Bits & Pieces

'Out of the frying pan . . . into the fire'

The members of Finch and District Lions Club would appear to be devils for punishment, but they enjoy every minute of it. Their punishment, and we've used the term loosely, comes in the form of raising money for any worthy cause. Last week they not only handed over $650 from a draw and paid off the final $1,000 towards a pledge of $5,000, they had made in 1969 but took on another project. The Finch Club have agreed to pay off the $8,025 that was spent for an ice cleaning machine at the Finch Arena. They plan on getting the money-raising projects underway in the spring, a "Walkathon" will be held so you can help. Congratulations, Finch Lions Club!

4-day, 40-hour week

Commissioner Harold Graham recently announced that on February 24th, five O.P.P. Detachments, selected from the 185 establishments in Ontario, will begin testing the 4-day 40-hour week. The tests will involve 160 uniform members of the force at the following locations: Ottawa, Port Credit, Owen Sound, Noelville and Belle River. The tests will run for 28 weeks following which the results will be evaluated. The force has undertaken this experiment in a continuing effort to obtain maximum use of available manpower.

Join the fun, enter now

The Carnival Queen Contest has been an annual affair since the inception of the Annual Carnival here in Chesterville a few years ago. Each year there are more contestants, larger audiences and a greater number of gifts for the "Queen". This year will undoubtedly prove to be better than last. If you are between the ages of 14 and 18 you are eligible. You could get to reign over all festivities and win a mitt-full of prizes. Entry forms are available at Byers Store or from Mrs Gerald McMillan.

Re-elected chairman of OMMB

At a special meeting of the Ontario Milk Marketing Board, held in Toronto, recently, George R. McLaughlin was re-elected Chairman and Kenneth G. McKinnon was re-elected Vice Chairman of the Board. Mr McLaughlin represents producers in the Counties of Northumberland, Peterborough, Durham, Ontario, Victoria and the Muskoka district; Mr McKinnon represents producers in the Counties of Grey, Bruce and Huron.

The 'doldrums' are over

Every year following the festivities and good food of Christmas and New Years, we almost seem to go into hibernation. Over the past few years our days of rest have been cut short by the ever more popular Winter Carnivals. The plans start early in January and things get into full swing by February 1. This year is no exception, just to name a few: Chesterville, Crysler, Embrun, Morrisburg and Winchester are planning on getting everyone out over the next few weeks to join in the fun of Winter Carnivals.

Crime and Punishment

Offenders under the Game and Fish Act in Eastern Ontario paid a total of $13,756 in hunting and fishing fines between April 1 and December 31, 1973. Natural resources conservation officers laid 266 charges for hunting violations and 331 charges concerning fishing violations. All but 76 of these cases have been settled to date.

New light a real asset

Now we can stop our mumbling and grumbling — a new light has been installed where South Street crosses the new by-pass. From Day 1 when the new strip of road was opened we had difficulty finding the turnoff at night, we invariably wanted to turn into the field before getting to the corner or had to stand on the brakes to avoid overshooting into the ditch. We'll now have to shut our mouths, there is now no excuse for not finding the turn-off.

Superior Sire in Quebec Unit

Sunnylodge Rockman Lad Duke, a Holstein bull bred by Angus and Carl Smith, Chesterville, Ontario, and now owned by Centre D'Insemination de Quebec, St. Hyacinthe, Quebec, has just received a Superior Production Sire certificate from the Holstein-Friesan Association of Canada. Duke received the award on the basis of 52 daughters with Herdmates that rated Plus 5 for milk production. Eighty-two of his two-year-old daughters averaged 11,063 pounds milk testing 3.77 percent or 417 pound of fat in 305 days. Sired by Seiling Rockman, Duke's dam, Sunnylodge Spotty Leader, has a record at two years of age of 15,734 lbs. milk containing 649 lbs. fat, 4.12 percent butterfat test, in 316 days. She is rated Very Good for type, while her new Superior Production son is rated Excellent. Two notable daughters of Duke include Savio Lad Duke Donna, who has a record at two years of age of 15,406 lbs. milk, containing 654 lbs. fat, 4.25 percent butterfat test, in 325 days, and Frechette Rockman Victoria with 16,588 lbs. milk containing 582 lbs. fat, 3.51 percent test in 305 days as a two-year-old.

'Passing the bucks' - Finch Lions dole out dollars

"Mr. Casselman, please accept $650 from Finch Lions Club". That must have been hard to take. Lions Club President, Lynden Hough, on the left, is shown presenting Peter Casselman of R.R.2, Chesterville, with the cheque. Mrs Casselman probably has some ideas on how to spend the loot. The Finch Club over the past couple of months had been selling tickets on a trip to Barbados or a cash prize. Peter's name was pulled from the drum a short time ago and he decided he would rather have the cash than the trip. — Staff Photo.

Members of Finch and District Lions Club are an industrious group and it was made quite evident last week as they were really handing out the bucks. Peter Casselman picked up $650 from a draw they had run and Peter Swak, Iroquois Lions Club, Zone Chairman, on the right, is shown turning over a cheque for $1,000 to Don Vollrath, Chairman of Finch Recreation Committee. The cheque represents the final payment of a $5,000 pledge made in 1969. — Staff Photo.

Inflation rears ugly head . . .

Prices unconfirmed until delivery revealed at Hosp. Aux. meeting

The January meeting of the Hospital Auxilairy opened with a reading "As the Old Year Ends, by the President, Mrs F. M. Cass.

Seven units were represented reporting increased membership.

Words of appreciation were expressed to Mrs Brownlee for her generous donation, to all responsible for the pleasant party given to the patients of First East.

Acknowledgement to other groups donations had been sent from the hospital.

In most items of business, inflation seemed in evidence. No confirmed price until delivery. The Red Cross have confirmed dates for Blood Donors in April and October.

Four Homemakers are now available in Dundas County.

Mr Stel in his report explained explicitly the accommodation and term of occupancy for patients in First East.

A new approach for Volunteers was discussed. Members were urged to submit ideas for social and special events.

Mainly About People

The Reverend William Morrison of Finch was a Thursday luncheon guest of the Reverend E. Earle Eaton.

The Reverend E. Earle Eaton has been enrolled as a member of the Upper Room Fellowship International.

Finch Lions report successful year

The members of the Finch and District Lions club had a very active year to the end of December, 1973.

Last fall the Finch Club sent a team to Winchester to compete in the Zone Ball Tournament. They came home with the 'B' Division Cup.

A float was entered in the Stormont County Fair parade and the Lions also donated a cup to the ball tournament.

The children of the area are learning the art of figure skating due the weekly skating lessons sponsored by the Finch Lions Club. This winter the club is also sponsoring ice time for mothers and tots.

The annual bursary has been made to a student at North Stormont District High School. $1,000, the final payment to the arena building fund, has been turned over.

In co-operation with the Legion the Finch Lions Club held a party for the children on Hallowe'en Night.

The Club is at present having a bin made so that people will be able to dump paper for recycling.

A good time was had by all, despite inclement weather, when the Lions members visited the nursing homes in Newington and Crysler. Of course Santa Claus was with the Lions members when they made their visits.

Lion Archie Graham, Easter Seal Chairman, is busy preparing for the Annual Crippled Children Fund Campaign. The Lions Club took over this fund, as well as the administration of the assistance to the children in this area, early in July.

The major fund raising sources were very successful over the past year. The raffle for a trip for two to the Barbados, which was conducted this winter, was won by Peter Casselman of Chesterville.

The New Year's Ball was its usual success.

Members of the Finch Lions Club are now planning for the Annual District A Convention which is being held this year in Sudbury during the last week in May.

Winchester Twp.

Council elect '74 officers

The first meeting of the Council of the Township of Winchester for the year 1974, was held in the Winchester Township Building with Reeve Cecil MacNabb present and all Council members present.

By-Law 1-74 was passed appointing the following municipal officers for 1974: Road Superintendent, Lorne Bell; Clerk-Treasurer, Glenn MacGregor, Drainage Engineer, A. J. Graham; Solicitors, Cass & Cass; Auditors, Frazer & Otton; Live Stock Valuer, Glenn MacGregor; Drainage Commissioner, N. P. Armstrong; Pound Keepers, A. Davidson, A. Clement, F. Lynch; Fence Viewers, A. Coulthart, A. Carkner, D. Munro, A. MacGregor, A. Clement, R. McLaughlin, O. MacMillan, O. Christie; South Nation River Authority, C. MacNabb, Reeve; Federation of Agriculture, Delbert Link; North Dundas Planning Board, Lyle Loucks; Winchester & District Community Centre Board, Raymond Porteous; Chesterville & District Community Centre Board, Gerald Carruthers; Sanitation Landfill Committee, Jim Sullivan.

By-Law 2-74, authorizing the borrowing up to a limit of $150,000.00 was approved.

