cord plies of DuPont 66 Nylon. Extra-wide tread with rugged, chunky lugs that dig in on slippery road surfaces and claw through mud and snow.

Voice of the clergy

Xmas and Christmas

by Rev. Richard Bombay
Chesterville Christian Fellowship

Far to the west of the Greater Sea, there lieth a vast land called Adanac; sparsely inhabited but along the southern borders.

There abideth a curious nation of barbarians, with deeply rooted customs. Thou wouldst marvel at their great mid-winter holy-day, known by most as Exmas.

Those who doth celebrate this festival are wont to engage in most curious craftiness. They secretly exchange small squares of hard paper with various depictions of birds, candles, trees, and sometimes an obese figure clad in a red suit. This latter apparition seemeth to be the god of those who mark Exmas as a special feast.

An even more curious practice of these peoples is the mad rush to shops of merchants who make great sport of selling otherwise useless wares at usurious prices just days before the Exmas celebration. Thou wouldst be in mirth to observe the chaos!

Local medicine men informed my party that many who celebrate Exmas need more than the usual potions and remedies to heal their tortured bodies and spirits so beset by the festivities of Exmas.

There doth also also be a rebel group who, on the same day as Exmas, celebrate a different holy-day they call Crissmas. There seemeth to be no connection between the two events.

It doth appear that those who celebrate Exmas do so to satisfy their own desires, while those who observe Crissmas delighteth to worship their god with little regard for their own pleasures.

The god of this small rebel faction was revealed to me as being a babe; he hath been born in most curious circumstances in a distant land, in a distant time. His eventual fate was death by a mob, but even our own history records some of his rumored resurrection.

Crissmas serveth as a remembrance of this man's birth. Me-thinks I recall the name .. Jeezus, I think it was. Tragedy lieth in the fact that this lesser holy-day of Crissmas seemeth to be doomed in the great shadow of the festival of Exmas.

We didst with regret set sail from Adanac just days after these festivals.

(With apologies to C.S. Lewis.)

Levere family holds cousins party

INKERMAN — The descendants of the late Henry Levere and Polly Baldwin held their 21st annual cousins Christmas party on Sun., Dec. 5 at the home of Mrs. Pearl Levere of Inkerman.

Twenty-three guests were present, coming from Kemptville, Prescott, Cornwall, Cardinal, Shanly, Smiths Falls and surrounding area of Winchester.

A pot luck dinner was served by hostesses Pearl Levere and Muriel Levere.

Following an enjoyable evening of visiting, everyone returned home looking forward to being back another year.

VON extends home care

CORNWALL — The Victorian Order of Nurses has expanded its Home Care Program to include treatment for the chronically ill in SD&G and Prescott-Russell.

The provincially funded Home Care Program purchases services from the VON, a non-profit organization, but until Dec. 1 the program in Eastern Ontario was restricted to home treatment for acutely ill patients.

According to VON spokesman Frances Whidden, the Eastern Counties Branch, "welcomes the expansion of nursing services as there has always been a need for nursing care for the chronically ill".

The increase in patients will also provide more revenue for the VON, she noted. For complete information on the program, contact Mrs. Whidden at 932-3451.

Computer fun

A number of teachers and parents attended a computer training workshop at Inkerman Public School Tues., Nov. 23 and after some basic instruction, played a variety of computer games. Computer hobbyist John Eby and school committee member Joey O'Connor flank an enthusiastic participant. The workshop was conducted by Stormont, Dundas and Glengarry Board of Education consultant Marc Schaefer. Press Photo—Reimer

Two Morrisburg scouts to attend '83 jamboree

MORRISBURG — Two Morrisburg Scouts have been chosen to attend the 1983 World Jamboree of Scouting in Calgary.

The two, Chris Lane and Glenn Serviss, will join members of Scout troops from Prescott and Cardinal in representing the St. Lawrence District.

The world event will be held in the Kananaskis Valley near Calgary July 4 to 17. The site is where the Canadian National Jamboree, attended by members of the Winchester troop, was held in 1981.

According to St. Lawrence District president Bill Sheldrick of Morrisburg, registration fees for the international jamboree are $400 per boy and the representatives' troops will be helping defray their registration and travel costs.

"The idea is to have each of the boys bring something back from the jamboree to share with the rest of the Scouts in their troops," Mr. Sheldrick said in explaining the financial assistance the St. Lawrence District representatives will be receiving.

WINCHESTER M/M

Mr. Ewart Simms joined the several members of the Mountain Women's Institute last week to autograph a copy of the organization's book, Tweedsmuir History of Mountain Women's Institute. From left to right are, Dorothy Gibson, curator; Betty Allen, president; Isabel Forward, curator of the Dundas District Women's Institute.

Press Photo—Reimer

Institute-compiled history published

MOUNTAIN — A graphic and entertaining history of the villages of Mountain, VanCamp and Hallville and the Mountain Women's Institute is ready for release.

The Tweedsmuir History of Mountain Women's Institute, a glossy, 223-page chronicle of the area's past is the product of years of work by former curator, the late Eva Simms, and the current W.I. executive and membership.

