Death Occurred Friday Mrs. Charles Graham

After an illness extending over several months the death occurred at her home on the Finch road of Mrs. Charles Graham, a well-known and highly respected member of one of the pioneer families of the district. The deceased was in her sixty-ninth year having been born April 9th, 1876, a daughter of the late Jesse R. Allison and his wife Phoebe Johnston of Russell County. She is survived by her husband, two sons, and two daughters, Keith at home, Allison of the same community, Aura of Niagara Falls, Ont. and Phoebe wife of Dr. K. D. McQuaig now on active service overseas. She is survived by one brother W. P. Allison of Morrisburg. Two brothers have predeceased her, G.B. having died in Montreal in 1933 and Hudson, who was a victim of the Titanic disaster when that ship met its fate on its maiden voyage when it hit an iceberg and went to the bottom in mid-Atlantic in 1912.

Three small children, Charles and Susan Graham and Ann McQuaig sadly miss an indulgent grandmother.

Mrs. Graham was an active member of Trinity United church where she was the first female elected to the Session of the church.

She delighted in assisting any good work and was never known to turn a deaf ear to any appeal for assistance among those less fortunate than herself and with an open hand cheerfully contributed to alleviate the distress caused by the waste of war in countries other than her own.

The funeral was held in Trinity United church Monday afternoon when the church was comfortably filled, with many friends and acquaintances unable to be present owing to the snow blocked roads in this area. Rev. W. E. Wright conducted the service, taking as his text "Blessed are the dead who die in the Lord. The choir under the leadership of Mr. P. G. Hewitt led in the singing of three favourite hymns of the deceased, "Abide with Me"', "In the Cross of Christ I Glory" and "Still With Thee".

As the remains were brought to the church the members of the Women's Missionary Society and of the Philathea Class formed a guard of honour. The pallbearers were Messrs. Henry I. Johnston, G. F. Johnston R. McCloskey, J. McCloskey, Harry Allison and Donald Cross.

Among those from out of town attending the funeral were: Mr. and Mrs. Harold Johnston, Mrs. Morgan Johnston, Mr. E. F. Allison, Mrs. M. Bush and Miss Rose Allison, of Montreal; W. P. Allison, Mr. and Mrs. T. Allison, Miss M. Fuller, Morrisburg; Mr. F. Marshall, Brockville; Mr. H. Kirby, Mrs. D. MacAllen, Mrs. N. York, Ottawa; Miss L. McQuaig and Mr. W. McQuaig, Finch.

Floral offerings were received from Mr. and Mrs. Morgan Johnston, Mr. and Mrs. Norman Johnston, Mr. and Mrs. Edward Powell, Mrs. G.B. Allison, Mrs. Paul Hayo, Mr. and Mrs. E. F. Allison, Mrs. Graham Allison, Session of the United church, Fred Gamble and family, Mr. and Mrs. W. O. Dixon, Mr. and Mrs. Eric Casselman, The Rotary Club, Mrs. N. York and family, Dundas County Federation of Agriculture, Mr. and Mrs. M. Bush, Mr. and Mrs. T. Allison, Mr. and Mrs. W. P. Allison and Rose, Sunday School, Mr. and Mrs. A. Graham, Mrs. J. Graham and family, Mr. P. Allison, Mr. and Mrs. H. Allison, Mr. and Mrs. D. MacAllen, Mr. and Mrs. Harold Johnston and Ruth, Miss L. McQuaig, Mr. W. McQuaig, Mr. and Mrs. P. Wagner and Doreen, Mr. and Mrs. T. O. Keyes and family, Chesterville Co-operative, H. Johnston and family, Chesterville Milk Producers, Mr. and Mrs. T.C. Routley, Mr. and Mrs. W. Johnston, Miss Miriam Robinson, Miss Lou Lamont, Miss G. Thompson, Miss M. Michaud and family, Miss Marion Coligan, Staff of Niagara Falls Collegiate, Mr. and Mrs. B. Phillip, Miss Aileen Engler, Mr. and Mrs. F. Bolster and family, Mr. F. Partridge.

Twelve Member Red Cross Unit Raises $1200

On Friday, February 9th, the members of the Nation Valley Red Cross unit held a "quilting" during the afternoon and a social evening at night at the home of Mr. Clifford Summers. Despite the condition of the roads there was fairly good attendance.

Progressive euchre was played during the evening, first prizes being won by couple number one, Mrs. Calvin Munro and Mr. Chas. Gray; couple number two (consolation) Mr. and Mrs. Enos. Munro.

Following the presentation of prizes, Mrs. Enos. Munro, President of the unit, called the gathering to order and proceeded with the routine of the annual meeting.

The President reviewed the year's work and expressed gratification and appreciation for all that had been accomplished during the year by the twelve active members of the unit. Mrs. Munro thanked the members for their help and co-operation which they had given her during her period of office and extended her thanks to everyone who had assisted her in any way towards the achievement of a record which the citizens of Nation Valley community could and should be proud of.

Mr. Donald Rae presided for the election of officers, assisted by Miss Marjorie Summers as Secretary.

All the executive for the year 1944 was re-elected by acclamation for 1945. Honorary Pres.: Mrs. Geo. A. Merkley and Andrew Carruthers; President: Mrs. Enos. FORMER RESIDENT PASSES IN OTTAWA

Mrs. Albert Forbes, the former Mary Hutchinson, a native of Russell, New York, but a resident of Ottawa for the past 18 year, died in the Ottawa Civic Hospital on Monday following a short illness.

Mrs. Forbes, the former Mary Hutchinson, a native of Russell, New York and came to Canada in 1880. She had lived in Chesterville from that time until going to Ottawa. She was the daughter of the late Mr. and Mrs. David Hutchinson and resided at 438 Queen street.

Mrs. Forbes was a member of the United Church and also of the Ladies' Aid Society and Women's Institute of Chesterville. Her husband, the late Albert Forbes whom she married in the United States in 1877, died a number of years ago.

She is survived by one son, Howard of Plattsburg, N.Y.; one daughter, Miss Olive Forbes of Ottawa.

Rev. H. E. Warren conducted the funeral service on Wednesday at 8 p.m. Burial was made in Maple Ridge cemetery.

Hydro Commission Meeting

The regular meeting of the Chesterville Hydro Electric System was held on February 6th. Members present: G. H. Barkley, Chairman; Commissioners: R. J. Barrie, Leon Marcellus, Charles McMillan and Sydney Morris.

Minutes of last regular meeting were adopted as read and accounts passed and paid. A resolution was passed enforccing clause 49 of the Interpretations of Rates for urban municipalities which reads as follows:

"When the consumer is fifteen days in arrears for two month's service, the service shall be discontinued and service shall not be given again until payment is made in full, including a charge of $1.00 for the cost of re-connecting. Such discontinuance of service does not relieve the consumer of the liability for arrears or for his service charges on minimum bills for the balance of the term of contract. The corporation may, if deemed advisable, make more rigid rates regarding payment of bills."

Adjournment was made until March 6.

Seaman Bazinet Killed Native of Crysler

Able Seaman Hercules Bazinet, who died at the wheel of his ship when she was torpedoed off the coast of Nova Scotia, was employed by Courtaulds (Canada) Limited, Cornwall, before he joined the Navy.

His death and the death of 35 other navymen and merchant seamen off the Nova Scotia coast was announced Saturday.

He was born in Crysler, 23 years ago. He joined the Merchant Marine in 1942 at Montreal, and joined the boat which was destroyed on October 11 last.

Besides his father, he leaves four brothers and three sisters, Charles, Lorenzo, Fernand and Misses Flo and Therese Bazinet, all in Cornwall; Miss Blanche Bazinet, Ottawa; Euclide Bazinet, Berwick, Ont.