Pictured here is the man that keeps things on edge around the Chesterville arena. Ian MacIntosh, a short time ago put a skate sharpening machine in the local arena and now finds that the line forms to the right as patrons line up to use the new service. Not only can Ian put a sharp edge on your skates but he has a small unit that can take the bows and bends out of your blades. The Howard Street resident operates at the arena only on a part time basis; he is a full time instructor at St. Lawrence College, Cornwall, Ontario. — Staff Photo.

Chesterville U. C. W. to hold Tea and Sale

The afternoon and evening units of Trinity United Church Women met in the dining hall on Wednesday, January 9.

After the opening exercises, preliminary unit business was conducted by the unit leaders, Mrs Douglas Hitsman and Mrs Albert Smith.

Mrs Harry Allison, U.C.W. president, assisted by secretary, Mrs Edwin Forward conducted general business period. Among the recommendations accepted by the group were: a Food Sale and Tea will be held in May; a Christmas Bazaar and Tea in November; Thankofferings will be held in April and October; Mrs Hilton Reid will represent Trinity United Church Women at the Seaway Valley Presbyterial meetings; a Family Night will be held early in March; donations to the Mission and Service Fund will be raised in '74.

It was announced that the U.C.W. will cater to an Agricultural dinner on January 19 and a Pot Luck Supper will be held prior to the church annual meeting in January. A committee is also busy making plans for the Carnival Supper in connection with the Village Winter Carnival early in February.

The worship was conducted by Mrs Edwin Forward and Mrs Dudley Craig with the theme being "The Church in the Community". A multi-image film "That All May Be One" followed. This thought provoking film depicted the many and varied problems and possible aids for youth and aged. Pleasing music and lyrics accompanied the film which was introduced by Mrs Hilda Belsher and shown by Mrs Jack Smith.

A social hour was enjoyed with lunch served by the January meeting conveners from each unit.

Farmers likely to experience difficulty in obtaining fertilizer

Eastern Ontario farmers who have not already purchased this year's fertilizer requirement will not only have to pay higher prices but will likely experience difficulties in obtaining adequate supplies whether it be phosphate, potash or nitrogen fertilizer.

A studey by the Business Management staff at Kemptville College indicates that these shortages have been caused by increased demand, U.S. Government legislation, the energy crises and rail strikes.

U.S. Government legislation has helped to cause the shortage in Eastern Ontario. Firstly, the U.S. Government cut reduced price ceilings on fertilizer for domestic use last summer which were set at such low levels that the fertilizer manufactureres increased their export commitments because much higher prices could be obtained in these markets. Secondly, the U.S. Government released 40 million acres from its land bank. These two actions have increased the demand for fertilizer in 1974 to such an extent that phosphate exports have been cut to 80 percent of that contracted.

Rail strikes have also played their part in the fertilizer shortage. The strike by the nonoperating railway workers last year resulted in potash supplies from western to eastern Canada to fall behind schedule. It is hoped that this will be rectified by the end of the winter. A general shortage of hopper car fleets has also complicated the picture. Ammonium phosphate rather than rock phosphate is being railed from Florida as two and a half times as much fertilizer can be railed in each hopper car.

Finally, but not the least, the energy crisis has had its repercussions on the fertilizer industry. Roch phosphate processing has very high energy demands. In Florida over 10 percent of the hydro bill is for rock phosphate processing.

The demand for nitrogen fertilizer has increased considerably recently. Three years ago a number of nitrogen fertilizer plants shut down because the fertilizer market was depressed. It is possible that some of these plants could reopen to alleviatede the nitrogen shortage. However, one problem is that the plants require an uninterrupted supply of natural gas which cannot be guaranteed with the present energy crisis.

It is now evident that farmers will experience a fertilizer shortage, but the degree of shortage is not clear. If spring is early and short then more shortages are likely to occur than if spring is late and drawn out.

So farmers, be warned — if you have not already bought or ordered your fertilizer, do so now that you are not left high and dry in the spring.

Berwick couple mark anniversary

Mr and Mrs Hilliard McCorriston, Berwick, were entertained at dinner, by their family at the Torch Room, Cornwall, on Sunday. The family held the dinner in honour of their parents thirty-fifth Wedding Anniversary.

Mr and Mrs McCorriston were married on New Year's Eve, 1938, in Timmins, Ontario. They spent four years in the mining community and five years in Kingston, before moving to their farm east of Berwick in May, 1947.

The couple have four children, Bert of Ottawa, Lorna (Mrs Barry Armstrong) of Crysler, Gail (Mrs Curtiss Stephenson) of Lunenburg and Ann (Mrs Brian Daye) of Long Sault. There are also nine grandchildren.

The Greed For Oil

Each day, the rivers of steel continue to surge along North American highways. The automobile has become a way of life around the world and, of course, mankind cannot turn back the clock. Yet the greed for oil in North America, and in the United States in particular, is at last being examined more carefully.

Canada's prosperity is tied closely to that of the United States. What Americans do, therefore, is of great importance to us. Americans today drive more than 100 million automobiles, and over 20 million trucks and buses. Automobile registrations have been increasing at a rate of almost four percent a year, which is roughly four times the rate of population growth.

Unlike the large metropolitan areas of Europe and Canada, most big U.S. cities do not have an efficient public transport system. This means that many working people, often driving alone and consuming a gallon every 10 or 12 miles, must commute to offices and factories that may be anything from 30 to 50 miles from their homes. Such patterns of wasteful consumption of energy also are part of the Canadian lifestyle, but to a much lesser extent.

Clearly, North America's greed for oil and other sources of energy will not abate in the near future. But hopefully more realistic priorities will be established during the next few decades.

The United States, first of all, will have to plan and build energy-efficient transportation systems for the future. That will mean building fewer heavy, super-powered automobiles, and many more compacts. It will mean a vast rail construction program — for trucks burn up four to six times as much fuel per ton-mile as do trains, according to a study carried out by the Rand Corporation for the U.S. National Science Foundation. It will require vision and imagination for North Americans to alter their incredibly wasteful system of personal transportation. But the changes must come.

Leadership In Research

Over the years, Canada has shown the way to the world in many aspects of medical research. It was here that insulin, the life-blood of the diabetic, was discovered; it was here that the Salk vaccine for poliomyelitis was developed.

We should be proud that we have in Canada, doctors and medical scientists who can provide the leadership, inspiration and imagination to the world of medicine. Today, many of these men and women are engaged in an all-out fight against heart disease. They are fortunate to have at their disposal the facilities of our medical schools which are among the finest in the world. Already much of their effort has been crowned with success. Research on heart disease in Canada need know no bounds, unless it is limited by the lack of funds. During February, the Canadian Heart Fund is conducting a drive to ensure that the research may continue un-interrupted. Funds are needed to meet expenses incidental to the work and to maintain the doctors and medical scientists on fellowships.

All of us have a vital stake in the fight against heart disease. Our support of the Canadian Heart Fund will help our medical scientists to conquer yet another enemy of mankind.

Mother your motor through the winter

Engines, whether they propel tractors, other farm equipment, or just the family car, require extra attention if they're to perform well for the lowest cost throughout the cold winter months, advises Hal Wright, secretary-manager of the Farm Machinery Board, Ministry of Agriculture and Food.

For prompt winter starts, engines must be in top shape. Points, plugs, condenser, coil, battery and even the recommended winter grade of motor oil all play a part in sparking an engine into life.

These should be checked, and the radiator filled with antifreeze solution, as part of your winter tune-up. Filters and valves, frequently neglected, should be inspected too.

As the power source, the battery is the key to good winter starting. Cables should be removed and cleaned to ensure that power is being delivered efficiently. Liquid levels inside the battery should be maintained above the plates to enable the battery to function at full capacity, and terminals should be kept clean and tight.

It's improtant to keep the battery completely charged since a low or dead batter will freeze. In fact, the lower the air temperature, the harder it becomes for the battery to function efficiently. At 0 degrees F, a battery functions at less than 50 percent of its normal capacity; at -20 degrees F, it loses 70 percent of its normal power.

"Maintaining an engine in good condition not only makes starting easier, it also saves wear, fuel and tempers," says Hal Wright.

Ann Landers...

Dear Ann Landers: A final word to "Maple Leaf," the Canadian who was outraged because schools in the U.S. don't teach more about "our neighbours to the north."

Maybe he has a point, but I think the schools in the United States had better teach the students what's going in their own country first.

I live in South Carolina. Would you believe that I have met visitors from the North who believe we still have slaves down here and that the Ku Klux Klan is running things? When I tell them I don't own a plantation they are very disappointed. It seems their impressions of the South are formed by books like "Uncle Tom's Cabin" and "Gone With the Wind."

So, dear Ann, do what you can to pour a little oil on the troubled waters. Apologize to our Canadian friends for our ignorance and tell them it's worse than they think. — NO Dogs Down Here, Either

Dear No Dogs: This week's mail was an eye-opener. Thanks for adding another nail to the coffin.

Dear Ann Landers: I have a special gripe against parents and educators of retarded children. I refer to those who have the idea that retarded children cannot learn.

