Local MLA Urges Completion Of Highways 31 & 16

One of the final speakers in the budget debate, Mr. F. M. Cass, MLA for Grenville-Dundas, has asked the highways department to have Highways 16 and 31 put in top shape before the building of any new highways in this area takes place. "It has always been imposible to travel from the U. S. border to Ottawa on any road that could be called a highway by U. S. standards," he said.

Mr. Cass also said that the Ontario government should establish a new junior college at Kemptville in conjunction with the Kemptville Agricultural College. It would provide the first two years of college training.

He predicted a period of industrial expansion for this St. Lawrence Seaway riding "if we are assured of adequate amounts of the electricity that will be produced by the power project." He asked the government to see that the power from the development is not all exported to the overgrown Toronto-Hamilton industrial areas. Property deals in the Seaway are being handled fairly, said Mr. Cass, "even though not everyone is getting what he thinks he should and not all the municipalities are happy."

WINCHESTER Theatre News

Starting tonight (Thursday), and Friday and Saturday, April 12-13-14, "Day Of Fury" will be shown at The Winchester, starring Dale Robertson, Mara Corday and Jock Mahoney. Monday, Tuesday and Wednesday, April 16-17-18, "A Man Called Peter" will be shown, which is a great biographical drama. Counties' Health Unit Announces Polio Vaccine Available Here Soon

The Provincial Department of Health has notified the Stormont, Dundas and Glengarry Health Unit that a supply of Poliomyelitis Vaccine will shortly be distributed to local health authorities. At first the local Unit expects to receive sufficient to give one dose to all Public and Separate school children who did not receive two doses last year. Later, the Unit hopes to give these children a second dose, and a third to those who received two last year. The S. D. & G. Unit is under the direction of Dr. R. S. Peat, M.O.H.

The S D. & G. Unit does not yet know exactly when it will receive the vaccine, and the timetable for immunization clinics cannot, therefore, be made up yet. It is hoped that the immunization campaign will be completed before the end of the school year. In the meantime, parents of school children who did not receive two doses last year will be given the opportunity of requesting the vaccination this year. Special forms will be distributed through the schools and the Health Unit looks forward to the continuing co-operation of the teachers. As soon as the dates re expectant delivery of the vaccine are known, a timetable will be drawn up and widely publicized. As during last year's campaign, the S. D. & G. Health Unit will set up a clinic in each of the larger schools, but in the rural areas there will be designated centres in the larger communities and children from the surrounding area will be notified so that they may attend at the proper time. There are about 13,000 school children who did not receive any shots last year eligible for the vaccination in the school programme this year. Seventy-seven centres will be used in the United Counties.

Township Council Met At Morewood

The regular meeting of Winchester Township Council was held in the Presbyterian Hall, Morewood, on Monday, April 2nd, with all the members present, and the reeve, Mr. Basil Dawley, in the chair.

The minutes of the last regular and special meetings were adopted as read and signed by the reeve.

A delegation from Ormond interviewed Council in regard to a tile drain that had been damaged while grading the township road through Con. 12, and Council decided to have the Township Solicitor, Mr. F. M. Cass, present at the next meeting in order to advise council as to its responsibility in the matter.

It was decided by Council that no road account would be paid unless same had been authorized by the Road Superintendent.

Tenders for crushing and delivering gravel on the roads in the township were opened and the contract awarded to Mr. E. L. Blair at 80c per cu. yd. within a 5-mile radius and 7c per yd. per mile over five miles.

The tenders for the supply of gravel were deferred until Council has an opportunity to examine the gravel in the different pits.

The tender for the supply of Brush and Weed Kill was awarded to Mr. Don. Arbuthnot for the supply of 100 gallons, more or less.

A confirming resolution was passed by council, requesting the appointment of Mr. Allan Farlinger as representative for Dundas County on the St. Lawrence Development Commission.

NATION FLOOD PEAK REACHED—FAR FROM RECORD

A surprising Nation River flood, which inundates hundreds of acres of farm land and some buildings along its winding path, came up quickly this year, reached the shoulders of Highway 31 and then swiftly subsided. At time of writing there is still considerable farm land under water, but it is only a matter of a few days until the river flow confines itself to its regular course.

The Nation River Road to the Valley, the west bound road to Oak Valley and Inkerman, and the old portion of Highway 31, were as usual covered with two or three feet of water. In general, however, farmers said there was little damage, and were surprised that the flood came up as high as it did.

