PLATOON NOTES

There was a good attendance at Monday night's parade, when a lecture and demonstration of the Anti-Tank Rifle was given by the Assistant Instructor, C.S.M. Bob McManus. All present had an opportunity of examining and aiming the weapon. A brief lecture on battle-drill was also given. Parades are held one night each week—Monday at 8 p.m. sharp. Unless you have a good reason for being granted leave, your attendance is necessary.

Field Manoeuvres Being Held This Sunday.

A Field Exercise for "A" Company is being held this Sunday, Oct. 31st, when Col. Franklin will be present in person to instruct the personnel in Battle Drill, Platoon in Pincer Movement, and other demonstrations. The 2-inch Mortar, Bren Guns and Anti-Tank Rifle will all be used with blank ammunition and smoke bombs. There may also be a period of shooting (.22 calibre).

A full turn-out is requested for this exercise. Members of Winchester Platoon will assemble at the Arena at 9 a.m. sharp on Sunday. Wear skeleton web and bring your lunch in small pack, also water bottles previously filled. If it is impossible for you to attend on Sunday, please obtain leave of absence from the Platoon Commander, otherwise you will be counted on strength.

WEDDINGS

ROBINSON—ARMSTRONG

A wedding of local interest took place last Wednesday afternoon, October 20th, at the home of the bride's parents, when Rev. P. Augustine, pastor of Ormond Baptist Church, officiated at the marriage of Miss Christena Armstrong, daughter of Mr. and Mrs. Wm. Armstrong, and Mr. Willis Herbert Robinson, son of Mr. and Mrs. Herbert Robinson, of Winchester.

Given in marriage by her father, the bride was attended by Miss Abbie Pechie, of Montreal. Mr. Delbert Robinson was best man for his brother, and Mrs. P. Augustine played the wedding music.

An aqua blue street-length frock with accents of sequins on the yoke was worn by the bride, with a matching hat trimmed with a veil, black accessories and a corsage bouquet of Talisman roses.

The couple left on a trip to Toronto and Georgian Bay, following the reception at the home of the bride's parents. Mrs. Robinson's travelling costume was a two-piece blush rose crepe ensemble, topped by a blue tweed coat trimmed with white wolf. On their return they will live near Winchester.

BIRTHS

At Kingston General Hospital, on Monday, October 25th, 1943, to Dr. and Mrs. Ralph McKendry, a son.

NOTICE TO CLINIC PATRONS

Seeley's Foot Clinic, Morrisburg, will be closed every day from Nov. 1st to the 13th, except on Saturday, November 6th, when it will be open. During that time Mr. Seeley will enjoy an outing with a hunting party.

OCTOBER SESSION IS POSTPONED

Scheduled to open October 18, the October session of United Counties Council has been postponed until November. The postponement was decided upon when it was learned that several of the council members would be engaged in sale of bonds during the Fifth Victory Loan campaign which was inaugurated October 18th.

When council convenes in November, a busy session is anticipated. During the meeting, council will wind up its work for 1943, clearing the decks for the incoming council which will meet in January, 1944.

Chesterville Woman Killed By Train

Believed to have been struck by a through freight train, Mrs. Thomas Cowan, wife of the Canadian Pacific Railway station agent at Chesterville, was instantly killed early last Thursday morning. In a badly mutilated condition, Mrs. Cowan's body was discovered near the tracks which pass through the village.

Since the fatality it has been revealed that Mrs. Cowan was struck by a west-bound freight which did not stop following the accident. It was reported the victim had been in ill-health for some time.

The body was discovered by James Thompson, a telephone company employee, about seven o'clock in the morning. The victim's husband did not know of his wife's whereabouts until advised of the accident. The couple lived in a flat above the station. The body of the woman was so badly mutilated that positive identification could only be made by a ring on one of the woman's fingers.

Coroner Hamilton, of Brinston, and Police Chief Garnet McLean, of Chesterville, conducted the investigation.

SELLS RESIDENCE

Mrs. J. E. Hutt has sold her frame residence on Main Street, West, to Mr. J. E. Utman, who will take possession on November 1st. As announced last week, Mr. Utman has sold his property to Mr. W. C. MacDonald.

BORN

DRIED BEET PULP

We have about 100 bags of Beet Pulp left and we do not expect to have any more this season.

Anyone needing Beet Pulp later on will do well to pick it up now when it is available.

STABLE-PHOS

A few tons of Stable-Phos to offer at 2$8.00 per ton after the government subsidy is allowed.

More Stable-Phos is used each year. It is the easiest and cheapest way to apply fertilizer, and the benefit of Stable-Phos in the stable through the winter is worth a lot.

Stable manure is high in nitrogen and low in phosphoric acid. Adding Stable-Phos makes a balanced fertilizer.

The effect on the crop is a stiffer straw and better filled grain. There is also a noticeable difference in the catch of clover.

Sprinkle Stable-Phos in the gutter and along the floor behind the cows and in box stalls. Use only about one pound to a pound and a half per animal per day.

Stable-Phos removes slime and slipperiness from the floor, and as a disinfectant helps prevent mastitis and garget.

If you haven't used Stable-Phos, try a ton this year.

CATTLE AND HOG MINERALS

Shur-Gain Cattle Minerals and Hogg Minerals. Both kinds in stock.

Due to difficulty in getting these materials we have to limit the quantity of each sale to 100 lbs.

Victory Loan Going Slow In Winchester

The Fifth Victory Loan campaign is not going so good in Winchester and District, according to the reports of the salesmen. This district has a quota of $170,000. Up until Tuesday night, local bond sales totalled only $37,150.00. It is no secret that Winchester Township, at the present time, stands lowest in the three United Counties—let us hope this condition improves before the campaign ends. Chesterville Division is slightly lower than Winchester.

We quite agree that the objective for Winchester Township ($340,000) is too high, but we also must admit that both Winchester and Chesterville districts are capable of making a much better showing than has been made thus far in the campaign.

It should not be necessary to remind the citizens of Winchester Township, and particularly residents of Winchester and district, that they should invest, even to the point of sacrifice, every dollar they possibly can in Victory Bonds.

In Mountain Township $31,300 of a $90,000 objective has been realized for a percentage of 34.77. The only township to go over the top so far is Matilda. With an objective of $200,000, about $220,000 has been subscribed. Roxborough is in second place with $145,350 of its $185,000 objective met.

The counties' objective is $3,375,000. Tuesday's bulletin shows the total bond sales to date as $1,176,700 or 34.87 per cent. of the objective.

The campaign has passed the halfway mark. We are far from our objective in Winchester. We can't let our boys down—they are sacrificing their very lives for us at home. Why then, should we hesitate to buy bonds—it's time we took this war seriously. Speed the Victory—Buy more Bonds.

Donations To Park Fund Still Being Received

For the benefit of those who may think otherwise, we would like to point out that the 100 Club's Community Park Fund is not yet closed. The canvassers have merely delayed activity until the Victory Loan campaign is over. Subscriptions are still coming in from former residents of Winchester, and needless to say, these are appreciated very much. Last week we received a cheque for $25.00 from Mrs. W. B. Campbell and daughter, Mary, of Ottawa. The following letter accompanied the cheque:

"I am enclosing an express money order for $25.00 which Mary (Mrs. G. F. Amy) and I wish to contribute to the fund for the Recreational Park, in memory of my husband, the late W. B. Campbell. He was always vitally interested in anything that pertained to the public welfare and we know if he were alive today he would be an ardent supporter of your project. Mary and I, too, feel that it is a splendid idea and wish to make this joint contribution in memory of Mr. Campbell.

"We note from the Press each week that you are meeting with great success in your campaign and may we express the hope that your objective will be reached in the very near future."

Another donation of $15.00 was received from Mr. Willard Faith, who penned the following note which was enclosed with the cheque:

"Please accept my apologies for not responding more promptly to your letter of September 10, regarding the canvass for the Community Park. There have been a number of intervening interruptions, or I would have responded more promptly.

"I am enclosing a cheque for $15.00, plus exchange, and I only regret that I cannot support this very worthy cause more liberally."

Park Site Inspected.

A few days ago the Park Committee visited the Fair Grounds, and made plans for having the property cleaned up and plowed this fall in preparation for more extensive work in the spring. The scheme is going to take plenty of cash, so if you have not yet made a donation, plan to do so as soon as possible, as every dollar that can be raised will be needed to complete the job.