If a retarded child can memorize TV commercials and dirty words, he can learn reading, writing and simple arithmetic. All it takes is a little patience and a lot of persistence.

Our ten-year-old son goes to a school for the retarded. They were not teaching him to read and I went to school and asked why. The teacher said, "What is the use of teaching a child to read if he can't comprehend?" So we decided to tutor him at home and it was amazing how well he did. It soon became apparent that he understood a great deal more than he had let on.

On visits to the classroom I noticed the teachers let the children spend a great deal of time with building blocks, coloring books and cut-out designs. Very little effort was made to teach them something. (It's easier, of course, to let them play. Teaching retarded children is hard work.)

If these children are prodded into working to full potential they will not be tax burdens when they are older. When we allow them to "play" and don't encourage them to learn, we deprive them of the joy of achievement, and the dignity of self-respect. Please get this vital message across to Mr and Mrs America. — A Mother In Indiana

Dear Mother: Every word you have written is correct. However, I cannot permit you to paint with such a broad brush. Not all teachers of retarded children are as indifferent and lazy as your letter would have us believe. In many schools for the retarded, the teachers are dedicated and hard-working, and the children ARE working to full potential.

Thank you for writing, however. I'm sure your letter applies to some — and I hope the ones who see themselves and feel uncomfortable will take heed.

Confidential to Sorrowful Sandy Whose Ship Never Came In: Are you sure you sent one out? I'll bet that "Big Wheel" you envy was a small cog that kept on working.

Do you feel awkward, self-conscious — lonely? Welcome to the club. There's help for you in Ann Landers' booklet, "The Key to Popularity." Send 35c in coin with your request and a long, stamped, self-addressed envelope to Ann Landers, P.O. Box 3346, Chicago, Illinois 60654.

Supplies short order drainage pipe and tile now

supplies of drainage materials have been getting shorter through the last six months. This is because production of plastic drainage tubing has been severely affected by a worldwide shortage of petrochemical products, resulting in increased demand for other drainage materials.

Prospects for 1974 are not encourageing, says Vern Spencer, drainage coordinator, Ontario Ministry of Agriculture and Food. Supplies of plastics are not expected to show a substantial increase and manufacturers of clay tile and concrete pipe will have to invest in new machinery to raise production levels.

Mr Spencer suggests that farmers planning to install drains during 1974 should give serious thought to purchasing materials early, ready for next season. There are several advantages to buying now: assurance of having orders filled, and probably at a lower price, and an opportunity of gaining some tax relief. It would also help the manufacturers, by keeping them busy with a steady flow of orders through the winter.

Lunenburg Happy Seniors meet

Lunenburg Happy Seniors held their meeting on Thursday, January 3, at the C. E. Church Hall with 23 present.

In the absence of the President, Mrs Rohoda Rupert, Mrs Neil Cleary, first Vice, occupied the chair assisted by Mrs Kathleen McMillan, secretary. Mrs Cleary, on behalf of the president wished each one good health, happiness and many rewarding get togethers in the new year. She also expressed the hope that new members would be joining the group from time to time and would add their bit to make the organization one that will bring sincere friendship and much pleasure to all, as each contributes with their talent and ideas for interesting meetings and entertainment.

Mrs Cleary and Mrs McMillan read poems on Friendship and all joined in singing "The More We Get Together". Mrs Muriel Cameron offered to look after the mailing out of cards to the sick and shut ins and each member should notify her when they know of anyone ill.

Correspondence was dealt with and several letters of thanks were to be mailed out.

It was decided to extend an invitation to Mr Charles McInnis to visit at one of the meetings in the near future. Mr McInnis of Morrisburg is the newly elected president of Zone 23 of the Senior Citizens of Ontario.

The next meeting is to be held in the C.E. Hall in Lunenburg and Mrs Prieur requested that a lunch committee be appointed for the next meeting. Several ladies volunteered.

A social time followed with cards, bingo, etc. Lunch was served followed by the singing of "When the Saints Go Marching In" and "Auld Lang Syne." An executive meeting will be held in the near future and the members will be notified of the time and place.

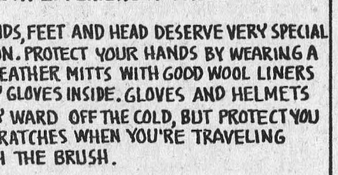
FEW THINGS HAVE DONE MORE TO STIMULATE AN INTEREST IN SNOWMOBILING THAN THE DEVELOPMENT OF SUITABLE WINTER CLOTHING. ZERO TEMPERATURES ARE NO PROBLEM FOR THE WINTER SPORTSMAN WHO IS APPROPRIATELY ATTIRED.

A SNOWMOBILE SUIT, WHICH USUALLY CONSISTS OF SOMETHING LIKE A WATERPROOF NYLON SHELL, QUILTED NYLON LINING AND INSULATION MATERIAL, IS EXTREMELY VALUABLE. WHAT YOU WEAR BENEATH THE SUIT DEPENDS ON THE WEATHER, BUT IN REALLY COLD TEMPERATURES THERMAL UNDERWEAR RATES HIGH WITH EXPERIENCED SNOWMOBILERS.



THE HANDS, FEET AND HEAD DESERVE VERY SPECIAL ATTENTION. PROTECT YOUR HANDS BY WEARING A PAIR OF LEATHER MITTS WITH GOOD WOOL LINERS OR HEAVY GLOVES INSIDE. GLOVES AND HELMETS NOT ONLY WARD OFF THE COLD, BUT PROTECT YOU FROM SCRATCHES WHEN YOU'RE TRAVELING THROUGH THE BRUSH.

A GOOD HELMET WILL USUALLY HAVE SNAPS ACROSS THE FRONT FOR A FACE SHIELD, A SNAP-TAB ON THE REAR TO HOLD A GOGGLES STRAP IN PLACE AND A CHIN STRAP.

PROTECT YOUR EYES WITH GOGGLES OR A HELMET SHIELD. GOGGLES WITH GREEN OR GREY LENSES ARE GOOD FOR BRIGHT SUNSHINE, WHILE YELLOW HUES ARE PREFERRED ON DARK DAYS OR LATE AFTERNOONS. GOGGLES PROTECT THE EYES FROM TREE BRANCHES AND KEEP THEM FROM WATERING.

WATERPROOF, THERMAL BOOTS WITH TWO PAIR OF SOCKS (ONE LIGHT WEIGHT, ONE WOOL) AND YOU'LL BE ALL SET TO BRAVE ANY WEATHER.

Finch W.I. meet at MacLean home initiate change in meeting procedure

FINCH — The regular meeting of the Finch Women's Institute was held at the home of Mrs Duart MacLean. Ten members were present, and Mrs Joe Dingemans presided.

Following the opening exercises, program convener, for Citizenship and Education, Mrs Duart MacLean initiated a change in the meeting procedure by presenting her program at the beginning instead of after the business.

The program was opened by a piano medley presented by Peter MacLean, this introduced a pleasing change of format. This was followed by a lively sing song, when all members joined in as verses from Institute lyrices were joined to a popular tune.

A detailed and most informative report of the Officer's Conference, which was held at Waterloo University, was read by the delegate, Mrs Duart MacLean.

Some suggestions and ideas on how to make the meetings more interesting and challenging were read and discussed. Also read were a number of humourous anecdotes spoken by the guest speaker at the conference.

A quiz on famous women, past and present, concluded a very interesting program.

The business session was opened by the calling of the roll when each member was aksed to name an outstanding citizen from at home or abroad. This was followed by the motto "Evil Flourishes when Good Men do Nothing."

Plans were made to hold a crokinole party later in January at the home of Mrs Duart MacLean.

A presentation of a cream, sugar and tray set was made to Miss Debbie Potter, foster daughter of Mrs Duart MacLean, for the completion of 12 4-H homemaking Clubs.

The meeting was adjourned and all members joined in the singing of "The Queen." This was followed by a delicious lunch served by the hostesses, Mrs Donald Casselman and Mrs Edgar MacLean.

South Mountain

A large crowd of snowmobilers turned out for the South Mountain rally which was held last Saturday afternoon and evening followed by dinner and a dance. the music was furnished by Mr Sonny Marchand and his boys from Domville. After the dance was over the orchestra was entertained at the home of Mr and Mrs William Gates assisted by Mrs Viola Marchand.

Mrs John Johnston spent last Thursday in Prescott and had dinner in the evening with Mr and Mrs Basil Watson, Kevin and Lana, of Cardinal.

Miss Susan Scharf of Ottawa spent a few days holidaying with her parents, Mr and Mrs Nelson Scharf of the village during the New Year.

Mr and Mrs Rae Crowder and children of Ottawa called on their grandmother, Mrs Pearl Murdock on Saturday last.

The community was saddened on Thursday to hear of the death of Henry Wilson who was one of our most prominent citizens. Our sympathy is extended to Mrs Wilson, Robert, Nancy and their families.

Mrs Viola Marchand spent Thursday afternoon with Mrs Morris Crites of the village.

