Parents keep up pressure for school addition

A group of Chesterville parents is determined that the planned expansion of Chesterville Public School will not be shunted again to the back burner.

Spokesman Maureen Smirle told The Record Monday the school's parent advisory committee is trying to whip up interest among parents of children attending the overcrowded school to ensure that Chesterville remains at the top of the SD&G County Board of Education's capital expansion program.

The plea for support is also made in the latest school newsletter.

In it, the committee writes: "Our school has been on the school board's list of priorities approximately second or third for some time, but we must now anticipate rapid growth in our community when the impending water situations is resolved.

"The school position on this issue is clear. We need vigorous support as well as a group of concerned parents to form a committee to present our case and its urgency to the school board. We need your assistance. Please join our committee."

The overflow of students at Chesterville Public School continues to be handled with portable classrooms, the oldest of which is 19 years old. The other two have been attached to the school for 17 and 16 years, respectively, and a fourth may have to be added in the fall of 1989 to handle an enlarged kindergarten class, according to CPS principal Bill MacMillan.

The school's enrolment now stands at 200, up 23 since 1984. The number of students is expected to increase in 1989 and board policy on student numbers in kindergarten classes may dictate the need for an additional classroom, which may be filled with the addition of a fourth portable.

Once the number of students in a kindergarten exceeds 26, the class is supposed to be split, MacMillan explained Monday.

At present there are 31 enrolled in junior and 27 in senior kindergarten. The junior class has been split in two while a teacher's aide has been hired to assist with the senior class, but as this bulge works its way through the system, both kindergarten classes will have to be split in 1989.

"We'll have the situation of one class level taking up four rooms," MacMillan said.

Graham Casselman of Winchester Springs, who will be representing the village on the County Board of Education until Dec. 1, when trustee boundary changes come into effect, affirmed Monday that Chesterville Public now moved to the top of the board's capital expansion list now that the expansion of Berwick Public School has been approved and funding received from the province.

Casselman, who will hand the village over to Finch lawyer Cindy Martin-Hrycak when the boundary change comes into effect, explained that the province will only approve one capital expansion project per year and once work on the Finch-Berwick school is completed, the Chesterville project will be eligible for provincial funding.

The board made an exception in the case of Maxville Public School, funding the project with locally-raised tax dollars but this was made possible by money earned from the sale of the old school, he explained.

The board's plan calls for the addition of two classrooms at Chesterville Public, although this could go up or down depending on enrolment figures.

Casselman said he has and will continue to take an interest in the Chesterville school situation.

Both Smirle and MacMillan agree that enrolment will increase as the village resolves its water problems and lots slated for development are released for housing construction.

Smirle said she and her committee will continue gathering facts on the situation and if they can attract enough interest, will travel to Cornwall to make their point to the board that the village school cannot continue languishing on a priority paper.

She can be contacted at 448-2747. Other committee members are Kim Little, 448-3582, and Wendy Hollands, 448-3468.

Newsbriefs

Appreciation

FINCH — The Finch and District Optimist Club showed students at five area elementary schools they were appreciated last week. In conjunction with Optimist International's Youth Appreciation week, club members visited Berwick Public School, Finch Public School, St. Bernard's School, Roxmore Public School and Newington Public School to serve students a complimentary meal. About 481 students had a chance to indulge in a dinner comprised or hotdogs, apples and milk. Youth appreciation week is held annually by the Optimists during the second week of November.

Pictures wanted

FINCH — School committee members and staff of Finch Public School are looking for graduating class pictures, and they are asking for your help. People are also needed to help organize a school reunion. Anyone interested can attend a school meeting Nov. 24, 1988, at 7:30 p.m. at Finch Public School. Any photos received will be photocopied and given back to the owner. The group is also looking for help or suggestions for the schools official closing. The school will be closed in June next year. For further information call Marion Hak Voort at 984-2760 or Judy Neville at 984-2427.

Drug awareness

WINCHESTER — For the first time since it was started, Dundas County will participate in Drug Awareness Week, which runs from Sunday, Nov. 13 to Saturday, Nov. 19. Three events are planned for the week, the first one was held Tuesday (yesterday), while the other two are being held Wednesday (today) and on Friday. On Tuesday, a seminar was held for county employers at Beaver Dental Products Ltd. in Morrisburg, Wednesday (today), an information seminar for seniors on wise use of medication will be held at the Matilda Township Hall from 1-4 p.m. On Friday a display provided by the Addiction Research Foundation will be set up in the lobby of Winchester District Memorial Hospital and a speaker from the foundation will talk to hospital staff at 1:30 p.m.

Tainted milk?

AVONMORE — The Stormont Federation of Agriculture held a closed meeting Thursday to discuss whether it should take a stance on the release of milk from cows treated with growth hormones into the provinces general milk pool. SFA president Ian Hunt said the federation would issue a statement shortly detailing its position. The association was to take its decision to a Stormont Milk Committee meeting Monday night.

Protest march

PRESCOTT — Environmental group People Against Incineration is asking anyone concerned about the use of incinerators and their effect on our environment to join a march across the Canada-United States bridge at Johnstown Nov. 19. People are asked to arrive at the Canadian side of the bridge by 11:30. The group advises marchers to bring identification with them and dress warm. Parking will be available at the Port Authority.

Elliott sweeps Osnabruck

Greg Kielec
Record Staff

OSNABRUCK CENTRE — Carson Elliott is the new deputy reeve for Osnabruck Township, handily defeating incumbent Peter Zeran by more than 600 votes in Monday's municipal election.

Elliott defeated Zeran, a 51-year-old truck driver serving his second term on council, in all 13 of the township polls.

Two incumbents, Jim Bancroft and Donald McElheran were returned as councillors but it was Gordon Ross, a former member of council for ten years, who stole the show.

Ross garnered 1,057 votes, 769 more than last place finisher Wayne Summers, a 40-year-old Newington resident, and 72 votes more than McElheran, his closest rival.

Finishing third at the polls for councillor was Bancroft with 950 votes; fourth was Ray Smith with 484 votes; fifth was Joe Carboni with 333 votes and Summers was sixth with 288 votes.

It was Smith's and Carboni's first crack at municipal politics. Smith, a 35-year-old Newington area resident and ex-member of the OPP, campaigned for clean development and more housing. Carboni, a 40-year-old Ingleside resident and employee or Transport Canada, Cornwall, listed the bilingualism issue, water and sewage for Ingleside and environmental issues as his main concerns.

Summers, who lost out for his bid for councillor in the previous election as well, stressed his concerns as making English the one official language in the area and also wanted increased development of the industrial park in Ingleside.

Reeve Stewart Hart was unchallenged and was acclaimed for another term of council.

Carson Elliott, candidate for deputy reeve in Osnabruck Township, smiles as the results of the polls are put up at the township office Monday night. Elliott won a resounding victory over incumbent Peter Zeran, defeating him by more than 600 votes. Photo - Kielec

Elliott attributed his win over Zeran to his "grass roots approach" and his experience gained on council ever the past 10 years.

"I guess it comes right down to my approach and my approachability the last few years," said the 38-year-old Kraft employee after the results of the final poll were put up, making his victory official.

Cousineau doubles Metcalfe

MAPLE RIDGE — Claude Cousineau has taken over the position of reeve in Winchester Township, easily defeating challenger Ross Metcalfe in the municipal election Monday.

At the end of the night, Cousineau, a 44-year-old Morewood businessman, had racked up 951 votes, more than twice the amount cast for his opponent.

Cousineau will replace council veteran Gerald Holmes as reeve for the upcoming term. Holmes said earlier this year that he wouldn't be seeking re-election. He has served 22 years on township council,; 12 of them as reeve.

The real race in Winchester Township was for the final council seat, where Arthur Carkner and Gordon Johnson fought out a sea-saw battle at the polls.

It was Johnson who finally squeaked out the victory, defeating Carkner by just four votes. The final tally was 654 for Johnson; 650 for Carkner.

Carkner couldn't be reached for comment Tuesday, but an official at the Winchester Township office said there likely will be a recount.

For the deputy-reeve spot, a comeback bid by Maple Ridge Senior Public School principal Wyman Barton proved successful for the 46-year-old former township councillor.

Barton defeated Robert St. Pierre, who won the most votes in last municipal election when he ran for councillor, by a tally of 914 votes to 463.

Veteran councillor Jack Durant was returned for his second term on council, collecting 914 votes. Incumbent Dwayne Holmes will return for another council term, receiving the

Victorious Winchester Township reeveship candidate Claude Cousineau, left, accepts congratulations from his opponent, Ross Metcalfe, following the results of Monday's municipal election. Cousineau steps up to replace retiring reeve Gerald Holmes. He more than doubled Metcalfe's vote total, winning 951 to 427, sweeping all eight of the township's polls. Photo - Day

Shane wins easily in Finch Township

BERWICK — What was shaping up to be a horse race turned into a victory lap for Don Shane here Monday night as he outdistanced Archie Byers and won going away to succeed Ralph MacKenzie as reeve of Finch Township.

Byers was fast out of the gate, taking a quick lead as votes from the advance polls and Crysler nursing home polling station were counted. After the first two polls reported, at 9 p.m., he led the 12-year council veteran and present deputy-reeve 63-34, but within 10 minutes, as Berwick reported, Shane grabbed the lead, taking 157 of the poll's 268 votes, to go ahead 191-174.

From that point, it was just a question of whether he would win by a neck, a head or length and with Crysler's split poll yet to report it appeared that it would be at least by a couple of lengths.

Shane took 145 of Finch's 252 votes to increase his lead to 336 to 281 and when they came around the turn and headed into the home stretch, with Crysler's poll 3A reporting at 9:55, the only question left unanswered was the size of his ultimate majority.

Shane outdistanced Byers 197-63 in poll 3A to increase his majority to 533-344.

It was another 35 minutes before poll 3B, the larger of the split poll's divisions, reported but by this time Shane was on his home turf, taking 249 of the poll's 317 ballots.

He hit the wire with 782 votes to Byers' 412.

The Crysler polls also told the story in the race for the township's three council seats.

The deputy-reeveship was not contested in this election as Berwick's Floyd Dingwall got a free ride by acclamation.

Ten-year veteran Armand Gibeault stayed close to the pack through the early going but turned into the poll horse as Crysler reported to finish first in the five-way race and retain his seat.

For Gibeault, 13 turned into a lucky number Monday night as he will extend his 10-year unbroken record of service on council by three years with the prsent term.

Gibeault captured 473 votes out of the Crysler split poll's total of 577 to finish the night with 687.

Osborne Shaver, son of former township councillor Hugh Shaver, made a strong showing across the township to finish in second place with 552 votes, actually leading the field until the final poll reported.

Another newcomer to municipal affairs, Parry Carruthers, held off Dorothy Middleton to finish third after having led the first three polls reported and slipping to second after four.

Carruthers polled 539 votes. Middleton, well known for her farm rights activism, finished fourth with 516.

Wayne Ouderkirk, son of former reeve Johnson Ouderkirk, couldn't parlay his family's involvement in township affairs into a seat on council as he finished fifth with 451 votes.

Alphonse Lafrance of Crysler handily took the township's votes to retain his seat on the SD&G Roman Catholic Separate School Board's French-language education council, outpolling challenger Jean-Charles Landry 331-72.

Lafrance rode this wave of support in his home township to defeat Landry 465-149 for the seat representing 11 municipalities in West Stormont and Dundas Counties.

Speaking Tuesday morning, the reeve-elect said his immediate priority is the installation of water and sewage services in Crysler.

The first hurdle that must be cleared is the acquisition of suitable land at an affordable price for the construction of a sewage treatment lagoon.

Council has been negotiating with a township landowner but the two are unable to agree on price or other terms of sale and Shane said it looks now as if next spring's hoped-for construction start will be delayed.

The provincial government will pay 85 per cent of the cost of the installation of the services and construction of the treatment lagoon but it will not exceed its self-imposed ceiling on costs.

Most of the village's wells are polluted and about 50 per cent of its sewage pours untreated into the South Nation River.

Once the water and sewage problems have been cleared up, the newly-elected reeve wants to see construction started on senior citizen apartments in Crysler.

Other priorities for the next three years include road paving "from one end of the township to the other"; grants to community recreation associations, and continued work on the area's solid waste management problems.

Cooke debut success, Tolley finally wins seat

WINCHESTER — First-time candidate Betty Cooke garnered the most votes Monday night to earn a spot on Winchester village council.

Cooke swept three of the village's five polls, collecting 670 votes. Councillor Hugh Eadie, first elected in 1985, was a close second with 669 votes. George Hanes was returned for a fourth term on council, placing third with 615 votes.

Former councillor David Sloane, who lost his election bid in 1985, failed to win a seat on council. He received 349 votes and Wayne Vice placed fifth with 104.

Approximately 49 per cent of the village's 1,787 eligible voters cast their ballots, far below the estimated 68 per cent turnout in the 1985 campaign.

Larry Gray, who has served as reeve since 1977 was acclaimed to his position. Bill Stewart was acclaimed to his second term as deputy-reeve.

WILLIAMSBURG TOWNSHIP

Four candidates were vying for three council seats in Williamsburg township.

Farmer David Carkner was the favorite with voters, earning top spot with 801 ballots.

Former deputy-reeve and Nestle employee Robert Gillard was returned to council with 754 votes. Gillard previously served on council for 14 years and lost his deputy-reeve position to Glen Cunningham in 1985.

Carleton University professor Trevor Tolley narrowly missed a spot on council in 1985 but perseverance paid off. Having lost two previous bids, he was elected Monday night with 715 votes.

Farmer Arden Schneckenburger lost his first bid for council, placing fourth with 599 votes.

Johnny Whitteker, who has served on council since 1954 and spent the last 21 years as reeve, was acclaimed for another term. Councillor Lyle Van Allen, who was first elected in 1982, was acclaimed to the deputy-reeve position.

Voter turnout in Williamsburg was among the lowest in Dundas County, with only 44.5 per cent of voters casting their ballots.

Rock and Roll

Village fundraiser ready to roll Nov. 25 and 26

Greg Kielec
Record Staff

CHESTERVILLE — Two performances by the local rock group Sweet Success to raise money for a village youth group will be going ahead as planned Nov. 25 and 26.

And although the shows won't come close to the magnitude of Band-Aid or Live-Aid, they promise to turn the town on its ear for one weekend.