Chesterville Hockeyists Win Two League Games

Coming with a rush at the tail end of the schedule in the Central Ottawa Valley Junior League, when they defeated Inkerman by a score of 6 to 3 Monday night and Morrisburg 2 to 1 Friday night. There was some dispute about the final score in the latter game which came with the last minute of play running out. Morrisburg needed the game to make a play-off position and when they failed to make the grade lodged a protest, claiming one of Chesterville's players was beyond the age limit. Cardinal profits by the Morrisburg defeat and is said to be hot foot to have Morrisburg eliminated on the result of the game instead of a replay when the Morrisburg boys might slip one over Chesterville and push Cardinal into the discard.

EVERYBODY WANTS GOOD ROADS

In the old days in Ontario when road building and repairing took the form of statute labor there was not much attention paid or pride taken in the highways. It was sometimes referred to as stupid labor and in many districts the term was quite applicable. Today municipalities are deeply engrossed in Highways and the urge is for all "steam ahead". Last year provincial municipalities submitted road estimates of $11,000,000 of which the Government paid more than half, not all this sum being spent on county roads. This year the estimates submitted total $14,500,000. In view of the shortage of labor and materials county councils are being advised to restrain their enthusiasm as under present circumstances they will not be able to get good dollar value for expenditures. Since the Government pays 100 percent of the cost of provincial highways many municipalities have been urging the authorities to take over stretches of county roads and incorporate them in the King's Highway System. As pointed out by the Highway Minister "the only limitation on the ability of the Government to spend money is the ability of the people to pay for it." After all, in the final analysis, whatever form the expenditures take the people will be called upon to "pay the piper."

REVERSING THE ORDER

It is a far cry to the days in Old Ontario when logging bees were held and valuable timber consumed in order to clean the land for ordinary farming purposes. The pioneers had no altenative. Later hardwood was peddled at a dollar or so a cord and even beautiful bird's eye maple was utilized as firewood. The result is that today bushlands are disappearing in the province and the question of soil erosion has become a very urgent problem. Attention is now being directed to reforestation as a means of providing better natural water supplies and making possible cultivation of some lands which are now regarded as unusable. At a Conservation Conference in Eastern Ontario it was pointed out that farm lots in the older parts of the province had furnished most of the wood and in consequence there had been progressive depletion of stands in the area and deterioration in quality. It was suggested that during the period of rehabilitation of ordinary farm woodlots, fuel wood might come from the forests of Ottawa-Huron region. Such cuttings would also improve the forest stands, for hard wood was now suppressing the young growth of valuable soft woods. A fuel wood industry which offered potential trade of from $25,000,000 to $40,000,000 was worth full investigation. It is proposed to survey the South Nation River district on the same basis as the Ganarska district. As an evidence of progress, F.L.A. Rose, Agriculture representative for Prescott and Russell says that in his counties land owners have been advised to plant trees; demonstration plots had been established and a county forest organized. A second forest had been opened in Grenville County and demonstration woodlots planted throughout Glengarry, Stormont and Dundas Counties. Approximately 11,000 acres of land had been reforested during the last 30 years and 5,724,000 trees had been planted in South Nation Valley during that period.

HANDICRAFTS MAY BECOME AN INDUSTRY

The authorities have in mind the making of handicrafts a major industry in Ontario, which at present constitute a source of revenue in Quebec but have never been developed on a large scale in this Province. Province Treasurer Frost announces that the Government has made plans for the teaching of handicrafts in Ontario schools. It has also been decided to put up prizes for handicrafts at Fall Fairs. Anthony Adamson, of the Canadian Handicraft Guild, visualizes development of the linen and woollen industries as fields of employment. He says that more than $1,000,000 worth of flax is grown in Ontario every year. "What will become of this development when the oil is no longer needed for war?" he asks. "Even now some of the flax is being exported to countries making linen. Why cannot Canada develop her own linen industry? Trained craftsmen and machinery will be needed for this, as for other potential Canadian industries." Considerable progress has already been made in the woollen industry but there is need for a training centre in technology and design. Referring to the current interest in spinning and weaving, Mr. Adamson said any farmer's wife could engage in this either as a cultural pursuit or to supplement the family income.

PUNISHMENT DOES NOT FIT CRIME

The trend toward the abolition of Capital punishment seems to be progressing rapidly in Ontario. It is becoming more and more difficult to secure an outright conviction in murder case and juries are very ready to serve the ends of Justice by falling back on a verdict of manslaughter. There have been trials recently involving the killing of women in which a compromise was reached. For several years there has been a growing opinion that hanging does not act as a deterrent of homicide.

'TIS THE HUMAN TOUCH THAT COUNTS

'Tis the human touch in the world that counts,
The touch of your hand and mine,
Which means far more to the aching heart
Than shelter and bread and wine;
For shelter is gone when the night is o'er,
And bread lasts only a day;
But the touch of a hand and the sound of a voice
Sing on in the soul alway.

Advice to Zombies

It is important not to lose your head during an attack as you would have no place to put your helmet.

Furloughs are a combination of borrowed time and borrowed dough.

Double time taken you to an objective quickly so that you can wait longer for something to happen.

Free Enterprise
MADE CANADA'S MINES

A BIT of Mother Earth on the outskirts of nowhere . . . a lone campfire . . . the howl of a wolf . . . the scream of a mountain lion . . . a free man who treads where no man trod before.

In such a setting has been the origin of some of Canada's greatest gold and mineral producing mines. Turning his back on the commonplace ways of earning a living, the prospector risks his capital, pioneers new regions and a mine is born. This is free enterprise.

This century-old Bank has been closely associated with the growth of Canada's mining industry . . . has provided essential banking facilities . . . has helped foster the self-reliant spirit of the Canadian people.

Mrs.C. W. Casselman's Brother Dies In Oregon

(From East Oregonian)

S. R. (Sam) Thompson, 68, president of the Pendleton Round-Up, vice president of the Rodeo Association of America and well-known wheat and cattle man, died February 2nd at 9 o'clock in St. Anthony's hospital of a heart ailment. Death came as a shock to the community, for while Mr. Thompson had been ill at his home for a week, he had not gone to the hospital until yesterday.

Mr. Thompson, native of Chesterville, Ont., Canada, came here at the age of 14, with his brother the late Thomas Thompson. He attended Weston Normal school and for a time was a pharmacist in La Grande and in Dayton, Wash., before returning to Pendleton to engage in ranching.

Unanimously chosen president of the Round-Up November 25, 1940, Mr. Thompson, who succeeded the late W. H. (Bill) Switzler, was for 14 years prior to 1925 live-stock director for the show, and as head of that department bought the celebrated bucker "No Name." His leadership as president was marked by his exceptional business ability, his intimate knowledge of the rodeo game and his great enthusiasm and energy. He was famous for his hospitality, extended alike to Round-Up performers and guests.

Aside from his association with the Round-Up. Mr. Thompson was widely known throughout the Pacific northwest. Extensive wheat grower and stockman. he was owner of the 150,000 bushel grain elevator at Blakeley station 10 miles northeast of Pendleton. Always active in furthering the interests of agriculture, he was state president of the McNary-Haugen export association; was a delegate to the Harding farm council and is a former president of the county Farm Bureau.

Mr. Thompson was keenly interested in hunting and fishing and was a former member of the state game commission. He served as a member of Governor Patterson's state tax committee and advisory board of the American Railway association. Active in civic affairs, he was a former vice-president of the chamber of Commerce; charter member and former president of the Rotary Club, and former president of the Pendleton country club, whose members give him practically the entire credit for making the present course possible. As president, he brought teams from the Thompson ranch, hitched them to the plow and drove them himself in preparing the course.