W. P. HENOPHY LTD. - WILLIAMSBURG

As I See It...

By Mike Rowden

You know I'm inclined to agree with Tom Gould of TV fame . . . you know the guy I mean, he does the "Backgrounder after the news.

He says there has been too much "jaw-jaw" by the government and not enough "do-do" on the energy crisis.

It seems all they are doing is yapping about the whole affair but doing little constructive work. first they were to extend the pipeline from Sarnia, then from Sault Ste. Marie and finally from Winnipeg, with an all-Canadian pipeline. This would cost several hundred million dollars and they claim there is an acute steel shortage, and this from a country that has enough raw material ore to supply Canada and the rest of the world for years to come.

Then we hear that perhaps the government will have to subsidize the cost of fuel for Eastern Canada and that prospect frightens them because of the cost. Personally I think if our "wishy-washy" politicians would dig up some guts and do what has to be done, the talk and the problems of the energy crisis would soon be minimized.

If it is money they are worried about, they can quit talking about a new art gallery which they claim will cost $35,000,000, and that's right now. Judging from past experience, any building the government constructs, starts out at one price and by the time it is completed, it is twice as much. Then we have enquiries as to why it cost so much, and several months of excuses for it being so.

Take the proposed new art gallery . . . if it doesn't wind up costing $50,000,000, I for one will be very surprised.

Forget the art gallery until the energy problems and prices have been solved. Do you know that if they subsidized the cost of gasoline to the extent of a nickel a gallon, that $50,000,000 art gallery would reduce the cost of gasoline down to an acceptable price of somewhere in the nieghbourhood of 55 to 57 cents per gallon on a billion gallons of gas, for Eastern Canada.

The same amount of money based on average fuel oil consumption for the average home, would reduce the price of fuel oil from the present 35c down to 30c or provide enough fuel oil to heat 142,857 homes. Some saving, particularly in the areas of Canada where there are the most unemployed per capita than anywhere else in the country.

They don't seem to realize there is a war on right now, not one with guns and bullets, but an economic war and our country is feeling it. And the little guy is paying.

That hunk of iron called "Haida" in the name of art, cost something like $40,000. If our governments would put a stop to such foolishness and start putting some of the millions into a realistic approach to rising fuel costs, they'd be doing some good.

I'm all for improving the looks of the national capital — and art I like if I can understand it. Of course I'm probably considered plebian, because to me the painting of a tree should look like a tree. Or a statue of a man on horseback or whatever, should look just that and not an agglomeration of shapes that are geometrical and are supposed to be abstract art. The percentage of people who understand this so-called abstract art are such a very small minority it's ridiculous. Many others profess to be knowledgeable about such things but when it comes right down to it they may agree it's artistic rather than display ignorance.

Another thing that was mentioned is the fact that millions of dollars are sent out of the country in foreign aid, quite often interest-free. That's great, I'm all for helping the other guy, but not at the expense of our own country. Probably some of the other countries in the world, that are helping to bring about our economic crisis because of the world oil situation, have been getting millions from us and how we are getting our throats cut.

We have economic weapons to being to bear to help swing things the other way. Wheat, minerals, our own oil supply and many other resources. We don't want to fight with other countires, but when our own people are being put out of work and the poorest parts of the country have to pay such exorbitant prices for heating fuels or gasoline, it's high time our "dilly-dallying" government did a lot less talking and a bit more doing.

If there were a shooting war on, like in 1939 to 1945, it would be considered serious enough to take definite action and dispense with a lot of the red tape and useless expenditures in the name of the public interest.

Now is as good a time as any for the politicians to start justifying the hefty wage increases they recently voted themselves.

IN MEMORIAMS

IN MEMORIAM

ZERAN, DANNY — In loving memory of a dear grandson, Danny, who passed away, January 15, 1972.

Though his smile is gone forever,
And his hand we cannot touch.
Still we have so many memories,
Of the one we loved so much.
His memory is our keepsake,
With which we'll never part,
God has him in his keeping,
We have him in our hearts.

PLANNING AND THE PUBLIC: Ontario Hydro's commitment to involving the public in planning for the future was strongly evident in 1973. An 81-acre park and wildlife sanctuary (top centre) created by Hydro at the Pickering nuclear station was given to the Metropolitan Toronto and Region Conservation Authority in September. Residents in an area where a transmission line is proposed (right) play a role in the route selection process which includes public meetings (bottom). Tours of generating stations (top left) are popular with school groups and service organizations. Data Acquisition Computer System (DACS) helps provide Ontario with a steady supply of power by scanning 84 major generating, transformer, and switching stations by computer every two seconds (centre).

ENERGY CONFERENCE

Prime Minister Trudeau will meet with all the provincial premiers for a First Ministers Conference in Ottawa, January 22-23, to discuss the energy situation in Canada. They are expected to deal with such matters as pricing of crude oil, gasoline prices, subsidies.

ELECTION EXPENSES BILL

The House of Commons gave third and final reading to the Election Expenses Bill which imposes strict limits on election campaign spending, requires full disclosure of campaign donations in excess of $100, permits the government to refund some of the candidate's costs and limits television and radio advertising.

AID TO HOUSING

Urban Affairs Minister Ron Basford told a news conference that the federal government has already committed $150 million to a five-year, $500 million land assembly program to hold down the rising cost of housing.

The minister said that most of this money has been allocated within the past six weeks during talks with provincial governments about new housing programs launched last summer.

COMMONS BROADCASTING

Prime Minister Trudeau stated in the House of Commons that the federal government is still interested in broadcasting proceedings of the House of Commons but this proposition "was not met with much enthusiasm" by the opposition parties.

In its last throne speech, the federal government had said it would recommend to the House broadcasting, by radio and television, of all or part of the proceedings of the House and of the committees.

LIP GRANTS

Manpower and Immigration Minister Robert Andras announced that to date 3,307 grants under the Local Initiatives Program were approved for the 1973-1974 season, creating 28,000 jobs for a total federal contribution of $70,238,905. Federal commitment to 1973-74 projects totals $83 million.

EMBASSY IN SAUDI ARABIA

External Affairs Minister Mitchell Sharp said in the House of Commons that negotiations are underway to establish an embassy in Saudi Arabia. Should the negotiations be successful, this would be Canada's first embassy in an Arab oil state.

Dixon W.I. meet

The January meeting of the Dixon Women's Institute was held at the home of Mrs Howard Loynachan with eight members and two visitors answering the roll call by guessing the combined weight of the President and Secretary, namely Mrs Percy Prieur and Mrs Vera Armstrong. Mrs Howard Loynachan won the prize for the closest guess.

The motto for the meeting was "A New Year gives Everyone a Second Chance."

Many thank you notes were received for Christmas boxes sent and the correspondence was dealt with, which included a letter concerning the Officers Conference at Waterloo on April 30, May 1 and 2, 1974. The pooling fee of $45.00 was sent in and delegates will be appointed at a later date.

The meeting was turned over to the convener, Mrs Howard Loynachan, who read three poems, namely "'New Friends", "Today", and Woodstove Glow." Mrs Russell Cooper was present and delighted the members very much with a demonstration of spinning wool on her lovely spinning wheel. She spins at Upper Canada Village and showed the many colours derived from weeds, barks, onion skins, nut shells, etc to dye the wools used. The audience had a chance to ask many questions and it proved a most interesting demonstration.

Mrs Howard Loynachan favoured with many piano selections and then served a delicious lunch.

Mainly About People

The Reverend E. Earle Eaton was in Morrisburg Monday for a meeting of the Dundas County Ministerial Association. On Wednesday evening he participated in a rehearsal of the Seaway Singers at Morrisburg. Sunday evening he participated in a worship service at Winchester and paid hospital calls there.

To hold May Rally in Finch

Glengarry Presbyterial of Women's Missionary Society hold annual meeting

The annual meeting of the Glengarry Presbyterial of the Women's Missionary Society, Presbyterian Church in Canada was held in St. John's Church, Cornwall, with 75 representatives present from the counties of Stormont and Glengarry. President Mrs Frank Stewart, Ingleside presided over the day long event. Morning devotions were given by St. Elmo group and in the afternoon by Moose Creek. Mrs Iver MacIver, Maxville, was pianist.

Recording secretary, Mrs Harold Shaver, Ingleside, gave the highlights of the last annual meeting, and correspondence was read by the secretary, Mrs Stuart Blackadder, Martintown. Treasurer, Miss Isobel MacGaughey, Cornwall, reported an increase in the year's givings. All group treasurer's are requested to close the books this year on November 30th on a resolution passed in the meeting.