"Things are super. It's really rolling," said Pete Gilroy, drummer for the local rock quartet.

"It's all coming together so fast, it's just hard to keep everything in perspective," he said Monday.

Tickets are now available for the two shows and anyone who wants to donate their help to the two-night event can call Ruth Gilroy at 448-2130.

Tickets are $5 in advance and $6 at the door. Advance tickets can be purchased from any of the band members.

The alcohol-free youth performance will be held on the Friday night from 8 to 12 p.m., with the second performance, for people aged 19 or over on the Saturday from 9 to 1 a.m. Picture I.D. is required at the door.

Group manager Helen Lenthall has predicted the two concerts will raise between $3,000 to $5,000 for a youth group in the village.

"We're anticipating it should be quite a show," Lenthall said Monday.

A bank account has already been opened for the youth group and numerous donations has been received from local businesses. The funds will be "strictly" for youth group activities, Lenthall added.

"We're anticipating it should be quite a show," she said. "I'm really proud of what everyone's doing."

Gilroy said the band, complete with its new name, new image and revised repetoire, is looking eagerly forward to the two shows to be put on at the Chesterville Community Hall.

"We feel good about it. We're all hyped up. I know we're going to enjoy it; just playing it."

A lot of work has gone into preparations for the two shows over the past few months, but when the band gets up on stage Nov. 25 and 26, it will be worth it, he said.

"It took a little while to get rolling," he said. But now it looks like the event, which will also feature door prizes and a 50-50 draw, will be a sell-out.

"The guys are really happy about the way it's turning out," Lenthall said, adding that people better get their tickets now, "because they're really moving."

"Chesterville is going to go on the map," Gilroy said. "It's going to be a good show. This will happen."

Cumming, Buchanan win in Roxborough Township

MOOSE CREEK — Faced with a smorgasbord of candidates in Monday's municipal election, Roxborough Township voters chose a wide range of dishes for their council for the next three years.

Voters stayed with experience as they returned reeve Donald Cumming by a hefty margin.

Cummings outdistanced his nearest rival, Arthur Rochette, 804 to 502.

Five candidates sought the township's highest office.

However, voters opted for a new deputy-reeve as they decided narrowly in favor of challenger Art Buchanan over incumbent Laurent Souligny.

It was the tightest race of the evening and ended up with only 19 votes separating the two as Buchanan edged Souligny, 750-731 at the wire.

It was anyone's race right up to the time the advance votes were counted. With only one poll to go, Buchanan clung to an 11-vote lead - a tenuous grasp that could have been broken by the 66 voters who cast ballots in two advance polls.

As it turned out, Buchanan squeaked through with 37 of the 66 advance ballots.

Buchanan, 49, is a lifelong resident of Moose Creek and has been involved in the Chamber of Commerce and recreation association.

In the five-way race for the reeveship, Stephen DePater can only hope things will get better if he decides to run again.

The 23-year-old challenger, who campaigned on the need for better road maintenance and more federal and provincial aid for Roxborough, polled only seven votes.

Wayne MacDermid, 36, who ran on a platform stressing the need for change, finished third as an X appeared beside his name on 121 ballots.

Third-time candidate Edmond Saucier, 48, was, if nothing else, consistent. Saucier garnered 38 votes, exactly the number he gained in the 1985 election.

In the election for three councillors, voters again mixed their choices, opting for veteran Ray Alguire, who topped the polls with 896 votes, but rejecting veterans John Brabec and Gilles Sabourin.

Taking their place at the council table for the next three years will be Alton Blair, 42, a 21-year veteran of the SD&G County Roads Department and a resident of Avonmore, where he is a member of the fair board. He picked up 631 votes.

Grabbing the last seat will be 32-year-old Gerald Montcalm of Moose Creek, who finished the day's balloting with 554 votes.

Incumbent Gilles Sabourin finished fourth, with 533 votes; challenger Guy Mainville picked up 350; incumbent John Brabec picked up only 312 and John Archer finished last in the seven-way race with 250.

Osnabruck

from page 1

But he said he never expected to win "this big". "I'm ecstatic. It is beyond all my expectations."

He didn't think allegations by him that there was a move to oust him from council either helped or hindered his performance at the polls.

Elliott told The Record Nov. 2, that Zeran's last minute decision to run for deputy reeve was part of a move to oust from township council. Zeran originally said he wouldn't run for another term so he could take more time for himself. He and two other council members accused by Elliott of trying to oust him denied there was such a scandal.

Despite the alleged scandal Elliott said his high opinion of Zeran hasn't changed over the course of the election campaign. "I have great respect for Peter. I always had and always will."

Elliott's main issues during the municipal campaign were increased senior housing and services, a strong voice for council on United Counties council and an end to official bilingualism.

He would like to see a public committee formed to oversee development of waterfront land being leased by the township, south of Ingleside, for recreation. He also would like to see the completion of a joint recreational facilities project between the township and SD&G County Board of Education before the end of his term.

Zeran said he plans to relax and take more time to himself, adding he hadn't had much chance to do so over the past three years.

Bancroft said he was happy to be elected for another term of councillor to help take care of business not completed over the past three years.

He said he'd like to see the joint township-school board project completed in the next term and also wants to attract some "clean industry" to the industrial park north of Ingleside.

He also wants the township to begin paving a mile or more of rural roads a year. The township is paying too much money on gravel to keep its rural roads in good condition, he said.

McElheran said the fact that four council members were returned to their duties by voters shows that they have been doing a good job within the township.

"I think to a certain degree it obviously has to be a vote of confidence for the last council."

He said that with the good reaction he received from residents he expected to be returned to his councillor seat.

His willingness to take stands on issues and make the "tough decisions" whenever they needed to be made helped him do so well at the polls, he said.

The one result that wasn't a surprise at the polls concerned the township's referendum question asking if money from the township should be spent to provide bilingual services.

An overwhelming 1,466 voters said no to the question while only 247 replied yes.

Elliott said the results of the referendum will be presented to the provincial government at the Rural Ontario Municipalities Association convention in Toronto in February.

second highest number of votes for councillor.

Cousineau said he thought the race between Carkner and Johnson would be a close one, but knew he would easily defeat Metcalfe for position of reeve.

"I figured it was going to be a pretty wide margin," he said Tuesday. "That's the word I got from the ratepayers when I went around in the township."

He said a major asset for him this election was his past record on council. "The record I guess stands alone at the top of the list."

A couple of election promises also didn't hurt his popularity at the polls, he said. He proposed during his campaign, that council in the future impose levies against anyone who severs a parcel of land for development and also has campaigned for increased road spending.

LIBERAL

Dear Friends:

During the past several weeks, my family and I have had the opportunity of travelling throughout Stormont-Dundas and meeting many of its citizens. This experience has been rewarding for all of us and I appreciate the enthusiasm and hospitality we have been accorded.

The challenge of representing our riding in the House of Commons is indeed exciting. The diversity of Stormont-Dundas dictates the need for a strong and effective voice to ensure that the economic, social and cultural needs of our people will be met. I believe that I have the ability to actively and aggressively meet the obligations that you expect from your Member of Parliament and I trust I can count on your support. In return, I can assure you of my determination to represent you in a responsible, honest and effective manner.

In closing, I urge you to play your part in Canada's future. Exercise your basic democratic right by casting your ballot for the candidate and party whom you think can best guide the future of Stormont-Dundas and Canada.

Respectfully yours,

Bob Kilger

Road paving plan scrapped

Greg Kielec
Record Staff

MAPLE RIDGE — Winchester Township Council has scrapped the idea of preparing part of one road for paving next year and instead, will look at renting or buying a traffic counter to determine which roads in the township need the most attention.

Township road superintendent Arden Carruthers had suggested gravelling a portion of the Coulthart Road in the north-end of the township, southeast of Morewood, with money remaining in his road budget.

He said he could afford to spend about $20,000 out of the budget to prepare about a half a kilometre of the road for paving next year. "I want to put on until we run out of money," he told council.

But his proposal at a township meeting last week didn't last long at the council table.

Councillor Robert St. Pierre said it would be senseless to do part of the road next year and then wait to do the rest a year or two later.

Deputy Reeve Claude Cousineau echoed his concern. "I don't like this piecemealing. I'd like to start at one end and go right to the other end."

Councillor Jack Durant also voiced opposition to the proposal. The money should be kept in the budget in case any unexpected expenses crop up between now and January, he said.

He suggested instead council invest its money in a traffic counter. If it can prove it has an abnormally high amount of traffic on its roads, it may have a good chance of getting extra provincial funding, he said.

"I agree with a traffic counter so we can set up some kind of priorities," said Councillor Dwayne Holmes.

Carruthers told council he would check into either renting a traffic counter from the United Counties road department or purchasing one for the township.

Finch WI bake sale today

FINCH — Finch Women's Institute met at the home of Mrs. Ricki TePlate. President, Maria Dingemans opened the meeting with the Opening Ode, Mary Stewart Collect and the Lord's Prayer.

Minutes of the last meeting were read and approved. Treasurer's report was presented. Roll call was answered by 18 members.

Ricki gave a very informative account on the Area Convention. A donation was given to the Optimist Club of Finch. A wreath was purchased for the Remembrance Day Service at Berwick.

A bake sale will be held in the Finch Arena on Nov. 16 from 6 to 8 p.m. The members agreed to serve lunch on Dec. 31, from 2 to 4 p.m. at the Community Hall. The occasion being Mr. and Mrs. Donald Casselmans' 50th Anniversary. Newington Women's Institute are to be invited to our Christmas meeting.

Following the business meeting, Pat Lang, Convenor of Citizenship and World Affairs, showed a video celebrating 100 years in agriculture. Persons on the video were local people.

Pat also showed a video on the Crazy fashion show the Finch and Berwick W.I. ladies demonstrated on several occasions.

The Queen was sung bringing the meeting to a close. Corey Dingemans thanked Ricki for her hospitality and the delicious lunch served by the hostesses.

Township, business barter over dump

Greg Kielec
Record Staff

MAPLE RIDGE — Winchester Township Council has decided to use the barter system to resolve a dump fee dispute between it and Morewood Industries.

At a council meeting here last week it decided to forgive a $3,000 bill it had sent Morewood Industries for use of the township dump, but only if the company provides free use of its water for the township fire department.

The company was billed by the township for 75 loads of building materials and sawdust it brought to the dump unannounced earlier this fall.

Township policy allows a maximum of six loads a day be brought to the dump unannounced. Any more than six loads costs extra.

The company said it rarely uses the dump and the amount it does use it does use it should be covered by the amount of taxes it pays, township road superintendent Arden Carruthers told council.

And if the company were to bring all its garbage to the dump, it would amount to about 5 to 10 loads a week, a considerable amount more than it brings now, he said.

"I think we should give them a little bit of a break."

Reeve Gerald Holmes suggested the fee be lowered to $1,000, but not dropped altogether. "It's still a lot better than $3,000," he told council.

The fee will remind the company to make arrangements with the township next time before depositing large amounts of waste at the dump, he said. "It'll kind of keep their memory sharp," he said.

Councillor Dwayne Holmes added that because the township fire department uses the company's water, it should be given a break.

But Claude Cousineau said the township pays the company $500 a year now for use by the township fire department. He suggested the township "wipe" off the fee for free use of the company's water.

The township wrote off the bill, on the condition the fire department receives fee water and the company makes arrangements for dumping annually.

THANK YOU

To The Electors of Finch Township

A Sincere Thank You to all who supported me in the Election!

CWL learns of Agape Centre

FINCH — The November meeting of St. Bernard's CWL, Finch, was held at the home of Mary Luykx.

Father Michael O'Brien celebrated mass before the meeting. There were 20 members present and each member brought food to the meeting for the Agape Center.

Joy Krol introduced the guest speaker, Sister Enid Williams. She is a Sister of the Religious Hospitalers of St. Joseph and works part-time at Hotel Dieu Hospital and does volunteer work for the Agape Centre. Sister Williams told CWL members about the need for donations of food and clothing for the Centre. The centre gives it out on a referral system to the needy of the area. She reminded members that Jesus said "Love Your neighbor as yourself. Love anyone". Donated food and clothing should be dropped off at the Agape Centre, 817 York St., Cornwall. They are also preparing accommodation at Nativity for a clothing drop-off centre.

Kathleen MacNaughton thanked Sister Williams and said the parish should take this work on as a mission and bring food, perhaps once a month to St. Bernard's church to be sent to the Centre.

Mrs. MacNaughton also presented her with a money donation from the CWL for the Centre.

The penny-a-day collection this year will go to Moreau Place.

Kathleen MacNaughton has been appointed as Diocesan Director for the Holy Childhoood, which looks after the needs of the Third World. She stressed that the parish's own children should find ways of making some money which they would donate to the Holy Childhood.

Frances McMillan, Convenor of Community Life, read an article on "Remembrance Day" from the Chesterville Record.

Jennifer Buhr, Church Life Convenor, read an article on "Stewardship".

Kathleen MacNaughton, Education Convenor, stressed the importance of voting for our leaders and school trustees.

Arrangements are being made to have plates and cups made in memory of the 100th Anniversary of St. Bernard's Church in 1989.

To the victors

Acclaimed Finch Township deputy-reeve Floyd Dingwall, left, congratulates successful council candidates (from left) Armand Gibeault and Osborne Shaver and RCSS French-language education candidate Alphonse Lafrance in the township hall in Berwick following Monday's municipal election.

Harry Holmes dies Nov. 6

Harry H. Holmes, a well-known and highly respected life-long farmer of Winchester Springs, died Mon., Nov. 6 in Winchester District Memorial Hospital.

He was predeceased by his wife Emma Lenora Merkley, whom he married at Valleyholm in 1935. Together they farmed at "Justamere Farm" in Winchester Springs for 53 years. He is survived by a daughter Muriel (Mrs. George Wood), of Ottawa; a son, George Albert Holmes and daughter-in-law, Sandra, of Nepean, and a daughter, Lorraine, Mrs. Charles Pollock, of Toyes Hill.

He is also survived by grandchildren Dr. John Wood, Leanne and Julie Holmes and Jamie, Jill and Philip Pollock. Three brothers, Irwin of Winchester Springs, Robert of Winchester and Dr. Edwin of Lanark and his four sisters, Della Steele of Ottawa, Dora Ball of Chesterville, Mina McIntosh of Inkerman and Lou Pitts of Williamsburg also survive. Five brothers predeceased him, Thomas, Oliver, Leslie, Rev. Nathaniel and Eldred.