WINCHESTER WOMEN'S INSTITUTE

Winchester Women's Institute met at the home of Mrs. Floyd Armstrong on Monday night and was opened by singing the Ode and reciting the Creed. This was followed by Roll Call, which was responded to with naming a prominent person in War or War Work. The minutes of the last meeting were read and approved.

The collection for the Blind amounted to $22.14; also 14 ditty bags were reported as filled. A Lecture Demonstration on Health will be held in Winchester, November 17th, under the auspices of the Women's Institute. The sessions will open at 10 a.m. and will terminate at 4 p.m. Miss Gardiner, of the Health Department in Toronto, will be in charge. Visitors are invited to attend this very worthwhile course on "Signs and Symptoms of Illness with Practical Home Treatment."

Reports were received from Mrs. Graham as Liaison Officer, and War Work was reported by Mrs. Carl Rice. It was decided to hold a Bridge Party in the Legion Hall on Monday night, November 8th, to which the public will be invited. The Red Cross appealed for sewers of shirts and shorts as 50 men's suits of underwear are immediately needed for Greek Relief.

Mrs. Carl Rice had charge of the entertainment programme, which opened by singing "O Canada!" and "The Maple Leaf Forever." Miss Marion Carkner contributed a solo entitled "Coming In On a Wing And a Prayer." Mrs. John D. Stewart, B.Sc., M.A., gave an address entitled: "Representatives of Canadian Women's Institutes at the Peace Conference." This address was much appreciated by the members. A duet was rendered by the Misses Doris Armstrong and Marion Carkner. This musical number was succeeded by a report from the Eastern Ontario Convention of Women's Institutes, recently held in Ottawa. Mrs. Floyd Armstrong, as delegate from Winchester, gave a very informational and complete report of the Convention. This interesting programme was closed by a trio, rendered by the Misses Armstrong and Carkner. Refreshments were served, after which Mrs. Albert Johnston proposed a pleasing vote of thanks to the hostess, Mrs. Floyd Armstrong, and to all who had contributed to the success of the evening.

OBITUARY

LATE MRS. THOS. B. STEWART

Mountain Township lost a highly esteemed citizen on Friday, October 15th, in the passing of Mrs. Hattie E. Stewart, widow of the late Thomas B. Stewart.

Deceased had been in failing health for some time. On the day prior to her death, she suffered a weak spell, failing to rally, and passed away at 2 p.m. on Friday.

Born near Hallville on August 14, 1872, the late Mrs. Stewart was in her 72nd year. She was a daughter of the late William Christie and his wife, Mary Merkley. With the exception of a couple of years spent in California, she had resided in the Mountain district all her life. She possessed a cheerful and loving disposition and was respected by a wide circle of friends.

The funeral service was held at her late residence on Sunday afternoon, October 17th, and was largely attended. Rev. G. A. Beatty, pastor of St. Andrew's United Church, Hallville, officiated. A quartette, composed of Mrs. Joseph Hyndman, Mrs. Andrew Logan, William Loucks and Joseph A. Hyndman, rendered a selection entitled "When My Soul Reaches Heaven." The accompanist was Miss Margaret Christie.

During the singing of the hymns, Mrs. Andrew Logan, organist of St. Andrew's Church, acted as pianist.

Following the service, interment was made at South Gower Cemetery.

Many beautiful floral tributes testified to the high esteem in which the deceased was held.

Besides her aged mother, who is 91 years old, the late Mrs. Stewart leaves one daughter, Mrs. H. W. Campbell; two sisters, Mrs. John Cameron and Mrs. S. Smith; and two brothers, Mr. H. B. Christie and Mr. W. D. Christie.

Those from a distance who attended the funeral were: Mrs. Ward McCormick and daughters, Jean and Mildred, of Ogdensburg, N. Y.; Mr. and Mrs. Darrell Smithers, of Lisbon, N. C.; Mr. W. D. Christie, of Norwich, N. Y.; Mr. and Mrs. Fred Barriger, Mrs. Thos. Morrison, Mr. Ed. Suffell and Mrs. E. Banville, all of Smtihs Falls; Mr. Cleveland Russell and Mr. Keith Brownell, of Cherry Valley, and Mr. Frank Stewart, of Morrisburg.

Anniversary Speaker

REV. D. W. FOSSIT
of Louisville, Ky.

Who will be the guest preacher at the Anniversary Services, to be held in the local Wesleyan Methodist Church on Sunday, November 7th, at 10.30 a.m., 2.30 and 7.30 p.m.

Rev. Mr. Fossit is an outstanding evangelist, and will conduct Revival Services in the W. M. Church from October 31st to November 14th, both days inclusive. During the campaign services will be held every week night, except Saturday, at 7.45 o'clock. Hours of service on Sunday will be: Sabbath School at 9.30 a.m.; preaching at 10.30 a.m., 2.30 and 7.30 p.m. The pastor, Rev. D. W. Summers, extends a cordial invitation to everyone to attend these special services.

VOL. 1. Oct. 28, 1943. No. 5

An executive meeting of the Literary Society was held on Monday evening, under the chairmanship of the Literary president, Roy Campbell. At this meeting it was decided to hold a Hallowe'en Party on Friday (tomorrow) evening, and convenors of the different committees were appointed to complete arrangements. The program is to consist of games, dancing and refreshments. All ex-students of the W. H. S., who are still residing in town, are invited to attend this party. All students attending must be in costume.

At the meeting authority was given to the president, Roy Campbell, and the secretary-treasurer, Doris Armstrong, to draw money from the Literary Account, when needed for expenses, etc.

The annual meeting of the Secondary School Teachers' Federation, District No. 11, was held on Saturday, Oct. 23rd, in the Chateau Laurier, Ottawa. In consideration of the shortage of gas and the tire problem, there was quite a fair representation of the teachers of this district. The representatives from our staff were the Misses Kruger, Macdonald and Stenhouse and Mr. Fisher.

A unique feature was that at the luncheon, which was held in the ball-room, we were joined by the Men's Public School Federation District No. 1, the Women's Public School Federation District No. 1, and the Separate School Federation.

The guest speaker was Group Captain Cockram, who gave an interesting address, making a parallel between life and a game of cards. "Clubs" represented might and power; "Spades"—labour; Diamonds—external beauty; Hearts—the character of man.

Education Week

Education Week commences Nov. 4th. It is the desire of the Department of Education and the H. S. staff that churches, papers and service clubs make an effort to bring educational topics to the minds of the people, with an aim to improve the general attitude of the public towards our schools and their importance. The public must become alive to the fact that education is a powerful national instrument. Through it we can make a democracy or a dictatorship, a peaceful, industrious people or a ruthless, bloodthirsty people.

Hitler realized the power of education—much to our grief—and once his system took root he had Germany in his hand. Unless we realize its powers also and use it to influence our national, democratic and moral outlook for the better, our democratic house will be dangerously founded.

Parents can help the education of their children by being interested in their daily school work. We believe in the importance of the daily school work well done as the successful means to the end.

First term examinations start December 6th and will be spread over a period of two weeks. Encourage your sons and daughters not to cram during exam week but to work now, to-day, every day.

With the following thought we conclude this week's edition of the W. H. S. News: "Buy Victory Bonds to Speed The Victory, and Hasten the day when all families may reunite in a Peaceful World."

REMEMBER !

Father Time is a dual personality. He is a veritable Dr. Jekyll and Mr. Hyde. At one and the same time he is kind and he is cruel.

If we want proof of this, we need only cast our thoughts back to the days of 1915-18. Since that period Time graciously healed most of the wounded Canadian hearts which then ached in loneliness and begged piteously for one more touch of the missing hand and lips of those stilled forever in the mud of Europe. But Time also dulled our memories of the horrible pain and grief which swirled in the wake of predatory German generals.

Only fourteen years after 1918, when German viciousness began to rise again as a threat against world peace, Time had blurred our minds. We do not readily recall the inhuman heart-breaking experiences of the first World War. There was no overpowering urge in our breasts to stamp out the smouldering fire of conquest before it became an unmanageable holocaust. Time had so softened our recollections of the tragedy in that short space, the reawakening of the German militaristic spirit did not warn us to meet and overpower it immediately.

Have we yet learned how wicked Time can be?

It is only four years ago since the stiff-necked goose-steppers ran bayonets through the frail bodies of old men and women in Poland, led little children into fields to shoot them down with machine gun bullets. But three years have passed since the Germans bombed old and young civilians out of the towns and cities of Belgium, to choke the highways against the approach of the opposing armies—and then bombed and machine-gunned these helpless creatures along the roads. Will we let Time make us forget that now?

