Case Thrown Out

In Cornwall on Tuesday the case of alleged interference with officers of the law against Andrew Henderson, Jas. McEvoy and George Barker was thrown out by the Grand Jury and the charge dismissed. The case arose out o an attempted arrest at the celebration here on Victoria Day, when Provincial officers got mixed up in a free-for-all scrap over an alleged gambling game.

Central Ottawa Valley League
All Ready For Ice

A step forward has been taken in the matter of placing hockey in the Central Ottawa Valley League on a better basis by becoming affiliated with the Ottawa and District Amateur Hockey Association which is also affiliated with the Canadian Amateur Hockey Association. This step followed the recent reorganization meeting where Berwick was represented by A. L. Hutt and L. J. Hutt; Finch by D. A. McNaughton and Geo. L. McLean; Winchester by L. Dixon and E. Kellogg; Morewood by Frank Casselman and Wm. Coulthart; Chesterville by J. McEvoy and Bernard Coyne.

After deciding favorably on the application of Morewood for membership in the league, the following officers were elected:—
Hon. President— W. H. Casselman, M. L. A.
Hon. Vice-Pres— S. Z. Hutt of Berwick.
President—Dr. S. H. Hutt of Chesterville.
Vice-Pres.—Geo. L. McLean of Finch.
Secy.-Treas—D. B. Cameron of Finch.

Each club has made the necessary deposit of fifty dollars to finish the season and of fifteen dollars towards the League's expenses.

It was left in the hands of the President to prepare a double schedule of twenty games in each portion, which will give each club eight home games, with the opening game of the season in Finch where last year's champions will make their appearance on Dec. 26th. Miss Hummel Showered

On Wednesday evening of last week a unique shower was held at the home of Mr. and Mrs. Chephrenus Hummel, in honour of the approaching marriage of their daughter Florence.

The guests arrived about 8.30 and shortly after Miss Hummel was given the seat of honour and while Miss Laura Simser sang "The Love Nest" a miniture bride and groom looking very charming and attractive, entered the room drawing a decorated wagon on which were placed the tokens from her friends. The bride and groom assisted Miss Hummel in unwrapping the parcels and she found herself the possessor of a full set of kitchen aluminum together with a few other articles for which Miss Hummel thanked her friends in a very becoming manner.

The evening was then spent in music and dancing. After a dainty luncheon the guests departed leaving with Miss Hummel their best wishes for her future happiness.

The Late Mrs. E. Jordon

It is our sad duty to chronicle the death of Mrs. Elizabeth Jordan, widow of the late Patrick Jordan, B. A Mrs. Jordan while a guest of her daughter Mrs. John Ruddy, was stricken with paralysis which left her helpless and confined to her bed for the past thirteen months, during which time Mrs. Ruddy and Miss Elizabeth nursed her most tenderely, ready to give her comfort any hour. Night or day she bore her affliction with great resignation to God's will.

She always was a great reader and many an hour was passed in this way during her helplessness, Mrs. Jordan and her brilliant husband were noted ior their great charity, many were fed and clothed by them and in such a manner that only the recipient was aware. A great lover of nature and observant of the beautiful things of this world she was happiest when helping to allay the sufferings of others.

Mrs. Jordan was the mother of a large family, all the surviving members being present except Mrs. Moran of Calgary, the others are Mrs. Henry Knight, Nekraska; Mrs. John Ruddy, Berwick: Mrs. John Whelan, Mrs. Ellen McCowan, Mrs. Celia Flood; Mrs. Sara McMahon, all of Ottawa; Mrs. Thos. Flood, Vankleek Hill; Mrs. Thos. Jordan, Hull: and Mr. Lawrence Jordan of Chesterville.

A wreath from Mr. and Mrs. W. A. Myers, Ottawa and sprays from Elizabeth, Kathleen and Alice Ruddy were placed on the casket.