Harry Holmes was a devout member of Winchester Springs United Church and served for many years as a steward and trustee and Sunday School teacher. He played an active role in all community endeavors. He served on the first Winchester District Memorial Hospital board and Maple Ridge Cemetery Board. He was a 4-H Dairy Club Leader, a 40-year member of the Holstein Association of Canada and a president of the Dundas Holstein Club. He followed in his father's footsteps as an active drover and cattle buyer until recent years.

A very impressive funeral service was conducted by Rev. Dr. Will Walker at the J.R. Vice Funeral Chapel in Winchester on Nov. 9 at 1:30 on Wednesday.

Pallbearers were nephews Lawrence Holmes, Eric Steele, Raymond Holmes and Douglas Merkley.

Interment was at Maple Ridge Cemetery.

Tracey Henderson takes 4-H centre stage

WINCHESTER — Brinston's Tracey Henderson took centre stage during the Dundas 4-H awards night banquet last week at the Winchester Community Centre.

Henderson, the 18-year-old Eastern Ontario-Western Quebec Jersey Princess, won $350 for her first-place finish in the Ottawa Citizen Award. The award goes to the three 4-H club members in Dundas County selected highest in club work and citizenship.

Taking second place and $250 was 20-year-old Robert Byvelds. Dundas Dairy Princess Isabella Farlinger, 18, took home $200 for being chosen third best overall during the awards night Nov. 10.

Henderson, an active 4-Her for seven years, was pleased with the recognition of the award. "I feel great," she said. "It's an honor."

She described her work in the different clubs as "one great opportunity after another. Each experience is improving myself," said Henderson, noting her public speaking ability and her self-confidence have received a strong shot in the arm during the past few years.

Henderson plans to seek a bachelor of science degree in agriculture, enrolling in university next year. "I plan to work back on the farm," she added. "I couldn't see myself in an office."

Byvelds, a seven-year member of 4-H clubs, said he was impressed both with the trophy he was awarded and with the fact he received the award.

A Williamsburg resident who recently acquired his diploma in agriculture at the Kemptville College of Agricultural Technology, Byvelds said meeting numerous people and making friends have made his involvement as a 4-Her worthwhile.

Farlinger, who has completed 10 4-H projects, also has had the opportunity to meet people from across the province.

She said the clubs are both an education and socially fun.

Winchester's Rhonda St. Pierre said she was "shocked" to win the Ault Foods Award, a gold watch given to the 4-H club member in Dundas County selected fourth highest in club work and citizenship.

"I probably deserve it," she said, pointing to her accomplishments, including being a club leader for five years and having been a member of 32 4-H clubs.

St. Pierre, 21, said it has been rewarding "seeing members grow and helping people." Learning skills like "quilting, patience and public speaking" also made her years as a 4-Her worthwhile, she added.

Pamela Giles, 17, took the Dundas Plowmen's Award, given each year to the 4-H member selected fifth highest in club work and citizenship. Giles has completed 18 projects in her five years as a 4-H member.

First-year members were also recognized for their achievements during this year's awards night which marks the 75th anniversary of the 4-H program in Canada.

Derek Merkley, 13, was awarded Top Novice Judge. A member of the East Dundas Dairy and Farm Safety Clubs, the Morewood youngster said he was surprised and pleased with finishing first.

Merkley, who has worked on his uncle's farm for the past three years, said he is considering a career in farming.

South Mountain's Kathy Boyd, 14, was named Top International Dairy Judge. A member of the West Dundas Dairy Club and Encounter the Outdoors Club, Boyd has completed five projects in her two years with 4-H.

Boyd said she learns something new with every club she joins.

The not-so-young 4-H participants also received their due recognition last week.

Dalton Hatt, president of the Dundas Club Leaders' Association, received a plaque for his 10 years as a club leader. John Dalrymple was recognized for his seven-years' service in leading a club.

Five-year club leaders were Ted Ceelen, Bonnie Derick, Dale Enright, Alvin Runnalls and Steen Woeldike.

A Petro-Canada scholarship worth $1,000 was given to Lindsay Rodger of Dundas County. Six people across Ontario are awarded the scholarships annually. Rodger is attending Queen's University in Kingston where she plans to complete a bachelor of science degree in biochemistry.

The Lions Club of Winchester award was presented to Patricia vanWylick as high-scoring boy or girl in a Dundas 4-H calf club.

VanWylick also won the Eastern Breeder Incorporated Award, given to the senior dairy calf club member with the highest point total in his or her senior project book and the Ronald Thompson Memorial Trophy for top showperson in the East Dundas Dairy Club.

Helen McRobbie received the Wilcaway Farms Award as the most involved 4-H youth leader in Dundas County.

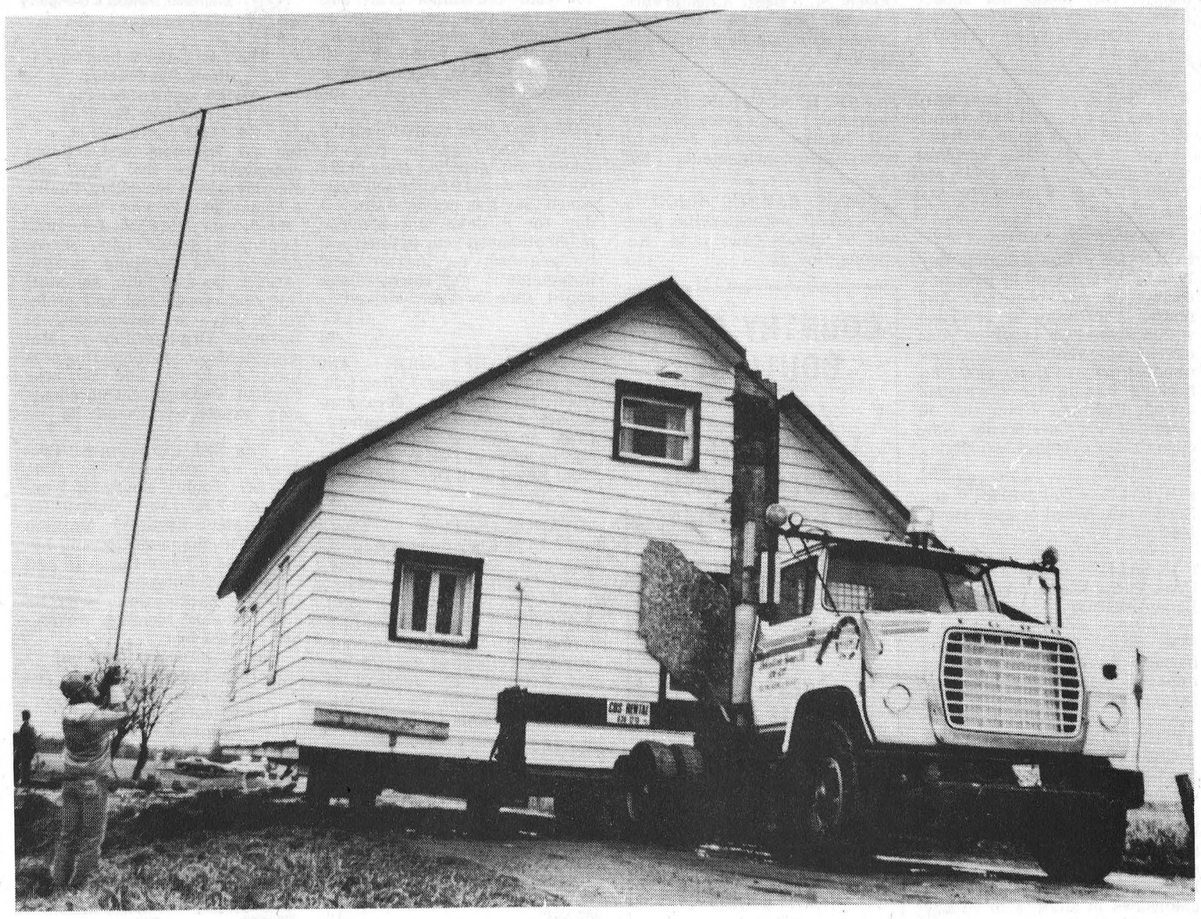
Cindy St. Pierre was presented with the Royal Bank of Canada Award for being the 4-H secretary with the most complete secretary's record book.

The Trenant Trophy for most improved member in the Dundas 4-H Horse Club was Tina DeVries.

Sonya Moss won the Ontario Farm Safety Award for being the most deserving member of the Dundas Farm Safety Club.

Earl's Meats Limited Trophy given to the top 4-H beef showman in Dundas County was taken home by Marc Dion. Dion was also awarded the Vandenbosch Award for the top 4-H beef steer.

Mike Farlinger was awarded the late Mel Tomkins Trophy, presented to the champion dairy showperson in Dundas county.



High-wire

A hydro worker props up an overhead wire to assist in a housemoving near Finch Thursday morning. The house, owned by Bill MacLean, was being moved to its new owner, David DeJong, near Grantley. Muddy conditions made it difficult to move the home off its original site, but it was eventually hauled over the ditch and on its way to Grantley, complete with a police escort.

Corrections

Stormont-Dundas federal conservative candidate Eric Cameron was incorrectly identified in a photo caption in last week's Record.

An obituary in last week's Record concerning the death of Nina McMaster Waldroff should have listed Mrs. Phyllis Laird of Ottawa; Mrs. Brenda Ouderkirk of Finch, Mr. Howard Waldroff of Newington and Perc McMaster of Strathroy, all as surviving relatives.

Also, two 25-year members of the Dundas Rebekahs were missing for their photograph in the October 26 issue of The Record. The members are Helen and Jean McIntosh.

The Record apologizes for the errors.

THANK YOU

I would like to thank the ratepayers of Osnabruck Township for placing their confidence in me as their elected representative and wish them all the best for the upcoming Christmas Season and the New Year.

Gordon Ross

THANK YOU

I would like to say "Thanks" for the support Winchester Township people have shown me at the polls. I would also say "Thank You" to my family - Mary, Leslie, Lori Dale, Dad and Mother Dale and the Company's family, Dennis, Roger and Jerry. Without the support of all of these people, I would not have time to work for the whole community.

Thanks and Compliments of the Season

Jack Durant

ERIC CAMERON'S AGENDA:

- Maintain and implement long-term support programs that provide income stability to farmers in Stormont and Dundas.
- Ensure that young people achieve their full potential in the workforce by promoting fairness and merit in the job market.
- Promote strong economic growth by improving our competitive position in international markets.
- Protect our environment by working closely with provincial and municipal governments to deal with short-term problems and to seek long-term solutions.
- Encourage local business to take advantage of trade opportunities under free trade with the U.S.
- Support a flexible child care plan that is sensitive to the needs of parents and their children.

ERIC CAMERON IS PART OF A NEW GENERATION OF LEADERSHIP THAT IS LOCAL, STRONG AND RESPONSIVE!

CARD OF THANKS

We would like to thank Winchester District Memorial Hospital and CHEO for their help. We would also like to express a very special thanks to Mr. and Mrs. Darcy St. Pierre and family for their ongoing help and support. Thanks also the Finch Broomball League. Robbie's bus drivers Debbie Beard and Heather Bourque and all of Robbie's friends on the bus. These acts of kindness will always be remembered.

The Billing Family, Donald and Susan Jennifer and Tracy 13

CARD OF THANKS

We wish to thank our friends and neighbors for the many expressions of condolence to us in our bereavement of a dearly loved brother, brother-in-law and uncle - the late Harry H. Holmes. Your kindness will be treasured always.

Most Sincerely, Blake and Dora Ball and Family 13

CARD OF THANKS

Sincere thanks to all my family and friends who remembered me with letters, gifts, cards, phone calls, flowers and visits while I was a patient in the Civic Hospital and since my return home. Special appreciation to all the caring people who brought delicious meals to our home and to Julie without whom things would have been much more difficult for everyone. The prayers and love of so many concerned people were a great source of strength to us all and I thank you again. It's not the things that are seen and touched that are most beautiful, but the things that are felt in the heart.

God Bless, Linda Helmer 13

CARD OF THANKS

I wish to thank all my family and friends and clubs for all the cards and flowers, staff on emergency and the nurses of second floor, north of Cornwall General Hospital, also Dr. Smar, Dr. Anderson and Dr. Randlette for their wonderful care while I was a patient.

Alice Ouderkirk 13

CARD OF THANKS

Thank you to the over 500 voters that supported me. We were only a few votes away from victory.

We will make it next time.

DOROTHY MIDDLETON

IN MEMORIAM

MacMILLAN — In loving memory of a dear mother, mother-in-law and grandmother Gwendolyn who passed away November 2, 1982.
Those whom we love go out of sight
But never out of mind.
They are cherished in the hearts
Of those they left behind.
Loving and kind in all her ways
Upright and just in all her days.
Sincere and true in heart and mind
Beautiful memories she left behind.

Lovingly remembered, Delbert, Jana and Nancy 13

IN MEMORIAM

TUPPER — In loving memory of a loving husband, father and grandfather, Dwight, who passed away Nov. 17, 1983.
We who loved you sadly miss you,
As is dawns another year.
In our lonely hours of thinking,
Thoughts of you are ever near.

In loving memory of Wife, Minnie and Family

IN MEMORIAM

RABBIE-(PAAUW) — Theresa Nov. 15, 1982.
We lost a daughter with a heart of gold,
How much we miss her can never be told.
Her life was unselfish for others she lived.
Not to receive, but only to give,
Helpful, willing, thoughtful and kind,
We are proud of the memories she left behind.

Mom and Dad
and Family

IN MEMORIAM

MORGAN — In loving memory of a dear mother and grandmother, Dorothy who passed away Nov. 17, 1987...
Beautiful memories dearer than gold,
This is the picture we tenderly hold
Of a mother whose worth can never be told.
Always a smile, never a frown,
Always a hand when some one was down.
Thoughtful, true, loving and kind,
What a wonderful memory she left behind.

Sadly missed
lovingly remembered

CONGRATULATIONS!

Congratulations are extended to the incoming council in Finch Township.

A sincere thank you to all who helped and supported me on November 14.

Archie Byers

A very special thank you

to the ratepayers of Winchester Township for their overwhelming support Monday night. As well, I would like to thank all the members of my committee for all their help and support throughout the campaign.