He was a member of the Masons, the Shrine, the Elks and of the Mustangers.

Mr. Thompson is survived by his widow; a daughter, Mrs. B. G. Haynes of Pendleton; two sisters, Mrs. Jennie Proebstel of Weston and Mrs. C. W. Casselman of Chesterville, Ont.; two grandchildren, Frances and Sammy Haynes and a number of nieces and nephews.

A quilting for the Red Cross was held at Rupert McIntyre's. A quilt was quilted and another one ready for quilting. Quite a number attended.

Messrs. Donald and George McIntyre spent Saturday in Cornwall.

Miss Mary Ruth Cameron accompanied her cousin, Miss Isabelle Hunter, Morewood, to Montreal where they spent the week-end with friends.

Mrs. Myrtle Garlough and daughter Clare and son Gerald of Williamsburg spent Tuesday with Mr. and Mrs. George Eligh.

Mr. Walter Watson, Colquhoun, spent Tuesday and Wednesday with Mr. and Mrs. Geo. Eligh.

Mrs. Will Wiseman visited Mrs. Colin Cameron and family on Friday.

Mr. and Mrs. Jim McMillan and sister Cassia and Master Stanley Plumadore visited Mr. and Mrs. Angus McMillan, Finch, on Sunday afternoon.

Messrs. Clifford Eligh and Sam Gilbert spent Sunday in Ottawa with Mrs. Eligh who is a patient in the Civic Hospital.

Scramble!

An emergency call came through while the pilots of a marine dive-bomber squadron in the South Pacific were at lunch. They hastily cleaned their plates and dashed to a waiting truck. A pilot asked what they were going to dive on this time, and was told:

"We're not going to dive on, we're going to dive for. One of our men went swimming in the lagoon and lost his false teeth."

Williamsburg

Pte Billy Strader of Ottawa spent a leave over the week-end at his home in town with his mother, Mrs. Geo. W. Strader and family.

Sgt. Dwight Casselman of Ottawa spent the week-end here with his parents, Mr. and Mrs. Grant D. Casselman and family.

The many friends of Mrs. M. W. Locke will be pleased to learn that she returned to her home, here on Friday where she is convalescing after her recent operation at the Western General hospital, Montreal.

Miss Lyda Lapier of Sandtown spent a few days in town visiting her sister, Mrs. Harold Alguire and Mr. Alguire.

Kenneth Farrell, principal of S.S. No. 12 Williamsburg Public School, spent the week-end at the home of his parents, Mr. and Mrs. Wm. Farrell at South Mountain.

Owing to the condition of the roads there was no evening service at Williamsburg United church on Sunday. At the morning service a two-minute silence was observed in memory of the late Dr. M. W. Locke, whose death occurred three years ago on February 6th. Beautiful flowers were placed on the Remembrance table in loving memory by the family of the late Dr. Locke.

The many friends of Mr. Orlin P. Becker will be pleased to learn that he is making a splendid recovery after his recent illness.

Messrs. Merkley and Short, local flour and feed merchants, and grinding, have disposed of their grist mill machinery and business to Messrs. Willard Steinburg and Keith Schell. They have taken over the business and will continue to operate in the same place for the time being.

Miss Gladys Shaver and Mrs. Cyril Bainville, both of Ottawa, were last week-end guests with their parents, Mr. and Mrs. Milton Shaver.

Squadron Leader B. Hess, DFC and Mrs. Hess, Iroquois, spent a few days in town at the home of the latter's parents Mr. and Mrs. Adam Froats.

Misses Diana McIntosh of Ottawa, spent the week-end at her home with her parents, Mr. and Mrs. Strader McIntosh.

Seems Reasonable

A genial-looking gentleman wanted a bottle and went to a chemist to buy one.

"How much?" he asked.

"If you want the empty bottle it will be a penny, but if you want anything in it you can have it for nothing."