Spiritual bouquets from Mr. M. Ruddy and family, Ottawa; Mrs. Ellen McGowan, Ottawa; Mrs. C. Flood, Mr. and Mrs. Laulatte, Mrs E. Gibbons, Miss Kathleen Ruddy, Mrs. S. McMahon, Mr. and Mrs. E. Curran, Mrs. W. Galvin, Mr. and Mrs. Jas. Benoit, Miss Georgiana Benoit, Mr. and Mrs. McCoy, K. and J. Gram, Mr. and Mrs. J. Ruddy and family, Mr. and Mrs. Thos. Flood and family, Mr. and Mrs. Jno. McCadden, Pupils of Marvvale Abbey, Glen Nevis, Mr. and Mrs. Henry Knight and Martin Ruddy.

Fr. McPhee, Fr. Bishop also Fr. Leahy were her frequent visitors, especially Fr. Leahy who was with her whlle her soul was gently wafting its way to its maker.

Among these from a distance were noticed, Mr. and Mrs. D. Wells, Mrs. J. Casselman, Mr. and Mrs. Melvin Casselman, Morrisburg; Mr. and Mrs. J. Lane, the two latter being sisters of Mrs. Jordan.

The pall-bearers were J. Lane, M. Casselman, M. Grady, W. Barrett, C. Chambers, Geo. Pollock.

The Record extends its sympathy to all members of the family and especially to Mr. L. Jordan of this town who has been a most devoted son.

The solemn and impressive service for the dead was charited by Rev. Fr. Staley in her parish church in Chesterville, the remains being later interred in the family plot in Burns Cemetery. R. I. P.

MR. EDWARDS

MAPLEHURST FARM, HILLHURST, P.Q.

"I am in my 78th year. *About 25 years ago, I began to have trouble with my Stomach.* One doctor said I had Cancer; another said, Ulcer of the Stomach; another, Gall Stones; others, Ulcers of the Liver and Inflammation of the Gall Bladder.

Three years ago, I consulted one of the best specialists in Montreal. He said I must go to the hospital, have an Ulcer cut out of my stomach and gall stones removed. I was then 74 years old. I said "NO."

Then, I began to take "Fruit-a-tives". I found they helped me a lot, and I still take them occasionally, and I am so much better that my old friends often ask me what I have done to myself to look so well. I am gaining in weight and enjoying life very much"

The Champion Voter
Has Been Discovered

The champion voter of Middlesex County has been discovered in Lawrence Johnson, who farmed for 80 years in Dorchestershire and who though in his one hundred and fifth year, voted in the Federal elections at Avon, where he is living retired. Mr. Johnson claims that in his entire experience he has never lost a vote. This time he was on the winning side, having changed his political creed to the U. F. O. in time to be in on the election of Arch Hodgins, in East Middlesex.

Quite Feasible

Said the pretty young teacher: "Now, children, if you want to subtract one thing from another both must be of the same denomination. You cannot take three apples from four peaches, or two marbles from four apples, and so on. Do you understand?"

Most of the children understood or said they did. But little Dick, who lives in the country, raised his hand timidly and said: "Yes but teacher, couldn,t you take three quarts of milk from four cows?"

Balky Gasoline Engine
Makes a Fine Clean-up

Geo. Forth, of Lowville, near Milton, met with a serious accident on his farm when cranking a gasoline engine on the barn floor. It back-fired and hurled him across the floor into a chute that leads to the basement. He went down the chute head first, and received serious injuries to his head and shoulders. Medical aid was summoned, and latest reports from Hamilton hospital are that he is doing as well as can be expected.

Arrangements were made for the annual "At Home" to be held in the Presbyterian Hall, January 10 th. A programme is being provided and lunch will be served by the members.

After same discussion as to ways and means of cutting down expenses in connection with the Library it was decided to move it to Mr. Joe Moore's shop, changing the hours to Tuesday, Thursday and Saturday night from 7 to 9, while Institute members have agreed to attend to it in turn and in this way dispense with a librarian.

Two excellent papers were given by Mrs. H. Myers "For Home and Country", and Mrs. F. Reveller "Studies In Character Building", Mrs. H. Faulkner sang a solo.