It is about two weeks since the Nazi monsters looted the city of Naples and mercilessly murdered inhabitants because they expressed their dislike of the German cause. Can we forget that also?

For four years, thousands of the finest of our Canadian youth, destined to live happy lives among us, have fallen victims to German guns. Is our sorrow from their loss already cooling?

Or are we keeping fresh those bitter memories of the past since 1939, arousing in our hearts a grim determination to end this senseless parade of wars for a long, long time?

There is a message being spread throughout the land in these days of the Fifth Victory Loan campaign. Its purport is, "Let's not become complacent."

But here is a yet more potent slogan for us at this moment. It is contained in one word:

"Remember."

If we will keep green the indescribable horrors of this war, if we will remember that these were perpetrated by the Germans and will be repeated again and again unless we completely crush the German militaristic spirit, we won't need any warning against complacency.

We will pour our dollars into Victory Bonds as never before, speed our work in war factories and take increasing pride in the actual job of extermination which our men are carrying out at the battle front.

WHAT IS A CORD OF WOOD?

With the return of colder weather and the accelerated demand for wood and other fuels, the question has once more arisen of what constitutes the legal cord of wood. The office of the Prices Board has answered that enquiry on numerous occasions since the fuelwood prices regulations were applied. But it does not mind repeating the information at this time.

Under the fuelwood prices regulations, a cord of wood must measure 128 cubic feet of stacked cut wood. When fuelwood is sold by the cord, the consumer is entitled to receive that quantity of wood, whatever the length in which it is stacked.

The Board has recently investigated several complaints that short measurements of fuelwood have been given consumers by their suppliers.

Probably the boys who are in the thick of things in Italy have changed the words of a recent song a bit to "Praise The Lord And Let The Ammunition Pass Me."

There may be those among the boys in the "big push" overseas around Christmas who may be glad they are not being pushed around in the Christmas-shopping crowds—but not many.

Any schoolboy patriotic enough to pick milkweed leaves at the price of three cents per pound dry weight certainly merits a place in the ranks of those noted "dollar a year" men, says the Prescott Journal.

People who complain about having to take 25 per cent. bituminous coal with their household fuel ought to consider themselves most fortunate. As a matter of fact, the Coal Controller now advises householders to accept immediate delivery of any type of coal suited to their heating equipment lest they find themselves without coal of any kind when really cold weather puts in an appearance.

"May the Great God whom I worship, grant to my country and for the benefit of Europe in general a great and glorious victory and may no misconduct in anyone tarnish it, and may humanity after victory be the predominant feature in the British Fleet! For myself individually, I commit my life to Him that made me, and may His blessing alight on my endeavours for serving my country faithfully. To Him I resign myself and the just cause which is entrusted to me to defend."—Lord Nelson's prayer.

This week-end marks the end of October and the celebration of Hallowe'en. While the younger generation must have their fun on this particular occasion, it would be just as well for parents to remind their sons and daughters that they must not engage in pranks that will cause the destruction of property, or infringe on the rights of peace-loving citizens. In these days of wartime restrictions and scarcity of candy, peanuts and apples, etc., the youngsters cannot expect to get the traditional handout at every home they visit. This will, no doubt, be a disappointment to many of them if an explanation is not forthcoming from the parents before the youngsters start out. Another thing to remember is that labour is scarce, and it will be difficult to hire men to tidy up the village, or make repairs to private properties, damaged by Hallowe'en pranksters. It is up to the parents to instruct their offsprings to use common sense this Hallowe'en, and impress upon the boys and girls that they must not take any part in tricks which tend to destroy other people's property.

Only a couple of local color items from the nation's capital this week: One concerns the fact that at a local liaison officers' meeting (for the Consumer Branch, Wartime Prices and Trade Board, like you have in your own town) the ladies sent in a resolution to the Prices Board asking that boys' pants be manufactured with double seats; and that certainly sounds like an economy idea, because boys don't wear 'em out on the cuff . . . . After two months' absence from an internment camp a young Luftwaffe Nazi was caught by an alert detective in the Ottawa Union Station. Asked what he thought of Hitler now, he replied: "What do you think of Churchill now? That's what I still think of Hitler."

The R. C. A. F. is quite disturbed about some farmers, hunters and gun-toting youngsters taking pot shots at racing pigeons in flight. Please think twice before doing it again. They are either on the fly carrying messages, photographs, etc., for the armed services or being trained by civilian pigeon fanciers for a war job. Right now the R. C. A. F. Signals (Pigeon Division) is out to recruit 1,000 new birds. Incidentally, since April, it is against the law to keep or fly pigeons without authority.

A knotty problem has come up for the National Research Council perhaps, or any person with an inquiring mind. It was unearthed by none other than the House of Commons barber who wonders where red-headed males have gone. Twenty years ago they claim one in ten was red-headed; today they've dwindled. Only real red head among the 245 members of the House of Commons is said to be Robt. McCubbin, Liberal of West Middlesex. Now you take a guess.

In these days of rationing when we speak of the "privileged" class, nine times out of ten we're referring to the infant population. When sweet-spreads were rationed, Moms were permitted to exchange the baby's sugar coupons for those of corn syrup; using both exchanged and "D" coupons, baby can have 7 lbs. of corn syrup a month. Now comes "G" coupon by which they can get evaporated milk through their own Local Ration Board. We've got to protect our future citizens.

A little barn talk: How to figure number of tons of hay in a mow, just multiply the length by width by depth and divide by 450 . . . A study of the apple maggot has shown that cultivation tends to increase the number of adults which emerge from the soil, but frequent rains during the emergent period get about the same results. . Best time to cut, haul and prepare wood for fuel for use in the following year is the winter months. Wood should be dried well because when green it contains 25 per cent. water. Much of the heat is used in evaporating this and is lost . . . A ton of timothy hay has 16 lbs. nitrogen, 6 1-2 lbs. phosphoric acid, about 30 lbs. potash. That is more than is returned to the land by a ton of ordinary green farmyard manure. If no fertilizer is applied, continuous timothy depletes the soil. About the same condition exists with other grasses.

Here's co-operation. The Canadian Motion Picture War Services committee has inofrmed the Department of Munitions and Supply of the voluntary decision of 1100 theatres across Canada to effect a 30 per cent. reduction in the use of coal this winter. That answered an appeal to Canadians for help in the conservation of coal this winter. That answered an appeal to Canadians for help in the conservation and distribution of our fuel supply.

Nearly every Canadian family has some one near and dear in the armed forces overseas. Thus the appeal of the Post Office Department should be heeded about the deadline for mailing Chrisimas parcels by November 1st. Last year they handled 8 1-2 million pounds of Christmas parcels. and expect a lot more this year. You are asked to pack well, wrap well, address properly and keep out inflammbale stuff.

Cash income from the sale of farm products in Canada for the first six months of 1943 rocketed up to over $538 millions as against $248 millions in the same period of 1942, and $356 millions in 1941. This increase was common in all provinces except Ontario, with the Prairie Provinces tops because of the sale of 1942 grains. Greatest percentage was shown in the marketings of oats and barley. Hogs hit $106 millions, dairy products $110 millions. In the same period, however, the domestic consumption of fluid milk, butter, cheese, ice cream, etc., showed quite a decrease, most of it resulting from butter rationing.

Here's another interesting item for folks in agricultural spots. Stocks of creamery butter in store in nine of the principal Canadian cities on October 1st totalled 50,930,412 lbs., an increase of 17 1-2 million lbs. over the amount at the same date last year. However it must be remembered October 1st is taken as a peak date. There was a decline shown in cheese and eggs, but that is due to large shipments to the United Kingdom.

Ladies, the war is pushed back from your dressing-table slowly but surely, as the military situation slowly but surely improves. M. & S. has passed an order, brought about by improved shipping conditions, permitting the use of zinc oxide as an ingredient of talcum powder, face cream and other cosmetics, for the first time since late in 1941. Manufacturers will be allowed an annual quota of one-half of what they used in 1940.

Our Column

The optimist is as often wrong as the pessimist, but he is far happier.

"That at least," remarked the Berlin. newscaster, in signing off the other day, "is what it says here."

One way to get your troubles off your mind is to go horseback riding—especially if you aren't used to it.

Some modern music makes it hard to tell whether the neighbors are playing the radio, fighting, or washing dishes.

Modernizing must pay. Railroads fixed up the locomotive to look like something else, and now can't handle the customers.

A fool and his money are soon parted, but sometimes the fool seems to be having more fun than the fellow who gets his money.