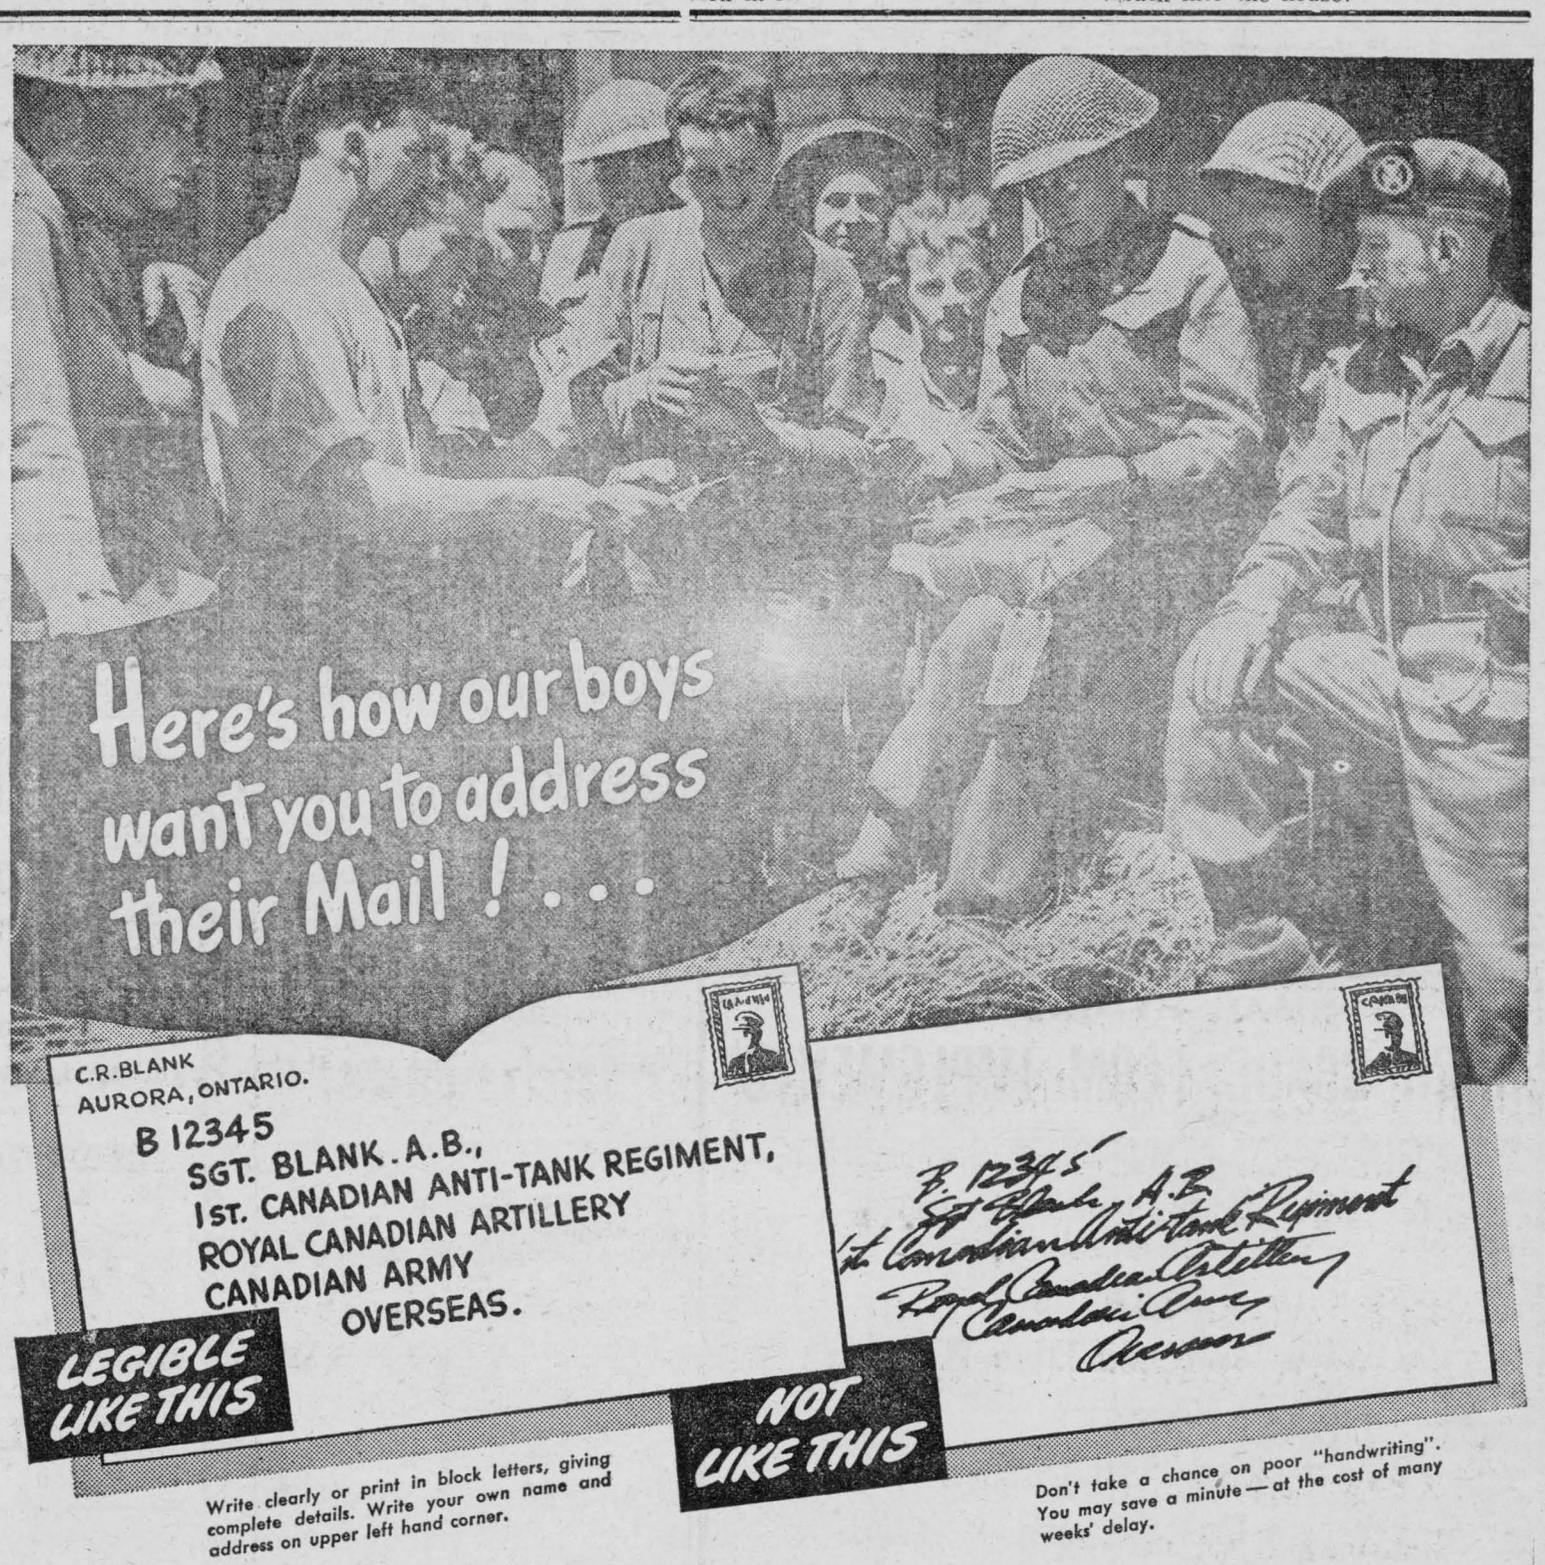

"Well, that's fair enough; put a cork in it!"

Born At Morewood Dies In Saskatchewan

Mr. Emerson Faulkner of Morewood, was advised last week of the death of his brother George H. Faulkner at Spy Hills, Sask., on Tuesday. The deceased was the son of the late Mr. and Mrs. John Faulkner of Morewood. The deceased went west about 25 years ago, at first taking up farming, afterwards going into the contracting business. His wife passed away some twenty years ago and he is now survived by two sons and three daughters Lloyd the youngest son has been overseas with the forces for more than five years. Mrs. Ward Johnston is a sister and Emerson Faulkner a brother, the only surviving members of their family.

ON THE LINE

Tip for winter wash days! Fasten hankies and other small items with clothes pins to a towel before braving the icy blasts outside. Pin the **towel only** to the line . . fewer frozen pins to undo and less danger of tearing. The pins that hold the hankies to the towel will thaw out in a few minutes when they are brought back into the house.

Write clearly or print in block letters, giving complete details. Write your own name and address on upper left hand corner.

Don't take a chance on poor "handwriting". You may save a minute — at the cost of many weeks' delay.

THIS is a war of rapid movement. Overseas mail must be handled many times before it reaches your man. If you write a wrong or incomplete address, it may cause weeks of delay in spite of all your Post Office or Canadian Postal Corps can do to speed delivery. You can save much heart-ache by following these simple rules:

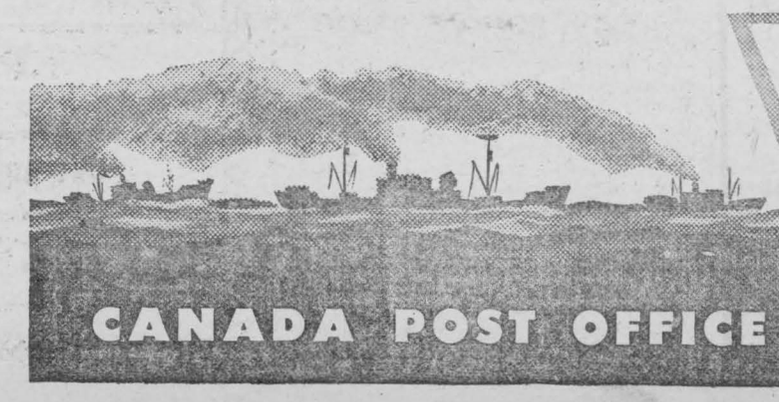

1. *Write clearly or print full address in block letters.*
2. *Make sure the address is COMPLETE, many delays are caused in Army mail by senders omitting name and number of unit.*
3. *If you are writing to a wounded man in hospital Overseas, write the usual COMPLETE address, then ADD the words "IN HOSPITAL" in large letters on the envelope.*

YOUR PARCEL MUST FACE THE RIGORS OF WAR . . .

Your parcel must stand the weight of thousands more pressing down on it in the hold of a lurching ship at sea. It must stand rough transport, often under fire, over shell-torn roads. Pack your parcels in corrugated containers, wrap in several layers of heavy paper and tie with strong twine.

Farrans Point Man Killed In Holland

Pte. Laurence Prunner was killed in action in Holland, according to official word received by his wife who resides at Farran's Point.

Born in Aultsville on August 12th, 1921, he was a son of Mr. and Mrs. Percy Prunner. He was educated in Aultsville schools and was employed by the Bell Telephone Company when he enlisted in April, 1943. He was stationed in Ottawa with the Signal Corps for four months before going overseas with the first contingent of paratroopers.