Barring five or six days of continued rain, the Nation flood is over for this year.

Honoured On Fortieth Wedding Anniversary

On the Easter week-end the family and relatives of Mr. and Mrs. Bismark Barkley gathered at their home to honour them on the occasion of their 40th Wedding Anniversary. Mr. and Mrs. Barkley were married on April 4th, 1916, at the Presbyterian Manse, Chesterville, by the Rev. T. B. McCorkindale. They were attended by Susie and Andrew McMillan, sister and brother of the bride. Mrs. Barkley is the second daughter of the late Mr. and Mrs. Howard McMillan, and Mr. Barkley is the youngest son of the late Mr. and Mrs. Aaron Barkley, both of Dunbar.

Mr. and Mrs. Barkley spent thirty-seven years of their married life on the old homestead where Mr. Barkley was born. On July 1st, 1955, they disposed of their farm and moved to Morewood, where they now reside. They have a family of four sons and one daughter, also twelve grandchildren, who were all present for the happy occasion.

Edwin Barkley, eldest son, addressed his parents on behalf of the family, when they were presented with a beautiful anniversary cake and an automatic toaster.

Mr. E. B. McMillan spoke on behalf of the brothers and sisters of the McMillan family and the others present, and presented the honoured couple with a substantial purse. They also received many beautiful cards from their friends and neighbours.

Mr. Barkley made a very fitting reply, and all joined in singing "For They Are Jolly Good Fellows." A dainty lunch was served at the close.

Those present were, Mr. and Mrs. Edwin Barkley and son, Mr. and Mrs. Garnet Barkley and family, Mr. and Mrs. Don. Morrow, all of Kingston; Mr. and Mrs. Emerson Barkley and family, of Parry Sound; Mr. and Mrs. Clifton Barkley and family, of Trenton; Mr. and Mrs. E. B. McMillan, Miss Susie McMillan, Mr. and Mrs. Sheldon Ball and Ileen, of Chesterville; Mr. and Mrs. A. A. McMillan, Mr. and Mrs. Gerald McMillan and boys, Mr. and Mrs. Bert Weegar and Donald, of Morewood; Miss Marlene Swerdfeger, of Ottawa; Mr. and Mrs. Rodney Hummell, of Parry Sound. Mr. and Mrs. Roy McMillan. only sister of Mr. Barkley, and Mrs. W. B. Allison were unable to be present through illness.

Stolen Cash Register Recovered In Road Side Ditch

A stolen cash register which was taken from Robert Norval's Shell Service Station in Williamsburg last Tuesday evening, was recoved later in the week by Messrs. William and Joseph Hunter, partly submerged in a roadside ditch half a mile south of Toyes Hill.

Three or four dollars in change which were in the cash register when it was stolen were missing, as were some papers, but aside from some damage to the inking system, the machine was still in working order.

Thieves gained access to the Norval premises early Wednesday morning by means of a back window. Nothing in the garage, except the cash register, was touched. The robbery was discovered Wednesday morning when the garage was opened for the day's business.

Investigation, which is being conducted by Corporal J. H. Aldred of Morrisburg Detachment, OPP, is continuing.

Kemptville Royals Win Citizen Shield

One of the best seasons of hockey Kemptville and district has ever enjoyed was provided this year by Kemptville Royals who Saturday night won the coveted Ottawa Citizen Shield by defeating Brownsburg 6-3. The game was played at Brockville Memorial Arena and was witnessed by over 1200 partisan Kemptville fans.

Royals' roster this year looked like an Inkerman Rocket graduate list, headed by the old professor, Lloyd LaPorte. So to most of these players and the coach, winning the Shield is old stuff, because in days gone by it was an annual habit for the LaPortemen to come through.

Saturday night Sammy Gaw and Lowell Craig fired a pair to pace the Royals' attack. Denzil "Louie" Crowder and Doug Barclay added singletons. Doug. MacAdam with two and Jean Narbonne's lone marker accounted for Brownsburg's goal getting.

To cop the Shield this year the Royals had to win their own St. Lawrence Intermediate League, knock off Renfrew, champs of the Upper Ottawa Valley, and finally Brownsburg, Lower Ottawa Valley winners.

Coach Lloyd LaPorte told The Press yesterday morning that the Royals would not continue against Ottawa LaSalle, due to the lateness of the season and other existing circumstances. Instead, they will rest on their season laurels atop the Citizen Shield—a mighty good way to end a season.