Mrs John Fourney, Lancaster, reported on the activities of the 19 adult groups; Mrs Archie McRae, Dalkeith for associate members; Mrs Wm. Morrison, Finch for Girls and Children's groups; Mrs J. C. McGregor, St. Elmo on Glad Tidings and members were urged to promote subscriptions; Mrs George Rupert, Finch, stated all members are involved in the Friendship and Service programme; Mrs George Adams, Cornwall, for supply; life membership report was given by Mrs Catharine Morrison, Avonmore for Mrs Neil Bush; Press, Mrs Donald Cumming, Maxville; Mrs Ian Kennedy of Martintown for the literature department, in which sales indicated keen interest in good reading material; Mrs David Ross, Moose Creek as historian reported on the 50th anniversary of Denvegan-Skye group.

The Presbyterial May Rally will be held in Finch on Thursday, May 16 and it is expected Rev. Glen Davis of the Korean Presbyterian Church will be guest speaker. Highlight of the afternoon session was the presentation of an Honorary membership certificate and pin to Mrs Amy Grant in recognition of her 17 years as treasurer of the organization. Mrs McIver read the address and presented the certificate. Mrs Frank Stewart presented the pin.

Miss Margaret Boyd, Ottawa, was unable to be present due to illness and regrets were conveyed to the gathering. Special guest at the event was Miss Doris Blaise, Montreal, Quebec and Eastern Ontario synodical president. Miss Blaise addressed the afternoon session on the relationship of the WMS to the New Board of Congregational Life, which has just come into being. She was thanked by Mrs Alpin McGregor, Martintown. Following her message Miss Blaise installed the new officers.

the new executive for 1974 is: Mrs W. M. Boyd, Bertha Ferguson and Mrs G. S. Lloyd, honourary presidents; Mrs Frank Stewart, past president; Miss Olive Ferguson, Dunvegan, president; Mrs Alpin McGregor, Martintown, first vice-president; Mrs Wm. Scott, Kirk Hill, second vice-president; Mrs Ian MacLeod, Maxville, recording secretary; Mrs Stuart Blackadder, Martintown, corresponding secretary; Miss A. I. McCaughey, Cornwall, treasurer.

Departmental secretaries elected were Mrs John Fourney, Lancaster, adult groups; Mrs Glen McIntyre, Avonmore, girls' organizations and children's groups; Mrs Archie MacRae, Kirk Hill, associate members; Mrs George Rupert, Finch, friendship and service; Mrs J. C. McGregor, St. Elmo, Glad Tidings Promotion; Mrs George Adams, Cornwall, supply; Mrs Hugh Morrison, Avonmore, life membership; Mrs Donald Cumming, Maxville, press; Mrs Ian Kennedy and Mrs wm. Johnston, Martintown, literature and library; Mrs David Ross, Moose Creek, historian; Mrs I. D. McIver and Mrs W. L. MacLellan, members without portfolio.

Following the installation service Mrs McIver welcomed Miss Ferguson as president and paid tribute to Mrs Stewart, retiring president, for three years of leadership and service to the Presbyterial.

Luncheon was served at noon in the church hall by the ladies of St. John's WMS and grace was said by Rev. W. L. MacLellan, D.D.

Mr and Mrs Kenneth Waldrif, R.R.2, Finch, Ontario, were married in the United Church at Newington on January 18, 1969. Congratulations on their Fifth Anniversary are extended from son Keith, daughter Holly and Sheila Waldrif.

SCHOOL NEWS

Only one week has passed since North Dundas students returned to school and already, much has happened to full that time. On Monday, January 8, students were presented with a survey, the joint project of the Student Council Executive and Outdoor Environmental Committee. The topic of this survey was the condition of the cafeteria. Students answered yes or no questions concerning music in the lunch periods and also changing the benches around. The results of this survey have not yet been announced.

Another major event of the week was the "capturing" of many school event for our '73-74 yearbook. Namely photographs of clubs, services, inter-school teams and house league champions. Over thirty different groups were represented.

Our busy student services are at it again. They are arranging for St. Lawrence College to present a programme involving technological and apprenticeship training. The tentative date for this program is January 14.

North Dundas welcomed a new club this week as the ski club came into existence. In the capable hands of Mr Stelmach, staff advisor, this new club boasts twenty-five members. They are presently planning for a skiing trip in the near future.

There were several ways to spend your activity period, Thursday, January 10,. One enjoyable way was to engage yourself in one of the many games supported by the Games Club. Students could have the opportunity to play hockey, basketball, careers and 101 others.

There was also a very exciting basketball game going on in the gym between the Boys All Star House League Junior-Senior Team and Junior Boy's Interschool Team. These were two extremely well matched teams, and to be sure every moment was tense. The final score 22-22 gives some indication to the calibre of play. Top scorer of the game was Dave Holmes from the All Star Team with 11 points.

There were probably a few nervous athletes at Dundas last week when two teams prepare for important tournaments this weekend. The curling team representing North Dundas is travelling to Rochester, New York for a large curling bonspiel. The students representing Dundas team are Donald Anderson, Kim Smith, Noreen Byers and Doug Cochrane. They will be billeted overnight in a New York home.

The second expectant teams are the Midget Girl's Basketball teams. They are entering their first tournament this Saturday at North Dundas. These girls have practised hard, and are confident of success. However, they expect stiff competition from teams from Seaway and two from Smiths Falls. Athletic Association will be on hand to sell hot dogs and drinks.

As the end of the first term rapidly approaches, students and staff are trying to accomplish a great deal before the deadline.

Colquhoun

The U.C.W. of Colquhoun United Church met at the home of Mrs Kenneth Hummel on Thursday.

Mr and Mrs Lloyd Gallinger visited Mr and Mrs Donald A. Casselman Sunday.

Mr and Mrs Kenneth Hummel were guests of Mr and Mrs Lorne Johnston on New Year's day for dinner and tea guests of Mr and Mrs George Crawford of Chesterville.

Mr and Mrs Roy Hart visited Mrs E. Hart, Cornwall, recently.

Miss Doris McMahon visited Mrs Lillie Murphy on Thursday

ANNOUNCEMENT

Mr and Mrs Bev Hutt of Iroquois wish to announce the forthcoming marriage of their daughter Dianne to Brian Fawcett, son of Mr and Mrs Clayton Fawcett of Winchester Springs on February 9, 1974, in Iroquois United Church at 3:30 in the afternoon. 19

IN MEMORIAM

In fond and loving memory of a dear nephew and cousin, Danny Zeran, who passed away January 15, 1972.
Today recalls the memory
Of a loved one gone to rest,
And those who think of him today,
Are those who loved him best.
The flowers we lay upon his grave,
May wither and decay,
But the love for him who lies beneath,
Will never fade away.
Ever remembered by Collins, Cleary, Casselman and Wylie Families

IN MEMORIAM

STEEN — In loving memory of a dear father, Robert John Steen, who passed away January 20, 1968.
He suffered patiently and long,
His hope was bright, his faith was strong,
The peace of Jesus filled his breast,
And in His arms he sank to rest.
Sadly missed and fondly remembered by Helen, Kathleen, and Gill.

IN MEMORIAM

EVANS — In loving memory of our nephew, Brent, who passed away January 15, 1972.
Two years have passed since that sad day,
When one we loved was called away,
God took him home, it was His will,
Within our hearts he liveth still.

Legion Pee Wees have ups and downs win in league, lose in exhibition

Chesterville Legion Pee Wees continued in their winning ways in Carleton-Dundas Pee Wee league action. In their lone league encounter of last week, Legion hosted the Metcalfe Pee Wees.

The locals opened the scoring with Pat Kelly notching a goal on a neat play from Don Richards and Curtis McMillan. Rudy Grisel scored on a break-away only a minute later to close out the first period with Legion holding a 2-0 lead.

The locals added to their lead on a power-play goal as Jerry Witteveen, a very steady left winger, scored from Pat Kelly and Curt McMillan. Rob Wood then turned a Garry Beckstead pass into paydirt, giving Legion a 4 to 0 lead.

The defence then relaxed a bit and this resulted in Metcalfe goals by Steve Wade and Frank Zuger.

Pat Kelly added his second goal of the night to give Legion a 5 to 2 win.

Exhibition play, however, was asusual, not as successful. Fort Covington, N.Y., visited the Chesterville arena last Wednesday night to tangle with Legion.

The visitors scored once in the first period and added another in the second to build a 2-0 lead going into the third period. Although Legion played well, they could take a lesson from their American friends in skating and checking.

In what was to be an exciting third period, Legion's Pat Kelly scored from Curt McMillan and Jerry Witteveen to close the gap to 2-1. Tom Feeley tied things up in a scramble in front of the net. The teams were then even up and an excellent series of end-to-end rushes followed. Then Fort Covington notched a third marker to take the lead with 4.32 left in the game.

Although Legion was presented with golden scoring opportunities in the last four frantic minutes, there was no way that the locals could find the range as Legion dropped a close 3 to 2 game to a fine squad from Fort Covington, N.Y.

This week has been, and will be, a busy one for Legion, playing Cardinal at home on Tuesday night, Richmond at home on Wednesday night, Thursday they travel to Morrisburg. On the weekend they will participate in an International Invitational Pee Wee Tournament in Salmon River, N.Y., with their first game on Friday against Massena, N.Y. They also travel to Salmon River on Saturday morning, to return and play Blackburn Hamlet in Chesterville at 4 p.m. on the same day.