Besides his widow, the former Beatrice Rutley, he leaves three small children, his parents, three brothers and a sister. Lockwood Prunner, his brother, has been repatriated to Canada after three years' service.

Morewood United Church Reports Successful Year

The Annual Congregational Meeting of Morewood United church was held in the church hall, Tuesday evening, January 30th. The Woman's Association served a hot supper to a good representation of the congregation. At the close of the supper hour Miss Ellice Smith, organist, and Choir leader was presented with a tri-light lamp on behalf of the congregation by Mr. H. B. Allison and Mrs. J. V. Fetterly.

Rev. E. A. Martineau presided and conducted devotions with Mr. Russell Swerdfeger, Secretary of the business part of the meeting. Mr. H. R. Faulkner, treasurer of Trustee Board and Board of Stewards presented the Financial Statement which showed total receipts for the year to be $4718.44.

The report of the session was given by Rev. E. A. Martineau. The following reports were then presented each of which showed that an active and successful year's work had been accomplished. Missionary and Maintenance, Miss Lily Swerdfeger; Woman's Association Mrs. B. McLaren; Woman's Missionary Society, Mrs. A. Dillabough; Sunday School, Mr. H. McConnell; Young People's Union, C.G.I.T., Mrs. A. Dillabough; Mission Band Mrs. McLaren.

The election of officers for 1945 resulted as follows: Board of Stewards re-elected with Mr. Ray Irven and Mr. George Beckstead added to the list; Missionary and Maintenance Sec., Miss L. Swerdfeger; School Supt., Mr. Wm. Irven; Assistant Supt., Rev. E. A. Martineau; Sec.-Treas. Sunday School, John Gardiner; Assistant Sec.-Treas., H. McConnell; Organist, Miss E. Smith; Assistant Organist, Mrs. Chas. Gardiner; Ushers, Mr. H. McConnell and Mr. H. B. Allison; Auditors, Mr. A. Swerdfeger and Mr. H. B. Allison.

Many interesting and helpful suggestions were discussed as to ways and means of carrying on the church work and reducing the church debt during the coming year. The meeting closed with prayer by the minister.

WE regret that thousands of applicants have had to "line up" for telephone service. Telephone equipment has been critically short because this is a "communications" war. And of course the armed forces, the government and war industries still move automatically to the head of the line; their needs come first. Only as material becomes available for less urgent needs can we take care of our waiting list, and on a first-come-first-served basis. We realize it's no fun having to "stand in line" this way. Applicants have been surprisingly cheerful about it—a fact we deeply appreciate. We just want them to know that we will be every bit as glad as they when we can once again meet every request for telephone service—fully and promptly.

Radio Forum News

Most of the members of S. S. No. 10 were renewing their youth tripping the light fastastic at the High School Dance last Monday night. The few who did meet at the home of Hulbert Cross had the usual interesting evening. The broadcast, while enlightening, pertained particularly to Western Canada problems.

The members spent the evening discussing the reforestation and soil conservation possibilities of the section. While there is only a small area in S. S. No. 10 section yet within a few miles of Chesterville, there are several thousand acres which were considered suitable for a land survey. This more or less waste land has had a considerable amount of money spent on it for drainage. In some cases the cost exceeded the value of the land. It was thought that, under a proper survey, these drains would be blocked and the land be allowed to once more become a reservoir for much-needed water. One chief drawback for successful reforestation in our community is that the waste land is principally muck which, an account of fire hazards, makes the planting of small trees with hopes of mature bush in the future, a doubtful venture.

Collection week next Monday night. Forum will meet at the home of Angus Smith with H. R. Johnston as convenor.

Goldfield

Mr. and Mrs. Derling Simpson of Chesterville visited with Mr. and Mrs. D. A. Gillies and Bruce.

Five Good Reasons for choosing
"OXFORD CHICKS"

1. All our breeding flocks have been under Ontario Breeding Station supervision since 1926.
2. All our breeding flocks have been continuously blood tested for pullorum (bacillary white diarrhoea) since 1926.
3. All our breeding males are specialiq selected—from O.B.S. stock.
4. All our hatching eggs are specially selected—for size, shape and colour, and then candled to weed out poor shells and watery whites.
5. It's a Farmers' "Co-Op" Hatchery—we have special incentive to turn out a quality chick, because our own farmer members' poultry income is dependent on our chicks.

Well-Known Couple Honoured At Bowmanville

(Bowmanville Statesman.)

After serving as accountant of the Bowmanville branch of the Bank of Montreal for the past 7 years, Lester J. C. Langs leaves on January 26 for Bothwell, Ont., having been promoted manager of the bank at that point. While in Bowmanville almost everyone in the town and district came to know Les Langs as a man who would go out of his way to do anyone a favor and the gleam in his eye was not that of the traditional "banker's gleam" but the smile that came from a genuine liking of people. His popularity was no better exemplified than in the fact that he achieved an amazing record in the sale of Victory Bonds. On that score alone, outside of long, courteous and faithful service in the bank he earned his desired promotion.

Born at Langford, Ont., near Brantford, Les was educated at those centres and entered the Merchants Bank as a junior at Brantford in 1918. It was absorbed by the Bank of Montreal in 1922 and Les served at branches in Georgetown, Bronte, Hamilton, Wallaceburg and Paisley and had charge of sub-offices at Port Lambton and Tupperville. Promoted accountant in 1929 he was at Welland and Timmins prior to coming to Bowmanville in 1938.

The town looked good to him and so did Miss Ada Garrow, B.A., a High School teacher to whom he was married the same year. No sooner had the Langs become settled than war broke out, doubling the duties of bank accountants. But this did not deter Mr. and Mrs. Langs from taking a full share in the educational social, patriotic and service organizations of the community. Mrs. Langs took part in patriotic work, in the Citizens Forum and was the able President of the Women's Canadian Club. Husband Les was no less active, being Director and Treasurer of the Lions Club four years, Director and Treasurer of the Badminton Club four years, Treasurer of Bowmanville Navy League two years and Treasurer of the Aid to Russia Fund.

In the scant time left for avocations, Les took part in golf (somewhere in the 90's) and was adept at tennis, badmintion and bridge. Social functions and presentations mark the esteem in which Mr. and Mrs. Langs are held. Les received a golfing outfit from the Lions Club and from the bank staff an elegant silver serving tray. Social good-byes were expressed in parties arranged by Manager and Mrs. F. O. McIlveen, Bank of Montreal, Col. L. T. McLaughlin, C.M.G., D.S.O., V.D., and Mrs. McLaughlin, Mr. and Mrs. R. L. Mitchell, Mrs. W. P. Rogers, Miss Aileen Toland and others who were "sorry to see you go but happy for your promotion."

On behalf of the community The Statesman joins in best wishes in another field of service. Bowmanville's loss is Bothwell's gain. Come back soon and often, is the parting wish of a host of friends.

Mr. and Mrs. Wm. Dafoe spent Tuesday evening with Mr. and Mrs. Winston McMartin, East Williamsburg.

Mrs. George Pruner is spending a few days with Mr. and Mrs. Ernest Cassel, Elma.

'Twas Ever Thus

A hen-pecked man, says Robert Quillen, is one whose wife insists on running everything—and then bawls him out for making her bear the burdens.

Odd.

Ever thought of it? The night falls but doesn't break, and day breaks but doesn't fall.

CANADA'S LEADING CITIZEN.

By Edna Jaques

Canada's leading citizen isn't the mayor of the town or the fellow who got the most votes in the last election.

He's the freckled kid in Holland or Italy, or perhaps he's shoved up into Germany itself and knows what the "sacred" soil feels like under his battle boots.