Eastern Ontario Regional Rally of CBMC Held Here

Close to 100 men and women attended the day long Eastern Ontario Regional Rally of the Christian Business Men's Committee in Winchester United Church on Saturday. Delegates were also present from Montreal and Shawville, Quebec.

Arnold E. Dukelow and W. E. Graham of the Winchester Committee welcomed the visitors, and following the ten o'clock registration George McCordick, of Renfrew, chaired the morning session. Song leader at the morning portion of the rally was Aylmer Moore, of Renfrew. The Bible reading was given by Fred Broughton, of Ottawa.

Michael Flowers was the guest speaker at the luncheon held at Heidi's Restaurant, and the chairman was Dr. J. J. McKendry, of Ottawa. Announcements were given by A. E. Dukelow of Winchester, and testimonies presented by Hilliard Hobbs, Shawville, Alan Morgan, Brockville, and Orville Forrester of Westport. Musical entertainment at the luncheon was under the direction of Fred Cunningham and an instrumental group from Peterborough.

Following an intermission and a tour of the town, the session resumed at the church with the CBMC worshop headed py Victor C. Minion, of Ottawa. Out of the panel discussion, which featured E. Lambert of Ottawa, A. Kilgor of Renfrew, D. Cornu of Kingston, and W. Rourke of Ottawa, came one prominent point that Christian principles should be applied to to-day's business. At the same time members upheld tract distribution, but only at the proper time and to the right persons, not just at random. During the problem period which was directed by D. F. McKechnie of Ottawa, vice chairman of the CBMC International, members decided that CBMC literature was useful, and mentioned several ways in which it could be better distributed. They also believed that Regional Conferences were beneficial because of the opportunity it afforded members to get together and voice their various views on common problems and ideas. Members were urged to use the advertising medium as much as possible to publicize meetings, guest speakers, etc.

L. C. Thomas, of Ottawa, was chairman of a panel which discussed the question, "How I would Improve the CBMC." Members of the panel were Orval Smart and Cecil Lester, of Ottawa, and W. M. Gardner of Montreal.

G. Gould, of Renfrew, was master of ceremonies at the evening luncheon at Heidi's, and song leader was Aylmer Moore of Peterborough. Featured soloist was Kenneth Miller, of Ottawa, and the guest speaker was Don McKechnie of Ottawa. A welcome on behalf of the Village of Winchester was expressed by Councillor Donald Christie. The Rally concluded with an evening session in the church. Guest speaker was W. B. Elliott, of Montreal. Song leader was Harold Jackson of Ottawa, and musical numbers were provided by Ken. Miller of Ottawa and the Holtz Brothers, Pembroke. John Boles, of Ottawa, was the chairman.

Ladies' Meeting

A special ladies' meeting was held in the Baptist Church during the afternoon, when delegates were addressed by Mrs. J. J. McKendry. Mrs. Allen Green ,of Smiths Falls, presided, and the soloist was Mrs Arthur Rielly, of Ottawa. Others who took part in the women's program were Mrs. John Boles of Ottawa, Mrs. A. Kilgor of Renfrew, and Mrs. S. H. Panke of Pembroke.

Memorial Hospital Auxiliary Had Busy Meeting In April

The regular monthly meeting of the Winchester District Memorial Hospital Auxiliary was held in the Town Hall, Winchester, on Tuesday of last week. Mrs. P. Roberts opened the meeting extending a welcome to all. The minutes were read and accepted, and the treasurer's statement heard, which revealed about $1,360.00 on hand. with no disbursements during the month. It was decided unanimously that a Hospital Fair would be held in June. Mrs. Grace Mulloy, the newly appointed Director of Nursing, gave a full monthly report and also acknowledged several donations—Easter baskets for patients' trays from the Winchester C. G. I. T.; five pounds of chocolates, Mr. A. Duncan, Winchester; two angel cakes, Mrs. Harry Carruthers; large chocolate bunny, Heidi's Restaurant; gifts for children's ward, Chesterville Mission Band, Trinity United Church; games and toys, Metcalfe W. A.; Easter Lily, Choir of Vernon Presbyterian Church. All these were very much appreciated.

The two floor rugs, which are in storage, are to be taken out and placed in the hospital if there is a room suitable for them. If not, the purchasing committee will dispose of them as they see fit. Vernon Unit, under the direction of Mrs. H. Cowan, will purchase a new typewriter for office use, value about $200.00.