Courtesy is the child of good will, and when you have in your heart good will toward the world, the world will have its good will for you.

Having demolished Hamburg, the Allied fliers are now putting Frankfurt out of business. This is upsetting the Nazi lunch wagon with a vengeance.

Marshal Badoglio says Fascism broke apart like a rotten apple—and Mussolini is still handing out the applesauce to all of the Italian people who will listen.

Other Editors' Opinions

WORSE THAN NAPOLEON

(Pembroke Bulletin)

Stalin has shouted for a long time "death to the German invaders," and the army is carrying out his command. It may not now be long until the Germans will be driven from Russia with infinitely greater losses than Napoleon suffered.

FOUNDATION FOR PEACE

(Cobourg World)

It may be said that we, as puny individuals, are powerless to influence the course of world events. That is not true, we each have a world within us and it is from our setting our world in order and from every other individual doing the same thing that the only sure foundation peace will be established.

A GOOD IDEA !

(Trenton Courier-Advocate)

The Protestant clergy of Trenton are planning a census of their own people. The idea is to find out where are all those boys and girls who are not attending a Sunday School of some kind or another. Getting them back to Sunday School is an important step in the campaign against increased juvenile delinquency.

A PERFECTLY GOOD ANSWER

(Catholic Record)

The editor of a western paper asked whether something could not be done to prevent young women from being insulted on the streets late at night. To which another editor makes the answer that the parents might keep the children off the streets late at night. A good answer, and one which is perfectly in point in Canadian towns at the present time.

THE VICTORY LOAN

(Almonte Gazette)

In some quarters we hear it said that Canada will find it hard to raise the amount required for the fifth Victory Loan. We heard the same thing four times previously and it didn't materialize. There is little chance of any letdown this time either. The Dominion couldn't afford to fall short of the objective set. It is one of those many "musts" that loom so large in wartime.

WHY FARMERS SELL OUT

(Peterborough Examiner)

Have you noticed the number of farm sales which are being held this Autumn? For some weeks now our advertisement columns have announced four or five of them every day. In its last issue the Lindsay Post carried advertisements for twenty-six such sales. And yet everyone knows that Spring, and not Autumn, is the time when a farmer sells his stock and implements if he hopes for the best market. What is behind it?

Our question is wholly rhetorical, for everyone can supply the answer. The farmers are selling out because they cannot go on with their work without proper help.

The shortage of manpower for agriculture has been discussed so many times in these columns that we do not intend to re-cover the ground; we merely point to these farm sales as alarming symptoms of what is going on, and the direction in which agriculture is headed.

QUITE TRUE !

(Brockville Recorder & Times)

Although the Germans have had to yield ground in Russia and Italy, they do not appear to have suffered casualties on anything approaching the scale of their earlier losses, before Stalingrad and in Tunisia. They have generally managed to withdraw in fairly good order. There will have to be much greater annihilation of the German armies before their defeat can be brought about.

SECRET WEAPONS

(Christian Science Monitor)

Early in the war the Nazis tried to use talk about "secret weapons" as another bogey wth which to frighten free peoples. Their real secret weapon was mesmeric fear. Actually in new defensive and offensive devices Allied inventiveness has more than turned the scales.

We are now hearing about patrol planes using searchlights against submarines. How this has hampered U-boat tactics of overtaking convoys on the surface at night and has forced them to risk surfacing in daylight to recharge batteries is a fascinating story.

Sometimes new adaptations of old equipment or techniques have as great value as a novel device. Allied use of one or the other in a most important field of combat is indicated by the latest Allied air forays from Britain, particularly the R.A.F. raid on Leipzig.

London despatches tell how the big bombers went out in rain and wind and clouds that have always before kept them grounded—the kind of winter weather that the Germans hoped might give them a respite. We need not pry overmuch into how Allied crews have been trained or equipped for all-weather attacks. It is enough to know that bad weather may be not a hindrance but a help in bombing Germany.

They've discovered that thread can be made from an egg. That's something to crow about—well, cackle, anyway.

Late Reuben Crowder

A lifelong resident of South Mountain, in the person of Reuben Crowder, passed peacefully away on Saturday morning at his home here. He was 95 years, 5 months and 4 days old, and was a farmer until about 25 years ago when he retired. He had spent all his long life in the locality where he lived, and had a kind and loving disposition. His wife, Elizabeth Christie, predeceased him ten years ago.

He leaves to mourn his loss, five daughters and four sons—Mrs. Jennie Crowder, Ottawa; David, of Pleasant Valley; Chris, of South Mountain; Mrs. Bertha Ellis, of Saskatoon; Wm. R. Crowder, South Mountain; Mrs. Fred Haig (Pearl), of Saskatoon; Lee Crowder, of London; Mrs. Ira Ellis (Hattie), of Hulbert, and Mrs. C. H. Clark (Ethel) at home.

One precious to our hearts has gone,
The voice we loved is stilled;
The place left vacant in our home
Can never more be filled.
Our Father in His wisdom called
The boon His love had given,
Although on earth his body lies,
His soul is safe in Heaven.

Armstrong—Pratt

A wedding of much charm took place in St. Andrew's Presbyterian Church, Kars, on Saturday afternoon at 2.30 o'clock when Ruby Nettie, only daughter of Mr. and Mrs. J. H. Pratt, was united in marriage with Mr. Stuart Armstrong, only son of Mr. and Mrs. T. J. Armstrong, of Kenmore.

The church was tastefully decorated with crysanthemums, potted plants and other flowers, and the ceremony was performed by Rev. Mr. Mullen, pastor of the church. The wedding music was played by Mrs. Lee Pratt and during the signing of the register Mrs. Fred Pratt sang: "O Promise Me."

The bride, who was given in marriage by her father, was attired in a street length model of Turquoise blue sheer with a finger-tip veil of the same shade and carried an arm bouquet of pink roses.

The bride was attended by Miss Jennie Pratt as maid of honor and Miss Annie Pratt as bridesmaid. They were gowned in costumes similar to the bride, Miss Jennie in pink and Miss Annie in a darker shade of blue. Little Miss Margaret Pratt, daughter of Mr. and Mrs. Fred Pratt was flower girl, and wore a dainty costume of yellow taffeta and carried a nosegay of bronze and yellow mums.

The groom was attended by his cousin, Mr. Wm. Armstrong, of Edwards, and the ushers were Mr. Donald Lindsay, of Kars, cousin of the bride, and Mr. Elmer Carson, of Metcalfe, cousin of the groom.

The guests, numbering over 70, attended a reception at the home of the bride's parents, and later the young couple left on a honeymoon trip to Toronto and points west. On their return they will reside on the groom's farm at Kenmore.

COAL

is AMMUNITION

Use it Sparingly This Winter!

Remember that it is an offence to waste coal or heat. Remember that coal supplies are critically low—and the demand for our war industries is greater than ever.

Plan now to save at least *one* ton in *five*. Weatherproof your home—especially doors and windows. Keep your furnace clean from heat-robbing soot. And most important of all, see that home temperatures don't exceed 68 degrees by day and 58 degrees during the night.

HINTS FOR THE HOME

Iron Rust.

Long-standing stains of iron rust can be removed by using a weak solution of oxalic acid.

Suede Shoes.

If rain has spotted suede shoes they can be renewed by rubbing the spots with an emery board.

Baking Powder.

Always keep the baking powder in a cool place and never place a wet spoon in the can of baking powder.

Feathers

An excellent way to curl feathers is to heat them before a fire, then stroke them with the back of a knife.

Plant Roots

See that the roots of plants as well as the outside growth are given freedom. Crowded roots will cause stunted growth of the plant.

Glue Bottles

If the glue or paste bottle is hard to open, immerse in hot water for a few minutes, and the top will come off without the least difficulty.

The Bust

The bust can be enlarged by drinking plenty of milk and eating fats and starchy foods. Massage daily with olive oil and cocoa butter.

Testing Butter

To test butter, place a small amount in a teaspoon and hold it over a flame. It will foam quietly and boil if pure. If impure it will crackle and sputter as it becomes hot.

The Invalid.

When bathing the feet of an invalid, draw the wet cloth across the sole always in the same direction. In this way the feet will not be tickled.

Mending China.

China or glass can be mended by melting some powdered alum in an old spoon. Before it hardens run over the pieces, press them together and set aside to dry. They will hold even if washed in hot water.

Cauliflower.

There will be less waste to the cauliflower when boiling it if it is placed in a muslin bag, tied at the top, and this bag placed in the boiling water.