Sincerely,
Claude Cousineau

Forthcoming marriage

Mr. and Mrs. Harry Weren are pleased to announce the forthcoming marriage of their children, Nancy and David. The marriage will take place on December 9, 1988.

- Special Photo

40th anniversary

The family of Mildred and Stuart LeClair invite friends and relatives to join them in their home at 41 South St., Chesterville, Sunday, November 20, 1988 in the afternoon from 1-4 p.m. Friendship and best wishes only.

MPP's father dies Nov. 5

Alfred Villeneuve, father of SD&G MPP Noble Villeneuve, died suddenly at his son's R.R.1, Maxville residence on Sat., Nov. 5. He was 79.

Mr. Villeneuve was born in Roxborough Township on Dec. 6, 1908, son of the late Joseph Villeneuve and Margaret Dore. He was a farmer and had lived in the area all of his life.

He attended Our Lady of Angels Roman Catholic Church in Moose Creek.

Mr. Villeneuve was predeceased by his wife, the former Ida Landerman, and is survived by sons Noble of R.R.1, Maxville and Albert of R.R.1, Maxville, daughter Lily Anne Maisonneuve of Rockland, brothers Adolphus of Moose Creek, Joseph of Cornwall, Harvey of Cornwall and George of Moose Creek, six grandchildren and two great-grandchildren.

Visitation was at the Munro Funeral Home in Maxville with the funeral service at Our Lady of Angels Church on Tues., Nov. 8 at 11 a.m. Father Thomas Villeneuve officiated and interment followed at the parish cemetery in Moose Creek.

Pallbearers were Bernie Villeneuve, Jacques Villeneuve, Leo Villeneuve, John Villeneuve, Gilles Aube and Harvey Villeneuve.

THANK-YOU

A sincere thanks to all who supported me in the Finch Township election. Special thanks to the scrutineers.

WAYNE OUDERKIRK

Thank You

I would like to thank all those who gave me their support at the polls in the municipal election in Finch Township.

It was truly appreciated and I will do my best to represent the concerns of the residents of our township in my upcoming term as councillor.

Thanks Again!
PARRY CARRUTHERS

Teens made aware of of farming

CHESTERVILLE — A project to increase agricultural awareness amongst teenagers is under way in Stormont-Dundas.

The Stormont-Dundas Agricultural Employment Board project is a year-long plan whose primary goal is to raise awareness of agricultural opportunities in the two counties, interesting and encouraging high school students to work on a farm for at least one summer.

"The agriculture sector has had trouble in the last few years finding employees," said project manager Mary Lou Jackson. "We are aiming at high school students. In our junior agriculture program students who have had no experience on a farm learn about farming."

The project has been operating from an office in Chesterville since Sept. 19. It is sponsored by Agricultural Employment Services and funded by the Canada Employment and Immigration Commission.

"We are very locally oriented," said Jackson. "We are showing students they can get good exercise and learn skills they can use for the rest of their lives."

Jackson said part of the project's goal is to determine why the agriculture industry is having such a hard time attracting employees.

Currently the project team is working on a slide presentation which will introduce students to the intricacies of farm life.

Funeral held for Robbie 'Guiver' Billings

Funeral service was held Nov. 10, 1988, for 10-year-old Robby Dean Billings (Nickname: "Guiver") at the Brownlee Funeral Home in Finch.

Robby was hit by a truck while skateboarding at 4:50 p.m. on Nov. 7, 1988. He died at the Children's Hospital of Eastern Ontario, in Ottawa, Nov. 8, 1988.

Robby, a resident at Church Street, Finch, since March, 1988, was born Sept. 27, 1978 and attended school at Winchester Public School.

He is survived by his parents Donald Billings and Susan Bilmer, sisters, Jennifer and Tracy, maternal grandparents, Mae Bilmer and Josephat Fleury, and numerous aunts, uncles and cousins.

He is predeceased by paternal grandparents Robert and Alice Billings.

Robby enjoyed fishing, broomball, modified car racing and skateboarding, loved animals and the outdoors and dreamed of building a go-kart and riding in a Cadillac. His favorite movies were E.T. and Gremlins.

Robby attended Morrisburg Public School and Rothwell Public School as well as Winchester Public School and in 1986 received the most improved student award.

Funeral service was officiated by Rev. Phillip Gaudine. Phil Heinze said a special poem on behalf of the family. Interment was at North Valley Cemetery.

Pallbearers were Chris Bilmer, David Bilmer, Casey Fleury and William Marcellus.

Poem

Don't stand at my grave and weep;
I am not there. I do not sleep;
I am a thousand winds that blow;
I am the diamond glints on snow,
I am the sunlight on ripened grain;
I am the gentle autumn's rain;
When you awaken in the mornings hush,
I am the swift uplifting rush.
Of quiet birds in circled flight,
I am the soft star that shines at night.
Do not stand at my grave and cry.
I am not there.
I did not die.

Why people are turning to Steve Corrie

Honesty and integrity

Both the Conservatives and Liberals have been in power and both have broken their election promises. Steve Corrie believes it's time to end the patronage game and bring integrity back to government.

Fairness for everyone

Why should wage earners pay income tax when thousands of profitable corporations pay none? Steve Corrie feels everyone should pay their fair share. He also opposes the new federal sales tax which will take billions out of our pockets.

Committed to community

Steve is proud of the heritage of the people of this area. He has served faithfully on many local organizations including minor hockey, minor soccer, school committees, environmental action groups and health care protection committees.

Knowledge of government

Steve understands government and how it should work. He knows the issues and promotes a Canadian solution to our local and national problems.

Will fight Free Trade

Steve knows that Free Trade is the greatest threat to your jobs and our nation. He realizes this election will determine whether the Canada we know and love will continue to exist. He is prepared to fight to see that it does.

On Nov. 21, vote Canadian, vote

THE CHESTERVILLE
Record Editorial / Opinion

Federal candidates speak out

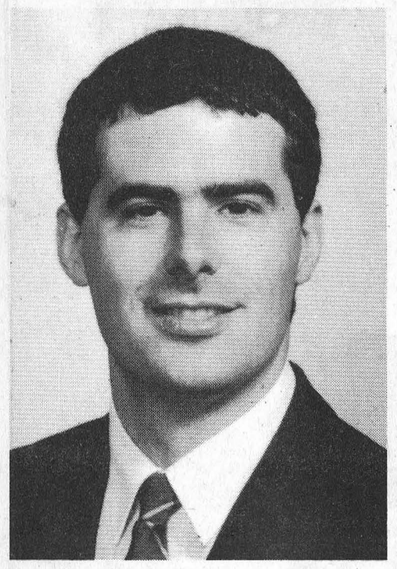
Questions
What do you see as the number one issue in Stormont-Dundas for the federal election?

Will bilingualism be an issue at all in this election? If so, to what extent?

Farmers are facing increasingly difficult times. What help do you offer farmers in the riding?

Are you in favor of free trade and do you think it will help or hurt Canadians?

What do you think you as a candidate have to offer that the other three candidates don't?



Eric Cameron

1. Number-one issue
Cameron:

It is generally agreed that the number one election issue in Stormont-Dundas is free trade. I think this election is about more than just free trade. This election is about leadership and about who can best manage change.

In times of a swiftly changing global economy, people in this riding want to feel confident about themselves as they prepare to meet the challenges that lay ahead.

During the last four years, the Progressive Conservative Government has succeeded in bringing renewed strength to the Canadian economy; it has restored harmony to federal-provincial relations; and it has put together a framework of social and economic policies that will allow Canadians to respond to the challenges that lay ahead with confidence and vigor.

This is all part of taking a positive approach to Canada's future.

The Progressive Conservative Party is the only party in this election with a plan for Canada based on a proven record. In the last four years we have seen 1.3 million jobs created and the federal deficit reduced from $38 billion to $29 billion. After four years of PC government, Canada now has the strongest economic growth of any industrialized nation in the world.

Who can build upon these achievements to build a more secure future for all Canadians? Who can best manage change and secure our future? That is what the Free Trade Agreement is all about. And securing our future is what this election is all about.

2. Bilingualism
Cameron:

There is no question that bilingualism is an issue in this federal election campaign, and it is an issue at the provincial and municipal levels of government as well.

The language quality of this nation is recognized in the Charter of Rights and Freedoms, which states that Canadians have the right to use the language of their choice when dealing with, or working for, government institutions.

This clause does not extend beyond government institutions, and it is only applicable where there is sufficient demand.

What the new federal Official Languages Act does is simply brings Canada's language law into comformity with the Charter.

In addition, the new language law states very clearly that federal employers are forbidden to discriminate on the basis of language in their hiring policies and practices.

The fact of the matter is, the new language law protects the rights of unilingual Canadians; it will not force us to become bilingual and it will not deny jobs to those who speak only English or French; the new language law puts an end to arbitrary measures implemented by over-zealous employers seeking to appease particular interest groups.

In my view, we must focus our attention on the implementation of the new federal language law here in Stormont-Dundas. For this reason, I think it would be worthwhile to conduct a study of this riding to help us determine the need for federal services in one or both official languages.

Debate on this issue has been characterized too much by mistrust and ignorance. Let's start making informed decisions based on fairness and understanding.

3. Help to farmers
Cameron:

I am committed to ensuring that a long term strategy is in place to provide a stable domestic environment in the face of a very unstable international market.

This strategy includes preserving our marketing and supply management systems, strengthening crop insurance and stabilization programs, and working to increase export potential by stimulating production and improving access to foreign markets.

Looking back, it is clear that the Progressive Conservative government has made agriculture a top priority in its agenda:

- Effective elimination of all excise and sales taxes on farm fuels -- saving farmers over $200 million per year.
- Establishment of a $1.5 billion, five-year National Dairy Policy and the addition of ice cream and yogurt to the Import Control List.
- Introduction of a recovery plan for the Farm Credit Corporation to ensure that it remains a viable source of credit to farmers, and
- Tax exemption of $500,000 from capital gains realized from the sale of farm property.

This is a solid record to build upon. Every year brings on new challenges and new opportunities, and by remaining responsible to the needs of farmers in Stormont-Dundas, I feel these challenges and these opportunities can be met with confidence and vigor.

I believe that close co-operation with farmers and other levels of government is key to ensuring the security and prosperity of our agriculture community. I also believe there is no substitute for action when it comes to dealing with the needs and concerns of farmers in our riding.

4. Free Trade
Cameron:

I am in full support of the Free Trade Agreement negotiated between Canada and the United States.

This Agreement secures our relationship with Canada's biggest trading partner and make us less vulnerable to protectionist forces in the United States.

Opponents of free trade have blindly ignored the very real benefits to average Canadians of this Agreement.

Consider, for example:

- The FTA removes tariffs on imported goods, which are essentially a sales tax on imported goods -- hurting lower-income Canadians more than anyone else.
- Free trade will not only create new jobs, but it will create better, higher paying jobs -- particularly in the service sector, and this will benefit women most.

Over 35 per cent of the jobs in Stormont-Dundas are found in manufacturing and trade industries, including agriculture, food processing, paper products, textiles, and chemicals.

These jobs depend on a secure, stable trade relationship with the United States, and this is what the Free Trade Agreement is designed to achieve.

In addition, the FTA allows us to maintain and enhance social programs in Canada because it strengthens our economy and allows us to pay for our needs without lowering our expectations regarding Medicare, the Canada Pension Plan, Old Age Security, Veteran's Benefits and Child Care.

Finally, the FTA is an insurance policy against rising U.S. protectionism. Canadian employers constantly face the threat of being "sideswiped" by the Pacific Rim countires and an increasingly inaccessible European trading bloc.

This Agreement brings stability to the relationship between the world's largest trading partners by replacing the politics of trade with the rule of law.

5. What do I have to offer?
Cameron:

As the Progressive Conservative candidate for Stormont-Dundas, this is what I have to offer:

My family has been in the Cornwall area since the late 18th Century when the Cameron family, United Empire Loyalists originally from Scotland, moved here. My grandfather founded Cameron's Dairy in the 1930s, which our family owned until ten years ago when we sold it to Becker's Dairy.

I am a graduate of Queen's University with a Bachelor's Degree in Civil Engineering and a Master's Degree in Business Administration.

While at university, I helped found and manage Cameron's Insulation Ltd., a small retail sales and contracting firm in Cornwall. I was more active in the business until it was sold to its employees two years ago.

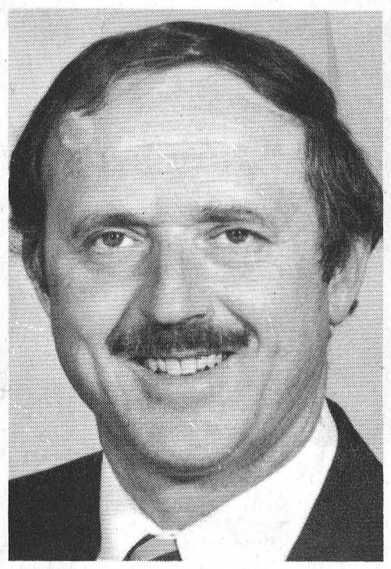
In 1984, I served full-time as Telephone Bank Chairman on Norman Warner's successful federal election campaign. From there I went to Ottawa to work as Legislative Assistant to the newly-elected Member of Parliament for Stormont-Dundas.

A year later I became involved in the establishment of another family business, this time in Ottawa, when I was given the job of managing our restaurant franchise, the Golden Griddle.

I am currently living in Cornwall with my wife, Mary.

And now, I am the Progressive Conservative candidate here in Stormont-Dundas.

I have the business experience, the education background and the legislative experience to provide strong representation as the next Member of Parliament for Stormont-Dundas. I feel that I have what it takes to be responsive to the issues and concerns of the residents in this riding who are proud of their community and families and who seek recognition for their hard work and effort.



Steve Corrie

1. What do you see as the number one issue in Stormont-Dundas for the federal election?
a) Corrie:

The number one issue is Free Trade and how it will impact on this area and the country as a whole. There is no doubt that people are worried because they don't understand this complex and broad reaching agreement. It is the most complex sweeping question to come before the Canadian people in recent memory. To suggest that it will solve our economic ills is to indulge in wishful thinking and simplistic approaches to very complex problems. Because of that, I believe that each area or sector should be negotiated individually. That way, those most directly affected would have input into what is to be negotiated and what is to be gained or lost.