The president urged some member to write an essay on "My Auxiliary's Contribution to its Hospital." For further particulars contact Mrs. P. Roberts.

Mrs. Keith Carkner, director for Winchester Unit, gave a great deal of praise to Winchester firemen who held a bingo recently in conjunction with Winchester Hospital Unit and gave the entire proceeds to the unit, which was a little over $50.00.

Tickets were sold on a nicely dressed doll, under the direction of Mrs. Grace Mulloy, director of Inkerman Unit, and the draw was made at this meeting by Mrs. P. Roberts. The lucky winner was Diana Deveraux, who was a patient when this ticket was purchased by Stevens Drug Co. salesman, and given Diana.

The meeting closed with the National Anthem, with Mrs. H. Fetterly at the piano.

At the close of the above meeting the sub-executive plus the nine directors who were present discussed plans for the Hospital Fair, the date of which is Saturday, June 16th, afternoon and evening. The units were assigned different booths, subject to change: Cass Bridge & Summers, parcel post; South Mountain and Vancamp, fish pond; Winchester and Mountain, tea room; Metcalfe and Winchester, drinks and ice cream; Kenmore and Winchester, candy; Winchester Springs, Williamsburg and Ormond, home cooking; Vernon, Chesterville, Elma and Morewood, handicraft. Inkerman and Hallville will be responsible for selling tickets on a draw, and the committee is open for suggestions as to the prizes—donations would be acceptable.

Other plans were also discussed. A full report will be brought to the next regular meeting on May 3rd when it is hoped that every director will be present.

Williamsburg Twp. Council Appoints Representative To New Cemetery Board

In an effort to assist the newly formed Williamsburg Cemetery Board the municipal council of the Township of Williamsburg has instructed Clerk Keith Schell to contact the Department of Health with regard to sending an official of that Department to Williamsburg to advise the new Board of the legal proceedings in the forming of a new Cemetery. An earlier meeting of the townspeople showed sufficient interest in the project to have a new board appointed and investigate the possibilities of having a new cemetery as soon as possible. The present cemetery at Williamsburg, along Highway 31 at the north entrance to the village, can no longer be used because of a lack of plots within the cemetery limits. Councillor Mason Robinson was appointed as Council's representative on the new Board.

Township mill rate for 1956 was set at 5.5. Appropriation for roads and bridges for the year 1956, under By-law No. 1260, was set at $36,200.00. Municipal drains prior to 1945 in the Township were written off on a motion of council. The clerk was instructed to write a letter of regret to Mrs. Oscar Beckstead, widow of Oscar Beckstead, who for many years was a valued reeve of Williamsburg Township.

Accounts passed included: Roads and Bridges, $1563.00; Fox Pelts, $54.00; Indigent Patients, $715.62; Relief, $56.40; Drains, $200.00; Salaries, $276.

South Mountain Plans Stake Races

Thirty paid up entries for the rich 2.28 Stake Race at the South Mountain Dominion Day Meet have been received, according to John Thompson, race committee chairman. Increased prize money is the big draw this year, and according to present plans the Race Meet this year will have purses almost double those of 1955.

In addition to the big stake race, which will see the best horses from Eastern Ontario, Quebec and Northern New York compete, there will also be three classified races to round out a nice card.

For those not so interested in the sport of kings, The Dominion Day committee is making arrangements for a softball tournament with the best teams in the district playing for the honours.

Plans for the annual attraction were released at a meeting of the directors of Mountain Agricultural Society. A complete list of the horses and owners will be published in next week's Press.

Bread Token And Old Coin Found In District Garden

Lorne Holmes of Winchester brought into the office of The Press this week a One Penny piece which was released in this country 119 years ago. The penny, about the size of to-day's fifty-cent piece or a little larger, and thicker, was unearthed from a garden. It was a monetary token of the Province of Lower Canada which appeared on the coin in French, and was issued in 1837. Although it did not state, this particular penny may have been issued in conjunction with accession to the throne of the late Queen Victoria in June, 1837. She was crowned the following year.

Mr. Holmes also brought to the office a bread token, good for one pan of bread at the Winchester bakery. There was no date on the token, although many Winchester people can well remember when tokens were used for bread about thirty or more years ago. This particular token had on the one side the words "Winchester Bakery, good for 1 pan bread," and on the other side, "Go to A. W. Beach for choice groceries." The token was also found in a garden, and was similar in size to a fifty-cent piece.

Three-Piece Bedroom Suite Sells For Only $9.50, Says Press Advt.