Gold Teeth

One of the best methods of cleaning gold teeth is to rub them with a mixture of prepared chalk and powdered pumice, sprinkled on the toothbrush.

Blanket

New blankets can be protected from soiling by sewing a piece of thin muslin to the blanket, reaching about six inches down from the top. This will help lighten cleaning bills.

Plants.

You can hasten the growth of house pants by making a mixture of 1 tablespoonful of Epsom salts and 1-2 gallon of cold water. Dissolve thoroughly and pour over the roots.

Sardine Can

Start the key in the stardine can in the ordinary way, and then put the tip of the ice pick in the key loop. It will act as a lever and the whole top of the can will wind off easily.

Polishing Cloths.

Oiling and polishing cloths should be kept in the air. There is a danger of spontaneous combustion if they are closed up, and also of the oil spreading to other things around it.

Carpet Sweeper.

Use a small wire hair brush to comb out the pieces of string and hair, and it will provide a more satisfactory cleaner than anything else for cleaning out the bristles of the carpet sweeper.

Baking Cakes

To keep a cake, that sticks to the pan, from breaking to pieces when taken out, turn the pan upside down and lay on the bottom of it a cloth wrung out of water. In a few minutes the cake can be removed without crumbling.

Shoe Tongues.

If the tongue of a shoe persists in slipping to one side, cut two short slits near the top of the tongue, about a quarter of an inch apart, and slip the lace through these slits before inserting through the top holes. The trouble will be overcome.

Having an unusually heavy crop of hair because he had been on a country visit and hadn't bothered to get a haircut, a man went immediately to his barber when he returned to town.

"Haircut?" asked the barber.

"Not now," said the man. "I just dropped in for an estimate."

One day Jean Jacques Rousseau showed his "Ode to Prosperity" to Voltaire.

Voltaire did not think much of it, and replied, "I am afraid your 'Ode' will never be forwarded to its address."

MODERN ETIQUETTE

1. When one accidentally brushes against a person, which is the better expression to use, "Pardon me," or "I beg your pardon"?

2. Is it proper for one to completely unfold a napkin when seating himself at the table?

3. What is the proper way to introduce a married woman to an unmarried one?

4. How close to the table should one sit?

5. Is it permissible to close a letter with one word such as "Sincerely," "Cordially," "Respectfully"?

6. When a woman is the bearer of a letter of introduction, how soon should she make a call?

Answers

1. "I beg your pardon." 2. No; unfold the napkin until it is half its full size, with the crease in the centre. 3. The unmarried woman is always presented to the married woman as, "Mrs. Jones, may I present Miss Smith"? 4. Sit close enough so that you can reach the plate without leaning forward awkwardly, and far enough away so that the elbows will not be cramped. 5. No. When an adverb ending in ly is used, the possessive pronoun 'yours' should be added. 6. This call should be made within three or four days.

NATIONAL SELECTIVE SERVICE

A WORD OF CAUTION

TO MEN OF MILITARY AGE AND TO THEIR EMPLOYERS

National Selective Service Civilian Regulations authorize the Minister of Labour to require that male employees furnish their employers with evidence that they have not failed to comply with National Selective Service Mobilization Regulations (i.e., the Military Call-Up).

It is intended that an order will be issued shortly, requiring employers to carry out the necessary check on their male employees, and to report any men who do not produce the required evidence of compliance.

The check up will cover every male employee who has reached the age of 18 years and six months and has not reached his 38th birthday. The man will have to show evidence in one of the following forms:—

(a) A man discharged from the Armed Forces following service during the present war should have his discharge certificate. A discharged man who has not a certificate should apply for one in the following manner:—

Army—District Officer Commanding, Military District in which discharge took place.

Air—Records Office, R.C.A.F. Headquarters, No. 5 Temporary Building, Ottawa, Ont.

Navy—Secretary of Naval Board, Ottawa, Ont.

(b) A man who has responded to a direction from a Registrar of a Divisional Mobilization Board, to report for medical examination under Mobilization Regulations, should have either a certificate of unfitness or an order for postponement of military training from the Divisional Registrar. (A man entitled to either document who has lost his copies should immediately apply to the Divisional Registrar who issued the original, for a duplicate.)

(c) A man who has been rejected on application for voluntary enlistment in the Army since the beginning of the war, should have a certificate showing that he was rejected through medical unfitness. (If a man entitled to such a certificate does not possess it, he should apply to the District Military Headquarters of the District in which he applied for enlistment, in order to procure the necessary form.)

(d) A man in the designated classes who has not reached his 38th birthday, who was married as at July 15th, 1940, or who, having been married before that date, is a widower with children, must be prepared to furnish evidence, such as a marriage certificate or birth certificate of a child, to show that he was married before July 15th, 1940, and that he is now either married or is a widower with children.

(e) A man who has reported for enrolment in the Army under an Order—Military Training issued under the Mobilization Regulations and who has been rejected should have a certificate showing he was rejected through medical unfitness. If a man entitled to such certificate does not possess it, he should apply to the District Officer Commanding the Military District in which he was rejected.

(f) (i) A man who is not subject to the Mobilization Regulations because he is an enemy alien who has not made application for naturalization may obtain a certificate from a registrar of his Divisional Mobilization Board indicating that the Mobilization Regulations do not apply to him and such certificates must be obtained by all such enemy aliens:

(ii) A man who is an alien and neither a national of Belgium, Czechoslovakia, The Netherlands, Norway, Poland, the United States nor Yugoslavia and has not applied for naturalization may be relieved of his duty under Mobilization Regulations, but he gives up his right to future Canadian citizenship after the war; where such men have applied for such relief and been granted such status, certificates will be issued by registrars in appropriate cases.

This caution is issued to facilitate compliance with the order which is proposed. A reasonable interval will be allowed to permit men to provide themselves with whatever document, as referred to above, they may be entitled to hold.

Employers are requested to give notice of this proposal to their male employees, to facilitate the operation of the order when issued.

Tremendous Response Given C.W.A.C Pipe and Brass Bands On Tour

Around the corner and down the street come members of the unique and popular Canadian Women's Army Corps Pipe Band and the C. W. A. C. Military Band, the latter the only all-girl active force band in the British Empire. Stirring tunes of the pibroch and brass as played by women drew tremendous audiences on their Eastern tour. The bands opened the Western tour at Winnipeg, September 27. TOP, is the pipe band on parade during their visit to Halfiax. Pipe Major Lillian Grant, of Victoria, B. C., leader of the band, is at the left of the front row. Bandmistress Nadia Svarich, of Vegreville, Alta., is pictured at the left in the LOWER photo marching with the military band in Halifax.

WEDDINGS

ELNAUGH—VETTER

Benton St. Baptist Church, Kitchener, was the scene of a double-ring wedding ceremony on Saturday afternoon, October 9th, when Marie Anna Vetter, only daughter of Mr. and Mrs. Adolph Vetter, became the bride of L.A.C. Stanley J. Elnaugh, of Moncton, N. B., only son of Mr. and Mrs. J. T. Elnaugh, of Preston. Rev. H. F. Shade, of New Dundee, officiated. Miss Bernice Yanke, aunt of the bride, was maid-of-honour, while the Misses Marion Vetter and Kathyrn Vetter, cousins of the bride, acted as bridesmaids. L. A. C. James Bird, of Dunnville, was best man. The ushers were Lieut. Elgin Kilborn, of Petawawa, and Mr. Robert Yanke, cousin of the bride. Mr. Paul Snider, the church organist, played the wedding music, and Mr. James Crawford, of Preston, was the soloist.

The reception was held at the Old Mill Coffee Shoppe, when 50 guests were present, including Mr. and Mrs. J. T. Elnaugh, of Winchester, grandparents of the groom.

WOMEN'S MISSIONARY SOCIETY

The Women's Missionary Society of St. Paul's Presbyterian Church held its October meeting at the home of Mrs. A. G. Suffel on Tuesday evening of last week. The president, Mrs. Geo. Wilson, presided, and the meeting opened with a hymn, followed by prayer. The minutes were read by the secretary, Mrs. Hay. Important business was discussed. It was decided that the auxiliaries, girls' group and Mission Band would meet as a Family Group in the church early in November. Several members planned to attend the Sectional Meeting, held at Winchester Sprnigs October 14th. The treasurer's report was very gratifying. The members were invited to bring their birthday donations.

The roll call was answered by a sentence sermon. The departmental reports were given and all were encouraging. The National Anthem was then sung.