Clements Midgets playing '100 Hockey' week's play produces three wins

January 5th —

Clements Midgets have not slowed their pace one bit in 1974, as they continue to turn aside all opposition. The local team played three games over the past week, two in the league and one exhibition. The scores were close but in each case the local lads were listed as winners.

In exhibition play, Saturday, January 5th, in the local arena, Ottawa's Sandy Hill provided the opposition. When the final bell had sounded Chesterville had won 2 to 0. And Stephen Droppo had notched another shut-out.

Chesterville scored at 6.17 of the opening period on an effort by Dave Barkley. Kevin Smith and Greg Beckstead drew assists. Sandy Hill's P. Armstrong took the only penalty called in the first period.

Big Greg Casselman shook loose in front of the net at the 11-minute spot of the second and drove one home. Assists went to Gord Zeibell and Lorne Cook. Chesterville picked up two penalties in the middle frame, Dave Arnold for roughing and Dave Cross for cross-checking.

Chesterville withstood the Sandy Hill charge in the third period and neither team was able to score. Two penalties were called against each team. S. McIntosh for high sticking and R. Spirits for tripping were the Ottawa offenders. Clements Dave Barkley for tripping and Big Greg Casselman for cross-checking were Chesterville's two.

Final score, Chesterville 2 to Sandy Hill with 0.

Sunday, January 6 —

Clements travelled to Winchester last Sunday evening, January 6, to tangle with an ever stronger Winchester Midget team. Winchester now would like to remove the second period when Chesterville recorded three unanswered goals.

Winchester went ahead 1 to 0 at 1.42 on a goal by P. Simms, the assist went to D. Crowder. Dave Barkley made it 1-1 at 14.50. Little Greg Casselman drew an assist on Barkley's goal. Winchester was assessed the lone penalty in the initial frame. B. Angus sat two for tripping.

The second period was a real thriller, Chesterville scored three times and no penalties were called. Dave Cross at the 50-second spot, assists to Kevin Smith and Dave Barkley; Dave Arnold at 2.21, assists by Dave Richards and Wayne Dillabough; Dave Cross at 6.31, assists to Doug Shay and Dave Barkley.

The third period went scoreless but by the number of penalties called it was a close checking affair. Chesterville took four, Winchester took two. Clements Tom Droppo for holding, Big Greg Casselman for slashing, Lorne Cook for slashing and Dave Richards for elbowing. M. Armstrong for hooking and A. Porteous for butt ending were Winchester's penalized.

Steve Droppo was in goals for Chesterville and picked up the win. Final score Chesterville 4, Wichester 1.

In league play, following Sunday's game the Chesterville team has now recorded 11 wins, 1 loss and 1 tie. Clements hold down first place in the league.

Wednesday, January 9th —

Metcalfe Midgets have provided ample opposition to the local entry on ever occasion this year. Last Wednesday night was no exception. The teams were tied going into the final session. Clements Dave Richards scored unassisted at 5.10 of the final to pull the game out of the bag for Chesterville.

In the opening period the stage was set early as both teams scored before the three-minute mark. Metcalfe's C. Erler from J. Cory at 1.05 was the initial goal. Dave Arnold and T. Droppo drew assists on Big Greg Casselman's goal which was registered at 2.55. Metcalfe took both penalties that were called in the first period — J. Mears for holding and B. Morrison for cross-checking.

It would almost appear as if the teams were playing follow-the-leader as they scored just 16 seconds apart in the middle frame and dead-locked the game again. D. Crerar from L. McEvoy for Metcalfe scored at 9.04. Dave Arnold on a solo effort tied it up at 9.20. Metcalfe drew three penalties in the middle stanza: C. Erler took two, both for roughing; P. Wiskeman sat time for cross-checking. Chesterville's Kevin Smith was nailed for roughing, Dave Cross sat time for slashing.

The pattern changed in the final frame, in the first two periods Metcalfe had scored first and Chesterville banged in the equalizer. Chesterville's Dave Richards scored unassisted at 5.10 and it proved to be the winner as Metcalfe players were unable to get one by Chesterville goalie Steve Droppo. Each team took only one penalty in the final frame. Metcalfe's J. Cory sat two for roughing. Big Greg Casselman got caught for elbowing.

Final score Chesterville 3, Metcalfe 2.

Following the final whistle of the Midget game the winning ticket was drawn for the 50-50 draw. Gordie Paul may have been the biggest winner of the whole minor hockey evening. The young man pocketed $169.00 for holding the lucky number.

Novice teams provide lively action

Although little has been reported about the Novice Division of the Chesterville Minor Hockey Association, it has been active, putting the arena facilities to good use. These boys are five to eight years old and work earnestly to learn the basic skating skills and the fundamentals of hockey.

this year 42 boys are playing for three teams — Earl's Meats, Erik Thomspon Electric and a newly sponsored Rebekah Lodge entry. The ice-time is broken down to provide practice time, inter-squad competition and some games with nearby communities.

In a December game Thompson Electric overcame a 2 to 1 lead by Earl's Meats to win 4-3. Goals and assists for the Thompson Team went to Scott Mitchell assisted by reliable Vince Cousineau and Damion Laflamme, Mark Smith from Kelly Mitchell, 2 goals by Kelly Mitchell with an assist going to Mark Smith.

Rugged Earl's Meats recorded scores by Sean O'Connor, unassisted, Darrin Kelly with help from Greg Sullivan and David VanDelst, Michael VanDelst from Grant Groves.

When Rebekah Stars met Thompson Electric the strong Rebekah team won by a 4 to 1 score. This was Lonnie McIntosh's game as he led the scoring and had the score 3 to 0 on his big effort before Kent Smith added more insult to the Electric team. But Thompson Electric never gave up and the effort of Scott Mitchell put them on the score board. Final score 4 to 1 for Rebekah Stars.

Earl's Meats and Thompson Electric met in a semi-final play-off game to decide who would face Rebekah Stars in the play-off of competition 'A'.

These closely matched teams played to a 3-3 tie even after over time had been played. Vince Cousineau opened the scoring from Scott Mitchell, only to have Bradley Connely take the lead away with help from Michael VanDelst. Mark Smith put Electric ahead with two quick goals, with an assist going to winger Angus Craig.

But steady Greg sullivan again tied the game on two consecutive unassisted goals, In ten over-time there was no scoring by either hard-working team.

This put the two teams into sudden-death play-off for second spot. Again they met to battle for this play-off position.

Chesterville Legion Pee Wees so far this season have offered allopposition stiff competition. Under the careful guidance of Bernie Harper, left rear and Peter VanKessel, right rear, the young players have been molded into a well co-ordinated unit. They have won their just share of hockey matches. Front row from left, Robert Wood, Garry Beckstead, Jeff Phifer, Pat Kelly, Eddie Witteveen, Curtis McMillan and Don Servage. Back row, Ron Richards, Jerry Witteveen, Glendon Shay, Tom Feeley, Rudy Grisel, Don Richards, Mark Moran and Barry Fulton. — Staff Photo.

C. of C. Atoms play exhibition games

December 19 — In a search for a more competitive game, C of C Atoms met with Brockville A Atoms. The final score of 9 to 1 for Brockville proved the competition was stiffer than anticipated. Chesterville's lone goal was scored by Marque Laflamme, unassisted.

December 21 — Scott Richard's first hat trick stole the show as Chesterville C of C downed Morrisburg 9-3 in exhibition play. Marque Laflamme got the game off to a good start with an unassisted goal, followed by Scott Richards, set up by Terry Barkley. Stephen Jones and Michael Beckstead kept the ball rolling with one each unassisted. Richards followed with another goal, set up by Michael Beckstead and Oliver Jakel, while Marque Laflamme scored again, unassisted. Assists went to Terry Barkley and Toni Fraser when Stephen Jones scored his second goal for the night and Terry Barkley set up Scott Richards for his third. A final goal by Michael Beckstead, unassisted, left the C of C Atoms well ahead of the competition.

December 28 — C of C Atoms proved to poor hosts as they outplayed Iroquois to a final 6 to 2 score. Stephen Jones opened the scoring, assisted by Michael McGahan, who followed with another goal unassisted. Marque Laflamme took over the play with two more and a neat pass from Oliver Jakel set Michael Beckstead up for another goal. Marque Laflamme and Toni Wouters helped Michael to a repeat performance, leaving the Atoms well on top of their opponents.

December 29 — Iroquois' chance for revenge came in a return match and they took full advantage, downing Chesterville C of C 10 to 4. Marque Laflamme slammed one in when he was set up by Michael Beckstead, and then scored again, unassisted. Terry Barkley helped Duff Mitchell put one between the pipes and Marque Laflamme finished the scoring for the evening with an assist going to Scott Richards. Marque's seventh hat trick of the season just wasn't enough against Iroquois as they really outplayed the Atoms in this game.