A collection amounting to 82c was taken for the sick fund.

Bazaar At Morewood

The Ladies Aid of the Presbyterian Church, Morewood, held a decidely successful Bazaar in the Hall on Friday Dec. 9.

The doors opened at 2.3o and the Hall was crowded from then until a late hour at night with eager shoppers anxious to procure a part of the splendid assortment offered for sale.

The hall was decorated in accordance with the Christmas season and the goods was displayed in different booths which gave everyone a chance to see just what they had for sale.

Thanks to the members of the congregation the ladies were able to serve supper and lunch in the evening which certainly proved popular, judging by the number who availed themselves of the opportunity. Besides this ice cream and candy were sold seperately at a booth.

During the evening a short programme was given after which the remainder of the goods was sold.

It would be difficult to decide just which counter was the most successful as they all seemed to be equally busy and it was possible to buy anything from your winter's supply of vegetables to the latest novelty for Christmas.

The Remembrance Booth was of special interest as everythiug there was donated by friends of the Society from a distance and the Ladies Aid wish to take this opportunity of thanking all who were good enough to remember the Society.

The proceeds amounted to $250 and the Ladies feel amply repaid for their hard work in preparing for the Bazaar.

LOST

Lost on Monday Dec. 5th, logging chain between my place and Finch road. Finder Please return to the Record Office. Jno. H. Alford, Chesterville. 4-5

A country vicar's daughter called on an old lady and, by special request, read to her a letter just received from her sailor son.

"What a nice letter, Mrs. Smith! said the visitor, as she returned it to the proud old woman. "And the present he is sending you sounds awfully good. But what will you do with a striped kimono?"

"Well, you may ask, miss!" exclaimed Mrs. Smith in despair. "I dunno, I'm sure. I s'pose I can chain it up in the yard, or keep it in the pigsty. But what I'll feed it on goodness only knows!

II. From the Chief Commissioner.

"I wish you a Happy Christmas and good Scouting during the coming year. When I say 'good Scouting', I am thinking chiefly of the spirit of Scouting as set forth in the Promise and Law. It is this which counts for most in Scouting and does most for the boys. Good Scouting gets the boys interested in doing things which promote good health, good habits, and good character, and, so far as weather permits, gets much of this done out-of-doors. It makes boys "Be Prepared" for every day life as well as as for the emergency and adventures. It may cheer you to know that Canada now has more than 80,000 boys and men who have had from one to ten years experience in Scouting.

Faithfally yours
J. W. Robertson

III. From the Provincial Commissioner.

"The Christmas of 1921 will be the twelfth Christmas of Ontario Scouting. Many of the boys of today who are Scouts, were, in 1910, toddling around their mothers' kitchens, or kicking up their heels in their cradles and making noises not unlike some of the patrol calls we hear.

"The years have witnessed many changes. They have seen Scouting grow from a small organization to probably the most influantial boys' work agency in the Dominion. They have seen the thousands of boys who became Scouts in the early years grow into clean, vigorous, manhood and become good citizens. Many indeed have since laid down their lives for the Empire. They have seen the Scout, whose bare knees and broad brimmed hat were rather scoffed at, grow into public esteem because of his ever readiness to do his "Good Turn."

"To many people, the "Good Turn" idea is only for Christmas, but to the Scout it is an inspiration for every day in the year. It is therefore, to every boy Scout and Scout Officer that I wish a Merry Xmas—a Christmas made especially joyous by just that kind of happiness which comes from having applied the Good Turn Spirit to every day life. Signed K. George.

Boy Motors

From the December "Trail."

'He goes like a "steam-engine," grandmother used to say when she was discussing Johnnie. It was before the days of the gasoline motor or she might have made a better comparison.

Some men work that way, it's true. Given fire and fuel, oil and steam, they work smoothly and steadily, week in and week out. But a boy is a different proposition. Throw in a switch and connect him with a new idea. Bang! He's off at a great clip. Maybe he backfires! Hard to tell just what his re-action is going to be.