The Auto Pact is an example of a specific manufacturing sector agreement that guaranteed Canadian employment because of the performance guarantees therein. There are tariffs or sanctions that are placed on American cars imported into Canada if the American Auto makers do not produce the equivalent value in Canada. Those tariffs are removed under the Free Trade Agreement. Thus the Auto Pact itself would effectively be rendered useless without those penalties.

Agriculture is ten times more complex than the Auto Pact itself and would require specific commodity agreements negotiated with the Americans. One example is the Dairy Industry and the flooding of the Canadian market with cheap American Dairy products. Each sector of the agricultural industry must be involved in the negotiating of Freer Trade Agreements with the United States. They are the experts and have the vested interested. The Canadian Supply Management Systems may not be perfect but they seem to have maintained a more viable agricultural community. That principle must be preserved in the interested of maintaining a healthy agricultural industry.

2. Will bilingualism be an issue at all in this election? If so, to what extent?
b) Corrie:

The greatest tragedy of this nation is that Canadians have to listen to militants of both cultures endlessly debate language and culture. The vast majority of residents in Stormont-Dundas are tired of hearing of too much or too little when it comes to the language issue. The Empire Loyalists who settled in this area spoke little French. At the same time, the other majority group to settle in Stormont-Dundas spoke very little English. Yet with slow and sometimes painful steps, both of these peoples found common ground. Our community has grown and prospered because men and women of good faith cultivated this common ground. There are some now, who would use language and culture to divide our community. There is no black and white on this issue as some would attempt to have us believe. I firmly believe that the people of Stormont-Dundas want fairness and respect off all its residents, without destroying the trust and harmony that has existed between cultures in our community. An ombudsman should be appointed to look into each case of possible discrimination, and have the authority to impose a non-discriminatory decision on the respective employer.

3. Farmers are facing increasingly difficult times. What help do you offer farmers in the riding?
b) Corrie:

The Farm Credit Corporation would become a truly farmers bank. It would assist those in financial difficulty and help new farmers starting out. I would work closely with the Stormont Federation of Agriculture and the Dundas Federation as well as the Cattlemen's Association, Soil and Crop Improvement Associations and others to further their aims and objectives. They know what is required. I would serve as their voice in Parliament and in any negotiations that might take place.

4. Are you in favor of Free Trade and do you think it will help or hurt Canadians?
b) Corrie:

No, I am not in favor of Free Trade, especially not this agreement. There is no doubt that over the years while harmonizing our system to that of the American's, our standards would be forced down. We have very little to gain and much to lose with this agreement. As mentioned in my response to Question 1, a segment by segment approach is the only way to address this question of knocking down tariff barriers and obtaining relief from the protectionist measures in the United States (Countervail and Anti-Dump). I believe the Americans have much to learn from our system of supply and management. To suggest that market forces only should govern our trade with the United States is simplistic and dangerous.

5. What do you think you as a candidate have to offer that the other three candidates don't?
b) Corrie:

As a rural resident and someone who has worked in various parts of Canada. I believe that I can bring to this position an appreciation of the unique qualities and needs of this area. As well, I can make a serious contribution concerning the serious national issues which confront all MPs. Your own paper pointed out my success in winning the debate at North Dundas District High School. But, you also pointed out the slowness of people to move away from old party preferences. I believe I could provide a strong voice for the local people in the Parliament of our Country.

Bob Kilger

Kilger:

The number one issue is the Mulroney free trade. The Conservatives claim Canada's social measures are protected because they are not mentioned in the agreement. But precisely the opposite is true. Social programs are not mentioned because the Americans refuse to agree that these are not subsidies. The U.S. has made it quite clear that they view certain Canadian social programs like unemployment insurance, indexed pensions and universal medicare as being unfair subsidies. Since they are either not in place in the U.S. or are not of the same quality and standards under provisions of the deal, Canada would have to eliminate or "harmonize" these programs or face U.S. countervailing measures.

U.S. trade laws and trade remedies will still be supreme and able to be applied even if they are in conflict with the agreement objective. The Americans maintain the right to institute tariffs, quotas, and other trade restrictions on Canada. Canadian tariffs are in place for very good reasons. They are present to protect the Canadian economy and those sectors which are most vulnerable in our trading relationship with the U.S. Eliminating these tariffs in the manner outlined in the present trade deal would mean the loss of thousands of jobs in Canada and would necessitate an entire restructuring of Canada's economy.

At present 80 per cent of trade between Canada and the U.S. is either tariff-free or has nominal tariffs applied. The Conservatives may well have surrendered our sovereignty just to open up the remaining 20 per cent of trade.

question 2
Will bilingualism be an issue in this election? If so, to what extent?
b) Kilger:

Bilingualism is considered an issue in this election by a number of residents in Stormont-Dundas. Obviously, every candidate should address this concern of the electorate. From a non-partisan perspective, all three major parties in Canada endorsed Bill C-72. I, like my Conservative and New Democratic opponents, support the right of Canadians to obtain service from their federal government in the official language of their choice.

As well, it is a right for every Canadian to seek employment in the federal public service regardless of which official language they speak. Appointments to the federal public service are done however on the basis of merit not language. As the Member of Parliament for Stormont-Dundas, I would work to ensure that this equality of opportunity be preserved.

Residents of Stormont-Dundas who are genuinely concerned about the bilingualism issue should not let it become a divisive and manipulated issue that would then leave nothing to address the serious concerns they have.

Farmers are facing increasingly difficult times - what help would you have for farmers in the riding?
question 3
b) Kilger:

I realize that the farming community in our riding is in need of realistic and responsible federal government assistance. I am convinced that the previous Member of Parliament for this riding did little for the farmers here, and he was a member of the government side. I am however primarily concerned about the negative impact the proposed Mulroney trade deal will have upon agriculture in Stormont-Dundas. Certainly, there is a threat to our supply management system under the Mulroney trade deal. There is an equally disturbing threat to the entire agrifood industry in this riding and the jobs which it provides.

If the Liberal Party forms the government, then I can work towards obtaining productive programs and assistance for our farmers. I am certainly going to work for farmers rather than against them. The Liberal Party is committed to maintaining the family farm and keeping farmers on the land. Our Party will reduce the debt burden and give farmers more certainty and stability in their support programs. We will also reduce farm input costs as a further means of easing the crushing debt load.

I believe that I will be able to offer the farming community a positive attitude and reliable service in assisting them with their problems.

question 4
Are you in favor of the Free Trade Agreement? Will it help or hurt Canadians?
b) Kilger:

I am not in favor of the Conservative Free Trade Agreement with the United States. I firmly believe that it is a severely flawed agreement that will be disastrous for Canada and for the people of Stormont-Dundas.

The biggest flaw in the Mulroney trade deal is that it does not guarantee unrestricted access to U.S. markets for Canadian goods and services. It was for this reason that the Prime Minister entered into the negotiations with the Americans. Howwever, he did not get this vital element. U.S. trade laws and trade remedies will still be supreme and able to be applied - even if they are in conflict with the agreements objectives. The Americans maintain the right to institute tariffs, quotas and other trade restrictions on Canada.

As well, the Conservative government signed the agreement without establishing what constitutes an "unfair subisdy". This leaves the door wide open for the Americans to go after our social programs, our marketing boards and regional development policies and anything else the United States belives is "unfair".

The benefits to be gained from the Mulroney trade deal are considered to be nominal by a number of respected experts and institutions. There will be no great increase in jobs for Canadians. The Conservatives promise that Canada will reap tremendous benefits from the deal. But, they can not even tell us where all these jobs are to be created, when and how many.

Canadian companies will however be faced with stiff competition when cheaper and inferior U.S.goods simply flood our markets. The end result will be Canadian companies will be forced to move to the U.S. or go out of business. We have noted already that a number of food processing companies have indicated that they will relocate in the U.S. if free trade goes into effect.

There is really no question that this deal is bad for Canada. No country can surrender its economic, social, and cultural sovereignty to a stronger neighbor and expect to come out the winner. The price Canada will pay for this deal is too high. The Liberal Party will endeavor to work for fair trade amongst the nations of the world, including the United States. However, it will not sell out Canada in the process.

question 5
b) Kilger:

I am the Liberal candidate.

I began this campaign with sincere respect for the three other candidates and it has not diminished.

I have always been proud to say that I was born and raised in Cornwall and to call Cornwall home.

I am extremely sensitive to the needs of the people of Stormont-Dundas. I am proud of both my French and English heritage. I am proud that my parents ensured that I could speak both of their mother tongues and that they worked to ensure that I be part of and appreciate both cultures. Knowing both and appreciating both I am able to understand and to address the linguistic concerns of the people of Stormont-Dundas.

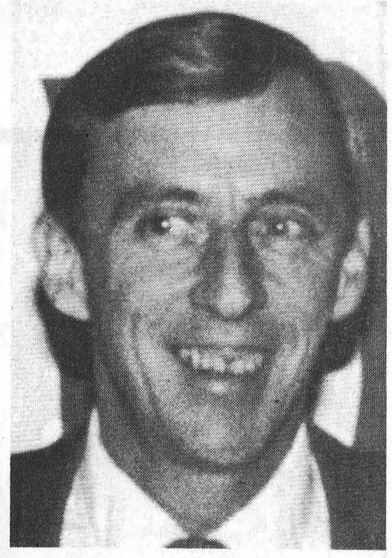
My work experience combined with my involvement in the community in the past 24 years has given me the opportunity to meet and work along side many of you.

From the time I worked at Domtar, refereed in the National Hockey League, coached the Cornwall Royals and managed a St. Hubert Bar-B-Q. I gave freely of my time to serve my community in conjunction with athletic associations, church groups and charitable organizations.

Of the population of Stormont-Dundas, approximately 46,000 are concentrated in Cornwall and approximately 34,000 reside in the eight townships.

Bob Kilger would ensure more convenient access and greater effectiveness by opening a second Constituency Office to be centrally located in the townships. He would establish new priorities for the Cornwall office and allow each office to specialize in the diverse needs and interests of the people that they are to serve.

And now I want to do more, much more.



problem of our enormous deficit, must be addressed.

To ask our children to assume the responsibility of a $300 billion deficit, is a cop-out on the part of any party in power.

question 2
b) Noble:

Bilingualism will definitely be an issue in this election. There is a growing awareness that the implementation of the language act is being made without regard for any practical application. The post office for example really does not need a "total" bilingual policy. It does not require two languages to perform most of their duties, and yet it is close to impossible for a unilingual anglophone to secure a job in that institution. We are, however, permitted to support this agency with our tax dollars.

The most tragic aspect of the two-language policy, is watching our children leaving their home towns simply because they speak only one language. Ability should be the primary determinant in hiring practices, but it is not.

The most obvious question to ask of the "bilingualists" is why should 95 per cent of Ontarians be subservient to the minority French population which accounts for only five per cent. Democracy means the will of the majority, a fact that is continually overlooked. Our party is not anti-French or pro-English, but simply fair minded people who wish to be treated fairly...is that too much to ask?

question 3
b) Noble:

The question of farming and the difficulties it involves, really boils down to whether a farmer can expect a fair return for his labors. The equipment expenditures for modern farmers is a staggering load to carry, especially when the commodities fluctuate as they do, the farmers' question, and it is a fair one is: "What sort of guarantees may I expect for the enormous amount of time and money I am expected to contribute to supply the agricultural needs of the community". A guaranty is essentialy, or the trend away from farming will continue unabated.

I honestly feel that farmers must be subsidized in order to provide that guaranty. If free trade becomes a law, then the farmer is faced with the added burden of competing with his American neighbor who is blessed with a longer growing season.

One must realize that if the trend away from farms continues, then in time we will have a consolidation of large farms which will have the necessary clout to demand and receive prices which may not be in the public interest. As it is now, the pricing structure is fair and competitive...let's keep it that way.

question 4
b) Noble:

We need a free trade arrangement between Canada and the U.S.A., but the one that our present government negotiated is a pure give-away. If the deal is as good as the Tories say it is, why would the U.S.A. balk at putting down on paper guaranties which would outline our protected priorities in a definitive way. If our cultural and social programs are not at risk, say so in writing, of course. The reluctance of the Tories to demand these guarantees leads me to suspect that there is more to free trade than they are telling us.

Our natural resources are so precious to us that there should never be ay discussion of them in trade terms. The Americans have destroyed most of their environment through their diligent pursuit of profit, so why would we expect any better treatment where our resources are involved.

If we are to have a trade deal, let's negotiate a new one. If the Americans balk at this, you may be sure that they were confident that the one now being proposed is heavily in their favor.

question 5
b) Noble:

The most important aspect of the C.O.R. Party is that we offer an alternative. To put that into perspective, one must realize that the three traditional parties have reached a stage in their development where none of them seem to address the needs of the ordinary people. It has become clear that the caucus determines the direction for the party and that the views of the individual counts for nothing. If you doubt that statement, ask yourself how many times has closure been involved. Free Trade has not had the discussion that it deserves, nor has the Meech Lake Accord been re-opened because of its fragility. Bill C-72 was passed with considerable intimidation by the prime minister, and the secretary of state is telling Quebec that Bill 101, a repressive piece of legislation, is just fine with the present government. It has become obvious that unilateral decision making is no longer the exception, but has now become the rule, and that is totally unacceptable. The C.O.R. Party intends to listen to the people, and more importantly, is not afraid on having a referendum if that will satisfy the concerns of the people. This latter feature alone makes us a different party than the traditional "Big Three", whose only concern seems to be how they may be re-elected.

Bob Noble

b) Noble:

Although there are varying degrees of importance attached to the issues, I do not believe that one should be pursued at the expense of another. The Tory government is experiencing difficulty because they lack credibility. Most of this distrust can be laid at the feet of the prime minister. He simply finds it next to impossible to refrain from exaggeration.

The C.O.R. Party intends to eliminate that feeling of mistrust by listening to the people either directly or through the use of referendums. We see nothing wrong in determining the will of the people by the use of a referendum. It may be time-consuming, but it does and will tell us what it is that they expect of us...and that is democracy.

Along with the credibility issue, C.O.R. believes that language, free trade, and the

Dundas County 4-H

Top honors

Here are this year's winners of the Ottawa Citizen award, given annually to the top three members in Dundas County selected highest in club work and citizenship. First place went to Tracey Henderson, left. Robert Byvelds, second from right, was awarded second spot and Isabella Farlinger, right, took third overall. The award was presented by Ottawa Citizen representative, Jamie McDonell, second from left.