January 4 — Outstanding goaltending by Kevin Weegar defeated the C of C Atoms in a game against Ross Casselman's Pee Wee B's. Terry Barkley opened up the scoring for the Atoms with a pass from Michael Beckstead. Two more goals came from Duff Mitchell and Marque Laflamme, both unassisted, to end the game with a final 4 to 3 for the Pee Wee's.

C & M Bantams down Winchester 5-4 Lyle Servage scores 3

On Sunday, January 13, Chesterville's C & M Bantam Hockey team travelled to Winchester for a league game. Thirteen must be the team's lucky number as well as Lyle Servage's. Chesterville won the game 5 to 4 and young Servage picked up not only a hat trick but also added an assist to his record.

Chesterville pulled into the lead at 3.20 of the first period when Lyle Servage scored on a solo effort. Each team drew one penalty in the initial period. Chesterville's Jeff Smith was tabbed for interference. D. Duncan of Winchester sat two minutes for slashing.

Chesterville's lead held up until the 11-minute mark of the middle frame when Winchester scored two quick goals to take the lead 2-1. Winchester goals were scored by R. Havekes from S. Plummer at 11.07 and Havekes again from B. Hutt at 11.50. Lyle Servage from Ron Genier made it 2-all at 13.54. Lyle Servage from Ron Genier made it 2-all at 13.54. Winchester players J. Allen for tripping and D. Duncan for high sticking were the teams two penalized players. Jeff Smith sat two for high sticking for C & M.

At the 15-second spot of the final period Winchester once more took the lead on a goal by P. Meek from R. Gilmour. Lyle Servage scored unassisted at 3.25 to tie the score again. Kevin Blair on a solo effort put C & M one up at 10.12. Danny Clement put the icing on the cake as he scored from Lyle Servage at 14.55. S. Plummer drew an assist on Winchester's P. Meek's goal at 16.25. Each team drew two penalties in the last period. For Chesterville Pat Imrie for roughing and Jeff Smith for roughing; for Winchester, B. Hutt for roughing and P. Meek on the same call.

Final score Chesterville 5, to Winchester's 4.

This game was a complete reversal of the first match, and a wide-open game produced a 10 to 5 decision for Thompson Electric. Scotty Mitchell opened the scoring, unassisted, for Thompson Electric. Scotty Mitchell opened the scoring, unassisted, for Thompson Electric, but was quickly answered by Greg Sullivan with two goals, one assisted by Michael VanDelst. Vince Cousineau stopped their attack with a goal assisted by Scott Mitchell and Chris Ward to tie the score at two each. Before the first period ended Earl's Meats star Greg Sullivan scored again unassisted, only to be answered by gig Scott Mitchell from Chris Ward.

The second period was full of action and sound hockey as six goals were recorded. Earl's Meats big gun Greg sullivan was alone for his fourth goal and put his team ahead. Chris Ward from Scott Mitchell tied the game. Scott Mitchell put Thompson Electric ahead, an assist went to Vince Cousineau. Vince Cousineau then scored his second goal of the game. Greg Sullivan then scored his 5th goal unassisted for Earl's Meats to keep the fans on their toes and the score close. Scott Mitchell ended the scoring of the second period, Mark Smith and Angus Craig drew assists. At the end of the second frame the score stood at 7 to 5 for Thompson Electric.

The third period saw the strength of the tough Electric Team as they carried the play and scored 3 unanswered goals — Chris Ward from Vince Cousineau and Kelly Mitchell, Vince Cousineau his third, and Scott Mitchell, his fifth of the game. The game provided a thrilling play-off finish.

The final game of the Competition 'A' was played to determine the trophy winner for this schedule.

The Rebekah Stars and Thompson Electric clashed on Wednesday afternoon. Steady Scotty Mitchell opened the scoring unassisted with a second goal coming from hirs Ward assisted by Angus Craig. The Rebekah Stars big centre Greg Sullivan roared back with two goals to tie the score. Scott Mitchell scored again from his brother, Kelly, to end the first period.

Mark Smith's goal in the second period ended the scoring and gave the 4-2 win and the trophy to the Erik Thompson Electric Team.

The second draw begins this week with new teams, new coaches but the same exciting brand of hockey.

Chesterville Pee Wee 'B's' currently hold down third place in their league. The local team get their opposition from Iroquois, Osnabruck Township and another home town team. Front row, from left, Craig Wheeler, David Byers, Kevin Weegar, Derek VanDelst, Bruce Lang and Larry McMillan. Back Row, Ronnie Jones, Glen Patterson, Joey McCadden, Danny Moriarty, Donnie Wheeler, Doug Rance, and Robbie Sullivan. Coach Ross Casselman at rear. Team members absent from picture, A. Gupta, and Kevin Sproule. Also absent were coaches Carmen Carruthers and Peter Brugmans. — Staff Photo.

Of all the teams playing out of Chesterville arena, Clements Feeds Midgets have shown as much improvement, if not more, than any other hockey team over the past year. This will be the first full year that a Midget Team has been able to play and practice, for a full season, out of their own arena — it has really paid dividends. The local team is currently in first place in the Carleton-Dundas League. Front row from left, Little Greg Casselman, Lorne Cook, Dave Richards, Steve Droppo, Greg Beckstead, Gord Ziebell and Wayne Dillabough. Back row, Pete Marshall, coach, Dave Cross, Big Greg Casselman, Tom Droppo, Dave Arnold, Kevin Smith, Dave Barkley and Coach Larry Stevens. Eagles fail to gain in N.S.H.L. Friday night game

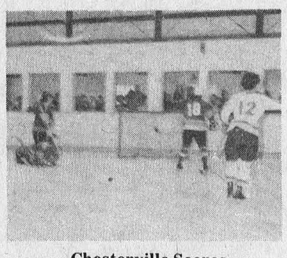
Avonmore Aces have been on the move lately in the N.S.H.L. and their latest victims to fall were the Chesterville Golden Eagles, on Friday evening at the Chesterville and District Community Arena.

Opening the scoring for Avonmore early in the first period was Dean McIntyre assisted by Red McIntyre. The Eagles tied the game at one apiece when Donald Swerdfeger scored at the 14.09 mark. Eagles were shorthanded as Roy Meldrum drew a tripping penalty at 14.36.

Bob Grant after stepping through the Eagles defence banged in his second goal of the night to give Avonmore a 2-1 lead at the 10.17 mark.

Eagles returned at 7.41 when Roger Morrel assisted by Barry Holmes scored. Berry took a rink wide pass and Roger scored on Berry's rebound. Avonmore got off to a flying start in the first period by scoring one minute later at 6.45 when Art McElheran put Avonmore back in the lead. Bob Grant scored a hat trick when he tallied at the 4.10 mark for Avonmore giving them a 4-2 lead. Bob had a clear break-away and beat Eagles goaltender Dobbe from a wide angle. Avonmore added three more goals in the later stages of the first period on goals by John Adams (2.30) Bob Grant (1.22), and Rick McElheran (1.00).



Chesterville Scores

The Eagles tried desperately for a comeback in the second period but Avonmore's Dean McIntyre scored at the 9.18 mark putting the Eagles behind by a score of 8-2. The score didn't stop the Eagles a bit, as they came back at the 3.54 mark on a tally by Reg Hyndman. With 2 minutes and 47 seconds left in the second period Avonmore racked up what proved to be their final score of the night on a goal by Jr. Lalonde.

Third period action saw Fred Lobb of the Eagles score at the 8.08 mark on a breakaway. Ernie Summers, who assisted Lobb on his tally, pumped the final goal of the evening past Avonmore's goaltender at 2.20 of the third period.

Chesterville's Golden Eagles, the most recent entry in the North Stormont Hockey League, may not grab off too much of the hardware this year, but they have brought the crowd to their feet on more than one occasion. The local team posed for the Record camera last Friday night. Front row, from the left, Fred Harper, Dale Hutt, Roger Morrell, Cornel Dobbe, Ernie Summers, Dave VanBridger, Don Swerdfeger. Back row, Bob Williams, coach, Roy Meldrum, Bob Lajoie, Reg Hyndman, Bill Dejong, Barry Holmes, and Fred Lobb. — Staff Photo.

The Chesterville Record

Despite the loss on Friday Williams, Eagles coach was optimistic that the Eagles will come out of their slump. He said his team played hard most of the way but couldn't finish off around the net.

It was a fast cleanly played contest with only seven minor penalties called, six of them to Chesterville.

Summary — Avonmore Aces: Greg Armour, John Adams, Ron Alguire, Red McIntyre, Dale Swerdfegar, Lyle Swerdfeger, Dean McIntyre, Don Blaney, Bob Grant, Norm Morrison, Ben, Clarnece Adams, John McIntyre, Don Benton, Jr. Lalonde, Art McElheran, Rick McElheran, Ritchie McIntyre.

Second draw underway Earl's Meats win thriller by 7-6 score

The second schedule for Novice Hockey teams started with a hard-fought, closely contested battle, between Thompson Electric and Earl's Meats on January 8th.