Some people have the same trouble with him that they do with their automobile. They crank him with the clutch in and he runs over them and climbs a telegraph pole. They throw in the reverse and he backs them through the fence and over into the cabbage patch.

Like a gas engine a boy skips sometimes. Put-put-put-put—, —, put, put. Usually it is no more his fault than that of the motor. Perhaps the spark-plug doesn't spark; perhaps the load is too heavy and he stalls, or too light, and he races.

The boy Scout, however is pretty apt to stick to the road and go forward steadily. He never fails to respond promptly and keenly.

...ry day ... ...tries of this nature and rec... ...e good turns for the day. Of course a real Scout will not have enough room to enter all his good turns, but he can fill the space with the most important ones. At the end of the year, a compilation of these good turn entries would make a very interesting topic or a subject for a story entitled "What Scouting has done for me—and Chesterville"

It's only a passing thought, boys, but why not give it a trial anyway and begin Sunday!

A Scout is Obedient

Mr. Lynch went into his garage the other day and found Arnold had climbed upon the top of his car and was sitting there, pencil and book in hand.

"Why Arnold," he exclaimed, "what are you doing up there?"

"Writing a composition," was the reply.

"Well, why don't you write it in the house?" asked his father.

"Because, a Scout is obedient, and my teacher told me to write a composition on an automobile."

He Wasn't Running

Launce was telling Jack about a large snake which he and his patrol saw while out on the trail last summer at camp. "And didn't you run, Launce;? inquired Jack.

"No," said Launce, "but I passed all the fellows who were running."

An Accident

Enroute—Bedell to Chestervitle, July, 1921.

"What are the passengers looking out of the window for?" asked one of Ted's patrol, upon noticing the train coming to a standstill.

"We ran over a cat," said Ted

"Was the cat on the track?" asked the nervous inquirer.

"Oh, no," said Ted, the locomotive chased him up a tree."

Please Remember!

1. That owing to Headquarters not being heated, there will be no meeting this week.

2. That, as the holiday season will be over before our next meeting night, we expect to see every boy of the Troop present and on time.

3. The suggestion in this issue is the starting of a "Good Turn" Diary.

4. That the success of next summer's camping depends almost entirely upon the success of our concert. Every boy is asked to do his best towards making this success possible.

5. That, in the Inter-Patrol Competition for contributions to our "Corner" the Wolf Patrol is leading. Come, now, Peewitts and Whip-poor-wills, cover yourselves with literary honours in the New Year!

6. That next meeting night is Friday January 6th.

7. That one of the best "Good Turns" a Scout can do is to make, at least, one New Year's resolution and keep it!

8 That the Troop's New Year resolution should be "This year better than last!"

9. That the Court of Honour of the First Chesterville Troop says "Promotion shall be based upon Merit."

10. That the real Scout is one who "does his duty to God and the King," "helps other people at all times," and "obeys the Scout Law."

A Happy, Healthful, and Prosperous New Year to All!

"Second make it a point to rub elbows every day with your fellow men. We live in a democracy, and no man can expect large usefulness in a democracy who lives to himself. Only by knowing your fellows, working with them, and letting their fellowship and influence work on you can you expect to achieve really first-class success.

'And finally make it a rule to spend some time every day with someone who knows more than you do, a live man if you can find him; or a man of a former generation speaking through a great book. No man grows except as he reaches out aud up. Don't spend your life with those that know as much as you do or not as much. Expose yourself regularly to the inspiration and education of bigger more natural minds."

A Spring Day Up In Muskoka

A Spring day in Muskoka, with sky and water vividly blue; the smell of pine, the song of birds in the air. On a sunny slope a girl gathered trilliums with eager hands. She smiled at the questioning stranger.

"I never picked wild flowers before," she said wistfully. Father died, and then mother, of tuberculosis. I was all alone. I wasn't strong,—worked too hard,— and I got it. They brought me here to the Sanitarium on a stretcher."