He's our leading citizen.

Once in a while he gets plain old-fashioned homesick. You know, towards the end of the day, when the going's been tough anl his feet ache. There is a lump in his throat—kind of—after all, it isn't so long ago since he was a kid playing hockey in a little neighborhood rink, coming home to a supper of pancakes and maple syrup. Remember the time he ate seventeen and never batted an eye?

Well those are the things he's homesick for. Home cooking, the corner drug store and the gang he grew up with. Dad and those fishing trips they used to take together. The old tent, and the little creek you could hear through the night. The smell of clean earth—and dad's old pipe.

He can't have these things now, he has a grimmer business on his hands. But he can plan for the days when he returns to civilian life.

While he's fighting our battle overseas he is counting on us to fight for him on the home front . . . against the perils of inflation which could wreck his plans for the future. Holding the Price Line and keeping our money stable is up to us. If we do our job as well as he is doing his fighting there will be no heartaches when the whole story is told.

War Savings Purchases Increased In Schools

Purchases of War Savings Stamps in the Public Schools of Dundas County amounted to $1223.25 for January. This was an average of 62 cents per pupil enrolled. Gross objective for the five months September to January, inclusive, was $5000. The amount invested was $4803, which leaves the schools less than $200 short of their objective for those months. It begins to look as though the objective, admittedly a high one, may be reached if all concerned continue to keep up the good work. Parents can be of great service in aiding the schools to reach their objective by encouraging their children to purchase War Savings Stamps regularly. This is not only an excellent method of saving systematically; but is a means of teaching the children the virtue of systematic saving.

The leading school for January was Mountain Ridge with an average investment of $2.44 per pupil. The two schools closest to this one were Maple Ridge with $2.39; and Stampville with $2.09 per pupil enrolled. Township averages were: Matilda 53 cents; Mountain 75; Williamsburg 64c; Winchester 63c. Village school averages were: Chesterville 63c; Iroquois 59c; Morrisburg 66c; Winchester 48c.

Schools which reached or exceeded the minimum objective per pupil, with average sales of:

Aged Lady: Yes, thank you! How are you?

THE CANADIAN WAY OF LIFE . . .

Roast Beef on Sundays . . .

THE SUNDAY ROAST — week-ends in the country — the old family jalopy—these things mean a pleasant way of life. These are some of the things every man overseas is fighting for today. They won't be his, unless all of us make sure, when our fighting man comes back, his dollar will be worth a dollar.

To protect his dollar, we must realize NOW the dangers of careless, unnecessary buying. We must buy *only* what we need—*never* buy two where one will do! We must not evade rationing or price control, or deal in black markets. If we break the rules, our country —the country *he's* fighting for— will start on that uncontrollable rocketing of prices known as inflation!

Prices will rise. As prices go up, wages try to tag along . . . and never *quite* catch up. The *value* of money goes down. Soon your dollar will buy—perhaps only 30c worth of goods! And there is no limit to its drop—look at Greece today! The nation is plunged in poverty and depression.

So let's all make sure our soldier's dollar — when he gets back—will buy a *dollar's* worth of goods! We can't give back to him his lost years or his lost youth. But, if *we* keep up the fight against inflation, he can look forward to pleasant, satisfying living . . . the Canadian way of life.

Make this Pledge Today!

I pledge myself to do my part in fighting inflation:

By observing rationing and avoiding black markets in any shape or form.

By respecting price controls and other anti-inflation measures, and refraining from careless and unnecessary buying. I will not buy two where one will do, nor will I buy a "new" where an "old" will do.

By buying Victory Bonds and War Savings Stamps, supporting taxation, and abiding by all such measures which will lower the cost of living and help keep prices at a normal level.

Science and The Farmer

By W. D. Tolton, Director of Extension, Ontario Agricultural College, Guelph, Ont.

Can the practical farmer make use of the marvellous discoveries of science to increase his profits and achieve a higher standard of living for himself and his children?

No one will deny that our scientists have been taking giant steps forward. We read daily about startling new discoveries such, for example, as life saving penicillin, as well as life destroying jet propulsion. But about agriculture? To answer the question we only have to look about us and examine the results of science on our farm today. Science shows its hand here in a surprising number of ways. The bumper wheat crops of Western Canada were made possible by the patient cross breeding of selected varieties by Dr. Saunders and the men who came after him and are continuing his work. The electric current which at the turn of a switch floods the stable with light on dark mornings and operates the compressor for the milking machine, the chemical fertilizer which raises the crop yield, and the sprays which protect against insect ravages and bacterial and fungus diseases are only a few examples of science at work on the farm.

There are bigger and better things to come. When the war ends Canadian Agriculture will be presented with many opportunities for development and expansion and Canadian farmers must be prepared to grasp these opportunities and make the most of them. This will only be possible if farmers have saved enough of their wartime earnings to provide themselves with the tools which they require.

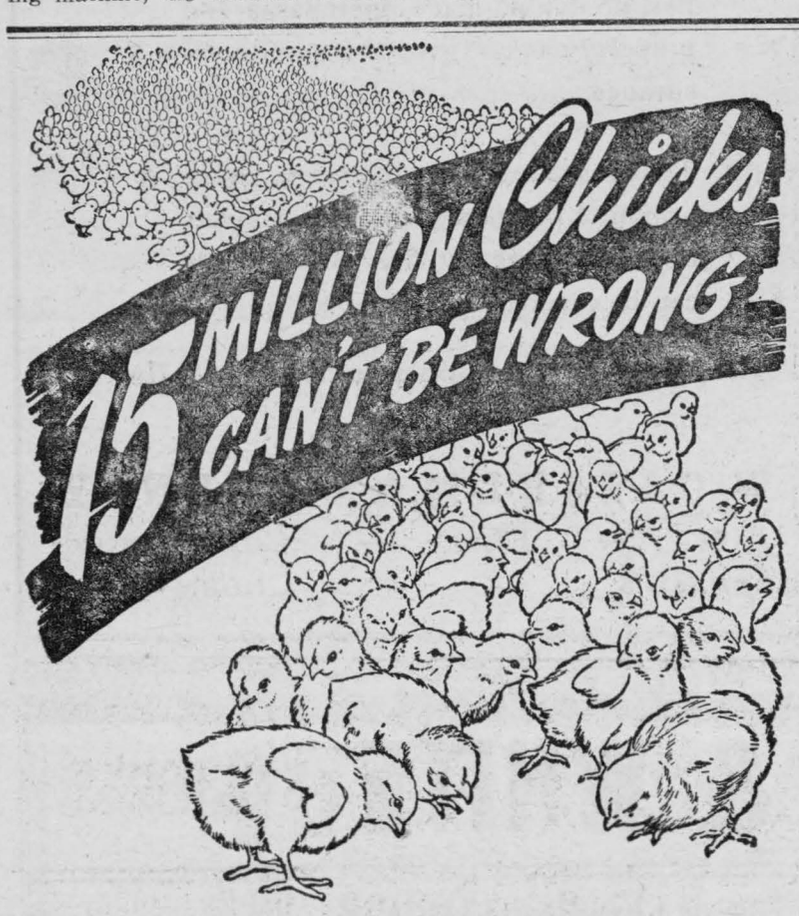

Most farms are very short of machines and equipment. While production of farm machinery has been drastically curtailed due to the war, the men who build these machines have not been idle. They have been developing new material and planning better machines for peace-time agriculture. New types of labour saving equipment are being invented and tested in order to provide implements which will increase production and cut down on labour.