Flyers notch first victory

Todd Hambleton
Record Staff

CHESTERVILLE — It had to happen sooner or later.

The Chesterville Flyers, mired in a five-game losing streak to open the EOJCHL campaign, yet showing signs of potency each outing, were able to make their first indentation under the win column Friday night downing Clarence Township Beavers 9-6.

"It feels great," said a relieved Kirk Anderson, Flyers rookie head coach who had seen his club outscored 67-16 in their five previous outings. "Finally a win. We needed that."

"The kids have worked hard all season," he continued. "But tonight we played a complete game for the first time this year. We came out strong at the beginning of each period and tonight, for the first time, we maintained it until the end."

Flyers struck early jumping out to a 3-0 lead before the game was ten minutes old. They wilted, allowing two late first period goals as Beavers closed the gap to one after one, but Chesterville scored the first goal of the second period and stayed a step ahead of the Beavers the rest of the way.

"The kids didn't want to lose another one," continued Anderson. "We had a terrific practice (Thursday) and we knew it would make a difference in the game. Considering the suspension to Jerrold (Boulanger, Flyers top scorer in 87-88) and the problem with getting players out it feels great."

Boulanger, serving the seventh game of a ten game suspension carried over from last year and watching from the sidelines, touched upon the importance of Thursday's coming-of-age warmup skate. "We had a great practice last night. We just said enough is enough, we're going to go out and win one."

A despondent Clarence Township coach Charlie Lavictoire, whose club had upset St. Isidore 5-3 the night before, wasn't the least bit pleased with his team's effort, and was left questioning Beavers' work ethics at game's end.

"It's hard to explain why we came out so flat," Lavictoire grunted. "It's obvious we didn't come to play. They thought they had it made, playing against a winless team. The spirit on the bench was down right from the start and I don't know why.

"Once we got behind early it's tough to catch up," Lavictoire added. "But the kid made some big saves for them. A couple of times the kid stopped us, then they (Flyers) came down and scored."

The kid.

Crysler native Richard Gauthier has had better performances this season, but in key situations when Beavers' forwards came knocking, Gauthier was there to run them away.

Like in Flyers' shaky opening moments of period one. An early Beaver goal would have been devastating, but Gauthier rose to the occasion and kept the game scoreless stopping Mike Plamondon two minutes in on a breakaway opportunity Plamondon swooped down the left side and past a Flyer defender, cut for the net and tried to stuff a backhand deke in but Gauthier, lying flat on the ice, was able to extend his left arm along the surface and keep the puck out.

Gauthier also got help from his defensive pals. Thirty seconds later a pretty three-way Clarence passing play had Beavers about to build a 1-0 lead but rearguard Marc Beehler came to the rescue clearing a puck that had found its way past Gauthier and was about to cross the goal line.

Flyers had escaped the wrath of a disheartening early goal or two, and went on to stun Beavers posting three of their own in an eight minute span in the first.

"We worked on that in practice, the defence picking up the loose pucks and clearing them," confided Gauthier after the game. "The defence were excellent. They played great. You can't ask for more.

The former North Stormont 86's and more recently St. Lawrence College Roadrunners keeper, who credits Flyers for giving him the opportunity to return to junior "C" hockey, even showed some fighting spirit that seemed to rub off on his teammates midway through the second period.

Leading 5-3 but with Beavers attack gaining fluidity, Gauthier's left leg was trapped underneath a Beaver who had stormed the net with the visitors pressing. After wrestling for a few seconds to break free and regain his footing, Gauthier, convinced the Clarence forward was in no hurry to vacate the crease area, reached over and began waling away with his blocker, touching off a mini-rhubarb.

Gauthier was assessed a double minor penalty for roughing, but before play resumed Flyers gathered around Gauthier showing their support then managed to shift the momentum and score the last goal of the period increasing the margin to a more comfortable 6-3 lead.

"I knew they were going to score because I couldn't get up, and he wouldn't let go so I had to do something," explained Gauthier. "We needed a whistle and my penalty got one so it turned out well."

But the Flyers weren't going to win for the first time this season without a struggle, and that's exactly what they got from Beavers in the third.

Chesterville's Achilles heel all season long has been the third and when Beavers' Marion Bertrand narrowed the margin to 6-4 scoring 38 seconds in, it appeared the usual pattern was beginning to take shape.

But with Beavers coming on Gauthier, with 13 minutes left, made perhaps his biggest save of the game on a Clarence power-play, thwarting Paul Seguin with a knee pad kick save just getting a piece of a close-range shot ticketed for the corner.

The rebound was cleared out to centre, where Brian Brown stripped a Clarence defender of the puck, moved it alone on Beavers' keeper and beat Rejean Amyot eluding his poke check with a nifty backhand deke hoisting the puck high to the top left corner.

Again, Beavers closed to within two, scoring on a shot from the neutral zone that Gauthier misplayed, but with time out Kevin Byers, with his second of two, restored Flyers' three goal lead with a backhand deke similar in form to Brown's effort.

The clubs exchanged goals in the dying moments.

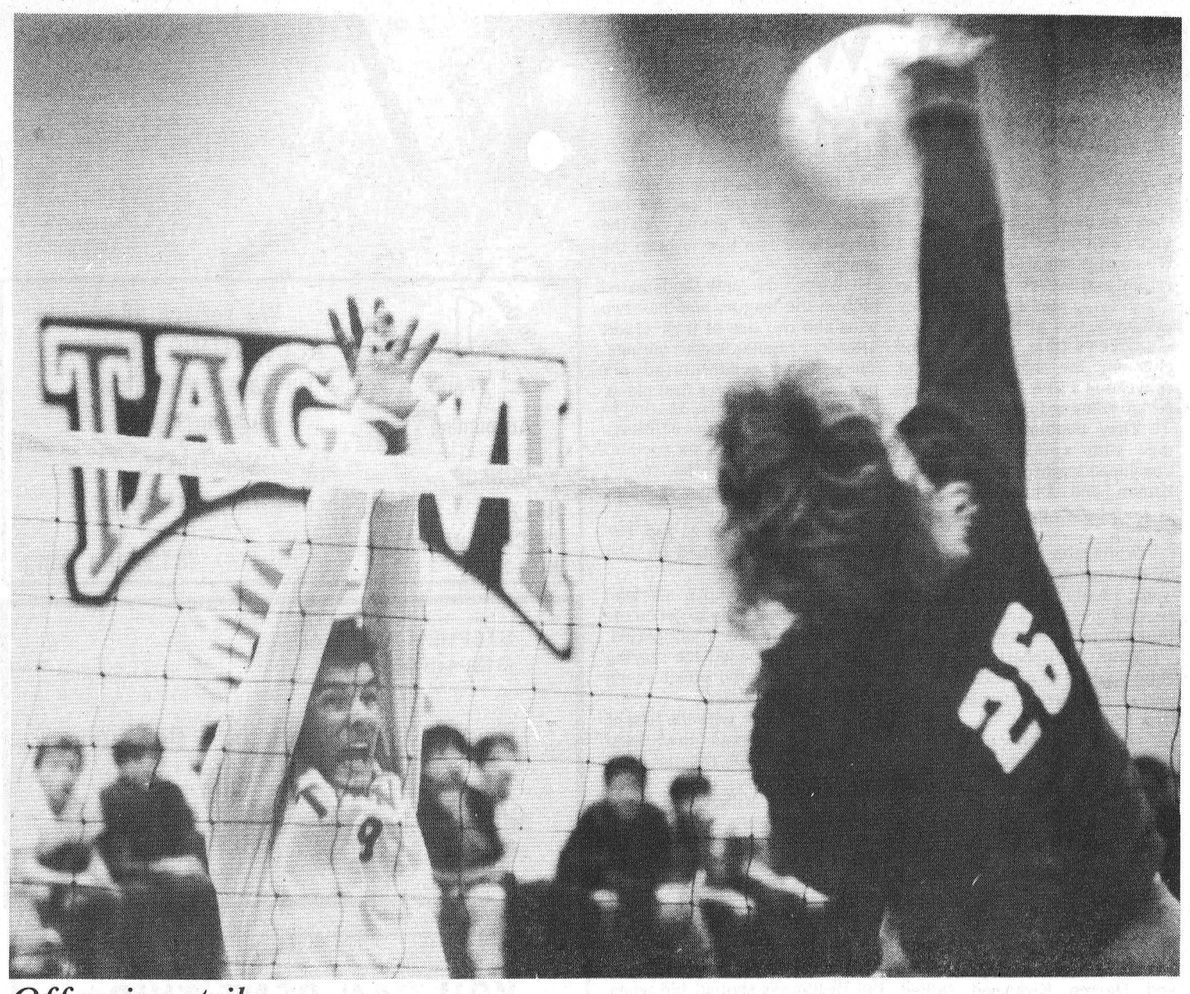
Ray Sherrer and Ken Byers also scored twice for Flyers. Mike Fawcett and Brown, with his second, also scored.

Mario Bertrand led Clarence with two, Mike Plamondon, Francois Dore, Sylvain Marcil and Pierre Demers added singles.

Flyers couldn't stretch their win streak to two, dropping a 14-3 decision at home against Embrun Sunday afternoon.

Kevin Byers scored twice for Flyers, who trailed 4-0 after one and 11-1 after two periods.

Brian Bigos scored Chesterville's other goal.



Offensive strike

Tagwi Warriors junior c volleyball team member braces himself for a block attempt in the SD&G Athletic Association A final Wednesday (Nov. 9) at Tagwi gym. St. Joseph's from Cornwall won the championship in straight sets by scores of 15-9, 15-7, 15-6. Warriors had completed regular season in first place in their division.

Record Photo - Hambleton

Warriors fade in playoffs

AVONMORE — Tagwi junior boys volleyball couldn't duplicate a regular season feat here Wednesday.

Warriors had taken two out of three games from St. Joseph's Panthers during an SD&G Athletic Association regular season matchup but in the "A" final before a large and enthusiastic student body gathering in the gym Tagwi fell prey in three straight games losing 15-9, 15-7, 15-6.

"Sure, we beat them during the season," said Warriors coach Joe Stelmach, "but that was then. Anything can happen on another day."

Warriors finished first in their division in regular season, four points ahead of second place St. Joseph's. In their regular season encounter Warriors bounced back from a 15-7 first game defeat to win the next two, 15-11, 15-3.

"They (St. Joseph's) did much better today. They did very well," continued Stelmach. "Both teams had good attacks but they were sharper with it. I could say we didn't play to our full potential today, but maybe they didn't either, who knows?"

Stelmach did say his pre-game strategy of trying to keep the ball away from Panther's taller players was hardly an uneqivocal success. "We tried to keep it away from their big guys but it just didn't seem to work. When you're under pressure you're just trying to get the ball over the net."

Panthers coach Linda Yates, formerly a North Dundas teacher, said she expected the final would go the full five games, based on their earlier meeting.

"I thought it would go the distance. Joe always has good teams but we're a strong club and we played very well in all three games."

Panthers had advanced to Wednesday's final with a straight set victory over General Vanier in the semi-final round.

Aces deal Berwick 7th loss

FINCH — League-leading scorer Jeff Johnston scored give goals, including three in the first half, as Avonmore Aces dealt Berwick Blazers their seventh straight loss 11-3 Sunday night, to open the North Stormont Intermediate Hockey League campaign.

Blazers (0-7-0) are last in the four team league.

Aces improved their regular season record to five wins and two losses. They hold down second place with ten points, three back of frontrunners Finch Merchants.

Johnston added an assist for a six point night and now has 26 points (12 goals, 14 assists), three points up on teammate Brent Theede, who kept pace scoring once and adding four assists.

Don Simpson scored three times and an assist for Aces. Miles Amelotte enjoyed a five point effort, scoring twice and chipping in three helpers.

Randy McRae and Dale Swerdfeger each tallied three assists for the winners. Blair Henderson recorded one assist on the night.

Berwick, who trailed 4-2 after one period, was led by the two-goal performance of John Guy. Bernard Grady scored their other goal.

Picking up assists for Blazers was Pat Brugmans (two), George Michaels and Kent MacMillan.

Aces built up a 3-0 first half lead, on goals by Amelotte seven minutes in and Johnston's first two (at 12:04 and 9:31) before Bernard Grady was able to answer for Blazers with 7:30 before intermission.

John Guy then scored the first of his pair with 1:20 left in the half but Johnston scored his third straight in the period with just 15 seconds left restoring Avonmore's two goal advantage.

Don Simpson struck for two goals before the second half was four minutes old, putting Aces up by a comfortable 6-2 margin.

Amelotte notched his second with 14:50 to go making it 7-2 before Guy scored Blazers final goal with 13 minutes left. Simpson added his third, Johnston his fourth and fifth and Theede scored as Aces padded their lead late in the game.

In the other game played Sunday, Finch Merchants continued their winning ways streaking past Morrisburg Goads 9-7.

Merchants (6-0-1, 13 points) have won six in a row after tying to open the season.

Goads drop to two wins and four losses for five points, solidly entrenched in third position.

Finch's Bill deWit and Frank Sinfield each scored hattricks and recorded one helper in the win. Both Sinfield and deWit have 17 points on the year and are tied for third spot in the league scoring race.

Also scoring for Merchants was Dennis Sullivan (one assist), Ed deWit (two assists), and Herbie Seguin (two assists). Bruce Merpaw and Gordie MacDonell each added a pair of helpers.

Morrisburg was led by Donny Nesbitt who scored their first three goals and added an assist.

Lindsay Weegar, Bruce Casselman, Marty Hamilton and Kevin Duvall also scored for losing Goads, who trailed 4-3 after one half.

With the score tied at five early in the second half, Bill deWit completed the hat trick and gave Merchants the lead with 15 minutes left.

Sinfield added his third and Ed deWit tallied with three minutes left giving Merchants an 8-5 advantage.

Goads rallied with two late goals to narrow the margin to one but could get no closer.

Trailing 5-3 in the second, Kevin Duvall and Marty Hamilton scored 20 seconds apart but Goads couldn't maintain the momentum and allowed Merchants to regain the lead with three straight goals.

No games were scheduled Friday (Nov. 11) night.