The soft-cover book combines black and white photos with short articles detailing the history of the women's institute, Mountain village, schools, churches, VanCamp and Hallville communities, golden weddings, a section titled the old and the new, farms in the Mountain community, the Mountain Herald, postcards of yesteryears, personalities, family trees and sports.

The limited edition is available to the public at $28 per copy. According to the Institute's past president and curator Dorothy Gibson, the Tweedsmuir History of Mountain W.I. is one of the first in Ontario published with copies made available to local residents.

Eva Simms, who was curator of the women's institute for 15 years, discussed publishing the history with her assistant Nancy Hyndman, many years ago but it was not until 1980 that the work began, using all of the history compiled.

Students of Nationview school have used parts of the book for local history projects.

Much of the information included in the book is reprinted from accounts of the community activity reported in area weekly newspapers.

Dundas - A Sketch of Canadian History by James Croil published in 1861 was the first published work of local history in all of Ontario, according to Dorothy Gibson.

A tea was held Sunday with Mountain councillor Ewart Simms, son of the late Mrs. Simms, attending to autograph copies of the history book on behalf of Mountain Township council.

Mountain council has provided support for the project.

TCS enrolment up 10%

Addition of kindergarten next step for Timothy Christian

BOUCK'S HILL — The addition of a kindergarten and a revised constitution were among the items discussed at a recent meeting of Timothy Christian School Society in Williamsburg. Many members attended and listened to speaker Gary Endhoven, former principal of the John Knox Christian School of Brockville. His topic was "Christian Education ... from K - 8 ..."

Mr. Endhoven mentioned that just as we are concerned about what kind of foods our children eat, so we must be concerned about the education they "digest". As Christian students, they must be taught that Jesus is Lord over every part of life and that all of learning comes under His dominion and rule, he said.

Mr. Endhoven also promoted the concept of allowing a child to flourish to the utmost of his or her capabilities.

A child must not be held back because of chronological age. "We adhere too much to the calendar," he said, "with the result that some children become bored in class since they are mentally too advanced for their grade". A child's God-given talents must be allowed to bloom unhindered. It is in kindergarten that such cases can be detected early, he said.

The idea of starting a kindergarten at Timothy was greeted with enthusiasm. It is hoped that this kindergarten can begin in September, 1983. Board chairman John Knier responded warmly to a suggestion that grades 9 and 10 also be added to the school in the foreseeable future. He assured the membership that the schoolboard will seriously consider such a goal.

Principal James Kooistra reported with thankfulness that this year the school has the highest enrolment since its establishment almost 20 years ago.

There are now 115 students from 61 families — a 10 per cent increase over last year.

As a result the four full-time teachers are very busy and it is hoped by January an extra teacher can be found to do remedial work on a half-time basis. There is an urgent need for such a teacher in spite of the capable help already being given by several mothers.

Archbishop to visit St. Daniel's

KEMPTVILLE — Archbishop Francis John Spence, DD, Kingston, will visit the parishes of St. Daniel's, South Mountain, and Holy Cross, Kemptville, Sun., Dec. 19.

He will be the celebrant at parish masses, will preach the homilies and will meet with parishioners afterwards at a coffee party.

In the afternoon the archbishop will preside at a combined parish council meeting and will be present, along with clergy from neighboring parishes, for the Christmas Celebration of Penance at Holy Cross that evening.

Archbishop Spence was appointed Archbishop of Kingston by Pope John Paul to replace the retiring Archbishop Joseph Wilhelm, DD.

He is a native of Perth and was ordained into the priesthood in St. Mary's Cathedral, Kingston, April 15, 1960, and was consecrated bishop at the same cathedral June 15, 1967.

"The people of Holy Cross and St. Daniel's look forward to receiving and welcoming their archbishop on his first visit to Kemptville as archbishop," parish priest Father C.D. Cummings stated in a press release issued this week.

- Mason Richards Interiors and Flower Shop
- John Ellis Home Furnishings and Carpet Centre
- Seaway Valley Pharmacy
- Holmes Jewellers

Christmas Hours begin Dec. 13,
Stores open until 9:00pm

Don't let winter get your silo unloader down.

We'll winterize it for a price you can't pass up.

Call, make an appointment, and our factory-trained serviceman will come out, give your Patz silo unloader a complete performance check, make any necessary adjustments and lubricate it for a flat fee of $38.00.

If your unloader needs parts, we'll tell you what they are and how much they'll cost. But you're not obligated to buy them or to have us install them.

What's in it for us? The satisfaction of knowing those good Patz silo unloaders are tuned up and ready to do their work this winter. We're serious about helping you do the tough jobs better!

Call for your appointment today!

If you like the offer, but don't have a Patz unloader, please call anyway. We'll do our best to fit you into our schedule.