Some buy! A three-piece golden oak bedroom suite, all for $9.50. And here are some more unbelievable prices: Dining chairs with a price tag of 60 cents; rocking chairs in quarter cut oak, mahogany, birch and elm, in the $1.00 price range.

Can't believe it. It's the truth, or rather, it was the truth 51 years ago as it was advertised by the M. F. Beach Company Limited in the June 8th issue of The Press in 1905.

The old copies of the Press were dropped off at the office by Ken. Summers, and they belonged to his father, the late John Summers, who by the way announced the re-opening of The Model Bakery in this same issue. Also in the 50-year-old issue were other specials including three pounds of tea in cash box for $1.00, at the store of J. M. Hughes and Company. A report of Winchester Township Council saw a motion passed for Council to spend $300.00 on each quarter of the township for roads during the year 1905. Councillors at that time were P. Kirby, Allen McIntosh, George Black and J. W. Bogart. From Winchester Springs the June 8, 1905 issue revealed that horse buyers were plentiful, and that Mr. and Mrs. Morley McPherson attended the funeral of the former's mother, Mrs. Hugh McPherson, at Bouck's Hill. Two deaths were reported, Mrs. Merkley, mother of Gordon Merkley, and Wilda, twin daughter of Mr. and Mrs. Wm. Davidson. Anniversary services at St. Paul's Presbyterian Church, Winchester, were held at Winchester on June 4th, with Rev. Mr. Turnbull, of Ottawa, the guest speaker. Mr. R. J. Devery was choir director.

Other advertisers in the Press at that time included A. Sweet and Co., M. Bailey, M. and M. Beach, A. E. Grey, Geo. Sparks and Son, A. W. Beach, F. S. Maning and Co., J. A. McDougall, Alex Gemeroy and L. Flora.

It is interesting to note that Flora's since 1896, at that time only nine years old, is the only business firm from 1905 still advertising in the Press. And 33 is still the phone number as it was fifty years ago at Flora's, oldest regular advertiser in The Press.

Comments about two other aged copies, 1915, will be made in the following weeks when space permits.

CBC And Stanley Cup Play-Offs

Aggravated English speaking TV viewers numbering in the thousands finally convinced the Canadian Broadcasting Corporation last week to succumb to their wishes and televise the remaining Stanley Cup playoffs between Montreal and Detroit. From where we sit it must have been quite a laughing party for the big American TV networks who are not in the habit of having to be persuaded to televise a national event, sports or otherwise.

The CBC, before it reconsidered its foolish policy, gave practically every excuse as to why the games were not telecast. Yet reports appearing in many daily newspapers tended to contradict its argument. For that matter, two or three of the sponsoring companies, who had TV shows appearing during the time for hockey broacasts, were amazed that the CBC had not approached them to give up their regular time so that the games could be put on the network.

The CBC cannot be considered a goat in this issue, because this faux pas is just one of several which Canada's government owned radio and TV network commits from time to time.

Hockey is still Canada's national game, although it is apparent some of the CBC top brass will not agree. To the millions in this country, though, it still is, and that is the important issue. Before the season opened in the fall the CBC knew that Stanley Cup playoffs would be played again this year, and could have made arrangements with sponsoring companies to make way for the telecasting of all games. The companies would have co-operated because it's good public relations. But the CBC did not make the necessary provisions, and the result was the big box of last week.

It's rather amusing, and disgusting, that Sanley Cup hockey playoffs should be given the brush while the World Series, the national sports event in the United States, is televised in its entirety, ditto the Rose Bowl, another big American classic.

There are other good arguing points like subsidized TV shows, which we doubt if John Public would prefer to the Stanley Cup games. The CBC continually hears these arguments, and continually tries to ignore them. Maybe the Commission appointed to investigate Canada's government controlled radio and TV will come up with a few of the answers which are quite evident.

A final note: TV viewers in this part of the province were more fortunate than others. All the games were televised on CBOFT, the CBC's French-language station in Ottawa.

Good Advice From Mr. Cass

Mr. Fred M. Cass, MLA, Grenville-Dundas, said in the Ontario Legislature just recently that the Department of Highways should bring its two present arteries from the St. Lawrence River to Ottawa up to top shape before the construction of new highways in this district is undertaken.