League play resumes this Friday (Nov. 18) night with a pair of games. At 8 p.m. Merchants will try to remain unbeaten by keeping Blazers winless, and at 9:30 p.m. Avonmore Aces and Morrisburg Goads face off.

On Sunday (Nov. 20), Merchants and Aces square off in the early game (7:30) followed by Blazers and Goads at 9 p.m.

86's roller coaster season continues

FINCH — The roller coaster ride continues.

North Stormont 86's early season pattern of highs and lows took a decidedly downturn twist Thursday night when Casselman-Cambridge Stars rebounded from a early first period 2-0 deficit then reeled off five unanswered third period goals to win going away 10-4.

In addition to rallying in the first Stars needed a goal from Robert Vaisine, his second of four consecutive, to knot the score at four with six minutes remaining in the second period.

Vaisine then snuck behind 86's defence corps and beat goalie Kent Pilon on a backhand with 16 seconds left in the second period putting Stars ahead for good, 5-4.

He added his fourth for good measure, and sixth point of the game, one minute into the third. The opportunistic centre stole a puck that got caught in an 86s' defenders skate at the blue line, scampered down the right side and released a quick snapshot from fifteen feet out that beat Pilon through the five hole.

Marc Dumac, with two, Michel Sinnott and Sylvain Richer added late Stars' goals as 86's pressed in the offensive end. "I really thought we were going to come back in the third," said beleagured 86's assistant coach Kevin Mackler. "But what can you say? We did the best we can. They (Stars) just played well. I can't believe they lost like that in Embrun (Stars previous outing, a 17-6 loss to 72's Friday, Nov. 4)."

But after mulling over the night's events Mackler added there was more to the 86's downfall than the Stars spirited play and never-say-die attitude.

"After we got the lead we sagged. We couldn't put them away, we just didn't play very well," he lamented. "We have too many good players to lose like that. We have too many good defencemen to give up ten goals.

"We just haven't been able to put anything together. We played a great game against Rockland Sunday (3-2 86's loss) and had 42 shots on net, but just couldn't score. Tonight we turn around and play the way we did. We're playing our worst games at home.

"But it will come around. The guys will come together and we'll be able to put a streak together."

"We pulled together tonight, we were finally able to play as a team unit," said Casselman-Cambridge coach Robert Desnoyers, no doubt with memories of Friday's shellacking still lingering.

"I think we surprised them (86's). They heard about the 17-6 game and it's just natural to ease up a little bit when you think it's going to be an easy game. I think they relaxed."

86's came out storming Stars end in a game that had the earmarks of a cakewalk early.

Tim Ouderkirk's quick-release snapshot from in close with eleven seconds gone converted a Todd Blaine centering pass putting 86's up by one.

They moved in front by a deuce eight minutes later when Pat Sullivan emerged from behind the Stars net and recovered his own rebound on a wrap-around try and fired it past Patrice Racine.

86's then ran into foul trouble allowing two Stars goals to tie on the same penalty. Midway through the period Norman Kent cut the margin in half drilling a point shot high to the corner glove side with plenty of traffic in front.

Alain Leroux sent Stars to the dressing room tied scoring thirty seconds later. Pilon kicked out Vaisine's close-range shot but the rebound found its way to Leroux positioned at the bottom of the circle, whose wrist shot was on target.

"All those penalties hurt," said Mackler, whose club allowed four power play goals and yielded three shorthanded markers. "Once we got the lead we started to play stupid."

Desnoyers, however, offered a theory as to why the brunt of the penalties (12 minors to North Stormont, 8 to Stars) were handed out to 86's. "North Stormont is a big team whereas we're smaller. Even if they just lift an arm it's elbowing, because of the size difference. If we lift an arm it hits them in the mid-section and the referee won't call that a penalty.

"Finch has to play hockey to beat us, no physical stuff, because they'll get called more than us because of the size difference," said Desnoyers.

Stars momentum carried over to the second period, one which saw the lead switch hands twice. Shorthanded Stars went ahead 3-2 when Brent Leclair broke out of his own end and escaped a couple of checks as he rushed along the boards. His slapshot from the top of the circle was kicked out to Vaisine who rifled one in from 20 feet out.

86's got that one back just 29 seconds later, however, when Troy Lalonde carried the puck around the Stars' net, was allowed to move in front untouched and get a clear shot away, with the rebound deflecting over to Kenny Konink who lifted the puck high into the open cage.

86's assumed their second lead two minutes later when Lalonde's point drive was wide left but the rebound richotted off the end boards out to Pat Sullivan who banged it in.

Stars bounced back on the strength of Vaisine's offensive outburst.

86's rebounded Sunday night scoring five times in the second period to beat St. Isidore Eagles 6-5.

Trailing 3-1 after one period, North Stormont scored three times in six minutes early in the second to take the lead, at 4-3. Todd Blaine, with the first of a pair, scored with 18:25 left. Dave Leroux tied it three minutes later and 86's took the lead on Kevin Villeneuve's marker with 12:34 remaining.

Eagles pecked away and regained the lead with a pair of goals 1:13 apart, but 86's put the game away scoring twice before the end of the period. Villeneuve tied it with his second with 6:27 left and Blaine's second was the game winner, coming with 2:36 to play.

The third period was scoreless.

Pat Sullivan scored 86's lone first period goal.

Raymond Grady had two assists for 86's, with single assists awarded to Kenny Konink, Tim Ouderkirk, Villeneuve, Leroux, Blaine and Shawn Beckstead.

Paul Maisonneuve led Eagles with two goals and an assist. Barry Labre, Simon Chalifoux and Miguel Charron also scored for the homestanding Eagles.

The win nudged 86's regular season record above the .500 mark again, at five wins and four losses.

They'll be in action again Thursday night (Nov. 17) when they host the Clarence Township Beavers. Game time at the Finch Community Arena is 8:30 p.m.

Team of the week

North Dundas Demons of the ROMEKS intermediate girls' hockey league recently won their first regular season home game, 1-0 over Spencerville. Demons are participating in the six team loop for the first time. Team members are, front, l-r, Stacey Berry, Shealyn Summers, Tina Proulx, Catie Clapp, Kris Rowe and Melanie Hoy. Second row, Rosalind Drewery (sponsor), Stacey Proulx. Third row, Joann Hedge, Barbi Dowell, Joy Roach, Angie Ranger, Wendy Marcellus, Michelle Laflamme, Mary MacNiel. Missing, Andrea Lannin.

Record Photo - Hambleton

ND Demons pick up first point in 3-3 Metcalfe tie

WINCHESTER — North Dundas Demons Nestle Canada Ltd. picked up their first point of the season Sunday (Nov. 13) playing visiting Metcalfe Mustangs to a 3-3 draw.

Demons led 3-2 after two but Mustang Chris Wynn scored his third goal with 10:50 left in the third to salvage the tie.

Demons had taken a 1-0 first period lead on a coast to coast rush by defenceman Chad Benoit with North Dundas playing a man short.

Metcalfe rallied to take the lead with Wynn's first two goals four minutes apart midway through the second period. Wynn hooked up with Darrell Warren and Glen Murphy at the 8:43 mark and again with 4:46 to go in the period.

Demons rallied to re-assume the lead in the wide open Upper Canada Minor Hockey League matchup scoring twice late in the period with Mustangs serving a major penalty for high sticking.

Todd Halpenny converted a passing play involving Scott Francis and Jason Kennedy to tie the game with 2:48 left, and 16 seconds later Francis tallied with the manpower advantage putting Demons up 3-2.

Jason Kennedy and Todd Halpenny assisted on the go-ahead goal.

Demons coach Bernie Harper was pleased with the excellent effort turned in by Demons' checking line of Andrew Henderson, Jeff Miltimore and Daryl Dion, adding that his club turned in a much better performance than they did against Westport six days earlier to open the UCMHL schedule.

On Monday (Nov. 7) Demons travelled to Westport to meet the North Leeds North Stars and were turned away by an 8-2 score.

"It was a good game until the opening faceoff, wryly commented Harper. "We forgot about positional play and were continually beaten to the puck in both ends of the rink.

"But we have no excuses. We were beaten by a better team. That's the best team we have played this year."

The only bright spot for Demons was a pretty three-way passing play with David Harper and Todd Halpenny feeding Scott Francis who put his club up 1-0 just twenty seconds into the game.

Maroon, White tied for first

CHESTERVILLE — White spotted Green two first period goals then stormed back with five of their own to defeat Green 5-2 Wednesday night (Nov. 9) and retain a share of first place in Chesterville Men's Town Hockey League action at the Arena.

Green's Dale Simms got his club on the scoreboard first converting a pass from Mike Guy seven minutes in.

They doubled their advantage with a late goal. Vince Cousineau teamed up with Mario Utman and Darren Kelly 27 seconds before the end of the first session.

White, able to salvage a point by drawing against Blue 2-2 last week, finally got on track in the second period, scoring three times to take the lead.

Keith McRoberts made it close scoring 25 seconds into the period to avenge Green's late first frame marker.

Gary Beishem and Wally VandeKemp, with his first of three, assisted.

Midway through the period Dean Williams was able to beat Yvon Bourdeau and tie the game. VandeKemp and Pat Moran were in on the goal.

Beishem scored the game winner connecting for his second point with just 17 seconds left to go in the period. Keith McRoberts and Darren Kirkwood tallied helpers.

A pair of third period White goals sewed up the victory. VandeKemp made it 4-2 with 7:53 remaining, converting a passing play involving Sandy Johnston and Ken Rose.

Forty seconds later James Milne completed the scoring, taking a pass from VandeKemp and firing it in.

Five minor penalties were assessed, with Green collecting three of them.

The loss was Green's second in a row. They are tied for last place with two points, on the strength of two ties to open the season.

White, the only undefeated club in the league, now has two wins and two ties to their credit after four regular season outings. They have accumulated six points and are tied for first place.

Maroon kept pace, skating to an easy 5-1 decision over Blue.

Maroon (3-1-0, six points) was victorious for the second straight week, having upended Green one week ago.

Blue fell to 0-2-2, for two points, and remain tied for last spot with Green.

Maroon built up a 3-0 lead before Blue was able to get on the scoreboard in the final period. Darell Shelp opened the scoring with an unassisted effort seven minutes into the first.

Kevin Moore, with the first of a pair, increased that lead connecting half a minute after Shelp's marker.

Curtis McMillan and Greg Kelly drew assists on the goal.

After a scoreless middle period, Lyle Servage made it 3-0 scoring his first goal 28 seconds into the third frame. Shelp and Todd Findlay recorded assists on the play.

Blue broke through spoiling Pat Brugmans shutout bid when Jim Pennock scored with eight minutes left, converting a Mark Smith pass.

Maroon would have none of Blue's comeback plans and put the game out of reach with a pair of late third period markers.

Servage notched his second with 3:44 left, on a passing play involving Shelp and Bruce Angus.

Moore, with his second goal, closed out the scoring connecting on a pass from Curtis McMillan with 18 seconds to go.

North Dundas Minor Hockey report

WINCHESTER — Jonathan Chambers and Billy Henderson went on a scoring tear in North Dundas junior novice play this week leading Chesterville past Winchester by an 11-8 score.

Chambers scored five times for the winning side, Henderson added four. Matthew Coyle and Jason Fishburn also scored for Chesterville.

Responding for Winchester was Matthew McBean with three, Tyler Shortt (two) Patrick Hamel (two) and Tiffany Holmes, with one.

In intermediate novice action Saturday in Chesterville, LaPrade Photo shutout Russell Warriors 3-0 in an Upper Canada Minor Hockey League regular season matchup.

Trevor Walker scored the game's first goal, the game winner, taking a pass from Morgan Dillabough with 12:55 remaining in the second period.

The pair hooked up again one minute later as Walker scored his second putting LaPrade up by a deuce.

Robbie Graham scored an unassisted insurance goal with seven minutes left in the game.

SENIOR NOVICES LOSE

In senior novice action in Winchester Saturday, visiting Morrisburg handed North Dundas Demons a 5-2 setback.

Sam Ault had two points for the locals, assiting on Tyler Copeland's goal early in the first period, to put Demons up by one, and scoring one of his own late in the second. Michael Flowers assisted on Demons' second goal.

Morrisburg led 2-1 after the first period and carried a 3-2 advantage to the final frame.

Tami Barkley scored twice to lead Morrisburg, John Derouchie, Terry McPherson and Chris Barkley also found the net.

D. Shaw's goal with just under twelve minutes remaining in the game lifted visiting South Grenville to a 2-2 draw against Demons in a peewee game in Winchester Thursday (Nov. 10).

Shaw had scored Grenville's first goal in the first period giving his team the lead, but Demons rallied back with a pair of second period markers.

Jason Desormeaux tied the game with 5:23 to go, with assists awarded to Jason Fawcett, and Shawn Steinberg, and Steinberg scored the go-ahead goal with 78 seconds left in the frame.

Desormeaux and Ryan Buske assisted on Demons' second goal.

Demons peewee "C"'s were dealt a Upper Canada Minor Hockey League 5-1 loss by visiting Kemptville Thursday in Chesterville.

Barry Bell scored the locals only goal, an unassisted effort with two minutes left to be played in the first period.

Brent MacKey led Kemptville with two goals scored, Mark Overdulve, Derek McClintock and Chris Drozda also scored. Kemptville led 3-1 after one and carried a 4-1 advantage to the final period.

GRENVILLE BEATS LOCALS

North Dundas Sports Unlimited Demons were handled 5-1 by South Grenville in an Upper Canada game Thursday in Winchester.

Colin Cotnam scored Demons only goal midway through the second period. Kent Young assisted on the offensive strike.

Grenville led 2-0 after one period on the strength of goals by Jason Sloan and Ryan Harper.

Steve Rennick increased their lead to 3-1 in the second. Two goals by Charles MacDonald sewed up the win in the third period.

Warriors end season with win

AVONMORE — Tagwi Warriors raced out to a 27-10 halftime lead then cruise-controlled to a 47-27 rout of Seaway Spartans, bringing down the curtain on their 1988 junior girls basketball schedule here Tuesday.

Julie Crites led all scoring in the game, pumping in 13 for Warriors.

Susan Konink pitched in with a nine point effort, Margo McIntosh connected for three field goals or six points.

Sandy Garderman (five), Laurie Fergusson (four), Becky Coffin (four), Kristi Poirier (four) and Tracey McNichol (two) all scored for junior Warriors.