"But, look at me now!" exultantly. The glow of health was in her cheeks. "It's the rest and care and good food and fresh air that saved me," and her eyes shone joyously.

Surely she was worth saving, this bonny, blue-eyed girl! Surly the Muskoka Hospital for Consumptives deserves her gratitude!

Catarrhal Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. Catarral Deafness requires constitutional treatmeat. Hall's Catarrh Medicine is a constitutional remedy. Catarral Deafness is caused by an inflamed condition of the muscous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely olosed Deafness is the result. Unless the inflammation can be reduced, your hearing may be destroyed forever. HALL'S CATARRH MEDICINE acts through the blood on the mucous surfaces of the system, thus reducing the inflammation and restoring normal conditions.

Chesterville Helps Relieve Ottawa Distress

(The Citizen)

Another group of out-of-town friends sent in a large donation, including $21.80 in cash and four boxes and six cartons of clothing, the boxes and parcels weighing eight hundred and seventy pounds. This splendid gift was from the pupils of the Chesterville Public school and was sent by the principal Mr. P. S. Boyd. The money and gifts were collected through the Junior Red Cross Association. Needless to state, the gift was gratefully received, for not only was the clothing in excellent condition, but there was all kinds for men, women and children. A letter which accompanied the gift was as follows:

Dear Mrs. Freiman—I enclose herewith a money order for twenty-one dollars and eighty cents(21,80) to help the suffering families of Ottawa. We are also shipping by Dominion Express to-day four boxes and six cartons-(870 lbs.) of clothing and toys (a list of which is attached hereto) to be distributed where needed most. The above donations have been made possible by the boys and girls of Chesterville Public School through their Junior Red Cross Auxiliary. They have read of the suffering of Ottawa's poor and unemployed, and as one of their duties is to mitigate suffering, they have conducted a three day campaign in the village and surrounding country, response to which has been most liberal.

Our greatest desire is to bring some measure of comfort and hope to fathers without work, to mothers with out happiness, and to little children who are cold and hungry. If we shall have accomplished this to any degree we are happy and shall rejoice in the knowledge that this Christmas has not been in vain.

"With best wishes for the success of this splendid movement.—I remain yours faithfully, P. S. Boyd, Principal.

"PS. Absolutely every article sent has been subjected to a three-hour formaldehyde-sulphur fumigation."

The following acknowledgement has been received from Ottawa by Mr. Boyd.

Dear Mr. Boyd:—

For myself, and for my co-workers of the Keeping Faith Fund I tender to you and through you to all the boys and girls of Chesterville Public School, our warmest thanks for your splendid contribution of money and clothing for the relief of the poor of the city.

I can assure you that it came as a Christmas gift from your good-hearted pupils to the poor of Ottawa, such as we will always remember. We are indeed grateful to you, and we wish you and all the scholars a very Happy New Year. Sincerely Yours,
Lillian Freiman

Branch Banks In Ten Places

Within a few weeks after the new year sub-treasury branches for the taking of deposits will have been established in perhaps a dozen centres in the province by the Ontario Government. The director of sub-treasury banks, Mr. McKenzie, has practically completed arrangements for locations, and already in several cities alterations are under way.

Branches will be opened in London, Ingersoll, Woodstock, Guelph, Ottawa, St. Thomas, St. Catherines, Kingston and Hamilton.

Branches will be opened at several points in Eastern Ontario, but this territory has not received attention to date. The need for getting under way without delay is apparent when it is remembered that the Government looks to deposits from this source to finance the rural credits system. At the present time the Agricultural Development Board is practically marking time waiting for funds. It has reached and passed upon applications for a very considerable amount, and has others upon which no action has been taken.