The worship service was in charge of Executive members. The Bible Study, taken from 'The Prodigal Son,' was given by Mrs. Wm. Johnston. Mrs. Angus offered prayer, and a hymn was sung. The Mission Study, "The North American Indians," was read by Mrs. Henry Cinnamon. Current Events were given by Miss Mary Empey. A verse on Thanksgiving was read by Mrs. Suffel. The meeting closed by a hymn and the Lord's Prayer in unison.

Johnny, who had been taken to the country for the first time, saw a spider spinning a web between two tall reeds. "Father," he called, "come and see this bug putting up a wireless.

● Lou Neilly is a typical Ontario farmer with 85 acres just north of Bradford. Two of the Neilly sons joined the R.C.A.F. One son was killed in service. The other is a Flight-Lieutenant on active service. A bond buyer himself, Lou Neilly personally sold $200,000 worth of Victory Bonds in the first four loans to people of his own township.

. . .

When Lou Neilly leans across a fence and chats with neighbors he often talks about Victory Bonds, and that it's everybody's duty to buy them. He says something like this—*his message to you:*

"The biggest chore in my life is doing what I can to win this war. I want my son and his pals, your sons, to get everything they need to do their job over there—wherever they are. I want too, to put aside what savings I can into Victory Bonds to give my oldest boy a fresh start when he takes off his uniform. You can put savings a great many places, but there is only one place where your savings will give our boys in service the help they need now. Everybody knows that Victory Bonds are as good as dollar bills—and that you can borrow on them any time you need cash—but we should buy bonds as our duty to our fighting men."

INKERMAN

POLLOCK—LANG

A very charming and beautiful wedding took place in the Inkerman United Church on Saturday, October 16th, at 2 p.m., when Dorothy Audrey Etta, eldest daughter of Mrs. Lang and the late John Lang, of Inkerman, was united in marriage to William Orland, only son of Mr. and Mrs. Roy Pollock, of Inkerman. The Rev. G. S. Gervan, pastor, officiated.

The bride entered the church on the arm of her eldest brother, Mr. Chester Lang, to the strains of Lohengrin's Wedding March, played by Mrs. Keith Locke, Inkerman.

Miss Norma Lang acted as bridesmaid for her sister, while Mrs. Allan Ronson, also a sister of the bride, was matron of honour. Little Miss Maxine Lang, niece of the bride, was flower girl.

The bride chose a gown of nu-blue wool trimmed with matching soutache braid and wore navy accessories. Her only ornament was a set of pearls, the gift of the groom. She carried an arm bouquet of Bouvardia Roses and maiden-hair fern.

The bridesmaid wore a gown of British blue crepe trimmed with lace and wore navy accessories. Her arm bouquet was of American Beauty Roses and maiden-hair fern.

Mrs. Ronson, matron-of-honour, wore a gown of Alice Blue trycord crepe with navy accessories and carried an arm bouquet of Mrs. Sprott's Roses and maiden-hair fern.

Little Maxine Lang looked charming in an Air Force blue wool gown and carried an arm bouquet of Heavenly Blue Roses and Cornflower.

Mr. Harold McMenomy very ably assisted the groom as best man. The ushers were Mr. Roy Ennis, Inkerman, and A.C. 2 L. G. Lang, R.C.A.F., Lachute, Que.

During the signing of the register, Mrs. Keith Locke very beautifully played "I Love You Truly."

After the ceremony a dainty luncheon was served at the home of the bride's mother, Church St., to about 45 guests. She was assisted by Mrs. Clarence Barr, Smiths Falls; Mrs. Chester Lang, Inkerman; Mrs. Lorne Lang, Lachute, Que.; Nursing Sister Hilda Norris, R.C.A.F., Uplands, and Miss Kay Hurley, Inkerman. The ices were cut by Mrs. (Rev.) Gervan.

The happy couple left by motor for Hamilton, Niagara Falls and other western points, the bride travelling in a black wool suit with matching accessories.

The groom's gift to the bridesmaid and matron of honor was a costume lapel ornament, and to the flower girl a tiny gold maple leaf brooch.

The bride was the recipient of many beautiful costly presents, among them being a substantial cheque from the groom's parents.

Upon their return, Mr. and Mrs. Pollock will reside on the groom's farm, south of Inkerman.

Out-of-town guests were: Sgt. and Mrs. Percy Yateman, R.C.A.S.C., of Rockcliffe; Mrs. Putman, Supt. of Children's Aid, Ottawa, and little daughter, Janie; Nursing Sister Hilda Norris, R.C.A.F., Uplands; Miss Belva Wright, Perth; Mr. and Mrs. Clarence Barr, Smiths Falls; A.C.2 L. G. Lang and Mrs. Lang, Lachute, Que.; Pte. Lyle Froats, Barriefield; Mr. and Mrs. Chas. Edwards, Canton, N. Y., and Mrs. Earl Holman, of Herman, N. Y.

MISS CHRISTENA ARMSTRONG HONOURED

On Friday evening, October 15th, about one hundred and thirty friends and neighbours met at the home of Mr. and Mrs. Wm. Armsrtong to honour their daughter, Christena, whose marriage took place last Wednesday afternoon. The home was appropriately decorated in pink and white.

During the evening the beautiful young bride was escorted to an armchair under an arch daintily decorated in pink and white and centred with a lovely white bell. Miss Isobel McGregor read the following address from a carefully designed Bride's Book:

Dear Christena:

We, your friends and neighbours, have gathered here this evening to share a social cup of tea, to have an hour's chat with you and to express our heartfelt pleasure at your happy prospects. It is a great pleasure to us to be able to feel so much esteem for the gentleman to whom you have confided your life's happiness.

Christena, although your vocation has prevented you spending much time among us recently, we have very pleasant memories of your kindness and your sunny and cheerful disposition. We have enjoyed your readiness to help in Sunday School, B. Y. P. U., and community affairs. We have followed your career with interest and we are sure you will be equally successful in your new role.

We ask you to accept these gifts as tokens of our esteem and good will.

Marriage may be called the greatest milestone in life's journey, for a new home is set up. We know that the Word of God will become the corner-stone of your home.

May every year of your married life find you happier and may God bless you both.

Signed by your friends.

After the singing of "She's A Jolly Good Fellow," the bride, in a few well chosen words, expressed her gratitude to all.

Dainty refreshments were served by Mrs. Armstrong, assisted by friends. The many beautiful gifts indeed expressed the esteem of the bride-elect.

Honoured In Montreal.

Before leaving Montreal, Miss Armstrong was presented with a substantial purse by the Canada Car Industrial Plant, where she had been nursing. Mrs. Whitney, of Montreal, assisted by the Misses Pechie, Baldwin and Mulligan, staged a surprise shower for Miss Armstrong on October 8th, when she also received many useful and beautiful gifts.

Recipe Tea for Miss Armstrong.

Mrs. Augustine, of Ormond, was hostess on Saturday evening, to a recipe and needle tea for Miss Christena Armstrong. In the midst of a circle of her girl friends, the young bride was presented with "The Duchess of Dusters" (a useful kitchen bride) which concealed many useful household articles. The Duchess carried a daintily decorated recipe folder, containing her pals' favorite recipes and good wishes.

Dainty refreshments were served by Mrs. Augustine, assisted by four young married friends of the bride. Mesdames Dan MacDonald, John Aldham, Tom MacDonnald and Tom Pratt.

A jolly sing song brought the joyous occasion to a close.

INKERMAN WESLEYAN METHODIST CHURCH

The Anniversary Services were conducted on October 10th in the Wesleyan Methodist Church, Inkerman, by Rev. D. W. Summers, of Winchester, with a good attendance. Special singing was brought by Mr. and Mrs. E. E. Wilson, of Cornwall, also by the Winchester trio, Messrs. Rowat Deeks, Dwight Jones and Lyle Summers.

Rev. George Kelly, of Kingston, Evangelist, has been holding Revival Services, commencing October 12, and lasting over October 31st. The Messages have been characterized by a keen grasp of the Scriptures and their application to human need. Rev. and Mrs. Joseph Patterson, of Forrester's Falls, brought special songs on Sunday last. Much interest is being manifested in this series of services and numbers are attending from the surrounding communities.

CAN WE LIVE TO BE A 140?

Yes, says Serge Voronoff, noted interview in The American Weekly rejuvination wizard, in an exclusive with this Sunday's (Oct. 31) issue of The Detroit Sunday Times, Voronoff telling how we can beat the aging routines we have wished on ourselves. Be sure to get The Detroit Sunday Times this week and every week.