Hurry...Offer expires Dec. 20, 1982

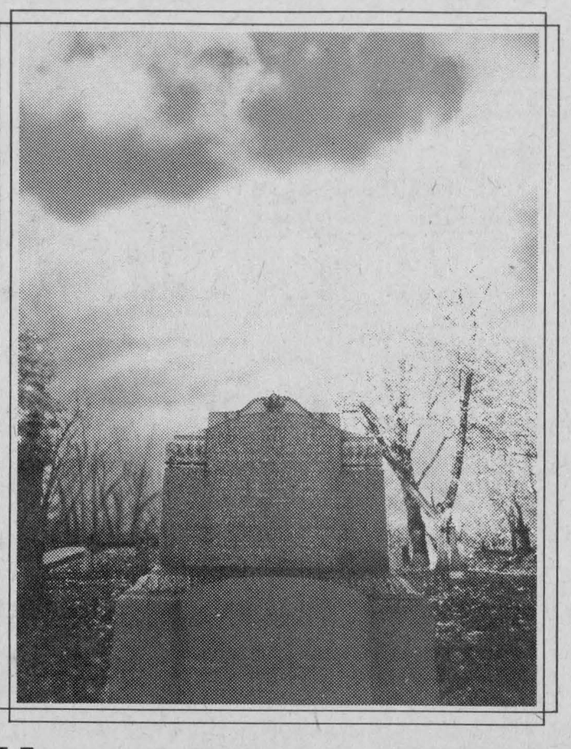
ACRES EQUIPMENT LIMITED
Winchester 774-2834
PATZ



HE WON'T MAKE THE SAME MISTAKE TWICE.

Nor will the other fifty-eight people killed in the last 10 years while working around power lines in Ontario.

Before beginning work, locate power lines. Call Ontario Hydro or your local utility for the voltage of overhead lines and the exact location of underground lines.

Then clearly mark their route. And if you're working with others, remind them to keep themselves, and their equipment, safely away. Even coming too close to power lines is extremely dangerous.

If someone does hit a power line, don't approach the equipment or the victim while they're still in contact with the line. Keep others away, too. To touch the victim or the equipment - even a winch line or the load on the equipment, could be fatal. Have someone call Ontario Hydro or the local utility to get help, or to have the power shut off.

If you, or someone you care for works near power lines, write for our free safety information. Electricity shouldn't cost an arm or a leg.

Or a life.

Write:

Variety of books make ideal Christmas gifts for children

TORONTO (CP) — Anyone wishing to give children books for Christmas this year will find great variety in recent releases.

Some are educational, some are just for fun and others manage to combine the two. Naturally, some are terrific while others are better left on the shelf.

Here's a sample of what the season has to offer, first for younger children.

The Fisherman and His Wife: Jenni Lunn's Nova Scotia home adds a salty flavor to her retelling of the famous Grimm fairy tale. This time around the fisherman drives a truck and the wife demands indoor plumbing from the magic fish but only a purist would object to these modern touches.

What is guaranteed to please in this McGraw-Hill Ryerson Ltd. book are Lunn's illustrations. The fishwife looks bossy, the fisherman timid and the fish grows in size and ferocity with each wish he grants.

The language has gusto, with the wife hissing: "Yer liver for bait and yer tongue for flap traps."

A Northern Alphabet: This beautifully illustrated book by Yukon artist Ted Harrison can serve as a puzzle book, a story book or a games book.

Only some of the people, animals or objects in the accompanying picture are named under each letter. Children are encouraged to name the others and complete the story started, if possible, with words using the letter on the page. Around the border of each page are the names of northern settlements starting with each letter.

The big plus of this book is Harrison's colorful 15-by-18 centimetre illustrations, far different from cute and cloying drawings sometimes deemed appropriate for children.

From Collins Publishers, it's worth the price of $10.95.

ABC 123: The Canadian Alphabet and Counting Book: Vlasta Van Kampen ties the alphabet together by describing a party all the animals throw every year to show their love of Canada. Bold black and white drawings illustrate this Hurtig Publishers Ltd. publication.

Unfortunately, the book can't decide what it is trying to do. A child just learning the alphabet would have difficulty with the verses while one who can handle the words likely has learned his ABCs.

As well, any meaning is lost in the reaching for alliteration, as the letter K shows: K is for the kid at the keyboard who keeps ketchup in his kayak for the Kingfisher who eats kipper by the kilo.

The Little Boy Who Cried Himself to Sea: Both parents and little ones who have sparred at nap time will appreciate the gentle humor and delightful improbability in this short story by Eugenie Fernandes.

The plot is simple. A little boy who doesn't want to have a nap cries so much his bed floats out the window on a river of tears and ends up in the sea where he finally falls asleep. His mother rows out to rescue him and takes him back to his room where he finishes his nap.

Fernandes, who has done animation for Sesame Street and the Electric Company, wrote the story one day when her own little boy did not want his nap. It's a Kids Can Press publication.

Let's Eat! Allons Manger!: Leslie Fairfield's whimsical characters are back in action in a companion book to What's the Word, Cherchez le mot. This time children aged three to seven can identify familiar words in English and French for the foods they eat, and their cultivation and preparation.

The black-and-white illustrations are full of fun and detail so children don't realize the book, also by Kids Can Press, is a learning experience.

Fairfield should be congratulated on incorporating into most scenes active participants who just happen to be in a wheelchair.