This is sound advice from one who knows from first hand experience. As the member stated: "It has always been impossible to travel from the United States border to Ottawa, in this area, on any road that could be called a highway by U. S. standards." Both Highways 16 and 31 have been particularly disgraceful in recent years, especially No. 31 which runs from Morrisburg to Ottawa. This highway which is good to a point twelve miles south of the nation's capital, is slated for major repairs this year. It has been slated for major repairs for quite a number of years now. Let's hope that this is the year, because those last twelve miles are almost as bad as Charlotte's pot holes.

Editorial Notes

A successful business man has said: "If your busines isn't worth advertising, advertise it for sale."

The captains and their crews who man the Spring rafts on the swollen creeks should be warned by the higher ups to use extreme care when playing at or near a swollen stream. A life can be lost easily by these carefree youngsters who seem to have no fear for the unusually deep waters.

Spring clean-up time is here, and here's a suggestion to get rid of some of those unused articles kicking around the home. Advertise them in the classified columns of The Press. The results are good, and the cost is small. Drop in. We will be glad to write up the advertisement for you.

Meditations

By CECIL W. TUININGA

"Ecclesiasties 1:3—"What profit hath a man of all his labor which he taketh under the sun?"

We live today in unusual times. Science has turned our world into a virtual utopia of human bliss. If life has ever been worth living (considering only the aspect of convenience) it is that today. This unprecedented wave of prosperity and scientific progress is effecting many differing outbursts of optimism. Today many express hope of a coming paradise of human perfection right here on earth. Man, so we hear some say, is finally coming to his own. He is now creating the kind of world in which living is safe, enjoyable, profitable, and really worthwhile.

I think that the man of today would answer the wise king Solomon. should he live today, that life is more profitable and becoming increasingly more so. In fact, he might even ask whether Solomon would ask such a question if he lived in our present world. His question seems to express a "Middle Ages" spirit.

But King Solomon had lived a most distinguished life on earth. It was his portion and privilege to enjoy great wealth, wisdom, and success. And yet with such an unusually profitable life he still asks the above-quoted question. And should he live with us today he would still ask this same question. Life today, so Solomon's rhetorical question tells us, is as unprofitable as it was 3000 years ago.

This question of Solomon can only be understood if we remember his basic premise. He repeats in this book a refrain almost to the point of monotony. The refrain is the phrase: Under the sun. His purpose with this phrase is to stress the fact that there are two dwelling places. The one is "under the sun"; the other is above the sun. The dwelling under the sun is the sin-cursed earth; the dwelling above the sun is heaven, the home of God's blessed children. The life "under the sun" is transient and of short duration. The life above the sun is eternal. It abides forever.

When we place Solomon's rhetorical question into that framework it begins to make real good sense. He is not uttering a statement of extreme pessimism or gloom. It is a question that seeks to bring every man and woman face to face with the sober facts of life. Solomon knows that many men and women work only for the enjoyment of the here and now. They labor for what this present life has to offer and do not concern themselves with the life above the sun. And that is tragic. For if men and women work only for the things of this life, then when death comes they not only lose what with much labor they gained, but they enter into eternal death and hell. Therefore the question of Solomon is so pertinent. Indeed, "what profit hath a man of all his labor which he taketh under the sun" if he loses his own soul? "For what is a man advantaged if he gains the whole world, and lose himself, or be cast away?—(Luke 9:25).

Solomon is not contending that it is not good and proper that we work in this life and enjoy that which it affords of food, clothing, shelter, yes every pleasure it may yield as our portion. His contention is, however, that if we labor to acquire and enjoy only earthly goods we are indeed foolish and not wise. For what is really the profit of our labour if it is only for the life under the sun? It then yields the greatest disappointment with eternal condemnation. For the life under the sun is transient and comes to an early end. All who live only for the life "under the sun" are those who do not realize either their miserable condition or terrible future. They are those who refuse to listen to the Word of God and heed its warning and accept its message. Only those who flee for refuge to the fountain of Life, Christ Jesus, will receive life eternal. And these realize the unprofitableness of life "under the sun" but see that their life is only a pilgrimage to the life above the sun. They labor not for the life under the sun but for the glorious coming life above the sun.

How pertinent such as question as Solomon asks is for us today! With all the progress and prosperity of our age, men are clinging ever more tenaciously to the material things and this present life. Solomon is eager that all men are aware of and faces the facts. He is eager that they realize the utter futility of a life outside of God and His Son, Christ Jesus. Life is so short and passing—and then—eternity. Where will we spend eternity? That depends. "He that believeth on the Son hath everlasting life; and he that believeth not the Son shall not see life; but the wrath of God abideth on him."—John 3:36.