On the experimental farms and at the Agricultural College much work is being done on soil fertility and soil conservation. Tests are carried out in laboratories and in the field in order to determine the best fertilizer combinations for different crops on all types of soils and the most satisfactory and economical way of applying them. Soil erosion is being studied in all parts of the country and specialists in soil conservation are working on methods of preventing the wastage of good rich topsoil from our farms.

Drainage is another very important question which we cannot overlook. Not only will proper drainage result in bigger crops, but it also is the means of bringing thousands of acres of low lying lands into production.

On the other side of the picture, science has created many new materials from the products of our farms and forests. The manufacture of these products will open up new markets for the farmer and new wealth for Canada. Here are a few things we can look forward to: much wider use of electricity on the farm, fast-freezing units for preserving perishable foods, improved building materials, better machinery of all kinds, better radios and washing machines, new insecticides and many, many more.

We can only come by these things by saving and planning now. The man who had laid up readily available cash in the form of Victory Bonds, War Savings Certificates and a bank account will be able to step ahead with the times. He will be able to buy new machinery, erect new buildings and repair the old, carry out drainage and soil conservation programmes, and also provide himself with many new comforts in his home. By saving today we can best insure our prosperity tomorrow.

Yes—15 MILLION chicks—got their start in life in 1944 on SHUR-GAIN 18% Chick Starter. We believe that's at least twice, and likely three times, as many as were fed on any other brand of Chick Starter in Canada.

Why this enormous preference for SHUR-GAIN Chick Starter—and why does its popularity grow year after year? Let's look at the reasons:

1. **Attractive Feed**—Chicks like *fresh, tasty* SHUR-GAIN CHICK-STARTER. It's made from the choicest, freshest and most palatable ingredients. That's why chicks eat it so freely and grow so quickly.
2. **Attractive Chicks**—Chicks *live* and *thrive* on SHUR-GAIN CHICK STARTER—because they get the proper balance of vitamins, minerals and high quality proteins (with lots of animal protein). That's the way to efficiency and success.
3. **Attractive Prices**—Local manufacture of SHUR-GAIN CHICK STARTER—at your neighbourhood Shur-Gain Feed Service Mill—*saves money.* Extra handling and hauling are removed with the elimination of unnecessary middlemen. The resulting savings naturally appeal to every thoughtful farmer.

No doubt you want to *save more chicks*—to *grow better chicks*—and to *save money*—in 1945. With this same idea in mind, 15 MILLION CHICKS were fed on SHUR-GAIN in 1944, by farmers who knew the answer—SHUR-GAIN CHICK STARTER!! Can 15 million chicks be wrong?

British War Brides Find Haven Under Red Shield

One of the many strange outgrowths of war is the number of people who leave their homelands never to return, and to date Canada has welcomed some 2,585 British women married to our Canadian boys. There have been just over 24,000 marriages overseas—so you can see the biggest job lies ahead in getting these women and their children over here and the gigantic problem of absorbing them into our community life. Within a short time we may expect French, Belgian, Dutch, Norwegian, Italian and others to be added to the list.

The Salvation Army has already contacted thousands of these young women in the United Kingdom and service clubs have been organized in many cities. Travel arrangements are made and lectures given on their adopted country. Each bride of a Canadian soldier is given a beautiful layette of thirty-five pieces on the birth of their first baby and assisted in many other ways.

When these women and children arrive in Canada they are met by the Red Cross and Salvation Army. The Canadian Red Cross is the co-ordinator of the services and The Salvation Army and other organizations work happily with them. The Army feels this contact of vital importance in view of its wide-spread activities throughout the Dominion and because of its unique facilities for service which will enable it to help orient them in their local community, church and social life.

An Officer in a large Ontario town noticed an unhappy-looking girl wheeling a baby carriage and seeing that she was a newcomer—spoke to her. She was a war bride who had been in Canada only two weeks. The girl was depressed, hated everything and everybody and wanted to return by the next boat. The Officer was able to help and she is now beginning to like her new country. The Salvation Army operates hostels in Halifax, Montreal and Winnipeg where families may stay together.

Recently a baby was kept for weeks and it was almost a full-time job for one Officer to care for it while the mother recuperated from an operation. During the first three weeks in January 300 persons were assisted, 500 beds furnished and more than 1,000 meals provided—all free of charge.

In a recent letter Major-General B. W. Browne, Assistant National Commissioner of the Canadian Red Cross said: "I would like particularly to refer to your hostel in Halifax where a most sincere welcome is extended to all and sundry. It has been of great assistance to us. Your women also assist in the nursery and are proving invaluable.

And then there's the story about the three bears.

Papa bear opened the door of his cupboard and said, in a deep gruff voice, "Who drank my beer?"

Mama bear said in her high squeaky voice, "Who drank my beer?"

Little Baby bear went, "Hic!"

From Wyoming

A ranchman living alone in deep Wyoming claims to have the smartest horse in the world.

"Here a while back," he recalls, "I slipped and broke a laig. And do you know what that horse done?"

"Tucked you in bed, no doubt," hazarded a dude, "applied the anaesthetic and set the splints."

"Well, he drug me to my bunk, and then run five miles to fetch a doctor. But I got t' admit tho," the rancher added grudgingly, "he did slip a mite. He fetched back a horse doctor."

THE MIXING BOWL

By ANNE ALLAN
Hydro Home Economist

Hello Homemakers! Once more we approach another Lenten Season, heralded by Shrove Tuesday with its traditional pancakes. Pancakes may be served in any number of ways at breakfast, luncheon or supper.

For light-as-a-feather pancakes heed these directions:

1. Melt fat and then measure.
2. Beat eggs well and mix with melted fat and liquid.
3. Stir liquids into measured dry ingredients until batter is smooth.
4. Put prepared mixture into a pitcher for pouring conveniently.
5. Have the griddle pan lightly greased and hot (but not smoking hot). Add a small amount of batter (about ¼ cup) and let it cook until bubbles are prominent.
6. Use a cake turner, flip over and brown the other side.
7. Serve pancakes as soon as possible, so they will be at their best.

APPLE PANCAKES.

1 tbsp. shortening, 1 tbsp. sugar, 2 eggs, 1½ cups flour, 1 tsp. baking powder, 1 cup apples, chopped fine; cinnamon, milk.

Cream the shortening and sugar, add the beaten eggs, the flour sifted with the baking-powder and a sprinkling of cinnamon, and the chopped apples. Then gradually add milk to make a medium batter. Bake on a griddle as for ordinary pancakes and serve in an overlapping row around a platter of pork chops, or serve separately with roast pork, either hot or cold. Cooked apples or a dry apple sauce may be used with batter in the same way.

FEATHER PANCAKES

1½ cups pastry flour, 3½ tsps. baking powder, 3 tbsps. sugar, 1 egg, well beaten; ¾ cup milk, 3 tbsps. melted fat, ½ tsp. salt.

Add milk and fat to egg. Stir into dry ingredients vigorously until flour particles disappear. Add one mixing spoonful of batter to hot greased heavy frying pan. When cakes are cooked at the edge, turn and cook on other side. Makes 10 or 12 pancakes.

PANCAKE HAMBURGS.

Using prepared pancake flour (mix as directed on package) make batter and pour into a pitcher. Bake cakes as directed for feather pancakes. Put pancakes together in pairs with piping-hot thin hamburgs between. Serve on heated plates, accompanied by chili sauce or relish and a crisp vegetable salad.

ORANGE PANCAKES.

1½ cups prepared pancake flour, few grating nutmeg, 1½ to 2 tbsps. grated orange rind, 1 tbsp. sugar (optional), 1½ cups of water.

To pancake flour, add orange rind, nutmeg and sugar. Add liquid, stir until batter is smooth. Turn into pitcher. Fry as directed for feather pancakes on your electric range. Serve hot, with butter and honey.