Peter Van kessel opened the scoring early in the first period on a pass from Scott Mitchell. David Van Delst evened the score for Thompson Electric 50 seconds later on a pretty pass from Mark Smith. Rugged Damian Laflamme scored unassisted to end the first period with Earl's Meats holding the one-goal margin.

Early in the second period David VanDelst again scored to tie the game, only to have big Scott Mitchell score on a break-away for Earl's Meats. David VanDelst caught a pass from Mike VanDelst and potted his third goal, which he quickly followed with a fourth with help from Kirk Barkley and steady Kevin Harper. The tough front line for Earl's team poured on the pressure and Scott Mitchell scored on a smooth play from Peter VanKessell and mighty Darren Kelly. Hard driving Scott Mitchell scored his third goal, unassisted, less than two minutes later to again put Earl's in the lead. But Vince Cousineau had not given up and put the puck in the net to again tie the score in a thrilling game.

Rene Boulanger hit Peter VanKessel with a pass which was made to count and Darren Kelly added the insurance marker, putting the "Meat Team" ahead 7 to 5.

Vince Cousineau fought to even the score and was rewarded with a pretty goal from Greg Sullivan. But the clock won out and the score ended 7 to 6 for Earl's Meats.

Unique idea used in Quilting

Mrs. George Winters proud of project

Hobbies are a pastime many enjoy. Some collect this, and some collect that, but Mrs Cecile Winters, R.R.2, Chesterville, Ontario, wanted to make something that was different, but what? She began talking about her wish to her husband George and daughter Leoma, who suggested she make a quilt. But she said she made several quilts in the past and that would not be a unique project. Her daughter then suggested she have famous people sign each square on the quilt; that would be a great idea thought Cecile. "But who would I get to sign such a quilt?" Her husband George jokingly suggested why not the Queen of England and the Prime Minister of Canada. As the evening passed on they dared her to write famous politicians and ask for their signature.

The more she thought about the idea, the more obsessed she became with it. The next day, January 22, 1968, she wrote letters to the Queen, the Prime Minister and several Members of Parliament and her project was now underway.

In her letter she explained what she was trying to accomplish and asked each person to sign his or her signature on a piece of white cotton 12" x 12". She did not include the material in her letter but suggested each send the cotton or a man's handkerchief.

Several weeks passed and then the answers she had been waiting for began to trickle in. Letters from secretaries, wives and members of Parliament, some asking how they were to sign the piece of cotton, some stating that they had no cloth at the moment but would send it as soon as possible.

Cecile, more enthusiastic than ever, immediately began sending letters to Premiers and Members of Parliament across Canada. She was now receiving letters almost every week, and was surprised when she opened the envelope from Buckingham Palace, England. The letter explained that regretfully the Queen could only sign her signature for those people whom she personally knows. Cecile was not unhappy with the answer after all just to get a letter from Buckingham Palace was something to be proud of.

The Queen's representative in Canada, Governor General Roland Michener and his wife both signed a square, others were the late Prime Minister Pearson, Prime Minister Trudeau, Premier John P. Robarts, the late Premier of Quebec Daniel Johnson, Prime minister John Diefenbaker, Robert Stanfield, a total of thirty-five different names in all. All the provinces of Canada are represented including the Yukon and Northwest Territories.

Mrs Winters received some help to complete her quilt from Lucien Lamoureux, Speaker of the House of Commons. Mr Lamoureux had the last square for the project signed by the Party Whips, who acted for the 28th Session of Parliament, Mr Bell representing the Progressive Conservatives, Mr Knowles, the New Democratic Party, Mr Pilon the Liberal and Mr Laprise the Creditistes.

Other interesting squares included are the only woman M.P. Grace MacInnis, Vancouver-Kingsway, the only negro M.P. Lincoln Alexander, Hamilton-West; and the only Indian M.P., L. S. Marchand, Kamloops-Cariboo.

The project which began on January 22, 1968, was completed on October 9, 1970. It contains 35 different squares and is bordered in red, white and blue measuring 80" x 110".

Cecile could not say how many hours it had actually taken to make the quilt but it was one of the most interesting things she had ever undertaken. The idea had become such fun that she has started another quilt, this one to be made up of famous T.V. and movie stars. For starters she already has Bob Hope, Lawrence Welk and the late Tex Ritter.

BUCKINGHAM PALACE

4th July, 1968.

Dear Mrs. Winters,

I am commanded by The Queen to thank you for your letter, in which you ask for Her Majesty's signature.

I have to explain to you that, owing to The Queen's rules in these matters, it is not possible for Her Majesty to send her autograph to anyone whom she does not already know. The Queen is, therefore, unable to do as you ask. This I feel sure you will understand when I tell you of the many similar requests that Her Majesty receives.

I am to thank you once again for your kind thought in writing, and for the good wishes which you have sent to The Queen and her family.

Yours sincerely,

Rose Baring.
Lady-in-Waiting.

Mrs. George Winters,
Chesterville, R.R.2.,
Ontario, Canada.

IN MEMORIAMS

IN MEMORIAM

EVANS — In fond and loving memory of our dear grandson, Brent Evans, who passed away two years ago January 15.
Gone dear Brent, gone forever,
How we miss your smiling face,
But you left us to remember,
None on earth can take your place.
Sadly missed, Grandpa and Grandma Presley

IN MEMORIAM

EVANS — In fond and loving memory of my dear nephew, Brent Evans, who passed away January 15, 1972.
He left us quickly, his thoughts unknown,
But he left us a memory we are proud to own,
So treasure him Lord in your garden of rest,
For when on earth he was one of the best.
Sadly missed, Wayne Presley

Newington U.C.W. meet

Mrs G. Anderson guest speaker

NEWINGTON — The regular meeting of the Newington United Church Women was held at the home of Mrs Florence Gallinger on the afternoon of Thursday, January 10. Fourteen members and three visitors were present.

The president, Mrs Smith opened the meeting by asking everyone to join in the singing of the hymn "Standing at the Portal of the Opening Year." the worship service was conducted by Mrs Kay Flegg and Mrs Jennie Flegg. A reading was given by Mrs Kay Flegg on "New Year's Thankfulness". The business protion of the meeting followed. Mrs Smith gave a reading entitled "A Word Before You Start to Visit." A skit was presented by Mrs Elizabeth Beaudette, Mrs Lydia Petit and Mrs Kay Flegg. Mrs Giffin, who was in charge of the program, intorduced the guest speaker, Mrs Grace Anderson, who had attended the U.C.W. Conference at Montreal last summer.

Mrs Anderson used as her theme "What Are You Doing in the Garden of Eden? Are You Rooting or Rotting?" She was thanked for her interesting talk.

The meeting was brought to a close as Mrs Smith led in prayer. Refreshments were served by the hostesses and a social time followed.

Clements Midgets & Cornwall Twp. tangle penalty filled game produces 1-1 tie

Clements Midgets were hosts to a team from Cornwall Township at the local arena last Saturday. The game was a real clutch and grab affair as the score sheet showed both teams short on goals and long on penalties. The penalties, 15 of them, were called all through the game. The scoring was condensed into five minutes of the middle frame.

The first period went scoreless but a total of five penalties were called. S. McDonnell started the parade of penalties when he was charged for interference at 5.04. He was followed to the penalty box by L. Fougere for elbowing and R. McLennan for holding. Chesterville players did not escape the watchful eye of the referee as Greg Beckstead was caught for boarding and Dave C Cross sat two for roughing.

Clements scored early in the middle frame. The goal came off the stick of Dave Arnold, Gord Ziebell drew an assist. Each team drew two penalties in the second period. It was Clement's Greg Beckstead for tripping and Big Greg Casselman for hooking. Cornwall's penalized were K. Taillon for roughing and J. Seller for boarding.

Rick Sproule in goals for Chesterville was very steady in the final period and turned away all attempts to score. The Cornwall goalie was also equal to anything Chesterville fired his way. The score ended in a 1-1 tie. Chesterville's Gord Ziebell started the parade to the penalty box in the final period, he was nailed for elbowing at the 36-second spot. Ziebell came under the eye of the referee at 7.41 and the young player ended up with a game misconduct. Clement's Dave Arnold sat two minutes for cross checking.

Three Cornwall players served infractions in the final 20 minutes — K. Lafuse for tripping, M. MacDonell for elbowing and MacDonell for charging and a game misconduct.

There's Increased Feeding Efficiency for You in Shur-Gain Bulk Feed Service from Us

You need hardly be reminded that livestock farming is a highly competitive business . . . that to succeed today, *production costs have to be controlled today,* in every way possible.

Feed costs, labour, time . . . these are all *costs of production* that you can probably reduce even more. If your herd or flock is large now, and likely to expand further, start calculating the *production savings* made possible by bulk feeds handling.

Behind SHUR-GAIN BULK FEED SERVICE is years of experience in feeding herds and flocks that number in the thousands. That experience is yours for the asking. Would you like to talk it over?