INFORMATION

For Eastern Farmers who wish to Purchase Western Feed Grains

GRAINS AVAILABLE:

WHEAT • OATS • BARLEY

HOW TO ORDER

Place an order through your regular dealer. The dealer can order this grain, advise you on costs and handle all details of shipment to your station

or

Place an order direct with a western farmer. Be sure to (1) specify the kind and grade of grain wanted, (2) specify that the grain must not have more than 3 per cent dockage and (3) be prepared to accept grain within one grade of your request.

Purchase made by either of these methods gives the buyer the benefits of bonuses, freight assistance and other Dominion Government subsidies if his shipment complies with the regulations.

• • •

PRICE INFORMATION

Oats and barley will be charged for by the bushel, at the ceiling price (or the cash price if this is lower), basis in store at Fort William or Port Arthur. Ceiling prices on Oats, 51½c per bu.; Barley, 64¾c per bu.

Freight, loading charges, commission, and War Risk Insurance must be paid by the buyer.

GOVERNMENTAL ASSISTANCE ON FEED GRAIN PURCHASES

1. Subsidy per bushel—1½c in October—1c in November—½c in December.
2. Feed wheat payment of 8c per bushel.
3. Freight assistance on feed grains from Fort William-Port Arthur to all points in Eastern Canada.
4. 3% dockage tolerance to allow more rapid shipping of grain.

READ THESE FACTS CAREFULLY

Minimum grain order is a carload. Dockage of 3% is allowed on grain purchased. Difference in weight between 1% and actual dockage is not included in cost of grain to buyer.

After receipt of the grain, the buyer should apply to the Feeds Administrator, Confederation Building, Ottawa, for the necessary forms for refund of freight and other Dominion Government subsidies. Preserve these documents: (1) The original invoice or a copy of same signed by the seller. (2) A receipted freight bill or railway arrival notice. (3) The grade certificate of the grain showing that it is of a grade established under the Canada Grain Act and does not contain over 3% dockage.

"SHELL OUT" FOR WAR SERVICES

Hello Homemakers! Memories of hilarious Hallowe'en pranks made us wonder what the younger generation may think of next. The initiative and energy of the kids who go out witching on the 30th of October may prove expensive when we try to find a handyman to repair the night's damage.

Before the war many organizations sponsored "magic" parties; householders bought candies and nuts to shell out to youthful masqueraders and mothers held candy-making parties in the homes. This year amateur vandalism and oodles of candies and nuts, or ingredients to make candies, are "out."

Many have already made plans for Hallowe'en. Organizations have planned war service campaigns. Householders in some localities are purchasing printed Milk for Britain tickets and the costumed teams are to receive these as their loot, turn them into the school or place of meeting where the children may gather for a chaperoned party. After all, what would Hallowe'en be without grandma's dress or father's pants to disguise you. Such fun as costume parades, bobbing for apples and pin-the-tail-on-the-donkey until the masquerade is over, will conclude another memorable Hallowe'en.

ECONOMY PUMPKIN PIE
One Egg

2 tbs. shortening, 2 tbs. cornstarch, 3-4 cup brown sugar, 1-4 tsp. nutmeg, 1 tsp. cinnamon, 1-4 tsp. ginger, 1-2 tsp. salt, 1 1-4 cups cooked and strained or canned pumpkin, 1 small can (3-4 cup) evaporated milk, 1-2 cup milk, 1 egg.

Line a 9-inch pie plate with pastry and bake in hot oven of 400 degrees F. for 10 minutes.

While pie shell is baking make pumpkin filling:

Melt the shortening in top part of double boiler. Blend in the cornstarch, brown sugar, spices and salt. Add the pumpkin and milk and mix thoroughly. Cook over boiling water, stirring occasionally, for 10 minutes. Pour hot mixture over slightly beaten egg, mix well and place in partly baked pie shell. Reduce oven heat to 325 degrees F. and bake pie for 30 to 35 minutes or until pumpkin is set. Yield: 6 to 8 servings.

REFRIGERATOR PUMPKIN PIE
No Eggs.

1 tb. gelatine, 1-4 cup cold water, 1 1-2 cups milk, 1 1-2 cups cooked and strained or canned pumpkin, 2 tbs. butter, 2 tbs. molasses, 1-3 cup sugar, 1 tsp. ginger, 1 tsp. cinnamon, 3-4 tsp. salt, flaked corn cereal pastry crust.

Soak the gelatine in cold water. Combine the milk, pumpkin, butter and molasses together in double boiler. Combine the sugar, ginger, cinnamon and salt and add to the liquid mixture. Add softened gelatine, mix thoroughly and cool. Pour into a 9-inch flaked corn cereal pastry crust. Chill well in an electric refrigerator before serving.

Flaked Corn Cereal Pastry

1-4 cup butter, 1 cup flaked corn cereal crumbs, 1-4 cup sugar.

Melt the butter in a 9-inch pie pan. Add the flaked corn cereal crumbs and sugar. Mix well and press the pastry firmly around the sides and bottom of pan. Chill before filling.

TAKE A TIP

Listen to Mrs. Kate Aitken over CFRB each Friday evening at 8 p.m. Your question sent to The Mixing Bowl may be discussed during this programme.

THE QUESTION BOX

Mrs. J. Mc asks: Recipe for Quick Drop Doughnuts.

Answer:

Quick Drop Doughnuts

1 3-4 cups once-sifted pastry flour or 1 1-2 cups once-sifted bread flour, 1 tsp. making powder, 1-2 tsp. salt, 1-4 tsp. grated nutmeg, 1 egg, 1-4 cup corn syrup or liquid honey, 1-4 cup (lightly packed) brown sugar, 1-3 cup milk, fat for deep frying.

Measure the flour and add baking powder, salt and nutmeg. Using a rotary beater, beat the egg until very thick and light; gradually beat in the syrup or honey, then the brown sugar. Sift in the dry ingredients a third at a time, alternating additions of the flour with the milk, and combining after each addition. The mixture should be of drop consistency—if the batter seems thin, sift in a little additional flour, with an extra 1-3 teaspoon baking powder. Heat shortening to 365 degrees (hot enough to brown a cube of white bread delicately in 55 to 60 seconds). Dip a spoon in the hot shortening and use to drop small spoonfuls of the batter into the frying kettle. Brown on one side, turn and brown second side; lift from the fat and drain—serve them hot or cold. If desired, a thin sugary coating may be given to the nuts by sifting a little icing sugar or fruit sugar, and some ground cinnamon over the top. Yield: 18 small doughnuts.

Anne Allan invites you to write to her in care of The Winchester Press. Send in your problems on homemaking and watch this column for a reply.

"Mabel, dear," began her friend, "I was so sorry to hear that Mac broke off the engagement. Did you have a quarrel?"

"No," replied Mabel. "He met a girl from Aberdeen whose birthday was on Christmas Day."

"Matilda, are you goin' to have 'obey' eliminated from the ceremony at your wedding?"

"No, ma'am; but I sho is gwinter have it 'liminated from de matrimony."

THE POET'S CORNER

THINGS THAT LIVE

Earth's fairest flowers fade and die,
Dark clouds soon banish from the sky.
The sun dries up the sparkling dew,
But the word you spoke, so kind and true,
Will live, and make my world anew.
Though earthly things soon pass away,
True love and beauty live for aye;
The look that placed a crown on me,
From fear and doubt has set me free,
'Twill live through all eternity.
—Dorothy Sproule.

SUFFERING

To know great pain or sorrow
May seem a tragic thing,
But would life then be beautiful
If death should lose its sting.
To taste the cup of bitterness
May leave a lonely mood,
But bitter are the things that make
The sweet ones seem so good.
Joy comes to those who've had to know
What loneliness has meant,
And longing hearts are those that find
The joy of real content.
—F. H. Johnson.

LIE IN THE DARK AND LISTEN

Lie in the dark and listen.
It's clear to night, so they're flying high,
Hundreds of them, thousands perhaps
Riding the icy, moonlit sky,—
Men, machinery, bombs and maps,
Altimeters and guns and charts,
Coffee, sandwiches, fleece-lined boots,
Bones and muscles and minds and hearts,
English saplings with English roots
Deep in the earth they've left below.
Lie in the dark and let them go;
Lie in the dark and listen.
Lie in the dark and listen.
They're going over in waves and waves,
High above villages, hills and streams
Country churches and little graves,
And little citizens' worried dreams;
Very soon they'll have reached the sea
And far below will lie the bays
And cliffs and sands where they used to be
Taken for summer holidays.
Lie in the dark and let them go;
Theirs is a world we'll never know.
Lie in the dark and listen.
Lie in the dark and listen.
City magnates and steel contractors,
Factory workers and politicians,
Soft, hysterical little actors,
Ballet dancers, reserved musicians,
Safe in your warm civilian beds,
Count your profits and count your sheep;
Life is passing above your heads;
Just turn over and try to sleep.
Lie in the dark and let them go;
There's one debt you'll forever owe.
Lie in the dark and listen.
—Noel Coward,
in The London Sunday Times.