THE SUGGESTION BOX

1. Hold chops, strips of bacon, etc., on the fork till the fat drips off. Save fat for butter substitute.
2. Fold ironed pillow cases and sheets instead of pressing to avoid wear along the creases.
3. If a bleach is used in laundering it should be thoroughly mixed with the rinse water and two rinses are advised so that none of it will remain in fabric when clothes are not hung outside.
4. Keep dried raisins, apples, figs and prunes fresh by storing in dry glass jars with lids that screw on tightly.
5. Allow egg stains to dry before soaking in cold water . . . never hot water.

Annual Report Chesterville And District Red Cross

Most gratifying reports from each and every unit of the local branch of the Canadian Red Cross Society were received at the annual meeting held recently. The branch treasurer's report showed a splendid total receipt of $7600.00 and the central workroom committee reported a grand total of 3884 articles of sewing completed and 1356 knitted articles.

These results were made possible only through the co-operation of all units and of faithful workers in the village. The various units reported as follows:

Cash Receipts

Morewood	$1072.89
Nation Valley	$1176.26
Orchardside	$180.00
Boyne	$275.66
Grantley	$327.90
Bethune Bush	$127.90
S. S. No. 8	$225.56
S. S. No. 10	$370.00

The detailed reports of work accomplished are too lengthy for publication but totalled up they are as follows:

	Sewing	Knitting
S. S. No. 10	129	26
S. S. No. 8	137	74
Bethune Bush	207	95
Grantley	504	42
Boyne	293	27
Orchardside	412	91
Nation Valley	395	150
Morewood	289	171

This is, indeed, a creditable showing especially when it is remembered that many of these units have only very small numbers of workers. The sincere appreciation of the branch executive for the loyal support of all units was placed on record in the minutes of the annual meeting.

The executive for 1945 is as follows:

- Hon. Pres.: O. L. King; Pres. Perley S. Boyd; 1st Vice Pres.: Howard Fulton; 2nd Vice Pres.: Mrs. Jas. McAvoy; 3rd Vice Pres.: Harry C. Hummel; Treasurer: Clifford Cunningham: Secretary: Mrs. Ken. MacDonald; Representing Rotary: R. C. Dillabough; Woman's Institute: Mrs. G. Merkley; Anglican Guild: Mrs. A. Morris; United W.A.: Mrs. C. Munro; Catholic Women's League: Mrs. T. Moran; Presbyterian Ladies' Aid: Mrs. Bigelow.

Death of Miss Anderson

After an illness of two weeks, Miss Mary Anderson, highly esteemed citizen of "The Boyne" district passed away at her home on Saturday morning last.

Born at the homestead where she resided all her life, she was 82 years of age and was the daugther of the late William Anderson and his wife, Isobel Robinson.

She was a member of St. Paul's Presbyterian church and a charter member of the Ladies' Aid Society.

The funeral was held on Monday afternoon from her late residence to St. Paul's Presbyterian church where service was conducted by her pastor, Rev. Wallace MacKinnon.

During the service Mrs. Robert Empey and Miss Maude Lattimore sang as a duet "Some of these Days".

Interment was made in Maple Ridge cemetery. The pallbearers were Messrs. Colin Hay, Robert Empey, Walter Moffat and Wm. Watson.

The late Miss Anderson is survived by one brother Wm., with whom she resided and one sister Mrs. Wm. Irving, Grantley.

The floral tributes were as follows: Pillow: Brother and Sister; Wreath Mr. and Mrs. Carmen Barkley, Mr. and Mrs. Jas. Irving, Mr. and Mrs. Herbie Irving, Mr. and Mrs. Pliny Irving, Mrs. Bertha Onderkirk, Mr. C.E. Emerson, Winchester. W. J. Anderson, Calgary; Basket: Tena, Kathleen, Jean, Clara and Stewart Anderson; St. Paul's Pres. Ladies' Aid Society, Mr. and Mrs. Carl Guy.

HAD BAD FALL

Mrs. W. M. Saucier recently had a very bad fall in her home when she suffered a dislocated shoulder and a bruised arm and hip. Mrs. Leblanc of Montreal, is taking care of her mother.

DIES IN CHICAGO

Word was received by friends of the death in Chicago of Mrs. James Ruddy (nee Margaret Devanney) formerly of Chesterville, which occurred on February 8th. Two sisters survive Misses Nora and Ann Devanney of Syracuse, N. Y., together with a number of nieces and nephews.

TRINITY UNITED W. A.

A large number attended the regular meeting of the Women's Association of Trinity United church yesterday afternoon at the home of Mrs. Mack Smith, which took the form of an apron and money shower for the Spring bazaar. Sixteen aprons and $19.75 were taken in.

The meeting was opened in the usual manner with singing and prayer. Scripture reading was taken by Mrs. Hugh Smith followed by business and roll call. The programme consisted of a reading by Miss McGee and two solos by Mrs. George Merkley with Mrs. Gilroy at the piano. The meeting closed with the Mizpah benediction. Refreshments were served by the committee in charge of which Mrs. Gilroy and Mrs. Geo. Merkley were convenors.

WORLD DAY OF PRAYER

The World Day of Prayer Service will be held in Trinity United church on Friday, Feb. 16th at 3 o'clock. For this one day each year Christian women hold the world together by prayer. All day long "The voice of prayer is never silent".

Last year this Day of Prayer was observed in over fifty countries and in Canada 1920 gatherings were reported. At these services an offering is taken and is used for the publication and distribution of Christian literature. This service is Interdenominational, so all the women of the community are urged to attend. Thus we shall all be joined in closer fellowship and unity of spirit, into which women of all races and every church are lifted by the Father of us.

CARD OF THANKS.

Chas. Graham and family wish to express to their many friends their heart felt thanks for the tokens of sympathy tendered them during their recent bereavement and especially to the women who formed the guard of honour.

Enjoyable C.H.S. Dance

A large crowd attended the C. H. S. Annual Dance at the Community Hall last Monday evening. Excellent weather attended the occasion also — the event having been postponed from the previous Thursday.

The students are to be complimented on the splendid decorative effects which consisted of streamers in the school colours of orange and black. At the front of the stage in a conspicuous position was a large replica of the C. H. S. Shield and streamers extended from it over the top of the stage. The general appearance of the hall brought many pleasing comments.

Duquette's orchestra supplied the music and the whole affair passed off in a manner which speaks highly for the character of this much anticipated yearly event.

Prizes for the Spot Dance were won by Miss Gladys Marcellus and Gordon Hummel and for the Birthday Dance by Evelyn Marcellus and Bert Gillard.

The proceeds were approximately $170.00.

MERRILL MISSION BAND

The February meeting of the Merrill Mission Band was held on Monday afternoon at the home of Mrs. J. R. Fader. Roll call was answered by 25 members. Mrs. McKercher gave the scripture reading followed by prayer led by Mrs. Fader. The story for the day was given by Mrs. McKercher. World Friends were distributed by Una Merkley after which the following programme was given:

Piano solos: Miriam Gilroy, Connie Jarvis, Sheila Morris, Shirley Munro.

Reading by Una Merkley

Song: Joan Price, Una Merkley, Joan Harper, Sheila Morris, Jean McMillan, Irene Paul.

CARD OF THANKS.

I wish to take this opportunity to thank the members of the Women's Institute, Holy Trinity Anglican Guild, Nestle's Milk Plant, friends and neighbours, who were so kind to remember me at Christmas time and since returning from overseas, with parcels, reading, cards and letters. I would like to have anyone come to visit me who can. Thanks again.