Lascelles May Become Governor

Now that everybody is talking about the engagement of Princess Mary and Viscount Lascelles, it must be regretted more than ever that the Princess has not been able to visit Canada. But already people are speculating as to the possibility that the future bride and bridegroom may some day be at Ottawa, the Viscount becoming Governor-General of the Dominion. The fact that he was a member of Lord Grey's staff would, be a point in favor of such a selection but what would really influence it would be the keen interest that the Royal Family takes in the country. Of the princess it has been well said that she is in the best and least priggish sense of the word rather an "old fashioned" girl as she has many of the accomplishments of an older generation. During the war she was much admired for the practical part she took in the work done by the Englishwomen. Viscount Lascelles looks, it must be admitted, fully his thirty-nine years, and thus very much the senior, but this is just one of those cases in which an air of grave responsibility is an added distinction because it reflects strenuous service in the war, it is the corollary of the D. S. O. so gallantly won in the field. The announcement has naturally revived gossip as to whom and when the Prince of Wales will marry. Somehow the belief is that his choice will be of a British girl, but he seems to have made up his mind some years ago that he would go through his arduous task of seeing the Empire before he settled down to domestic life.

A Land of Cyclists

Few people walk in Holland; everybody uses some sort of wheel. If this sounds like an exaggeration, it certainly seems a fact that the cyclists far outnumber the foot passengers.

In certain hours of the day in Amsterdam—and even The Hague—the procession of cycles strikes one as endless—and dangerous; and all day and evening, too, in the forest lanes here they seem to pass in a rarely broken stream.

It looks as if there must be millions of cyclists in these flat Nethetlands. Lovers court on wheels: children take to bicycles when they are perched behind or in front of their parents' vehicles; old and young, of both sexes, for the shortest journey of business or pleasure, jump on a machine. And they seldom ring their bells; they pass you quietly on either side, often whole parties of them; and it is only the car that honks, honks, in sign of approach.

The Member-Elect Honored at Home

The new member for Greater Dundas, Mr. Preston Elliott, was the recipient of a real surprise party Monday exening when (political) friends and enemies in his home poll united in wishing him success as parliamentary representative.

Mr. Elliott was visibly affected by the spontaneous expressions of goodwill from all present, and the Nation Valley people have reason to be proud in their possession of those qualities which make for goodly fellowship between victor and vanquished.

Mr. Normam Moody presided and read an able address, setting forth the splendid achievements of rural-bred men and women, whose success placed farmer sons and daughters second to none is an honest evaluation of national leadership Mr. Elliott replied in strong manly fashion. He wished to be friends with all classes and desired to assist in any way possible every person in his constituency.

He thanked the people for their confidence in him and to the best of his ability would work always to be worthy of it all.

Incidentally one wondered at Mr. Elliott s easy eloquence, wondered too, just how much more lies like buried treasure in the farm homes of our Canadian Agriculturists.

After fine musical and elocutionary numbers had been enjoyed Revs. Brown and Sinclair spoke briefly.

Stretcher bearers go out after a battle but the services of these two gentleman were not needed in this capacity. Christmas is almost here, the "peace on earth and good will to men" spirit broods over Nation Valley.

Remarks by the two clergymen anent the need of loyal support, kindly appreciation and encouragement in the ardous labour of our Dominion member. called forth applause from the audience.

A very pleasent evening came to a close with the singing of our National Anthem.

Limerick Boy Killed by Horse's Kick

An unfortunate accident happened at the home of Mr. and Mrs. D. Kearney of Limerick, on Saturday evening last whereby their six year old son, Bernard, lost his life as the result of being kicked by a colt. Little Bernard and his elder brother had been playing about the barn where their father was coming with a load of cornstalks. As he approached the barn the two boys opened the doors to allow him to drive in on the barn floor, but before his arrival a two-year-old colt entered and was feeding when Bernard undertook to drive it outside, making a motion to strike the animal, when it kicked him on the side of his head fracturing his skull and rendering him unconscious. Medical aid was quickly summoned and an operation offering the only hope of saving the boy's life he was taken at once to Smiths Falls hospital, where it proved unsuccessful, and where he passed away on Sunday morning.

The sympathy of the community is extended to Mr. and Mrs. Kearney and family in their bereavement.