FARMERS AND FARM WORKERS
If Your Farm Work has Slackened
[illegible], You Are Needed
Elsewhere in Essential Employment

Highly essential work—very important in Canada's war effort and for the welfare of the Nation—is threatened with shortages of workers. One of the few sources of men available for other high priority jobs is those men on the farm who will not be needed at home during the Fall and Winter. Heavy needs must be met in many lines—producing fuel wood and other necessary forest products; in base metal mines, in food processing, in railway track maintenance. If you live on a farm and are not needed at home during the Fall and Winter, you are urged to answer this national appeal.

Farmers engaged in essential work during the off season will be allowed to return home when needed. *Also, those on postponement under Mobilization Regulations will continue on postponement while in approved essential work during the slack on the farm.*

Please answer this vital call NOW.

Returns From Overseas.

Cpl. Mike Lynch, who, prior to his enlistment, was a farmer's helper at Maple Ridge, has returned to Winchester, after spending nearly two years with the Canadian Forestry Corps in England. He was one of several members of the C. F. C. sent back to Canada for service on this side of the Atlantic.

Kemptville Farmer Loses Life.

Pinned between a tractor and a trailer plow, Charles Gough, 61, was killed on Monday, October 18th, on his farm in Oxford township near Kemptville. The body was discovered by Russell McCrae, of Merrickville, who was driving along the road beside Gough's field. Gough was pronounced dead by Dr. G. D. Gordon, of Kemptville, who summoned the coroner, Dr. C. F. McPherson, of Prescott. Surviving besides Mr. Gough's wife are a son, Harry, and four daughters, Mrs. Ernest Thompson, at home, Mrs. Colin Thompson, of North Gower, and Muriel and Veryl Gough, of Hamilton.

Legion Card Party.

The euchre party, held in the Legion Club Rooms last Friday evening, was fairly well patronized and the committee realized about $25.00, which will go toward the Legion's Cigarette Fund. Prize winners were Mrs. Lloyd Kenney and Mr. Walter Johnston.

As an added feature of the program, two interesting Victory Loan pictures were screened by Mr. W. E. Cockburn, district organizer, who made a brief speech, emphasizing the importance of the Victory Loan campaign and the necessity for everyone to buy Victory Bonds.

Brief addresses were given by Messrs. Walter Johnston, of Cass Bridge, and Mr. Geo. Crawford, of Chesterville, both of whom have recently returned from overseas, where they served in Canada's Armed Forces. Their talks were interesting and well received.

As a guest of the Legion, Mr. Howard H. Nesbitt, ex-warden of the United Counties, was called upon for a few words, and although he had little time to compose his thoughts, he delivered an address that was intensely interesting. He spoke in support of the Victory Loan and urged his audience to have faith in Canada, concluding his remarks with a well-phrased tribute to the Men and Women of Canada's Armed Forces.

A vote of thanks on behalf of the Legion, was extended to the speakers by Mr. F. Erle Helmer.

NOTTELL—RAE

At St. Paul's Manse, Winchester, on Saturday afternoon at four o'clock, Jennie Mildred Rae, daughter of Mr. and Mrs. William Thomas Rae, of Winchester Township, was united in marriage with Harold Edgerton Nottell, of Ormond, son of Mr. and Mrs. John Henry Nottell. The officiating minister was the Rev. Wallace MacKinnon.

The happy couple left on a honeymoon trip to Toronto and Dunnville, and will visit the bride's brother, Mr. G. M. Rae, of Dunnville, a former resident of Winchester.

Mr. and Mrs. Nottell will take up residence in Brinston, Ontario.

SUNDAY SCHOOL CONVENTION HELD AT SPENCERVILLE

The annual convention of the Sunday Schools Association of Brockville Presbytery was held on Tuesday afternoon, October 26th, in St. Andrew's Presbyterian Church, Spencerville. The special speaker for the day was Rev. Q. A. McDowell, B.A., B.D., B.Th., of Montreal, an outstandworker with Sunday Schools and Young People's Societies, of Montreal.

The sessions began at 2.30 and 7.30 p.m. and Mr. H. T. Graham, of South Mountain, acted as chairman. Rev. Wallace MacKinnon, pastor of St. Paul's Church, Winchester, is Presbytery Convenor of Sunday Schools.

SULLIVAN—JOHNSON

The marriage of Edna, daughter of Mr. and Mrs. E. W. Johnson, to Keith Sullivan, son of Mr. and Mrs. John Sullivan, all of Cornwall, took place at three o'clock on Saturday afternoon, October 16th, in St. Paul's Unietd Church parsonage, Cornwall. Rev. W. S. Atchison, B.A. B.D., officiated at the ceremony.

The bride wore a dress of air force blue crepe with navy accesories and a corsage of Briarcliff roses.

Miss Rhoda McAlear, as bridesmaid, wore a dress of rose wool with black accessories and a corsage of Talisman roses.

Mr. Grant Moore, of Kingston, cousin, of the bride, was best man.

Mrs. Johnson, mother of the bride, wore a brown crepe dress with hat to match and a corsage of yellow 'mums. Mrs. Sullivan, mother of the groom, wore a wine-shaded dress with hat to match and a corsage of Talisman roses.

A buffet luncheon was served at the home of the bride's parents, 25 Third Street East, for immediate members of the two families. Decorations were in pink and white. Mr. and Mrs. Sullivan left later on a wedding trip to Quebec. For travelling, the bride wore a dove grey English wool dress with blue coat trimmed with blue fox fur with navy accessories. On their return they will reside at 314 1-2 Amelia Street.

The groom's gift to the bridesmaid was a gold necklace and to the best man a bill-fold.

Prior to her marriage the bride was presented with a silver tray by members of the office staff of Ontario St. Lawrence Canal. The groom was presented with a tri-light floor lamp from friends in Courtaulds.

Mrs. John D. Stewart, B.Sc., M.A., attended the recent Convention of Women's Institutes for Eastern Ontario, which was held in Ottawa. Mrs. Stewart is the Federated Representative for Dundas County.

Birthday Dinner.

On Sunday, October 17th, Mrs. Minnie Hutt, of Inkerman, entertained at a birthday dinner in honour of her son, Mr. Clark Hutt. Among the guests who sat down to a sumptuous chicken dinner were: Mr. and Mrs. Hubert Casselman and baby, Mr. and Mrs. Jack Hurley, Mr. Peter Meehan, and Mr. William Hutt.

Auction Hogs at Kemptville.

A total of 53 head of purebred Yorkshire stock was auctioned at the fall consignment sale of the Eastern Ontario Yorkshire Breeders' Association, held in Kemptville on Wednesday afternoon of last week at the barns of the Kemptville Agricultural School, with Harold W. Finnerty of Kemptville, as auctioneer. The top boar was purchased by the Ontario livestock branch, Toronto, for $52 from Stewart W. Fisher, of Vernon. Top price of $60 was reached by two females, one being purchaser by Stewart Fisher, of Vernon, and the other by Garnet Hamilton, of Vars, both animals being sold by D. M. Stewart, of Osgoode. Prices were fairly good and a total of 15 males and 38 females were put up for auction, these being from the herds of 19 well known breeders of Eastern Ontario. Average prices were: Bred sows, $40.30; open sows, $33.50; boars, $39.

NEWLYWEDS HONOURED

A very enjoyable evening was spent at the home of Mr. Frank Strutt at Inkerman on Friday, October 15th, when about seventy-five friends and neighbours gathered to honour Mr. and Mrs. Walter Marriner (nee Irene Strutt) on the occasion of their recent marriage. About 10.30 p.m. the young couple were called to the floor and presented with a beautiful clock and several pieces of pyrex.

As Mr. Strutt and family are moving to Ottawa, the neighbours presented them with a lovely table lamp. Afer the singing of "For They Are Jolly Good Fellows," and "Auld Lang Syne," a dainty lunch was served.