Warriors doubled Spartans 12-6 in the opening period then decisively outpointed their visitors 15-4 in the second quarter to move in front comfortably.

Warriors outscored Spartans 11-6 in the third and carried a 38-16 lead to the final period.

Seaway was led by Annette VanBeilen's ten point afternoon. Jennifer Coleman contributed nine. Lori Lockey and Laura Anderson each connected for four points.

SEAWAY SENIORS REBOUND

In senior play a Seaway fourteen point third quarter surge lifted Spartans to a 42-38 victory. Senior Warriors led 24-19 at halftime but could only meet Spartans' splurge with six points and trailed 33-30 heading into the fourth. Seaway outpointed Warriors 9-8 in the fourth.

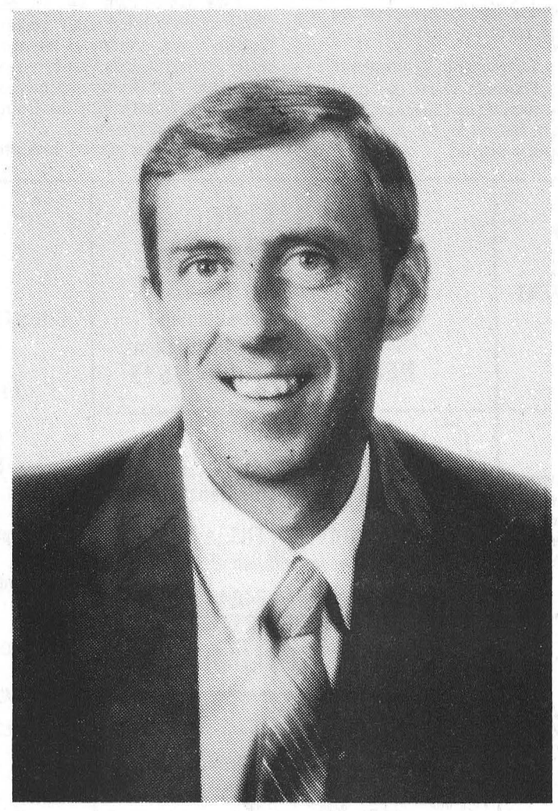
Confederation of Regions Party

ON NOV. 21st



YOU DO HAVE A CHOICE!

ENVIRONMENT

The Native Indian and Innuit Peoples of this country once lived in harmony with nature. Their respect for this land which we now call Canada, is a history lesson that all Canadians should come to know and appreciate.

The time has come for the politicians of Canada to look back at the besuty and perfection that once was.

Bob Noble and the Confederation of Regions Party believe it is time to change the direction of Government in this country.

The political decisions for our future must be made by men and women who truly care.

On Nov. 21st — Support Someone Who Cares!

VOTE - BOB NOBLE (C.O.R.) X

"THE ONLY ALTERNATIVE"

Authorized by Stuart Foster, Official Agent for Bob Noble

NG-S hockey report

FINCH — North Glen-Stor midget Braves scored three unanswered third period goals to erase a one goal South Stormont lead beating Flyers 6-4 here Sunday.

Trailing 4-3 after two periods, Brian Wand tied the game scoring on a pass from Stephen Boudrias with 12:04 remaining. Broudrias notched the game winner just over a minute later, converting Mike Stewart's pass with eleven minutes remaining.

Stewart, with his second goal and third point, added an NG-S insurance goal with ten minutes to play. Sean Robinson drew an assist on Braves' sixth goal.

George Boszormeny also scored twice for the winners, once in each of the first two periods. Ken Wensink assisted both Boszormeny efforts.

Flyers trailed 2-0 after one period but roared back with four second period goals off the sticks of Tom Johnson, Jamie Witherspoon, Dave Duprau and Kevin McCormick to take the lead.

BANTAMS LOSE LEAD

In another Lower St. Lawrence travelling league matchup in Finch Sunday, NG-S bantam Braves skated themselves to an early 1-0 lead, but couldn't hold it, dropping a 3-1 decision to visiting Char-Lan, who remain undefeated.

Paul Jackson lit up the scoreboard just 13 seconds into the game, scoring on a pass from Danny MacMillan, but Braves couldn't score the rest of the way and yielded two second period goals and one third frame marker.

Shane Boucher tied the game for Char-Lan tallying with eleven minutes to go in the second. Chris Petry drew an assist. Ninety seconds later Adam Lefebvre converted a Boucher pass as visitors took over the lead.

Kurtis Latreille's marker with 3:30 remaining in the third sewed up the win.

NG-S peewee Braves were shutout by Alexandria Glens 5-0 in Finch Wednesday (Nov. 9) night. Eric Hamelin's first period goal was the game winner. Patrick Menard turned away all NG-S shots to record the shutout.

Sylvain Lavigne, with two, Normand Jeaurond and Marc Boisvenue also scored for Glens, who led 1-0 after one period and 4-0 heading to the third.

ATOMS SPLIT

NG-S atom "A" Braves skated three times over the week, splitting a pair of Lower St. Lawrence league games and winning an exhibition contest over Embrun earlier in the week.

On Sunday (Nov. 13) they travelled across the border to battle Massena, and despite a late charge, were turned away by a 4-3 final.

Braves trailed 3-0 before their offence finally got on track late in the second. Todd Beehler cut the Massena lead to 3-1 scoring on Danny Bozormeny's feed with 1:06 left in the middle period.

Braves couldn't sustain the momentum and fell behind 4-1 allowing Peter Freane to score the second of a pair with 44 seconds left.

Braves made a move in the final period scoring twice. Matt Poapst connected with 10:27 remaining (assisted by Ryan Benton) to cut the Massena lead in half, and Shawn Lalonde found the net with 2:12 to go, but Braves couldn't notch the equalizer. Poapst tallied his second point of the game on Lalonde's goal.

Craig Terry and Greg Cullen also scored for Massena.

In Maxville Thursday (Nov. 10) peewees eked out a 3-2 win over Alexandria. Shawn Filliol scored the game winning goal breaking a 2-2 stalemate with six minutes left in the second period. Ryan Benton and Matt Popast set up the decisive goal.

Braves took the early lead on a Danny Bozormeny goal six minutes into the first. Benton and Barry Brown helped out. Glens then stormed back with two goals late in the period, off the sticks of Joel Trottier and Mark Laferriere.

NG-S shut down Glens the rest of the way and drew even at two in the second. Todd Beehler scored on a passing play involving Bozormeny and Poapst with 8:56 left in the frame. Filliol notched the go-ahead goal just over two minutes later.

In exhibition play Saturday in Finch, atom Braves skated past Embrun 2-1. Braves built up a 2-0 first period lead on goals by Ryan Benton (assisted by Danny Bozormeny) and Barry Brown. Benton and Ryan McElroy assisted on the Brown goal.

Chris Rolland's shutout bid was spoiled by Martin Leroux, who scored Embrun's only goal with 8:10 to go in the third.

Novice NG-S novices dropped a 3-1 decision to Alexandria Glens Wednesday (Nov. 10) in Maxville. Eric Bourgeois scored the Braves only goal with 4:25 left in the third, to cut Glens' lead to 2-1. Alexandria held off Braves the rest of the way adding an insurance goal in the latter stages.

HOUSE LEAGUE RESULTS

J. Ouderkirk scored two goals and added an assist in NG-S bantams 4-1 house league decision over Long Sault Tuesday (Nov. 8) in Maxville. Long Sault had taken a 1-0 lead scoring before the game was a minute old, but Ouderkirk went to work scoring two minutes later to tie the game. P. St. Pierre and R. MacNichol drew assists on the equalizer.

In the second, Ouderkirk notched his second with 6:30 left, converting a pass from Vanasse. Braves scored the only goals of the third period. Vanasse gave his club a 3-1 advantage connecting 3:32 to play. D. MacMillan and Ouderkirk, with is third point, assisted. R. MacNichol closed out the scoring taking a pass from St. Pierre and finding the net with 2:25 left.

In peewee house action Wednesday in Maxville, Braves whipped visiting Long Sault 7-2. Jeff Rutters scored twice in leading Braves, who, after a scoreless first, erupted for four second period goals to take a commanding 4-1 lead to the third.

Also scoring for NG-S was Shawn MacRae, Sebastien MacMillan, Scott Shaver, Sonny Dupuis (two assists), and Ryan Shields (one assist).

Also recording helpers were Shawn MacElheran, with two, Chad Oosterman and Steve Derouchie.

Maxville stormed team No. 9's net for nine goals in a 9-2 atom divison romp on Tuesday. Ian Henderson enjoyed a six point night, scoring five times.

Allan Corke (one assist), Adam Crawford (two assists), Amy MacEwan (one assist) and Mike Libbos (one assist) also scored for Maxville. Eric Mainville, with two, Kevin McKillican and Jason Nixon added assists.

Fitness forum: A touch of technique?

by Jennifer Gregoire, Reg. N.

In the past two weeks we've discussed some facets of stress which effect us all; touched on relaxation and its vital importance in our everyday living; and hinted at some easy techniques that we all could benefit from. Let's continue in this vein this week, because stress CAN be controlled, MUST be controlled to be able to appreciate life at its best (and it's too short not to).

For a lot of us the pace of modern life is too hectic. It sets the mind reeling. Clear thinking is often difficult. Emotional reactions are sudden and often uncontrolled. Sleep is disturbed. Digestion can become a problem. Relationships are draining. And all because the mind is on overload.

If our mind is calm, we can see what our life is about. We can understand our relationships better and we can see what we must do with our work. If our mind is in chaos, we lose control of our direction. Little parts of our mind become volcanic. Small incidents become major problems. Life seems full of hassles and distrubances.

It would seem, simply, that quieting the mind is the answer. It would be like turning off the computer for a while, disconnecting from all the sources of input we are normally connected to. All day long we are bombarded with a never-ending stream of input. Input and demands are coming from our mates, our children (especially), our employers or employees. We're under siege as we go in traffic from one place to another. During our waking hours our minds and thoughts are racing at a non-stop, breakneck speed.

We live in a world of distressing background noise. Everyone has experienced something like the distracting squeal an electric drill makes when holes are being drilled, or screws tightened (!?). Although we actually become accustomed to the sound, once the drilling stops we experience the relief of sudden quiet. The same relief can be experienced when we treat ourselves to a quiet moment each day, an interval that refreshes, strengthens, clarifies, and renews.

People think that such moments are only for the spiritually inclined. Actually, these moments are a gift to humanity that we ALL have the ability to enjoy. Anyone can reap the benefit of a few quiet, mediative moments.

For example, one of the most beneficial aspects of the great practices of Yoga is the practice of various breathing exercises. The two best known (and most useful) are the Tri Breath and the Sun Breath. With the Tri Breath, try simply inhaling through the nose, filling the diaphragm, then expanding the lungs, and finally filling the upper chest to the body's greatest capacity. Then, exhale through the mouth reversing the order of relief to the three sections of the body.

With the Sun Breath, place the thumb and middle finger on opposite sides of the nose. Close off the left nasal passage and inhale through the right nostril. Then press closed the right nostril and exhale out the left. Reverse the order for the Breath of the Moon. Both are good for clearing and relaxing the mind. The most common posture to combine with breathing exercises is simply lying flat on the back with arms and legs straight or bent in a relaxed position. The Tri Breath can be practiced in any position. With a little imagination, these breathing techniques can accompany some simple stretches, and be used at almost any time for instant relief of stress.

Progressive Muscle Relaxation is another very beneficial technique. Lie flat on your back, close your eyes, and breath deeply. Concentrate on letting all your tension flow from your fingers and toes as you exhale. Think about your feet and relax them. Think about your ankles and relax them; and so on as you work up, relaxing each progressive part of your body. When you reach your head, try to let all concerns, thoughts and pressures fall away and maintain this relaxed state for at least three minutes. When appropriate, concepts such as heaviness and warmth can be applied to further this technique. (i.e. in a nice hot bath).

Visualization and imagery are excellent techniques to practice for stress control. Picture in your mind peaceful things and places and try to project to these. Imagine being in the mountains, on the beach, in a field of flowers, the sea, or any other place that makes you feel good.

Each of these techniques becomes easier and more valuable with practice on a regular basis. Try to combine them all.

Who needs to manage stress? Everyone! Whether you're falling in love, buying a new car, applying for a job, preparing for an exam, expecting a promotion, starting a business, getting ready for a trip, or retiring, you are subject to a bombardment of stress, both good and bad. Everyone handles stress differently. Some let stress mount up over time, and wait for a vacation to get away from it all. Others take time each day to relax and unwind.

How a person combines these facets of healthful living depends on their own preferences, wisdom and imagination. There is no right or wrong way. There is only what works best for you.

My Silent Achiever this week owns and operates her own Professional Cleaning Service. This very pretty lady has really got her act together. Over the last couple of months she has weight trained and done aerobics on a regular basis, lost 15 lbs., miles of inches, and is "Going For The Gold" in her new, healthy lifestyle! Very Well Done!!

We are so very lucky to be able to do it for ourselves.

Smith lone scorer in Finch win

FINCH — Gayle Smith was the lone marksman in Finch's 1-0 win over Crysler in a Stormont Ladies' Broomball game here Monday night.

Smith's goal with 8:05 remaining in the third period broke the scoring deadlock.

Finch goalie Elaine TePlate turned aside all shots Crysler fired at her, to preserve the win and record a shutout.

Chesterville Triumphant

Shutouts were the order of the evening as Chesterville swept past Ingleside 7-0 in the other contest played.

Rachelle Malone was unbeatable in the Chesterville cage.

Leslie Rombough's unassisted goal before the game was two minutes old turned out to be a game winner.

Lisa Rombough followed that up with a goal of her own eighty seconds later, giving Chesterville an early 2-0 advantage.

Lisa Rombough was in on Chesterville's third goal recording an assist, coming at the end of the period. Dianne Vanderveen connected with twenty seconds to go putting Chesterville in front comfortable at three-nil.

The two clubs played through a scoreless second but Chesterville erupted for four third period insurance markers. Debbie Shaver made it 4-0 with ten minutes left, converting a pass from Wendy Achereekte.

Achereekte scored Chesterville's sixth and seventh goals, with 3:30 and 1:00 minute remaining respectively.

Debbie Shaver assisted on the final goal.

Wilma TePlate had scored Chesterville's fifth goal with six minutes left. Diane Vanderveen drew an assist on the effort and recorded her second point of the game in doing so.