Have you, dear reader, considered the profit of our labors under the sun? Do you realize the tragic end of a life spent only in earthly pursuits and interests? Therefore, "Labor not for the meat which perisheth, but for that meat which endureth unto everlasting life, which the Son of Man shall give unto you."—John 6:27.

DURHAM COUNTY'S "MAN OF THE YEARS."

A proud county is only that because of its children of the soil.

Ontario's "Banner County of Durham" has been enriched with the imprint of many, but throughout the years there has emerged a figure whose stature as a man has well earned him "Durham County's Man of the Years."

Now in his 26th consecutive year as Agricultural Representative for the County of Durham, E. A. Summers, B.S.A., has completed a quarter century of service that has imbedded a quality on a local, national and international scope unexcelled; paralleled by few.

Greatness in a man is perhaps best measured by his ability to chart the courses of others . . . to success; a hand unseen, unfelt; a voice strong, friendly, never in rebuke; an uncanny faculty for extorting the best and increasing the capacity for even better things. These are some of the attributes that make Ed. Summers "their" Agricultural Representative.

For more than 25 years the list of prize-winning teams, coached by Ed. Summers, has grown and grown, until now his office walls are merely a backdrop to the hundreds of pictures, trophies — silent tribute to his daily task.

What of these many pictures—where are these faces today!

Ed's Junior Farmers have taken leadership in many fields. But his basic purpose for 25 years is well evidencd by the fact that nearly 75 per cent. of his pupils are now engaged in productive farming for themselves, or, as herdsmen and managers for many of the modern, co-operative system of farms throughout the province. A few years ago, this figure was as high as 85 per cent. Of the rest: there are those in the medical, dental and legal professions; the ministry, accountancy and management, in sales and trades, as well as producing three Agricultural Representatives. There are more in their chosen field and many others in their first steps.

All are richer in mind, clearer in thought, stronger of will because of a modest man who holds to this day that the simple things in life are indeed the richest find for any man.

Ed. Summers has enriched the County of Durham by his perseverance over prejudice and skepticism against his kind in the early "thirties"; perseverance that brought to the farmers new and more successful methods of farming and scientific aids that to-day make farming a specialized and highly skilled operation.

One unique mark of achievement epitomizes his 25 years—for 26 consecutive years Durham County teams, coached by Ed. Summers, have taken first prize at the Quinte Seed Fair.—*Bowmanville Statesman.*

Note—Ed. Summers is a former Winchester boy. His father, the late Charles Summers, conducted a blacksmith business here for several years.

When a married couple pass the 100-year mark, still healthy and happy, and still in love, the world naturally wants to learn their secret. George Hemstreet of Milton has just turned 103. His wife will be 101 next month. They have been married 75 years and have lived in the same house all that time.

How do this splendid couple account for their good fortune? Well, they advance a number of rules to follow for a happy marriage. Don't get into arguments before breakfast, they say; don't marry someone you are not completely satisfied with and then try to make them over; marry someone like yourself; don't nag, don't be selfish.

Both Mr. and Mrs. Hemstreet are total abstainers from both alcohol and tobacco—if that makes any difference.

Here's how you can dress when you paint with thix—

—no drips, no splashes, no mess with this new JELLED paint

WITH SCARFE'S THIX you really can paint in ordinary clothes. There's no need to cover up the furniture or roll back the carpet. For THIX is jelly-like, doesn't drip or splash or spatter. THIX stays in jelly form until you make a brush stroke, and then the motion of brush or roller transforms it into a smooth-flowing liquid. Think what this means in ease of painting—in absolute freedom from all the messiness you ordinarily associate with this job. No paint on your hands or on the brush handle. No paint on your clothes—or on the floor or the furniture. Use jelled THIX for a clean, enjoyable, trouble-free job that's good to look at, too.

This shows you how THIX is different from ordinary paints. Turn a can of THIX on its side—either deliberately or accidentally—and instead of running all over the floor the jelly-like THIX stays in the can long enough for you to set it right side up again without mess.

To start painting, just open the can, and dip your brush. No stirring. No thinning. For THIX is "homogenized"—the pigment is evenly distributed throughout the body of the paint—never sinks to the bottom. Your brush picks up just the right amount.

Make a stroke with brush or roller, and THIX flows on just as smooth as smooth. Keeps a wet edge for thirty minutes, so there's no danger of "lap" marks. THIX dries overnight. And there's never any "painty" odour when you use clean, "no-drip" THIX.

Your Scarfe dealer stocks THIX—has a demonstration unit on which you can try it out right in the shop. And this year, several new shades have been added to give you an even wider choice of colours. Remember to ask about THIX for exterior painting, ready by Spring.

S. was held at the home of Mrs. Merle Graham and Mrs. Annie Graham on April 4th at two o'clock, and was in charge of the president who opened with the call to worship. A reading on Christian Stewardship was given by Mrs. Percy Ellis, and Miss Florence Roode read the Scripture lesson. A question and answer period was conducted by Mrs. Annie Graham and Mrs. Wesley Flegg. Closing prayers were offered by Mrs. H. McQuaig and Miss F. Roode.

Following the business part of the meeting readings were given by Mrs. Ira Ellis and Mrs. H. McQuaig. The meeting closed with the Mizpah Benediction, and lunch and a social hour followed.

W. M. S. AND EVENING AUXILIARY HOLD JOINT MEETING IN S. S. ROOMS

Joint Easter Service of the W. M. S. and the Evening Auxiliary was held in the United Church S. S. Hall on Wednesday evening, April 4th, with about fifty members and guests present.

The meeting opened with Easter music by Mrs. G. H. Barton. Mrs. Raymond Earl welcomed the members and guests and thanked Mrs. J. W. Ault, Mrs. Chas. Anderson and Mrs. L. Isaac for sharing their lovely Easter flowers with the Auxiliaries for the meeting. The theme was "What does Easter mean to you?" and Mrs. Earl read a poem with that title. Mrs. Clark Curtis read the Scripture, and meditations were given by Mrs. Ken. Barrigar and Mrs. Curtis. Mrs. Earl offered prayer and gave a reading. The offering was received by Mrs. Curtis and Mrs. Barrigar, and the worship service closed with prayer.

Mrs. Eldon Fennell introduced Mrs. Fred Cass who sang a solo, "God Hath Not Promised," accompanied by Mrs. Rich.

Mrs. Fennell also introduced Mrs. T. D. Ross of Chesterville, who gave the group a very inspiring talk on "Our Living Risen Saviour." Mrs. T. N. Mitchell thanked Mrs. Cass, Mrs. Rich and Mrs. Ross for the wonderful inspiration they had given to the meeting. A dainty lunch was then served by the joint committees, Mrs. Earl, Mrs. Curtis, Mrs. Barrigar, Mrs. E. Fennell, Mrs. Faye Scott and Mrs. J. L. Dixon.

A short business meeting of each Auxiliary took place, with Mrs. Erle Helmer and Miss Ellice Smith being appointed delegates to the Presbyterial meeting in Spencerville for the W. M. S., and Mrs. R. Holmes and Mrs. E. Davidson delegates for the Evening Auxiliary. A letter of grateful acknowledgement for the lovely banquet tendered the Woodmen of the World was read to the Evening Auxiliary by Mrs. Roy Merkley. The thanks of the ladies present was voiced by Mrs. R. Holmes. The meet- closed with the Mizpah Benediction.

First Mechanic: "Which do you prefer, leather or fabric upholstery?"

Second Mechanic: "I like fabric; leather is too hard to wipe your hands on."

MR. AND MRS. WILLIS McROSTIE HONOURED

On Friday evening, the Presbyterian congregation at Vernon met in the church auditorium to express appreciation to Mr. and Mrs. Willis McRostie for faithful service rendered over the years. Mr. Alex Campbell read an appropriate address, and a beautiful mirror was presented by Mr. Arthur Angus. Mr. Elder voiced the sincere gratitude of one and all, and assured them of a warm welcome at all times. Both Mr. and Mrs. McRostie replied thankfully.

Games and contests were enjoyed by all. Kindly parting words by Mr. Elder and the singing of "Blest Be The Tie That Binds," concluded the evening. Lunch was served.

The previous week, the Springhill School Section gathered at the farm home of Mr. and Mrs. McRostie to say farewell, as they leave shortly for their new home in Manotick. A pleasant, neighbourly evening was enjoyed by all. An appreciative address was read by Mrs. Rolla Campbell, and on behalf of the community Mr. William Creighton and Mr. Howard McRostie presented them with a set of dishes.

Accepting the gift, Mr. and Mrs. McRostie thanked their frends and recalled many pleasant associations of past years. Lunch was served.

The kind wishes of the community go with them, as they make their future home in Manotick.
